

## WAYS OF EASING HOUSING SHORTAGE TO BE STUDIED

Conversion of One and Two  
Family Homes, Impetus to  
New Construction Factors

First steps to alleviate the acute housing shortage in Belleville were taken by the board of commissioners on Tuesday night when creation of additional accommodations from present facilities and an impetus to new construction were discussed.

Veterans returning to civilian life are in many cases badly in need of housing accommodations. Joseph McGreevy, chairman of the housing committee, said that approximately 250 returning servicemen interviewed, McGreevy said about 40 are in need of housing. The number is increasing, he observed, with the recently stepped-up rate of discharge.

Mayor Williams said Tuesday night that the two matters will be discussed in the near future at a meeting of the board of adjustment and the commissioners. In addition, he stated that a town survey should be made to determine how many property owners would be willing to convert their one and two family homes if conditions were feasible.

"There are many people in town with homes containing more room than they actually require," he stated. "They may be willing to invest in remodeling their homes to create additional facilities and acquire additional income." It would be necessary however, he observed, to secure the approval of the neighborhood in the areas where the conversions would be contemplated. The Mayor emphasized that he does not wish the proposal to be considered as an attempt to weaken zoning laws, but rather to relieve existing conditions.

Williams estimated that between 100 and 300 additional accommodations could be realized through this procedure and the relaxation of requirements of the New Jersey Tenement House department which has recently embarked on an enforcement campaign. "A number of two and a half family house owners have for years converted the third floor to families even though they violate the Tenement House department's specifications for two entrances and other basic requirements. Under the circumstances, Williams said, the commission could be requested to relax some of these restrictions or properties could be remodeled where possible, in accordance with specifications.

Public Affairs Director Mertz declared that he has already written the commission for permission to make these properties available for additional housing.

## EASTWOOD-NEALLY STRIKE CONTINUES

Men Remain Out in Deadlock;  
Far-Reaching Effects  
Seen Possible

Far reaching effects may be felt in the entire paper-making industry as a result of a strike still in effect at the Eastwood-Neally corporation on Joramelon street. The strike was called last Wednesday after contract negotiations broke down between representatives of the manufacturers and the national executives of the union in Cleveland.

A company spokesman revealed that certain types of paper manufacturers will feel the effects of the strike almost immediately, and if the strike were to continue for several weeks, almost all types of paper manufacture would be seriously affected.

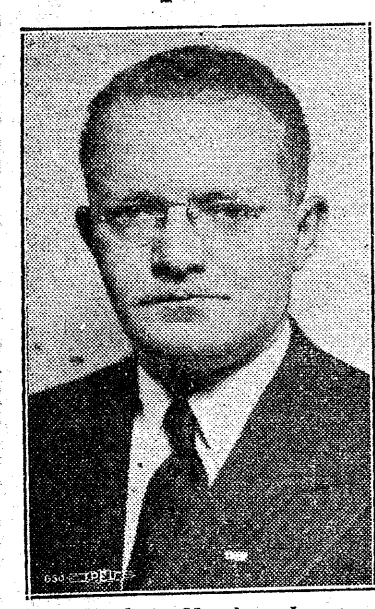

The local concern is one of 11 companies throughout the country in which the weavers, members of the Wire Weavers Union, A.F.L., walked out on instructions from their national headquarters. These companies are producers of four-drum wire, a special type of wire used on paper making machines in the process of converting pulp into paper. There are only 300 of these weavers in the country, according to a company spokesman. When they strike, all manufacturing halts and about 2,000 other workers have been affected so far.

In a statement issued by a company spokesman, he said: "We employ approximately 240 persons, of which number about 60 weavers are on strike. The last contract we had with the weavers expired December 31, 1942, and from that time to this, we have been in constant negotiation with the union, which functions through a national executive board of six men."

Before WLB in '43

"The matter was taken to the National Labor Board by the union in 1943 and in the decision rendered by the board, the 11 companies involved accepted the decision and paid to the men the extra pay granted by the board."

## REPUBLICAN RALLY AT ELKS TUESDAY

Guest Speakers Include Rep.  
Fred Hartley and State  
Comptroller Zink

A joint rally under the auspices of the Joseph King Association, the Hartley Club, the Women's Republican Club and Harry Machette, town Republican leader, will be held Tuesday evening, at the Elks club. The rally will be held in conjunction with the coming election on November 6, and candidates for the various positions will be present.

Principal speakers for the evening will be Rep. Fred A. Hartley, Jr., from the 10th Congressional District and State Finance Comptroller Homer C. Zink. The Republican town commissioners also have been invited to speak, and the public is invited.

Among the candidates expected to appear are County Clerk Russell Gates, who is up for reelection, County Chairman George Becker, who is Surrogate, Mr. Abner Magee of Nutley, who is endeavoring to gain a freeholder post, her term as a replacement to a vacancy having expired, Walter Gray, trying for the County Supervisor berth, Joseph Solimine, secretary of the Republican county committee aiming for a freeholder position, and others.

## ESCAPE INJURY IN TWO CAR CRASH

Wife and Son of Soldier  
Narrowly Avert  
Disaster

The wife and baby son of a serviceman miraculously escaped injury last Thursday afternoon in a two car crash at Washington avenue and Little street, when the automobile in which they were riding turning over three times and landing right side up with every window shattered. Mrs. Bart Sanfilippo, 21, the former Flora Davis of 78 Bell street and son Bart, 20 months old, were the occupants of the smashed car. The driver of the other vehicle was Albert H. Schomburg, 49, of 37 Beech street.

Traveling west on Little street, Mrs. Sanfilippo stated that she was halfway across Washington avenue when the traffic light turned yellow, and then she heard a crash. Schomburg was traveling north on Washington avenue when the cars collided, the impact overturning the Sanfilippo car, finally landing right side up in Little street, on the west side of Washington avenue.

Taken to the offices of Dr. S. Martin Gilbert on Rosemore place, a preliminary examination disclosed no injuries to mother or child, but they are still under observation.

Providence is evidently determined that Cpl. Bart Sanfilippo should see his son. The corporal has been in service two and one half years, two of which he has been overseas with an artillery unit. He has never seen his offspring. Wearer of four battle stars, one of which was earned in the drive through Normandy, Sanfilippo also wears the Good Conduct medal.

Expected home since the early part of October, the corporal is overdue, and a phone call or a telegram advising of his arrival is expected momentarily.

When interviewed, Mrs. Sanfilippo stated that her chief concern after determining her baby was alright, was the condition of the car, for it had just been repaired and put in condition for her husband's arrival home.

## RUBBER PATCHING MACHINE ACQUIRED BY RESISTOFLEX

Belleville Concern Gains Man-  
ufacturing and Dis-  
tributing Rights

Resistoflex Corporation, developers of products made of compar, announces acquisition of the American manufacturing rights for an automatic vulcanizing machine formerly produced by Stenor, Inc., and sold under the trade name of Stenorizer.

Renamed the Resistoflex Vulmaster, the machine will be packaged with all necessary tools and patches and sold as a unit for hot or cold-patching of rubber and synthetic rubber tires, tubes, casings and other rubber products. Distribution of these units as well as the machine and patches separately will be handled by Resistoflex Corporation through selected distributors and representatives in all but the New England area and New York State. The main sales office will be located at the parent plant at 691 Main street.

This expansion is in line with Resistoflex Corporation's postwar plan to supply the automotive industry, through distributors, with products of high merit. The addition of the Vulmaster parallels the well-established line of compar oil- and solvent-proof hose assemblies, developed by Resistoflex. In the past, these products were supplied as original equipment to 250 manufacturers of civilian and military vehicles, vessels and aircraft. Substantial quantities also went to manufacturers of hydraulically operated production machinery and fire-fighting equipment.

The Vulmaster is also a time-proven product. Thousands of these automatic machines were used during the war by the Navy, the Air Corps and the Engineers Corps for the repair of rubber boats, life vests, divers' suits, pontoons and de-icer boats for bombers. In this country as well as in England, these machines are used for the repair of all manner of rubber and synthetic rubber goods, including fire hose. In fact, it was thousands of these machines, manned by women, that kept fire hose in repair during the London blitz. Although rather a newcomer in the United States — production first started here in 1940 — this machine was marketed in England sixteen years ago, where over 40,000 units are now in use in an area no larger than the New England States.

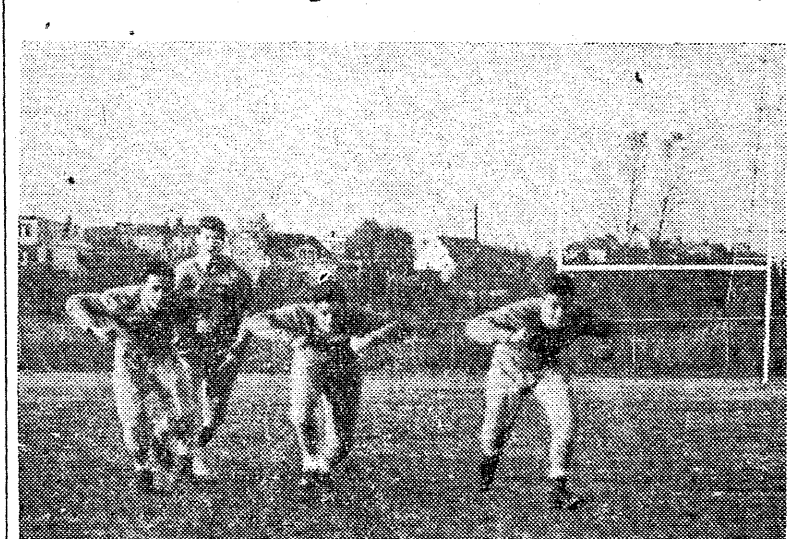

The merchandising of the Resistoflex Vulmaster and patches through distributors will be supported by a sales organization specially trained in this field and by one of the heaviest trade paper campaigns that has ever been undertaken by a manufacturer of replacement parts and equipment.

## Well Known Speaker at Lions Club Today

Guest speaker at the Lions Club luncheon today at Wesley Methodist church will be John Fraser, internationally known psychoanalyst and radio speaker. A number of guests have been invited.

Mr. Fraser is well known through his lectures and articles on character analysis, providing a unique form of entertainment with his "personality portraits". During the months of November and December the Lions have announced that they will meet at St. Paul's Methodist church, Gratton and Mt. Prospect avenues, Newark.

## Hard Running Backs

BELBOY BACKFIELD that will take the offensive against Irvington on Saturday are shown above in practice session at Clearman field. In the usual order, they are Pete Del Vecchio, halfback; Don Smith, halfback, clutching the pigskin; and the Distasio brothers, John, quarterback and Joe, at full.

## Belleville Travels To Meet Irvington On Saturday

Look For Third Win; Will Be  
Favored to Beat  
Camptowners

An arch rival will be met at Morrell Field in Irvington Saturday, when the Belleville High school eleven travels to tangle with the Irvington gridiron representatives. The game will begin at 2:30. Past performances go by the books when these two meet, and although the Bellboys will enter the fray in the role of favorites, anything can happen. Belleville ranks high among Essex County school teams in spite of their one touchdown loss to Bloomfield, a team that is still unbeaten.

Irvington, with excellent pre-season prospects, has been disappointing to their followers so far this year, failing to win a game the first two times out. Last week, they finally landed in the victory column, by virtue of a slim 13 to 12 triumph.

Belleville, with only fair prospects at the beginning of the year, has come along rapidly under the tutelage of Coach Bill Chapman and assistants Frank Spotts and Jitty Wische.

The Bellboys have recorded triumphs over Barringer and Passaic this season, and dropped a close 18 to 13 contest to Bloomfield. In the Passaic game last week, the Yellowjackets pushed the visitors all over the field, but came out with a 12 to 0 win. The attack bogged down inside the 10

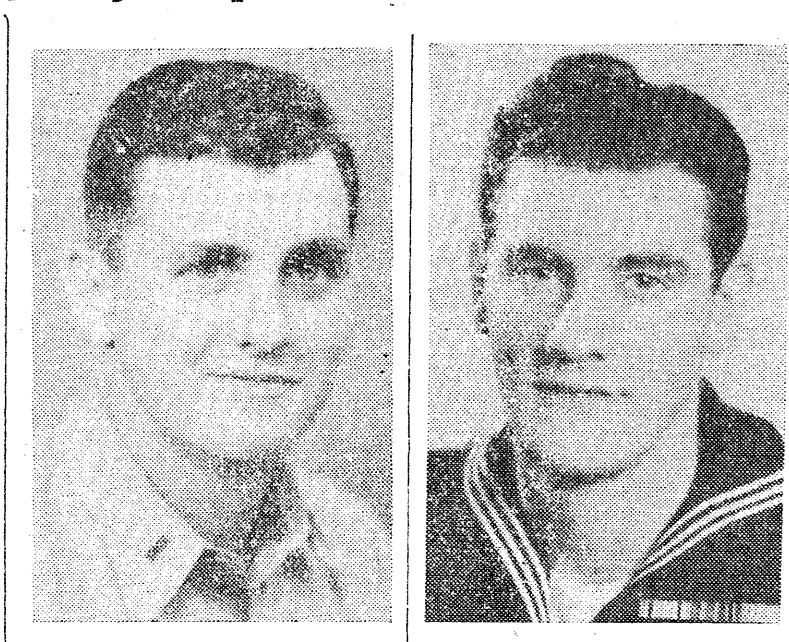

## Ration Board Closes Monday In Amalgamation Move

The Belleville War Price and Ration board will permanently close its offices at 444 Washington avenue on Monday night, in accordance with plans for the amalgamation of over 20 boards in Newark district.

Board President Herbert Schmutz has announced that all rationing for Belleville residents will be handled at the Newark board office, 1016 Broad street.

Present and former members of the board and the paid personnel will have a farewell dinner on Wednesday evening at the Elks club.

## The Four "Fighting Tullys" Serving In The Armed Forces

William Tully—S/2c 2nd Lieut. James Tully John Tully—S/1c Francis Tully—S 1/c

Before entering service, he was a purchasing agent for General Electric in Bloomfield, and is single.

S/1c John, in the Navy two years as a member of the naval armed guard serving on merchant ships, has seen action all over the world in every theater of operations. Now stationed on Treasure Island in California, John is married to the former Margaret Gilchrist of South Orange. The couple have one child, a girl two years old. Before entering the Navy, John was employed by the Newark Wire Cloth company.

Youngest of the four brothers in service is Francis, who is a seaman first class, in the Navy one and a half years and now stationed at Transportation Ships company at San Bruno, Cal. Johnny and Francis got together recently, after not having seen each other in over a year, meeting at San Bruno. When Johnny arrived at

## HOUSE CANVASS STARTS MONDAY IN V BOND DRIVE

Industrial, School, Club and  
Organization Divisions  
Also Ready to Go

The house-to-house canvass in Belleville's Victory bond drive will start on Monday with a goal of \$600,000 in E bond purchases. Simultaneous with the house canvass, will be the drive in industry, he schools, clubs and organizations, for an overall town quota of \$3,500,000.

As the final bond drive to be conducted by the Treasury department, it is expected, drive officials said, to siphon off individual excess capital in an attempt to avoid inflation. While the E bond quota is less than half of that for the Seventh War Loan, the overall is only \$500,000 less. This is due, officials said, to the new ruling restricting the maximum bond purchases of insurance companies and banks, which has greatly lowered Newark's quota. The difference has been spread throughout the other municipalities in the county.

The town's nineteen treasury representatives met Monday night with those of other municipalities at the Robert Treat hotel in Newark, at a meeting called by the Essex County War Finance committee. Basic methods of determining plant quotas were explained. They expect to establish local plant quotas this week to be ready for the drive's opening on Monday, Philip Dettelbach, drive chairman, said yesterday.

Ronald Brunner, assistant to Dettelbach who is in charge of the house canvass, has stated that he will be conducted on the same basis as previous drives, using former air raid wardens, the ambulance corps, and some workers from the Community Chest drive personnel for the solicitation.

Greater emphasis will be laid on the house canvass, the campaign in the schools and in club and organizations, during this drive, he said. The Boy Scouts will also conduct their own intensive campaign, as they have, previously.

## Lindley Graves Named as Member of Library Board

Lindley A. Graves, who was appointed as a trustee of the Belleville Public Library Board by Commissioner Louis A. Noll at Tuesday evening's Commission meeting, has long been active in Belleville civic affairs.

The appointment of Mr. Graves fills the vacancy caused by the resignation of Mrs. Mary Dodd, who has served on the board for 22 years.

Born in Elizabeth 42 years ago, Mr. Graves attended Belleville schools, graduating from Belleville High school in 1923, as class president. He now resides at 488 Cortlandt street.

Mr. Graves has been active in Boy Scout work for 28 years, having held every volunteer position in scouting. Last April he was appointed District Scout Commissioner. He is also a trustee of the Belleville Citizens Committee.

He is married to the former Martha Miller of this town. The couple has three children, Richard, attending Belleville High school, and John and Elizabeth, attending the grade schools.

## MASS OF REQUIEM FOR CPL. LUCAS

Corporal Enroute Home, Dies  
In Mountain Plane  
Crash in China

A solemn high mass of requiem was offered in Holy Family church, Nutley on Friday morning for Cpl. Benjamin Lucas, son of Mrs. Louise Lucas of 30 Newark place, who was killed in transport in China September 28. The plane in which he was traveling, crashed into a mountain and was destroyed.

From his most recent letters his family believes that he was enroute home. Cpl. Lucas had nearly completed two years in the Far East and was most recently stationed at headquarters of the Chinese Combat command. He entered the Army in March 1942 and was 23 at the time of his death.

First stationed in India he went through the reopening of the Burma Road and was with the Mars Task Force. Always minimizing danger throughout his prolific correspondence, his family had to learn from a newspaper clipping that he had volunteered to be one of this death dealing force. It was through his buddies that they also learned that he had been shot by Jap snipers. He held three battle stars.

Cpl. Lucas and his brother, Pfc. Andrew Lucas who is now on 45 day furlough at his mother's home, were inducted into the Army within a month and did not meet again. Pvt. Lucas has been in Europe. The brothers have exchanged 300 letters in the years they have been separated.

Beside his mother and brother in service Cpl. Lucas is survived by John, Charles and Frank Lucas, brothers; Mrs. Nicholas Loller, Mrs. Howard Smith and Mrs. George Ayers, sisters, all of Belleville.

## RESIDENTS OBJECT TO TAVERN LICENSE

State No Need For Union Avenue  
Tavern; Query Validity  
of Lease

Related opposition to a liquor license granted to Sgt. Frank Rizzolo at a recent excise board meeting of the commissioners, arose at the town commission meeting Tuesday night.

Representing the residents in the neighborhood of 382 Union avenue, where the tavern license was allowed, Louis Sussman appeared before the commissioners with a petition of 40 signatures, asking that the case be reopened for further hearing. Sussman said the reason for the objections were not raised at the proper time, was that the residents in that locality, seeing the notice in the paper, did not connect 382 Union avenue with their vicinity.

Sussman further stated that the residents feel that a tavern is not necessary in their neighborhood, there being a package store a short distance from the proposed tavern, and another tavern about a half mile away. Continuing, Sussman said that according to information he has received, there is a possibility that the application presented by Rizzolo was not in order, due to the fact that the present owner of the property where the saloon is located has not granted a lease to Rizzolo.

Stating that when the premises were sold to the present owner, he did not immediately take title, and it is possible that the lease mentioned in Rizzolo's application was contracted with the seller of the property, Sussman asked the commissioners to investigate the validity of the lease. Sussman said that the present owner of the property would not give Rizzolo a lease.

The matter was referred to Town Attorney Lawrence Keenan, who said he will contact ABC Commissioner Driscoll, giving the facts and then determining if the case may be reopened.

## 200 MERCHANTS SIGN KIDDE UNION STRIKE PETITION

Conciliator is Unable to Bring  
Accord Into Dispute of  
Two Weeks' Standing

Approximately 200 Belleville merchants signed a petition circulated this week by Local 420, United Electrical Workers, CIO on strike at the Walter Kidde company. The petition states that the strike "can and must be settled quickly and harmoniously around the conference table." It also states that "security is the main issue."

A union spokesman said yesterday that the result of the petition will be presented to company representatives at the next meeting as an indication of public opinion.

Outlining the differences that have deadlocked negotiations for two weeks, the petition states, "We business men who know intimately many of the employees concerned, understand their need for an increase in pay, now that they have lost thirty percent of their income by the reduction of number of hours worked. We can appreciate their desire for security in the new rates of pay so that their families can know that as long as the breadwinner is doing his present work, he will be getting the same rate of pay."

Efforts to settle the two week strike at the plant fell through on Monday when officials of the company and union went outside the first time in a conference called by Commissioner Thomas Fenton of the United States Conciliation Service.

## Suggests Arbitrator

Neither side could agree to terms, and Commissioner Fenton proposed that an outside arbitrator be appointed to settle the issues. According to a union spokesman, the company refused such a move, while the union agreed.

At a membership meeting held at the Elks Tuesday morning, the members upheld the position of the union officers regarding arbitration, the union spokesman said. He further stated that in the relations with the company to date, John Kidde, president of the concern and a director of the Kidde interests, has refused to appear or to discuss terms with the union. The union feels, said the spokesman, that as a responsible officer of the concern he owes it to the employees and the town of Belleville to take immediate steps to reach a decision.

## GRAND JURY TO ACT IN TAVERN FIGHT

One Man Held; Proprietor of  
Tavern Faces Excise  
Board Charges

Thomas Sharp, 25, of 196 Joramelon street, was held in \$500 bail on a charge of atrocious assault and battery for Grand Jury action in a hearing before Recorder Everett B. Smith last night. The charge was the result of a fight at the Hillcrest Tavern, 66 Washington avenue last Saturday night in which one man was injured and the others arrested.

The injured man, Thomas Conlin, made the charge against Sharp, while the latter countered with a county complaint of simple assault against Conlin, his brother, Harry Conlin, 24, of 309 Broadway, Newark and Anthony Rich, 43, of 116 Bloomfield avenue, Nutley. The counter charges made by Sharp were dismissed against Harry Conlin and Anthony Rich, while Thomas Conlin was fined \$25.

On the basis of a report received from Public Safety Director King, Mayor Williams announced yesterday that excise board charges will be preferred against Mrs. Mary Engel, proprietor of the tavern. This came as the result of a conference between the mayor and the commissioners, at which time Williams instructed Town Attorney Lawrence Keenan to prepare the charges. The mayor stated that Mrs. Engel would probably be served with the papers today and a hearing will be held Tuesday with the commissioners sitting as an excise board.

According to police, Sharp engaged in a fight with Thomas Conlin in a side room of the tavern, and Conlin was knocked down and injured. Sharp then went outside and was followed by Harry Conlin, who is the bartender, and Anthony Rich, and the three engaged in a fight on the sidewalk. They were arrested by Patrolman Caseavone, and Thomas Conlin was taken to St. Mary's hospital in the town ambulance. Conlin signed himself out of the hospital, after being detained overnight for a possible concussion.

Sharp was held in the local jail prior to last night's hearing for failure to produce \$1,000 bail and Harry Conlin and Anthony Rich posted \$50 bail for appearance last night.

## Girl Scout Demonstration Of Program Next Week

Annual Observance Gives Public Opportunity to View All Aspects of Scouting

Girl Scout week, which opens Sunday, will give Belleville adults three opportunities to observe practical aspects of the movement here. Girls will attend their churches in uniformed groups Sunday; a program demonstration of scouting laws and their interpretation, "Scout's Own," will be given in the high school Friday evening at 7:30 and a County Fair will be held in the Masonic Temple Saturday afternoon from 9 to 6.

With proceeds of the fair the girls will augment the support of the Community Chest which covers major expenses of Girl Scout administration. Equipment for troop use, such as volley balls and other athletic needs and handicraft materials, will be purchased with fair receipts and the articles will be kept in headquarters to be loaned to troops as they are needed.

Illustrating the international aspect of Girl Scouting, especially as it applies to the aftermath of the war, Scout's Own Friday evening will be titled "Makers of Peace." The scene will be a reproduction of the Girl Scout chalet in Switzerland, international scout headquarters.

Actually the Swiss chalet, in peace time, is the scene of annual conferences of scout activities, leaders and girls from every nation. Here the scouting needs of various nations are discussed and funds allocated for them. During the war and now funds have been diverted to alleviate suffering children.

Juliette Lowe Fund

Girl Scouts everywhere make a yearly donation of at least one cent apiece on the anniversary of the birthday of Juliette Lowe, founder, October 31. Last count showed more than a million Girl Scouts in the United States. Girls do not adhere to the minimum donation and troop contributions often amount to \$5 or more, according to Miss Elizabeth Baudagay, scout director here. Miss Stanier is Juliette Lowe chairman of Belleville troops.

Friday evening, before the improvised chalet, Belleville scouts will represent twelve foreign countries by means of spokesmen, exhibition of native dances and action ballads. They will sing up the international aims of Girl Scouting. In a flag ceremony the World flag, composed of the scout trefoil centered with a flame, to represent understanding between nations, will be featured with the American flag and flags of individual troops.

The program has been prepared by troops and their leaders and coordinated by Mrs. Charles Speed, Council program chairman. Miss Helen McNair, teacher in Jerusalem street school, will assist.

### Hearing November 13 For Proposed Zone Changes

A public hearing will be held at the next commission meeting on November 13 on two changes of zone from Residence B to Industrial which were passed on first reading by the board on Tuesday night.

One is for the Plasto-Craft company on Cortland street, opposite Hoyer Products. The company plans to construct a building for manufacturing and purchased the property, it is understood, on condition that the zone be changed.

Property located on Berton street near the Public Service line has been purchased by the Hannibal Woodworking company, formerly of Stephens street. A building now used for garage and storage purposes will be used by the company in its work if the zone change is granted.

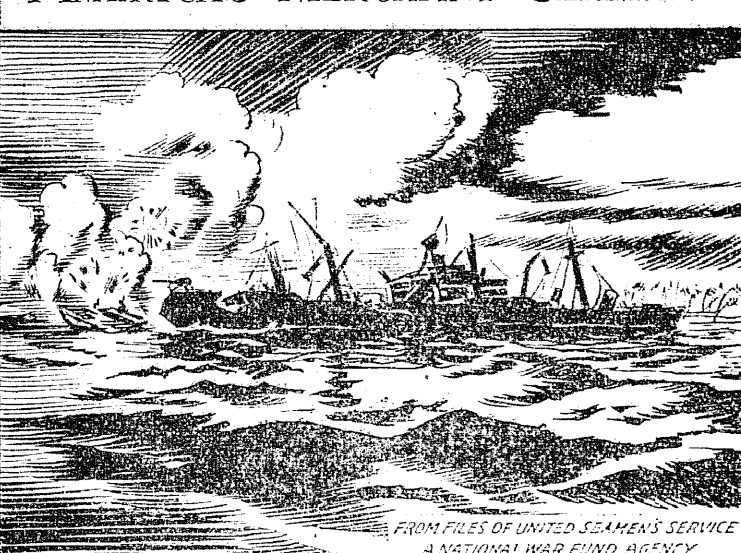

### Belleville Craftsmen Hold Show and Dance Nov. 3

The Belleville Craftsmen's club will hold their twelfth annual show and dance at the Belleville Elks club on Saturday, November 3.

According to Charles Nutt, in charge of reservations, tickets will be limited. Eric Peterson is chairman of the affair.

A Broadway show is scheduled to be presented by Howard Oliver, who has brought the entertainment to the annual affair for the past ten years, and George Milano's orchestra will furnish the music for the occasion.

## AMERICA'S MERCHANT SEAMEN

By exceptional courage and leadership, American Merchant Marine Captain Jonathan M. Wainwright, son of Lt. General Jonathan M. Wainwright, hero of Corregidor, saved survivors of his bombed vessel, the SS Anna Howard Shaw of the American South African Line, just before she exploded. Later, with nine crew volunteers, he brought another bombed ship, with thirty feet of water in her engine room, to a beach-head where her cargo of gasoline and ammunition was vitally needed. Captain Wainwright received the Merchant Marine Distinguished Service Medal.

## CHURCH WOMEN PLAN PROGRAM

Mark World Community Day At Montgomery Church On November 2

World Community Day, an interdenominational program under the auspices of the United Council of Church Women, will be observed in Belleville Friday afternoon, November 2, in Montgomery Presbyterian church at Mill street and Montgomery place.

The theme, "The Price of Enduring Peace," will be developed by Mrs. Howard E. Kershner of Glen Ridge, wife of the vice-president and overseas chairman of the Save The Children Federation. Mrs. Kershner has worked with her husband in Europe among refugee children and the children of invaded countries where the federation is conducting rehabilitation of the schools. The couple are also affiliated with the Society of Friends and the Friends Service committee.

Mrs. William F. Francis of 181 Hornblower avenue, organist in a Yonkers, N. Y. church before she came to Belleville last year, will furnish the musical part of the program.

A committee of women representing the churches here will have charge of the program: Mrs. Guy Brown of Bethany Lutheran church; Mrs. Henry Winkelman, Grace Baptist church; Mrs. William P. Adams, Belleville Reformed church; Mrs. Robert Gardiner, Fewsmith church; Mrs. Fred Idenden, Christ Episcopal church; Mrs. George Johnson of Montgomery church and Mrs. R. C. Whitfield, Wesley Methodist church.

### Eastwood Neally

Continued from page one  
The union refused to accept the board's order in regard to matters dealing with manpower, which required the supplying of extra help when needed by each shop.

The company spokesman further adds that the 11 companies met with the union in Cleveland on October 16 of this year, prepared to negotiate a new contract on the basis of new demands made by the union. Wage increases were agreed upon, but the companies stated they were dependent upon the final settlement of the non-wage provisions of the agreement. The union refused to negotiate a contract on this basis, insisting upon a substantial piece work rate increase before discussing other matters. Unable to agree, both parties adjourned from the conference, and that is the position of the strike at present.

Union Statement  
Attorney for the powerful A.F.L. union, Thomas L. Parnson, stated on Tuesday that the union had only a seven percent increase since 1935, which was a ten cent an hour raise granted in 1943. He stated that the union is a highly skilled one, and after several years as a helper, a worker must serve a four year apprenticeship before he is considered a craftsman.

At the present time, said Parnson, the union is still below the Little Steel formula, which allows for a fifteen percent increase over wages received up to 1941, and stated that the union insists that the wage question be settled before other points are considered.

There are two wirecloth manufacturing companies in New Jersey, two in New York, three in New England, two in Ohio and two in Wisconsin. These make up 95 percent of the wirecloth

manufacturers in the country. According to Parnson, two New England firms have signed agreements meeting the union terms and were not among the eleven companies affected by the strike. The company countered this statement with "They are only small operators."

### Basketball Meeting at Rec House Monday Night

A meeting under the direction of Superintendent of Recreation Edward J. Lister to complete organization plans for the basketball leagues sponsored by the Recreation department will be held at the Recreation house on Jerusalem street Monday night at eight o'clock.

At the present time Church league will have teams representing St. Anthony's, Christ Episcopal, Fewsmith Memorial, Montgomery Presbyterian, St. Peter's and Wesley Methodist.

In the intermediate league, entries include the Demons, Starlings, Clowns, Fewsmith, Shamrocks, Hilltons, Imperials, Wildcats, Unions, Rams and Rangers.

The Recreation department is under the supervision of Commissioner Louis A. Noll.

# Over 300 Students Register For Junior Achievement

## Enrollment Follows Presentation of Aims in BHS General Assembly

A technicolor film introduced Junior Achievement to an audience of 1,100 high school students last Friday afternoon during the general assembly period. G. Crosby Hiss, chairman of the JA central committee, addressed the group, Hugh D. Kittle, high school principal, endorsed the movement and David Gossweiler, assistant director of Junior Achievement in New Jersey, supplied commentary and made arrangements for students to enroll in junior companies.

Registrations were conducted throughout homerooms this week by means of applications for the Junior Achievement pre-business experience. More than 300 students signed their interest in joining companies which will operate Monday, Tuesday and Wednesday evenings at Belleville avenue JA headquarters and workrooms.

Designed to conquer the dilemma contained in the well known phrase, "you can't get a job without experience; and you can't get experience without a job", Junior Achievement sets up youth companies which undertake every phase of manufacture, buying, selling and financial direction. Advisors, supplied by the local industrial sponsors of the project, direct the young people in their efforts.

Five companies were organized here two years ago; each with an individual sponsor among the town's industries. Under a streamlined program Mr. Hiss and the central committee have secured joint sponsorship of the whole JA project in Belleville by a larger number of industries.

Three companies will operate at headquarters simultaneously on each of the evenings designated. Chemistry, woodworking, radio repairs, metal products and photography will be represented.

Enrollees will be accepted on the basis of their sound interest in Junior Achievement, the result of a personal interview by the advisors of the company they have chosen and an analysis of the information contained in their applications. Eighteen members will be permitted in each company. The remainder of applicants will be placed on a waiting list.

Mr. Hiss, speaking Friday, told the students of the impetus given his career by a youthful opportunity in the Navy to acquire thorough knowledge of his profession and some of the technique of holding a job. He is now general manager of the Walter Kidde company. He pointed out that Junior Achievement is made-to-order opportunity for pre-business experience which does not depend on chance.

Principal Kittle greeted the project enthusiastically and told his students that the high school is in full support of the program.

Elwood P. Russell, JA central committee publicity chairman, was also present. Interviewing students after the program he quoted two typical responses from Eileen Flannery who said, "I love to work with wood and I love to make contacts with people. Perhaps Junior Achievement will help me make these interests profitable"; and Jack Warren, chemistry student, who said "Junior Achievement will give me a better chance to get a job in my field."

Miss Dolores Frederick of 169 DeWitt avenue this week joined the swimming club at Newark Athletic club where she will train for ballet and competitive swimming.

## Bride-Elect

Miss Ruth Wood  
**MISS RUTH WOOD WEDS SATURDAY**

Marriage to James S. Lee Will Take Place in Ceremony at Reformed Church

In an evening candlelight ceremony in Belleville Reformed church Saturday Miss Ruth Wood, daughter of Mr. and Mrs. James W. Wood of 34 Lincoln terrace, and James S. Lee, son of Patrolman and Mrs. James Lee of 32 Bayard street, will be married by Rev. John A. Struyk. The marriage will take place at 8, after which a reception will be held in Nutley Masonic hall.

Principal attendants will be Miss Catherine Wood, maid of honor, and Marine Cpl. Robert E. Lee, best man. Other brothers and sisters of the bride and bridegroom-delect who will take part in the ceremony are Mrs. Edwin Wood and the Misses Betty and Estelle Lee, bridesmaids and Edwin Wood and Seaman 2/c Donald Lee, ushers. Another usher will be Edgar Bloemke, also of Belleville.

Pale pink and blue costumes have been chosen for her, attendants to complement the ivory satin gown in which Miss Wood will be married. Made with lace bodice, the gown will be worn with fingertip veil draped from a Juliette cap of seed pearls. Her bouquet will be of white roses.

Miss Catherine Wood will wear a gown of pink chiffon over taffeta and will carry red roses. The other attendants will wear identical gowns of pale blue chiffon and will carry pink roses. In each case pearl studded Juliette caps similar to the bride's will match their gowns.

After a Virginia honeymoon the couple will reside at 20 Rutgers street. Miss Wood was graduated from Belleville High school in 1941 and is with the Prudential Insurance company. Mr. Lee, also a graduate of the local high school, served 42 months in the Army with the Army Engineer Corps. He received an honorable discharge two weeks ago.

Sgt. Clement Ippolito, son of Mr. and Mrs. Clement Ippolito, of 97 Magnolia street, has been transferred from the Columbia army First Air Force base in South Carolina to a Separation center to receive an honorable discharge from the Army Air Forces.

In civilian life, a refrigeration technician, Sgt. Ippolito entered the service on June 5, 1942. He departed for overseas as a Quartermaster Supply Clerk on August 6, 1942, and returned to this country on July 18, 1945.

He holds the European Theater of Operations Ribbon with three stars, the American Defense and the Good Conduct Ribbon.

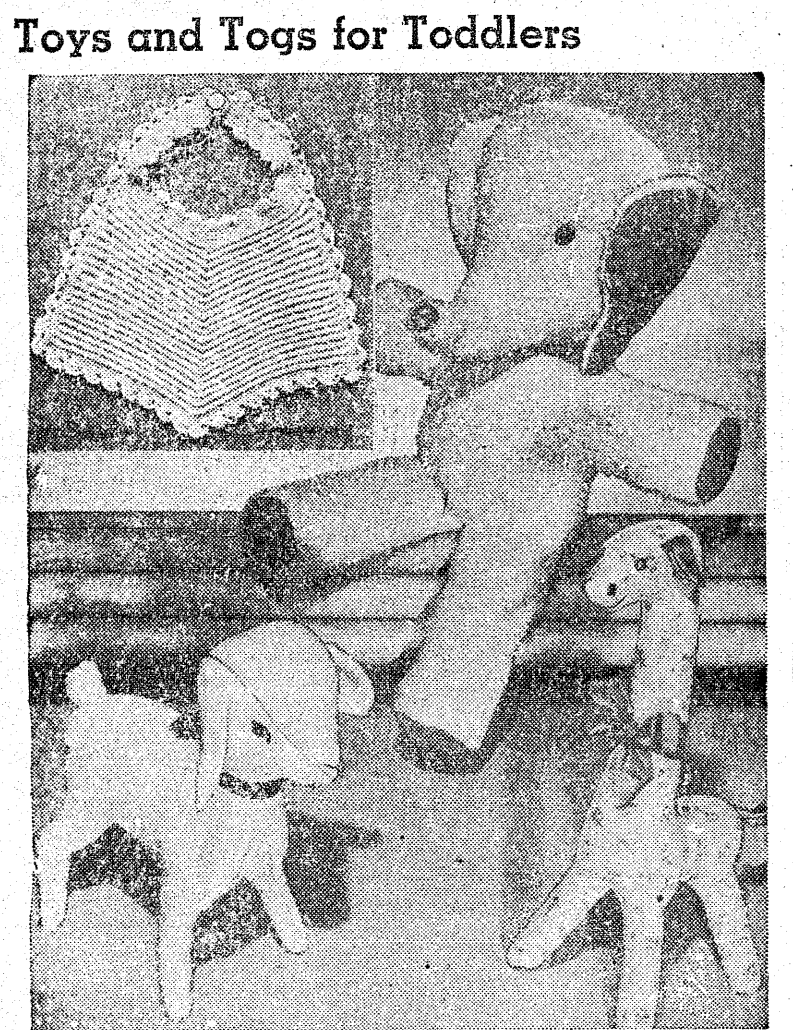

Sgt. Frank M. Strigari, son of Mrs. C. DeAngelis of 511 Franklin avenue, has been honorably discharged from the Air Forces.

Entering service in February 1943 he spent eighteen months overseas with the 436th Troop Carrier Group in England and France as a parachute rigger. He wears the ETO ribbon with seven stars.

Prior to reporting to Baer Field for separation, he was stationed at

ROOT FOR THE HOME TEAM in this cardigan suit of royal blue corduroy. The slim, three-button jacket is collarless to point up bright neckwear, colorful pins. The front pleated skirt, like the smooth cardigan, is tops with school girls.

### Toys and Togs for Toddlers

WATCH your youngster's eyes shine when he sees a menagerie under the Christmas tree. You can make these animals from any scraps of material you may find in your sewing basket, stuff them with cotton batting. This Christmas will find us celebrating in the old-fashioned way, making a little count for a lot. While you're in the mood for making gifts, crochets a bib for the toddler, and booties in the latest open-toed style for the tiny new-comer in your circle of acquaintances. Directions for crocheting the bib and booties and further information about the toys may be obtained by sending a stamped, self-addressed envelope to the Needlework Department of this paper, specifying design No. 1531.

Two Belleville Students on Dean's List in Newark

Two Belleville students qualified last term for the Dean's list at Newark College of Engineering, Dr. Allan R. Cullimore, president of the College, announced recently. To be eligible for the scholastic honor, an over-all grade of "B" must be maintained for the term. The students are William A. Gerard of 149 Cedar Hill avenue and Benjamin M. Levy of 120 Biemond street.

Belleville Youth In College

Two residents of Belleville are among the 150 freshmen who have been matriculated this fall at Newark College of Engineering in the 41st freshman class. They are John W. McTiernan, son of Mr. and Mrs. James McTiernan of 76 Ligham street and Harvey Levy, son of Mr. and Mrs. Arthur Levy of 120 Biemond street. McTiernan, a graduate of Belleville High school, will take courses in the field of chemical engineering while Levy, a graduate of Bayonne High school, will pursue studies leading to a degree in mechanical engineering.

When Wilson college at Chambersburg, Pa. celebrated its Diamond Jubilee October 12-14, Miss Linnea Andree of 242 Washington avenue was present as president of the Northern New Jersey Wilson College club. One of the nation's oldest colleges for women, Wilson was chartered March 24, 1869. It opened its doors to its first students October 12, 1870.

Local boys attending Monclair Academy Country Day school include Arthur Hyde, son of Mr. and Mrs. Elmer S. Hyde of 13 Rossmore place who is manager of the school's football team. Hyde was a candidate for the backfield, but during practice received three cracked ribs and was given the position of manager.

Others attending are Rudolph Doetjen, son of Mr. and Mrs. Rudolph H. Doetjen of 28 Clearman place; Richard Seigler, son of Mr. and Mrs. Frank Seigler of 13 High street; James Jackson, son of Mr. and Mrs. R. M. Jackson of 2 Lloyd road; Stanley Miller jr., son of Mr. and Mrs. A. Stanley Miller of 29 Clearman place; Joseph Padula, son of Isadore Padula of 193 Fairway avenue; Donald Smith, son of Mrs. Florence V. Smith of 35 Rossmore place; Kenneth Post, son of Mr. and Mrs. William H. Post of 264 Holmes street; and Robert Smith, son of Mr. and Mrs. Everett B. Smith of 15 Van Reyper place.

Miss Ruth Amy Nees, daughter of Mr. and Mrs. Harry F. Nees of 20 Elena place, has been pledged to Delta Gamma sorority during the fall rushing season at Syracuse university.

Miss Nees, a freshman, is a graduate of Belleville High school. She is enrolled in the College of Liberal Arts preparing to major in journalism.

Library Notes

An attractive display for Halloween is featured in the children's department of the Free Public library this week. Appropriate pictures decorate the room, and a group of books on Halloween are available for young readers.

The following are among the books in this group: A Little Book of Halloween, Sechrist; Halloween, Schaffner; Book of Holidays, McSpadden; A Child's Book of Holiday Plays, Wickes; Halloween Tales, Owen; Tomson's Halloween, Baker.

Navy Day

Acknowledging the part of its NAVY in final victory, a grateful nation celebrates Navy Day, Oct. 27. The war won, the importance of its air and seapower recognized, the "world's greatest Navy" readies itself for a vigilant peace; guns, ships, planes and men on the alert. The final story of the Navy's careful integration of its sea-air power and landing forces, will go down in history as an epic of military achievement. These official Navy photographs show several facets of the hard-fought struggle.

St. Peter's CYO Will Give Halloween Dance Tonight

A Halloween dance will be given tonight by the girls of St. Peter's CYO at the auditorium in the old school. The boys of the CYO have been invited and the affair is open to all CYO members and their parents.

The auditorium will be decorated in the appropriate manner by the girls, and Rita Carragher will be in charge of games while Antoinette Orsulak is in charge of refreshments.

George Washington Bridge

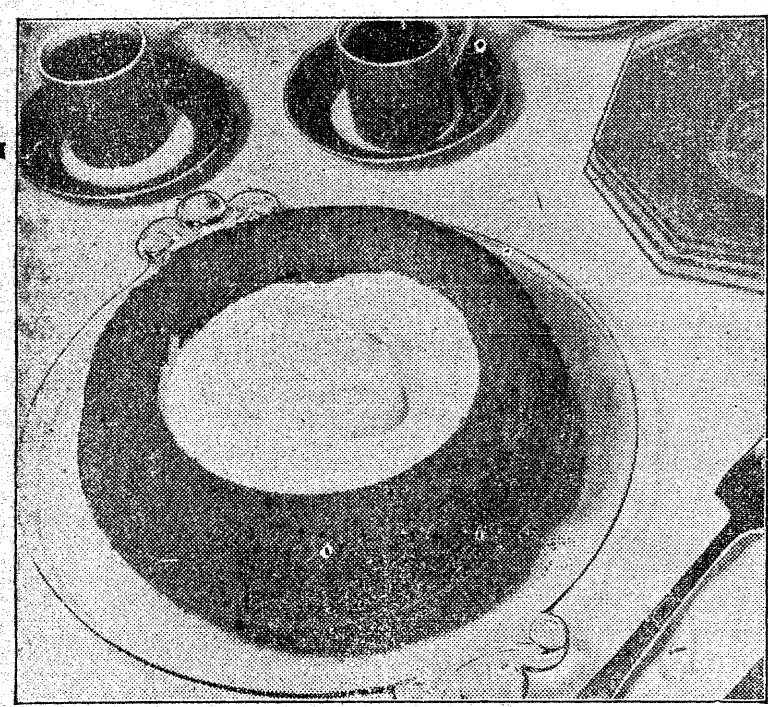

The Belleville Cycle club took advantage of favorable weather last Sunday and rode 34 miles to the George Washington Bridge to view the fleet. Another run is scheduled for Sunday out to the bridge, and this will probably wind up the road program, except for a "Turkey race" that will be held on Long Island Thanksgiving Day.

Popular Jerkin

SIMPLIFIED VERSION of the jerkin teamed with a skirt of the same color in a soft, bright wool is a back-to-campus basic favorite boasting the clean-cut lines that make for popularity.

Tempting Cottage Pudding

Crusty cottage pudding baked in a ring mold and served warm with cream or ice cream is flavored with coffee and almond extract for an unusual flavor.

**Coffee Cottage Pudding**

Zoning Change in Silver Lake Is Postponed Again

Action on the amendment changing Florence street in Silver Lake from an industrial to a class C residence was postponed again Tuesday night at the town commission meeting. Feeling that it was a question of the "lawful rights" of both parties, Mayor Williams suggested the postponement for further study.

Rocco Raimo's application for a mercantile license at 19 Florence street was also laid over. The mayor requested Town Counsel Lawrence Keenan to advise the board on the zone in which the garage in question is located and the type of business for which it has been used, as promptly as possible.

Keenan asked Robert Grubbin, counsel for Raimo, to submit affidavits pertaining to the previous use of the building. Keenan stated he will notify James Guiliano, attorney for the residents requesting the zone change, of the hearing to be held November 13.

Stating he did not wish to file a writ of mandamus, as he felt the town could not win, Grubbin hoped that the license would be granted. Present at the meeting were a number of residents of Florence street, who appeared to appeal for the proposed change.

"Employees Day" Sale at Sears-Roebuck Saturday

A new innovation in the form of an "Employees Day Sale" will be held at Sears Roebuck on Saturday. A number of items selected by the department heads and the sales employees will be offered for sale at the store, the sale lasting one day.

The items selected are many in number and were chosen by the sales force for their usefulness and general appeal to the public, with the sales employees competing for prizes offered by the company.

Signal Association Meets Here As Guests of Public Safety

Public Safety Director King will welcome the New Jersey section of the International Municipal Signal association next Thursday at its bi-monthly meeting to be held at Joe's Grill, 41 William street. Deputy Chief William Dunleavy will be host.

There will be demonstrations for all those interested in police, fire alarm and traffic signal systems. Speakers will include Henry J. Haugh Jr., vice-president of the Automatic Signal corporation, John J. Alles, IMSA first vice-president and Irvin Shulsinger, IMSA secretary.

NAVY DAY PROCLAMATION

WHEREAS, this year with our country victorious in the most terrible of all wars, this annual display of support of our Navy should be more complete than ever before, the Navy League and the Navy Department working in unison to this end; and

WHEREAS, this year has been seen the fruits of the Navy's hard task of winning the war against the Japanese; and

WHEREAS, the slogan for Navy Day, Nineteen Hundred and Forty-Five is, "A Strong Navy Guarantees Peace;" and

WHEREAS, Navy Day should be made a day of resolution that never again will our Navy be anything but strong;

THEREFORE, I, Wm. H. Williams, Mayor of the Town of Belleville hereby proclaim Saturday, October twenty-seventh, nineteen hundred forty-five, as Navy Day and call upon all citizens of Belleville to take part in observance of this day through the many channels open to them and to join in the salute to the U. S. Navy and its coordinated sea-air power, the Marine Corps and U. S. Coast Guard.

Herein unto I have set my hand this 24th. day of October, 1945.

WM. H. WILLIAMS Mayor

## BELLBOYS IN THE FOR GRID HONORS

Local Footballers Are Given 54.4 Rating With Montclair

In the latest Dunkel ratings received this week from the Scholastic Sports Institute in New York, Belleville's Yellowjackets, rating 54.4 rank sixteenth in the state, being tied with Montclair. These ratings are arrived at by a scientific method concocted by Dick Dunkel several years ago. In the past they have been quite accurate in rating scholastic football.

Top ranking spot in the state goes to East Side of Newark, with a rate of 65.8. They have climbed to the top of the heap on the strength of their undefeated record to date, and on their administration to a strong Asbury Park team a one sided 39 to 0 shellacking last Saturday.

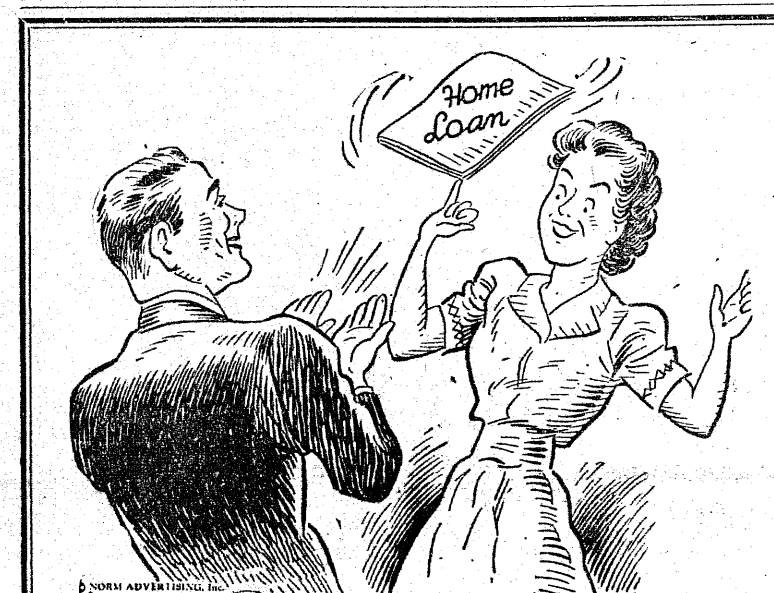

Belleville's schedule, composed of some of the stronger clubs in the state, will give the Yellowjackets ample opportunity to better their position, if they can defeat the opposition. The ratings are determined by the strength of the opposition and the score made in defeating them.

The first twenty teams in the state are as follows:

East Side Newark	65.8
Bloomfield	65.9
Garfield	63.7
Orange	62.6
Washington	61.7
Nutley	61.0
Phillipsburg	61.0
Roselle Park	61.0
Plainfield	60.4
New Brunswick	58.5
E. Rutherford	57.4
Paulistown	56.7
Seton Hall	55.4
Haddon Heights	54.7
Belleville	54.4
Montclair	54.4
Camden	54.8
Columbia	54.0
Linden	53.8

The board's new president makes his home at 185 Washington avenue, Belleville, and has his office at 312 Washington avenue, town. A resident of Belleville since 1900, he has been in the real estate business in Belleville since 1921. He is a trustee of the Belleville Public Library, vice chairman of the Belleville chapter, American Red Cross, was an appraiser for the New Jersey State Highway

commission and served as appraiser and purchaser for the Essex County Park Commission in the development of the county park system in Belleville.

## BELLBOYS TROUNCE PASSAIC HANDILY

Smith and John Distasio Score Touchdowns in 12 to 0 Win

Pushing across touchdowns in the second and third periods, Belleville recorded their second victory of the season last Saturday over a heavy Passaic team. The score was 12 to 0, with the contest played at the Belleville Municipal Stadium before a reported attendance of 5,500 gridiron fans.

The score does not give a true picture of the Bellboys' superiority over the Passaic county eleven, for the winners pushed the losers all over the field, but seemed to lack the scoring punch once in payoff territory. Several times the Yellowjackets were inside the Passaic ten yard line, but except for the scores in the two middle periods, could not get across the line.

Both the touchdowns made by Belleville came as the result of expert kicking by Passaic. In the second period, a bad boot by Steve Hofer of the visitors went out of bounds on the Passaic 15, and that break was all the Bellboys needed. Don Smith smacked the Devils line and carried the ball to the 8, and then picked up another yard on a plunge. Joe Distasio, playing fullback in the place of the injured Rocco Ceyami, picked a hole to go to the 5 for a first down.

With Distasio lugging again, the pigskin moved to the 2, and Smith went the remaining distance for a T.D. to give Belleville a 6 to 0 halftime lead.

The Bellboys shoved across their second score in much the same manner as the first, another Passaic kick going out only to their 23, where the homesters took over. Smith moved to the 15, and Pete Del Vecchio picked up 2 yards for a first down after a pass by Smith was incomplete.

Joe Distasio picked up three more, and Del Vecchio made another first down on the Passaic 2. From where John Distasio crashed over for the score.

Passaic could not make any headway against the Belleville defense, and the ball spent most of the day in the visitors' territory. It was the fourth loss in a row for the Passaic county team, and the Bellboys had no trouble taking them into camp.

Next week, Belleville travels to Hillsdale, and should come back with another scalp hanging from their belts. The Bloomfield loss was a tough one for the locals, and as the season wears on, will be tougher for the Yellowjackets have the makings of a better than ordinary ball club, and should have a good year.

The score:

Pos. Belleville Passaic  
V.E. Nutley Martin  
L.T. Conk Tomack  
T.G. Kline Holmko  
C. France Van Hine  
R.G. Del Grosso Rump  
R.T. Pudney Highkal  
R.E. Greco Rosenblatt  
Q.B. John Distasio Hofer  
L.H. Del Vecchio Magdziak  
R.H. Smith Colletti  
P.B. Joe Distasio Chudick

Belleville 0 6 6 0-12  
Passaic 0 0 0 0-0

Scoring Touchdowns: Smith and John Distasio.  
Officials: Referee, Terrill; umpire, Winkler; head linesman, Rittenberg.

New Bus Line Available From Nutley to New York

A new bus service running from Nutley to New York was inaugurated last week by the Inter-Delta Transportation company of Passaic. Direct bus transportation from Nutley to the 34th street and Times Square areas in New York is now available to Belleville residents also, as the routing of the bus is within a short reach of local residents.

Stops where it would be convenient for Belleville people to catch the bus are Franklin and Center streets, Passaic and Center streets, Center street and Union avenue and Washington avenue and Center street.

A complete schedule of the time table will be found elsewhere in this week's issue of the paper.

Would Construct Water Main On Laverne Street

An ordinance providing for the issuance of bond anticipation notes of \$1,250 for the construction of a six inch cast iron water main on Laverne street from Smallwood avenue south to the southerly line of the Erie railroad right of way, was passed on first reading by the board of commissioners on Tuesday night.

Catholic War Vets Plan Dance For Halloween at Holy Family

Final arrangements were made at a special meeting Tuesday evening for the Halloween masquerade dance, sponsored by St. Joan of Arc Post No. 209, Catholic War Veterans, on Saturday evening at the Holy Family church hall in Nutley.

The hall will be decorated in a traditional Halloween fashion.

Music will be furnished by the Suburbanites, a group of local musicians who will play from 8 p. m. to 1 a. m. Costumes will be optional.

Bellevillites serving on the committee are Joseph Piscopo, Thomas Greco, Benjamin Greco, Henry Fontaine, Oreste Caruso and Anthony Trignino.

The dance is sponsored as part of a membership drive and proceeds will be used to purchase the post colors.

Bellevillites In Uniform

In keeping with the extensive program announced by the War Department to retain a sizeable peacetime army, the Public Relations department of Pratt Army Air Field, Pratt, Kan., has announced that Cpl. Matteo Ruzzo, of 293 North Belmont avenue, has re-enlisted in the regular army for a period of one year. Cpl. Ruzzo, the son of Mr. and Mrs. Patsy Ruzzo has been in the Army Air Corps for the past 27 months.

Sgt. Carl G. Cicci of 32 Belmont avenue, has received his discharge from the United States Army at the Camp Cooke, California Separation Center. Sgt. Cicci was a member of the 13th Armored Division (Black Cat) which fought under General George S. Patton in Germany.

The Black Cat tankmen captured more than 20,000 German prisoners in the fighting in the Ruhr and took an additional 19,000 during its spearhead drive through Bavaria and Austria.

In the closing days of the European war, the 13th captured Hitler's birthplace city of Braunau, Austria, and liberated 14,000 Allied prisoners of war. The 13th Armored Division was in the process of being redeployed to the Pacific for action in the scheduled invasion of Japan when the Japanese suddenly surrendered.

Cpl. Charles B. Tedesco, Belleville attorney serving in the armed forces, has been promoted to the

rank of sergeant in an infantry unit of the Panama Mobile Force and Security Command, Mobile Force Headquarters has announced.

Tedesco entered the service in September of 1943 and received basic training at Camp Wheeler, Ga., after which he was assigned to duty in the Canal Zone, arriving here in February of 1944.

The soldier's wife, Mary, and his mother and father, Mr. and Mrs. Charles S. Tedesco, reside at 74 Washington avenue. Tedesco is a graduate of the School of Law of Washington college.

T/S Henry J. Connelly, son of Mr. and Mrs. Joseph A. Donnelly, of 25 Belleville avenue currently is stationed at the Redistribution Station Port Oglethorpe, Ga., where he will spend two weeks before reporting to his new assignment in the United States.

Connelly was returned recently to the United States after having served nine months in the European Theater of Operations as a truck driver in the Infantry. His decorations include the European theater of operations ribbon with two campaign stars, the Good Conduct Medal and Combat Infantryman's Badge.

Robert E. Oxley, 21, water tender, third class, USNR, of 67 Beech street, serving aboard the USS San Francisco, a flagship in Admiral Kincaid's powerful 7th Fleet, helped support the landings of American occupation troops in Korea and helped in the evacuation of prisoners of war from southern Korea.

The San Francisco, heroine of the battle of Guadalcanal and holder of one of the great combat records for warships, stood off shore with her sister ships on the first day of the occupation, ready for any eventuality. On the second day of occupation, after safety was assured, the crews took sun baths, played volleyball, did calisthenics and participated in other recreational activities.

The Concord, which fired one of the final shore bombardment salvos of the war on the night of August 12, steamed through the heavily fortified Tsugaru Strait between Honshu and Hokkaido the morning of September 8, following a Jap coast guard vessel through minefields cleared by American minesweepers.

Japanese pilots taken aboard four key ships of the American force helped direct the fleet to a safe anchorage off Omimoto in Mutsu Bay, important northern base of the Jap Navy.

Pfc. Michael A. Biase, son of Mr. and Mrs. L. L. Biase of 42 Bellevue avenue is returning to the United States under the army redeployment plan after 25 months service in the European and Pacific theaters.

Pfc. Biase was inducted into the army at Port Dix in August 1942 and went overseas to land in France shortly after D-Day in 1944. Serving in the Infantry with the 1st and 3rd Armies through France and Germany, Pfc. Biase was then transferred to the 4th Infantry Division in Luxembourg and finally in Germany he served with an Engineer Construction group as truck driver and telephone operator. He left France to come directly to the Pacific theater in June of this year where he is now stationed in the Philippines.

A graduate of Belleville High school where he starred in football for three years, Pfc. Biase was employed by the Eastern Tool company before his induction into the army. He is entitled to wear the Infantry Combat Badge, the European theater ribbon with battle stars for four major campaigns; the Asiatic-Pacific theater ribbon; the Philippine Liberation ribbon and the Good Conduct medal.

Honorably discharged last week from the Marine Corps Women's Reserve was T/Sgt. Ruth Labauch, daughter of Mr. and Mrs. William T. Labauch of 62 Lloyd street. Miss Labauch was discharged at Boston where she had worked in the Officers' Payroll department of the women's corps.

Formerly in the same occupation at Washington, D. C. before the war, she enlisted in March 1943, one month after the corps was organized. In civilian life she had been a secretary with the Lambert company in Jersey City in view of which she was graduated from Belleville High school and the Berkeley school in East Orange.

Deborah G. Kimble, FC 2/c of 193 Forest street, served in the attack transport Sturgis that landed occupation troops at Yokohama, part of the first unit of forces to reach Japan.

The Sturgis has seen action in the Atlantic, Pacific and Caribbean theaters of operations.

First Lieut. Vincent P. Cortese, son of Mrs. Viola O. Cortese of 193 Forest street, formerly of town and husband of the former Miss Elizabeth L. Cortese of Newark, was honorably discharged from the service at the Newark Army Air Field Separation center on October 12 after serving three years with the Army Air Forces.

Lieut. Cortese spent nine months overseas with the Eighth Air Force, as a bombardier, on a B-24 bomber. He flew thirty-five missions over Continental Europe and received the Air Medal with five clusters.

He was last stationed at Stewart Field, N. Y., the Basic-Advanced Flying school for the cadets of the United States Military academy at West Point, where he was assigned as a student officer in basic pilot training.

An alumnus of Belleville High school, Lieut. Cortese before entering the service was employed as a job setter at the Western Electric company.

Cpl. Joseph J. Mastrantonio of 54 Mt. Prospect avenue recently stationed at the AAF Convalescent Hospital, Pawling, N. Y., has received his honorable discharge from the U. S. Army Air Forces.

A veteran of 12 months in the European, CBI theater of operation, he had been in the service since June 2, 1942. He was awarded the Asiatic ribbon with four battle stars.

He is the husband of Mrs. Mary Mastrantonio and the son of Mr. and Mrs. Carl Mastrantonio of the above address.

Planning to make use of her naval training in civilian life, Y 2/c Frances M. Coeyman, daughter of Mrs. G. S. Coeyman of 59 Rossmore place, received her honorable discharge from the naval service at the U. S. Naval Separation Unit, New York, on October 17.

In her 19 months of active duty, Miss Coeyman was assigned to the U. S. Naval Training school at Cedar Falls, Ia., to the Naval Air Technical Training center where she was yeoman to the transfer officer, and to the naval training school of aerographer's mates, Naval Air Station, Lakehurst, as yeoman to the officer-in-charge. She intends now to go to work in the weather bureau. Her brother, Sgt. Stanley V. Coeyman, U. S. Army, is serving on Okinawa.

Pfc. Frank Cardamoso, jr., of

64 Salter place, in service since March 24, 1941, has been given an honorable discharge from the Army at Moore General Hospital Separation Point, at Swannanoa, N. C.

He served in Australia, New Guinea, and the Netherlands East Indies with the 800th Military Police Battalion and saw action on Biak and in the Dutch East Indies. He wears one bronze star on his campaign ribbon and has the Pre-Pearl Harbor Defense Ribbon.

Vincent D. Kennedy of 63 De Witt avenue, was among the recent visitors to the historic Guinness brewery at Dublin, Eire, the largest brewery in the world and the biggest business in Eire.

Features of the brewery which particularly interest Americans are St. James' Gate, which was the ancient entrance to the outer city of Dublin and the site of a brewery in operation as early as 1670; the great malting floors containing the Spratt-Archer type of barley which the Guinness company and Eire's Department of Agriculture cooperated in developing; and the cooperage yards where the casks, made from American timber, are piled to the height of a three-story house.

T. S. Stephen J. Raleigh, hus-

band of Mrs. Florence Raleigh of 277 Greylock parkway, is assigned as a supervisory checker of Engineer supplies in an Engineer unit near San Fernando, La Union, Luzon. After six months in France, climaxed by the fall of Germany, he was redeployed with his unit directly to the Pacific, arriving there in time to witness the defeat of Japan.

Cpl. Raleigh was employed as salesman by Jacob Breidt of Union City.

Mrs. Salvatore Speciale of 22 Mt. Pleasant avenue had word this week of her husband's promotion from the Navy rating of Seaman 1/c to Coxswain. Coxswain Speciale is a member of the crew of the USS Pasadena, light cruiser, now in Tokyo Bay.

He went overseas a year ago and had entered the Navy in March 1944. Previous to military

service, Coxswain Speciale was employed by a Baldwin, L. I. moving concern. He attended Belleville High school.

Mrs. Speciale is also a native of Belleville, the former Miss Isabel Mann. The couple have two children, Judith Anne and Vincent.

## BOY SCOUT TROOP OPENS TONIGHT

Sponsored by School No. 9 P.T.A.; Parent Training Session For Cub Pack 301

After many weeks of effort, the long awaited opening night of the new Troop at School No. 9, under the sponsorship of the Parent-Teacher association will be held at the school this evening at 7:30.

The troop committee is composed of Chairman Joseph Grulich, James Bissel, George Gray, Leo Wysocki, Ernest Miller, Edward Knodel, Daniel J. Keating, Scoutmaster James Mead. Boys twelve years or over are invited to attend.

Training sessions for the parents of the Cub Pack 301, to be sponsored by the Wesley Methodist church, will be held this evening and next Thursday, completing the course of three sessions. The training is given under the leadership of Assistant Scout Executive Harry T. French, assisted by Howard Virtue of the Belleville district organization and extension committee.

Meetings in November. Scouters of the Belleville district are reminded of the following important meetings to be held in November:

A scoutmaster's training course will be held in Union Avenue school Thursday evenings at 7:30 beginning November 1 and continuing seven weeks. Henry Minasian, a member of the district training committee, will direct the course with the assistance of scoutmasters and troop committee men and field executive Herman Huemer of Robert Treat Council staff.

Belleville Scouters Roundtable will be held at the Recreation House, for scoutmasters, cubmasters, and scout leaders on November 20 with Lindley A. Graves as chairman.

The Belleville district committee will meet at 7:30 p. m. at 85 Academy street, with W. Douglas Clark, chairman, on November 27.

### VFW Auxiliary President Attends Testimonial

Veterans of Foreign Wars Auxiliary president, Mrs. Alan Lundy and Miss Irene Wertz attended a testimonial dinner for Mrs. Theresa Mungoli, department president, in Camden on Saturday. Mrs. Mungoli presided at the annual department meeting on Sunday, held at the Sharp school in Camden.

Auxiliary members and friends will attend the annual birthday party of the Statue of Liberty on Sunday, sponsored by the department. Boats will leave South Ferry at 1 p. m. Members will wear uniforms and bear the colors.

## Sgt. Clement Ippolito Chalked Up 41 Months in 12th Air Force

Sgt. Clement Ippolito jr., son of Mr. and Mrs. Clement Ippolito of 97 Magnolia street, has been reported from the Army Air Service command after serving 41 months in the 12th Air Force in North Africa and Italy.

He landed at Algerian French Morocco, on the November 8 invasion in 1942. After being stationed there for ten months, he went to Foggia, Rome, Arno and Ancona, Italy. Then he was returned to the United States on the SS Mt. Vernon, landing at Newport News, Va. on July 18, 1945. After a 33 day furlough he reported to Goldsboro, N. C. and was transferred to Columbia, S. C.

He was discharged on Saturday from the separation air base in Westover, Mass. Sgt. Ippolito was the author of the letter telling of V-E Day in Italy which was printed in The Times-News some time ago. Prior to entering the armed forces Sgt. Ippolito was in refrigeration and air conditioning work with the T. and T. Refrigeration company of Newark, as a service and repair man.

He attended the Atlantic Utilities Institute for two years after graduation from Belleville High school. After a rest at home he expects to return to his former position. Sgt. Ippolito wears the American Defense Ribbon, Good Conduct Medal and the E. A. M. E. theater campaign ribbon with three battle stars. He was inducted into service on June 5, 1942.

### S-Sgt. Thomas Berkey Home After 18 Months in China, Burma

S/Sgt. Thomas M. Berkey of 352 Cortlandt street, has just received his honorable discharge from the Army Air Forces, the War Department announced this week.

Sgt. Berkey entered the service in June 1942 and saw eighteen months overseas service in the China-Burma-India Theater as a crew chief instrument specialist. He wears the Asiatic-Pacific Theater Ribbon with two Bronze Stars and the Good Conduct Medal.

Prior to separation from the service, Sgt. Berkey was stationed at Dale Mabry Field, Tallahassee, Fla., for five months. Sgt. Berkey was formerly employed as instrument maker for Bendix Aviation corporation.

### Belleville Veteran Will Return From Europe Soon

Captain William K. Brumbach, husband of Mrs. Evelyn Brumbach of 100 Little street, will arrive in the States shortly with the 66th (Black Panther) Infantry division. The unit, representing veterans of the ETO, is returning home for deactivation.

# THE WALTER KIDDE STRIKE

## A BELLEVILLE ISSUE

The undersigned business men of Belleville believe that the strike at Walter Kidde & Co. can and should be settled quickly.

The issues, as we understand them, are:

1. The employees are asking that whatever rate of pay is agreed to, existing jobs keep that rate of pay until the Contract expires. The Company wants the right to change the rates of existing jobs at any time, under a point system of evaluation.
2. The employees are asking that whatever increase is agreed to, that increase be without exceptions, ifs, ands or buts, or merit strings. They ask that everybody, whether new worker, promoted worker, or otherwise, should advance to the top of the new scale automatically, at regular intervals. This is the system that has been in operation for the past four years.

The Company wishes to tie in the "merit" system with their wage offer, so that some employees will get such increases, and some will not.

We business men, who know intimately many of the employees concerned, understand their need for an increase in pay, now that they have lost 30% of their income by the reduction of number of hours worked. We can appreciate their desire for security in the new rates of pay, so that their families can know that as long as the breadwinner is doing his present work, he will be getting the same rate of pay.

Security is therefore the main issue.

This issue can and must be settled quickly and harmoniously around the conference table.

**Appraisal Of Girl Scouting**

Girl Scout Week will begin this Sunday with services in local churches. It will give the people of Belleville an opportunity to appraise the work of this organization which has doubled its membership during the past couple of years for an enrollment of over 500 girls actively participating in scouting.

The program arranged for November 3 in the High school auditorium will demonstrate for the public, the general aims of scouting and will show the activities of the various troops. For the first time this year, the troops are giving a country fair during Girl Scout Week, where articles they have made under the scout program will be for sale with each troop in charge of its own booth. Proceeds will be used for the purchase of small equipment needed in the pursuit of their work for various badges. Although the Girl Scouts are participants in the Community Chest drive, their budget does not provide for incidental expenses in troop work. They are making an effort to help themselves through their own financing project.

The growing popularity of the Girl Scout program in town is shown in the long waiting list of youngsters who can only enjoy the benefits of scouting through the formation of new troops. Several more Brownie troops are needed and the one senior troop is inadequate to meet the requirements of those girls who are completing their intermediate work.

More troop sponsors and leaders are required if the program is to maintain its present impetus. While some churches sponsor as many as three troops, there are others without any. Several Parent-Teacher associations are troop sponsors but still the demand is not filled.

An easy training program is available to women who are willing to become troop leaders. This volunteer work is guided by the program committee which outlines each troop's activities in detail. The leader is then provided with the training and information needed to carry out the program.

It is hoped that the public will attend the Girl Scout activities arranged in celebration of their annual week and that through a new realization of the work that is being done and that which remains to be accomplished, more sponsors and leaders will offer their services for the furtherance of the program.

**The Serviceman's Plight**

The housing shortage has been chronic in Belleville since before Pearl Harbor. It is being aggravated and accentuated now, with the rapid return of discharged servicemen, some of whom wish to establish homes here

while others are anxious to re-establish those disrupted by the war.

While other communities in the area are suddenly taking cognizance of a condition which may have been occasioned in their towns by an influx of war workers, Belleville's industries have drawn the majority of their workers from out of town. Many are pre-war stories of young people born and raised here, who, when they marry have been unable to establish homes in Belleville. The wide-spread policy of apartment owners setting up restrictions against children has been another factor in driving Bellevillites into nearby communities until they are financially able to purchase homes here.

The present general congestion in the state is attributed to government restrictions which prevent the construction of adequate housing. Until these restrictions are removed and building is in progress, the plight of our servicemen unable to go to nearby towns will be unsolved unless the town commissioners or board of adjustment do something about it.

Other communities are conducting surveys to discover the number of temporary quarters that can be made available. Over 1,000 of Belleville's 3,500 servicemen have already been discharged and a good percentage of these are seeking living quarters.

Variations or even a change in zone may be advisable to allow owners to rent part of their homes to these families that are becoming desperate in the face of unrelenting circumstances. Provision of at least temporary quarters through the suspension of zone laws for this period or by some other means, seems to us a town responsibility that requires immediate action.

**The Dublin Proposals**

It is true that many seemingly insuperable obstacles lie in the path of its accomplishment, but this fact should not deter people from supporting the movement born in Dublin, N. H., for the establishment of a world government that would supersede the sovereign power of nations. National sovereignty is one of the underlying causes of war, and there can be no lasting peace in the world while nations maintain that principle without limitation.

Admittedly, it will be no easy task to persuade nations to sacrifice any of their sovereign rights. But has any nation, including our own, the right to claim sovereign power in a world in which the atom bomb can be used as a weapon of war? If the principle of sovereignty is to persist without curb what is to prevent any nation from loosing this frightful weapon? Certainly the newly-born United Nations cannot prevent it. The United Nations exist merely as an agreement by the nations to agree, and in reaching that compact the big nations refused to surrender any of their sovereignty.

The United Nations, therefore, rest on a foundation of wishful thinking. This foundation must be strengthened, and the only way to strengthen it is to create a world government which, at least in the suppression of war and the correction of war's causes, will have authority over the sovereignty of all nations.

Advocacy of this concept does not mean abandonment of the United Nations. Such a thought is absurd. We should continue to fight for the strengthening and expansion of the United Nations. But parallel to that effort, there should be an equally vigorous campaign to make the foundation of world organization absolutely unassailable. The best way that can be accomplished is by adoption of the principle enunciated at Dublin, N. H.

**ADD NEW FILM TO TB LIBRARY**

**Latest Will be Previewed Tonight; Association Lends To Organizations**

Latest film in the library of the Belleville-Tuberculosis Association will be previewed for members tonight when the board of directors meets in the Nutley Town hall at 8:30. Joseph N. Day, Nutley health inspector, will present the film.

Dr. Day will bring a tuberculosis film and commentary to Belleville Tuesday evening, November 20, when he appears before the Parent-Teacher association of Montgomery school. He will also conduct a program for the benefit of the Belleville Rotary club next month.

These films are available to any organization which wishes to make use of the service and include "Tuberculosis, Diagnosis, Treatment and Control"; "Goodbye Mr. Germ"; a cartoon film especially suitable for school programs; "The Fighting Line"; a descriptive treatise of sanatoria and various forms of treatment; and "Another To Conquer", a film with Indian customs and rituals as background and modern hospital care of the disease as subject matter.

Facts released this week through the association's publicity chairman, Mrs. Frank J. McFadden, indicate a decrease in mortality due to tuberculosis since 1904 of 75 percent. Still aiming for their goal, the complete eradication of tuberculosis, the 2,500 affiliates of the National Tuberculosis association strive for the only immunization known, the health of the people. For this purpose the yearly free x-ray clinics are held.

**LESS THAN HALF OF CHEST GOAL IN**

**Lag in Response Prompts Drive Officials to Estimate \$40,000 Total**

Less than half the goal of \$50,000 has been realized in the Community Chest Victory drive which is now concluding its fourth week. Returns of \$22,009.77 have been tabulated. Drive officials now estimate that final returns will be in the neighborhood of \$40,000. The goal this year is \$40,000 less than in 1944, when \$48,000 was realized.

It is expected that complete returns from industry, however, will lag well behind the drive period because of labor-management negotiations in several of the plants. Industrial returns so far, total \$15,140.37.

The house-to-house division reports \$3,591.40; special gifts, \$1,215; purveyors, \$695; clubs, \$639; professional, \$450; business, \$211 and school employees, \$18.

**Commissioners Pass Resolution In Dr. Close's Retirement**

The board of commissioners at its meeting on Tuesday night, passed unanimously, a resolution of commendation for Dr. O. Beil Close's part in the life of the community during his 21 years as pastor of the First Presbyterian church. His retirement from the ministry took effect on October 15.

The resolution states, "Whereas this kind, Christian gentleman has endeared himself in the hearts of the citizenry of Belleville, who regret the loss of his kind advice and cooperation in civic, religious and fraternal matters, but feel a great joy in the fact that Dr. Close has entered into a retirement period which will be productive of great happiness on his part.

"He has always been ready to aid his fellowmen in their personal trials and tribulations; has always been willing to join in any good and noteworthy civic enterprise; and has been able, during his period of service and usefulness in the Town of Belleville, to produce results for which he may well be proud and for which his neighbors and friends, who will regret the loss of association with him, are justly proud.

"Now, therefore be it resolved that this board of commissioners expresses a deep, sincere sense of loss resulting from the removal of this fine gentleman from close participation in affairs of the Town of Belleville, and representing the citizenry of Belleville and on behalf of this board as a unit, the sincere desires are hereby expressed to Dr. Close that he may see fit to keep in close contact with the Town of Belleville and its people."

**100 Per Cent Enrollment Goal Of Local Junior Red Cross**

American Junior Red Cross enrollment of 100% in the schools of Belleville the goal set for the November 1-15 membership campaign, it was announced recently by Mrs. Williams H. Williams, wife of the mayor and Junior Red Cross chairman of Belleville Chapter.

"The object of the program, which is service to others in both the immediate community and on the national and international level is being achieved through the schools of the country without fanfare, often with little or no recognition from outside sources," Mrs. Williams said. "The results deserve attention from every parent whose child is participating in the program and from every citizen of the community is benefiting by it."

**Realtors Invited to Hear Noted Author in Newark**

The Real Estate Board of Newark has extended to all realtors in Essex County an invitation to attend the 1945 educational feature meeting to be held on Thursday, November 8, at 2 o'clock, at the Essex House of Newark. The session will carry through the dinner hour and will be concluded with a general question and answer period in which all the speakers will be available.

The program has been arranged by the board's education and research committee, and among the principal speakers will be Henry N. Wright, noted architect, managing editor of the Architectural Forum and co-author of "Tomorrow House," which was recently published. The topic of Mr. Wright's discussion will be "New Processes and Materials" and is scheduled to take place during the afternoon session.

**Town Commission Grants Business Licenses**

Business licenses granted by the board of commissioners at its meeting Tuesday night include an auto repair license issued to Anthony Ditaranto and Anthony Cavigliano at 32-34 Heckel street. Benjamin Scarnano was granted mercantile and gas station licenses for 105 Union avenue, subject to the approval of Health Officer Eugene Berry.

Victor E. Del Grosso received a mercantile license for 128 William street on condition that no automobiles be painted or sprayed and no repair work done on Sunday. Edna E. Nutter also received a mercantile license for 84 Overlook avenue.

**THANKS... for helping their calls go through**  
**THOUSANDS WITH ONE IDEA!** Just off the boat and into camp or hospital, thousands every day! The Telephone Centers are returning servicemen's first connecting link with home, and they head for them on the double-quick. That's one reason we ask you to make your own Long Distance calls few—and brief.  
**WHY NEW JERSEY LONG DISTANCE LINES ARE BUSIEST IN HISTORY**  
See how calls reach out from Camp Kilmer, Fort Dix and New Jersey's great military hospitals to homes in every part of the nation! Such calls help to make LONG DISTANCE volume in New Jersey more than double that of 1940.  
**"SAY 'HELLO' TO DADDY!"**  
Happy calls like this one go through faster when you limit the number of your own Long Distance calls and make them short.  
We are still asking you to "go easy" on long distance. But plans are already made to expand facilities to give everyone the same fast, efficient service that was our standard before the war.

## RELIGIOUS SCHOOL TO BE RENAMED

Congregation A.A.A. to Honor  
Late Lt. Roger Mellion,  
Former Student

Rabbi Herman Schwartz of the  
Congregation A.A.A. recently an-  
nounced that the church religious  
school has been renamed the  
"Lieut. Roger Mellion Hebrew  
School." Lieut. Mellion, a former  
student at the school, was killed  
taking off from Labrador on his  
way overseas in January of this  
year.

Born in Bradford, Pa. in 1924,  
Roger came to Belleville with his  
family in 1927, graduating from  
school No. 5 and then the local  
high school in 1940. While in high  
school, he showed exceptional  
promise as an artist, and one of  
his paintings, entered in a na-  
tional contest, received an award  
of merit and a cash prize. There  
were 750,000 entries in the contest.  
One of the paintings made by Mel-  
lion now hangs in the high school  
library.

The late lieutenant was also  
prominent in high school athletics,  
earning his letter as a member of  
varsity track team and playing  
junior varsity football.  
In September, 1940, Roger matricu-  
lated at Ohio State University,  
where he studied art and journal-  
ism. He was a member of the  
Eta chapter of Alpha Epsilon Pi  
fraternity, and while at school was  
invited to join the university track  
team, and played inter-fraternity  
football.

Mellion enlisted in the Army Air  
corps while in his sophomore year,  
at the age of 18, and was inducted  
into the Army on Pearl Harbor  
day, December 7, 1942 in New  
York city. While waiting for a  
call to report for active duty, he  
studied art at Pratt Institute in  
New York, part of his course of  
study being in war camouflage.

Called for active duty in Feb-  
ruary 1943, Roger took his basic  
training at Atlantic City, and af-  
ter training at several other  
places, received a second lieuten-  
ant's commission as a pilot at  
Turner Field in Albany, Ga.

After a period of advanced  
training in the handling of a B-24,  
Mellion and his crew reported to  
Mitchel Field where they were  
given a new plane, which was  
christened "The Murremmer Mum-  
my." They flew to Goose Bay,  
Labrador, preparatory to going  
overseas, but bad weather held  
them there for three weeks.  
On the morning of January 13,  
1945, the "Murremmer Mummy"  
crashed while taking off from the  
field, and all aboard were killed.  
Roger was buried with full mili-  
tary honors with his buddies at  
the West We Forget cemetery in  
Goose Bay.

Besides his parents, Mr. and  
Mrs. Harry Mellion of 70 Over-  
look avenue, he is survived by a  
sister, Mrs. Harriet Buckwalter,  
wife of T/5 Benjamin Buckwalter,  
of New Britain, Conn. Mrs. Buck-  
walter is staying with her par-  
ents until her husband returns  
from overseas.

### Mrs. Henrietta Deuringer

Mrs. Henrietta Boutilier Deur-  
inger died Monday at the home of  
her daughter, Mrs. Alex Munro of

Munro for the past ten years and  
had been in Belleville a total of  
23 years. Mrs. Deuringer was born  
in Newark.  
She was a member of General  
Sedgewick circle, G.A.R. and the  
auxiliary of George Younginger  
Post, V.F.W. Mrs. Deuringer at-  
tended Grace Baptist church. Sur-  
vivors are: Mrs. Munro, a son,  
George Deuringer of Trenton, and  
three grandchildren.  
Funeral services will be con-  
ducted by Rev. Marshall White-  
head at the Munro residence to-  
morrow afternoon at 2 and inter-  
ment will be made in East Ridge-  
lawn cemetery, Delawanna. V.F.W.  
auxiliary services were held last  
night.

## Large Basketball Program Sponsored by CYO Here

Under the direction of Pat Mc-  
Nally, the basketball program at  
St. Peter's is rapidly rounding into  
shape. Sponsored by the CYO, the  
Saints will place at least four  
boys' teams on the court this year,  
and there is a possibility that a  
fifth will be organized.

Plans now call for a team in the  
local church league, junior and in-  
termediate teams in the CYO  
league in Newark and a grammar  
school five that will also partici-  
pate in the CYO sponsored Newark  
grammar school league.

Prizes will be awarded to the  
winners and the activity is open  
to all members of the CYO.

Girls' basketball is also moving  
along, with candidates working  
out under the supervision of De-  
cathy and Florence Rhodes and  
Mary Hunkele. It is hoped to en-  
ter their team in the Newark CYO  
girls' league.

YOU'LL BE GLAD TO INVEST IN THIS ONE!...

# IT'S *America's Great Victory Loan!*

Here it is—a brand new Bond issued in honor of Franklin Delano Roosevelt and the Victory he helped us win

SO YOU THINK THE WAR'S OVER? It isn't—not for more than 300,000 wounded. Those men are still fighting to recover what they gave up for you.

Now that they need your help, you'll be glad to buy an EXTRA Bond in America's Great Victory Loan. We must take care of our own—the men we don't see marching in our Victory Parades. And every step that speeds a man from battle wounds to health is costly.

Look at these four examples: hospital ship, \$4,500,000; hospital plane, \$110,000; supplies for a thousand bed hospital,

\$177,500; an ambulance costs \$1,950.

It's easy to see why the most important Bonds you've ever bought are the Victory Bonds you buy today. Yes—and it's true that you get back \$4 at maturity on every \$3 you invest on every "E" Bond you own. It's true, too, that Bonds are as handy as ready cash. What counts most, though, is that more than 300,000 wounded need your financial help in a great big way.

Remember the veterans that *aren't* in parades. Buy for *them* in America's Great Victory Loan.

THREE LILORE BOYS MEET OVERSEAS

Spend V-J Day Together in Germany at Stuttgart

When V-J day was announced in Germany, the three Lilore brothers of 22 King street were together in Stuttgart, S. Sgt. Carmen Lilore, formerly attached to General Eisenhower's Supreme Headquarters, 21st Military Police company, and stationed on Frankfurt-on-the-Main, obtained a three day pass, and went to Stuttgart to visit his two brothers.

Attached to the 100th Infantry Division are S/Sgt. Rocco Lilore and Sgt. Ralph Lilore Jr., and the three boys spent two and a half days together.

The brothers are still in Germany, and in a recent letter Carmen stated that he expected to be out shortly after 4 years in service.

Patrolman Jerry Lilore is another brother of the servicemen, and they reside with their mother as the above address.

Nurses Annual Convention To Go to Atlantic City

The New Jersey State Nurses Association, the New Jersey State League of Nursing Education and the New Jersey State Organization for Public Health Nursing will hold their annual convention on November 1 and 2 at the Chelton hotel in Atlantic City.

Public health nursing and post war plans for nurses will be topics for discussion, while one of the interesting features scheduled will be a panel on amputation, with a discussion following a motion picture on the roles of the physical therapist and occupational therapy as related to amputation.

SCORES EXTENSION OF SKIP-STOPS

Noll Protests Move by Bus Operators to Continue Until March 1

Objection to the appeal of bus operators to the Public Utilities commission for the continuance of skip-stops until March 1 was made Tuesday by Parks and Property Director Noll in charge of transportation.

The commission has ordered that skip-stops be eliminated on all lines by December 1. Trackless Transit's discontinuance of skip-stops in town on its No. 92 line took effect on October 7 after Noll's appeal to the commission. They had been previously eliminated on all other lines in Belleville.

Bus line owners are expected to reiterate the appeal of the operators at a conference with the commission on Monday, on the grounds that skip-stops provide faster service.

In a letter to the commission, Noll stated a meeting of the Public Utility commission, the line operators and the public officials of each municipality in the state should be held to give officials an opportunity to present the views of the commuters in their respective municipalities.

The commissioner pointed out that the skip-stop system was a war time measure from which there was no complaint from the public. "The public should now receive the service to which it is entitled," he said. "We are about to enter the winter months of sleet, snow, rain and slush and I feel it is a gross imposition to ask the people to walk to and from these extra blocks."

"I also feel that if the operators wish to be of service to the public, it is not only necessary to discontinue the skip-stops but also, serious thought should be given to the inauguration of express service on the various lines not now having such service, during the rush hours, both morning and evening." Noll also observed that the bus drivers have not adhered for some time to the safety requirement that they draw up to the curb in taking on and discharging passengers.

New Ruling by OPA on Used Passenger Car Sales

Beginning this week, sellers of used passenger automobiles, rather than purchasers, are required to file OPA certificates of transfer with local War Price and Rationing Boards. This was announced today by District OPA Director Richard J. Tarrant.

Filing of the certificate is necessary, Tarrant said, to keep a check of prices for used cars. When gasoline was being rationed, he explained, it was necessary for the purchaser of an automobile to go to his local rationing board to obtain a gasoline ration book. At the same time, the purchaser usually filed a Purchaser's Statement in which the price he paid for the car appeared.

The Purchaser's Statement is no longer required beginning today. The same procedure with regard to filing of certificate of transfer by sellers of used commercial motor vehicles and used motorcycles will soon be provided by OPA.

New Inventions By Shoe Manufacturers Displayed

Two sensational new inventions, hailed as the atomic bombshells of the modern shoe world, were displayed today at the Shoe Manufacturers Spring opening in the Hotel New Yorker to a crowd composed of members of the press and shoe buyers from every section of the country.

The inventions, developed after more than a year's research and experimentation by Elliot E.

Simpson of rubber fame in the laboratories of 10 leading sole manufacturers, are:  
Simpson's Wizard Shoe Repair, a puttylike chemical material which when applied to a worn spot of a shoe with the finger, repairs the spot immediately.  
Leathylke — a brand new synthetic sole in colors which now permits shoe manufacturers to match the color of soles with upper leather for the first time in history.
