## C.S.B. WORK TURNS TO NEW POST-WAR RE-ADJUSTMENTS

Family Shake-ups, High Paid Adolescents Provide Current Problems

Report to the board of trustees of the Community Service bureau Tuesday evening by executive secretary Mrs. Julia O. Reiner indicated current trends of welfare work necessitated in Belleville as a result of the post-war shake-down.

Four recent cases, for instance, are the predicaments of deserted wives and families by war workers who, working long hours on late shifts, have sought diversion outside the home and have found attachments that have caused them to leave home.

Another prevalent condition has been indicated to the bureau in the appeal of adolescent boys who have been earning comparatively high wages without special skill and now find themselves without employment, over age for returning to grammar schools and without the necessary diploma to enter vocational schools.

The bureau again drew attention to the housing shortage, which the bureau has often previously suggested be met by joint and concerted planning of all resources in Belleville. Families forced to move for any reason are in serious plight and the bureau is made helpless to assist them by the acute lack of facilities here.

### New Board Member

Mrs. Leslie T. Woodruff, new chairman of the social service committee of the Belleville Woman's club, took her place on the board for a one year term, automatically replacing Mrs. John Kilpatrick, former social service representative of the club.

Resignations were accepted from Miss Kathryn Conklin and Fred Rummel who gave lack of time as the handicap in continuing their work with the bureau.

Dr. Morris Rochlin thanked the bureau in the name of the Lions club for a recent clarification of bureau aims and functions when Miss Marie Gunn, case worker, addressed the club at a luncheon meeting. Miss Gunn, who resides in Springfield, has been with the bureau since August.

Dr. Rochlin suggested that such programs be made available to other public organizations by the bureau to inform townspeople about this organization, which is their chief object of support among the local organizations assisted by the Community Chest drive.

Mrs. Reiner pointed out that the bureau, Belleville's only social agency, is open to all classes of people here, will provide speakers to any interested group at any time.

## B-HIVE MAY OPEN AFTER CHRISTMAS

Resumption of Weekly Dance Sessions to Be Discussed With Chaperons

Resumption of B-Hive weekly dance sessions in the High school gymnasium will probably wait until after the Christmas vacation, High School Principal Hugh D. Kittle indicated yesterday. Kittle closed the recreation center three weeks ago, following a fracas between two mobs of boys outside the building.

The principal said yesterday that the tentative decision of delaying the reopening until after the holidays was reached in three conferences with a group of students who ran the B-Hive and a telephone conversation with Mrs. Howard Vandemark, chairman of the adult group that has been chaperoning the sessions since they began over a year ago.

Reason for the delay he said, is the full schedule of dances that will be held this semester. There will be a Halloween dance on October 27, one sponsored by the football team on November 10; one by the student council on December 1, and a freshman Christmas party on December 14.

However, a final decision on the reopening date will be reached at a meeting with the adult chaperons which the principal expects to call in the near future. At that time, new regulations for admission will be discussed, he said.

Board of Education members, Herbert Schmutz declared at Monday night's board meeting that high school students have been "forced" into Kearny, Nutley and Bloomfield for youth activities we provided here. I don't lay the responsibility for the closing on anyone," he said. "However, the fight that occurred outside the building could have happened at any other function or at any school function. I don't think the B-Hive should be dropped."

When advised of this statement, Kittle said that Belleville students also frequented youth centers in surrounding towns when the B-Hive was in operation.

DIAMONDS, WATCHES, JEWELRY at prices always in line with the quality of the merchandise offered. Victor Hart, Jeweler, 457 Washington avenue, Belleville, N. J.

## For Assemblyman

Robert C. Gruhin

## GRUHIN RUNS ON DEMOCRATIC SLATE

Seeks Election as Essex County Representative in State Assembly

Robert C. Gruhin of 352 Washington avenue, an attorney with offices here and in Jersey City, has announced his candidacy for the post of Democratic assemblyman from Essex county in the November 6 election. He is the only Belleville candidate on the county ticket from which the county clerk, registrar, justice of the peace, three freeholders and twelve assemblymen will be elected.

As chairman of the resolutions committee for the Democratic assembly delegation, Gruhin has represented the delegation in a conference with the Essex County Political Action Committee of the CIO, of which Miss Catherine Hoffman of Newark is chairman. A full employment program for labor and veterans through state aid on state and county projects that can be started during the present reconversion period was discussed.

He has also appeared before the Belleville Democratic county committee urging a campaign for proper registration and is scheduled to talk before the League of Women Voters of West Orange on Monday. He appeared before the Lithuanian Democratic club on Newark on Saturday.

Gruhin who is a member of the Progress club and Congregation AAA, was born in Jersey City and attended schools there. He graduated from the John Marshall College of Law and was admitted to the bar in 1937 after serving his clerkship in the Jersey City law firm of McCarthy and McTague. He was admitted as a counselor at law in 1940 and also admitted to practice in the United States District Court and before the Interstate Commerce commission.

He is married to the former Pauline Rosenbloom of town who formerly was a member of the faculty at School No. 3. The couple has two children, Gail and Marcia.

## ADDITIONAL DRILLS REPORTED MISSING

Further Shortage Revealed in Isolantite Inventory; No Charges for Nutley Men

Further investigation by Belleville police under the direction of Deputy Chief Elmer Leighton got under way this week when officials of the Isolantite company discovered through an inventory that an additional 25 or 30 electric drills are missing. This is a subsequent development in the alleged stealing of drills in which two guards at the plant are now awaiting Grand Jury action on a charge of grand larceny.

The guards, James Luzzi of 27 King street and Robert Parker of Irvington, are out on bail of \$2,500, after complaints were signed by R. L. Heiser, chief engineer at Isolantite.

Three Nutley men became involved during the course of the investigation, one of whom is A. Theodore De Muro, Nutley town commissioner and director of parks and public property. The latter entered the picture when he returned to Belleville police one of the drills which was later found to be one of those stolen.

De Muro stated that the drill was purchased by him from Fiore Stabile of Nutley, and suspected that it was stolen property. Also involved was James Ritacco, a chanceman on the Nutley police force, who was suspended by Chief Rummel for allegedly purchasing another of the stolen drills from Stabile.

Stabile, a figure in Republican circles in Nutley, was arraigned in Nutley and held for the Grand Jury. He was then turned over to the office of Essex County Prosecutor Wachenfeld, who fixed bail at \$5,000.

## Posthumous Silver Star To Pfc. Harry Nyegaard

Marine Killed on Saipan is Cited for Heroism That Caused His Death

Mr. and Mrs. Harry J. Nyegaard of 329 Main street have received the Silver Star, posthumously awarded their son Harry, from Marine Corps officials who visited their home. They had declined a formal presentation in Brooklyn Navy yard.

Pfc. Nyegaard was killed on Saipan June 19, 1944 while laying a communications wire between a battalion command post and a company in the field.

Navy Secretary James Forrestal personally signed the citation accompanying the decoration which read, "with complete disregard for his own personal safety, Pfc. Nyegaard crossed and recrossed the area to obtain sufficient wire. Although the company was pinned down by fierce, intense Japanese mortar, machine gun and small arms fire, he courageously continued to carry out his vital tasks until mortally wounded while splicing wire."

The Nyegaards had previously received the Purple Heart and copy of a Presidential Unit Citation in which the commanding general of the 4th Marine division gave recognition to their son for "making the supreme sacrifice in the Marianas campaign and by so doing contributing in the greatest possible measure toward winning the coveted citation."

Enlisted at 17

Pfc. Nyegaard was graduated from Belleville High school in 1942 and enlisted in the Marine Corps at 17. He continued to work for Newsdealer Ed Vandemark, by whom he had been employed for after-school work since the age of 12, until he was called to service in January 1943.

After a year in training at Eastern Marine bases and Camp Pendleton, Calif., he went overseas. He was killed six months later although a War Department telegram did not reach his parents until September, 1944.

## NEW PROGRAM AT COMMUNITY HOUSE

Director Announces Schedule At Open House Given Monday Night

A reciprocal open house was held in Silver Lake Community house Monday evening when new director Seymour Olian and Mrs. Olian were greeted by Community House members and, in turn, outlined to the group their plans for forthcoming activities.

Members of the Mother's club, a group of young married people and numerous young people of all ages heard Mr. Olian's reminder that the Community House is theirs to enjoy and that all programs will be flexible enough so that each individual will get as much personal benefit as possible from the outside activity he selects.

Members of the board of managers of which Mrs. J. W. Greenbaw of East Orange is president and representatives of the Newark Welfare Federation, Mrs. J. W. Smith and Miss Jane Rinck attended the reception.

In a piano program Mrs. Gladys Winfrey, negro organist of Shiloh Baptist church, Newark, played a Chopin Polonaise and two young performers, Philomena DeLauri and Florence Avena, were heard. Mr. Olian later announced that Mrs. Winfrey will furnish piano instruction at a small fee for those who desire it.

The audience was invited to inspect the bulletin board of indoor and outdoor activities and sign up for their choices during this week. Baseball, basketball, soccer, tumbling, and a variety of social activities and conditioning exercises will be available. Cultural aspects will be covered in dramatics, elocution and music appreciation periods.

### Handcrafts Planned

Handcrafts, under the direction of Mrs. Olian who is an artist, will include the weaving of scarves, bedspreads and tablecloths, sewing, crocheting, knitting and bead craft. Unique projects are the manufacture of Christmas cards, which Mrs. Olian has invited Community House patrons to come there and make their own greetings, and a doll making project which took immediate impetus from the attractive rag doll she exhibited. Scraps of material are used to make and dress the dolls.

Regularly scheduled organization evening meetings will be Mother's club Monday; Girl Scouts, Tuesday; Sons of Italy, second and fourth Wednesdays and Community night, a time of social activities, music and games for everyone.

Miss Carmela Fabio is Girl Scout leader of the intermediate troop connected with the Community House; leaders for senior and Brownie troops, which are greatly in demand there, will be sought by Mrs. Mary Christiano.

Mr. and Mrs. Olian took over directorship of the house, Community Chest supported agency, October 1. Natives of New York City, Mr. Olian practiced law before becoming an Air Forces bombardier during the war and Mrs. Olian studied and practiced art.

Pfc. Harry W. Nyegaard

Motor Machinist's Mate 3/c Vincent Nyegaard on board an LSM transporting troops from Luzon to Japan, visited his brother's grave in the Marianas a month ago. A photograph of the Marine cemetery there was included in the communications received by the Nyegaards from the War department.

Vincent Nyegaard has been in the Navy two years. There are two younger brothers at home, Raymond and Kenneth. Their father is employed by the Liberty Fuel Oil company in Kearny.

## NEW SANCTUARY AT MONTGOMERY

First Part of Three Year Building Program Completed At Cost of \$13,000

Montgomery Presbyterian church will rededicate its newly renovated sanctuary Sunday morning. The church building, erected in 1868 has been torn out, enlarged, and rebuilt in early colonial style.

The growth of the church membership in the past four years has necessitated changes which have been laid out in a three year building program, the pastor, Rev. O. W. Chapin said yesterday. Now completed are the sanctuary and kitchen. Next year the Sunday school building is to be renovated and individual class rooms installed. The third year a colonial church front together with porch, vestibule, and balcony are to be added with the addition extending nearer the street to add to the size and capacity of the church.

The cost of this year's program has been \$13,000. It is within \$2,000 of being fully raised and will be completed by December 1. The new church sanctuary is white with mahogany trim. An acoustical ceiling, linoleum floor, enlarged chancel with pulpit and lectern divided, stain glass windows replaced by colonial glass, blue drapes and organ grill completely alter the interior.

The building committee together with the architect made a study of the Chapel at Princeton Theological Seminary and the style and plan of that structure have been duplicated in every possible detail.

In the course of the three year building program the church intends to avoid all debt, paying as the improvements are completed. It will also keep abreast of regular current expenses as well as the quota obligations of the Presbyterian Church U. S. A. A. available fund of \$27,000,000.

## JR. ACHIEVEMENT FIRM LIQUIDATES

Heuser Woodcraft First Company to Go Through Closing For Benefit of Members

The Heuser Woodcraft company, one of the five Junior Achievement companies in Belleville has called a stockholder's meeting for tonight at 8:30 for the purpose of liquidation. It will be held at headquarters, 240 Belleville avenue.

The company, sponsored by Eastwood-Nealley corporation, is the first of the local concerns to go through liquidation proceedings for the benefit of its members. In good financial standing, the junior organization president, Leonard Hicken, has notified the 97 stockholders that they will receive the par value of their stock which is fifty cents a share, plus a "small dividend."

The company, which is three years old, is the first of three to liquidate. It's dozen or so members plan to reorganize soon, with new members, to learn the process of setting up a new business.

With Russell Kearny and Charles Zindel of Eastwood-Nealley as advisors, Heuser Woodcraft has been working on sub-contracts for the Jewel Lamp company of Newark and the Pfeiffer Electrical company of Trenton. They have completed trays for the Newark concern and did metal bending for the electrical firm. Trays and dryer racks, doll cribs and silverware trays have also been produced by the company for household sales.

## UNION STILL OUT IN WAGE DISPUTE AT KIDDE PLANT

Union and Company to Meet Outside Arbitrator Monday Morning

Emphasizing the fact that they are not demanding a flat 30 percent or even 20 percent increase, Harry Kellner, business agent for Local 420, UBR and MW-CIO, appeared before the board of commissioners Tuesday afternoon to present the viewpoint of the striking workers of Walter Kidde and Co., Inc. The men continue on strike, and mass picketing is still going on at the plant.

A meeting has been scheduled for Monday morning at 11 o'clock at the Belleville plant between labor and management in the first step toward mediation. United States Conciliation Service Commissioner Winton stated yesterday morning that he had offered to meet with representatives of the union and the company, and both parties had agreed.

The union requested they be allowed to appear Tuesday afternoon at what was originally scheduled to be an executive board conference. They requested a hearing before a newspaper report quoting Mayor Williams, that stated if a non-union worker attempting to cross the picket line was molested, the police would have to step in.

Protesting this, the union sent a committee to inquire of Mayor Williams if this was the opinion of the entire board of commissioners, and then made their request to appear before the commissioners, which Williams granted.

At the meeting, Kellner said that of 31 points presented to the company by the union, they were in agreement on all but two, and stated that the union had compromised from their original demands by accepting the 10 percent increase offered by the Kidde concern, but without any other concessions. The union also dropped from their first demand the closed shop clause.

### Object to Merit System

The union objects to the company qualification attached to the proffered increase, stated Kellner, because it is based on the merit system, and the union states that all workers would not be eligible for the raise.

The other bone of contention is the company's desire to retain the right to reclassify jobs, after the inception of a three year contract between the union and Kidde. Kellner asserts the union desires to keep the original rates in existence at the time the contract is signed until the expiration date.

Another union spokesman at the commission meeting stated that their branch of the CIO is the only organization that kept their no strike pledge throughout the

## CONSPIRACY TO ROB BEGAN IN AUGUST

Nutley Men Held as \$8,000 Loss is Uncovered By Cliffwood Firm

Further developments involving three Nutley men charged with conspiring to commit robbery were uncovered this week. The men are Nicholas Bello of 34 Franklin avenue, Charles Scipio of 140 Spatz avenue and Benjamin Richmond of 245 Centre street, the latter proprietor of Richmond's diner at 799 Washington avenue. All three are held in bail, awaiting grand jury action on a complaint signed by Belleville police.

The case dates back to August 18, when Richmond is reported by police to have told his brother-in-law, plant manager of the Endurette company in Cliffwood, that he had information that the plant was going to be robbed. On Monday, August 20, Michael Wolf, an officer of the company, notified police that a large amount of material was missing. Cpl. Detective Degatano and Trooper Ichmoney of the state police in Keyport were assigned to the case. Trooper Ichmoney brought Richmond to headquarters in Keyport the evening of August 20 for questioning.

In a verbal statement, state police said Richmond stated that while in a Nutley tavern, he overheard two men, whom he could not identify, planning to obtain employment at the Endurette concern and then steal material. On August 27, in a subsequent questioning, Richmond denied having made this verbal statement, police say, and signed a written statement with an entirely different slant. He alleged that he overheard Bello and Scipio discussing the matter in his diner, and identified the men to the state police, they report.

The state police contacted Deputy Chief Elmer Leighton of town, and asked that Bello and Scipio be picked up, and Bello was found in a tavern in East Orange. In a statement to Leighton, Bello contended that it was not he and Scipio who planned to burglarize the concern, but Richmond who approached them, and made

Norman D. Lauterette

## TRANSPORT GROUP RECEIVES AWARD

Lauterette, Chairman of Defense Transportation, Given Presidential Citation

A Presidential citation for distinguished service in war transportation was awarded to Norman D. Lauterette, chairman of the local war transportation committee, this week. The award came from Col. J. M. Johnson, director of the Office of Defense Transportation, who was directed by President Harry S. Truman to extend the citation to all local transportation directors throughout the country.

Lauterette, who was appointed to the post by Mayor Williams in July, 1942, is general traffic manager of the National Grain Yeast corporation and a local resident. Belleville, located in the extreme critical area, had one of the highest ratings in the country for its group-riding program, a state and national governmental survey revealed recently. Lauterette attributes this to the excellent cooperation of the many industrial concerns involved and the ration board.

Col. Johnson enclosed a letter in which he also extended congratulations to Lauterette and his assistants for the outstanding service rendered to the community and to the nation in the time of stress, and for a substantial contribution to the solution of the nation's war-time transportation problems.

### The Citation

The citation from President Truman reads as follows:

"The transportation facilities of the nation are now called upon for the most gigantic task in all the history of transportation. The American armies must be moved from the victorious battlefields of Europe to the east. In order to do this job most of our soldiers will be transported the full length of the American continent.

"It required every transportation ingenuity to assemble our armies in Europe over a period of four years. This time the job is to be done in four months. The contemplation of this task would overtax our faith if we had not found during the course of this war that the impossible has become our daily task.

"I am asking you to extend my congratulations to all of our transportation agencies — and their millions of workers — on the results they have accomplished. At the same time express my confidence in them for the greater effort that lies ahead."

The citation was forwarded before the war with Japan ended. Lauterette stated yesterday that the committee is still in existence, pending word from Washington on dissolution.

## OFFICE WORKERS BACK AT EDISON

Union Allows Non-Union Workers to Cross Their Picket Lines

Notices were sent out by telegram Tuesday night notifying office and salaried workers to report for work yesterday morning at the striking Thomas A. Edison plant in Silver Lake and other plants.

A strike of production workers of the company has prevented the office and salaried employees from entering the plant, the non-union workers complaining of being "intimidated" by the mass picket lines. The union agreed to allow the salaried and office workers to enter the plant, after the company limited the picketing at the three plants due to the alleged "intimidation." Seven union officers were cited in the application.

There are about 150 employees out on strike at the Silver Lake plant.

### Study Plans for BHS Play Area

The board of education will meet next Thursday evening in School No. 8 with Arthur Starin, architect, to study the plans for the construction of a play area adjoining the high school. The public gave consent in a recent school election for the appropriation of \$70,000 to proceed with the work.

## Parents Balk Closing Of School No. 2

Board of Education Delays Action On Merger With School No. 10

### After Hearing Protests

Plans for the transfer of School No. 2 pupils to School No. 10 were balked on Monday night when parents of School No. 2 pupils protested its closing at a meeting of the board of education. The protest followed a meeting of parents with members of the board last Wednesday when they objected on the grounds that the longer walk to School No. 10 is a safety hazard for the children and closing of School No. 2 would cause a reduction in real estate values within the school district.

## CHEST CAMPAIGN IS EXTENDED

Forty Percent of \$59,000 Goal Realized; Drive Closes At End of Month

Extension of the Belleville Community Chest Victory drive to October 31 was announced this week by drive officials who stated that returns of \$18,535.40 had been tabulated at Monday night's report meeting.

This is about forty percent of goal of \$59,000 which has been set for the operation of the five local participating agencies, the National War fund and the Associated Catholic Charities for the coming year.

While the individual response in the house-to-house canvass is greater than in previous years, the average contribution is less, officials state, in reporting a total of \$2,307 from that division, thus far. An average contribution of \$7 per family has been estimated as the minimum need, if the budgets are to be met.

Returns from industry total \$13,467.90. It is expected that the unsettled conditions in industrial personnel in the area will delay full returns from this division until after the official close of the drive.

Other divisions reporting are clubs and organizations, \$559; special gifts, \$1,078; professional, \$405; business, \$86 and purveyors, \$632.50.

Volunteers were urged this week to wind up their solicitations and repeat calls as soon as possible so that final figures may be compiled at the end of the month. They were also reminded in the house canvass group to advise contributors of the monthly and quarterly payment plan that may be used in the payment of pledges made now, to facilitate periodic contributions over a period of a year.

## BELLBOYS READY FOR PASSAIC TEAM

High School Eleven Faces Tough foe in Quest Of Second Win

Looking for victory No. 2, Belleville's Yellowjackets tangle with Passaic Saturday afternoon at the Municipal Stadium, with the contest scheduled to commence at 2:30.

Belleville was idle last Saturday, and their record now stands at one win and one loss. Barringer eleven by a 19 to 6 count and going down to an 18 to 13 defeat to strong Bloomfield. If the latter had been played on a dry field instead of a rain soaked gridiron, there might have been a different result.

The Bellboys have a better than ordinary passing attack, but had to curtail their favorite form of attack with the ball wet and water-soaked. As it was, one of their scores came on a perfect aerial from Lefty Don Smith to John Distasio that traveled 35 yards into the end zone. Belleville led with six minutes to play in the final period, but were unable to stop the slippery running of Vinnie Palmio, speedy Bengal back, who tallied the winning touchdown on a pretty run of 41 yards to gain the verdict.

Belleville tried valiantly to bounce back for another score, and moved to the winners 35 on passes, but an interception halted their advance.

Passaic, which was expected to be one of the leading powers in the state, has been unable to win a game in three tries this season, and in the words of Bill Chapman, general Bellboy coach "with be hungry." East Rutherford upset Passaic in the opener, Garfield edged them and Clifton won a 6 to 0 victory.

### Wire Weavers Strike at Eastwood-Nealley

About 55 wire weavers, key production men at Eastwood-Nealley corporation, went out on strike yesterday. Members of the American Wire Weavers' Protective association, they began picketing outside the plant at 8:30 yesterday morning.

No statement could be obtained from either the union members or company officials yesterday, concerning the union demands. Harry C. Speech, company vice-president and general manager is expected to return this morning from Cleveland where manufacturers have been in conference with national union officials.

### School No. 2, a land mark,

and the oldest school in town, has less than 100 pupils. Parents suggested a rezoning of the school district to provide a larger enrollment. Board President J. Edgar Jones declared Monday night that no further action will be taken until a definite program is worked out and School No. 2 parents advised of it.

Acting on the recommendation of Superintendent of Schools Wayne R. Parmer, the board of education took action at its September meeting to advertise for bids for the construction of an addition to School No. 10. The addition of a gymnasium, a library and four classrooms is contemplated to accommodate School No. 2 pupils and to provide a more even distribution of the pupil load at School No. 10.

This is the third time the superintendent has recommended closing the school which does not provide educational facilities equal to those obtainable in the other elementary schools. Parmer made his first recommendation ten years ago and reintroduced it two years ago. On both occasions it was protested by parents in School No. 2 district.

### Parents' Objections

Parents declared Monday night that although Franklin street is now cut through, there are no sidewalks and the children take a shortcut through vacant lots crossing the railroad far from the intersection. Two rooms in the school are not being used they said, while seventh and eighth graders must go to Silver Lake. Renovating the school and rezoning the district would attract new homes for the district, they claimed.

Parmer declared that his primary concern is fairness to the children who are combined in School No. 2 with two grades in one room, and that the auditorium is a fire hazard. He stated that the community owes the parents better facilities. He reminded them also that they owe their children the best educational advantages the town can afford. The superintendent pointed out that real estate values in School No. 2 district would rise if that district is combined with School No. 10 which has much better facilities.

Parmer reiterated his reasons for the change as he outlined them in a letter to the building and grounds committee. He stated that as of September 13, the enrollment in School No. 2 was 13, 10, 14, 11 and 18 in the first, second, third, fourth, fifth and sixth grades respectively. The kindergarten children have been attending School No. 10 for some years.

"It is evident from an examination of these figures that it is necessary in this school, to place two grades under each teacher," he wrote. "The need to be emphasized is that the arrangement is a definite disadvantage to every child in this building. Teachers are obliged to divide their time and attention between two groups of different grade level."

"The Montgomery building is old and dilapidated and is costly to operate. The auditorium is on the third floor and is a dangerous fire trap. The school under present conditions, do not have the services of the principal for only part of the time. The enrollments in the grades in No. 10 school are entirely too large to be placed under one teacher in each grade, as they are now."

### More Advantages

"By combining these two schools, sending the children of No. 2 to No. 10, where the kindergarten children have already been attending—the pupils of both schools would be accorded a very great advantage. It would make possible two normal-sized sections in the grades which are now too large. It would also give the services of a full time principal to children and teachers."

"The auditorium in No. 10 is more than ample to accommodate all of the pupils from both schools. All of the children would have the advantage of the same assembly programs which is particularly important in respect to our visual education programs. All of the children would have the advantage of a library and a gymnasium. The cost—interest and amortization of debt—can be more than met in my judgment, by the reduction in costs realized by the elimination of School building No. 2. In other words, it would be a cost to the community."

"The advantages to the pupils in the No. 2 area in sending the rest of their children to a modern school, where it will be possible for them to enjoy organized programs, to which principal can give all of his time, are all to evident as are advantages which by such a move would come to No. 10."

## ZECCA - DUVA NUPTIALS HELD

Couple Will Reside Near Fort Riley, Kan. Where Major Is Stationed

Miss Bettina Doris Duv, daughter of Mr. and Mrs. John Duv of Harrison street became the bride of Maj. Mario J. Zecca, son of Mr. and Mrs. Carmine Zecca of Newark Tuesday evening of last week in St. Anthony's church with the Rev. Titian P. Monagus, the pastor, officiating. A reception followed at the Moresque, West Orange.

The bride was gowned in white velvet and she wore a tulle veil held in place with a velvet head-dress. She carried a muf with

white orchids. The maid of honor, Miss Jessie Rossano of Newark, wore a gown of Nile green velvet, and headress to match. Her flowers were lavender orchids carried on a muf similar to that of the bride. Best man was Michael Siciliano of Newark.

Mrs. Duv wore a blue gown, a blue feathered hat and a purple orchid corsage. Mrs. Zecca, mother of the bridegroom, wore a black velvet dress, a black hat and an orchid corsage.

The couple returned to town on Monday after a short wedding trip to the shore. They will arrive in Junction City, Kan. on Saturday near Fort Riley where the major is stationed as a member of the staff of the cavalry school. The bride is a graduate of Belleville High school and the Newark Contemprary school, Newark. She was employed by Public Service in Newark before her marriage.

Major Zecca returned recently after serving three years overseas with the 17th Cavalry Reconnaissance squadron in North Africa, Sicily, Italy, France and Germany. He holds the Croix de Guerre, the Bronze star with one cluster and the ETO ribbon with five battle stars. He joined the Essex troop in 1932.

### MISS TIFFANY IN SATURDAY BRIDAL

Marriage to Duncan Langlands Will Take Place in Hallstead, Pa.

The wedding of Miss Audrey Tiffany, daughter of Mr. and Mrs. George Tiffany of Hallstead, Pa., and Duncan Langlands, son of Mr.

and Mrs. George Langlands of 350 Belleville avenue, will be held Saturday afternoon at 4 in Hallstead Presbyterian church by Rev. Charles B. Smith. A home reception will follow.

Mrs. Fred Boughton of 92 Malone avenue and Kenneth Langlands, brother of the bridegroom-elect, will attend the couple.

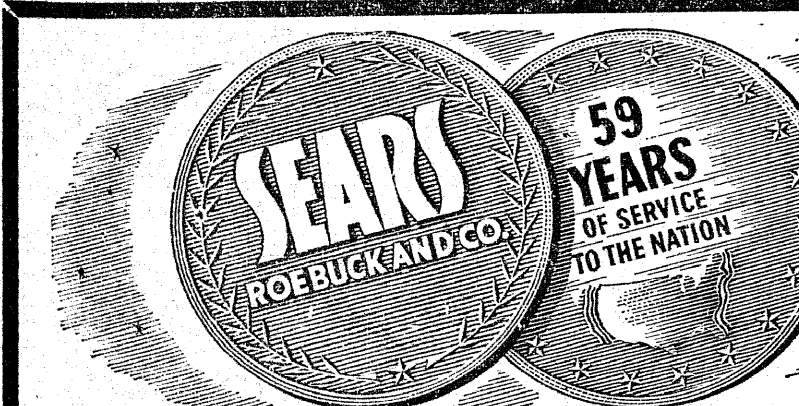

Miss Tiffany's floor length, informal wedding gown of white marquisette has been made with draped bodice and full skirt. Skirt, sleeves and sweetheart neckline are outlined with fluted marquisette. Gold beads stud the Juliette cap which will hold her fingertip veil. She will carry an old-fashioned bridal bouquet of white roses tied with satin ribbons.

Mrs. Boughton's blue net gown will be matched by a Juliette cap of the same material and her old-fashioned bouquet will be of mixed blossoms. Mrs. Tiffany's

navy blue costume of crepe gown and matching hat will be worn with a corsage of red roses. Mrs. Langlands, mother of the bridegroom-elect, will wear plum colored crepe with corsage of talisman roses.

Miss Tiffany was graduated from Hallstead schools and has been with Wallace and Tiernan company. Mr. Langlands, a Belleville High school graduate, was discharged from the Marine corps September 26 after 37 months' service in the Pacific area. He is with American Chain and Cable company in Newark, his pre-military service employer.

T/Sgt. Nicholas Mucci of 54 Mt. Prospect avenue, recently at the Army Air Forces Convalescent Hospital, Plattsburg Barracks, Plattsburg, N. Y. was honorably discharged from the service on Friday.

### "LIFE SAVINGS GONE"

Bandits get \$3,007 which brothers had saved up

Life savings of two brothers who had planned to be partners in business, was gone last night when one was held up by three men at Prince and Spruce Streets. The bandits escaped with \$3,007, according to the victim who told Detectives Genger and Kirwan that he was stopped by a soldier and two civilians, one of whom snatched him. As he laid semi-conscious on the sidewalk the other two relieved him of a brown paper bag containing the money which was in his pocket.

— Newark Evening News — October 10

Such experiences as this occur entirely too often. Idle cash should not be exposed to theft. Had part of these funds been in Victory Bonds and the rest in a bank, this loss would not have occurred.

### Long-Time Residents of Town Mark Golden Anniversary

Mr. and Mrs. Harry D. Harrison of 620 Washington avenue will celebrate their golden wedding anniversary on Tuesday evening when they are guests of honor at a dinner party to be given by their daughter, Mrs. J. Howard Budd of Nutley, for family and friends.

Mrs. Harrison was born in Belleville in 1864, the daughter of Mr. and Mrs. John B. Coeyman. The family has resided here since they came as settlers in Revolutionary war days. Mrs. Harrison has been a lifetime member of Wesley Methodist church.

Mr. Harrison was born in New York in 1866, coming to Belleville in 1884. He has been an active member of Wesley Methodist church and was choir leader for many years.

The couple have three grandchildren, Mrs. John B. Hollingsworth of Nutley, Howard H. Budd a student at Rutgers university and Pfc. John S. Budd, an infantryman in the Pacific.

### Marriage of Margaret Looby Announced by Parents

Mr. and Mrs. Michael J. Looby of 174 New street have announced the marriage of their daughter, former Lieut. Margaret Mary Looby of the Navy Nurse corps, to James Hamilton Carroll jr., son of Mrs. Viola Carroll of Brooklyn and the late Mr. Carroll, on September 9 at Arlington, Va. The couple were married in St. Charles R. C. church in that city.

Lieut. Carroll, who entered the Navy Nurse corps three years ago, is stationed in Bethesda, Md. Her husband was recently discharged from the Marine corps and is with the Standard Oil company of New Jersey at New York city headquarters.

The nurse, who spent fifteen months on a hospital ship in the Pacific, was graduated from the Newark City hospital of nursing in 1941. She had previously attended Belleville High school.

### Wesley Men Plan Annual Harvest Home Night

The Men's club of Wesley Methodist church will give an annual harvest home night on Monday for their wives and friends. It will be held at 8:15 at the church.

Miss Mary Manning and her Canteen Aids will supply entertainment. Others on the program are George H. LeBar, comedian and Mr. and Mrs. H. H. Tice who will give a hill billy skit. Games will follow and refreshments will be served.

### GIRL SCOUT WEEK OCTOBER 28

#### Organization Plans Country Fair and Program in High School

Girl Scout leaders met last night to coordinate plans for Girl Scout week which will feature, between October 28 and November 3, Girl Scout Sunday, a country fair and a Scout's Own program. Mrs. Morris Bennett is president of the Leader's club.

In the same connection members of the program committee will meet Tuesday afternoon at the home of Mrs. Oliver Chapin, 12 Elena place where, under the chairmanship of Mrs. Charles Speed, they will make overall arrangements for the Scout's Own program in the high school auditorium November 2.

Although all participation in such events is formulated within the troops, the program committee coordinates the program and arranges for staging, lighting, printing and other necessities. Mrs. Helen Kanouse, Mrs. Harry Smith and Miss Helen McNair are program committee members.

Next Wednesday Mrs. George R. Gerard, scout commissioner, Miss Elizabeth Badargy, executive director and Mrs. Victor L. Hart, chairman of training committee, will attend a meeting of scout executives in the Orange headquarters to plan a spring conference for councils in this area.

Yesterday Troop 6, sponsored by the PTA of Ralph street school, met at the home of its leader, Mrs. Leo Wysocki to hear a talk by Army Nurse Margaret McLaughlin of 273 Main street who recently returned from India.

Lieut. McLaughlin spoke on international friendship explaining to the girls the habits of the natives of India and exhibiting their crafts in carved mahogany, ivory and filigreed silver items.

### Cost Accounting Group to Hear Belleville Man

Andrew F. Heard, assistant treasurer of Isolantite, Inc. will be the principle speaker on Tuesday evening at the second of a series of study meetings sponsored by the Newark chapter of the National Association of Cost Accountants. The subject of these discussions is "Standards, Their Development and Use," and will held at the University of Newark.

A group of 65 industrial accountants and business men will be on hand to hear Mr. Heard on the subject of his speech, "Standards For Pricing." W. W. Miller, director of education for the Newark chapter, will preside at the meeting.

### TB GROUP REVIEWS WORK AND AIMS

#### Meeting in Nutley Will Give Members Resume of Accomplishments

A membership participation meeting next Thursday evening in Nutley Town Hall will review for members of the board of directors of the Belleville-Nutley Tuberculosis association, and residents of both towns who wish to attend, the aims and administration of the association and its relationship with the health departments and citizens of both towns.

Aspects of the organization will be covered in five minute talks by board members. The history of the association will be reviewed by Mrs. William J. Vail of Nutley, secretary; its administration by Rev. H. J. Berkobin, president; "My Days" by Mrs. Alma G. Whynall, registered nurse who is the organization's liaison between tuberculosis sufferers and those who seek the alleviate their condition.

Health officers of Nutley and Belleville, Richard V. Fellers and Eugene T. Berry, will discuss, respectively, "the association and health departments" and "The Seal of Safety." Latter reference is to the sale of Christmas seals which is the association's sole support. Seals will be placed on sale this year November 19.

Anthony Pucsal of Belleville, chairman of education, will discuss education through movies and later the audience will view the latest film released by the National Tuberculosis association.

### What's the Dif?

**DIF**  
Washes it Double Quick  
A dash of Dif in dish-water soaks the burn out of pots and pans, without scrubbing, makes dishes, glassware sparkle, and dissolves grease. Quick, easy, safe for hands.  
Don't forget, DIF is double quick for laundry, housecleaning, too.

when Joseph N. Day shows "Lease on Life." He will follow this with a movie on the diagnosis, treatment and control of the disease, especially suited to school showings. Mr. Day and the TB library of films are available without charge at any time to any association desiring them.

"Our Community X-Rays" will be the subject of Frank G. Simon's remarks. Under his presidency the technique of providing free chest x-rays was instituted. Wilfrid Yudin, first vice-president and program chairman of the TB group, will discuss "Program" and will direct the meeting.

### Music Study Clubs Hold Election of Officers

The Juvenile Music Study club of Belleville met on Saturday afternoon to begin its season. Officers elected were Anne Eli-

beth DeGrote of Nutley, formerly of Belleville, president; Irene Cunnane, vice-president, and William Lane, secretary, both of town. Two new members were present, Muriel Gilbert of town and Carol Pongraz of Nutley. Plans for the year were made, and the afternoon concluded with a program by members.

Election of officers at the Junior Music Study club meeting, last Saturday afternoon, resulted in Geraldine Wilson as president, Evelyn Cunnane, vice president and Mary Alice Smith, secretary. New members who attended for the first time were Dorothy Rankin of town and Elizabeth Anderson of Newark. The group of juvenile members who were promoted to the Junior club this year included Margaret Kelly, Dorothy Hossock, Barbara Hart, Joan Himsel, Ronald Byer, John Massarano and Kenneth Kroth.

## BIDS FOR FAREWELL

### Ministers Express Regret at Dr. Close's Retirement at Parish Reception

All organizations at Fawcett Presbyterian church helped plan the farewell reception in the church recreation rooms Tuesday evening when parishioners took leave of Dr. and Mrs. O. Bell Close who retired yesterday to their Cliffwood Beach home. Dr. Close founded the church 21 years ago.

The community's regret at his departure was expressed in addresses by Rev. Peter R. Deckenbach of Christ Episcopal church; Rev. Edgar M. Compton of Wesley church; Rev. Marshall Whitehead of Grace Baptist church and Rev. Guy Brown of Bethany Lutheran church, all of whom voiced the hope that Dr. Close would keep in touch with his many affiliations here.

The minister read excerpts of a letter of farewell from Rev. Joseph M. Kelly of St. Peter's church. Philip Dettelbach, general manager of L. Sonneborn and Sons spoke in praise of Dr. Close's religious and industrial corporation which had much influence in the establishment of the Belleville Foundation.

Dr. Close's remarks in response to these speakers expressed his admiration and affection for his parishioners. He concluded with a

thought which expressed the philosophy on which his conduct here has obviously been based: "A cultured conscience is the final and supreme authority in all intelligent living. Consult your conscience frequently and obey it always."

Before community singing the choir presented a humorous parody on a choir rehearsal and then, in serious vein, gave "Everyman's Work" by G. H. Federlein and a duet, "The Lord Is My Shepherd," by the Misses Edith Frey and Viola Anderson.

### Legion Auxiliary Welcomes Relatives of War Vets

All immediate relatives of American Legion members who have served in World Wars I and II are eligible for membership in Belleville Unit 105, American Legion auxiliary. To receive those interested in joining, two informal "open house" gatherings will be held Monday evening at the homes of Mrs. William Kant, 333 Cortlandt street and Mrs. Peter Johnson, 108 Smallwood avenue. Both women are past-presidents of the organization. Auxiliary members will also be present.

Mrs. Louis Wagner, Unit president, last weekend attended the State convention of auxiliaries at Atlantic City. She was accompanied by Mrs. Joseph Heumer, Mrs. Edwin Ackerman, Mrs. Arthur Christie and Mrs. Marietta Sheel.

Annual installation of officers of Essex-Salon, Eight and Forty Society, will be held in East Orange Monday evening when Mrs. Joseph Kolinsky of North Arlington, formerly of Belleville, will take office as Chapeau. Mrs. William Labauch of 63 Lloyd place will become LaCassiere. Mrs. Kolinsky held several offices in the local auxiliary during her residence here.

## PEOPLE You Know

Miss Agatha Seidler, daughter of Mr. and Mrs. Herman Seidler of 47 Center street, will return Saturday from a three week's vacation in Miami, Fla.

Mr. and Mrs. Pasquale Grasso of 64 Franklin street celebrated the ninth birthday of their son, Patsy, Saturday evening. Present were the boy's grandmother, Mrs. Rachel Monchello, Mr. and Mrs. Louis Cafone and family, Mr. and Mrs. Alex Coppola and family, the Misses Viola and Evelyn Signorina, Pat Passimattia and Mrs. Mary Bota, all of Belleville.

Mr. and Mrs. George Kelsall of 70 Preston street spent the weekend at Wilson college, Chambersburg, Va., where that institution celebrated its 75th anniversary with ceremonies which included an address by former President Herbert Hoover.

Miss Anne Kelsall, their daughter, was a member of the student committee which assisted in arranging the affair. Accompanying the Kelsalls to Chambersburg was Miss Linnea Andree, Belleville High school instructor.

## Troth Announced

Miss Muriel Wolf

Mr. and Mrs. Raymond St. John Wolf of Windsor place, Upper Montclair, have announced the engagement of their daughter, Miss Muriel Anne Wolf, to John Robert King, son of Commissioner and Mrs. Joseph King of Belleville and Budd Lake.

Miss Wolf attended Montclair schools and was graduated from Montclair High school.

Mr. King is a graduate of Kentucky Military Institute and attended New York university prior to his enlistment in the Marine Corps in 1941.

Recently discharged, King was awarded the Purple Heart Medal for wounds received while serving overseas. He was a staff reporter with the Marine Corps Public Relations department after his return to the United States last year. His father is the former County Freeholder Joseph King now Director of Public Safety in Belleville.

## MISS SCAVONE PLANS NUPTIALS

Italian Baptist Church Scene Of Marriage Saturday to Bloomfield Man

Miss Mildred Scavone of 162 Franklin street and James A. Delissio, USNR, of Bloomfield will

Miss Mildred Scavone

be married at a 6 o'clock ceremony Saturday evening in Italian Baptist church. Rev. Benedetto Pascale will perform the ceremony.

Miss Scavone is the daughter of Mrs. Michael Scavone and the late Mr. Scavone; Mr. Delissio's parents are Mr. and Mrs. John Delissio. The Delissios formerly lived on Belmont avenue.

Miss Jean Scavone, sister of the bride-elect, and Jack La Cocco, USNR, also of Belleville, will be the couple's attendants. Salvatore Scavone of 61 Florence avenue will give his sister in marriage.

Miss Scavone has chosen a formal wedding gown of white slipper satin with bustle and four yard train. A pearl Juliette cap will hold her fingertip veil and she will carry three white orchids. The maid of honor will wear an American Beauty gown styled like the bride's but with only a slight train. Her headdress of royal blue feathers will be veiled and she will carry an old-fashioned bouquet of winter flowers.

The bride-elect attended Belleville High school and is with the Westinghouse company in Newark. Mr. Delissio, whose Navy rating is Storekeeper 2/c, is on a thirty day furlough after fifteen months in the Pacific area. He will report to Navy headquarters in New York, October 27.

## Engaged

Miss Kathleen Teague

Mr. and Mrs. Leverett G. Teague of 120 Rutgers street announce the engagement of their daughter, Miss Kathleen Shirley Teague, to Capt. William James Leahy, U.S.A., son of Mr. and Mrs. John Leahy of Boston, Mass.

Miss Teague was graduated from St. Vincent Academy, the Mills School for Kindergarten-Primary Teachers and Adelphi college. She is now a member of the faculty of Jefferson school, Lyndhurst.

Capt. Leahy who served in the China-Burma-India theatre for 29 months with the chemical warfare division, is a graduate of Bentley School, Boston and attended John Marshall School of Law. He was awarded the Bronze Star medal for meritorious leadership of Chinese troops in Burma and is now on terminal leave from the Army.

New Jersey Symphony Opens Monday With Eisenberg, Cellist

The New Jersey Symphony Orchestra, under the baton of Dr. Frieder Weissmann, will open its new season on Monday evening. The concert will be held in the Orange High school, Orange. This will be the seventh season with the orchestra for Dr. Weissmann.

Soloist will be the celebrated cellist, Maurice Eisenberg, who will play the Concerto in D by Anton Dvorak.

Dr. Weissmann, fresh from his recent success as guest conductor of the Toronto symphony, will open the concert with Brahms' Academic Festival overture, and the program will be completed with the buoyant and stirring Seventh Symphony of Beethoven.

The concert will be repeated in Montclair the following evening, October 28, in the Mt. Hebron Junior High school, in Upper Montclair.

## Adele Sutherland Speaks At Griffith Institute

Adell Sutherland of Preston street will be among the speakers of the afternoon and evening Institute to be conducted on Saturday by the Griffith Music Foundation. The subject will be "Music in Children's Living" and the sessions will be under the general direction of the foundation's educational director, Augustus D. Danzig.

Other speakers on the program include Dr. James S. Plant, director of Essex County Juvenile Clinic, Stanley Chapelle, renowned music educator and conductor, Mrs. Stephen J. Francisco, N. J. Federation of Women's Clubs, Rev. Marshall C. Muir, Munn Avenue Presbyterian church, Mrs. Leonard G. Twitchell, N. J. Congress of Parents and Teachers, Rabbi David H. Wice, Temple B'nai Jeshurun, Mrs. William Neidinger, Union Theological Seminary, Lila Belle Pitts, Music Educators National Conference, Janet D. Schenck, director, Manhattan School of Music, Raymond Purrows, Columbia university and Louis Persinger of the Juilliard School of Music.

## School Board Appoints, Accepts Resignations

Resignations, leaves and appointments passed by the board of education on Monday night include the resignation of Miss Adele Booth, clerk in the High school office and that of Lemuel J. Morgan, High school mathematics teacher. Miss Alice Kennedy, a teacher in School No. 9, was granted a fifteen day leave.

Miss Hope A. Summa was named clerk in the High school office at an annual salary of \$1,100 retroactive to September 11 and Miss Elizabeth J. Zentgran, elementary physical education teacher at an annual salary of \$1,400.

### Are You One Of These?

People of mature judgment possess a regard for the accomplishments of the agencies that rely for their functioning, on the proceeds from the Community Chest Victory drive which is now in progress.

They can see that each agency has a specialized role in furthering the interests of community life. They know, because they are familiar with the service that each agency renders, that if any one of them were to disband, the community would be a less desirable place in which to live.

They realize that a community is a co-operative enterprise, functioning for the good of the greater number, with some contributing more than their share either financially or in volunteer services. People of mature judgment understand this willingness of some folks to aid others. They know that it is the foundation of civilized living. These people may dislike the way in which one agency functions. They may quarrel over the relative merits of another. They may not be in sympathy with a third. But they know that each has its niche in the complete picture of social welfare. And knowing this, they do not make the others suffer for their antipathy for a section of the whole.

People of mature judgment do not expend their efforts in destructive criticism of a drive for funds such as the Community Chest Victory campaign. If they disagree on some of the fundamentals they work constructively, by making suggestions that may be incorporated in next year's effort. They give generously now, to the extent that they are able, for the welfare of the community. People of mature judgment do not condemn. They will have no part of the wrecking crew. They belong only to the construction gang.

### Red Cross Charges

From time immemorial soldiers have gripped. Caesar's legionnaires gripped, Wellington's dragoons gripped, our own G.I.'s today gripe. Gripping is part of the soldier's trade. Often the gripes are justified; sometimes they arise from misunderstanding, but nothing escapes the soldier's complaints. Even the American Red Cross is not

spared. Amid the general praise which returning troops voice for the work of this great organization there can be occasionally heard the complaint that the Red Cross charges for its services. This complaint arose in the First World-War and dogged the Red Cross for years. Now, as then, however, the gibe is unjustified.

The complaints doubtless arise from the practice of the Red Cross to make a nominal charge for some of its food services. The policy of the Red Cross on this point, as it has been made clear several times, was established by the War Department. The organization's policy is summarized in the following statement it issued several months ago to all chapters:

"The American Red Cross in making a charge for food and lodging at overseas clubs is deviating from its established policy of no charge for servicemen. This deviation is made at the request of the War Department. All charges, however, are nominal and below cost. No charge is ever made for refreshments when served on special occasions. No charge is ever made for doughnuts, coffee and other accessories which are served by clubmobiles. Charges that are made for lodging and meals vary in different theatres according to the currency value of the country in which the facility is operating."

In view of the gigantic task performed by the American Red Cross throughout the war, in battle theatres circling the globe, it would be a pity if the thoughtless remarks of an occasional soldier were to dampen anyone's enthusiasm for this great work.

### Support For UNRRA

The State League of Women Voters has announced that it will work this year for the continuation of financial aid to UNRRA, the gigantic relief organization set up by the United Nations.

All reports from abroad agree that this winter probably will be the most terrible Europe has experienced since the Middle Ages. Weary of war and the discomforts that follow in war's train, some Americans seem inclined to ignore this fact. This is not only callously unfeeling, but is also shortsighted. Aside from the moral obligation which all of us have to feed the hungry, intelligent selfishness should tell us that we must do everything possible to prevent mass starvation on the Continent. Starvation breeds despair, and from despair spring those evils of Communism and dictatorship which Americans abhor. Moreover, the quicker Europe is helped to its feet the better it will be for our economy.

As its share of the United Nations relief and rehabilitation work, the United States pledged \$1,350,000,000. Of this amount \$550,000,000 remains to be appropriated by Congress. It would seem to be the part of wisdom for Congress, notwithstanding the wish of everybody to cut expenses, to appropriate this money promptly. The catastrophe that threatens is too gigantic for America to stand aloof, even if we wished to back down on our pledge, which, of course, we do not.

## Boy Scout Camp Facilities Unexcelled In East

### Belleville District Has Year-Round and Summer Camp Locations

It is through the funds provided by the Belleville Community Chest that Scouting is made available to the boys of Belleville. The Belleville district, through its association with the Robert Treat Council, has at its disposal camping facilities unexcelled in the east. Two camps are maintained. Scout Acres, a short-term camp at Boonton, where there are seven all-year cabins for troop camps, and a full time ranger to supervise the activities and care for the equipment. Here, regardless of the weather or the season of the year, Scouts can camp comfortably and safely.

Then there is Camp Mohican at Blairstown, with its 1,700 acres in the beautiful Kittatinny mountains. This camp is used year round, but has of course its greatest use in the summer camp season. Here with buildings, tents, boats, canoes, waterfront equipment and a trained staff, the Scouts are given at nominal cost, a real outdoor adventure experience. A full time ranger is on the job for troops that wish to camp in the off-season period.

These two facilities take care of the outdoor phase of Scouting, but is only part of the story. The Council provides, through its executive staff, including the assistant scout executive who resides in Belleville district, training courses for scoutmasters, supervision of activities and the promotion of further use of the program by more institutions. Experience has proven that without such full time service and attention Scouting does not reach its greatest development.

America's future lies in its youth. By providing the necessary facilities for a progressive Scouting program, Belleville Community Chest and the citizens who contribute to it are helping to build a better community and a better nation, a spokesman said yesterday.

### Veterans as Scouters

Donald Bryant, who served with the 8th Air Force in Europe, is back as Scoutmaster of Troop 333, sponsored by Wallace & Pearson, which meets every Monday evening at School No. 1. Troop 392, at the Recreation House, has a new Scoutmaster, Arnold Theating, former Scout of the troop, who fought on Guadalcanal and in other areas of the Pacific. As a soldier, Mr. Theating found his Scout training of value to him and is anxious to help the boys

of today to receive the same advantages, he said.

Fifty Scouters from various parts of the Robert Treat Council will go to Camp Mohican at Blairstown, for the week-end. Fifteen Scouters are going from Belleville.

Parents of prospective Cubs will meet this evening at the Wesley Methodist church for the first of three training meetings, leading to the organization of Cub Pack 301 under the sponsorship of the church.

The Belleville district committee will meet at 5:30 p.m. on Tuesday, at the office of the Chairman, W. Douglas Clark.

Henry Minasian, chairman of the Belleville district advancement committee has announced a public Court of Honor to be held at School No. 8 on Union avenue, Tuesday, November 27. Parents and friends are invited to attend.

### Tavern License Application Granted By Excise Board

The board of commissioners, sitting as an excise board on Tuesday afternoon, granted a retail consumption license to Sgt. Frank Rissolo. Rissolo will conduct a tavern at 322 Union avenue.

Only one letter of protestation was received, that from a resident in the neighborhood, and in view of the recent decision of the commissioners to remove restrictions limiting the number of taverns, Rissolo's application was granted. The decision was reached to enable returning servicemen who could meet the necessary qualifications, to embark upon this type of business.

The application of Sgt. Rissolo was presented at the commission meeting Tuesday, October 12th, at which time Public Safety Director King stated it was his opinion that the commissioners should take all liquor applications under advisement as an excise board. Rissolo, still in service, attended the meeting this week, having procured a pass to make the appearance. Expecting to receive his discharge in November, Rissolo is

a resident of Belleville and received his education in local schools.

### Basketball Team Forming In St. Peter's CYO

St. Peter's CYO basketball players are at work selecting members for a team which will compete Sunday evening, November 4, with a group of Old Timers now being coached by Thomas Marshall. The youngsters last year defeated their elders but were twice defeated by them this summer in another sphere when they lost two baseball games to the Old Timers.

Patrick McNally is coach of the CYO teams which will enter CYO and local church league competition this winter. The November 4 game will be played in St. Peter's auditorium.

## Stork Had Busy Year In Outdistancing Grim Reaper

Gained Substantial Margin in 1944 With 506 Births, 260 Deaths

In a recent report on the summarization of the activities of the Health department for 1944, the excellent status of the town in general continues to be maintained. The report was submitted to Commissioner Raymond E. Mertz, Director of Public Affairs, by Health Officer Eugene T. Berry.

It shows the communal bird, Sir Stork, outdistancing the Grim Reaper by a substantial margin, although the birth rate for 1944 fell off when compared to 1943, a total of 506 was reported in comparison with 595 for 1943. The death rate shows a slight increase over the preceding year, 260 compared to 235.

Entering the state of marital bliss, 244 marriage licenses were issued in 1944 against 232 for 1943. Of the 244 issued, 225 were performed in Belleville, while 79 local residents were married in other New Jersey municipalities. Conditions were most favorable in the communicable and reportable diseases, with a total of 1,047 cases as compared to 2,943 for 1943. Of these diseases, measles and chicken pox comprised 724 cases of the total.

The tuberculosis picture was also bright, with only 15 cases reported in comparison with 23 for

1943, and of these, only three resulted in death as compared with five for the preceding year. Medical science has gradually forced the disease into steady retreat, but constant care must be shown to keep it in bounds.

The dread poliomyelitis, or infantile paralysis, struck three Belleville residents in 1944 as compared to one for 1943, resulting in one death directly contributable to the disease. The second victim, who had apparently recovered from the disease, died several months later from other causes, while the third victim recovered fully and is now leading a normal life.

## Those Were The Days—

By M. C. Alby

This is the fifth in a series of articles by an old-time resident of Belleville on the activities of the town in the 1890's.—Ed. Note.

Among the old landmarks that have disappeared are the Toad-stool station at Soho, the Big Tree on Washington avenue near the Nutley line that George Washington said to have stood under during a thunder shower, and the old spring of clear, sparkling water just off Washington avenue where Essex street comes through. This spring was piped to the old Essex station, and supplied drinking water to those frequenting it. There was also the spring on Mill street that bubbled out of the rocks. Another beauty spot was the ravine south of Mill street where the Second River ran. The Essex County Park commission has made a beautiful park out of that section but I've always wondered why they built concrete walls for the stream to flow through like an open sewer instead of leaving it as it was, like the stream that flows through Rock Creek Park in Washington, D. C. There is still some beauty left along the Passaic river but like the old gray mare, "she ain't what she used to be," when the calamus grew along the shore.

I shouldn't forget the old saloons without which Belleville would not be Belleville. There was one at the bridge, another on Rutgers street run by Andy Leonard, Crampton's on Main street where they cut ice when it was thick enough, another on the corner of William and Main streets and Andy Ziegler's on Holmes street, to mention only a few. Andy used to hold a clam bake each year and no one knew better than he did, how to prepare one.

### Tavern Murder

There was also the tavern at the corner of Washington avenue and William street where a murder was committed one dark night back in the 90's, that made the town notorious. The old Belleville Hotel at the corner of Main and Mill streets should also come in for honorable mention since it stood for over 100 years.

We used to have great fun when passing Andy Reinhard's saloon on Rutgers street. There was usually some empty beer barrels standing near the curb. Every time we went past the place we would give one of the barrels a kick and then run, while the barrel would be bumping down the hill over the stones in the gutter. The best part of this fun was when the big, fat bar-keeper would run to the door and swear at us in language befitting the occasion.

There were only two town doctors, Dr. Clark and Dr. Skinner. Dr. Clark gave the most vile tasting medicine that was ever compounded while Dr. Skinner prescribed only pleasant tasting stuff. Many people believed in those days that the worse a medicine tasted, the more good it would do. The town was about evenly divided over the M.D.s and many were the arguments over their respective merits.

In the 90's, 9 o'clock was the

zero hour for most families. At the stroke of 9 the downstairs oil lamps were put out and all respectable people started to retire for the night. Anyone walking along the street at that hour would see house after house being blacked out. When a young man called on a girl, he was expected to leave promptly at 9. If he delayed his departure, the girl's mother would call down, "It's 9 o'clock." If he did not take the gentle hint perhaps he would hear the girl's father start putting his heavy shoes on and the young man would hesitate no longer.

(Next Week—Bicycling Days)

THANKS... for helping their calls go through

### "DON'T WORRY, MOM! I'M DOING FINE!"

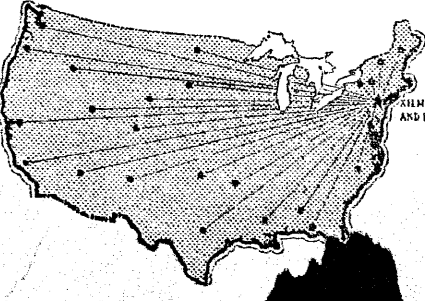

From a soundproof telephone booth of special construction to accommodate wheelchair patients, this wounded veteran is among the thousands of returning servicemen calling home from general hospitals and camps every day. This is the kind of call we believe you would want us to give first priority.

### "HONEST, IT'S ME—IN PERSON!"

You can help a lot to get these happy calls through faster by making your own Long Distance calls few—and brief.

### WHY NEW JERSEY LONG DISTANCE LINES ARE BUSIEST IN HISTORY

With calls reaching out from Camp Kilmer, Fort Dix and New Jersey's great military hospitals to homes in every part of the nation, LONG DISTANCE volume in New Jersey is now more than double that of 1940.

We are still asking you to "go easy" on long distance. But plans are already made to expand facilities to again give everyone the fast, efficient service that was our standard before the war.

NEW JERSEY BELL TELEPHONE COMPANY

## REGARDING BELLEVILLE REAL ESTATE

### WILL ITS VALUE GO HIGHER OR LOWER?

**WE** Do not know and don't believe you do either, and we seriously doubt the sincerity and solidity of individual or agency bold enough to definitely predict the future.

**TODAY'S** Values we feel we do know, particularly Belleville Properties, due to our many years of activity and experience with Belleville Real Estate.

**SALES** Made thru This Agency are on a rather "Private Matter Basis." This Agency Does Not use "FOR SALE" or "SOLD BY" signs on Private Homes.

**NOW** Or later when you wish to sell your property, let's talk it over. As experienced specialists in Belleville Real Estate we maintain our agency as a selling service to owners of Belleville Real Estate. We will welcome an opportunity to act for you—as your selling agent.

This Agency Is Not Associated  
With "Multiple Listing."

### Great Increase in Use of High School Library

Use of the High school library during September has greatly increased over that for the same month in the two previous years, according to a report by Superintendent of Schools Wayne R. Parmer to the board of education on Monday night.

Attendance was 3,570 during last month, compared with 2,242 for September of last year, and 736 for September in 1943. Circulation of books was 934 for last month, 213 for the same month last year and 106 in 1943.

### Bids for Playground Work at Schools 3 and 5 to Be Studied

Three bids for work on resurfacing the playgrounds at Schools No. 3 and 5, received by the board of education on Monday night, were referred to the building and grounds committee of which Walter Gilby is chairman, for tabulation and study. All bids specified the use of different paving materials.

Low bidder was Lugano brothers of town who submitted a price of \$5,887.20. Other bidders were Vincent Gincarlo company, \$6,939 and the Franklin Contracting company, \$6,789.50.

### Burglar Takes Jewels, Leaves Large Ring!

Mary Margaret McBride, famous radio columnist, tells of the burglar who took time out for a bath before making off with the family silver. "No one would have known," said Mary Margaret, "if he had used DIF to remove the give-away ring he left around the bathtub." DIF—the wonder cleaner—cuts housework in half. Your bathtub will sparkle, your kitchen stove will shine. DIF makes the difference in washing dishes, clothes and woodwork too! Look for the blue box!

### Gets Promotion

Ph. M. 3/c Dan Fritts, Daniel Fritts of 234 Ralph street, recently returned from Japan to Okinawa, has been promoted at that base to Pharmacist's Mate 3/c. He formerly held the rating, Hospital Apprentice 1/c.

The son of Mr. and Mrs. George Fritts, he entered the Navy nineteen months ago and went to the Pacific last February. He has served in hospitals based on the Marianas and Iwo Jima.

Now 19, Pharmacist's Mate Fritts was graduated from Belleville High school in 1943 and was with the Western Electric company in Kearny before joining the Navy.

### Bike Club Awarded Plaque for Entertaining Soldiers

The Olympic Bicycle Roller club will be at the Halloran General hospital this afternoon to take part in a gigantic entertainment for the benefit of the wounded servicemen. It will also mark the fiftieth exhibition put on by the roller club in various hospitals and service canteens and government representatives will be present to award a plaque in recognition of their efforts.

Receiving the presentation for Belleville will be Ed Littig, who is one of the outstanding roller-men and bike performers in this area.

Last Sunday, the locals put on an exhibition at the Staten Island Station Areal hospital to round out their half a hundredth performance. Among those present were Ed Littig, Charlie Logan, Herb Henderson, Pee Puterbaugh, Henry Krumweide, Al Bulger, Don Sheldon, Ed Heer, Bob and Joe Arnot.

### School No. 3 Gets Verityper.

The request of W. F. Richards, principal of School No. 3 for the purchase of a verityper with which to publish the school paper which has won top national honors in competition for a succession of years was granted by the board of education on Monday night.

### INDUCEMENTS FOR RE-ENLISTMENT

Larger Bonuses, Retention of Discharge Rank, etc., for Army Enlistees

New and more appealing inducements for enlistments and reenlistments in the Regular Army, including larger bonuses for non-commissioned officers of the lower grades; retention of grades held at the time of discharge; a minimum age of 17 instead of 18, and enlistments ranging from one to three years are announced by the U. S. Recruiting service.

A new War Department circular, based upon Public Law 72, signed by President Truman recently, sets up an entirely new basis for recruiting during the current "Guardians of Victory" campaign.

A choice of arm or branch of service and of overseas theater is offered men who sign up for a three-year period. Selections may be for the European, Pacific and China theaters, the Caribbean Defense Command and the Alaskan Department.

Enlistment and reenlistment bonuses now are paid on the basis of \$50 for each year of prior service for all grades. Formerly only non-commissioned officers of the top three grades received this amount, the others being paid at the rate of \$25 for each year.

Reduce Age

Seventeen-year-olds now may enlist for active duty, provided they have the written consent of their parents or guardians. Formerly only 18-year-old applicants were accepted. Men who have reached their 18th birthday now may join without parents' consent.

A soldier with six months Army of the United States service or more, who was discharged as a private, can be enlisted at the next higher grade of private, first class.

Other inducements include retirement with pay after 20 years service; dependency allowance, enlistment or reenlistment furloughs with travel pay in some instances, Government insurance, G. I. Bill of Rights benefits, free mailing privileges and extra pay for overseas service and for certain types of duty when otherwise earned.

The mustering-out pay of from \$100 to \$300, which is based upon past service, is not forfeited by enlistment or reenlistment.

### Boy Scout Troop Granted Use Of School Without Charge

The board of education passed a resolution at its meeting on Monday night, to provide the use of the schools free of charge, to local Boy Scout troops. The resolution was introduced by Walter Gilby, building and grounds chairman.

Wallace and Tiernan has been paying a nominal charge for use of School No. 1 by its troop 3. The move was commended by Boy Scout leaders who stated that the rapidly growing Boy Scout organization in town will necessitate requests for more rooms in the future.

Requests granted are School No. 9 playroom on Thursday nights; No. 8 playroom on Thursdays to be used for a scoutmaster training course; No. 8 auditorium on Tuesday, November 27, for a court of honor. The Girl Scouts also were granted use of the High school auditorium on November 4.

### State Department Approves New BHS History Courses

Three new courses in American history added to the High school curricula this year have been approved by John H. Bosshart, state commissioner of education. They have been added to provide high school students with the two years study of American history recently made compulsory by the state through a law passed by the legislature.

The new courses are an orientation course for freshmen; problems in democracy for seniors and American history available to both juniors and seniors.
