Corbin Garden Tenants Ask OPA Rent Cut

Petition OPA On Claim Services Are Inadequate; Also File Report With FHA

The tenants' association composed of a majority of the occupants of the Corbin Garden apartments on Carpenter street, is circulating petitions which they will file with the Office of Price Administration requesting a \$7.50 rent reduction retroactive to January, 1944, according to Thomas Foy, association chairman.

The petition is based on the assertion that the customary services are inadequate and unsatisfactory. Mr. Foy also stated this week that the association has sent a report to the Newark office of the FHA with photographs of conditions. He states that an FHA inspector is expected to go over the premises this week. The FHA guarantees the mortgage to a bank on the property which is owned by Louis Kaye of Brooklyn, Mr. Foy said. The association has retained Solomon Golt of Newark as its attorney, he stated.

Complaints on inadequate garbage disposal were registered with the board of commissioners last week. The project is composed of 12 buildings, each containing eight apartments. The apartments have no rear entrance and only two apartments in each building have inside access to the basement. As a consequence, garbage is carried out to Carpenter street where two three sided sheds have been erected on either side of the sidewalk area to cover the two rows of garbage cans. These are placed on the island in the crescent driveway, front approach to the buildings.

Town Attorney Lawrence Keenan is determining whether there is a violation of the sanitary code and will make recommendations consistent with health requirements.

Other Grievances

Other grievances related by Mr. Foy, spokesman for the tenants' association, are inadequate janitor service in which ashes have been allowed to collect waist-high in the basements, insufficient heat, no snow or ice removal for a period of "eight or ten weeks last winter." The greatest complaint is that the grounds, insufficient parking area and poor building construction.

Mr. Foy stated that he kept a record of sixteen days last winter in which there was either no heat or no hot water or both, in his apartment. He also pointed out that there is room for a maximum of thirty cars in the parking areas while there are 80 owned by tenants, 50 of whom must park in the street.

Numerous complaints have been made to Health Officer Eugene Berry and to the owner, Mr. Foy stated. The Health Officer on March 8 wrote to the owner, requesting him to increase the number of garbage cans from 38 to 65 and to have the surrounding area cleaned frequently to prevent odors. He also requested that the ashes be put in containers and removed at regular intervals. He observed that mismanagement and lack of manpower were probably responsible for the condition. There are now 65 garbage cans, and a start has been made to remove the ashes.

NO CONTEST FOR PRIMARIES

All Peaceful in County Committee Filing; Six Vacancies In Democratic List

There will be no contest among the candidates for local Republican and Democratic county committee members at the primaries on June 12. Petitions filed with Town Clerk Florence Morey up to the deadline last Thursday night show all Republicans and all Democrats as peaceable candidates with the exception of the fifth district in the third ward where Catherine White of 170 Linden avenue and Thomas Berry of 557 Washington avenue filed as regular republicans.

There are vacancies in six districts among the Democratic candidates. These occur in the third district of Ward 1; first and third district of Ward 2; second district of Ward 3 and third and fifth districts of Ward 4. The local county committee chairman, Mrs. Mae Mead-Mazza may either appoint committeemen to fill these vacancies or names may be written in on the ballot on election day. Harry Machette is local Republican county committee chairman.

Other offices which will be voted on in the primaries are those for the assembly, three freeholders, county clerk, county registrar and county supervisor.

DRESS REHEARSAL FOR SPRING that is something to remember today as we huddle into our coat collars and shiver against a penetrating wind, is the panorama of cherry blossoms in Branch Brook Park that broke all records for early blooming over the week-end. Car traffic was slow and pedestrian traffic heavy on Saturday and Sunday, as crowds swung through Mill street to view the more than 2,000 trees laden with tiny pink and white blossoms.

Legion Asks for Investigation of Veterans' Hospitals

Magazine Article Denouncing Veterans' Administration Prompts Resolution

A sweeping denunciation of the Veterans' Administration contained in a condensed article entitled "The Veteran Betrayed" by Albert Q. Maisel appearing in the April issue of the Reader's Digest has caused the Belleville Post 105 of the American Legion to pass a resolution calling for an investigation of conditions at the veterans' hospitals throughout the country.

The action was taken at a meeting Monday night. The resolution is being forwarded to the Essex County committee and it is expected that it will go through the state organization to the national body for action. It was drawn by Past County Commander Richard D. Shannon and Harry Ziegler and was sponsored by Service Officer Arthur S. Ackerman.

The article which appeared originally in Cosmopolitan magazine claims that the Veterans' Administration gives "third rate" medical care to first rate men" and that "our disabled veterans are being betrayed by the incompetence, bureaucracy and callousness of the Veterans' Administration, the agency set up over 20 years ago to insure the finest medical care for them. We have given it over a quarter of a billion dollars for nearly a hundred great hospitals," the author states. Taking the tuberculosis hospital as an example of incompetence, the author states that during the last recorded fiscal year 1,117 patients were discharged exclusive of the "run-arounds" whose hospitalization was incomplete and those whose condition was not stated. In the same period, 1,922 veterans died in these hospitals. Overcrowding, lack of sufficient medical men and men of high caliber, bad food and poor nursing service are other complaints registered.

7TH WAR LOAN "E" QUOTA \$1,400,000

Increase of 75 Percent For Drive Which Will Last For Three Months

Belleville's E bond quota in the Seventh War Loan drive which gets under way April 9, has been set at \$1,400,000, an increase of 75 percent over that of the Sixth war loan which was \$800,000. The over-all quota is \$4,000,000 compared with \$2,250,000 in the sixth.

This was announced at a luncheon meeting Tuesday, held at the Forest Hill Field club when Belleville and Nutley treasury representatives met with Charles Roe, county chairman of the war finance committee and Harry Murphy, deputy administrator of the state war finance committee.

With two war loan drives this year instead of the usual three, emphasis is being placed on sales of E bonds and those to individuals, the F and G series, Philip Dettelbach, drive chairman said yesterday.

The drive which will run for three months, from April 9 to June 7 will be credited with all bonds purchased through payroll deduction in industry, and purchases through banks and issuing agents such as the post office and savings and loan institutions.

W. Douglas Clark is chairman of the industrial division, who with the 24 treasury representatives, will use the month of April to set up with the cooperation of labor and management, new plant quotas for additional payroll deductions and extra bonds.

Ronald Brunner and Edward P. Cantwell are co-chairmen of the house-to-house canvass which with the schools and organizations, constitutes the main drive to begin May 12 and to continue to June 31.

ANNOUNCE DEPOTS FOR OLD CLOTHES

Bundles For Europeans May Be Taken to Designated Centers This Month

Opening gun in the April drive for old but usable clothing for distribution to the ravaged countries of Europe was sounded this week with the announcement of clothing depots, by Nicholas Candura, publicity chairman.

Residents are asked to do an "attic to cellar" job of ferreting out apparel no longer used and to take it to any church in town for collection; to any of the three firehouses located at 432 Washington avenue, 117 William street and 134 Franklin street or to the town garage, 46 William street. Charles M. Nutt is chairman of the collection committee.

With the reopening of school next week, pupils will be asked to bring clothing to the schools. The children will not however, have any part in the sorting or handling of the bundles. Town organizations are participating in the drive which will wind up at the end of the month with a volunteer house-to-house collection in which town trucks and others will be used.

All types of clean wearable clothing are needed. Cottons must be washed but not ironed and other apparel though it should be clean, should not be dry cleaned. Children's and men's and women's inner and outer apparel for both summer and winter is needed, as well as woolen stockings, all types of sweaters, jackets, coats and suits, work clothes and low heeled shoes which should be paired and tied. In addition, bedding such as pillows, sheets, blankets and quilts is also requested.

Meeting Tonight

Rev. Peter R. Deckenbach, drive chairman, has called a meeting for tonight to make further plans. The nation-wide drive originated by Henry Kaiser the shipbuilder because the vast amount of clothing, 150,000,000 pounds needed cannot be purchased. Clothing manufacturers, short of manpower and materials are also engaged in producing war materials.

The collection here will end on April 30 after which it will be shipped by freight at the instruction of the Treasury department to a center for cleaning and sorting. It will then go to one of the specified warehouses for shipment overseas. It is understood that clothing is so badly needed that it will replace some of the shipping space customarily reserved for food to the ravaged countries.

Miele Will Seek New Permit To Build Laundry

A new application for a permit to build a laundry will be made by John Miele in an attempt to rebuild his factory on Heckel street, his attorney, Thomas Doyle of Jersey City, said yesterday.

The board of adjustment upheld the building inspector in refusing to grant a permit to rebuild for the Quality Products company, at a public hearing last Thursday night.

Miele has been attempting to rebuild for the rag washing concern, whose activity is declared a fire hazard by Silver Lake residents. Both Doyle and Mortimer Eisner of Newark, attorney for interested property owners in the vicinity, claimed at the hearing that they have court decisions and laws to uphold their side of the argument.

When queried by residents on the type of laundry work that would be done under the new application, Doyle was non-committal but said it would not be rag washing.

Red Cross War Fund Over Top With \$51,050 Tallied This Week

\$7,500 Over Quota While All Districts Having Final Returns, Exceed Last Year's Figures

Belleville's Red Cross War fund went over the top this week with a total to date of \$51,050 or about \$7,500 more than the quota, W. Douglas Clark, drive chairman, has announced.

He pointed out that the districts in the house-to-house canvass which have made final returns have exceeded last year's figures, some by 50 percent, and predicted that all will surpass previous totals. The chairman complimented all the divisional chairmen, district captains, individual workers and the office staff for their successful efforts.

In this week's report is included \$9,000 in pledges from industrial concerns. In this figure are Wallace and Tiernan and Walter Kidde company, whose totals are not yet complete. Other divisions still in the winding-up process are commercial, Washington avenue business, and some house-to-house where some team captains have outstanding cards not yet filed.

Mr. Clark said yesterday, "I wish to thank the residents of Belleville and Belleville industry, labor and organizations for their wholehearted cooperation which has made this showing possible, and I would like to be able to let every Belleville service man and woman know the results of this campaign so that they would realize how Belleville is supporting them."

Heads War Chest

Announcement of the appointment of Frank J. McFadden, executive vice-president and director of the First National bank as chairman of the 1946 Belleville War Chest campaign to be held in October has been made by Elwood Russell, Community Chest and council president.

The nomination was made by the campaign committee and approved by the trustees of the chest at a meeting on Tuesday night. Lester McCorkle will be vice-chairman of the drive and the finance committee named by Russell is composed of Andrew Salkeld, McFadden and Mrs. John DeNik.

In accepting the nomination, Mr. McFadden said, "In arranging for early organization, President Russell has done a great deal to insure the success of the drive. The chairman and the members of the various committees will be appointed without delay and we expect that plans for the drive will be completed before summer."

Mr. McFadden, active in local affairs, has been connected with the First National bank for some years, coming as a note teller after serving with the American National bank and the Washington Trust company of Newark. He was made assistant cashier in 1929 and was appointed cashier in 1934.

BUILD NEW PLANT ON AVENUE

Construction Will Begin Immediately on \$150,000 Building for Liquid Carbonic

A \$150,000 plant will be erected on Washington avenue west of Walter Kidde and company, by the Liquid Carbonic corporation of Chicago, manufacturers of carbon dioxide and dry ice, its president, F. F. Lavedan, announced yesterday.

Work was started Tuesday on the property which was purchased from Kidde. It has a 746 foot frontage and the lot is 300 feet deep. A building permit has been issued for the first, one story unit of 33,600 square feet which will be constructed by the Walter Kidde Constructors, Inc. of New York.

The plant will supply carbon dioxide for war industries in the metropolitan area and will be expanded after the war to supply its product to carbonated beverage industries and dry ice to ice cream and food concerns. It will be the 37th plant of the corporation which has units scattered in principal cities throughout this country and Canada.

Dr. Irwin Purchases House To Expand Offices

Purchase of the three story two-family dwelling at 334 Washington avenue was confirmed yesterday by Dr. James Irwin whose offices and laboratories are now housed in the neighboring structure at 330 Washington avenue. According to the doctor, who has practiced at the latter address for twenty years, the new building will be used for expansion of his offices. After remodeling he will occupy the building in the late summer.

Associated with Dr. Irwin are Dr. George Stoll, Dr. Joseph D'Angelo and Dr. Edward Duffy. Four registered nurses, a therapist, a laboratory technician and an x-ray technician compose his medical staff.

A native of Belleville, Dr. Irwin and his wife make their home Clearman place.

Local Agencies Receive Full Budgets; Rest Is Split Between Two Others

A report that \$51,238.70 has been received as total pledges to date for the 1944 Belleville War chest was made by executive Secretary Ronald G. Brunner at a meeting of the Community Chest and council trustees on Tuesday night.

The goal was \$67,000 with \$19,650 earmarked for local participating agencies and \$17,300 each for the National War fund and Associated Catholic Charities. Of the \$51,238.70 total, \$1,375.73 is credited to the local fund from the national war fund organization in Newark, which means that Belleville has collected \$42,588.97 in cash, to date, leaving \$7,269.95 outstanding.

The war chest is retaining \$28,044.70, an amount which provides complete budgets for the local participating agencies and a sum for administration expenses. The \$17,924.05 remaining is being divided equally between the National War fund and the Associated Catholic Charities. Pledges henceforth received will also be allocated between the two agencies on the same basis.

ELECTRIC WELDING Plays a Big Part in War Production Work

-and Reddy Kilowatt does the job

Reddy Kilowatt knows the valuable contribution electric welding is making to war production work. He knows what a race it was to build ships faster than the enemy could sink them. Reddy can weld a seam that will withstand the most turbulent sea. Whenever there is a task to be done by electricity you will find him on the job. We are proud of his record, proud that his dependable service is a factor in helping New Jersey maintain its high rank as a war production state.

Three more Belleville boys were reported killed in action this week are-Coxswain Gus Frank Vaccaro,

Coxswain Gus Frank Vaccaro.

Ships Cook 3/c Glen Nelson, and Cpl. Warren C. Jordan.

Word has been received from the War department that Coxswain Gus Frank Vaccaro, son of Mr. and Mrs. Natale Vaccaro of 172 Holmes street, has been missing for a year and is now presumed dead. The casualty occurred when his ship collided with a friendly vessel in the Atlantic.

Coxswain Vaccaro attended

Cpl. Warren Jordan

Belleville High and before entering the service was employed by the Walter Kidde company. A high mass of requiem will be sung for him at Holy Family church at 9:30 a.m. on Saturday.

Missing since his ship, the destroyer Warrington, went down off the coast during the hurricane last September 12, Ships Cook 3/c Glen C. Nelson has been officially listed as dead by the War department.

Twenty-one years old, he attended schools in Freeport, Ill., where his mother, Mrs. Velma Castleman, is residing. His wife, Mrs. Ann Ghiuro Nelson, has been living with relatives at 511 Washington avenue since he entered the Navy in August, 1941.

Word has been received that Cpl. Warren C. Jordan, USMC, son of Arthur J. Jordan of 679 Belleville avenue, was killed in the fighting on Iwo Jima. He had recently been awarded the Purple Heart for wounds received at Guam.

Cpl. Jordan enlisted in the Marines in July, 1942, received his training at Parris Island, S. C. and Camp Lejeune, N. C., and for several months was a member of the Marine Guard at the Navy Building in Washington, D. C. He went overseas in late 1942.

A brother, Cpl. Arthur, is with the Ninth Army in Germany. Two sisters survive, Mrs. David Sivarts of Cranford and Mrs. William Collins of Newark.

A memorial service will be held on Sunday, April 15th, at Saint Paul's Methodist Church, Newark.

Mrs. John Leonhard Receives Air Medal for Prisoner Son

An Air Medal awarded S/Sgt. Robert P. Leonhard was presented to his mother, Mrs. John P. Leonhard of 24 Elmwood avenue, last Thursday. S/Sgt. Leonhard is a German prisoner of war.

The citation stated the award was "for meritorious achievement in aerial flight while participating in sustained operational activities against the enemy from February 12 to March 19, 1944."

The decoration was presented by Maj. Arthur J. Lonergran, Chief of Public Relations Office, S/Sgt. Leonhard, reported missing over Italy April 2 of last year, was taken a prisoner of war by the Germans, his parents learned last June.

A 1939 graduate of Nutley High school, his family moved to Belleville two years ago. He entered the Army in November, 1942 and won his wings at Tindall Field, Fla. He went overseas in December, 1943.

Mothers of kindergarteners and their teacher, Miss Ellen Jenkins, will be hostesses.

Victory Gardens A "Must" For This Year

Arthur Clark, clerk in the Department of Revenue and Finance, has announced that Victory Gardens were being applied for at about the same tempo as last year. To date, between 50 and 60 applications have been filed, and about two hundred lots are available.

Food promises to be the major problem of 1945, and people all through the nation are urged to plant victory gardens. A certain complacency has come about through the imminence of the end of the European war, but the government points out that we must still feed our soldiers, and there will be no easing of the rationing program for months to come. The only answer to rationing is the victory garden, which permits a family to enjoy fresh food a major part of the year.

NAVAL INSTRUCTOR WEDS KEARNY GIRL

Jeanette A. Witter Married To
H. Paul Germill jr in
Church Ceremony

The marriage of Miss Jeanette A. Witter, daughter of Mr. and Mrs. J. Witter of Kearny and H. Paul Germill jr, petty officer second class, U.S.N.R., son of Mr. and Mrs. Harry Paul Germill sr. of 576 Passaic avenue, Nutley took place Saturday, March 10, in Trinity Episcopal church, Arlington. Rev. William Weber, pastor,

officiated at the ceremony. A reception was held in the home of the bride's aunt, Mrs. Frank Churnell of Bloomfield.

The bride, who was given in marriage by her father, was attended by her sister, Miss Roseline Witter, as maid of honor. Norman H. Wanamaker of Arlington served as best man. Frank Churnell of Bloomfield and J. Charles Wanamaker of Phillipsburg were ushers.

Wears Candlelight Gown

The bride wore a candlelight satin gown with court train and a tulle veil. She carried white roses. The maid of honor's gown was of blue satin and tulle and she carried pink roses. The mother of the bride wore a rose crepe gown and a corsage of gardenias. The groom's mother was attired in a gown of aquamarine satin and lace and wore a corsage of pink roses.

Following a short wedding trip, the couple left for Texas, where Petty officer Germill is stationed as an instructor.

The bride is a graduate of Kearny High school. The bridegroom, a resident of Belleville for eighteen years before moving to Nutley, a graduate of Belleville High school, attended the Newark College of Engineering and before entering the service was employed by the Radio Corporation of America.

COMMUNITY HOUSE ADDS TO BOARD

Mrs. Frank McFadden And
Mrs. Fred Jenkins New
Silver Lake Trustees

At the bi-monthly meeting of the board of managers of the Silver Lake Community house Tuesday morning two local women were elected to posts on that board. They are Mrs. Frank J. McFadden, wife of the executive vice-president of the First National bank, and Mrs. Fred Jenkins, whose husband is the pastor of the Forest Hill Presbyterian church, Newark.

Mrs. Jenkins is the former Miss Mary Elizabeth Compton, daughter of Rev. and Mrs. Edgar M. Compton of Wesley Methodist church here. An organist and choir director, she has always been active in the religious and social life of the town.

The Silver Lake Community House has been in operation 33 years and serves the juvenile and adult members of the community; although its major support is obtained from the Newark Community chest fund, part of its maintenance comes from a quota in the Belleville chest of which it is a participating agent.

Mrs. McFadden has been placed in charge of publicity releases. Wayne R. Parmer, superintendent of schools, is also a member of the board; Richard H. Weber represents on the board the Thomas A. Edison industries whose Primary Battery division plant is located in Silver Lake. Treasurer is Mrs. John F. Kidde, wife of the president of the Walter Kidde company whose major manufacturing unit is also located in Belleville.

Other Officers

Other officers and board members are Mrs. J. W. Greenbowe of East Orange, president; Mrs. Amelia B. Morefield of Newark, vice-president; Mrs. Percy S. Young of Montclair, secretary; Miss Florence Dougherty, Mrs. R. G. Peace, Mrs. Hugh D. Saunders of Newark and W. D. Taylor of Millburn.

Resident director is Mrs. Lorrin A. Herkins who has spent four years in that capacity. She reported 17,373 persons who were served by the Community House last year in its playground, home and clinic. More than 600 supervised morning and afternoon playground sessions and afternoon and evening house and clinic sessions were held for all ages from pre-school children to grandmothers.

Most of the work is achieved through the organization of clubs and music groups. A paid supervisor is provided for the playground in summer; and one of the town's largest Girl Scout troops is sponsored by the community house.

GETS AIR MEDAL IN CARGO CREW

S-Sgt. Harry Brown, Recently
Promoted in India, Cited
For Hazardous Work

The Air Medal was awarded recently to S/Sgt. Harry E. Brown, son of Mr. and Mrs. Harry Brown

S/Sgt. Harry E. Brown

of 82 Stephens street, along with other members of a Combat Cargo group which operates in the India Burma Theater under Maj. Gen. George E. Stratemeyer's allied Eastern Air Command.

The citation read in part: "For meritorious achievement while participating in more than one hundred hours of aerial flight over enemy-held territory in Assam and Burma where exposure to enemy fire was probable and expected."

"Their missions were accomplished in unarmored cargo aircraft bearing troops, supplies, and heavy equipment over hazardous mountain terrain into the forward areas. Their devotion to duty and degree of efficiency, above and beyond that normally expected reflect credit on these pilots and crew members and on the Army Air Forces of the United States."

Promoted in Rank

The staff sergeant who incidentally was also promoted to his present rank just a month ago, has told his family nothing of his current activities. However, in letters home, he describes living conditions in India which involve a continuous battle with mosquitoes and an attempt to get accustomed to living in grass huts which are cared for by Indian boys.

The tropical birds are colorful and also tame, he relates — so tame, he says, that they swoop onto plates at mealtime and make off with whatever choice morsels they can grab. The heavy spring rains are expected soon, he says, and also reports that electricity has just become available.

"I'll take Washington avenue, Belleville, anytime though," he writes.

A radio technician in the Army Air force he entered service in April, 1943 and graduated from the technical school at Sioux Falls, S. Dak. He went overseas last November, stopping briefly in Brazil on his way to India.

Twenty years old, he graduated from Belleville High school in 1942 and was employed by the Calceograph company of Harrison in civilian life. He has a brother, Arthur, at home and three sisters, Ruth and Margaret also of the home address and Mrs. Norman Eckerson of Nutley.

John E. Dunn Dies of Injuries Sustained in Fall Last January

Last rites were held for John L. Dunn of 191 Forest street, Saturday afternoon at 2 o'clock in the Irving funeral home, 276 Washington avenue, by the Rev. Dr. Francis J. Scott of United Presbyterian church, Newark. They were preceded by services conducted Friday night by Belleville Lodge, F. and A. M. and burial was in Fairmount cemetery.

Mr. Dunn died Wednesday in St. Barnabas' hospital, Newark, as a result of injuries sustained in a fall from a scaffold last January. He was construction superintendent for G. E. Walters and company, New York.

Seventy-six years old, Mr. Dunn was born in Scotland and came to this country in 1889. He was a resident of Belleville for the past twelve years and had previously lived in Newark. Besides being a member of the local lodge, F. and A. M. he belonged to the Clan Forbes, Order of Scottish Clans.

He is survived by two daughters, Mrs. Margaret McDonald of Newark, Mrs. Adaline Reilly of Harrison; one son, Robert of Verona and three grandchildren.

ABBIE MAGEE AT WOMAN'S CLUB

Candidate for Freeholder Will
Speak Thursday; Mildred
Hardester Also Guest

The regular monthly meeting of the Belleville Women's Republican club will be held next Thursday

Mrs. Abbie Magee

afternoon in the Woman's club-house, 51 Rossmore place when guest speakers will be Mrs. Mildred Hardester and Mrs. Abbie Magee. They will be introduced by Mrs. Ruth Fredericks, legislative chairman. Mrs. Magee is a candidate for Freeholder in the June 12 primary election.

It will be preceded by a meeting of the executive board at 1:30 when Mrs. John P. O'Brien Jr. nominating chairman, will present the slate of officers for the coming year. Serving with Mrs. O'Brien on the nominating committee are Mrs. Frances Lukowick, Mrs. George Brink, Mrs. Fred VanDyne, Mrs. Edward Rochau, Mrs. Frederick Idenden and Mrs. Matilda McInnes. Mrs. Ida White will preside as chairman of elections.

The meeting, which Mrs. Arthur Mayer, will conduct, will be opened to the public at 8.

In lieu of the several major events, such as a dance and a supper, by which funds are ordinarily raised for the support of the club, members of the ways and means committee have undertaken to raise money by private card parties and other means. Mrs. William Chapman, their chairman, has requested that returns on such activities be made immediately to her so that they may be included in her report at the club's Monday afternoon business meeting.

William Ferry, Resident Here 18 Years, Passes

William Ferry, resident of Belleville for eighteen years died last Wednesday at the home of his son-in-law and daughter, Mr. and Mrs. William Clark of Newark. The Ferry lived at 156 Stephens street; Mrs. Ferry died three years ago.

Funeral services were held from the Kiernan funeral home Saturday morning and were conducted by Rev. Peter R. Deekenbach of Christ Episcopal church.

Survivors are two sons, Thomas William Ferry of Newark, recently medically discharged from the Army after 26 months' service, and Motor Machinist's Mate 2/c Raymond Edward Ferry in the Pacific; two daughters, Miss Rachel Ferry and Mrs. Clark of Newark and a sister, Mrs. Harry Schaefer of Akron, O.

Holy Family Guard of Honor Communion Breakfast

Close to two hundred men are expected to attend the annual Communion breakfast sponsored by the Guard of Honor at the Holy Family Roman Catholic church in Nutley Sunday morning after the 8:15 Mass. Preparations for the affair have been in progress for more than a month.

Principal speakers will be Rev. Anthony Di Luca, pastor, and Charles Giffonello, former Essex County Freeholder. The toastmaster will be Harry Di Giovanna.

Included on the committee in charge of arrangements are Mr. Di Giovanna, chairman; Thomas Buffardi, Sam Beniciventi, Joseph D'Aleazzo, Louis De Angelo, Michael Del Tufo, Carmen Culari, Martin Farina, Thomas Lofrano, and Anthony Trojano.

Confessions will be heard in the church from 3 to 6 and from 7 to 9 p.m. on Saturday, and during part of the Mass on Sunday for those engaged in war work.

Scenery, Make-up, Rehearsals Keep Petreans Busy on Show

Scenery construction and make-up classes in addition to rehearsals for "To Be Sure" are keeping Petreans busy in preparation for their sixth annual show to be presented on May 10, 11 and 12. William Brickell is designing the scenery and supervising its construction while Edward Dowling is conducting the make-up classes. Miss Peggy Shaw is in charge of dance arrangements and Jack Whitehead, pianist, is writing arrangements for the chorus. "To Be Sure," a combination of sketches and skits is described as "tender and lively, the costumes extravagant, the cast enthusiastic and each detail is given sufficient thought so that the complete picture will be as perfect as possible." Proceeds will go toward the convent fund.

Lightning Division Plans
Rally For April 21

Jerry Kamen and Joseph O'Brien of the 303rd sanitary train

of the old 78th or Lightning division which will be held at the Top Hat in Union city on Satur- day, April 21.

Many Belleville veterans of the first World War served in the 78th. Guest speaker will be Edward N. Scheiberling of Albany, N. Y., national commander of the American Legion who will speak on the "Veterans' Obligation to the Returning Soldier." He served throughout the last war as captain of the supply company, 312th infantry of the division. Reports and photographs of the new 78th serving with the First Army will be exhibited and a twenty act show with Broadway talent and a band will provide the entertainment. Albert Harpell of 120 N. 18th street, East Orange, is in charge of reservations.

Expand Sports Program In
Belleville Schools

According to announcement yesterday by Joseph Arnold, board of education president, the athletic council of the Belleville school system has entered upon an

expanded program of sports in an effort to furnish all students with activities in which they can participate. Stress will be laid on sports for high school girls, particularly golf and bowling.

In a effort to provide for feminine interests Mr. Arnold pointed out an innovation in his recent appointment of Mrs. Homer C. Zink to the council. Mrs. Zink, a member of the board of education, will be the first woman to serve on the athletic council.

Others named this year are Wayne R. Parmer, schools superintendent; Burt Powers Johnson, high school principal, Judge Everett B. Smith, August Plenge, Henry Watters and Paul Brennan, council secretary-treasurer.

Plans to arrange golf and bowling programs and other minor sports are progressing rapidly according to Mr. Arnold who is also a council member.

Wash Day in Germany

WASH DAY is any day you can find the facilities if you are a member of the Third Army, dashing through Germany. Opportunist Carmen Pedalino, a corporal in the 76th field artillery, discovered his tub in a German pillbox and was subsequently discovered as shown above, by roving Army photogs. He is the son of Mr. and Mrs. Frank Pedalino of 12 Hilton street.

It's The Lather That Counts—

German Tub No Stall Shower But Satisfactory Facsimile, Local Corporal Points Out

Although neither the luxury nor the privacy of a stall shower are evident in the ablutions Cpl. Carmen Pedalino is contentedly indulging in above, the impromptu arrangement is quite a satisfactory facsimile, he has reported.

Kept on the move through ravaged German towns as a member of the 76th field artillery attached to the Third Army, the corporal unearthed the mash tub in a pillbox abandoned by the Germans.

Since such an opportunity to get into a lather is a rarity in the Third, the 23-year-old, discovered soaking next to a gun emplacement by some roving public relations photogs, was required

limited confines of his "bath" before he could resume his scrubbing.

The picture appeared on the front page of a recent issue of the Stars and Stripes, a fact which has been pointed out in a letter to The Times, by Lieut. George Maginness of 21 Linden avenue, a member of the U. S. Army Air Forces stationed in England.

Carmen is the son of Mr. and Mrs. Frank Pedalino of 12 Hilton street. Four of eight brothers are in the service. Salvatore, 25, Seaman 1/c arrived home on a thirty day leave in time for Easter. After spending ten months in the South Pacific aboard an LST that participated in the battles of Mindanao, Leyte and New Guinea, it may be safely assumed that the luxuries of soaking even though under more comfortable

ST. PETER'S CYO WILL GIVE PLAY

Group in Rehearsal for Competition in County CYO

A one-act play will be presented by St. Peter's CYO later this month, in competition with other CYO's in the area. An entry will stay in the running until it is surpassed by a better performance.

St. Peter's group has chosen "Thank You, Doctor," which is now in rehearsal. Paul McConnell and Maureen Bell have the leads. The supporting cast consists of Kathleen Owens, William Field and Colin Little. The play will be presented for Bellevilleites in the church auditorium at a later date.

St. Peter's CYO radio broadcast last Sunday, a dramatic playlet, was well received. The choral groups under the direction of Thomas Haney consisted of the following:

Sopranos: Dorothy Westlake, Dolores DeCarlo, Eleanor Jayson, Katherine Hodofarski, Catherine Walsh, Lydia Marchesini, Mary Ann Tierney, Patricia Howley, Marion Shaughnessy, Mary Burke, Mary Joan Weber, Carolyn Bartley, Joan Gilray, Joan McFadden, Patricia Haney, Maureen Haney, Loretta Zieman.

Altos: Joan Maloney, Margaret Dillon, Patricia Ferrughelli, Dolores Murtha, Joan Stanley, Ruth Hess, Geraldine Himmick.

Tenors: Harry P. Hickey, Frank Rest, George Etzel.

Basses: John Gibbs, Donald Havas, Charles Christell, Richard Van Tiephem sr.

to strike various poses in the circumstances, are not being disregarded by him, either.

Carmen has been overseas four months, and has been in England, France and Luxembourg in addition to Germany. He entered the service three years ago, trained at Fort Meade, Md., went on maneuvers in the south and finished his training at Camp McCoy, Wis., last winter. He attended Boys Vocational School, Bloomfield and was employed by Foote and Pierson in Newark, in civilian life.

The Pedalino brothers will be able to write their own Baedeker when they return from the wars, since Frank, 21, a second lieutenant in the Army Air Corps, is stationed in India, and Vincent, 19, a member of the Merchant Marine, is awaiting assignment in California.

Victory Gardens

The nation has been warned that the food supply in 1945 will be adequate but not abundant. The government is seeking to promote an all-out victory garden program this year, to supplement the curtailed food supply. All those who are able are encouraged to apply for an allotment and turn to the soil. The rewards are many, fresh vegetables, work out-of-doors, and the supreme satisfaction of eating the fruits of one's labor. And above this is the patriotic duty that one fulfills in the cultivation of one's own garden.

It may seem odd that city-dwellers in our rich country should be asked to till the soil. Our vast national resources would seem more than able to provide plenty for every table. In normal times this is true, but this war has necessitated the creating of vast food-stocks in every corner of the globe, for our soldiers and for our allies. The demands on the soil have been greater than at any time in our history, and farmers have been forced to work their absolute limit to meet government demands.

There is no danger of a famine, but many families will find that their table is not as heaped with food as it was five years ago. Meat, of course, must be rationed. But vegetables need not be if everyone does his share in cultivating them. The humble potato, a staple of our diet, can be grown in the backyard. So can corn. And beans, and peas, and all the rest of the vegetables that enter into every meal.

That is the meaning of a Victory Garden. A little labor, a little time, a little rain, and when the summer table is set, it is garnished with simple and good food.

A Victory Garden should be not a duty but a pleasure.

Sunday School Week

National Sunday School week will be observed throughout the country from April 9 to 15. Sponsored by the Laymen's National committee, a non-sectarian, non-profit,

organization, this week will be devoted to the idea that "America was founded on man's consciousness of God." It is the urgent hope of the committee that all children in America should have a knowledge of God, who has singularly blessed our country.

In times of peace, religion does not seem an urgent need, but times of crisis make man turn to a higher power for consolation and succor. This war has brought about a religious revival, and that means simply that the modern world has again become acutely conscious of God. It has been truthfully said that there "are no atheists in foxholes." Soldiers do not all pray alike, nor are they all able to clearly explain what God means to them, but when death stands beside them, they know that there is another and Greater Being who will come to their aid if asked.

Our country's founders were Godly men and if we wish to realize their dreams, we must acquire their intimacy with God. This intimacy is something that is prepared and nurtured in childhood, and on the strength and faith of our children depends the future of our country. Sunday School week is only one step in the right direction. Other steps should be in homes and schools, until others may say of us that we are not only a great nation, but also a God-fearing one.

Get Your Brakes Checked

There is a two-fold purpose in the brake-check program which the Belleville police will embark on April 15 in cooperation with a nationwide campaign. It is aimed at saving our most essential home-front weapon of war, transportation, and the prevention of the loss of thousands of lives.

The police during their seven-week program, will check the brakes on all passenger cars involved in accidents, those in traffic violations in which cars are moving, and vehicles operated in a manner that indicates faulty brakes. Police Chief Spatz in announcing the program also requests that the general car driving public co-operate in the program during this period, by having other faulty parts of their cars repaired, in addition to brake adjustments.

It is estimated that between 3,000 and 4,000 passenger cars are leaving the highways each day, headed for the scrap heap, because cars are wearing out or are being damaged beyond repair in traffic accidents. Primary factor in the insurance of long-life for these vehicles is attention to brakes and vital engine parts.

In addition to preserving transportation facilities in time of war, the program continues to battle to cut down traffic accidents that result in loss of life. In 1944 about 28,400 persons were killed in this country because of traffic accidents, 850,000 were injured and 70,000 of these were permanently disabled. This is a staggering toll, and faulty brakes are one of the major causes.

JORALEMON P.T.A. PREPARES REPORT

Executive Board Will Summarize Activities for State Association

Mrs. John Rudin, first vice-president, will conduct the executive board meeting of the Parent-Teacher association of the Joralemon street school Tuesday afternoon when the group will prepare a "goal report," or summary of activities, for the State Parent-Teacher association. Mrs. Rudin will preside in the absence of Mrs. Dwight Streeter, president, who underwent an operation early this week.

Members of the board, which is composed of other officers and fourteen committee chairmen, will meet at the home of Mrs. Alfred Vanlusen, jr., 225 Hembler avenue. Fred S. Richards, school principal, is second vice-president; Mrs. C. G. Maise, secretary and Mrs. Charles Mastik, treasurer.

Prominent among the programs inaugurated under Mrs. Streeter's guidance this year have been the formation of a book group and the presentation of a forum program.

The forum, which was held in March, was enthusiastically received by the teachers, who attended without exception and have requested more such forums. The discussion concerned the future of education in America.

Discuss Family Relations

In the book group are women who are interested in applying the lessons of current fiction and non-fiction works to their own family relations. Each member of the group reads the book before discussion. Only books dealing with the family are selected. The next meeting will be held at the home of Mrs. John D. Boyd, 16 Essex street, April 20 when Kimbrough's "How Dear To My Heart" and Cronin's "The Green Years" will be discussed.

Other significant activities of the Joralemon P.T.A. have been reports on State education bills and Dumbarton Oaks peace proposals by the legislative chairman, completion of buddy bags for the battle ship New Jersey by the year aids committee, health programs and the sponsorship of a Brownie troop. Plans are under way to assume the responsibility of an intermediate Girl Scout troop.

The executive board will also make plans Monday for an evening meeting Wednesday, April 18, when mothers and fathers will be addressed by Dr. James S. Plant, director of Essex County Juvenile clinic. Dr. Plant last appeared before a Belleville audience in January at the annual meeting of the Community Service bureau.

Classrooms will be opened for inspection and teachers will be present for consultation with parents that evening.

POLICE TO CHECK AUTO BRAKES

Local Force Will Have Part in National-Wide Drive To Prolong Car Life

Police Chief George R. Spatz has announced that Belleville police will cooperate in the nationwide brake check program to help make cars last longer and to reduce accidents.

During a six week period from April 15 until June 1, the police of the nation will check the brakes of all cars involved in moving traffic violations and in accidents, according to the chief. He added that cars also will be checked which are operated in a manner indicating that the brakes are not safe.

"The brake check will be timely," he said, "because usually, accidents increase sharply in the spring. Since cars on the average are twice as old today as before the war, they are more likely to suffer breakdowns. The brake check should be an invaluable aid in holding the line against the certain threat," Chief Spatz said.

Has Wide Support
The program, sponsored by the International Association of Chiefs of Police, is supported by nearly 100 national organizations, including the Office of Defense Transportation and the U. S. Army Services Forces. Police throughout New Jersey are co-operating in this national program.

"A simple brake check has been devised," he explained, "which will take a police officer only a minute to make. It is hoped that all motorists will cooperate in this war-time program by having their brakes checked voluntarily at repair shops and by making sure the entire car is in safe operating condition."

"As was declared by General Somervell, Chief of the U. S. Army Services Forces when he endorsed this program, 'Every automobile in America must be regarded as a weapon in our all-out war effort.'"

"No new cars will be made until after the war—yet, last year, a quarter of a million were damaged so badly in accidents, they went to the scrap heap. We've got to stop such fearful losses," Spatz said.

Health Authority Speaks Here
On Tuesday, April 17

Charles Wilson Morey of Nutley, health authority, will be guest speaker at Congregation A.A.A. auditorium, 317 Washington avenue, Tuesday, at 9 p.m.

The program will consist of a forty-five minute lecture on science of nutrition, youth and beauty, new vital menus and diet. Following the lecture, questions will be answered. It is open to the public.

The program is under the auspices of Sisterhood With Mrs. Samuel Zirn, entertainment chairman, in charge.

LETTERS

The opinions expressed in this column are those of the authors of the individual letters and do not necessarily reflect the opinions of the publishers or editors of The Times.

From Harry R. Scott, Secretary Belleville Lodge No. 1123 B.P.O. Elks

To the Editor of The Times:
Will you kindly print the following in your paper?

Barely had the whine of the last bullet died away in the streets of Manila than the Elks War Commission, cutting red tape in a fashion typical of the organization, had appropriated \$100,000 from its War Fund to help Elks members who, until the arrival of the American forces, had been held prisoners by the Japs. The money is being used to good advantage to provide the former internees with food, clothing, medical attention and financial assistance.

This, to our way of thinking, is an excellent example of practical patriotism. It isn't the amount of money that is important but the promptness with which it was used to get things done. It's the sort of thing that has earned the Elks top ranking among American fraternal war activities groups.

Headed by James R. Nicholson, chairman, with headquarters in New York City, the War Commission of the B.P.O. Elks had its origin back in 1940 when it was established at the Grand Lodge meeting in Houston as the Defense Commission. It is supported by the voluntary contributions of the 650,000 Elks throughout the United States.

Among some of the many unheralded war deeds it has undertaken has been the evacuation of children from war zones, encouragement among folks back home to write the men and women overseas, the recruitment of Navy Seabees and Army construction engineers, the collection of books for the Merchant Marine, and the provision of 110 centers throughout the country where service men and women may eat, sleep, and relax. There are more activities, all, like the Manila project, functioning smoothly and quietly — "serving those who are serving us."

INSTALL OFFICERS AT WOMAN'S CLUB

Mrs. J. Claude Powers President; Choose Delegates For Convention

Mrs. J. Claude Powers of 78 Division avenue will be installed as president of the Belleville Woman's club Monday. Mrs. Powers held the office during the past year and completed the unexpired term of Mrs. Frank J. Ackerman in 1943.

New officers who will also be installed are Mrs. Louis A. Noll, first vice-president; Mrs. John F. O'Brien jr., recording secretary; Mrs. Lloyd C. Nunn, assistant corresponding secretary; Mrs. William V. Irvine, treasurer; and Mrs. Fred Idenden, Federation secretary.

Mrs. William Armstrong will be the club's legislative chairman; Mrs. Leslie Woodruff in charge of the social service department and Mrs. Harvey Thompson and Mrs. Herbert Hardman will become clubhouse trustees.

Delegates chosen for the annual spring convention of the N. J. Federation of Women's Clubs in New York are Mrs. Powers and Mrs. Noll with Mrs. William D. Cornish and Mrs. Nunn as alternates.

Compilation of the 1945-46 club yearbook is under way and members who have changed their addresses or telephone numbers have been asked to notify Mrs. Charles Smith at 202 Alexander Avenue, Nutley.

Members of the literature group, of which Mrs. Frank J. McFadden is chairman, will meet next Thursday afternoon at the home of Mrs. Homer C. Zink, 26 Rossmore place. Mrs. Willard Y. Strange will review Cronin's "The Green Years." The department will make plans for the coming year.

Memorial Bookcase

A memorial bookcase will be established in the Public library by these women who will donate volumes in memory of club members. A garden book honoring Mrs. A. Newton Streeter, only deceased past-president of the club, will be the first donation. A club delegation attended Mrs. Parker O. Griffith's tea at the

Griffith auditorium Monday afternoon. Mrs. Edgar S. Compton is chairman of ticket sales by club members for the opera festival which will be sponsored by the Griffith Foundation from May 10 to 15.

Songs by Salvatore Baccaloni, Metropolitan basso, and a musical quiz provided entertainment after Monday's luncheon. Miss Helen McNair, teacher in the Greylock school and member of the Belleville delegation, responded accurately to all questions.

Club members present were Mrs. Homer C. Zink, Mrs. John Hewitt, Mrs. William Chapman, Mrs. Allen Crisp, Mrs. W. Douglas Clark, Mrs. Lester Hamilton, Mrs. Frank J. McFadden, Mrs. James G. Shawyer, Mrs. Martha Herkins, Mrs. William V. Irvine, Mrs. Compton and Miss McNair.

Tickets may be purchased from club members until May 10. Already eligible to attend the May 3 luncheon, at which Mrs. Griffith honors the outstanding artist chosen by the Foundation for the year, are Mrs. Compton and Mrs. Chapman who have sold their quota.

Here's a war record New Jersey helped to make...

NEW JERSEY'S telephone system is carrying heavy burdens these war days. More calls to handle... more service to supply... and with few additions to the System, because manufacturers are building almost entirely for the armed forces.

But, despite these wartime burdens, your telephone service in 1944 was good—in some respects better than in the preceding year!

You helped to accomplish this—and we are genuinely grateful to you for your cooperation.

...on your part...

YOU HELPED by keeping your telephone conversations brief, and by making few unnecessary calls.

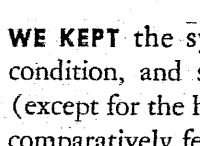

YOU SPEEDED up service — by referring to your telephone directory instead of calling "Information" for listed numbers.

YOU UNDERSTOOD why it was not possible to supply all the new telephones requested, except for essential users.

WE WERE ABLE to handle most of your calls quickly and accurately—thanks to the help you gave us.

WE KEPT the system in good condition, and service troubles (except for the hurricane) were comparatively few.

WE TRIED our best in every way to give the friendly, courteous and effective service you expect and appreciate.

You can count on New Jersey telephone men and women to continue their efforts to serve you well, in 1945.

Bellevillites In Uniform

Pfc. Howard W. Lockhart stationed with a Marine division in the Pacific, has broken a long silence by writing to his mother, Mrs. Sophia Lockhart of 36 Clinton avenue, saying he is "still healthy and safe." His wife is the former Miss Mary Hoag of town, residing at 206 Stephens street.

Pfc. Lockhart 28, entered the service in August, 1943 and had previously served four years in the Marine Corps Reserve. His brother, Lester, 24, a gunners mate 2/c on the USS Wyoming, was home on leave two weeks ago. He is married to the former Miss Clare Callaway of Newark.

A new arrival at Daggett Municipal Airport, Cal., is Pfc. Leonard A. Izzo, son of Mr. and Mrs. Matthew Izzo of 527 Franklin avenue. Formerly a carpenter and mechanic for the Western Electric company at Kearny, the 25-year old soldier entered the service in May, 1942.

He is a graduate of an army school in airplane mechanics and is assigned as a mechanic on a P-38 used at this station, the main gunnery base of the Fourth Air Force. Pfc. Izzo was stationed at Edwards Air Force base, Wash. before coming to this air base on the Mojave Desert. Izzo is married to the former Mary Meola of Newark.

Now in training at the U. S. Maritime Service Training Station, Sheephead Bay, N. Y., is Frederick Barnmore, 25, of 115 Cortland street.

Apprentice Seaman Barnmore will receive six weeks of basic training, including work, life, fighting, breeches buoy, mess rules and traditions, swimming construction and equipment, gunnery and physical training.

After completing "Boot" training he may enter deck or engine training, including three weeks of practical experience aboard a training ship at sea, or he may apply for one of the specialized schools of training.

T/5 Joseph Sculentano

T/Cpl. Joseph Sculentano, son of Mr. and Mrs. Thomas Sculentano of 250 Linden avenue, was recently awarded the Bronze Star for heroism in Germany.

The citation reads: "Distinguished himself by heroic achievement while in action against the enemy on December 16, 1944 in Germany. While under an intense enemy artillery barrage, Cpl. Sculentano observed a man fall seriously wounded in an unprotected position. With complete disregard for personal safety, he went to the aid of the wounded man, administered emergency medical aid, and then summoned several litter bearers who evacuated him to the rear."

Cpl. Sculentano has been in the service 20 months, and has been overseas 20 months.

He has two other brothers in the service, one in the navy and one in the army. G.M. 3/c Thomas Jr. entered the Navy in September, 1943, and has served in the Pacific and Atlantic theaters. Before entering the service he was studying to be an actor. Cpl. Sculentano was in the infantry for nine months at Nashville, Tenn., was transferred to the Medical Corps, and is now in an Army Post Office in Long Island City, N. Y.

Legion Auxiliary Visits Lyons

Belleville Unit 105 of the American Legion Auxiliary played host Tuesday, March 27, to 170 men of World Wars I and II in Ward 8 at Lyons Veterans' hospital in Millington. There were bingo games with prizes, and smokes, ice cream and cakes were served to the men.

Mrs. Cora Wagner, unit chairman, presided, assisted by Mrs. Bonema, county chairman, Mrs. Henry Fredericks, Miss Lora Congleton, Mrs. William Kant, Mrs. Peter Johnson and Mrs. Joseph Heumer.

The auxiliary was transported to the hospital by Capt. Hilda D. Cooper, Lieut. Mildred Doran and Sgt. Frieda Abramson of the local Red Cross Motor corps.

NOTICE

PUBLIC NOTICE is hereby given that the following proposed ordinance was introduced and passed on first reading at a meeting of the Board of Commissioners of the Town of Belleville held Tuesday evening, March 27, 1945 and further notice is hereby given that the second and third readings of said ordinance will be considered by said Board at a meeting to be held at the Town Hall, Washington Avenue, Belleville, on Tuesday evening, April 10th, 1945 at eight o'clock P. M. W. T. when all objections to the same will be heard and considered.

FLORENCE R. MOREY, Town Clerk.

Boatswain 2-c John Stanfield Receives Bronze Star

Citation, in connection with the award of a bronze star to their son, Navy Boatswain 2/c John W. Stanfield, was recently received by Mr. and Mrs. Abraham Stanfield of 44 Columbus avenue.

Boatswain Stanfield received the citation and decoration from his commanding officer of the Armed Guard center for action on April 11 and 12, 1944. According to his own description of the event he was stationed in the ammunition magazine of the merchant vessel on which he serves when German planes attacked the ship off the coast of Algeria. The crew manning the gun was shot down and he and a companion came on deck, took over the guns and shot down several enemy planes.

Boatswain Stanfield spent a fifteen day furlough here last October after which he left for his present duty in the Pacific. Now twenty, he enlisted when he was a senior in the local high school in January, 1943. He had been a member of the football team.
