

SIX PLAYGROUNDS TO OPEN MONDAY FOR SUMMER

Valley, Hill Have Two Each, Singles In Soho, Lake; To Use Clearman Full Time

The beginning of the summer season in Belleville will be marked by the closing of schools tomorrow and the opening of the municipal playgrounds Monday. Public Property Director Noll announced the opening yesterday.

Six playgrounds are planned for the summer season: two in the valley, two on the hill, one in Soho and one in Silver Lake. All will be supervised by one or more staff assistants to recreation director Edward J. Lister.

The playgrounds will be open from 9:30 a.m. to 8:30 p.m. daily and will include in their routine activities the use of swings and other apparatus, baseball, softball, volleyball, handcraft and other games.

The largest program will probably be carried out at Clearman Field, opened to the Recreation department this summer after the board of education and athletic council decided in March to move high school athletics to the Municipal Stadium.

Bill Chapman of 81 Hornblower avenue and Frank Spotts of 155 Holmes street, football and baseball coaches at the high school, will be co-directors of Clearman's first year in the recreation system.

Miss Jean Bormann of 45 Mertz avenue, a junior at William & Mary college, and Victor Basquariello of 32 Wilber street, Bellboy basketball captain, will be in charge of the playground at the Recreation House.

Mrs. Muir Back, Mrs. Oline K. Muir of Nutley, who held the post last year, and John Byrnes of 57 Bridge street, high school football, will direct the activities at Cortlandt street school No. 2.

The program at St. Peter's school will be headed by Mrs. Marie Lombardy of 301 Joralemon street, a teacher at Passaic avenue school, and John Westlake of 32 DeWitt avenue, a St. Benedict's prep student.

Miss Agnes Culkin of 62 High street, a teacher in Union avenue school, will lead the playground which has been set up at Montgomery Presbyterian church on Mill street.

The Silver Lake center will be at the Friendly House on Florence avenue and will be directed by Miss Frances Barbone of 61 Eugene place, a teacher in the school in that section, and Gerald R. DeComa of Newark, a student at Seton Hall prep.

Gerald Bonavita has been retained as circulating instructor of classes in woodworking and Mrs. Muir will instruct the learn-to-swim classes at the Friendly House beginning July 1.

Special activities during the summer will include old and pet shows, sand modelling, folk and block dancing. Street showers will be operated during the warm weather, Noll said.

NEREIDS RE-ELECT CASEY DE JONGE

Brett, Member 50 Years, Honored; Ten Past Heads Attend 69th Dinner

Cornelius DeJonge was reelected to his second term as wartime president of Nereid Boat club Thursday night at the sixty-ninth annual dinner and meeting.

Officers named were Les-president: William N. Bennett Jr. W. Burnley of Nutley, vice-jr. of 197 Linden avenue, secretary: Victory Cooke of North Arlington and Joseph C. Duval of 30 Rossmore place, trustees for two years.

Cooke was also renamed captain of the club with Harold Bade of 122 Ralph street as lieutenant. It is expected that T. Russell Sergeant of 134 Adelaide street will be reappointed treasurer at the next meeting of the board of trustees.

Honored at the dinner was Roger W. Brett of Passaic who celebrated the fiftieth anniversary of continuous membership in the club. E. Schuyler Webster of Dover was similarly honored in 1940; he is still an active member.

Brett and Webster formed the doubles combination which won for Nereid the club's first open championship in the 1901 regatta of the Passaic river Amateur Rowing association.

Thursday before the dinner they rowed again on the Passaic in commemoration of the event.

Buy Two Millionth Westinghouse War Bond

MRS. KATHERINE MONGRELO of 400 Belleville avenue, an employee of the meter division of the Westinghouse company's Newark plant, receives the two millionth war bond purchased by Westinghouse employees through the payroll deduction plan. John E. Manning (right), chairman of the state War Finance committee, makes the presentation as P. G. Adams, industrial relations supervisor, looks on. (Westinghouse photo).

WOMAN HONORED AT WESTINGHOUSE

Mother Of Four Servicemen Buys 2,000,000th Bond At Newark Plant

Mrs. Dominick Mongrelo of 400 Belleville avenue, mother of four sons in the armed forces and wife of an invalid husband, Saturday received the two millionth war bond purchased through the payroll deduction plan of the Westinghouse Electric & Manufacturing company.

The bond was presented to Mrs. Mongrelo at the Westinghouse meter division in Newark by John E. Manning, chairman of the New Jersey War Finance committee.

P. G. Adams, industrial relations supervisor, reported that it brought to over \$50,000,000 the total value of war bonds purchased by Westinghouse employees.

Mrs. Mongrelo, a veteran of 17 years at the meter division, is a coil winder working on instruments to go into planes, tanks and ships. Eight dollars are deducted from her pay each week for the purchase of war bonds.

Sons In Service
Her four sons in service are Pfc. Dominick Mongrelo, 20, with the Army medical corps at Thomasville, Ga., Apprentice Seaman Arthur Mongrelo, 24, at the Sampson naval training station, T/Sgt. Felix Mongrelo, 25, with the Army air corps somewhere in the Pacific, and Virgil Mongrelo, 27, now at sea with the merchant marine.

Another son, Victor Mongrelo, 28, is engaged in essential war work at the Walter Kidde plant, and a daughter, Miss Caroline Mongrelo, works in the instrument assembly section of the Westinghouse meter division.

The Mongrelos have lived in Belleville more than twenty years. The children attended Montgomery, Silver Lake and Franklin elementary schools and the high school.

In addition to the bond which she purchased, another bond was presented to her by Adams on behalf of the Westinghouse labor-management committee.

Break Up Lunch-Hour Craps
A lunch-hour crap game in the middle of Roosevelt avenue was broken up Saturday by Deputy Police Chief Leighton and Detective Matoran and resulted in the arrest of four defense plant workers.

"Nabbed" were Lawrence Smith, 37, of Bloomingdale; Samuel Patter, 35, of Hasbrouck Heights; John Goganik, 28, of Newark; and James Sano, 17, of Nutley, who is also charged with resisting arrest.

The quartet was released in \$10 bail each to appear for hearing last night.

Blackout Smooth, Brunner Says; 811 Defenders Answer Call

A total of 811 members of the defense personnel responded for duty Thursday night during the practice blackout, Defense Coordinator Brunner revealed yesterday.

No incidents were planned and there were only five minor violations, all private homes or hallways of apartment houses, he declared thanking the public for the "fine response and cooperation" shown throughout the town.

Most numerous divisions represented among the defense personnel were the 561 air raid wardens, 58 police reserves, 44 ambulance corps members, 34 first aiders, 22 control center workers, 18 fire reserves and 13 ambulances.

Bill Jones, Nereid Oarsman, Killed In Europe Flight

Grandson Of Charles Granville Jones, Architect, Was AAF Intelligence Officer; Enlisted Fifteen Months Before Pearl Harbor

The death of First Lieut. William Brewster Jones in action over Europe May 27 was revealed in a War department telegram received Thursday night by his wife, the former Miss Philomena Fiore of Orange. It was the first information she had that Lieut. Jones, an Army air forces intelligence officer, had been flying over the continent.

Lieut. Jones was the son of Spencer Jones of New York City and the late Mrs. Jones. His grandfather was the late Charles Granville Jones, noted architect who drew the plans for town hall, the public library, the high school and other public buildings here.

Lieut. Jones was born in Belleville 26 years ago and graduated from the high school in 1936. He was employed in the engineering department of Public Service corporation and was attending Newark College of Engineering at the same time.

A member of Belleville's Nereid Boat club, he became an outstanding oarsman. He was known primarily as a crewman rather than as an individual star.

In 1937 he was a member of the Nereid junior four-oared gig which won the metropolitan championship. Two years later he was bowman in the Nereid junior quadruple shell which copped the title at the Peoples Day regatta in Philadelphia.

He reached the peak of his rowing career later the same year when he and Sidney Salomon, now a Ranger lieutenant in England or France, won the Middle State intermediate double shell championship at Baltimore.

In September 1940, more than a year before Pearl Harbor, he enlisted in the air corps and as an enlisted man rose to staff sergeant. He was commissioned at Miami Beach last July.

Subsequently he attended the AAF Intelligence school in Hartsburg, specializing in photo interpretation. He went overseas in February as an intelligence officer with a heavy bombardment group.

Besides his father and his wife, he is survived by two brothers, First Lieut. Spencer Jones Jr. with the Army engineers, and Richard Jones of Denver, and a sister, Miss Margaret Jones, also of Denver.

Ciano Prisoner
It is understood that Amedeo Ciano of 53 Naples avenue has been notified that his son, S-Sgt. Michael R. Ciano, is a German prisoner of war.

The B-24 Liberator gunner was reported missing April 12 on a raid over Germany. Ciano, who is 22, attended Barringer high school and has been in the Army two years. He went overseas in December.

Invasion News Sends Blood Bank Registrations To New High
A sudden surge of registrations beginning Saturday and continuing through the early part of this week assured the success of Saturday's blood bank, according to Miss Esther Adams of the Red Cross.

More than 260 have signed up for the bank, which will be held in the high school Saturday from 12 to 5, and Miss Adams said the quota of 180 pints is assured.

Concern over the invasion of France and pleas in the press last week were given as the chief causes of the influx of prospective donors. Besides the 260, the bank also has a reserve list to fall back on.

Two of the registrants, Mrs. Edna McQuoid of 31 Sunset avenue, and Paul Brandman of 111 Belleville avenue will be donating their ninth pints of blood.

TELL HIS MOTHER DESPITE PLEAS

Boy Hit By Car Worries About Parents' Reaction To Ripped Pants

Hardhearted police disregarding his plea, told Charles O'Brien's parents anyway that he had been struck by a car Saturday evening. They were also able to say that he was not seriously injured.

James Watson, 59, of 139 Linden avenue, Kearny, brought the 11-year-old youth from 247 Belleville avenue to police headquarters. He explained that Charles had run from behind a bus in Belleville avenue and was hit by the Watson car.

The boy suffered slight laceration of the hip and ripped trousers. Not exactly sure about which he wanted most to hide, he pleaded not to tell his mother.

Patrolman Dunn, however, took him home and explained the situation to Mr. and Mrs. O'Brien.

In another accident later that night, Joseph Migliari, 14, of 90 Magnolia street was treated at Columbus hospital, Newark, for face lacerations and a broken tooth. He was released after treatment.

Louis Notre of 70 Magnolia street told police he was driving his car north on that street and that Migliari was riding his bicycle in the opposite direction but on the same side of the street.

The youth struck the fender of the car and was thrown to the pavement. Notre took him to the hospital.

CAMP KIN-LE-SPEC HAS NEW DIRECTOR FOR THE SUMMER

Mrs. Percy Karrer Named To Manage Girl Scouts At South Mountain

The appointment of Mrs. Percy Karrer of 130 Overlook avenue as director of Camp Kin-Le-Spec was announced yesterday by Mrs. Elmer S. Hyde of 43 Rossmore place, head of the Belleville Girl Scout district.

Kin-Le-Spec is a summer camp maintained by the Belleville district at South Mountain reservation and will open July 3 for an eight-week period.

Mrs. Karrer, whose husband is an infantry private at Camp Blanding, Fla., is the mother of two children and has lived in Belleville 17 years.

She graduated from Darby (Pa.) high school and took a physical education course at Temple university. She was employed for eight years in the First National bank and headed the Belleville schools savings program for many years.

Mrs. Karrer was a Girl Scout herself for some time and until six years ago was leader of the scout troop which meets at Greylock school.

She said yesterday that more than fifty girls have already registered for the camp, that July is "pretty well taken up" but that

Mrs. Percy Karrer

there are still numerous openings in August.

New Cabin
At the camp, the Girl Scouts maintain a newly constructed cabin in near similar cabins of other camps. Nearby are the games for a better tomorrow.

Reservations at the camp are exclusive to Girl Scouts until this Saturday, after which non-scouts will be accepted.

Mrs. Karrer will be at Girl Scout headquarters at 400 Washington avenue tomorrow from 3:30 to 5 and Saturday morning from 10 to 12 to accept reservations.

"The camp, which is supported and maintained by the community, is a great asset in preparing girls for a better tomorrow," Mrs. Hyde said yesterday.

"Backed by national resources and community interest, it supplements the formal education of girls. It provides parents, in return, a safe place for their daughters. It is worthy of your support."

COMMITMENTS FOR RELIEF CONTINUE TO DROP HERE

January-April Expenditures Were 44 Percent Under Last Year's Costs

Belleville relief commitments during the first four months of 1944 are 44.8 percent under the similar period of 1943, according to figures released yesterday by the state Municipal Aid Administration.

This year's expenditures were \$5,310 compared to \$9,986 a year ago. At the end of April Belleville had on its relief rolls 33 cases involving 75 persons.

More than seven out of every ten of the 6,197 cases aided during April throughout the state were made up of long-term or presumably permanent dependents, said Charles R. Erdman Jr., administrator.

"Nearly eight percent of the

Police Seek Mother Who Left Three Children In Home Here

Police were still seeking last night for the mother of three children deserted three weeks ago at the home of Mrs. James E. Owens of 98 Dow street. The tots are Anna 4, Catherine 2, and Charles 16 months.

Left at the Owens' home, a children's boarding house, by a "Grace Tyler" the children have remained there ever since. All are said to bear bruises as does the mother.

Grads Must Wait

The high school commencement scheduled for last night, was rained out and postponed until tonight (or the first clear night) at 6:30 at Clearman Field.

The original announcement last night said the exercises would be held Friday; but a later conference changed the date to tonight, weather permitting.

SAILOR'S DEATH IS REPORTED ERROR

Confusion In Lapinski Name Brings Bride Near Collapse; Solved By Red Cross

From the depths of despair to a new lease on life within 48 hours was the experience of Mrs. Ida McCoombs Lapinski of 340 Belleville avenue last weekend, a bride of four months.

Thursday she and her husband's mother, Mrs. Adella Lapinski of Bloomfield, received Navy Relief Society letters comforting them on the "death" of Machinist's Mate 1/c Frank Lapinski June somewhere in the North Atlantic.

The younger Mrs. Lapinski, who is the daughter of Mr. and Mrs. John McCoombs, was prostrated and under doctor's care. The wedding of the sailor's brother, scheduled for Sunday, was cancelled.

A Saturday morning another letter received here seemingly confirmed the previous information that he had died at an advanced amphibious base. The Lapinskis had appealed to the Red Cross in the meantime since they had received no Navy department official telegram.

Mrs. Louis A. Noll, head of the home service department of the local chapter, wired Washington for information.

Saturday afternoon the family received a telegram from the Bureau of naval affairs of the Red Cross that records, to that time, showed no casualty for the Belleville and Bloomfield Lapinskis.

It is believed that the Frank Lapinsky referred to in the original communication lived elsewhere and that the practical identity of the two names caused the mix-up.

When the good news came through, the brother's wedding went forward as scheduled and Mrs. Lapinski's co-workers in the Walter Kidde Plant No. 3 had a mass of thanksgiving offered in St. Peter's Catholic church Sunday morning.

Tech. Sgt. George Prezioso Home From South Pacific

Saw 535 Combat Hours, 72 Missions As Radio-Gunner On Flying Fortress; Will Report To Atlantic City For Reassignment

Veteran of 535 hours of combat flying and 72 missions in the South Pacific, T/Sgt. George Prezioso will be at home until June 22 for his first rest since going overseas 28 months ago. He is spending it with his parents, Mr. and Mrs. Salvatore Prezioso of 50 Naples avenue. Thursday he will report to Atlantic City for reassignment.

High adventure in more than two years of fighting the Japs was his lot in the Pacific. A mechanic-radioman-gunner on a Flying Fortress, Prezioso clashed with the enemy more than once and was shot down in June 1942, spending several weeks among friendly natives before being able to return to base in New Guinea.

Prezioso, who is 34, grew up as many another Yank has: he attended Silver Lake school, Belleville high and Bloomfield Vocational schools. He enlisted in the Army in November 1940 after a short hitch with the CCC.

His mechanical training he took at Chanute Field, Ill., his radio and gunnery in New Guinea after he went over in February 1942. His first big battle was in the Coral Sea action in which his plane sank several Jap troop carriers.

Later while participating in the Bismarck Sea battle, he and all the other American airmen were horrified when they watched parachuting crewmen of another B-17 ruthlessly machine-gunned by Jap Zeros.

Fighting mad, almost blindly, the Yanks lashed out with every measure of firepower and bombed and strafed everything in sight in the air and on the sea. Few Japs escaped.

Skip-Bomb Tanker
Outstanding in his memory is an attack at Wewak. After the Fort skip-bombed a tanker from 150-foot altitude and watched the ship go down, the B-17 circled and headed for the Wewak air-drome.

Caught with their Zeros down, the Japs lost more than a hundred planes on the ground, every one they had there. "We bombed them and the B-25s strafed them," Prezioso said.

In June 1942 on the way to attack Rabaul, his Flying Fort got up a little oil pressure in one engine and the prop had to be feathered. The attack continued nevertheless.

"After the bombs were away another engine began to spit flames from the supercharger, giving our position away to the AA guns. We were knocked up pretty badly."

The plane lost more and more altitude and suddenly ran into an electric storm "which bounced us around like a rubber ball." They battled the storm for four hours.

Finally the fuel ran out and the compass and flight gyro went out of kilter. The crash landing at sea was inevitable.

After riding in rubber rafts for three days, the crew was picked up by friendly natives who harbored them for three weeks until they could be rescued by an Al-

War Loan Starts Fast With \$10,000 Bought First Day In Homes

Invasion Spurs Purchases Here, Says Dettelbach, Organizations Urged To Sponsor Own Bond Rallies

Belleville has started the Fifth War Loan campaign in a manner which threatens to overshadow the 200-percent effort of the Fourth last February, according to chairman Philip Dettelbach. More than \$10,000 rolled in from house-to-house solicitation alone on the first day.

Undoubtedly motivated by the knowledge of the seriousness of the second front which opened last week on the beaches of France, Bellevillites flocked to issuing agencies early this week and threw open the doors of their homes to the volunteer bond salesmen.

At presstime, reports were still too meager to tabulate officially; but the off-the-record picture was one of the brightest of all the drives so far, Dettelbach said.

The municipal thermometer of progress has been set up in front of town hall and numerous industrial plants and other business houses have duplicated it to record their own advance toward their goals.

Listing the issuing agencies here, Dettelbach said the First National and Peoples banks are authorized to issue any type of security; DeWitt and North Belleville savings and loans, the Capitol theater and the postoffice may sell Series B, the "people's bonds."

Church, civic, fraternal and other organizations in Belleville were urged again yesterday to plan bond rallies within their groups. Necessary materials may be obtained from Defense Council headquarters in town hall.

From many sources yesterday, information drifted in of the plans and accomplishments of many groups to participate in the drive.

Wekearny Allocation
Western Electric of Kearny announced that Belleville's share of credit for its war employees' purchases is \$1,687.50 under its community allocation system.

Mrs. James F. Flynn of 24 Smith street was announced as one of the team captains in the campaign now under way at the United Electronics company plant in Newark.

Employees and management of Isolantite Inc. have selected the purchase of a light Army tank, valued at about \$40,000, as the goal of their efforts in the drive.

The vehicle of war is equipped with sending and receiving transmitters in which insulating material is extensively used. Harold D. Clifton, works manager, is chairman of the drive under the jurisdiction of the labor-management committee.

There will be fifty solicitors and all purchases of bonds by cash or payroll deduction throughout the plant during June and July will be credited to the drive.

Telephone Rally
More than 175 employees of this district of the New Jersey I. C. Telephone company attended an opening rally Monday morning at the Recreation House.

War motion pictures were shown and the meeting was addressed by George J. Schneider, representative of the Telephone Workers Union, and P. I. Langdon, district equipment superintendent.

At a scouters' roundtable meeting Tuesday, plans for the promotion of Belleville Boy Scouts were made. The scouts are swinging into action June 24 to July 3rd.

"With the invasion probing reaching its fullest fury in next few weeks, casualties unquestionably be of concern to all Americans," said Scout Executive Harry French yesterday.

"So the scouts of Robert Council have set as their goal 74-ton field ambulances. To at least one ambulance for \$1,350, that is the amount each troop will strive to sell."

"Each troop that buys an ambulance will have its troop number and town or city place the vehicle. Every troop in Belleville that reaches the goal will know that somewhere in the battlefields of the world the ambulance, marked 'troop Belleville', will be transporting American boys back to safety and medical care."

The meeting was addressed by Mr. Dettelbach and Defense Coordinator Brunner.

Rotary Bomber Lost
Belleville Rotary is expected to name as its goal in the Fifth War Loan the purchase of an other heavy bomber. Word has been received that the B-17 "Belleville Rotary" was lost on its first mission over Europe several months ago.

A resident of Belleville for the past twenty years, Mrs. Kate Wadsworth Chappel of 76 Tappan avenue, widow of George Chappel, died last fortnight after a month's illness.
She is survived by her daughter, Mrs. Florence Estelle, and two grandchildren, all of Belleville. Rev. Dr. O. Bell Close conducted funeral services and interment was in Long Island.

John Rhodes, fire controlman, received his petty officer 2/c rating last week, according to word received by his parents, Mr. and Mrs. Frank Rhodes of 30 Lincoln terrace. He is serving on a battleship in the Pacific.
Rhodes, who has been on his present assignment 10 months, entered the Navy at Newport two years ago. He went to sea after his training there. A '41 graduate of the high school he was a well known basketball player here and continues the sport on shipboard.

Bellevillites In Uniform

Col. George R. Bickell

Lieut. Col. George R. Bickell, husband of the former Peggy Flynn of 94 Van Houten place, has been promoted to colonel and awarded his third oak leaf cluster in England.

Bickell, who is probably the only man fighting the Nazis today who fought the Japs in the air over Pearl Harbor two and a half years ago, is a P-51 Mustang fighter group commander.

A mere second lieutenant at Pearl Harbor, he has risen through six ranks as an officer in the Army air forces. His group has been credited with destroying 260 Nazi planes, damaging 191 more and has 41 probables.

Mrs. Bickell, daughter of Dr. and Mrs. Edward A. Flynn, has two brothers in service: 2d Lieut. Edward A. Flynn Jr. in the infantry in England, and Sgt. Russell Flynn, former Bellboy court star, last heard from on the Anzio beachhead.

Lieut. A. P. Perkowski

Second Lieut. Alexander Paul Perkowski, 26, son of Mr. and Mrs. Edward Perkowski of 40 Harrison street, won his commission and navigator's wings in the Army air forces Saturday at San Marcos Field, Texas.

He attended Montgomery and Franklin schools and graduated from the high school in 1935. Before entering the Army 14 months ago, he was an assistant foreman in the Bloomfield plant of Walter Kidde company.

Eleven weeks after induction he was made an aviation cadet. He underwent training at Western Reserve university, San Antonio aviation center, Ellington, Keesler and San Marcos fields.

He arrived home Tuesday with his wife, the former Isabel Monkski of Scranton, and will report Saturday for further study at Boca Raton, Fla.

He has two brothers in service: Sgt. Benjamin Perkowski is with the quartermaster corps in England and Apprentice Seaman Felix Perkowski is undergoing boot training at Sampson.

His cousin, Cpl. John Perkowski of the Harrison street address, son of the late Mr. and Mrs. Anthony Perkowski, has been a prisoner of the Japanese since the fall of Bataan.

First Lieut. James D. Craven, recently returned from active service as a pilot in England, has reported to Buckingham Army air field, Fort Myers, Fla., for further duty. He is the son of Mrs. James A. Craven of 298 Union avenue.

Craven graduated from the high school in 1938 and was employed at the Atlas Supply company, Newark, and Walter Kidde company here before entering the Army two years ago as an aviation cadet.

He received his wings and commission a year ago at Altus, Okla., went overseas in August, took part in 25 combat missions and returned to the States in April. He is now studying to be an instructor.

Promotion to first lieutenant of 2nd Lieut. Frederick E. Rossnagel was made known here this week by his parents, Mr. and Mrs. Emil Rossnagel of 34 Perry street. Lieut. Rossnagel is a signal corps instructor at Fort Ord, Cal. Commissioned at Fort Monmouth last July, he was married that month to the former Miss Louise Moore of Dunedin, Fla. He was assigned to the California camp in December. The couple now live in Monterey.

Lieut. Rossnagel will complete his fourth year in the Army in September. His civilian employment was with the Fidelity Union Trust company of Newark previous to which he attended Belleville high school and Bloomfield Vocational school.

Sgt. Orlando Luzzi, better known in fistic circles as Mickey Greb, who lives on Hunt place on the Belleville-Nutley line, is athletic director of a troop carrier squadron in Panama.
During his ring career he won more than 100 of his 150 bouts before retiring in 1939. He enlisted two years ago and has been in Panama a year and a half.

Cpl. James L. DeBonis

A \$2,000 war bond, bought by his father Monday at the opening of Fifth War Loan, was presented to Cpl. James L. DeBonis, 21, who has been somewhere in the South Pacific for the past eight months.

The son of Mr. and Mrs. James DeBonis of 545 Union avenue, he graduated from the high school two years ago and worked at American Precision Products Inc. of 160 Cortlandt street.

He enlisted in the Marines in January 1940, took his training at Parris Island, Camp Lejeune and Camp Pendleton before going overseas. His brother, Pfc. Frank DeBonis, is stationed at Fort Bragg but is currently in New York participating in the Fifth War Loan demonstrations.

Even as Allied fliers are blasting every possible means of transportation in Europe to harass the Nazi defenders, American transportation corps experts are waiting in England to rebuild it to speed the invaders into Berlin.

Among them is recently-promoted 1st Lieut. Charles H. Charrier, son of Mr. and Mrs. Henry Charrier of 154 Academy street and husband of Mrs. Leona C. Charrier of 30 Marion road, Upper Montclair.

Charrier left his position as treasurer of The Crescent Press at 133 Washington avenue and was inducted into the Army in January 1941. He had previously served four years in the Essex troop.

He was commissioned at Camp Lee, Va., in February 1940 and since last October has been assistant to the executive officer of the railway division of the transportation corps in England.

Capt. Dominic Macaluso, whose wife resides at 7 Hilton street, is serving as a member of the staff of an Army station hospital in the Mediterranean theater of operations which has handled more than 10,000 sick and wounded.

A life-long resident of Belleville, Macaluso graduated from the high school, Washington university and the St. Louis Medical school. He has been in the Army three years and overseas 15 months.

Seven years ago he married the former Geraldine Blase of New Brunswick and they have one child, Charles. The captain has two brothers in service: Sgt. Carmen Macaluso in the dental corps at Macon, Ga., and Pfc. Michael Macaluso in anti-aircraft artillery in Sicily.

Sgt. David C. Bogert of 152 Garden avenue graduated last week from the armored force school at Fort Knox, Ky.

Hospital Apprentice 1/c James Hyde, son of Mr. and Mrs. Elmer S. Hyde of 43 Rosmore place, has been transferred from the Navy to the Marines and is stationed at Camp Lejeune, N. C.

The air medal was added this week to the distinguished flying cross already worn by S/Sgt. Frank H. Walter, husband of Mrs. Veronica Kay Walter of 29 Elmwood avenue.

A graduate of St. Benedict's prep, Walter entered the Army in August 1942 and went overseas to the Southwest Pacific a year later. He is a radio operator in the Troop Carrier Command.

He was married Christmas eve 1942 to the daughter of Mr. and Mrs. John S. Kay of the Elmwood avenue address who moved here from Jersey City eight years ago.

Sgt. Raymond S. Squitieri has recovered from his wounds and is "in good health" in a German prisoner-of-war camp, according to the most recent letter received by his parents, Mr. and Mrs. Victor Squitieri of 62 Naples avenue.

Squitieri was captured in Sicily in July 1943. Twice in the previous six months he had been wounded, the most serious being the shrapnel which pierced his arm and chest in May 1943.

He has three brothers overseas: S/Sgt. Victor Squitieri Jr. with the Engineers in Italy, Seaman 1/c Edward Squitieri in the naval amphibious forces in England and Pvt. Warren Squitieri with the Army air forces in North Africa.

Lieut. Clifton Waid

Lieut. Clifton Waid, son of Mrs. Raymond C. Waid of 321 Stephens street, was recently promoted from the rank of lieutenant junior grade. He is with the submarine branch of the Navy air corps.

The Waides are former Nutley residents. Graduated from the high school there, Lieut. Waid attended Hobart college, received his bachelor of science degree from New York university and master's degree from Columbia university before entering service.

DOUBLE YOUR EXTRA WAR BOND INVESTMENT IN THE 5TH WAR LOAN

THIS is the year of decision. This is the year that General Eisenhower said might bring victory in Europe. But no victory can be won with "part-time" soldiers... either in the invasion or on the home front.

We know our fighting men are ready for anything... anywhere... bar nothing. How about you? Are you ready to match their fighting spirit with your War Bond purchases? It's the American way to work together and fight together—freely.

Once again America asks you to invest in extra War Bonds—more than you've ever subscribed for before. Remember—it's for invasion! For victory!

Zink Appointment Would Benefit State

According to all prognostications, civil political, it appears that the new position of state commissioner of taxation and finance will be offered by Governor Edge to Comptroller Homer C. Zink. The Governor is expected to nominate the Belleville man tomorrow when the legislature meets in Trenton. The only name mentioned as competition for the job is that of Finance Commissioner Arthur Walsh but the Trenton grapevine has it that the Senate would demur at naming a Democrat, even an independent Democrat.

Totally aside from that consideration and with no disparagement intended toward Mr. Walsh, we feel that the appointment of Mr. Zink to the post would be in the best interests of the state. Mr. Zink has proved time and again that he is an able public administrator and that he is not swayed by personal or political prejudices. He has, with the aid of a couple of very able assistants, raised the comptroller's office to a high degree of efficiency and has shown a grasp of matters financial which surprised many during the several years he has been in office.

Mr. Zink is not what the boys would call a smart politician; he was never willing, during his terms as assemblyman and senator, to compromise his decisions by playing party politics to the detriment of the people's interests. His lone Republican vote for the confirmation of Frank Hague's son to the supreme court shocked the old guard; but time has proved him right in that instance. He saw no reason why the sins of the father should be visited on the son who, he was convinced, was entirely capable of carrying out the high purposes of the court. But his heresy then was not forgiven easily by the powers-that-be and they moved him upstairs to the comptroller's office. To their surprise, his prestige has increased tremendously ever since.

The appointment of a Belleville man to the high post would naturally please local residents; but in this matter decisions must be reached regardless of native pride. We feel that there are few men, nevertheless, who could so capably fill the exacting requirements of the position. Therefore, we trust that, should the post be offered him, Mr. Zink will consider his duties toward the citizens of the state in making his decision.

Sixty-Day Patriots Hinder War Effort

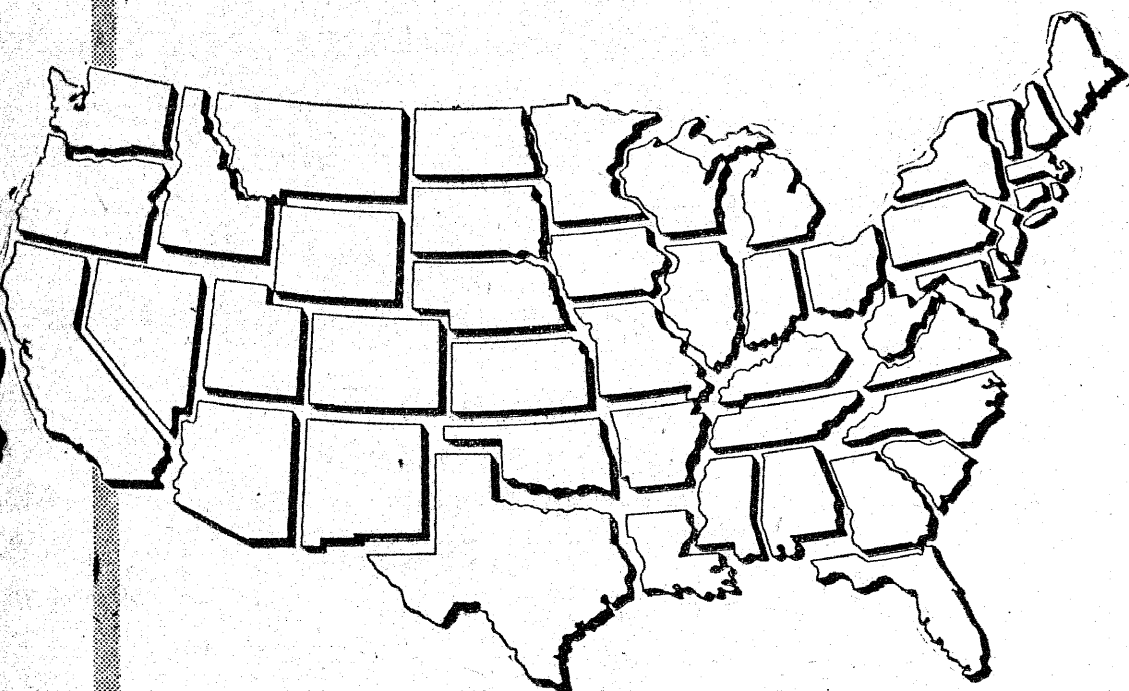

Considering the seriousness of the fight in which we are now engaged for the preservation of democratic ideals for ourselves and for our children, there is a remarkable number of Sixty-Day Patriots walking our streets. The Sixty-Day Patriots are the individuals who buy war bonds, hold them for the necessary two months and then run to the nearest agency to cash them in. One day they hold out to the boys at the front a small bit of money and say "This is my contribution to you to keep you alive and bring you some safely as quickly as possible." The next day they get internal jitters and are scared of their own burst of generosity. So they go back to the fighting man to say, "It was all a mistake. I have to get a new hat so give me my money back."

Most of these characters bought the bonds in the first place not through any sense of patriotism, but merely because they did not want to appear cheap in the eyes of the bond salesman, who was probably making his rounds at night after working all day. Inordinate pride forced them to part

with \$18.75, begrudging every penny of it. It would have been better for them never to have bought the bond in the first place, for they made a contract with the government which they did not intend to keep. They knew in their hearts when they passed over the money that they were just Sixty-Day Patriots.

At the present time the men at the local postoffice are spending nearly as much time cashing bonds as they are making out new ones. They would not be open to censure if they give bond-cashers short shrift and snappy answers. The spectacle of dozens of persons every day coming to the windows to take back their loans to the fighting men is one that would sicken the heart of any honest person. They have watched the lines of Sixty-Day Patriots besieging their counters and they are nauseated by them. The occasional necessity of cashing bonds is easily understood, but there are many who return time and again to repeat the same procedure. For them true Americans can have nothing but contempt.

READERS DEMAND BOOKS ON WAR

Library Finds Its Patrons Want Inside Information And Encouragement

Many new books of non-fiction have been published lately on a variety of subjects, but most in demand are those which deal with happenings of the present war, and those books which have been written for the sole purpose of giving strength and hope to us in these troubled days.

In this latter group, recently added to the Free Public Library's non-fiction department is A Chain of Prayer Across the Ages, forty centuries of prayer from 2000 B. C. to the present day compiled and arranged for daily use, by S. F. Fox.

Other new books added are: Yours is the Earth, by Margaret Vail; the story of an American woman's escape from the Nazis, with her small daughter, through France and North Africa, and on foot across the Pyrenean Mountains. Bataan, the judgment seat, by Lt. Col. Allison Ind.; the saga of the Philippine Command of the U. S. Army Air Force from May 1941 to May 1942. This is an eye-witness record of the courageous men who faced defeat in the first phase of the Pacific War. Salute Me! by Lt. George Bristol; the humorous adventures of the author as he goes through officer's training school.

Summer Hours

The following hours will be observed at the Library this summer, beginning June 17 until September 6th:

Monday, 9 a. m. to 9 p. m.
Tuesday through Friday, 9 a. m. to 5-30 p. m.
Closed Saturdays and holidays.

Mrs. Anthony Roselle Named Head Of State GAR Women

Mrs. Anthony Roselle of 46 Harrison street was elected president of the New Jersey Woman's Relief corps at the convention of that body which concluded Thursday in Newark.

Sessions were held at the Hotel Sheraton and Masonic Temple. The corps is auxiliary to the Grand Army of the Republic.

Mrs. Roselle, conductor of the local H. V. Vreeland Woman's Relief corps, served as vice-president of the state organization last year. She is also a past-president of the Belleville corps.

Other Belleville women who received state offices at the convention were Mrs. Harry Fredericks, counselor, and Mrs. David McIlvrid, senior aid. Also elected were Bloomfield members of the Vreeland corps, Mrs. Amelia Giardini, new secretary of the state body, and Mrs. Lillian Coryell, chairman of the executive board.

NYU Graduate

lied plane and returned to their base.

Another thrilling adventure was the Battle of Supplies at Mamote airstrip in the Admiralty Islands, one of the hardest-fought campaigns of that phase of the Pacific war.

Supply Mission

Prezioso flew on a supply mission to drop food and ammunition to the Yanks on one side of the strip. On the other side were the Japs, determined to prevent the Americans from getting the supplies.

So after dropping the goods, the pilot wheeled the huge ship around and made three strafing runs over the Jap side of the airstrip. The Yanks got their supplies.

It was Prezioso's ship from which General MacArthur, General Kenney and General Blamey directed the paratroop invasion which cut off the Nip garrisons at Lae and Salamaua last September.

Petrean Club Reelects Leonard; To Hold Picnic Sunday

Suspending part of their constitution for the duration, the Petreans reelected James A. Leonard of 26 Bridge street to his third term as club president Tuesday night. Also renamed was secretary Miss Gertrude Barnett.

The newly elected vice president is William R. Brickell, treasurer Mrs. Catherine Lukowiak Sullivan; marshal Fred Fisher. Voted places on the executive committee were Mrs. Jane Lukowiak Fitzgerald and John L. Sullivan Jr.

The club will hold its annual picnic Sunday at 11 at the home of Mr. and Mrs. Justin Maguire of 197 Belleville avenue.

St. Peter's Graduates 43

St. Peter's parochial school graduated 43 eighth-graders at commencement exercises held Sunday afternoon in the church. Diplomas were distributed by Rev. Joseph M. Kelly and Rev. John S. Nelligan.

The graduates were addressed by Rev. Dr. A. J. Welsh, STD, professor of sacred theology at Immaculate Conception seminary at Darlington.

The musical portion of the program was provided by the choruses of the seventh and eighth graders with Thomas A. Hancy at the organ. Sister Mary Justina is in charge of the school.

work. Come to the board at 444 Washington avenue, Belleville and ask to see Mrs. R. G. Huntington.

Survey Results

Schmutz also gave the total results of the food store price survey for all North Jersey. Of the 7,473 food stores checked, 93 percent were observing price ceilings on the 16 items and 71 percent were in full compliance with both price ceilings and price list posting requirements.

Among the price violations the largest number occurred on butter; fresh string beans were next; and smoked ham third. The largest number of posting violations involved failure to place price tags on cuts of meat displayed in showcases.

The next largest number failed to show the retailer group classification poster. Quite a few stores failed to display official price list on meat, groceries, and fresh fruits and vegetables.

Watson's Steelers Cop Second In Barber Shop Singing

The Steelers, a quartet which included Tax Assessor Charles W. Watson of 65 Overlook Avenue as second tenor, won second place in Thursday's barber shop quartet competition in Branch Brook Park sponsored by the county park commission.

The Steelers finished close behind the Garden State quartet, repeat winners. The other members of the Steelers are Victor Ledeky of Ridgewood, Richard Davis of Palisades and William S. Cairn of West Englewood.

The program was interrupted midway by the blackout but the interval was filled, in total darkness, with community singing. Other groups competing were the Garden State Four, Four Aces, Riverside Four, Four Sportsmen, Essex Big Four and Tri-County Slickers.

Carlton Kings Try To Teach Eskimeaux To Jitterbug

"You would get a kick out of the Eskimeaux," Mr. and Mrs. Carlton King of 227 Little street wrote from Greeland in a letter received this week by Nathan Fingerhut of 217 Greyleck parkway, manager of the dairy department at the Big market.

"I even danced, or should say tried to dance 'jitterbug' with one," Mrs. King wrote, but indicated she was not very successful. "I was the first female (English or American) to step on certain soil. I felt so pleased about that."

The Kings are on an extended tour of the USO-Camp Show circuit, bringing their magic and patter act to the soldiers in the far north. Before going to Greenland they visited Baffinland and "above the Arctic circle."

NATIONALS AGAIN TRIP CRUSADERS

Three Runs In Second Win 3-2 Decision Over Nutley; Meier, Marshall Pitch

In their third meeting of the year, the Belleville Nationals tripped the Nutley Crusaders 4-2 for their second win in the three-game series.

The contest was played Sunday at Municipal Stadium and the victory brought the Nationals record to four wins as against a pair of setbacks.

The Nationals stormed ahead in the second with a trio of scores and from there on were never behind. Jack Meier started for the Nationals and yielded but one hit and one run during his four-inning chore.

Johnny Marshall took over in the fourth and scattered four safeties during the rest of the game. Meier was credited with the win, his third of the season.

For the Nutley team, Rotunda hurled the whole game. The latter whiffed ten but also was guilty of issuing ten base on balls.

Catcher Harry Lanno paced the Nationals with three bingles. This Sunday the Nationals will be trying to tie their playoff series with the Tri-Cities when they meet the latter at Municipal Stadium at 2:30.

In a morning game Sunday, the Junior Nationals swamped the Belleville Templars 11-2. Paul Simpson homered for the winners.

SILVER LAKE COPS SCHOOL MARGIN

Trounces Union Avenue Nine To Remain Undefeated In Baseball League

Slashing the Union Avenue nine to ribbons Wednesday at Belleville Park, the Silver Lake school team convincingly demonstrated its right to top rung in the grammar school baseball league.

Union and Silver Lake were both undefeated previously but the latter scored in every inning to take over first place along with a healthy 13-1 triumph.

Passaic eked out a 3-2 win over Greycliff in one of the few close games this season. White and Lanno silenced their opponents' bats from the beginning and it required an extra inning to decide the contest.

Franklin winning its first game of the season, lambasted a hapless Cortlandt nine with a 15-7 margin. Stickle and Padula led the Passaic attack.

It took just three innings to convince the Ralph streeters they were in the wrong league as Joramelon, scoring seventeen runs in the second inning, pounded out a 21-0 victory.

TWENTY-MILE RACE EARLY SUNDAY

Fourth Annual Handicap Tilt Leaves Town Hall At 6 A.M. Finishes At Fort Lee

Thirteen entries had been received up to yesterday morning and another score were expected for the fourth annual running of the Belleville Bicycle club's twenty-mile handicap race Sunday.

The event, points in which will count toward the Amateur Bicycle League championship of the year, will start from town hall at 6 a.m. and the finish will be in Fort Lee near the George Washington bridge.

The local club has offered a trophy for first place and prizes to the first ten to finish. A team trophy has also been put up for competition.

Six of the entries to date are members of the B.B.C. They are Herb Henderson, Ed Littig, Dave Arata, Bob and Joe Arnot and Chuck Wille. Dave Burrington, another local, will race under the colors of the Olympic Bicycle club.

Other entrants are George Kriebel and Harvey Mayer of Philadelphia's 20th Century Cycling club; Bill McNutley and Charlie Lohr of Long Island Wheelmen; Vince Menci, Jim Mintz and Vince Santa Lucia of Plainfield; and Patsy LoCaso of the Century Road club of the Bronx.

Littig retained his undefeated status in the club's races by coping the event on the way back from Denon last Sunday. Bob Arnot, Wille and Wally Reed finished in that order.

Joe Arnot was leading the pack until he took a wrong turn somewhere along the road and finished out of the money.

High School Coaches Honored At Awards Assembly

High school coaches were honored at the awards assembly at the school last week. Each was presented with a gift from his team.

Football mentor Bill Chapman received a silver cup, presented by Seaman 1/c James Dunleavy, captain of the '43 Bellboy grid-ers.

Coaches "Jitty" Wische of basketball, Frank Spotts of baseball and Nova Babb of freshman basketball were given fountain pens while Miss Margaret L. Leahy received a bracelet from the cheerleaders.

HILLTOPS AGAIN WIN EASILY

Hand-Blue Jays First Loss By 12-3 Margin; Braves Win, Rams Forfeit

The Hilltops continued their winning ways in the intermediate softball league at Belleville Park last week by knocking out their only first-place threat, the Blue Jays 12-3.

With Palumbo, Bini and Torlorella each garnering a trio of hits, the Hilltops left little doubt of their superiority. They started off with four runs in the first and were never headed.

The Braves climbed into second place by hammering out a 19-4 aceing to the Starlings. Hickman jolted three hits and Del Grosso crossed the plate five times to lead the Brave attack.

The Rams, still unable to field a full team, forfeited to the Cardinals.

Fishing Tourney Accelerates As Bass Season Opens Today

Relaxation Of Offshore Fishing Ban Proves Boon To Governor's Competition; Commission Issues Regulations For Fresh And Salt Bass Take

Fresh water fish entries in the Fourth Annual New Jersey Governor's Fishing Tournament will be accelerated after today when the popular bass season opens while offshore fishing in the salt waters of the coast has already gained momentum because of the lifting of the ban against such sport, the State Fish and Game commission announced today.

Encouraging fishermen to enter all of the largest fish caught in 14th fresh and salt water areas, the commission predicted today that the 1944 tournament should surpass all previous contests in popularity because of the relaxation of the offshore fishing ban this year.

Opening of the bass season today will complete the open seasons in New Jersey. The trout season previously opened April 15 and the pike and pickerel season May 20.

Fish and game laws require that black, Oswego or large-mouth bass must be at least nine inches long to be retained. The minimum legal size of calico bass and crappie is six inches. Daily catches permitted are ten in all of large- or small-mouth bass, twenty rock bass, twenty in all of calico bass and crappie.

The commission encourages licensed fishermen to take an active part in the new bass season, which closes November 30, in order to increase the state's food supply and because of the recreational advantages of angling on the lakes of the State and along the streams.

The commission again called attention to the law which prohibits taking more than 25 in the aggregate in one day of fresh water game and food fish.

Valuable merchandise plus several hundred dollars worth of war bonds and a large congratulatory check, are included among the prizes to winners of the fourth annual fishing tournament.

First prize will be the Governor's trophy to be personally presented by Governor Edge, after the tournament concludes November 30, to the holder of the best catch of the season.

Other prizes contributed by New Jersey concerns include a \$25 merchandise bond, Kay-woodie pipes, a large assortment of gift boxes, fan belts and brake linings for cars, a Congoleum rug, a sterling silver chain, boxes of Havana cigars, boxes of neckties, men's shoes and shaving kits.

All fish caught either in the fresh waters of New Jersey or in the salt waters within the state or off the coast from boats or from beaches, piers, bridges or other land locations, are eligible to be entered in the Tournament by fishermen.

Entry blanks may be secured from game wardens, or at bait and tackle stores, hotels, yacht clubs and other points along the coast for mailing to tournament headquarters, New Jersey Council, State House, Trenton.

LACK OF LICENSE COSTS HIM \$358

Newark Fined Third Time For Driving Without It, Faces Bribery Charge

It has cost Adolph Nappi, 23, of 354 North Seventh street, Newark \$358 in fines to operate his car from January to June and his troubles are far from over. Wednesday night he paid \$150 fine and \$3 costs imposed by Recorder Smith. Previously he had been fined \$100 in Newark and \$105 in Bloomfield.

His license was revoked last January after he was involved in a fatal accident, according to police. Each of the three fines has been on a charge of driving without a license.

The latest episode, however, also carries a charge of attempted bribery with it. He is accused of having offered Park Patrolman Charles Ebnan \$10 not to issue a summons.

Smith, after hearing the not guilty plea, released him in custody of his attorney, Anthony Giuliano of Newark, to await hearing before the grand jury.

Another Licenseless

Joseph Pico of 600 North Sixth street, Newark, was fined \$15 and paid \$3 costs after being found guilty of driving without a license. He was arrested by Patrolman Lione May 24.

Leo J. McDonald of 173 Jauncey avenue, North Arlington, pleaded guilty to a charge of drunken driving, paid \$225 in fines and costs and lost his driver's license for two years.

McDonald was arrested May 25 by Patrolman Mallack following a short chase after he had side-swiped a parked automobile on Dow street. He was pronounced drunk by Dr. Martin M. Meehan and Dr. Anthony R. Caputo.

Montgomery Church Strawberry Festival Features Play

The Friday evening strawberry festival and entertainment at Montgomery Presbyterian church will be opened to the public. It will be presented in the main Sunday school room at 8.

A one act play "Child Wonder" will be part of the entertainment program under the chairmanship of Mrs. H. M. Snyder. Mrs. Snyder, Mrs. Edward Rochau, Mrs. Harry Fredericks, Mrs. Russell Rugg, Edward Rochau and Fred Kurner are members of the cast.

The committee will also present Mrs. Evelyn Schoner, mezzo soprano, and the Misses Mary Haberle and Sue Morris, saxophone and violin soloists who are members of the high school orchestra.

Mrs. Herman Gerber is in charge of refreshments and Mrs. Rochau will conduct the sale of tickets. She may be reached at Be. 2-3921-M.

Teacher Grad

Miss Gloria Luhrs

Miss Gloria Luhrs, daughter of Mr. and Mrs. Rudolph Luhrs of 121 Rutgers street, will receive her degree of bachelor of science in education Saturday in commencement exercises at Jersey City State Teachers college.

At Jersey City, Miss Luhrs was treasurer of the psychology club, on the art committee for the yearbook and a member of the glee club. At Belleville high school, from which she graduated in 1940, she was on the Monad staff.

Next year she will teach in the Belleville school system, her contract having been approved at the April meeting of the board of education.

Isolantite Women War Workers Adopt New Safety Headress

Women machine operators at Isolantite Inc. started this month to wear company-furnished blue caps with net snood and transparent peak for protection against accidents.

Although no serious casualties have occurred in the Jerusalem street plant, some women have had small patches of hair removed when long ends caught in their machines.

No one in the machine department is exempted from wearing the caps. Other safety measures include a ban on sleeves below the elbow and loose jewelry such as bracelets and necklaces.

The Steiger Industrial restaurant service was installed in Isolantite's cafeteria last week. Thomas Bullock of Bloomfield is in charge. The cafeteria seats 250 persons; three lunch hours are scheduled for the first shift and one lunch hour for the second shift of workers.

"Doc" Hood Injured

William Hood, caretaker of the Recreation House, suffered minor bruises and abrasions Saturday afternoon when he was struck by a car at Prince street and Springfield avenue, Newark. He was treated at Newark City Hospital and released.

Mrs. Herman Gerber is in charge of refreshments and Mrs. Rochau will conduct the sale of tickets. She may be reached at Be. 2-3921-M.

Town Nurse Angele Chapman Honored On 20 Years' Service

Miss Angele Chapman of 11 King place, one of five town nurses, was tendered a luncheon at the Franklin Arms in Bloomfield Thursday in honor of her completion of twenty years' service at maternal and child health nurse. A native of Mobile, Ala., she was graduated from St. Agnes hospital there.

Present were Miss Margaret Mulholland of Madison, state supervisor of nurses in this area, and the Misses Helen Gilman, Mary Miller, Ethel Ackers, and Esther Olsen, Miss Chapman's co-workers.

Mrs. Helen Peterson, health department secretary; Mrs. Ernest W. Whynall, Belleville-Nutley Tuberculosis association nurse; Miss Ellen Smith, former state supervisor; Miss Elizabeth Smith, former tuberculosis nurse now associated with Walter Kidde company; and Mrs. Lillian Metcalfe, who preceded Mrs. Peterson as health department secretary, also attended.

West Point, Annapolis Openings Announced By Senator Walsh

Examinations for West Point and Annapolis will be held in Newark July 29 for the year 1945-46 Tuesday. Walsh announced Tuesday. There are openings for principal and three alternates to West Point and two principals and three alternates to the naval academy.

For West Point, applicants must not have reached their twenty-second birthday by July 1, 1945 and for Annapolis their twenty-first birthday by April 1, 1945; but they must be 17 by those dates.

Applications to take the examinations must reach Senator Walsh's office in Washington by June 20. New applicants must submit exact date of their birth and indicate where they would prefer to take the exam: Camden, Atlantic City, Elizabeth, Newark, New Brunswick, Paterson, Trenton or Washington.

Subjects for the examination will be algebra, English composition and literature, plane geometry, U. S. history.

Mrs. Joseph J. Huemer Elected County Legion Treasurer

Mrs. Joseph J. Huemer of 179 Cedar Hill avenue was elected treasurer of the Essex County American Legion auxiliary last fortnight in Newark. Treasurer of the Belleville Legion auxiliary for eight years, Mrs. Huemer has also served as past president of the unit.

She has held the post of sergeant-at-arms in the county group. Mrs. Huemer has assisted in the Legion sale of bonds and stamps at the Capitol theatre.

She held the presidency of the Ladies Aid society of Redeemer Lutheran church for seven years and is a member of the Red Cross canteen and surgical dressing workers here.

Mrs. Huemer will be installed in the new Legion auxiliary post at joint county installation ceremonies Saturday during the convention in Orange.

Food Sale For Christ Church

The Ladies guild of Christ Episcopal church will conduct a food sale Saturday afternoon from 2 to 5 in the parish house at Washington avenue and Little street.

Homemade cakes, pies and other items will be sold under the direction of Mrs. Arthur MacCarriek and Mrs. Fred Idenden. Mrs. Sylvester Frazer will preside at the tea table.

A "white elephant" table will exhibit decorative items which will be sold by Mrs. William Mounon.

What news will Gen. Eisenhower get from us?

You know now what we've heard from him.

We've heard that Eisenhower and his Americans have hurled themselves like a thunderbolt against the bristling defenses of Hitler's Wehrmacht!

We've heard that they are smashing at our foe—sparing neither steel nor sweat nor blood in one final, furious assault that marks the supreme military effort of this War!

And what news do Eisenhower and his men expect from us?

Men and women of America—what the Invasion is to our fighting men, the 5th War Loan is to us at home!

For us, as well as for them, this is the crisis—the time for tremendous, overwhelming effort! Make no mistake! The 5th War Loan will undoubtedly be the biggest, most vitally impor-

tant financial effort of this whole War!

If the 5th War Loan is to succeed, each one of us must do more than ever before—must buy double... yes, triple... the Bonds we bought last time.

Our men expect to hear that we are buying double—that we are matching their sacrifice as best we can—that the American nation, soldiers and civilians together, is making one gigantic effort to win this War!

That's the news our men expect to hear from us.

Will you personally see that they get it?

And here are 5 more reasons for buying Extra Bonds in the 5th!

1. War Bonds are the best, the safest investment in the world!
2. War Bonds return you \$4 for every \$3 in 10 years.
3. War Bonds help keep prices down.
4. War Bonds will help win the Peace by increasing purchasing power after the War.
5. War Bonds mean education for your children; security for you; funds for retirement.

Jacqueline Snedeker Graduates From College For Women

Miss Jacqueline Snedeker of 572 Washington avenue received the degree of bachelor of science last week at New Jersey College for Women. Miss Snedeker is the daughter of Mrs. Anne A. Snedeker and is a graduate of Belleville high school.

At N. J. C. Miss Snedeker majored in home economics and was a scholarship holder throughout her college career. Winner of the Anna Hallock award for home economics, she has been recognized in a dean's list for her high academic standing during the 1942-43 college year. She was awarded "Group I" rating her first three years at college.

As an outstanding member of the sophomore class she was chosen torch bearer at the annual Yule log ceremony. She was a member of the Home Economics club for four years and of the Curie Science club for the past two years. She has been elected alumnae class member to the board of directors of the alumnae for five years.

During her senior year she served as vice-president of the student government association, chairman of her dormitory and an

adviser to freshman students, as well as a member of the League of Women Voters.

Miss Snedeker completed a war service course in home nursing this year and taught nutrition to expectant mothers, a community service project in which N.J.C. students participated in the local Visiting Nurses association.

At the final meeting of Brownie troop 24 Monday afternoon six girls were invested: Kerin Browne, Beverly Campbell, Dorothy Milligan, Harriet Ackerman, Sandra Transue and Carol Shiffman.

The youngsters met at the home of their leader, Mrs. John J. Staudt of 125 N. street. There are now 35 Brownies in the troop.

Westinghouse Delegates Vote Raise In Little Steel Formula

Representing 13,000 employees of the Westinghouse plants at Belleville, Bloomfield, Newark, Jersey City and Trenton, delegates to the UERNW Westinghouse District 4 conference board last week urged upward revision of the "little steel" formula.

Richard Lynch, president of Local 410 which includes the local plant, pointed out that Westinghouse workers have received increases totalling 15 cents an hour since January 1941.

In the same period, he said, food costs have skyrocketed 43 percent. The conference adopted a resolution asking for a 17-cent per hour raise.

The conference, dispatched telegrams to Stabilization Director Vinson, War Labor Board chairman Davis, Senators Hawkes and Walsh, asking that they support the resolution.
