Block Leader Plan Organizing As Aid To Civilian Front

To keep the public better informed and educated on every phase of the home front, the civilian defense council is making plans for the initiation of the block plan under the supervision of the community war services division.

The establishment of the plan by each defense council has been urged by the state defense organization and the program is under the direction of Mrs. Richard S. Bethell, deputy state civilian defense director in charge of community service.

George H. Weston of 184 Tappan avenue has been named head of the block plan organization. Active in a number of local affairs, Weston is a member of George Younginger post of the V. F. W. and last November was the chairman of the municipal committee which arranged the Armistice day observance program.

Similar to ARP Plan
The block plan will be organized similarly to the air raid warden patrol since it calls for a leader on each block. The purpose of the movement is to obtain an all-out voluntary mobilization of every resident to do the big or little jobs at home that must be done to back up those who are in the military front. It is the belief of the state that through the personal contact of block leaders with their neighbors, the best method will have been adopted for getting across the important story of the part which all of the public must play.

Defense Coordinator Harry J. Sullivan said yesterday that Weston is planning to organize the block leaders in the same way that the ARP was formed. For the purpose of forming the program, the town will be divided into five zones with each broken down into sectors. Working under Weston will be five zone chiefs with sector leaders who will direct the block leaders.

With the coming of point rationing, Sullivan believes that there is a tremendous educational job to be performed by the group. "During the coming months," he said, "there will be many more instances in which we will be called upon to carefully inform the public of what they should do to help with the war effort."

He cited the collection of tin cans, waste fats and the effort to further the share-the-meat and share-the-car program as work which could be performed by the block leaders.

While newspapers, magazines and radio have been credited by the state council as doing a fine job in disseminating the important information, it is believed that through the block leaders, the details of each program will be gotten to each household.

The duty and task of the block leader has been defined by Mrs. Bethell who has advised all councils to get the program started as soon as it is possible.

"It is the job of the block leader to see that every family in the neighborhood has all the information necessary on each and every campaign," Mrs. Bethell said. "If our citizens know why the campaign is conducted, what effect it will have in winning the war and all pertinent information nothing will stop them in putting it across. It is only when people are kept in the dark about objectives that they fail to respond."

Be Well Informed
"The block leader," Mrs. Bethell said, "must be well informed and able to explain the vital war programs which the Government initiates. It is the business of the block leader to keep himself informed on such questions as salvage, war savings campaigns, rationing and price control, conservation programs and any other war time problem which faces his community and which can be efficiently attacked within the community itself. Just as the air raid warden is responsible for civilian understanding of protective measures so the block leader is responsible for the civilian understanding of measures necessary for victory."

Board Holds First Meeting Tonight On Town Budget
The first conference on the 1943 municipal budget will be held tonight at town hall when Mayor Williams, finance director, will present preliminary figures to the board of commissioners.

Last night, Williams conferred with the members of the finance committee of the board of education. The school board, which meets tomorrow night, is scheduled to introduce its budget shortly.

KIDDE WORKERS TO GIVE BLOOD

Red Cross Mobile Unit To Visit Plant Feb. 1; Local Chapter Aids

The employees of the Walter Kidde company this week became the first group of war workers in Belleville to volunteer to contribute blood to the Red Cross bank. In addition to doing their bit in the battle against the axis on the production front, they have now added helping the Red Cross to the list of other sacrifices which includes voluntary payroll deductions for war bonds and contributions to various servicemen's aid organizations.

John M. Charlton, chairman of the Red Cross chapter's blood donor committee, announced at Monday night's executive meeting that the mobile unit, staffed with doctors and nurses, from the New York headquarters would visit the plant on Monday, February 1. The unit will be at the plant from 2 until 7 p.m., Charlton said. Members of the Red Cross motor corps will be present to assist and refreshments will be served to the donors by the chapter's canteen committee under the direction of John Hewitt. Staff assistants from the local office will also do the clerical work.

Each To Give Pint

A pint of blood will be taken from each volunteer. It is placed in a refrigerator and rushed to New York where in a Red Cross laboratory it is processed into dry plasma. It is then ready for shipment to a fighting or disaster front in any part of the world. Mixed with distilled water, the plasma regains its blood qualities. Its greatest advantage over previous methods is that the plasma can be transfused into a person with any type blood.

A. P. Luscombe New Treasurer Of Red Cross Chapter

Several changes in the executive set-up of the Red Cross were revealed this week by B. Thomas Aitken, who was recently appointed chairman. He succeeded Frank Chambers, National Grain Yeast official, who resigned because of the pressure of business.

Aitken, who is president of the People's National Bank and Trust company, said that he had named one of his business associates, Albert P. Luscombe, executive vice president of the bank, chapter treasurer. He succeeds Russell K. Rose, who was appointed chairman of the finance committee.

Mrs. Louis A. Noll who has served as first aid chairman, has been made chairman of the home service section, a committee which has had its work greatly increased in recent months. Temporarily, the work of Mrs. Noll's first aid committee will be handled by her assistants.

Petean Member Is Presented Distinguished Flying Cross

A member of the Petean club was presented the distinguished flying cross "for extraordinary heroism above and beyond the line of duty."

He is Staff Sgt. James D. Barton, son of Mr. and Mrs. Earl W. Bommer of 24 Highland road, Bloomfield. He is now on duty overseas. The announcement of the awarding of the medals was revealed to the Petean's Tuesday night's meeting in St. Peter's church hall.

Sgt. Barton received training at Jefferson Barracks, Mo., Chanute field, Ill. and Las Vegas, Nev.

A resolution congratulating Staff Sgt. Barton was formally adopted by the club and copies sent to him and his parents.

Fewsmith Men Will Hold Military Bridge Holiday

The Fewsmith Presbyterian Church Men's club will hold a military bridge in the church parlors on Tuesday night at 8:15 p.m. Refreshments will be served. Andrew Salkeld is the chairman of the committee on arrangements.

WILLIAMS EDISON CHOICE FOR JOB ON SEWER BOARD

Nominated For \$4,000 A Year Passaic Valley Post; Needs Senate Confirmation

After being without representation on the body for 18 years, the probability loomed this week that Belleville would once more have a member on the Passaic Valley Sewerage commission.

Governor Charles Edison on Tuesday sent the name of Mayor Williams for membership on the board to the opening session of the new legislature. None of the nominations made by Edison were acted upon by the senate, which declared a two-week recess.

Although appointment to the commission is for a five-year term, the mayor, if confirmed by the senate, would serve only four years since a year has expired since the term of the member whom Williams would succeed ended. The holdover member is Lester McBride of Rutherford. The position pays \$4,000 annually.

Was A Surprise

The nomination of Williams came as a complete surprise not only locally but in political circles throughout this section. Since a Republican was going off of the board, Edison was required to nominate a Republican. The mayor has been active in Essex County Clean Government circles and last September was the faction's candidate for the congressional nomination in the primaries. He lost to the incumbent member, Congressman Fred A. Hartley Jr. by 53 votes.

The fact that Essex county also took the patronage plum away from Bergen county was also surprising. Belleville was last represented on the sewerage commission by the late Mayor John H. Waters, brother of Commissioner Patrick A. Waters. While holding the mayoralty post, he was also a member of the sewer board, serving until his sudden death in January, 1925.

Had there been a vacancy among the Democratic seats on the commission, there would have been good chances that Commissioner Waters would have received the appointment. In addition to the fact that Belleville, one of the member municipalities of the commission, has been without representation for more than 20 years, Waters is well known in county and state Democratic circles and has played a prominent part in the party's activities for a number of years. He is generally recognized as the local Democratic chieftain.

Lene tumbling block, but a sizeable one in Williams' taking his seat on the sewer board is the hammer-and-tong battle which is currently being waged between

New Director

Philip Dettelbach

FIRST NATIONAL HAS NEW OFFICERS

Philip Dettelbach Is Named Director; F. J. McFadden New Vice-President

Three new officers were re-elected at the annual election of officers at the First National Bank on Tuesday while all 1942 officers were re-elected at the People's Bank and Trust company.

Philip Dettelbach, general superintendent of L. Sonneborn & Sons, Inc., was elected a director at the First National bank while Cashier Frank J. McFadden was promoted to executive vice-president and J. Howard McMaster was named acting cashier.

Directors who were re-elected included Theodore Sandford, Joseph King, Everett B. Smith and Joseph and Peter Igoe. The new executive staff includes Peter Igoe, chairman of the board and president; Joseph P. Igoe, vice-president; McFadden, executive vice-president and acting cashier; Herman M. Miller, assistant vice-president; and McMaster, assistant cashier.

Was a Commissioner
At one time a town commissioner and presently chairman of the local war bond committee, Dettelbach has resided here since 1906. One of the organizers of the local community chest plan, he is a past president of the Commercial Service bureau. He is a former member of the Belleville Rotary club in which he still is active. He is also a member of the local Elks lodge, the Masonic lodge and the Belleville Craftsmen's club.

McFadden started in banking 20 years ago as a messenger for the American National bank in Newark. He is now 38. He was also employed by the Franklin Washington Trust company. In 1928, he

MERTZ TO HEAD WAR FUND DRIVE BY RED CROSS

Campaign Date And Quota To Be Announced Shortly; Name Advisory Committee

The Red Cross is making plans for its 1943 war fund drive. B. Thomas Aitken, who was recently elected the chapter chairman to succeed Frank Chambers, announced yesterday that Raymond E. Mertz had been selected to head the campaign for funds.

The quota and opening date of the drive has not been announced as yet, but it is expected that the fund appeal will be made during March. Belleville's quota last year was \$10,700, and under the direction of Robert G. Sutherland, who was the campaign chairman, the goal was topped. More than \$10,700 was raised. Based on reports elsewhere, it is expected that the quota this year will be considerably higher.

Seven On Advisory Group
Aitken also announced the appointment of an advisory committee of seven men to assist Mertz in conducting the campaign. They will include Rev. O. Bell Close, pastor of Fewsmith Presbyterian church; Martin Cosgrove, R. H.

Raymond E. Mertz

Deetjen, Dr. Edward A. Flynn, Dr. James M. Irwin, Rev. Joseph M. Kelly, pastor of St. Peter's church, and A. Stanley Miller.

Mertz, who has resided in town for more than a year, is a real estate broker and home developer with offices in Union avenue. He was a candidate for the town commission in last May's campaign and finished sixth. He has been prominently mentioned as a possible successor to the late Commissioner William D. Clark for membership on the town board.

Mertz is a member of the local Masonic lodge, the American Legion and of the war price and rationing board.

Plan To Have Confab Topic National Grain

MAY ELIMINATE FEW STOP LIGHTS

Williams, Chief Study Possible Change; Careless Driver Is Drawback

Mayor Williams revealed yesterday that Police Chief Spatz is studying the possibility of changing some of Washington avenue's traffic lights from the stop-and-go to the flashing type. If the change is made, Williams said, it will be to facilitate steady driving, thus conserving on tires and gasoline, and not to permit faster driving.

The main hindrance to the adoption of such a plan is the driver who has little regard for the safety of other motorists, pedestrians or himself, and who ignores the war-time regulations which have been established for automobilists.

If the plan is adopted, Williams said that the stop-and-go lights would be continued at such main intersections of Washington avenue as Mill street, Belleville avenue, Rutgers street and Joralemon street.

Ticket Killing Is In Town, Says Mayor

No tickets issued for vehicle violations, members of the police department will be told by Mayor Williams announced yesterday. He said that he had issued the order to force that all tickets to be handled by Police Chief Spatz.

The mayor explained in cases where the chief believed that the motorist was an innocent victim of the situation, such as for passing the chief at his own discretion might order the cancellation of the ticket.

Williams said he believed that the sooner all municipalities adopted the "no ticket killing" policy, the better it would be. He said that motorists should be properly penalized for their violations and should not be permitted to escape punishment. He said elimination of the practice would make it a lot easier for public officials.

Surgical Dressings Need To Help Wounded, Urgent

Many More Women Needed To Make Bandages As Battle Tempo Of War Rises; Two-Month Quota For Local Chapter Rises To 90,000

As the tempo of the fighting in the war increases on fronts in every corner of the world, the number of wounded likewise rises. In hospitals and first aid stations close to the battle lines, the need for thousands of surgical dressings and bandages is constant and acute.

The military services have turned to the American Red Cross to help to provide these bandages and dressings. The knowledge that they may help save the life of some

of our boys or sailors by preventing them from bleeding to death or to protect a serious wound until he can be given treatment, has spurred on the women of the production committee of the Red Cross chapter to greater effort to meet the quotas of national headquarters. Each month there has been a sharp rise in the number of bandages and dressings which are sought from Belleville.

Many More Are Needed

Many hands have been busy working daily from early morning until late afternoon at one of the surgical dressing centers. But, each woman can do just so many bandages. The number who have volunteered to date is not sufficient to meet the greatly increased quota which has been set for the town.

To illustrate how far behind in the work the committee is at present, Mrs. F. H. Brown, who directs the surgical dressing work, reports that in December, 16,000 sponges were completed. However, the quotas for December and the present month received from national headquarters total 90,000 dressings. Mrs. Brown said that last month 146 workers had spent 1,261 hours performing the work.

She pleaded for more volunteers, urging individual women and those who are members of bridge groups and organizations to respond to what she termed one of the most urgent appeals that has yet been made in the war by the Red Cross.

Women interested may call Mrs. Brown at Belleville 2-1417-J, or report any day to one of the two workrooms where dressings are made. The Recreation house is open for workers from 9:30 a.m. to 4 p.m. on Tuesday, Wednesday and Thursday, and St.

Coordinator Harry Sullivan Never Public Works Employee

Commissioner Waters explained this week that at no time had Harry J. Sullivan, defense coordinator, been an employee of his department. The public works director's comment was in reply to an assertion in the recent issue of the year article in The Times which stated that Sullivan was an employee of Waters' department and that the director had loaned him to the civilian defense council.

Waters declared that the only part he had played in the hiring of Sullivan for the position which he took last May was to provide the funds for his salary. The commissioner explained that the funds were available from a balance which he had in his salary account.

The commissioner pointed out that the appointment of Sullivan as defense coordinator was recommended by a committee of leading citizens which included Police Chief Spatz, B. Smith, and A. Stanley Miller, and that he was not a public works employee.

THEY COULD BUY A RECORDING

Noll-King Nomination Of Mertz Has Become Routine Act

Commissioners Noll and King could save themselves breath and energy if they obtained a recording of "Mr. Mayor, I wish to nominate Mr. Raymond E. Mertz for the vacancy on the board of commissioners" and "I second it." At this week's meeting, the pair moved into the third month of repeating the now stereotyped phrase and immediately having it offset by the "no" votes of Mayor Williams and Commissioner Waters.

Commissioner Noll made a vain effort to add a new wrinkle to the proceedings. After he and King had gone through the formality of nominating Mertz and Williams and Waters had countered with negative votes, Noll moved for an open discussion on the question of filling the vacancy.

Mayor Williams wanted to know why Noll wanted the discussion.

"The matter may be held up for a long time because no discussion has been held or planned," he said, pointing out that there had been a vacancy on the board for four months.

"It certainly hasn't been my fault that it was held up," replied Williams.

On the voting on the Noll motion, he and King voted to hold the discussion, Waters was recorded as not voting and Williams voted negatively.

Full-Time Paid Typist Now Draft Board Need

While a number of volunteer workers were obtained last week in answer to the draft board's appeal for help, the members now feel that it is necessary for them to secure a full-time paid typist to help with the increased amount of work which is swamping the small board staff.

Typists who are interested in obtaining a full-time job as a federal employee should call at the draft board office on the second floor of the town hall to be interviewed by Miss Sadie Stusser who is the board's chief clerk. The board office is open daily from 9 to 5. Inquiries may be made by calling Belleville 2-1723.

At Feldman's Dept. Store, 115 Washington Ave., Belleville. If the holder of Sales Check No. 2185, dated Dec. 23, will phone or call — they will receive valuable information.

Handley Reported Monday to Coast Guard Station

William Robert Handley, known around town as "Red", left Monday morning for the coast guard training station at Manhattan Beach. He is the son of Mr. and Mrs. William Handley of 179 New Street.

He was given a farewell party Saturday night at his home. Thirty-eight guests attended. Bob was graduated from Belleville High where he played softball, basketball and football. He worked for Wallace & Tiernan before entering the service.

1941 and was employed by Wallace and Tiernan before going to the local bank last September. The navy has not yet announced the station to which his group will be assigned.

Pfc. Louis Gardi, son of Mr. and Mrs. Joseph Gardi of 61 Little Street, will conclude a furlough tomorrow and return to the army air base at Blythe, Cal. to which he was recently assigned. During six months in the army air forces he has trained at Miami Beach, Fla. and been stationed in Salt Lake City and the state of Washington. He was employed by Mono Service of Newark before entering the army.

Family Has 3 in Service
Three boys in the service is a good average for any family, so the Sheridan family of 168 Stephens street can have top honors. Eighteen-year-old James Joseph Sheridan, son of Mr. and Mrs. John Sheridan, enlisted in the navy two weeks ago and is now stationed at the Great Lakes training station, Ill. James was graduated from Belleville High school and worked for Viking Tool company before he enlisted.

Another brother, Arthur, has been in Alaska for seven months with the quartermaster corps. The third brother, John, enlisted in the army four months ago and is now with the field artillery at Camp Carson, Colo. John was graduated from Belleville high and his engagement to Miss Agnes Montgomery, who is now an auxiliary of the WAAACs, has been announced. Miss Montgomery formerly lived at 242 Washington avenue, and has two brothers in the navy.

Cpl. Thomas Natale, son of Mr. and Mrs. Pasquale Natale, 15 Van Rensselaer street, has been promoted to a sergeant at Fort Benning, Ga. Sgt. Natale was graduated from Belleville High school and was formerly employed by Lateral Wines & Liquors before entering the army.

Thomas W. Hickman, son of Mr. and Mrs. Chester R. Hickman of 3 Union Terrace, has completed his basic training at Newport, R.I. and will attend a trade school there.

William Franklin Pugh of 227 Greylock parkway was graduated from recruit training as honor man of his company at the U. S. naval training station, Ill. He enlisted November 10 as an apprentice seaman. Through a series of aptitude tests given the 180 men of his company, he has been selected to attend one of the navy's service schools.

Bank Teller Enters Navy
Clifford D. Litts, First National bank teller and son of Mr. and Mrs. William Litts of Parkside drive, will leave tomorrow for naval training after enlisting on January 6. He was graduated from Belleville high school in 1942.

Harry Heimrich, son of Mr. and Mrs. Harry A. Heimrich of Fairview place, has enlisted in the navy and is now stationed in Sampson, N. Y. He was graduated from Belleville high school and was formerly employed by the Rowe Mfg. company of town.

New Class in Nutrition Starts Soon For Women
For women interested, a new class in nutrition will be started shortly under the sponsorship of the Red Cross chapter. It will be conducted by Miss Margaret Carter, home economics instructor at the high school, John Hewitt, nutrition chairman, announced at the executive committee meeting of the Red Cross Monday night.

It will probably be conducted at the Woman's club in Rossmore place. Those interested may enroll by calling Miss Esther Adams at Be. 2-2111.

VICTORY DRIVE OPENED

Junior Red Cross Handling Collection To Be Sent To Servicemen

A 1943 victory book campaign was opened Tuesday, January 5, jointly by the American Library association, the American Red Cross and the USO. Locally, the drive will be handled by the Junior Red Cross, of which Mrs. William H. Williams is chairman, and the public library staff. Books will be collected by Belleville's school children, turned in to their classrooms and transported to the library for sorting and packing. The drive will continue until March 15.

Franklin P. Adams, Edward Bernays and Norman Cousins, co-chairmen of the campaign, have suggested that "any book you really want to keep is a good one to give" as a guide for selecting books for service men.

A recent survey indicates that the men in our armed forces prefer first, current best sellers or fiction; and non-fiction published no earlier than 1930; second, adventure stories including westerns, detective and mystery tales; third, technical books published since 1935; fourth, humorous collections of jokes, anecdotes, cartoons and group games; lastly, pocket sized editions of popular books.

All books should be in good, usable condition. This is not a drive for scrap and those in authority have asked that the high morale value of books be remembered when they are being selected for contribution.

To elaborate further on the technical selections, which are of the most practical use to the men, the subjects most needed are aeronautics, chemistry, master mechanics, mathematics, mechanical drawing, meteorology, military sciences, photography, physics and radio.

NEW OFFICERS

(Continued from Page 1)
came to Belleville as assistant cashier of the First National. He was elected cashier in 1936. A graduate of the Essex County chapter of the American Institute of Banking, he was elected the organization's president in 1937. He has served several years as president of the Belleville Sinking Fund commission.

A graduate of New York university with B. C. S. degree in 1935, he has been with the bank since that time as teller, general bookkeeper and manager of the loan department. He is also a graduate of the county chapter of the A. I. B.

Smith, who is also local police judge and defense council chairman, was formally elected the bank's counsel. He has served as its attorney for several years, being a member of the Newark law firm of Reed, Reynolds & Smith.

In announcing the results of the election, President Igoe said: "Every officer in the bank and each member of the board has a background of many years of active interest in the affairs of the town of Belleville. I am satisfied that these men are well qualified to give intelligent consideration to the financial problems of Belleville residents, merchants and industrialists."

In the annual report submitted at the Peoples bank, it was shown that a dividend of 75 cents per share on common stock of the bank has been paid semi-annually. In its statement of condition at the close of business on December 31 last, the bank showed total resources of \$3,817,198.51, an increase of approximately three-quarters of a million over a year ago. Cash and U. S. government bonds accounted for more than 70 per cent of the bank's deposit liability; it was stated. Capital accounts amount to \$289,292.04, an increase of \$26,000 over one year ago after payment of dividends and the retirement of \$3,000 in preferred stock.

TO THE MEMBERS
of the
DeWitt Savings and Loan Association
PLEASE TAKE NOTICE
Annual meeting of the DeWitt Savings and Loan Association will be held on January 15, 1945, at the office of the association, 1000 Lexington Avenue, Belleville, at Eastern War Time.
At said meeting, the report of the directors and the several officers and members of said association will be presented.

YES WAR SAVINGS BONDS OR STAMPS

The first requirement of the law is the filing of an

the news about our soldiers. Considerable latitude in reporting personal experiences gives the enemy little military information, if the troop units, the ship names are kept secret. But in articles about soldiers and sailors and in the addresses for them, don't give away their fighting units.

Mrs. Austin G. Sheldon of Corlandt street gave a party in celebration of her daughter Jean's eighth birthday.

Several trees, five of which were

signed, will not be used. All reading matter should reach the office before Tuesday night. Display advertising cannot be taken after Tuesday, 5 P.M. Classified ads must be in by Wednesday noon.

Eleven Teachers Are Named To Jr. Red Cross Council

Appointment of 11 school teachers as members of the faculty council of the Junior Red Cross was announced this week by Mrs. William H. Williams, who has charge of the junior organization's work locally. Those named, she said, were:

Mrs. Jeanne Kruger, School No. 1; Miss Maude Miller, School No. 2; Miss Agnes V. Gailey, School No. 3; Miss Evelyn M. Pozzo, School No. 4; Miss Mary J. Burde, School No. 5; Miss Phyllis Galichio, School No. 7; Miss Geraldine Wand, School No. 8; Miss Louise Bergman, School No. 9; Miss Margaret Patton, School No. 10; Miss Gregoria Condon, high school; and Miss Helen Simpson, in charge of art work.

Mrs. Williams reported at Monday night's executive committee meeting that the chief project drawing the attention of the Junior Red Cross is the victory bond campaign which was opened on January 5.

Something New Is Added To School Card Party

Heat Conservation Prevents Holding P.T.A.'s Annual Affair In School No. 3; Will Play In Homes Of Various Members On Wednesday

Gathering of a large number of people for card parties appears to be one of the things that has been hit by rationing and the curtailment of pleasure driving. The many hindrances, which even include the inability to secure tea and sugar for a large group, haven't fazed the School No. 3 Parent-Teacher association.

They planned a war-time card party and they're bent on going ahead, salting it with quite a patriotic flavor. The effort to conserve on coal has barred the use of the school building so the association has called upon its members to act as hostesses in their own homes.

It is hoped that the hostess, who will also provide the refreshments, will attempt to get as many of her friends as possible to attend the affair which will be held next Wednesday night.

The youngsters attending the school have been spurred on to sell as many tickets as possible by the offer of a 10-cent war stamp for every four tickets sold. An attempt will be made to have players attend a party in the home of a hostess who is close by in the neighborhood.

The hostesses will collect the tickets of her guests and turn them in at the school before Tuesday where she will receive the prizes which will be presented the high scorers in each group. Mrs. William Armstrong is the party chairman with the class room mothers' group assisting.

Elizabeth Kuhn Is Bride Of William Cheney

At a nuptial mass Tuesday morning in St. Mary's church, Nutley, Miss Elizabeth Kuhn, daughter of Mr. and Mrs. Arthur J. Kuhn of Malton avenue was married to William Cheney, son of Mrs. Raymond Cheney of Newark. The Rev. James M. Glotzbach officiated at the ceremony. A reception followed at the Marlboro inn, Montclair.

Miss Jane Kuhn was her sister's maid of honor and Miss Margaret Soleau, cousin of the bride, and Miss Ruth Cheney, sister of the bridegroom, were bridesmaids. Kenneth Sypher of Belleville was best man and Arthur Kuhn, brother of

SCOUT COUNCIL DINNER TUESDAY

"Scout Service for Victory"

Theme Of Annual Meeting

Of Robert Treat Group

"Scout Service for Victory" will be the theme of the annual dinner meeting of the Robert Treat council of the Boy Scouts to be held next Tuesday night at the Newark Athletic club. The local organization is a member of the council along with troops from Irvington and Newark.

A program for further service during the coming year in view of the heavy demand for civilian aid in the war effort will be outlined in addition to a review of the work which the Boy Scouts have accomplished since Pearl Harbor.

Special awards will be made to a number of boys for distinguished service. In addition, tribute will be paid to those council members who are serving in some branch of the armed forces.

Dreyfuss To Speak

Leonard Dreyfuss, state director of civilian defense, will be the principal speaker, discussing "The Citizen's Responsibilities in this War." The president's annual address will be delivered by Dean Allan R. Cullimore of the Newark College of Engineering. The invocation, memorial prayer and benediction will be given by Rev. Frederick A. Palmer, Monsignor James A. McNulty and Rabbi Louis M. Levitsky respectively.

Members of the committee on arrangements from Belleville are John P. Dailey and Nova Babbs.

Richard Shannon Chairman Of Legion Oratory Contest

Commander A. A. Hartley at the meeting of Belleville Post No. 105, the American Legion, last week appointed Richard D. Shannon as chairman of the local oratorical contest which is sponsored by the National American Legion commission of the American Legion through the local post. It is open to high school students and will be conducted next month in cooperation with L. Howard Fox of the high school staff.

This is the sixth year of the contest. The national prizes are: first place, a \$4,000 scholarship; second, \$750; third, \$500; and fourth, \$250, all in the form of scholarships. The post will award medals at the local contest and the winner will be eligible for the county contest.

Norman H. Cooper and Alfred T. Rhoads were voted into membership by the post. A group attended the County Legion luncheon held in Newark on Tuesday at 12:15 noon in Bamberger's.

Alfano-La Penta

Announcement has been made by Mr. and Mrs. Michael J. La Penta of Eugene, Ore., of the engagement of their daughter, Florence to Pvt. Angelo R. Alfano, son of Mr. and Mrs. Bruno Alfano of North Fifth street, Newark. Pvt. Alfano is now stationed in Colorado Springs.

Gardner-Pratt

The engagement of Miss Olive Frances Pratt, daughter of Mr. and Mrs. George E. Pratt of Preston street to Sgt. George B. Gardner of Saratoga Springs, N. Y. has been announced.

Miss Pratt graduated from Belleville High school and now works for General Electric in Bloomfield. Sgt. Gardner is now stationed at Fort Monmouth.

Americans who are now spending \$227,000,000 a day on the war have provided, through their government, over \$13,000,000,000 for new war plants and are working more than 5 hours a week longer in their factories and are being paid on the average of 85 cents an hour.

Newark Engineer Graduates Guests of Barbara Ewing

Guests Patriotically Walked Or Took Bus To Saturday Night Affair; Elizabeth Girl Is Co-Hostess; All Graduate Tomorrow

Miss Barbara Ewing of Greylock parkway was hostess at a party Saturday night for the seniors at Newark College of Engineering who graduate tomorrow. Miss Edith Jones of Elizabeth was co-hostess with Miss Ewing. Thirty-six guests were present from Maplewood, Morristown, Montclair, Verona, Rutherford, Nutley, the Oranges, Jersey City and Belleville.

The tables were decorated with miniature soldiers, sailors and marines as favors. Most of the seniors are in the reserves and planned to leave for the armed services soon after graduation. A unique feature of the party was the fact that every guest walked or came on a bus. There was not a single automobile to be seen in front of the house.

Charles E. Schlecker Jr. has returned to Bucknell university after spending the Christmas holidays at home with his parents, Mr. and Mrs. C. E. Schlecker of 33 Baldwin place. Charles is a member of the naval reserve.

Mrs. John J. Serritella and her daughter, Theodora, of Magnolia street, were luncheon guests Monday of Mrs. James Purcell of Newark.

Mrs. Thomas J. McCormack, of Detroit, Mich., sister of Mrs. John Teufel of Oak street is spending a week with her.

Mr. and Mrs. Quinton R. Kiepe of Malone avenue have announced the birth of a daughter Judith Ann, on Christmas day at Mount Sinai Hospital in Montclair. Mrs. Kiepe is the former Miss Marjorie Colehamer, daughter of Mr. and Mrs. Warren Colehamer of Eaton place, East Orange.

The "Bellevilles," a woman's social club which meets every Tuesday, met this week at the home of Mrs. Robert Colombo of Cedar Hill avenue and meets next week at Mrs. Ralph Falumbo's home on Dow street. The women in the group knit and crochet for their friends in service. The group includes Mrs. John Campo, Mrs. Constantino Dasio and Mrs. Leonard Donofrio.

Constitution Debate Today At Women's G. O. P. Club

The debate by William H. Evans and Mortimer Eisner which will feature today's meeting of the Belleville Women's Republican club on the subject of "Change in the Constitution of New Jersey" will start at 2 p. m.

The debate follows a short business meeting at the Woman's club in Rossmore place and the public is invited to attend. Refreshments will be served.

Murray Made Vice-President Of County Exempt Firemen

Among the officers elected at the annual meeting of the Essex County league of Exempt Firemen Sunday at the Nutley Lodge of Elks was James A. Murray of Belleville avenue, vice-president.

New president of the county league is Michael J. Foster of Newark. H. A. Noonan of Nutley is recording secretary and George Laycock of Bloomfield, financial secretary; Frank X. Fuerst of Cedar Grove, treasurer; Lester Requa of Verona, trustee; Andrew Hutch of Nutley chairman of the executive committee and Van Volkenburg of Newark, captain.

Late last month the local association of exempt firemen elected Murray president at its annual meeting in the Exempt Fireman's hall on Stephens street. Edward Evans of Nutley is vice-president; Edward Hollweg and Charles Hollweg, recording and financial secretaries; and Louis VanHouten, treasurer. Payson Taylor and Charles Burnley were re-elected trustees. All are Belleville residents except Charles Hollweg who lives in Newark. Delegates will attend the county meeting in April in Newark.

Contralto To Be Soloist With Nutley Symphony

Alma Woelper, Irvington contralto, will be the soloist next Tuesday evening at Nutley High school in the second of this season's Nutley symphony concerts.

Miss Woelper, at present soloist at First Church of Christ, Scientist, Montclair, has had ample experience in concert, church and oratorio work in New Jersey and the metropolitan area. After being selected as winner among some 50 singers in a contest conducted by the Contemporary of Newark, Miss Woelper divided her time between radio work and appearances with the Essex County Opera company.

The program: "Rosamunde Overture," Schubert; "Symphony No. 8," Beethoven, orchestra.
Aria from "Samson and Delilah," Saint-Saens; contralto.
"Dream," Pantomime from "Hansel and Gretel," Humperdinck; orchestra.
"Dream," Grieg; "Agnus Dei," Bizet; contralto.
"Molly on the Shore," Grainger; "Invitation to the Dance," Weber-Berlioz; "Kamarinskaya," Glinka; orchestra.

The orchestra will be under the direction of Nicos Cambourakis, conductor.

Sings Jan. 24

Lily Pons

Lily Pons, Metropolitan Opera star and coloratura diva of the radio and screen, will appear at the Mosque theatre, Newark, on Sunday, January 24, at 3:30 p. m. under the auspices of the Griffith Music foundation. Her concert will be the first of four special events recently announced by the foundation to supplement its regular major concert and master piano series. The others will be two performances by the Ballet Russe de Monte Carlo on March 20th and a concert appearance by Nelson Eddy on April 5th.

Other officers in addition to Prezioso, who was re-elected, are: Frank Zarro, Jr., first vice-president; Peter Musco, second vice-president; Thomas Roselli secretary; Sabino Prezioso, treasurer; Joseph Pelosi, sergeant-at-arms; Anthony Russo, Sam Palamara, Thomas Strumolo, trustees.

Victory Celebration Held By Tripoli Park Group

A victory celebration was held by the Tripoli Park Political and Social club at its headquarters in Naples avenue Saturday night.

Officers for the new year were sworn in to office on January 5. In his annual report on activities for 1942, President Generoso Prezioso reviewed the work which had been accomplished and thanked the members for their support and cooperation.

Other officers in addition to Prezioso, who was re-elected, are: Frank Zarro, Jr., first vice-president; Peter Musco, second vice-president; Thomas Roselli secretary; Sabino Prezioso, treasurer; Joseph Pelosi, sergeant-at-arms; Anthony Russo, Sam Palamara, Thomas Strumolo, trustees.

P. T. A. To Meet Tuesday

Montgomery School No. 2 P. T. A. will hold a monthly meeting next Tuesday at 3:30 p. m. The program committee will show a sound film on food preservation entitled "Ever Since Eden."

Party For Brother

Mr. and Mrs. John Green of Birchwood drive entertained a family gathering at their home on Sunday in honor of Mr. Green's brother, Charles Green, who leaves for the army today. The decorations at the party were in red, white and blue. Eighteen guests attended from Union, Bloomfield, Newark, and Union City. Green has another brother, Edward, who is overseas.

Give Farewell For Son

Mr. and Mrs. William Sincos of 28 Howard place gave a farewell party for their son, George Sincos, Saturday night, with fifty guests from Belleville, Newark, Union, and North Arlington. George left for the army on Monday.

Employment Office At Once

New Season Is Opened By Woman's Choral Group

The Woman's choral of Nutley opened its 19th year with rehearsals at 3:30 p. m. in Yantacaw school starting last Thursday. Howard Kasschau will conduct in place of his father who can assume only part of the responsibility since his recent illness.

At the organization meeting in November plans were made for a concert in May. Kasschau announced the numbers to be sung which included new pieces and some old ones. Nelson Rabone, membership chairman, will welcome any new members who wish to join the group.

The new officers for 1943 are Miss Katherine Sonne, president;

Mrs. Harold Tingey, vice-president; Mrs. Phillip Woodcock, recording secretary; Miss Adele Southard, corresponding secretary, and Mrs. F. K. Carryl, treasurer.

Second Ward Flag Raising Off Until Warmer Weather

Erection of a service flag in the second ward has been postponed until warmer weather, it was announced this week by Leonard Donofrio of Columbus avenue, chairman of the group. To those who have contributed toward the fund for the erection of the servicemen's tribute, Donofrio urged that they watch the paper for the date on which it will be raised.

These Are The Vitamins That Build Health and Energy

Vitamin A is the anti-infective and growth-promoting vitamin. Its lack results in susceptibility to colds and other ailments . . . its insufficiency in children results in scrawny and stunted growth. Principal source, halibut liver oil.

Vitamin B is "the spark plug of the human system" . . . it tones the nervous and digestive systems, promoting growth, appetite and energy. It also helps to remove lactic acid from the blood stream, thus eliminating the feeling of fatigue. Principal sources, yeast and wheat-germ.

Vitamin C protects and feeds the capillaries under the skin; it helps to heal wounds, and prevents scurvy. Modern diet is usually lacking in this vitamin because it is easily destroyed by cooking. Principal sources, tomatoes and oranges when freshly picked.

Vitamin D is the "sunshine" vitamin. Tests show that it remedies the disorders caused by the deficiency of ultra violet in this climate's sunshine. Without it, normal formation of blood and bone ceases, resulting in rickets, sagging muscles and decay of the teeth. Principal source, cod liver oil.

Vitamin E is the "anti-sterility" vitamin. It has additional important uses in that it promotes mental vigor and tones the muscles. Principal source, wheat-germ.

Vitamin G is the riboflavin factor of the B vitamin that improves stomach tone, remedies skin eruptions and loss of red blood corpuscles. Principal sources yeast and liver.

Vitamin Capsules With Liver and Iron contain all the vitamins (A, B, C, D, E and G) plus liver extract and iron. tiny tasteless capsules each day will make a new you. Box of 80, 1.89.

Halibut Liver Oil Capsules—Each capsule contains as much as 4½ teaspoons of cod liver oil, protects you against colds. Box of 50, 69c. Box of 100, 1.14.

Vitamin A and D Tablets—The modern, easy way to take children like the candy-flavored tablets. Each tablet contains Vitamins A and D as a teaspoon of cod liver oil. Bottle of 100, 1.14.

Halibut Liver Oil and Viosterol Capsules—Each capsule equals 4½ teaspoons of cod liver oil in Vitamin A, plus 3 teaspoons of Viosterol. Box of 50 for 59c. Box of 100 for 1.69.

A-B-D-G Vitamin Capsules—The original "all-vitamin" capsules as good as 4½ teaspoons of cod liver oil in Vitamin A, plus 3 teaspoons of B, D, E and G. Take two a day for a healthy winter. Box of 25, 69c. Box of 100, 1.84.

High-Potency A-B-C-D-G Capsules—Biologically standardized capsules contain the recommended daily adult requirements of five important vitamins. Just one a day for health and energy. Box of 25 for 98c. Box of 100, 2.57.

High-Potency Vitamin B Complex Capsules—Contain all the B vitamins. You'll soon feel amazing energy and when you start taking this almost-magic formula. Box of 25 for 1.79.

Sports Whirl

Some weeks ago we commented on the possibility that there might not be any college football in 1943, although most of the big-time schools have already planned their schedules. Now comes word that the matter rests with the army and the navy.

Recently, it was announced that under direct military supervision most of the colleges would be entirely geared for war in training programs in and out of the classroom. The question is whether or not competitive athletics such as football will fit into the military training program.

Intercollegiate athletic authorities are pressing for the continuance of sports on the basis that it will be a great morale builder. This is the only point on which they can base their case for there is no other claim which can be brought up that will hold water. Training young men for their place in the war takes first rank, and it apparently will rest with the military authorities in Washington to decide the fate of collegiate football.

An ever-increasing consideration in the booking of big-time collegiate games is the transportation problem which has become increasingly acute in the past two months. This applies to all types of transportation—trains, buses and automobiles. Carrying spectators to a football game instead of war workers to their plants or servicemen to some post or on a furlough is something that will have to be ruled out. Not only the spectators, but also the members of the team present a problem.

There was considerable hubalaboo before the bowl games from the ODT about blocking long distance trips of spectators, but in listening to some of the reports we heard plenty of the thousands who had flocked to New Orleans, Miami or Pasadena to see the game—and they all didn't walk or ride a bus.

If college football is out as a morale builder, it places that much more of a burden to produce sports fun on the high schools which, incidentally, have their own transportation problems to consider in scheduling games.

The tip-off that the government is seriously bent on cutting down on the use of transportation facilities for sporting events has come recently from two sources—basketball and baseball. Some of the Far Western fives which have been familiar to New York basketball fives have been forced to cancel their engagements in the East because of the lack of travel accommodations. Baseball Commissioner Landis and ODT officials have been in a huddle to revise the schedules of the major league baseball clubs. The schedules have already been cut and the trips of the teams around the circuit may be cut this year to two. In addition, most of the clubs have forsaken their favorite Southern training centers for places much closer to home. There is talk that one or two of the New York teams may train right in this vicinity.

TOWN ICE RINK PROVES POPULAR

More Than 2,000 Estimated To Have Skated There Over Weekend

Most popular spot in town the past week or so has been the municipal skating rink on property in the rear of School No. 7 adjacent to the town stadium. Opened for the first time last winter when it attracted thousands of young and old, it has retained its popularity for over the weekend it was estimated that more than 2,000 skaters made merry on the ice.

The rink was put into shape for skating about two weeks ago by the public works department crew under the direction of James Waters, superintendent of roads. The skating area is constructed of ice and is supervised by Commissioner Waters.

Dimout regulations have prevented the department from setting up the lights for night skating, but this has not deterred the steel runner boys and girls who make out one way or another.

Efforts will be made to keep the rink flooded with smooth ice as long as there is freezing temperatures.

Bounding back into winning form on Tuesday night, the high school eagles swamped the West Orange Cowboys for their fifth win in six starts at the high school gym before a capacity crowd of 700 fans.

The Zebras were off to a 13-1 lead at the end of the first period and were ahead 25-5 at half-time. In the second half Coach Wische gave a number of his seconds a chance as the visitors proved to be no match for the speedy local quintet. George Ferro with 18 points and Vic Pasquariello with 12 led the parade for the winners.

True to the pre-game apprehension expressed by Coach Wische, the Bellboys fell apart for the first time this season when they tangled with the Kearny High Cardinals in their first tussle away from home on Friday night. Behind throughout the game, the Blue and Gold basketballers were upset 44-34.

It was the fifth straight win for the flashy Hudsonites and the first setback in five starts for the locals who had previously subdued St. Benedict's, Hillside high and the Jayvee quintets from Panzer college and Montclair State Teachers college.

Played before one of the largest throngs ever to see a game in Kearny, the Bellboys thrilled the crowd with a last period flash of

their old form in which they outscored the home five 13-1. But the scoring drive came too late, the Kearnyites having put the contest on ice in the third period when they outscored the local boys 12-6 to lead at the end of the period 40-21.

Off To Bad Start
The Blue and Gold got off to a bad start in the opening canto when the Redmen moved ahead to an 11-5 lead. In the next period, the locals snapped out of the slump a bit, but not enough with the homesters leading at half-time 28-15.

Failing to show their customary defensive form, the Bellboys found Kearny's two ballhaws, Bob Kirk and John Dowie, too good at the basket for them. Kirk rimmed the basket seven times on two pointers and put in three from the foul line while Dowie had six field goals and two foul shots to his credit. George Ferro with 11 points and Bernie McManus with 10 attempted to hold up Belleville's end of the scoring.

SECOND RIVER

(Continued from Page 1)
do not harm us," Winne declared. A temporary improvement of the type under consideration would represent a distinct hazard to the concern's business, the lawyer told the board. The firm has an immediate complaint, he continued, if the stream is left as it is at present.

With the commission deciding that no action should be taken on the ordinance before it in view of the position taken by the yeast company, it was agreed that a conference should be held between the town commissioners, municipal engineering and legal advisers and the officials of National Grain Yeast and their engineering and legal aides.

Mayor Williams said he would instruct Town Attorney Lawrence E. Keenan to make arrangements as early as is convenient for both sides to hold the meeting. Because of their interest in the matter, Williams said he would ask County Engineer Stickle and a representative of the State Water Policy commission to attend the session.

The mayor said he was anxious to reach a decision as early as possible since a flood condition may arise at any time and because there will be a delay in obtaining materials.

Intangible Element
"Nature is a highly intangible element," the mayor commented, "and it is imperative that we obtain the best engineering advice for the most practical thing to do."

The mayor said that he did not wish to be a party to any move which might in future years subject the town to a possible damage suit because of poorly advised engineering recommendations at this time.

"Belleville," Williams commented, "is an innocent victim of the effort to control the water of the river west of our town." Because the stream has been harnessed by retaining walls upstream, the water rushes at a much greater speed when it reaches here.

He said that he had made efforts to have the state take action to have counties do the construction work in such cases and apportion the cost against municipalities along the stream which would benefit. Although regarded favorably, he said that no move had ever been taken at Trenton on adopting a law.

Although yeast company executives had voiced a reluctance to share any of the cost when the wall question was previously discussed, Winne indicated Tuesday night that an arrangement might be reached for the firm to bear some share of the expense. Some time ago Williams asked the company if it would be willing to pay 25 or 50 percent of the total cost. In refusing, officials cited that other manufacturing concerns had not been required to contribute toward the cost of improvements made by the municipality along their property. They also contended that the improvement would benefit all properties east of their plant to the Passaic river into which the Second river empties.

Former Resident Dies

Services were conducted from the Irvine Funeral home on Tuesday afternoon for Peter McConachie of Woodside avenue, Newark, formerly of Belleville. Mr. McConachie died Saturday at his home after an illness.

He was born in Scotland and had lived in Belleville 19 years. Mr. McConachie had been a ship's steward for many years and was a member of the Belleville Elks. He is survived by his wife, Agnes; one son, Raymond, who is an ensign in the navy; two brothers, Daniel of Philadelphia and Andrew of Massachusetts; two sisters, Mrs. John Allen of Philadelphia, and Miss Helen McConachie of town.

The Rev. Peter R. Deckenbach of Christ Episcopal church officiated at the services and interment was in Arlington cemetery.

Jacob Flocken, 79

Services were held Saturday from the Irvine Funeral home for Jacob Flocken, 79, who died in St. Michael's hospital last Thursday.

Mr. Flocken was born in Germany and came to this country 48 years ago. He had lived in Belleville for 37 years.

He is survived by his wife, Mrs. Freda Flocken, a son, and three daughters, Anna and Freda Flocken of Belleville and Mrs. Elsie Corbin-Garden of Need Meats, Vegetables.

GAS

A VITAL WAR FUEL

AVOID BOIL-OVERS
KEEP DOOR CLOSED
STOP HOT WATER LEAKS
WATCH THAT THERMOSTAT

IT MUST BE CONSERVED!

THE WAR PRODUCTION BOARD of the United States Government has requested this company to warn all its GAS customers to conserve GAS FUEL. It is an important war fuel. It is necessary that every means be taken to CONSERVE GAS in all its domestic uses.

Gas for cooking, refrigeration, water heating and house heating is made in part from OIL—a fuel which must be conserved because of its critical shortage in this area.

Therefore—your Government asks you to cooperate in every way you possibly can.

HERE ARE EFFECTIVE WAYS TO Conserve Gas IN YOUR HOME

COOKING

1. Use your gas range for cooking only—not for heating rooms. Try to cook with 25% less gas.
2. Use burners as little as possible—cook as many meals as possible on ONE BURNER. Turn burner down when boiling starts. Turn gas off as soon as cooking is finished.

REFRIGERATION

3. Don't open refrigerator door unnecessarily or leave it open. Don't crowd the shelves. Let hot foods cool before storing in refrigerator.

WATER HEATING

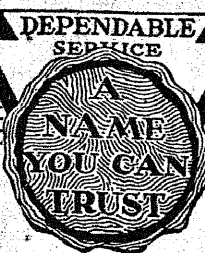

4. Don't waste hot water. Never faucet unless hot water is really needed. Turn off any leaky hot water faucet. Use less hot water.

HOUSE HEATING

5. If you heat your house with a thermostat, keep the setting at 65°.

PUBLIC SERVICE ELECTRIC AND GAS

Anniversary Supper Held By Adelphi Players

The Adelphi Players were entertained at a spaghetti supper last Friday evening at the home of Mr. and Mrs. Lawrence Buckley. The event marked the first anniversary of the group's organization.

The charter members, Misses Edna and Ruth Hogan, Allene Schenck, Mrs. Naomi Miller, Mrs. Florence Tice, Mrs. Bessie Whitehead, Mrs. Lorraine Hageman, and Mrs. Lorena Clark and the Messrs. Harry Hageman, Harry Tice, Milo Salters and the Rev. Marshall Whitehead met at the home of Mrs. Clark last January to form an acting group that would give the public better moral and religious dramas and clean, wholesome comedy. During the past year the group's presentations have been well attended and 13 new members have been added.

At the dinner meeting plans plays to be given in March, an Easter pageant in April and a three-act comedy in May. The group

EXPECT TO MEET T. B. SEAL QUOTA

Belleville-Nutley Ass'n Nears \$5,000 Mark; Are Past 1942 Returns

The sale of Christmas seals by the Belleville-Nutley Tuberculosis association in the two towns has already gone ahead of the amount which was raised last year, and leaders are confident that the quota of \$2,500 in each community will be reached.

Health Officer Eugene T. Berry, who is the local chairman of the seal sale, urged all of those who have received seals but have failed to pay for them to either mail or bring the money to the health department office in the second floor of the town hall.

"We are confident that we will reach the quota of \$2,500," Berry said. "There is no time when there has been a greater need for funds to conduct tubercular prevention work and to check those cases which already unfortunately exist. Recent statistics show, the health officer said, that tuberculosis in many sections is on the increase rather than on the decrease."

Long Hours Cited

The longer working hours for people in war industries plus the fact that many of them are forced to sleep at odd hours and prevent them from having much time for recreation have all contributed to make many easy victims for the tuberculosis germ, Berry said.

"Now and during the post-war period," the health officer prophesied, "we will have an immense task to perform in checking tuberculosis and every dollar which we are able to get will be needed." In a tabulation taken after the receipt of money for seals on Monday, \$2,247.90 has been turned in to date. Last year at the corresponding period, \$1,918.48 had been raised. The total amount contributed by residents in 1942 was \$2,118.

In Nutley, Health Officer Richard V. Fellers reported that, including Monday's receipts, a total of \$2,232.90 had been contributed. For the corresponding period in 1942, \$1,951.25 had been raised. The total for the year was \$2,050.

Modern dehydration can reduce 80 pounds of peas to 15 pounds in less than ten hours.

One 25c stamp will pay for one month's feed for one carrier pigeon. A carrier pigeon eats about a pound of grain a week. His message capsule costs the Army about 12 1/2c.

meets twice a month for business and instruction in the technique and method of the art of acting.

Church of Christ, Scientist

605 Broad Street, Newark.
"Life" is the Lesson-Sermon subject for Sunday in all Christian Science churches and societies.

The Golden Text is "The gift of God is eternal life through Jesus Christ our Lord."

Among the Lesson-Sermon citations is the following from the Bible: "I shall not die, but live, and declare the works of the Lord."

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Because Life is God, Life must be eternal, self-existent, Life is the everlasting I AM, the Being who was and is and shall be, whom nothing can erase."
