Veterans Solve Housing Problem; Will Build Garden Apartments

Organized Group Submits Plan, Receives Approval; Occupancy Probable By May

Impatient with inaction to provide them with much needed housing, Belleville veterans yesterday presented to the Town Commissioners and a group of leading citizens a plan to construct garden type apartments.

The plan was indorsed and approved by those present, including Mayor Williams, Commissioners Noll and Mertz, Matthew Sheehan, town engineer, who represented Commissioner Waters, and Frank McFadden, executive vice president of the First National Bank and Thomas Aitken, President of the Peoples National Bank and Trust company.

Last week, Mayor Williams proposed that town owned lots be sold to the veterans for the sum of \$1, but the proposal was tabled until a legal ruling could be obtained. In addition, a query was presented to the Tenement Housing Association of New Jersey for a relaxation or easing of restrictions on remodeling and renting of two and one half family houses.

Questionnaires were sent out to 10,000 Belleville householders over the week-end, distributed by the Girl and Boy Scouts. He asked home-owners to advise the town the availability of housing accommodations.

The new plan was organized by four members of the Amvets, and included McGreevy, who is the Veterans' Guidance Director, Henry Potter, Edward W. O'Neil and Edward J. Dunn, Commander of the John J. Daly Post of the Amvets.

The apartments will be of the garden type, duplex, with four and one half rooms in each apartment. Fifteen buildings with two apartments in each are called for in the present specifications, creating accommodations for thirty families.

The newly formed corporation will be comprised of thirty members, who will elect officers and a board of directors. There are several town owned property sites under consideration for the land, which will be sold to the vets at a nominal cost.

Specifications and plans for the apartments are being drawn up by Paul West, local architect, who will present them for approval within ten days. All construction will be with available materials, and if present plans go along without any setbacks, the buildings will be ready for occupancy about May 1, 1946.

McGreevy stated that the corporation will be conducted on a non-profit basis, and "would be strictly business-like in all operations."

CHRISTMAS GIFTS FOR SERVICEMEN

Woman's Club Invites All Townspeople To Contribute

Last year the Belleville Woman's club contributed 103 gift packages to the Federation of Women's clubs drive for Christmas gifts for servicemen in England General hospital at Atlantic City. This year, Mrs. J. Claude Powers, president of the club, has announced that the federation drive will be enlarged to cover all camps and hospitals in the State.

NO INCINERATOR AT CORBIN GARDENS APARTMENTS

Letter From Newark Firm Labels It "Impractical And Unsatisfactory"

Latest development on the Corbin Gardens landlord-tenant dispute came as blow to the hopes of the tenants, who had visions of the installation of an incinerator to improve the garbage disposal.

A letter from Andrew Sikora, Secretary of the Clinton Title and Mortgage Guaranty company in Newark, stated that an incinerator would be "extremely impractical and unsatisfactory."

The garbage disposal method, now on a collection basis has been one of the principal bones of contention in the efforts of the tenants to obtain improved services from the landlord, Louis Kaye.

An eviction notice was obtained by Kaye against Thomas Foy, president of the tenants' association, on the grounds that Foy's apartment was needed by the janitor of the apartments. This was appealed before the OPA by a group of tenants, and the final decision is still pending at that office.

The text of the letter from the Title and Guaranty company on the incinerator is as follows: "In answer to your inquiry of the other day, relative to the construction of an incinerator to be located on premises designated as Lot No. 60 on map of Corbin Terrace, which is to be used in common by all present tenants advised that in our opinion this plan would be extremely impractical and unsatisfactory. In order to put such a plan into effect, it would be necessary to perform the following:

1. Create an easement over Lot No. 60 for the benefit of all the occupants of all other buildings in the Project and also sub-

V BONDS REACH \$443,823 E Bond Sales of \$87,862 Still Far From Town's Quota Of \$600,000

Purchases in the Victory Bond drive reached \$443,823 in E bonds and a total of \$443,823 this week, Ronald G. Brunner, assistant to Philip Dettelbach, drive chairman, said yesterday.

Reminding residents of the imminent celebration of Thanksgiving, Brunner said yesterday that concrete evidence of our gratitude for cessation of hostilities could be fittingly displayed by a more general purchase of E bonds and other series.

"The boys still have to be brought home from the far corners of the globe," he said. "Many will require many months of expert medical, surgical and hospital care. In addition, the services of the USO should also be maintained until we get this aftermath of the war taken care of. It takes money, and the government is relying on the proceeds from this final Victory Loan drive to finance these activities."

Series F bonds total \$9,860.50 this week; Series G, \$6,000; Treasury Savings Notes, C, \$6,100; 2 1/2 Treasury bonds, \$52,000; and 2 1/2 Treasury bonds, \$502,000.

Many veterans are investing their moneys in pay and savings in Victory bonds, Brunner said yesterday and observed that drive officials are relying on school pupils and town organizations as well as the house canvass group to contact all residents for their subscriptions, during the drive.

ANNOUNCE SPEAKER AT GRID DINNER

Judd Timm, Princeton Football and Track Coach Will Speak

The Football Banquet Committee of the Varsity club announced one of the speakers at the coming affair which will be given on December 8, in honor of the high school football squad.

Judson A. (Judd) Timm, backfield coach of football and head track coach at Princeton university will be one of the speakers. Efforts are being made to obtain another prominent speaker from collegiate football ranks.

ASKS PARENTS' AID TO CURB STADIUM VANDALISM

Heavy Damage Must Stop, Says Commissioner Noll, Citing Incidents

A serious outbreak of vandalism at the Municipal Stadium has prompted Commissioner of Parks and Public Property Louis A. Noll to make an appeal to parents of the children in that vicinity to cooperate in an effort to curb the destruction now going on.

Commissioner Noll revealed he had asked Police Chief Spatz for a plainclothesman to be detailed at the Stadium. Any children apprehended will be held until the parents are called in. The parents will be held liable for damages that are proven against their children.

At the beginning of the school term, Noll stated, everything was freshly painted and a fence was put up to keep people off the field. The boards on the bleachers were also painted, and the children are using them for saws, and breaking them. New pipes for the flagpoles, with ropes attached for hauling the flags up, and down were installed, but the ropes are continually being stolen.

The door to the press box has been kicked in, and wooden seats imbedded in the concrete have been damaged, as the children have tried to pry them out of the concrete.

A new gate was installed when the fence around the field went up, and that very day it was broken down.

Most of the damage, asserts Noll, is committed between 3:30 and 8 p.m. and boys and girls from 11 to 14 years are responsible.

BELLBOYS FAVORED OVER LYNDHURST THURSDAY

Local Eleven Should Feast On Golden Bears In Stadium Contest

Tangling in the final game of their traditional Turkey Day series, Belleville and the Golden Bears of Lyndhurst will line up for the kick-off at 11 o'clock Thursday morning at Municipal Stadium.

Belleville sports the more impressive record, with three wins against two defeats and a tie, while Lyndhurst has four wins and the same number of losses.

The Golden Bears will be at full strength for Thursday's brawl after having last Saturday off. Their last win was recorded against Bergenfield, whom they defeated 39-0. Leading the offense for the Bergen County eleven is Lou Morella, a stocky, hard running fullback who hits a line with authority.

Saw Action In Pacific, Now College Grid Star

Local Resident Attending Cornell University As N.R.O.T.C. Student; Never Played High School Football

After a year's service in the South Pacific with the U.S. Navy Clinton Laux, who lives with his parents, Mr. and Mrs. August Laux of 117 Birchwood drive, was sent to Cornell University in July 1944 under the Naval Reserve Officer's Training Corps. He is now one of the outstanding fullbacks in the East, one of the team's leading ground gainers and has scored 7 touchdowns this year.

When you stop to consider that Laux never played a game of high school football in his life, the accomplishments of the 6'3", 175 pound youngster are even more amazing. He has won the varsity fullback post over Paul Robeson Jr., son of the famous negro singer and former All American of many years back.

Cornell is coached by Ed McKeever, former Notre Dame member, and in meeting some of the foremost teams in the East has compiled a record of five wins and three losses in his first year at the Big Red helm. Last week, Cornell nipped Dartmouth in a thrilling game at Hanover, N. H. by a 20-13 count, and Laux made two of the touchdowns.

Atom Turbine Inventor Seeks Manufacturing Site Here

Lucas of Atom-Powered Locomotive Fame Would Produce Unit For Automotive Industry

Ralph Lucas, Elmira, N. Y. inventor of the atomic-powered locomotive turbine who set Bellevillites to wondering speculation on another Hiroshima with his announcement this summer that the turbine would be installed in a locomotive here, told The Times-News yesterday that he is seeking either a building or ground for a building in Belleville for the manufacture and assembly of atom-powered turbines to be used by the automotive industry as well as the railroads.

The new automobile turbine, because of the simplification in manufacturing processes, should provide cars in the low price range at an initial cost of between \$600 and \$800 he said.

Within a year or two after increased production has been realized, the price should be even lower, Lucas predicts. The turbine will use a minimum of 50 miles to one gallon of gasoline, he said, and will provide higher than average speed.

Lucas who has severed connection with the Wharton Construction company of Valley road stated that he is searching for 20,000 square feet of floor space or ground of approximately 1,000 foot frontage and a depth of 1,500 or 2,000 feet to provide room for expansion. Mayor Williams reached yesterday, declined to comment and said that he had not been approached by Lucas.

WEEKLY DANCE AT COMMUNITY HOUSE

First Of Sessions Held; Club Fills Thanksgiving Baskets; Quintet Formed

Community dance night was inaugurated last Wednesday evening at Silver Lake Community House when sixty residents of that area danced to the rhythms of Jean Bueca's quartette. The musicians, who reside in Silver Lake, are high school students. Mr. Bueca manipulates the drums, Juan Teixeira plays alto saxophone; Pat Bucino, accordion and Phil Raphael, piano.

The fifteen year old pianist furnishes solos between dances and has no qualms over numerous requests for encores. A piano student for nine years, he would "rather play than eat."

Mr. and Mrs. Seymour Olian, directors of the house, have made it clear that adults will be welcomed at the dances which will be held in the gymnasium every Wednesday from 7 to 10. Youthful patrons are limited to 10.

RECREATION BASKETBALL UNDER WAY THIS WEEK

The town recreation basketball season gets under way this week. Games will be played at the high school gymnasiums on Monday and Thursday nights. However, due to Thanksgiving this week, the scheduled contests for Thursday have been moved up to tomorrow night.

The Church league will hold fourth on Monday nights, with six teams competing. They are St. Peter's, St. Anthony's, Christ Episcopal, Wesley Methodist, Montgomery Presbyterian and Fewsmith.

Twelve teams will battle it out in the Intermediate league. The teams, Starlings, Clowns, Fewsmith, Shamrocks, Comets, Hilltons, Imperials, Wildcats, Tigers, Rangers, and Semesters will play on both the high school courts, three games on each floor every week.

A junior league will commence soon, and games will be played on Saturday mornings. Plans will be announced shortly by Edward Lister, recreation director, on the starting date.

Evangelist

Mun Hope

Chinese Youth To Address Youth Rally Saturday Night

Chinese evangelist Mun Hope will address the Essex County youth rally to be held at 7.45 p. m. Saturday in Nutley High school. A capacity audience is expected to attend with a large chorus choir consisting of Yonkers High school students taking part in the program. Servicemen and veterans of World War II will give testimonies. In addition, there will be a trio from Rutherford and Kearny and a piano duet.

EVANGELIST TALKS AT NUTLEY HIGH

Chinese Youth To Address Youth Rally Saturday Night

The musical program begins at 7:30 p.m. with the doors opening at 7 p.m. Admission is free and both young and old are heartily invited.

TWO CARS CRASH, FIVE INJURED

16 Year Old Unlicensed Driver In Crack-up At Union And Holmes

Five people were injured last Wednesday night when two cars collided at Holmes street and Union avenue. Those removed to St. Mary's hospital in the town ambulance were Charles Haught, 23, driver of one car, 4 stitches in forehead and abrasions of the nose; Fredolene Kimmel, 27, owner of the car, shock; Mrs. William Darney, 50, shock and back injury; William Darney, 52, laceration of the knee, shin, upper lip and possible fracture of the nose; and Mrs. Hilda Darney, 26, abrasion of the bridge of the nose. All the injured were occupants of the same car, and reside at 7 Adelaide street. They were released after treatment by Dr. Gonzales.

The driver of the other vehicle was Nello Cozzini, 16, of 32 Conis street, whom police reported as driving without a license. He was uninjured.

According to police, Haught was driving north on Union avenue, with the Cozzini car going south on Union. When Cozzini attempted to turn left into Holmes street, the two cars crashed. Both were badly damaged and towed away by a wrecker, police said.

PETREAN SHOW FRIDAY NIGHT

Dance and Entertainment Feature Irish-American Night At St. Peter's

The Petrean club have completed plans for their annual Irish-American Night which takes place Friday night, at St. Peter's auditorium.

The affair promises to be the biggest ever this year with a well rounded show prepared "to roll 'em in the aisles" in addition to dancing. The committee, headed by Nello Cozzini, has been working feverishly toward making the event one to remember.

Dimes Chairman

Fred Handlon

Again named chairman of the annual March of Dimes campaign for the benefit of the National Foundation for Infantile Paralysis, Fred Handlon announced this week that the 1946 drive will be conducted from January 14 to 31.

Residents contributed about \$3,500 last year in response to house solicitation by mail and coin boxes placed in local stores. The same procedure will be used this year, Handlon said yesterday.

State Chairman Charles M. Jones said last week at a meeting of chairmen held in the Stacy-Trent hotel, Trenton that over 924 cases of poliomyelitis were reported in the state during the summer, the most severe epidemic since 1916. "The National Foundation sent \$90,000 into New Jersey this summer to pay for the salaries of nurses and technicians," he said. "This amount was in addition to the thousands of dollars spent locally in each county by the chapters to provide hospital care."

American Legion Adds 74 New Members

Seventy-four veterans of World War II have been elected new members of Belleville American Legion Post 105 within recent months, Ruel E. Daniels, post adjutant, has revealed. Included among these new members are a Wave, Wae and a veteran of the Women's branch of the Marine Corps.

Meetings are held at the Legion's headquarters at 654 Washington avenue on the 1st and 3rd Mondays of each month, and all veterans are invited to join.

Celebrates Twenty Years As Health Officer

Eugene Berry Has Made Substantial Contribution To Belleville's Health Standard In That Time

A celebration commemorating 20 years of service as Town Health Officer was held at the Town Hall Friday in honor of Eugene Berry. Commissioner of Public Affairs Raymond E. Mertz presented Mr. Berry with a handsome traveling bag, fitted with accessories. Guests included health department staff, Belleville-Nutley tuberculosis nurse Mrs. Ernest Whynall, Miss Jane Donnelly, registrar of vital statistics, and superintendent of nurses Miss Mary Mulholland.

Appointed to the health officer position in November, 1925, Berry has made a substantial contribution to the generally excellent health that the town of Belleville possesses.

In the communicable disease group, there has not been a single case of small-pox in town since 1924. Upon taking office, Berry immediately suggested compulsory vaccination to the people and among the school children. The result was the complete wiping out of the disease. One of the most feared of the communicable diseases was diphtheria, which annually claimed 3 to 7 persons lives, and as many as 50 to 70 cases reported in a single year. Through local clinics and programs in the school system, Berry stated that there has not been a single case reported.

Local G. I. In England Writes Congratulations To Inventor

A congratulatory letter from Sgt. Russell Swenson of 55 Malone avenue now stationed in England, to Ralph Lucas, atom-powered turbine inventor, recently prompted Lucas to visit his parents, Mr. and Mrs. John W. Swenson of the Malone avenue address. He asked them to convey his thanks to the soldier for his good wishes on the atom-powered locomotive which received publicity in the London edition of the Stars and Stripes and the London Daily Mail.

Swenson enclosed a clipping on Lucas's invention which appeared in the Daily Mail. He wrote, "I should like to send you my congratulations with regard to the new locomotive. . . . The success of your company is putting Belleville in the limelight and the people I've talked to about it are very impressed. Since my home is in Belleville I'm more than glad to give the home town a little publicity. By the time I get home work on the locomotive should be completed and it should be making successful runs."

Lucas has also received congratulatory letters from two Belleville sailors stationed in the Pacific who also saw the account of the new type locomotive which was printed in the Pacific edition of the Stars and Stripes.

THANKSGIVING

When has a Thanksgiving Day meant so much—when have happy hearts beat in such a union of praise and thanksgiving that a long, cruel war is over and peace reigns again. May our prayers ascend to God, and mingled with them a thought for those to whom the cost has been so great. God has been good to our America—let us give thanks for Victory, for Freedom, for Peace—for all the good things our great country holds for us.

since 1942, and no deaths from the sickness since 1933.
Another noteworthy accomplishment has been the reduction of the infant mortality rate. Back in 1924 and '25, the average per year ran 80 to 100, but through the establishment of pre-natal care and education for expectant mothers, Berry stated the mortality rate has been reduced to 35.5.
Mr. Berry resides at 557 Washington with his father and mother, and has one daughter, Mrs. Chester Kuta, also of town. Mrs. Kuta recently presented Mr. Berry with his first grandchild.
When asked if 20 years on the same job had not proven monotonous, Berry said, "the time has simply flown, because the work is interesting and the people are congenial. I look forward to another 20 years."

Atom Turbine

Continued From Page One
with 15 horse power to drive a small generator. "The generator will run the electrodes to displace electrons surrounding the nucleus of mercury and iron atoms," he said.
"This splits the nucleus and forms one nuclei, a new element between 72 and 73 on the atomic scale. The new element releases the high energy pressure or power which will be the driving force," the inventor explained.

To Demonstrate Lincoln A stripped Lincoln chassis will be used for the demonstration Lucas said. The engine will be removed and the atomic powered turbine will replace it for the tests which he expects to make near Pompton Lakes. Although the demonstration will be made with a passenger car, the unit will be adaptable to trucks as well.
Lucas who is residing at 212 Broad street, Newark, said yesterday that he will probably form a New Jersey corporation for the manufacture of the automobile turbine and that he is negotiating with Templeton and company, a brokerage and investment house with offices in Rockefeller Center.

See the **225** different model planes at **Bryan's Bicycle Store** 308 Washington Ave. Open 3:30 - 8:00 P.M.

New York City for financial backing. His military advisor he said, is Capt. James V. Coleman, USMCR, an advisory engineer now in charge of special news broadcasts for NBC in Radio City.
The inventor who has spent 12 years in research for Pearce-Arnov, has been working on the release of atomic energy for many years. During the war, the government took over production of his atomic-powered searchlight, the most powerful light yet to be built, he said.
Incomplete news of an atom-powered automobile now being tested in France was published in the press this week. Lucas said he is investigating to discover whether it is his plan which is being used since he has sent his complete plans to a French engineer for study.
Members of the aircraft industry are also making inquiries for him when news of the atom-powered planes, he stated. The inventor also said he wishes to thank the Belleville servicemen who wrote to him when news of the atom-powered locomotive was first released.

Red and blue painted wood train set including a locomotive with train tender, caboose and 2 connecting links. **\$1.39**

MISS KENNEDY IN CHURCH BRIDAL

Marriage To East Orange Man Took Place Saturday In St. Peter's Church

The wedding of Miss Alice Celesta Kennedy, daughter of Mr. and Mrs. Edward C. Kennedy of 63 DeWitt avenue, and William Bernard Robinson jr., son of Mr. and Mrs. Robinson of East Orange, took place Saturday morning in St. Peter's church. The ceremony, performed by Rev. John S. Nelligan, was followed by a nuptial mass. A reception was held in Marlboro Inn, Montclair.

Mrs. William Hartwyck of Verona was her sister's matron of honor, Miss Marie Murphy of Perth Amboy and Mrs. James Kennedy of New York were bridesmaids. Alfred Robinson of Syracuse was his brother's best man and ushers included Jack Kennedy, brother of the bride, Mr. Hartwyck, Henry Schroeder of Orange and Joseph Martin of Irvington.

Miss Kennedy's satin and lace gown was worn with finger-tip veil of illusion draped from a coronet of seed pearls. She carried a prayer book decorated with a white orchid. Aquamarine velvet Grecian style gowns were worn by the attendants. In contrast were their plumed fuchsia hats.

Miss Kennedy, who is a teacher in Ralph street school, was graduated from Newark State Teachers college. She also attended Rutgers university extension. Mr. Robinson attended Rutgers university and was graduated from Walter Reed school of chemistry and pharmacy. He has been honorably discharged from the Army after 42 months overseas with the Harvard Medical unit. The couple will have a three week's honeymoon in the South.

Miss Jean Brown Engaged

Mr. and Mrs. Stanley R. Brown of 567 Washington avenue have announced the engagement of their daughter, Miss Jean R. Brown, to Robert K. Evans, Bosun's Mate 1/c, son of Mr. and Mrs. A. E. Evans of Akron, O.

Miss Brown was graduated from Belleville High school and is employed by the People's Bank and Trust company. Mr. Evans was graduated from Garfield, O. High school. He has just completed a thirty day furlough and returned to duty aboard the U. S. S. Shangri La.

O'Connor - Nacca

Mr. and Mrs. Harry Nacca of 91 Ralph street have announced the marriage of their daughter, Miss Nacca, a WAVE stationer in Washington, D. C., to Gunner's Mate Monroe O'Connor, also of the Navy. The marriage took place in Washington in September.

PEOPLE You Know

Mr. and Mrs. David Sundheimer, who have lived at 243 Ralph street for 24 years, moved last Saturday to 51 Rossmore place. Mrs. Sundheimer has been Republican district leader in the first ward, third district, which includes Ralph street, for twenty years. Her unexpired term until May 1946 will be filled by Mrs. Alan Lundy of 384 Stephens street.

Mrs. Sundheimer is a member of the Essex County Republican club and past-president of the Belleville Women's Republican club.

The Sundheimers' daughter, the former Miss Helena Sundheimer, was married on September 16 to Ingram Salisbury of Haworth. Mr. and Mrs. Salisbury make their home in Miami, Fla.

Mrs. Morgan L. Dring, the former Miss Betty Boulard of 83 De Witt avenue, is visiting in Dallas, Texas, Mrs. W. C. Briggs, the former Miss Catherine Bush of 15 Belmont street. Mrs. Briggs is the daughter of Police Lieut. and Mrs. Emerson Bush.

Mrs. Dring is en route East from a visit in Seattle, Wash. with her husband, Ensign Dring whose ship reports periodically at that base. He serves on a transport ship. The couple were married here in June.

Engaged

Miss Vera Holly

Detective and Mrs. Irving Holly of 56 Holmes street have announced the engagement of their daughter, Miss Vera Holly, to John Yurkovich, son of Mr. and Mrs. Joseph Yurkovich of Newark. Miss Holly was graduated from Belleville High school and Mr. Yurkovich from Central High school.

The Montalbano's Celebrate Their Golden Wedding

Mr. and Mrs. Emanuele Montalbano of 12 Heckel street, proprietors of a grocery store at that address, observed their 50th wedding anniversary Sunday. They were honor guests at a dinner given by their son and daughter-in-law, Mr. and Mrs. Charles Montalbano of Bloomfield.

The couple were married in Sicily in 1895. Mr. Montalbano preceded his wife to this country by a year in 1908. They have lived in Belleville 26 years.

Salvatore Montalbano of Newark and Emanuele Montalbano jr of this town and two daughters, Mrs. Josephine Cantania of Belleville and Mrs. Margaret Sanfilippo of Newark were also present at Sunday's celebration.

THIS YEAR... A REAL THANKSGIVING!

Six years ago, black storms were gathering on the distant horizon to the East and to the West, but not so far away as we thought when the bolt struck at Pearl Harbor.

Then, for the last four years . . . Battles—sometimes won by a slender margin, loneliness, and worry!

But this year, War for us is a thing of the past. We are thankful for peace at home and the prospect of continual peace for the whole world, through an organized effort on the part of all peace-loving nations.

Every second Sunday of the
month: Holy Baptism.

Greylock P.-T.A. Would Sponsor Weekly Dancing Class

The board of education at its
meeting last night stated that it
is in favor of granting the request

ADMISSION RULES FOR B-HIVE

New Regulations For B. H. S.
Weekly Dance Session Go
Into Effect In January

Regulations under which the
B-Hive, high school dance session,
will be reopened the first week in
January, determined at a meeting
of the executive committee of the
adult chaperons with High School
Principal Hugh D. Kittle include
rules for student admission.

In a letter from Kittle to Super-
intendent of Schools Wayne R.
Parmer read at the board of educa-
tion meeting last night, the rules
are outlined as follows:

The B-Hive will be held in the
boys' gymnasium once weekly on
Friday or Saturday nights from
January to June of next year. Ad-
mission will be limited to Belle-
ville High school students, recent
graduates and service men and
women. Students may however,
bring guests who must be intro-
duced to a faculty member in at-
tendance.

Parochial or private school
pupils will be admitted after they
have received tickets of admission
for which they may apply at the
High school office.

A definite schedule will be main-
tained to avoid conflict with regu-
larly scheduled school dances. A
'strong' member of the faculty
will be stationed at the door to
check all identification cards at
each session.

No provision was made for the
continuation of the B-Hive dur-
ing the summer months since Kittle
believes he said, that there
should be a discussion of the use
of the gymnasium for the sum-
mer.

Christian Science

275 Main Avenue, Passaic.

"Soul and Body" is the Lesson-
Sermon subject for Sunday. Gold-
en text: "We know that if our
earthly house of this tabernacle
were dissolved, we have a building
of God, an house not made with
hands, eternal in the heavens."

Sermon: Passages from the
King James version of the Bible
include: "Lord, thou hast been
our dwelling place in all genera-
tions. . . Rejoice the soul of thy
servant: for unto thee, O Lord,
do I lift up my soul." Correlative
passages from "Science and
Health with Key to the Scrip-
tures" by Mary Baker Eddy in-
clude: "Science reveals Spirit,
Soul, as not in the body, and God
as not in man but as reflected
by man."

Wednesday, 8 — Midweek
evening service.

Fridays, 7 — Boy Scout troop;
8 — Choir rehearsal.

Every first Sunday of the
month: Holy Communion.

Every second Sunday of the
month: Holy Baptism.

Kenneth Smith Upped In Rank Aboard Ship In Pacific

Kenneth E. Smith, son of Mr.

and Mrs. Clifton J. Smith of 35 Reservoir place, has been advanced to the rating of Petty Officer 3/c on board the Navy transport USS Crescent City now ferrying Chinese troops from Hongkong to Tientsin, a 6 day trip of 3,200 miles.

Now completing two years in the Navy, Mr. Smith went to the Pacific last January and saw action at Leyte and in Okinawa. He was a student of electrical engineering at Stevens Institute in Hoboken before entering the

Navy. He was graduated from Belleville High school in 1942.

Busy Week Ahead For Montgomery Guild

Montgomery Guild of Montgomery Presbyterian church will conduct a rummage sale Monday and Tuesday of next week at 543 Washington avenue, corner of Overlook avenue.

On Wednesday, November 28, a Going to Market card party will be held at the church. In addition to the regular tally fee, a package from the pantry shelf must be paid. Refreshments will be served.

Boy Scouts Sell Bonds To Rehabilitate Veterans

Purchased 20 Ambulances In Other Drives; Patrol Method Pow-wow Tonight

Boy Scouts of Belleville are hard at work on the Victory Loan drive as indicated by early returns of only two troops which stand at \$2,646.25. This time their effort is to raise money with which to rehabilitate sick and wounded soldiers. In campaigns thus far held Belleville scouts have sold enough bonds to purchase 20 ambulances, as follows: Troop 301—7; Troop 306—1; Troop 350—3; Troop 375—1; Troop 386—1; Troop 388—1; Troop 389—6.

The present campaign is a natural follow-up of the previous one, in that having provided the means to bring wounded men from the field of battle to aid stations and hospitals, the scouts now sell bonds to provide hospital care for the wounded and sick.

A certificate from the Surgeon-General of the United States Army will be presented to each troop selling bonds amounting to \$3,000 or more, the cost of caring for one soldier.

All together in previous drives Belleville scouts have sold bonds at issue price valued at \$66,987.00.

Pow-wow Tonight

One of the outstanding opportunities for scoutmasters, assistant scoutmasters and troop committeemen is the Patrol Method Pow-Wow, to be held at the Recreation house tonight. The program includes the showing of a sound film, The Patrol Method, and an analysis of the film by those in attendance.

Cubbing will not be left out either, as the cubmasters of the district will put on a program for the benefit of the scouts in connection with the pow-wow.

Henry Minasian, chairman of the advancement committee, has

announced a public Court of Honor to be held next Tuesday at School 8. Parents and friends of the scouts are invited to attend.

The Belleville District committee will meet at 7:30 Tuesday at School 8. This meeting will be held directly preceding the public Court of Honor.

The second annual scouters dinner and annual district committee meeting will be held in Montgomery Presbyterian church Tuesday, December 11, at 7. All scouters and their wives will attend and election of officers for the coming year will take place at the conclusion of the social program. W. Douglas Clark is the present chairman.

Franklin W. Peterson is chairman of the dinner and meeting and will be assisted by Henry Minasian and Harry T. French.

New Chairman

Clifton Smith, 35 Reservoir place, is the new chairman of the camping and activities committee of the Belleville district. Mr. Smith's committee is at work laying plans for a full year round program of camping for the scouts of Belleville. Included in the plan, of course, are the council camps at Scout Acres, in Bounton and Camp Mohican near Blairstown, and both the council and district Camporees. The Robert Treat Council camping and activities committee, of which Mr. Smith is a member, met Thursday evening at the council office to continue the development of plans for the 1946 season.

Good News For Mohican Campers

Scouts who have been to Camp Mohican, or those who are looking forward to their first real adventure camp this coming summer, will be glad to know that rowboats have arrived at the camp. This means that Mohican's fleet of boats will be double that of 1944 and 1945, or twenty rowboats in all. This means that every scout will, as compared with previous years get twice the opportunity to use a rowboat. New canoes have also been added.

Parent-Teacher Associations

Joramem Street School Members will gather in the school auditorium this afternoon at 1:45 to hear Dr. J. M. Wisan, dentist, discuss the care of the teeth; motion picture will also be shown. Miss Lena Dunlap, teacher, will supervise a one-act play, "The Backward Child", in which Janet Rudin and Ann Johnson will take part.

Hostesses will represent 4A and 4B classrooms and will be Mrs. Carl Steinmetz and Mrs. Charles Rohleder. Mrs. William Durkee is hospitality chairman.

Home room representation of parents will be checked by Mrs. Charles Travers, Mrs. Samuel Shaw and Mrs. Raymond O'Brien under the chairmanship of Mrs. Everett B. Smith. Pre-school children will be left in the care of Girl Scouts Lee Griffith and Mary McGuire under the supervision of Mrs. Herbert Niles.

The association reading group will meet Thursday evening, December 13, when Mrs. John Rudin will review Thomas Costain's Black Rose. Mrs. Niles will discuss books on child training and guidance. The group will meet at the home of Mrs. W. C. Newton, 51 Forest street.

Montgomery School

Montgomery P. T. A. will also meet this evening when Rowan Whealdon, secretary of the Essex County Tuberculosis League, Inc.

If you are working harder these days and your eyes aren't what they used to be, correctly fitted glasses will ease the strain of over-work and will save precious sight for the future.

Have Your Eyes Examined

Now By Appointment
Dr. J. F. de Groat
Optometrist
244 Greylock Parkway
Belleville

will be guest speaker. His topic will be "The Schools' Part in Controlling Tuberculosis."

A film illustrating the subject will be shown. The meeting will be held at 8:15.

P. T. A. School No. 5
The Parent Education Group of Greylock school No. 5 will hold their second meeting Wednesday, November 28 at 2:00 p. m. in the school library.

The topic for discussion will be "When and How To Say No."

Mrs. Edward Churchwell will be assisted at the meeting by Mrs. Elmar Steffenson and Mrs. Robert Metcalf. All parents are urged by the committee to attend these in formal periods.

Girl Scout Junior Council Elects Officers Today

Discusses Three Projects For Troop Programs, Explains Plans To Scouts

Girl Scout Junior Council will elect officers this afternoon at Washington avenue headquarters. Organized two months ago to bring the Scout National "plan of work" for the coming year into the ranks of individual troops in Belleville, the group is temporarily chaired by Betty Ann Jewel.

The Junior Council last week aptly illustrated the democratic methods by which troops choose their projects when it met to discuss three major programs for the immediate future and dispersed to carry these plans back to the twenty intermediate and senior troops in town.

A spirit of international goodwill pervades each of the proposals: one, a gift of book chests to groups of foreign children; the second, Christmas boxes for merchant seamen; the third, Friendship bags for Girl Scouts and Girl Guides in other lands.

The Treasurer Chest Book committee in New York has furnished specifications for book chests which, when completed, it will transport to the children of France, Russia, England, Belgium and China. Troops are free to accept these projects, but it is believed that most will work on this most attractive assignment which develops many phases of scouting.

York committee, the name of the Belleville scout troop and any other designs the girls may wish to use. Each troop will select a group of foreign children, who may be members of a scout troop, a school or patients in a hospital. A certain nationality and age span will be represented by each and certain nationality and age group.

The local scouts will supply thirty suitable volumes for each chest and will augment the gift with a scrapbook of their own activities. A blank scrapbook will also be enclosed in which, it is hoped, the recipients of chests will paste their pictures and samples of their accomplishments. In this way international understanding will be fostered at the girls' own level.

For seamen's gifts, troops may secure boxes at Scout headquarters. These can be filled with a variety of useful articles for men and will be dispensed by the Seaman's Church Institute in New York.

The third task before Girl Scouts will also develop friends in other lands by gifts of individual utility bags filled with a variety of comforting objects. The bags are eleven by thirteen inches and may be made and filled by one girl or group of girls.

Items Included

Items included are sewing thread, buttons, pins, a small comb, bobby pins, hair ribbon, tooth brush and paste, washcloth, notebook, lead and crayon pencils, a small game, toy or trinket and hard candy. A snapshot or greeting cards from the donor will establish her contact with a foreign miss.

The council is composed of Dolores Higgins, Constance Sprague, Bonnie Schliefer, Phyllis Sibilia, Jean Lundy, Carol Orth, Betty Jane Jewel, Cynthia Travers, Margaret Watson, Marie Lampman, Estelle Denner, Lois Radler, Patricia Maginness and Marion McTiernan. Each is an elected representative of her troop and carries suggestions of national and international scout headquarters to her group for action or rejection. They will also act as liaison between the girls and members of the senior council.

Hoping for an adult response which will match the enthusiasm of scouts themselves here, the adult council again voices an appeal for leaders for all types of troops from Brownies to senior troops. Brownie troop at Union avenue school has been delayed

three months in its fall program for lack of a leader. Girls of senior age groups have been urging headquarters to supply them with leaders. Women who are interested are asked to contact Miss Elizabeth Barlagly, executive director, at 400 Washington avenue for an explanation of the easy and pleasant skills which any untrained person may develop in order to qualify.

New Building Here Sold To Newark Concern

Sale of the new building under construction at the corner of Little and Cortland streets was announced by Inky, Inc., present owners, to the Edison Tool Machinery company of Newark.

Representing the seller was Morris Schmitzer and the broker was Martin Flusser. The transaction was closed at the office of the New Jersey Realty Title Insurance company.

Lieut. Forbes Honorably Discharged From Waves

Lieut. (j.g.) Janet Mary Forbes, former local resident, who now lives with her parents, Mr. and Mrs. Edward L. Forbes at 97 McKinley avenue, was honorably discharged from the Waves on November 15, from the U. S. Naval Personnel Separation Center at Washington, D. C.

Entering service in October, 1942, she served as a yeoman until September, 1943, at which time she received her commission as an ensign.

Her last post of duty was the Bureau of Ships, Navy Department, Washington, D. C.

Woman's Club Sells War Bonds To Meet Quota

The Belleville Woman's club has been asked to sell \$20,000 in Victory Bonds as its quota in the Victory Bond drive now under way.

Mrs. Edward H. Puckhaber, chairman of the Bond drive for the Woman's club, and Assistant Treasurer of the De Witt Savings and Loan Association, will be available from 9 to 4 daily at 280 Washington avenue to sell the bonds.

Rev. O. Bell Close Preaches Last Sermon Thanksgiving

The Rev. O. Bell Close, who recently retired from the Fewsmithe Presbyterian church, will preach his last sermon to the people of Belleville at the Union service at Christ Episcopal church Thursday morning at 10 a.m. Rev. Close was the organizer and founder of the Fewsmithe church, and retired after 21 years of devoted service. All ministers in town, including Rabbi Schwarze of the Congregation A.A.A. will participate in the service.

Ralph Palumbo Gets Discharge

S/Sgt. Ralph Palumbo received his honorable discharge from the Army Air Forces at Fort Dix Tuesday. A plane crew chief, he won his wings and eight service stars during two years in the South Pacific. He served three years.

His wife, the former Miss Adele Baden, makes her home in Newark. His parents are Mr. and Mrs. Ralph Palumbo of 86 Cedar Hill avenue.

Let Us Give Thanks

Men are bewildered, and every heart is heavy with a nameless foreboding. Labor and management are locked in struggle, industry hesitates and wheels are idle while goods and food are needed. Across the oceans the Horsemen of Famine, Pestilence and Death ride their grisly race. Nations that only yesterday fought as comrades now quarrel and snarl at one another. Men even whisper of another war. And over all hangs the common doom of the atom's power. Truly, the world seems bleak and hopeless. Nevertheless, we have much to be thankful for this Thanksgiving Day. Indeed, it is right that the holiday comes at this depressing moment to remind us of our blessings. The war is over, for one; we are victorious, and once more our beloved country has come safely through the holocaust. For that we can offer up our thanks. We can give thanks that the evil of Nazism and Fascism has been struck down. We can give thanks that our men are home, or are coming home, safe at last from the battle's danger. We can give thanks that we are strong. Above all, we can give thanks to Almighty God that among all the unhappy children of men we are Americans.

This last is the great boon, probably the greatest in the history of man. To be an American in this hour is a blessing that should make us all humble before God. Great

as our losses in men have been, torn as we may be now by internecine bickering, we still are saved from much of the misery that encompasses the earth. We are the envied of the earth, and we should not forget it. Let us be grateful.

The Real Problem

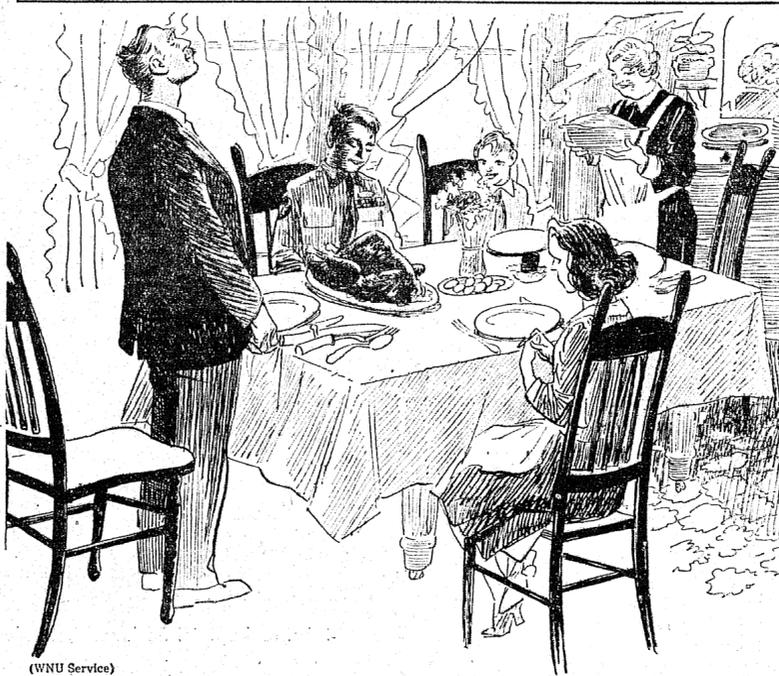

Why go on kidding ourselves? The more the statesmen and scientists talk about the atom bomb the more obvious it becomes that it is not the bomb that is the threat to peace. The real threat lies in our relations with Russia.

We have no fear of the atom bomb in regard to England. When we discuss the bomb's threat we never think of France, Canada, China or other nations. Only Russia. Why? On opposite sides of the earth, Russia and this country have none of the contacts that traditionally have bred wars. Indeed, they have many reasons for being friendly. Moreover, both peoples crave peace, and certainly between them they have sufficient power to insure peace. Why, then, in discussion of the bomb, is there always the specter of Russia to throw us into double-talk?

The answer is the suspicion bred by the two countries' conflicting ideologies. Russia has a psychopathic distrust of capitalist countries; we have a deep abhorrence of communism. Ignore it as we will, the stage is set for a collision, and it is into this heated atmosphere that the atom bomb has been thrust. That is why, with its threat of world catastrophe, the bomb is the most burning issue in world politics.

The need, therefore, seems obvious: A complete and fundamental understanding between this country and Russia. This should be the No. 1 concern of the statesmen of both countries. They should work at it night and day; nothing should be permitted to take precedence over their talks; no quarrels can be important enough to separate them. They must reach agreement. If they do, the atom bomb will fall into its proper place as a controlled weapon. If they don't, we may all find ourselves, capitalist and communist alike, united in the ultimate communion of death.

Much To Be Thankful For

(WNU Service)

Those Were The Days—

By M. C. Alhey

This is the concluding article in a series by M. C. Alhey of Malone avenue on interesting phases of Belleville life before the turn of the century.—Ed. Note

Many homes in the 90's had framed mottoes hung on the walls, such as; "Home Sweet Home", "There's No Place Like Home", "God Bless Our Home", "Knowledge Is Power", "Order Is Heaven's First Law", and many others of a more religious nature. Probably few of the present day citizens have ever learned that one of the most eloquent preachers of the past century, Dr. T. De Witt Talmadge, started his ministry in the Dutch Reformed church. Dr. Talmadge was also the first preacher in the country to have his sermons syndicated throughout the country in town newspapers.

While on the subject of ministers, there may be some readers who will recall Rev. Brokaw, Dr. Leggett, and Rev. Hageman who preached at the Dutch Reformed church in the 80's and 90's. Then not to forget Dr. Abbott, for many years rector of the Christ Episcopal church. At the Methodist church there was Rev. T. C. Mayham, who was there from '87 to '91, Dr. J. H. Egbert, from '91 to '96, and Rev. William Redheffer from '96 to 1900.

It was a great honor in those days to have the minister come to tea. (Today, with rationing and the scarcity of some food items, it would be a catastrophe.) Elaborate preparations were made several days in advance of the minister's visit. Rooms were all put in order, and no one was allowed in the parlor, except to dust. All kinds of cakes and pies were baked, and the choicest preserves made ready.

A newly laundered cloth was placed on the table in the dining room, because most of the time the family ate in the kitchen. The children were drilled in manners and cautioned to be on their best behavior.

The big day would arrive, and with everyone dressed in their Sunday best, the parson would ask a long blessing, and as Mark Twain said "with as many layers to it as an onion." After this lengthy blessing, we would begin to eat.

One time, after stuffing myself on goodies, I fell asleep on the sofa, and dreamed that I was playing with other children. When my bed-time arrived, the folks tried to waken me and say my prayers in order to have the

minister hear me. Still half asleep, and believing that I was playing games with the children, instead of the regular formula of "Now I lay me down to sleep," I repeated, "Eia-mena-mina-no, catch a monkey by the toe."

For the benefit of those readers who do not know what "asking a blessing" is, let me say that in the days gone by, the old-timers believed they would choke on their food if they did not invoke the blessing of Divine Providence before a meal. It was also the custom for children in those days to repeat their prayers before going to bed.

It is now past my bed-time and while there is no minister present to hear me say my prayers, I will call it a day and "lay me down to sleep."

Nancy Gardiner Chosen For N. J. C. Chapel Choir
Miss Nancy Gardiner of 249 New street has been selected to sing in the Elizabeth Rodman Voorhees Chapel choir at New Jersey college for Women during the coming year. She is one of 92 members announced by Professor Duncan McKenzie, chairman of the music department and director of the choir.

Miss Gardiner is the daughter of Mr. and Mrs. Robert C. Gardiner. She is a sophomore at the college where she will major in mathematics. She was also a member of the choir last year. The choir is heard at chapel services each week and in special choral programs in the course of the year.

NATION-WIDE ART CONTEST OPENS

High School Students Seek Prizes In Scholarships And War Bonds

The first nation-wide art competition of its kind open to high school boys and girls was announced recently by Henry J. Burroughs, Director of The Harry Doehla Art Competition. Over 50,000 young people are expected to take part in this unique competition which offers over \$10,000 in scholarships and War Bond prizes.

The starting date of the contest has been elected to be the opening of the Fall school term for 1945, and the closing date for all entries will be December 10. Belleville High school students, under the guidance of art instructor P. W. Diehl, will take part in the competition.

The contest is open to all students of public high schools in the U. S. Its purpose is to encourage young artists and develop

their talent and art appreciation. The problem in the competition is to design an original design in color, suitable for use on a greeting card.

Prizes in the competition will be as follows:
First national prize, a 4-year art school scholarship, with a value of \$1,000; plus an allowance of \$100 for artist's materials for each of the 4 school years. The first prize thus has a cash value of \$1,400. Student may select art school he attends. Second national prize, a 2-year art school scholarship, plus an allowance of \$100 for artist's materials. This prize thus has a cash value of \$700. Third national prize, a one-year art school scholarship, plus an allowance of \$100 for artist's materials. This prize thus has a cash value of \$350.

State-wide prizes will be: (1) \$100 War Bond; (2) \$50 War Bond; (3) \$25 War Bond.

City-wide prizes will be scroll awards for ten best entries in each city. City-wide winners become eligible for State-wide prizes; and State-wide winners become eligible for national prizes. High schools attended by all State-wide prize-winners will be awarded sets of books on art, to become a permanent part of the school art library.

A jury of nationally known artists will select prize-winners, under chairmanship of Miss Virginia Murphy, art director, New York City Board of Education. The competition, which was planned after consultation with educators in all sections of the country, is sponsored by Mr. Harry Doehla of Fitchburg, Massachusetts. Mr. Doehla is noted for his sponsorship of talented young people, having established scholar-

ships in public schools, and made funds available to the Boy Scouts of America to carry out a special achievement program. He believes that a high school student's artistic talent, both active and latent, can be developed by such gestures of encouragement as this Art Competition.

Rotary Inducts New Members

Dr. Louis D'Angelo, whose offices are located at 334 Washington avenue, and Louis Rochow, Safeway store manager, were inducted into Belleville Rotary club last Wednesday noon when the weekly luncheon meeting was held in St. Paul's Church parish house, Newark.

Rev. Peter R. Deckenbach welcomed the men and Dr. D'Angelo was the guest speaker.

TWO BIG JOBS... Both under way

These are busy days for New Jersey telephone people! Two big jobs are under way... First and foremost, we're doing our utmost to provide service as soon as possible for all who are still waiting. In the last two months alone we have connected service for 11,000 people who were on the waiting list. Even where switchboards must be enlarged—which is a long-time task—we will make rapid progress from now on in connecting service for those who are waiting. Every month, central office additions are being completed. Throughout 1946 the pace will be increased, as more and more equipment comes from the manufacturers. Second—even while our No. 1 Job is being pushed, we're well started on a long-range program to restore pre-war service standards and go on from there to build a better service throughout the State. This program calls for more local and toll lines, replacement of numerous exchanges with more modern switching equipment in new or enlarged buildings, improved methods of operation. Hand in hand, these two big jobs are moving toward the goal of a greater telephone service for a greater New Jersey.

Stretch your UCC benefits by taking a Christmas job

DID YOU KNOW THAT

you don't lose your UCC benefits when you take a Christmas job—you merely stretch them over a longer period of time? The weekly amounts and the total benefit payments are in no way affected. And there's no extra red tape—your payments begin again right after your Christmas job is ended if no permanent job is available.

DID YOU KNOW THAT

Mr. George S. Pfaus, Area Director of the U. S. Employment Service, urges unemployed workers in the Newark area to take Christmas jobs in retail stores. He said that taking such jobs would help speed the progress of reconversion as well as stretch UCC benefits.

DID YOU KNOW THAT

If this is to be a real Christmas, extra people are needed in all stores? You can help yourself and your own community by working during this rush period. It will be a pleasanter Christmas all around.

TAKE A CHRISTMAS JOB TOMORROW

This Thanksgiving Day, above all others
Let Us Remember That
We Have Much To Be Thankful For—

Let us be thankful that we attained a decisive Victory—that freedom and decency still live—that America was untouched by destruction—that we had a united will to carry on—that we had leaders of great vision—that we had men and women of courage!

Let us never forget, however, that we barely attained the victory! Let us never forget that Germany was a few months behind us in developing the atomic bomb. Let us never forget that on innumerable occasions in both wars, our battles were won with very slender margins.

Your personal thankfulness for the Victory will be measured by your support of the

VICTORY LOAN

Why America Is Asked for 11 Billions

- ★ To help bring our men home again
- ★ To care for the wounded and battle weary
- ★ To administer the G. I. Bill of Rights
- ★ To clear the decks for quick reconversion

Be Thankful You Are Asked to Buy Victory Bonds!

Bellevillites In Uniform

Local servicemen receiving honorable discharges from Fort Monmouth recently include the following: Sgt. John J. Phillips, 477 Adelaide street; Pfc. George Passmore, 384 Stephens street; T/4 Harry F. Beyer, 170 Garden avenue; T/5 Clifford Lauterbach, 19 Oak street; and T/4 George H. Tietze, 24 Tremont avenue.

Pfc. Percy L. Karrer of 190 Overlook avenue, son of Mrs. Anna Karrer, was recently discharged from the Army Air Forces. He has returned to his former position with the Prudential Insurance of Newark.

Inducted in March, 1944, Pfc. Karrer was shipped overseas after completing basic training. He was assigned to the Red Diamond, or 5th division of General Patton's Third Army.

Pfc. Karrer participated in the bitter fighting in Normandy, at Metz and the Moselle River. After being hospitalized in England for 5 months, he was assigned to the 8th Air Force under the command of Gen. James Doolittle.

The local veteran is entitled to wear three bronze battle stars, the Combat Infantryman's Badge and a Presidential Unit Citation.

Lieut. Commander Vincent D. Hurley, son of Mr. and Mrs. Daniel J. Hurley of 86 Malone avenue, was recently discharged from the Navy after five years service. He served on a minesweeper and held the post of commander of one of these ships for the past two and a half years.

Mr. Hurley and his wife, the former Miss Mathile Sproule of Galveston, Texas, now make their home in Seattle, Wash.

James E. Stivers, WT 2/c, USNR, husband of Mrs. Clara M. Stivers of 68 Campbell avenue, is on his way home.

WT 2/c Stivers is one of 2,000 high-point Navy veterans whom the "Magic Carpet" is bringing back to the States aboard the USS Hornet.

The USS Hornet — one of more than 250 carriers, battleships, cruisers and attack transports in the Navy's famed "Magic Carpet" fleet — left Pearl Harbor, Thursday, November 8, and was scheduled to arrive in San Francisco about Tuesday, November 13.

Passengers will go directly to the Separation Centers nearest their homes to complete the formalities of obtaining their discharges before returning to civilian life.

Edward Martin Volski, seaman, first class, USNR, of 65 Smallwood avenue, has been assigned to duty on the USS Princeton, a new Essex-class aircraft carrier soon to be commissioned.

Members of the newly-assigned crew now are in training at the

Atlantic Fleet's Naval Training Station at Newport, R. I.

Lieut. (jg) Owen Burgess Olson, USNI, of 45 Tappan avenue, took part in the two-fold assignment of aiding in the occupation of Japan and returning high-point veterans of the Pacific campaign, while serving aboard the attack transport USS Hampton.

The crew of the Hampton, which served with both the Atlantic and Pacific fleets, brought her war duties to a climax by participating in the landing of occupation troops in northern Japan. After that, the ship was assigned to the "Magic Carpet" fleet, the Navy's service for speedy return of veterans eligible for discharge.

VETERANS HOME WITH DISCHARGE

Veterans of the armed forces who have received their discharges from service and reported to the draft board at the town hall last week are as follows:

Robert L. Plence, No. Joramom street; Gerald Panaccione, 110 Franklin street; Alexander Mechoone, 33 Little street; Theodore Russen, 65 Fairway street; Thomas R. Meehan, 36 May street; Floyd S. Trengrove, 166 Belleville avenue; Allan F. Mullen, 105 Belleville avenue; Felix P. Mozeika, 3 Hittor street; Daniel B. Hoey, 13 Prospect street; Peter G. Walker, 112 Ralph street.

Anthony Petzel, 61 Sanford avenue; Edward H. McGregor, 34 Maple avenue; Jerry C. Giandonato, 44 Belmont avenue; Francis E. Burke, 245 Little street; Frederick R. Mitchell, 99 No. 17th street, East Orange; Christian R. Erickson, 73 Belmont street; Mario Passo, 10 Edison street; Schiavo, 49 Mitchell street; Robert W. McLaughlin, 137 Forest street; Nunzio Paterno, 107 Baldwin place; Kenneth A. Paton, 88 Ralph street.

John P. Carsillo, 162 Malvern street, Newark; Carmen Maiorana, 86 Union avenue, Nutley; George J. Valentine, 168-44 119th avenue, Jamaica, N. Y.; Carmine D'Allegro, 26 Honiss street; James M. Cowell jr., 60 Thiem avenue, Schelle Park; Anthony Schiavo, 49 Mitchell street; Robert W. McLaughlin, 137 Forest street; Nunzio Paterno, 107 Baldwin place; Kenneth A. Paton, 88 Ralph street.

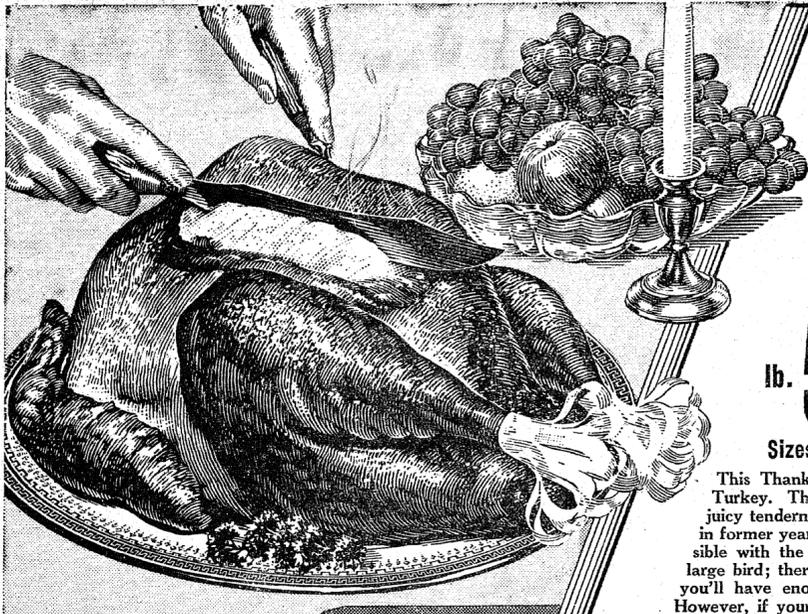

Peter Porcelli, 79 Heckel street; Harry Hansen, 31 Hornblower avenue; Frederick W. Broughton, 32 Malone avenue; Carl J. Ferrillo, 34 Newark avenue, Nutley; John P. DeAngelis, 110 Harrison street; William J. Wittman, 2 Hornblower avenue; Ralph P. Borchino, 27 Lake street; Nelson R. Moffett, 10 Vincent court, Newark; Giacomo F. LoCoco, 162 Franklin street.

Frank J. McDonough, 230 No. 6th street, Newark; Henry Abramson, 475 Washington avenue; James A. Veneziano, 8 Wallace street; Vernon O. Hoey, 125 Guire, 298 Union avenue; Angelo Bissell, 987 Summer avenue, Newark; Victor R. Whycheil, 35 Sanford avenue; James P. Fitzpatrick, 82 Lighth street; Robert J. Malcolm, 28 Wilson place.

Raymond E. Ferry, 35 Brookline avenue, Nutley; Theodore B. Duva, 41 Cedar Hill avenue; Joseph Toranzo, 317 Bloomfield avenue; Bloomfield, Norman K. Crowther, 27 Lincoln terrace; Silvio Colavito, 254 Joramom street; Irving Levine, 64 Cortland street; Walter E. Albro, 230 Stephen street; Donald L. Connelly, 279 Scotland road, South Orange; Michael J. Bartley, 45 Cleveland street; Chester Sanok, 16 Montgomery place.

Myrie D. Carpenter, 133 Greylock parkway; Salvatore Muscato, 622 No. 7th street, Newark; Joseph J. Kasisky, 48 High street, Franklin, N. J.; John L. Haywood, 154 Franklin street; Gerard Pugliese, 223 Belleville avenue; Jack H. Schmutz, 22 Carpenter terrace; Cecil Haslam, 244 DeWitt avenue; Albert A. Redden, Rt. 1, Box 69-B, Vivian, La.

Louis Fusaro, 42 Mitchell street; Richard F. Shade, 111 Overlook avenue; Thomas M. Byrne, 57 Bridge street; Earl C. Hathaway, 223 Stephen street; Joseph A. Tartaglia, 23 Belmont street; Edward J. Ostrowski, 106-45 150th street, Jamaica, N. Y.; Harold A. Wade, 11 Franklin place, Kearny; Gerard J. Ferrara, 112 William street.

Now...you can enjoy those famous
PILGRIM BRAND—ALL GRADE 'A'

Turkeys

PLUMP, SELECTED BIRDS
WITH DEEP MEATY BREASTS

lb. **52^c** | lb. **48^c**

Sizes Under 18 lbs. | Sizes 18 lbs. and Over

This Thanksgiving, make it a real feast with a "Pilgrim Brand" Turkey. These birds are rated for their deep, meaty breasts and juicy tenderness. Although they are considerably larger in size than in former years, we will do our best to supply you as nearly as possible with the size requested. May we suggest that you choose a large bird; there is extra economy for you, pound for pound, and you'll have enough for several excellent "leftover" meals, too! However, if your family is small we'll be glad to split one of the larger birds to meet your requirements.
