

Red Cross Blood Donations Fall Far Below Quota Set

Low Registration And Summer Colds Blamed For Shortage In Bank By Local Chapter Authorities

Although the heat and mid-week holiday did not deter 176 persons from reporting to donate blood at the high school in Saturday's Red Cross blood bank, only 157 pints were taken causing the local chapter to fall 23 below its quota of 180 pints. This is the greatest shortage so far known here.

Chapter authorities have pointed out that registrations for the bank were low and that there were not sufficient donors to take up the slack when many had to be rejected for summer colds or be absent from their offices.

Among the donors, however, were some who have given blood as many as eleven times; one donor, fourteen times. Less than 15 percent appeared for the first time; most of the remainder had contributed three or more times.

Those who became members of the Gallon club and received red ribbons to attach to their silver pins, awarded after their third donation, were Mrs. Edna M. Taylor, Mrs. Frieda Tilkkin (nine donations), Mrs. Magdalene Moroz, Mrs. Winifred Tucker, Mrs. Morris McElligott and Mr. and Mrs. Joseph Hittov.

Closest to the 2nd Gallon mark is Paul Brandman, donor of the fourteenth time. Other candidates are Dr. George Kaden, Mrs. Evelyn Hamilton, Mrs. Margaret Dougherty, Miss Gene Cox and William Engelmann.

Gallon clubbers after their next donation will be Mrs. William Liebart, Mrs. William A. Kant, Mrs. William Loeffler, the Misses Isabella Armstrong and Lieselotte Goettfert, Fred Fox, Alexander Derbyshire, James Fietag, Donald Peabody, Cyrus L. Cox, Frank C. Pesvey, Minard Womelsdorf and William Gray.

Canteen corps, Nurses' aides, First Aids unit, Motor corps, staff of First Aids and Boy Scout troops 301 and 388 assisted the blood donor committee.

Six time donors Saturday were: Mrs. Mary Ward, William Kreck, Mrs. M. on Edman, Mrs. Edna Sully, Mrs. Dorothy Stillinger, Mrs. Helen J. Rogers, Miss Marjorie Gardner, Miss Patricia Christman, Mrs. Lillian Metcalf and James Gachery.

Mrs. Fred Fox, Dr. Albert Mandell, Mrs. Dorothy Banta, Robert Doyle, Mrs. Ann Kehoe, Mrs. Helen Miller, Mrs. Ann Ziegler, Mrs. Harvey Thompson, Stanley Bertram, Mrs. Dorothy Dunn, Mrs. Jennie Ruggiero, Sidney R. Grant, and Miss Elizabeth Crane have donated five times.

The truck, for which Commissioner King, director of public safety, has announced the appointment of John D. Ukson, 31, of 65 Fairview place, recently discharged war veteran, as a special officer in the town police department. Ukson was sworn in as an officer last Friday by Town Clerk Florence Morey, and began his duties on Saturday.

The appointment was made to fill the vacancy left by Michael Dacey, who resigned last week to enter business in Belleville, Commissioner King said. Strength of the force now stands at 36, with three additional members in military service. Of these, four are temporary appointments under a rule that no permanent appointments will be made during the war.

Officer Ukson was educated in the Scranton, Pa., schools and came to Belleville in 1930. He applied for a position on the local police force in 1936. A veteran of nearly five years military service, three of which were overseas in the European theater of war, Ukson recently received an honorable discharge under the army points system for separation.

Under Eddie Rickenbacher Ukson enlisted in the army corps in November, 1940. He took up aviation mechanics, and instructed aircraft armament at Ft. Wayne, Indiana, until he went overseas in June, 1942. As a light chief in the armament section of Col. Eddie Rickenbacher's famous "Hat-in-the-Ring" squadron of the 15th air force, Ukson took part in the landing at Oran, North Africa, in November, 1942.

He participated in the Sicilian invasion and later in the invasion of Italy, where his group was outstanding for low-level attacks on Foggia. The unit moved into Southern France with the start of that invasion and operated as air support for the ground forces working up through France into Germany.

Wearer of six overseas service stripes for his three years in the European theater, Ukson has been awarded the Good Conduct medal, the American defense ribbon, the American theater ribbon, the European theater ribbon, and the Hat-in-the-Ring pin, which was presented to him by General Curtis. He also wears the Presidential Unit Citation with two oak leaf clusters, which were awarded the group for outstanding service in the invasion of Southern France, the bombing of the Ploesti oil fields in Rumania and their low-level attacks on Foggia, Italy.

In all, Ukson wears nine battlestars for participating in the North African, Youke Les Bains, Sicily, Italy, Foggia, Rome-Arno, Southern France, and Ploesti action, and the air invasion over Germany. He returned to the United States on May 20, and was honorably discharged with 197 points on May 31.

TOTAL QUOTA MET BUT E BONDS LAG, Drive Coordinator Makes Semi-Final Report On 7th War Loan Figures

A semi-final report of overall E and bond sales in Belleville during the Seventh War loan was made yesterday by drive coordinator, Ronald G. Brunner who reported that July 6 totals were \$4,265,273.75, overall, and \$1,224,275.75, E bonds.

The overall figure represents a 6.6 percent excess over the town's quota of \$4,000,000. E bond sales in Belleville have reached 87.4 percent of the quota of \$1,400,000. Mr. Brunner expects final figures will bring the E bond sales up to 90 percent of quota. State returns are now running at slightly over 80 percent of the quota.

Sources of E bond sales throughout the town have been payroll deductions, sales in banks and the post office, house to house canvases, by air, raid wardens, school sales, Boy Scouts and other organizational enterprises.

Included in the latter during the Seventh loan have been \$30,504 E bond sales by the Belleville Craftsmen's club which has held several rallies during the drive. James R. Lampman is club president.

Approximately \$5,400 was raised last weekend when Mr. Brunner made a canvass of the town in a Coast Guard sound and will be completed next week. Details on plans and specifications will be available then.

LATE JUKE BOX CASE BROUGHT BEFORE TOWN

Neighbors Complain Of Loud Music Played In Washington Avenue Tavern

What time at night should the music on a juke box stop? That was the question put before Belleville town commissioners Tuesday night in their pre-meeting conference and caused considerable discussion before the matter was laid over until the next meeting, provided the parties concerned could not come to some agreement in the meantime.

Attorney Jacob Zimmerman, representing Mrs. Gertrude Greaves, Harry and Frederick Greaves of 172 Washington avenue, appeared before the board to complain about the loud playing of the juke box in a tavern operated by Nicholas and Anna Gutch at 170 Washington avenue. Greaves contended the music box played until the wee hours of the morning and kept him awake.

Listing the time that the music was turned off on a series of nights, Zimmerman stated the time was satisfactory for three nights following a complaint in June, but that then the noise flared up again and the box was kept running until nearly two o'clock. He asked that a restriction be placed on the liquor license of the tavern calling for shutting down the music box at midnight.

Gutch appeared in his own behalf and said he was willing to go to almost any length to satisfy Greaves, provided he could be satisfied. He asked that no restriction be placed on the license or the music box and requested an additional trial period during which he would turn down the volume of the music to a point where it would no longer annoy his neighbor.

An Old Situation Commissioner Waters stated the whole question had come up before when the tavern was under different proprietorship. He maintained that unless some restriction was placed on the license the condition would continue to come up and he recommended that Gutch be ordered to close down the music box at midnight.

Commissioner King asked if Gutch were willing to close down the music box at midnight. Gutch replied that to do so he might just as well close down the entire business.

Discussion continued until it was recommended that the matter be laid over until the next meeting and that in the meantime Gutch is to turn down the music after midnight to a point where it will not annoy Greaves. Mayor Williams instructed Greaves to issue a complaint to police if the music was too loud during the probation period and then police would order the box turned off nights at midnight until a hearing could be held at the next commission meeting.

All-night Parking Complaint Aubrey I. Armstrong of 107 Carpenter street appeared before the commissioners requesting that they enforce the town ordinance against all-night parking in the streets and stop the residents in the Corbin Garden apartments from parking their cars along Carpenter street all night. Armstrong complained that a big truck has been parked in front of his home regularly.

The commissioners decided to invite the owners of the apartment building to the next meeting when a hearing on the complaint will be held.

FORMER ATHLETE GETS TO BERLIN

"Red" Wille Active As Tank Driver In Hell On Wheels Division

Private First Class Robert C. Wille, well-known in Belleville scholastic sports circles before he entered the army, was one of the first Americans to enter Berlin, according to word received this week. A member of the famous "Hell on Wheels" tank division, Wille entered Berlin on July 3, when Americans were allowed to enter the German capital.

The son of Mr. and Mrs. Paul Wille of 137 Carpenter street, "Red" Wille was inducted in the army on February 10, 1943, while a senior at Belleville High school. He received his high school diploma in absentia in June. Previously he attended No. 10 school.

At Belleville High school he played three years of varsity football and also was a pitcher on the baseball team.

Sent overseas after 13 weeks of basic training, "Red" saw action in Africa and took part in the Sicilian invasion. As a driver and an assistant driver of a General Sherman tank, he aided in the "Hell on Wheels" division's push through France, Belgium and Holland and into Germany. With 26 months of combat service, he wears six battle stars.

The entire division recently was awarded the "Croix de Guerre" as a mass citation from the Belgian government in the first award of its type made by that government.

A brother, Cpl. Albert Wille is in the Air Corps as a ground crew member of a B-29 unit. He is sta-

GIRL SCOUTS GO CAMPING

19 Local Troop Members
Comprise Contingent
At Kin-Ly-Spec

Opening of the eight-week camping period for Girl Scouts in South Mountain reservation last week found nineteen Belleville scouts encamped at Kin-Ly-Spec, Belleville cabin. Four groups of girls will be accommodated there for two week periods until the end of August. The camp is under the direction of Miss Elizabeth Bardagjy, Belleville Girl Scout executive.

A luncheon hike to Washington rock and an evening get-together with scouts from other cabins in the reservation marked Fourth of July. Belleville scouts contributed a group of service songs to the evening program after which they were tendered a surprise patriotic party by their counselors.

Two patrols have been established for the camping period. The Eagles, counselled by Miss Muriel Ruemmler and her assistant Patsy Maginnes, are Effie Lou Boyd, Mary Elizabeth Whitfield, Jane Rhoades, Polly Kelly, Evelyn Lenahan, Maryann Wysocki, Bevely Gruehlich, Arlene Cohen, Joan Gentaume and Grace Munch.

The Morning Star patrol is headed by Miss Patricia Bull whose assistant is Marion McTiernan. Judy Gray, Louise Austin, Elizabeth Groerer, Nest Ruth Garland, Peggy Kelly, Gail Livingston, Roberta Platts and Suzanne O'Brien make up the group.

At a get-acquainted campfire during their first evening in camp the Eagles dramatized "The Cannibal King" and the Morning Star patrol presented "Johnny Appleseed." Folk dancing and exploring hikes filled the pre-holiday period.

After the fourth of July the scouts turned their attention to the major programs which will dominate their activities for the remainder of the two week period. The Eagles have been assigned to shadow puppetry, the Morning Star scouts to the establishment of a nature museum for permanent use at the cabin.

Outdoor Work

In both cases the girls will gather materials from the woods for their work in line with the camp as self-sufficient as possible. Scout interest groups which have been offered the girls include map making, insect study and collection and arts and crafts. Again, sources of these occupations are the objects found on hikes through the reservation.

The girls prepare meals in true outdoor fashion and also have housekeeping and beautification of the cabin and grounds to accomplish. A typical Saturday night program is a barn dance. On Sundays parents may visit from 2 to 4.

The counselors are university students with camping training and experience.

Local Activities

Here in Belleville twenty members of Troop 5, sponsored by the Silver Lake community house, spent yesterday at Rye Beach with their leader, Miss Carmela Fahl and Mrs. Martha Herkins, director of the house.

Navy Repeats Directive On Mailing Periodicals

With thousands of newspapers
and magazines being refused the
mails, headquarters of the Third
Naval District has reiterated its
warning that publication ad-
dressed to personnel of the Navy,
Marine Corps and Coast Guard
will not be accepted for mailing
unless proof is offered that the
addressee has asked for the pub-
lication.

The new regulation, introduced
because of the tremendous in-
crease in mail going to the Pacific,
was announced June 21 as effec-
tive July 1, but apparent
ignorance of the ruling has
prompted the new warning from
the Navy. The announcement
emphasizes that the regulations
apply to all newspapers and ma-
gazines submitted for mailing to
men in the three services. Persons
wishing to send newspapers or

magazines second class must show
a written request from the ad-
dressee for each publication. If
the publications are sent first
class, the announcement said, they
are limited to eight ounces.

TOKYO KNEW ABOUT THE B-29 BEFORE YOU DID

Captured evidence reveals
that the Japs knew the story
six months before most
Americans knew it existed

In far-away Burma, early in 1944—
long before the B-29 became front-
page news at home—long before our
own forces in China and in India were
notified to expect this great super-
bomber—came news of its existence—
uncomfortably accurate technical de-
scription—positive facts as to pro-
posed bases... from the JAPS. It was
all in an official bulletin of the Japanese
Army found among the papers
captured in a Jap stronghold in Burma.

This was not information obtained
by the enemy through air reconnais-
sance or the capture of prisoners or
official documents in combat—it was a
leak of supersecret information right
out of this country, transmitted di-
rectly to the High Command in Tokyo.

What did Tokyo do with this infor-
mation? What action did they take?

What did it mean to our Chinese allies
and our own troops? It is significant
that shortly after they obtained this
information the Japs mounted a new
offensive in China and set out to cap-
ture the specially constructed air fields
built by hand by the Chinese people
for the heavy B-29s. Months of labo-
rious, back-breaking labor of thou-
sands of Chinese workers were sacri-
ficed by demolition in a heart-break-
ing few hours in the retreat before the
onslaught of the attacking Japanese.
Stores of precious gasoline—parts—
and other scarce hard-to-get stores
flown at great risk over the famous
"Hump" were put to the torch. A ter-
rific set-back—an almost unendurable
discouragement.

We must keep our secrets. The best
way is to keep quiet.

An Enterprise For Youth

An item came to light through the Yesterday in Belleville column of this week's Times-News which might well be repeated and discussed in these days of shortage in odd job workers. It is with the hope that perhaps some similar organization might be formed as was five years ago, and with as great success, that attention is called to the idea here.

In the July 4 issue of the Belleville News in 1940, an editorial entitled "Student Employment Bureau" appeared, pointing out that there were many boys about the town who would be spending the summer vacation in the town and that their time would be spent much more profitably and less mischievously in working at odd jobs. There was a great need for workers then to do such jobs as mowing lawns, clipping hedges, running errands, washing windows, cleaning, and similar occasional work. The editorial called on some enterprising boys in the town to line up the jobs and line up the workers, then put them together.

Two local boys, Ted Metz, then 17, and Art Hirtler, then 15, took up the challenge and the Belleville Student Placement Service was formed. The head of the local employment agency, Arthur E. Mayer, offered his full cooperation without compensation in order to keep the boys within the law which governs the licensing of agencies in the state. The enterprise was far more successful than was originally believed possible. The service was not terminated at the end of vacation, but was carried on into the fall school session to the relief of many local employers. The placement service was not only a profitable enterprise monetarily, but was also a valuable lesson in business for the two boys.

Today the shortage of odd job workers is even more acute than it was five years ago. The same type of work still needs to be done. Also, travel restrictions are keeping more boys in town this year, who ordinarily would be going to the shore, the lakes or the mountains. Several have already inquired about odd jobs at the Times-News office. It is reasonable to assume that the same sort of capable and authoritative supervision can be obtained to keep such a placement bureau within the bounds of the law.

All that is needed is the energy to locate and list the places where workers are needed, and to locate and list the boys who are looking for work. It would be a fine public service as well as an interesting enterprise. Here is another challenge to the youth of Belleville.

Rusty Democracy

Foreign ways never fail to fascinate. The imperturbable patience of the British while the results of their national election lie in escrow for three weeks after election day is something beyond the comprehension of Americans accustomed to staying up on election night for the definitive word of victory or defeat.

This British phlegm may be admirable, but we prefer American impatience. We doubt if our election officials are any more dishonest than the authorities guarding the

British ballot boxes, but who is the American who would not suspect the results of an election conducted under such conditions?

Impatience and suspicion become virtues in a democracy, and there are evidences that this alertness has given our democracy a vitality which the British system lacks. The long lapse between elections — this is the first held in England in ten years — apparently left the British campaign machinery rusty and obsolete. Trained party leaders were lacking, preparations for the canvass were woefully inadequate by American standards, the handling of the crowds, the projection of the issues, the neglect of radio as an electioneering instrument — these and many other things showed that Britain has allowed its democratic techniques to deteriorate.

One thing the British campaign had in common with ours. It was dirty. Issues were ignored, while personalities, red herrings and barefaced deceptions filled the air with dead cats. And when it came to electioneering the Olympian Mr. Churchill showed he could get right down in the gutter and brawl like a Clydeside navvy. No matter where they live, apparently, politicians still believe in the efficacy of bad manners.

Radio No Substitute

In its brief life radio has made giant strides as a purveyor of news, and that it is supreme in sheer speed of transmission of important information cannot be denied. Nevertheless that radio has a long way to go before it equals the daily newspaper as a mirror of the world's life is proved anew by the absence of metropolitan newspapers. For one newspaper reader, at least, the last two weeks have given the world outside of Belleville, a remoteness and unreality that it hasn't had since the day he spelled out his first headline.

Some of this feeling doubtless is caused by a break in daily habits. Most Americans have the newspaper-reading habit, and the absence of their favorite paper causes a gap in their lives. The printed word, too, has a quality which the spoken word can never have. Ephemeral as the newspaper is, it is less fleeting than the voice from the radio. The printed word can be re-read and studied; details can be absorbed; the news is seen in relation to other events; one can dwell on the important and interesting, ignore the dull or trivial. The reader has a free choice in the Vanity Fair which makes up the world's news of a day.

With the radio, however, the news of the world is compressed into brief five- or fifteen-minute periods. One hears only the headlines, and moreover only those headlines permitted in a brief span of time. If the newspapers are guilty of shallowness and of ignoring the deep-lying causes of the events they record, how much more true is this of radio, which, imprisoned in the iron framework of the hours, can give only brief moments to the news?

Beyond these limitations of the media, however, lies the difference in the efficiencies of ear and eye. The eye is the greater organ. Things seen have sharper, more lasting, impact on the brain than words heard. The memory is full of scenes, of voices almost empty. The eyewitness is more credible than hearsay. This, it seems to us, is the measure of radio's inadequacy.

Possibly those who keep their radios turned on all day stay abreast of the world's happenings. We doubt it. Indeed, such people have always impressed us as those least interested in news. To us anyone satisfied with a bare radio announcement is a dull fellow who just likes to hear noise. Invariably we've found that he'll turn off the news for some equally barren swing music and not notice the difference.

LOCAL CYCLISTS RUN SPRINTS

Ed Littig, Prominent In State Meet, Grabs Half-Mile Heat

Members of the Belleville Bicycle club held their half-mile sprint championship run at Brookdale park last Sunday with Ed Littig, local speed peddler, winding up in front spot. Chuck Wille managed to grab second place, while his brother Bud, in the U. S. Navy, came in third. Henderson trailed.

Two weeks ago at Brookdale park, the New Jersey State championships were begun, and

in the two events of June 24, Littig led the field for highest point standing that day. However, Littig lost out in the heats of July 1 by being disqualified and the runner-up of the previous week, Vincent Menci of Somerville, coasted in to become the state cycling champ. Chuck Wille and Joe Arnot figured third and fourth respectively.

Traffic was reported light and temperature reasonable on the club's run to Singac following the half-mile meet Sunday. Road Captain Bob Arnot re-routed a straying Nutley wheelman, New Jersey Junior Champ Don Sheldon, to the better sites for summer cycling. The club reported many swimming opportunities on this run.

Next Sunday the mile sprint will be held at Brookdale park, beginning at 8:30 a.m. Littig is

holder of the honors going into the meet.

Radio Service Introduces Full Line Of Recordings

Michael Sullivan, proprietor of the Belleville Radio Service at 569 Washington avenue, announced this week he is expanding his business to include a full line of popular and classical records. Previously the business was confined to repair facilities.

The line introduced contains latest records of the four major recording companies, Sullivan said, and new recordings will be available at the store as they are released.

LETTERS

The opinions expressed in this column are those of the authors of the individual letters, and do not necessarily reflect the opinions of the publishers or editors of The Times.

Answers Mrs. Herkins Letter

From Ralph Risoli, Silver Lake Resident.
To the Editor of the Times-News:
There is an old saying that when a person is at the same thing too long they become stale and cannot understand other person's thoughts or respect other's ideas. And when this happens they act rashly and recklessly towards these persons even to the extent of throwing them out — That is if they do not agree with and play ball. That is just what has happened to Mrs. Martha Herkins, Director.

If I may, I would like to call her attention to this one fact. At the time of the fire that she mentions, I was instrumental in filing with our Board of Commissioners, the first protest, long, long before Mrs. Martha Herkins present her much belated protest, in connection with the fire mentioned. And in presenting this protest, I did not solicit funds from my neighbors and life long friends. Not a penny.

If it is true as she states that she always had the safety, the health and the good welfare of the residents of the Silver Lake section, at heart, she did not have to wait for this fire to commence filing protests. There are conditions that have existed for a long time, yes, even exist today, present in the Silver Lake section that are not for the best safety, health or good welfare of the lifelong friends she mentions. For 13½ long, long years she had not bothered to take steps to eliminate these conditions, the source of which she well knows, as well as the residents. Why has she closed not only her eyes but also her ears and her nose to these conditions and her source? What a shepherdess to take care of her flock and wards.

But Now, Mrs. Martha Herkins, Director, is indulging in use of personal adjectives and rask accusations. Is the Kettle vainly trying to call the pot black?

Again, I say, that if she was a sincere and genuine friend of the residents of the Silver Lake section, that Mrs. Martha Herkins

should have never permitted the "Notorious" and "Criminally infested" allegations to be brought before the attention of the public so long afterwards so that children in schools can pick it up and throw it into the teeth of the other school children, of the Silver Lake section. Because it is a matter of common knowledge that these conditions existed generally throughout the entire country because of the prohibition law and not restricted to the old goat, the Silver Lake.

If Mrs. Martha Herkins comes into the scene as a "Daniel" so that she can pass judgement upon those who do not play her brand of politics.

Mrs. Martha Herkins, you owe an explanation as to the 17,000 attendance record. You know there are not 17,000 persons in Silver Lake section. There are not 1,700 people in the Silver Lake section.

If Mrs. Martha Herkins has tried her best, she should let her record stand as it is. As for my own and future record, I shall always leave that to others not to myself to state.

TWO ACCIDENTS OCCUR SUNDAY

One Person Injured In Washington Avenue Mishaps Of Weekend

Two accidents in Washington avenue Sunday, causing injuries to one person and slight damage, were investigated by Belleville police.

Shortly before 7:45 Sunday morning, Frederick Brower, 42, of 360 Greylock parkway, was driving south in Washington avenue and apparently fell asleep, police said, crashing head-on against an iron Public Service pole. Brower was taken to St. Mary's hospital, Passaic, where he was treated for possible fractured ribs and bruises on both knees and released. Police issued a summons to Brower to appear in police court on July 18.

At about 10:45 in the evening another accident occurred when a Clenden State bus, operated by Claude W. Slater of 23 Ligham street, attempted to turn left in Holmes street. Police reported the bus was struck by a car owned by Mrs. Jennie Zimbarlo of

ANTHONY'S WINS IN CYO LEAGUE

Catholic Youth Competition
Opens With Victory Over
St. Peter's Aggregation

In their first activity in CYO competition St. Anthony's CYO of Silver Lake met the St. Peter's CYO baseball team at Branch Brook park last Sunday and defeated them 5 to 2.

In a fast game all the way, Tom Cuomo, on the mound for St. Anthony's, allowed three scattered hits. Merwin Cook pitching for St. Peter's gave six hits and drove in the two St. Peter runs when he hit a triple in the third inning.

George Lister of St. Peter's hit a triple out to center field in the second inning. Tony Dambola threw it in after fielding it and Lister who had hesitated at third was put out going home.

St. Peter's scored their only runs in the third inning. Paul Mays walked. Ray Howell singled. Cook then got up and with two men on he slugged out a triple. Cook took a chance on going home when he rounded third but was tagged out when he slid in.

Joe Cancellieri first man up for St. Anthony's in the fourth inning got a single, then stole second. Joe Patuto got a hit and Cancellieri came in to give the first run for the Silver Lake team. Patuto was put out at third, Frank Galante struck out and Cuomo fled out.

In the fifth inning Ferriola walked and stole second. Dambola got a walk to put two men on the bases. Dick Nandone then came to bat and hit a double to clear the bases. He himself was put out but he had driven the runs which put St. Anthony's in the lead — 3 to 2.

In the sixth inning Cancellieri, first up, hit a single and then Joe Patuto tripled to bring home Cancellieri. Galante struck out for the first out. Tom Cuomo sacrificed and Patuto came in for run number five.

In the last half of the seventh inning St. Peter's made a threat to score but were unable to do so. George Lister went to first through an error. He was put out when Leichter got to first on a fielders choice. Paul Mays walked. With two men on things looked bright, but Ray Howell flied out and Merwin Cook struck out for the third out. Final score was 5 to 2.

Next Sunday the St. Peter's team will meet St. Thomas of Bloomfield at Branch Brook Park Extension at 3:30 p.m. St. Anthony's will meet St. Mary's of Nutley for their next league game. All CYO league games are played at the Branch Brook Park Extension.

When Youth and Old Age Battled It Out

HERE'S HOW YOUTH AND OLD AGE lined up at Clearman field on July 4, when the Belleville stars of days gone by showed they still have the stuff needed to win ball games. In the top picture, the old timers are: Front row—"Champ" Juliano, Ed O'Neil, Tom Dunn, Mike Hardaway, Charles Schlecker, Dan Dunn, Harry McCarthy, Marty Mallack and Louis Blekiski. Old Timers Trim St. Peter's In Fourth Of July Classic

Local Stars Of Olden Days Take Juniors 12 to 1 In Clearman Field Game

The "Oldtimers," wearing tight and moth-eaten uniforms and showing no mercy at all on the pride of today's baseball youth, held a field day on July Fourth and thoroughly trounced St. Peter's CYO. In a game that was a scorekeeper's nightmare, the stars of days gone by romped over the youngsters, 12 to 1.

The Stands at Clearman field were crowded with fans who were anxious to see the stars of a decade ago perform once more. When the game started they were all for the "oldtimers," but as the game went on the underdog youngsters gained a good following. The game was umpired by "Bun" Derbyshire, "Doc" Hood and Leo Jackson.

Mike Hardaway was the first moundsman for the oldtimers, with Gene Gelschen behind the plate. No runs were scored in the first or second innings. The fireworks started popping in the third, while Bill Hickman was in the box.

"Sugar" Flynn came to bat and hammered out a double to right field. Jimmy Dunn drove a single to left and Marty Mallack, who had gone to first on an error, came home for the first score of the game. Hardaway walked, Kappler hit safely for a single and then Eddy O'Neill singled so that Flynn, Dunn and Hardaway came

in to put the oldsters ahead of the CYO, 4 to 0.

"The youngsters tried vainly to score in their half of the third. Buckey McConnell and George Lister bunted safely and were in position to score. However, Costenbader, catching for the old men, took a throw from the field and tagged McConnell when he tried to score on Howell's fly to left field. Lister died at third when Mays struck out.

In the fifth inning, McHugh got a single for the old men and went to first. He scored when McDaniels and Costenbader hit safely. Both runners failed to score for the half of the inning ended when both Tom Dunn and Russ Stout flied out.

Merwin Cook, going on the mound for the CYO in the sixth, had trouble finding the plate. "Butch" Kastner walked, Dunleavy flied out and then Cook walked McHugh, Kinnealy, McDaniels and Stout in succession. Costenbader got a safe hit and Dan Dunn went to first through

an error. In all, seven runs came in to make it a lopsided ball game. Cook was relieved and Hickman finished the inning.

In their half of the sixth, the CYO had three men die on base. George Lister went to first on an error, Hickman walked and Hood got on through another error. McConnell struck out, as did Meccia, and then Ryan flied out to retire the side.

On the low end of a 12-0 score the CYO saved themselves from a shutout in the seventh. Howell got through on an error and was able to score when George Lister hit a ball that was fumbled. Lister died at second when Flynn was downed for the final out. Joe Lister pitched the last two innings for St. Peter's. In the eighth, his uncle, Tom Dunn belted one over the fence into Union avenue, which became a double through the ground rules. Dunn was caught off second when George Lister, behind the plate, pegged one down to McConnell.

Action of the day ended in the CYO half of the eighth. Hickman smacked out a double and managed to get to third. Hood drew a walk, but then oldtimer "Butch" Kastner tightened up and struck out the last batter.

Iching for revenge, the CYO team is seeking another game, and tentative plans center around a Labor Day match.
