School Board Okays Hiring Administrator

Parmer Proposes Assistant As Acting Principal Now, Junior School Organizer Later

Approval of Superintendent of Schools Wayne R. Parmer's recommendation of employing "a highly qualified assistant administrator—assistant to the supervising principal" was given by the board of education at its meeting on Monday night. The assistant will be assigned by Parmer as acting high school principal in the absence of Hugh D. Kittle on leave for service in the Navy. When he can be released from his duties as senior high school principal it is Parmer's plan that he assist in the important job of formulating the proposed Junior High school program in setting up its courses, in preparing its faculty and that he become its principal—at least until the program is fully initiated.

KIDDE MEMORIAL DEDICATED

Monument On Bank Of Passaic in Memory of Firm's Founder

Weather compelled the removal of dedication ceremonies of the Walter Kidde memorial monument Sunday to the interior of the plant. The program, which included acceptance of the memorial in the name of his mother by Walter L. Kidde and an address by Clarence Hunter of Montclair, company director, was held in the office cafeteria.

At a designated signal the flag in front of the monument was hoisted while the Walter Kidde Glee club sang the national anthem.

Mrs. Kidde was present and accepted a bouquet of red roses in token of her birthday which coincided with the memorial dedication. Mrs. John Kidde, Mrs. Walter Kidde and Mr. and Mrs. Walter Morgan were other representatives of the immediate family who attended.

Plant comptroller William Dextering, who joined the firm during its first months of operation, was master of ceremonies. J. Floyd Yewell, Kidde architect, designed the monument and adjoining landscaping.

Other memorial committee members were G. Crosby Hiss, V. J. Hill Jr., Lee Bowman, Nicholas Vuyssche, Clifford Strain, William Devoti, Kent R. Costikyan and Miss Mary Stevens.

The memorial stands on the bank of the Passaic river opposite the main plant gates. Workers and friends of the late Mr. Kidde contributed funds for its erection. Mr. Kidde founder of a large construction firm as well as the company which manufactures fire and life saving equipment, died in February, 1943.

Increase Expected

Giving his reasons for the need of the junior high school, Parmer said that it is only reasonable to assume that with the ending of the war the high school population will again reach if not exceed its pre-war size. "Some boys will return to the high school from service and war jobs will no longer be removing them from school," he said. "It is reasonable to expect that we shall have an increase of at least several hundred pupils in a very short time," he stated.

The present high school building is crowded so that rooms cannot be spared to enlarge the music room, he explained.

The assembly auditorium, used for study constantly by very large groups, is not a proper study place, he said, for several reasons chief among which are lighting and lack of arm rests on the seats for books and writing. He pointed out that the greatly increased use of the library for library purposes eliminates this room for study use.

Other reasons for the need of additional space in the high school are the fact that the offerings of the high school could be greatly enriched in manual and household arts and mechanical drawing which cannot now be accomplished because of lack of space. Also there are no storage rooms for equipment and materials for science subjects, special physics and general science, he stated.

In addition to the modernizing of the senior high school program, the seventh, eighth and ninth grades would benefit by a co-ordinating program.

Commissioners Approve Plot Plan for 85 Homes

The plot plan for the erection of 85 one-family homes by the Union Housing corporation of New York City on the land purchased from the Volkens estate south of Riviera Roller Rink on Washington avenue, was approved by the board of commissioners at a special meeting Tuesday noon.

The firm has a WPB release for immediate construction of 50 homes which are expected to be finished by September. The remaining 35 are scheduled to be completed by January.

Local Firms Aid "Chemics" In Unnerving the Enemy

Produce Material For Troops Called Into Battle When Going Gets Tough

Three local industries are engaged in production of war materiel used by the "chemics," those troops that throw the enemy off balance, confuse and unnerve him with smoke and flame as primary weapons.

Federal Leather company and Rowe Manufacturing company, makers of parts for the M-69 incendiary bombs, and Wallace and Tiernan Products, producers of anti-gas ointments, supply the chemical warfare divisions who are called into battle when the going gets tough. Their trick plays are calculated to win battles with a minimum cost in human life.

Armed with special devices, the Chemics are accustomed to perform the unexpected. They turn day into night, or night into day; they lay down artillery barrages from positions inaccessible to artillery; they make whole cities appear and disappear at will; their weapons range from a grenade which puts a man out of action but can't hurt him, to a flame-thrower which is painless—because it kills instantly, before sensory nerves can register pain.

It is common, at the mention of the Chemical Warfare service, to think of dark donnings and military secrets. Yet much of its work is no more cloaked by mystery than that of any other technical service of the Army. The chemical warfare service is both a supply unit of the Army service forces and an independent striking arm.

W & T ONE OF SEVEN IN STATE TO GET SAFETY AWARD

Accidents Forty Percent Under 1943 Level In Spite Of Increased Personnel

Wallace & Tiernan company was awarded the United States department of labor safety award Tuesday at a luncheon meeting in the plant when the New Jersey chairman of the national committee for conservation of manpower in war industry, Fred M. Rosseland, presented the citation to Merrill P. Paret, chairman of the W & T safety committee. The firm is one of only seven companies in the state to have received such an award.

Reduction of accidents forty percent under the 1943 level in spite of increased manpower and unfamiliarity with the plant of new workers is responsible for the award. Mr. Rosseland was presented by G. W. Yemmi, special agent Ernest Konerim, inspector in the State Department of Labor, was also at the luncheon of the national labor department.

Following Mr. Paret's acceptance speech, William J. Orchard, plant general manager, urged the continuance of precaution and continual reduction of accidents.

Elwood P. Russell, W & T public relations manager, was toastmaster. He and Mr. Paret, Robert Heidrich and H. J. Hoot form a permanent safety committee in the great chemical plant. A rotating committee of department foremen and representatives of the various departments put the safety program into action.

Enlarging yesterday on the measures taken to produce the safety standard which prevails in the plant today, Mr. Russell cited that out of 224 suggestions made to the management during 1944 by the State department of labor, department foremen and employees, 222 were put into practice.

Posters, payroll folders and individual instruction of new employees augmented by safety films are credited with educating the personnel with regard to chemical and other dangers. Each accident is analyzed with the employee and department head so that no repetition will be possible.

Red Cross Home Service Moves To Larger Quarters

The Red Cross Home Service department has moved to larger quarters at 260 Washington avenue. Formerly, the office was located at 258 Washington avenue.

As heretofore, the office will be open from 9 to 5 weekdays and until 12 noon on Saturdays. The new telephone number is BE. 2-1611. In the event of an emergency after office hours, the police department will cooperate in forwarding messages or suggesting those who can be reached for aid.

The local chapter suggests that families of Belleville service men and women clip this article so that they will know where and how to reach the Home Service department at all times and hours.

"E" Bond Purchases at 48%, Ahead of National Figure

Rotarians Hear from Crew of B-29 They Purchased In 6th War Loan Drive

As E bond sales in Belleville spurred to 48 percent of quota to go higher than county, state or national percentages, the Rotary club of Belleville this week received tangible evidence of the results of the club's bond purchases in the last drive.

They received a letter from the crew of a B-29 bomber stationed in Harrington, Kansas that has just been assigned a ship bearing a placard stating that the plane was built with funds obtained from their bond purchases. Signed by Capt. S. J. Schmidt, the pilot, of Moorestown, he writes:

"Today my crew was assigned one B-29 which we will fly overseas to bomb Japan and other targets the Japs present. On our plane there is a painted placard stating that your Rotary club raised the funds to build the B-29 which is our pride and joy."

BOMBARDIER GETS DFC AWARD

1st. Lieut. McIver Receives Medal for Aerial Work Over Nazi Targets

For "extraordinary achievement" during heavy bombing attacks on Nazi military and industrial installations and in coordination with Allied ground forces, 1st Lieut. William McIver, 22, of 135 White Oak terrace, was awarded the Distinguished Flying Cross.

The flyer is pictured above as the award was pinned on him by Colonel Glendon P. Overing of Orange, Mass., chief of staff of a combat bomb wing.

A graduate of St. Benedict's Prep school, Lieut. McIver is the son of Mr. and Mrs. Ross W. McIver. Before joining the Army Air Forces in June, 1942, he was a clerk for the Westinghouse company. He received his bombardier training at Albuquerque, New Mexico and was awarded his wings and commission in January, 1944.

Lieut. McIver is a member of the 94th Bomb. Group, which was cited by the President for the historic bombing of the Muhlenbau aircraft assembly plants at Brunswick, Germany. This group also participated in the Third Air Division England to Africa shuttle bombing of Messerschmitt aircraft assembly plants at Regensburg, Germany, in August, 1943, for which a Presidential citation was awarded to the entire division.

CONFERENCE OF FAMILY AGENCIES

Mrs. Reiner Will Preside At Today's Meeting; Agency Functions To Be Discussed

Mrs. Julia O. Reiner, executive secretary of the Community Service agency, will preside today at the New Jersey Inter-City conference of Family Service agencies in the Newark Diocesan house.

Mrs. Reiner, who has held her post with the local Community Chest supported agency for ten years, has served as president of the Family Service agencies conference for two years.

All "family agencies" or service bureaus, similar to Belleville's, whose members of the Family Welfare association of America will be represented at the conference, Mrs. Mary H. Rich, case worker in the Belleville bureau, will also attend.

Mrs. Natalie W. Linderholm, consultant on agency policies of the Greater New York fund, in a press release yesterday, indicated that she would tell the group that the first step toward understanding the functions of social agencies is knowledge of the community needs which created them.

"Understanding of the work of the service agencies is something which both givers and takers should have," Mrs. Linderholm says, adding that it is now difficult to distinguish between those who give and receive "with all most everybody contributing to the community chest funds, which in many ways, at least partially, support the Family Service agencies."

Not Charity

Stating that "the old idea that social service is charity handed out by the more prosperous to the less" belonged to the past, she observes that "War workers making good wages are using the community's Family Service agencies when they place their children in nursery schools or send them to boarding schools. The fact that they may pay for these services themselves while some others may not is proof of the widening benefit of the Service agencies to all members of the community."

As evidence that all groups of people, regardless of financial or social status, need assistance, Mrs. Linderholm cites the popularity of newspaper and radio departments in marriage and child raising.

"Some of us go to the family lawyer or doctor for advice, some to a close friend, others perhaps to relatives," she says. "For those who do not have these resources, or who for some reason do not wish to call upon them, the Service agency is the answer."

The Family Service agency's primary purpose is described as helping individuals to live successfully within their community.

NAME DIRECTOR FOR CANCER FUND

Admiral Stephenson, Noted In Preventive Medicine, Will Organize Program

Harry Specht, local chairman of the drive by the American Cancer society to raise \$7,500 locally, said this week, the appointment of admiral Charles S. Stephenson, USN, retired, as managing director of the society, will mean the immediate organization of the education, preventive and research program for fighting the disease.

Contributions are being received by William Goodrich at the First National bank, and letters of appeal have been sent to industries and business firms in town, in an effort to interest large subscribers in this cause. Individuals are also requested to send their donations to the First National.

In announcing the appointment, Elmer H. Bobst of Newark, who is a member of the executive committee and chairman of the New Jersey Division of the American Cancer Society, said this week that the plans of the society for this year comprise the first comprehensive campaign ever launched for the immediate reduction of cancer mortality and its eventual control.

In Preventive Medicine

Admiral Stephenson was selected to direct this program," said Bobst, "because of his outstanding accomplishments in preventive medicine, which, with increasing knowledge of cancer, is one of the very hopeful fields of effort. Part of the money obtained

FOUNDATION WORK DURING 1944 IS REVIEWED

Trustees Hear Report Of Groundwork to Aid Vets, Other Projects

A review of the efforts and accomplishments of the Belleville Foundation was given by the president, Harry Specht, executive of Eastwood-Nealley corporation, at a dinner meeting of the Foundation trustees held last week at Wallace and Tiernan.

Concerned primarily with post-war years and provisions for returning service men, Specht outlined the Foundation's progress during 1944, on a monthly basis to show the groundwork that has been laid for aiding returning veterans to become oriented again in community life.

Trustees who heard the report, were Gerald D. Peet, vice-president, Rev. Edgar M. Compton, secretary; G. Crosby Hiss, treasurer; Ronald Brunner, assistant to Mr. Specht; Everett B. Smith, Martin Tiernan, John Kilde, Rev. Peter R. Deckenbach, Dr. O. Bell Close, Rev. Joseph Kelly, Dr. James Irwin, Wayne R. Parmer and Elwood P. Russell.

Mr. Specht's outline of activities for 1944 follows:

"In January, a luncheon was held at the Yantakaw Country club with representatives of Nutley, Bloomfield and Belleville present, when the Foundation presented a Hospital Plan for the joint consideration of the three towns. Although your committee tried to push this program, it seems that the time was not ripe, due to war conditions for the three towns to proceed with this project. The foundation, having prepared the plan and having presented it, paved the way for future constructive leadership in this regard."

"During the month, we appointed the committees and started the organization for the veterans' program. Your president addressed both the Rotary and Lions clubs of Belleville on the work of the foundation in regard to the hospital plan and also in regard to the Veterans' organization."

"In February we held our annual trustees' meeting when Ronald G. Brunner was appointed as assistant to Mr. Specht to help carry on the work of the Foundation. A plan was announced to convert the old Christ Church on Main street to a museum and art center as a postwar project. Considerable time was spent in making a study of this building which was erected in 1835 and many were of the opinion that it should be preserved as an historical building and should be repaired and made useful in the work of the community."

Schools Close With Graduation Exercises

High School Diplomas Go To 294 With 15 Already in Service; Eighth Grade Programs

The closing of school for approximately 5,000 Belleville students next week will be marked by graduation exercises in the High school and eleven elementary schools. In the class of 294 graduates at the high school, fifteen already in the armed forces will be awarded their diplomas in absentia on Wednesday evening.

The high school honor graduates with a four year average above 90, are headed by Alfred Jennings, valedictorian who will speak on Faith in God and Universal Education and Muriel Atkins, salutatorian whose topic will be That All Men May Enjoy Freedom From Want and Fear.

Other honor students in the order of their averages are Kathleen Owens, Anita Sibilla, William Gerard, Alyce Essayan, Robert Shaw, Janice Weststone, Viola Skribner, Arthur Clough, Minnie Del Sontro, Isabelle Geller, Betty Rivola, Suzanne Seiler, Ruth Nees, Mary Lu Bodkin, Ruth Semon and Bernice Van Sickle.

Alvin Outcalt will introduce the guest speaker, Dr. D. L. Biemesderfer, president of Millville State Teachers' college, who has chosen Targets Ahead as the topic of his commencement address.

Burt Johnson, acting high school principal, will present the class to Joseph Arnold, board of education president, who will award the diplomas. The class gift will be presented to Superintendent of Schools Wayne R. Parmer who will receive it on behalf of the school from John Van Volkom. Mary McCall will take part in the mantle ceremony for the class of 1945 and Robert Pudney for the class of 1946.

The exercises will open with the overture from Zampa, played by the high school orchestra and the traditional pomp and chivalry as a procession. The Rev. Dr. O. Bell Close will give the invocation. The senior choir will sing two selections with solos by Edward D'Angelo and Olindo D'Amadio.

If these tests are made general use of by employees of the plant it is hoped to make them an annual occurrence and make them a pattern for other industries.

A committee was appointed within the Tuberculosis association to care for their part in the clinic. Anthony Pangel and Thomas D'Avella of this town and Frank Simmons of Nutley, who is experienced in conducting the tests will serve.

Elected to the board of directors were Mrs. Charles Bayless and Rev. Peter R. Deckenbach of Belleville and Mrs. William A. Kelly, Mrs. Henry Conover and Joseph P. Day of Nutley.

T-B. ASSOCIATION MEETS JUNE 21

Plans X-Ray Clinic for Fall; Will Cooperate in Three-way Clinic At Kidde Plant

The final meeting, until September, of the Belleville-Nutley Tuberculosis association will be held in the Nutley Town hall June 21 when the Rev. Addison T. Doughty, chaplain of Essex Mt. Sanatorium will speak. Third of the community pulmonary tuberculosis X-ray programs will be held in Belleville in September. The first, here in 1943 attracted approximately 200 persons, while the 1944 tests, held in Nutley, were applied to 900 individuals.

These pulmonary X-rays and their interpretations are made available to citizens and workers of each town.

Along these lines the association agreed at its May meeting to take part in a three-way health demonstration which is being arranged by the CIO public relations committee in the Walter Kidde plant here. Belleville Health Officer Eugene Berry reported to the Tuberculosis association which agreed to provide X-rays and interpretations when the clinic is held.

At that time the local Health department will furnish the Wasserman test and W. G. Hazard, an engineer of the bureau of industrial health of the State, will administer heart examinations.

New Silver Lake Honor Roll

Those receiving certificates are: Patricia Adams, Lois Anderson, William Barnett, Donald Bell, Joseph Berardino, Herbert Brown, James Brown, Doris Carroll, Manuel De Araujo, Marietta Ertion, Margaret Flanagan, William Findlay, Addison Fritts, Frank Galante, Ruth Galloway, Sadie Gelock, Chester Gorski, Edmund Hansen, Martha Hansen, Eugene Holler, William Luke, Josephine Lukowiak, Clara Martin, Ralph Nacca.

Lorraine Roberts, Roger Roby, Arthur Sears, Rose Swain, Mabel Taylor, John Werdann, Frances Whinates.

School No. 3

A program will be held at School No. 3 on Tuesday for the eighth graders who will receive promotion certificates. Mr. Parmer will give the certificates after the class has been presented to him by William F. Richards, principal.

An address of welcome will be given by Vincent Miller and songs will be sung by Lynn Hartley and Robert Struble and the class. A play, How the Race was Won will have as its cast, Joan Riley, Anne Hurley, Mary D. Dan, Christine Ryan, Janet Penikman, Elinor Schatzman, Kloss, Joan Steinmetz, H. Beebe, George Carpenter, H. ten, Keith Perkins, Doris, Janet Malcolm, David Robert Backstrom, Barbara Gilbert Drake, Mabel Gustave Funkle, Marie and Richard Streeter.

There will also be solo of the orchestra and Joan Riley will sing. The class song, conducted by Robert Parmer, after the presentation of certificates, a march will conclude the program.

Belleville Foundation Reviews Activities

Continued from page one

for similar programs in years to come.

"In April, the old bell from Christ Episcopal church was removed, reconditioned and moved to the church on Washington avenue.

"During the month, Mr. Brunner spoke at the Women's club on the aims of the Foundation and its work and Mr. Specht addressed the New Jersey State Federation of Musical Clubs in Newark at its annual meeting. The latter was made at the request of their president as a result of publicity given to the Foundation through the Griffith Music Foundation and other organizations at that time. National publicity was given to us in the magazine of this organization.

"In May, a trustees' meeting was held to discuss the affairs of the Foundation and its progress to date.

"In June, the Foundation was asked to sponsor the Fourth of July celebration of the Defense Council. Over 4,000 attended this affair which was held in the stadium. The program was coordinated by Mr. Brunner in his joint capacity, representing the Foundation and the Defense Council. Mr. Specht addressed the audience on the work of the Foundation.

"In July, a committee of the Foundation presented the returning veterans' program to the town commission. The Commission was requested to make available to the Veterans' Assistance program sufficient funds to pay for a guidance director when the work of this committee warranted such appointment. No action has been taken by the commission in regard to this matter to date.

Girl Scout Program

"In August, visits were made to the Girl Scout cabin in the Orange Mountain Reservation. This organization with the help of the officers of the Foundation is now outstanding. The membership has grown from under 200 to over 600. A paid director, financed through the funds raised under the Community Chest, is now in charge of the Belleville Girl Scouts, under the supervision of a new council.

"The work of this organization has progressed beyond our fondest hopes of two years ago. The cabin in the Reservation was used by over 100 girls last summer and over 125 girl weeks of camping were supplied through this program. The camp will again be operated this year and a waiting list is developing under the new program of the Girl Scout Council.

"We believe the work done by this Council is indicative of what can be done in many directions if a little financial help, advice and guidance are given to those organizations that are trying to do a constructive job in terms of the welfare and interest of our Belleville citizens and their needs.

"The Foundation has not been able to contribute much to the work of the Boy Scout Council in Belleville, with the exception of the organization of a Sea Scout Troop, sponsored by the Walter Kidde company. Also, at the request of your president to the Scout Council, a negro troop has been organized in one of the negro churches in the Valley.

"The Foundation being unable to sponsor an organization such as Junior Achievement, through several of its members organized and developed such a movement in Belleville. Several industrial members thus gave generously of their time, money and personnel.

at no financial expense to the Foundation.

"There are five Junior Achievement groups now in operation in Belleville and for a town of this size, this is exceptional. A member of one of these groups has been made president of the National Junior Achievement organization as a result. Belleville has received nationwide publicity.

"We believe that the youth training program in Belleville such as Junior Achievement, Boy and Girl Scouts, Sea Scouts, etc., has grown to a considerable extent as a result of the inspiration of the Foundation in sponsoring this work.

"A study made by one of our committees on junior delinquency in Belleville indicated that it has not been a serious problem here and that it has been far lower in number of delinquents in Belleville than many of our neighboring towns. We believe the Foundation has contributed a great deal in keeping this percentage on a minimum basis.

Recreation Needs

"In September, when the Foundation was formed, we considered recreation one of the most necessary and basic needs of our community in the postwar years. In 1943 a committee was appointed by the Foundation, including representatives of the Town Recreation Commission, industry, churches and schools. The committee met three times, discussed the recreation problem in Belleville and decided to employ the National Association of Recreation to make a survey of Belleville's needs.

"The committee presented this suggestion at a town commission meeting and the commissioners agreed to appropriate \$1,000 to have the survey made. In the spring of 1944 the completed report was issued in book form and delivered to our town commission. Copies were also given to all members and trustees of the Foundation. The Town commission adopted a resolution to appoint a recreation committee in accordance with the program instituted by the Foundation in regard to recreation in Belleville.

"Since presentation of the report, little has been done to carry out the suggestions of the National Association of Recreation due to lack of manpower and due to lack of an appropriation to meet these needs.

"It is believed that the Foundation should take steps to work toward a more permanent recreation committee to carry out the suggestions of the National Association of Recreation in order that the recreational needs of Belleville might be properly met.

"It is further suggested that consideration be given by the Foundation trustees as to how the Foundation can best co-operate with the schools, churches, town and industry, to carry out the recreational program as outlined. Belleville is sadly in need of recreation facilities and a constructive long-term program toward carrying out these needs should be given serious consideration.

"The Foundation, having given leadership through the appointment of a committee on recreation and securing the recreation survey, has laid a ground work for the future in this most important matter.

Belleville Vet Plan

"In October, the complete and co-ordinated Belleville Plan for the returning veterans was presented at a special meeting held at Town Hall and a discussion took place with regard to the handbook to be printed before the end of the year. Representatives from State Selective Service attended and the Foundation's program, in the Belleville Plan, was given full approval and was highly commended by the members of the State Selective Service.

"In order that the program might be better understood and in order that the veterans' organizations might be brought into the program to better advantage, a meeting was held by a committee of the Foundation with the officers and members of the American Legion Posts in Belleville and Veterans of Foreign Wars, to secure their co-operation, advice and counsel.

"We believe the Belleville Plan, having been accepted by these various groups, will receive their fullest co-operation in working with the Foundation to see that the needs of the returning veterans are met to the best of our ability.

"We feel that the handbook 'The Open Door to Belleville,' developed under the guidance of and paid for by the Foundation, is an outstanding project. It has received national publicity and many towns throughout the United States, having received a copy of our booklet, have commended Belleville very highly on the program. We believe, and this upon advice secured through checkups through the State Offices, that the Town of Belleville is better organized at the present time and has been functioning to better advantage in dealing with the returning veteran than most other towns in the State of New Jersey.

"Jobs and education are the two most important needs of the veteran. We believe these will be the most outstanding problems to be dealt with in regard to the returning servicemen. The committees who volunteered to carry on the work of the veterans' program have done an outstanding job thus far.

Employment Center

"Through the Belleville Employment center, sponsored jointly by

the Belleville Manufacturer Association and the War Manpower Commission, the needs of the returning veterans in regard to jobs are being taken care of to the best of our ability. The officers of the Foundation, as members of the Manufacturers' association, were responsible for setting up this program in Belleville and we know it has played an important part in the war manpower crisis through which we passed during the past year.

"It is estimated that approximately 15 to 20 percent of the returning men will ask for educational opportunities and the work involved in dealing with these problems takes a great deal of time, understanding and effort on the part of the advisors. The Vocational Guidance Director of the High School, Thomas Brosnan, and Bert Johnson, principal, under the supervision of Wayne Farmer, superintendent and one of our trustees, have done an outstanding job in giving advice to returning veterans on educational matters.

"We say advisedly, that there is no community that can match the work of the educational committee of the Veterans' Assistance Program as set up under the Belleville Plan and the Foundation can take pride in the results of its various committees.

"We hope these committees will continue to carry on in the future as they have in the past. If they do, the returning veterans of Belleville will be given the best advice, counsel and help possible in solving their postwar problems and needs. 'The Open Door to Belleville' is the outstanding project of our organization in 1944. If no other project than this was accomplished, we believe it has served its purpose in a measure that speaks well for the Foundation, its trustees and its members.

"In October, your President played a part in the dedication of the new bell installed in the tower built by the members of the Christ Episcopal church. This bell, having an outstanding tone, will act as a memorial to the men of the church who are in service and it was so dedicated to them at the service.

"In November, through meetings with the State Selective Service officials, the Belleville Plan received their commendation and approval as a program that would greatly help the returning veterans.

A R P dinner

"In December, the year was brought to a close by a dinner given to the air raid wardens of Belleville. The invited guests included executives of the State Se-

lective Service, the Defense Council of the town, county and State, and members from the Veterans Hospital at Lyons who spoke on the needs of the veteran and the work to be done in the post war years. All those present gave untiring praise to the work of the Belleville Committee as presented through the Belleville Plan. On that evening, the finished booklet 'The Open Door to Belleville' was presented to the air raid wardens which organization was the base upon which the program was built.

"It was the air raid warden executive committee through whom we endeavored to build the veterans' program in July 1943 that developed into the final plan as presented in December 1944. The dinner given to the air raid wardens was in appreciation of the splendid work done by this organization for the citizens and for the industries of Belleville in protecting our interests through the four trying years of World War II, and in appreciation for the work they did as an organization and their efforts in behalf of the returning veterans in developing the Belleville Plan.

"As the program developed and as the needs of returning veterans became better understood, the various organizations were called in to play their part in this most important work. On behalf of the Foundation we express our keen appreciation of the splendid co-operation received from all Belleville citizens who were called upon in the work of the Belleville Plan and for their willingness to assume responsibility in this connection.

"As we look back over the work done by the Foundation during the past year, it seems as if the pro-

gram as outlined in terms of organization, co-ordination and giving financial help when necessary in the affairs and needs of Belleville gives a clear illustration of what might be done in the years that lie ahead if we can continue to develop our plan and our program. The Belleville citizens seem to be ready to respond to a call where there is a need for work to be done. A little leadership and direction and a little financial help where needed, will make the work of the foundations effective in the years to come."

Recent Bride

Mrs. Charles C. McDaniel

The marriage of Miss Helen Mills, daughter of Mr. and Mrs. H. Barclay Sears of 273 Main street and St. Georges, Bermuda, to S/Sgt. Charles C. McDaniel, USA, son of Mr. and Mrs. M. F. McDaniel of Corydon, Iowa, took place Saturday afternoon in Grace Baptist church. Rev. Marshall J. Whitehead officiated at the double ring ceremony and a reception was held at the bride's home.

Over her satin gown the bride wore a fingertip veil with Mary Stuart headress. She carried a cascade of white carnations. Mrs. June Hultman, her matron of honor, was gown in pale pink satin with matching veil and bouquet of pink carnations and delphinium while the maid of honor, Miss Dorothy Webber of this town, wore a gown of blue satin with matching veiling and bouquet of salmon carnations and delphinium.

Sgt. Frank Laake was best man and Cpl. William Breier was usher.

The bride is a former student of Mt. St. Agnes academy for girls in Hamilton, Bermuda. Sgt. McDaniel is a graduate of Corydon High school in his native city. Now stationed at Fort Hancock, he has been in the Coast Artillery for three years.

After a brief honeymoon the couple will reside at Fort Hancock.

Onfrio Natale Weds Brooklyn Girl on Sunday

The wedding of Miss Carmela DeBarardinis, daughter of Mr. and Mrs. Lucio DeBarardinis of Brooklyn and Onfrio Edward Natale, son of Joseph Natale of 39 Ralph street, will take place Sunday afternoon in St. Matthew's church, Brooklyn after which a reception will be held at The Plaza Caterers in that city.

Mr. Natale received a medical discharge from the Navy last October and is an inspector with McGlynn-Hays company here, his former employer.

Included in the bridal party of twelve will be Miss Clara DeBarardinis, sister of the bride-elect who will be maid of honor; Miss Ida Pecora of 92 Greylock avenue, a bridesmaid and cousin of Mr. Natale; and Peter DePersio of Newark, formerly of this town, best man.
The couple will reside at 92 Greylock avenue after a Niagara Falls wedding trip.

Announce Marriage of Yeoman 2-c Agnes McGeachen

Mr. and Mrs. Thomas McGeachen of 38 Wilber street have announced the marriage May 5 of their daughter, Yeoman 2/c Agnes McGeachen of the Waves, to Chief S/M William Joseph Tipton, son of Mrs. Leslie Tipton of Irvine, Ky. The couple reside at Norfolk, Va. where both are stationed.

The couple were married by Dr. O. Bell Close in the Fewsmith church manse and were attended by Chief Petty Officer William Fields and Yeoman 2/c Rita Allen of Norfolk.

Mrs. Tipton wore a satin bridal gown with fingertip veil draped from a coronet. She carried a flower covered Bible. Miss Allen was gown in pink net over satin and wore fresh flowers in her hair. She carried an old-fashioned bouquet.

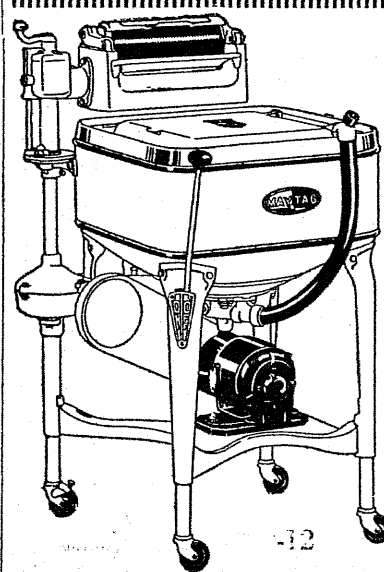

The McGeachens held open house at 38 Wilber street after the wedding. After a stay in Washington, D. C., the couple returned to Norfolk.

Mrs. Tipton was employed as a secretary by the Town after graduating from Belleville High school. She was most recently with the Health department and entered the Waves in September 1943. Mr. Tipton has been in the Navy ten years.

Forbes-Blackburn Troth

The engagement has been announced of Lieut. (jg) Janet M. Forbes, daughter of Mr. and Mrs. Edward L. Forbes of Nutley, formerly of this town, and Lieut. Commander James W. Blackburn, USNR, son of the late Mr. and Mrs. James W. Blackburn of LeMars, Iowa. The couples are stationed at the Bureau of Ships, Washington, D. C.

Miss Forbes was graduated from Belleville High school and Katherine Gibbs school, New York. Lieut. Commander Blackburn was graduated from Northwestern university.

nated and enlarged program. Being distributed in eight buildings now, it is economically and physically impossible to give them an acceptable program in manual, household and fine arts and health and physical education, Farmer said—a program at all comparable to that of other schools in the country. These students are, however, expected to compete with those from other schools, he pointed out, both in high school and when they go to higher institutions of learning or in securing jobs.

"A Junior High school in Belleville will not only become the answer to very serious education problems, but will place our community on the list of communities attractive to people looking for residence where modern educational advantages exist for their children," the superintendent stated. "It can be made an economically sound and a advantageous investment for Belleville. More than anything else, the parents of the children of Belleville are entitled to this educational service," he said.

Services Held Last Night For Mrs. Minnie Weber

Funeral services were held last night at 8 o'clock at the Irving Funeral home on Washington avenue for Mrs. Minnie Weber of 1 Essex street who collapsed Monday afternoon while shopping in a grocery at 384 Washington avenue. She died in Passaic General hospital of a heart attack.

Rev. Peter R. Deckenbach of Christ Episcopal church officiated and burial will be in East Ridgewood cemetery, Delawanna.

Mrs. Weber who was 75 years of age, was the widow of John C. Weber. Born in Holton, Mich., she had lived here for 45 years and was a member of the Ladies guild of Christ Episcopal church. She also served for the production unit of the Red-Cross chapter.

She leaves two daughters, Mrs. George Warhurst and Mrs. William R. Sanford of town, two sons, Cyril R. of Millburn and Elliot of Plainfield and two grandchildren.

goal is at least ten ambulances, of \$19,500 in issue value.

Some troops will do more than sell enough for one ambulance. All troops can — and local officials feel certain they will — sell enough for at least one ambulance. Reports are to be made daily to the office of Defense Coordinator Ronald Brunner, at the town hall.

Ambulances purchased by the bonds sold by the Scouts will bear the troop number and the name of their town as these ambulances move out to aid the wounded on all battlefields. Tangible evidence of the value of the Scouts' work

in this direction has come to Belleville Scouts in reports received from the battle areas, where ambulances purchased by bonds sold in Belleville by Belleville Scouts have been seen in service.

from the association or from the Essex County tuberculosis public relations department will accompany the films. Any local organization interested in using them is invited to contact Wilfrid Yudin at 114 Washington avenue or Mrs. Frank J. McFadden at 48 Floyd street. Mr. Yudin is the association's first vice-president.

From them also information may be obtained about the association's semi-monthly clinics which are open to anyone for pulmonary X-ray and interpretation.

from the national campaign for a \$5,000,000 cancer fund, now drawing to a close, will be spent in establishing preventive institutions throughout the country.

"Admiral Stephenson's name has for years been prominently associated with preventive work in cholera, plague and applied physiology. He was the director of the Department of Hygiene and Preventive Medicine of the U.S. Naval Medical school, advisory councilor of the U.S. Public Health Service and the Division of Health and Safety of the Tennessee Valley Authority. For a number of years he was the only executive officer of the U.S. Medical corps ever elected to the Association of American Physicians, consisting of 200 men in chin-

Men in Service

A/S Robert Ernest Ohle of 25 Bell street entered the Navy May 11 and is stationed at Sampson, N. Y. He is seventeen, was graduated from Belleville High school last June and was employed by the Eston Electrical Instrument company of Newark. His parents are Mr. and Mrs. Ernest Ohle.

Lieut. and Mrs. Alonzo B. Meredith of 104 Overlook avenue with the sons, Alonzo and Robert, have taken up residence in Short Hills. Lieut. Meredith has just returned from 32 months service in the Pacific where he was assistant first lieutenant on a battleship which has blasted the Japs at Tarawa, the Marshalls, Saipan, Palau, the battle for Leyte Gulf and the battle of Surigao straits. Lieut. Meredith attended Rutgers university and was employed by Westinghouse Lamp company in Bloomfield when he entered the Navy in June, 1940. His parents, Mr. and Mrs. Alonzo Meredith, who lived at 282 Hornblower avenue, moved to Long Island last November.

Young Mrs. Meredith is the daughter of Mr. and Mrs. William Helman of the Overlook avenue address.

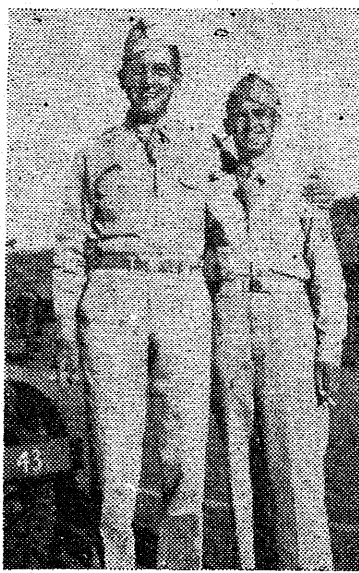

Sgt. Gerard J. Vessie, son of Mrs. Susan J. Vessie of 104 Overlook avenue and husband of Mrs. Vessie of 28 DeWitt avenue, is one of the Air Service Command team in England who were commended after V-E day by their Commanding General for battle-backing efforts.

"These soldiers of the Base Air depot have dispatched 415,000 tons of Air Corps supplies, assembled and modified 12,000 combat planes and repaired or overhauled more than 30,000 aircraft engines," said the officer. Every soldier, whatever his job, contributed materially to the magnificent final result.

Sgt. Vessie was with the Walter Kidde company before he joined the Army in March, 1944. Word has been received that Pvt. Mario L. Rinaldi of 90 Magolia street, a rifleman, has been awarded the combat infantryman's badge.

Lieut. Kenneth Chewey, son of Mr. and Mrs. Steven A. Chewey of 178 Malone avenue, is stationed on an island in the Philippines where he is assigned to a signal service battalion. He previously served in New Guinea and the Dutch East Indies.

"Relatives" Meet

Del Negro and Calabrese

Cpl. Peter A. Calabrese of 16 Bloomfield avenue, clerk with a medium bombardment group, has been awarded the Good Conduct Medal at an Army Air Forces base in the Central Pacific. Two months ago he met for the first time Major Albert E. Del Negro of Newark, who was married to Cpl. Calabrese's cousin since the soldier entered service. Mrs. Del Negro is the former Miss Josephine Galati of Bloomfield and is a teacher in the high school in that place.

Summoned to meet "a major" at his Hawaiian post, Cpl. Calabrese was apprehensive; the Major introduced himself instead as a relative. The two are shown in the photograph. Cpl. Calabrese's parents are Mr. and Mrs. Michael H. Calabrese. He was graduated from Belleville High school in 1940 and was attending Seton Hall college when he enlisted in the armed service one month after Pearl Harbor.

Pfc. Frank S. Tuthill, son of Mr. and Mrs. Edgar S. Tuthill of 32 Crescent terrace, is a member of the 345th Infantry, part of the 87th Division which has received high commendation from General Patton who wrote the commanding officer of the "stark valor with which you and your Corps contested every foot of the ground during Von Rundstedt's attack." These men served in the battles of The Ardennes, the Siegfried line, Kyll, Moselle, Koblenz, the Rhine, Plauen and Muden.

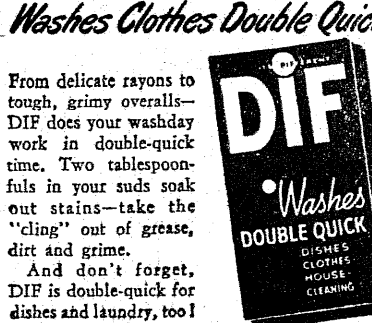

Pfc. Tuthill, now stationed in Lobenstein, Germany with a communications detachment, has been in that country eight months. He volunteered for Selective Service and entered the Army in July 1941 after which he spent 21 months in Newfoundland with the Coast Artillery. In January 1944 he entered the Infantry and trained at Camp Shelby, Miss. and Fort Jackson, N. C.

The soldier has three stars and received the Purple Heart decoration for wounds received in the battle of The Bulge.

NIGHT OF CHAMPS AT ST. PETER'S

Year's Sports, Choral and Dramatic Achievements Will Be Recapped Tonight

The Essex County CYO "Night of Champions" was held at Blessed Sacrament auditorium, Newark on Sunday night when the bowling teams of St. Peter's received their trophies. The team captains received the awards from Monsignor McNulty, Archdiocesan CYO Director.

This evening, St. Peter's will have their own "Night of Champions" which the public is invited to attend in the auditorium at 8:15. The program will be a review of the CYO activities of the entire year.

In sports, then will be presentation of awards in bowling and basketball. Both boy and girl bowling teams went through their season with nineteen wins and two losses, exclusive of the playoff. Agnes Griffin led the girls in averages with 133.80 for eighteen games bowled. William Hickman led the boys league while Daniel Meccia was a close second. Hickman had 142.10 as his average for fifteen games and Meccia, 141.10 for seventeen games.

Members of the girls team to receive individual awards are Agnes Griffin, team captain, Anna Mae Hood, Anna Rose Vastog, Rita Carragher, Jean Griffin, Maureen Bell, and Kathleen Owens. Boys to receive awards are Daniel Meccia, team captain, William Hickman, Thomas Higgins, Charles Hood, George Lister, Colin Little, Eugene Ryan, John Ryan, and Vito Meccia.

Church League Winners Edward J. Lister will give the awards to the team which won the basketball Church league. The team has a record of thirteen wins and two losses. Members to get awards are Colin Little, William Hickman, George Lister, Joseph Lister, Thomas Higgins, John Donhauser, John Westlake, Paul O'Connell, James Byrne, Edward O'Connell, and John McManus.

In the non-athletic field there will be group and individual singing by the choral group directed by Thomas Haney. The selections "Glory to the Trinity," "Regina Coeli," the "Italian Street Song" and a solo by Miss Joan McFadden, the "Alleluia" of Mozart were all given over the air on Easter Sunday on the program which represented the St. Peter's entry in

the Archdiocesan radio contest.

The Misses Mary Tasselli and Maureen Bell will deliver the talks which earned them ratings in the Essex County oratorical contest. Both talks give indication of the thought Catholic Youth have on the matter of peace and are based on the topic "The Pope's Plan for Peace."

The one act play "Thank You, Doctor" put on with special arrangement with Longmans, Green and company of New York, will give an indication of the dramatic ability of the CYO group. This play has been presented in the CYO one act play contest. Although it was not a winner it did make a tremendous hit with the audience, for it is fast moving and indeed full of surprising action, building up to an unexpected climax.

Master of ceremonies for the evening will be Colin Little, president of the boys of the CYO.

EX-WAR WORKERS REPORT TO SSB

Those Over 65 Eligible For Social Security, Urged To File Immediately

With cut-backs in ship and plane construction now being felt in some areas, John R. Shields, manager of the Social Security board office in Newark urged all men and women over 65, who have been employed in offices, factories, shops or other places of business or industry to contact the nearest Social Security board field office, whether or not they intend to retire.

"Suppose, for instance," Shields said, "a worker 65 or older, who has worked long enough under the social security program to be fully insured, is laid off because of a cut-back in his employer's work, or his wages are reduced, or he becomes ill, it would be to his advantage to file immediately for retirement benefits. It might be several months before the unemployed or ill worker over 65 becomes re-employed, and if he does not apply immediately, he may lose several months' of old-age and survivors insurance. Retirement benefits are not retroactive."

"If a wife of a beneficiary is over 65, she too should make application for monthly retirement benefits when her husband files," Shields added. Monthly benefits are due her and to any qualified children under 18, if they are dependent on their parents.

"Federal old-age and survivors insurance is not the same thing as State unemployment insurance benefits," Shields explained. "Unemployment insurance benefits come to the qualified workers from the State Unemployment Insurance agency. Old-age benefits come to an insured worker 65 and over under the old-age and survivors insurance program. In both cases applications must be filed."

"To make sure that a worker 65 or over gets all the retirement benefits that he may be entitled to, he should get in touch with the nearest Social Security board office." The office which services Essex County is located at 45 Branford place, Newark.

LAKE PLAYGROUND PLANS MADE

Summer Schedule Begins June 18 Under Newly Appointed Instructor

Appointment of Miss Ida Bravakis of Lyndhurst as playground instructor at the Silver Lake community house for the summer months was made Tuesday morning at a meeting of the board of managers of that establishment. Miss Bravakis is fourth grade teacher at the Magnolia street school in Silver Lake.

Mrs. Martha Herkins, community house director, said that the playground will be open from ten to five Monday through Friday during the two month period from June 18. The schools here will be closed on June 15.

Boys and girls clubs which function at the house afternoon and evening during the school year will be merged with the playground activities. The Mothers club, which has revived activities to a large extent since V-E Day, are expected to continue throughout the summer.

Music Studio Recital Friday; Students Win Griffith Award

The fourteenth annual June recital of the Akers Studio of 154 Little street will take place tomorrow night at Wesley Church, Washington avenue and Academy street, when students will be heard in piano and vocal music.

Miss Ann Kelsall, former pupil of Mrs. Akers and member of the class of 1946 at Wilson college, Chambersburg, Pa., will play an organ sonata by Guilman and a piano solo, Romance, by Sibelius.

Negro spirituals, folksongs and a selection from Pinafore by Gilbert and Sullivan will be sung by a chorus of girls. The Misses Vera Goldburgh, Dorothea Hermann, Shirley Korn and Tina B. Rubenstein will usher. Friends of the studio are invited to attend.

The last seasonal meeting of the study club, known as the Keyboard Music Study club, will take place next Thursday evening at 7 at 254 Little street. A contest in solo playing will be held and awards for the year will be made.

Mrs. Akers has requested all members and members of the chorus to be present. She will be hostess in the social hour which will follow.

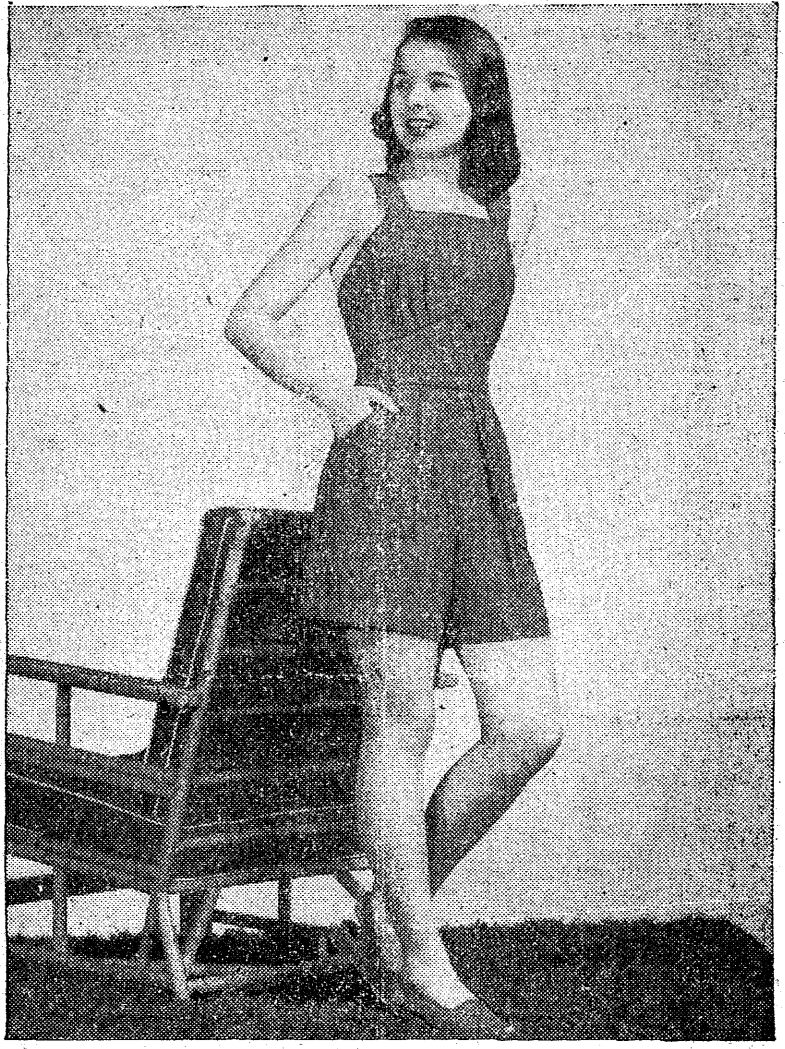

Pupils of the studio who have won the award of merit in the Griffith Music foundation auditions this year are Theresa Boniface, Elmer Korn, Jo-Ann Mohler, Jean Zrike and Mary Elizabeth Whitfield. Auditions were concluded last Saturday. These students of Mrs. Akers will attend the presentation of awards at the Mosque theatre June 17 at 8:30.

CAMPFIRE FOR GIRL SCOUTS

Event Postponed By Weather Will Be Held Saturday At Stadium

Rain forced postponement of the Girl Scout campfire which was to have been held in Municipal stadium Friday evening. The affair will be held this Saturday evening when parents and friends of the girls are again invited to join the fellowship circle around the campfire and witness closing events of all Belleville troops.

Tomorrow evening a court of awards in Troop 6 at Ralph Street school give opportunity for seventeen girls of that troop to receive second class badges from their leader, Mrs. Leo Wysocki.

Formed last December, the troop is sponsored by the school PTA. Members of the VFW auxiliary in Belleville have purchased an American flag which will be presented to the troop. Scout Winnie Bennett, who will receive the flag, will also sing. A skit, embodying scout laws, will be presented.

Besides eleven perfect attendance stars, hostess badges will go to Winnie Bennett, Jean Lundy and Mary Ann Wysocki. Fanchon Sears has earned a bookbinding badge. Other scouts in the troop are Rita Carrissimo, Margaret Geanotte, Irene Miller, Eleanor Sabie, Virginia Russ, Gloria Melchione, Eileen Cunningham, Mabel Kelly, Teresa Long and Beverly Gruelich.

A court was held in Troop 3 Wednesday afternoon at Wesley Methodist church. Mrs. C. L. Cox was awarded a five year pin and attendance stars and cooking badges went to Scouts Gail Camp-

Encouragement To Youth
Pondering gloomily the other day on what is still optimistically referred to as the future, we found ourselves speculating on the nature of the platitudes which the baccalaureate speakers will offer this year to the boy and girl graduates about to step into the unknown. It was in this mood of sour misgiving that we picked up and advance copy of an address which is to be made tonight at the Commencement Day exercises at Kearny High school by Dr. Allen B. DuMont of the DuMont Television laboratories in Passaic. To the Cassandras and the skeptics, we are happy to report that the voice of American opportunity and enterprise still comes strong and undimmed through the gathering night.
Possibly because he himself has suffered from windy graduation addresses, Dr. DuMont is giving his young auditors something different in commencement set pieces. Instead of roseate periods, he will tell them the fascinating story of his own research with the cathode-ray tube, from which Pandora's Box have sprung the forces that already are shaping a vast new industry.
It is a modest enough tale, having its beginnings in nothing more unusual than the preference a young engineering student had for study of the cathode-ray tubes rather than the mathematical formula his professors wanted him to learn. Years later, after having achieved a business success which would have satisfied most men, the student, now grown into a business tycoon, returned to his study of the funnel-shaped glass bulb which had remained for most scientists only a scientific curiosity. That his interest was not an idle one is shown by the fact that cathode-ray tubes are the very heart of and are the foundation stone upon which will grow the giant television.
There is authentic America speaking, restless, curious, resourceful, and for the young graduates who face a world of doubts and strains and discouragements there can come from such a message only reassurance and inspiration.

The Deep Struggle
Hopeful though we are we wonder if the world organization being born in San Francisco will be strong enough to withstand the strains and shocks which are certain to recur from the vast struggle which, gaging beneath the wars of the nations, and, indeed, causing them, will call no truce until one side or the other has triumphed.
We refer, of course, to the conflict between the two great philosophies which are striving for the control of man's destiny. One views man as merely a somewhat minor economic entity, whose end in life it is to be integrated into a machine to produce

and control goods. The other sees him as a being of inviolable dignity, often, it is true, little better than the beasts, occasionally touching the wings of the angels, but always guided and renewed by the fire of the human spirit.
To those who believe in the dignity of man freedom is the most precious of rights. For those others, who envisage only economic man, materialistic welfare is the be-all and end-all of existence. The collision was inevitable and in the conflict there can be no armistice; only unconditional surrender by one side or the other can end it, and all the world organizations devised by man's ingenuity will not abate for a moment the intensity of the struggle.

Farewell To Charms
Out of the rush of words that have depicted for us the nature of the world after the war, it is now becoming fairly clear that, comes peace, we shall not by plumped immediately into that nightmare of slick gadgetry which the advertising writers and the Sunday supplement editors have held up before us as the true presentment of things to come.
This is a relief, for which we all should offer oblations of thanksgiving. War is a horror, without relieving virtue, but the prospect of facing a future compounded of autogiros, teardrop cars and houses built of plastics fills one with dismay at the coming of peace. Life, it seems, however, will go on, with the homely things we love, inefficient, but full of the juices of living.
All except the kitchen. This center of man's life seems destined for swift and cataclysmic changes; indeed, without a hand having been raised in protest, it has been changing for years. And the change has not been for the better.
We don't like the kitchen of today. Not a bit. And with the slick and shiny operation rooms that are planned for tomorrow we'll have no truck at all.
There was a time when the American kitchen was a kitchen, a haven, comfortable and homey, with a big, shin-warming stove, gleaming cooper pans, and a decent chair or two to sit in. And there was the kitchen table of blessed memory, a real table, of size, and girth and importance. Covered with pies, probably, especially after Saturday's cooking. (Apple and rhubarb about this time of year.) Not the metal medicine stand we have today all white and aseptic, rightfully in a clinic. Back of the stove were the woodbox and coal scuttle, full and comforting on a cold winter's night. And when you entered it, the kitchen smelled like a kitchen, prompting you to look around for something to eat. The cookie jar, probably, or a slice of homemade bread, liberally covered with butter and jam.
Now the kitchen is a bijou of tile, sliding panels, disappearing shelves, all compact as a Swiss watch, ready, no doubt, for the preparation of those capsule meals that appear threateningly on the horizon with all the menace of a druggist's pill. Food? One turns forlornly to an icebox, full of celery stalks.
Bleakly contemplating the changes that already have befallen it, one speculates with dire foreboding on what the American kitchen will be like tomorrow, when women will have succumbed to the lure of the last "labor-saving" device and everything will have taken on that final lick of spurious compactness and mechanical glossiness that seem to hold housewives in spellbound fascination.
Not a pretty picture. Not pretty, at all.

Three Brothers Meet Here First Time in Three Years
Kennedys Home From European and Pacific Theatres Have Reunion With Family
Three Belleville brothers in military service had a brief reunion last week—the first time they had been together in nearly three years.
They are Sgt. William H. Kennedy, who served with a bombing squadron of the 15th Air Force in Italy, Ensign James J. Kennedy, Jr., who has seen action in both the Atlantic and Pacific oceans, and Cpl. John F. Kennedy, whose artillery unit fought at Saipan and at Leyte in the Philippines. They are the sons of Mr. and Mrs. Kennedy, of 53 De Witt avenue.
James left on Friday night to rejoin his ship on the Pacific coast. A few hours earlier John came home on a week-end pass from Camp Upton, L. I., where he is recuperating from an illness contracted in the Philippines. William left on Monday night for Port Dix, where he rejoined his bombing squadron preliminary to undergoing retraining at Camp Fairmont, Neb. for duty in the Pacific area.
On two occasions James and John were within a mile or two of each other on the other side of the world, neither knowing of the other's nearness. James' ship was in the action at Saipan. He did not know his brother, John was engaged ashore, as he expected to meet him at Hawaii. At Leyte James made inquiries as to the whereabouts of his brother's artillery unit and was told John was on another part of the island. Instead, Jack was on the beach within a mile of James' ship.
In New Guinea Hospital
Jack became ill and was evacuated to a hospital on New Guinea on March 3. The next day, his birthday, his unit left to take part in the action on Okinawa. He was transferred to the Letterman General Hospital, San Francisco. While in San Francisco he and other convalescent service men were guests at the Stage Door Canteen, where they were served with refreshments by Lana Turner and other Hollywood notables. He came home Wednesday on a fifteen-day medical leave.
James was assigned to duty in the Pacific after his graduation from the U. S. Merchant Marine Academy, King's Point, L. I. in January, 1944. While a cadet midshipman at the academy he served at sea principally in the Atlantic

and saw action in Africa and Asia. His ship was torpedoed in the South Atlantic while it was returning to New York. At the academy he was elected detinator of the Tin Fish club, an organization of cadet midshipmen who served on ships that were torpedoed. In the Pacific his ship was in action at Iwo Jima and Guam as well as at Luzon and Leyte.
William served at camps in Georgia, Tennessee, Ohio and North Carolina before going overseas. One of the first men he met at his new post in Italy was a friend, Lieut. Joseph McGreevy of 15 Cleveland street. The unit returned to this country shortly before V-E Day and all the members were given thirty day furloughs before their retraining period.
CANNING CLINIC
JUNE 11 AND 12
Sponsored By Public Service And Other Organizations, It Will Be In Newark
"You can forget ration point worries as far as vegetables and fruits are concerned. If you will stop on quick freeze the products from your Victory Garden," says Mrs. Eleanor V. Wiese, Home Service Consultant, Public Service Electric and Gas Company, Newark.
A Canning Clinic is being held on Monday and Tuesday, June 11 and 12 from 10 a.m. to 4 p.m., on Monday evening, June 11 from 7 p.m. to 10 p.m. at the Public Service Terminal building, 30 Park place, Newark, on the sales appliance floor and in the home economics kitchen.
Four organizations are sponsoring the two-day clinic: Extension Service under the direction of Mrs. Margaret Shepard, assisted by Mrs. William G. Morrison; Newark Chapter American Red Cross Nutrition Service, Mrs. Frank S. Edwards, chairman Newark Defense Council, Mrs. William H. Milken, chairman of the Community War Services and Public Service Electric and Gas company represented by Mrs. Eleanor V. Wiese, Home Service consultant, Newark office. Representatives of these organizations will be present to answer questions and give help.
Technicolor Movies
An interesting program has been planned. Technicolor movies will be shown each morning at 11 a.m. "Canning the Victory Crop" and "Frozen Food—How To Prepare, Package, Freeze and Cook". A canning demonstration of fruits and vegetables, showing all methods of home canning will be given at 1:30 p.m. each day and Monday evening at 7:30 p.m., by Mrs. Eleanor V. Wiese.
Homemakers will have an opportunity to have the gauges on their pressure cookers tested. It is of utmost importance that they be tested every year since an inaccurate gauge will cause unsatisfactory canned products. Only the weight-type gauge is exempt from the necessity of yearly testing. It is suggested that the pressure cooker lid with gauge attached be brought to the sales floor for checking.
A Victory Garden display with information on the control of pests and suggestions for a better garden will be shown. This exhibit is offered by Ray Harmon, agricultural agent of the New Jersey Department of Agriculture.
There will also be a display of canning equipment including boiling water baths, pressure cookers, various kinds of jars and enclosures, freezing material and jars of home canned foods.

Miss Ruth McLaughlin, daughter of Mrs. George McLaughlin of 137 Forest street, was one of the six members of the winning team representing The Washington School For Secretaries of Newark in the 24th Annual Gregg Short-hand Contest.
In this Contest, which was held at the Hotel Pennsylvania in New York, on Saturday, May 26, were teams representing New York City public high schools, suburban high schools, parochial high schools, and private business schools and colleges. These teams competed for the plaque which is awarded to the school attaining the highest degree of efficiency in writing shorthand at the rate of 120 words per minute.
By winning first place for the third consecutive year, The Washington School For Secretaries is now made the permanent winner of the plaque. In addition to the team award, an individual award of a bronze medal was won by Miss McLaughlin for her individual achievement on the test.
Miss McLaughlin was graduated from Belleville High school in June, 1944.
Miss Ann Kelsall, Wilson College senior and daughter of Mr. and Mrs. George A. Kelsall of 70 Preston street, Monday was cited for academic achievement at Wilson during the second semester of the year that closed May 28 with Commencement.
Miss Kelsall, who is making music her field of academic concentration with Spanish as an allied subject, is among the twenty-six members of her class who have been named to the honor list by Dean Mary B. McElwain. At Wilson such citation is not only a recognition of high scholastic rank but it also entitles a student to the privilege of assuming responsibility for her own class attendance.
James Robert Jackson, son of Mr. and Mrs. R. M. Jackson of 2 Lloyd place, was elected vice-president of the third form at Montclair academy for the coming school year by his class mates. Jackson has been active in sports this year and was awarded his letters at the sports assembly in basketball and baseball.
Arthur West Hyde, son of Mr. and Mrs. Elmer S. Hyde of 45 Rossmore place, received two varsity letters at the sports assembly for his participation in baseball and basketball.

In these days the homemaker is faced with the problem of making a limited meat supply go as far as possible in providing appetizing dishes for the family meals. Many ideas have been worked out to help solve this problem. The above table shows easy and practical methods for extending four different cuts of lamb—ground lamb, lamb shank, lamb breast, and lamb shoulder. Other lamb cuts may be similarly utilized, and various cuts of beef and pork offer still further possibilities.

He can't ask you now!

... He's an American hero. After fighting bloody battles in the Pacific, he was home on leave two years ago.

... You may remember seeing his picture. His name is John Basilone, Marine Gunnery Sergeant. He traveled all over America, urging every American to buy more bonds.

... He said: "You don't know—you can't know—how much it means to the boys out there when they hear the folks back home have just put another War Bond Drive over the top."

... They gave him the Congressional Medal of Honor and offered him a commission. He didn't want it. "I'm a plain soldier," he said. "I want to stay one."

... Well, he stayed a plain marine—like Joe and Bill and the fellows down the street. He *can't* ask you to buy *bigger* bonds during the Seventh. He was killed a few weeks ago

on Iwo, just after he had led his assault team to the edge of an airfield we needed desperately.

... We can't let him and all our other fighting heroes down. Remember, last year we had two War Loan Drives by this time. The Seventh is our personal call to arms—two drives in one. That's why our quota is large.

... We must meet it—we *will* meet it—for the hero of Iwo—for Victory—for pride in America.

HERE'S WHAT UNCLE SAM WANTS YOU TO DO:

Bellevillites In Uniform

Sgt. Frederick W. Faas of the Army Air forces is at the home of his parents, Mr. and Mrs. Julius Faas of 160 Belmont street on a thirty day furlough from England where he has been stationed with the Eighth Air force for fifteen months.

His wife is the former Miss Jane Zipf of Cedar Grove who has made her home with her parents in his absence. The couple have a 23 months old daughter. Sgt. Faas was a junior student at Villanova college in Pennsylvania when he entered service.

Ensign and Mrs. Howard F. Gorman are also at the Faas residence for a ten day leave. Mrs. Gorman is the former Miss Margaret Faas. Ensign Gorman, USNR, is stationed at Camp Perry, Va. where he is physical fitness officer in the disciplinary area. He completed overseas duty eight months ago.

Reunion of two Belleville servicemen occurred on one of the Aleutian Island Navy bases when George A. Fitzsimmons, Fireman 1/c, of 590 Washington avenue had a thirty minute conversation with John Tully, Seaman 1/c, of 143 Bell street.

Seaman Tully, who is a member of the Armed Guard on a troop ship, visited the general store in the Aleutian port and while standing in line to make a purchase felt Fireman Fitzsimmons touch his arm.

Fitzsimmons is the son of Mr. and Mrs. George Fitzsimmons; Tully, the son of Mr. and Mrs. James Tully.

Promotion to the rating Storekeeper 2/c came to William Henderson of 136 Rutgers street in April. He is stationed in Hawaii where he has been based for fifteen months.

Mr. Henderson is the son of Mrs. Robert Henderson. He was graduated from Belleville High school in 1943 and entered the Navy a month later. His brother, Robert, is in the Army and is stationed in Maryland.

Yoeman 3/c Daniel A. Serritella

Yoeman 3/c Daniel Serritella has been promoted recently to his present rating in the South Pacific where he has been stationed for the past nine months. He previously spent three months in Atlantic waters after advanced training at Norfolk, Va.

Yoeman Serritella enlisted in the Navy while a senior at Belleville High school in December, 1943. He is the son of Mrs. Daniel Serritella of 120 Franklin street and the late Daniel Serritella. His mother received his High school diploma when his class was graduated in 1944.

Sgt. Ralph P. Lilore, of 22 King street, has been promoted from corporal to his present grade while serving with the 397th Infantry of the 100th Division in Germany.

The local soldier's unit is a part of the victorious Seventh United States Army commanded by Lieut. Alexander M. Patch. The first American Army to taste combat in World War II, the Seventh was born at sea on D-1 of the Sicilian invasion. After sweeping the enemy out of Sicily in 37 days of hard, fast fighting the Seventh became the Mystery Army of the European Theater until revealing its power in the invasion of Southern France.

In addition to the tremendous toll of prisoners taken elements of the Seventh Army also liberated thousands of Allied prisoners of war when they overran German prison camps. Among the world famous personages liberated were Leopold, King of the Belgians, his Queen and family, and Edward Daladier and Paul Reynaud, both former French premiers. On the other side of the ledger the prisoners of the army include Herman Goering, Reich Air Marshal, Field Marshal Albert Kesselring, commander in chief of the Western front and his predecessor, Field Marshal Gerd Von Rundstedt.

Two Belleville bluejackets have arrived at the Naval Training Station, Norfolk, Va., to undergo training for duties aboard a new destroyer of the Atlantic Fleet. They are Kenneth Andre Potis, seaman, second class, and Fabio Gus Pellicoro, seaman, second class.

Potis, son of Mrs. Charlotte Potis of 64 Hornblower avenue, was employed by the Bart Laboratories before enlisting. He attended Bloomfield Vocational school in Bloomfield. Pellicoro is the son of Mr. and Mrs. Nicholas Pellicoro of 13 Hechel street. Before enlisting, he was employed by the Isolantite corporation. He attended Essex County Boys' Vocational school.
