GET WORD FROM CPL. TORTORIELLO

Parents Receive Card From Jap Prisoner, First Direct News in Over A Year

The first personal communication from Cpl. Michael Tortoriello, a Japanese prisoner of war, since he was reported missing in

Cpl. Michael Tortoriello

May, 1942, was received by his parents, Mr. and Mrs. Carmen Tortoriello of 58 Baldwin place, yesterday morning.

Signed in his own handwriting, it was a typewritten card which stated, "I'm interned in Philippine military prison camp No. 1. My health is good. I am uninjured. I am well. Please give my regards to all the family." Of the opinion that it is a form communication, Mrs. Tortoriello was rejoicing yesterday, however, at evidence of Mike's own handwriting, which shows beyond a doubt, she observes, that he is at least alive.

Although they have not heard from him directly since the fall of Corregidor, where he was stationed as an air observer with an Air force ground crew, the family received definite news in April from the War department that he was taken prisoner by the Japs.

Mike enlisted in the army four years ago. His last communication before Corregidor, stated that he would soon announce, receiving his sergeant's stripes. His family has made repeated attempts to communicate with him since through the home service of the Red Cross. Miss Esther Adams, executive secretary of the local chapter, worked at it for two years before Mrs. Louis Noll, as home service chairman under the new set-up continued the fruitless efforts.

Graduated from Bloomfield high school in 1937, Mike as a basketball and baseball star, played on Coach Bill Foley's championship teams during his past two years there. He has two sisters, Mrs. Josephine LaPara of the Baldwin street address and Mrs. Catherine Finelli of Kearny.

Pvt. Edwin Byron of 805 Summer avenue, Newark, last year's winner of the Petrean club's Oscar, arrived home Sunday from his station in California for a 15 day furlough. The grandson of Mrs. Rebecca Byron of 13 Howard place, he will report for duty at a Texas training center when his furlough is completed.

Aviation Student Robert Zander, 19, son of Mr. and Mrs. Robert Zander is stationed at Nashville, Tenn. Army Air center after training at Atlantic City and Oswego, N. Y. State Teachers college. Graduated from West Side high school Newark at 17, Zander was with the Prudential Insurance company until entering the Air corps last February. The Zanders returned to Belleville a year ago after residence in Newark. When they had previously lived here, young Zander was graduated from School No. 3.

Sgt. Frank J. Bucci recently earned his wings at Fort Myers, Fla. Gunner's school. The son of Mrs. Roxanna Bucci of 44 Mt. Prospect avenue, he is shortly expected here on furlough. He has been in the Army Air corps one and a half years. His mother and two uncles, Frank and James Bucci are employed at Isolantite.

Cpl. Alfred Thomas Davey is now a member of the 508th Parachute Infantry, in combat training at Camp Mackall, N. C. His mother, Mrs. Alfred E. Davey reside at 41 Hilton street, Belleville. He joined the Army February 7, 1936. Before entering the service, he studied at Junior High School and later worked for the National Grocery company, Nutley.

Pfc. Louis E. Nika, son of Mr. and Mrs. Louis Nika of 13 Myrtle avenue, was promoted from the grade of private when he was assigned recently to the Army Air forces training school at Sioux Falls, S. D. for training as a radio operator-mechanic. The Nika's have lived here eight months after residing in Plainfield. Pvt. Nika attended New York University and Rutgers University and was employed by the Columbia Engineering company of Newark before entering the army.

Pvt. Herbert Miblon Jr. arrived at Georgetown University last week to enter the Army specialized training program in engineering. He received his basic training at Fort Belvoir, Va. Pvt. Miblon, the son of Mr. and Mrs. Herbert V. Miblon of 186 Tappan avenue, entered the Army from New York University, where he studied engineering. He previously attended Newark College of Engineering and was graduated from Belleville high school in June, 1940.

James G. Joiner, of 33 Main street was promoted last month to Aerographer's Mate, 3-c in the Naval Reserve and assigned to duty at the Naval Air Station at Lakehurst. He is the son of Mr. and Mrs. Robert Joiner.

Frederick C. Wellhofer, son of Mr. and Mrs. Frederick Wellhofer of 171 New street, enlisted in the U. S. Naval Reserve this spring and was commissioned an ensign in May. He entered the Naval training school in Princeton last month. Ensign Wellhofer was formerly with the Federal Shipbuilding and Drydock company of Kearney as an engineer. A lifelong resident of Belleville, he was graduated from Belleville high school and Newark College of Engineering. Herbert Wellhofer, a brother, entered the U. S. Mercantile service last week as a first class Petty Officer. Formerly with the Prudential Insurance company, where he was a claim adjuster, he is now stationed at the Brooklyn Naval base. He and Mrs. Wellhofer resided in Nutley.

2nd Lt. Everett Martling was advanced to First Lieutenant last month at Richmond, Va. Army Air Base, where he has been stationed with the Aviation Engineers battalion since March. He was commissioned in February at Fort Belvoir, Va. Lt. Martling, who has completed nearly three years in service, was a member of the National Guard previous to entering the Army. The son of Mrs. William Kant of 383 Cortlandt street, he was married here on June 6 to Miss Muzette Lee, formerly of Sioux City, Iowa.

Pvt. William E. Thetford Jr. has just completed a ten day furlough. He spent two days with his aunt, Mrs. James V. Thetford and his

cousin, Leighton Thetford and family of Knoxville, Tenn., formerly of Belleville. Pvt. Thetford spent six days at his home, 180 Linden avenue. He returned to Camp Croft, S. C., where he has completed basic training. Cpl. Frank Casky was promoted from the grade of private first

class last week at Congaree Air Field, Columbia, S. C., where he has been stationed for six weeks. He is the son of Mr. and Mrs. Joseph Casky of 284 Union avenue. He entered the Army in March from high school. Now, 18, his high school diploma was awarded in June.

Three More Children Hit By Motorists This Week

Three more children have incurred injuries when hit by motorists during the past week, in Belleville streets. Five year old Patricia Scranor of 99 Malone avenue suffered bruised knees and elbows on Saturday. It was alleged, she ran out of the driveway at 571 Washington avenue, hitting the left side of the front bumper of the car operated by George F. Graves, 42, of 128 Small avenue, West Caldwell, who was proceeding west on Greylack parkway.

Patricia was treated by Dr. Edward M. Rizzolo according to Sgt. John F. Flynn and Officer James Gibbons who responded to the call, and the driver was ordered to appear in court tomorrow morning for a hearing.

Two-year-old Jacqueline Lidlow of 237 Stephens street is still in American Legion hospital, North North, where she is recovering from injuries sustained last Thursday. Struck by Russell N. Horn, 35, of 340 Walnut street, Nutley, who was driving a Standard Oil company truck, the driver was released pending outcome of her injuries. He was proceeding south on Stephens street, he told police, when he heard a noise, stopped the truck and found the youngster lying in the street behind the vehicle. He took her to the hospital.

The third injury was sustained by Anthony Granese, four years old, of 109 Newark avenue, who has been discharged from Columbus hospital, where he was held for observation after being struck on Naples avenue by a car driven by an 18 year old boy, Dieco Franz of 228 Ampere parkway, Bloomfield. Will Cut Weeds Back On Local Assistance Board

Public Affairs Directors Mertz requested, in answer to several complaints, that weeds growing on vacant lots be cut back between the curb and walk, and a couple of feet into the lots, at the pre-commission meeting on Tuesday night.

Since those on the relief rolls formerly did the work and are not available, arrangements were made for Mertz to hire two men to do the work and the Public Works trucks will pick up the debris.

Girl Scouts are concluding their final week of camping at Kin-Ly-Spec, Belleville's cabin in South Mountain reservation. Fifth week campers opened the week last Saturday with a volleyball session with Nutley scouts. A win for each side was followed by a third game which was called at dark with Nutley leading 15-13.

Nutley campers were hosts to the group on Tuesday. On that day Kin-Ly-Spec girls conducted a scavenger hunt and all girls returned within the appointed time with the item appointed to be found. A second hunt was planned for last Thursday night to break the tie. On Wednesday all campers participated in a songfest held at the Belleville site.

Millburn, Orange, Maplewood, Nutley and Bloomfield campers, each contributed a humorous song and a serious selection as did the Belleville girls. The entire group joined in songs until taps. Miss Edna Baun, leader of troop 9, spent last Saturday and Sunday at the cabin. Also visiting at the cabin last week were Mr. and Mrs. A. W. VanDusen, parents of one of the campers, Joan VanDusen. COSTUME PARADE AT SCHOOL NO. 1

Prizes Of Ice Cream Are Given To Kids Who Got The Titles

A second costume parade was held Friday in the playground at School No. 1, where Mrs. Olive Muir and Miss Helen Coyle are instructors. Four prizes of ice cream were awarded to the titleholders. Ice cream was donated by Goettert's Confectionery store located opposite the playground. There were 26 entrants almost none of whom were duplicates of the 28 children who entered the first costume parade staged there several weeks ago.

Lillian Baldwin in a Hawaiian costume was judged prettiest; Donald Holly and Lois Anderson in a baby carriage skit, the funniest; Margaret Murphy as Rosie the Riveter, also came in the humorous category and Carl Martin, 4, was judged to be wearing the most original costume which consisted of suit, top hat and cane entirely made of newspapers. Other costumes noted for originality were a ballet girl outfit worn by a boy and an additional Hawaiian costume in which the skirt was made entirely by hand of local grass.

Jack Finalists
Jack finalists at the playground last week were Joan Lukowiak and Patricia McHugh.
Major activities will take place in the playground Wednesday, when prizes will be awarded for all the sports contests which have been conducted since the opening in June. Parents will be invited to view an exhibit of the children's handwork; a drill, a dance

A message from the United States Treasury about

★ ★ YOUR WARTIME TAX DOLLARS ★ ★

THE American people have accepted the highest tax bill in the history of the country with splendid patriotism and cheerfulness. The Treasury Department of the United States feels that an explanation is due them in turn—feels that they deserve to be told why, when and how their tax dollars are vital to winning this war and the peace that will follow.

★ As a taxpayer, consider these facts:

Our government is currently spending 240 million dollars each day, almost all of it on war, and this figure will increase materially as the war continues. About a third of that amount is being raised through taxes. Those tax dollars are as necessary for weapons with which to defeat our enemies as are dollars raised through the sale of WAR BONDS. Hence, when you pay taxes today you are definitely and directly contributing to victory.

And, at the same time, your taxes actually help to maintain your own purchasing power *now*—and prevent disaster to your country *after the war*. Here's how:

Billions of Dangerous Dollars

Every time your cost of living advances, you are paying a tax on your income. If your cost of living should double, you would pay a tax of 50% on your salary, wages or other income. But it would be a tax that wouldn't benefit our fighting forces, our government or anyone else—except Hitler and Hirohito.

Now—to prevent such a concealed tax on your income from taking place— isn't it good sense as well as sound patriotism to pay your government taxes of 20% on *part* of your total income—or more, if necessary?

And your taxes *do* help prevent just such a price rise! How? By taking part of the billions of dangerous dollars which otherwise threaten your living standard and putting them to useful work, winning the war. Those billions of dangerous dollars, you know, represent the difference between the income the American people will receive this year and the amount of civilian goods that will be made in the same twelve months. If taxes were lower, prices would tend to rise, and your real income would be reduced by just that much.

Keeping the America He Knew

There's another reason why your high taxes help your country in wartime—and really a much more important one to you. Your tax money is helping to win the war now—but it's equally essential to winning the peace and keeping the America that boy knew before he went into the armed forces.

All the industrial power, all the inventive genius and productive capacity of this country would not bring back a busy, prosperous America that we know if a drastic *deflation* followed victory. And, as surely as the sun that rises in the morning will set at night, a *deflation* would follow an *inflation* brought about by failure to tax ourselves realistically now.

So, next time that tax burden seems heavy to you—think of these *facts*. Remember that your tax dollars are helping to pay for victory now—that they are in there fighting for your living standard now—and that they are working to keep our country's financial structure sound for that boy now in the armed service, for all your family, and for you in the years of peace to come.

SOME QUESTIONS AND ANSWERS ABOUT YOUR TAX BILL

Q. How much of my federal tax payments is being spent on war and how much on so-called "normal" expenditures?

A. About 96% of your tax payments are currently going to pay for direct war expenditures. Only one dollar in every twenty-two you pay, therefore, goes for all other federal expenses, most of which are indirectly to aid the war effort.

Q. How much of the total war bill is being paid currently out of taxes?

A. A little over one-third.

Q. Is this proportion higher or lower than in England and Canada?

A. Lower. Both Canada and Great Britain are paying approximately half of their war expenses through taxation.

Q. Is there any way other than taxes and war bonds by which the government could finance our share of the war?

A. There is. The government could borrow from the commercial banks,

which would put even greater spending power in the hands of the people—thus creating a basis for inflation.

Q. Is there any other advantage in financing as large a share of the war bill as possible through taxes?

A. Yes—and a very real one to you, the taxpayer. All the bills for the cost of the war must be paid sooner or later through taxation, but if paid currently, from taxes, there will be no interest charge to mount over the years and provide an extra burden for you to carry.

Q. So far, so good. But don't you think taxation is unfair in the way it distributes the burden for all this?

A. On the contrary, and we believe you will agree if you think it through, that taxes are the fairest, most equitable way to pay for the war. That's because Federal Income taxes are levied on *ability to pay* for something that all of us need and must have—victory now, a sound America later.
