

## TB X-RAY UNIT HERE SATURDAY AT HIGH SCHOOL

Mobile Outfit Will Serve Silver Lake Area Monday In Free Program

The mobile X-ray unit, sponsored by the Belleville-Nutley Tuberculosis Association, will be set up at Belleville High on Saturday from 10 a. m. to 6 p. m., it was announced yesterday by Eugene Kelly, president of the Association. In addition to the facilities at the high school, a mobile bus will be stationed at Brighton Avenue and Harrison Street Monday morning from 10 a. m. to noon and at Franklin Street, opposite the fire house, from 2 to 5 and 7 to 9.

Seven hundred and ninety-six people were X-rayed at Nutley High School last Saturday during the first day of the 3-day free X-raying program.

### Last Minute Appeal

Kelly has headed the Community X-ray Committee for these current projects and has recently been elected president of the Association. He issued a last-minute appeal to all residents of Belleville and Nutley asking them to visit one of the three remaining projects at their convenience to take advantage of this valuable free service.

All reports and results of X-rays are kept confidential and are mailed direct to the person having the X-ray, Kelly said, and the little time spent in coming for a chest check-up could not be put to better use.

## FINAL APPEAL FOR CANCER FUNDS

Drive To Close Shortly, With Town Still Short Of Quota

Pointing out that American Cancer Society officials hope to ring down the curtain on the 1951 campaign for funds by the middle of May, local chairman F. Douglas Wadsworth voiced a final appeal for contributions yesterday. The Belleville quota has not been attained for the first time in recent years, Wadsworth added, noting that funds are in more dire need now than ever before.

The local drive, seeking \$7,500, was extended two weeks ago. William Goodish, second vice-president of the Belleville Branch of Fidelity Union, is accepting contributions.

## Ordinances Approved For Track, Payroll and Fire Post

Three ordinances were approved on second and final reading by the commission on Tuesday. An appropriation of \$5,500 to install drains and curbing at the new Municipal Stadium running track was granted.

The others place all town employees on a weekly payroll basis, instead of semi-monthly and make provision for appointment of a seventh fire captain in the department of public safety. The latter measure was recommended by Chief Dunlavy on a report from National Fire Underwriters. The new officer will be named from a Civil Service list.

## Little League Attracts Over 500 In First Tryout Session

Enthusiastic Response To Rec Project; Workout Tonight At Clearman Field

Little league baseball made an auspicious debut last Saturday, when 547 ambitious, hopeful young diamond merchants turned out for the inaugural workout. After a three-hour session, the squad was halved and another practice will be held tonight at 6 o'clock on Clearman Field. The third workout will be held on Saturday morning, starting at 9 o'clock.

The program, sponsored by the town recreation department under Parks and Property Director Hyde, will put four teams on the field. Complete uniforms, including caps, shirts, pants and socks, together with catching equipment, bats and baseballs, will be furnished by the recreation department. If there is sufficient material left after the personnel for the four teams have been named, a "farm" loop comprised of the unsuccessful candidates will be formed.

All games will be played at Clearman Field, on a reduced-size diamond.

## Building Code Amendments Mark First Step In Change

Ordinance Passes After Special Committee Begins Series Of Recommendations

The initial step in the ultimate revision of the town building code was acted upon Tuesday at the regular meeting of the Town Commission, when an ordinance amending the present code was passed on first reading. It provides for a number of substantial changes in building practices and requirements.

Introduced by Public Affairs Director King, the ordinance is the product of a study initiated eight months ago by a special committee appointed by King. An antiquated building code, subject to considerable criticism, prompted King's action at the time. He named Building Inspector Thomas Greco, William Boyd, who has acted as chairman; Eric Peterson and Walter Kelly.

A new and completely revised code will not be completed for presentation until at least the first

## Guest Speaker

Rev. Benjamin L. Masse, S.J.

More than 400 men are expected to attend the annual Communion breakfast sponsored Sunday at the high school cafeteria by the St. Peter's Holy Name Society. Guest speaker will be Rev. Benjamin L. Masse, Jesuit priest and labor-management authority.

Other guests will include Martin J. Loftus, Newark attorney; Mayor James J. Tully; Msgr. Joseph M. Kelly, pastor of St. Peter's; and Rev. John H. Wightman, spiritual director of the Holy Name Society.

James J. Gallagher and Gary Vanderbilt have arranged plans for the breakfast. Daniel Keating, Holy Name president, will preside at the affair.

## Daniels, School Clerk, Injured In Car-Truck Crash On Route 6

Ruel E. Daniels, district school clerk, is recuperating at home from injuries suffered last Friday when the auto he was driving was in a collision with a truck on Route 6. Daniels came out of the crash with a broken rib and multiple body bruises. His three daughters, Judy, Sarah and Susan, riding in the vehicle, were uninjured.

Daniels and the children were en route to the family's summer home at Lake Mohawk when a truck pulled from a service station into the path of the school clerk's car. The Daniels' auto was severely damaged and had to be towed away.

part of 1952, it was learned this week. Study requiring research and numerous minute details makes it necessary for the special committee to move slowly.

Among some of the changes, cited by Greco as requiring prompt action to get them into the code at once, include opening the way for use of modern manufactured sheathing board in new buildings; a new schedule for determining the size of floor beams and institution of more rigid requirements for anchoring roof rafters.

## THREE SCOUTS TO RECEIVE AWARD

God and Country Badges Won By Christ Church Troopers; Service On Sunday

Three Boy Scouts from Troop and Explorer Post 388 of Christ Episcopal Church will receive one of Scouting's unique awards Sunday, when the presentation of the God and Country Award will be made at the regular church service led by Rev. Peter Deckenbach. John Greulich, Harold, Jr. and Charles Crane will have the honor conferred upon them by Scout executives.

Robert Bartholomew, Scoutmaster of Troop 388, will confer the award upon the Crane brothers and Neil Firth, assistant advisor, will make the presentation to Explorer Scout Greulich. The significance of the award will be outlined by Harry French, assistant Scout Executive of the Robert Treat Council and a vestryman at Christ Church. Rev. Deckenbach, on behalf of the sponsoring institution, will present the Shield and Cross while the mothers of the boys, Mrs. Harold Crane and Mrs. John Greulich, will pin the badges on their sons. The God and Country badge is conferred by the church after the fulfillment of standards established by the Episcopal denomination and the pastor. It is available to all scouts who have reached first class rank and completed a minimum of 150 hours of personal service to the church.

## FOURTH TERM FOR AMVET LEADER

Mike Marotti Elected As Memorial Post Commander; Active In Recreation

Michael Marotti, with three terms as commander of the Belleville Memorial Post of the Amvets, was elected for the fourth year at the annual election of officers recently.

Others on the slate for the ensuing year include John Zacccone, first vice commander; Jack Franz, second vice commander; Bob Russo, third vice commander; George Stango, adjutant; Joseph Buccino, finance officer; Anthony Nisavocchia, judge advocate; James Risoli, service officer; Elliott D'Angelo, public relations; Saverio Noto, chaplain; Michael Franz, provost marshal; James Galloto, trustee for three years; Russo, trustee for two years and Frank Bruno, trustee for one year.

Marotti, active in veterans' affairs and recreation projects, has also been a cog in state Amvets doings. He is presently state athletic officer and state trustee. A former Belleville High School athlete, he has played an active role in youth projects and served on the town recreation staff. Marotti is employed with the Ronson Co. of Newark. He is married and lives with his wife and son at Frederick Street.

Officers will be installed at a public ceremony on June 2.

## DRIVE TO UNITE JEWISH RESIDENTS

Campaign Under Way Led By Gruhin To Strengthen Community Standing

This week marks the beginning of an intensive campaign to enroll every Jewish family as members of the Jewish community, it was announced by Robert C. Gruhin, chairman of the membership committee of Congregation AAA. In his statement, Gruhin remarked that "our goal is to unite and strengthen the Jewish community of Belleville, so that we may be enabled to further our achievements. The synagogue, which is Belleville's only Jewish Community Center, stands here to serve the spiritual and social needs of our community. In many respects, our needs are much greater today than those of the generation before us; and it is our hope to be able to provide these requirements. But we can only perform that service when we have the support of every Jewish family in Belleville."

The chairman further noted that the membership drive was the first part of a 3-point program for expansion set out at the beginning of the year by the

## Students Win Awards For Writing Prowess

Joseph Gilchrist

Among the national winners from New Jersey in the annual writing contest sponsored by Scholastic Magazine are three Belleville High School students.

Allan Evans, a freshman, won third prize in the Junior Division for his short story "The One Bright Spot". Allan, who is son of Mrs. Charlotte Evan of 56 Frederick Street, Belleville, plans to study chemistry when he enters college.

Marilyn Hubach, a junior, won fourth prize for her current affairs report on the subject, "Should We Stress Interscholastic or Intramural Athletics?" She is assistant editor of the school newspaper, The Belleville Spotlight. Marilyn was one of two Belleville students chosen in the

Marilyn Hubach

All State Choir at Atlantic City. She is president of the school Library Club and of the Methodist Youth Fellowship at Wesley Methodist Church, of which her father is pastor. She is the daughter of Rev. and Mrs. Frederick G. Hubach.

Terttu Kankainen, a freshman, received a commendation for her short story in the Junior Division. Terttu came to Belleville in December, 1949, from Finland, where she had completed about two years of high school and had also attended a general business school. In Finland she had won many prizes for her writing. Terttu has continued with her interest in art and writing in this country.

All these national winners had

Terttu Kankainen

previously won awards in the Regional Scholastic Writing Contest sponsored in New Jersey by The Newark News. A total of thirteen Belleville High School students had won awards in the regional writing contest. All thirteen winners had their entries sent on for entry in the national Scholastic contest.

An essay written by Joseph Gilchrist, Belleville High School senior, will be published by the National Essay Association in a bound book, "Americanism and Peace." The essay has already been published by the association in the annual anthology of high school essays, "Young America Speaks."

In the letter sent by the association to Mrs. Regina Degnin,

Allan Evans

his English teacher, these statements appear:

"As this choice was made from over a million manuscripts and only about five hundred will appear in this book, it should be considered quite an honor.

"The book is a symposium of what Americanism is and stands for, and contains some excellent works on the subject. It is America's answer to Communism and all the other isms of today."

Joseph plans to enter Seton Hall College this fall, where he will major in social studies. He is the son of Mrs. Mary Gilchrist of 472 Washington Avenue, and has been a member of the school band for four years and a member of the Latin Club.

## New Group Plan Endorsed For Community Chest

Board Of Trustees Here Approves, Adopts Plan To Benefit Agency

The board of trustees of the Belleville Community Chest has endorsed the plan for group giving formulated by the Welfare Federation of Newark, according to Mrs. George R. Gerrard, board vice-president. The action was taken last week at the board's regular monthly meeting.

Mrs. Gerrard explained the plan would apply to Belleville, noting that it is based on a minimum of 15 per cent a week collected through payroll deductions and upward on a graduated scale for those making higher salaries. Basically, she said, the employees of any industrial or commercial firm of two or more employees, with the co-operation of management, select the health and welfare agencies they would like to support. An endeavor is made, she said, to secure 85 per cent participation in the plan or office and one

campaign is held to solicit pledges.

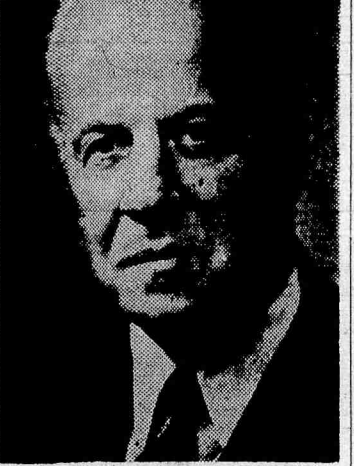

### Final Solicitation

The pledge made by any employee remains in force until the employee changes the pledge or drops out of the plan, she said. The employees are issued a charter recognizing them as a chapter in the plan. They also receive the membership cards, window stickers and emblems of the charities they have selected. After the one campaign, there are no further drives for health and welfare agencies in that plant or office, Mrs. Gerrard stated.

The philosophy behind the plan, she said, is based on the fact that employees and employers have had enough of numerous appeals for good causes. The plan offers men and women the opportunity to select agencies, decide how much each shall get and at the same time made it possible to end numerous expensive solicitations.

Mrs. Gerrard said the plan will be introduced to Belleville's industrial and commercial leaders in the near future.

## Named Director

Gerald D. Peet

At the 39th Annual meeting of the New Jersey Manufacturers Association, held in Atlantic City on May 4 and 5, Gerald D. Peet, chief engineer of Wallace and Tiernan Industries and president of the Association's Affiliated Insurance Companies.

Mr. Peet has been associated with Wallace and Tiernan since 1917, at which time he held the position of sales engineer. He became chief engineer in 1921, and in 1923, in addition to his duties as chief engineer, he was appointed secretary-treasurer and director of Wallace and Tiernan Industries. In 1930 he was also made secretary and elected to the Novadel-Agenc Limited, Canada, and became a director of Lucidol Corporation. In 1933

## Chamber Cites Lectures On Price Stabilization, Controls

In cooperation with similar organizations, the Belleville Chamber of Commerce has arranged for a series of lectures on price stabilization and controls for wholesale and retail businesses, it was announced this week by Chamber president Robert Von Nessi.

An informative lecture and meeting with an OPS representative, for wholesale and retail butchers, has been scheduled for May 17, at 8 p.m. in the Bloomfield Municipal Annex Building. Local merchants are urged to attend.

### Dogs Beware

Loose and stray dogs had better beware. A new dog catcher has been retained by the town and a stepped-up campaign to corral the canines will shortly get under way. The town commission approved a resolution Tuesday naming the Bergen County Kennels, owned by Miss Mary Schwartz, as the dog detainers.

Safety Director Sullivan offered the measure, which will pay the Kennels \$125 a month for a six-months trial basis. The former dog catcher for town was Dr. Cecil Gates of Washington Avenue and Mill Street.

## Special Meeting Of School Board Called For Monday

A special meeting of the Board of Education has been called for Monday night. Teachers' committee and public relations chairman Charles Yocum announced the session and noted that several important matters are to come before the board but would not disclose their nature.

One order of business to come before the board will be the salaries of teachers presently on tenure. School clerks will also be considered by the board. The meeting is open to the public.

## Sullivan Card Party May 18 Has Entertainment Planned

Final plans have been completed for the card party sponsored by the Harry Sullivan Association on May 18 at the Elks Club. Five acts of entertainment will add to the festivities, and among the acts will be Bob Kimble's dancing schools pupils, who recently appeared on Paul Whiteman's TV program.

The affair is under the general chairmanship of John W. Westlake.

## Teachers With Naval Rating Sought For Training Program

Teachers are urgently needed to assist in a recruit training program at the Naval Reserve Training Center in Clifton. It was announced this week by Lieut. Commander Hugh D. Kittle, who doubles in peace-time as principal of Belleville High School.

Lieut. Comm. Kittle, veteran of World War II and active in the training program, said deck officers or men with desk ratings are preferred. Kittle may be reached at Belleville High School.

## Interpreters For Deaf Mutes

Rev. John Hourihan of St. Peter's, shown on the right rear, is pictured welcoming 150 deaf mutes last Sunday at the communion breakfast sponsored by the Mt. Carmel Guild. Father Hourihan is one of the Essex County chaplains for the Deaf Center in Newark. The project brought together deaf persons from all over the Archdiocese and they saw Archbishop Walsh, founder of the Guild, address the group, with his remarks transmitted to them by Father Hourihan. Others in the photo are, seated, left to right: Mrs. Thomas Smith, Guild president, and Miss Gladys Winter, chairman of deaf unit. Standing next to Father Hourihan is Rev. Patrick Owens.

## FIREMEN REQUEST COST OF LIVING BONUS OF \$300

Commission To Take Action Soon, Humor Compromise Of \$150 Bonus

Action on a plea for a cost-of-living bonus for the Belleville Fire Department is expected by next two weeks, The Times-News learned on good authority yesterday. Although the board members have maintained silence on the issue so far, it is believed to have the tentative approval of the Commission. It is likely the firemen will receive \$150.

Safety Director Sullivan met recently with the department representatives, who requested a \$300 bonus, the same amount of a raise granted the policemen by referendum last year. However, the compromise figure of \$150 has been tentatively established.

### Reduced Hours

The firemen introduced a referendum in 1950 which passed, reducing their hours from 70 to 56. They did not ask for an increase in wages at the time, because the reduction in hours necessitated the hiring of 11 new men and creation of several new officers' ranks, resulting in a substantial increase in the department's budget.

However, the firemen have cited the sharp rise in living costs and the need for relief.

## ANNUAL BAZAAR AT HOLY FAMILY

Will Run All Week Until Saturday; Proceeds Will Benefit New School

The annual Bazaar of the Holy Family Church on Brookline Avenue in Nutley is being held this week in the new school building. The affair began Tuesday and is continuing every evening until Saturday, when the grand prizes will be awarded. A special children's bazaar will be held Saturday afternoon from 2 to 5.

The affair is an annual event and is being held this year for the benefit of the new Holy Family School, which was opened last September and is one of the most modern school buildings in the county. The Guard of Honor are sponsoring an Aluminum booth, and the Holy Name Society is conducting a meat booth. Refreshments, including Italian tomato pies, are being served by the Mt. Carmel Sodality. A special committee is operating a candy booth, and the Rosary Society has a grocery concession. The C.Y.O. is running an electric train booth and a doll booth. The St. Lucy Society has a miscellaneous booth, and the Catholic War Veterans have a specialty booth. The Parent-Teacher Association, which was newly formed with the opening of the new school, has a silverware booth.

The entire affair is under the joint sponsorship of the combined societies of the parish. Monsignor Anthony Di Luca is the pastor of the Holy Family Church.

## Fewsmith Women's Guild To Hold Food Sale Wednesday

The members of Fewsmith Women's Guild will sponsor a food sale next Wednesday in the church. Cakes and baked articles prepared by the group will be sold from 9:30 a.m. to 3:30 p.m.

### Uncle Pat Debuts

There was a new face on the Mayor's rostrum Tuesday at the regular session of the town commission. With Mayor James J. Tully absent due to his wife's sudden hospitalization, Public Works Director Patrick Waters, dean of the board, took over.

It pushed "Uncle Pat's" mayoralty debut ahead by two weeks. Waters has been named acting mayor in the absence of Tully, who re-enters active service with the Marine Corps May 21, the day before the next scheduled meeting of the board. The board's veteran is serving his seventh term on the commission but has never been Mayor.

## Bids Sought For Three New Police Cars, Stadium Job

Two proposals for bids were approved by the town commission this week. Public Safety Director Sullivan is seeking bids for the furnishing of three, 1951 Ford sedans for use in the police department. The second calls for the furnishing of bids for constructing outside curbing walls and drainage facilities for the running track at the stadium. The request came from Parks and Public Property Director Hyde.

All bids must be presented at the Town Hall on or before 8 p.m. on Tuesday, May 22. Bids must comply with specifications on file in both departments.

## Price Ceilings On Grocery Items, Beef Start Monday

Ceiling prices for retail butchers and grocers, established by the Office of Price Stabilization, will go into effect here Monday, it was announced by acting director Richard Tarrant of the Newark office. Beef prices are affected by the order and according to the OPS official, will result in average reductions by fall in the price consumers pay of about ten per cent.

## Celebration Committee On July 4th Seeking Funds

Hope To Raise Money, Avoid Solicitation At Program; Plan Events All Day

An appeal for financial contributions from townspeople to insure the proposed Fourth of July program being carried out to the full extent was sounded this week by P. Douglas Wadsworth, chairman of the committee in charge of arranging the first program of the kind for Belleville. The celebration for stay-at-homes, similar to those staged in other communities, is being planned by the group appointed by Parks and Property Director Hyde, who has jurisdiction of the recreation department.

Wadsworth explained that although an amount of money had been provided in the budget for the celebration, it is not sufficient to cover expenditures for the all-day program contemplated. The chairman also pointed out that contributions are solicited at the celebration by committees in other towns to defray expenses. Plans here call for no solicitation at the

celebration, if the funds can be raised by volunteer contributions prior to the program, the chairman added.

To date, the program, in the tentative stage, will commence at the Stadium at 9:30 a. m. with the flag-raising. From then until noon, races for boys and girls will be held. At 1:30 p. m., a girl's softball game is slated and at 3 o'clock baseball, softball and track events will keep things humming until dinner time. At 7 p. m., a circus and band music will fill the breach until the program is climaxed with a display of fireworks at dark. Prizes for the races and track events will be awarded.

Wadsworth said contributions may be forwarded to William Goodish at the Belleville Branch of Fidelity Union and further information may be obtained from Mrs. Irene McCormick, recreation assistant, at the Recreation House on Joramlemon Street.

Assisting Wadsworth on the committee are Ralph Baker, Lester McCormick, Henry Watters, Raymond Smith, Ed Berlinski, James Lammann, Andrew Lukowiak, Mrs. McCormick, William Gray, Fred Duxbury and Richard Devine.

# Local Scouts Enjoy Trip In Air Force C-47 Plane

Weekend At Stewart Field Includes Flight, Mess and Tour Of Point

Explorer Scouts of the Robert T. French Scout Council, under the leadership of Assistant Scout Executive Harry T. French, enjoyed an interesting weekend at Stewart Air Force Base, Newburgh, N. Y., April 28 and 29.

Five Explorer groups attended, including the following Belleville Explorers: Tom Post and Crew 388 of Christ Episcopal Church; Fred Gray, Fred Greulich, Fred Gray, Austin Roberts and advisors Harvey Ntkerson and Albert Rothard.

Arriving at the base at 11 a.m. Saturday, the Explorers were taken to barracks 1816 C where they were issued blankets, sheets and pillows, then to the consolidated mess for lunch. After a briefing on flight, clearance of military aircraft and getting their parachutes on, they were taken for a one hour flight in a C-47, flying to New York City then to Poughkeepsie and back to the base.

**Tour West Point**  
Following a review of the flight the next order of business was supper, then to the movies at the base theatre.

Sunday morning came a tour of West Point in an Air Force bus. Mass and Protestant church services at the base chapel, a bus tour of the base and lunch.

All together, 24 Explorers and leaders attended. Encampment all of whom want to attend the week's encampment to be held at the base August 11 to 18.

Saturday, April 28, also saw a Test Mobilization of Belleville scouts in Belleville Park. One hundred scouts participated in a demonstration of how scouts could go into action in the event of an emergency.

First aid, transportation of the injured and a "lost child" project were features of the Mobilization. Neighborhood Commissioners Fred Grabau, George Meagher and James Anderson were in charge.

## CHANGES MADE IN RED CROSS

Resignation, Appointment Noted In Volunteer Group By Aitken

In an announcement of changes in volunteer personnel in the Belleville Chapter, American Red Cross, B. Thomas Aitken, Chapter chairman advised yesterday of the resignation of George P. Hodson as a director of the chapter.

Mr. Hodson, an executive with the Prudential Insurance Company, has received a permanent transfer to the newly organized Canadian office of the company in Toronto.

Mr. Aitken also announced the appointment of Donald E. Jones, 51 Hornblower Avenue, as chairman of Instruction and Entertainment Service. Mr. Jones, an employee of the Prudential Insurance Company in Newark, and a local resident for the past thirty years, is well qualified for his new appointment. He has served as Rehabilitation and Welfare chairman, Gibraltar Post 326, American Legion, carrying on a program of entertainment and instruction instituted by the Post for the benefit of veterans at Lyons Hospital.

Mr. Jones was stationed at Fort Monmouth during World War II, and has a personal knowledge of what the servicemen best appreciate in entertainment and instruction, particularly when hospitalized and unable to participate actively in normal camp recreational activities.

## Large Attendance Expected At CYO Youth Rally Sunday

Approximately 15,000 people are expected to jam Newark Schools' Stadium this Sunday when the fifth annual Youth Rally is held there. The rally, presided by Rev. Thomas J. Walsh, Archbishop of Newark, presiding. The services, which draw more people than any other religious exercises in the area, will get underway at 2:30 p.m. and will be broadcast by WJNR and WSOU-FM for the fourth straight year.

Before the services there will be a demonstration by six CYO drum and bugle corps. The rally will open with a procession led by the clergy and a guard of honor to the Archbishop. Following will be the drum corps, Boy Scout color guard, Girl Scout color guard, members of the United Nations, followed by Scouts, CYO members dressed as citizens of various countries, participants in the "Living rosary," and an honor guard to the Pilgrim States of Our Lady of Fatima.

## OVER 900 ATTEND TULLY DINNER

Mayor Honored By Friends, Town Officials Before Reentering Service

More than 900 persons, including many officials from surrounding towns, attended the testimonial dinner last week in honor of Mayor James J. Tully, who has been called back to active service in the Marine Corps. The Mayor leaves for Camp Le Jeune in North Carolina May 21.

The affair at the Essex House in Newark was highlighted by the presentation of a traveling bag and gift to the Mayor by Max Schwartz, local attorney and close friend of Mayor Tully's. The principal address was given by Ralph Heinzen, publisher of The Times-News and The Nutley Sun.

**Safety Council TV Award To Chevrolet Dealers**

C. S. Whitman Jr. of Herdman Motors Company, local Chevrolet dealer, has announced that the National Safety Council 1950 Public Interest Television award for distinguished service to accident prevention has been made to the Local Chevrolet Dealers Association in this area.

The award was made in the field of television for "an unusual contribution to the public interest on a purely voluntary basis."

"Three outstanding Chevrolet television safety commercials called 'Swerving Irving,' 'Stomping Stanley' and the third, 'The Other Fellow,' were cited," Mr. Whitman said.

"These three safety commercials, produced exclusively by and for the Local Chevrolet Dealers Association of New York, Connecticut and New Jersey, were used seventy-five times on TV spots, and nine times on regular dealer television programs during the year 1950."

## PTA COUNCIL PLANS SPRING SESSION

County Group Will Discuss "PTA In Action" At Meeting In Montclair Monday

The Spring meeting of the Essex County Council of Parent-Teacher Associations will be held Monday in Watchung School, Frederick Street and North Bullerton Avenue, Montclair. Mrs. Benjamin S. Leon, head of the group, will preside.

The morning session will consist of opening exercises and business, followed by a panel discussion, "The P.T.A. in Action," which will be broken up into three phases. Miss Florence Armstrong of Caldwell will discuss "Family Service," Mrs. Margaret O'Reilly of Montclair and Horace S. Volz of Newark, "Unsavory Influences Pointed at Youth," and Mrs. Raymond Laing of Arlington, "Civilian Defense." Five minutes for presentation has been allotted to each member of the panel, with ample time remaining for questions. Mrs. Robert L. Ballou of West Orange will be moderator.

Dessert and coffee will be served in the gymnasium from 12 to 1 p.m. Members will bring box lunches.

The afternoon session will open at 1 p.m. with selections presented by the Glee Club of the Vocational and Technical High School for Boys, under the direction of Graydon Clark. Jacob Fox, counsel to the Newark Board of Education, will discuss "State Aid," and a question period will follow. The registration report will be heard, and the meeting will conclude with the singing of "America, The Beautiful."

## Public Service Places Orders For 185 New Buses

In compliance with a condition contained in the decision of the Board of Public Utility Commissioners when the basic intrastate bus and trolley car fares were increased from five to seven cents, Public Service Coordinated Transport and Public Service Interstate Transportation Company have placed orders for the purchase of 185 new buses from the Truck and Coach Division, General Motors.

The order calls for the purchase of 100 thirty-six-passenger and 55 forty-three-passenger diesel hydraulic transit-type buses by Public Service Coordinated Transport and 30 forty-five-passenger transit-type diesel mechanical buses by Public Service Interstate Transportation Company.

Delivery of these new buses will be made during the last quarter of the year.

## Memorial Day Committee Plans Parade and Ceremonies

The Armistice and Memorial Day Committee met Monday evening in the town hall for the purpose of making arrangements for the annual Memorial Day parade and ceremonies. Gaspar Siciliano is chairman of the group, Henry Fladger, treasurer and Mrs. Ruth Fredericks, secretary.

Further plans will be made at another meeting to be held in the town hall next Monday evening. All veterans organizations will attend, and representatives of other local groups are invited.

Memorial services will be held Sunday, May 27, at 8 p.m. in the Dutch Reformed Church.

## Local Insurance Man Named Delegate To Convention

A meeting of Kearny-Newark Local 24447, National Federation of Insurance Agents, AFL, will be held today, at 1 p.m., at Ulster Hall, Kearny. Reports of delegates to the State Convention at Asbury Park last Saturday will be read.

The National Convention of the union will be held on May 13th to 15th at Chicago, Ill., at which national officers will be elected. William Outcalt, of Baldwin Place, has been elected a delegate from the local union to attend this convention.

## BEGIN BOND SALE FOR GOVERNMENT

Jewish populace Here Sets Drive In Motion With Meeting For Israel

In an inspiring meeting held last Monday evening at Congregation AAA, the Jewish community of Belleville set into motion the momentous drive for the sale of Bonds of the Israel Government. Rabbi Leo Schwartz has assumed the chairmanship of the drive, and with him will operate an executive committee consisting of Louis Sussman, Jack Faust, Louis Laft, Robert C. Gruhin, Harry Fellman, and Dr. Michael Koonovarg.

The \$500,000,000 Bond issue flotation by the State of Israel is based on the deep interest which the Jewish community of America has in the successful rehabilitation of immigrants in Israel and in the concern which American Jews have with the development of a healthy, economically stable, democratic State of Israel, said Rabbi Schwartz.

It is in expression of this interest that voluntary committees are being established in every community in the United States. Their purpose is to give moral and material support to the first undertaking of the State of Israel in America to sell her debentures as a means of assuring the secure survival of her people.

The bonds, of two types, bear interest at an annual rate of 3 1/2%. On May 1, the first day of

# VIRGINIA JAGO IS MAY BRIDE

## St. Mary's Church Is The Scene Of Her Marriage To Bernard P. Lauber

Miss Virginia Jago, daughter of Mrs. Thomas Morgan Jago of 4 Tremont Avenue, and the late Mr. Jago, became the bride Saturday of Bernard Peter Lauber, son of Mr. and Mrs. William Henry Lauber of 311 Grant Avenue, Nutley. Rev. Gerard Walsh performed the ceremony in St. Mary's Church, Nutley. A reception followed in the Marlboro Inn, Montclair.

The bride was given in marriage by her cousin, Thomas Morgan Jago, of Fords. Mrs. Raymond Thornton Giammo of Glen Ridge was matron of honor, and Miss Margaret Mary Wasyk of Belleville was bridesmaid. Maryann Lauber, sister of the bridegroom, was flower girl. William Philip Lauber of Nutley served as his brother's best man. Edward Lauber, another brother, and Thornton Giammo of Glen Ridge, were ushers.

A marquisette gown trimmed with lace and seed pearls was worn by the bride. Her imported veil fell from a lace and seed pearl bonnet. She carried an old-fashioned bouquet of carnations, roses and lilies of the valley. The bride attended to the white velvet gown over colored satin with matching picture hats. The matron of honor was attired in blue, the bridesmaids, pink and the flower girl, yellow. They all carried old fashioned bouquets.

Following a plane trip to Bermuda, the couple will make their home at the Belleville address.

The bride, a graduate of Belleville High School, attended Rutgers University and graduated from the Presbyterian Hospital School of Nursing, where she is employed on the clinic staff of that hospital. Her husband, a junior accountant with Martin Kortjohn & Co., N. Y., certified public accountants, is a graduate of Nutley High School and Seton Hall University.

Mr. and Mrs. John Costello of 33 William Street, have announced the engagement of their daughter, Eleanor, to Harry R. Fulmer, son of Mr. and Mrs. William Fulmer, 192 Crann Street, Hillside.

The bride-elect, a graduate of St. Mary's High School, Rutherford, is employed in the Accounting department of the New Jersey Bell Telephone Company, Newark. Her fiance served three years with the U. S. Navy during World War II, and is with Neill and Spanger, Hillside.

William Palicia

William Palicia, Yeoman Striker, who resides with Mr. and Mrs. Nicholas deFagara of 79 New Street, is now stationed aboard the USS John W. Weeks. A graduate of Belleville High School, he enlisted in the Navy in July 1950 and completed his boot training at the Great Lakes Training Center.

Marine Private First Class Alfred T. Hausner, son of Mr. and Mrs. Thomas Hausner, 25 Essex Street, recently climaxed training at the Marine Corps Recruit Depot, Parris Island by receiving a promotion to his present rank and winning the silver badge of Marine Marksman.

Hausner completed training in field tactics and precision drill. He also received classroom instruction in field sanitation, first aid, Marine Corps history and military courtesy.

He fired other infantry weapons in addition to the Garand rifle with which he qualified, and observed operation of the machine gun, mortar and flame thrower.

Major John C. Antonik, son of Mr. and Mrs. John Antonik of 133 Ralph Street, reported for duty April 25 at this Air Force indoctrination center.

First commissioned at Midland AFB, Texas, in 1942, Major Antonik has five years and five months prior service including eight months in the European Theatre. Among his decorations he holds the Distinguished Flying Cross and the Air Medal with 10 clusters.

Having attended Advance Bombardiers' School in Texas and Recruiting School, Major Antonik has been assigned to indoctrination wing headquarters at Sampson. He is a graduate of the Chicago School of Optometry.

Private Pasquale Racioppi, son of Mr. and Mrs. Anthony Racioppi of 140 Greylock Avenue, recently completed a special combat training course after joining the 17th Infantry Regiment (The Buffaloes). This training was designed to familiarize him with the latest combat tactics.

Racioppi's unit was the only American outfit to reach the Manchurian border, and recently "The Buffaloes" crashed through enemy defenses and captured Mt. Taem, with a vicious bayonet assault.

James G. Malanga, son of Mr. and Mrs. Gelsomino Malanga of 93 Wilber Street, recently enlisted in the Air Force and is now stationed at Sampson Air Base. Private Malanga, a graduate of Central High School, was a library clerk in Newark, before entering the service.

**TOWN ORDINANCE**

PUBLIC NOTICE is hereby given that the following proposed ordinance was introduced and passed on first reading at a meeting of the Board of Commissioners of the Town of Belleville held Tuesday evening, May 8, 1951, and further notice is hereby given that the second and third readings of said ordinance will be considered by said Board at a meeting to be held at the Town Hall, Washington Avenue and Belleville Avenue, Tuesday evening, May 22, 1951, at eight o'clock P.M. (Daylight Saving Time) when all objections to the passing of the same will be heard and considered.

FLORENCE R. MOREY, Town Clerk

AN ORDINANCE TO AMEND AN ORDINANCE ENTITLED, "AN ORDINANCE TO REGULATE AND CONTROL THE ERECTION, CONSTRUCTION, ALTERATION, REPAIR, DEMOLITION OR REMOVING OF BUILDINGS AND OTHER STRUCTURES IN THE TOWN OF BELLEVILLE, L. E. ESSEX COUNTY, NEW JERSEY," ADOPTED NOVEMBER 9, 1926.

The Board of Commissioners of the Town of Belleville, in the County of Essex, do ordain:

Section 1. That Section 35 be amended as follows: by striking out "Under concrete foundation wall shall be less than 8 inches thick for a dwelling of less than 12 inches thick for any other building. No foundation wall shall be less than 12 inches thick below grade except for frame dwelling not exceeding 2 1/2 stories and in which the foundation wall does not exceed 22 feet in width and 28 feet in depth, foundation walls shall not be less than 8 inches thick below the curb level, except if it be a party wall as described in Section 42, or if it be a foundation wall for any other two and one-half story dwelling, where the foundation wall may be 8 inches thick not exceeding 30 feet in height if built of brick, concrete or concrete blocks. No stone or rubble foundation wall shall be less than 8 inches thick below ground level or curb level. No foundation wall shall be less than 4 inches thicker than the wall above it if of brick or concrete, but not less than 8 inches thicker if of stone, and inserting in place thereof, "No reinforced concrete foundation wall shall be less than 8 inches thick for any building. All reinforced foundation walls (concrete or masonry) in which the ground pressure is not equalized on both sides of wall shall be a minimum of 12 inches thick. In no case shall foundation walls be less than 8 inches thick below grade. Foundation walls above grade may be 8 inches thick not exceeding 3 feet in height of concrete or masonry units. No stone or rubble foundation wall shall be less than 18 inches thick below grade level. No foundation walls shall be less than 4 inches thicker than the wall above it if of concrete or masonry units, but not less than 8 inches thicker if of stone."

Section 2. That Section 40 be amended by striking out "The frame residence building shall be sheathed with sheathing boards. Sheathing should extend to top of all roof rafters," and inserting in place thereof, "All frame residences having less than 12 feet in height shall be sheathed with sheathing boards, properly nailed in accordance with manufacturers' specifications. Sheathing shall extend to top of all roof rafters."

Section 4. That Section 41 be amended by striking out the following: "The following minimum requirements for floor beams:

In any building, 2 by 8 inches, 16 inch centers.

For spans above 12 feet, 2 by 10 inches, 16 inch centers;

For spans above 16 feet, 2 by 10 inches, 12 centers;

except that the beams of a top story attic shall be not less than 2 by 6 inches, 16 inch centers. For spans not exceeding 12 feet; and not less than 2 by 8 inches for spans exceeding 12 feet. No rafter or ceiling beam over 8 feet in length shall be less than 2 by 6 inches. No beam with a bearing end in a masonry wall shall be less than 4 inches apart; and such beam ends shall be leveled 3 inches in their depth. When two sets of beams rest on the same girder, corresponding ends shall be lapped not less than 9 inches and spiked or bolted together or shall be bolted and anchored with metal anchors, and inserting in place thereof: "The minimum requirements for floor beams shall be in accordance with the National Lumber Manufacturers' Assn. Manual dated 1946. Girders shall be not less than 4x8 inches, beams and joists and bearings of at least 4 inches. Beam ends in a masonry wall shall be not less than 6 inches apart, and such beam ends shall be leveled 3 inches in their depth."

"Where two sets of beams rest on the same girder, corresponding ends shall be lapped not less than 9 inches and spiked or bolted together or shall be bolted and anchored with metal anchors.

"If such floor construction is used, the beams shall be secured to girders with steel anchors of material at least 1/4 inch thick and 1 1/4 inches wide, properly anchored and spiked to every third beam.

"All ledger strips or wood girders shall be a minimum thickness of 1 1/2 inches and depth of 2 1/2 inches bolted or spiked through at every 4 feet (minimum)."

"Floor beams and roof beams shall be braced with solid blocking not less than 1 1/4 inch thick full depth of beam or cross blocking with minimum cross section of 4 inches. Approved steel cross blocking may be used as manufactured for this purpose. Blocking shall be spaced at 4 feet centers.

"Roof rafters shall be properly spiked to intersecting floor or ceiling beams and where roof rafters are at right angles to such beams the rafters shall be secured to the floor beams with 1/4x1 1/4 inch steel anchors carried over to the third beam or with 1 1/4x1 1/2 inches wood ties spiked to beams and rafters. All anchors shall be spaced 48 inches maximum."

Section 3. That Section 41 be further amended by striking out the following: "All rafters for porch floors shall be not less than 2x6x16" C. or C. not exceeding 11 foot spans double" and inserting in place thereof, "Rafters shall be not less than 2x6x16" C. or C. not exceeding 11 foot spans double"

Section 6. That Section 42 be amended by adding the following sentence: "Studs around all openings shall be doubled from plate to plate or sill. All window and door openings in walls and partitions shall have double joists at sills, or be braced or framed by other approved methods and connected directly to support the superimposed loads. Linets of one and two family dwellings shall consist of double joists, or of trussed construction bearing on post, sill, or of other approved construction of adequate strength. The minimum requirements for joists shall be: Joists less than 4 feet two 2x4 Joists 4 to 6 feet two 2x6 Joists 6 to 8 feet two 2x8 Joists 8 to 10 feet two 2x10

Joist sills shall be anchored to foundation walls at corners and at intermediate intervals of not more than 8 feet with 12 inch laths embedded in the masonry foundations to a depth of not less than 10 inches."

That Gages-Article 3 be amended by adding the following section:

"Section 31-A: Private garages located beneath a one or two family dwelling or attached thereto shall have walls, partitions, floors and ceilings separating the garage space from the dwelling constructed of not less than 8 inches masonry or 12 inch lath embedded in the masonry walls to a depth of not less than 10 inches."

That Gages-Article 3 be amended by adding the following section:

"Section 31-A: Private garages located beneath a one or two family dwelling or attached thereto shall have walls, partitions, floors and ceilings separating the garage space from the dwelling constructed of not less than 8 inches masonry or 12 inch lath embedded in the masonry walls to a depth of not less than 10 inches."

"Garage located beneath multi-family dwellings shall be of protected non-combustible or fireproof construction of not less than 12 inch masonry construction and have a 4 inch minimum masonry separation from floor to underside of roof deck for every 4th storage level."

Section 8. That Part IV, Article 6 be amended by adding the following:

"Section 33-B: The Building Inspector must be notified by the owner, contractor or agent thereof and his approval must be given: (a) Upon completion of all foundation walls and walls, and (b) prior to placement of any backfill."

Section 9. That Part V, Article 7, be amended by adding the following section:

"Section 42-A: The Building Inspector must be notified by the owner or contractor or agent thereof and his approval must be given prior to placement of any lath or interior covering of the framing members, beams, furring or other base for finishing purposes."

**Who said You can't Afford a Fine Car?**

When you look at all a ROADMASTER has to offer, it's only natural to conclude that it's priced with the rest of the fine-car field. Sweeping proudly past you, it has a distinction that few cars can equal.

Stepping nimbly away from a stop light, it has the willing surge of power that the very exclusive combination of a 152-horsepower Fireball engine and Dynaflo Drive\* delivers.

It rides the road with majestic smoothness, and comes to a smooth and gentle halt, in response to the finest brakes Buick ever developed.

Inside, it has spacious room, from side to side and front to back and seat to roof—plus a softness of cushions and a richness of fabrics which bespeak the custom standards to which it is painstakingly built.

All you could want in a fine car is here in abundance.

But don't let that fool you into deciding "it's too rich for me."

If you've looked into 1951 car prices generally, you'll discover this:

You can own a ROADMASTER for just a shade more than an ordinary car will cost—and for several hundred dollars less than the price tags usually found in "the fine-car field."

Why not look into this today?

TOWN ORDINANCE

PUBLIC NOTICE is hereby given that the following ordinance was passed on the third reading at a meeting of the Board of Commissioners of the Town of Belleville held Tuesday evening, May 8, 1951, having been read in its final form at least one week prior thereto and is therefore now a law and hereby published according to law.

FLORENCE R. MOREY, Town Clerk.

AN ORDINANCE PROVIDING FOR THE CONSTRUCTION OF OUTSIDE CURBING AROUND RUNNING TRACK AND FOR THE CONSTRUCTION OF RETAINING WALLS AND DRAINAGE OF EXISTING TRACK LOCATED IN THE MUNICIPAL STADIUM, APPROVED BY THE BOARD OF COMMISSIONERS OF THE TOWN OF BELLEVILLE, AND AUTHORIZING THE ISSUANCE OF BOND ANTICIPATION NOTES FOR SAID PURPOSE.

The Board of Commissioners of the Town of Belleville, County of Essex, do hereby enact as follows:

Section 1. That outside curbing be constructed around running track and retaining walls and drainage be constructed on existing track located in the Municipal Stadium.

Section 2. It is hereby determined and declared that it is necessary that the Town of Belleville, in the County of Essex, shall raise money for the purpose of work to be done at the Municipal Stadium described above, and that the estimated amount of money necessary to be raised from all sources for said purpose is \$5,500.00, and that the estimated maximum amount of notes necessary to be issued for said purpose is \$5,225.00.

Section 3. To finance said purpose there is appropriated the sum of \$275.00, which sum has been made available for said purpose in previously adopted budgets of the Town, under the caption of "Capital Improvement Fund" in said previous budgets.

Section 4. To finance said purpose there shall be issued, pursuant to the Local Bond Act of the State of New Jersey, in anticipation of the issuance of bonds, Bond Anticipation Notes of said Town, which shall not exceed in aggregate principal amount the sum of \$5,225.00. Said notes shall bear interest at a rate which shall not exceed six per centum (6%) per annum, and may be renewed from time to time pursuant to and within the limitations prescribed by said Act. All matters with respect to said notes not determined by this ordinance shall be determined by resolutions to be hereafter adopted.

Section 5. Not more than \$100.00 of the sum to be raised by the issuance of said notes may be used to finance interest on obligations issued to finance said purpose, whether temporary, permanent, or to finance engineering or inspection costs and legal expenses, or to finance the cost of issuance of such obligations as provided in Section 4; 1-55 of Revised Statutes of New Jersey.

Section 6. It is hereby determined and declared that the period of usefulness of the notes for the financing of which said notes are to be issued is a period of fifteen years computed from the date of said bonds.

Section 7. No part of the cost of making said improvement has been or is to be specially assessed against property specially benefited thereby.

Section 8. It is hereby determined and stated that the Supplemental Debt Statement required by said Local Bond Law has been duly made and filed in the Office of the Town Clerk of said Town, and that such statement so filed shows that the gross debt of said Town, as defined in Section 49-76 of said Local Bond Law, is increased by this ordinance by \$5,225.00 and that the obligations authorized by this ordinance will be within all of the limitations prescribed by said Local Bond Law.

Section 9. This ordinance shall take effect twenty days after the first publication thereof after final passage.

# Smart Housewives Know...

**Customers' Corner**

Mother's Day has a special meaning for the men and women of A&P.

Our business has been built during the past 92 years by the patronage of five generations of mothers.

It has always been our job to give the mothers of America the best of food, values and service.

If there's anything we can do to make your shopping easier, please let us know. Please write:

# That A&P's Values Help Them Get More and Spend Less!

Shoppers who know their groceries know that the best way to get more and spend less is to do all their marketing at A&P, where values are big and plentiful in every department, every day. They know, too, that they can be sure they're paying the correct price for every item and getting every item they pay for. Because at A&P prices are plainly marked on all items, as well as on the shelves, and each customer gets an itemized cash register receipt. This price-marking system also assures that the prices in the store are exactly the same as the prices in A&P's ads, which are guaranteed for a full week, even though market costs go up. Result? A&P gives not only extra purchasing power to your food dollar—but extra protection, too!

## POSITIONS OPEN AT AIR BASES

Employment Service Manager,  
Local Resident, Cites  
Variety Of Posts

Ben Rabin, manager of the New Jersey State Employment Service, and a resident of 10 Melvex Street, announced that there are more than 663 positions open to civilians at Air Force bases around the world.

Male and female personnel, either married or single, are needed to fill both skilled and semi-skilled jobs. Civil, electrical, maintenance and architectural engineers, electrical linemen, heat treating foremen, oil burner furnace repair men, nurses, stenographers and typists are especially needed at this time.

Mrs. Blanche C. Kranz, civilian overseas recruiter for all of New Jersey will be at the Passaic office, 88 Park Place, on May 10 and May 11 to interview any persons interested in overseas employment.

Age requirements for women are 21 to 40, for men from 21 to 50, male veterans from 18 to 50. Recruitment of male applicants between 18 and 26 is limited to persons not liable to induction. Minimum tour of duty is two years, with the exception of the Azores, the Aleutian Chain, Guam and Okinawa, which is one year. All persons interested should contact Mrs. Kranz at the employment office on the above dates, or at the Civilian Personnel Office, Mitchell Air Force, Hempstead, Long Island, N. Y., or call Garden City 7-1500, extension 3207.

## Nursery School To Hold Tea For Parents Of Fall Entrants

Mrs. Lily Neidorf, chairman of the North Essex Jewish Center Nursery School, has announced that registration for the fall semester will be conducted until May 31.

In connection with the new term, which opens in September, a nursery school tea for parents of prospective students will be held Tuesday at 8 p.m. in the home of Mrs. Neidorf, 20 Overlook Terrace, Nutley. Mrs. Harold Chapin will be co-chairman.

At this time, questions of the parents in regard to the nursery school program will be answered by Miss Sally Weisman, head teacher, and Leonard M. Katowitz, area supervisor. They will discuss the full school program, and the objectives of the methods used to achieve positive growth and development of pre-school children.

Additional information may be obtained by contacting Mrs. Chapin, Mrs. Neidorf or Leonard Katowitz.

## Psychologist To Address A.A.A. Mr. and Mrs. Club

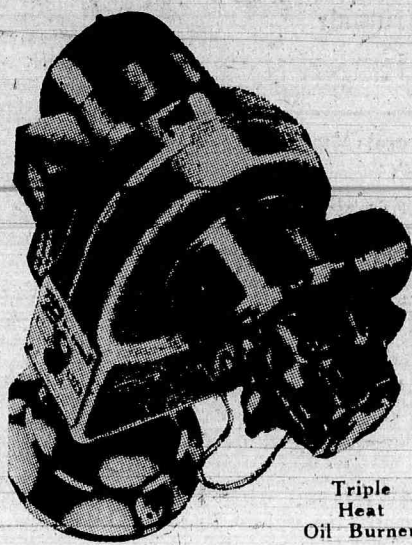

Dr. Adolph Abraham, noted psychologist, has selected "Reflection on Freudian Psychology" as the topic of his address to the Mr. and Mrs. Club of Congregation A.A.A. next Tuesday evening. His talk will be followed by a discussion period, and the entire community is invited to attend the meeting.

The group will hold its annual picnic in conjunction with the Hebrew School June 3, at Hickory Springs, on the Northfield Avenue side, east of the reservoir, South Mountain Reservation. Members and their guests are invited.

In connection with the activities of the club, Morty Banker has announced that there are still

a few openings in the Mixed Coral Group. Anyone interested should contact him for further information. Ben Hirschberg is also forming an amateur theatrical group and members who are interested in presenting a production next year, are asked to reach him by telephone.

His combat experience will be put to advantage training

## Port Authority 1950 Report Sees Speed-Up Of Traffic

**Third "Switch" 2-Lane Tube Will Be Ready In 1957 At Lincoln Tunnel**

The Port of New York Authority, which already has \$371,000,000 invested in tunnels, bridges, port terminals and airports in the metropolitan area, will build and put into operation by 1957 a third tube for the Lincoln Tunnel at a cost of \$85,000,000. The announcement was contained in the Authority's annual report of its 30th year of existence published last night, and holds promise for suburban commuters to eliminate delays due to rush-hour congestion at the mid-town tunnel.

**One-Fifth Increase**

Pointing out that Lincoln Tunnel registered the largest gain in traffic, during 1950, of all the Authority's crossings, the report attributed the heavier flow of traffic through that artery to the opening of S-3. Both George Washington Bridge and Holland Tunnel handled more traffic last year, but while they registered a gain of 10 per cent in volume,

by

SYLVIA and RHODA

Once more we face the end of the year and the time of graduation—but before we close for good, there is one very important matter to be settled—the Student Council Elections! Most of this year's very competent Executive Board will be graduating in June, so the task is to nominate, elect, and install the leaders of next year's Student Council. Tuesday an announcement was made regarding those who have been nominated for the offices by the nominating committee. They are the following:

**President**—Dave Gruman, George Plosa.

**Veep**—Warren Kimble, Keith McElligot.

**Secretary**—Judy Gabriel, Betty Murphy.

**Treasurer**—James Bloom, Lynn Dickenson.

Besides these, the following have submitted petitions for the office of president—Frank Troina and Joe Marbach.

Keep watching this column. More will definitely be said about our candidates in the very near future. Here's your date reminder—the campaigning for the election will open officially Wednesday at 3:20, the campaign assembly will be on May 18, and the voting with real voting machines will take place on the 21st of this month. Sounds like there's a lot of fun in store for us! But remember, don't only

the raw recruits, for what First Lieutenant Tully learned on Iwo Jima can be put to good stead in today's Korean conflict.

The youngest Mayor ever to serve the town, he will carry the good wishes of the citizens he has represented for six years. He is leaving a thriving business, which is still in comparative infancy, but fortunately his lovely wife and three charming daughters will accompany him to North Carolina, where he'll be stationed at Camp Le Jeune. As long as he stays in the States, it isn't likely the Tully household will be separated.

It may seem a bit ironical that in temporarily losing its youngest Mayor, his place will be filled by the dean of the commission, Patrick Waters, who has been on the board for a quarter of a century. Despite his seven terms as a public official, Waters has never been successful in attaining the mayoralty. Even the unofficial ruling that the high candidate in an election become Mayor failed once in Waters' case. He topped the field when the votes were counted, but the cards were stacked against him and he was never able to realize the ambition to follow in his late brother's footsteps. So it is that Uncle Pat reaches the pinnacle in his long public career as he takes his seat on the Mayor's rostrum, while a young man goes off to fight a war.

be self-supporting, it would cost over \$200,000,000 to build another new two-tube tunnel under the Hudson either north or south of the mid-town crossing with the certainty that it never could pay for itself.

In the meantime, pending the completion of the third tube, the Authority will enforce the hold-back procedure which it has worked out at Lincoln Tunnel for trucks. Trucks are to be held back and pushed through the tunnel in convoys at regular intervals. That will permit motor cars to cross more speedily, instead of being held back to the speed of the slowest truck.

**Radars in Port**

Another Authority projects which the report says is under study is the use of shore-based radar during fogs, at night and during storms and other periods of low visibility as an aid to navigation in the greatest and busiest port in the world. With radar shipping and ferries would move safely at all times.

The report confirmed the permanence of the Authority's temporary plan, which it tested last year, of offering commutation rates to regular users of the bridge or tunnels. At the end of the first six months of the test, the Authority reported, 31 per cent of the weekday passenger-car trips were being made with commutation tickets which cut the toll from 50 to 25 cents for each crossing. The 40-trip commutation tickets, good for 30 days, are being sold for \$10.

Mrs. Myra Francis will be the accompanist.

There will be a showing of a movie based on the Jamboree at Valley Forge last summer, and several short films will follow.

Members of the committee in charge of the program are Eldon Shawyer, troop chairman; Charles Thompson Jr., Scoutmaster; David Haight, Edward Anderson and Clifford Kraft. Tickets may be obtained from troop members.

## ONE MAN'S OPINION . . .

Visiting Washington to See for Himself, Editor Finds Only Confusion and Fierce Hatred of Truman

By RALPH E. HEINZEN

WASHINGTON, D. C.—General MacArthur is, according to his own story, fading away.

The mink coats, the Achesons, the Vaughns and the R.F.C. looters stay on.

General Marshall went before the Senate committee that had heard General MacArthur and, point-by-point, disputed everything he had said, merely to confuse an already seriously confused issue.

Up and down, in front of the White House, paraded a column of "pinks" carrying banners "Free Willie McGee". It was too late, Willie had died Tuesday in the electric chair in Jackson, Miss., for criminally assaulting a white woman, but the parade went on.

Washington was its usual confused self when I returned here this week, to try, unsuccessfully, to get in to hear the Senate committee investigate the charges and counter-charges growing out of the debate on our Asiatic policy or lack of policy.

In the smoking rooms of speeding Pullmans, in New York's downtown clubs, everywhere I went in Wall Street, during the heyday of Franklin Roosevelt, I heard men explode in their hatred of the President. "That Man in Washington" became an expletive.

**Hate Harry Most**

But the hatred that was FDR's is as nothing to the new pet hatred throughout Washington — Harry Truman. Washington is split wide open, either violently for or ferociously against the President. The general disagreement seemed to me to concern most the President's mental stature. "Too little, and too late" seemed to summarize the mass opinion of Truman's ability, and of his attempt to vindicate himself for firing MacArthur.

It is not surprising that the strongest pro-Truman sentiment that I found prevailed at the Pentagon and the State Department. The strongest anti-Truman feeling that I encountered came from the Washington correspondents, the taxi-drivers and waiters whom I questioned and from both Houses up on Capitol Hill.

**One Man's Opinion—Burke . . .**

**Pentagon Jealousies**

From my own observations here in Washington, I consider the MacArthur affair to be two-thirds Pentagon and one-third White House in its origin. Truman was, as usual, bothered by his short temper, but the encouragement to sack MacArthur came from across the Potomac in that gigantic beehive, the Pentagon.

Those of us who fought in World War I remember that MacArthur was a two-star General, commanding the 42nd "Rainbow" Division in the battles of the Argonne when Marshall was still a two-bar captain on General Pershing's staff at Chaumont. Eisenhower and Bradley ranked

**Stands on Appeasement**

One of the best reporters in Washington, David Lawrence, recently described the varying points of view here regarding international, military and diplomatic policy in this fashion:

"England says: 'Appease in Asia and save Europe.'"

"MacArthur says: 'Appease in Asia and you lose Europe.'"

"Truman says, in effect: 'Don't appease but also don't fight with all your might—the enemy might get mad.'"

"The average American will say: 'Appease anywhere or show weakness to a bandit or a bully, and you're lost. To keep on saying you're afraid to go into a big fight will only invite attack from the other fellow.'"

In the radio speech made to explain the policy reasons for the dismissal of General MacArthur, the President said that the Administration's purpose was to keep the war from spreading, to confine it to Korea. He clearly implied his belief that the MacArthur plan, with its bombing of Red China's bases, its blockade of the China coast, and the use of Chinese Nationalist forces in the fight might bring the Soviet Union into active participation and set the world afire.

**Billions for Nothing**

This is the doctrine of limited war. Yet, to many, it becomes increasingly difficult to regard

Newark Contemporary To Hear Gertrude Beattys Lecture

Gertrude Beattys, well-known as a lecturer before women's clubs and other organizations, will present "Behind the Scenes in Women's Clubs," recounting her experiences in ten years of lecturing, at a meeting of the Contemporary of Newark to be held Tuesday at the group's headquarters, 605 Broad Street. This session, in observance of Founders' Day, will be the last general meeting of the season.

There will also be a reception for past presidents of the club, and a memorial service in honor of members who died during the year.

## on SPORTS

by Warren Knight

They came on foot, by car, bus and bikes last Saturday and when the noses of the small mob were counted, it added up to 547 candidates for the four-team Little League baseball program that begins here shortly. They were all sizes, too. Big, small, husky, thin and medium, but they were all interested in the same thing, baseball. Anyone leaning toward the theory that the diamond sport is slipping in popularity, would have been soundly convinced otherwise if they had ventured a look-see at Clearman Field Saturday.

Out of the maze of aspirants, about half survived the initial workout. Every single candidate had an opportunity to handle the ball. No batting was held, only fielding and throwing. Tonight, at Clearman Field, another stiff workout is planned as attention starts focusing on the June 2 opening date, with all the fanfare that goes with a league opening on the agenda.

One sharp problem has cropped up, however. There is a definite lack of adults to assist in coordinating the practice sessions. It seems ridiculous to believe that more than 500 young boys, fired with enthusiasm, can come out, but less than 10 parents displayed enough interest to offer some assistance in this wonderful program. Without some aid, Little League will not reach its full capacities. Enough volunteers have come forward to provide managers of the teams once the league gets under way. All are experienced baseball men and know enough of the game to pass helpful, fundamental knowledge on to the up and coming youngsters. But umpires will be needed and if a supplemental league is organized, more managers, scorekeepers and umpires will have to come forward.

Here is a program offering recreation and training in sportsmanship. It keeps the kids off the streets thus cutting down a trend toward outbreaks of juvenile delinquency. Other communities, it seems, have little difficulty in obtaining the necessary volunteers to carry out similar programs. What's the matter with Belleville?

Money has been appropriated in Commissioner Hyde's recreation department to foot the bill for the league. Complete uniforms go to the team members and everything but shoes and gloves are furnished. Clearman Field is scheduled for a face-lifting and with a temporary, portable fence around the outfield, it will be a miniature big league park, in effect. This is a program for the people, but especially for the youngsters. A few persons are working hard to put it over. This column hopes it doesn't suffer the same fate of many other worthwhile projects, which have flopped because of a lack of interest.

Tom Hagoort, former Bellboy crew member now attending Harvard on a scholarship, won by virtue of outstanding scholastic achievement, has been honored by the Crimson frosh crew. Tom, now a stalwart 6-foot-4 and tipping the scales at a sturdy 190, has been elected captain. He has been sitting in the No. 6 seat on the freshmen varsity shell and is a sure bet to be in the varsity boat before too many terms have passed.

With a little luck from Dame Fortune, Ed Berlinski's diamonds in the rough, slowly but surely gaining polish, would be sporting a very respectable 6-1 instead of a 4-3 record. Two of the decisions they dropped were 2-1 and 1-0 encounters and you can't play it much closer than that. A three-man pitching staff is holding up better than anticipated, while the Bellboys have been wielding the willow with some authority. Bob Dilworth, Joe Daniels and Jim McConnell now have a victory apiece. Defense lapses have hurt some, but on the whole the team has been a pleasant surprise.

If they can continue to show improvement, a berth in the Greater Newark Tournament seems a certainty, but the tough ones like Irvington and Montclair are yet to come.

Just to keep this discussion on the baseball plane, the PAL staged a well-attended baseball clinic at the Elks Club last week. George "Mule" Haas, former Philadelphia Athletics great, had the floor. "Mule," a Montclair resident, related some interesting anecdotes on the leagues and led a question-answer period later in the evening. Films on the 1950 World Series, and another on batting and playing of infield positions were shown. After further entertainment by Jack Russell, billed as the Yo-Yo Kid, and a presentation of a bat and a ball to a lucky kid, refreshments were served and the kids went home happy.

A touch of pulchritude will be injected into an athletic contest between Belleville and Nutley tomorrow afternoon at Branch Brook's 18-hole layout. The schools are slated to clash in a golf match and you won't have to go far to "cherchez la femme". Barbara O'Connor, daughter of Branch Brook pro Maurie O'Connor, will tee off against Helen Voss-brinck, representing the Maroon club swingers. All this belies that old adage "the weaker of the species" for the gals are bona fide members of the varsity teams, and shoot a pretty fair game of golf. Taking a back seat as Belleville debuts for this historic occasion will be a heavily favored team of Bellboy sharpshooters, undefeated so far in match competition.

### SOFTBALL LEAGUE STARTS MONDAY

Eight-Team Loop, Under Rec Department, Opens At Memorial Field

Eight teams start a chase for the town-wide softball title next week. Last year's crownholders, the West Ends, are scheduled to tangle with the Emanons in the loop opener, Memorial Field, at 6:30 o'clock, will be the scene of the action each night.

The 8-team circuit also includes the Red, Circle team, H. H. Panthers, Pantelones, Johnny's Tavern, Memorial Amvets and the V.F.W. There will be contests each Monday, Tuesday, Wednesday and Friday. The league is sponsored by the Town Recreation department and directed by Mike Marotti.

### Golfers Stay Undefeated

Still marching the undefeated trail, the Belleville High golf team racked up another pair of triumphs recently. In an all-day outing at Blair Academy, the Bellboys upset the strong prep school team 4-3, as Jim Di Piro and Charlie Tatz toured the rugged course in 80 and 81, respectively. Montclair was easy for Jimmy Mischke's squad, getting smacked with an 11 1/2-4 licking. Di Piro and Tatz again setting the pace with 78 and 80.

Today, Bloomfield forms the opposition as the Bellboys look for their fifth consecutive win. Friday, Nutley takes on the Blue and Gold stickers, featured by a match between two female members of the squads. Barbara O'Connor, local entrant, will match strokes with Helen Voss-brinck, the Maroon swinger.

## Bears Beaten, But Cougars Claw Bellboys On Diamond

Del Tufo Smashes Homer To Pace Victory, Columbia Wins Bunting Contest

Playing good baseball, Belleville turned in a win and a loss last week to bring the season's record to a pair of victories and three defeats. Two of the three setbacks have been 2-1 and 1-0 decisions, while Columbia, one of the king-pins of the county, turned back the Bellboys here in the most decisive manner so far, winning 6-3. Lyndhurst succumbed to the locals 5-3 last Wednesday at the Golden Bear diamond.

Joe Daniels, turning in a sound pitching chore, had a lusty home run by Mike Del Tufo to aid in subduing the Bears. Sam Graziano drew a base on balls to start the game and Nick Iandoli, Lyndhurst twirler, tried to get Sammy on second when Charlie Travers bunted, but all hands were safe. Del Tufo then stepped to the plate and blasted one of Iandoli's offerings in right field for the circuit tour.

**Hard Luck Dilworth**  
The Bears kept picking away and chalked up single tallies in the third, fourth and sixth. Bob Walsh featured the Bear comeback, rapping out a triple and a homer. However, runs in the fifth and seventh sewed it up for Daniels and he won his first outing of the year. The Bellboys out-hit the home team, 9 to 7, with Del Tufo's three blows setting the pace.

Bob Dilworth continues to be the hard luck staffer. He had another good afternoon against the hard-hitting Cougars, limiting them to five hits, but his mates couldn't do any better at the plate. The decisive runs registered by Columbia were tainted, notching three in the last inning without the benefit of a hit.

**Bunts Big Blows**  
Belleville, scoring first, had an FOB situation when Roger Hansen walked and was pushed around to third on successive, safe bunts by Bob Smith and Vince Vitelli. Danny Cuomo then dropped another on a squeeze and Hansen rang the bell.

Columbia wrestled the lead right back. A pass, hit and an error loaded them up and when Vitelli threw Sonny Santoli's bunt past Travers at the plate, two men came over. Al Lauber then lifted a long fly to bring home the third tally.

Two safeties and an error, combined with another Cuomo bunt, put the Bellboys back in the game in the bottom of the sixth, but the roof fell in the last time the Cougars came to bat. Dilworth gave up a free ticket, hit a batsman and was deeper in trouble when Lauber's bunt went for a fielder's choice, with Cross scoring on the play. Another run came in on a fly and Lauber sewed it good and

## BOWLING DINNER FOR WESLEY MEN

League's Annual Affair At Keuper's Friday, Panthers Declared Champions

Closing out the current bowling season, the Wesley Men hold the annual league banquet tomorrow night at Keuper's in North Newark. The Panthers copped the title this year with the Bear Cats, Mules and Wolves following in that order.

High individual average honors went to Emery Goody. Walter Corrigan had a 224 for the best single score while the 3-game series prize went to Howard Shouffler's 579.

## RAIDERS BLANKED BY MC CONNELL

Rookie Hurler Throws 8-0 Shutout At West Side, Bellboys Win Third

Behind a fine two-hit hurling stint by Jim McConnell, Belleville chalked up win No. 3 Monday at the Stadium, when oft-beaten West Side absorbed a solid 8-0 shutout defeat. The Newarkers have yet to win a game this year. Ed Berlinski, Bellboy coach, gave his regulars a rest on the strenuous schedule after taking a good lead and sent in the subs.

The Bellboys did all their scoring in two frames. A pair of tallies in the first proved enough but just to make the issue more binding, a six-run outburst in the

sixth climaxed the scoring. In this frame, Tom Nisvicia and Bob Smith unloaded the big blows, both coming with the sacks crammed.

McConnell looked good against the visitors. He kept the ball low and only three times were the hapless Newarkers able to get the ball past the infield. The lanky rightie now has 12 consecutive scoreless frames back of him and in turning the trick Monday, whiffed six men and handed out only one free ticket. Smith had

two blows to pace the offense.

# Top Golfers Meet May 20th, In Cancer Benefit Match

**Sanok, Former Bellboy Whiz, Pairs With Joanne Tracey Against Thomas-Park**

Four of the East's top competitive golfers will meet in a Cancer Fund exhibition at Glen Ridge Country Club at 2:15 p.m. on Sunday, May 20, it was announced today.

The match pits Emory Thomas, holder of the New Jersey Open and P.G.A. crowns, and Mrs. Catherine Fox Park, New Jersey Shore women's champ, against Chet Sanok, Belleville High graduate and state amateur champ, and Mrs. Joanne Barr Tracey, New Jersey women's champion.

All proceeds of the \$120 admission charge will be donated to the Glen Ridge Cancer Fund, of which Garrett Green is chairman. The fund is part of the current \$186,000 Essex County drive of the American Cancer Society. The four golfers will perform without charge, Green said.

## First Meeting

Although the four have been prominent in New Jersey golfing circles for many years, this will be the first time they have all met in competition.

Thomas, professional at Forest Hill Field Club, was only the third golfer in state history to hold both crowns. The feat, accomplished last year, won him recognition as the state's "golfer of the year," plus the Newark Athletic Club's award for being top professional athlete of 1950. In addition to last year's dual win, he won the state Open championship in 1949, the P.G.A. in 1943 and 1945, and the World-Telegram Hole-in-One Contest in 1947 and 1949.

In 1948, Thomas played another Cancer Fund benefit at Glen Ridge, appearing with Maureen Orcutt, Babe Didrikson Zaharias and Jimmy Nichols.

## Sanok Ex-Bellboy

Sanok, now a Bloomfield resident who plays at Upper Montclair Country Club, won the state Amateur title in 1947 and 1950, and reached the third round of the U.S.G.A. National Amateur last year in Minneapolis. In 1946, he and Jerry DiStasio of Englewood reached the finals of the state pro-amateur match play championship at Hackensack. Among his other titles are the Metropolitan Golf Association ready championship, won in 1936, and the first annual Crestmont Open, in 1947. He captained the Belleville High golf team a decade ago.

One of the longer hitters in New Jersey golf, Sanok is now said to be at the peak of his game under tutelage of Willie Goggin, new Upper Montclair pro.

Mrs. Park has been in golf virtually from the day of her birth. Daughter of Jack Fox, pro at Glen Ridge C.C., she was born at the Kiddleminster Golf Club in England, where Jack was promoter. In 1924, Jack gave her a golf club when she was four, and she started playing the game seriously at the age of six, at Glen Ridge.

## Early Star

At 14, Catherine won low net honors in the Metropolitan Women's Golf Association tourney at Hollywood on the Jersey Shore, with 88-117. In 1941 she qualified for the U. S. Women's championships at Brookline, Mass., with an 87. In 1943, she won the Marian Miley Memorial trophy for low score in the qualifying rounds of the Women's Western Amateur tourney and the Women's National Amateur in Illinois. She has entered many national tournaments. She won

# CLASS CHAMPIONS WIND UP YEAR

**Interclass Competition Ends With Period 5-1 Winning Two Titles**

The finals of the interclass basketball championship of Belleville High School were held in the Boy's Gym April 27 and an outstanding achievement was made by the 5-1 gym class who won the championship of the American League (junior league), and the National League (senior league).

Team No. 6 of the 5-1 National League composed of Kenneth Nelson, Gordon Remes, Donald Davis, Jerry Cantor, Frank Zuckerman, Angela Duva, and Donald Di Pietro became champions of the older boys in the school by defeating Team No. 1 of Period 3 and 4.

Team No. 5 of the 5-1 American League composed of Steve Minides, Harold Sutphen, George Calenda, Jerry Marro, Carmen Vicara, Warren Schmid, and Tom Roselli became champions of the younger boys in the school by defeating Team No. 1 of T & F 3 and 4.

The 5-1 gym class under the direction of Herman Knuppel and Wilho Winika have physical education five times per week, meeting for a single period each day of the week.

# PRU WINS LOOP CROWN FOR 2ND STRAIGHT YEAR

**Cops Manufacturers' Crown By Ten Games; Federal In Runner-up Spot**

The Prudential A. A. won the Belleville Manufacturing "A" League for the second straight year. In their match with Nepco, Ray Canfield with 594 series and Elmer Zingg with 586 led the Pru to a sweep. Runner up Federal Leather also scored a sweep over Heinze. Angelo Capeziano and Bill Cullen led Federal with 562 and 547, while Bill McDowell paced Heinze with 510.

Wallace and Tiernan finished third by taking three games from Standard Arcurus. Frank Jackson with a 555 series was best for Watco while Al Mellillo rolled 538 for the tubemakers.

In the other match of the night, Dodge, Inc., led by Joe Lang with a 559 set, took three games from Hanlon & Goodman in a spate of Tom Murphy rolling a 242 game and a 579 series for the brushmakers. Elmer Zingg won the individual averages with an average of 189 followed by Ray Canfield of the Pru with 186 and Rudy Kocis of Federal Leather with 181.

# CREWS COP HONORS AT POUGHKEEPSIE ANNUAL REGATTA

**Belleville Wins Two, Nutley One In Program Of Five, Four-Shell Races**

With Belleville winning a pair of races and Nutley one, the two Jersey schools walked off with majority of honors at the second annual Invitation Regatta on the Hudson River at Poughkeepsie last Saturday. The Bellboys capped the varsity and junior varsity events while the Maroon swept to a triumph over Roosevelt High in another jayvee match.

Friday afternoon, the Bellboys journeyed to Lower Merion in Philadelphia, where they will meet the strong Merion oarsmen in a series of events. Saturday, Nutley travels to Delaware and engages in a regatta with St. Andrew's, host school.

## Trail Most of Race

All races at Poughkeepsie were four-shell with coxswain. Belleville varsity won a nip and tuck struggle with Arlington High. The Bellboys, with Frank Thompson, Norm Gross, Pete Salerno, Harry Breckenridge and Jim Kant seated in the craft, took an early lead, lost it at the halfway mark, battled into contention and pulled away to a safe 2 1/2 lengths in crossing the finish line. Arlington was the victim of the Bellboys in the jayvee event.

Nutley lost to Arlington in another varsity battle, but the Maroon jayvees evened the count for

# New Jersey Town Selected for First Coast-to-Coast Customer Dialing

**LATE THIS YEAR, ENGLEWOOD CUSTOMERS TO DIAL LONG DISTANCE CALLS DIRECT TO 11 MILLION TELEPHONES**

Efforts to make your telephone more valuable never cease... since the first call was made 75 years ago, our constant effort has been to make service ever faster, more efficient and more economical.

The first Long Distance calls to the West Coast—just 36 years ago—took 23 minutes to put through. During the Englewood trial, customers will dial San Francisco direct in a matter of seconds... Voices will be just as "clear" as "phoning next door!" Cost: 1915, \$20.70; 1951, \$2.50.

This new service will be available to Englewood 3, Englewood 4 and Teaneck 7 one-party and two-party line customers. They will be able to dial straight through to more than 11 million telephones in 13 metropolitan centers as far apart as Boston and San Francisco.

When other cities will be able to dial Long Distance calls directly no one can tell. But that will come, just as surely as such developments through the years have given you better telephone service, more telephone value. Meantime, telephone people, money and materials are hard at work to meet the demand for additional telephones and to serve the needs of the nation's defense.
