

So What?

The Miss America contestants left Atlantic City on Saturday but that vacation paradise was not without its beauties early this week. In fact Belleville sent four of its finest to that shore city in the persons of Jimmy Lee, Bernard Tinsdale, Harry Winfield and William Finn, all delegates to the state convention of the Patrons of the Republic Association. The brave ones among you can take two steps forward before doubting our word as to the use of the word "Beauties".

David Thaler, 14 of 37 Linden Avenue, is an enterprising youngster who covers a paper route in town, Saturday while making his weekly collection. His bike collided with the side of a car driven by Robert Jackson of 483 DeWitt Avenue in Stephens Street. Mr. Jackson took him to the office of Dr. Barney Schaffer of 431 Washington Avenue. The doctor found that the youngster was unhurt. The car and the bike were also undamaged, so David, claiming his work where he fell off.

Newspapers and newsmen experience considerable trouble on Sunday mornings, getting their papers to customers intact. The daily papers can be rolled up in a way that even when thrown at a porch they won't suffer from a sudden gust of wind and have reasonable chance of escaping from a shower. Not so on Sunday however, when some houses get a scrap drive. On rainy or windy days, the delivery boys would appreciate it if they were given a good idea if householders had a loose brick near the front step so that it can be used as a paper weight. Sounds reasonable, doesn't it?

LEGION TO INSTALL NEW OFFICERS HERE

Post And Auxiliary Will Have Joint Installation In New Legion Home Saturday

The installation committee of Belleville Post 105 of the American Legion, headed by Mr. and Mrs. J. C. DeWitt, will install the following program for the joint installation of Post and Auxiliary officers Saturday, September 13, at 8:30 a.m. in the Legion Home, 621 Washington Avenue. Mayor James J. Tully will be present. The program will include: Ver Hagen's trio will render several selections. The Legion will present its ritual. The Auxiliary officers-elect to be installed by the County Auxiliary are: President, Peggy Parker; 1st Vice-President, Edna Schaefer; 2nd Vice-President, Emma Shand; Treasurer, Julia Heumer; Historian, Helen Laughter; Chaplain, Mrs. William Adams; Sergeant-at-Arms, Sadie Komrad; Secretary, Leonia Kolodny; and Color Bearer, Belle Johnson.

The following officers-elect will be installed by the County Auxiliary: President, Henry Flagg; 1st Vice-President, Clark Clark; 2nd Vice-President, Sheldon Henry; Chaplain, Harold Bates; Finance Officer, Walter Weiss; Ritual Officer, Charles Brown; Sergeant-at-Arms, Warren Johnson; and Sergeant-at-Arms, Thomas Scaraville.

Refreshments will be served by the Auxiliary and everyone

Alice Gillis To Be Graduated From Nursing School Tonight

Miss Alice A. Gillis of 74 Branch Brook Drive will be graduated from the School of Nursing of Eastern Kentucky University at this evening at 8:30 o'clock at Arts High School in Newark.

Miss Ruth W. Williams of 125 Union Avenue, registered nurse and president of the Alumnae Association, will lead the entire graduating class in the Florence Nightingale Pledge, it was announced by Dr. George C. Schicks, director of the hospital.

Professor Richard C. Reager, chairman of the Speech Division of Rutgers University will address the graduates on the topic "What About Your Tomorrow?"

Completes Quartermaster Course
Pvt. Luigi DeRensis, son of Mr. and Mrs. Nicola DeRensis of 211 Valley Street, was graduated recently from the Clothing and Textile Repair course of the Quartermaster School at Fort Lee, Virginia. DeRensis entered the Army in March.

REPUBLICANS HEAR CANDIDATES AT HEADQUARTERS

Alexander Maturri Urges GOP Congress For Eisenhower As President; See Gen. On TV

More than 125 people were in attendance Thursday when the Belleville Republican County Committee opened Eisenhower-Nixon Headquarters at 133 Washington Avenue. Rudy Zoeller, town chairman acted as master of ceremonies and reminded those in attendance that it is their headquarters and that they should feel free to bring their friends at any time.

Alexander Maturri, candidate for representative from the Tenth Congressional District, delivered the dedication address. He reminded those present that the party has a two-fold task of electing Dwight D. Eisenhower president of the United States, and furnishing him with a Republican Congress to make sure that he can live up to his commitment. Maturri urged a registration drive to get as many eligible voters enrolled as possible before September 25, and then see that the voters get to the polls on Election Day.

D. G. Douglas, a candidate for election to the Essex County Board of Chosen Freeholders, also spoke. He was introduced by Mrs. Russell and Elizabeth G. Wright, his running mates.

Mrs. Ruth Fredericks, vice-chairman of the Republican County Committee, reminded those present of plans for the Republican Committee dinner to be held October 24 at Parillo's Restaurant.

Karl's Sales & Service Company of 111 Washington Avenue, loaned the headquarters a television set for the night so that the speakers could be seen and heard.

WOMAN'S CLUB TO HAVE GARDEN MEET

Members Urged To Attend Women's Club Conference At NJC; Reservations Necessary

The Garden Department members of the Woman's Club will meet next Tuesday morning at 11 o'clock at the home of the co-chairman Mrs. William North of 15-Morris Avenue for a day meeting. Members are requested to bring their lunch, also containers and flowers for an arrangement class which will be held in the afternoon.

All club members are urged to attend the New Jersey State Federation of Women's Clubs Fall Conference on Thursday, September 25, at New Jersey College for Women, New Brunswick. Contemporary Club of Newark will co-operate with local clubs by running a bus direct to the college.

Reservations should be made through Mrs. William T. Bryan, celebration secretary, at Belleville 2-6877, no later than September 17. Workshops are planned for the various departments, including the production of a Pan-American Scholarship.

Mark 40th Wedding Anniversary

Mr. and Mrs. Hugh W. Pace will mark their 40th wedding anniversary September 20 with a gala open house celebration. The couple were married September 1, 1912, by Rev. Franklin J. Miller of the Madison Avenue Presbyterian Church in Paterson. Mr. Pace has been affiliated with the Wallace & Tiernan Co. of Belleville for 29 years. He is a member of Fidelity Lodge of Masons of Paterson, Belleville Craftsmen's Club and the Salazar Drill Corps.

Westinghouse Presents Awards Totaling 210 Years of Faithful Service

Martha Zanfrini (left), representing the Veterans' Association at the Belleville Westinghouse Lamp Base plant, looks on as plant manager Harry Fox presents 30-year service pin to John Holzer of Nutley. Awarding their awards are: Joseph Kolinsky of North Arlington, 25 years of service; J. A. Desardins of Bloomfield, 30 years; Orlean King of Newark, 25; Dorothy Burke of Belleville, 25; William Halpin of Orange, 25; Julia Straccia of Nutley, 25; Charles Enderly of Clifton, 25.

SWISS YOUTH'S EXPERIENCES

Willy Hoerni Has Busy Last Week As Rotary Guest

Stormy Seas, Seabrook Farms, Rotary Gift; Hoffmann-LaRoche And GM Visits Past In Review

My last week's stay in the United States of America was as interesting and busy as all the weeks before. After all my visits during these eight weeks I sometimes was a little exhausted. But my last week's sponsor, Mr. G. R. B. Symonds had made such wonderful arrangements for me that I did not have time feeling tired. I spent the weekend over Labor Day at Nemadji Beach in Mr. and Mrs. Symonds' summer house. There is no use telling you how the weather looked like these days as you all know it. The ocean was unusually rough on Sunday and even worse on Monday. I went to the beach, as it was probably my last visit to the shore for a long time. But I did not feel like going in the water, when I saw the colossal waves and felt the strong wind. The beach seemed to be isolated, as there was no single soul to see.

This last weekend did not turn out as I expected it to be, due to the bad weather conditions, but the stormy and rainy atmosphere along the shore was another new experience for me, I would not have liked to miss it.

Seabrook's Farms
For Tuesday Mr. Symonds had arranged a visit to the biggest and most impressive farm on earth, Seabrook's Farms. We started early in the morning for Bridgeton and were shown around in this unique place, the producing fields of the 10 divisions of the farm and the manufacturing processes in the plant. We drove along the many fields of the huge farms, without seeing more than a few samples of the 20,000 acres. In the plant itself, the cleaning and freezing processes take place, only some hours after the products have been collected on the fields. As it was a

very hot and muggy day, I liked to walk through the warehouse to cool off. But was I glad to get out into the fresh air. The temperature being 10 below zero, which is even colder for a Swiss than only with a light shirt.

There was one more thing which impressed me very much, the many different nationalities of workers in this plant.

On our way home we went for a hundred miles ride on the New Jersey Turnpike. What a wonderful traveling on such a road with out any red lights at all.

The Last Rotary Meeting
Wednesday afternoon I attended my last meeting at the Rotary Club of Belleville. I was on the

speaker's list for today and gave a short talk about my impressions of this country and its people. I do not want to publish some of my impressions now, as I shall probably write a more short letter after my safe arrival in Switzerland. At the end of my talk, the Rotary Club surprised me with a most wonderful gift, Mr. Peierls, who had coordinated my weekly programs after M. Hiss had left for his vacation, handed me a very beautiful desk set with a nice inscription of a lovely Shaefer's pen. I should like to thank the Rotary Club of Belleville for this handsome present and keepsake. Let me also express my deep gratitude to all members of this ser-

Youngster Hit Over Eye With Air-Rifle Pellet

Philip Cerza, 9, of 170 Heckel Street, while playing on Memorial Field playground on Saturday was hit over the left eye with a pellet from an air rifle. The youngster was given first aid at the Silver Lake firehouse and taken to Columbus Hospital in a Police car. There Dr. Viscaro, removed the pellet and closed the wound with two stitches. In the meantime, children in the neighborhood volunteered to help police find the gun. One of them did, in the cellar of a barn owned by E. Stefanik. Of course none of the children knew who the owner of the gun was or who fired the shot. Under the circumstances the police destroyed the air rifle.

Approve Student Insurance Study Compensation Policy

Premium of \$1 Will Cover All Supervized Activities; Fire Companies Balk

While the Board of Education at its meeting at School No. 8 on Monday night, endorsed a voluntary insurance plan to cover supervised play for all school children, it also ordered a thorough study of its own insurance problems. The insurance plan is that of the New Jersey Interscholastic Athletic Association, which heretofore covered only those participating in sports. It provides that for a premium of \$1 per year, paid by the parents, a child can be insured up to \$500 against injury in physical education, shop or supervised play. There were several more or less serious injuries of this type in Belleville schools last year. Sports coverage as in the past is done by the police.

The Board of Education members were willing to foot the bill for the insurance but were advised that since the school law declares that the schools are not liable for such injuries the board cannot appropriate funds for the plan. However, they have refused to make it available to parents and act as the collecting agent for the premiums.

Compensation Policy Trouble
Charles Vocum brought to the Board's attention the fact that his compensation insurance policy expired in August and that five other companies have refused to write a new policy. He cited the record of claims for the past three years, one 75 per cent of the premium, the second 80 per cent of the premium and last year 200 per cent. The Board of Education will have to decide whether the Board is covered for the next year under its policy to order a directed risk.

Strike At Federal Labs Settled For 12c Boost

The two day strike of members of Local 447 I.R.W. CIO at the Federal Telecommunications Laboratories in Gardentown, New Jersey, ended Tuesday after a lengthy bargaining session during which the union officers agreed to a 12-cent an hour pay boost for its members. The union originally turned down an offer of 8 cents per hour, either in wage increase or fringe benefits, and picket lines were set up Thursday morning on Sunday, and were not working days so the strike actually took place Monday and Tuesday.

Guest Evangelist

Rev. Edith M. Randolph of Hannibal, Missouri, and Allen A.M.E. Church of Jackson, Miss., will conduct revival services at Little Zion Church, 154 Stephens Street, Monday evening at 7:45 o'clock.

See Strike Prelude At FTR Plant And Views Nutley From Tower; Will Write From Home

club, who have not only sponsored my stay during this summer, but furthermore made such wonderful arrangements for me in this area in order to give me a full impression of this part of the United States of America and its immense industries.

Visit To A Swiss Firm and GM

In the afternoon of the same day, Dr. Mercator, chief chemist of the Hoffmann-La Roche plant, made a tour with me through the many buildings of this Swiss company. It was interesting to learn how the chemical problems are studied in the laboratories and how the production after its solution takes place in the big containers. I spent the evening with a young chemist, Mr. Emil Baros, and attended a talk about Atomic energy. Weapon for peace given by Prof. Hubert N. Alyea of Princeton University to the Roche Research Club.

It was the most interesting and amusing speech I ever heard, and for sure, what impressed me most.

Sears Roebuck To Feature Free Parking Pennies For Patrons

D. A. Bailey, manager of Sears, Roebuck and Company's store in Washington Avenue, Belleville, has announced a new feature in human nature, so much so that for the convenience of his customers he is setting up a large bowl at the entrance of the store and filling it with pennies. The idea is that the pennies are for insertion in the parking meters in the vicinity of the store. The promotion will be one of the features of the 66th anniversary sale being conducted this week. The sale will be one of the biggest in the store's history. The final sales in fall merchandise will be featured in every department. Additional sales help will be on hand to expedite the serving of customers.

Celebrate 50 Years of Marriage

Mr. and Mrs. Crescenzo Marchione of 409 Jerusalem Street celebrated their 50th wedding anniversary on Sunday. The couple are the parents of seven daughters, Mrs. Thomas Perro, Mrs. Harold Messner, Mrs. Marie Perro, Mrs. William Monroe, Mrs. George Constantine, Mrs. Nicholas Gallice and Sister Margaria; followed by a High Mass, Father Blake officiated at the services. Later that day the couple were honored with a surprise dinner held at Parillo's Restaurant, attended by their family and friends. The couple are the parents of seven daughters, Mrs. Thomas Perro, Mrs. Harold Messner, Mrs. Marie Perro, Mrs. William Monroe, Mrs. George Constantine, Mrs. Nicholas Gallice and Sister Margaria; followed by a High Mass, Father Blake officiated at the services. Accepts Instructorship In English At Connecticut U.

Miss La. Vene-Interis, daughter of Mr. and Mrs. William Interis of 65 Baldwin Place, leaves for the University of Connecticut at Storrs, Conn., where she accepted an instructorship in English.

Community Chest Plans Week-End Blitz-Campaign

Budget of \$34,052.20 Includes Sister Kenny Fund as New Agency; Cuts Ties With Newark Campaign Group

When the Board of Trustees of the Belleville Community Chest met Monday night at 333 Washington Avenue to approve a budget of \$34,052.20 for the 1953 fund raising campaign, they set the stage for an all-Belleville drive for the first time in several years. In recent years the Belleville Community Chest has been affiliated with the Newark Community Chest, but this year cut its ties with that organization and will make an all-out effort to raise its campaign goal.

The 1953 Budget shows a new agency, the Sister Kenny Fund, which in previous years has conducted a separate drive here. In addition to making the drive an all-Belleville affair the separation from the Newark Chest will save about \$500 in campaign costs. The Boy Scouts and the Visiting Nurse Association come in for the largest increases, about \$500 for the Boy Scouts and nearly \$1,000 for the Visiting Nurse Association. Other agencies will receive less or only slightly more than they sought last year. The budget follows: Family Service \$17,000.00; Boy Scouts \$5,174.15; United Defense Fund \$2,376.00; Essex County Service for Chronically Ill \$300.00; Visiting Nurse Assn. \$2,850.00; Sister Kenny Fund \$1,000.00; Campaign and Administrative Expenses \$3,615.15.

The 1953 campaign will be the 25th such drive in Belleville but in some respects will show the first innovations. In years, Kenneth D. Smith, deputy police chief, who is campaign chairman, has shown the same thoroughness in his efforts to line up workers as he did when he was coordinator of the 1948 defense drive, when he built up an organization, which even today can be revived at will for the effort in event of an emergency.

With the cooperation of Raymond C. Spross, industrial chairman, Mr. Smith has received the co-operation of most of the town's industrial and union leaders to conduct bench to bench solicitation, a payroll deduction basis, with the Community Chest, sharing with the fund raising organizations in the town's outgrowth. This was the first time that employee subscriptions have been made available. Mr. Smith's efforts have been rewarded by the fact that the drive towards putting the Industrial section of the drive over the top, another innovation will be in the House-to-house campaign, headed by James A. Leonard as chairman and Mrs. Edward A. Leonard as secretary. The campaign has organized their captains in every section of the town for a three-day blitz of the town over the weekend of October 10, 11 and 12. This three-day house-to-house campaign is based on a pledge by the captains to canvass so that no one worker has to call on more than ten houses.

The House-to-house campaign has a goal of about 10 per cent of the total budget, but with the efforts of the captains, it is expected to contribute from each family, the three-day drive should go over the top. Campaign workers will stress these facts: The Community Chest is not a charitable agency but a combination of five voluntary groups, each of which deserves at least a dollar; that one has to give in another community where he works, he should give in his own; the town's budget gets its fair share; that giving once and enough is the spirit of being neighborly.

In addition to the industrial and house to house chairman, Mr. Smith has named the following division heads: Commissioner of Finance, S. Hyde, assistant vice president, Joseph Paul, commercial; William F. Irvine, Jr., professor, W. J. Gluck, government; Evan H. Thomas, schools; C. R. Hensfield, purveyor; Mrs. William F. Irvine, Jr., schools; Mrs. William F. Irvine, Jr., schools; Mrs. William F. Irvine, Jr., schools.

Accepts Instructorship In English At Connecticut U.

Miss La. Vene-Interis, daughter of Mr. and Mrs. William Interis of 65 Baldwin Place, leaves for the University of Connecticut at Storrs, Conn., where she accepted an instructorship in English.

A graduate of Belleville High School, Miss Interis received her Bachelor of Arts degree from Fairfield Dickinson College in Fairfield, Conn., where she will continue graduate studies while teaching.

Swiss
(Continued From Page One)
Professor Alyea not only tried to make the atomic explosion process easy intelligible even for non-chemists, but also illustrated various reactions with many chemical experiments and lecture demonstrations.
Thursday was my busiest day of the week and one of the most interesting of my stay. In the morning Mr. George Symonds took me to the General Motors assembly plant in Lutetia. It was a new experience for me walking along the assembly line and following the process of an automobile. Although we did not run along all the eight miles of the production line, we covered some miles of it. In this assembly work was the fluid production of different make (Ford, Oldsmobile, Pontiac), as well as different types, colors and so on. After lunch Mr. Symonds showed me the Belleville-Nutley section for GM products.
American Broadcasting Co.
We went to New York in the afternoon and visited the ABC at 48th street. Mr. Hamilton, chief engineer of ABC was as kind as to lead us through the various studios.

disco, offices and showed us the nice experience to see the inside of the television operations, as I only was familiar with looking at television so far. It happened in the late afternoon, that I went up the Empire State Building to the third and probably last time. We went to see the ABC station and then we started from the 102nd floor climbing about 50 feet higher or up. We finally reached a platform of only 50 square feet, in the open air. I was surprised to learn that the top of the antenna was still 250 feet away from this place. The view from this "fifth floor" was perfect and it was one of my most impressive experiences during this summer, looking over the homes of almost 15 million people.
At Federal Telephone
Mr. Symonds brought me to the Federal Telephone and Radio Corp., where I was introduced to Mr. Sherwood, production manager. Mr. Sherwood kindly organized a tour for me in this big plant and walking through the different departments, I made more and more and rather strange experience. At regular intervals the employees, especially the girls, made a terrific noise singing and shouting. Most of them used only their voices, a lot of them used their tools and some of them had even special equipment like pipes. This whole demonstration looked to me rather funny and very silly at the same time, as evoked by the best paid actors in the world. I learn from my companion that a strike would start tonight and all the

crazy noise was nothing but a demonstration of strength. The whole scene reminded me very much as a child, that does not get what it wants and therefore immediately starts to cry. As nobody paid any attention to the noise it stopped after a certain time, just as a child does it, but started again later on. The scene was too funny, as I would have liked to miss it.
View from Tower
At noon Mr. Sherwood took me up to the tower, from where I had a wonderful view 300 feet above the ground on Nutley and the surrounding towns. The big parking place impressed me once more looking down to it from this altitude and thinking at the same time at the noisy workers in the plant. Both facts are very astonishing for a Swiss. I had a surprising visit Saturday morning at Mr. Symonds' home by Hubert Schroedinger had spent the summer in Fulton New York and was here by the Rotary Club on the same basis. We made plans for the few days left before our departure and decided to go to Washington on Monday. Saturday evening we were both invited to attend a typical American party, organized by some young girls of the Methodist Church. First of all we started for a treasure hunt, something you only can do in this country, where everybody has a cat. Later in the evening we were looking at a magician's tricks.
Will Write from Switzerland
I am at the end of my weekly report and hope you enjoyed reading my experiences, generously overlooking the many mistakes, as all these letters have been written in School English, in a hurry and

on a foreign typewriter, which differs a little from ours.
Thursday, the 11th of September early in the morning I fly back to Europe and I shall tell you about my home trip and my impressions of this country and the people after my arrival in Switzerland, if you want me to do so.

Engineers
(Continued From Page One)
each organization meeting of the Board of Education. The decision on the relationship between the Superintendent and the District Clerk, grew out of a letter addressed to Mr. Schwartz on August 26 by Iuel E. Daniels, district clerk.
Prompted by Letter
The letter appearing in a stationery describing Mr. Daniels as District Clerk and Business Manager, informed Mr. Schwartz that he is in error in some of his opinions because first of all Mr. Daniels has never been appointed the business manager of the Board of Education and that it is not permissible to have a business manager in an article seven district.
The discussion of jurisdiction prompted Mr. Board Member Walter Loecker to ask Mr. Schwartz to determine whether or not Mr. Daniels' salary of \$9,000 paid him for being district clerk, or is some part of it being paid under the assumption that he also was business manager.
Overtime Pay
Another matter upon which the Board seeks a report from the Superintendent of Schools is what other boards in the county do about the payment of overtime to its custodial force. Mr. Thomas brought up the fact that while the maintenance workers are paid at the rate of time and one half for overtime work, the janitors who average \$1.50 per hour for their normal work now are required to put in overtime hours at \$1 per hour. Mr. Thomas said overtime should not be "fish for one fowl for the other." He recommended that any action taken in this regard should be retroactive to September 1. He also recommended that a closer check on overtime work be made by requiring supervisors to sign in and out of school buildings.
Would Stimulate Food Sales
A discussion of the High School cafeteria was held in a decision to constitute some sort of educational program citing the advantages of buying the Federal subsidized luncheon. Although the list report showed that on an average 63 such lunches were served each day, that did not show the actual number of students who took advantage of the cafeteria facilities to buy milk, ice cream and sandwiches.
Mr. Yocum also cited the sale of the cut-rate lunches. Mr. Yocum has suggested that the menu for the next day be posted in the cafeteria and that larger quantities of food be prepared. For a short time, he said, there may be some food spoiling because of the extra portions prepared but in a short time the quantity will level off.
In an effort to stimulate the improved appearance of the cafeteria due to the summer renovation and said that the new look should inspire better appetites among the students.
A resolution was passed to transfer \$172.20 to the cafeteria account to reimburse it for the cost of serving luncheon to 287 employees of the Board of Education on September 2nd.
Contracts Awarded
Contracts were awarded to the Public Service Coordinated Transport to furnish a bus at \$12 per day to transport children to a special class at the James G. Shaper School, for five buses at \$10 per day to transport students to the High School and for a bus at \$7 per day to transport kindergarten children from No. 9 School to No. 1.
The Board authorized the Atlas Roofing Company to make repairs to the tile roof of School No. 10 at the cost of \$99 and authorized Atkins & Company, Inc., to install Armory green chalkboards in School No. 3's third floor classrooms and No. 5's basement kindergarten at a cost of \$425. The points in question had not been approved by the state board of education when the contract was let for the installation of the other boards during the summer months.

Mrs. Margaret Burke Meyer
A high requiem mass will be offered for Mrs. Margaret Burke Meyer of 57 Union Avenue this morning at 9 o'clock at St. Peter's Church. Funeral will be from the Kierman Funeral Home, 101 Union Avenue and burial will be in St. Peter's Cemetery.
Mrs. Meyer died Saturday at St. Michael's Hospital in Newark after a month's illness. She was 66. Born in Belleville, Mrs. Meyer resided in Orange and Bloomfield for a number of years before returning to Belleville. The widow of Joseph A. Meyer, she was a member of the Rosary Society of St. Peter's Church.
She leaves a daughter, Mrs. Richard Van Riper of Orange; a son George F. Meyer of Belleville; a sister, Mrs. John G. Meyer of Belleville; and a grandson.

George D. Verian Jr.
George D. Verian Jr. of 32 Hillside Crescent, Nutley, formerly of Belleville, died Saturday at Mount Sinai Hospital, Montclair, after an illness of more than two years. He was 62.
A native of Belleville and a resident here for many years, Mr. Verian was in the securities business with Clark Dodge & Co. of New York City and was also associated with other New York Stock Exchange firms before entering the real estate business in Nutley and Clifton.
Besides his wife, Alice Broshann Verian, he is survived by a son, George Robert Verian, a lieutenant in the 44th Infantry Division at Camp Clarke, Calif.; his parents, Mr. and Mrs. George D. Verian of 57 Stroudwood Avenue; three sisters, Miss Loreta D. Verian of the Belleville address, Mrs. Mary Hayden of St. Petersburg, Fla., and Mrs. Helen G. Peeney of Belmar; and a brother Frank R. Verian of 128 Washington Avenue.
A high requiem mass was offered at St. Mary's Church, Nutley, on Monday and interment was in Inmaculate Conception Cemetery, Montclair.
Albert Ferraoli
A solemn high mass of requiem was offered for Albert Ferraoli of 47 Mitchell Street in Holy Family Church, Nutley, on Saturday. The funeral was from the De Capua Funeral Home, 269 Mt. Prospect Avenue, Newark. Interment was in Holy Cross Cemetery, North Arlington.
Mr. Ferraoli died September 2 in Kingsbridge Veterans' Hosp.

tal, New York, after a long illness. He was 59. Born in Newark, he was a resident there until moving to Belleville 19 years ago. A retired truck driver, Mr. Ferraoli had served in the U.S. Army in France during World War I.
Surviving him are his wife, Mrs. Jennie Lordi Ferraoli; a daughter, Mrs. Marie Chumak of the Belleville address; two sons, Carl and Nicholas, both of Nutley; three brothers, Joseph and Nicholas, both of Newark, and Harold Ferraoli of Harrison, and three grandchildren.

What's the MOST SURPRISING THING about this BUICK?

WE'LL tell you the answer to that one - it's the figures on the price tag.

For some reason, lots of people just can't believe they can buy a Buick at a price so close to "the low-priced three."

Maybe it's because a Buick seems so much better and bigger.

Maybe it's because they think Buick has so much more power and room - which is true.

Maybe it's because so many distinguished people own Buicks - which is also a fact.

But the fact remains - if you can afford a new car, you can own a Buick - so let's see what you get.

You get the thrilling power of a Fireball 8 Engine, that's a gas-saving high-compression valve-in-head - as much power as you can get in cars costing \$300 to \$400 more.

You get as much room as you'll get in cars costing hundreds of dollars more.

You get a ride that cost an honest-to-goodness million dollars to develop.

You get the silken smoothness of Dynaflo Drive.

You get big-car comfort, styling, durability.

Don't take our word for it. Come in and see for yourself why so many folks are stepping up to this great car this year.

Equipment, accessories, trim and models are subject to change without notice. *Standard on Roadmaster, optional at extra cost on other Series.

SURE IS TRUE FOR '52 -

WHEN BETTER AUTOMOBILES ARE BUILT WILL BUILD THEM

Miss Simpson Returns From Stay In Artists' Paradise

Belleville Art Supervisor Spends Esthetically Rewarding Vacation in San Diego Studying Water Colors With Noted Artist; Visits Art Colonies

Miss Helen Penny Simpson, an art supervisor of Belleville's elementary schools, is home again after a summer of artistic achievement spent in refulgent areas abounding in panoramic vistas. An artist's dream was her vacation in our western states.

A major highlight of her trip was her stay in San Diego with her sister and brother-in-law, Major and Mrs. Sam C. Roach Jr. Here she was afforded an opportunity of studying water color painting with James Couper Wright, noted painter, who was an instructor at the summer study classes held at the Fine Arts Gallery there.

Her folio of water color paintings bears testimony to the success of her study and concomitant field trips in that colorful region.

Miss Simpson's return trip was marked by visits to the famous New Mexican artist colonies in Santa Fe and Taos which she found to be most esthetically gratifying. Further travels took her through Colorado, encompassing views of breathtaking Pike's Peak, Colorado Springs, and the Garden of the Gods.

Brownie Troop 12, sponsored by the Sisterhood of Congregation A. A. A. under the leadership of Mrs. I. Goldenberg, will resume meetings next Monday at

the Recreation House, 407 Jaramon Street from 3:30 to 4:45 p.m. Assistant leaders are Mrs. A. Hirschorn and Mrs. A. Kaphor.

Mr. and Mrs. Rudolph Weber of 280 Union Avenue celebrated their 50th wedding anniversary Saturday at Jevitt, N.J. They were accompanied by their three daughters and sons-in-law, Dr. and Mrs. Ray Copeland who arrived from St. Petersburg, Florida, for the occasion; Mr. and Mrs. J. Christie of Montclair, and Mr. and Mrs. A. McPeck of Glen Ridge; and two grandchildren.

Mr. and Mrs. William Sincor of 28 Howard place recently returned from a two-week trip to Minnesota, followed by a week's stay at Belmar.

Two Young Women Who Are Principals In Wedding Ceremonies

Mrs. Nelson J. Landon

Mrs. Robert B. McAllister III

Miss Riker Is Wed In Little Church Around The Corner

Announcement has been made of the marriage of Miss Eleanor Riker, daughter of Mr. Malcolm Dunbar Riker of 65 Overlook Avenue and the late Mr. Riker, to Nelson J. Landon, son of Mr. and Mrs. James N. Landon of 76 Tiona Avenue. The ceremony took place August 27th in the Little Church Around The Corner in New York City, Rev. Orin Griesmeyer officiating.

Mrs. Lewis Pottrinal, the bride's sister, with her only attendant, and Paul Simpson of Belleville served as best man.

The bride was attired in a silver-gray, ballerina-length dress of antique silk with matching accessories. She carried an orchid surrounded by white pom-pom chrysanthemums. Her mother of honor wore a dress of champagne antique silk with dark brown accessories and carried bronze chrysanthemums.

Both bride and groom are graduates of Belleville High School. Mrs. Landon is employed by the Sidney Ross Drug Company of New York City. Her husband is presently serving with the U.S. Navy.

Following a reception at the home of Mr. and Mrs. David Myers of Bloomfield, the newlyweds left for a honeymoon at Martha's Vineyard.

Mr. and Mrs. Ralph Hickok of Ardenbury, Va., announce the birth of a son, Thomas Day, on September 3 at Doctors Hospital, Washington, D.C. Mr. Hickok is the son of Mr. and Mrs. H. P. Hickok of 200 Greylock Parkway. Mrs. Hickok is the former Mary Ann Hickok. This is the couple's first child.

Mrs. Edward T. Cassin of 196 Linden Avenue is entertaining her cousin, Mrs. Edward A. Boyle of Simi, California, for six weeks.

Those interested in pottery, weaving, painting, and sculpture, are invited to sign up for the fall series of the adult Arts Workshop at the Newark Museum on September 22 through 25. The new series will begin on September 29, and will continue through December 11.

Mr. and Mrs. Albert Schickram of 18 South Street marked their 20th wedding anniversary at a dinner party at the For-Hills on Sept. 3. They were accompanied by their children, Grace, Walter, John, and Robert.

Mr. and Mrs. Joseph F. Janiec of 368 Washington Avenue and Mr. Janiec's sister, Miss Mary Janiec of Garfield took part in a celebration of Mr. Janiec's birthday at the Moreque last week.

Pfc. Robert M. Cassin of 196

Linden Avenue recently arrived in Germany to serve with the Tank Corps of the U.S. Army.

Miss Joan Kelson And Robert McAllister III Are Married

Saturday Wedding Held In Belleville Reformed Church; Reception Is At Canary Inn

The marriage of Miss Joan Kelson, daughter of Mrs. Betty Kelson of 199 Belleville Avenue to Robert B. McAllister III, son of Mr. and Mrs. Robert I. McAllister II of 71 West Joralemon Street, Washington, N. J. took place Saturday at the Old Reformed Church of Belleville. Rev. John A. Struyk officiated at the ceremony. A reception followed at the Canary Inn, Delawanna.

Given in marriage by her uncle, Robert E. Bassett, the bride wore a gown of satin and Chantilly lace fashioned with a train. Her fingertip French illusion veil was fastened to a satin Juliet cap embroidered with seed pearls. She carried white roses with an orchid center.

Serving as maid of honor was Miss Anne Comer of 21 Ralph Street, cousin of the bride. Miss Fern Bamford, another cousin of the bride, and Miss Mary McAllister, sister of the groom, were bridesmaids. David Toole served as

best man, and Donald Satterfield and Carl Every ushered. The couple are spending a one-week honeymoon at Vacant Valley in the Poconos Mountains. A graduate of Belleville High School, the bride is in her Junior year at Newark State Teachers College. Her husband was graduate and is a senior at Rutgers University in New Brunswick. He is a student from Washington High School members of the Delta Kappa Epsilon fraternity.

Miss Catherine Stefaneli of 673 Belleville Avenue was guest of honor at a surprise farewell party given by a group of her friends at the home of Miss Rita Carls of 61 Roosevelt Avenue, on August 26. Miss Stefaneli left recently for Kenia College in Kenil Park, N. Y. where she is enrolled as a freshman.

ST. PETER'S UP 52% NUTLEY PAROCHIAL SCHOOLS GAIN 177

New Addition Ready Soon
St. Mary's Dedicated;
Holy Family Adds 7th Grade

St. Peter's Parochial School opened its doors on Monday with an enrollment of 790 pupils, a gain of 52. Space limitations due to the fact that the new school addition has not been completed resulted in a large number of prospective pupils having been turned away. This was especially so in the kindergarten, now in its second year and operating at capacity with 90 children in the two sessions. Some of the classes are a bit overcrowded now, but when the new building is finished in about two months, there will be a reassignment of class rooms.

Each Gain About 90
St. Mary's Parochial School and Holy Family Parochial School, both in Nutley but with Belleville children from the overlapping parish, lines each showed an increase of about 90 children. At St. Mary's where a new six room addition was dedicated on Sunday the enrollment on Monday was 1018 as compared with

931 last year, an increase of 87. Of these about 40 are additional kindergarten children.
At Holy Family two additional class rooms in its almost new building had to be pressed into service to provide for the new sixth grade, in its progressive development. The entire increase in enrollment is reflected in the figure for the new kindergarten class of 89 children. The school enrollment jumped from 350 last year to 440 this year.

Highest Wages Ever for Telephone Operators!

**NO EXPERIENCE NECESSARY...
EARN WHILE YOU LEARN**

The recent increases in wages makes the telephone operator's job even more attractive than it was. Aside from the good pay there are many other advantages to Telephone work. The girls are a wonderful group to work with and the office pleasant and convenient. And, of course, there are paid vacations, holidays, and other benefits.

Even if you're only curious, it would pay you to investigate the opportunities open for you at the Telephone Company.

Call your local Chief Operator—any time—or visit the Women's Employment Bureau, Main Floor, 540 Broad Street, Newark.

Cost Accountants To Conduct Golf Tournament On Thursday

Arnold W. Rhinesmith, President of the Newark Chapter of the National Association of Cost Accountants, announced that the organization will conduct its annual Golf Tournament next Thursday, at the Baltusrol Golf Club in Springfield, N.J.

This Cost Accounting outing, in addition to golf in the afternoon, includes dinner and entertainment in the evening. Prizes will be awarded for "low gross" and "low net" scores. The main event will be the annual competition for the President's Trophy.

Assigned To Alcoa As Part Of Merchant Marine Course

Cadet-Midshipman George P. Brown, son of Mr. and Mrs. John T. Brown of 5 Overlook Avenue, was recently assigned to the Alcoa Steamship Company for the month of September. This is part of a program designed by the U. S. Merchant Marine Academy to give practical application of the principles taught in the Department of Ship Management courses. Upon graduation in August 1953 from the academy, Brown will receive a Bachelor of Science Degree, a license as Third Officer, and concurrent commissions as Ensign, U. S. Naval Reserve, and U. S. Maritime Service.

Demons Win Little League's World Series Crown

Cullen and Pravata Combine in Ten Inning No-Hit-No-Run 1 to 0 Game. McCabe's Clouting Goes for Naught

The pitchers still exercised a big edge over the batters as the Demons of the National League defeated the Aces of the American League in two straight games of the Little League World Series at Clearman Field on Saturday and Sunday. In the Saturday game, Cullen and Pravata combined to register a no-hit-no-run victory over the Aces by a 1 to 0 count in ten frames. League rules limit a pitcher to nine innings so Cullen changed places with his catcher for the final frame. During his nine innings Cullen fanned 20 and walked five while one other player got on base by error.

Lammell of the Aces was almost as good. He scattered four safeties, gave up three walks and struck out 24 of the 27 outs made in the stretch. His replacement, Frady, had trouble finding the plate and walked in the winning run after two were out on four passes.

The Demons won the Sunday game in the first inning when Thornton reached first on a walk. Riccio was safe on error and both scored on Cullen's triple. Cullen scored when Valente singled. They got two more in the third on four walks, an error and a balk. Only McCabe of the Aces could do a thing against Riccio. McCabe hammered out a triple to score Frady in the fourth and homered in the sixth.

Bon Voyage, Willy
Since ten weeks a very likeable Swiss student, Willy Hoerni, has been in this country under a plan for an exchange of students. Most of that time he has been a guest of Belleville Rotary, in their homes and at their summer places. He has seen and studied our industries, our economic structure, our labor problems. He was an eye-witness when 6,000 workers at the F.T. & R. plants walked out in a pay dispute. His general impression of America is one of moral and economic might. Troubled is his impression of the political role that labor is playing in national affairs.
An exchange of students, such as Willy, can only tremendously improve the understanding between nations so vital to world peace. You have been an excellent Swiss ambassador to America, Willy; please be a good ambassador of America in Europe. It was good to meet you. Bon voyage and Au Revoir.

R.E.H.

Give Once And Enough
Twenty-five years ago a group of Belleville men and women got together to organize the Belleville Welfare Federation. Today their work is being carried on by the Community Chest, which this year will hold a three day house to house canvass October 10, 11 and 12.

Many people have a false idea of the Community Chest, believing that the Community Chest itself is a charity. The Community Chest is not a charity, but a group of charitable and welfare organizations, banded together to conduct a single drive for the purpose of eliminating a duplication of effort and expense. In recent years there has been some deviation from the Community Chest idea of a single drive for all agencies. This is so to such an extent that industrial leaders in many communities have announced that henceforth only one drive, conducted on payroll deduction basis will be allowed. In such communities and in the

plants themselves the importance of giving ONCE and ENOUGH has proven successful.

For the average family giving ONCE and ENOUGH for this year's Community Chest Drive means, not one dollar to cover five agencies, but at least a dollar for each of the five agencies. Those who can afford to be more generous usually are contacted in the Advanced Gifts Drive.

This year the Belleville Community Chest is 100 per cent a Belleville organization, having cut its ties with the Newark Chest with an expected saving in campaign and administrative expenses. Contrary to a misconception in some minds those expenses do not include funds for banquets for campaign workers. The entire chest organization, locally, is composed of volunteers, except for a part time secretary. The hours these people give to the Community Chest cannot be measured in dollars and cents. They seek no rewards other than the satisfaction of seeing a job well done.

The Budget Committee has examined the needs and requests of the member agencies and has found them to be reasonable in comparison with their requests of other years. The Family Service will receive \$17,093.90; the Boy Scouts \$6,717.15; the United Defense Fund (USO) \$2,276; the Essex-County Service for the Chronically Ill, Inc., \$500; the Visiting Nurse Association \$2,850 and the Sister Kenny Fund \$1,000. Campaign and Administrative Expenses amounting to \$3,615.15 are just about 10 per cent of the total budget of \$34,052.20. This percentage is very low in comparison with many other fund raising drives, especially those conducted by professionals.

The Budget this year shows an increase of \$380.39 over the amount sought last year. The total is \$34,052.20. The Sister Kenny Fund, which in other years has conducted its own drive, this year has been accepted as a new agency. Increased appropriations have been made to the Visiting Nurse Association and to the Boy Scouts with all other agencies more or less the same as in the previous year.

Many people advance the argument that they are required to give out of town, but to them we would suggest that they budget their giving so that at least some of their dollars of charity can be given right here at home.

The entire idea of the Community Chest is to BE NEIGHBORLY. Upon each individual and family of Belleville depends the success of this drive and the future of group giving in town. This year give ENOUGH!

FEWSMITH YOUTH GROUPS TO MEET

Junior High Group To See Movies; Senior High Will Have Pot-Luck Supper

The regular fall program for young people at First Methodist Presbyterian Church will begin Sunday evening. The Junior High Group will have a fully program for all young people in grades 7 and 8. A worship service will be conducted by Robert Metcalfe and John Van Ness, followed by a feature moving picture. The meeting will be in the Primary Room of the Church. Plans for the group have been made for a supper on the 21st and for election and installation of officers on the 28th. Membership is open to anyone interested.

The Senior High School Westminster Fellowship will hold a pot luck supper Sunday at 6:30 in the church social hall, William Lane. The Moderator of the organization announces that the following girls are in charge: Joyce McShane, vice president, Barbara Robinson, Barbara Metcalfe, Grace Orth, Janice Graetwood, Marilyn Everett and Peggy Kelly. Boys helping in the event are Warren Klein, Carl Dendler and Robert Nozse. Among future plans to be discussed are a roller skating party, square dance, etc.

The High School Freshmen are given a special invitation to attend. Mr. and Mrs. Robert Slivers, Jr. are advisors of the S-niors. Mr. George Newman and Mr. Harvey Mitchell are members of the youth committee. Dr. James K. Myers, pastor of the church is counsellor. Plans are being made to secure a trained Youth Director for the year.

Odd Fellows Resume Meetings - Monday At The Masonic Temple

Harmony Lodge of Odd-Fellows will resume regular meetings Monday, following the summer recess. This Lodge meets on the first and third Monday evenings of each month in the Masonic Temple on Joralemon Street. A class of candidates for membership is being prepared for initiation at an early date and those desiring to join the Lodge should address the secretary, H. Hickok, 200 Greylock Parkway.

A few copies of the folders, "The What and Why of Odd Fellowship" and "Why I should be an Odd Fellow" are still available and copies will be furnished without charge or obligation by addressing the secretary.

Petreaux Club Plans Communion Breakfast For September 28th

On Sunday, September 28, the Petreaux Club of St. Peter's Church will hold its 12th Annual Communion Breakfast in the school cafeteria following the 8 o'clock Mass.

Martin A. Malague, Chairman of the Committee, has announced that the principle speakers will be Rev. Paul Lang, a member of the faculty of Seton Hall University, and Mrs. Francis Spatz, a graduate of the College of St. Elizabeth, Convent Station, N.J.

Other members of the Committee are: Charles Sutter, William Brickell, John F. Salmon, Joseph Zait, Walt Garvey, Helen Kuhn, Celeste Piel, Peggy Noll and Patricia Ryan.

Davis Circle Of Grace Baptist To Have First Meeting Monday

The Helen V. Davis Circle of Grace Baptist Church will hold its opening meeting of the season at the Church Monday Evening. There will be covered-dish supper followed by a meeting and program.

Hostesses for the evening will be Mrs. Aline Hall, Mrs. Florence Hart, Mrs. Eleanor Riggs and Mrs. Jean Robinson. Those in charge of the program are Mrs. Jean Robinson and Miss Ruth Hagan. The new president, Mrs. Sarah Bartlett, will conduct the meeting.

Enters Graduate School Of Texas Theological Seminary

David Crymble Jr., son of Mr. and Mrs. David Crymble of 151 Bell Street, arrived this week in Fort Worth, Texas, where he will be enrolled in the graduate school of Theological Seminary, taking courses leading to the degree of Bachelor of Divinity. He is a graduate of Belleville High School and Bob Jones University of Greenville, South Carolina.

THE CAMPAIGN!

We don't know which of them you'll pick but hope the one you choose will click. Even now until Election Day you'll have a chance to hear them say just what they stand and from their views you'll get the help you need to choose the man whom you think should be sent to Washington to represent. Pick quality service and you can't miss. Our rug and carpet repair and stain removal and all cleaning process will clean your rugs so that they will look like you just bought them. And, right now, you can get terrific values in 100% All Wilton Wool rugs and carpets... only \$3.95 a square yard. All colors and all widths. Meads-Miller Co., 143 Franklin Avenue, Nutley. Phone NU 2-4306. Open Tuesday and Thursday evenings from 7 to 9.

Foreman Awarded Gold Watch For Years Of Weston Service

Edwin Jennings of 168 Malone Avenue was among 42 employees of the Weston Electrical Instrument Corporation, Newark, who received gold wrist watches in recognition of their long years of service to the company. Mr. Jennings, a foreman, has been with Weston for 36 years. Presentation was made by Earl R. Mellen, president of the company.

Two Belleville Seamen Are At North Pole With Task Force

Joseph A. Laratta and Robert J. Huemer, seamen, USN, are presently with Task Force 118 aboard the amphibious force flagship USS Taronie off the Greenland coast. This task force of cargo ships, tankers, refrigerator ships and amphibious craft left the United States in mid-summer for the Land of the Midnight Sun where they are resupplying advance bases and resupply stations near the North Pole.

Icebreakers were used to lead the convoy single file through pack ice and past ice floes and bergs. Icebreaker-based helicopters spotted for the formation, searching for open areas. The convoy is scheduled to return to the U.S. later this month.

Laratta resides at 46 Salter Place and Huemer is the son of Mr. and Mrs. Joseph J. Huemer of 179 Cedar Hill Avenue, and husband of Mrs. Joanne Huemer of 124 Adelaide Street.
