

New Harmony Settles, Williams in Control

Commissioners Sign Cooperation Pledge after Stripping Public Safety Head of Police Power

A semblance of harmony settled over town hall this week as the five Commissioners joined hands in a pledge to work together as a unit and not as five separate individuals. All five signed a resolution introduced by Mayor Williams which declares that "five separate governments do not exist in fact or in theory" and "we as board members individually and collectively pledge ourselves to cooperate to supervise our individual departments and jointly assume our full moral and legal responsibility in the management of all other departments."

Thus the dove of peace attempted to settle over the municipal affairs of the town following hard on the heels of the greatest week of turmoil in more than a decade. It was a week which saw the grand jury dismiss allegations that the mayor was linked with gambling interests which sought to begin operations in Belleville, at the same time rapping police and Commissioners for lack of "mutual confidence."

It was a week which saw the police department burst wide open by the escape of two prisoners from custody, thus giving the mayor further ammunition for his charges of laxity and inefficiency in the department.

With these two happenings in the record books, Mayor Williams moved in on Public Safety Director King Thursday night and, with the assent of Commissioners Noll and Mertz, stripped King of control of the police department.

Powers Transferred
Williams himself introduced the resolution "that all the executive, administrative, judicial and legislative powers, duties and authority relating to the police department, Recorder's court clerk and traffic control . . . are hereby assigned and transferred and distributed to the department of Revenue and Finance."

The mayor explained he was taking over the court clerk (Fred B. Handlon) but not the recorder (Everett B. Smith) because he has "nothing but the highest respect for Recorder Smith's administration of the court."

King, who appeared stricken silent by surprise, did not protest the move and did not vote on it. Noll seconded it and Mertz voted aye. Commissioner Waters was not present at the special meeting.

"I will immediately begin action to reestablish public respect for the police department," Williams is quoted as saying later. "The members of the force will be advised that the best efforts of Chief Spatz and myself will be exerted to supervise and administer the functions of the department."

"I am confident the members will render their best efforts when assured of proper administration."

Resumes Directorship
Williams thus stepped back as director of the police department, a post which he held for nine months when he was acting Public Safety director following the death of Commissioner William D. Clark.

The break between Williams and King started when the latter aligned himself with Noll in efforts to place Mertz on the board, a move which the mayor and Waters blocked for nine months.

"My carefully considered judgment," said Williams before introducing his resolution Tuesday, "is that it was the intention and desire of the framers of the Walsh Act (under which law Commission form of government operates) that municipalities adopting such Walsh Act should function by and with all Commissioners assuming their full share of responsibility in the proper operation of all departments of the municipal corporation. . . ."

"As your finance director since 1930, I have considered it my duty and prerogative to ascertain the need for any expenditure in any department, or to check the operating procedures of any department."

"During my first administration, such actions on my part were considered unorthodox and were resented. . . ."

"During recent administrations, since 1934, my questioning of expenditures and operating methods have been generally accepted finally, if not always ardently."

Recognize Interdependence
The resolution states that "the Commissioners collectively and individually recognize that each and all members are responsible for the proper conduct of all departments and, while each member is charged with the direct responsibility of supervising the specific duties assigned to him, each Commissioner publicly pledged."

WILLIAM J. SALMON KILLED IN ACTION IN PALAU ISLANDS

Pvt. J. Howard McMaster, T-Sgt. Patrick Hoey Wounded In European Theater

The last time that Cpl. William J. Salmon saw a member of his family—was in December 1942

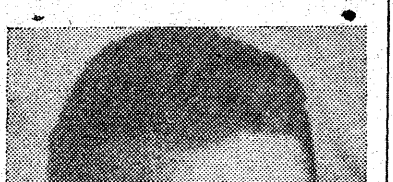

Cpl. William J. Salmon

when he met his brother, Sgt. James F. Salmon, on Guadalcanal. The youths enlisted in the Marine Corps together a week after Pearl Harbor.

Last week their parents, Mr. and Mrs. Joseph A. Salmon of 36 DeWitt avenue, were notified by the Navy department that William was killed September 23 in action on Peleleu in the Palau Islands. He was 21.

Cpl. Salmon had seen a lot of action since he shipped overseas 28 months ago. He was a veteran of the Guadalcanal, Cape Gloucester and New Guinea campaigns. He was a sniper-scout.

He left Belleville high school in his junior year to enter the CCC. Upon his release he worked for Viking Tool & Machine corporation during the day and took a course in mechanical drawing at night.

T/Sgt. Patrick J. Hoey

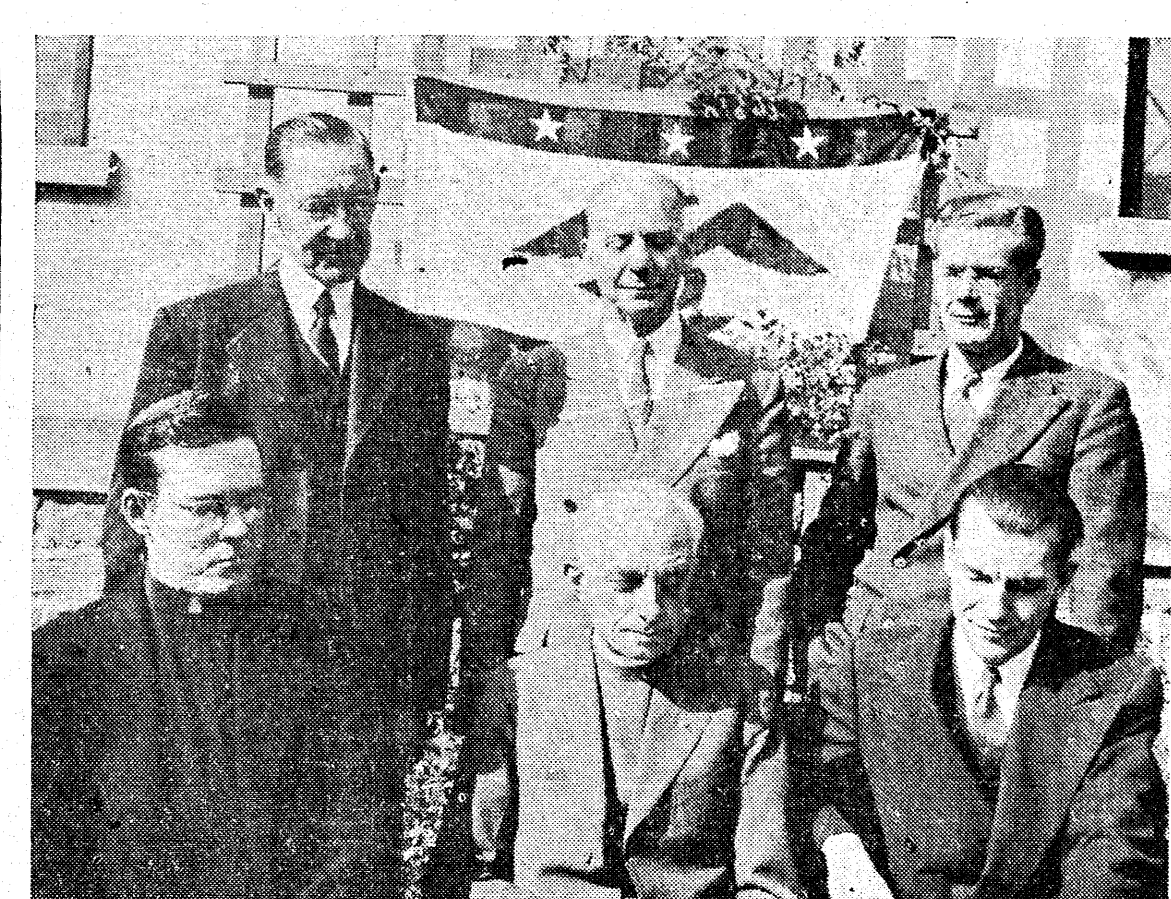

Wounded for the second time since he went into action two years ago, T/Sgt. Patrick J. Hoey, 25, is back on combat duty in Germany, he has written his aunt and uncle, Mr. and Mrs. Daniel Hoey of 18 Prospect street.

Hoey suffered wounds of the left wrist and hand July 24 during the Normandy campaign. While convalescing in an English hospital he was visited by his cousin, T/Sgt. Daniel Hoey Jr., who is now in France with a tank destroyer unit.

The infantry platoon leader was first wounded March 23, 1943 in Tunisia. He was awarded the legion of merit, one of the nation's top awards, for refusing to leave his gun position until it was properly manned and ready for an expected counterattack.

Hoey, born in Flushing, L. I., attended high school in Elmhurst but lived with his relatives here since the death of his parents ten years ago. He was employed in Hearn's Department store, Newark, prior to his induction in January 1941.

Town's Churches Take Lead This Week In Promoting Belleville War Chest Fund

Clergymen Pledge Full Support of Campaign to Raise \$67,000 by Thanksgiving; McCorkle Outlines Plan To Urge Contributions of Eight Hours' Pay

The churches of Belleville will go all-out in their support of the Belleville War Chest (combining the National War Fund and the local Community Chest and Council) this weekend when the annual War Fund Sabbath will be observed. Saturday in the synagogue and Sunday in all other churches, the clergymen of the town will give their parishioners specific reasons for their support of the campaign which is attempting to raise \$67,000 here to aid six local charitable organizations and more than a score of national groups formed solely for the morale of our fighting men and the relief of war-stricken Allied-held nations.

As forerunners of the sermons and announcements which will be preached in every Belleville church this week, numerous clergymen yesterday issued individual and collective statements to The Times citing the need for 100 percent support of all persons living and working in Belleville. Details of the campaign, which will run until Thanksgiving were also revealed by Lester E. McCorkle of 686 Belleville avenue, general chairman of the 1944 War Chest.

Yesterday McCorkle and the division chairmen who are directing the efforts of the industrial, school, small business and municipal employees committees issued a joint appeal for support of the town:

Eight Hours' Pay
"In the midst of the greatest war in history, you are asked to give either one hour's pay for eight days or one day's pay for eight hours. . . ."

"That's all you are asked to give to help that mud-caked kid in the foxhole, the men guiding our convoys and the people of the United Nations who have been bombed, blasted and starved by the most fiendish enemy who ever set out to conquer. . . ."

"The National War Fund means giving to the USO, United States Service, United Nations Relief and the other nineteen affiliates, in addition to six local agencies."

"The plan of giving one hour's pay for eight days have been fully endorsed and widely accepted. Each employee group in the town is asked to set this objective as the minimum gift."

Andrew G. Salkeld is vice chairman of the drive and the industrial committee is headed by El-

Nab Escaped Fort Dix Prisoner, Sought For Fourteen Months

An escaped prisoner from the Fort Dix guardhouse was spotted by two Belleville police Sunday and within a few hours found himself back in the military prison from which he fled fourteen months ago.

The prisoner was Pvt. John P. Dellatore, 24, of 9 North Eighth street, town who escaped from the guardhouse at Dix August 28, 1943, before completing the sentence which he had received for AWOL.

Guided by the teletype description and a picture which were flashed at that time, Detective McGinnis and Patrolman Lukowick spotted Dellatore in a doorway on Franklin street.

The police were out on another job at the time. Dellatore offered no resistance. He was brought to police headquarters and later turned over to military police.

Clergymen Urge Chest Support

Numerous clergymen yesterday voiced their approval and support of the Belleville War Chest, which combines the National War Fund and the local Community Chest and Council.

Rev. Peter R. Deckenbach of Christ Episcopal church:

"Today we stand at a crossroad in human affairs, a new juncture in history itself. All of us have a major part in the great world drama and each one must accept the role destiny seems to have laid upon him. . . ."

"Let us enter the Belleville War Chest with new vitality, accepting our full responsibility and giving to the utmost for the support of the agencies listed in the campaign."

Rev. O. W. Chapin of Montgomery Presbyterian church:

"I am supporting and commend to all citizens of Belleville the 1944 War Chest now under way. As an American citizen, no one can, with a clear conscience, evade this opportunity to support the Chest."

"The benefits directly or indirectly affect every home and family of our community. Those who live in Belleville and are aware of the work accomplished through the funds derived from the Chest cannot but feel this worthy cause deserves wholehearted support."

Rev. Edgar M. Compton of Wesley Methodist church:

"I heartily subscribe to the Belleville War Chest. May I urge the people of our town to respond heartily and generously to the call now being made."

Rev. Anthony Di Loria of Holy Family Catholic church:

"The Belleville War Chest, in which the Associated Catholic Charities will again actively participate, is deserving of the complete and generous support of our many parishioners living in Belleville."

Rev. Marshall J. Whitehead of Grace Baptist church:

"In the Belleville War Chest we have an excellent opportunity to link our concern for home needs with a widening concern for the needs of the world. . . ."

"As we gladly and generously support this most deserving appeal, our charity is rightly beginning at home but also continuing abroad. I give my hearty endorsement to the War Chest."

Rev. Joseph M. Kelly of St. Peter's Catholic church:

"The belief in, and individual application of, our divine Lord's Sermon on the Mount (the best way to plan and preventative of future war) is fulfilled understandingly by each individual's."

FIRE LADDER TRUCK SLIGHTLY DAMAGED IN AUTO COLLISION

Car Disregarded Red Light, Police Say; Woman, Daughter Injured in Other Crash

The Fire department's hook-and-ladder truck is back ready for action this week after having been slightly damaged Friday morning in a collision with a car while on the way to a fire.

The truck, driven by Fireman William MacKillop, 46, of 235 Linden avenue, was racing south on Washington avenue in response to a fire call from 96 Heckel street.

John De Franco, 24, of 353 Third avenue, Newark, was driving west on Rutgers street and made a left turn into The Avenue in the path of the speeding fire engine, which struck the rear of the car.

Police declared that all the traffic lights on Washington avenue were red, having been pulled by the master switch in police headquarters. They say De Franco ignored the stop signal.

The rear of the car was badly damaged. The fire truck suffered a bent axle. De Franco was shaken up but refused medical attention. Firemen MacKillop, Daniel Spillane, Carl Hundertpfund and Nicholas Catone escaped injury.

A woman and her daughter were slightly injured Saturday night in an automobile accident at Franklin avenue and the entrance to Branch Brook Park opposite the entrance to the Jergens plant.

According to the story released by police, Joseph Zarro, 37, of 145 Harrison street, Bloomfield, was driving north on Franklin when a truck, coming in the opposite direction, pulled out to pass a halted car.

Crash Head On
The car and the truck, which was owned by the Krueger Brewing company of Newark and operated by William Salvatore, 33, of 709 North Sixth street, Newark, collided head on.

Riding with Zarro were Mrs. Vito Del Guercio and her daughter, Gilda, 12, of 437 Joralemon street. They were treated at Isolation hospital for face lacerations and transferred to Beth Israel hospital, Newark.

In an accident shortly after midnight Monday, John De Gange, 23, of 300 Maine street, West Orange, complained of head pains and was taken to St. Mary's hospital, Passaic.

De Gange was a passenger in a car driven by Andrew Crummy, 18, of 102 Watson avenue, West Orange, which collided with an auto operated by Rocco Masi, 32, of 61 Passaic avenue, Nutley, at William street and Union avenue. Crummy's car, according to police, was struck in the left rear.

Red Cross Volunteers Resign in Noll Protest

Four Walk out in a Body in Protest Over Dismissal of Home Service Head by Chapter Chairman

The entire staff of volunteer Red Cross home service workers has resigned in protest over the dismissal of Mrs. Louis A. Noll of 627 Belleville avenue, it was learned yesterday by The Times. The feeling is running high in many quarters of the town over her dismissal two weeks ago as chairman of the home service department of the Belleville chapter. Despite the declaration by chapter president B. Thomas Aitken that no criticism of Mrs. Noll's work is involved in the move, sentiment is demanding a fuller explanation of the sudden decision to drop the chairman after her 21 months' service in that capacity.

The four women who had been voluntarily assisting Mrs. Noll in her work are Mrs. Harry Nees of 20 Elena place, Mrs. George E. Stickle of 47 Walnut street, Mrs. Jay F. Epting of 32 Elena place and Mrs. Frank Rutledge of 194 Little street.

Their positions as home service volunteers were not appointive so no formal resignations have been tendered. Each yesterday said, however, that she had stopped reporting for duty.

Mrs. Noll was appointed to the home service post in January 1943 after having conducted several first aid courses for the Red Cross.

For the next year and a half she and her assistants carried the entire burden of the investigations and problems of servicemen and their families, throughout Belleville.

Many Disagreements
She and Aitken clashed several times during that period over matters of policy, the most important issue being the employment of a trained secretary to take over the field work of the department.

Mrs. Noll suggested a year ago that such a person be hired but Aitken publicly opposed the move. The executive committee finally approved the proposal but Mrs. Muriel Taggart of 12 Essex street was not employed until several months later.

The climax of the "conflict of personalities" was reached October 9 at the monthly meeting of the executive committee when Aitken announced that Mrs. Noll was discharged and the post vacant.

The move was declared to be in the "best interests" of the chapter but Aitken has refused to amplify that statement further.

He said this week that he intended to appoint another chairman at the November 13 meeting of the committee. In the meantime Mrs. Taggart will be in complete charge.

Irvington Police Capt. Graff Credits Leighton in Arrest

Says Belleville Detective Chief Solely Responsible For Breaking Borriello Case; Tells Entire Story Of Disputed Investigation and Capture

"If it were not for the work of Elmer Leighton, the Borriello case would still be wide open," declared Capt. William F. Graff of the Irvington police yesterday in a statement to The Times. Thus he gave the lie to a published statement last week alleging that the Belleville deputy police chief had grabbed unwarranted glory and had nothing to do with the capture of the two alleged liquor thieves.

Graff was being queried on the solution of the case and the arrest of Ralph Borriello and Peter Muschio, charged with (among others) having stolen about 25 cases of liquor from the Simon Liquor store here.

As Graff told the story, Irvington's Sgt. Frank Hennessy surprised two burglars in the act of a liquor robbery in that city several days after the Belleville break.

The robbers fled but the car which they left behind was traced to James Borriello of 43 Florence avenue. Graff and Sgt. Elmer Morgan came to Belleville to check further and found the man reporting his car stolen.

Leighton was called from his home at 6:15 that morning. He took James Borriello alone into a room and soon emerged with the admission that it was the man's brother Ralph who had the car the previous night.

Police Car Damaged
The second Safety department vehicle to be damaged within four days was a police radio car which was badly smashed when hit by a large garbage truck.

Police said the car was parked in front of town hall when a truck, owned by C. Egan & Sons of 102 Fair street and driven by William Chambers of 239 Amherst street that town, made too wide a turn from Belleville into Washington avenue.

Sunday inspection of Camp Kin-lispec in South Mountain reservation, Belleville's Girl Scout cabin, was made by council members at the suggestion of Harry G. Specht, president of the Belleville Foundation under whose auspices, it now seems clear, enlargements and repairs to the cabin were made in preparation for the accelerated program of camping during the summer of 1943.

Present were Mrs. Hyde, Miss Bardaghy, Mrs. Percy Karver who supervised more than one hundred children there this summer, Mr. and Mrs. Specht, Girl Scout program chairman Mrs. George R. Gerard, Mrs. Edward J. Ackerman, Miss Mary Stanier, Mrs. Frank J. McFadden, council members and Troop 7 leaders, Mrs. Leif Scheie and Mrs. Ward Lay.
The camp name was chosen during the first season under the directorship of Miss Virginia Charlton to commemorate the interest shown in Girl Scouts here over a period of years by Commissioner Joseph King, Mrs. Manley and Mr. Specht.

local officer, arrested Borriello in his room.

Borriello, however, refused to reveal under questioning the identity of his accomplice in the Irvington job, evidently fearing the wrath of other prisoners should he be sent up for a stretch. "Again it was Leighton who broke the case," Graff asserted. "We were stumped but he, through sources I am not at liberty to reveal, uncovered Muschio who later confessed."

Borriello and Muschio were

held without bail by Recorder Smith for action of the grand jury. They subsequently made the round of other towns for questioning.

Two weeks ago they were returned to Belleville for further grilling and James Borriello was also picked up. While being detained in an unfinished room in police headquarters, the brothers

wormed their way through an unbolted corner of the heavy screening and made their escape.

While they are being sought, Police Chief Spatz has made a complete report of the escape to his new superior, Mayor Williams, who will decide whether or not the officer in charge of the men is to be brought up on intra-departmental charges.

CHECK YOUR LIGHTING

says Reddy Kilowatt

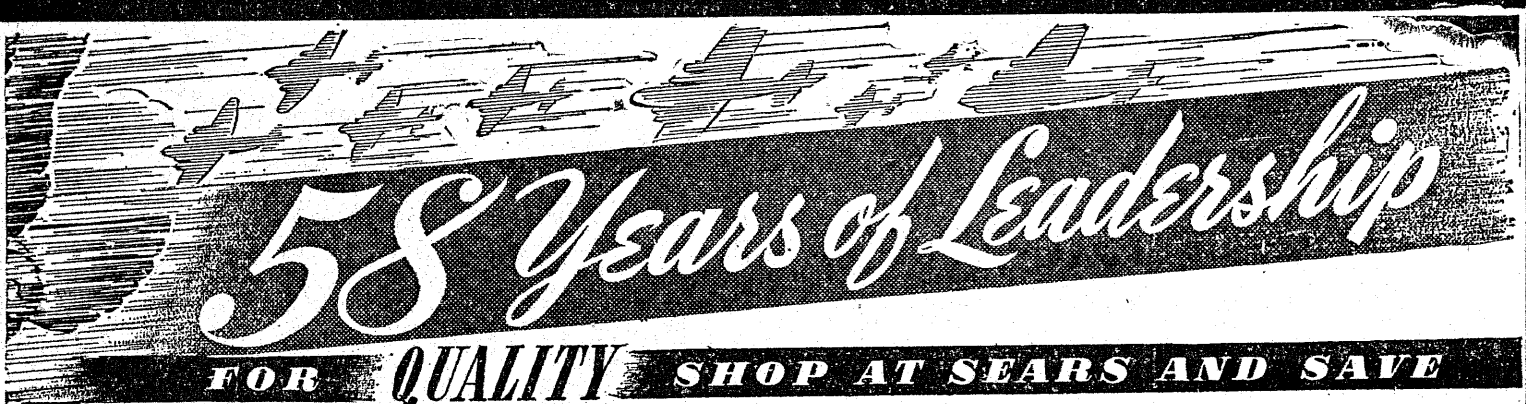

MAKE SURE your lamps have Mazda bulbs of the correct wattage. Lighting equipment should be cleaned regularly. Even a thin film of dust on shades or reflectors will reduce the amount of light. Every now and then look at the Mazda bulbs under daylight. If they're blackened, replace them with new ones. You can use the old ones in rooms where you don't do close visual work.

Spatz Reports to Safety League
On Bicycle Registration

Police Chief Spatz will render a report tonight to the Essex County Safety League on the success of the police campaign here to register all the bicycles in the town.

Spatz said yesterday he will "try to sell" all the other municipal safety chiefs on the idea of registration but that he still believes "the state motor vehicle department should take over the job on a statewide basis."

Spatz inaugurated the idea here nearly two months ago and since then more than 250 bicycles have been stamped with a registration number and their owners supplied with an identification card.

Prime purpose of the move, Spatz declared, is to aid police

in recovering stolen bikes. Registrations are still continuing at the rate of more than a half-dozen a day.

Town Ordinance

PUBLIC NOTICE is hereby given that the following proposed ordinance was introduced and passed on first reading at a meeting of the Board of Commissioners of the Town of Belleville held Tuesday evening, October 24th, 1944 and further notice is hereby given that the second and third reading of said ordinance will be considered by said Board at a meeting to be held at the Town Hall, Washington Avenue and Belleville Ave., Tuesday evening, November 14th, 1944 at eight o'clock P.M. W.T. when all objections to the passing of the same will be heard and considered.

FLORENCE R. MOREY,
Town Clerk.

AN ORDINANCE ESTABLISHING BUILDING LINES ON THE WEST SIDE OF MAIN STREET AND PROVIDING FOR THE ACQUISITION OF LANDS NECESSARY FOR SAID ORDINANCE, AND APPROPRIATING THE SUM OF SEVENTY FIVE HUNDRED DOLLARS (\$750.00) THEREFOR, AND AUTHORIZING THE ISSUANCE OF BOND ANTICIPATION NOTES FOR SAID PURPOSE.

Whereas, map entitled "Building Set Back Line of Main Street from Rutgers Street to Nutley Town line, dated March 10, 1944 and made by C. G. Faust, Engineer in Charge, and approved by this Board of Commissioners at meetings held on April 11, 1944, which meeting was duly and lawfully advertised;

The Board of Commissioners of the Town of Belleville, in the County of Essex, do ordain:

Section 1. That the location of said proposed building line is hereby established by ordinance in accordance with the provisions of R. S. 40:15-27, and that lands necessary for said acquisition be acquired by the Town of Belleville.

Section 2. It is hereby determined and stated that it is necessary that the Town of Belleville, in the County of Essex, shall raise money for the purpose set forth in the immediately preceding paragraph, and that the estimated amount of money es-

timated to be raised from all sources for said purpose by the Town of Belleville is \$2,000.00, and that the estimated maximum amount of notes necessary to be issued for said purpose is \$2,000.00.

Section 3. To finance said purpose there shall be issued pursuant to the Local Bond Act of the State of New Jersey in anticipation of the issuance of bonds, local anticipation notes of said town, which shall not exceed in aggregate principal amount the sum of \$2,000.00. Said notes shall bear interest at a rate which shall not exceed six per centum per annum and may be renewed from time to time pursuant to and within the limitations prescribed by said Act. All matters with respect to said notes not determined by this ordinance shall be determined by resolution to be hereafter adopted.

Section 4. To finance said purpose there shall be issued pursuant to the Local Bond Act of the State of New Jersey in anticipation of the issuance of bonds, local anticipation notes of said town, which shall not exceed in aggregate principal amount the sum of \$2,000.00. Said notes shall bear interest at a rate which shall not exceed six per centum per annum and may be renewed from time to time pursuant to and within the limitations prescribed by said Act. All matters with respect to said notes not determined by this ordinance shall be determined by resolution to be hereafter adopted.

Section 5. Not more than three thousand dollars of the sum to be raised by the issuance of said notes may be used to finance interest on obligations issued to finance said purpose, whether temporary or permanent, or to finance engineering or inspection costs and legal expenses, or to finance the cost of the issuance of such obligations, as provided in Section 40:15-3 of Revised Statutes.

Section 6. It is hereby determined and declared that the public usefulness of the purpose for the financing of which said notes are to be issued is a period of forty years computed from the date of said bonds.

Section 7. No part of the cost of making said improvement has been or is to be specially assessed against property specially benefited thereby.

Section 8. For the purpose of this ordinance, it is necessary to acquire the lands shown on the map referred to above.

Section 9. All the lands and any right and interest therein required for the said purpose that cannot be secured by gift or purchase are hereby condemned to public use, and the Town of Belleville is hereby authorized to take and appropriate the same for it and in its name, and for such purpose there shall take such proceedings as are provided by law to acquire title to said lands or any right or interest therein.

Section 10. It is hereby determined and declared that the Supplemental Debt Statement required by said Act has been duly made and filed in the office of the Town Clerk of said town, and that such a statement as filed shows that the gross debt of said town as defined in Section 40:1-16 of Revised Statutes is increased by this ordinance by \$2,000.00, and that the issuance of said notes is justified by an exception to the 10th limitation prescribed by said Revised Statutes contained in Subdivision (d) of Section 40:1-16 of said Revised Statutes.

PGA's O'Connor Presents Red Cross Benefit Check

THE RED CROSS benefits from a stellar triangular golf match held last month when a team of New Jersey pros trimmed aggregations of women and amateurs. The check for \$915 (net after taxes) was presented at the Forest Hill Field Club Friday to Red Cross chairman B. Thomas Aitken by Maurrie O'Connor, president of the state PGA. OPA to Announce Fuel Index; Reveals Rules on Gas, Shoes, Food Rationing Stamps

Fuel oil and kerosene users were advised by District OPA that this week that they should not have burned more than four percent of excess of this percentage, should the total year's ration.

OPA will announce the consumption percentage index each week for the guidance of householders in budgeting their rations. Rationing officials advised that any consumers finding themselves in take stringent measures to cut down consumption.

North Jersey motorists were warned that they have only a few more days to get in their applications for new "A" gasoline books; if they wish to have the new book in time for use on November 9.

Stamp number 13 in the new book will be used to purchase gasoline on that date. The No. 12 stamps in the present book will not be validated.

It was pointed out that the No. 13 stamps are worth four gallons each. Three of them will be good through December 21.

New Shoes Airplane stamp No. 3 in ration book 3 will be good for the purchase of a pair of shoes beginning November 1. This stamp, together with airplane stamps 1 and 2, remains good indefinitely.

Consumers were reminded that a loose stamp may not be used; the stamp must be torn from the book in the presence of the shoe clerk when the purchase is being made.

This precaution is taken, it was

explained, to guard against circulation of counterfeit stamps. On the food rationing front, four red ration stamps will be validated for meats and fats Sunday and five blue stamps Wednesday for processed foods. Red Stamps L5, M5, N5, and P5, will be good, at ten points each.

Usually only three red stamps are validated for four weeks; but it was pointed out that the ration period which begins on October 29 will cover five weeks.

Blue stamps S5, T5, U5, V5, and W5 will become valid on November 1, and will remain good indefinitely, as do the red stamps.

Backs Revision

John F. Coogan

John F. Coogan jr. of 337 Little street, Democratic member of the Essex County Board of Taxation and member of the firm of Coogan and Mayer, Inc., realtors, today predicted that "on November 7 the referendum on constitution revision will be approved by a very great majority of voters throughout New Jersey."

He pointed out that "by far the greater number of citizens, public officials, civic organizations and leading newspapers are supporting revision on a non-partisan basis, as a measure that will provide New Jersey with a higher quality of government adequate for present needs and post war requirements of government."

"The late but vigorous attempts by Hudson County leaders in the Democratic party to block Revision," Coogan said, "will have little effect because too many Democrats throughout the state disagree with and regret the position the Hudson County Democrats have taken. In my judgment the greater number of Democrats will vote for Revision on a non-partisan basis."

"I am confident Belleville voters will demonstrate a united support by their votes of 'yes' in support of this improvement to government, regardless of their particular political preferences."

Bellboys Score Upset Over Favored Passaic

Trip Invaders 18-12; Pasquariello Plays Major Role in Third Win; Face Strong Irvington Here

With star halfback Vic Pasquariello scoring two touchdowns himself and passing for the third, Belleville's Blue and Gold defeated a favored, power-laden Passaic High team 18-12 in their delayed game Monday at Clearman Field. The win brought the Bellboy record for the season to three out of four. This Saturday will see the Chapman team playing host to Irvington, considered by many as the outstanding team in the state. The Bellboys, however, gave advance warning to the Campers, as they came from behind in the final quarter to win from a heavier Passaic eleven in the thrill-packed contest. Last year the Bellboys defeated Irvington, 6-0, but the Camp-town '43 squad is back again this year.

Belleville lost little time in getting under way in the contest as guard Gil Cullen, subbing for the injured Bob Padney, recovered a Passaic fumble on the opening kickoff on the visitors' 23-yard marker. On their second play, Pasquariello, who provided the fans with most of the game's thrills, faded back to the 30 and tossed to Don Smith in the end zone, the latter falling as he caught it. The attempt for the extra point was blocked.

Later in the first period Henry Kulik uncorked a bullet pass to cee-like Bob Topchick on the Passaic 45 and the latter raced down the sidelines, 55 yards to tie the game at six-all. Kulik's placement was blocked. Again in the initial period, the visitors took the lead for the first time. Making use of Pasquariello's fumble on the following kickoff on the Bellboy 47, the jarring Passaic backs steam-rolled the remaining distance, uninterrupted, with Vic Di Canio plunging over from the one. Kulik's run for the extra point was again stopped, as the quarter ended with Passaic in front 12-6.

Locals Stop Threat
The second quarter got under way with Di Canio tossing to Topchick for a 22-yard gain, which brought the pigskin down to the Blue and Gold 20. With Topchick carrying, Passaic seemed destined to break away from the locals, as the diminutive quarterback hit the line to within 4 yards of the goal. The fast-charging Belleville line, however,

stopped the scoring threat here, and the Bellboys took possession of the ball on down.

From their own 4 the victors then went on a sensational 96-yard scoring march. With the now red-hot Bellboy backs picking up considerable yardage on every play, Pasquariello struck through the air to end Les Dei Tufo, who also played a bangup defensive game, to the Passaic 20.

Vic then skirted over his right end to the 6 and his team's sixth straight first down. The fleet back then circled his other end for the tying six-pointer. The conversion was again stopped, and the half soon ended with the count tied again, at 12 apiece.

Passaic Threatens Again
The start of the second half saw Passaic roll up three first downs, the third bringing the ball to the Bellboy 10, but at this point John Distasio, sub back, recovered a fumble by Kulik to give the Blue and Gold a first down on their own 7-yard stripe. Pasquariello then punted his team out of danger. With the Belleville team now in possession of the ball on their own 35, the determined Bellboys launched their final and deciding scoring jaunt. John Distasio and Pasquariello,

alternating on quick opening plays through the line, carried the ball to visitors' 35 and from here Pasquariello, taking a reverse from Rocco Cerami, legged it the rest of the way for the winning tally. For the third straight time the conversion failed but the spirited Bellboys held Topchick & Co. in check for the game's remainder, Cerami intercepting one of Topchick's aeriels a few seconds before the final whistle.

Passaic	12	0	0	0	12
Belleville	6	6	0	0	12
Touchdowns: Topchick, Di Canio; Smith, Pasquariello (2).					
Sole: Passaic—Mucetta, Lane, Fusco, Marmor; Belleville—Joe Distasio, Cerami, John Distasio, Nelson.

MAURRIE O'CONNOR STILL WINNING

Cops Pro-Amateur Best Ball In Montclair Golf; Elected State PGA President

Two more honors, to complete the near-sweep which he has compiled this year, came Friday to

Maurrie O'Connor

Maurrie O'Connor, of 18 Fairview place, pro at Branch Brook golf club which operates from Hendricks Field as home base. In the afternoon he won another PGA pro-amateur event at Mont-

clair golf club and a few hours later was unanimously elected to his fourth successive terms as president of the New Jersey PGA. The election came after Charley Gray of Upper Montclair withdrew from the nomination to run against O'Connor. Gray and Tommy Harmon of Montclair were named vice presidents; Jack Mitchell of Essex County was elected secretary-treasurer. The afternoon tournament saw O'Connor ring up the individual best score besides carrying home two amateurs in a tie for first place.

His simon-pure partners were Ray Wood of Montclair and Al Donn of New York. With each the tally was 33-34-67 for a one-stroke margin over six other teams. O'Connor himself carried the brunt of the attack since his partners helped him on only two shots each. The local pro pushed in two birdies while touring the par-70 course. His own 34-35-69 spreadeagled the field by four strokes. In second slot was Tommy Harmon with a 73 and the rest strung along behind.

Grossman to Start Boxing Bouts At Riviera Park in November

Boxing and wrestling will make their modern debut in Belleville near the end of November when twice-weekly events will be presented in the Riviera Park roller skating rink, 701 Washington avenue. This was learned Tuesday when Bernard Grossman applied and received a license from the board of Commissioners. He presented the license which he had received that afternoon from the state boxing commission. Grossman, incorporated under the title of B. G. Sports Club, has never participated in sports promotion heretofore. He has tentatively scheduled Thursday as the day for boxing and it is believed wrestling will be staged Mondays.

King's Lack of Defense May Mean Political Oblivion

The biggest question mark in Belleville politics is the course which Commissioner Joseph King will pursue as a result of the swift course of events which last week saw his adversary, Mayor Williams, vindicated before the bar of justice and saw Commissioner King stripped by his colleagues of all power over the police department. So far Mr. King has not raised his voice either to defend himself or to protest the action of the mayor. Protracted silence may mean the end of a long and useful public career, barring other presently unforeseen developments.

That the mayor was publicly exonerated of implication in the alleged gambling ring, which proved mighty elusive before the grand jury, is satisfying because it cleared his reputation and because it spared the town of Belleville a great amount of unfavorable publicity. The public has not yet been vouchsafed the courtesy of knowing the inside story of what the jury hearing was all about and what was contained in the now-famous Leighton report.

It must be remembered that Mayor Williams was the first to bring the gambling implications to light and did so with evident consciousness of what the ultimate verdict would be. No proof has thus far been offered that either Commissioner King or Captain Leighton attempted to try the mayor by scandalmongering. The accusation has been made time and time again but the only proved recipients of the story are the three other Commissioners and certainly it is not spreading scandal (even though it

may not be the wisest course) to discuss a perplexing and potentially dangerous problem with one's colleagues on the town's governing body. Perhaps it was some other acquaintance of the mayor who actually spread the stories.

Splitting the department of Public Safety seems not an altogether wise move. No organization can function well under two heads. For the first time in history, the fire and police forces answer to different bosses. The picture is further complicated by the fact that the Police Recorder's court is divided again, leaving Commissioner King in charge of the recorder but making the recorder's clerk answerable to Mayor Williams. Either Mr. King is qualified to be Public Safety director or he is not. If he is, he should continue in that capacity. If he is not, he should be removed entirely or should resign from the department. But Public Safety should not be split.

Mayor Williams has received numerous public and private commendations for his work as fiscal director of the town during the past fourteen years. As long as he is chief of the safety elements, it is expected that he will do the job with characteristic thoroughness, that he will call his shots and let the chips fall where they may. As for Commissioner King, no one can defend a man who will not defend himself. Until the commissioner chooses to make some defense of himself, the public must perforce accept his silence as his acknowledgment of the harsh charges which have been hurled at him by the mayor.

Consider the Purpose, Not the Incidentals

Seven days after the beginning of the Belleville War Chest campaign the trustees finally got around to ascertaining budgets toward which to strive and finally named a chairman to direct the drive. A scant week before the beginning of the campaign the chairman of the house-to-house solicitation was appointed, leaving a week in which to try to find 700-800 canvassers and captains. Such a lack of preparedness is not only by the woeful spectacle of last year's campaign.

Two examples of the completely disorganized Community Chest and War Fund within nine months should be enough to convince the trustees that something is radically wrong with the executives who are charged with the responsibility of having everything in first-class shape to begin the campaign on time with full strength. Individual trustees are not loath to declare that the real source of the trouble lies at the feet of the president and many are talking about a housecleaning and complete reorganization upon completion of this drive. But the trustees themselves are not blameless since they have stood idly by and permitted this state of affairs to continue. If Community Chest anticipates further public support, it would be well to take the precautions necessary to place the organization in good odor with the town at large. It is to be hoped that disbursement of the funds is not as haphazard as the collection of the same.

Meanwhile the people of Belleville should not let these facts detract from their generosity. There is little doubt that the participating agencies of the Belleville War Chest are deserving of our support for it

is they who have made it their business to bring physical and moral aid to the suffering which we have with us at home and to those who are fighting our battles on the seas and in foreign lands.

Scouting for our youngsters, nursing for those ill at home, centers for underprivileged children, care for wee tots and oldsters alike, sound advice, financial and other assistance, medical attention — all these and many more are provided by your contributions to the War Chest. Besides, you give to the USO which is the GI's home away from home, you give to those who bring cheer to the fighting merchant marine in ports all over the world, and you give to those who have dedicated their attention to bringing cheer and hope to American boys now languishing in enemy war prisoners' camps.

Furthermore your contributions will bring much needed help and relief to our fellowmen whose homes and livelihoods have been utterly destroyed by war. We in America, despite our pecuniary inconveniences, have not tasted war and we do not know its cruel lash. But our allies have known it; they have seen bombs and blood for five long years, they have seen their loved ones mowed down before their eyes, they have seen the efforts of their lifetimes beaten into ashes in a trice. Your dollars will help them start on the way to a new life, one in which some dim rays of hope are left.

Yes, give and give generously to the Belleville War Chest. If you can, volunteer your services to aid in the canvass for funds. Remember, there is but one chance to contribute to 23 worthy charities at one time. Give!

Mrs. Noll's Dismissal Arouses Public Wrath

The arbitrary dismissal of Mrs. Louis A. Noll from the chairmanship of the home service department of the local chapter of the Red Cross was make without an explanation. Mrs. Noll was summarily discharged as if she had been guilty of incompetence and inability to care for the needs and requirements of servicemen's families. She was given no opportunity to be heard, there was no vote by the chapter directors; the chairman merely waved his hand and said, "Begone!"

Strangely enough, it is not so easy to erase nearly two years of service from people's minds. The public had come to know Mrs. Noll as a faithful servitor of her voluntary job, a trying job with no compensations except the satisfaction of well-done work and the look of gratitude in people's eyes. Many have been the shocked eyebrows which have been raised since the news of the dismissal started to be bruited about.

Cross is the greatest humanitarian institution in the world. In its ideals

it is almost supernatural. But some of those who must administer those ideals are unfortunately afflicted with ordinary human frailties. The local Red Cross chairman should realize that he cannot expect that everyone is going to agree with him at all times. There are bound to be differences of opinion in any organization of Americans. He himself has admitted that there is no quarrel with the caliber of Mrs. Noll's work. Therefore, in the face of lack of further amplification on the reasons for her dismissal, the public can only assume that there was a clash of personalities.

Mr. Aitken's position is now clear: either Mrs. Noll must be completely reinstated on a full explanation for the reasons behind her dismissal must be made without further delay. It is not fair to a woman who has given unstintingly of her time to pack her off under the incubus of failure. The discontent which has been aroused throughout the town over his action can lead only to the eventual detriment of Red Cross efforts here.

LETTERS

The opinions expressed in this column are those of the authors of the individual letters and do not necessarily reflect the opinions of the publishers or editors of The Times.

Protests Mrs. Noll's Dismissal

From Mrs. Frank Thalheimer
19 Fairway avenue
To the Editor of The Times:
I and many other Red Cross contributors would like to know why Mrs. Louis Noll was asked for her resignation as Chairman of the Home Service.

As a volunteer worker since Pearl Harbor, she has worked untiringly 24 hours a day. I myself having 4 sons and a son-in-law in service needed her help, and I must state she was very prompt and helpful in this case and many others that I know. If Mrs. Noll warrants this for any good reason then put it in the Public Press, but if it is just to bring in a paid worker, then many of the volunteer workers will start thinking "is it worth while to give your time if that is how it is appreciated."

Why Was Mrs. Noll Removed?

From Mrs. Harry Rowe
344 Joramemon street
To the Editor of The Times:
I and many others in Belleville would be interested in knowing why Mrs. Noll was removed from a post to which she was a most willing, able, and conscientious worker. I am writing as a serviceman's wife whom Mrs. Noll befriended and as one who is in a position to understand the service she has continuously rendered the townspeople.

"Kindly Reveal the True Facts"

From Mrs. James F. Conley
351 Joramemon street
To the Editor of The Times:
Would you kindly reveal the true facts behind the removal of Mrs. Noll as Red Cross Director, who gave so unstintingly and efficiently of her services and time since its inception in town? As so many other residents of Belleville, I believe this case should be presented FAIRLY to the public so that there can be no possible doubt as to why this particular condition exists now.

Noll Dismissal Mystifying

From Miss Kathryn N. Conklin
14 Montgomery place
To the Editor of The Times:
Those of us who have watched the work of the home service committee of the Red Cross realize the tremendous amount of volunteer work it entailed. Mrs. Noll spent more hours at her job than many paid workers spend at their regular positions. For this reason, it is mystifying to hear that she is no longer a Red Cross volunteer. All Red Cross supporters in Belleville are interested to know the details of her resignation.

Dismissal Not Inspiring

From Harry F. Nees
10 Elmwood place
To the Editor of The Times:
There probably has not been a more conscientious and diligent Red Cross volunteer worker in the Belleville Chapter than Mrs. Louis A. Noll.

until the day she was "relieved" of the Home Service chairmanship, she has devoted her time unstintingly to Red Cross work. She organized many First Aid classes for the civilian defense and the community at large. The American Red Cross Area Office evidently recognized her record of achievement and suggested she head the Home Service department and appointment was made by the Belleville Chapter chairman and accepted by Mrs. Noll.

It certainly cannot be inspiring to any of the present workers or any potential workers to know that hard work and exceptional accomplishment will be rewarded by unceremonious dismissal. I, and I believe many other Belleville contributors to the American Red Cross, feel that an explanation is due us in public print for the reasons underlying this apparently unwarranted action.

Shocked at Noll Dismissal

From Mrs. Tessie Dennis
25 Frederick street
To the Editor of The Times:
I was shocked to read of the dismissal from the Red Cross of Mrs. L. A. Noll jr. Having two boys in the service I have had numerous occasions to call on her in her capacity as Captain for help. Every time I have found her to be not only interested and sympathetic but also extremely efficient in achieving the desired ends. I feel that she has worked long

hours in the true spirit of all for which the Red Cross stands and that she deserves greater recognition. That she should have been summarily dismissed will, I know, be a source of amazement and grief to the many people to whom she has been more than kind.

CIVIL SERVICE — CONSTITUTION REVISION

"Public employees should vote "yes" on Constitution Revision because they will be protected by Constitutional Civil Service. The tenure rights of Civil Service employees are specifically protected by the New Constitution.

"Our present Civil Service system rests only on a statute. There has been the constant danger that some year 31 assemblymen and 11 senators might be found who would abolish the whole merit system in order to place their political adherents in jobs.

"The proposed Constitution would take the matter out of the hands of the politicians and would protect the merit system by a Constitutional requirement."

"Everlasting Punishment" is the Lesson-sermon subject for Sunday. Golden text: "Wherefore doth a living man complain, a man for the punishment of his sins? Let us search and try our ways, and turn again to the Lord."
Sermon: Passages from the King James version of the Bible include: "Thine own wickedness shall correct thee, and thy backslidings shall reprove thee." Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "Without punishment, sin would multiply. . . . Truth bestows no pardon upon error, but wipes it out in the most effectual manner." "We acknowledge God's forgiveness of sin in the destruction of sin and the spiritual understanding that casts out evil as unreal. But the belief in sin is punished so long as the belief lasts."
