## COOGAN AND MAYER IN REAL ESTATE PARTNERSHIP

Form Belleville's Largest Realty Firm; Retain E. E. Bennington

Belleville's largest real estate firm was born yesterday when Arthur E. Mayer of 240 Greylock parkway and John F. Coogan of 337 Little street, with offices respectively at 338 and 140 Washington avenue, announced a partnership which will combine their businesses and staffs.

The new firm, which will be known as Coogan and Mayer Incorporated, will be located at 140 Washington avenue, the offices of which have been completely remodeled to accommodate the combined activities, which will begin officially March 1.

Besides Coogan and Mayer, Elmer E. Bennington of 658 Belleville avenue will also be a sales representative. The clerical force will consist of Mrs. Margaret E. Patterson of 51 Wilson place and Mrs. Margaret A. Ben of 357 DeWitt avenue.

Both Coogan and Mayer have long been active in Belleville real estate, insurance and appraisals. The former operated his local office prior to 1930 when he retired to accept the position of town tax assessor, deputy director of revenue and finance and director of sales of town-owned property.

He resigned his official duties two years ago, reopened his realty business and announced his candidacy for the town commission. He withdrew from the race to take a place on the county board of taxation to which he was named by Governor Edison.

Studied Real Estate He attended local schools and studied real estate theory and economics at the American Institute of Real Estate Appraisers. His past assignments in this field have included service to individuals, building and loan associations, banks and mortgage loan institutions.

He was recently appointed a member of the real estate committee of the Peoples National Bank and Trust company and was named by the Belleville four-man committee of the real estate committee of that organization. Currently he is chairman of the War Fund and Community Chest drive.

Mayer is an alumnus of Newark East Side high school and Newark Institute of Arts and Sciences. He was a sheet metal contractor with the Jeffery company of Newark before he moved to Belleville in 1925.

He remained in the sheet metal business until 1932 when he established his real estate and insurance office at 338 Washington avenue. For 12 years he has been one of the most active of Belleville's realtors.

Active in Clubs An active member of the Lions club since 1926, Mayer has held practically every office in that organization. After a year as secretary he served as treasurer for 13 years before becoming president in 1939.

For five years, until his resignation from the office in November, he was secretary of the Elks which he joined in 1927. Last month he completed a term as president of the Board of Realtors of Bloomfield. Nutley, Glen Ridge and Belleville. He had previously served as secretary and treasurer of that organization.

He is a member of the National Association of Real Estate Boards, has served as a delegate to the state association and is a member of the brokers' division of the Institute of Appraising.

## First National To Aid Taxpayers With Returns During February

In addition to Frank Rowe, who will be at the bank next week, the First National has retained the services of Edwin Jennings, tax consultant, who will be at the bank evenings during February for the same purpose. This service will be at the disposal of all Belleville taxpayers without charge, whether or not they are depositors of the bank.

Jennings will be available every evening from Monday to Friday between the hours of 7 and 10 p.m. from February 7 to February 29 inclusive.

In making this announcement, Frank J. McFadden, executive vice president of the bank, said: "We are providing this service first, for the convenience of Belleville residents who require assistance with the preparation of their returns, and secondly, to assist the Internal Revenue Bureau with the huge volume of work that faces them at this time."

It was emphasized that it is important that the taxpayer bring with him 1942 tax return, estimated income reports for 1943, if he filed one, information returned from his employer covering 1943 income and tax withholdings, Form 1041, and the Collector of Internal Revenue showing 1942 income tax and amounts paid, list of allowable deductions.

## WAR FUND REACHES ONE-THIRD OF GOAL

More Than \$25,000 Received As House-To-House Drive Completes Organization

A preliminary report of contributions to date indicate more than \$25,000 has already been received, and put into the coffers of the War Fund and Community Chest in its gigantic drive to provide funds for six local charities and more than a score of military and foreign relief efforts.

The announcement was made last night by general chairman John F. Coogan Jr., who also commended individual branches of the drive for their returns up to the present.

Mrs. Clarence D. Van Sickle, chairman of the general solicitation throughout the town, revealed the picture depicts actual battle scenes with the Yanks and captured films showing the "rescue" of Mussolini and scenes inside of Germany and Japan. It will be the first public showing in Belleville.

The audience will be addressed by Lt. John G. Hoagland, veteran of eighty missions in Africa, who has three Nazi planes to his credit. A member of the Late Arrivals club, he is now stationed at the Newark Army air base.

ed that Mrs. Harry C. Fredericks, Belleville's first Gold Star Mother of this war, and Miss Rose Marmo had agreed to act as captains in school districts 2 and 10 respectively.

Edward P. Cantwell, head of the clubs and organizations division, made returns from his early canvassing. Avenue chapter of the Eastern Star \$100, Petran club \$50, Patrolmen's Benevolent association \$25 and county Veterans of Foreign Wars \$5.

Municipal employees have thus far contributed \$695 or 75 percent of their expected goal, according to chairman Everett B. Smith.

It is understood that canvass of the industries is virtually completed under the direction of Harry G. Specht's committee and that half of its donations have already been made.

The intensive campaign in the homes, schools and business firms will be made from February 14 to 21 and Coogan yesterday issued another appeal for active and enthusiastic support from all quarters of town.

"Belleville has a big job to do," he said, "and none of us wants to sit back and let the boys at the front do it. They are doing their job and doing it well. We on the home front must do the same."

## MOTHER, BABY DIE IN SUICIDE TRY

Woman Writes Notes, Diary Before Turning On Gas In Double Tragedy

Despondent over marital difficulties, according to police, Mrs. Jane Martin of 20 Rutgers street turned on the gas in her apartment and took her life and that of her five-year-old son, Carl Martin Jr. The double tragedy took place some time Saturday night.

Mrs. Martin first penned a series of four letters, one to her husband, the remainder to relatives, disposing of her belongings and directing funeral arrangements for herself and her son. She then attached a long rubber hose to the gas jet of the kitchen stove, ran it into the bedroom, then lay on her bed beside the child and awaited death.

The 26-year-old expectant mother is said to have kept a brief diary during the time she was waiting for the end of life. Details of the letters and the diary were not released by police.

Her husband discovered their bodies when he returned home at 3 in the morning. He had difficulty with his key and hailed a passing pedestrian who, after the tragedy was discovered, notified police.

Police and firemen under the direction of Sgt. Emerson Bush and Dr. Donald Brown worked on the mother and son for two hours with an inhalator but were unable to revive them.

Dr. Brown pronounced them dead and county medical examiner (coroner) Martland was notified. He pronounced the case suicide-homicide and the bodies were removed to a Newark morgue.

It is understood the Martins moved here a year ago from Pennsylvania. Martin Sr. is a defense worker.

## Wright Convicted In Drunk Driving, Divins Acquitted

Car Owner Was "Too Drunk" To Give His Permission; Schaeffer Files Appeal

James P. Wright of 6 Division avenue was found guilty in police court Friday morning on charges of drunken driving and was fined \$200 plus \$25 costs and denied driving privileges for a period of two years.

Immediately afterward in a trial which was a record for brevity Donald L. Divins of Nutley was acquitted of charges of permitting Wright to drive the car. Prosecution and defense alike admitted that Divins was too drunk at the time to give consent.

The defense tried to make capital of the fact that Police Sgt. J. J. Flynn, one of the state's star witnesses, had been in Wright's apartment several weeks before and allegedly threatened the defendant: "If I ever catch up to you, I'll let you have it."

Flynn admitted the visit but claimed that he made it only because he was detailed after a telephone complaint to police headquarters about a disturbance. He denied the threat.

Flynn testified that, when he talked to Wright New Year's day, the man was drunk and was taken to headquarters in a police car. Patrolman Gross, who made a preliminary examination at headquarters, also testified in the same way.

Chief defense brought out by Wright's attorney, Max Schwartz, was fatigue caused by ten hours' defense work December 31, followed by a "normal" New Year's eve and then only four hours' sleep.

Wright Builds Alibi Later on January 1, he and Divins visited a Newark tavern and some relatives in that city. Wright himself built up Divins' alibi by revealing a Divins' statement that he "was feeling his drinks."

Wright averred his only reason for driving the car (he had let his own operator's license lapse) was to get his friend home. Wright was also found guilty of the second charge of driving without a license and fined \$15 plus \$3 costs.

Divins, who was represented by attorney Thomas Brunetto of Hackensack, was not called upon to make any defense when his case was heard. It was obvious from the opening remarks that

## Mayor Will Have Control Of Town Planning Board

Ordinance To Be Introduced By Waters Next Tuesday Follows State Laws

An ordinance authorizing the establishment of a town planning commission, with full control vested in the hands of the mayor, will be introduced Tuesday night at the commission meeting by Public Works Director Waters.

The proposed addition to the town's lawbooks would create a nine-man board, eight members of which would be appointed by the mayor, the other by the commission at large.

Waters pointed out that the method of appointment is governed by state law. He declared himself convinced of the necessity of such a commission here and therefore had requested Town Attorney Keenan to draw up the bill in accordance with state regulations.

The purpose of the board would be to "make and adopt a master plan for the physical development of the municipality" for many years to come.

The mayor would be an ex-officio member, would name another municipal official and six citizens. Another "member of the governing body" of the town would be selected by the commissioners.

All members would serve without compensation. The terms of the citizen members would be six years, those of the other members would depend on their political terms.

Can Employ Experts The planning board would elect its own chairman and would create and fill any other offices that were necessary. It would also have the power to employ experts and a staff and to pay for such services and any other expenses — depending on the amount of the appropriation which would give it life.

Another sector of the picture is presented by a citizens' advisory board of an undetermined size to represent civic and other organizations. It would collaborate in the studies of the planning board. It also will be appointed by and at the discretion of the mayor.

The board would be given the authority to "adopt regulations governing the subdivision of land within its jurisdiction, to approve plats showing new streets or highways, to fix and determine the size of lots and to establish building lines except where same have been already established by zoning ordinance."

Belleville was credited with bond sales amounting to \$709,969 up to midnight January 31, according to an announcement made yesterday by Philip Dettelbach, chairman of the Fourth War Loan. The sales represent a face valuation of \$836,625.

Of the total face value, \$200,000 was purchased by Wallace and Tiernan company, \$50,000 each by Jergens company and Thomas A. Edison company. Large industrial sales are expected in the final two weeks of the drive.

Air raid wardens, who are making the house-to-house canvass for the campaign, have made returns of more than \$57,000 but predict that their sales will be much greater.

Jack Steinhauer and Edward J. Abramson, co-chairmen in the Progress club, announced that members have bought \$33,000 worth of bonds to date and predicted attainment of their goal of \$50,000. The figures do not include purchases by members through other agencies.

Alberta Brabban, eighth-grade pupil in Joram street school, led the school last week by turning in \$2,875.50 in one day. She is the daughter of Mr. and Mrs. Harry Brabban of 254 Union avenue. Her class, taught by Miss Lena Dunlap, returned \$4,634.43 that day.

## CD Committee Studies Proposal For Part-Time Coordinator

The first step in the demilitarization of Belleville began this week when Recorder Smith, chairman of the defense council, announced that he had appointed a committee of three to review the local picture and report Monday night on the advisability of putting the defense coordinator on a part-time basis.

In making the announcement, revealed to The Times through Coordinator Brunner himself, Smith said the move is part of a plan to cut defense council expenditures as far as possible.

Brunner declared himself in favor of the move since much of the work of local defense is now organized and running smoothly. Smith attributed the proposal to the efficiency of the defense personnel and the corresponding curtailment of activities and expenditures.

Appointed to the committee are Rev. Joseph M. Kelly, pastor of St. Peter's Catholic church, Theodore Sandford and Philip Dettelbach. All are members of the defense council.

Brunner was appointed to the coordinating post September 1 to succeed Harry J. Sullivan who had resigned to become deputy area director for the state defense council. Sullivan had been appointed a year before.

Brunner said that most of the duties which have devolved on him recently have been purely routine and can be cared for on a volunteer basis. His \$3,000 salary will be halved if the committee reports as expected.

## NATIONAL GRAIN CO. WILL NOT PROTEST

Has No Plans For Contest Of Control Ordinance For Second River

No representative of National Grain Yeast corporation will be present Tuesday night to protest passage of the ordinance which would take over part of its land for the construction of flood control walls along the Second River.

This was the statement yesterday of Harold Goldman, the firm's treasurer and attorney. He declared the company's present opinion, however, is the same as on previous occasions when it opposed similar proposals. The corporation's stand is adherence to the "master plan" drawn up by County Engineer Stickle calling for complete walling of the river between Bloomfield and the Passaic River.

He said that the company expected some assurance from the commissioners that completion of the master plan would be put into effect as an immediate post-war project.

The company "intends to cooperate" with the local governing body and will not oppose final passage of the ordinance, which appropriates \$15,000 for immediate construction of the walls from the Bloomfield line to a point 15 feet inside National's property.

The appropriation includes funds for purchase of necessary property or in event of failure to purchase, to defray condemnation proceedings.

It has been the company's contention in previous discussions that the walling of the river to the west line of the property would increase the flood danger on the firm's land.

National Grain Yeast officials have held out for construction of the entire wall at one time. They have pointed out that the entire master plan has been completed except for the Belleville portion.

## SCHOOL ELECTION NEXT TUESDAY

Vote On \$485,000 Taxes And Property Purchase Small Turnout Seen

Belleville's registered voters will go to the polls Tuesday to express their opinions on the school system's operating budget for 1944-5. The usual small turnout is expected.

The voting will take place in the high school and the polls will be open from 5 to 9. Any registered voter is eligible to cast his ballot for or against the budget of \$485,438 which is the amount to be raised by local taxation.

Included in the figure are \$25,000 for repairs and replacements and \$12,167 for manual training. The balance includes a \$30,000 item earmarked for teachers' raises.

Also scheduled for trial is the proposal to purchase the vacant lot on the southern side of the high school. If approved, the tract will be converted to a gymnastic field for the use of the school students.

It is not expected that Tuesday's vote will be any larger than the customary sixty or seventy, mostly school teachers. Ten years ago the budget passed by a 127-6 count, but there has not been that large a crowd since.

A special election was held in the late fall of 1936 to vote on the proposed addition to the high school and at that time more than 500 voters cast ballots.

Definitely unexpected is rejection of the budget, an event which has never occurred in Belleville, at least within the memories of interested old-timers.

Tuesday's election will be under the direction of Rev. Peter R. Deckenbach with Mrs. William Zahn as secretary of the committee. The tellers will be Mrs. John Denike and Walter G. Price.

## Tin Salvage Collections Down

Belleville's contributions to the scrap metal drive have been rising and falling nearly as rapidly as the thermometer during the past week, according to defense coordinator Brunner.

In can collections last week amounted to 3,100 pounds, nearly a ton under the previous week. In making the announcement, Brunner again appealed to the town's housewives to process (clean and flatten) all tin cans and get them to the schools every week.

Next Wednesday's paper salvage collection will be in Zone 2, he said, after revealing that last week's rounds in Zone 4 yielded 3,030 pounds.

## FATHERS GO TODAY FOR EXAMINATION

123 Pre-Pearl Harbor Dads Report To Army Doctors For Classification

A huge slice of Belleville's pre-Pearl Harbor fathers will report early this morning to Army doctors in Newark for their pre-induction physical examinations.

A total of 123 dads are included in the contingent of 195 which will take the first step toward a uniform or what will probably be the equivalent of permanent deferment in 4F.

Draft officials here yesterday emphasized that not all of those who qualify after the Army physicals will be called in the near future. They will form the first section of the manpower pool still available for military service.

Those who are rejected will not be called for further examination until the Army again lowers its medical standards.

The men who pass today's examination will then be subject to call at any time after 21 days that a quota is received from the military services.

No February quota has yet been received from the Army but the Navy has demanded 10 selectees who will report February 17 for duty with the Navy or the Marines. The names of this group will be released next week.

## DIAMONDS, WATCHES, JEWELRY

ELRY, at prices always in line with the quality of the merchandise offered, Victor Hart, Jeweler, 157 Washington Avenue, Belleville, N.J.

serious plight is not recognized, we suffer severe loss in morale and citizenship.

"The underlying fault is the federal government, in levying its taxes upon net income. But the federal government fails to recognize, except in a minor way, that real estate income, unlike other income, is ready to pay its share of governmental costs. This is because real property has been, and continues to be, the traditional source of local taxation.

"Moreover, members of this home communities carries a disproportionate share of local costs. If a man owns a house, he places a high tax on real estate through income taxes on the earnings of property. First the property is assessed locally, and its earnings are taxed federally. Clearly, that is double taxation.

"Today's tax laws differentiate between business real estate and personally-owned real estate. Rents received from business real estate are taxed after first deducting the expense, including interest, labor, depreciation taxes. If the property is the difference between the selling price and the cost, depreciation is taxed as a loss. When that principle to residential property, observe what happens. Provide for depreciation houses where they are used for income-producing purposes.

"If a man owns a house, we do not allow him similar treatment. Why, no one has ever heard of it.

"It is obviously unfair to grant depreciation on residential properties when used for income-producing purposes and to deny it when it is used for a home, a much higher purpose. Yet do exactly that. This is the anomaly which this bill seeks to correct.

"The total reduction in income to the federal government which would be affected by the proposed bill would be small, to the individual taxpayer would be of substantial magnitude. More than that, it would send some encouragement to home owners.

"We hear a great deal about the complexity of income tax laws. The method this House has seen income tax blank will increase that complexity. It takes a musical Houdini to figure out what the proposed amendment would be a small step toward straightening out the very least it would remove depreciation on property on a consistent basis in the United States homes. These people, major part of our towns and

## Bellevillites In Uniform

### Upped In Rank

Sgt. John Drentlau

Sgt. John P. Drentlau, son of Mr. and Mrs. Phillip Drentlau of 64 Bell street, was promoted from the grade of corporal in Nashville, Tenn. last week. Formerly stationed at Fort Jackson, S. C., he has been in the Army eleven months with an infantry division. He was with the International Musician Press of Newark in civilian life.

### Promoted

Jayne K. Horvath, Yeoman 3/c

Jayne King Horvath will report today to take up new duties in the naval Bureau of Ships in Washington following her graduation from Oklahoma A & M college at Stillwater where she was promoted to yeoman 3/c.

A 1940 graduate of the high school, she was employed with the National housing agency before entering the WAVES five months ago. She has spent the past week on leave with her parents, Mr. and Mrs. George L. Horvath of 257 DeWitt avenue.

Yeoman Horvath is engaged to Sgt. Donald Richards of 56 Division avenue who is with the Army air forces in Iceland.

The Air Medal was awarded in absentia Saturday to Tech. Sgt. Walter Paulsen of 202 Union avenue in a ceremony at Mitchell Field, L. I. His wife, Mrs. Margaret W. Paulsen, received the honor of her husband, who is a prisoner in Germany.

Paulsen was a radio operator and gunner on a Flying Fortress which was shot down last August. He was wounded but parachuted to safety. Hospitalized, he recovered and was transferred to a prison camp.

Robert Klein, son of Mr. and Mrs. Albert K. Klein of 152 Ralph street, has been sent to Ohio State university to study in the Army's specialized training program (ASTP).

1st Lt. and Mrs. Alfred L. Moniot visited with Lt. Moniot's parents, Mr. and Mrs. E. J. Moniot of 68 Bell street, last week en route to Tampa, Fla., where Lt. Moniot will be stationed as an instructor in the Army Air forces. He was formerly assigned to an anti-aircraft battery of the coast artillery.

Pvt. George N. Moniot is also visiting his parents and his wife at the Bell street address. He will report to Camp George Meade, Md., Saturday. He completed basic training at Fort Knox, Ky., before returning to Belleville and is now awaiting assignment to officer candidate school.

Also with her parents is the former Miss Marie Moniot, whose husband, Sgt. Henry N. Tiffany, is stationed with the military police at Fort Monmouth. He is at present on a government mission in Texas.

Staff Sgt. Hugh J. Bennett, Army air forces radio operator, returned to the Pacific coast last week after a ten day furlough at the home of his parents, Mr. and Mrs. Elias J. Bennett of 254 DeWitt avenue. A graduate of Belleville high school in 1939 he was with the Western Electric company in Kearny before entering service a year ago.

Pvt. John C. Worthington and his brother, Cpl. Parker Worthington, spent New Year's together in London. They are the sons of Mr. and Mrs. Mark Worthington, formerly of 177 Holmes street but now living in Hamburg. John was with Montgomery's Eighth Army all the way across Africa, up through Tunisia then to Sicily and Italy. Recently transferred to London, he met Parker there. Another brother William is with the Army in the South Pacific while a fourth brother is Dr. George P. Worthington of 41 Van Reyper place.

Robert S. Taylor, Radioman 2/c, left last week to rejoin his ship after spending a 10-day leave with his parents, Mr. and Mrs. Samuel Taylor of 209 Joram street. A veteran of six major engagements in the South Pacific, Taylor's biggest thrill was aiding in the rescue of survivors of the Helena, during the course of which his destroyer had to battle enemy planes and ships all the way. The crew received a presidential citation for their efforts. He graduated from the high school in 1939, once worked for Certain-Teed Products company in New York, has been in the Navy twenty months and overseas fourteen. He met a schoolboy chum at Pearl Harbor on his way back. He and Joseph A. Weiss Jr. of 15 Hornblower avenue went through boot and radio training together.

Sgt. Joseph S. Nowakowski has returned to the Army air base at Kearney, Neb., after enjoying a 15-day furlough as guest of his brother-in-law and sister, the Joseph F. Franks of 232 Mill street. An assistant crew chief, he has been in the Army more than three years and has been awarded the Good Conduct Medal. He was tendered a farewell party before leaving Belleville.

John J. Gibbons, 19, son of Mr. and Mrs. Daniel L. Gibbons of 10 Leslie terrace, is a Navy V-12 (college trainee scheduled for commission) at Holy Cross college, Mass. He attended St. Benedict's prep and Seton Hall college before entering the Navy nine months ago. In St. Benedict's he was president of the student council and a member of the national forensic league.

Pharmacist's Mate 3/c Robert J. Stoddart arrived here last week from the Naval hospital at Norfolk, Va., for ten days leave with his parents, Mr. and Mrs. James Stoddart of 16 Beech street. He entered the Navy a year ago and trained at Camp Perry, Va. In civilian life he was with the Prudential Insurance company in Newark.

SPAR Ensign Frances I. Gibson, daughter of Mr. and Mrs. John Gibson of 181 Overlook avenue, has been assigned to the Coast Guard captain of the port at Ft. Pierce, Fla., where she has been placed in command of a group of enlisted SPARs taking over duties as yeomen, storekeepers, teletype operators, ship's cooks and pharmacist's mates. Before her assignment in Ft. Pierce, Ensign Gibson served in Miami following her commissioning from the Coast Guard academy in New London, Conn. She was the first enlisted SPAR to arrive at the Coast Guard training station at Palm Beach and there qualified for officer's training.

Famed Don Richards is carrying on his basketball traditions, but now he is doing it for Uncle Sam. An air corps sergeant, he is playing with his outfit for the championship of Iceland. The winning team is reported in line for a trip to England. Richards, son of Mr. and Mrs. Howard J. Richards of 56 Division avenue, starred on the court at the high school and later with Murphy Varnish company of Newark. He was a member of the Fawcett Miners who copped the Newark church league title four years in a row.

### Officer Promoted

Lt. James D. Craven

The promotion of James D. Craven from the rank of second to first lieutenant was announced recently at a Flying Fortress station in England.

Lt. Craven, 23 years old, is the son of Mrs. James A. Craven of 298 Union avenue.

As co-pilot of a Fortress he has participated in 14 bomber combat missions over enemy occupied Europe and has been awarded the Air Medal with one Oak Leaf Cluster for "meritorious achievement" during these missions.

S/Sgt. Joseph M. Lukowiak, son of Mr. and Mrs. Edward Lukowiak of 29 Clinton street, was cited last week by his commanding officer for "exceptional accomplishments in the performance of his duty" while on maneuvers in the south. He supervised the laying of wire through adverse weather conditions. Wire was serviced and communications maintained due to the excellent handling of his men. "When Sgt. Lukowiak discovered other wires were being cut by exceptionally heavy traffic, under difficult conditions and cover of darkness, he strung overhead wires to insure maintenance of the line." He gained his experience through 14 years with the New Jersey Bell Telephone company. His wife is the former Miss Anne Bier of Hoboken.

Gerard Rhoades, storekeeper 3/c with the Sea-Bees, is spending this winter swimming at Waikiki. He has been stationed in Honolulu for the past four months. A former employee of the board of education, his wife and daughter are residing at 177 Holmes street.

Another ex-school employee is Cpl. Donald Martin, son of Mr. and Mrs. George D. Martin of 47 New street. He is with an anti-aircraft unit in Italy after having followed the itinerary from Africa through Sicily.

T/Sgt. Robert B. Hogan of 600 Washington avenue has been awarded the Army good conduct medal for meritorious performance of duties in the Mediterranean area according to an announcement last week at the headquarters of the Twelfth Air Force.

Mr. and Mrs. William Klein of Nutley have announced the engagement of their daughter, Miss Olive Klein, to Ray P. Henderson son of Mrs. Beatrice Henderson also of Nutley. The Kleins lived at 49 Valley street, this town, until last November.  
Miss Klein attended Belleville high school and is now with the Diamond Bonding corporation of North Arlington. Mr. Henderson attended Nutley high school and is with the United States Rubber company of Passaic. The couple plan a spring wedding.

**McCann-Bitz**  
Mrs. Mary T. Bitz of 27 Walnut street has announced the engagement of her daughter, Miss Shirlee Rose Bitz, to Lt. James P. McCann, son of Mr. and Mrs. Michael McCann of 136 Belleville avenue.  
Miss Bitz, who was graduated from Belleville high school, is with the Federal Telephone and Radio corporation in Clifton. Lt. McCann, a bombardier, is stationed with the Army air forces in England. He formerly served in the Pacific. He was graduated from St. Benedict's Preparatory school and attended Seton Hall college.

**German Refugee Will Address Fewsmith Women's Guild**  
The Women's Guild of Fewsmith Presbyterian Church will be addressed next Thursday afternoon after their regular business meeting by Mrs. Frank Koch of Livingston, a refugee from Germany.  
An extensive lecturer, she has chosen the topic "Toward a Better World." A question and answer period will follow.  
The guild's annual luncheon and card party, which will be open to the public, will take place in the Church recreation rooms on Wednesday afternoon, February 16. Luncheon will be served at 1.  
Mrs. William Eichorn, chief executive of the guild, is general chairman of the event and the sale of tickets is in charge of Mrs. Walter Babbitt.

**Graduate From Teachers' School**

Miss Kathleen Teague

Miss Kathleen Teague, daughter of Mr. and Mrs. Leverett G. Teague of 120 Rutgers street, and Miss Ruth Dettelbach, daughter of Mr. and Mrs. Philip Dettelbach of Hancox avenue, graduated last week from the Mills School for kindergarten and primary teachers in New York.  
Both women, who also received their bachelor of science degrees in education from Adelphi college, completed the four-year course in three and a half years.  
Miss Dettelbach was president of the junior class and a member of the student council. She has been on both the dean's and hon-

Miss Ruth Dettelbach

or lists for her entire course and graduated magna cum laude.  
Miss Teague was vice president of the junior class and treasurer of the seniors. She is a member of the Junior A Kemps and of the Junior Woman's club.  
Both are members of the Association for Children's Education and were on the staff of The Lnk, student yearbook. Locally, they are active in civilian defense as lieutenants in the Ambulance corps.  
Miss Dettelbach is a first grade teacher in New York's Walt Whitman school while Miss Teague has the kindergarten at Jefferson school in Lyndhurst.

**Bellevillites In Uniform**

Visiting Mr. and Mrs. George Morey of 103 Malone avenue this week are their son and son-in-law, both on surprise ten-day leaves.  
Lt. and Mrs. John L. Morey arrived Thursday from Selman field, Monroe, La. She is the former Miss Gertrude Godleski, daughter of Mr. and Mrs. Vincent Godleski of 31 Prospect place.  
Lt. Spencer S. Muller, son of Mr. and Mrs. Hendrick R. S. Muller of Lyndhurst, arrived Sunday to visit his wife, the former Miss Jeanne Morey. He is with the Air Transport Command at Presque Isle, Me.  
Pfc. and Mrs. Edward V. Boob are in Belleville on a brief furlough. She is the former Miss Evelyn Donnelly of 25 Division avenue and she has been with her husband, who is in a military police unit at Long Beach, Cal.

**On Furlough**

Salvatore Prezosi, Jr.

Home on furlough is Salvatore Prezosi Jr. of 41 Naples avenue. A '42 alumnus of the high school, he has completed boot training at Newport and has been promoted to seaman 2/c.

Little Marie Melchionne of 41 Little street, a seventh grade pupil in Ralph street school No. 9 reminds her cousin, Cpl. Frank Bernardo, of a wee French girl he met recently in North Africa.  
"I gave her a pack of gum and some life savers," he wrote Marie this week. "She thanked me and before I could ask her any questions she ran down the street with the candy clutched in her hand."  
"Can you imagine how it would be at home if you couldn't buy any candy, sodas, ice cream, a new dress or shoes or a new coat?"  
"That is one of the reasons we are fighting, so that people and little children will never be in want again, will never have to be afraid again, and people will be able to live free normal lives again."  
Pvt. William H. Naylor, son of Mr. and Mrs. Harry C. Naylor of 231 Jorammon street, will conclude a five-day furlough tomorrow when he returns to the University of Kentucky where he is in ASTP.  
Sarah Bederman, 20 of 612 Washington avenue has a real reason for joining the WAC. Her brother, Robert, a lieutenant in the air corps, is now a prisoner of war in Germany, and Sarah wants to serve in the WAC "to do my bit toward getting my brother home again."  
She left Newark yesterday with a group of 28 women from northern New Jersey to begin basic training at Fort Olgethorpe, Ga. Formerly employed as a typist for McKesson and Robbins in Newark, Miss Bederman graduated from George Washington high school in New York City. She is the daughter of Mr. and Mrs. Jacob Bederman of the Bronx.

**Belleville Youth At College**

Miss Lois Goldschmitt, Wilson college sophomore and daughter of Mr. and Mrs. Peter V. Goldschmitt of 228 Overlook avenue is helping to direct Wilson's Fourth War Loan drive.  
As a highlight Wilson's 400 students and 4500 alumnae are being asked to turn over a part of their bond purchases to the 70th Anniversary fund for the erection of a student-alumnae building at the end of the war.  
Completion of the \$250,000 fund, now less than \$52,000 from its goal, will aid the march toward victory and provide post-war employment.  
Theodore R. Lemanski of 210 Ralph street and Rudolph R. Zirm of 79 Beech street were among the 87 graduates who received degrees from Newark College of Engineering Friday evening.  
Zirm, who received his bachelor of science in electrical engineering, was active in the student branch of the American Institute of Electrical Engineers.  
Lemanski was a member of the student section of the American Chemical society and took a degree of B.S. in chemical engineering.

**Dutch Engineer To Address Grace Baptist Men's Club**

Alexter Braake, noted Dutch engineer, will speak Sunday evening at 8 to Grace Baptist church's Men's club on Holland and its fight for freedom in the past and in the present. Sound movies are also on the program, which is open to the public.  
Mr. Braake is a graduate of Delft university in the Netherlands and is now vice-president of the Netherlands Study Group. For many years he was in the Dutch East Indies.  
He is considered one of the leading engineers of the Billeton Tin corporation and has recently organized tin mining in Texas for the United States government.  
It is expected that a film entitled "The Dutch Tradition" will be shown. Should it be unavailable, "New Earth" will be exhibited. It is a picture story of the draining and reclamation of the Zuiderzee.  
In addition a movie short in technicolor entitled "High Stakes of the East" will be screened.

**Willing hands at work for war**

Charles E. Schleckser Jr., son of Mr. and Mrs. Schleckser of 33 Baldwin place, was one of twenty-six Bucknell university students, sixteen of them Navy and Marine trainees, to be initiated recently into Pi Mu Epsilon, national honorary mathematics fraternity.  
Enrolled at Bucknell as a trainee in the Navy V-12 unit stationed there, Schleckser is studying engineering. He had attended Bucknell two semesters as a civilian before being called for duty in the Navy.  
Bernard R. Lindenbaum of 436 Cortlandt street, a freshman in the college of arts and sciences at Cornell university, appears on the dean's honor list for the summer term, which closed the end of October.  
The list, consisting of the top 25 students in the freshman class, has just been announced. Lindenbaum maintained a term average of 88.30.

**Checking Accounts**  
  
**Cheaper, safer, quicker**  
Safer than carrying large sums of money. Quicker to write checks at your desk and drop them in the mail box, than to wear out tires — whether your own or those of a transportation company — and shoe leather, in paying bills.  
Besides, the checkbook offers you a record, and cancelled checks provide you with valid receipts.  
You can establish a checking account at no cost if the balances are adequate to compensate for the service or can have a no minimum balance checking account by paying \$2.00 for a book of 25 checks.

**School Board Commended**  
At the last regular meeting of  
our local board of education the  
salary schedule committee of the  
teachers' association appeared for  
two specific purposes.

To assist if necessary on  
board of education in the justifi-  
cation of our increased school  
budget with the general public.  
To commend our board of edu-  
cation on the increased school  
services provided for our school  
children and for their considera-  
tion for increases in increment  
and bonuses for teachers and  
other school employees.

We as teachers and your fel-  
low citizens, and those who are  
directly responsible for the ulti-  
mate development and happiness  
of your children make this sin-  
cere appeal to you to study the  
facts as we have presented them  
— then vote according to the di-  
lates of your conscience on this  
school budget.

If you will feel as much con-  
cerned about this matter as we  
teachers do during this period  
of emergency, then our school  
services will continue to improve  
and our board of education will  
be encouraged to continue the  
expansion of school services and  
the improvement of our person-  
nel for the benefit of our boys  
and girls — our future citizens.

**Zink Will Outline Program  
For Fourth War Loan  
Clean-Up By Scouts**

Scoutmaster of the three com-  
munities represented by the Robert  
Treat Council, Newark, Belleville  
and Irvington, have been sum-  
moned to a special meeting Tues-  
day evening in the board of edu-  
cation conference room at 31  
Green street, Newark. The board  
of education building is located  
directly behind the Newark City  
hall.

Council president Homer C.  
Zink will conduct the meeting at  
which a special program for the  
participation of Boy Scouts in  
the Fourth War Loan drive will  
be presented to the scoutmasters.  
The scout canvass, to be known  
as "the gleaners after the reap-  
ers" movement will take place  
here from February 9 to 14. De-  
tails of the drive will be explain-  
ed to the audience and specially  
prepared material will be put in  
the hands of the scoutmasters.

Secretary of the Treasury Mor-  
genhau has issued a call to  
scouts citing their cooperation in  
every patriotic activity and ask-  
ing them to exert every effort  
to make the Fourth War Loan  
drive a success. The call is  
Scout aid in the war loan  
drive was further solicited in an  
invitation by John H. Manning,  
New Jersey war finance chair-  
man; Philip Dettelbach, Be-  
leville chairman; William Cope  
who heads the Newark drive, and  
John Middleton of Irvington.  
They will be present at the meet-  
ing which will be opened at 8.  
The film, "Baptism of Fire,"  
will be shown.

Sunday services which have  
been arranged for council-  
wide attendance on February 13,  
will be held in St. Patrick's  
Cathedral, Newark, where Rev.  
Joseph M. Doyle of St. Thomas  
Church, Bloomfield will deliver  
the sermon; O Heb Shalom Syna-  
gogue where scouts will hear  
Chaplain Joseph Ginsberg of  
Camp Dix; and in Second Presby-  
terian Church where Chaplain  
John Hillman of the Army air  
forces will preach.

**Cubs In Handicraft Exhibit,  
Receive Nine New Members**

A competition of miniature air-  
fields and battlefields will feature  
tomorrow night's meeting of Cub  
Pack 350 at Fewsmithe church.  
Each of the eleven dens will sub-  
mit their models which will be  
judged by students at Casey  
Jones and by Edward Pearl, cub-  
bing commissioner.

Deeter Zeimerman will gradu-  
ate to scouts. New cubs to be  
accepted are Robert Bala, James  
Crewe, David Flaherty, Alfred  
Fox, Fred Gierhart, Robert  
Murphy, Donald McKinstry, Al-  
len Riggins Jr. and Lester King.  
The pack will observe scout  
week with a window display at  
six local stores. The cubs are  
also planning for a Valentine  
party next Friday at the church.

**Infantile Fund Drive Ends Here  
As Bettering Of Goal Is Seen**

Bellevillites will have a day or  
two longer to make their individ-  
ual contributions to the local in-  
fantile paralysis drive, chairman  
Fred B. Handlon and Mrs. Mae  
Mead announced yesterday.  
They revealed that the coin  
boxes which have been on mer-  
chants' counters for several weeks  
will be collected tomorrow or  
Saturday. When they are tabu-  
lated it is anticipated that the  
receipts will be far ahead of the  
1943 campaign.

"Many unexpected sources of  
contributions have developed,"  
Handlon said yesterday, indicat-  
ing that his quota has been nearly  
raised even before collection of  
the boxes.

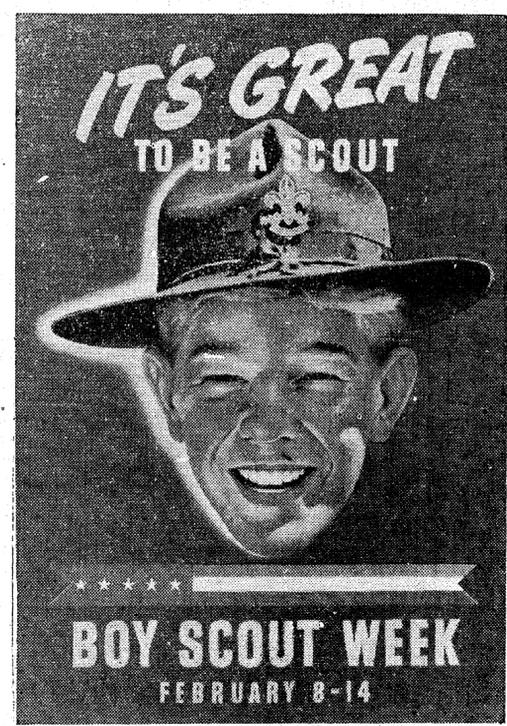

**Tonsils Can't Stop Rita**

When Rita Falonk, a tube mounter  
at RCA, learned that she needed to  
have her tonsils removed, she arranged  
to have the operation over the Christ-  
mas holiday week-end to avoid spoil-  
ing her excellent attendance record.  
She modestly admits, "You can call  
it 'patriotic' if you want to, but I  
just didn't want to take any time off  
when our work is so essential to the  
war effort."

Rita moved to 7 Atlantic Street,  
Newark, from Carbondale, Pennsylv-  
ania, a year ago in order to take a  
war job at RCA. While she was in  
Carbondale for her tonsillectomy, her  
talents about the important work she  
is now doing so interested her cousin  
that she came back to Newark with  
Rita and got a war job at RCA herself.  
More women and girls are needed  
to build vital radio tubes at the RCA  
plant in Harrison. Apply at the RCA  
employment office, Sussex and Fifth  
Streets, weekdays between 8 a.m.  
and 5 p.m.

**Boy Scouts Observe 34th Birthday**

BELLEVILLE SCOUTDOM will join with more than 1,600,000  
Boy Scouts, Cubs and their adult volunteer leaders in ob-  
servance of the founding of scouting in the United States.  
Since 1910, more than 11,400,000 American boys and men have  
agreed that — "It's Great to be a Scout!"

bombardier of the Army air forces  
who has since reported to the air  
base in S. Lake City, and the  
misses Iva Bruegman and  
Helen Papartis, sisters of the  
child's father and mother.

The baby was named Judith  
Wally Bruegman. She was born  
last June as her father left for  
war service duty. Also with the  
forces, he is radio operator with  
a bombardier squadron and has  
been in the Army nearly two  
years.

Cpl. Bruegman is the son of  
Mr. and Mrs. Alvin Bruegman.  
His wife is the former Miss  
Helen Papartis, daughter of Mr.  
and Mrs. John Papartis of 277  
Stephens street.

A high mass of thanksgiving  
was celebrated last week in St.  
Anthony's church by Rev. Titian  
P. Menegez for Mr. and Mrs.  
Frank Ditri of 148 Watessing  
avenue, Bloomfield, formerly of  
this town, who were married there  
25 years ago.

They have three children, one  
girl and two boys in service. Cpl.  
Anthony F. Ditri has been sta-  
tioned in Hawaii for two years  
and Pvt. Theodore Ditri is a Ran-  
ger with the Fifth Army in Italy.

Their daughter, Josephine, is  
employed at the Westinghouse  
company, Bloomfield. Mrs. Ditri  
is the former Miss Raffaella Ser-  
ritella, daughter of Mrs. Vitella  
Serritella and the late Theodore  
Serritella of 46 Magnolia street.

Goodwin Dunleavy of Smith  
street left this week to spend a  
vacation with his cousin in  
Palm Beach. He is employed  
with the county park commission.

Dr. Earl W. Seibert, former  
student counselor in the school  
system, left Belleville for his new  
post at Green Mountain junior  
college, Vt., with a round of  
parties in his honor.

He was tendered farewell din-  
ners by the Nova Rabbs of Bren-  
den street and the John S.  
Charltons of Bell street. His de-  
partment assistants presented him  
with a desk set on his departure.

Mrs. Carl Cufone entertained  
Thursday afternoon at her home,  
94 Harrison street, in honor of  
the first birthday of her daugh-  
ter, Carol Frances. Little guests  
were Jean Howes, Diane Bene-  
ziano, Ann and Francis DiGo-  
nanni, Ralph Palumbo, Daniel  
Schmitt, Mary Graham and Mary  
DiBiasi. Carol's father, Sgt.  
Carl Cufone, is stationed in  
England.

Mrs. Chester Cardiff of 121  
Tappan avenue will be hostess  
Tuesday evening to members of  
the Jessie E. Armstrong branch  
of the New Jersey State Sun-  
shine society. The meeting, a reg-  
ular monthly event, will be opened  
at 8.

**Enrollment Drops 19 Pct.  
In 1943; Local Troops Plan  
Anniversary Observance**

Inroads made by the call to  
arms was given as one of the  
chief factors in the drop of 19  
percent in the number of Boy  
Scouts in Belleville during 1943.  
The armed forces have taken  
scouts and scoutmasters alike dur-  
ing the past year.

The annual report of the Robert  
Treat council was issued last week  
as the scouts were preparing to  
celebrate their 34th anniversary  
for a week beginning Tuesday.

High point of the celebration  
will be three church services a  
week from Sunday. Parents and  
friends have been invited to the  
services at which the scouts will  
be present in uniform.

Rev. Marshall Whitehead of  
Grace Baptist church will preach  
at the Protestant service which  
will be held in Wesley Methodist  
church. The other Belleville minis-  
ters will participate in the pro-  
gram which was arranged by  
Scoutmaster Robert Bartholomew  
of troop 388.

Details of the Catholic and  
Jewish services have not yet been  
completed but it is expected that  
they will also prepare their pro-  
grams within the next week.

**Plan Special Events**  
Many of the scout troops are  
planning special events similar to  
troop 388 which will hold a  
demonstration of scouting phases  
at Christ Episcopal church Mon-  
day evening from 7:30 to 9:30.  
All troops are expected to create  
window displays in various parts  
of the town.

The Treat report revealed Bel-  
leville's registration as of December  
31 as 345; 229 boy scouts in nine  
troops, 94 cub scouts and 22 sea  
scouts, the latter with a single  
organization each.

The local district's record of  
advancement shows up well: Bel-  
leville boy scouts rank third in the  
council's seven districts in per-  
centage of first class scouts, and  
third in second classes.

Scout troops are sponsored by  
Wesley Methodist, Montgomery  
Presbyterian, Fewsmithe Presby-  
terian, St. Peter's Catholic,  
Grace Baptist, Christ Episcopal  
churches, the Progress club of  
Synagogue AAA, the Recreation  
House and by Wallace & Tiernan  
company.

The fire department sponsors

BELLBOYS SINK WEST ORANGE

Win Ninth Victory in Ten Starts; Kennedy Game's Top Scorer With 21

Belleville high school's fast moving combine ran its season record to nine victories in ten starts by winning a decisive 57-37 return engagement with West Orange Tuesday at the latter's court. The Bellboys, taking one more step to a successful season by downing a fighting Cowboy team, now possesses one of the best records in this section of New Jersey, with only East Orange, which has 8 wins and one loss able to boast of a comparable score for the season thus far.

Scoring in double figures in every quarter except the third, Belleville led all the way after a few minutes of the first period. Jim Byrnes sent the winners out in front with a charity shot for a 5-4 lead, a lead the Bellboys never relinquished. Belleville put the game on ice in the second quarter as the players muddled their lead to 8-15 at the intermission, making it possible for the Bellboy substitutes to come in.

Liberal substitutions by Coach "Jitty" Wishe kept the score down in the third period. The West Orange team only managed to put in 5 points in this quarter as Mike Bell led the second Bellboy team with eight points. Belleville added 18 points to its score in the last quarter. While the substitutes were playing again, West Orange rallied for an 18 point spree, but was not able to completely stop its opponents. The high scorer for both teams was Bob Kennedy with 21 points for his highest total of the season. Following him were Pasquariello with 18, and Bell with 8.

Table with columns: G. F. P., West Orange, Belleville. Rows: Pasquariello, Kennedy, Bell, etc.

Seidler First Soldier At Spence To Buy Fourth Loan Bonds

Cited last week in Spence field's weekly publication, The Takeoff, as the first soldier to purchase war bonds in the fourth war loan drive was Sgt. Benno Seidler, son of Mr. and Mrs. Herman Seidler of 47 Center street, who bought bonds in the amount of \$2,000.

A consistent bond buyer, Seidler was referred to by Frank J. McPadden, executive vice-president of the First National bank where the purchase was made, as one soldier "who evidently believes in what he is fighting for and is willing to back it with most of his personal resources."

Sgt. Seidler entered the army two years ago and has been stationed continuously with the maintenance department at Spence field, scene of advanced air cadet training. A builder and former employee of prominent constructors of bowling alleys, one of his first assignments at the field was to erect alleys.

An officers' club and a library have since been constructed under his direction. He was with Brunswick and Balk company and the American Bowling and Billiard corporation of New York previous to entering the army.

### JR. ACHIEVEMENT COMPANY FAILS IN ITS EFFORTS

#### Junior Enterprises Learn Most Young People Want To Go Out Of Town

Of the five Belleville Junior Achievement enterprises in operation at 562 Washington avenue, the first to profit by failure, and thus exemplify the keynote of the program, "we learn by doing," was Belleville Junior Enterprises.

This youthful concern, which broke on Wednesday nights had selected an amusement venture when Junior Achievement projects were launched here shortly before Christmas and planned to operate a "five joint" for weekly supervised dances.

They proposed to secure funds from a membership charge and the sale of candy and soft drinks. They sought a woman's organization in town to furnish suitable chaperonage and counted on the drug store and soda fountain habitues among their school friends to support the venture.

Their first setback came, according to Edgar S. Peierls who is chairman of the adult advisory committee of the young company, when they sought a suitable location.

The group decided to reconsider and analyze the marketability of their scheme. Officers and members met with their adult advisors, John Erickson, Harold Atton, James Tullio and Solomon Nagel of Viking Machine and Tool company and Bart Laboratories, joint sponsors.

On January 5, their first business session after the school holiday recess, members of the company stationed themselves in various confectionery and drug stores about town to interview the young people who dropped in during the evening.

#### Prefer Going Out

They summed up the results at their headquarters later that evening and had encountered only a dozen high school boys and girls out of the 200 they had expected to find free that evening to become interested in a new amusement center. Most of the young people interviewed indicated a preference for out-of-town movies.

Belleville Junior Enterprises had hoped to find Wednesday a free night for most young people here who are booked up early in the week for basketball practice and games and on Friday and Saturday evenings for dances sponsored by church and recreation groups.

Ensuing Wednesday evenings have been spent by the little company in launching the production of a magazine. Headers, terms and initial samples of a magazine rack have been constructed and the young people will go into production as soon as supplies can be secured.

Officers of Belleville Junior Enterprises are Jeanne Russell, Alfred Jennings, Nan Anderson, Ruth Albreton, Allen P. Bonhoff and Kenneth Maryott.

Four other companies which occupy the Washington avenue headquarters on the other evenings of the week are the Woodway Novelty company, Bell Chemical company, Belleville Junior Contractors and Heuser Woodcraft company.

### Gilmore Heads Syndicators, New Social Organization

The Syndicators, newly formed young people's club, started off with a patriotic gesture when they offered their services to attach bumper cards proclaiming the Fourth War Loan drive to parked cars. Last week the group of which Curtis Gilmore of 99 Ralph street is president, put 250 stickers on cars parked in zones one and four under the supervision of Ronald Brunner, assistant town chairman of the drive.

The Syndicators installed officers Friday evening, January 22 at the home of Miss Rucetta Ecton, 118 Cortlandt street. Besides Gilmore they are Donald Barker, vice-president; Miss Ecton, recording secretary; Miss Eleanor Lawrence, corresponding secretary and Miss Marietta Ecton, business manager.

The young people have chosen as a motto, "not finished, just begun," and will have as their moderator, Mrs. Birdie Jefferson of Cortlandt street.

Ages of members range from 13 to 16. Included are the Misses Christine Brown and Lorraine Dickinson and William Barnett, George Smallwood, Herbert Brown, Raymond Teemer.

### Spargo Talks On Elective School Board To Citizens' Group

School Superintendent John A. Spargo of Nutley will address the Belleville Citizens' Committee February 17 at the Recreation House on the subject of an elective board of education, president Harry F. Brumbach announced last night.

Meanwhile Roy Voss, Frank

Palmieri and Arthur C. Kunze, recently appointed by Brumbach, prepared to begin their physical inspection of the school buildings. They will be conducted by business manager Reel E. Daniels.

Spargo has been head of Nutley's schools for 10 years. He is thoroughly familiar with different methods of naming school boards and will speak through familiarity with the elective system.

Spargo agreed to discuss the subject only after it was stated that his appearance and remarks would not be construed as criticism of the local school.

### Browning Shows Economic Plan For Post-War Belleville

Now is the time to plan for post-war expansion and employment in manufacturing and business firms in Belleville, Robert T. Browning, chairman of the local Committee for Economic Development, told the Rotary club yesterday.

He showed a film which urged business, large and small, not to wait until V-day to plan its readjustment to meet post-war conditions. His committee intends to obtain an over-all picture of Belleville's needs and expectations.

Phases of the study will include present and past employment and plant expansion to meet new markets, new products employing new machinery and new types of labor. From these figures will come the estimates for the amount of labor needed.

Other members of the local committee include Edward Yerg, Harry G. Specht, Wilbur W. Brooks, Clarence Lommerlin and Kent Costikyan.

### ACCIDENT RECORD IMPROVED IN '43

#### Police Report Shows Low Mortality; Detective Force Sets Standard

One of the state's lowest rates of deaths from automobile accidents during 1943 is indicated in the annual report of Police Chief Spatz, due to be submitted to the commission Tuesday night.

Out of 153 auto accidents here, there were only four deaths, and 28 sufficiently injured to be taken to hospitals in the town ambulance. More serious were accidents in homes and at work, for which the ambulance was used 42 times. All told the ambulance made 495 trips.

Largest proportion of police work, as usual, came from thefts and robberies. Stolen articles during the year were valued at \$16,446, topped by automobiles which represented three quarters of the total.

There were 22 automobiles and trucks taken off owners' hands, of which 10 were recovered in the town, 10 located elsewhere and two are still among the missing. Sixteen cars stolen in other municipalities were recovered in Belleville.

The detective bureau under Chief Leighton set a high standard of efficiency by solving all but three of the 33 cases of breaking and entering. Twenty reported attempted breaks were all proved false. All 52 items of stolen property reported were recovered.

The two reported cases of holdups were cleared up in short

order when one was shown to have been false and the other to have occurred in Newark. The Bart Laboratories' \$3,000 payroll robbery did not occur until January and is therefore not included in the Spatz report.

Other interesting figures tabulated include: 530 Humane society calls; 45 people bitten by dogs; 42 missing persons, 41 returned; 178 prisoners booked; four suicide attempts, all balked. 1,190 escorts for payrolls; 1,227 other details for family or other disturbances or on complaints of children playing games in the streets.

### Fire Reserves Meet Saturday To Study Reorganization

The Fire Reserves will assemble at the Exempt Firemen's hall on Stephens street Saturday night for a social evening and get-together. While the evening will be devoted chiefly to entertainment it will have its practical side.

Deputy Chief Dunleavy, recently designated by Fire Chief Reid to direct the reserve, will outline further details of the reorganization program. This reorganization, while in effect only a scant few weeks already, has increased the efficiency of the reserve.

Officers and men of the paid department have been invited to attend as guests of the reserves and Lt. William Gilchrist, instructor of the fire reserves, is expected to be on hand to highlight the entertainment.

Raymond O'Brien is chairman of the committee arranging the affair. He is being assisted by Edward Van Houten, John Kay and Alfred Rhoads.

### Women Plan Party and Meeting In Clubhouse Next Week

The international relations department of the Belleville Women's club will meet this afternoon at 2 at the home of Mrs. Frederick Idenen of 37 Van Rensselaer street. Mrs. John F. O'Brien, chairman, will outline plans for a program which will be presented by the department at the club on February 14.

Members and friends of the club will be received Monday afternoon at 1:30 at the monthly card party by Mrs. Michael Volpe, Mrs. George W. Carter Jr., Mrs. W. Douglas Clark, Mrs. Bernard J. Deehan, Mrs. Henry S. Gassner Sr., Mrs. Stanley Gibson, Mrs. Norman D. Lauterette, Mrs. Chris Deveson, Mrs. John Staudart, Mrs. Howard Virtue and Mrs. William Pace.

Other games will be provided for non-bridge players and refreshments will be served. Tickets may be purchased at the door.

### No Indication Of Budget Change; Will Be Introduced Tuesday

With the deadline for introduction of the 1944 town budget only five days away, no indication of a change in the tax rate has been forthcoming from the revenue and finance office.

Mayor Williams this week characterized as "unfounded" and "unauthorized" press statements predicting a twenty-point upswing from the present \$4.40. He said that they had not emanated from his office.

Three conferences of the commissioners to date have developed several minor scuffles on certain figures, according to stories

repeating on the conference room via telephone line. A fourth conference planned for this weekend as a final session will be introduced and voted upon Tuesday night. Date for the public hearing has not been set.

### Must Answer Assault Charges Brought By Mother Of Seven

John Trabucco, 39, of 30 Salter place will appear before Recorder Smith tomorrow morning to answer charges of assault and battery growing out of a complaint registered Friday by his wife, Anna.

Friday's hearing was adjourned to permit Mrs. Trabucco's attorney to be present. The couple have seven children who are currently living with the wife. Mrs. Trabucco's complaint charges that the man, who lives upstairs in the same house with his father, beat, kicked and choked her Thursday and that she had to run into another room to escape him. They have been separated more than two months.

Judge Smith also continued probation for William Massey of 42 Schuyler street, whose wife charged him with non-support. Found guilty of a similar charge in November 1942, Massey was given a sixty-day suspended sentence and put on probation.

The Masseys now will work out a budget and his salary will be supervised by probation officer John Coyle. Most of the salary is expected to go to the wife and child.

# When you go home tonight... Think of a boy who never will

THINK OF HIM—and ask yourself this question: Which of you—this boy or yourself—could more truthfully have said today: "I'm sorry—I've done all I can"?

To that, there is only one answer. For no sacrifice any of us made this day can ever begin to measure up to his final and supreme sacrifice—his very life.

So, when we're asked to buy an extra \$100

War Bond this month—over and above what we'd been planning to buy—how can we find it in our hearts to say, "I'm sorry—I've done all I can."

Think it over—and help get this war over sooner by doing your share.

Buy an extra \$100 War Bond tomorrow! At least \$100. Better \$200, \$300, or even \$500. You can afford it.

### Scope Of Home Service Aid Seen In Chairman's Report

#### Mrs. Noll Reviews Efforts, Predicts Continued Growth Of New Department

The broad scope and continued growth of the home service department of the Belleville chapter of the Red Cross was indicated in the annual report of the group, released for publication yesterday by Mrs. Louis A. Noll, wife of the commissioner and chairman of the department.

Cases handled during the second half of 1943 nearly doubled from February to June. 1943 saw 369 calls on the services of home service from then to the end of the year there were 915 calls. The cases were handled by the Army with civilian help in most of them. Calls from the Navy included:

... thorough investigations, so-called "history reports," Army Emergency Relief investigations, investigations for release from active duty, claims for ex-servicemen, benefits for active servicemen, financial assistance for families, vocational rehabilitation planning, medical care and family counseling.

The home service department maintains a 24-hour service for handling any emergency which may arise in the home of a serviceman's family or where it is necessary to contact a serviceman at his station," Mrs. Noll's report declared.

#### Family Assistance

Since June 1, 274 communications from field directors requesting verification for need of soldiers' presence at home have been handled. Approximately 18 servicemen's families have been assisted financially. Information has been made available to the families of prisoners of war as to preparation of packages and assistance in forwarding communications.

Employment of a paid social worker to carry out the more technical phases of the work was voted by the executive committee on the recommendation of the home service committee consisting of Mrs. Noll, Rev. Dr. O. Bell Close, Rev. Titian Menegus and B. Thomas Aitken, president of the chapter.

During this year great progress in home service has been accomplished and this is recognized by the increasing awareness of the community to the various types of service which this department can render," the report continues.

Mrs. Noll paid high tribute to other volunteer workers in the department. Mrs. Arthur Ericson, Mrs. ...

#### Girl Scout Troop Ninteen Plans Parties, Hospital Assistance

Senior Girl Scout troop 19, under the leadership of Miss Edna ... Tuesday evening at ... headquarters in the ... church to plan a bowling party for the evening of February ... a Valentine party on February 15 and a possible program of hospital assistance work.

Troop 9, also under Miss Baum's direction, held an investiture service Tuesday evening. New members who received their pins were Joan Hopf, Patricia Readeth, ... Drumann, Carolyn Ryder and Thelma Silkie.

#### Commissioner King Re-elected DeWitt Savings President

Elected directors for three year terms at the annual meeting of shareholders of the DeWitt Savings and Loan association Monday evening at 280 Washington avenue were Rudolph H. Deetjen, William J. Fischer, Dr. George ... Charles M. Nutt, August ... Russell K. Rose and Harvey B. Thompson.

Immediately afterward the directors, in regular organization meeting, re-elected officials of the association who will hold office for one year.

Named were Joseph King president; Andrew W. Bray, executive vice-president; Walter Gilby, vice-president; Raymond B. Yerg, treasurer; Ruth L. Drentlau, assistant secretary-treasurer and Edward P. Cantwell, executive secretary.

Attorneys reappointed for a period of one year were Everett B. Smith, Lawrence E. Keenan and Harry Griffinger.

#### Wesley Plans 153d Anniversary Observance February 6

The 153rd birthday anniversary of Wesley Methodist church will be observed Sunday, February 6, with annual family Communion service. A preparatory membership class is now being formed.

A special committee has formed to plan ways to clear the church of its last financial obligation, the balance of the organ fund.

Membership includes Mrs. William Irvine, Mrs. R. C. Whitfield, Robert W. Brown, Burton Colebamer, Wilbur Weyant, Joseph Kirms, George Davies and James McDonnell.

Tickets are now on sale for the first event, sponsored the senior choir and Wesley men, which will be a concert at the church, February 4. Featured artists will be Olga Avramova, soprano; Constantine Collinos, Greek composer-pianist and Mary Elizabeth Jenkins, organist of Forest Hill Presbyterian Church.

#### Eugene A. Baenziger Completes Twenty-Five Years With W & T

Eugene A. Baenziger of 3 Union terrace was honored at a luncheon today to celebrate completion of 25 years of service with Wallace and Tiernan company.

Baenziger started with Wallace and Tiernan January 28, 1919, and since that time has been the mainstay of the drill press department. Any job calling for fine precision work is turned over to him.

The Diamond club, an organization of the W and T "old timers," presented him with a gift as a token of his long and faithful service.

#### Technical Work

"Although the home service department has been manned entirely by volunteers, much of the work has been highly technical. It has functioned to the satisfaction of the area office and there is every indication from the many letters of appreciation from the families... and from the servicemen themselves that their needs and those of the community are being adequately handled and all reasonable requests fulfilled.

"It is expected with the hiring of a full-time paid worker that the community can be assured of continued effective service and technical resources to meet the ever-increasing needs of the servicemen and their families."

#### Thanks From All Over World Reach Local Wire Weavers

Current acknowledgments from servicemen have indicated to the American Wire Weavers Protective association, with local headquarters at 103 Overlook avenue that their donations of cigarettes through the American Federation of Labor United Nations relief have struck home in a few cases and have reached Belleville men.

The local union, which was established in 1890, has a membership of 60 wire weavers. Edward J. Powers of 186 Joram street is president.

The men make regular contributions to the cigarette fund, a continuous service to men in the armed forces, and the packs are identified by a small card naming the local protective association as donor. Space is provided on the back of the card for acknowledgment.

In this way the association has heard from Kenneth Place of 146 Shephens street, now in a Ranger battalion, and Robert Ashworth of 163 Academy street, stationed in England. Ashworth, who received the cigarettes on a shipboard, was particularly struck by the gift since his father, a wire weaver, was employed by Eastwood-Nealey corporation here for forty years.

A third recipient was Pvt. Delbert McBride of Lyndhurst, who worked here as a wire drawer before entering service. He is in North Africa.

One of the allotments from the local union went to patients aboard ship returning from foreign fronts and was enthusiastically commended by Navy chaplain, Lt. James M. Caylor.

In mid-January acknowledgment was received from the Army service forces at a California port of embarkation of 220,000 cigarettes from the Belleville wire weavers.

WALLACE-TIERNAN HITS AIR WAVES

Night Shift Bond Rally Broadcast Over Nation And Overseas

The first coast-to-coast and shorewave radio broadcast ever to emanate from Belleville was put on the air waves last fortnight when Wallace and Tiernan company's midnight war bond rally started off the Fourth War Loan for the night shift.

The rally, which featured the music of Denny Beckner and his mad-cap merrymakers from New York's Park Central hotel went out over the Mutual and was shortwaved to Army and Navy stations all over the world.

Opening the program was Elwood P. Russell of 253 Greylock parkway, W & T publicity director and co-chairman of the bond drive.

He introduced Mrs. Ernest C. Slater of 34 Overlook avenue, wife of the police sergeant, who has two sons in service. She works as an inspector on the night shift and has purchased thirty bonds in the past 27 weeks. "Every woman who possibly can should take a war job to bring the boys home," was the gist of her message. She was seconded by Emery Thomas, New Jersey's professional golf champion and pro at Forest Hill field club, also a night inspector.

William J. Orchard, W & T's general manager, sent a greeting to the 440 Watcomen in service and gave his audience specific reasons for purchasing war bonds.

Frank Dailey of Meadowbrook, Pompton turnpike and Terrace room fame and brother of John P. Dailey, W & T's personnel manager, arranged the show. Transportation was furnished by the motor corps of the local chapter of the Red Cross.

Tiernan Renamed BMA Head; Gray Is New Trustee

As he has been on 12 previous occasions, Martin F. Tiernan, head of Wallace and Tiernan company, was reelected president of the Belleville Manufacturers' association at its annual meeting last week in its offices at 1 Main street.

Also renamed were vice president H. Willard Sawyer of Thomson Machine company, treasurer Frank Chambers of National Grain Yeast company, secretary Edward H. Yorg of Yorg Printing company and executive secretary John P. Dailey of Wallace and Tiernan.

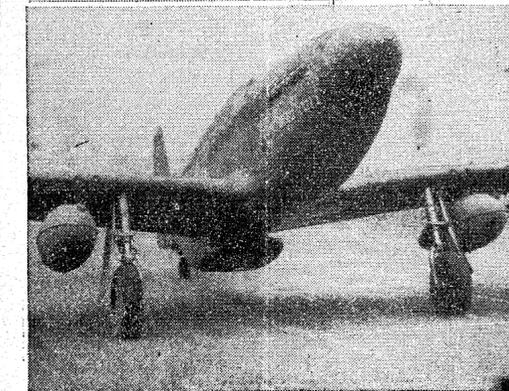

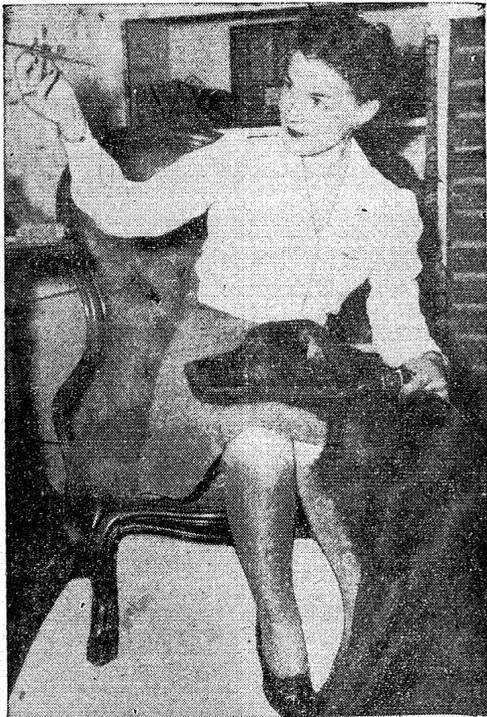

Col. Robert L. Gray, vice president of Hoyer Products company, was added to the board of trustees, the remaining members of which continue unchanged: Harry G. Specht of Eastwood-Nealey corporation, Philip Detlebach of L. Sonneborne sons, Clarence Lommerin of Viking Tool and Richard Carson of Carson-Newton company.

Walter Kilde Glee Club Appears In Lincoln Day Bond Rally

The glee club of Walter Kilde company will participate in the huge war bond concert at the Mesquite theatre a week from Sunday. It will form the nucleus of the 400-voice chorus taking part in the program which is designed to further the Fourth War Loan.

The organization was inspired and founded two years ago through the keen interest in music of the late Walter Kilde, himself an accomplished pianist. The club is composed of about

sixty members, among whom are several church soloists, operatic and concert singers. It is under the direction of Frank Scherer, director of the Montclair Opera club and choirmaster of St. Luke's church in the same town. The chorus, which will be directed by High Ross, will form one section of the program, which will also include observance of Lincoln's birthday.

Rutgers Offers Largest Series Of Wartime Courses

Rutgers University announced today the largest winter offering of tuition-free evening engineering war courses since the inauguration of its engineering, science and management war training program in 1941.

Seventeen different courses are included in the new schedule. The subjects cover a wide range of college technical instruction required by war workers for replacements or upgrading in drafting, electricity, engineering, plastics or radio jobs.

All the courses are to be offered by Rutgers under the auspices of the U. S. Office of Education in each of the following centers: Bayonne, Dover, Elizabeth, Harrison, New Brunswick, Paterson, Teaneck, Trenton and West New York.

Qualifications for admission vary with each course but all applicants must be at least a high school graduate and employed in war work. Representatives of the Rutgers War Training staff will be present on registration nights at each center to discuss course qualifications and descriptions.

Registrations will be held tomorrow night from 7 to 9 in West New York; February 7 in Trenton and February 8 in Bayonne.

Edna Baun Named President Of Girl Scout Leaders

Election of officers at a meeting of Girl Scout leaders last-fortnight at the home of Mrs. Morris Bennett of 33 Crescent terrace, resulted in the choice of Miss Edna Baun, leader of troops 9 and 19, as president of the leaders' association; Mrs. Bennett, who directs troop 2, vice-president and Mrs. John Price of troop 13, secretary-treasurer.

A decision was reached to put window displays at Girl Scout headquarters, 400 Washington avenue, in charge of a different troop each month.

Decorations there for the month of February will be arranged by Browne troops under the leadership of Mrs. John Staudt and Mrs. Robert O'Brien.

Plans were also discussed to encourage every Girl Scout to be in uniform at the spring rally. Mrs. Bennett arranged the current collection for the March of Dimes by scouts at the Capitol theatre.

Leaders present besides the officers were Mrs. Frank Chambers, Mrs. Vivien Card, Mrs. Staudt and Mrs. O'Brien.

A second meeting will be held Wednesday evening, February 16, at Miss Baun's residence, 61 Ralph street, when a general discussion of present management of troop 2; Mrs. C. L. Cox, troop 13; and exchange of ideas between leaders will be the top

Prohibition May Be Coming Back

Despite inclinations in most sectors to be indulgent at the latest efforts of the bone-dry elements to foist national prohibition on the country again, some commentators observe that the possibility of its passing Congress is not remote. While they believe that Congress is at present unlikely to saddle the American people with one more headache and gripe, they do not consider it outside the realm of possibility that compromise may be reached under which the country may be forced into temporary prohibition, designed to be lifted after the hostilities of the war have been fired. Representative Bryson has not withdrawn his proposal which Congress rejected it; the vote in the future. Even if it is killed in the Senate or on the floor, there is little doubt to believe that the foes of John Prohibition will rest in their defeat. Even the issue was deadlier than last year's when the Senate rejected the measure. The newspaper offices have, all during the decade of repeal, been flooded with literature and pleas to the editor to print it. Americans from the early days of Andy Warhol looked on prohibition as a trespass

on their rights as individuals. Those who wanted a drink never considered the law — they went out and got it. Never in the history of the nation were so many common people habitually breaking the law of the land. Never were there such daily pictures of crime and murder as during the era of the bootleggers. The champions of prohibition might well look on the havoc they wrought on the nation and be proud. Yet that is the sort of thing they now want to bring back upon us. Once again the main part of the agitation is carried on while hundreds of thousands of our young men are out of the country fighting their battles. It is up to those of us who are at home to put an end to the powerful lobbies and tell them in no uncertain terms that further invasion of the rights of citizens is not to be brooked.

Nothing in the intrinsic nature of Americans has changed in the last few years which would warrant further consideration of the proposals. The states took much less time to repeal than they did to pass the Eighteenth Amendment. The will of the vast majority of the nation is that it wants no more of such meddling and it is up to our congressmen to tell that to their agitators.

North Belleville Savings & Loan To Buy \$10,000 War Bonds

The North Belleville savings and loan association announced this week that its board of directors had authorized the purchase of \$10,000 in war bonds during the fourth War Loan drive. President H. Willard Sawyer in making the announcement stated that this purchase will increase the association's government bond holdings to a total of \$57,000.

He pointed out that New Jersey savings and loan associations owned upwards of \$20,000,000 at the end of 1943 and expect to purchase another \$13,000,000 of government securities during the current year.

Income Tax Experts Will Help Taxpayers At Town Banks

Added Belleville taxpayers will receive some relief during February when income tax assistants will be present for several consecutive days in each of the local Deputy collector of internal banks to aid in the preparation of returns. revenue Frank Rowe will be stationed in the First National bank from February 7 to 11, according to Frank J. McFadden, executive vice-president of that institution. The presence of Rowe, also in the Peoples National Bank and Trust company from February 14 to 18 inclusive was announced by D. Thomas Aitken, president of the bank. The services will be free.

Aitken pointed out that the big question mark occasioned by returns on certain 1942 tax payments and overpayments and underpayments on 1943 have created a situation which leaves many taxpayers to answer: "Who owes whom?"

Boy Scouts Offer Valuable Training

We rarely prize such things as schools, library books, running water and electricity. They are part of our daily lives and we accept them automatically, as we do fresh air and sunshine. But when the anniversary of their invention or dedication comes around, we wonder who could do without them? Next week is Boy Scout week, the 34th anniversary of the scouts of America. It makes us realize that scouting too is one of those good things we sometimes take for granted. Yet, through two world wars and world-wide depression, this organization has never once relaxed its efforts. It has helped make millions of boys into better, happier Americans. You can't be a boy in Axis country or in one dominated by Axis and have the right to be a scout; many former scouts in United Nations fighting forces are now defending their country on the battlefield.

Every boy in America has the right to be a scout, but not all of them enjoy the opportunity. There are not enough troops and not enough adult leaders to give all the boys a chance to join. The best way for a community to show its appreciation to scouting is to see that no boy who wants to go without Boy Scout training

and adventure. The investment will be handsomely repaid. Every new Scout is an added recruit for local war services and a fine citizen-in-the-making.

Will it be possible, after this war ends, to create a world brotherhood among men, dedicated to peace, without sacrificing love of one's own country? Everyone acquainted with scouting knows that the answer is yes. The Boy Scout organization is almost worldwide. Patriotism and friendliness and respect for other men's religious beliefs, all are part of the scout oath and law. The world jamborees of scouting were international gatherings which might well set a pattern for statesmen to follow.

Not everybody likes world brotherhood. Adolf Hitler, on coming to power, abolished scouting in every occupied country; yet it continues underground. Someday, along with free speech, a free press and untrammelled religion, it will emerge from hiding. It takes better boys to build a better world tomorrow. The success of the scout movement, in America and in other United Nations, proves that the principles of scouting will triumph in the end. Scouting will continue to further participating citizenship and a world brotherhood in the years following the war.

## While your \$100 nestled in the bank

**THE TIME:** November, 1943.

**THE PLACE:** Betio, just one of twenty-five outcroppings that comprise Tarawa atoll of the Gilbert Islands.

**SCENE I:** Early morning of November 19th.

In the most concentrated naval gunfire in history, 800 tons of bombs are dropped by American carrier planes and 2000 tons of shells are hurled by battleships, cruisers, and destroyers.

But all of that is not enough.

**SCENE II:** The next day.

The table reef prevents the Marines from landing in their Higgins boats and many have to debark 800 yards from the beach and wade in against heavy fire.

Squads of them are blown back into the water in bloody, unidentifiable masses. Many more are hung in death on the barbed-wire barricades in the shallow waters that lap over the treacherous reef.

Now come the Jap pillboxes—some 500 of them—made of coconut logs or concrete or steel. So ingeniously staged are these

pillboxes that when a forward one is destroyed, the Marines moving into the cleared area are mowed down by fire from two inner pillboxes.

And finally, the inevitable snipers in the palm trees—unseen, unpredictable, accurate.

**SCENE III:** Evening of the third day.

Betio has been taken by the United Nations!

But that little strip of white coral, less than one square mile in area, cost us the fiercest, bloodiest, most ruthless battle in all American history. 1092 Marines paid with their lives. And the best part of 2680 will never again be whole, free-moving men.

Officers who know warn us that Betio was only the *beginning* of the real war in the Pacific.

Is that \$100 of yours still nestling? It's needed—now. It's needed to help put over the Fourth War Loan, to keep backing the attack! At least \$100 extra, over and above your regular bond-buying. Better \$200, \$300, \$500. Today!

## Noon Time Non-Cooperation

Do we students appreciate our noontime dancing? This privilege is just what we wanted and has turned out to be one of our most popular activities. But—like all good things; there is always a "bad" in it, just a few, ill-mannered, inconsiderable pupils who jeopardize the dancing. And these students can be the cause of the end to one of the best subjects our school ever had.

Those few students can't be satisfied with one period dancing—but must take two. Yes, we know who they are. They're not pulling the wool over our eyes. Some few stand around the room merely talking. And they say "gossip! These boys had better dance or simply have talks elsewhere."

This year has seen the beginning of new and wonderful privileges. A school paper, noon-dancing, and student participation. It is up to the students to make these projects successful. This is the situation; the rest is up to you.

## PROGRAM GROUP PLANS FUTURE ASSEMBLIES

Committee Has Presented Varied Programs; Seeks Student Participation

One of the outstanding activities carried on in the high school this year has been the work of the School Assembly committee, created for the general development and organization of school assembly activities.

Programs already presented or scheduled for the near future are planned to secure the participation and contributions of as many pupils and departments as possible with definite entertainment, educational, cultural and inspirational values emphasized.

## TESTS ANNOUNCED BY ARMY, NAVY

ASTP and Navy V-12 Plan Qualifying Exams. Boys To Sign Up Tomorrow

It has been announced by the War and Navy Departments that the third in a series of qualifying tests for the Army Specialized Training program and Navy College Program V-12 will be given to eligible applicants on March 15, 1944 at 9 a.m. Eligible students are requested to sign up with their homeroom teachers by tomorrow.

Belleville High school boys interested should see Miss Elsie Sanford, room 302, or Burt Johnson for further information about qualifications. This test will be administered only to boys who will be 17 to 21 years old inclusive on July 1, 1944, and who will be graduated from high school by July 1, 1944.

The first two tests in the series were given to almost 400,000 high school and college students in all parts of the country. Many of these students are now, or will be soon, in college on one of these programs.

Boys who took the test on April 2 or November 9, 1943 may take it again if they are still eligible.

## Varsity Cagers Win Faculty Loses 57-41

Wische Tops Teachers 22 Points; Pasquariello Gets 21 for Varsity

Before a packed gym of 800 spectators, with hundreds turned away, the faculty and varsity games on Friday night provided the fans with enough laughs and excitement to last them for many a day to come.

The Faculty, playing against a crack, sharp-shooting Old-Timers Alumni five, went down to defeat by a 57-41 score, but put up a desperate fight throughout the game. The high scorer of the evening for both teams was the spark of the teachers' quintet, Coach Herman "Jitty" Wische, who came through with 22 points to uphold his reputation with the varsity players. Runner-up was Dolly Phobert, of the Alumni with 18 points.

The teachers were in good form and looked as if they knew something about basketball but the Alumni, after oiling up their tired bones, clicked for double figures in each quarter. Jitty Wische sank the first basket for the Faculty and the fleet forward Nova Babb contributed the only other two points for the teachers in the opening quarter.

## Alumni Draw Blood

The highlight of the game really came in the second quarter when Irwin Tschubel, Faculty guard, made two points on a tricky lay-up shot. Also in that quarter the crowd continually yelled "We want Robinson" who came in with a few minutes for the half only to go out with a bloody nose.

Bill Chapman, football and jayvee basketball coach, came through in the third quarter for four points on set shots. Babb had six, Wische three and Sam Blair one. In the last quarter Wische went on a spree for nine points to start a belated rally the tired Alumni.

## Varsity Opens Fast

The Varsity gave a very impressive performance with a 58-29 victory over another alumni team. Vic Pasquariello was the game's high scorer with 21 points, 14 of them coming in the first quarter when Belleville ran up a 19-2 lead.

The sub-varsity played the second quarter in which Frank Vetter scored the first point of his varsity career. With the varsity coming back in a desk; or Belleville's lead mushroomed to 48-16. In this quarter the team was led by Bob Kennedy with eight points. The story was much the same in the last quarter.

Belleville, up to this game had put together a record of eight victories against one defeat. Among local teams, only East Orange, loser to Weequahic in a close game Friday night had an equal record.

## Bandettes Will Provide Music For Tuesday Noon Dancing

It has been announced that the Bandettes, BHS dance orchestra, will beat it out second lunch period every Tuesday beginning next week. Members who will play for the "Jam Session" are Bill Mackey, Peter Caruso, Mary Haberle on sax; Ed Epling, Allan Rohoff, James Devaney on trumpets; John Gilbert and Warren Robson on trombone.

The piano, bass and drums are provided by Doris Kessel, Helen Koehne and George Hancox. The Bandettes are planning to play at a dance next month given in cooperation with the Schools at War Program. They also intend to provide music at some of the draft assemblies.

## Junior Varsity and Freshman Teams Show Future Promise

Tutored by Coach Bill Chapman, a J. V. team mostly composed of Sophomores is learning the tricks of the trade. From the smallest to the tallest the boys can really handle a ball. One of the leading scorers is Frank Takash, a very promising forward. Other members of the squad are guards Bill Lentz, Owen McMahon, Fred Jackson, Don Ross, Al Smith and Bill Gross. Centers are Fred Jackson and Ziggy Sears, and forwards are Bucky McConnell, Al Ferrara, Al Peccellia, George Kleinknecht, Steve Smallidge and Bob Miller. The jayvee's record this season is 4 wins and 4 losses and for a .500 average.

The Freshmen have a team this season for the first time in two years. Coached by Nova Babb, the Frosh have won 5 out of 8 games already played on a fairly large schedule.

The team is especially pleasing to varsity coach Herman Wische, because there is much promise for the future years shown in their play.

## Pasquariello Leads Bellboy Scorers With 132 Points

Leading the department of point-scoring for the Bellboy basketball combination is captain Vic Pasquariello. All data in this article is up to the West Orange game but not including it. The Alumni game is accounted for.

Pasquariello, the flashy forward has scored 132 points out of a team total of 370 for an average of 14.6 markers per game to put him well up among high scorers of other schools.

Vic started his basketball career in his freshman year and played Jayvee and varsity ball in his Sophomore year. He has practically led his team to most of its eight victories.

Pasquariello's right arm, however, is another speedy forward, Jim Byrnes. Byrnes has an average of 7.8 points per game and for his first year on the varsity team, this is going some. Byrnes and Pasquariello work together on the fast break to rack up points for the Bellboy five.

Runner up to these players is the surprise of the season, Bob "Legs" Kennedy, who has an average of 6.6 points per game. Responsible for the averages of each of these players are John De Munter and Ben Meschio, who take shots off the backboard and feed the ball to the players on the fast aggressive break.

Belleville so far as a team has an average of 41.1 points a game and has allowed its opponents to score 29.8 points per game.

## Junior Dance Tomorrow Night

Tomorrow night the Junior class will present a dance in the boys' gym. Music will be supplied by Dan Milo and his orchestra, and an evening of pleasing harmony seems to be in store for those in attendance. The dance will begin at 8:30 and terminate at 11:30.

If you have not yet purchased your tickets, Junior senators will be more than overjoyed to sell them to you. Tickets are forty cents for singles and seventy-five cents per couple.

Those who enjoy "cutting a rug" or "tripping the light fantastic" will doubtless find the evening very pleasant.

## STUDY HALL CHATTER

Two more birthdays celebrated last week were Doris Stickle and Ella Lemoine. Happy birthday, girls! Bob O'Brien, Marie Blaser, and Helen Walsh are still talking about the fun they had last Sunday. Lucky trio went to Madison Square Garden to see the hockey games between the New York Rovers and the Brooklyn Crescents.

A big hand should go to the members of the faculty who participated in the basketball games last Friday night. They proved they were excellent sports to go out there on the court and play that game. Nice going!

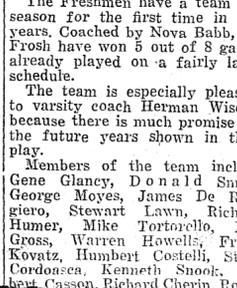

Out of a group of would-be champ bowlers, Bette Freid and El Sherman turned out to be high scorers at the Broad and Bay Bowling Alleys last Sunday night. . . . Has everyone met "Timothy" dancing second lunch period?

Home and looking wonderful in their uniforms are George Wheeler, Louie Zuckerman and Jim Dunleavy. . . . Why is Eileen (Oker) O'Grady so interested in St. Benedict's basketball team? Couldn't be on account of the "star", could it, "Oker"?

Word received indicates Jim Caruso is now in Camp Roberts, California and "Rusty" Flynn is in Italy after a seige of illness in a North African hospital. Both boys held tackle positions on last year's football team.

Don't forget the dance tomorrow night, it'll prove to be loads of fun.

## Two Fined \$10 For Truancy And Health Violations

Pierce Leonard of 2 Kean street was fined \$10 last week by police Recorder Smith when he convicted Leonard of having failed to compel his son to attend school during January.

The charge was brought by attendance officer R. Wesley Schneck. Leonard's son is an elementary school pupil.

Julia Williams of 64 Belmont avenue was also fined \$10 on a health complaint. She was charged by health officer Berry with having failed to report for health treatments.

## We Have With Us Today—

Edward McLaughlin

Edward McLaughlin

A gentleman who undergoes physical torture every time one of the student body throws a piece of paper that misses the waste basket; or sticks a used piece of gum under a seat; or carves his name artistically on a desk; or scrawls his initials on a newly painted wall. In short, the gentleman who suffers for our sins is Edward McLaughlin, the head janitor.

McLaughlin's staff consists of five persons. Four of these are male janitors and the fifth is a female matron. Their names are Albert Kieferdorff, F. D. Reardon, William O'Neill, William Gerard and Anna McKnight, all of whom are very active in assisting McLaughlin with his many tasks.

The janitors have many duties to perform during the school days. They have to take care of the incinerator. One of their jobs is taking care of the lockers because at times the keys may be bent or combinations may be misused, and the janitors must keep these in good order. Another duty of the janitors is keeping the furnace in good condition and working properly. And, of course, when asked about his spare time, McLaughlin laughingly replied that he hasn't any. However, he did admit that he enjoys playing golf.

Students are quite anxious enough to receive help from the janitors, but it's not often that the situation is reversed. It is the janitor's position to keep our school clear. Let's make their job our job.
