

## PASS \$100 BONUS TAX RATE STAYS AT \$4.64

Hearing on Bonus Amendment  
At Budget Adoption  
Meeting Monday

Amendments to the approved town budget providing for a \$100 cost-of-living bonus for the police and firemen and all town employees were adopted in a resolution passed by the board of commissioners at the adjourned public hearing on the budget held Tuesday night.

A public hearing will be held on the amendments on Monday night at 8 o'clock when the budget comes up for final adoption. The bonus, amounting to \$11,900 will be met with funds in the surplus cash account, and will not affect the tax rate established at \$4.64 pending final figures on county and state taxes.

The bonus has been granted after the request of the police and firemen for a \$200 raise. They received a \$200 raise last year while town employees received a bonus ranging from \$240 to \$300.

## Tax Approval

Tax approval of the proposed town budget for 1945 with a tax rate of \$4.64 a drop of three points, was given by Belleville residents at the public hearing on Monday night when one citizen put in an appearance. He was late. The hearing began at 8:05 and adjourned at 8:10.

The commissioners declared that any raise or bonus given to one group should be given to all. After a survey of wages and bonuses in other communities, Mayor Williams said this week that he had advised the police and firemen that their wages compare favorably. The police wage and bonus are also equalized, with the town employee bonus which will now range from \$240 to \$400.

Police Chief Spatz had also requested the addition of 12 more men to his department to supplement the 38-man force which at times is so depleted, he said, that only one man is on duty during the night shift.

The commissioners have taken no action on this request, but Mayor Williams said yesterday that it may be possible to remedy the situation gradually with the addition of returning veterans as chancemen for school and special duty, thus economically relieving the regular force.

## BOARD MAY DRAFT MORE MEN 30-34

Regulations Tightened; Job  
Jumpers Subject to Induction;  
New Group Leaves

A general tightening up of Selective Service regulations preparatory to increased quotas, was revealed this week by John P. Dailey, draft board chairman. Selective Service headquarters has instructed boards to advance the age limit of those eligible for induction from 30 to 34 years of age and those in the 30-34 age group will be required to meet more rigid specifications for occupational deferments under the new regulations.

Dailey stressed the ruling which states that those who leave the job for which they are deferred without the permission of their local board, are subject to induction, whether or not they have been rejected on physical examinations.

It is also the employer's re-

## Salvage Collection Dates to Be Broadcast Over WAAT

The Essex county salvage division has arranged for daily broadcasts of salvage collection dates in Essex communities over radio station WAAT.

Belleville's salvage dates will be included in the broadcasts which will occur Monday, Wednesday and Friday from 2:05 to 2:15 p. m. and on Tuesday, Thursday and Saturday from 8:50 to 9 a. m.

Collection is taken up here on the first four Wednesdays of each month. Zones 1 and 5 are circulated on the first Wednesday; Zone 2 on the second; Zone 3 on the third and Zone 4 on the fourth. There is no collection on the fifth Wednesday when one falls on the month.

## Wesley Speaker

Chaplain Karl B. Justus

## WILL TALK ON WORK UNDER FIRE

Chaplain Karl B. Justus Was  
At Bougainville, Guam And  
Leyte Landings

Wesley men will have charge of a special service Sunday evening at 7:45 in Wesley Methodist church when Chaplain Lieut. Karl B. Justus, a Methodist minister, will speak on his experiences in the South Pacific. The program is under the auspices of the church activities committee headed by Robert Conklin.

Chaplain Justus has recently returned from twenty months duty overseas in the South Pacific area where he participated in five major landings. He was at Bougainville where he volunteered to go ashore with the medical unit, heading the fourth wave of troops landing on the beachheads.

At Guam and Peleliu he conducted burial services under constant fire from snipers and at Leyte and Emiriau in the Bismarck archipelago he participated in troop landings. Here on several occasions his ship was under constant attack from enemy planes, outrigling in danger many a beachhead landing. Chaplain Justus is now attached to District Headquarters in New York City where he is serving in the District Chaplain's office.

## His Background

Chaplain Justus is a native of Iowa, and received his early education there. He later attended and received his AB degree from Asbury college, Kentucky and his BD degree from the Asbury Theological seminary.

His first pastorate was served at St. Paul's church, Sykesville, Md., and in 1942 he volunteered for the Chaplain Corps, and received his commission as a Naval Chaplain. After attending the Naval Chaplains school at Williamsburg, Va., Chaplain Justus was assigned to an attack transport for duty. He is married and has one son, Karl Jr., age ten.

## MEET AGAIN ON OAKS PROPOSALS

Woman's Club Sponsors  
Second Meeting to Discuss  
Plan for World Peace

Representatives of various town organizations will convene at the Woman's clubhouse Wednesday evening at 8:30 for a final discussion of the Dumbarton Oaks plan for world peace. First session was held Wednesday evening under the auspices of the legislative department of the Woman's club of which Mrs. John F. O'Brien is chairman.

Speakers next week will be Mrs. J. Murray Booth of Glen Rock, chairman of the State committee on Dumbarton Oaks, and Mrs. Myra A. Blackley, executive director of the Goodwill commission of New Jersey. Mrs. Blackley will talk on the post-war part of human relations in conjunction with World Peace plans.

Representatives of eleven town organizations attended last Wednesday's meeting when Mrs. Robert Eldridge, chairman of the Nutley Dumbarton Oaks committee, told of the neighborhood meetings planned there through the block chairmen, and the speakers chosen to explain the full text of the Oaks plan to all town organizations.

A full hour's discussion followed with each representative given an opportunity to give his views. Mrs. O'Brien expressed the hope that Belleville will adopt Nutley's plan. Rabbi Schwartz closed the meeting with a prayer for peace.

## KIDDE PURCHASES OIL RECLAIMER FIRM IN OHIO

New Subsidiary, Part of Post-War  
Development, Moves  
To Main Street

Walter Kidde and Co., Inc. announce that as of January 10 they have purchased the capital stock of the Youngstown Miller Co., Inc., formerly of Sandusky, Ohio, manufacturers of plastic coaters and oil reclaimers.

On or before March 31 all operations will be transferred to 675 Main street, where orders on hand will continue to be filled under the direction of F. L. Gerin, who becomes vice president and general manager. Other officers of the new subsidiary of Walter Kidde and Co., Inc. will be John F. Kidde, president, Harold A. Carter, vice-president, G. Crosby Hiss, secretary and William Deyerberg, treasurer and comptroller. R. E. Strobel will continue as sales manager for the Youngstown Miller products.

This expansion of Kidde's activity is in line with previously announced plans for postwar development of new products serving markets which parallel their well-established line of fire protection equipment. Continuing research and development at its basic line of products has also resulted in the addition of new devices and improvements in old equipment which will find broader application at the end of the war.

## Have Robot Refiner

The Youngstown Miller company have for the past 10 years been recognized as manufacturers of an outstanding line of batch reclaimers for all types of lubricating, hydraulic, and cutting oils. They recently developed the Robot refiner for continuous cleansing operations of large quantities of oil in constant process use.

## SPRING CLEANING TIME IS HERE

Public Works Director Waters  
Starts Annual Sprucing Up  
For Town Streets

No one has yet reported a robin in the back yard but Spring must be just around the corner for Public Works Director Waters began the annual Spring cleaning of Belleville streets.

The yearly sprucing up is quite an item in town housekeeping and won't be completed until summer after a few fleeting visits, has settled down to stay. Initial work is hand sweeping of most of the town streets by the depleted force of eight men in the street division.

This is done to get the winter's collection of debris out of the gutters and to pick up the litter that the street sweeper rejects. Twenty-two loads of dirt were swept off Washington avenue over the weekend, three times as much as usual, due to the heavy rains and snow.

The street sweepers go into operation next and not until this second sweeping is finished, is the job of hatching begun. In spite of the heavy snows there is only about 25 percent more work on road holes this year than last. Waters said yesterday, observing that the streets in general are in fair condition.

## Pressure Regulated

The now fully regulated water pressure has cut down the number of sewer leaks which occur due to the heaving of the ground with a change in temperature. There have been but 18 leaks this winter, compared to an average of three or four a week, before the water pressure was regulated to prevent a sharp increase during the night when demand is at a minimum. The regulators are so adjusted however, that they can release maximum pressure at a moment's notice, should it be needed in case of fire.

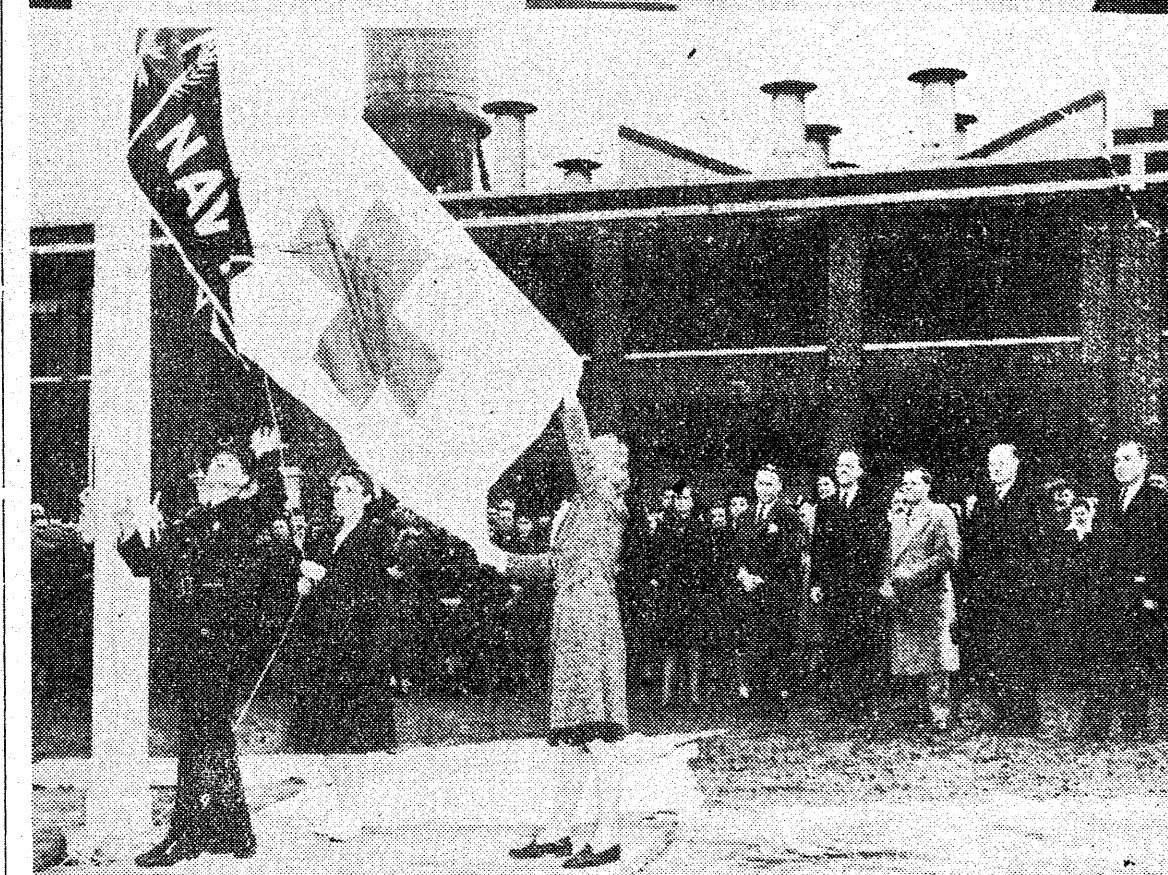

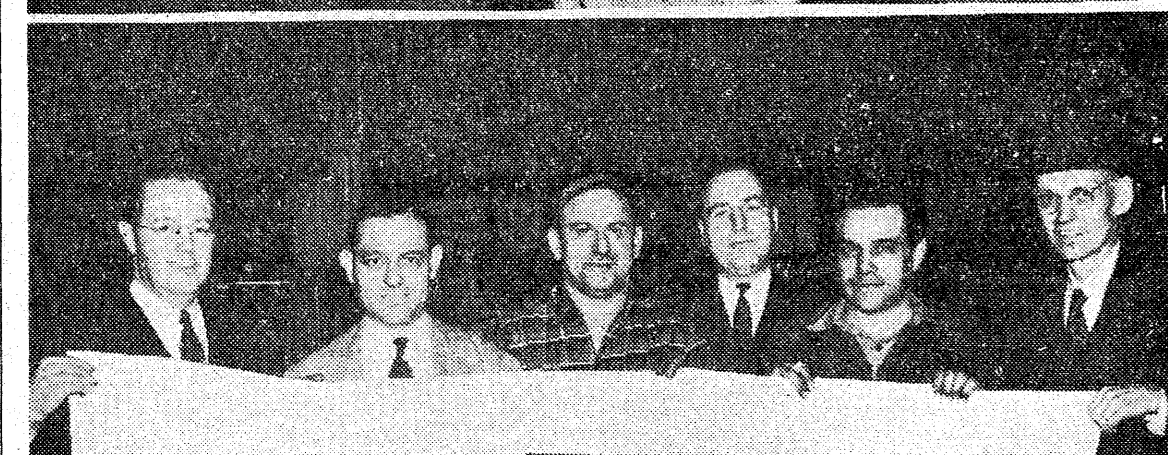

The minor road patching to be done by the town will cost about \$200 in material, Waters said. It is expected that permanent repairs will be made by a contractor after June 1. The town will also spread 20,000 square yards of seal coating on penetration streets. Of this amount, 10,000 square yards will be underwritten to the extent of 90 percent of the cost by the County Highway department, with the town paying the other 10 percent.

## Someone Doesn't Like Pigeons

Pigeon shooting has been going on Floyd street, and Mrs. R. E. Huelke of 189, a pigeon lover herself, would like to warn their owner before any more of them become dead you-know-what. She suspects that certain residents don't share her liking for the feathered things. She hopes their owner lures them into their cage and keeps them there — specially on Saturdays, when the shooting takes place.

# Reach One-third of Red Cross War Fund Goal As Three Firms Over-subscribe Their Quota

## Flag Raising Ceremonies

THREE INDUSTRIES went over the top this week in their plant quota for the Red Cross war fund drive by over-subscribing at least 20 percent. Shown above at ceremonies in which they received the Red Cross flag they are, top to bottom, Bart Laboratories, Lloyd Engineering company and Westinghouse Lamp Division.

At Bart Laboratories ceremony are shown in the first row, Sigmund Barth, Gilbert Wright, industrial drive chairman, John F. Rodgers, Mrs. Dorothy Elizondo, B. Thomas Aitken, Red Cross chairman and O. B. Barth. Members of the plant committee in the second row are V. A. Alcamo, George Gross, Charles Weber, P. C. Lombardi, A. F. of L shop steward, and Joseph Betus.

The Lloyd Engineering ceremonies in the center picture show Wright on the left, Joseph Rossi and Jacob Meyers, the two oldest employees who received the flag from the firm, Aitken, Louis Vevanti and E. M. Lloyd.

Plant and Red Cross officials gathered at Westinghouse Lamp division for an outdoor ceremony. Miss Helen Hamley, plant nurse and Miss Madeline Zeikus, nurses aid, received the flag for the plant from Aitken and W. Douglas Clark, drive chairman.

## Fourth W&T Blood Bank Here on Saturday

Two hundred thirty employees of Wallace and Tiernan are scheduled to donate blood at the fourth company sponsored blood bank on Saturday.

Since all available space at this plant is devoted to war work, arrangements have been made with the board of education to use the High school gymnasium as a collection center.

An average of twelve donors transported by Red Cross Motor Corps is scheduled to arrive at the bank every fifteen minutes. It is estimated that an employee will be able to leave the plant and return to his job in less than one hour and ten minutes because of efficient planning.

The dates of other company employee sponsored blood banks, in addition to the regular community wide bank will be published in the near future.

## GPA Community Service Panel Meets Tonight at Temple

Mrs. Luther E. VanPelt of 110 Malone avenue is chairman of the GPA community service panel which will meet this evening in the auditorium of Congregation AAA at 8. Mrs. Laury G. Stem of Nutley is co-chairman.

This organization meeting will be attended by fifty representatives of school organizations, church guilds, defense council, Red Cross and other aggregations in both towns.

Although up to this time educational material on price ceilings and point values have been distributed largely through school children, Mrs. Van Pelt has stated that many homes are not reached through them and it is hoped that the organizations in town will provide an avenue through which townspeople may be further enlightened in these matters.

## Report \$13,409.03 in First Week of Drive; Industries Get Flags In Plant Ceremonies

Belleville has reached one-third of its goal of \$13,409.03 during the first week of its Red Cross war fund drive for \$43,500, an achievement which has been aided materially by three local industries which have over-subscribed their quota by at least 20 percent.

Bart Laboratories, Lloyd Engineering and Westinghouse Lamp division are the firms which have received Red Cross flags in recognition of their over-subscription. The flags

were presented this week by B. Thomas Aitken Red Cross chapter chairman, and Gilbert Wright, industrial chairman for the drive, with appropriate ceremonies.

## BOWLING MATCH FOR RED CROSS

Elks and Craftsmen Will Compete in Benefit Scheduled  
For March 24

The Elks and the Craftsmen club have arranged a special bowling match for the benefit of the Red Cross, to be held Saturday evening, March 24 at 8:30. The match will be rolled on the Elks alleys. Thomas McNair of the Elks and Roy Dickinson of the Craftsmen club have arranged the affair with all proceeds going to the Red Cross.

The Elks, moving at a good clip in the fast stepping sixteen-club Bergen county Elks league, are now in third place, with designation replacing the Ridgewood and Jersey City teams, now holding the top spots. It would not be the first time that the localities won the championship. Playing in the benefit Red Cross match will be Cliff Faust, Jimmy Dunn, Mir Womelsdorf, Charles Gebhardt John Mallack and Emil Kastner.

The Craftsmen are in first place in the Newark Masonic League and hope to repeat their performance of the 1942-43 season when they won their first pennant. They will line up with Ashley, Waller, Win Hayes, George Johnson, Frank Dow, George Beck and Roy Dickinson. Dow, better known to bowlers throughout the county as Pop, is completing his 47th year on the alleys. Dow, Beck and Dickinson have been bowling together for over twenty years.

Tickets may be obtained at Red Cross headquarters, 338 Washington avenue; the Elks clubhouse, Craftsmen club members or by telephoning Womelsdorf, 5 DeWitt avenue, Be. 2-3068-W or Dickinson, 152 Cedar Hill avenue, Be. 2-3922-J.

## CONSULTS DARBY ON TOWN BUDGET

Gruhin Asks for Commissioner's Opinion on Apparent "Irregularity"

Following up his contention that there is an "irregularity" in the town budget which will be up for adoption at the commission meeting on Monday night, Robert Gruhin, local attorney, has written to Commissioner of Local Government Darby, asking for his views in the matter.

He said in part, "I question the listing in the budget of items of appropriation for the police department and part of the Recorder's court under the Department of Public Safety, where as the commissioners, by resolution dated October 19, 1944, transferred to the Department of Revenue and Finance all the executive, administrative, judicial and legislative duties relating thereto, from the Department of Public Safety.

"I do not believe, in submitting the copy of the proposed budget that it was brought to your attention that the powers relating to the Police department and the Recorder's court clerk were no longer assigned to the Department of Public Safety by virtue of the aforesaid 'tipper resolution'; nor would it be apparent therefore that a director, having control over such offices, departments or divisions is not charged therewith in the budget."

Gruhin appeared before the commissioners last week, suggesting that the "irregularity" be cured by replacing jurisdiction of the police department under Public Safety.

## COMPILING NAMES OF SERVICE FOLKS

Prompt Co-Operation Asked  
So That All May Receive  
Military Ballot

Town Clerk Florence Morey is attempting to compile a complete list of service men and women in town eligible to vote so that military ballots may be sent to them for the primary election which takes place in June. Information must be filed by her 65 days before the election.

In order to compile a list of those eligible for such a ballot, the Town Clerk's office will mail out within the next week, double post-cards to the home addresses of service men and women whose names appear on that list. Recipients are urged to fill out and return these cards at the earliest possible date. The full name of the military voter and his or her complete address, such as would be used on a letter addressed to them in their present service, should be given.

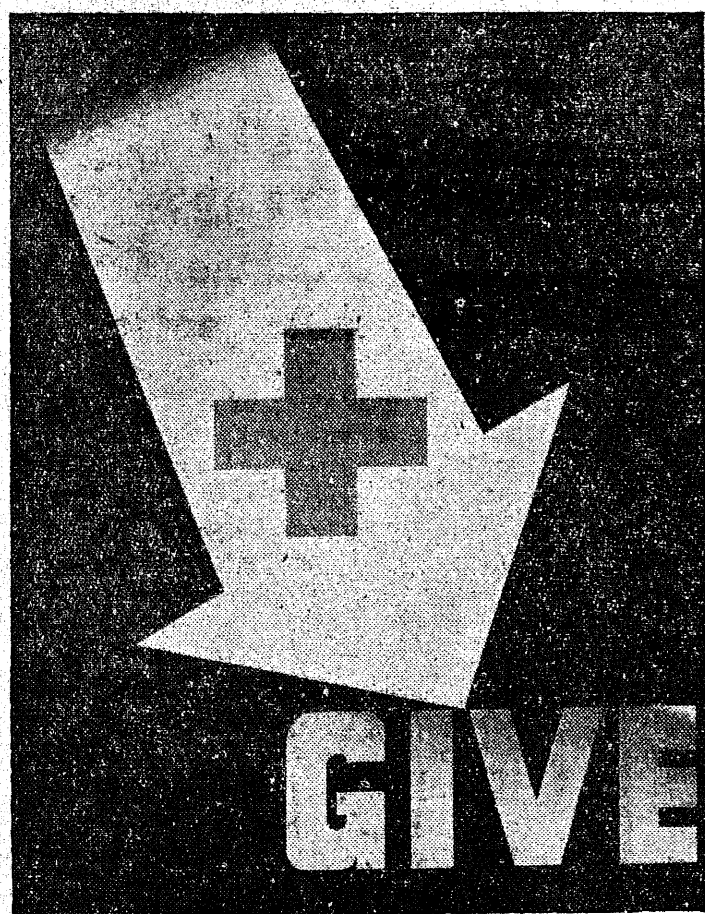

A new law provides that everyone serving in the Army, Navy, Marine Corps, Merchant Marines, U.S.O., Red Cross, Society of Friends, Wasmu, etc away from home, is eligible to receive a military ballot. This law also includes discharged veterans who may have gone directly into a Veterans' hospital.

The Town Clerk's office has received a confidential list of all men and women serving in such capacity. However this list does not include auxiliary groups because the list comes from the office of the Adjutant General and contains only the names of those persons in the armed forces.

## AAA DRIVE HEADS MEET MARCH 18

Campaign to Raise \$100,000  
For Postwar Center to End  
With Dance and Show

Team captains and lieutenants of the Congregation AAA building fund campaign to raise \$100,000 for a post-war community center will meet with drive chairman Jack Steinhilber at the first of their Sunday morning conferences, on March 18 at the Goldman Hotel in Pleasantdale.

Samuel Kogan, Congregation AAA president, leads the workers in the amount already turned in. Plans include a dance and floor show in celebration of the campaign, to be held at the Essex House, Newark, on Sunday, May 27.

Already meeting with response beyond their expectations, a spokesman said yesterday that the Congregation AAA hopes the proposed center will prove to be a major contribution to the town's post-war program. Advice of town officials will also be sought in the venture.

also handled 37 breaking and entering cases and all but six are disposed of.

Motor vehicle violations totaled 597 and there were 174 criminal cases. Of the motor vehicle violations, 290 were booked for speeding, while 43 assault and battery cases led the list of criminal violations.

Two hundred and seven persons were booked at headquarters during the year, 176 accidents were reported and 83 persons injured in town were given medical attention. The police responded to 145 calls to take patients to and from hospitals, in addition to the 522 trips made by the ambulance.

There were six attempted suicides and one person of the 47 reported missing, has not been found. Twenty-seven other persons reported lost, were "found and returned."

Other products which this company will continue to manufacture and sell include a complete line of plastic coat hangers for melting ethylcellulose and other plastics used in coating parts with a water-proof, corrosion-resistant protection for overseas shipment or storage. These machines are suitable for continuous hand-dipping operation and may be adapted to conveyor application. They meet all existing requirements set up by military agencies and compounders of material for handling this type of plastic coating, and are extensively used by the Army and Navy for coating parts.

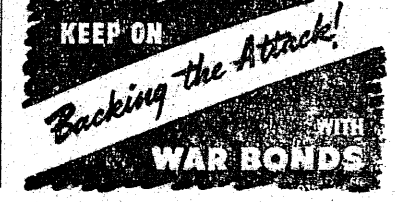

YM Plastic Coaters embrace many important features not found in similar equipment, including extremely close control of temperatures over both the heat exchange medium and the plastic, removal of film and bubbles by dipping, constant level of dipping surface and controlled agitation.

Sale of these products will continue through distributors and representatives of the parent company. The main sales office and manufacturing facilities of The Youngstown Miller company will be located at 675 Main street.

## ST. PETER'S FIVE MEETS ST. PAT'S

Tomorrow's Game Elimination  
Contest in CYO League;  
Bowlers on Top

St. Peter's Intermediate basketball team will begin the second half of the CYO league tomorrow in an elimination contest with St. Patrick's of Newark, whom they defeated in the first half. St. Peter's has won five and lost three games. St. Peter's was eliminated in the Junior league on Wednesday, February 28.

Both girls and boys are at top in their respective bowling leagues. The boys have won their first half and the girls battle it out with Blessed Sacrament of Newark to determine the winner of the first half, on Sunday in a series of three games. They need to win one game to clinch the lead.

Final plans will be made on Tuesday for a St. Patrick's Day celebration which will be held on Sunday, March 18. The boys of the Intermediate team will meet the "Old Men" on the basketball court. Patrick McNally has not yet revealed the lineup.

The roster will be drawn from members of the Holy Name Society and the Knights of Columbus. This game will be preceded by a game between the CYO junior team and a group from the other members of the organization who did not qualify for the CYO team. There will be dancing after the games. The executive committee of the girls and boys group will be in charge of the arrangements.

Wearing a white satin gown fashioned with a sweetheart neckline and a train, Miss Emily Jane Suber of Moultrie, Ga., became the bride of Cpl. Alphonse Zecca of 197 Fairway avenue at a ceremony performed last Thursday evening at the post chapel in Spence Field, Ga. Catholic Chaplain Adolph J. Stremel officiated.

The bride carried a bouquet of orchids and stephanitis, and her wedding veil was of hand-made Italian lace. She was given in marriage by her sister, Mrs. Edward Senders of Moultrie, who wore a pink net gown and a corsage of orchids. The maid of honor was Mrs. C. C. Dowdy of Moultrie, whose gown was fashioned of blue net with three-quarter length sleeves. Mrs. Dowdy carried yellow roses.

Two other attendants, Miss Eleanor Smith and Mrs. Patrick Suber of Moultrie, wore similar gowns of pink net and carried bouquets of pink carnations. The flower girl, Miss Elaine Suber of Coolidge, Ga., a niece of the bride, also wore a pink net dress and carried blue iris.

The best man was S/Sgt. Daniel Trimarco, and the ushers were Cpl. Albert Bazzaz, Sgt. James Villano, M/Sgt. Edward Tomaszewski, and Pvt. Orris Burroughs, all assigned to the medical detachment at Spence Field. Pfc. William Earl, chapel organist, provided the music throughout the ceremony and accompanied the vocalist, Pvt. Norma Lally of the Spence Field WAS squadron.

Following the ceremony, Mrs. Sanders was hostess at a reception for the couple at her Moultrie home.

The former Miss Suber is employed at Spence Field, where she is in the office of the station hospital. Cpl. Zecca, the son of Mr. and Mrs. Joseph R. Zecca of town, is a pharmacist at the station hospital. A graduate of Barringer High school in Newark, he attended New York university for

two years before entering the service.

Among the out-of-town guests at the ceremony were Miss Constance Zecca and Miss Dee Zecca of Belleville, sisters of the groom; Mrs. R. V. Rose of Cherokee, Okla., and Mr. and Mrs. C. S. Johnson of Ashburn, Ga.

## MISS CUNNINGHAM BRIDE SATURDAY

Marriage to Norman Gorski  
Took Place in Afternoon  
Church Ceremony

The wedding of Miss Shirley Cunningham, daughter of Mr. and Mrs. Francis C. Cunningham of 85 Malone avenue to Norman Gorski, son of Mr. and Mrs. Joseph Gorski of Rutgers place took place in an afternoon ceremony at the Belleville Reformed church with the pastor, the Rev. John Struyk officiating. A reception for 25 relatives and friends followed at the Penquin club in Allwood.

Given in marriage by her father, the bride was gowned in traditional white with a broad satin bodice and skirt of lace net. Her fingertip veil fell from a heart-shaped cap and she carried an arm bouquet of white bridal roses.

Her sister Frances as maid of honor, wore pale blue broadened marquisette, matching accessories, and carried a bouquet of American Beauty roses.

Best man was Roy Gorski of Arlington, brother of the bridegroom and ushers were Edward Holler and Roger Cunningham, both of town.

Mrs. Cunningham wore a gown of navy blue with white accessories and a gardenia corsage while Mrs. Gorski, mother of the bridegroom, wore Alice blue with matching accessories and an American Beauty corsage.

After a trip to New York state, the couple will be at home next week. Both are Belleville High school graduates. Mr. Gorski is employed by Walter Kidde and company of town. Mrs. Gorski was also employed there before her marriage.

The engagement of Miss Rachel Petti, daughter of Mr. and Mrs. John Petti of 47 Mitchell street, Belleville, and RM 2/c Frank Giordano, son of Salvatore Giordano of 78 Harrison street, Nutley, was announced recently at a dinner given at the home of the bride's parents. Only members of both families and close relatives were present.

Miss Petti was graduated from Belleville High school and RM 2/c Giordano attended Nutley High school. The prospective bridegroom has been in the service three years and was overseas for 22 months. He wears three bronze stars on his campaign ribbon, signifying active participation in battles in Southern France, Sicily and Tunisia. His three brothers, all in the Army, have also served in the European Theatre of Operations.

The wedding of Miss Rose Murphy, daughter of Mr. and Mrs. Robert Murphy of East Orange, who formerly lived at 410 Franklin avenue, took place Saturday, February 10, in St. Rose of Lima church, East Orange. She was married to Petty Officer 2/c Russell Brown of Kearny.

The couple was attended by Miss Jessie Steel of Kearny and Edward Brown, brother of the bridegroom. Mrs. Brown made her home here until three years ago. Her husband is physical instructor at Sampson, N. Y. Naval base; the couple will live in Geneva, N. Y.

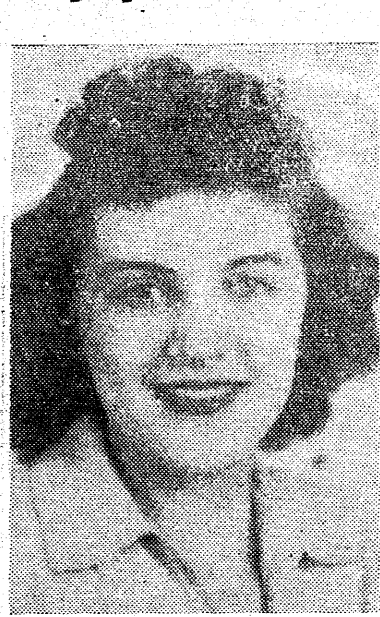

Honor Guest at Party Before  
Entering Army Nurse Corps

Miss Charlotte Menegus, sister of Rev. Titian Menegus of St. Anthony's church, was guest of honor Thursday evening at the home of Mrs. Joseph Bagnole and Mrs. John Kieferdorf of 24 Franklin street. Miss Menegus has since reported to Tilton General hospital to take up her duties as a member of the Army Nurse corps.

The nurse, who is the daughter of Mr. and Mrs. John Menegus of St. Petersburg, Fla., was formerly supervisor of nurses in St. Anthony's hospital in that city.

Guests at the buffet supper Thursday evening included Fr. Menegus, Mr. and Mrs. Jerry Illaria, Mr. and Mrs. Angelo Illaria, Mrs. Bertha LeDonne, Mrs. Charles Illaria.

## Engaged

Miss Betty L. Gruman

Mr. and Mrs. DeWitt L. Gruman of 235 Overlook avenue announced the engagement of their daughter, Miss Betty L. Gruman, to Soundman 3/c Donald F. Schofield of 14 Bell street Saturday evening at a supper party. Mr. Schofield's parents are Mr. and Mrs. Frederick V. Schofield.

The couple were graduated from Belleville High school; Miss Gruman in 1942, Mr. Schofield in 1940. Miss Gruman is a cadet nurse training at Presbyterian hospital, Newark.

Soundman Schofield is attached to a Coast Guard unit on the West coast to which he returned this week after leave with his family.

## LEGION WOMEN AT COUNTY MEETING

Auxiliary Sends Delegates;  
Aides Will be Appointed for  
Vets' Party

Delegates today from Belleville American Legion Auxiliary 105 to the monthly meeting of Essex County auxiliaries in Newark will be Mrs. Peter Johnson, local president, Mrs. W. I. Labaugh, Mrs. George Wagner and Mrs. Edwin Ackerman. Prospectus of the coming month's activities in line with County, State and national programs will be outlined.

Saturday Mrs. William Kant, auxiliary member, will act as civilian hostess at WAC and WAVE recruiting headquarters in Bamberger's department store.

Mrs. Wagner, rehabilitation chairman, will appoint aides after the auxiliary's business meeting Monday evening in the Recreation house. The women will make arrangements for a party for veterans at Lyons hospital, Millington, on March 27. Games with prizes and refreshments will be provided.

Hostess to Legion

The auxiliary was hostess Monday evening to the Legion Post at the opening of new headquarters at 617 Washington avenue. The entire unit assisted Mrs. Charles Hoffman, hospital chairman in serving refreshments which included a birthday cake donated by Post member Arthur A. Dunn.

At the February meeting of the auxiliary Mrs. Joseph Huemer, membership chairman, pointed out the provisions under which wives, mothers, sisters and daughters of servicemen in the present war are eligible for membership in the Legion auxiliary.

Women related to the men who

have lost their lives in service will be admitted as Gold Star members; those whose husbands, fathers and sons have been honorably discharged from military service form the second group; and women who themselves have been honorably discharged after serving in the regularly enlisted armed forces of the nation make up the third group.

Men who have been discharged from service must be members of the American Legion before women in their families can affiliate with the auxiliary.

Mrs. Huemer may be reached at Be. 2-4047-J by those who wish to obtain application blanks for membership or make further inquiries.

## SALTERS PRESENT MUSIC PROGRAM

Milo Salters Reads Wartime  
Poems, Brother Directs  
Church Choirs

Milo Salters of 30 Prospect street, recently discharged from the Army after two years with the Engineer corps in Europe, assisted his brother, Harold Salters Sunday afternoon in a musical program at Little Zion church, 156 Stephens street.

Mr. Salters preceded each musical selection with a reading from his wartime poems which he has arranged to have published under the title, "Foxhole Inspirations." Harold Salters accompanied and directed the singing of the senior and junior choirs of First Baptist church, Nutley where he is organist and choir leader.

Rev. George Riley of that church and Rev. Joseph A. Jones of Montclair, pastor of Little Zion church, were present.

Former Sgt. Milo entered the Army three years ago before which he was employed here by the Essex Coal and Lumber company. He was a member of the Edwards Gospel Singers quartette which made numerous local appearances and also studied and acted with the Adelphe Players of Grace Baptist church.

Mr. and Mrs. William N. Salters are the men's parents. Another son, S/Sgt. Ernest Salters is serving with an Army transportation unit in the South Pacific. In addition the Salters have three sons and a daughter at home.

## Grace Baptist Groups Hear Speaker on Chemistry

The Helen V. Davis circle of the Grace Baptist church entertained the Men's club on Monday evening at the church.

Miss Virginia Lee, program chairman, introduced the speaker, Miss Arretta Lynch Watts, member of the public relations staff of E. I. duPont de Nemours and company.

Miss Watts pointed out how chemistry is meeting our present day needs on home and war fronts; sometimes in startling fashion, such as in the case of dyes which were manufactured ninety percent by Germany previous to the war and have been developed here to meet the demands of our fighting forces and civilian population.

Mrs. Harris Riggs, the newly elected president presided and Mrs. George Warke was in charge of the social hour which followed.

## Mass of Requiem Tuesday For William J. Barrett

A solemn high mass of requiem was held Tuesday morning in St. Peter's church for William J. Barrett of 19 Van Rensselaer street, who was buried in the church cemetery.

Mr. Barrett died at his home last Friday after two weeks' illness. He was 85 and had lived here nearly all his life. He was Erie Railroad gateman at the Mt. Prospect avenue crossing for 18 years prior to which he operated a newsstand at Broadway and the North Newark city line.

His sister, Miss Helen C. Barrett, lives at the Van Rensselaer street address. Surviving are another sister, Mrs. William J. Crecca of Maplewood and a brother, Thomas F. Barrett of Nutley.

## Bellevillites In Uniform

Sgt. Frederick William Wright, son of Mr. and Mrs. Thomas Wright of 90 Greylock parkway, bomber crew chief with the Eighth Air force in England, recently met Sgt. Leonard V. Walsh of Glen Ridge for the first time. Sgt. Wright is the fiancé of Miss Adelaide Walsh and the men have corresponded for some time.

Sgt. Wright, who entered the Air forces three years ago, has been in England for the past year. Sgt. Walsh is with the Ninth Air force.

Chief Petty Officer Wilber Thalheimer, son of Mr. and Mrs. Frank Thalheimer of 19 Fairway avenue, returned from the South Pacific last week and is on leave at the home of his wife in Roselle. He will visit Belleville this week.

Watertender Thalheimer joined the Navy eight years ago. His brothers, Aviation Machinist's Mate 2/c Joseph Thalheimer and

Seaman 1/c Frank Thalheimer, are on duty in the Pacific now.

T/Sgt. Louis Evangelista of 141 Little street went to Atlantic City replacement center yesterday after a 21 day leave here with his father, Salvatore Evangelista. He returned from the European theatre of war in February after two and a half years.

An electrician, he is attached to a bombing squadron of the 15th Air force. He participated in six major battles and was awarded the Legion of Merit decoration.

Also at home on furlough is 1st Lieut. Florence Evangelista, Army nurse, his sister. She was promoted from second lieutenant last week at LaGarde hospital, New Orleans.

Lieut. Evangelista was graduated from Belleville High school. He nurses' training school of Mountainside hospital and entered the Army Nurse corps two and a half years ago.

Seaman 2/c Louis Seiler, son of Mr. and Mrs. Louis Seiler of 17 Wallace street, completed his indoctrination at the Sampson, N. Y. Naval training station last week and reported to an Air Service station at Corpus Christi, Texas for further training. He is not yet 18.

Frank Arena of 78 Baldwin place reported at Fort Dix March 2 for assignment to training as an air cadet. He is the son of Mr. and Mrs. Anthony Arena. Frank is 18 and left the senior class in high school.

## STORM SASH AT COST

## Belleville Sash and Millworks

527 Washington Avenue, Belleville, N. J.

### You don't do it with hay, brother!

It costs 86,000 good hard American dollars to lay a smoke screen on a 20-mile beachhead for a single hour.

Worth it?

What would you think if you knew your life depended on reaching that beach without being spotted by the enemy?

You'd be mighty glad that — in this war — everything is being done to give the American soldier the best possible

chance to live and win... money no object.

You wouldn't have it otherwise, would you?

Then remember — you've got to do your part by buying and holding War Bonds. Your dollars are needed to help lay the smoke screen... provide the "softening up" bombardment... flatten the deadly pill-boxes.

That's what your War Bond money does right now.

And in the future it will do still more

...both for you and for your Country. War Bonds are your safest, and smartest, investment. In ten years, they'll bring you back four dollars for every three you put in. And that money will mean purchasing power... for you. It'll mean jobs and a healthier economy in America.

So buy more Bonds than you've been buying. Buy more than you think you can afford.

They help toward a quicker Victory... and a happier peacetime for you.

## DEDICATE NEW LEGION HOME

Ceremonies Were Held Monday; Plan to Rebuild For Returning Vets

Belleville Post No. 105 The American Legion dedicated its new temporary home at 617 Washington avenue on Monday evening. Commander Arthur A. MacCready conducted the program and was assisted by Chaplain Andrew Cooper.

Mayor Williams on behalf of the board of commissioners made the presentation speech and Vice-Commander Harry Ziegler made the acceptance speech. Commissioners Noll, King and Mertz were in attendance as was County Vice-Commander George W. Siver who also spoke and commended the post on its accomplishments.

Following this program a short business meeting was held and four new veterans were accepted into membership bringing the total of 44 new members who are veterans of this war. A donation was voted to the American Red Cross. The attendance was the largest in many years.

Plans are being prepared for a new modern home to be erected on the property in the near future which will have facilities and recreation features for the returning veterans. Harry Ziegler was appointed chairman of the house committee with William Konard, Otto Breunlich, William Kenepf and William I. Labaugh.

Commander MacCready also appointed Arthur S. Ackerman as chairman of the Memorial Day committee with Henry L. Denison, Kenepf, Andrew Cooper and Labaugh. Cooper was appointed to represent the Post on the Community Service panel of the Belleville War and Price and Ration board. The next meeting will be a social night at the club house on Monday, March 19. Veterans of the World Wars are invited as well as service men and women.

## Pfc. Raymond Inman in AAF Celebrates Year Overseas

Pfc. Raymond E. Inman, an aircraft mechanic, of 233 Greylock parkway, is celebrating the anniversary of his first year of overseas service as member of the engineering section with "The Crusaders," a 13th AAF Medium Bombardment unit in the South Pacific.

For more than a year he has been servicing, repairing and readying his squadrons planes for attacks against the Japs in the Pacific.

Beginning in the Solomons where the Mitchell Bombers of his organization were pounding the Nips on Bougainville and Rabaul, he worked his way West un-

der the command of a jungle base in the Netherlands East Indies. From there he watches planes take off to hit the enemy from Ceram north to the Philippines.

Pfc. Inman's mother, Mrs. Tessie Gerber lives at the same address. A graduate of Belleville High school he joined the AAF in April, 1942, and left in January, 1944 for overseas duty.

## Mrs. George Gerard Girl Scout Commissioner; Chairmen Named

Chairmen appointed to the Girl Scout council last Thursday evening after election of the new commissioner, Mrs. George R. Gerard, and a slate of officers, included Miss Florence Kelly who will be in charge of staff and office assistance, Mrs. James Todd, registrar and Mrs. Victor Hart who will continue as camp chairman.

Miss Kelly will recruit adult volunteers for clerical work while Mrs. Todd will have complete charge of certifying scouts and all adults connected with scouting.

## HELEN TRAUBEL TO SING AT MOSQUE

New "First Lady of Metropolitan Opera" to be Sponsored by Griffith Foundation

Only one American-born and entirely American-trained singer has ever been linked with such

Helen Traubel

great Wagnerian soprano as Lilli Lehmann, Gadsch and Paganini. She is Helen Traubel, the magnificent new "First Lady of the Metropolitan Opera," and her coming concert appearance at the Mosque on Monday evening, March 19, under Griffith Music Foundation auspices, is sure to be a memorable event.

Miss Traubel's program will include not only a selection from Lohengrin, but also many beloved art songs, which will be transformed into exciting new experiences by this thrilling voice and rare artistry.

The program will be as follows:

Great is my song ..... Beethoven  
Joy of sorrow ..... Beethoven  
Love you ..... Beethoven  
And you know from Cavalleria ..... Mascagni  
My love ..... Schubert  
Cradle Song ..... Schubert  
Fantasy ..... Schubert  
Rest thee my soul ..... Richard Strauss

## COMPOSING AGAIN

I. J. Schanes Resumes Interest in Music, Circulates Song Among Concert Singers

After a lapse of many years, I. J. Schanes of 549 Belleville avenue, one-time concert pianist and composer, is turning once again to music composition. Although working on major religious themes for choral work at present, he is also circulating a semi-classical song, "Pierette," composed some time ago, among concert singers. It was programmed by Miss Josephine Rossi, local artist, on the Armistice Day program at the High school.

Another of his works which is receiving attention is his Peasant Dance published by Carl Fisher and played recently at the Radio City Music hall.

Born in Russia, Mr. Schanes comes from a family well-versed in music. His mother was a concert pianist who toured Europe. At the age of fourteen with his two brothers, he began concert trio work on tour in this country. One brother, Samuel, is now violinist with the Cincinnati Symphony orchestra while Maurice is cellist with the Washington National Symphony.

Mr. Schanes has written a tone poem which has been played by several symphony orchestras and his fascination and variety of Waltzes have been orchestrated, among other compositions. He has written for Musician magazine and was head of the piano department of the German School of Music in New York City for a number of years, until 1939. He also taught advanced piano but intends to confine his musical activities in the future, to the field of composition.

The Schanes have a son, Eli, now in service overseas.

## Parent-Teacher Associations

Joralemon Street School No. 11

An executive board meeting will be held at the home of Mrs. Matthew Sheehan, 31 Belmore street, Tuesday at 2 to discuss the program of the association's regular March meeting the following Tuesday, Mrs. Sheehan is membership chairman.

Last night Mrs. Alfred Vandusen, war aids chairman, represented Joralemon PTA at a conference of the proposed community service panel for Belleville and Nutley. Delegates met at Congregation AAA.

Franklin Avenue School

Subject of Superintendent Wayne R. Parmer's talk to the association this afternoon will be "Our Children—What Records And Why." An explanation of the Belleville school system's method of grading students scholastically and from several other standpoints, Mr. Parmer has delivered the talk to other PTA's.

Sixth grade girls will give a musical program with Lerna Chen, Colette Tupper, Claire Nees, Carol Snyder, Carol Tutschek, Joan Ruggiers, Mary Jo Sicoli, Rhoda Lyola and Donna Walsh appearing in vocal sextette, quartette and duet selections. Arlene Zipf will play the accordion.

Ralph Street School

Miss Della Corderey, home economist of the Public Service corporation, will talk on wartime nutrition in the school auditorium Tuesday at 2. Luncheon and lunch basket meals will be included in her remarks. Mrs. Peter Melchione is president.

## PEOPLE You Know

Mr. and Mrs. Ralph Palumbo of 86 Cedar Hill avenue who have been vacationing in Florida for five months expect to return to Belleville next week. Mr. Palumbo was formerly employed with the Prudential Insurance company of Newark.

A son, Sidney Austin Jr. was born on February 16 in American Legion hospital to P. O. 1/c and Mrs. Austin of 111 Overlook avenue. Mrs. Austin is the former Miss Margaret King daughter of Mr. and Mrs. John P. King of the same address. Her husband is stationed at Elizabeth City, N. C.

## Casualty List Grows as Five Are Reported Wounded

Four Receive Injuries in Belgium, One Back In Action After Tinian Landing

Five more were added to Belleville's list of war casualties this week with the announcement by the war department that Pvt.

Pvt. Dominick Greco

Dominick Greco, T/4 Robert A. Kinsley, Sgt. Frederick S. DeFuria and Pvt. William Abriedelli have been wounded in action in Belgium, and S/Sgt. Vincent Prawdzik in the battle of Tinian in the Marianas.

Pvt. Greco, the son of Mr. and Mrs. Gioachino Greco of 101 Franklin street, received arm and eye injuries on January 9, at Luxembourg. Now hospitalized in England, he has received the Purple Heart and his family has been assured by the war department that he is making a "normal recovery."

His brother, Andrew, a sergeant in the air force, now stationed in England, visited him recently in the hospital there, and Dominick has written that it was a day he will long remember, after having been away from home for a year. Twenty years old, Dominick, attached to the medical corps, has been in England, France and Germany before reaching Belgium and is now receiving his mail after a lapse of four months.

In a recent letter he said that he is sending a German watch home, taken from a German prisoner and which "has a good story behind it" he added. He graduated from Belleville High school in Bloomfield and was employed by the Lionel corporation in Irvington before entering service May 10, 1943. He trained at

Camp Pickett, W. Va., and Fort George E. Meade, Md.

Andrew, 22, has been overseas 14 months and was employed by Duggan's bakery in Newark before entering service February 10, 1943. The boys have two sisters, Angelina and Frances, both of the Franklin street address.

### Still Hospitalized

One of three brothers in service, whose father is a Spanish American war veteran, T/4 Robert A. Kinsley is still hospitalized after acquiring frozen feet in action in Belgium on January 15. Moved from hospitals in Belgium and France, he is now in England. Twenty-one years old, he was in an armored division and has been overseas six months.

The son of Mr. and Mrs. Albert C. Kinsley of 135 Cortlandt street, he was born in town, attended local schools, and was an instructor at a Bayonne skating rink before entering service November 16, 1942. He trained at Camp Polk, La., was on maneuvers in the south, had further training at Camp Cook, Calif. and Camp Kilmer before going abroad.

Robert and his two brothers in service, Edward and Raymond, were all home on leave last Labor Day before Robert went overseas. Edward, 36, a corporal home on furlough at present, is a crew chief on advanced trainers at Craig Field, Ala. In service three

T/4 Robert A. Kinsley

years, he is awaiting overseas assignment. Raymond, 28, is a private in the air corps. He was overseas as a member of the infantry and sustain a broken leg in England on D-Day.

Returning to this country, he spent five months in the hospital at Atlantic City and is now stationed at Maxwell Field, Ala. He is married to the former Betty Vogel of town and has three children. The boys have another brother, Albert Jr., 26, employed by the Kerman Carpet Cleaning company of Nutley, and two sisters, Mrs. Lawrence Bartholomew and Mrs. P. J. Wilkes both of town.

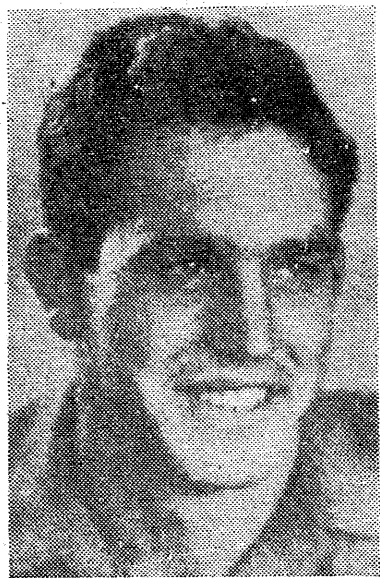

### Gets Leg Wounded

After 26 months of service, twelve of which were spent in England, France and Belgium, Sgt. Frederick S. DeFuria, a member of the Combat Engineers, received leg wounds on November 12, while serving in Luxembourg.

Sgt. DeFuria was in the landing in France on D-Day. Upon his mishap he was transferred to a hospital in England, where he remained until his departure for the States on January 5. He was

flown from Scotland to Mitchell Field, L. I., and assigned to the Tilton General hospital, Fort Dix, where he has been confined due to a leg operation.

Sgt. DeFuria is a graduate of Belleville High school and son of Mr. and Mrs. Joseph DeFuria of 62 Jannan street. He has three other brothers, Otto serving with the U. S. Coast Guard, Arthur and Anthony.

Sgt. Frederick S. DeFuria

Before entering service Sgt. DeFuria worked as an engineer with his uncles, the Lugano brothers of town.

### Injured in July

Although she suspected that her husband might have been injured when she didn't hear from him for nearly three months last summer, it wasn't until February 15 that Mrs. Vincent Prawdzik of 86 Cedar Hill avenue was notified by the war department that her husband, a staff sergeant in the Marines, was wounded in the battle of Tinian in the Marianas last July.

She knows that he has now returned to action and believes that he is at Iwo Jima where he is with the Fourth Marine Division, but she still doesn't know the extent of the injuries he sustained. Overseas thirteen months as a chief cook, he was in all the invasions in the Marshall islands, where he contracted malaria. He was hospitalized for seven weeks at the naval base in Hawaii and he returned to action in the Marianas when he was wounded.

The staff sergeant was born in Simpson, Pa. and is the son of Mr. and Mrs. Barney Prawdzik of that town. He was employed by Walter Kilde and company of town before enlisting in August, 1942. He trained at Parris Island, S. C.; Camp Lejeune, New River S. C. and Camp Pendleton, Calif. before going overseas.

His wife is the former Florence Palumbo, daughter of Mr. and Mrs. Ralph Palumbo of town. He has two brothers in service, W. O. Edward, in the Air corps, a member of the same Marine division, and Henry, a sergeant also in the South Pacific.

Another name added to the official list this week is that of Pvt. William Abriedelli, son of Mr. and Mrs. Michael D. Abriedelli of 585 Jorammon street. Although his family has heard from him since his injury in Luxembourg on January 13, he hasn't mentioned the extent of his wounds. He is now in a hospital in France.

Twenty-one years old, he attended the Sussex school in Newark and worked for a radio tube firm there before entering service two years ago. He trained in Texas and Oregon before going overseas last July. He has a brother, Anthony, 25, a private also abroad.

### Lese Majesty Blues

Sometimes the human race escapes us entirely. We just can't understand it. Indeed, there are moments when we wonder if it is human at all.

Just now we're thinking of war and peace — as 'who, in his sane mind, is not? Twice in this generation the world has been devastated by war. The suffering has surpassed anything in the history of man; millions have died, foully and senselessly; the cost in treasure is beyond computation. There is scarcely a human being on earth whose life has not been dislocated. From all this one would conclude that nothing in human affairs could be important enough to divert man from his determination to prevent another war.

Yet there are many who seem to have only the faintest interest in the efforts of world statesmen to set up an organization to avert another tragedy. There are others who, for selfish, personal interests, are prepared even to do their best to thwart those efforts. For these last, of course, there is nothing that can be done; such will always be with us.

But what can be said for that other group — those who don't care? If the greatest calamity in the history of mankind cannot arouse them from their inertia, what can? Words won't do it. The world is flooded with words. Death and destruction apparently won't do it. And even monetary loss doesn't seem to pierce their consciousness.

It probably is a matter of glands. Glands seem to be responsible for much that is wrong in human behavior, so they're probably the cause of this maddening inertia. If so, our qualifications for citizenship should be overhauled. Just now prospective citizens are either accepted automatically when they become twenty-one or, in the case of aliens seeking naturalization are asked some rather routine, infantile questions about our history and mode of government. This doesn't seem to be enough.

Would it not be helpful if new citizens were made to pass a psychological and physical test, similar to that given inductees into the armed services? Many men are not permitted to fight for their country because their reflexes are deficient. Why should they be allowed to vote for their country? Moreover, is the ability to answer some question about our history quite as important as to answer a question about today's events?

Of course, we know all this can't be done. We are aware that any such idea is a denigration of democracy, an espousal of the master race nonsense. Nevertheless, something should be done. If so-called citizens do not arouse themselves to a more acute awareness of their responsibilities, they need not

be surprised if more and more people begin to give this democracy of ours a pretty close scrutiny. Because many sane, sensible people are despairing that any good can result so long as dolts who don't even know there is a war on have a voice in determining our future lives.

### Girl Scouts

The Girl Scouts will celebrate their thirty-third anniversary next week, and all those who have observed the work of this great organization will wish them well.

It was in 1912 that Juliette Low gathered a group about her in Savannah, Georgia, and outlined her idea for the formation of a movement which should be known as the Girl Scouts. From that day the organization has grown, until today there is scarcely a community in America that does not have its Girl Scout council.

Today Belleville Girl Scouts are all doing a work for which they have every reason to be proud. Since the beginning of the war they have enlarged their activities to take in the collection of salvage, they are hospital aides, they help the Red Cross and the Block Neighbors of the Defense Council, as well as distribute literature in patriotic and civic endeavors.

Like the Boy Scouts, the Girl Scouts are giving their emphasis this year to international friendship. This is a sound policy. If the adult population seems at times to show nothing but an abysmal ignorance of foreign lands and other peoples, possibly the next generation, taught while they are Boy and Girl Scouts, will have some appreciation of the customs and problems of the people overseas. Which, of course, will be all to the good.

So, with the rest of their friends, the people of Belleville will wish the Girl Scouts many happy returns of the day.

### Maddening Invention

The long drawn-out suspiration which went up last week-end no doubt was the sighs of the women folks who read that a man had invented an apparatus which may contribute to the prevention of runs in women's stockings.

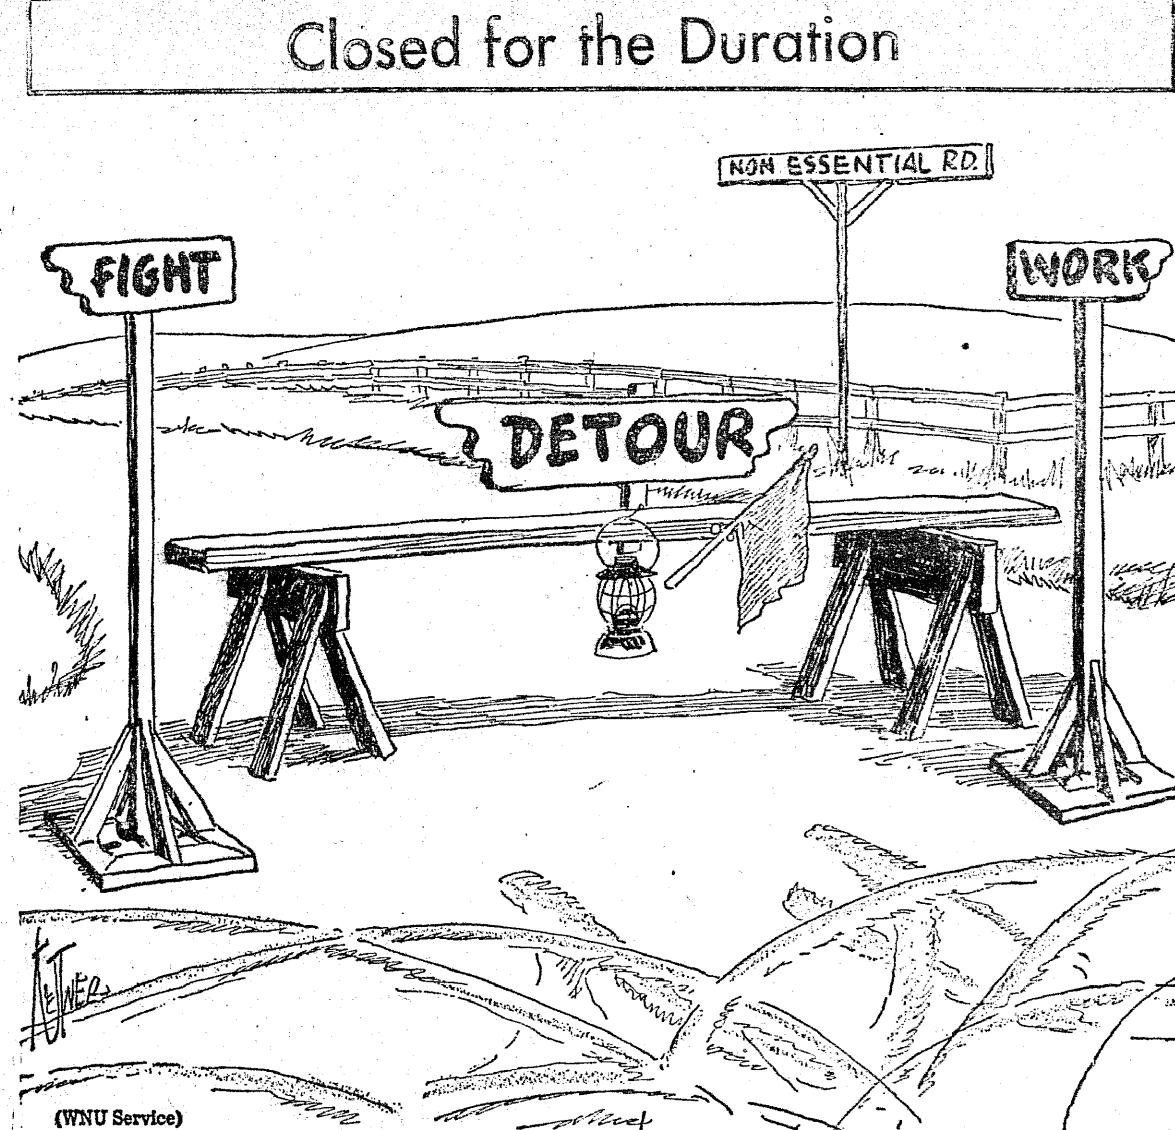

Only yesterday, no doubt, they would have beaten a path to his doorstep, in holy pilgrimage of thanksgiving. But now, alas, as they stare at the things they wear around their legs, they can only wonder at the callous heartlessness of man in perversely bestowing this gift in the blackest hour of women's helplessness.

Runs, indeed! As if the stockings they wear now were not veritable hatcheries of runs. And what are runs, compared to the loose folds and knobby bunches that now gather about their legs, as moss and fungus disfigure the symmetry of sappings? A fine time to stop runs! Now, if he had invented a new kind of stocking—

But while the women were bemoaning the inappropriateness of the invention, we, coarse creature, were thrown into a deep reverie over the inventor's explanation of his device. He said, "A single thread is broken in the center of the circular section of the stocking stretched above an inflatable body, and the pressure exerted on the inflatable body is measured as the runner is formed."

"Are women's legs," we asked, "inflatable? Is nothing honest? Is this only another delusion, to trap the gullible male?"

We have been brooding on it all week.

### Five Red Cross Services Give Their Annual Reports

#### Motor Corps, Canteen, Nurse's Aid, Home Nursing and Staff Assistants all Volunteers

Five additional branches of the local chapter of the Red Cross in their annual reports display the work done by volunteers in the community. These branches, the motor corps, canteen, nurses' aid, home nursing and staff assistants' corps are open to others who wish to serve.

The motor corps gave a total of 5,182 hours during 1944 and performed 2,704 errands. This work was done by twenty volunteers. Dr. James R. Irwin states. Mrs. George M. Cooper is captain and Mrs. William D. Sloan, co-captain.

Charity cars were driven 3,600 miles and volunteers' cars about 3,000 miles. Trips were made to the Halloran hospital on Staten Island to bring veterans to speak at various War Service rallies. Veterans were transported to the Veterans' hospitals at Lyons and in the Bronx. Patients were also taken to various hospitals nearby and to doctor's offices in nearby communities.

The Motor Corps assisted at all blood banks here. Four vehicles have been donated to this service. In 1943 Dr. and Mrs. Irwin gave a station wagon, equipped with two stretchers, two blankets and a large first aid kit. Hanlon and Goodman donated a 1937 Chrysler sedan, assigned exclusively to the Home Service committee. Also donated were a 1934 Lincoln sedan by Mr. and Mrs. Harold J. Scully (equipped with two blankets and a first aid kit), and a 1928 Pierce-Arrow sedan by Mr. and Mrs. Charles Miller also likewise equipped. The Motor Corps also has eight private cars which are used for transporting personnel and minor relief supplies.

#### Canteen Committee

Mrs. Horace B. Knox, chairman of the Canteen committee, reports that her workers assisted at all the blood banks in town. They served lunches to the personnel of the mobile unit and served fruit juice, sandwiches and coffee about 2,500 persons donating blood during year. The Corps consists of 47 Certified Canteen workers, and 24 of these gave a total of 634 hours.

The Nurse's Aid corps under the leadership of Miss Frances Williamson has 17 active aids enrolled, with three in training and three about to enter a class. These aids have given 3,102 hours of hospital service besides over 150 hours of blood donor assistance. They served in ten different hospitals in this area.

The Home Nursing committee, with Mrs. Charles Yocum as chairman and Mrs. Harry Brumback as vice-chairman, reported that two classes were conducted during the year and 22 women successfully passed the course and received certificates. They are now qualified to take care of the sick in their homes. Mrs. John P. Healy, Miss Esther Olson, and Mrs. Herbert Orth, all of whom are registered nurses, volunteered their services and instructed the classes. New classes are now being enrolled, and many more home nurses are needed in 1945.

#### Staff Assistants

Mrs. Rudolph Deetjen as chairman of the Staff Assistant's corps, reported that 15 certified

### RATIONERS ISSUE CANNING SUGAR

#### Stamps Will Not be Used. OPA Tightens Allotments Due to Shortage

All sugar for home canning purposes this year will be issued by War Price and Rationing boards; there will be no stamp validated for canning sugar in all ration books as was done last year. This was announced today by District OPA Director Richard J. Tarrant in a bulletin outlining this year's application and issuance procedure.

"A tighter system must be used this year," Tarrant explained,

### CLUB MOBILE GIRL SPEAKS AT PLANT

#### Red Cross Workers Will Tell Employees of Local Firms Of Experiences

As a result of her stimulating talk before members of Rotary last week, Miss Helen Stanley of Cranford, Red Cross clubmobile worker back from active duty, will speak to employees in several industrial plants in town in behalf of the Red Cross drive.

She is scheduled to appear at Resistoflex corporation tomorrow, at Wallace and Tiernan company on Monday and at L. Sonneborn and Sons at a date still to be announced.

At the Rotary club meeting, she highlighted the activities of a clubmobile or "doughnut" girl, "who served on the average of 5,000 helpings daily of doughnuts and coffee to the tired, battle-weary and weary doughnuts. She told of her landing in "dirty, smelly Africa," and recalled the famous engagements of our then young heroes. In Africa, shower baths were restricted to once a week, and in her later experiences, all bathing and washing was managed with water collected in her helmet.

#### In Forward Action

Then came the landing in Sicily and Italy, with Miss Stanley and her two female companions attached to the forward divisions. Back in the United States, she was told that Red Cross girls were never nearer to the front lines than about 35 to 40 miles. But they were under fire at Naples and Cassino and other Italian towns. As a matter of fact, Lieut. Gen. Mark Clark told them that they were just as expendable as any soldier.

Of course, life with an Armed Division for three girls could have been difficult, but our soldiers always treated them with the utmost respect and courtesy. She came to know and understand them, to hear of their intimate problems of family and home life. She listened to pre-natal worries, care of children, financial worries at home, and looked at countless horizons of pictures of sweethearts, wives, parents and children.

Miss Stanley ended her talk with a note of appreciation for the opportunity to serve with Red Cross. She stressed the fact that without support here at home, there would be no Red Cross overseas; she asked for whole-hearted backing for the War Fund Drive, and urged that "We keep Red Cross at your soldier's side."

Grace Men's Club Will To Wesley Men on Monday

The Men's Club of Grace Baptist church will hold its regular meeting Monday night at 8:30 p.m. The Club expects to have as its guests members of the Wesley M. E. church Men's club.

A sound motion picture "Fight Log" and a selection of short subjects will be given.

Refreshments will be served and bowling and games will be available after the entertainment period. All men of the community are cordially invited to attend.

### Are You Buying War Bonds?

The Procedure

Tarrant outlined the procedure as follows:

All issuance will be made by rationing boards beginning April 1. No applications can be made October 31, 1945.

Issuance for fruit canning will be at the rate of one pound of sugar for 4 quarts of finished fruit.

Maximum issuance for putting up preserves, jelly, canned vegetables, apple butter, etc., will be five pounds per person.

Maximum issuance for both fruit canning and preserving will be 20 pounds per person, and not more than 160 pounds per family unit.

One applicant will apply for all members of a family unit. The applicant will complete application form R-341 on which there are six specific questions about home-canning needs.

The application must be accompanied by spare stamp No. 13 from Ration Book 4 of all members of the family unit.

If the full allotment is not secured at the first application, a second application may be made at the same board prior to October 31, 1945. In no event may more than two applications be filed by any family unit during the 1945 season.

Special five-pound and one-pound home canning coupons will be issued by the boards. The five-pound coupons must be signed by a member of the family unit and endorsed with the serial number of his Ration Book 4 before it is cashed.

"If it were not for the telephone to direct gunfire," writes a Marine Corps correspondent, "modern artillery would be a brainless juggernaut, equally destructive of friends and enemies."

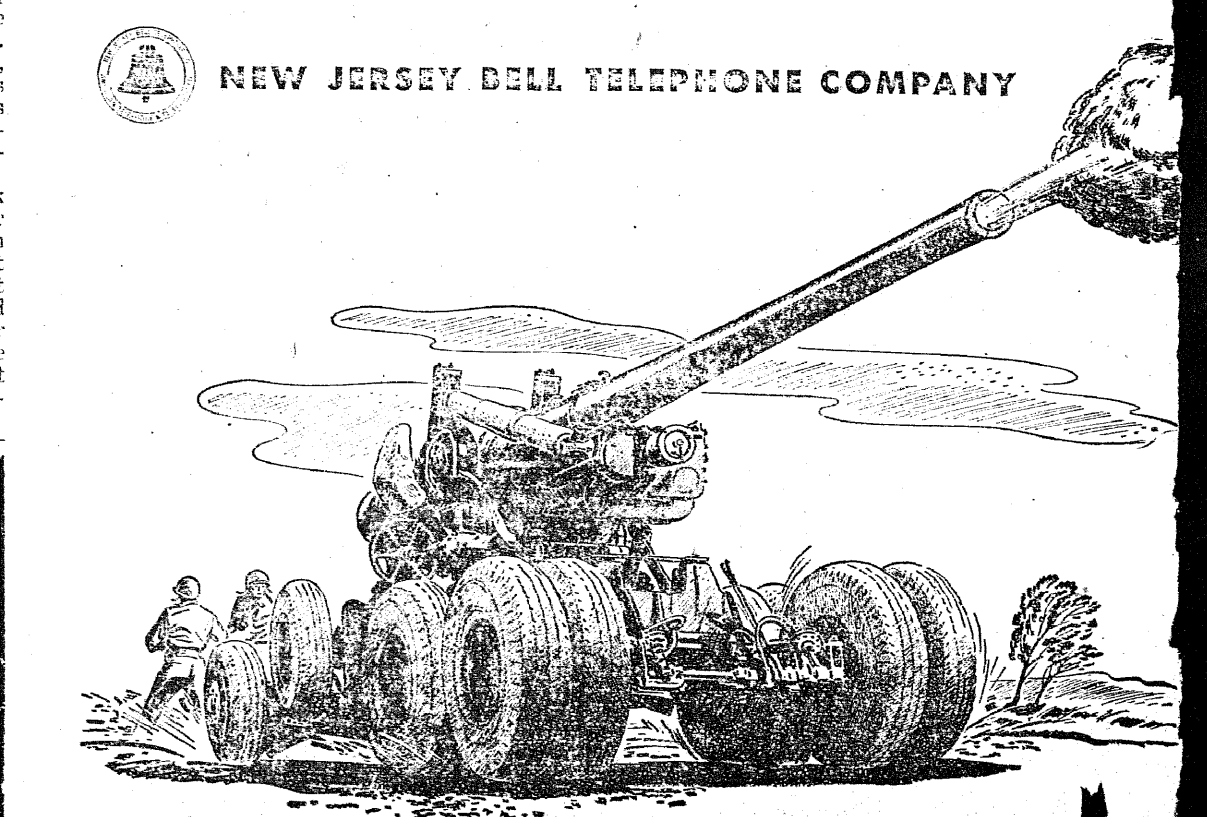

### "Brains FOR THE JUGGERNAUT"

Vast amounts of communications equipment are needed in this war—59,000 tons of it, for instance, to go with an invasion force of 250,000—and another 1,000 tons to maintain such a landing for a month—wire, switchboards, telephones, secret electronic devices, and hundreds of other necessities.

While our armed services need communications equipment in such quantities, there can be little telephone production to meet civilian needs at home. Today about the only new service that can be provided must come from disconnections and, of course, "essential" applications have first call on any facilities thus released.

If you are waiting for a home telephone, don't be surprised if our Service Representative is unable to tell you when your order can be filled. You can be sure, however, that it isn't forgotten . . . and will be filled in its proper turn.

## Belleillites in Uniform

High praise from command- ing general at Air Service Command Depot in England opened 1945 overseas for Pvt. R. Buca of 105 1/2 in place, son of Mr. and Mrs. Domonick Buca.

Serving in the va metal manu- facturing section at Air Ser- vice Command Depot, he and his fellow- soldiers set an time record in 1944 by turning out more than 850,000 airplanes modification kits — each kit containing the parts, equipment and directions to enable front-line mechanics to make special battle-needed changes to combat planes right on the spot.

Commending their battle-back- ing efforts, Brig. Gen. Morris Ber- man of San Antonio declared: "Working for months without days off before D-day; stepping up their output to meet the de- mands of airborne operations in Holland; sweating night and day to get planes into the air for every raid over Germany, these men have outdone themselves in the thankless job of backing the 1944 aerial offensive against Ger- many."

A soldier since October 1, 1942, he has been overseas for sixteen months. He was formerly employed by the American Metal company, Newark, and graduated from Bloomfield Vocational school.

Lieut. William G. Engelmann, the son of Mr. and Mrs. William M. Engelmann of 1 Essex street, recently arrived at U. S. Stra- tegic Air Force Station in Eng- land and received a brief orienta- tion course designed to help him adjust himself to life in a com- bat zone.

Lieut. Engelmann will soon transfer to his permanent sta- tion from which America's fight- ing planes cover our advance into Germany.

John N. Howard, 22, of Cha- tham, former Belleville resident, has been promoted to technical sergeant by the Commanding Of- ficer of Morrison Field, West Palm Beach, Fla., largest con- tinental base of the Air Trans- port Command.

Sgt. Howard, son of Mr. and Mrs. N. K. Howard, is the non- commissioned officer in charge of operations administration at Mor- rison Field. He completed 18 months of foreign service before being assigned there.

Pfc. Rudi K. Schneider was recently promoted to the grade of Technician 5th Grade according to information from the office of Col. John Harry, commanding officer of Fort Crockett and harbor defenses of Galveston, Texas. Tech. 5/r Schneider is a native of Belleville and lives at 79 Wil- liam street.

M/Cpl. Mari H. Rhinehart of 72 Overlook avenue has been promoted from private first class to her present rank at the Marine Corps Air Station at Cherry Point, N. C.

A graduate of the University of Maryland, Cpl. Rhinehart is an instructor in fixed gunnery. Before her enlistment in the Marine Corps on November 10, 1943, she worked for Pan-Ameri- can Airways, Incorporated, at Miami, Fla., as a clerk-typist. Be- fore coming to this station she served at Boone Field, N. C.

Col. Rhinehart's parents, Marine Major and Mrs. William M. E. Hess, currently are resid- ing at the Marine Barracks Naval Ammunition Depot, New Orleans, La., where her father is on duty.

## ON CARRIER IN SOUTH PACIFIC

AM 1-C George Hoffman Com- pletes 17 Sorties as Gunner On Avenger

AM 1/c George A. Hoffman, U.S.N. of 22 Harrison street, has returned from a tour of combat duty as an aircrewman aboard a torpedo bomber based on one of the Navy's big aircraft carriers in the Pacific.

Attached to Air Group 7, he served as a gunner in an Avenger, which can attack with bombs, ro- cets, and .50 calibre machine-gun fire as well as with torpedoes.

Hoffman, who holds the Distin- guished Flying Cross, took part in air strikes against Okinawa, Shima, Formosa, the Philippines, French Indo-China and Hong Kong, and was in the thick of the fiercely fought Second Battle of the Philippine Sea.

On 17 Missions During his intensive war cruise he piled up a total of 72 hours of combat flying while making 17 sorties against the enemy.

Carrier Air Group 7 shot down 76 Japanese planes, destroyed an undetermined number on the ground and helped to sink 64 ships of all sizes, including a light cruiser, a destroyer and five de- stroyer escorts.

The climax of the cruise was reached on January 12, in the China Sea when Air Group 7, as- sisted by the aircraft of two other carriers, destroyed two enemy convoys off the coast of French Indo-China. Twenty-eight vessels, including 10 escorting warships, were sunk by our air attacks or beached by the Japs. Caught com- pletely unaware, the enemy ships scurried about like waterbugs while their escorts deserted them in a futile effort to save them- selves.

The distinguished record of Air Group 7 was not established with- out cost. Thirty-eight officers and 180 men were lost during the month tour of duty.

to get back fast again. Don't like to stay in one place too long. Hope you received the Jap money I sent to you. The natives want our clothes and do a very good job.

"If Marty Mallack sees this in the soldiers' column, drop me a few lines, Marty, I would like to hear from you."

The promotion of Pfc. Ray- mond E. Inman of 233 Greylock parkway, to corporal was an- nounced recently by the 13th AAF headquarters in the Southwest Pacific.

Cpl. Inman is a airplane mechanic with the "Crusaders" a M-25 Mitchell bomber unit of the 13th AAF now operating from an advanced base in the Netherlands East Indies.

The son of Mrs. Tessie M. Ger-

ber at the Greylock address, is a graduate of Belleville High school and joined the AAF in April 1942. After graduating from Armament school he was sent overseas in January, 1944.

The 31st Infantry Division medical battalion on Morotai of which Pfc. Thomas J. McLaugh- lin is a member has been award- ed the Meritorious Service Unit Plaque for outstanding devotion to duty in its year overseas. Mc- Laughlin, a litter bearer, is the son of Mrs. Margaret McLaugh- lin of 15 Smith street.

A letter from Cpl. Angelo Bis- sell, son of Mr. and Mrs. Geraldo Bissell of 42 Greylock parkway, to The Times, defines aviation en- gineers, the branch of service with which he is stationed, in

Billard. He says: "Aviation en- gineers are the spearhead, first echelon, pioneers for and of the United States Army Air forces. Builders, designers and maintain- ers of all types of air dromes, and strips, of times despite bombings, strafing, artillery bom- bardment."

"The flier depends upon the aviation engineer for his support. That he receives it is answered each and every time that the 'wings of America' fly success- fully upon yet another epic flight or mission. They say that the melody of an airplane motor hums words of praise to its builders, maintenance crew, the aviation engineers. The stutter of its guns stutters for purpose, the crack of its cannon — a salute for the folks back home, and comrades. The accurate, destruc-

tive blast of each bomb away — a severe reminder that if 'united we stand' then we'll do our part. We'll keep 'em flying. So with thanks to you Mr. and Mrs. America, nothing can stop the Army Air corps."

Pfc. Gus R. Jenkins, son of Mrs. Anna Jenkins of 27 Van Renssel- aer street has recently been pro- moted from private first class to the grade of corporal according to an announcement by the auth- orities of the Army Air Forces Proving Ground Command at Eglin Field, Fla.

Henry J. Sulliss, 26, son of Mr. and Mrs. Frank Sulliss of 435 Union avenue, has been promoted to the rank of technician fourth grade at Fort Belvoir, Va. A graduate of Belleville High school,

he was promoted as a photo- grapher at the Delmas Photo company, Newark, before enter- ing service March 3, 1942.

# Ask General Eisenhower what your RED CROSS is doing for our Fighting Men

Portrait by Ernest Hamlin Baker

GENERAL "IKE" Knows—better than anybody else—how many of his wounded G.I. Joes are saved from death by life-saving Red Cross Blood Plasma! He knows how a young soldier worries when there's no news from loved ones—or bad news—and how his spirits rise when a special Red Cross Home Service message says everything is O.K. at home.

General "Ike" knows the way a bombing crew, back safe from a perilous mis- sion, go for the coffee and doughnuts the Red Cross girls serve! He knows how the Red Cross is *always* on the job at the front—day and night—to make G.I. Joe's life a little more like the life he left—back home in the U.S.A.

And this is what General "Ike" says about the Red Cross:

**"We simply couldn't get along without it. I consider the Red Cross an auxiliary of my army. They are doing a perfectly magnificent job in every way."**

## ASK G. I. JOE

He'll tell you what the Red Cross does for him—and how! Listen to this boy's letter to his dad:

"Pop, whenever the Red Cross comes to you for money, give what you can spare, and then borrow more, as they are wonderful to us."

And here's another:

"Dad, if you help anything or anybody, please give to the Red Cross because they help us. Plenty! If it wasn't for them, I don't know what our overseas soldiers would do. So Dad, do as I say. Help the Red Cross just for me!"

## ASK YOURSELF

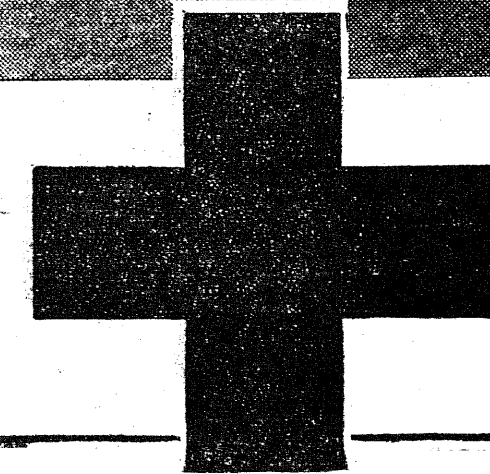

Ask yourself: "Have I done as much as I can for my Red Cross—which is at my boy's side—ready to aid, comfort and cheer him?"

You *can't* do too much to help the devoted workers in this great Army of Mercy—who risk their lives over and over again to bring our millions of G.I. Joes the proof that they are not forgotten by their home folks.

The Red Cross is doing *your* job—doing for your boy what *you* can't do. But you *can* help by giving *more* to the Red Cross *now*. Its job is stupendous—and it's growing bigger.

Give as much more as you can—*today!*

## Three More in the 106th Are Interned; Another Wounded

Four of Five Bellevillites Who Were Missing Known To Be in Nazi Camps

Three more families of boys reported missing from the famed 106th division are, relieved this

Pfc. Arthur Schultz

week to hear that their sons, Pfc. Arthur Schultz, Pfc. Edmund Kelly and Pfc. William J. Davis are German prisoners of war.

First hope for the five Belleville soldiers missing after the 106th's stand against the Nazi breakthrough at the Belgium bulge in December, came two weeks ago when the family of Pfc. James Wilkinson received a card from him in a German camp. Two others still to be heard from are Sgt. Henry Candura, son of Mr. and Mrs. L. J. Candura of 16 Washington avenue and S/Sgt. Howard Pfister jr., son of Mr. and Mrs. Howard F. Pfister of 2 Carpenter terrace.

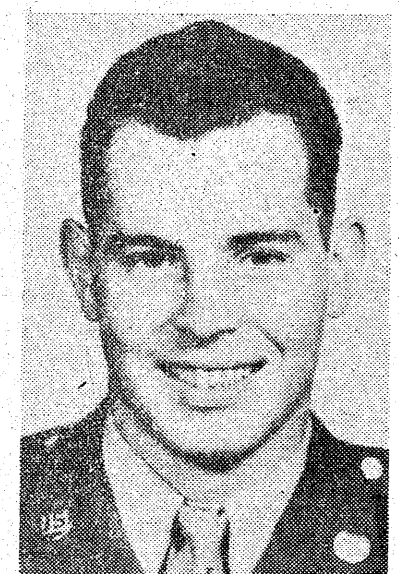

A card written January 1 was received yesterday by Mrs. Arthur Schultz of 80 Beech street, yesterday, from her son in a Nazi camp. He said that he hoped the news he was missing was not too great a shock, that he is well, and would like to receive the Red Cross food packages. He also asked for a tooth brush and paste and ivory soap. His wife, living with her parents at Blue Anchor, received official confirmation from

the War department on Sunday. Mr. and Mrs. Daniel Kelly of 12 Fairway avenue received word of their son from the War department on Saturday and Mrs. Mary Davis received a card from Pfc. Davis saying he is in a Nazi camp, on the same day. Pfc. Davis, married to the former Miss Vina Woods of East Orange, has a year-old daughter, Peggy.

It was also learned this week that Pfc. Salvatore Avantaggiato, 19, son of Mr. and Mrs. Vincent Avantaggiato of 51 Mount Prospect avenue, also a member of the 106th, is recovering from scalp wounds received during the five day siege. A charred letter to his family describing his wounds was in a plane crash and was not received until mid-January.

### Recuperating in England

Now recuperating in a hospital in England, he is awaiting reassignment to non-combat duty. A graduate of Belleville High school in 1933, he was a stock clerk in the Public Service garage in Newark before entering service in November of that year.

Pfc. Salvatore Avantaggiato

two regiments. By the next day, the regiments were swamped and forced to withdraw. Depleted and exhausted, they were thrown into the line again on December 24 and helped halt the Germans finally on the north side of the salient between Stavelot and Manhay.

### GUARDS AGAINST SUPPLY THEFTS

Pfc. Federici Member of Rail Guard Group for Rations Enroute to Front

Pfc. Dominick Federici of 146 Heckel street is a member of a Brittany Rail Guard group, which, combined with the efforts of the French and the British Base section are eliminating theft of cigarettes, rations, and other supplies from freight trains going to the battlefield.

The French, through La Garde des Communications, under the Ministry of War, guard the trains in the yards, and a newly organized United States Army unit, the Rail Guard and Security Group, guards the trains en route.

Set up when pilfering of U. S. Army supplies became a serious problem, the new system was worked out by the Transportation Corps and the Provost Marshal. Protection of supply trains was made a function of Communications Zone Base Section Commanders, and authority was given for the formation of guard units.

With Supply Train Given a large nucleus of men who had been wounded in combat and were reclassified into limited duty assignments, officers organized guard group. Four men, fully armed, go with each supply train. If the train stops, the men get out, and two patrol along each side. Guards accompany the trains for a limited run. At relief stations a new guard crew takes over, and the old guard finds hot showers, hot food, and warm beds waiting.

The French guards patrol marshaling yards and regular station stops. Anyone not halting when challenged is promptly shot. The group has already captured some 30 German soldiers caught behind the lines who were attempting to get back to Germany by stowing away on trains. They have also stopped several attempts at sabotage.

## ARMY GIVES G.I. A "NEW SLANT"

Sgt. Michael Rosamilia Has Developed Insatiable Desire For Knowledge

Sgt. Michael Rosamilia of 6 St. Mary's place, stationed in the Philippines, has written the following letter to Rod Fuller, editor of the plant publication at Thomas A. Edison Inc. where he was employed before entering service. Sgt. Rosamilia was in the storage battery division at the West-Orange plant. The letter follows:

"I am now in the Philippines after three years of army life in our wonderful United States. Before my entrance into the

Army, I thought I had life by the tail and could twist it to my desire. I looked upon myself as one of the contented; ready to settle down to a life of what I now know would be complete boredom.

### A New Slant

"The Army came along and gave me a new slant. The first thing I experienced was an insatiable desire for knowledge. I've had loads of time for it and have consumed a plausible amount for that spaces of time, and am always on the lookout for new studies. I am thankful to the Army for this head start on a self education. It's opened a new world of learning, one that I will pursue to the end.

"I have been in three branches of the service; the Infantry, Signal Corps and Air Corps. I have had a chance to see them blended

harmoniously at a time when they had to be. Their work together, along with every other conceivable branch of all our services have developed a sense of co-operation and precision which shall be responsible for the ultimate victory in this war.

"We can't forget the civilian contribution which has submitted a very large percentage to our success. It makes me proud to know that our own Edison's is doing its share, as an organization and as individuals with their bond buying. Our shop newspaper informs me that we are also well represented on the war front."
