

DIRECTORS UPHOLD AITKEN ACTION IN NOLL DISMISSAL

Vote Unanimously to Approve
Naming of Rev. Deckenbach
To Home Service Post

The board of directors of the local Red Cross chapter Tuesday night unanimously upheld the recent dismissal of Mrs. Louis A. Noll as chapter home service chairman, according to a statement issued yesterday by Mrs. Paul P. Baxter, secretary.

The directors voted to give the chairmanship to Rev. Peter R. Deckenbach and appointed Mrs. Homer C. Zink, Dr. Donald R. Brown and Arthur S. Ackerman to join Rev. Dr. O. Boll Close and Rev. Titian P. Menegus on the home service committee.

"This committee will be a policy forming body which will govern the operations of the home service department," the statement said. "Mrs. Muriel S. Taggart, recently appointed executive secretary for this department, will have direct responsibility for the operation thereof."

The question of Mrs. Noll's dismissal and resignation of the chapter budget committee, Mrs. Baxter declared in the statement which she was told to issue to the press which was not present at the meeting.

"At a regular meeting of the board of directors of the Belleville chapter held on November 14, the action of the chapter chairman (B. Thomas Aitken) in regard to the withdrawing of the appointment of the chairmanship of the home service committee was unanimously approved."

Promised Explanation

This was the explanation which Aitken, the night previous, had promised the press after a verbal altercation between him and Fred B. James was stricken from the record of the meeting.

Mrs. Noll was dismissed by Aitken October 9 with the explanation that the move was in the "best interests" of the chapter although he declared that no fault was found with Mrs. Noll's work. The chapter budget committee, of which Mayor Williams is chairman, submitted a chapter budget of \$23,000. With an estimated \$6,500 on hand at the beginning of the budget year March 1, the amount to be raised in the 1945 War Fund for local purposes will be about \$16,500, a \$2,900 increase.

The total local quota for the War Fund will be set by national headquarters but it is believed the amount will probably be about twenty percent over this year's \$41,500. W. Douglas Clark has been named campaign chairman.

EXTEND SWIMMING REGISTRATION

Still Accepting Applications
For Red Cross Instruction
On Friendly House Pool

Extension of the registration period for the Red Cross swimming instruction classes was announced yesterday by Paul Baxter, safety chairman of the Belleville Red Cross chapter.

Baxter indicated that Belleville residents may still register by calling Red Cross headquarters at 258 Washington avenue (Be. 2-2373). Recreational and functional classes for men and women are held Monday and Thursday evenings from 8:15 to 10 in the Friendly House.

"The armchair services are conducting functional swimming courses in many of the camps throughout the country for men about to go overseas," said Baxter.

"These courses train the men to handle themselves in the water with full equipment, how to stay afloat without a life preserver and practical skills which have saved many a life in the campaigns now in progress."

"The Red Cross has been charged with the responsibility of organizing and conducting functional swimming campaigns for men in the service and for pre-inductees."

Men about to enter the armed forces are urged to avail themselves of the opportunity offered through the Recreation department of Belleville to take the course offered by Victor Hart, Jeweler, 457 Washington avenue, Belleville, N. J.

Chancemen Seek Raise
Police chancemen have asked Mayor Williams, Revenue & Finance director and Police commissioner, for a raise from \$.80 to \$1 an hour, he reported Tuesday night, asking the Commissioners to null the matter over until the November 28 meeting.

Town Property Sales
Sale of the interior of 90-92 Washington avenue to Mrs. Charles S. Tedesco for \$75 and of 177 Geraldine street to Rocco Rocco for \$450 were the only transactions of the Commission.

Times Will Publish Early Next Week

Because of Thanksgiving, The Times will be published Tuesday instead of Thursday next week. All advertising and news copy must reach The Times office before noon Monday.

Times correspondents are urged to transmit copy before Saturday noon if possible. Pictures will be received until Friday night.

WAR CHEST NEARS HALFWAY MARK

Report \$30,650 Collected
By First Report Meeting;
Next Week High Point

Reports indicating that the Belleville War Chest has reached 45 percent of its goal were submitted last night at the first report meeting of all divisions of the campaign.

A total of \$30,650 has been collected thus far from all sources, according to the reports of the division chairmen. The goal for the drive, which includes 22 National War Fund and six local agencies, is \$67,000.

After a slow start, the campaign here has gradually picked up speed so that it is expected

SPECIAL SCRAP PAPER DRIVE FOR BELLEVILLE WAR CHEST

A special town-side collection of waste paper will be made Sunday beginning at 9 a.m. Entire proceeds from the sale of the paper will be given to the Belleville War Chest.

The Defense Council salvage committee yesterday issued two appeals: 1) to the men of the town to volunteer their services to collect, meeting at town hall at 9; 2) to every Bellevillite to become a "paper-trooper" by putting scrap paper at the curb Sunday morning.

that the bulk of the canvassing will have been completed by Thanksgiving. The last week of the month will be devoted to clean-up.

Mrs. Louis A. Noll is understood to have accepted the position of cleanup chairman working under Miss Kathryn Conklin, who heads the house-to-house or neighborhood canvass.

All divisions will submit progress reports the next two Wednesday nights in meetings at 7:30 at town hall.

Last night's meeting, according to a War Chest spokesman, indicated a slight lagging in the neighborhood and special gifts departments but it was believed they would close the gaps during the next week.

Industrial corporate and employee contributions have been "very generous," it was said, but substantially larger gifts from individuals in other categories was requested.

General chairman Lester E. McCorkle urged townpeople who, for some reason, are missed in the general solicitation to mail their contributions directly to the War Chest headquarters at 338 Washington avenue.

Banks to Distribute \$163,800 To Christmas Club Members

More than 1,700 Bellevillites will begin their Christmas shopping next week with checks in their hands from the Christmas clubs of the First National and the Peoples National banks.

The banks will mail out checks totalling \$163,800 Monday. The figure represents a \$37,000 increase over the amount distributed last year, according to announcements of Frank J. McFadden, First National's executive vice president, and Luther E. Van Pelt, Peoples' cashier.

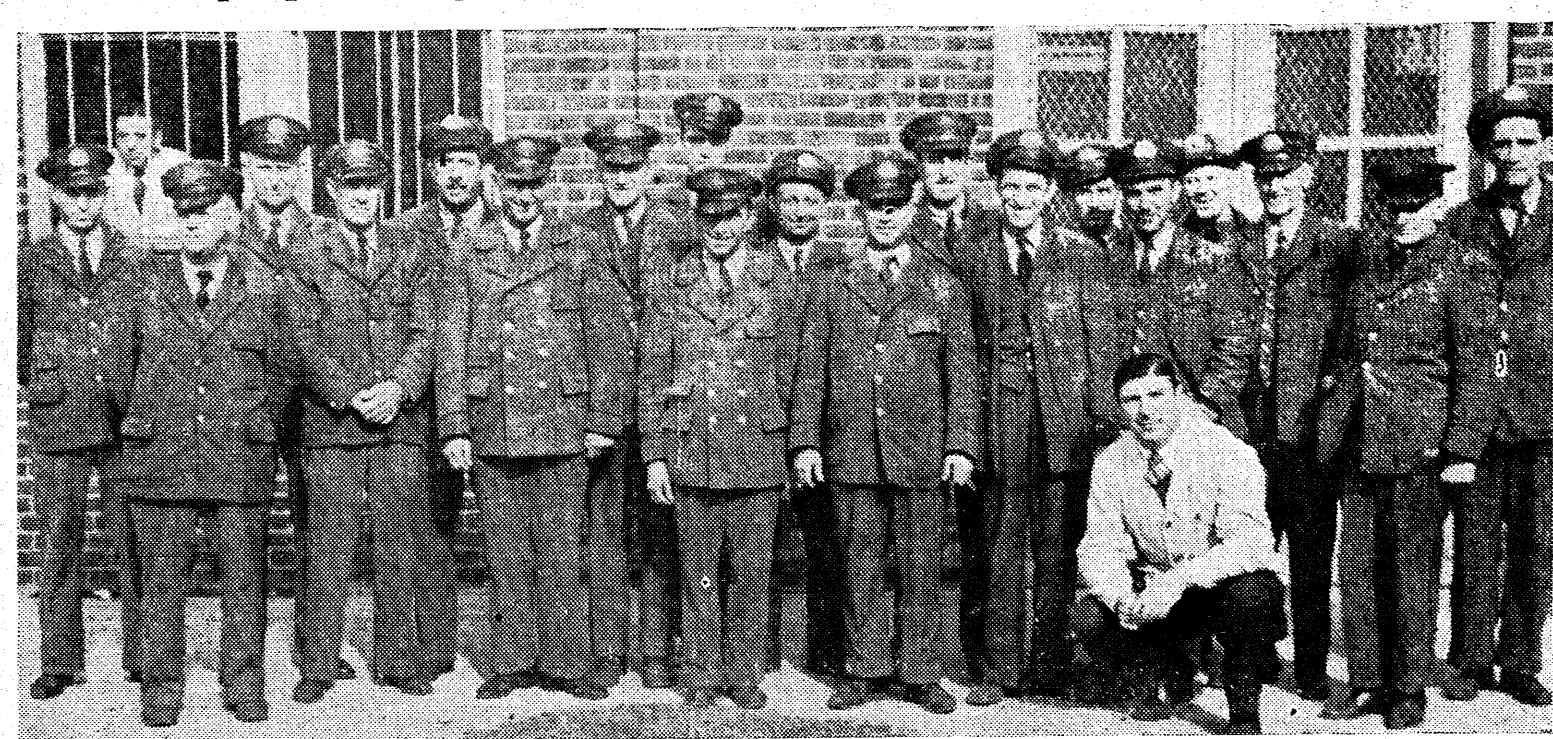

The Belleville average check will be nearly \$96 per member, compared to a national average of all Christmas clubs of approximately \$70. The local banks, however, are not members of the national organization but sponsor their own clubs.

SIXTH WAR LOAN 'E' QUOTA UPPED

Belleville And Glen Ridge Only
Essex Towns With Increased
Goals; Overall Aim Down

In view of the reduced national goal for the Sixth War Loan, Belleville's quota has also been slightly reduced but the town's Sixty-E bond quota has been upped, general chairman Philip Detelbach disclosed yesterday.

He ascribed the increase in the E bond category to the "superlative job" which Belleville did in the Fifth War Loan when the town, with a percentage of 143.9, led the entire county.

In the Fifth Belleville topped the county in the percentage column and finished second only to Newark (ten times as big) in total cash sales despite the fact that there are at least a half dozen larger communities.

Belleville's E bond quota has been raised from \$750,000 to \$800,000 with Glen Ridge the only other municipality to be increased. The county goal has dropped from \$32,000,000 to \$28,000,000.

The overall quota for Belleville has decreased a quarter of a million dollars to \$2,250,000. The town's final accomplishment in the Fifth was \$6,988,681 or 279.1 percent of quota.

Virtually the same committees and treasury representatives will conduct the Sixth War Loan which begins Monday. Assisting Detelbach will be W. Douglas Clark in industrial and Edward P. Cantwell in house-to-house.

Edward Vogel will replace Ronald G. Brunner in the headquarters at town hall since the latter is ill. The civilian defense personnel, led by the air raid wardens, will form the bulk of the neighborhood canvassers.

TULAREMIA PERIL WARNING BY BERRY

Health Officer Tells Hunters
To Beware of Infection
While Skinning Animals

A warning to hunters of the dangers of contracting tularemia while cleaning or skinning infected animals was broadcast yesterday by health officer Eugene T. Berry.

Berry's statement tells of the method of transmission, symptoms and prevention of the disease. He urges immediate consultation with a physician should the symptoms appear.

"Tularemia is a rodent infection which may at times resemble plague and was at one time confused with it," Berry said.

"Tularemia has, however, spread far beyond the rodent host since it is now encountered in almost all forms in wild mammals and in some wild birds."

"The disease is most common in rabbits. However, wood ticks and deer flies may also transmit the infection through their bites."

"Infection in man is of several types but usually manifests itself as a febrile illness attended with a sore at the point of entry of the organisms and with enlargement of the regional lymph glands. The case fatality rate is about five percent."

Prevent Infection

"To prevent infection hunters should protect themselves from tick bites. Special danger attends the skinning and cleaning of rabbits that were easily killed, as these are frequently the ones that are too sick to run."

"However, it is safest to assume the potential infection of any rabbit and to wear rubber gloves in handling the carcass. Remember, organisms enter the body through a cut or abrasion of the skin."

"Should you develop any of the symptoms mentioned above within one to ten days after skinning or dressing wild rabbits, consult your family physician at once."

Postoffice Employees Seek Support for Salary Raises

Ask Public to Write Letters to Legislators Urging
Passage of House, Senate Bills; Contracts High
Living Cost to Pay Unchanged Since 1925

Employees of the Belleville postoffice have joined forces with their fellow postal workers throughout the nation to obtain public support for three congressional bills which will grant them salary increases and will adjust overtime pay. Every home in Belleville has been given a circular by its mailman urging the residents to write Senators Hawkes and Walsh and Congressman Hartley on the subject even though those legislators have publicly indicated their approval of the measures.

W. Douglas Clark

W. Douglas Clark Named Head Of 1945 Red Cross War Fund

The selection of W. Douglas Clark of 20 Clearman place to head up the campaign committee for the 1945 Red Cross War Fund was announced Monday night by B. Thomas Aitken, president of the Belleville chapter.

Clark, who is a member of the chapter board of directors, is secretary-treasurer of Clark and Hammer company of 85 Academy street, manufacturers of venetian blinds.

He is president of Belleville Rotary, district chairman of Belleville District of the Boy Scouts, and has been active in numerous other civic organizations such as the Welfare Board, War Loan drives and Masonic lodge.

Gilbert Wright of Hanlon and Goodman company was named industrial chairman for the third successive year.

Daniel P. Spillane of 987 Cortlandt street was named to head the blood donor committee and Mrs. Horace B. Knox of 266 De Witt avenue was appointed chairman of the canteen unit.

Bellevillites Play Major Roles In Junior Achievement Meet

Belleville Junior Achievement members will play a major role in the annual state JA convention Saturday at the Essex House in Newark. Several dozen junior members and adult advisors from this town are expected to attend.

Alvin Outcalt of 65 Baldwin place, president of the National Association of Junior Achievement Companies, will report to the convention on the recent foundation and activities of that organization.

Ciriaco Maffia of 571 Union avenue, state chairman of public relations, will report on the activities of his committee.

At 8:45 Saturday evening, Outcalt and Miss Irma Iannelli of 27 Lincoln terrace will be joined by three other JA members in a round table discussion over radio station WAAT.

Business sessions are scheduled for 9:30 and 1:30 Saturday. From 6:15 to midnight Marty Ames and his orchestra will play for a dinner dance.

CARBON MONOXIDE FUMES KILL TWO

Gas From Water Boiler Heater
Fatal to Mother, Daughter;
Husband Recovers

As a result of an attempt to heat their small apartment at 61 Heckel street by turning on a gas heater designed for the water boiler, a woman and her daughter died Thursday and the father was in serious condition for several days.

Funeral services were held Tuesday morning in the Megaro Memorial home, Newark, for Mrs. Nancy Elia Di Pasquale, 25, and her 2½-year-old daughter Joyce Ann. Jerry Di Pasquale, 27, has been released from the hospital after recovering from the carbon monoxide fumes which killed his wife and daughter.

Di Pasquale told police his wife turned on the water heater about 8:30 Thursday morning. About an hour later his daughter took sick and he prepared to put her to bed.

Mrs. Di Pasquale was then in bed, apparently sleeping. He remembered going back into the bedroom and then fell unconscious.

Mrs. Salvatore Di Meo, who resides on the second floor of the house, some time later heard the water pipes rumbling. When she went downstairs to investigate she found the Di Pasquale family unconscious.

Police Sgt. Scott, Patrolman Ughiaro, Detective Holly and Fireman Bechtold worked over the victims of the tragedy with the pulmotor but were able to revive only the man.

County Medical Examiner Martland said the carbon monoxide gas was generated by "incomplete combustion of illuminating gas" from the water heater.

A solemn high mass of requiem was offered in St. Anthony's Catholic church Tuesday morning for Mrs. Di Pasquale and her daughter. Interment was in Holy Sepulcher cemetery.

4,000 at Honor Roll Dedication Hear Mayor's Park Proposal

An estimated 4,000 persons attended ceremonies Sunday afternoon marking the unveiling of the new North Belleville honor roll, a memorial to the 1,080 men and women from the section in the armed forces.

Mayor Williams in his address proposed that the honor roll be made a permanent part of the park system of the town. The roll is located on town-owned property on Union avenue between Tiona and Overlook avenues.

The memorial is the "most unique" in this area, Congressman Hartley told the audience. Police Recorder Everett B. Smith presided at the rites.

The guard of honor at the unveiling was composed of Army 1st Lieut. Robert Stivers, WAC Pvt. Doris June Kopf, Navy Yeoman 1c Edith Atkinson and Coast Guard 1c Walter Spinning, all residents of the area.

Girl and Boy Scouts unveiled the honor roll, a state guard company and a band were in attendance.

To Replace Trees

It will cost the town about \$800 to replace the hundred-odd trees which were destroyed in the disastrous September hurricane, Commissioner Mertz said Tuesday. The provision may be made in the 1945 budget, but the Commission granted approval of the project in order that the trees might be ready for spring planting.

To Buy Bonds

President H. Willard Sawyer yesterday announced that the directors of North Belleville Saving & Loan association authorized purchase of \$10,000 in bonds in the Sixth War Loan. The purchase will bring the association's holdings to \$107,000 in government bonds.

Bagatelle Machine Ban Seen in New Ordinance

Measure Sets \$500 License Fee,
Prohibits Them in Usual Haunts;
Will Relieve Pressure on Police

Virtual elimination of the pinball machine from the everyday life of Belleville will be assured in the next fortnight if the town Commission enacts into law an ordinance amendment, introduced Tuesday night by Mayor Williams, which would place an annual license fee of \$500 on every machine and would also prohibit their installation in practically the only places in which they ever flourished. The measure received a 4-0 vote on first reading (Commissioner Waters was absent) and, barring unforeseen opposition, seems assured of passage when it comes up for final vote November 28.

STUDENTS WORK FOR CHRISTMAS

High School in State Project
To Provide Salespeople
For Yuletide Rush

Belleville High school will cooperate in the new state program which will permit certain eligible students to work part-time in stores during the pre-Christmas shopping rush. Pupils with the highest scholastic ratings may be permitted to work full-time.

This was announced last night by high school principal Burt P. Johnson after he had received unofficial permission from higher school authorities to proceed in the program. It is understood formal approval to the plan will be given at the Board of Education meeting Monday.

The program is sponsored by the state department of Public Instruction through its Distributive Education division. It was instituted to "maintain morale and help alleviate a manpower shortage."

Under its provisions students who prove themselves eligible will take a preliminary training course in salesmanship and will begin work December 4 in the state's retail stores.

The retail stores themselves will give the necessary training, which will begin here next week. Students yesterday took out more than 100 applications for consideration for the work.

In order to be eligible, a student must have satisfactory grades in all subjects, must have an A-1 attendance record and have a satisfactory citizenship record.

Stores requiring student help during the Christmas rush will have to contact Johnson at the high school. Paul A. Brennan has been named coordinator of the program.

Students will receive full credit for the time they work but will also be expected to maintain their scholastic record.

AUTO TURNS OVER, THREE INJURED

Charge Driver Went Through
Red Light; Police Patrol Car
Forced on Curb, into Pole

Three people were injured shortly after midnight Friday in an accident in which one driver, Charles Bogart, 40, of 150 William street, is charged with driving through a red traffic signal.

Police say Hugh A. Dunnion, 36, of 40 Mill street, Bloomfield, driving east on Holmes street, had the green light with him when he attempted to cross Washington avenue.

Bogart, coming south on The Avenue, allegedly drove through the stop signal, crashed into the side of Dunnion's car, turning it over two or three times. It came to rest against the southeast corner.

All three were taken to St. Mary's hospital, Passaic. Mrs. Bogart was treated for concussion, lacerations and possible skull fracture; her husband for lacerations and concussions. Dunnion's injuries are not ascertained.

Patrolman Thomas Dunn is still searching today for the driver of the automobile which caused him to damage No. 3 police car shortly before 5 Sunday morning.

Dunn said he was patrolling west on Belleville avenue. Near Garden avenue he saw a car without lights coming towards him, driving on the left side of the road.

When the oncoming stranger seemed about to crash into the police car, Dunn swerved sharply, mounted the curb, blew out a tire and damaged the front when he hit a pole. The other car turned into Garden avenue and disappeared.

Melvin F. Winfield of 45 Clinton street and Edwin W. Dorch of 28 Bayard street figured in an unusual accident in Academy street shortly before midnight Sunday.

When their car stalled on the hill, they alighted and pushed it down the hill. The motor suddenly started but when Winfield tried to jump into the car he found the window closed and the door without a handle.

The car jumped the curb and suffered considerable damage when it struck a Public Service pole.

Court Decision

The Court of Errors & Appeals two months ago ruled that bagatelle machines were not of themselves gambling devices, thus reversing a three-year-old decision of the state Supreme Court.

ABC Commissioner Driscoll, the mayor averred, has expressed his disapproval of the machines in taverns but has no legislative authority to ban them altogether.

Williams declared that he thought the \$500 fee would not be excessive "for those who want them badly enough." He said that he had conferred at length with Police Chief Spatola and the latter was in complete accord on the proposal.

"I don't think there is a police official who wants these machines," Williams said. "They have caused trouble in the past and are back again through a legal technicality; but that does not mean we have to make their operation easy."

TOWN WILL OPPOSE ZONING CHANGE

Commission Instructs Counsel
To Fight Gas Station Plan
At Franklin-Joralemon

Town Attorney Keenan will appear before the Zoning Board of Adjustment at town hall tonight to oppose an application to change the zone on the northwest corner of Franklin avenue and Joralemon street.

The zoning board will hold a public hearing tonight at 8 on the request of the Phillips Oil company for a change from residential to commercial to permit the erection of a service station on the lot.

Keenan was instructed Tuesday night by the town Commission to appear on behalf of the town to oppose the change as endangering the value of town-owned property within the statutory 200-foot radius.

The proposed service station would be erected on a 119x100-foot plot owned by the Phillips Oil company for a change from residential to commercial to permit the erection of a service station on the lot.

Keenan later in the meeting was appointed to his fifteenth successive yearly term as town attorney.

He caused merriment among the Commissioners and audience by pointing out, under new business during the conference, that "this is the meeting when it is customary to appoint the town attorney."

He was instructed to draw up his own resolution for his reappointment to a term which will expire November 30, 1945.

Philip R. Di Meo of 76 Heckel street was appointed a constable and the 1944 municipal audit was awarded to Alphonse M. Hart of Newark, a member of Belleville Rotary and a former resident of this town.

Kearny Cardinals Fall To Resurgent Locals

Bellboys, Minus Vaccarella and Byrne, Trample Visitors 13-0; Expect Team at Full Strength For Lyndhurst Game Thanksgiving Day

Having dropped their last two contests to a couple of the state's topnotch aggregations, Belleville High bounced back to subdue a winless Kearny outfit 13-0. The game was played Armistice Day at Clearman Field and the win boosted the locals' record to four wins out of the seven games played this season.

The Bellboys started the game minus the services of two of its star linemen, center Vince Vaccarella and tackle Jack Byrne. The former did, however, manage to see some action during the one-sided affair. The team should be at full strength again when they travel to Lyndhurst for the Thanksgiving fray. The team will be idle until that date.

Belleville kicked off to Kearny, but the Kards lost the ball on the following play when Les Del Tufo recovered a fumble for the Blue and Gold on the Kearny.

With Pete Del Vecchio, Vic Pasquariello, and Joe Paganelli doing the ball toting, the Bellboys reached the ten-yard line, but here a fourth down Belleville aerial was intercepted by Alce McMillan on his own three-yard line, halting the threat.

After a punt in this opening quarter, Del Vecchio tossed a long pass to Pasquariello from the mid-field stripe for a first down on the losers' 10.

The long gain again went for naught as the stubborn Kearny forward wall put up a granite-like defense to halt the Bellboys inches from paydirt. McMillan

punted the Kards out of trouble just before the quarter ended.

Threaten Again

Again in the second quarter the homesters drove deep into enemy territory but they again lost the ball on downs on the Kearny 11. On their first play the Kards attempted a short pass over the line, but alert guard, Frank Bemis intercepted and lugged it down to the 7.

Joe Distasio hit the line to the 4, the same player carried on the next play, but fumbled on the 2.

The pigskin fell into the end zone, but Bemis pounced on the ball for the first score. Pasquariello then passed to Don Smith for the extra point and also for a 7-0 halftime lead.

Near the finish of the third quarter a recovered fumble by Ben Meschio, paved the way to the other Blue and Gold score

from their own 30-yard stripe. On the next play Del Vecchio cut off tackle and started on his way to a sensational 70-yard scoring dash. Pasquariello's running attempt for the conversion was stopped short.

Score Nullified

At the start of the final canto Meschio again broke through to nail Kearny's Portz on the Kard 25 and caused the back to lose possession of the ball, Smith diving on it for a Bellboy first down.

Two plays later the speedy Del Vecchio found a large opening in the Kearny line and cut through it for what seemed to be the Bellboys' third score, but the locals were found guilty of clipping on the play, thereby nullifying the tally.

Pioneer workers of Gray & Barton
outside their small shop in Chicago

What they started 75 years ago, 35,000 New Jersey workers carry on!

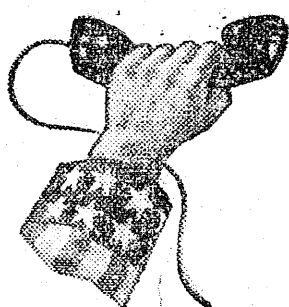

On November 18, 1869, the firm of Gray & Barton was formed to manufacture electrical communications equipment. The shop was small, the workers few. But that was the beginning of the Western Electric Company, whose 90,000 men and women are today the nation's largest producers of electronic and communications equipment for war.

The Kearny Works of Western Electric—now 21 years old—was ready for its vast wartime as-

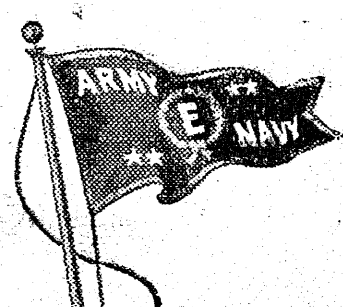

signment as a result of its peacetime work in making cable, switchboards and other telephone apparatus for the Bell System.

More than 35,000 New Jersey men and women are doing a magnificent job at the Kearny Works. They are proud of their production record—proud of being a part of the Western Electric Company which has been a leader in communications equipment for 75 years.

Recent Bride

Mrs. Felix Gaito

Mr. and Mrs. Gennaro Capalbo of 38 King street announce the marriage of their daughter, Miss Elizabeth Capalbo to Felix Gaita, son of Mr. and Mrs. Virgilio Gaita of 476 North Sixth street, Newark.

The ceremony was performed November 5 at Holy Family church, Nutley. The bride wore white satin with long veil and train, and carried white roses with an orchid in the center.

Miss Mildred Gaita, sister of bridegroom, was maid of honor; Anthony Albanese of Newark, best man. Miss Lucy Capalbo, sister of the bride and Miss Cecilia Camarota of Nutley were bridesmaids. Frank Palverino and Anthony Ambrose of Newark ushered.

Reception was held at the Continental Ballroom in Newark. The bridegroom was formerly in the army for a year and was given a honorable discharge. They spent two weeks traveling through the New England States.

Sea Scouts to Set Up Exhibit In The Times Windows

The Sea Scouts of ship 303, sponsored by Walter Kidde & company, will place on exhibit boat models, ship layouts and other gadgets used in connection with the Sea Scout program in the windows of The Belleville Times Saturday.

Skipper Wallace Jones, announced at the ship meeting last week that each month there will be a "cruise" to some point of interest. The next two cruises are a tour of the Casey Jones Aeronautical school and a visit to Port Newark Coast Guard base.

Troop 386 Will Demonstrate Boy Scout Review Board

Boy Scout Troop 386, sponsored by the Montgomery Presbyterian church, has been called upon by the advancement committee of Robert Treat Council to demonstrate the correct method of conducting a troop board of review at a council-wide meeting Tuesday at 8 in the auditorium of The Newark Evening News.

This is the second time that a Belleville troop has thus been honored. Troop 388 of Christ Episcopal church furnished the demonstration team last spring.

"Progress in qualifying all troops in Belleville to operate their own boards of review is being

made and from all indications the Belleville district will be the first in the Robert Treat Council to have all troops qualified," Scout Executive Harry T. French said yesterday.

Griffith Foundation to Present First Piano Quartet

The First Piano Quartet will be heard at the Mosque Monday evening when it makes its second appearance in Newark under auspices of the Griffith Music Foundation.

It took four nations to produce the First Piano Quartet: Adam Carner was born in Poland, Vladimir Padwa in Russia, Frank Mittler in Austria and the young-

est member, Edward Edson claims the United States as the place of his birth. All arrangements used by the group are made by themselves.

Town of Belleville held Tuesday evening, November 14th, 1944, having been read in its final form at least one week prior thereto and is therefore now a law and hereby published according to law.

FLORENCE R. MOREY, Town Clerk.

AN ORDINANCE ESTABLISHING BUILDING LINE ON THE WEST SIDE OF MAIN STREET AND PROVIDING FOR THE ACQUISITION OF LANDS NECESSARY FOR SAID ORDINANCE, AND APPROPRIATING THE SUM OF SEVENTY FIVE HUNDRED DOLLARS (\$7500.00) THEREFOR, AND AUTHORIZING THE ISSUANCE OF BOND ANTICIPATING NOTES FOR SAID PURPOSE.

Whereas, map entitled "Building Set Back Line of Main Street from Rutgers Street to Nutley Town Line, dated March 10, 1944 and made by C. G. Faust, Engineer in Charge," was approved by this Board of Commissioners at meeting held on April 11, 1944, which meeting was duly and legally advertised;

The Board of Commissioners of the Town of Belleville, in the County of Essex, do ordain:

Section 1. That the location of said proposed building line is hereby established by ordinance in accordance with the provisions of R. S. 40:55-27, and that lands necessary for said acquisition be acquired by the Town of Belleville.

Section 2. It is hereby determined and stated that it is necessary that the Town of Belleville, in the County of Essex, shall raise money for the purpose set forth in the immediately preceding paragraph, and for the purpose of raising said money, the Board of Commissioners of the Town of Belleville is authorized to issue bonds in the sum of \$7500.00, and that the estimated maximum amount of notes necessary to be issued for said purpose is \$7000.00.

Section 3. To finance said purpose there shall be issued pursuant to the Local Bond Act of the State of New Jersey in anticipation of the issuance of bonds, bonds of the Town of Belleville, in the sum of \$7500.00, which shall not exceed in aggregate principal amount the sum of \$7000.00. Said notes shall bear interest at a rate which shall not exceed six per centum per annum (6%) and may be renewed from time to time pursuant to and within the limitations prescribed by said Act. All matters with respect to said notes not determined by this ordinance shall be determined by resolution to be hereafter adopted.

Section 4. Not more than Three Thousand Dollars of the sum to be raised by the issuance of said notes may be used

to finance interest on obligations issued to finance said purpose, whether temporary or permanent, or to finance engineering or inspection costs and legal expenses, or to finance the cost of the issuance of such obligations as provided in Section 40:1-55 of Revised Statutes.

Section 5. It is hereby determined and declared that the period of usefulness of the purpose for the financing of which said notes are to be issued is a period of forty years computed from the date of said bonds.

Section 6. No part of the cost of making said improvement has been or is to be specially assessed against property specially benefited thereby.

Section 7. For the purpose of this ordinance, it is necessary to acquire the lands shown on the map referred to above.

Section 8. All the lands and any right and interest therein required for the said purpose that cannot be secured by gift or purchase are hereby condemned to public use, and the Town of Belleville is hereby authorized to take and appropriate the same for it and in its name, and for such purpose there shall take such proceedings as are provided by law to acquire title to said lands or any right or interest therein.

Section 10. It is hereby determined and declared that the Supplemental Debt Statement required by said Act has been

duly made and filed in the office of the Town Clerk of said town, and that the statement so filed shows that the gross debt of said town as defined in Section 40:1-76 of Revised Statutes is increased by this ordinance by \$7000.00, and that the issuance of said notes is permitted by an exception to the debt limitations prescribed by said Revised Statutes contained in Subdivision (d) of Section 40:1-76 of said Revised Statutes.

Section 11. This ordinance shall take effect twenty days after the first publication thereof after final passage.

Passed first reading: Oct. 24th, 1944.
Passed second reading: Nov. 14, 1944.
Passed third reading: Nov. 14th, 1944.
ADOPTED: Nov. 14th, 1944.

MAYOR WM. H. WILLIAMS

LET'S GIVE IT TO HIM - IN THE 6TH WAR LOAN DRIVE!

They say a Jap fights hardest when he's cornered. We've got Japan cornered... but the fight is still hard, still costly. Every bond you buy in the Sixth War Loan Drive is your way of slugging the brave men fighting a tough, brutal enemy in the South Pacific. And it costs billions every month to keep the never-ending stream of

"B-29 Superfortresses," amphibious tanks, bulldozers, high octane gasoline and oil flowing to the Pacific war front. So long as a single Jap faces our men on the field of battle, our duty at home is clear: we must keep on buying War Bonds. You MUST invest in at least one extra hundred dollar bond in the "get Japan" Drive—the Sixth!

Dr. O. Bell Close Marks Fifty Years of Ministry

Fewsmith Memorial Presbyterian Church Pastor Observes Golden Jubilee, Repeats First Sermon Topic, Preached in Tennessee Mountains

On the occasion of his fiftieth anniversary as a minister Dr. O. Bell Close, pastor of Fewsmith Memorial Presbyterian church, will use as the text of his Sunday morning Thanksgiving service the same Psalm verse from which he preached his first sermon at the age of seventeen. Surrounded by members of his family and neighbors in the Cumberland mountains of Tennessee a half-century ago, the newly licensed preacher spoke in the tiny Snow Hill church on the words, "The Lord hath done great things for us whereof we are glad."

He pointed out this week that the message of those words, which he inscribed on the fly leaf of his then new Bible and cherished for this occasion, is still unchanged.

It substantiates his contention that, in spite of the many phenomenal material and social changes, the gratitude of man to God for the things he has done and continues to do is justified and that these things are the "fixed stars" in the universe of spiritual and social life.

The young minister, who at seventeen had received country school education in the territory surrounding Jacob Hill, entered Bloomington college and was later

graduated from the University of Chattanooga.

For five years he served as missionary among his own mountain people and then held pastorates in Nashville and Atlanta, Ga.

Comes to Jersey

He came to New Jersey, not as a minister, to lecture privately for temperance which he did for five years while he resided in Mill-issan. Dr. Close was one of the first independent Republicans who sought office and was elected to the New Jersey legislature where he served during the first World War.

At the conclusion of the war he

went to the "war city" of employees of the Dupont corporation near Penn's Grove where he organized and built a church and served the community until it became permanently established as Carneys Point.

Following were two years as pastor of the Weequahic Presbyterian church in Newark. Dr. Close was made moderator of the Presbytery and attended the general assembly. While holding this position twenty years ago he became aware of the need for a church in the Greylock Manor section here.

Founds Church

In June 1923 he met with a score of Belleville residents in the town hall and the decision was made to found a church. After resigning from the Newark pastorate he came to live in Belleville in November of that year and services were started in Masonic Temple with a charter membership of 252.

The old Fewsmith church of Newark had at that time been sold and holders of the mortgage had defaulted. Dr. Close sought permission of the Presbytery to attempt realization of funds on this mortgage with the assurance that the name "Fewsmith" would be perpetuated in a church here.

Resultant proceeds built the church at Union avenue and Little street which was completed and dedicated in 1925.

Laying stress on the value of recreation to the community Fewsmith church built bowling alleys and basketball courts in their social center which have been in continuous use, according to Dr. Close, for twenty years without charge to any individual or organization who cared to use them.

Grammar school basketball play-offs are held there and as many as eight Fewsmith teams were in inter-community competition until the war emergency program curtailed them.

Beside adult groups a junior women's guild has been founded under which girls recreation programs are carried on. The young women have also formed a class in comparative religion.

Church Slogans

Expanding on the theme of community service on which his church is founded Dr. Close this week quoted its two slogans: "A church exists for the people who do not belong to it" and "if we will adequately serve the community, the community will take care of the church."

Observing that his pulpit has housed speakers representing other religious denominations and that his recreation program has been entered into freely by boys of all creeds, the minister expressed the feeling that community service has been and will continue to be an integral part of his church.

Dr. and Mrs. Close, who live at 19 Tiona avenue, are the parents of three sons: Bernard Close, attorney for the Century Indemnity company of Hartford; Pvt. Carlisle Close of the Army air forces at Caspar, Wyo. and Theodore Close, student at Montclair State Teachers college and director of the Montclair Y M C A aquatic school.

Ted Close was medically discharged from the American Field service early last summer after having been wounded in the line of duty in Italy. He served abroad one year.

Mrs. B. E. Failing, of 23 Van-Reyner place, wife of a Newark physician, and Mrs. Birdsell Rowland Jr., of the Tiona avenue address, whose husband is overseas with the Coast Guard, are the Close's daughters.

Jay Paganelli to Lead Opening Boxing Card

Belleville Avenue Middleweight Is Signed to Meet Randy Drew of Newark in Grossman Debut in Riviera Park Rink November 30

Jay Paganelli of 296 Belleville avenue will provide part of the leather slinging November 30 when Bernie Grossman stages his first weekly boxing match in Riviera Park roller skating rink.

Grossman announced yesterday that Paganelli had been signed to meet Randy Drew, Newark colored boy whom Paganelli has beaten twice previously, both times by very close decisions.

The rink is being renovated to accommodate the estimated 2,500 fans who will witness the opening card two weeks from today. The program calls for a four-, a six- and three eight-round bouts. The Paganelli-Drew set-to will be the six-rounder.

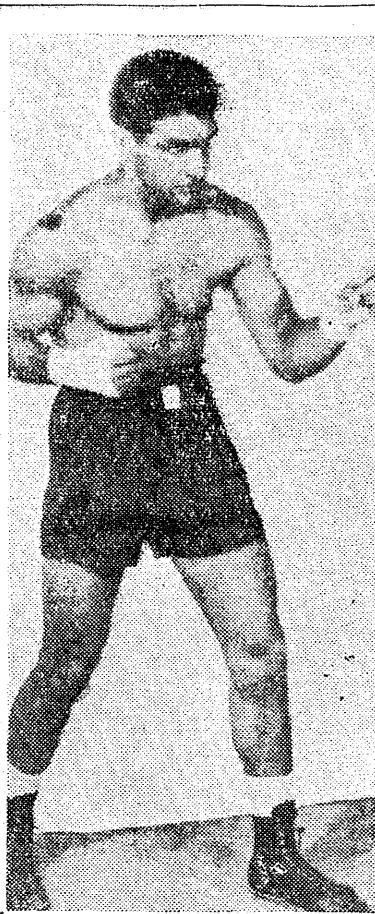

Signed to meet in one of the eight are spunky Johnny Juliano, Paterson featherweight, and George Cooper of New York City. The first meeting in Queensboro Arena two months ago resulted in a decision for Juliano.

Paganelli has won 36 of his 48 professional fights and drew six of the other. His latest decision was won three months ago in Long Branch over Vic Chambers.

Lost to Costa
His most important fight was the close decision he lost to Al Costa, ranked No. 7 nationally, in middleweight ranks, eight months ago in Fall River, Mass.

He has decisioned Coolidge Miller and Edie Steel and put the KO slap on Joe Carter and Johnny Harris.

Paganelli went to North Arlington High school and was formerly a torso model for photographer

Jay Paganelli

John Pyle of New York. He is now a truck driver with Viking Tool & Machine corporation of 2 Main street.

Married with two children, he fought up to now under the name Jackie Cohen because of family opposition to his engaging in fist-fights at all. He got his start in the fight game when he was a bouncer in a Baltimore night club.

He trains at the Newark YMCA and takes his five-foot-ten 160-pound frame out around Belleville Park for road work daily.

Chalfant Leads State Scoring, Nabs Ten Points in Finale

Tom Chalfant, brilliant halfback of the Good Counsel High school football eleven, tallied ten points Sunday to take the unofficial state scholastic scoring lead.

The son of Mr. and Mrs. Quentin A. Chalfant of 130 Union avenue, chalked up a touchdown; extra point and field goal as the Gales submerged St. Mary's High of Elizabeth.

Chalfant's 59 points were a major factor in Good Counsel's six wins in seven games this year. The only defeat was the 14-0 blot administered by Belleville High in the season's opening fracas.

USO serves any and all directly connected with war service. This year, as our armies and navies press forward to victory on many fronts, USO's job will be bigger than ever.

USO has a reputation with service men and women — a reputation which makes them feel it can solve any situation, meet any crisis. When they want an evening of fun, they say, "Let's go to the USO." When they can't find an answer to an urgent problem, they say, "Let's go to the USO." And when they want help with a little personal need — a place to write a letter, get a shower, press a uniform — they say, "Let's go to the USO."

It's a reputation with a challenge in it. But USO looks forward with confidence to the challenges which the critical months ahead inevitably will bring — sure that it can count on the skills and devotion of its hundreds of thousands of workers, and the continuing support of the American public.

WAR PRISONERS AID

To help the millions of "soldiers out of luck" make the best of their lot is the aim of War Prisoners Aid, member agency of the National War Fund.

Life as a prisoner is bleak and barren, even when the terms of the Geneva Convention are met in their entirety. Worry over loved ones, the dull, monotonous routine of camp life, the ignominy of working in the enemy's fields or on his roads, the constant pacing back and forth in the prison compounds — all these wear away a prisoner's stamina, leaving raw, aching nerves that scream for relief.

Giving that relief in the form of recreational, educational and occupational activities is the function of War Prisoners Aid. By providing the prisoners with activities to keep their minds and hands busy, War Prisoners Aid helps make more tolerable life behind barbed wire.

Revision the Right Way

There were many good points about the new constitution which the voters took to the cleaners last week. And, judging from the amount of non-political opposition to it, there were more bad points about it. The opposition stemmed mostly from Hague's opinions and from several large and small groups who felt that their rights (or privileges) were not protected.

It also sprang from a certain unidentified uneasiness in the hearts of many Jerseyites that something was not entirely on the up-and-up. There was a little too much evidence that much of the new constitution was framed with the avowed purpose of "getting" Mayor Hague. Hague is certainly a politician who in many ways deserves to be rooted out but it is a cinch that we did not need to change the whole law of the land to put the bee on him.

Further the charter was drawn up by a Republican-dominated committee of legislators instead of by the democratic method of constitution convention. A project like a new framework for our laws is too big a thing to be written by any small group of men without a great number of public hearings, which were noticeably lacking in this instance.

There seems little doubt by now that there are certain characteristics of our present constitution which are not to the best interests of the state and the gloomy sulking in Trenton or Llewellyn Park of the defeated proponents of the code will not correct them. There are still two more steps which may be taken by the heads of the

first is the amendment method of revision. Factors which militate against the best interests of the state might be listed and then the constitution might be amended to correct them. The second is to call a convention of all the counties where the controversial points might be thrashed out. From such a conclave would come a document with which little fault could be found for all sections of the state would have been given a chance to be heard.

A Seemingly Just Request

The postoffice employees, office workers and letter carriers, sorters and truck drivers, are asking for public support of House and Senate bills which would grant them pay increases and would make adjustments in overtime pay. They need letters and expressions of encouragement from the public because their own hands are tied in the matter.

A maximum salary of \$2,100 is not much inducement toward efficiency for our letter carriers. It places them in the lowest of all brackets among public employees. Yet there is probably not a more cheerful and thorough-going branch of our government than the postoffice department.

Endorsement of the postal workers' request is difficult to refuse, particularly in view of the fact that they have had no guaranteed increase in nineteen years. The only possible method of public endorsement in this case is in the form of letters to legislators in Washington which all citizens are urged to do.

Proposals Get Brush-off

The proposal of the Belleville Foundation that a veterans' guidance program be established here is now six weeks old. The municipal recreation advisory committee is now seven weeks old—and has yet to meet. Proposals to prohibit unnecessary noise have laid on the table nine weeks and a suggestion to ban ragweed and other nuisances is the same age. An ordinance which would create a town planning commission has been pigeon-holed for the past nine months.

Since these projects were first proposed and discussed the town fathers have hesitated for some unaccountable reason to take the second steps and to bring them out of hiding. There are other suggestions which are even older but, after the first flurry of publicity, they have been allowed to die slow deaths or to be covered up by some new development in some other line.

There is no doubt that the ear-splitting crash of charges and countercharges in the town's family has taken the play away from more commonplace and comparatively dull routine matters during the past few weeks. The business of the town has been going on but much progressive action has been allowed to fall unwept by the wayside.

Public officials should not, in our opinion, propose new steps to be taken until they are prepared to carry them through either to a positive or a negative conclusion. Projects which are too much for them to carry should be left to someone more eager to see a good thing for the town put into action. A proposal made and allowed to perish for want of energy can but boomerang on the proposer.

Perhaps the Commissioners are too busy to handle all the town affairs with dispatch. In that case such assistance as would be provided by the recreation advisory committee and the planning board should be welcomed. In the absence either of active sub-commissions or of action on proposals the only conclusion is procrastination.

They Need Our Blood

The Army newspaper Stars & Stripes has put the finger on the American people for the meanness of the blood plasma being contributed by us on the home front. "There just isn't enough blood being given by the folks back home" to meet the needs of the GIs wounded in the European fighting.

That is a serious indictment of our war effort. If what the service newspaper claims is true, Americans at home have fallen down on one of the most important of all contributions to the fighting men. It means that Americans have turned callous ears to the pleas of their boys lying wounded on the battlefield.

The gift of a pint of blood is a small thing in itself. It is the only real gift which we can make without thought of tangible gain; it is a gift freely given from the abundance of the heart. Yet when the mobile Red Cross unit made its first visit to Belleville in many months recently, only 200 people in this town of nearly 30,000 voluntarily stepped forward to give.

Belleville should have been able to muster 2,400—if the spirit of giving our all were sufficiently strong. The Red Cross unit should find it necessary to come here every week; but instead it has been able to visit here only fourteen times (exclusive of industrial blood banks) in the 35 months of the war.

The Red Cross has been doing a magnificent job of gathering the blood for shipment overseas, although its facilities are not such that they can make too many visits to any one locality. When it does come, however, it should be swamped with offers and donors should be vying with each other to be first in line.

Every Bellevillite, every American should consider it a privilege to be able to give a pint of his blood to save the life of a soldier or sailor. Until that responsibility is made a personal thing in the heart of every American, the needs of our fighting men will not be met.

Discusses Girl Scout Leadership Problems

Mrs. James Reynolds Instructs Council, Leaders in Functions; Leaders' Training Courses Begin; Joralemon, Greylack Schools Sponsor Brownies

Their relative roles in the Girl Scouting picture were outlined to the council and the leaders' club last week by Mrs. James Reynolds of the Region II Girl Scout staff in a joint meeting of the two organizations. In her talk on the interrelation of the functions of the groups, Mrs. Reynolds pointed out ways in which the council might be of assistance to the leaders who are the ones who come into actual contact with the scouts.

The leaders are essentially a training group, she indicated, and in their club they discuss problems and get ideas for their troop meetings. The council is an administrative organ and in this capacity works for and with the leaders on the various phases of their jobs. Every council member is either an officer or committee chairman.

The function of each was outlined in order to clarify for the leaders the operation of the council. A round-table discussion followed.

The previous Saturday Mrs. George R. Gerard, council program chairman, presided at the inauguration of the Girl Scout service bureau, for which 25 girls signed up.

The bureau is designed to assist at community projects. At the completion of thirty hours of service intermediate scouts will receive a badge of appreciation (awarded to senior scouts after fifty hours).

LETTERS

The opinions expressed in this column are those of the authors of the individual letters and do not necessarily reflect the opinions of the publishers or editors of The Times.

Explains Revision Letter

From Mrs. John F. O'Brien Jr. 55 Lincoln avenue, Newark
To the Editor of The Times:

... I fail to see how anyone who read my letter in your columns on Nov. 2 (urging serious thought before voting on constitution revision—Ed.) could draw any inference from it that I was speaking for anyone but myself. Nowhere in the letter did I refer to the Belleville Woman's Republican Club as being either in favor of or opposed to the proposed revision.

The only reference to the club appears in part of the caption which refers to me as founder of the club and this title is something of which I am proud and something which no one can ever take away from me. This is clearly set forth in the charter of the club under date of May 4, 1933.

... As the issue of the revision has been settled by the voters of the state, it should now be the aim of everyone to stifle immediately the animosities and misunderstandings created during the campaign.

Town Employees Pension Vote

From Hugh W. Welsh, resident
Municipal Employees' Association
To the Editor of The Times:

Allow me to express through your paper the thanks of our association to the citizens of the town of Belleville who, in the election on November 7th, adopted the provisions of the New Jersey State Employees' Retirement System for the town of Belleville.

The provisions of this act will only benefit those employees who now have no pension or old age protection and we feel that the retirement act when in full force in Belleville will go far toward easing the mental burden of the employee looking to the future.

ARRANGE PROGRAM FOR CLUB RECITAL

Pianists, Violinist and Soprano To Appear Next Saturday At Sutherland Home

The Musicians' Club of Belleville will have an evening of music for members and their guests Saturday evening at 8:15 at the home of the president, Adell Sutherland of 87 Preston street.

Helen VanNess and Evelyn Beers, duo-pianists, will play two groups of two-piano compositions.

Both pianists are married and have families, but manage to keep up the hobby that started when both were in high school. Mrs. VanNess lives at 15 Sunset avenue and Mrs. Beers is from Bloomfield.

Thomas Wilkinson, violinist of Arlington, will play a Tartini "Sonata" as well as a group of solos. Mr. Wilkinson is a member of the West Hudson and Nutley Symphony orchestras, and has appeared as soloist on the Nutley Symphony Musicales Series. He will be accompanied by Adell Sutherland.

A soprano from Bloomfield, Clara Walters, will complete the program. Miss Walters is a teacher

in Bloomfield Junior High school and devotes her leisure to the study of the voice and USO work. She will be accompanied by Helen VanNess.

Miss McNair, vice-president and program chairman of the club has arranged the evening. All artists are members of the club.

The social committee for the affair will be Miss Virginia Ellsworth of 275 Little street, Miss Raymond Young of Newark, Mrs. Thomas Wilkinson of Arlington and Mrs. James Sagurton of Montclair.

"There was a telephone in the house when I moved in—but I couldn't just take it over!"

It would be a lot easier to leave the telephone in and connect it for the new occupant of a house or apartment, as we did in normal times, but that would hardly be fair when so many people are waiting for service.

Now—when residence service is discontinued, we take out the telephones, as soon as we can, and put them into a general "pool", from which we fill current applications for essential service,

and as many orders as possible from the waiting list.

Every need for essential service is being met, but with telephone factories producing at full capacity for war needs, the only facilities there are to care for pending applications are those released by present customers.

Those now waiting for service can be sure that they will be connected in proper turn as fast as disconnections permit.

A Prayer

Across the world the sound of shells has ceased . . .
 And quiet shrouds the battle-rubbed West . . .
 The enemy has laid away his arms, and Death and
 Pain are done in France.
 But I go on . . . for I must fight and kill . . .
 And work and sweat . . . and hide and run . . .
 For *here* the enemy is very much alive . . .

His bullets still are made of lead . . .
 Their angry whispers still foretell of sudden death
 For me and others crouched in slime and mud . . .
 The end for *us* is yet to come . . .
 And so we pray to God to give us strength
 To fight and win . . . without the waste of Time . . .
 And with His Will . . . to see our homes again.

The promotion of Cecil Boyce, son of Mrs. Anna Boyce of 164 Washington avenue, to private first class was announced recently somewhere in England where he is stationed in the Army air forces.

Before entering the Army he was with the Calco company here. For the past twelve months he has been a supply storekeeper in England.

Second Lieut. George G. Maginness, son of Mr. and Mrs. John E. Maginness of 21 Linden avenue, has been assigned to the Army air field at Ardmore, Okla., where he is completing the final phase of training as a navigator of a

heavy bombardment unit. A graduate of the high school, he entered the Army in March 1943 from Muhlenburg college. He was commissioned October 2 at Ellington Army air field, Tex.

Capt. James C. Reilly and his wife, the former Lois Griesse of West Orange, have been spending a week with his mother, Mrs. Norinne Reilly of 18 Elmwood avenue. He returns today to Peterson Field, Colorado Springs.

Reilly entered the Army in September 1940 after seven years with the National Guard. He received his Army air forces commission October 28, 1942, at Miami Beach and returned six months

ago from a year's tour of duty in England.

Cpl. John R. Hanly, son of Mrs. Margaret Hanly of 24 Howard street, has been awarded the bronze star for valorous action against the enemy in Italy. Hanly is now in Germany.

The action for which he was decorated occurred May 25 when a half-track filled with 37 mm. shells was set afire by enemy bombardment.

Hanly and five other men left their place of safety and drove the armored car out of its revetment and extinguished the flames. A few minutes later they had to repeat the performance when it was again set afire.

All the time enemy shells were bursting around them and some of their own shells exploded. Hanly and his companions are credited with saving the half-track.

A graduate of St. Benedict's prep, Hanly worked at "Viking Tool & Machine" corporation before entering the Army two years ago. He has been overseas nineteen months and participated in the invasions of Africa, Sicily, Italy and France.

Fire Controlman 3/c Frank Matt Jr. of 214 William street reported Tuesday at Newport after spending five days at home. He returned recently from Navy duty in the Pacific.

Fifteenth AAF in Italy. — Second Lieut. Gilbert E. Chinnock, 24, of 178 Cedar Hill avenue has been awarded the distinguished unit badge as a member of a bombardment group which has been cited for "outstanding performance of duty in armed conflict with the enemy."

The group received the nation's highest organization award for an attack on the aircraft factories at Wiener Neustadt, Austria, May 10.

Howard F. Gorman of 69 Bel-mohr street, who recently received his commission as ensign in the Navy, is now home on a thirty-day leave with his wife, the former Margaret Paas of 60 Bel-mohr street and his parents, Mr. and Mrs. Michael J. Gorman.

He returned to the States two weeks ago from the Hawaiian Islands, where he was stationed for eight months.

Gorman entered the Naval Reserve in April 1942 and received his basic training at Norfolk, Va. He was then given the rank of chief specialist and has been stationed at the San Diego naval base and the Farragut naval training station in Idaho.

Lieut. Stewart S. Knapp

Fifteenth AAF in Italy. — A navigator with an Italy-based bomber group, 2d Lieut. Stewart S. Knapp, 20, of 168 Tappan avenue was recently authorized to wear the distinguished unit badge when his veteran B-24 Liberator outfit was cited "for outstanding performance of duty in armed conflict with the enemy."

The Liberator group, although handicapped by personnel shortages and operating with only forty percent of its maintenance equipment, took off on a vital mission to attack the Daimler-Puch Aircraft Factory at Steyr, Austria.

Intense cloud cover obscured the target. Using rockets, aerial flak, cannon and machine guns in an effort to scatter the American planes, approximately 75 German fighters attacked the formation. Despite severe opposition, the group maintained its formation, shifted its bombing objective to the Steyr Walzlagerwerke, important German ball-bearing plant, and inflicted "tremendous material damage."

During the air battle, the unit destroyed 27 enemy fighters, probably destroyed seventeen more and damaged three, balanced by a minimum loss of four of its own aircraft.
