

Prayer D-Day Solace, Churches Stay Open

Town Takes Invasion News Calmly; War Plants Pause For Reminder Of Industries' Responsibilities

Belleville, after the first flurry of excitement Tuesday morning when the electrifying invasion news first glued many ears to radios, took D-day calmly but thoughtfully. As happened in practically every community the length and breadth of the United States, local residents flocked to churches to pray for the safe conduct and return of their men in the thick of the battle.

Most war plants here paused at some time during the day to utter a little prayer and to listen to brief talks of exhortation to redoubled effort to produce the weapons of war to continue the War of Liberation.

Even the shopping sections of Washington avenue were somewhat deserted all day as housewives remained at home to listen again and again to the news and commentary which by mid-morning was practically memorized in every mind.

One solemn note came from Defense Coordinator Brunner who stated that "in view of the fact that all our attention is directed to the invasion, we are prone to be lax about our own safety."

"It is urged that the defense personnel and the general public be on the alert in case the enemy attempts a suicidal raid here. Alertness now will reduce casualties if a raid should occur."

Hundreds of Wallace & Tiernan workers poured into the company's yard Tuesday morning to hear their president, Martin F. Tiernan, tell them they should be "proud to be part of a national industrial organization."

"Our slogan, 'Help W&T to Help Victory,' is not just something for the benefit of the owners," he said, "but an aid to the nation. Let there be no lessening in our production efforts."

Workers pray. Rev. Peter R. Deckenbach delivered an invasion prayer. Also on the platform were William J. Orchard, general manager; Charles F. Wallace, vice president; John Walker and Charles Decker representing the employees' union; and Elwood P. Russell, chairman of the War Efforts committee.

Before the gathering disbanded to return to the machines, Eleanor Egan and George Hagegger led the workers in the national anthem.

That afternoon Mr. Deckenbach led similar prayers at the local plant of the Westinghouse corporation. Brief ceremonies were also held at numerous other industrial plants.

Westley Methodist church held a special D-day service at noon Tuesday and plans to continue the exercises daily for some time. Evening services were held at Christ Episcopal and Redeemer Lutheran churches.

At Congregation AAA, the Sisterhood notified the members by phone and Rabbi Herman Schwartz conducted prayer services.

It is understood that special prayers were offered at Catholic masses Tuesday morning. First Italian Baptist church was open all day and the pastor, every time a small group gathered, led the prayers and read the scripture.

D-day was a solemn time in Belleville and the thoughts of many were with relatives and friends who might at that moment have been fighting their way inland on the beaches of France.

The directors of Walter Kidde company met Tuesday and unanimously adopted a resolution recognizing the "absorbing interest of every member of the organization and all Americans in the momentous and history-making events of this day."

The invasion was termed "a supreme effort of the united and associated nations through their navies, armies and air forces and is being made to end the Tyrants' War and restore peace and free opportunity for the pursuit of happiness."

Twice during the day at the employees' request prayers were said over the public address system while the workers paused at their machines.

Man Fined \$150 For Molesting Young Woman War Worker

Recorder Smith levied a fine of \$150 against David O. Wooster, 41, of 85 Edison avenue, Nutley, after the man pleaded guilty to a charge of molesting a young woman war worker.

The complaint was brought by Deputy Chief Leighton who testified that Wooster drove up in his car as the woman alighted from a bus at Holmes street and Washington.

He made improper advances to the woman but drove off without forcing the issue. He was traced through his license number furnished to police by the woman.

JUNIOR ACHIEVERS MEET TOMORROW AT LOCAL SHOP

State JA Presidents Meet At Belleville Headquarters For Monthly Confab

The New Jersey Achievers' association will hold its monthly meeting in the shop headquarters of Belleville Junior Achievement, 562 Washington avenue, tomorrow at 7:15.

The association is made up of presidents of Junior Achievement companies throughout the state and was organized in Newark, March 3 at a dinner meeting at the Wilkins restaurant.

The purpose of the organization is to have the presidents get together once a month, discuss their problems, exchange ideas, make suggestions to the state committee on policies affecting their companies, and enjoy the sociability of associating with those who have mutual problems.

The meetings are held in various shop headquarters throughout the state, and in this way the presidents see how different shops have been organized.

The officers are president Robert Howard of Red Bank, vice president Alvin Outcalt of Belleville, recording secretary, Beverly Gerber of Hillside, treasurer Janice Tillmes of Newark.

Members of the New Jersey association will participate in meetings of the Junior Achievement national board composed of delegates of companies all over the United States.

Each company in the state is required to submit their monthly profit and loss statements to the state association, William Hartley of Belleville being chairman of the reports committee.

This furnishes a check on the business activities of the various companies. Violet Pataky of Verona was appointed chairman of the committee on post war planning and has presented a comprehensive report on what the young people would like to see in the post-war world.

Recognition of all former JA men and women who are now in the service is one of the aims of the Association.

All servicemen are being made honorary members for the duration, and arrangements are being made to have a suitable plaque placed in the state headquarters in Newark listing Junior Achievers who are serving their country.

A novel means of the different companies getting acquainted with other companies has been instituted, according to Bob Howard, association president.

Plants Subdivided

The plants have been subdivided with one captain for every ten employees. Efforts will be made to sell at least one extra bond to every worker before the end of the drive.

Dettelbach yesterday issued a special appeal to all church, civic, fraternal and political organizations in town to conduct their own bond rallies within their groups. Materials may be obtained in the defense council office at town hall.

It is expected that the enthusiasm which has gripped the nation since the announcement of the invasion of Europe Tuesday will speed bond purchases toward the \$16,000,000 national goal.

The drive will be launched at the Capitol theater Monday, evening with special appeal trailers on the screen. American Legionnaires and Veterans of Foreign Wars will form a color guard and bond sales will be conducted by their auxiliaries.

The campaign at the Walter Kidde plant will start off immediately in high gear. Showings of "Battle of the Beaches," a restricted War department movie, began yesterday and will be repeated today and tomorrow.

Worker talent will form the basis of lunch-hour rallies Tuesday, Wednesday and Thursday. Entertainers include Peggy Maraldo, Bob Coken, Nick Baresi, "Cookie" Clark, Ralph Delli Santi, Julie Stadish, Freddie Vivan, Wally Jones, Murray Latzer, Don Milo and his orchestra.

MacCready Elected Commander Of American Legion Post

Arthur MacCready of 482 Broadway, Newark, was elected commander of Belleville post 105, American Legion, Monday night and will be installed some time in the fall.

Others elected were vice commanders Harry J. Ziegler and Ernest Brown, finance officer Richard Shannon, service officer Arthur Ackerman, sergeant-at-arms August Bechtold and chaplain Herbert Cooper.

James A. Doran of 11 Continental avenue was admitted to membership Monday night bringing the post's total to 178. The post approved purchase of two additional \$100 war bonds.

Delegates to the county convention at Orange next week will be county commander William I. Labaugh, Shannon, Konrad, MacCready with Ziegler, Brown, Alonzo Hartley and Robert P. Smith as alternates.

FIFTH WAR LOAN AT \$2,500,000

Overall Goal, Series E Sales Increased; House-to-House, Industrial Workers Set

Belleville's Fifth War Loan quota was set yesterday at \$2,500,000 and the goal for the sales of Series E bonds has been placed at \$750,000, according to an announcement by drive chairman Philip Dettelbach.

Both figures show an increase over the quotas for February's Fourth War Loan when the town exceeded its \$2,100,000 goal by nearly 100 percent and led the state in the percentage of its surplus E bond sales.

The Belleville quota is the fifth highest in the county, topped only by Newark, Montclair, Bloomfield and East Orange. The campaign will begin Monday and will continue until July 8. All bonds purchased from June 1 to July 31 will be credited toward the total.

The house-to-house solicitation will be carried out by volunteers from among the air raid wardens, police and fire reserves, ambulance corps, first aiders, salvage and other branches of the defense council.

Kits and other materials have already been distributed to the zone and sector wardens and will be given to the individual solicitors before Monday.

Quotas for every industrial plant in Belleville have been set by the 22 special Treasury representatives. The quota is figured at \$100 for every employee but regular payroll deductions will be included.

The plants have been subdivided with one captain for every ten employees. Efforts will be made to sell at least one extra bond to every worker before the end of the drive.

REACH AGREEMENT ON ARTHUR AVENUE VACATION RIGHTS

Will Leave Smallwood Exit; Street Sweeper Approved, Roller Denied

An agreement reached Tuesday night between the Commission and Mr. and Mrs. Eli P. Snow of 28 Smallwood avenue will change the proposed vacation of Arthur avenue.

The original ordinance proposed to close the street its full length from Franklin to Smallwood avenues. The Snows objected on the grounds that it would cut off the entrance to two pieces of property which they own.

Considerable depreciation of the property would result, they claimed. The Commission's proposal was based on a county request to prohibit traffic from entering Franklin avenue, thus creating a hazard.

With only Mayor Williams and present (Commissioner) Noll was out of town and Commissioner Waters was working, the board decided to vacate only 160 feet back from Franklin avenue.

This move would effectively bar traffic from the intersection and yet would leave an entrance to the property from Smallwood avenue.

At the meeting, Town Engineer Welsh announced that the town's application for a new street sweeper had been approved by the WPB but that no roller is available at the present time.

An appropriation for the vehicles at \$4,500 apiece was voted at the May 23 commission meeting. The town, Welsh said, may reapply for a roller within sixty days.

Share Drain Costs

The final agreement between the Commission and residents of Arthur and Center streets will find the two groups sharing costs on the removal of the mosquito-breeding grounds in the rear of properties on the two streets.

At a cost of approximately \$11,000 the town will install connections to the Charles street storm sewer and the residents will foot the bills for the drain at the rear of their properties.

Town Attorney Keenan recommended and the Commission accepted settlement of a five-year-old damage suit for \$51.

In 1939 the town was awarded damages of \$216 after Thomas Perrotta crashed into a traffic light at Washington and Overlook venues. Perrotta paid only \$1 at the time.

When he defaulted on the remainder, his driver's license was revoked. His wife recently approached the town with an offer to settle for \$50 and the offer was accepted.

By resolution Tuesday the Commission rescinded unused balances of \$14,400 of bond authorizations for completed public improvements. The largest unexpended balance was in connection

Invasion Responsibilities At Home

Our sons, our brothers, our husbands moved out of their English bases in the darkness of Monday night to keep a rendezvous with destiny. Heedless of the personal danger into which they were sailing, they invaded the Festung Europa to carry the torch of liberation to its enslaved peoples. At the same time they went into battle to make all the things we love and cherish secure for the future. We on the home front cannot be physically by their sides to aid them, but there are four endeavors which we can carry out for them.

In time of personal or national emergency, prayer is a potent weapon. It was the first natural reaction Tuesday morning when churches all over the country flung open their doors to the millions who went to pray for the safe return of their loved ones. Those prayers should continue to ascend to heaven in myriads until the job is finished and should be continued after that in thanksgiving for the victories which are in store for our armies.

We must remain at our work producing the tools of war and thus equipping our sons with the means to prosecute the war to a successful conclusion. If we fail, if we on the home front persist in these stupid work stoppages over comparative trivialities, we must answer the accusing eyes of the millions of men fighting for us.

The nation must be strong financially to fight the war and carry out the aims of the invasion. We at home are the ones who must pay for it. Now we need not even wait for the Fifth War Loan; now we should begin buying war bonds without delay — and we must keep them. It is indeed a strange patriot who will lend his money to the country today, who will give his nation strength today, and take it away tomorrow. Buy them and keep them.

Thousands of our fairest youth will die on the beaches of France and many thousands more will be wounded. They will need blood, more blood than we have ever given. They need our blood which we can give through the Red Cross. Without it thousands will perish who need not have died. A week from Saturday the Red Cross mobile unit will visit Belleville. It is asking for only 180 pints from our 30,000 citizens. Are there 180 persons who care? Telephone 2-2373 today for an appointment. Don't delay: a boy's life may depend on your haste.

School Out Next Week With Colorful Events

High School Graduates 257 Tuesday With 13 In Service; Hundreds Work During Third Wartime Summer

Five thousand Belleville youngsters will close their books with a snap next week and race out into what used to be summer vacation. For nearly all 1,500 high schoolers, however, the third wartime summer will be a time of work in Belleville's humming war industries. Those too young to labor for pay will probably spend most of their swimming and playground time tilling the family victory gardens.

The high school will graduate 257 in commencement exercises to be held Wednesday evening at 6:30 on Clearman Field. Of this number, thirteen are already in the armed forces.

Graduating with honors (above 90 average for the four years) will be valedictorian Catherine Anderson, salutatorian Donald Rochlin, Pauline Adamaki, Betty Cooke, Emma Donofrio, Edward Epting, Rose Guarino, Bertina Hermann, Ruth Hodes, William Kitchell, Albert Knight, Ludwig Kowalski, Ruth McLaughlin, May Millward, Viola Niewiadomski, George Reif and Calvin Watson.

Rochlin's salutary address is entitled "Victory First." The theme "Then we grow and we work and we have faith" will be developed by Emma Donofrio, Ruth Hodes and Catherine Anderson in their talks.

The '44 class' gift of a suite of furniture for the office of the guidance director will be presented by Phyllis DiSturo and will be accepted by School Superintendent Wayne R. Parmer.

School Principal Burt Powers Johnson will present the class and the diplomas will be awarded by Herbert C. Schmutz, president of the board of education, all the members of which are expected to be present.

The school orchestra and the senior choir will form the basis for the musical portions of the program. Laurel Milne will be soloist with the latter.

Anne Santiglia, outstanding student soprano, will sing "Il Bacio" and will be accompanied by Bertha Hermann.

In the traditional mantle ceremony, Frank Larkin will pass on to John Van Volkmom the symbol of student government. Senior class officers were president Phyllis DiSturo, vice-president Dorothy Carpenter, secretary-treasurer Robert McEwan. Bertha Hermann was editor of the Monad.

List of graduates on page 2.

Grace Woman's Auxiliary

The woman's auxiliary of Grace Baptist church will meet Wednesday afternoon at the home of Mrs. W. L. Sney of 510 Washington avenue. This meeting precedes the final one of the season.

Silver Lake School

"The Spirit of '76" is a program of music which will be given by the Silver Lake No. 4 school Wednesday morning at 10.

Opening with the hymn "Faith of Our Fathers" and closing with the national anthem, it will include hymns and songs of our country and its armed forces throughout all the critical periods of its history.

They will be sung by the girls' and boys' choruses with solos by Sue Puglis and Ida Marra. Parmer will award certificates and principal James G. Shwager will present the class.

Readings, recitations and declamations will be given by Antoinette Perrone, Joseph Cancelliere, Albert Palmieri, Philomena Capaldo, Eleanor Hunter, Lillian Tortorillo, Anna Del Kusa, Grace Sammarco, Andrew Montiglio and Helene Mekis. John Charles will lead the class in the recital of the American's Creed.

Greylock School

The exercises at Greylock school No. 5 Thursday at 10 will see Parmer in action again. Principal Robert N. Hayes will present the class.

James Charlton and Mildred Dandone will be the soloists as the boys and girls sing melodies of Bohemia, Italy and Czechoslovakia. Jean Rosamilio and Josephine Lanno have written the class song.

Lindsay Barbee's "How the Race Was Won" will be the dramatic offering of the class. The cast will include:

Joan DePhillips, Barbara Barker, Joan Vincent, Virginia Lanning, Jean Schofield, Mildred Crawford, Josephine Lanno, Dolores Fischer, Paul Simpson, Alan Vogt, Anthony Jannarone and Nelson Landon.

Serving on the properties stage committee are Doro Bender, Marty Bucco, June Werner and Jack Sim.

Passaic School

Victor Vivento will be the speaker.

Brean Missing
Mr. and Mrs. Martin J. Brean of 83 Tappan avenue received a War department telegram Tuesday night informing them that their son, 2d Lieut. Wilbur M. Brean, has been missing since a May 27 bombing mission over France.

Brean, a B-17 Flying Fortress pilot, had been in action only a week when the mishap occurred. A letter dated May 19 and received Monday told of his first bombing raid which was a prelude to the D-day invasion.

He graduated from the high school in 1938 and was a night student at Rutgers university while working for the Prudential Insurance company.

He enlisted in the Army air forces two years ago and was called to duty in December 1942. He won his wings and commission at Lubbock, Tex., last August.

After taking a transition course at Hendricks Field, Sebring, Fla., he picked up his crew at Salt Lake City, trained with them at Grand Island, Neb., and flew overseas by the North Atlantic route in April.

SUMMER BANKING HOURS

New Jersey banks will not be open for business Saturdays from June 17 to September 9, inclusive.

Both Belleville banks will continue to remain open Monday evenings from 6:30 to 8 o'clock.

FIRST NATIONAL BANK OF BELLEVILLE

Eisfeld-Redfern Wedding Saturday At St. Peter's
The marriage of Miss Irene Redfern, daughter of Mr. and Mrs. William Redfern of 19 Prospect place, and William Eisfeld, son of Mr. and Mrs. William Eisfeld of 12 Berkeley avenue, will take place Saturday afternoon at 3 in the rectory of St. Peter's church.

Rev. John S. Nelligan will perform the ceremony after which a reception will be held at the For-Hills club, Newark. Miss Doris Redfern will attend her sister and Frederick Eisfeld will be best man.

The couple were graduated from Belleville high school and are employed in a Linden aircraft plant. Eisfeld received a medical discharge from the Navy last year. After a honeymoon vacation in Long Island they will live at 27 Wooster street, North Arlington.

Hazley-Lackey
The engagement of Mrs. James Lackey of 188 New street and Joseph H. Hazley of 11 Hickory road, Summit, was announced Saturday at a cocktail party and dinner at the Cal-Am Chateau, Mountainside.

Mrs. Lackey, whose husband died several years ago, has resided in Belleville for more than twenty years. Her present plans are planned for the near future although no definite date has been set.

Police Honored
Lieut. Richard Nourse and Patrolman Christopher A. Dotterweich, who recently retired from the police department, were given farewell honors Monday by fellow members of the force. The party was at 41 William street.

Celebrate Fifty-Fifth Anniversary
The fifty-fifth wedding anniversary of Mr. and Mrs. Harvey M. Struble of 18 Nolton street was celebrated Sunday night by a dinner party at the home of Mr. and Mrs. Marcus E. Wertz of 229 Overlook avenue. Mrs. Wertz is the daughter of the Strubles.

Mr. and Mrs. Struble were married June 5, 1889, in Newark, and have lived in Belleville 21 years. Mr. Struble is an engineer with the Martin Dennis company of Newark.

Belleville relatives who attended the dinner were Mr. and Mrs. Harold Struble, Mr. and Mrs. Carl Struble, M. and Mrs. Kenneth C. Smith, Miss Margaret Struble, Miss Doris Struble and Robert Struble.

Out-of-town guests included Mr. and Mrs. H. Ray Struble of New York, Maxwell Struble of Bostonsfield, Mr. and Mrs. Floyd Stager and Miss Margaret Stager of Nutley, Mrs. M. E. Blackmore and Miss Artus Blackmore of Caldwell, Mrs. Florence Dunn of Kearny, Mr. and Mrs. Henry Ramey and their children Susan and Allan of West Orange.

Two grandsons are in service: Navy Lieut. Marcus E. Wertz Jr., executive officer of the Repair Units training center, Melville, R.I., and Army 1st Lieut. Robert Wertz, an instructor-pilot at the Flying Fortress base at Alexandria, La.

Everham-Oeters
Mr. and Mrs. Frederick G. Oeters of Bayville, L. I., have announced the engagement of their daughter, Miss Laura Ethel Oeters of 217 Gaylock parkway, to Capt. Bruce A. Everham of the Army service forces.

The Oeters formerly resided in Belleville. Capt. Everham, the son of the late Mr. and Mrs. Benjamin A. Everham of Toms River, is in charge of officer training at Sheepshead Bay.

Miss Mabel Harris, daughter of Mr. and Mrs. Charles H. Harris of 114 Floyd street, will graduate with honors from the Washington school for secretaries, Newark. She has received a Gregg certificate for having passed a shorthand test at 120 words a minute.

It is here! The eagle is screaming. Amid incredible din, the invasion is on!

This invasion cannot fail; it cannot be tried over.

We can donate our blood to replace that lost in the agony of battle; and we can contribute generously to the Red Cross to minister to the boys. We can buy War Bonds with a large fraction of our income, which perhaps has been increased by the war while the lads on beaches are working for \$50.00 a month and board. We can deliver all that we can produce, for which we are paid, at the right price, and that price cannot be too low while the price of their patriotism is so high. How can we slow down in the production of shells while there is no slowing down in their use? How can we be listening for the whistle while there is no stopping for our boys unless the whistle blows early for some? How can we buy and consume beyond necessity while every ounce of war material is needed to bring the boys back victorious?

The Fifth War Loan Drive is now underway. Invest Now! Uncle Sam is asking you to lend him the money to help finance the war. Put those idle dollars to work!

Brunner Raps Salvage Storage Practice, Pays Tribute To Belleville Chairmen

Says Other Towns Store Up Collections For Publicity; Tin Salvage Leaps

Belleville's salvage record is as good or better than many other North Jersey municipalities which have received more publicity for their efforts, Defense Coordinator Brunner declared yesterday.

As he made the announcement Brunner revealed that 5,314,312 pounds or better than 2,657 tons of scrap salvage have been harvested in the town in the first five months of this year.

He pointed particularly to the paper salvage figures. Paper has been collected, processed and forwarded weekly, he said, contrasted to some communities where it is stored for some time in order to make the subsequent publicity figures more impressive.

Lt. Col. Stanley R. Goodrich, stationed at Washington, was a weekend visitor with his mother, Mrs. William T. LaCross of 140 Rutgers street. He is an alumnus of Belleville high school and Lehigh university.

A/C Harry G. Pfennig of 174 Delavan avenue has been transferred from Colgate university to the Navy pre-flight school at Chapel Hill, N. C.

Pfc. Thomas McDermott, son of Mr. and Mrs. William J. McDermott of 70 DeWitt avenue, was promoted this week to technician fifth grade and was awarded the good conduct medal. He is stationed in the Pentagon building, Washington.

Cpl. Joseph Leto of the Army medical corps and Sgt. Salvatore Leto of the Army engineers, brothers, met recently in England after a lapse of two years. They are the sons of Mr. and Mrs. Angelo Leto of 40 Magnolia street.

Their sister, the former Miss Mary Leto, is the wife of Vincent J. Vitiello, seaman 2/c of Newark who was also fortunate enough to accost his brother, Cpl. Vito Vitiello, in North Africa. The Vincent Vitiellos are the parents of a four year old daughter.

Auto Stickers Go On Sale

Auto use stickers costing \$5 for the year 1944-45 will go on sale Saturday at the post office. Every car in use must have the new stickers by July 1.

The stamp this year is lavender in color. The customary place for display is the lower right-hand corner of the windshield next to the car inspection sticker.

He condemned this procedure, particularly in the field of "our most critical shortage," and declared that outside publicity was small satisfaction "for a job well done."

"Despite the very creditable showing of Belleville in paper collections," he said, "we are still receiving urgent requests to step up the campaign even more. It is our most most critical shortage today."

Credits Schools

The great jump in tin can collections during May was credited to the appointment of boy and girl chairmen in every class in every school in the town.

"The school children have done an excellent job in this field," Brunner declared, "but we find that many householders still fail to clean and flatten the cans before sending them in."

UNION COPS LEAD IN SCHOOL BALL

Trounces Franklin School For Third Straight Win; Silver Lake, Ralph In

Union school was leading the pack but Silver Lake and Ralph schools were also undefeated at the end of last week's play in the Grammar School Baseball league.

Union trounced Franklin 11-2 Wednesday for its third straight win. LaFalce effectively silenced the Franklin bats throughout and coasted all the way, although Cook relieved him in the seventh. Joralemon's seven-run uprising in the fourth inning gave the No. 3s a convincing 10-4 victory over St. Peter's. Grigero with three hits led the Joralemon attack.

Cortlandt, playing with only eight men, was no match for Passaic, which romped home to a 2-1 triumph after tallying 18 runs in the first two innings. The 21 runs were scored on five hits.

Immaculate Conception Nine Scores 16-3 In Final Contest Of Season For Bellboys

With Frank Marra, Bellboy first sacker, the only Bellevillite showing any power with the willow, the homesters were snowed under 16-3 by Immaculate Conception of Montclair Saturday at the Municipal Stadium.

Seldom this year were the effects of baseball repression in Belleville more noticeable. The Bellboys wound up the season with a lone victory out of ten starts.

Four days previously Belleville had dropped a tight 2-1 decision to the Montclairians and for two innings Saturday's contest looked like a replica as the locals stepped out to a 1-0 lead.

In the third, however, the Mounties landed with all feet. Four runs came across as hits rattled off their bats and in the next frame they put six more scores across on the now completely demoralized Bellboys.

The latter, dazed by the sudden crushing attack, committed nine errors in the course of the fracas.

Held For Firing Shotgun At Boys Swimming

Larry Scolloveno, 28, of 10 Belmont avenue is at liberty in \$100 bail to await appearance before the grand jury charges of firing his air rifle at boys swimming in the Second River May 19.

Scolloveno pleaded guilty last week when he appeared before Recorder Smith to answer a complaint brought by Mrs. Rose Peacock of 20 Harrison street.

Mrs. Peacock alleged that Scolloveno took "pot shots" at the boys and that one shot hit her son William near the left eye. Scolloveno declared that he was firing at a turtle and that one of the shots ricocheted.

WHEREAS, Belleville will join with the nation in honoring its National Flag on that day, and

WHEREAS, the Flag of our Country symbolizes the ideals and principles upon which this great nation was founded and for which the citizens of the United States have fought and are fighting today.

I, therefore, as Mayor of the Town of Belleville, New Jersey, call upon the people of this Town to display the National Colors between sunrise and sunset of Flag Day at their homes and places of business.

Dated this 7th day of June A.D. 1944.

J. H. Williams
Mayor

Why telephones are hard to get

There are two reasons why we cannot fill orders for telephone service today as fast as we'd like:

The reserve facilities which enabled us to meet the service needs of Army, Navy, war industry and most others since the start of the National Defense Program in 1940 are now exhausted, and no more equipment is being built for civilian use.

All telephone manufacturing facilities and manpower are devoted to making communication and other electrical equipment for our armed forces. Their entire capacity is converted to war production.

We've done all we can to serve as many as possible by—

- Reconditioning and using every facility that will give good service.
- Converting one-party lines to serve two or more families.
- Operating central offices beyond their normal capacity.
- Taking extra-good care of equipment that can't be replaced.

If you are waiting for a telephone, we're sorry. The only facilities now available are those released when service is discontinued, and many of these are required for war purposes. We'd like you to know that we will take care of your needs at the earliest possible moment.

HIGH-LIGHTS

BELLEVILLE, N. J., THURSDAY, JUNE 8, 1944

High-Lights "30"

This will be the final edition of High-Lights, the student newspaper inaugurated last October and pursued through the year with great and little interest by the members of the staff.

During most of the year the paper was managed by Mr. Seymour C. Heck and its final issues were under the supervision of Mrs. Regina Lynch Kennedy. We of the staff wish to thank both of them for their continuing interest in our efforts.

Our thanks are also due principal Burt P. Johnson, the guiding light far in the background in our enterprise. And our gratitude is also expressed to The Belleville Times for the use of its columns throughout the year.

As we leave Belleville high we look back on a year of straggling hesitant beginnings and with the sincere hope that High-Lights will not be allowed to die but will be nurtured into full-blown maturity in the years to come.

SENIOR CLASS ENDS WITH BEACH PARTY

Off To Rye Beach Tomorrow; Dinner-Dance Last Night; Give Guidance Suite

The senior class will wind up its school days with two official parties this week and many private and unofficial get-togethers.

Last night the class held its annual dinner-dance in the high school cafeteria. Only seniors attended the supper but underclassmen were invited to the dance. Music for which was furnished by Larry Tobia and his orchestra.

During the dinner the music came from recordings purchased by the class especially for the event. The platters will be donated to the B-Hive.

Tomorrow morning at 9 the class will meet at Exchange Place, Jersey City, to embark on the annual boat trip to Rye Beach. A picnic, swimming, dance and other events have been scheduled for the day.

Formal presentation of the class gift to the school will take place Wednesday evening at the commencement. The class of '44 has purchased a set of furniture for the soon-to-be-remodeled office of the guidance director.

Dr. Thomas J. Brosnan was recently employed by the board of education and will be the official first occupant. Serving on the gift committee are Gloria Rosamilia, Phillis DiSturco and Albert Knight.

A donation of a \$250 war bond will also be made by the class to the organ trust fund, a trust to which each graduating class makes a gift to assist in the purchase of an organ for the auditorium after the war.

Study Hall Chatter

The assembly program Friday was certainly a big success. All the boys deserved their hard-earned letters and are flashing them through the school. Enjoyable were the antics of Frank Murmo, an entertainer for you.

The seniors are practicing daily for graduation. Tomorrow they have the annual boatride to Rye Beach. Had a wonderful time at the dinner-dance last night.

Congratulations to Ruth Hodes and Emma Donofrio who have been selected to make speeches at the commencement. Say, Carole Crowther, who's got you running around in circles? We think he's cute too.

Jim DiTugliero, you're going to burn up the wires, calling A. M. H. so much. By the way, someone ask Mary Teresa Murphy about her potatoes. Ugh!

What did Phyllis Gene (with a G) Trigano leave on the new boat all night? If Rose Distasio seems a little starry-eyed it's only because "Blubber" is home. Noticed: Irene DeVan strutting a cute sailor.

A boy who can't seem to leave the teachers is Albert Alexander Apicella who wound up his detention periods on the last day of school.

A big hello to Carmel Scanlon, Jim Dunleavy, Wilbur Stanfield and Jack LaFalle, all home on leave from the Navy this week.

Jim Caruso is now in Camp Butler, N. C. Buddy Speyer and Joe Rue certainly love their showers. Della, why don't you answer Fder Findley's letters? Visiting Jean Mitchell are two British sailors.

Happy birthday to Jennie Fantacone and Eileen "Okey" O'Grady. Jim Murphy will celebrate his birthday Wednesday somewhere on the high seas.

Varsity And Jayvee Awards Given To 71 BHS Athletes

We Have With Us Today

Catherine Anderson

The 17-year-old, blonde-haired, brown-eyed valedictorian of the graduating class is the personable Catherine Anderson. As another indication of Catherine's outstanding ability, she was one of the first group of 18 students recently chosen to represent the high school in the National Honor Society.

Prerequisites for election to the society are outstanding scholastic achievement, service to the school, personality, and extra curricular activities.

Foremost among her interests outside the classroom are dancing and skating. When it comes to singing she doesn't seem to care for either Frankie or Bing, but Harry James rates just about tops with her as far as bands go.

Catherine's intense interest in school is highlighted by the fact that Algebra and French are her favorite subjects. As an outstanding member of the French and Latin clubs she again proves above average ability.

Catherine is the senior chairman of the Schools-at-War program, which participates in such activities as the sale of bonds and stamps and promoting various drives throughout the year. She is also senior chairman of the Junior Red Cross.

When questioned as to plans following graduation Catherine said she intends to work; although she has not decided in what field. Catherine's grand job as the maid in "Junior Miss" added that certain touch to the performance and this was only another among her numerous achievements as a Senior.

A graduate of Jorammon street school, she was a class representative in both her freshman and sophomore years at the high school.

HILLTOPS TRIUMPH TO KEEP FIRST

Intermediate Softball Lead Retained After Overcoming Big Brave Head Start

Overcoming a five-run deficit little by little, the Hilltops eked out a 9-8 win over the Braves last week to remain undefeated in the Intermediate Softball League.

The Braves put up stiff resistance, outthit the Hilltops and tallied six runs in the opening inning. The Tops tied it up in the fifth; the score was deadlocked again in the sixth and the final run for the winners came across in the seventh.

Two days later the Braves came back to trounce the Cardinals 12-7. Hickman and Kennedy each had three hits and three runs for the victors while Gelok, with a trio of hits and pair of runs, led the Cards.

The Rams, who had lost their first league game, forfeited their second to the Starlings, thus cancelling the contest scheduled for Wednesday.

Blue Jays Trounce Crusaders, Deo Pitches Three-Hit Ball

Behind the three-hit pitching of Johnnie Deo, the Silver Lake Blue Jays trounced the Nutley Crusaders Sunday 11-0. The Jay infield gave Deo good support and he was never in a serious jam.

Frank Marra's big bat led the Jay attack along with Deo, who whiffed 15 batters. Sal Giambrone homered for the locals in the third inning.

Rain Cancels Water Gap Trip; Bryan, Arata Enter L.I. Race

Rain forced cancellation of Belleville Bicycle club's projected trip Sunday to the Delaware Water Gap. The rain halted proceedings after the riders had gotten as far as Denville.

Ray Bryan, who won the 100-mile race of the German Bicycle club of New York from 156 competitors in 1939, will attempt to regain his laurels Sunday in the fifteenth renewal of the classic.

9TH-INNING RALLY WINS FOR ORIOLES

Pitchers' Duel Ends Quickly As Nationals Fall 3-2; Rassler's Bat Decisive

Going into the ninth inning trailing by one run, the Orioles scored twice to eke out a thrilling 3-2 win over the Nationals Sunday at Kilde Field. By winning this game the Orioles took the lead in the town championship series.

The Orioles struck first by pushing across a single tally in the first inning off the slants of

Johnny Marshall. The Nats came back in their half of the third with a brace of runs by virtue of Howie Clegg's two-run double.

Jack Meier came on in the third and twirled brilliant shutout ball up until the ninth. In this inning Ritzky Lockwood, Oriole hurler, led off with a double to right and scored the tying run on Takash's single.

Then with men on second and third, Harry Rassler, who had previously singled, scored the decisive run on an infield out.

Until the ninth Meier and Lockwood were hooked up in a bitter pitcher's duel which saw the former strike out 14 batters and Lockwood right behind with 13.

BLOOMFIELD, N.J.
May 27, 1944

For The Employees of the Eastern Tool & Mfg. Co.

It is a great pleasure and a privilege to congratulate each and every employee of the Company for having won the Army-Navy "E" Production Award for the second time.

This recognition by the War Department signifies a production job well done.

The cooperation you have shown during these trying times and, in many cases, the sacrifices you have made are appreciated by the Armed Forces, the War Department, and the Company. The spirit of working together to fight victory is purely American, and I feel proud to head an organization that is actually producing equipment for the Armed Forces and setting it out in the field.

On behalf of the management, I thank you all.

Very sincerely,
Alfred G. Anderson
President

CARLOUGH ELECTED LIONS CLUB HEAD

Laundry Official Named; New Officers To Be Installed First July Meeting

John Carlough of 143 Forest street and president and general manager of Belleville Laundry was elected Thursday to the presidency of the Lions club. He will be installed at the first meeting in July.

Carlough, who has been a Lion for twelve years, has lived all his life in Belleville except for a five-year residence in Roseland.

He graduated from Belleville high school in 1921 and starred in baseball and track there. For ten years he was active in the Wemec dramatic club, now defunct.

Other new officers are vice presidents Fred B. Handlon, William E. Rivola and Dr. S. M. Gilbert, secretary Edward J. Lister, treasurer Dr. Morris Rochlin.

The new tail-twister is W. Brand Smith, lion tamer Paul DeHagana, directors F. Douglas Wadsworth and Albert S. Beams.

Chases "Other Man" Thru Street With Knife, Put On Probation

Family disputes should not be settled by chasing the "other man" through the streets at the point of a knife, Recorder Smith told William C. Bryant of 169 Bloomfield avenue, Montclair, Friday morning.

Bryant was charged merely with loitering and using loud and abusive language. Smith said that a complaint of attempted atrocious assault might have been entertained.

Bryant, his wife and "the other man," who was also in court, are employed in a Belleville defense plant. The trouble started, Bryant said when his wife joined the third party's car pool.

The climax came May 20 when Bryant said he found the other two kissing in the back of the car. The two men fought and then Bryant pulled a knife and chased the other through several lots on Greylock avenue.

Since that time he and his wife, who were estranged, have been reconciled, he said. He was found guilty, received a thirty-day suspended sentence and placed on probation for a year.

Stunting Pilot Thrills Crowd Over Greylock Section

A stunting pilot visiting North Belleville at 3:30 yesterday afternoon stopped traffic and drew throngs of curious watchers to the streets.

Flying a Navy Vought-Sikorsky Corsair, the pilot spent fifteen minutes turning Immelmans, loops, nearly-vertical climbs, ninety-degree-banks and buzzing approximately over Union avenue near Greylock parkway.

Police headquarters' switchboard was jammed with 34 telephone calls in three minutes but police declared they did not know the identity of the plane. They reported it to Newark airport, however.

Bowdoin Sets Up Scholarship For Junior Achievement Boys

Male members of Belleville's Junior Achievement companies will be eligible to try for a scholarship to Bowdoin college, Brunswick, Me., S. Baynard Colgate, chairman of JA, announced last week.

The choice of the first scholarship student will be made as soon as practicable and his name will be announced either on Bowdoin's 150th anniversary on June 24 or soon thereafter.

Letters of application should be addressed to Junior Achievement, 140 East Forty-Eighth street, New York City, and those found qualified will in turn be sent direct to Bowdoin.

It is hoped, Colgate said, that some woman's college will create a similar scholarship for girls in Junior Achievement "as they too are showing a high degree of initiative and self reliance in the JA program."

Virginia Gannon Graduates

Miss Virginia Mary Gannon, daughter of Mr. and Mrs. John Gannon of 130 Union avenue was graduated Friday from the Scudder school, New York. Commencement was held at the First Presbyterian church, Fifth avenue, followed by a reception for parents at the school library.

Miss Gannon, who was a member of the year-book staff, has secured a position with a Swedish steamship line, Rockefeller Center.

Bawls Like A Baby At First Sight Of U. S. In Two Years

Lieutenant Cecilia Schantz Begley, Army Nurse, Weeps Over Miami After Two Years In India; First Hamburger Was Biggest Thrill

She bawled like a baby when she first sighted the skyline of Miami, but her biggest thrill was the first American hamburger she tasted on the way back. Those were the principal reactions of 2nd Lieut. Cecilia Catherine Schantz Begley on her return to America after spending more than two years nursing American soldiers in India.

She was ordered home after the Red Cross interceded for her because of the illness of her mother. She is the daughter of Mr. and Mrs. Otto Schantz, of 91 Ross street, Belleville.

Her husband, 1st Lieut. John Leslie Begley of the British Army, is still in India. Mrs. Begley flew home from India in six days, "racing the sun all the way," she says. "Every place we stopped, we were just in time for breakfast. I even got sick of eggs after eight breakfasts in a row."

She arrived home on Mother's Day: "The flowers I ordered through the Red Cross in India and I arrived here at the same time." She reported Monday to Camp Butler, N. C. for reassignment.

Mrs. Begley, an alumna of Benedictine academy in Elizabeth, received her nursing training at St. Catherine's hospital, Brooklyn. She entered the Army Nurse Corps in August 1941 and went overseas the following March.

Her first 17 months in India were spent at a desert hospital about twenty miles outside a seaport in northwest India. Later she was transferred to a hospital in a large city in southern India.

Lt. Cecilia Schantz Begley

Continual Sandstorm

Life in the desert was almost a continual sandstorm. Principal mode of transportation was by camelback. The nurses went riding in "gari, which is like a victoria, and very romantic."

"The desert nights were cool in summer and 'downright cold' in winter. Many nights the nurses slept in overcoats. They lived in little stucco huts with red tile roofs."

American-Indian relations were simple in the desert because most of the natives were nomadic tribes which did not stay around long. The women did most of the work with their babies slung on their backs; the men did the supervising.

Graduated

Miss Miriam T. Braun

Lakewood, N. J. — Miss Miriam Theresa Braun, daughter of Mr. and Mrs. William A. Braun of 451 Washington avenue, Belleville, received her bachelor of arts degree at commencement exercises at Georgian Court college Saturday afternoon.

Miss Braun, a graduate of Lacordaire academy, Upper Montclair, served as vice crown of the college humor society, president of the victory club, auditor of the student council, business manager of the yearbook and was active in the science club, Sodality and athletic association.

BELLBOY COACHES TO BE CONSULTED

Will Be In On All Purchases Of Athletic Equipment; Chapman Reappointed

Sharp criticism of the type of baseballs and bats furnished for the high school diamond during the past season caused the Athletic Council to vote the coaches in on future purchases.

The vote came Wednesday night after high school principal Burt F. Johnson showed the council samples of inferior balls and bats. The other members present, Herbert C. Schmutz, Charles A. Gebhardt and Henry Watters, agreed with him.

Approval was then given to the plan whereby consultation of the coach of a sport will be consulted by business manager Ruel E. Daniels before buying supplies.

Schmutz later termed the action a "return to our former policy," declaring that coaches had always been consulted "up to a few years ago."

Acting football coach, Bill Chapman was reappointed for another year. He will continue to substitute for Larry Gates while the latter is on military leave of absence from the Navy.

High school faculty athletic manager Harold Dufford was instructed to proceed with the preparation of a baseball schedule for 1945, thus insuring continuance of the sport for at least another year.

Banks Close Saturdays

Barons Have Broken Faith With America

Fortnight 11,700 workers in seven corporation plants stopped making and parts for planes and trucks. Members of the United Automobile Workers (UAW), they walked out on strike. Their union was one of fearful importance: neither AFL or CIO truckmen should deliver soda pop to the seven plants. The workers happened to belong to one union, the drivers to another. Therefore, these patriotic individuals decided to aid the war effort by stopping all production until the all-weighty problem of who was going to bring them their soft drinks was settled.

In Saginaw, Mich., 2,800 unionists in three Chevrolet plants went on strike as a result of a dispute over a no-smoking regulation. Another mighty problem had to be settled before the war on the home front could go on. Last week there were other strikes: in the lumber industry in Oregon and Washington, in a toolmaking plant in Rhode Island, among the Detroit bakery drivers. Every week there are a half-dozen or more strikes cropping up all over the length and breadth of the land. The reasons for them are oftentimes just as asinine as the soda pop question and the no smoking regulation.

It is now an inescapable conclusion that labor's leaders have no intention whatsoever of abiding by the solemn no-strike vow that they took during the wave of patriotism that swept them off balance right after Pearl Harbor. The vast majority of big and little labor shots still believe that they are fooling the American people by renewing that promise but the people certainly know that none of these strikes would be possible without getting the green light from these labor barons who have managed to get America's laboring masses in the palms of their hands and have bound America's workers with almost unbreakable chains. For ten years the labor leaders have been building their power higher and

higher until they have reached a point where they are drunk with their own glory. They have formed a tyranny and a despotism which can be matched only by the forces of Nazism. The parallel between the rise of the two powers is so transparent as to be almost frightening. One is political, the other economic, both are absolute and brook no interference from any source.

Where most common Americans made the grave error of judgment was in believing that these labor moguls were Americans first and labor leaders second. Such obviously is not the case. For the labor leaders have broken faith with the nation of their birth. In their lust for power and personal gain they have immeasurably retarded and sabotaged the successful prosecution of the war, they have cost America millions of dollars and thousands of lives.

Some few labor barons have recognized the swing of public opinion against them; some few are sufficiently realistic to admit that the cause of labor in the United States has suffered irreparable harm. Said UAW President Thomas to his soda pop strikers: "Public opinion has become inflamed. . . . Our union cannot survive if the nation and our soldiers believe that we are obstructing the war effort. . . . If we do not (restrain ourselves), there will be no union after the war. Restrictive legislation, worse than anything on the books, will be enacted."

Until labor — and management — realize the necessity of cooperation as advantageous to both their interests, until they recognize the need of more arbitration and less hotheaded irresponsible actions toward each other — both now and after the war — we will continue our road to economic perdition. Unless that realization is reached, government will continue to encroach more and more on both camps and in the end we will wind up as economically totalitarian as did the enemies whom we now fight and before whose cruel arms we are sacrificing the young men of our nation.

Back Up The Men On The Fighting Fronts

For the fifth time since we got into this war, our government is calling on us on the home front to lend our money to back up the men on the fighting front. The Fifth War Loan will begin Monday and will continue for four weeks, during which time we are asked to make extra sacrifices in order to keep America's gold blood with which to win the great fight for freedom. For the first time the government is asking us to measure our patriotism in cold dollars and cents. Our response should be no less hearty than the boy from around the corner who died yesterday before Rome or on Blakely in the air over Hitler's Europe.

There are unfortunately many among us who feel nothing in their hearts when appealed to on patriotic grounds. They do not thrill at the sight of Old Glory; they are unmoved by reminders of The American

Way of life; they are cold even at the sight of casualty lists. The fact that more than 48,000 young Americans, boys like Johnny and Bill and Slim, have already been blown to bits by the guns of the enemy makes little impression on them, nor do they consider that probably several times that number will never again return to the America they loved.

But few among those cold-blooded will resist the argument that the purchase of war bonds is the best and safest investment in the world today. They know that every three dollars they put into bonds now will bring four back to them. They realize that bonds are backed up by the United States government itself and that the government cannot repudiate them. They are even better than money, for money bears no interest. In every way today, your best buy is a bond — to have and to hold.

Let Large Create Health, Safety Problem

Orleans 150 people are bitten by mad dogs in a month. In Pittsburgh there have been 100 mad dogs and three human hybernations since the first of the year. In New York a mad dog bit four children. In New Orleans 22 people have been bitten by mad dogs in the past few weeks. In Belleville four persons are bitten by dogs every week. Fortunately none of the latter proved rabid so far this year; but a fatal first is always just around the corner.

The problem of maintaining dogs in a city has always been one which has puzzled our best minds. Citizens cannot be expected to have the right to keep pets even if the canines prove to be a constant source of danger to the lives and limbs of the neighbors. Most human beings are born for the companionship of a dog, not a "best friend" and no mere laws are sufficient to convince men that it is not one of their inalienable rights to keep as many and as big dogs as they wish. But the responsibility of a dog-owner in the city are far from being in outlying areas or in the country.

The jamming-together of large masses of people in our cities makes the affairs of the business of all. For that reason it has been necessary to lay down stringent regulations regarding the lives of dogs in city areas. They cannot be allowed the freedom of the streets to roam at will; they must be kept incarcerated at home and exercised only with supervision — muzzled and on a leash. There are many who remember the old law and abide by it; a few muzzled their dogs; the

majority of dog-owners think little of allowing their pets to peregrinate to their hearts' content.

Just as human beings are subject to the ravages of the various contagious diseases, dogs have rabies to contend with and when they roam at large they are constantly exposed to its dangers. Every year 7,000 dogs in the United States get rabies and infect thousands of people with the deadly virus. Without immediate attention the disease proves fatal to both dogs and human beings. Deaths among the latter, it is true, are well-nigh eliminated because of prompt medical treatment — a series of 21 antidotal injections. But the danger is always present despite all precautions.

The number of stray dogs running in our streets has decreased immeasurably in recent years due to the semi-strict enforcement of state and municipal laws. But there are many dogs, licensed and unlicensed, to be seen daily running at large. Every one is a potential mad dog; it takes a mere bite by a rabid animal to craze Pido and turn yesterday's lapdog into a machine of death. Understandably the police authorities have been loath to instigate a hundred percent cleanup and break hundreds of peoples' hearts. But in view of the national and state picture which threatens, they can no longer delay the day of judgment when a stringent policy of arrest and destruction of all strays (licensed or not) must be gotten under way. That is part of their responsibility toward the community at large. The life of a city-dwelling dog is not a happy one at best, but if their masters care so little even that life must end.

OVERSEA WOUNDED NEED MORE PIANOS

N. Y. P.O.E. Officer Writes Mrs. Yetta Simon, Says Morale Necessity

The need of the Army for pianos for its overseas hospitals was pointed out this week by Lt. Col. Richard S. Sollman, special services officer of the New York port of embarkation, in a letter to Mrs. Yetta Simon of 222 Ralph street.

After stating that the piano which Mrs. Simon recently donated to the Army would soon be created and shipped overseas, Sollman continued:

"Relatively few of our civilian population realize that war conditions preclude the manufacture of many musical instruments, including pianos.

"Without your cooperation and that of other thoughtful civilians, a great number of our overseas military hospitals could not possibly be equipped with pianos.

"At the earliest possible date, your piano will be placed on board a vessel for shipment and prompt to an overseas military hospital where it will provide the much needed entertainment so essential to the rapid recovery of our wounded."

Mrs. Simon's daughter, WAC Cpl. Pearl Simon, is stationed at Fort George Meade, Md.

Student-Artist Recital Planned For Peck Studios Thursday

Members of the Student-Artist club of the Eleanor Bacon-Peck studios will be heard in recital at 87 Preston street next Thursday evening at 8:15.

Those playing will be Muriel Atkinson, Barbara Armstrong, George Irwin, Alyce Essayan, Irene Cubberly and Lyndon Swenson, all of Belleville, Lorraine Copperthwaite of East Orange and Marilyn Beers of Bloomfield.

George Irwin will also play the "Concerto" by Boykin with Barbara Armstrong at the second piano.

Two singers will be included in the program as guests, Anna Santiglia, pupil of Josephine Rossi, and Laurel Milne. They will be accompanied by Bertha Hermann.

Indra Bryant Receives Master's Degree At New York Univ.

Miss Indra Bryant, music supervisor for half the elementary schools, received her master of arts degree last night from New York university.

Miss Bryant holds a bachelor of science degree in music education from NYU and studied piano with Robert Casadeaux at the Beaux Arts school at Fontainebleau, France.

This summer she will return to Rainbow hospital, Cleveland, to teach music. The hospital is the orthopedic unit of the Western Reserve university hospitals.

Miss Bryant directs music in Cortlandt, Joralemon, Greylock, Passaic and Ralph schools. Seventy-seven of her pupils will matriculate at the high school year already trained in glee club singing.

Camp Mohican Filling Up Early; French Urges Registration

With the opening of Camp Mohican still three weeks away, 25 Boy Scouts have signed up for a total of 58 weeks, scout executive Harry T. French announced yesterday.

"The camp enrollment picture as a whole is far ahead of last year," he declared, "and all Belleville scouts who plan to go to camp this year are urged to sign up at once."

The first period beginning July 1 provides two more days of camping at no extra cost, he said, since the first week of that period begins on Saturday while all other periods throughout the season begin on Monday.

Edward Cantwell, Ruth Drentlau Receive S and L Certificates

Diplomas and certificates were awarded 43 students last night at the Essex House at the thirteenth annual graduation ceremonies and dinner of Newark Chapter 67, American Savings and Loan Institute.

Among those receiving awards were Edward P. Cantwell, president of the Newark chapter, and Ruth I. Drentlau, both of the DeWitt Savings and Loan Association.

Cantwell had earned his five-year diploma and Miss Drentlau received a certificate for completion of the course in real estate appraisals.

Ernest A. Minier, president of the Carteret Savings and Loan Association, presented the diplomas and certificates. Guest speakers included Dr. E. E. Agger, commissioner of the department of Banking and Insurance; Robert G. Bellevillites In Uniform

Second Lieut. Eldon C. Kunze, son of Mr. and Mrs. Arthur F. Kunze of 125 Cedar Hill Avenue, was commissioned May 30 after completing the infantry OCS course at Fort Benning, Ga.

Following a week's leave, he left yesterday to report to Camp Van Doren, Miss., for duty. Kunze is a graduate of the high school, from which he graduated in 1940, he was manager of track and treasurer of the senior class.

He matriculated at the University of Alabama and enlisted there in the Army reserve in 1942. He went on active duty a year ago and was ordered back to complete his college course.

At Alabama he was commander of the Phalanx Military organization, vice president of Beta Sigma Chi, member of Phi Eta Sigma and Gamma Sigma honorary scholastic fraternities.

Seaman 2/c Gary C. Tanis, son of Mr. and Mrs. Henry J. Tanis of 84 Mt. Prospect Avenue, has completed a brief leave following completion of boot training and has returned to Sampson (N.Y.) naval training base.

Bernard Yaskell Jr. of 14 Mt. Prospect Avenue, a Merchant Marine radio operator, arrived home last week for a short vacation before shipping out again.

A '43 graduate of the high school, he learned radio operation in the cellar of his home and in the Sea Scout ship here. His first trip was on the Great Lakes, his second to Africa and the third, from he just returned, took him to India for four months.

Chief Petty Officer Alfred Pascale, son of Mr. and Mrs. Salvadore Pascale of 22 Prospect Street, returned Tuesday to Key West, Fla., where he is a physical instructor. He had a 14-day leave here.

Capt. Bernard E. McBride Wed To Eleanor Butler Of Brooklyn

Capt. Bernard E. McBride, son of Mr. and Mrs. Edward J. McBride of 106 Tappan Avenue, was married last fortnight to the former Miss Eleanor Marie Butler, daughter of Mrs. Eugene G. Butler of Brooklyn and the late Mr. Butler.

Rev. Raymond J. Foley, the bride's uncle, performed the ceremony in Our Lady of Angels Catholic church, Brooklyn. Following a reception at the Towers hotel, the couple left for a brief honeymoon in the Poconos.

Miss Frances Moore was maid of honor and Miss Ruth Saunders and Miss Alice McMahon were bridesmaids. The best man was Joseph Maguire of 25 Fairway Avenue while Charles C. Gelschen of 106 Tappan Avenue and Charles Foley ushered.

The wedding came only a few days after McBride was promoted to captain. He is stationed at the Brooklyn Army Base.

Capt. McBride graduated from Belleville high school in 1924 and was admitted to the bar after graduating from New Jersey Law school. He has been in the Army two years.

America — *this is it!*

He's doing his part We must do our part!

For him the terrifying grand climax of the war is at hand.

The supreme military risk—bloody, costly in American lives.

Our boys know this. They don't have to read the heart-rending headlines or casualty lists to know what is expected of them.

They are *in* it.

But they are not flinching . . . not holding back.

They will see the grim venture through to the bitter, victorious end.

And if, for your boy, or some boy you know, the price of Victory is death, you can be absolutely certain that he did his part courageously . . . for the cause of Freedom.

For us, too, the terrifying grand climax of the war is at hand.

This supreme, desperate call for American dollars—*16 billions of them*—is to enable our fighting men to carry through the grim, bloody assault to a successful conclusion and Victory.

Not just American dollars—but the dollars in your pocket—in *your* savings account.

You *must* buy War Bonds—now! At least *twice* as much as you bought last time. If you are already buying Bonds on a pay-roll savings plan, buy **EXTRA** Bonds during this Drive.

Your Government is counting on you. Your boy—and your neighbor's boy—millions of *them*—are counting on you. Just as desperately as you are counting on them in this fateful hour.

► Don't let them down! Do your part—as they are doing theirs. Dig down, America—dig down deep! While there is still time. This is America's Zero Hour—Civilization's Zero Hour!

And here are 5 MORE reasons for buying **EXTRA** Bonds in the 5th!

1. War Bonds are the best, the safest investment in the world!
2. War Bonds return you \$4 for every \$3 in 10 years.
3. War Bonds help keep prices down.
4. War Bonds will help win the Peace by increasing purchasing power after the War.
5. War Bonds mean education for your children, security for you, funds for retirement.

Back the Attack! — BUY MORE THAN BEFORE!
