

CHILD CARE GROUP TO HEAR RESUME OF SURVEY WORK

Sub-Committee Will Report On Apparent Need Shown In Incomplete Report

The child care committee will meet Tuesday morning at 10 o'clock in the Community Service Bureau office at 338 Washington avenue with the sub-committee for a resume of its findings so far, in its latest survey to determine the needs for a child care center in Belleville.

One hundred and thirty-five questionnaires have been distributed through the schools and results tabulated. Mrs. Morris Rochlin, chairman of the committee, which has functioned for two years has stated that of these, 22 families reported they had 33 pre-school children for whom they desired care and 49 school age children were also indicated by parents who would avail themselves of the before and after school care which is a part of the child care project. Thirty more women indicated that they would like to work if nursery care was available. To the query, "Who cares for your children who are too young to go to school while you work?" 77 replied that they depended on neighbors, grandparents, other relatives, fathers who are night workers and, in a few cases, paid help.

The child care group, part of the community war services division representing religious, educational and social elements in the town as well as industry and leading council executives, under whose jurisdiction child care is supposed to be established in war need areas, met with the board of education on September 1. The school body, whose sponsorship would assure the child care committee of a Federal grant through the provisions of the Lanham Act, asked for an up-to-date picture of the need in Belleville.

An important part of the survey depends on the visitations of Town health nurses to mothers of pre-school children who are working or contemplate work. Since this information cannot be secured until the nurses make their reports for September the board of education will wait for that figure to be added to the report already submitted by the committee, according to Herbert C. Schmutz, school board president.

Expected to attend Tuesday's meeting are Mrs. John Denike, Miss Angela Chapman, Mrs. Madeline Matthews, Mrs. Minnie Ackerman, Mrs. Mae T. Holden, Mrs. Mary Ridgeway, Mrs. Martha Herkins, Mrs. Julie O. Reiner, Mrs. L. R. Reeves, Rev. Willard Borchers, Dr. Earl Seibert and John Charlton. Ex-officio members are Executive Smith, Harry C. Speight, Ronald Brunner, newly appointed defense coordinator, John Hewitt, as chairman of the community war services committee of the defense council, and Dr. Edward P. Duffy.

CARNIVAL LAW SNEAKS IN

Changed Many Times, It Slips By Commissioners On First Reading

The vicissitudes of the carnival ordinance have temporarily been laid to rest with the adoption of another revised form on first reading, by the board of commissioners on Tuesday night. Originally introduced but never passed a year ago, it came up for consideration again, during the summer when the American Legion attempted to bring Weller Brothers of Newark to town as a money raising venture.

Aimed at such shows and not at the type of carnival that would be presented by church or fraternal organizations themselves, the ordinance places a \$1,000 license fee and \$50,000 bond as prime stipulations. Now minutely described, any show may come under this ruling which can be said to be "a collection of shows, exhibitions, performances, games, tricks, juggling, sleight of hand, feats of uncommon dexterity, a guilty of body, or exhibition of a similar nature, grouped together and carried on in the open air or under temporary structures for a short period."

Violation of the ordinance may result in imprisonment in the County Jail for a period not exceeding 30 days or a fine of not more than \$200 or both. The provisions do not apply however, to churches, religious corporations, fraternal organizations or incorporated non-profit corporations which have been in existence for five years prior to application for a license.

Elks Auxiliary Card Party

A card party on Thursday, October 28, will be the first public affair sponsored by the Ladies Elks Auxiliary this fall. Mrs. Arthur Mayer, a past-president of the organization, will be chairman of the event which will be held in the Elks hall auditorium. Refreshments will be served. Proceeds will be turned over to the Crippled Kids fund.

Need Volunteers For Community War Services Of Defense Council

Volunteers are needed for the community war services branch of the Defense Council, John Hewitt chairman, has announced. From all indications the demands for the use of these services will require many more members he said, particularly among the Block leaders.

George H. Weston is chairman of the Block leaders, informative liaison between the council and the public. Registrations may be made daily in the office of the Coordinator, Ronald Brunner, in town hall.

FORM MEMORIAL AMBULANCE FUND

Two Dormant Accounts Are Combined For Purchase In Clark's Honor

W. Douglas Clark, president of Clark and Hammer, and T. Russell Sargeant, town treasurer, were named trustees Tuesday afternoon of an account which will be known as the William D. Clark Memorial Ambulance fund. The late commissioner of public safety was to have been honored last October at a dinner for which the William D. Clark dinner committee had made arrangements. Mr. Clark died several weeks before the date set for that function.

Executives of that committee who met with the late commissioner's son Tuesday were Kenneth Smith, chairman, Harry Scott, treasurer and Harry Ziegler, secretary. Subscribers to the dinner fund were notified through the press after Mr. Clark's death that their donations would be refunded within thirty days if so requested. The committee proposed that the sum otherwise be used toward the purchase of a second ambulance. Very few returns were made; but a suitable ambulance could not be purchased for the amount, which was \$1,352.05.

To that amount it has now been decided to add \$1,030.93, the balance of the Belleville Ambulance fund which was started several years ago by Commissioner Clark himself for the purchase of a second ambulance. The present Town ambulance was purchased as a result of a public campaign instigated by him during his 1930-34 term of office.

The new memorial fund will be a permanent fund with which another ambulance will be bought when purchase is possible.

ASSISTS INDUSTRY IN FIRST AID

New Red Cross Member Has Installed Units At Walter Kidde Plant

Donald Hirsch of Montclair, medical administrator and director of first aid of the Walter Kidde and company plants, was recently made a member of the first aid committee of Belleville chapter, American Red Cross to assist local plants interested in forming first aid units.

Hirsch, who has been with the Kidde company three years, was previously a Red Cross field representative in the Chicago area. He has been first aid instructor of the Montclair chapter and has also taught accident prevention and related subjects. Under his supervision three complete first aid detachments operate in the Kidde plant here and three more are forming. As many as 50 workers operate in each detachment in squads of five. Stretchers and first aid kits are available throughout the plants and workers are on call 24 hours a day. Albert Hollman, one of the earliest and most active instructors of first aid here, is the company's detachment coordinator of first aid.

Other Belleville factories and plants interested in forming protective units of first aid will be assisted by Hirsch and the Belleville chapter's first aid committee. Hirsch, who has already explained the formation of units similar to those operating in the Kidde plant to Wallace and Tieren company, incorporated, will outline the organization and demonstrate first aid tactics with one of his squad to any interested executive.

These first aiders, who have received advanced as well as standard training, are put through practice tests twice each month. The Kidde plants are considered outstanding in this area in the promotion of safety through accident prevention instruction and first aid training. No medical treatment is given by the detachments, as the company maintains a complete medical staff. Naturally an apostle of safety due to the type of company is willing that these first aid detachments should function wherever disaster exists in the locality.

In the case of extreme disaster in a plant here a unit would be dispatched to care for injured persons until medical aid was available.

Next Town Meeting Oct. 13

Because the next regular commission meeting falls on Columbus Day, a holiday, it will be held on the following night, Wednesday, October 13, at 8 o'clock in the council chambers.

GREYLOCK GARDEN LOOSES SECOND APPEAL

Zone Change To Allow Garden Apartment Voted Down On First Reading

The second appeal of Greylock Gardens, incorporated for a change of zone to permit the erection of garden-type apartments on the Volkening tract was defeated by a unanimous vote of the four commissioners present at Tuesday night's meeting when the amendment to the zoning ordinance was downed on first reading.

Commissioner King presided in the absence of Mayor Williams before about 30 residents of the Greylock section who were present to support the arguments of their representative, Robert Gruhin of 132 Bremont street.

John P. Coogan, real estate consultant with offices at 140 Washington avenue, representing the builders, requested that the amendment be passed on first reading so that a public hearing could be held. He declared that although he respected anyone's right to differ with him as to whether or not the apartment project should go through, he believed that his client, Henry Volkening who has been a taxpayer for 35 years should be given the right to a public hearing and a "sporting chance." He pointed out that all of the facts concerning the proposal which had been altered to affect only seven and a half acres instead of the whole 20 acre tract, on Washington avenue at Greylock parkway had been advertised in last week's Belleville Times and requested that these advertisements become part of the record.

Gruhin Repeats Objection

Gruhin who had appeared in protest two weeks ago when Coogan requested a delay in presenting the proposal, took the floor again in a repetition of his arguments against the project. He made it clear this time that the objection was not to the apartments but to changing the zone which calls for two-family houses. Ripping Coogan's printed statements apart, he declared that he couldn't "find the facts." He attacked Coogan's contentions that there is a housing shortage in Belleville, and quoted from a Gallup poll which indicates in five major production areas, that only one-third to one-half of the war workers intend to remain in their present communities after the war.

He advanced other objections and emphasized the fact that the residents in the area would approve the two family homes for which the property is now zoned. "I have no objection to apartment dwellers," Gruhin stated. "They are not obnoxious people. However, home owners make better citizens. A man who owns (Continued on Page Four)

McCoy, Veteran of Bizerte Gets Purple Heart Award

Former Merchant Marine Finds Town Good Place After Army Honorable Discharge

A former Merchant Marine who has made four trips around the world and trekked through a score of foreign countries, happily returned to Belleville last week after an exhausting trek through North Africa with the U. S. Army as guide.

He's 29 year old Pfc. John McCoy of 540 Washington avenue who, as a combat engineer landing with the invasion forces under Gen. Patton, helped lead the long chase through booby traps and mines till the Desert Fox was cornered in his lair at Bizerte. Irked at for being blasted out of the final action, McCoy has two regimental citations for bravery as recompense for following the hunt up to three days before the kill.

He was honorably discharged from the Army on September 22 at Ashford General hospital, White Sulphur Springs, V. Va., because of wounds received on the outskirts of Bizerte while clearing mine fields so that the tanks could move in. An anti-personnel mine exploding in a group of 15 of the combat engineers killed six outright, and the remaining nine were all seriously wounded.

Six straight months of combat without even weekend furloughs occupied them in the initial invasion which took place last October at Fidella, Morocco under Patton. "A lot of the fellow thought this was tough going," he said yesterday. "But it was only the beginning. Before the campaign ended, we saw tougher fighting at Kasserine Pass, Gafsa, El Gueitar, Fomduke, Sedjenane Valley and Bizerte."

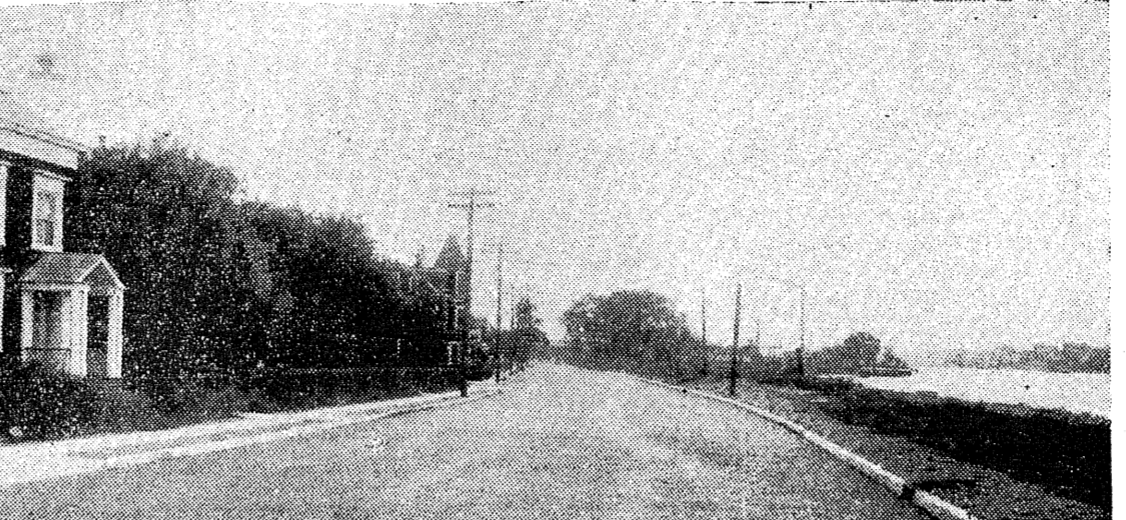

Valuable Experience

Conveyed through Algeria into Tunisia, his outfit got to Kasserine Pass in time for the Nazi barrage of tanks, artillery, infantry and Stuka dive bombers. "It was valuable experience," the veteran related, "because it gave the green Yanks experience under fire. It proved that they could take a lot and still come back for more." However, unforgettable memory of the battle of Gafsa, the gateway to El Gueitar was the interception when things looked blackest of the "Ladies from Hell," kilted hordes of the renowned Scotch Highlanders, now an armored regiment, which broke through the German lines to relieve the pressure.

The famous Hill 609 in the Sedjenane Valley where some of the heaviest fighting took place, McCoy described the combat engineers as a combination of infantryman and engineer who are the first to enter into and last to leave the battle. Working ahead of the tanks and infantrymen, they lift mines, clear mine fields and clean out booby traps. Dangerous because the Nazis, with (Continued on Page Four)

Belleville Subscribes Over \$1,500,000 In Bonds During U. S. Treasury's Third War Loan Drive

Main Street Completed

THE NARROW, BUMPY stretch of Main street between Joralemon street and the Rutgers street bridge is shown above, widened and improved as part of a mile and a half improvement project between the bridge and the Nutley town line. This section, the second, begun on July 3, covers a half mile and was improved at a cost of \$49,095.45 of which the state's share is \$33,339.67. The road, formerly 26 feet wide is now 40 feet between granite curbs and has an ABC2 surface on a concrete six inch concrete base. The whole project started last November 30, has been done under contract with Thomas Gallo of Irvington and has been under the supervision of Commissioner Waters and C. J. Faust, engineer in the Public Works department. Total cost has been \$159,302.72 and the town has paid \$46,963.05 with the state standing the remaining expense. It is understood that the town hopes to transfer the road to county as part of its county highway system since the county owns Main street in Nutley.

BLOOD BANK HERE NEXT FRIDAY

Mobile Red Cross Unit Will Take Donations From Fire Reserves, Others

Already enrolled to donate blood next Friday afternoon, October 8, in the high school when the mobile unit visit Belleville are twenty members of the Fire Reserve unit a number of employees of Heyer Products company and the Resistoflex corporation as well as individual citizens of the town. Although enough persons have registered to guarantee the quota which is 150 pints, there is some scarcity of persons who can donate in the early hours of the afternoon. The blood bank is operated from 2 to 7 p.m.

Miss Esther P. Adams, Red Cross executive secretary, will sign up anyone who can report at the high school that afternoon between 2 and 5 p.m. and who has not already registered. Miss Adams may be telephoned at Be. 2-2111. She will mail appointment cards at the end of the week to those who have already registered. (Continued on Page Four)

Urge All Bond Pledges Be Paid Before Saturday Noon

The war finance committee has made a special request, Chairman Phillip Dettelbach announced yesterday, that those who have pledged bond purchases complete their transactions at the banks, their local issuing agents, before noon on Saturday.

The drive has been extended until that time, Dettelbach said, but pledges which have not been consummated then will not be credited to the town's total subscriptions in the Treasury's third war loan drive.

FIRE PREVENTION IS OBSERVED

Public Safety Director And Fire Chief Urge Public Check On Hazards

Observance of Fire Prevention week in Belleville beginning next Monday has been announced by Public Safety Director King in conjunction with the observance throughout the country.

Stating that now as never before, fire prevention is a direct service to national defense, the commissioner cautions townspeople that in order to prevent losses there must be constant cooperation between the fire department and the residents. And as important as the job of putting out fires, is the department's effort to teach people to eliminate hazards which will prevent fires from starting, he stated.

Fire Chief Alec Reid in urging this periodical and systematic checkup points out that a check of all electrical wiring units and appliances for shorts, faulty connections and overloads may save many dollars later on.

Furnaces, particularly oil burners should also be inspected, he stated yesterday, as well as gas stoves, pipes and connections, to eliminate costly fire hazards.

Well known source of many at first undetected fires is the rubbish heap the Chief warned, where oily rags accumulate and often cause combustion. Improperly stored inflammable liquids such as paint and cleaning solvents can also cause a hurry call for the fire department.

"These tips and other common sense measures should be heeded during Fire Prevention week," Reid emphasized, "and the improvements about the home maintained during the remainder of the year. Safety measures which are observed can greatly lessen loss and damage to property, since a little knowledge, a little effort and a little care will make homes safe," he declared.

Town Applies To State For Aid In Paving Belmont Avenue

Application is being made to the State Highway department for state aid in the improvement of Belmont avenue, an unimproved municipal road between Bloctown and Franklin avenue, a distance of .48 of a mile.

The board of commissioners passed a resolution on Tuesday night providing for the appropriation of \$50,000, the full cost of the construction, if state aid is granted. \$5,000 of this will be eventually borne by the town. Specifications call for a road 36 feet wide, to be constructed, under contract, of ABC2 bituminous concrete on a six inch concrete base.

WHEN IS A FATHER NOT A FATHER?

When He Is In Non-Deferrable Work, Latest Selective Service Ruling Says

When is a father not a father, is becoming an increasingly involved question under National Selective Service interpretations, the local draft board revealed this week.

In spite of the number of ration books in the family, all registrants in groups one, two and three and those in group four who were placed in 1A because they left agricultural activities or have become engaged in non-deferrable activities are now to be designated as "non-fathers" for the convenience of the induction center. Only those remaining in group four are now "legitimate fathers" as far as National Selective Service is concerned.

A few of the new "non-fathers" will be in the group leaving in the October call for physicals in Newark tomorrow. A small contingent, it will be composed of the last of the available men in the usual categories. The fathers included are those who had been given 30 days notice by the local board to transfer from their non-deferrable occupations to essential work and who have not complied.

Only material left for the November call aside from "legitimate fathers" are 18 year-old men coming of age and some older men who have appealed their 1A classification and who are ordered to remain in that classification by the appeals board.

The draft board has finished this week, its month-long inventory of all classifications ordered by National Selective Service throughout the country, the first check of its kind since the inception of the Selective Service Act. The report will be forwarded to Gen. Hershey in Philadelphia, Pa.

Boy Scout Volunteers in First Salvage Pickup; Not Insured

Contender for cellar position in the tin can salvage record was last Saturday's collection which inaugurated pickups by Boy Scout volunteers and netted only five and a half tons.

Change of day from Thursday may have something to do with the drop, Salvage Chairman Robert Sutherland indicated, in observing that the boys did a fine job in their initial rounds. The volunteers manned four town trucks driven by members of the Public Works department which, because of manpower shortage, was unable to continue handling the collections unaided.

The Times was erroneously informed last week however, that the boys would be covered by OGD insurance. They are not insured. The Federal Compensation act relating to the Office of Civilian Defense applies only to the protective services. Salvage is part of the Community War Services division of the Defense council.

McEligot Licensed Engineer

The State Board of Professional Engineers and Land Surveyors, at their meeting held September 23, granted a license as Professional Engineer to Maurice J. McEligot of 272 Hornblower avenue. McEligot attended the Newark College of Engineering, receiving the degree of Bachelor of Science in Mechanical Engineering in 1937. His present employment is Assistant Chief Engineer in the Essex company Department of Plants and Structures.

Rotarians Go Over Self-Imposed Million-Dollar Quota As ARP Canvass Gets Response

Belleville citizens and industries have backed the U. S. Treasury's third war loan attack on the Axis with purchases of over a million and a half dollars in war bonds, an impressively patriotic effort during the short three week campaign. Figures tabulated on Tuesday show \$1,572,144.25 actually subscribed with an unpredictable amount still in pledges which may be converted before the drive's close on Saturday.

This well compares with the town's part in the second war loan drive held in April when the banks subscribed over a million dollars of the \$1,900,000 total raised. The present campaign directed toward individual subscriptions, has excluded the banks which may not purchase until its close.

The local war finance committee, headed by Phillip Dettelbach, chairman, pleased with the results, has also pointed out that tabulations represent actual money subscribed and not the maturity value of the bonds, which, incidentally, show a better than average percentage of Series E purchases, the series in which the Treasury department is most interested.

This is attributable, it is understood, to the thorough house-to-house canvass conducted by the air raid precautions group of the defense council under the direction of ARP Chief, Edward P. Cantwell. Purchases of over \$100,000 in the Series E bonds have been reported by that group. Praised by Defense Coordinator Harry Brunner who has been compiling their returns and those of all other branches of the drive at his office in town hall, he has indicated that the council is proud of the group's willingness to undertake the job which far removed from their usual duties.

Rotarians Over Million

Rotarians have exceeded their self-imposed million dollar quota with \$1,195,000 already cleared of the \$1,350,000, announced as pledged by Rotary chairman, George Gerard at the regular luncheon meeting yesterday. Bellevilleites can feel that they will now have a personal part in future air-borne blitzkriegs against the Axis since Rotary and the town are sending requests to the War department in Washington to have a bomber named for them. Since bombers are estimated to cost \$550,000 each, Rotarians should easily gain consent to have one straffer bear "Rotary Club No. 1122" on its side. The town is eligible also, since with its current purchase of \$100,000 worth of Treasury bonds, it has accumulated \$300,000 in government securities.

Also playing an important role in the war bond subscriptions are the life insurance agents, beverage salesmen and issuing agencies as well as the increased payroll deduction in industries which has been inaugurated among the plant-employees in addition to extra bond purchases during the drive.

School-age youngsters have accounted for \$35,759.30 in war bonds and stamps purchased during the last three weeks, a remarkable record considering the War department's contention that the opening of school. Since the youngsters purchase as a year-round activity, and because of the house-to-house canvass they were urged to give "pep" talks only to their elders. However, patriotic enthusiasm in some cases broke bounds and the bell ringing kids had to be called off by drive authorities since some young salesmen were getting to the ARP customers first.

"Grasshopper" Drive

High school youngsters will start their own "Grasshopper" drive on Monday which has as its goal a plane to be won until its close on December 7. These useful little airplanes cost \$3,000 each. Faculty directors, Miss Eleanor Rush and L. Howard Fox, and student campaign manager, Miss Betty Cooke, are confident the Belleville high school students will put this drive over the top. Comparative figures between this and last September, when only \$1,000 was put into bonds and stamps during the entire month, support their contention.

The Lions club of Belleville, through chairman Abraham Atkins of the Boston Store, has announced purchases of \$15,200 so far, among its members and friends, and expects to reach at least \$25,000 before Saturday. The Glamour Beauty Shop, 323 1/2 Union avenue has won an original campaign introduced by proprietor Daniel Camillo. He has offered free permanent waving to every customer buying a \$20 and above September 24 and 29. Camillo who has been honorably discharged from the army is also employed at Isolantone.

News of Those In Service

Heard From At Last

Cpl. Theodore Serritella

Seaman 2/c Angelo Serritella

Best part of the celebration of their 24th wedding anniversary Thursday for Mr. and Mrs. James Serritella of 108 Franklin street was first news in several months from their sons, Theodore, a corporal stationed in Australia and Angelo, seaman second class now in South America.

Although the boys had little unusual to say nor any explanation of their long silence except that Angelo had arrived among our Good Neighbors, the letters made the day a triple starved event. Dinner in the evening celebrated as well as their own anniversary, the 43rd wedding anniversary of Mrs. Serritella's parents, Mr. and Mrs. Angelo Domenico of Baldwin place.

Theodore is 22 and entered the Army last December. He was

previously with Ernie's Service station. Angelo joined the Navy in May. He is 20 and the husband of the former Miss Philomena Ginagrande of this town.

The boys' father is a veteran of World War I and saw action in Argonne Woods, France. He and Mrs. Serritella, the former Miss Clementine Domenico, also have two daughters, Mrs. Vincent Squatrito, whose husband is stationed at Camp Sibert, Ala., and Miss Catherine Serritella, who is with Lehn and Fink company in Bloomfield.

Dinner guests were Mrs. Anthony Bauer, also a daughter of the Domenicks, and Mr. and Mrs. Frank Gennaro and Miss Catherine Gennaro, all of this town. The Domenicks have two sons.

Florence E. Bloemeke, daughter of Mrs. Richard W. Bloemeke of 86 Cortlandt street, is stationed at the Naval training school on the Indiana University campus in Bloomington, Ind., where she will learn to be a sailor storekeeper. A member of the Navy Women's Reserve, she previously trained at Hunter College, New York city. She was employed by the General Electric company in Bloomfield before enlisting and was graduated from Belleville high school. Miss Bloemeke's brother, Cpl. Edgar Bloemeke, is stationed with the Army infantry in Iceland. He has been in the Army more than two and a half years.

Pvt. William H. Austin, Jr., son of Mr. and Mrs. William Austin of 426 Cortlandt street, has qualified for aviation cadet training at Fort Jackson, N. C. and has been assigned temporarily to Greenboro, N. C. He entered the Army six months ago. Pvt. Austin, who was formerly with the Prudential Insurance company in Newark, spent an eight day furlough with his parents early this month.

Air Cadet William Melver, son of Mr. and Mrs. Ross Melver of 135 Whiteoak terrace, has completed gunnery training at Kingman, Ariz. and entered advanced bombardier school at Kirtland Field, Albuquerque, New Mexico. He entered the Air Corps last January and in civilian life was employed by the Westinghouse corporation in Newark. He is a graduate of St. Benedict's Preparatory school, Newark.

John Arnold, serving overseas with the Navy, was recently advanced to the rank of Signalman, Third class. He was last stationed in Cuba. Before enlisting in November, 1942, he lived with brother-in-law and sister, Mr. and Mrs. William Rea of 43 Belleville avenue. He was employed by Hoyer Products company and had attended Belleville high school. Signalman Arnold received his boot training at Newport, R. I. and attended signal school there for sixteen weeks.

A. Herbert Martin, an Army Engineer Cadet at Virginia Polytechnic Institute at Blacksburg, Va., is expected here Sunday to spend a week's furlough with his parents, Mr. and Mrs. A. T. Martin of 35 Van Reyper place. Cadet Martin entered the Army in March and received his basic training at Camp Sibert, Ala. He was formerly a student at Newark College of Engineering.

George Richard Meyer, Jr., son of Mr. and Mrs. Meyer of 27 Jefferson street, is stationed at the Naval Hospital in Memphis, Tenn., where he is taking advanced instructions for surgery. Meyer holds the rank, Hospital Apprentice, First class, a promotion he received in August. He enlisted in the Navy in March and boot trained in Newport, R. I., after which he studied as hospital apprentice at the Norfolk Naval Hospital, Portsmouth, Va. He was graduated from Belleville high school in June, 1942.

2nd Lt. Alfred L. Moniot, son of Mr. and Mrs. E. J. Moniot, of

Bell street, was promoted recently at Camp Stewart, Ga., to the rank of First Lieutenant. He is stationed there with an anti-aircraft division of the Coast Artillery. Lt. Moniot entered the Army nearly a year ago and was commissioned in March.

Graduated, with the rating Electrician's Mate, Third class, from the Naval Training school at Purdue University, Lafayette, Ind., on September 16 was Robert H. Fredericks, son of Mr. and Mrs. W. H. Fredericks of 55 Berkeley avenue. He entered the Navy in November, 1942 and is now stationed at Norfolk, Va., for further training. A graduate of Belleville high school, he was employed by General Electric company in Bloomfield before enlisting. A brother, Officer Fredericks, Jr., Petty Officer, First class in Radar, is stationed in Washington, D. C. He has completed a year in the Navy and previously served a year as a Cadet in the Merchant Marine.

In civilian life he was an assistant foreman with the National Union Radio corporation in Newark and was originally graduated from Belleville high school.

Ensign Janet Mary Forbes is stationed with the Bureau of Ships in Washington, D. C. after receiving her commission at the Naval Reserve Midshipmen's School at Northampton, Mass. She

has been a member of the Women's Naval Reserve corps since last October and went through her boot training at Oklahoma college of Agriculture and Mechanics. Her father, Edward L. Forbes, operates a trucking business here. Mr. and Mrs. Forbes and a younger daughter live in Nutley.

Ensign Forbes was graduated from Belleville high school and Katharine Gibbs' Secretarial school

in New York. She was with State Mutual Life Assurance company in Newark in civilian life and also served as custodial assistant at Newark College of Engineering. The Forbes have lived in Nutley six years and formerly resided here on Overlook avenue.

For Ladies Only...

I REMEMBER the day the war started in 1939 and the sinking feeling it gave me. I hoped we could stay out, but I feared we might have to get into it.

I said, "If all the countries being threatened by the Axis would just band together, it would be over in no time—and we wouldn't have to do anything. Why do those countries wait until the Axis can grab them off one by one?"

Then came Pearl Harbor and I said, "Why didn't we do something earlier? Why didn't we throw in our weight at the very beginning? Then we might have prevented all this. Now we'll have to fight at a great disadvantage."

There was a call for workers to man this "arsenal of democracy." I felt the call was for me as well as for others, but I hoped I might continue living my life as I always had lived it.

I said, "If everybody does his part now, I won't have to go into war work. The battle of production can be won without me."

Now there's an immediate need for women workers to make vitally needed radio tubes. There are a lot of people just like me who up to now have been unwilling to give up even a few hours a day, at good pay, to do their bit.

I say to myself, "If only they can be urged to do it, then I can stay at home; I can sit out the war."

But something tells me it's me that is needed. So tomorrow I'm reporting at the RCA plant in Harrison. Working conditions are pleasant there. There's music while you work. The food is good. There are dances, recreation—even a swimming pool. There are free medical attention, sick benefits; group life insurance. There are training programs for those with no experience. And the pay is good. I think I know at last that the Nazis and Japs included me when they attacked the rest of the world. So I'm signing up at RCA tomorrow.

Won't you join me?

Part-time work is available on the following schedule:

LUKOWIAK DE SATURDAY

Capital Mass At St. Peter's
for Wedding To Long
Island Man

Miss Catherine Louise Lukow-
daughter of Mr. and Mrs.
C. Lukowiak of 215
Sullivan avenue, and John Law-
son, son of Mr. and Mrs.
John Sullivan of Westbury,
L.I., were married Saturday
morning in St. Peter's church.
Joseph M. Kelly, pastor, per-
formed the ceremony and cele-
brated the nuptial mass which
followed. A wedding breakfast
was held at the Lukowiak resi-
dence.

Miss Lukowiak was given in
marriage by her father. She was
attended by her sister, Mrs. Robert
Fitzgerald as matron of honor,
and by the Misses Ethel Hilton
and Kathleen Fitzsimmons of this
town and Arlene Higgins and
Vernie DeVescovo of Bloomfield
as bridesmaids. Joseph Dillon
acted as Mr. Sullivan's best man
and ushers, also of Belleville,
were George and Richard Lukow-
iak, brothers of the bride, James
Fitzgerald and John McCann.
Over a bridal gown of tradi-
tional ivory satin Miss Lukowiak
wore a fingertip illusion veil with
headpiece of Chantilly lace and
orange blossoms. She wore a
pearl pin, a 75 year old heirloom
of the Sullivan family. Her pray-
er book was covered with white
gladioli. Mrs. Fitzgerald wore
in a floor-length velveteen gown
in Alpine rose. Her headdress

and bouquet were of gladioli and
rose veiling was draped from the
flowers in her hair. The brides-
maids' velveteen gowns in similar
style were of Arcady blue and
matching veiling completed their
floral crowns. They carried bou-
quets of mixed gladioli.
The couple went to the Poconos
for a honeymoon trip and will re-
side at 105 Belleville avenue.
Miss Lukowiak was graduated
from Belleville high school and
has been with the General Elec-
tric company in Bloomfield. Mr.
Sullivan, a graduate of Rhode Is-
land schools and Rhode Island
State college, is a chemist. He is
with the American Dyewood
company here.

Miss Marie A. Serritella of
Magnolia street was dinner guest
Sunday of Mr. and Mrs. Joseph
Vian of Irvington.

Protect
your
home
NOW

To provide against the bitter winter
weather ahead, with the possibility of insuf-
ficient fuel, is more important now than ever.

Make your house tight and warm —
get your insulating, stormsashing, painting,
and decorating done now while you can,
and finance the work on the F.H.A. Plan.

Discuss your requirements with our of-
ficers.

HOME CANNING Makes Ration Points Go Farther

Follow your grandmother's good
example, and can food for the
winter. Enormous supplies of food
must go to our armies and our
allies. Home canning will relieve
the wartime food shortage on the
home front. It is war work—im-
portant war work—you can do it
in your own kitchen.

If you would like up-to-date di-
rections on home canning, consult
our Home Economics Department.

GREYLOCK GARDEN

(Continued from Page 1)

His home has more interest in the community. We don't want abusive landlords."

Coogan declared that Greylock Gardens will be unable to build two family homes on the tract since FHA will not permit this type of construction where public utilities are not already installed. He recalled the objections to the Andrew Jergens plant and the improvement of Greylock Manor.

"You have the printed facts," he stated. "I am responsible for what I said. I am a responsible citizen and desire to keep away from personalities. I vouch for this. Even though I personally know a great majority of the people involved, I have not used my influence. I have not called

or asked any commissioner to vote for this amendment. I have not called or asked any citizen to change his mind for me. I believe that all proper things are based on good sportsmanship and for this reason I am asking for the opportunity to have a public hearing."

BLOOD BANK

(Continued from Page 1)

These cards confirm registration and state the hour at which the donor is asked to appear. They are mailed as closely as possible to the time of donation so that donors will not mislay them as it is absolutely necessary that they be presented.

Persons in good health between the ages of 21 and 60 may be donors. Doctors and nurses check their temperature, pulse, hemoglo-

bin and blood pressure previous to donation and individuals rest afterward and are served light refreshments. Fatty foods should not be eaten for four hours before the donor's appointment. In fact persons are asked to take simply fruit juices or other light refreshment during that time.

The need for plasma has not declined in the least and those who are able to donate are asked to remember that it is the most intimately practical method of aiding the war effort.

MC COY

(Continued from Page 1)

fine precision, have become adept at the egg laying game, it eventually became a nerve-wrecking job, he declared. This is because no overlooked mines or those not handled with caution mean death to all within range.

Bond Rally Speaker

Speaker at Paterson's war bond rally on Tuesday, he discovered the "it's a small world" gag for himself when, seated next to former Mayor McBride, they carped the fact that the mayor's son, a Captain in the medical corps had treated McCoy for his wounds during part of his two and a half month hospitalization in Algeria.

Cured of any wanderlust or even for the Scandinavian countries he enjoyed visiting most, before the war when he spent over eight years with the merchant fleet, McCoy declares that Belleville will move than satisfy him for a long time to come. Married to the former Miss Maureen Richards, a nurse in Dr. Irwin's office on Washington avenue, he declares that after a short rest he will return to the New York Life Insurance company in New York City as an underwriter.

Woman's Club Dessert Bridge Is First Of Monthly Affairs

A dessert-bridge Monday afternoon will open the season of social, cultural and executive programs of the Woman's Club of Belleville. First of a series of monthly bridge programs, the affair will take place in the clubhouse at 51 Rossmore place at 1:30. Mrs. Elmer Bagnall is general chairman and Mrs. George A. Goeke, vice-chairman of the afternoon.

Hostesses will be club officers: Mrs. Frank J. Ackerman, president and chairman; Mrs. Dwight N. Streeter, first vice-president; Mrs. William Allen, Jr., second vice-president; Mrs. William V. Irvine, treasurer; Mrs. Morris Toehlin, assistant treasurer; Mrs. Fred Idensen, recording secretary; Mrs. Elwood Russell, corresponding secretary and Mrs. William Chapman, assistant corresponding secretary. The card party is an open house affair and tickets may be purchased at the door.

Red Cross Production

Closed For Lack Of Material

The production committee of the local Red Cross chapter through its chairman, Mrs. Harvey Thompson, has explained the closing of workrooms by a shortage of materials. Workrooms will reopen as soon as surgical dressing and bandage ingredients have been sent here by national headquarters.

Rosh Hashanah Observance of Jewish New Year

The Jewish New Year festival Rosh Hashanah is far other than the mere opening day, according to the olden Jewish reckoning, of another year in the flight of time. Unlike the New Year celebrations of many ancient and modern nations, the Jewish New Year is not a time of revelry. It is a solemn season of self-examination and self-judgment in the life of the Jew.

Scripture prescribes a special symbolic rite for this day, the sounding of the ram's horn, the Shofar. The meaning of this ceremony to the worshippers who listen to these notes in solemn awe is as stirring as the sounds themselves.

Since days immemorial, the sounding of the ram's horn on Rosh Hashanah has been interpreted in Israel as the clarion call to repentance and spiritual renewal, saying: "Awake ye sleepers! Be not of those who miss realities in their hunt after shadows. Consider your deeds; purify your hearts. There is an Eye that seeth all things; there is an Ear that heareth all things. There is a heavenly Judge with

Bellboys Ready to Bury Jinx With Bloomfield Saturday

Primed By 7-0 Win From Barringer, This Should Be Time To Score

The Bellboys with one victory tucked under their belts from the 7-0 tilt with Barringer last weekend are looking forward to burying the "Belleville jinx" scheduled to rear its head again on Saturday when the Bloomfield squad invades Clearman field.

Unscored against by the home team for 14 years since they became a part of the schedule in 1929, the neighboring eleven need expect no pushover however, even though they are fresh from a 31-12 victory over Newark's East Side in their opener.

Confident with their assemblage of 10 points against the Bellboys, Belleville no matter how near they've inched to the goal line has never been able to cross it with Bloomfield as defenders. However, with an unsuspicious combination in newly appointed Coach Bill Chapman and a squad of undomesticated players, chances for a scoring tussle are high.

Between the cheers of an estimated 5,000 gridiron enthusiasts, the Bellboys started their successful path to a promising season by handing the clad blue of Barringer another jinx burying verdict in Saturday's win which is the first victory. Belleville has had over the "Blues" since the first game with them in 1939.

The game started with Capt. Jim Dunlavy kicking the pigskin deep into Blue territory and was returned by Lovello for a short gain. The remaining part of the first quarter seemed to be used merely in testing one another's grid ability, Belleville coming out on top in ground gainage.

Zebras Get 1st Downs

In the second quarter, the Bellboys, helped by a pass from Dunlavy to Vic Pasquariello, penetrated through the baffled forward wall of Barringer to the Blue 34 yard line and were later forced to kick. The half ended with the Zebras gaining two first downs through both aerial and ground attacks.

Barringer started the third period with a nice pass by Ed Sexton, all around run, pass and kick man, for a first down and a gain of 25 yards, but was later stopped on downs and had to kick. Thus started the Belleville blitzkrieg. Reverses, center backs, off tackles, end runs, passes, everything the Bellboys could master, was thrown at the surprised Barringerites. The total of 5 first downs in succession which amounted to 72 yards was the climax of the attack. The third quarter ended with Belleville in possession of the ball on the Blue 5 yard line.

As soon as "Old Man Time Clock" gave the O. K. signal on the start of the fourth quarter, Barringer found the score being 6 points in its opponent's favor. For on the first play Pasquariello took the ball on a reverse through the left side of the Bar-

ringer forward wall, where he fumbled. However, Jim Petro, Zebra blocking back, quickly recovered the ball for a touchdown. Capt. Jim Dunlavy then converted the ball for the extra point, making the score 7-0. From here on, Barringer attempted many passes executed by Ed Sexton, but to no avail. With very few minutes left to play, Vic Pasquariello intercepted a long pass and ran the ball back 15 yards. The game ended with Belleville on the Barringer 30 yard line still in possession of the ball.

Dunlavy Spearhead

The spearhead of the Belleville attack was Jim Dunlavy's all round excellent playing. Reporter's opinion is that Belleville should have a very successful season due to the cooperation and coordination of the team and coaches as a whole.

Locker Room discussions after the game brought about such praises as, "Never had a better coach" from all the boys. Lt. Gates, former coach of Belleville High's football team was heard saying, "Bill Chapman has certainly done an excellent job with the material he had. The new boys are coming along fine and should make the grade." Thanks loads Lt. Gates, it sure is swell to see you around again.

The starting line up was: Belleville—Heimrich, l. e.; Byrne, l. t.; Apicella, l. g.; Vaccarella, c.; Clark, r. t.; Salvano, r. e.; Pasquariello, q. b.; Pasquariello, h. b.; Dunlavy, f. b.; Petro, l. h. b.; Barringer—Nelson, l. e.; Coyneck, l. t.; Bonfigliani, l. g.; Russo, c.; Di Chiara, r. t.; Kivran, r. e.; Lovello, q. b.; Seider, r. h. b.; Carracino, f. b.; Sexton, l. h. b.

Score by periods:

Belleville 0 0 7 0—7

Barringer 0 0 0 0—0

Scoring the touchdown for Belleville—Petro. Extra point—Dunlavy. Substitution for Belleville—Canter, Killen, Moffett, Veschia, For Barringer—Merola, Marinello. Officials—referee, Fries; umpire, Hunt; linesman, Burdick.

County Committee Reorganize, Choose Officers

Annual reorganization meetings of the Democratic and Republican county committees in Belleville were held Monday night in the Town hall. Former chairman George Christie will head the Democratic group here. Mrs. Mae C. Mead is vice-chairman, Mrs. Alice Spillane, treasurer and Ralph A. Vara, secretary.

Harry Machette has been chosen chairman of the Republican committee for the tenth consecutive time. Mrs. Ruth Fredericks is vice-chairman, Gordon Grant, secretary and Mrs. Jessie Reu, treasurer.

Mrs. William Hood Recovering From Injuries

Mrs. William Hood of 407 Jorammon street is recuperating in St. Mary's hospital from head and back injuries received last Thursday evening when a Public Service co-ordinated transport bus No. 112 threw her several feet at the corner of Union avenue and Jorammon street, it is claimed.

The driver, Edward Runkel of Passaic, was going north on Union avenue when the accident occurred. She was taken to the hospital by Officer Monaghan and a fireman Bechtoldt. Members of the ARP group which meets at the Recreation house where her husband, "Doc" Hood has been confined for a number of years, voted to remember her with flowers at their Tuesday night meeting.

Grace Baptist Bowling Alleys Open Monday Evening

The bowling alleys of the Men's club of Grace Baptist Church will open Monday evening at 7:45. Alleys will be open to the public, as in previous years, on Monday, Tuesday and Friday evenings. Herbert Robinson is in charge of bowling.

Club members re-conditioned the alleys and changed the light-

ing over them during the summer recess. The bowling alley room has been completely redecorated in attractive colors with the purpose of further increasing its lighting facilities, the work is a part of the building improvement program which has been carried on at Grace Baptist Church during the past three years.

Speaker At School No. 7 P-

The Parent-Teacher association of School No. 7 will be addressed Tuesday afternoon by Mrs. J. Eggenberger, vice-president of the Essex county council of Parent Teacher associations. A tea for the mothers of kindergarten and other new students at the school will be arranged by mother of fourth grade pupils.

CHURCHES

Montgomery Presbyterian

635 Mill street, O. W. Chapin, Minister.
Tonight, 7:45, Choir rehearsal.
Friday, 7, Boy scouts; 8, Regular meeting of the Church Session.
Saturday, 8 P. M. "Open House" for dancing, bowling, games for those over 14 years of age; boys and girls.
Sunday, 8:45, Breakfast for organization of Men's Bible class.
9:45, First meeting of Bible class.
Also 9:45, Sunday school.
Morning worship and observance of World Wide Communion.
6:30 P. M. Young People will meet at the Church to attend Young People's Rally at Wesley Methodist Church. Also 6:30, Christian Endeavor society will hold a brief, but very important, meeting to arrange time and place for future meetings.
Tuesday, October 5, 8:15, Regular meeting of the Aid Society.

Christ Episcopal

395 Washington Avenue, Peter R. Deckenha, Rector.
Sunday, 11, Holy Communion. At this service the Woman's Auxiliary will make their corporate Communion and the Rector will preach to the theme "God and Our Times."
Monday, The Woman's Auxiliary will hold its regular monthly business meeting with Mrs. Florence Smith, president, presiding.

Redeemer Lutheran

Broadway at Carteret Street, Newark, N. J.
Paul F. Arndt, Pastor.
Sunday, 9:30, Sunday school and Bible class. 10:45, Sermon, topic, "Real Victory for America." Celebration of Holy Communion.

Wesley Methodist

Rev. Edgar M. Compton, Pastor.
225 Washington Avenue.
Today, 2 P. M. Group A or the Women's Society for Christian Service will meet in the Chapel. 8 P. M. Executive committee meeting of W. S. C. S.
Sunday, 9:30, Rally Day in the Sunday school. Everyone is urged to attend. 10:45, World Wide Communion of Protestant Churches will be observed. New members will be received into the Church fellowship. 6:45 P. M. Youth Fellowship service.
Tuesday, 8 P. M. Group B of W. S. C. S. will meet in Church parlors.
Wednesday, 2, Bible Study class will resume. The Book of Ezra will be studied this year. 4, Girl scouts. 7:30, Boy scouts. Thursday, 7, Junior choir; 8, Senior choir.
Due to the untiring efforts of Mrs. R. H. Williams and the generous contributions of members and friends of Wesley Church the balance of the church mortgage has been paid. A special service at which the mortgage will be burned will be held early in October.

Congregation A.A.A.

317 Washington Avenue, Rabb. Herman Schwartz.
Thursday—First Day Rosh Hashanah Services at 8:00 A. M. Rabbi Schwartz will preach on Jewish National Consciousness. Dr. B. A. Jacobson, Chairman of the Board of Trustees will address the Congregation. Mincha and Maariv Services at 6:30 P. M.
Friday—Second Day Rosh Hashanah Services at 8:00 A. M. Rabbi Schwartz will preach on "Science and Health with Key to the Scriptures" by Mary Baker Eddy include.
"The press unwittingly sends forth many sorrows and diseases among the human family. It does this by giving names to diseases and by printing long descriptions which mirror images of disease distinctly in thought. A new name for an ailment affects people like a Parisian name for a novel garment. Every one hastens to get it. A minutely described disease costs many a man his earthly days of comfort."

Walsh, son of Mr. and Mrs. William Walsh of Chicago, Ill., were married in St. Columbanus church in that city on September 11 by Rev. Joseph Gorman, pastor.

Miss Helen Walsh and John Walsh, sister and brother of the bridegroom, attended the couple. Accompanying the bride to Chicago, besides her parents, was Mrs. Carl Schweikert, the Hornblower avenue address. A wedding breakfast was held in the Chicago Beach Hotel for the immediate families. A reception was held in the evening at the Walsh residence.

The bride's white satin gown was made with a yoke of Irish lace and was worn with a long veil. She carried gardenias and white sweet peas. Miss Walsh wore a headpiece of yellow velvet and African daisies with her

aquamarine taffeta gown. Her bouquet was also of African daisies. Mrs. Brown's hat matched her orchid dress suit and her corsage was of gardenias. Mr. Walsh was gowned in wine velvet with a gardenia corsage.

Young Mrs. Walsh was graduated from Belleville high school and was employed by the Army Air Forces at the Walter Kidde Company's Belleville plant. Lt. Walsh attended Chicago schools and entered the Army two years ago. He was commissioned last October at Fort Monmouth. He and Mrs. Walsh will make their home at Camp Pinedale, Fresno, Calif., where he is now stationed.

The marriage of Miss Frances Smith of East Orange and Cpl.

Vincent Riccio of Magnolia street took place Sunday afternoon in St. Anthony's Church. Rev. T. P. Menegus, pastor, performed the ceremony.

Cpl. George Smith gave his sister in marriage. Cpl. Riccio, the singer, Jack Carroll, who was under contract in Hollywood before entering the armed services, is the son of Mr. and Mrs. Thomas Riccio. A reception was held at their home. Cpl. Riccio returned to a North Carolina camp this week after a ten day furlough.

These Are The Vitamins That Build Health and Energy

Vitamin A is the anti-infective and growth-promoting vitamin. Its lack results in susceptibility to colds and other ailments. . . its insufficiency in children results in scrawny and stunted growth. Principal source, halibut liver oil.

Vitamin B is "the spark plug of the human system" . . . it tones the nervous and digestive systems, promoting growth, appetite and energy. It also helps to remove lactic acid from the blood stream, thus eliminating the feeling of fatigue. Principal sources, yeast and wheat-germ.

Vitamin C protects and feeds the capillaries under the skin; it helps to heal wounds, and prevents scurvy. Modern diet is usually deficient in this vitamin because it is easily destroyed by cooking. Principal sources, tomatoes and oranges when freshly picked.

Vitamin D is the "sunshine" vitamin. Tests show that it remedies the disorders caused by the deficiency of ultra violet in this climate's sunshine. Without it, normal formation of blood and bone ceases, resulting in rickets, sagging muscles and decay of the teeth. Principal source, cod liver oil.

Vitamin E is the "anti-sterility" vitamin. It has additional important uses in that it promotes mental vigor and tones the muscles. Principal source, wheat-germ.

Vitamin G is the riboflavin factor of the B vitamin that improves stomach tone, remedies skin eruptions and loss of red blood corpuscles. Principles sources yeast and liver.

Bevrons Capsules—Super Potency Vitamin "B" Complex—contains all the factors of the Vitamin "B" Complex. Dose of this capsule is just one a day. Bottle of 30, 1.29. Bottle of 100, 3.39

Halibut Liver Oil Capsules—Each capsule contains as much Vitamin A as 4½ teaspoons of cod liver oil, protects you against coughs and colds. Bottle of 100, 79c.

Brewers Yeast Tablets—Bottle of 250, 49c.

Minerals—12 minerals in one capsule — all essential minerals in one small capsule. Used for a deficiency of minerals, 100 for 98c.

Calcium Panothene—The anti-grey hair vitamin tablet. Bottle of 100, 1.39.

Improved Vitamins Capsules—9 Vitamins in one small capsule Dose is just one a day to give you the full daily minimum requirements of all the vitamin standards known to Medical and Nutritional Science. Bottle of 100, 3.39.

Improved A-B-C-D-G Vitamin Capsules—The original "all-vitamin" capsule, each one as good as 4½ teaspoons of cod liver oil in Vitamin A, 3 teaspoons in Vitamin D, 2 cakes of yeast in Vitamin B, and a half-cake in Vitamin G. Take two a day for a healthy winter. Bottle of 100 Capsules, 1.29.

High-Potency A-B-C-D-G Capsules Vi-Nutro Perles—Biologically standardized so that each capsule contains the recommended daily adult requirement of the five important vitamins. Just one a day for health and vigor. Bottle of 100, 2.29.

"Vibex" Vitamin B Complex Capsules—Contain all five factors of the B vitamin. You'll soon feel amazing energy and robust health when you start taking this almost magic formula. Bottle of 100, 1.69.

PREVENTION WEEK

October 4th to 11th

Fire Takes Its Toll In Loss Of Life And Property! Do All You Can To Prevent Fire!

The Scream Of Sirens--

The scream of a siren — another fire — with its attendant loss of property and possibly human life. And the saddest part of it all is that it could have been prevented.

Your Fire Chief can recount hideous tales of fires and their toll of property and human life. He has many ideas on Fire Prevention that he'll be pleased to give you — if you'll give him the opportunity. Remember — It is his job to "Stop Fires Before They Start." Why not give him the chance to help you prevent fire in your home or store?

Fire-Nation's Worst Enemy-

Millions of dollars go up in smoke every year — perhaps some of them will be yours unless you take every precaution to prevent fire in your own home or business. Do your part now — today. Check over every possible place in your home that is used for a "catch-all." Have competent workmen check heating plants, electric wiring, etc. It may pay you enormous dividends in property saved — as well as human life.

Check Your Own Home Or Business For Fire Hazards Today!

The surest way of preventing fire is to have a periodical systematic check-up. This can be easily and quickly done by obtaining the aid of your entire family. Children should definitely help in this check-up... it will make them fully realize the dangers, and causes of fires and the precautions necessary to prevent them.

1. CHECK all electrical wiring, units and appliances for shorts, faulty connections and overload.
2. REMOVE all rubbish and waste from basement, attic, garage and around buildings.
3. USE non-inflammable cleaning fluids only! Keep any and all cleaning fluids away from excess heat.
4. KEEP matches away from children. Always be sure a match is completely out before throwing away.

5. HAVE all gas pipes and connections inspected periodically.
6. DON'T bring gasoline into a house.
7. TAKE caution with burning cigarettes.
8. KEEP your furnace, furnace room and coal bin clean and orderly. Keep them clear of any rubbish.
9. ALWAYS have a ground wire on your radio.

Mrs. Mary Kershaw Marks Her 75th Birthday

"Just Us" Club Met This Week; Sgt. And Mrs. Tiffany Visited In Pennsylvania; Sgt. And Mrs. Reichenbecker Move To Morehead City, N. C.

Mrs. Mary Kershaw of 14 Oak street, celebrated her 75th birthday Saturday. She makes her home there with her son-in-law and daughter, Mr. and Mrs. John A. Teufel, and has lived in Belleville eight years. Mrs. Kershaw has 19 grandchildren and 14 great-grandchildren. Guests at the Teufel residence Saturday were Mr. and Mrs. Frank Teufel, also of this town; Mr. and Mrs. William McLean of Bloomfield, Mr. and Mrs. John Kershaw, the Misses M. A. Hulme and Doris Loeffler and Charles Loeffler of Irvington and Mrs. Raymond Farrow, Mr. and Mrs. Walter Reinhard, Mr. and Mrs. Allen Reinhard, Mr. and Mrs. William Noll, Mr. and Mrs. George Farrow, Mr. and Mrs. John Farrow, Mr. and Mrs. Gilbert Farrow, James Oram, the Misses Theresa and Margaret

Ellen Reinhard and Barbara Reinhard of Newark and Mr. and Mrs. Charles Simmons of North Arlington.

The meeting of the Just Us Girls club was held last Tuesday evening at 50 VanHouten place. Present were the president, Mrs. Mary Shader, Miss Julia Sullivan, secretary and Miss Ethel Schleicher, treasurer and members, Mrs. Marjorie Strasburger, Mrs. Helen Mutterer and the Misses Janet Moyer, Rita McGowan and Virginia Larglands.

Sgt. and Mrs. Henry N. Tiffany completed a furlough last week in Kigsley, Pa. at the home of Mr. and Mrs. Clyde E. Tiffany. Mrs. Tiffany is the former, Miss Marie Moniot, daughter of Mr. and Mrs. Edward J. Moniot.

lot accompanied her son-in-law and daughter on their trip.

Sgt. and Mrs. Martin C. Reichenbecker went early this month to Morehead City, N. C., where Sgt. Reichenbecker is stationed at Fort Macon. Mrs. Reichenbecker is the former Miss Helene Claire McCarthy, daughter of Mr. and Mrs. Joseph McCarthy of 11 Lincoln terrace. The couple were married here in June. The soldier spent a seven day furlough here with his wife and his parents, who live in Newark. He has been in the Army nearly three years and is with a Coast Artillery unit. Mrs. Reichenbecker has been inside expediter of the planning department of Air Associates at Bendix and has resided with her parents since her marriage.

The Misses Rose and Mamie Pravata of Tickfaw, La., cousins of Mr. and Mrs. Frank Vicari of North Belmont avenue, will return to Louisiana early in October after a visit of several months at the Vicari home.

Mr. and Mrs. Joseph Iacovelli and their children, Benjamin, Carlo, Louis and Agnes and Benjamin Iacovelli, the children's grandfather, of Magnolia street were Sunday guests of Mrs. Grace Basiccio of Brooklyn.

Mr. and Mrs. Salvatore DiDia and their daughter, Betty, of Magnolia street visited Mr. and Mrs. Joseph Laviot of Ozone Park, N. Y. Sunday.

Miss Winifred Struble, daughter of Mr. and Mrs. Carl K. Struble of 172 Cedar Hill avenue, has entered New Jersey College for Women where she will take the general curriculum. She was graduated from Belleville high school last June, an honor student. She was a member there of the Latin, French and Riding clubs.

NOTICE

PUBLIC NOTICE is hereby given that the following proposed ordinance was introduced and passed on first reading at

a meeting of the Board of Commissioners of the Town of Belleville held on Tuesday evening, September 28th, 1943 and further notice is hereby given that the second and third readings of said ordinance will be considered by said Board at a meeting to be held at the Town Hall, Washington Ave. and Belleville Ave., Wednesday evening, October 13th, 1943, at 8 o'clock P.M. (War Time) when all objections to the passing of the same will be heard and considered.

FLORENCE R. MOREY, Town Clerk.

WHEREAS, by common usage the word "Carnival" has come to be applied to a collection of shows, exhibitions, performances, games, tricks, juggling, sleight of hand, feats of uncommon dexterity, agility of body, or exhibitions of a similar nature, any or all of which are grouped together and carried on in the open air or under temporary structures for a short period of time.

The Board of Commissioners of the Town of Belleville, in the County of Essex, do ordain:

Section 1. That no person or group of persons, partnership or corporation, shall conduct a carnival (the word "carnival" to be given the meaning set forth in the preamble of this ordinance) in the Town of Belleville without first obtaining from the Board of Commissioners of the Town of Belleville, a license so to do.

Section 2. That the license fee for conducting such carnival shall be \$1,000.00 per day, and that such fee shall be imposed for revenue as well as regulation.

Section 3. Before such carnival shall operate in the Town of Belleville the person, firm or corporation receiving license for the operation of carnival shall submit a bond in the sum of \$20,000.00. Said bond to be in force for a period of sixty days as evidence that the licensee is financially able to meet a claim for damages incurred by reason of accidents during the operation of such carnival. Said bond shall be approved as to form by the Board of Commissioners of the Town of Belleville.

Section 4. The provisions of Sections 2 and 3 above, relating to payment of license fees and furnishing of bond, shall not apply to churches, religious corporations, fraternal organizations which have been in existence for more than five years prior to application for license, or duly incorporated non-profit corporations which have been in existence for more than five years prior to application for license hereunder.

Section 5. Any person, firm or corporation violating any of the provisions of this ordinance shall be liable to a penalty either by imprisonment in the County Jail for a term not exceeding thirty days or a fine not exceeding \$200.00 or both, for each offense. The magistrate before whom conviction is had shall fix the amount of said penalty not in excess of the maximum herein provided.

Section 6. Any ordinances or parts of ordinances of the Town of Belleville inconsistent herewith are hereby repealed.

Section 7. This ordinance shall take effect immediately after final passage and publication in accordance with law.

"DOG-GONE!..EVEN I WORK, NOW!"

"My master's fighting.
My mistress is working.
And you, Ma'am?"

WOMEN OF NORTH JERSEY:

Serious local war job crisis proclaimed by Governor Edison. Men off to war need MORE war goods. Less hands to make them. Unless you help. Read how...

QUESTION: What is a "War Job"?
ANSWER: First—a job in a war production plant. Second, a job in an essential service—such as laundries, milk and fuel distribution, restaurants, communications.

QUESTION: Could I work part-time?
ANSWER: There are many part-time jobs. Inquire today. See address at right.

QUESTION: I've never worked in a factory. Will I be able to do the work?
ANSWER: Don't worry about that. There is just the job for you. A simple job, like pulling cord through holes, or drawing a line along a ruler. Or, more difficult jobs, for

which you will get special training, if you like. Your job is waiting for you. So apply today.

QUESTION: If I took a war job, wouldn't my husband be drafted sooner?
ANSWER: NO! NO! NO! It won't affect your husband's position in the draft in any way.

QUESTION: How much will I earn?
ANSWER: Every job pays well. Some more than others. Each has a scale of wages. You begin at learner's pay. Increases are rapid.

QUESTION: Who will run my home if I take a war job?
ANSWER: Millions of other women have reorganized their homes to be able to do their part in war work.

QUESTION: Would my work be important?
ANSWER: There is NO job in wartime that is not important.

QUESTION: How do I go about getting a war job?
ANSWER: Talk to a sympathetic person at War Job Headquarters, or nearest U. S. E. S. Office NOW!

QUESTION: There is NO job in wartime that is not important.

QUESTION: How do I go about getting a war job?
ANSWER: Talk to a sympathetic person at War Job Headquarters, or nearest U. S. E. S. Office NOW!

QUESTION: There is NO job in wartime that is not important.

QUESTION: How do I go about getting a war job?
ANSWER: Talk to a sympathetic person at War Job Headquarters, or nearest U. S. E. S. Office NOW!
