

Accumulated School Bills Passed Without McCann

County Superintendent Stover Tells Board of Education That Committee Chairmen Have No Authority to Act Independent of Group

Thirteen thousand dollars worth of Board of Education bills which have been accumulating since April 16 because Raymond McCann, finance chairman of the board, refused to recommend their payment unless District Clerk Ruel Daniels changed the office procedure, were passed at the board meeting Monday night without his vote. This was done after the county superintendent of schools informed the board that all committees act without legal background and that the obligation for the payment of bills is on the Board of Education as a whole.

Walter E. Loesner presented the bills for board action, and with Mr. McCann refusing to vote and Mr. Yocum having left the meeting because of a business trip, the board majority of Mr. Loesner, Mrs. Homer Zink and President Eugene Kelly cast the affirmative votes.

Protests Minutes

A major part of the meeting was taken up with a discussion centering around Mr. McCann's continued criticism of several acts by District Clerk Daniels. At the start of the meeting Mr. McCann refused to go along with the acceptance of the minutes, because he claimed Mr. Daniels had censured his remarks. This is despite the fact that the Board's proceedings are covered by Robert's Rules of Order, which definitely state that unless the minutes are officially published it is not the duty of a secretary to include remarks in debate in his minutes. County Superintendent Stover advised that if a member in good faith read a written statement and asked that it be placed in the minutes, then the secretary is obliged to include those written remarks in his minutes. When this was clarified to the extent that Mr. McCann had presented a written statement, the board passed the minutes of two previous meetings.

County Superintendent Writes

In his letter Mr. Stover said in part, "My purpose was to see whether an accurate record was being made of the proceedings, receipt and payment of supplies and services so that bills would reach the meetings of the board properly authenticated."

"In brief, my report would be that a most complete and carefully checked system exists in this office. After an item has been requisitioned, there is a definite attempt made to get the best price possible. It is neither practical nor usual for the boards of education to advertise for bids on most small items as the law exempts purchases under \$1,000. However, the business office is securing competitive quotations more frequently than is the usual practice elsewhere."

"I may say that it was disturbing to learn that the whole list of bills was held up. Among them were such as Essex County Sanatorium, \$1,339.75; Public Service Transport, \$1,087.50; Public Service Electric & Gas, \$787.02; Belleville Water System, \$88.31; Bell Telephone Company, \$148; Board of Education, Newark, \$875."

"I doubt if anyone would seriously suggest that services performed by those concerns were not rendered as stated. It seems unfortunate that the credit reputation of a board should be impaired or damaged by failure to pay properly authorized bills in a reasonable time."

Backed by Inspector

Mr. Huston said: "Conduct of the business of the Secretary's office is most efficient and all records are kept in compliance with the requirements of the State Board of Education. There are many additional records for details which may at

SOLDIERS INVADE TOWN FOR MEALS

AAA Battery On Training Exercise Is Encamped In Branch Brook Park

The Army invades Belleville this week, foraging for food in restaurants along Washington Avenue. The outfit actually is encamped in Branch Brook Park, just over into Newark, but has no mess facilities and therefore finds Belleville's business section convenient at meal time.

The unit is Battery A of the 245th Anti-Aircraft Artillery, gun battalion, from Fort Hancock on training exercise. It arrived in the park on Thursday and will leave this weekend.

First Lieutenant Edward Fenton is Battery Commander and Lieutenant Matthew Mroczkowski is second in command. The 245th AAA, was a National Guard unit, mobilized for Federal service in August.

Graduation Exercises In School Auditorium

The 54th annual commencement of Belleville High School was held Friday night in the high school auditorium. Originally planned to be held at the Municipal Stadium, Wednesday night, the event was postponed first until Thursday and then until Friday, because of the same storm. On Friday morning members of the graduating class were given special red tickets to be used in the event the program had to be moved from the stadium to the high school. As a result, some 800 parents and friends, instead of several thousand, saw the exercises. There were 243 diplomas presented.

STORE BUILDING BOOSTS PERMIT TOTAL TO \$80,000

Permit Demonstration Building For Radiant Heat For Mill Street

A one story store and garage building at 451 Washington Avenue, valued at \$36,000 boosted the building permit total for the past week to \$80,835 for the week. Building Inspector Frank Greco gave a permit to Sarah Miller for the new store structure, which will have two stores and two garages, at the corner of Malone and Washington.

The Even-Ray Company, Inc., was given a permit to erect a one-story research and demonstration building at 536 Mill Street, of frame and masonry construction for \$5,800. The building will be without a cellar and will be designed to test and demonstrate radiant heating.

Four new dwelling permits were included in the total. One to Armando DeTrollio for 21 Pleasant

Disaster Director Recites Experiences At C-D Meeting

Dr. Marshall Smith in Charge at South Amboy Explosion and Woodbridge Train Wreck Talks

The Emergency Medical Service Division of Belleville's Civilian Defense Council got off to a good start on Tuesday evening in the Town Hall. The meeting was attended by 40 of the town's doctors, dentists and registered nurses.

Dr. Marshall Smith, area director of the Medical, Health and Welfare Division of the Raritan Area Civil Defense Council, and president of the Middlesex County Medical Society, addressed the group on the duties of the Emergency Medical Services in the event of a bombing, or other major disaster. Dr. Smith was medical director in charge at the time of the South Amboy explosion and at the Woodbridge train wreck.

Will Form Committees

Following this meeting, those present will organize into four committees to work out a detailed plan for setting up and operating the necessary number of emergency hospitals, first aid stations, emergency child care centers and information programs to guard against mass hysteria. These committees will work with the Emergency Medical Service Director, Eugene Berry, Belleville Health Officer, and his co-director Isadore J. Padula.

Those present were: Kenneth Smith, town co-ordinator; Ethel Akersten, Angela Chapman, Mary F. Miller, Lenore Risher, Helen Gilsenan, Dr. J. J. Flersch, Dr. Ellis L. Smith, Dr. M. A. Soriano, Dr. G. Worthington, Dr. Francis Wilson, Dr. Hillard Mann, Dr. M. Roedchard, Dr. William Taffet, Dr. G. Kaden, Dr. S. Gifow, Dr. A. Mandell, Dr. B. A. Jacobson, Dr. F. K. Mase, Dr. E. C. Reock, Dr. Morris Rochlin, Dr. D. C. Macaluso, Mrs. J. K. Morse, Miss M. J. Cozzarelli, Dr. P. Strassburger, Mrs. W. Strassburger, Dr. Joseph Israel, Dr. D. S. Brown, Mrs. V. Schumacher, Mrs. W. H. Orth, Miss M. J. Stanton, Dr. James J. Cozzarelli, Sanford Rubin, Dr. Frank Di Ruggiero, Joseph Padula and R. Lyola. Also present were Dr. Vincent J. Padula and Dr. James L. Padula of Newark.

Topping Rites at Phone Building

Kondreck Studios

Tom Brown, carpenter foreman, and Fred Staeger, mason foreman, co-operated in the topping ceremony at the new telephone exchange building. Builders erect a tree over new construction when the highest piece of masonry, usually the chimney, has been completed. The tradition in the building trades goes back to antiquity when neighbors helped newlyweds build a home and erected a green bough as a token of wishes for fertility. The actual topping celebration took place on Monday afternoon with the Damon G. Douglas Company, of Newark, the contractors, playing host to some 40 workmen and guests from the telephone company and the Town Hall. Two or three months of finishing work remain before the key is turned over to the Western Electric Company for the installation of the dial equipment.

FOUR MOTORISTS, BUILDER PAY FINES

Magistrate Will Hold Court Every Second Wednesday For Balance Of Summer

Four cases in the traffic court Wednesday night and one in the general session on Thursday morning before Recorder Smith resulted in fines totaling \$65. In addition \$31 was collected by the violations bureau in the past week. The traffic court was the last to be held on a weekly basis for the summer. Henceforth the court will be every second Wednesday, June 27, July 11 and 25 and August 3 and 22.

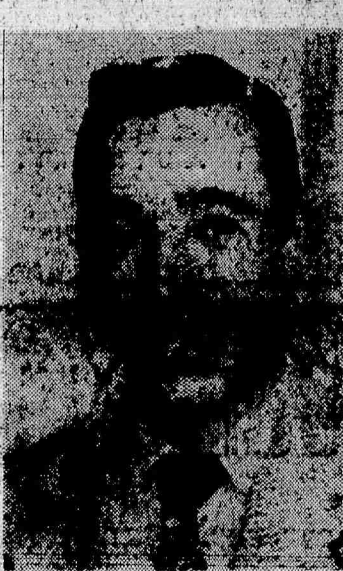

Traffic Cases

Isidore Inzano of 246 South Orange Avenue, Newark paid \$13 on a complaint made by Mrs. Rose O'Keefe of 89 Magnolia Street for failure to report the injury of a dog. Inzano ran over the O'Keefe dog on May 6th, and was eventually traced and summoned through his motor vehicle registration.

BELLEVILLE FOLKS HEAR SON KILLED IN KOREAN ACTION

Cpl. Rene J. Flory, Jr. Was Active In High School and Church Affairs In Town

Mr. and Mrs. Rene J. Flory of 40 Center Street on Thursday morning of last week received a letter from their son Rene J. Flory, Jr., 29 from Korea in which he said "Mother I know you have been plenty worried since I've been over here, but believe me, now the worst is over." Thursday afternoon the Florys were visited by a Western Union messenger, bearing a telegram from the War Department which said in part, "Deeply regret to inform you that your son, Corporal Rene Joseph Flory, Jr., USMC was killed in action, June 9 in the Korean Area in performance of his duty and service of his country."

Corp. Rene J. Flory Jr.

The letter received in the morning was dated Korea, June 6 and was from a rest camp area. In the letter he described conditions in the camp and his chief concern was whether his pants would dry.

The youthful soldier was born in Newark but had resided in Belleville for 11 years. He attended Belleville Schools and became a graduate from Belleville High School three years ago, was president of the Student Council and a member of the National Honor Society. He also served as an altar boy at the Holy Family Church for ten years before he was called into service with the Seventh Regiment of the First Marine Division, with other youths from this area who were members of the Marine Reserves training at Dover. He was sworn into Federal service on September 7th, last year, came home at Christmas time on furlough and reached Korea in April.

At one period, when the United States forces were having a rough time in Korea he saw 50 days of continuous action in the front lines.

Corporal Flory worked for two years after his graduation as a lineoleum mechanic. Mr. Flory, senior, is an electrician at the Worthington Pump Works in Harrison. Besides his parents, Corporal Flory is survived by a sister Theresa.

BELLEVILLE HAMS IN RADIO FIELD DAY

Six Affiliated With Civilian Defense Communications Will Work From Mountain

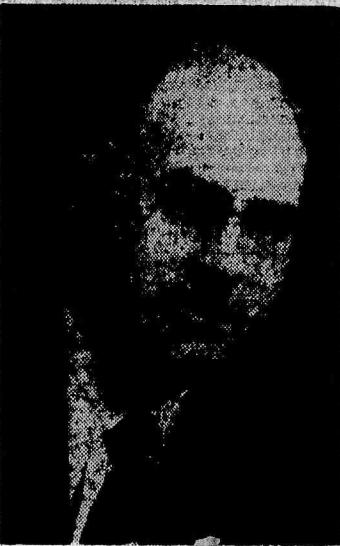

With their emergency communication plans given impetus by Civil Defense requirements, Belleville's amateur radio operators will take to the hills over the weekend for the annual American Radio Relay League sponsored field day. The Belleville unit will set up its equipment adjacent to the WPAT F-M transmitter atop Garrett Mountain.

Using portable equipment, the hams will vie among their own groups and with others throughout the country for making the maximum number of two-way contacts. The purpose is to stimulate the development of communications gear that can be held in readiness for local or wide-scale emergencies.

The scoring gives extra credit to stations that operate divorced from regular power lines. Gasoline engine driven generators will be used by the Belleville operators. Most of the operation is by clubs. Shifts of operators keep the amateur bands buzzing with code and voice signals for 24 hours starting at 5 p.m. Saturday.

On the job from Belleville and its affiliated members of the Civil Defense communications committee are Norman H. Thompson, Emergency Co-ordinator for Belleville, Joseph Evon of 105 Linden Avenue, Peter Kostas of 78 Glass Avenue, Joseph Weiss of Stephen Street, Samuel Bernadino of Lyndhurst and Leo Meisner of Nutley.

Hugh Kittle Congratulates New Supervising Principal

"At the risk of being called presumptuous, since there were 15 applicants for the position of Supervising Principal of the Belleville Public Schools, I want to congratulate Evan Thomas on being selected by the majority members of the Board of Education", Hugh D. Kittle, principal of the High School and one of the applicants, said in a statement to the Belleville Times-News on Tuesday. "In the High School it is part of our policy that you fight hard to win and be gracious if you lose. It is my sincere desire that Mr. Thomas have a successful administration."

Paroled Convict Arrested On Complaint Of Teen-ager

Raritan Township Girl Noted License Number After Belleville Man Made Alleged Assault

Jerome Cohen, alias Jerome Collins, 30, of 83 Lake Street, Belleville, who according to police has a long list of arrests, was taken into custody by the Belleville police on Monday night on a teletype warrant from Raritan Township. He was turned over to Raritan police Tuesday. There he was held without bail, charged with violating parole, assault and battery and attempt to assault. He may also face an abduction charge.

Cohen is charged with having forced a 16-year-old girl into his car by pressing a knife against her throat. The girl was riding her bicycle when Cohen forced her to the curb. After getting her in the car he drove around for several hours, then he parked and attempted to assault her. When she talked him out of it, he drove some more before releasing her.

The girl noted the car license number, which was traced by the Middlesex County authorities to the Belleville address.

Protested Parole

Monmouth County Prosecutor Victor Carlton says he "angrily protested Collins' parole" from Raritan state prison in 1949 after he was convicted of molesting a 12-year-old girl in Ocean Township.

"With his long list of arrests for burglary, all involving the theft of women's clothes, I didn't think he should be paroled and so informed the court. This new arrest doesn't surprise me at all," Carlton declared yesterday.

Collins is married and the father of a child.

Completes 25 Years In Public Service Employ

Mark Main, of 69 Wilber Street, machinist, Kearny Generating Station, Public Service Electric and Gas Company, recently completed twenty-five years service and was presented a gold service button. Mr. Main is a member of the Belleville Craftsman's Club No. 409 and the Glasgow Street Mungoes Masonic Lodge No. 27.

Suffers Bruises, Cuts When Struck By Truck

Francis Lyon, 67, of 120 Rutgers Street, suffered bruises and cuts on the arms, legs and back, Monday when struck by a truck that was backing into the Belleville Post Office driveway. Patrolman Tepe took Lyon to the office of Dr. Sidney Cohen in Nutley for treatment. The driver of the truck was James S. Petro, 30, of 124 Delafield Avenue, Lyndhurst.

Hadassah Tea Set for Tuesday

The Belleville-Nutley Hadassah Membership Tea will be held Tuesday evening in the home of Mrs. Samuel Linden, 668 Prospect Street, Nutley. Mrs. Fay Barth will report on highlights of the group's activities, and new members will be welcomed. Mrs. Sylvia Hoch is chairman.

Evan Thomas Named Superintendent By Board's 4-1 Vote

Begins Duties July 1 at \$9,500 Salary; William Chapman New Principal of No. 5 School; Other Changes Made

Despite statements by board members that no hasty action would be taken in naming the new supervising principal for the Belleville schools, the Board of Education, by a 4 to 1 vote on Monday night, designated Evan H. Thomas, general supervisor and assistant superintendent of schools since 1945, to succeed Wayne R. Farmer, effective July 1 at a salary of \$9,500 per annum.

Charles Yocum, chairman of the teachers' committee, introduced the resolution naming Mr. Thomas, after the board had held a half-hour caucus preceding the regular meeting. Mr. Yocum said:

Yocum Offers Resolution

"The resolution I am about to move is the result of a conference of the full board and while it may not completely indicate the opinion of all the board members, we feel that we should act as a whole. We had 15 applications for the position of superintendent of schools, none of which we solicited. Of these 14 have been on file here since Thursday for study by the board members, the other was received today. I stood ready to interview any candidate that the board in conference should designate. But that was not the desire of the majority of the board."

"Therefore, I offer the following resolution: 'Be it resolved that Evan H. Thomas is hereby appointed superintendent of schools

as of July 1, at an annual salary of \$9,500.'"

Reminded by District Clerk Ruel Daniels that the voting would have to be by ballot, slips were passed up to Board President Eugene Kelly, who announced the vote was 4 to 1.

States Position

At this point Mrs. Zink said she wished to explain why she had cast a negative vote. "From our previous discussions I was led to believe that we should not be rushed. As a result I have not even read Mr. Thomas's qualifications completely through. I was in the midst of doing that when the majority of the board members expressed themselves in Mr. Thomas's favor. This is far too important an appointment to be made without even interviewing any candidates. But now that Mr. Thomas has received the appointment I shall give him my complete cooperation."

Mr. Yocum declared, "It was my opinion that we should give a wider range of thought to the matter, but I voted for Mr. Thomas in the interest of harmony since the majority of the board members had expressed themselves in his behalf in the conference."

Raymond McCann declared that he had studied all the applications on file on Friday and it was a difficult choice to make. "In voting for Mr. Thomas I in no way cast aspersions on the wonderful credentials of Mr. Kittle."

After the meeting Mr. Kelly told The Times-News reporter that in his opinion there were only two candidates, Mr. Thomas and Mr. Kittle and that it was to the best interests of the town to name Mr. Thomas.

The board was reminded by County Superintendent Frank P. Stover that with the naming of Mr. Thomas as of July 1, Belleville would have two superintendents, which would not only be impractical, but unlawful.

Mr. McCann replied that at a special meeting of the board to be held before the first of the month, he proposes that the board accept Mr. Farmer's resignation as of July 1 and then engage him as consultant for the month of July. Some details as to the affect of his pension still must be worked out, Mr. McCann declared.

New Principal

In addition to the superintendent resolution, Mr. Yocum recommended the appointment of William Chapman as principal of School No. 5 to succeed Robert N. Hayes, who died May 29. Mr. Chapman has been acting principal of School No. 1 since January, succeeding Paul W. Jones, on military leave of absence. The salary is \$5,250 per year.

Herbert Mattick and Charles Wertman were given permission to conduct a six week summer musical education program at School No. 8, and were granted salaries of \$300 each for their efforts.

Salaries of 22 teachers who were under the state maximum of \$2,500 were adjusted to that figure and four high school teachers, Mrs. Claire D. Carney, Miss Carolyn A. Pohl, Seymour Grossman and Herman Knuppel, who by reason of increased credits towards post graduate degrees had advanced in the salary table, were granted \$100 raises.

Resignations

Resignations were accepted from Miss Lynne H. Rader, a third grade teacher in School No. 5, who will be married this summer and from Mrs. Robert Summa, clerk in Mr. Farmer's office, whose husband has accepted a position which requires them to live in New York.

Remedial Reading Teacher

Louis Frank Zuckerman of 224 Greylock Parkway was appointed to the high school faculty and Walter A. Watmuff of Pennsylvania was appointed to a new post as teacher of remedial reading in the school system at \$3,300 per year. Mr. Farmer reported that Mr. Watmuff has excellent credentials for the position which has been seeking the right man.

The board also voted the reappointment of six high school department heads and the creation of an additional one. These jobs carry with them an additional salary of \$200. Reappointed were Nova Babb, John Heffernan, Carl Hensinger, Charles Schultz, Raymond Smith and Herman Wischo. P. Webster Diehl was appointed to head the department of industrial arts.

SHAWGER SCHOOL PTA GETS CHARTER FOR SCOUT TROOP

Tenderfoot Pins, Certificates, Neckerchiefs Presented To Boys Joining New Unit

The Charter for the new Boy Scout Troop 304, sponsored by PTA of James G. Shawger School, was presented at a colorful ceremony in the school last week. The ceremony opened with a pledge of allegiance to the flag of the United States led by a scout from the new troop. Charles M. Nutt, chairman of the Belleville District Committee, congratulated the PTA upon accomplishing the organization of the troop and pledged the support of the district and council in carrying out the program of scouting.

The traditional candle ceremony in which candles representing the 12 parts of the Scout Law and three parts of the Scout Oath were lighted and the law and the oath explained by scouts from Troop 387, St. Anthony's R. C. Church under the leadership of their scoutmaster, Anthony Recenello.

Accepts Charter

Mr. Lubin Palmer, member of the Belleville Organization and Extension Committee, presented the Charter to Frank Spotts of the James G. Shawger School who accepted the Charter on behalf of the school and the PTA. He then presented the Charter to Mr. Ralph Sizoli, the president of the PTA, under whose leadership the troop was organized. Since the PTA itself is a new organization, it is creditable that they should be so quickly seized by the opportunity to provide a program for the boys of the school and the vicinity.

Gives Charge to Committee

The charge for troop committee-men and troop leaders was given by Harry T. French, assistant scout executive, who also presented the badges of office to the scoutmaster, Thomas W. Sibilia, and the assistant scoutmaster, Orlando Vernachio. Tenderfoot pins, membership certificates and the troop neckerchief were presented to each scout by the scoutmaster and assistant scoutmaster.

New Road Completed

The many parents who visited Camp Mohican during the camping season will be very happy to know that the Camp Mohican road has been completely rebuilt and is now in excellent condition.

The camp opens July 1, when scouts from Troops 301, 307, 375, 387 and 388 will be in camp. Already the first period is filled to capacity and other periods are showing greater enrollments at this time than last year.

"An audit made by Puder & Puder for School year 1949-50 indicates that its findings were in accord with the records of the Secretary and that all financial transactions were carried out in legal manner. Certain minor recommendations were made which may or may not be carried out according to the wishes of the Board of Education."

Mr. McCann was unconvinced and he and Mr. Stover debated the matter to quite some length, Mr. McCann insisting that his

system of having all the records pertaining to each bill together for his scrutiny would be a better way of doing things.

Mr. Stover said the system used in Belleville is that used in business offices throughout the county.

Mr. Stover advised the board that it is a policy-making body and should delegate the book-keeping and teaching to properly qualified employees.

Mr. McCann replied that such a policy would limit his duty as a board member and make him a rubber stamp.

man of 220 Vassar Avenue Newark, \$7 for a U turn and Peter Bolds of 33 Boyd Street, Newark, \$13 for speeding.

Seven who were given parking tickets made personal appearances at the Violations Bureau while

four others mailed in fines totaling \$21. Another motorist made a personal appearance to pay \$10 for passing a red light.

Had Water in Excavation

In Thursday's session the Belleville Gardens, Inc., Adolph Shock, president, was fined \$20 for violation of the sanitary code on complaint of Health Officer Eugene T. Berry. The Belleville Gardens were charged with allowing stagnant water to collect in an excavation for new construction in Celia Terrace. Neighbors were more afraid that some child might fall into the deep water than they were of the health menace, but it was the health code which covered the situation.

MAIN CONCOURSE IN THE NEW PORT AUTHORITY BUS TERMINAL

We Welcome the Many New Passengers

Now Enjoying DeCAMP BUS SERVICE

And it is gratifying to us to hear their many nice comments.

One man said, "Still can't get over how much time I save going by De Camp buses". Another said, "The comfort of a De Camp bus is a relief after a tiring day in the city".

And we heard a woman shopper telling her neighbor, "It's really a pleasure to ride to New York, now that De Camp buses go directly to the wonderful new terminal, convenient to everything".

These actual comments of some of our satisfied passengers are mighty pleasing to us. But, they haven't gone to our head—we're still striving to give our passengers the very best possible service. And in line with this aim, we're now putting 10 new giant, de luxe buses into service in order to give added service during the peak commuting hours.

These new buses are the largest, roomiest, most modern on the road... the very finest General Motors produces... smoother, faster, safer, better ventilated and so much more comfortable.

If you're not a regular De Camp commuter, you have a real treat awaiting you. Save time, save money, eliminate changes... go to New York the De Camp way!

NAN ANDERSON CHURCH BRIDE

Wed in St. Mark's Church To Robert Rame, Alumnus Of Fairleigh Dickinson

Miss Nan Anderson, daughter of Mr. and Mrs. Alistair H. Anderson of 11 Arthur Street, became the bride Saturday of Robert Rame, son of Mr. and Mrs. William E. Rame of 112 Hornblower Avenue. Rev. John R. Norton performed the ceremony in St. Mark's Episcopal Church. A reception following in the Hotel Douglas, Newark.

Miss Lynn Walling of Belleville was maid of honor. Bridesmaids were Mrs. Clayton Guth of Maryland, sister of the bridegroom, and Miss Doris De Ring of Belleville. Diana Dietz of Nutley and Karen Lever of Indianapolis were flower girls. William E. Rame Jr., the bridegroom's brother, served as best man. Ushers were Herbert Beers and Peter Caruso, both of Belleville.

A nylon lace gown with a tiered skirt trimmed with nylon net frills was worn by the bride. Her hand-rolled fingertip veil was held by a matching lace headpiece. She carried white roses, sweet peas and baby's breath.

The maid of honor was attired in embroidered lilac marquisette with a matching headpiece. She carried an old-fashioned bouquet trimmed with yellow streamers. The bridesmaids wore matching gowns of spring green marquisette and their flowers had pink streamers. The flower girls wore pink gowns and carried nosegays trimmed with blue streamers.

Following a trip to Bermuda the couple will reside at 85 Canterbury Avenue, North Arlington.

Both are graduates of Belleville High School. Mr. Rame is also an alumnus of Fairleigh Dickinson College.

Loretta Spagnoletti Is Bride-Elect Of Anthony De Santis

Mr. and Mrs. Biagio Spagnoletti of 76 Magnolia Street, announced the engagement of their daughter, Loretta, to Anthony De Santis, son of Mr. and Mrs. Daniel De Santis of 467 Delevan Avenue, Newark, at a family dinner held Sunday in their home.

The bride-elect was graduated from Belleville High School and is with White House Laundry Inc., Belleville. An alumnus of Barringer High School and Rutgers College of Pharmacy, Mr. De Santis is employed by the Progress Pharmacy in Belleville.

Mr. and Mrs. Peter Caruso Return From Wedding Trip

Recently returned from a wedding trip to Atlantic City and Asbury Park are Mr. and Mrs. Peter N. Caruso, who will reside in Rutherford. Mrs. Caruso is the former Eloise Robinson Buffum, daughter of Mr. and Mrs. Walter Buffum of Syracuse, N. Y. Mr. Caruso is the son of Mr. and Mrs. Nicholas Caruso of 191 Cortlandt Street.

The couple were married May 28 in First Presbyterian Church, Rutherford. Rev. Fred Masters Holloway performed the double wedding ceremony. A reception followed in the home of the bridegroom's parents.

Mrs. Veronica Caruso of Belleville was the bride's only attendant. Joseph Caruso served as his brother's best man.

The bride's ballerina length gown was of pink marquisette and lace. She wore a matching crown

LETTERS

Objects to Haste!

The Editor of The Times,

The unconscionable haste with which the majority of the Board of Education filled the important office of supervising principal makes that action suspect. The thinking residents of Belleville, those parents who feel a deep concern over the quality of the school system to which they entrust their children, must be shocked by the utter callousness with which the School Board majority toyed with the interests of our children.

The headlong action taken Monday night cannot be justified. Mr. Farmer was not due to retire until the end of July. The School Board should have—and very well could have—taken the time necessary to carefully examine and consider the qualifications of the fifteen applicants for the position.

This was not done. One member said he had made a " cursory " examination of the applications. Mrs. Zink, in objecting to the hasty appointment, said she had not seen the statement of qualifications of the candidate chosen until the caucus held Monday afternoon preceding the meeting. All of the board members could not have carefully studied all the applications because the fifteenth was received only Monday morning.

And despite the four-to-one vote, it was evident there was not even 80 per cent unanimity in the choice. The chairman of the Teacher Committee, in offering the resolution, indicated by his remarks that the resolution did not necessarily reflect his opinion. He sought to make it clear that he submitted the resolution and voted affirmatively solely in the interest of "harmony."

That "harmony" may have been obtained at a high price. Perhaps a little less harmony and more forthright thinking would be better for our children and the taxpayers.

The inference to be drawn is that the Teacher Committee chairman entered the caucus not ready to make a recommendation; that pressure, rather than reason and judgment, spawned the resolution.

Why was that pressure exerted? The parents and taxpayers have a right to ask questions.

Was the appointment made because of any alleged prior commitment? (A member of the board which brought the favored applicant into the Belleville school system insists that no such commitment was made by that board.)

Were any of the other fourteen applicants interviewed? If not, why did the School Board fail to exert every effort to survey the field of all qualified applicants?

Can the members of the School Board stand before the parents and taxpayers and say that they have done their utmost for our children?

Well, can they? The manner in which this piece of business was handled smacks of political railroad of the most cynical kind. For twenty-two years I have been deeply and intimately interested in municipal and school affairs in Belleville—for five of those years as editor of the Belleville Times, and for the last fifteen as a parent of children in the Belleville schools.

In all those years I have seen many peculiar political acts and strange alliances. But in the entire twenty-two years I have never seen anything quite so shocking and inconsiderate as the speed with which the School Board moved Monday night.

Actually the members of this board have done the man they have chosen a grave injustice. He would certainly wear his title with more enjoyment if he knew the whole town was convinced that he surpassed all others.

To Mr. Zink must go full praise for her firm opposition to the unnecessary haste which she so aptly classified as a disservice to the children in our schools. Her courage and integrity are commendable.

As for the other members of the board, we can only wonder if, truly, their first loyalty is to our helpless school children?

Very truly yours, Thomas E. Delaney.

Frank Cook Jr. Is Guest Of Honor At Dinner Party

Mr. and Mrs. John Vallance Give Farewell Party; Local Women Attend State Convention; Miss Leahy Hostess at Dinner

Mr. and Mrs. Frank Cook of 55 Baldwin Place entertained Sunday at a dinner party in honor of their son, Frank Cook Jr., who graduated from St. Peter's School. Among the 23 present were Mr. and Mrs. Edward Austin and their children, Claire and Edward, and Mr. and Mrs. John Lukowiak of Belleville. Other guests were from Bloomfield, Passaic, Lakewood and Westfield. An open house was held following the dinner.

Mr. and Mrs. John Vallance of 31 Behmohr Street recently gave a farewell party in their home for Nancy Leeson Tear of Pittsburgh, who left June 11 for a three month tour of Europe. She was awarded the trip by the Nationality Room Council of the University of Pennsylvania for her outstanding work as a Nationality Room hostess.

Among those who attended were the Misses Hilda and Jacqueline Vallance, Harry Fisher, Mr. and Mrs. John Vallance, Mr. and Mrs. William Vallance, Mr. and Mrs. Bunting and Mr. and Mrs. Charles Helms, of Belleville.

Members of the Henry Vreeland Woman's Relief Corps who attended the annual department convention of the New Jersey Woman's Relief Corps at Asbury Park were Mrs. Anna Lanza, Mrs. Ruth Fredericks, past department president; Mrs. Florence Roselle, a member of the executive committee and a past president, and past presidents Mrs. Bertha Foster, Mrs. Edna Arthur, Mrs. Stella McIlvrid and Mrs. Amelia Giardina. Mrs. Lanza was elected department chaplain and Mrs. Fredericks was re-elected to a three-year term as chairman of the department auditing committee.

Miss Margaret Leahy was hostess recently at a dinner given in the William Pitt, Chatham. Guests included Mrs. Allan Crisp, Miss Isabel Abbott, Mrs. F. J. Chase, Mrs. Kenneth Foley, Mrs. Richard Garraway, Mrs. Herbert Wagner, Mrs. Robert Louer and Mrs. John Carrough.

Miss Blanche MacDonald of 120 Rutgers Street will spend the summer at French Creek, W. Va. Miss MacDonald is a teacher at Belleville High School.

Guests of Mr. and Mrs. Alistair Anderson of 11 Arthur Street are Mrs. Anderson's sister-in-law, Mrs. George A. Lever of Indianapolis and her two children, Karen and Allan.

Mrs. Laura Hagan of 5 Tremont Avenue spent last weekend with her son, Frederick, who is now taking Air Force indoctrination training at Sampson Air Force Base, N. Y.

Mrs. Marguerite Gaudet, daughter of Mrs. Rene O. Gaudet of 580 Washington Avenue, and Edward Francis Farrell, son of Henry W. Farrell of Riverside Avenue, Lyndhurst, and the late Mrs. Farrell were married Saturday at a nuptial mass in St. Mary's Church, Nutley. Rev. John M. Golding performed the double-ring ceremony. A reception followed in the Belleville Woman's Club.

Miss Cecelia Lilore of Belleville was maid of honor. Bridesmaids were Mrs. Mark Norwood Kelly of New York, sister of the bridegroom, and Miss Marilyn Kiepe of Belleville. Best man was Benedict A. Walsh. Ronald Michael Gaudet of Belleville, the bride's brother, and Santi L. Gambone of Lyndhurst, ushered.

Given in marriage by her uncle, Leo J. Allard of Lowell, Mass., the bride wore a gown of imported Swiss embroidered organdy with a fitted bodice, tiered skirt and train. Her illusion veil fell from an organdy helmet trimmed with lilies of the valley. She carried white orchids and lilies of the valley on a prayer book.

The maid of honor was attired in embroidered Nile green organdy and a matching cap trimmed with seed pearls. She carried a

Engagement Of Arlington Girl and Edgar A. Bloemeke Has Been Announced

Miss Harriet Everett

Mr. and Mrs. Arthur R. Everett of 510 Devon Street, Arlington, have announced the engagement of their daughter, Harriet Jean, to Edgar A. Bloemeke, son of Mrs. Florence A. Bloemeke of 86 Cortlandt Street, and the late Richard W. Bloemeke.

The bride-elect was graduated from Kearny High School and is with the personnel department of the First National Bank of Jersey City. A graduate of Belleville High School, Mr. Bloemeke served with the U. S. Army Infantry in Europe during World War II and is employed in the accounting department of the Eskimo Pie Corp., Bloomfield. He is attending the evening session of Rutgers University in Newark.

Dr. Thomas McNeill of 346 Greylock Parkway received his MD degree at the University of Rochester this week, and will intern at Grace-New Haven Community Hospital, Conn. He previously studied at Alfred University.

A skinner satin gown with an illusion neckline and skirt trimmed with fans of French lace was worn by the bride. Her nylon illusion veil was attached to a matching lace cap. She carried white orchids and stephanotis. The maid of honor wore a white organdy gown with a violet taffeta under skirt. Her headpiece was a spray of lavender flowers and she carried an old-fashioned bouquet. The bridesmaids wore matching gowns with Nile green taffeta under skirts.

Both are graduates of Belleville High School. The bride is also an alumna of the Washington School for Secretaries. Her husband attended Seton Hall College and is employed by the Peoples National Bank and Trust Co.

Following a wedding trip to Miami Beach, Fla., and Havana, Cuba, the couple will reside at 580 Washington Avenue.

PLENTY DEGREES COOLER INSIDE

THESE folks are enjoying something that's being pioneered by Buick. It's freedom from the blinding glare of bright summer sunlight. It's freedom from hot laps—caused by the sun's rays beating down through the broad expanse of windshield. These freedoms trace to a new feature you may have noticed in '51 Buicks—a new kind of glass with a cool, soft, blue-green tint, in every glass area of the car, front, side and back. Buick engineers tell us that this "Buick first" reduces glare 18% over conventional glass—cuts sun heat as much as 45%—and Buick engineers are very conservative fellows. This glare-and-heat-reducing Easy-eye glass is factory-installed at moderate extra charge. It gives you a built-in transparent "sun visor" right in the windshield—and it also dulls the dazzle of oncoming headlights at night. As we've said, this is something Buick owners were the first to enjoy. It takes

its place with such exclusives as the valve-in-head Fireball Engine—coil springs on all four wheels—the firm power linkage of torque-tube drive—and the magic of Dynaflo.* As we've also said—rather modestly—"Smart buy's Buick." Come in soon and find out what an understatement that really is.

No other car provides all this:
DYNAFLOW DRIVE* • FIREBALL ENGINE
4-WHEEL COIL SPRING* • DUAL VENTILATION
PUSH-BAR FOREFRONT • TORQUE-TUBE DRIVE
WHITE-GLOW INSTRUMENTS • DREAMLINE STYLING

Customers' Corner

What do you consider good service in a food store? Do you get it at your A&P? Of course, we expect all our employees to be friendly and courteous. But we think good service goes beyond that. We train our employees to be prompt, efficient, helpful and accurate as well.

Good service also requires that the store itself be clean, well stocked and well operated.

Any time your A&P doesn't measure up to these yardsticks of good service, our loyal employees want to know about it. Please write:

CUSTOMER RELATIONS DEPT.
A&P Food Stores
420 Lexington Ave., New York 17, N. Y.

Whenever A&P advertises a certain article at a certain price, you'll find adequate quantities at your A&P Super Market. Moreover, you'll find A&P's entire stock of that article marked with the advertised price. Result? At A&P you can buy every advertised item at the advertised price—not at a higher price. What's more you can use your itemized cash register receipt to check it. No wonder millions of people rely on A&P for fair treatment and fine values!

ADULT AUTO DRIVE CLASS STARTED BY RECREATION DEPT.

Dual Control Car Supplied by George H. Mead, Inc.; Eight Hours Of Driving

The adult auto driving course, under the supervision of the Recreation Department, opened Monday of this week at the Recreation House. Elmer S. Hyde, director of Parks and Public Property, has arranged the driving course with the co-operation of the American Automobile Association. A 1951 Ford custom built car with dual control will be supplied the town by George H. Mead, Inc., Ford dealer.

The course will consist of theory class work two nights a week at the Recreation House and eight hours of road lessons. Austin MacArthur and Richard Browne, both of Belleville, will serve as instructors. Interested persons may register at Commissioner Hyde's office, Town Hall, telephone Belleville 2-4755. It is expected that classes will be limited to 36 at a time. The fee is \$6 which includes text books.

Essex Polio Chapter Buys "Rocking Bed" For Hospital

An entirely new type of breathing aid, developed at Municipal Hospital, Pittsburgh, Pa., was the subject of a recent article by Doctor Jessie Wright, consultant on acute poliomyelitis at that hospital. Use of the "rocking bed" can spare some polio patients suffering from respiratory difficulties the necessity of being enclosed in an "iron lung".

One of these "beds" was recently purchased by the Essex County Chapter-National Foundation for Infantile Paralysis and assigned to the Isolation Hospital, Belleville, with the hope that it would speed the recovery of local polio victims suffering from respiratory difficulties. This purchase is the most recent of a long list of equipment obtained by the chapter, using March of Dimes contributions, to provide for Essex County polio victims the greatest possible chance for recovery.

"The 'rocking bed,' the top of which resembles an ordinary hospital bed, is mounted on electrically controlled rockers which see-saw the bed up and down at a regulated rate," Dr. Wright explains. By adjusting the rate and degree of the see-saw movement, respiration can be varied and, Dr. Wright says, "many patients whose breathing muscles have been paralyzed can once more take live-saving air into their lungs without being enclosed in a cumbersome iron lung."

The "rocking bed" is not intended to supplant the mechanical respiration which may always be needed for severe chest paralysis, Dr. Wright states. Its function is to help patients breathe outside the iron lung for gradually increasing periods to hasten progress toward independent breathing. Fuller treatment benefits of nursing and physical therapy care are assured by its use, Dr. Wright says, and, in addition, the bed's gentle, see-saw motion aids circulation and thus prevents many of the secondary complications which may arise when a patient is confined to a limited position in an iron lung.

"During the five years of the 'rocking bed's' trial," Dr. Wright reports, "doctors have become convinced that the bed makes it possible in many instances to save the patient from use of the iron lung or to limit the patient's time in the tank respirator. Treatment procedures are much easier. The patient also enjoys the freedom that the bed affords him; feels less restricted and benefits psychologically as well as from the results of better circulation."

Since the first patient experienced the see-saw treatment of the "rocking bed" in 1946, Dr. Wright states, "other polio patients with breathing difficulties have been helped by transferring them from iron lungs to 'rocking beds' for increasing periods of time, thus weaning them away from dependence on the mechanical respirator. The National Foundation for Infantile Paralysis has provided funds for using and testing the new apparatus."

In addition to its proven usefulness to polio patients with respiratory paralysis, Dr. Wright says the "rocking bed" will also be valuable for patients suffering from poor blood flow, some heart conditions, arthritis and other medical and surgical problems.

The Sunlit Fields

The fields are sun green
So we walk through light
Down the bright grass into the open.
Sun-spattered the birds glide,
The small oars of the grass sway
In their green oar locks.
What is written here
On grass, on meadow, on vale,
Is a happy sentence.
What is being sung is pure music
Simple, eloquent, sun soft
In its cadence, its coda.
What is being said is nothing
For we are silent in such beauty.
Glad enough to walk the sunlit fields
And made no speech at all
During this golden moment of gold green.
—Harold Vinal.

Dope and Dopes

The exposé of drug addiction and dope peddling among school children of New York City is heart-sickening. Suburban to the great metropolis. Belleville is concerned because the terrible traffic in narcotics is no monopoly of the congested cities. We must not blind ourselves to the reality of the menace by echoing: "It cannot happen here." It is shocking that juvenile drug addiction has grown to its present proportions without the teachers and public school authorities and the New York police putting their finger on the crime. Is it a consequence of more crime among those charged with the responsibility of law enforcement? Is it incompetence by teachers and school officials? Is it an unpardonable blindness by parents who have lost all control over the adolescents?

Apparently, the blame is divided, but there is yet time to stamp out the criminal parasites who exploit this weakness for profit. Behind every schoolboy or schoolgirl who smokes a "reefer," snuffs "H" or has reached the stage of the "mainline" addiction, there is the retailer, the middle-man, the big shot who grows on the moral degeneration of the teen-ager and, behind them all, the smuggler.

The law is notoriously weak. There is nothing in the code severe enough to punish the cynical criminals who are guilty of the moral assassination of our youth. As a first step, catch the criminals; as a second step, stiffen our laws and provide life sentences for those who breed this pernicious evil.

Here in Belleville, we can protect ourselves against this shocking peril through any or all of three mediums: our teen agers themselves can stamp out addiction by scouting the dope-peddlers and reporting them to the authorities; our parents can exercise a surveillance of their own youngsters and the signs of addiction are so plentiful that it would be a blind parent who did not find evidence of narcotics; and, finally, our teachers and our police of whom the protection of our youth is a major responsibility. It is a battle to test us all, a battle we must not lose.

More—and More—and More

From 1789 to 1933, when Frank Roosevelt first took office, the government spent \$112,203,367.065.

By 1945 the FDR Administration, Blue Eagle, New Deal and all, had spent an additional \$372,235,200,271.

During the past six years under Harry Truman the Fair Deal government has spent \$266,077,122,624.

The budget and authorizations requested

by Truman for the fiscal year beginning July 1 now total nearly \$100,000,000,000.

The Truman Administration still has another request to make, for the fiscal year beginning July 1, 1952.

At this rate, the Truman Administration, even without a total war, will spend more in eight years than FDR did in 12.

At this rate, the Truman Administration will spend almost as much as the grand total of all other administrations combined from the time of George Washington!

The New Superintendent

In the opinion of a majority of the members of the Board of Education the right man to serve the public school system as its supervising principal is Evan H. Thomas, general supervisor and assistant superintendent of Belleville's schools for the past six years.

Undeniably, Mr. Thomas' educational background is excellent. He attended Lafayette College on a four year state scholarship won in competitive examinations, and was graduated with a bachelor of arts degree among the highest 10 of his class. His advanced training in public school administration was obtained at Columbia and Rutgers Universities, where at present, having completed successfully all curriculum and examination requirements for a doctorate degree, he is preparing a thesis.

Mr. Thomas' educational experience includes teaching at one of the finest boys' prep schools in the country, public high school teacher, serving as a high school principal, as a supervising principal, and as assistant to the school superintendent of Belleville; a total of 19 years' experience. His teaching experience also includes instructing war training students at Temple University in the field of psychology and personnel administration. For three summers he was a member of the graduate school staff of Montclair Teachers College, where he taught advanced educational psychology, child psychology, psychological testing and vocational guidance.

As a civic leader, Evan Thomas has been a willing collaborator. In his six years he has been actively associated with every worthwhile civic project. He has given three years to the Boy Scout movement in the top post of scout commissioner. After having served as a member of the Community Chest board of trustees, he is presently serving as its president. Last year he headed the local drive of the Lutheran Memorial Hospital which surpassed a \$100,000 goal.

Professionally also Mr. Thomas has proved his leadership. In his present position he pioneered in, and, with dogged determination, set up a program that has proved its worth. The Belleville Teachers Workshop, which he organized four years ago, is today an in-service teacher training program second to none in our state. Completely on a voluntary basis 75 teachers are meeting periodically throughout the school year to consider various local professional problems as members of study groups. Local workshop representatives attending a Columbia University Institute this spring returned with glowing reports of opinions on our workshop expressed by non-Belleville teachers and administrators who recognize in our school program something of great professional value.

Mr. Thomas owns his own home at 153 New Street, living there with his wife and two children, the latter attending our public schools. He has always taken an active role in church work, at present serving a second term as an elder of Fewsmith Presbyterian Church.

We recognize the fact that it was a difficult decision to make in view of the fact that there were other well qualified candidates for the position, nevertheless we feel that in Evan Thomas, educator, author, civic leader, church man, the board has made an honest selection. The board must now give full backing to the man of its choice and in school affairs the less political pressure the better.

ONE MAN'S OPINION . . .

A Lot of Johnny-Come-Latelys Want to Write Our Peace Treaty With Japan Based on Victory Our Blood Won

By RALPH E. HEINZEN

When the fighting was hottest and hardest in the Pacific, in the long slugging match at Guadalcanal and later in the fierce battling of the Gilberts and the Marshalls, Saipan and Tarawa, the reconquest of Guam and the Philippines, America fought alone.

There was no powerful ally by our side in those days. Russia could not make up her mind to get into the war until a week or so before Japan surrendered. France and England were busy at home, too busy to see as far as the Pacific. Nationalist China fought a guerrilla war against the Japanese, but 99 per cent of the fighting was done by Americans.

Now that it is time to write the peace treaty with Japan, every Tom, Dick and Harry wants to get into the act. Strangely, none of them is on our side. London and Paris agree with Moscow that we should invite in Red China as a participant. Where was Red China at Guadalcanal or Iwo Jima or Okinawa? Where were the French, the British, the Russians, for all that? Only the Philippines, which did fight beside us in one phase, stands with us today.

One thing is certain, this time Moscow's maneuver to stall the peace treaty is not going to succeed. Washington is going right ahead with as many powers as will follow her.

The United States wants—and undoubtedly will get, since it sits alone in the driver's seat—is a series of bilateral peace agreements with Japan, all fitting into a generally pre-arranged framework. There would be a United States-Japanese agreement, a Philippines-Japan bilateral pact, a trilateral Australia-New Zealand-Japan accord, and others directly between Tokyo and Moscow, London, Paris, The Hague and dozens of lesser capitals. Washington would not object, if Tokyo is willing, for Japan to make separate peace arrangements with both Nationalist China and Red China. The only complication to that is that both want Formosa which the Cairo declaration said was to be taken from Japan and restored to the Republic of China.

Plenty of Disagreement

And what do the others want? Soviet Russia made her position clear in a recent note. Stripped of its verbiage, the Russian demand is that the first draft of any treaty with Japan must be written by the Soviet Union, Communist China, Great Britain and the United States. Stalin would ban both Nationalist China and France. Only when the Big Four had finished their peace draft would all the others be invited in to pass comment. The fly in that ointment is that Russia insists upon her right of veto. Can you imagine a draft treaty coming out of a meeting of Red Russia and Red China, Britain and ourselves? Two or possibly three vetoes stacked against us.

Britain's position was outlined to John Foster Dulles in London a week ago on this basis: It is not to be an all-out peace, but a partial peace. Japan would not get full sovereignty, but the Far Eastern Commission would remain in Tokyo as a watchdog to maintain a degree of Allied control over Japan. Britain, until now, is adamant in her demand that Red China be admitted both to the treaty talks and to the Far Eastern Commission which already includes Red Russia, Nationalist China, United Kingdom, United States, France, Netherlands, Canada, Australia, India, New Zealand, Burma, Pakistan and Philippines.

French Are Practical

French policy must be reshaped as a result of last Sunday's legislative elections which will have an important bearing on future cabinet construction. Until now, however, France has sided with Britain and Russia against us in demanding the seating of Red China. France also has filed a

Commission plus other directly interested countries, notably India, China, Ceylon and Korea.

Since the revised draft actually is very little changed from the proposed United States draft recently circulated to these same countries, it is expected that they will be able to react quickly with their comments.

Following the circulation of the draft it may be made public and it will be circulated to all the countries that were at war with Japan—a group including many European and Latin American nations—not so directly concerned with Japanese policy as to have been members of the Far Eastern Commission.

Why Not Pearl Harbor?

Assuming that no great difficulties arise in this process, the nations that were at war with Japan may be asked to a signing conference in middle or late August. That would be a purely formal meeting since all the negotiation of the treaty would have been completed through diplomatic channels. Officials said there had been no determination of where a signing conference might be held but informal discussion had concerned such places as Washington, Honolulu and Manila. It will be up to Russia to decide for herself whether or not she will be at that meeting. As for Red China, there is not a ghost of a chance of her agents coming. This is going to be a peace conference, not just another Communist comedy.

The Chinese enigma may be settled ungracefully by Britain agreeing to proceed with drafting the treaty without either Chinese faction being present, letting Japan later make settlements with whichever Chinese regime it wants to, or both. That will save London's face, since obviously the British government, having recognized the Peiping Red regime too hastily, cannot back down and deal with Chiang Kai-shek now.

Such a maneuver would put the Kremlin on the spot because Russia would then be obliged to negotiate directly with Tokyo and one of the difficulties there would be Russia's grab of Port Arthur and Japan's southern half of Sakhalin peninsula and the Kurile Islands which we conceded to Moscow in return for Russia's entry into the war. A peace treaty between Japan and Russia would have to carry Japan's consent to the severance of those possessions from

Rodino Announces First Tests For West Point

Representative Peter W. Rodino Jr. announced today that a preliminary civil service examination for designation to the United States Military Academy in 1952 will be held July 2 at post offices in his district, which embraces Nutley, Glen Ridge, Kearny, Harrison, Bloomfield, Belleville, Borough of East Newark and Wards 1, 2, 4, 5, 8, 11 and 15 in Newark.

The Congressman stated candidates must be legal residents of the 10th District and must have reached their 17th but not their 22nd birthday by July 1, 1952. Applicants who wish to take the examination should write immediately to him at Room 1607, House

Office Building, Washington 25, D. C.

The results of the examination next month will be used as the basis for selecting nominees to take the regular Military Academy examination next Spring.

DICK: "Think we can live up to all this grandeur, darling?"
ANN: "We may not use all the silver or the complete dinner service, but we'll use these electric appliances. We can afford to run them, can't we?"
DICK: "We surely can. We've been figuring expenses ever since you said 'yes'. Rent, and food, running the car, cost of commuting—seems the only thing that hasn't gone up is electricity."

REDDY: "That's so. I'll do a lot of work for her for a few pennies. That's how brides stay beautiful. Where could they get so much for so little? Prices on other things may go up, but my charges, as an electric servant, have been downward over a long period of years."

PLAN HOLY YEAR PILGRIMAGE FOR TREAT SCOUTS

Will Visit Own Church First and Then Gather At The Newark Cathedral

Rev. Thomas G. Smith, area chaplain for the Robert Treat Council embracing Boy Scout troops from Newark, Irvington and Belleville, has announced that a Holy Year Pilgrimage will be made by the scouts on Tuesday. Plans call for each troop and its leaders to make the first of the required four visits at their own church. After services there they will meet other scout units at St. Patrick's Cathedral at 1:30 p. m. Scouts will march in a body to two other churches following their visit in St. Patrick's. The pilgrims will return to the Newark Cathedral for the closing ceremonies. Pilgrimage booklets will be distributed to the scouts.

1ST AREA PASSES QUOTA IN CEREBRAL PALSY FUND DRIVE

Millburn-Short Hills Division May Exceed Mark By \$1,000; Other Towns Doing Well

Communities in Essex County are making good progress in reaching their individual quotas in the current drive for funds for the Essex County Division of the Cerebral Palsy League of New Jersey, it was announced yesterday by William J. Jernick, Mayor of Nutley, who is general chairman of the drive.

The quota for Essex County is \$141,227; with the major portion of the funds to be used for the maintenance of the Treatment Center maintained by the League at Summer Avenue School, Newark.

Mayor Jernick pointed out that many towns were late in getting their drives started this year, and consequently the final results of

the county-wide drive will not be known for several weeks.

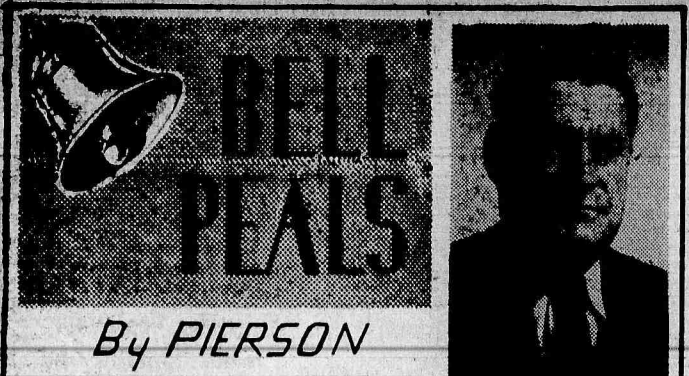

Well Over Mark

The first area reported to have exceeded its quota was the Millburn-Short Hills division of the county-wide drive, headed by Mrs. A. E. Thevenet of Millburn, and Mrs. T. A. Smith of Short Hills. Mrs. Thevenet reported that although the quota for the district is \$1,730, receipts have reached \$2,200, in incomplete returns. When final returns are in Mrs. Thevenet stated the total should be approximately \$2,700.

Other towns making excellent progress are Belleville, Irvington, South Orange, Maplewood, East Orange, Orange, West Orange, Montclair, Glen Ridge, Bloomfield, Nutley, Verona, Cedar Grove, Roseland, Essex Fells, and the Caldwelles.

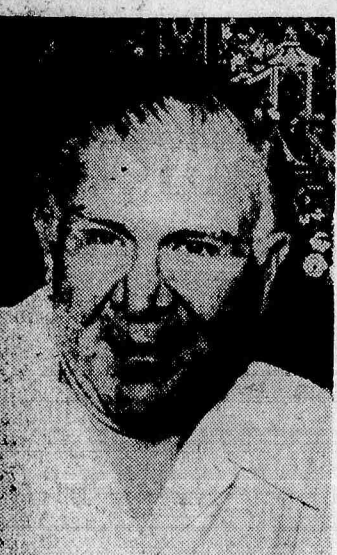

Bicycle Stolen

Buster Lester of 224 Washington Avenue told the Belleville Police on Saturday that someone had stolen his bicycle from a shed in the rear of his home, sometime between 10:30 Friday and 7 o'clock Saturday morning.

MR. FISTICUFFS HIMSELF

A man must either love his work or be married to it to stay at it for more than 30 years, and such a man is Belleville's own Thomas Joseph Culnan, more popularly known as "Babe," the matchmaker at the Meadowbrook bowl.

He had the pleasure of talking with Babe Culnan and his attractive and once famous wife at their home at 38 Overlook Avenue and came away with the conviction that "Babe" would not trade his job for anything in the world.

The Belleville fight promoter, with Willie Glitzenberg and Bill Patterson, are partners in the Meadowbrook Bowl Corporation and in several other enterprises of the squared circle. These include the management of Tony Galento, now in Europe, where he is working with great success as a wrestling referee, but beefing that he's taking more of a licking and getting more bruises than when he was fighting.

MET MANY FAMOUS PEOPLE

"In no other field that I can imagine does one have the opportunity to get around and to meet the finest people in the world. I have shaken the hands of presidents and princes. Some of the finest gentlemen it has ever been my pleasure to deal with have been fight managers. In this regard I do not speak of the rank and file of the present generation, but like to think back 20 years ago when the best managers and the best boys in the business would agree to a show without the formality of a signed contract, often agreeing by phone, and always showing up. That group of managers knew the business and the boys and as a result the fight game prospered."

MRS. CULNAN A SHOW STAR

The "Babe" was born and grew up in Albany, where he used the "Babe" in amateur fights, usually on the program with Jim "Butch" O'Hagen, who became a great middleweight fighter. Newark and its environs gained "Babe's" services after he met the present Mrs. Culnan, then appearing in vaudeville as Alice Morley. It was on a visit to her home in Newark that he decided to stick around these parts. Before and after their marriage, Mrs. Culnan appeared in "Vogues" with Fred Allen, in "Flying High" with Bert Lahr and played a solid year at the Hippodrome in London in the co-starring role in "Hit the Deck."

ONE OF FOUR HORSEMEN

It was after this show closed that the Culnans came to Belleville in 1927 and have lived here since. They had just arrived home from London, their furniture was in storage, they had no apartment, so naturally hunted up "Babe's" brother-in-law and sister, Mr. and Mrs. Joe Donovan, then sports editor of the Newark Ledger and living in Fairway Avenue. Later the Donovans bought the two-family house in Overlook Avenue and the Culnans moved in as tenants.

ONE OF FOUR HORSEMEN

After arriving in Newark "Babe" Culnan became associated with Jackie Clarke, a famous bike rider, who owned a cabaret and cafe in Newark and there became acquainted with Nick Kline, Harry Blaufuss and J. Frank Black, who formed the syndicate known as the Four Horsemen, to promote boxing in the Newark Armory. "Babe" became the matchmaker and has been doing the job ever since.

LOUIS GREATEST HEAVYWEIGHT

Speaking of the present state of affairs in the boxing industry, "Babe" says, "As long as I can remember I have never seen boxing reach such a low ebb as it has today. This is due to many things, but principally to physical matters. First of all, parents are more insistent upon their boys getting an education and as a result mentally they are better developed, but physically they are weaker. We have soft foods that puts on weight, but not muscle, and cars which make legs something to use to get in and out of vehicles. Then when a real prospect comes along, those behind him shove him so fast after that almighty dollar that he never has the chance to develop naturally and to the best advantage. Only the very best can survive in this turmoil; that's why has-beens like the present crop of heavyweights can remain topnotchers."

"But the best fighter for my money was the late Harry Greb. He could be counted upon to put up a real scrap every time he entered the ring."

EUROPE HAS GOOD FIGHTERS

"For the first time in history Europe has a better bulk of fighters than has the United States. True, there is no one over there who can lick Sugar Ray Robinson, but among the rank and file there are more potential headliners than can be combed out of this country. Jack Solomons of London, today, is the world's most successful matchmaker. Many of his fights are sellouts weeks ahead of the event. Europeans are turning to sports as a release from war."

TELEVISION MAY SALVAGE GAME

"Babe" Culnan looks upon the television experiment of the Louis-Savold fight as the possible salvation of the fight game. The promoters of that affair got \$10,000 for the television sent by phone lines to eight theatres, who sold seats at reduced rates and packed them in. "Imagine the future of this, with the thousands of theatres all over the country. Television must stand more and more of the promotional costs of such events," "Babe" declared. "For instance at the Fusari-Janero fight on June 7 we took in \$21,500, but

Belleville PAL Crashes Victory Column Behind Eddie Buckley's Finish

The Belleville PAL baseball team won its first game in the PAL League at Riverside Park in Rahway, Saturday, when Eddie Buckley, a 16-year-old from St. Benedict's settled down after a shaky start and pitched a 7 to 3 victory. Buckley gave up only two hits in the last five innings he worked and in that time not one Rahway player reached second base.

Rahway took the lead in the second inning on two hits and an error to score two runs. They scored another in the fourth on a hit and a wild throw. They threatened in the sixth when Cigler walked and Williams hit to right field. Moreno made a perfect throw to Gashlin at third to get Cigler and then when Williams tried to take second he was cut down on a throw from Gashlin to Petti, for a double play.

Three in Fifth

Belleville went down in order in the first four innings but Gashlin walked to start the fifth. Petti lined a single to center and Spera moved both along with a bunt down the first base line. Graziano hit a line single to right to score two runs and took second on the throw to the plate. Nardiello drove in Graziano with a single to left.

The Bellboys took the lead in the seventh when Petti walked and was out stealing. Renson also walked. Buckley struck out Graziano singled to left. Nardiello walked, and Moreno hit a long single to left field to score Renson and Graziano. Nardiello was thrown out trying to go from first to third on the play to the plate.

Two more crossed in the eighth when Del Tufo singled. Weinstein walked, Gashlin moved both along with a bunt. Petti grounded out but Wilkenson doubled down the left field line to drive both home.

Good Fielding Team

Belleville played a good fielding game. Weinstein, Del Tufo and Moreno all have strong arms and Buster Wilkenson, just back from Arkansas University, where he played varsity ball, will be a big help to the young pitchers. Westlake will be out of action for a month with an injured left arm, hurt when he fell rounding second base.

Belleville will play the New Providence PAL on Wednesday evening at the Stadium. Thursday the PAL will go to Park Oval, Nutley to play the American League of that town in the first game of a series. Sunday Belleville will travel to New Providence for a return game. Bob Mallack will start Wednesday night, Bob Dilworth against Nutley and McConnell going against New Providence on Sunday.

with a 20 per cent federal tax and a 10 per cent state tax the show broke even. You'd think a promoter would deserve 10 per cent for his efforts, but it wasn't there.

"In fact, if I had only 10 per cent of the taxes I have paid to Uncle Sam on our fights, I'd be a millionaire several times over. Theoretically, the fan pays the tax, but other than in New York City, that is not a fact. Before either of these taxes were imposed we found that our tops for regular shows were one, two and three dollars. Today, our tops are still one, two and three dollars. If we try to stick that extra 30 per cent on the public, the fans stay home."

Good Show, Good Crowd

"In my matchmaking I have always found that if you can book a real attraction you can get a crowd. If there is a reason for two men to climb in the ring to face each other, you have an attraction. The late W. L. Stribling was always a good attraction. He was a fighter, but his folks were promoters. At first he arrived in town in his private bus. Later it was his private plane that brought him to town. The fans liked that and liked Stribling."

"I booked Louis Angel Firpo for his first and last fights in the United States and the Wild Bull of the Pampus

BOMBERS NIP LATE ACES RALLY TO WIN LITTLE LEAGUE TILT

Own Guns Spiked By Brilliant Double Play By Jack Cullen In Game With Demons

It's not going to be a pushover for any team in the Little League to run away with the crown, as games so far have shown. The Aces, who took an early lead, still are in front but their record has been sullied by a 2 to 1 defeat administered by the last place Bombers on Monday night. In the other game the Demons registered a 5 to 1 victory over the Bombers. Rain caused the postponement of two other games. Bruce McCumber for the Bombers struck out ten Aces in a six-inning game. He walked three and allowed four hits. A triple by Tom Reid of the Aces was the game's longest hit. McCumber was in trouble in the last frame when the Aces had the bases loaded, but scored only one run, when a neat play nipped the second tally at the plate for the final out.

The first double play of the league season, stopped what may have been a rally by the Bombers in their game against the Demons. With no outs and a man on first, Shortstop Jack Cullen took a ball near second, stepped on the bag and threw to first. Except for the

Suffers Six Flat Tires In Baltimore Road Race

Ray Frate of Belleville, set some sort of record in the 40 mile road race sponsored by the Baltimore American, at Paterson Park, Baltimore on Sunday, when he suffered six flat tires, and as a result failed to be included among the finishers. A flat tire in the first sprint was an inkling of what was to come, and despite the fact that the course was swept after this first accident, Frate and other riders continued to pick up small glass splinters during the grind.

Wrestling Profitable

While fighting is "Babe" Culnan's love, he probably makes more money on the wrestling shows he puts on every Friday night, at the Laurel Garden in the Winter and the Meadowbrook Bowl in the Summer, than he does out of the fight game. "One thing about the wrestlers, they never die broke. They don't put on the flash. They must keep in condition and they work so steady that they don't have time to spend their money."

"You have to get the feel of the public to put on a successful show," "Babe" says. Belleville has the right feel for "Babe."

MOTOR BOATS WILL RACE ON PASSAIC IN TWO DAY EVENT

Newark Motor and Yacht Club Will Stage Programs For Inboards and Outboards

The Passaic River banks will resound once again to the roar of racing fans as the Newark Motor and Yacht Club presents its 44th Annual Regatta on Saturday and Sunday, June 23rd and 24th.

The events of both days will take place on the river at the Club located on Riverside Avenue at the foot of Grafton Avenue, Newark. There will be no admission charged and the public is invited to view the events on the program scheduled to start at 2:30 p.m. on both Saturday and Sunday.

The program will be divided into two parts. Cruisers and inboards will hold forth on Saturday afternoon with a full program of races planned for both classes. The outboards will take to the waters on Sunday and in addition a program of aquatic sports has been arranged.

The Club's entertainment committee, headed by Vincent Umstot of Newark, will hold a dance open to the public on Saturday evening starting at 9:00.

Among the guests at the racing activities and the dance will be Bill Schindler, Mike Nazarek and Joe Chivovod of Indianapolis fame and Tippsy Larkin of Greenwood Lake, junior welterweight champion.

There will be swimming, ball playing and all types of games. Commissioner and Mrs. Elmer S. Hyde, director of the Recreation Department, will be guests for the day. The program is under the direction of Mrs. Arthur Tirico.

Child's Leg Broken In Moore Place Accident

Three-year-old Nancy Caruso, daughter of Mr. and Mrs. Fred E. Caruso of 68 Moore Place, suffered a broken left leg, Saturday while playing in front of her home. According to a report made to the police she ran off the curb into the right side of a car owned and driven by Charles V. Kase of 10 Wilber Street. Nancy was taken to the Columbus Memorial Hospital by Patrolmen Edward McLeod and John Hanley, where she was given emergency treatment by Dr. Padavano and then held for the setting of her broken bone.

ST. ANTHONY'S HIT WIN COLUMN ON DOYLE'S HURLING

Beat Blessed Sacrament 12 To 2; Play Sacred Heart Next; St. Peter's Booked

St. Anthony's wasted little time with the Newark nine and picked up four runs in the second frame. That was followed by a five-run outburst in the third. A pair of runs in the fourth and a lone tally in the sixth were just so much icing on the cake.

Bobby Doyle, who lost his first start by allowing 10 bases on balls in the last two innings, was back on the hill. This time he struck out 12, walked only three and allowed only four hits. The game's only extra base blow was a 275 foot drive by Roger Guglielmi good for only two bases as a result of some fast fielding.

This Sunday St. Anthony's will be in action against Sacred Heart, Vailsburg, which eked out a 3-2 win in its last outing. That game will be played at Watessing Park at 1 p.m. In another contest St. Peter's will clash with St. Stanislaus, Newark, at Branch Brook Park. Game time is also 1 p.m.

Hillside Park Was Mecca For Town's Young Folks

The Park's Prosperity Lasted About Score Of Years; Only Pavilion Remains

Out in the north end of town, where man-made fog floats over Washington Avenue every day, only the pavilion of the once famous and fabulous Hillside Park still remains. Today's daily fog would be enough to drive the place out of business, depending as it did upon fine weather in which fine feathered women and their escorts could spend their holidays. A clear Sunday during the park's heyday would bring out as many as 10,000 people, most of whom arrived from Newark and its environs by way of the Paterson trolley line, which ran on both sides of the dirt road which is now Washington Avenue.

Picnic Grove

Hillside Park's span of prosperity lasted about 20 years, growing as it did at the turn of the century from a picnic grove adjacent to a saloon. A few swings and a dance and picnic pavilion were followed by all sorts of amusements, including the man-made but spring fed lake, which was one of its most popular attractions. Row boats rented by the hour proved the proposal vehicle for many a young man and lady of that day, and some people say that about half the Belleville brides of that era said "yes" during a cruise of the lake, following a whirlwind spree on the merry-go-round and roller-coaster. Perhaps some of them even realized that they were getting easy marks after they saw how much money the boy friend was willing to spend to get them a kewpie doll on a wheel of chance, or by rolling or throwing balls in the various booths which lined the midway.

Dance Hall Remains

Perhaps it is justice that one of the most popular and earliest of the park's features is the only building still standing. It wasn't so many years ago that the few remaining rides, then operating as Riviera Park, were torn down to make room for homes, but the old pavilion, remodeled, has long held its own as one of the pioneer roller rinks in this area.

Hillside Park, like Topsy of Uncle Tom's fame, "just grewed." Because Thaller and Crowley Saloon and Picnic Grove was a popular place for outings of the volunteer firemen and fraternal organizations, alert promoters installed one nickel snatching device after another on the grounds and gave it the name Hillside Park. Wild animal cages lined a whole block

Park Lake Has Long Since Disappeared

Nothing remains of this lake in Hillside Park, featured on a 1903 post card supplied us by Thomas H. Ward of 156 Mill Street, meter reader in the town water department. Even the name has long since disappeared, having been succeeded by Riviera Park and more recently by a housing development.

along what are now Ploy and Beach Streets.

Balloon Ascensions

Long before the Wright Brothers took the forerunner of today's jet jobs into the air, weekly balloon ascensions were made from Hillside Park. The balloons were placed over a pit in which a fire had been built and were filled with hot air and considerable smoke. Some carried baskets underneath. All had parachute releasing devices.

These balloons were at the mercy of the winds, but were partially controlled by the balloonist who would tip them and let some of the hot air out when he wanted to descend. There was a lot more luck than skill with a lot of them, and a horse and carriage invariably set off in the direction the balloon was blown in order to bring back the operator, if not the balloon itself. A one-armed balloonist even flew the coop with one, turning up later in a side show at Delaware.

Firemen's Outing

It was a real occasion at Hillside Park when the Belleville Volunteer Fire Department held its annual outing there. Invariably the Veeps hired Riley's Band to play at the dance hall, and no more popular band ever played there. Professor Riley was employed at the Heller Brothers File Works, as were most of the musicians. They did their practicing in a loft on the top floor of the fac-

tory, just over the Belleville line in Newark. Ralph Flanagan, today's current "hot number," had nothing on Riley, who could play a waltz with as much zest as a march for the annual Fourth of July parade.

There were no movies to compete with Hillside Park for the coins of its customers. And even though they came in later, they had little or nothing to do with the park's loss of popularity. In

HERDMAN'S WILL DEMONSTRATE NEW POWERGLIDE CARS

Mark Production Of Half Million Chevrolet With New Automatic Shift

Celebrating the production of 500,000 Powerglides, Chevrolet dealers throughout the country have set aside a special period for the demonstration of its Powerglide automatic transmission to the public. According to S. C. Welville, Mgr. Herdman Motiva, 514 Washington Avenue, the activity here will run until June 30.

"Because of automotive shortages that continue to exist," said Mr. Melvale, "Powerglide to many automobile owners so far is merely a name. We have, of course, been able to demonstrate

fact the first moving pictures shown in Belleville were shown in a special booth in Hillside Park. Eva Tanguay once starred in a picture filmed in the park.

After World War I an undesirable element practically drove the majority of the pleasure seekers out. This group was not large enough to support the park, but numerous enough to spoil the fun for others. Changes in name and changes in ownership failed to improve the situation, and by the middle '20s there was little more than part of a fence, a few dull rides and the pavilion, not enough to attract people in the quantities to make the games of chance worthwhile. Without the revenue from the booths the park didn't even last until the depression.

But the memory lingers on!

its advantages to many customers but due to demand, the opportunity to do so has been limited.

"Now, observing a production milestone and an extremely meritorious manufacturing achievement, we are devoting two weeks to demonstrations. We have arranged to obtain an adequate number of Powerglide-equipped passenger cars and will hold them through this period exclusively for demonstrations."

Melville pointed out that Powerglide differs from other automatic transmissions on the market in that it represents a completely automatic "Power Team." Included, besides the revolutionary automatic shift, are a more powerful engine of 105 horsepower and an "Economiser" rear axle.

"The opportunity for mass demonstrations here will show what owners have learned in more than a billion miles of driving," Melville declared. "Even a brief trial will prove that Powerglide-equipped cars are easier and more restful to drive."

"With Powerglide, the car has no clutch. This means the elimination of hundreds of manual operations in the course of an average day's driving. The result is that a driver finishes the day more refreshed and relaxed. A person has to experience the effortless pro-

cess of automatic Powerglide fully to appreciate its advantages. "We urge everyone not acquainted with Powerglide to visit our showrooms during the special demonstration period to find out for himself all the advantages of Powerglide automatic transmission."

Shopping By Phone Can Be Done Evenings, Sunday

New Jersey shoppers have found that a department store's closed doors do not necessarily mean that shopping hours are over. A new method of shopping evenings and Sundays has become a boon for those who have difficulty in finding time to shop in person. Teleservice, the "shop-by-phone" method used by L. Bamberger & Co. for its customers who wish to shop when the store is closed, has proven popular since its inauguration only a few weeks ago.

The Bamberger Teleservice boards remain open until 9 o'clock on weekdays and until 5:40 p. m. on Saturdays. For an extra customer convenience they are open on Sundays from 1 to 5 p. m.

The Teleservice Department has well over 100 trained opera-

tors who will help the customer shop all of the departments in Bamberger's huge store. Each operator is just as well trained in knowledge of merchandise as a salesperson who stands behind the counter.

They may not call it war today but, we don't care what people say. Our boys are fighting just the same though, some folks think it's but a game. The least we can do for Joe is give support to U. S. O. So, if you haven't done so yet, do it NOW and have no regret. Do it NOW... place your order for the wedding flowers... then, later on, you'll have no cause to regret. We will plan beautiful corsages for the Mothers; exciting floral arrangements for the bridesmaids and an enchanting bridal bouquet for the lady of the hour. Tell us what you would like or, if you prefer, we will be happy to suggest ideas. Phone Belleville 2-1686 or drop in at Don's Flower Shop, 266 Washington Avenue.

VACATION BIBLE SCHOOL ATTRACTS 150 CHILDREN

Ministerial Association Project
Is Headed By Robert Holley;
Christian Education Student

More than 150 boys and girls are enrolled in the Daily Vacation Bible School being held this week and next at the Montgomery Presbyterian Church on Mill Street. The school is sponsored by the Belleville Ministerial Association in cooperation with all protestant churches of the community. Mr. Robert Holley of Dover, and a student in Christian education at Bloomfield and Princeton is director of the school.

The group meets for an opening worship in the church sanctuary and then goes to departmental groups for story, songs, outdoor recreation and handwork. An offering each morning is expected to cover expenses of the school. Commissioner Elmer Hyde has provided a recreational leader, who takes each group in circle games and ball games in the play area.

Staff

Those on the staff who are helping in the school are the following: Superintendent of the Kindergarten is Mrs. Ruth Scott. Teachers and helpers in that department are: Mrs. Marion Garcia, Mrs. H. Nees, Mrs. H. Goodenough, Mrs. L. Kleiner, Mrs. E. Woodman, organist, Mrs. A. Leytham and Robert Birrell, cadet.

Mrs. E. Hahn is superintendent of the Primary department and has the following teachers: Mrs. Paul Birrell, Mrs. E. Steffenson, Mrs. Edward Griwert, Miss Muriel Atkinson, Miss Cynthia Cooper, and Cadets Alice Edwards and Betty Hahn.

Junior department superintendent is Mrs. H. Gerber with teachers: Mrs. E. Roschau, Mrs. R. Gould, Mrs. J. Kroth, Mrs. C. Fried, Miss Barbara Clawson, Kathleen Botsford and Des Garland.

Opens at 9:30

The school opens every morning until 9:30 and continues until 11:45, Monday through Friday. A closing program is being planned with exhibition of handwork and feature programs. Pupils may register any time and come for only a few days. It is open to anyone interested, ages four through 12. Transportation is provided by parents from the Westminster Presbyterian, Bethany Lutheran, Christ Episcopal and Wesley Methodist Churches.
