(Continued From Page One)

The increased school population means need for additional classrooms each year, with equipment, books and supplies. Make-shift arrangements for use of basement and play rooms are being operated with temporary approval of the county and state authorities.

A new High School, costing \$2,000,000 is contemplated. This will cost approximately \$108,000 in the first year for interest and amortization of bonds, and will mean added financial responsibility for the town over a 30 or 35 year period. The yearly costs would diminish after the first year. To the average home owner assessed at \$5,000, the first year cost would up his tax bill by \$12.

The Belleville committee has sent questionnaires to members of the state legislature, asking their stand on State Aid, and replies have been received from Senator David Van Alstyne, Jr., Assemblymen Alfred N. Beattie, John R. Shannon and Samuel Salter. All have indicated their support of State Aid, and their approval of some type of legislation to provide for it.

# LETTERS To The Editor

**Cites Need For Parking Area**  
To The Editor, Times-News:  
The Town of Belleville has approximately 34,000 people. One of its principal shopping centers, consisting of super markets, national chain stores and shops and other large establishments is just two blocks long and is situated on one of the busiest thoroughfares in the County. Traffic is always heavy in this area and parking space is simply never available. Yet, here is the place where the people of our community, particularly the housewives, do most of their shopping.

The present predicament is clearly the result of shortsighted planning by the Board of Commissioners about twelve years ago, when the present shopping center was first proposed. Adequate off the street parking

should have been provided for and the present problem would never have arisen.

My colleagues on the Board, Commissioners Hyde, Sullivan and King agree that the condition should be corrected, but offer no recommendations. Commissioner Waters should not go into the parking lot business. Yet, Commissioner Waters knows that only the town has the authority to acquire land through condemnation proceedings. Therefore, how can the town acquire a parking lot in this area? As the Mayor of the Town of Belleville, and as the town engineer, the people will always be my problem. It is little consolation to me that the people will always be my problem, while attempting to do the family marketing, is told that we cannot help her — that she must find her own parking space. blocks away, carry her heavy bundles to her car, leaving her the street parking space. Or, what is worse, practically compel her to park in the lot, to the traffic confusion by double parking. There is only one solution to the problem, and that is off the street parking.

At the regular meeting of the Board on May 12th, I offered a check for \$10,000 to the Foundation. To get the Board to take action on the creation of a parking lot, Mr. Specht, president of the Belleville Foundation, calling to the Commission, Mr. Specht, President of the Belleville Foundation. Commissioner Hyde, who might have been expected to support the plan, did not say a word. At one point he asked Mayor Tully if the plan for his proposed building at Jonkenon Street and Washington Avenue, which would be a parking lot, was a sound investment, forgetting for the moment the relief this parking lot would afford for the town. I would even recommend that 35 meters on Washington Avenue, that are not productive, be transferred to this area, thereby cutting the cost of this undertaking.

There are 33 off the street parking spaces in Essex County. The need is so important and is so universally recognized that 25 cars are now being free to the people, town and county, and 10 are metered. The Legislature of New Jersey recently enacted laws permitting towns to acquire property and land for parking lots.

There can be no intelligent municipal planning without provision for parking. The need for parking is so important that the town should modernize its parking facilities. I would even recommend that 35 meters on Washington Avenue, that are not productive, be transferred to this area, thereby cutting the cost of this undertaking.

I urge with all the power at my command the establishment of this off the street parking area. Surely the opinion of Commissioner Waters is not in keeping with progressive municipal thinking. In 1939, while a candidate for election, Commissioner Hyde shared the same opinion as I do now. Why has he changed his mind? I am curious to know what my colleagues have to offer the people of Belleville. The shopping area is fixed and this is the only land available near it. Yet, my proposal was voted down on May 12.

Let the record be clear on this important issue. Anytime my fellow commissioners have a change of heart, I shall be glad to resign my position.

# Local Artist Awarded Oil Painting Prize At Exhibit

**Mrs. Ada Scarano Also Demonstrates Water Color Technique At Bloomfield Event; Serves As Chairman And Hostess Of Exhibit Committee**

Mrs. Ada J. Scarano of 24 Wilson Place, recently elected Hostess Chairman of the Essex Water Color Club of N.J. for 1952-53, was awarded second prize for her oil painting in the professional group at the Bloomfield Community House Outdoor Exhibit held last weekend under the auspices of the Bloomfield Art League. Mrs. Scarano also acted as Chairman and Hostess of the Exhibit Committee, assisted by Mrs. Doris Jones and Mrs. Mabel Fine.

During the exhibit, Mrs. Scarano gave a demonstration of water color technique by painting a still life of gay spring flowers in approximately an hour and a half. She was commended enthusiastically by visitors as well as League members. Judges were John Grubbs, James Kerr, and Hans Weingaertel.

The Fellowship Circle of Pew-smith Memorial Church will meet Tuesday evening at 8 o'clock at the church parsonage. Hostess will be Mrs. Viola Cortese, assisted by Gladys Caven and Mrs. Maude Schultz. All are invited.

The garden department of the Belleville Woman's Club, Mrs. William T. Bryan, chairman, will hold a meeting at the club house on Monday, at 2 p.m. The flower show originally scheduled has been cancelled but everyone is invited to bring in a flower arrangement.

Mrs. James Gillen of 71 Lighthouse Street was feted at a gala Mother's Day dinner at her home by her two daughters and sons-in-law, Mr. and Mrs. John Kline, and Mrs. William Melville of Belleville, and her six grandchildren. Following the party, Mrs. Gillen's brother, John F. Kelly, who is residing with her, took the group to Olympic Park.

Ronald Charles De Jonge, son of Mr. and Mrs. Herman De Jonge of Livingston, will be christened Sunday at Montgomery Presbyterian Church by Rev. Oliver Chapin. Mr. De Jonge and his wife, Mrs. Alma De Jonge, are both formerly of Belleville.

The Helen V. Davis Circle of Grace Baptist Church will hold its next regular meeting at the home of Mrs. Dorothy Shady in Plainfield on Monday evening. A devotional program will be presented. Co-hostess to Mrs. Shady will be Mrs. Elythe Thomson of Belleville.

Mr. and Mrs. Ernest W. Freeman of 387 Union Avenue will soon become residents of Honolulu where their son, Dr. Gilbert C. Freeman, is now practicing medicine with a clinic there, resides. The Freemans are in the midst of preparing for a "Musical" cross-country trip to include some of the National Parks and other scenic areas, prior to boarding a ship at San Francisco for their Hawaiian destination.

## Duo-Pianists Head "Music To Enjoy" Concert Next Friday

Hazel Ellsworth and William Akers, duo-pianists, will be featured on the "Music To Enjoy" program which will be held at Wesley Methodist Church, Washington Avenue and Academy Streets, next Friday evening at 8 p.m. Well known to residents of this area for their work as pianists, organists and teachers, Miss Ellsworth and Mr. Akers have added to their musical accomplishments this season through their concert work as a two-piano team. Joan Morton, soprano, of Glenfield Junior High School in Montclair, will be the student artist to be presented on this program. She is a pupil of Edith Poynter of Nutley. Miss Morton, who has received honors for the past two years at the Griffith Auditions, was chosen by a special audition committee to appear on this program.

# Little League Starts Third Year With Exhibition Series

## St. Mary's Drum and Bugle Corps Will Help Get Season Underway; Regular Schedule Starts on Monday

Tomorrow is the big test for Coach Bill Bennett's Belleville Varsity crew, as he takes both of his eight-oared shells, to Kent, Connecticut, to compete against the famous Kent School, where rowing is by far the No. 1 sport. The Kent boys make an annual trip to England to compete against private school rowers, there. It is the same Kent School which scored the only victory registered over Belleville in dual competition last year, when Belleville won the National Schoolboy Championships. At Kent School, tomorrow, Nutley's varsity will race against Kent's No. 2 boat while the bigger Belleville crew will compete against the Kent Varsity.

Belleville Little League will get its third season under way Saturday afternoon at Clearman Field with a series of exhibition games between the eight teams in the leagues. Opening ceremonies will be built around the St. Mary's Drum and Bugle Corps from Nutley and Commissioner Elmer S. Hyde, director of the town's Recreation Department — co-sponsor of the league with various organizations and industry — will throw out the first ball. The ceremonies will get under way at 1 o'clock.

Two, four-team leagues, the American and the National, will again operate. In the American League are the Aces, Bombers, Clippers and Demons while in the National League is composed of the Yankees, Dodgers, Giants and Cubs.

Sponsors of the American League teams are: Aces — Belleville Rotary Club; Bombers — Belleville Elks Club; Clippers — Wallace Lions Club; Demons — Scott Ship Post, V.F.W. In the National League, the sponsors are: Yankees — Belleville Chafman's Club; Dodgers — Walter Kiddie Co.; Giants — Viking Tool Company and the Cubs — Belleville Elks Club. Last year, the Demons won the local World Series playoffs and will be the defending champions. One change was made in the League composition — the Bombers and Aces Demons were merged into the American League while the Yankees and Dodgers were transferred to the National League. This move was made in the Essex County All-Star selections in August and aimed to give Belleville the strongest team possible for the national Little League tournament.

The official league schedule opens Monday evening, at 6 o'clock and there will be a league game each weekday night at Clearman Field.

# POLICE SHOOTERS WIN THREE TESTS

## Top Maplewood, Railroad Cops And Penn Guards But Fall Before Newark With Best Scores

The Belleville Police pistol team won three matches over the weekend in the Essex County Police Revolver League, beating Maplewood 1158 to 1141 on Friday, the Pennsylvania Railroad Police 1165 to 1050 and the Essex County Penn guards 1150 to 1120. In another match last week Belleville bowed to Newark Police 1180 to 1166. The 1166 effort was Belleville's best for the season.

Officer Pindar was high in three of the matches, hitting 295, only five off perfect against Maplewood and the Railroad Police. He also had a 293 against the Newark cops. He finished with a 289, for second high, against the Penn guards. Fred Singer was high in this match with 291. Sergeant Singer had a 292 against Newark, for second honors and the same against the Pennsylvania R.R. for third honors. Robbins of Newark and Steeb of Maplewood did some fancy shooting with 298 scores.

# GAHR PITCHES AND BATS BELBOYS TO WIN OVER PASSAIC

## His Triple Brings Across 1st Two Runs; Columbia Wins Big Ten Conference Tilt, Tuesday

Belleville's baseball fortunes went up and down in the past week. On Friday, Terry Gahr pitched and batted Belleville to a first victory of the season, 4 to 1 in a win over Passaic. Tuesday the side was on the other foot, when the Belboys met Columbia in a Big Ten Conference game. In this one Gahr was muffed out of the box in the third and Columbia went on to win 7 to 5.

In Friday's Gahr ran a runless streak up to 22 straight innings as he pitched five hit ball and varied his way out of only one dangerous situation. Then he hit runners on third and second with one down and retired the side in Belleville's big fifth inning he threw a triple to deep center field, which brought home Belleville's first two runs. Howie Varnett and Tom Appels each had a single ahead of him. Joe Long doubled Gahr home and scored himself on a single by Patti.

# Prizes Presented To Monday Night Rec. Bowling League

Winners in the Recreation Department Monday Bowling League were presented with their trophies at a League dinner at O'Hara's in Kearny, Monday. The trophies were presented by Commissioner Elmer S. Hyde. Also present was Robert E. Cook, Sup't. of Recreation. Anthony Basile was the winner of the high individual score trophy and the high individual average prize. The trophy for the high individual series went to Bill Jacquin. Separate trophies went to each of the members of the Zig-Zag Bar team. Next Wednesday awards will be made to the winners of the Recreation Department Wednesday Night Bowling League.

# First Tour Of Belleville Is Big Success In Every Way

## Somerville Riders Win First Three Places In 25 Mile Feature, And Five Mile Event For Junior Riders; Good Times Made In Stock Bike Races

Sunday a new event in the ever-growing program of the Belleville Recreation Department, was launched when the "Tour of Belleville" became a part of the recreation schedule. A good crowd was on hand to enjoy the spectacle of Belleville's first big bicycle race. A combination of balmy weather, the finest possible group of riders, excellent cooperation on the parts of the Police, the Ambulance Corps, the Red Cross, the Scouts of Troop 392, and the advance work of the race committee, produced an affair that was an outstanding success.

The races were run on a mile course around the Municipal Stadium, Nolton Street to Greylack, 25 Passaic, to Division and to Nolton with the start and finish in Nolton Street in front of the Stadium.

John Chisello, Don Takash and Allen Bell, all of Somerville's Somerset Wheelmen Club flashed across the finish line in the order mentioned, after a tremendous sprint, so close together that scarcely six inches separated them. First place Chisello from third place Bell, as they finished a thrilling twenty-five miles in one hour, two minutes and fourteen seconds to equal the American record for 25 miles. There were 31 starters in the feature event.

In the five mile Junior race, Ed Miller of Somerville stroled home first in twelve minutes and fifty-nine seconds and the one mile Juvenile race was won by Lawrence Trampore of Newark in two minutes, 51.0 seconds.

The crowd was delighted with the polished performance of the boys by the nine and ten year old riders. These youngsters rode their tiny racing bikes like veterans and Jack Simms, 3rd of Westwood turned off the mile in three minutes and sixteen seconds.

Belleville folks were justly proud of the top stock bike races put on by the Recreation Department's Belleville Bicycle Club. In the balloon tire division, Frankie Dunn was the strong winner of the mile race in 3 minutes, 17 seconds followed by seven year old Johnny Eyre 2nd, William Jones 3rd and Robert Colombo 4th. In the lightweight

division Dick Pfaff was the winner in a very creditable 2 minutes, 56 seconds, with Billy Kelly 2nd, Ken Love 3rd and Roger Fiora 4th.

Commissioner Elmer S. Hyde, Director of Recreation, was the honorary starter of the races. Commissioner Harry Sullivan, who was on hand as a spectator, was called upon to start one race. Special credit is due the Street department for their cooperative spirit and for the fine job they did in brushing the streets and repairing all of the holes and ruts. The riders were unanimous in their opinion that the course was perfect for the race.

The officials of the Amateur Bicycle League of America asked Superintendent of Recreation, Robert E. Cook to express their congratulations and compliments to the Recreation Department, the Police, the Ambulance Corps, the Red Cross, the Street Department and the Belleville Bicycle Club for an extremely well planned, well controlled and public spirited race. They further said that Belleville will always be a favored site for future races and that cycling would flourish if more communities got back of it's clubs as Belleville has.

The race committee of the Belleville Bicycle Club who organized the "Tour of Belleville" were: Art Gullett, Joe DeBacco, Ed Littig, Ray Prate, Charley Logan, Bill Murphy and Bob Coyle, Sup't. of Recreation. The "Tour of Belleville" will be an annual event from now on.

The Belleville Bicycle Club will hold its first race for the Championship Belt at the Municipal Stadium at 2:00 o'clock tomorrow afternoon.

# The Full Treatment

Those who witnessed the "Tour of Belleville," Sunday in the vicinity of the Municipal Stadium, were given the full treatment of spills, thrills, and paths which are usually associated with sports events of this kind. A balmy Spring day, in fact this being the time, helped bring out a crowd of racers and spectators. Most of the full mile course could be seen from the top of the stadium, and spectators followed their favorites down Greylack Parkway to Passaic Avenue, over Passaic Avenue to Division. For a while the riders were blotted from view by the housing development and trees, but as the riders came into their sprint down Nolton Street they were in full view.

There were a few spills, including one which cost Belleville's Ed Littig a chance to make a bid for one of the three first places in the 25 mile event, and another in the five mile Junior event. One of the riders in the novice-stock-bike race, blew a tire in the first quarter mile and was highly indignant, but the most disappointment was suffered in the race for the 10 year olds in the midget, contest sponsored by Tino DeAngelis. In this event a youngster came down Nolton Street with a 100 yard lead, but as he came into the final stretch started to coast instead of peddling like mad. The lead in second place gave it all he had in the last 100 yards, and just barely crossed the finish line ahead of the front runner. The loser was heartbroken.

In the five mile event for Juniors, Belleville's 14 year old Eddie Hoagland was the youngest lad in the race, and it was to his credit that although he was almost a half lap behind the field, he had the guts to finish. He received and deserved a hand.

The midgets, incidentally, were fully equipped from head to foot, in the same manner as the senior riders. Their bikes, all racing wheels, made to size, are owned by Mr. DeAngelis, and all the riders are sons of former stars in the bike game. They made excellent times.

On a whole the event was a splendid success. It was well promoted, well run, and well attended. It is bound to have a lasting effect on the future of the Belleville Bicycle Club, which sponsored the show.

# Greater Newark Tourney

We are glad to learn that the same coaches who so successfully sponsor the Essex County Basketball Tournament are taking over the Greater Newark Baseball Tournament, which was scheduled to disappear from the sports scene when the original sponsors, two Newark Newspapers announced that they were abandoning the tourney. Unfortunately, the tourney will have to be a traveling event, since right now there is no suitable place to play. The former Ruppert Stadium, acquired by the Newark Board of Education, right now is a political football in Newark, and since its purchase nothing has been done to improve the layout in any way, shape or form. Newark East Side is not even using the grounds. However if the tourney can be continued, and the stadium is fixed up, it may be just the neutral grounds required to make the tourney an even greater success than heretofore. This year Belleville definitely will not be in the contention for the tourney honors, but watch out for them next year when Terry Gahr and John Bartell will be among the better pitchers in the state. With so much depending upon the pitcher in high school ball, any team which can throw two good hurlers at the opposition is bound to have a successful season.

# Reporting Progress

At a recent meeting in the office of Commissioner Elmer S. Hyde, a long standing misunderstanding between the Recreation Department and the Police Athletic League was adjusted to the complete satisfaction of all. As a result the PAL has been promised complete co-operation for the scheduling of games three times a week at the Stadium, and what is more important has been offered space under the stadium for a PAL boxing room and meeting place. Now it is just space, but if the PAL erects the walls and ceiling, it is in business. And when this happens, Belleville will have all the accommodations of a Boys Club in the Municipal Stadium.

Tumbling Acts, Dances, Games Highlight Program Planned By Principal And Teachers Here

Under the combined direction of Thomas Gryzka, Principal and all teachers at School No. 9, the Annual Physical Education Program, which started in 1939, was presented to the public. An overflow audience of parents and friends witnessed the 200 student participants in "mass" tumbling routines, specialties, folk dances and competitive games.

Each grade was represented in the activities. Miss Peggy Leahy, Edward Berinski, and Raymond Ward, physical education supervisors in the elementary schools, assisted in the program. Miss Shirley Bode, music supervisor for the elementary schools, provided the musical accompaniment. Scenery for the production was prepared by the upper grade students.

The following teachers were active in arranging the program: Miss Doris Rosenbloom, Mrs. Anne McManus, Miss Stella Thomaidis, Mrs. Violet Herson, Mrs. Eva Sheldorf, Mrs. Louise Trachtenberg, Mrs. Dorothy Watter and Mrs. Louise Franklin. The parents and friends of the students who attended the program had an opportunity to see the display of tulip beds around the school. The beautiful flowers were framed and lighted by floodlights. Each child was given a tulip to present to his mother for Mother's Day.

High Scores For Belleville—Roy Dickinson rolled 209, 167 and 213 for a 589 total and Charlie Gebhardt 150, 232, 201 for 583, as Belleville swept the championship with a 5-0 record, second place in the Newark Masonic Bowling League last week.

Private Jerry Guerin, son of Mr. and Mrs. Jerome L. Guerin of 350 De Witt Avenue, is presently stationed at Koje Island with an Army Post Engineers Company, after serving six months in Korea. Guerin formerly attended Belleville High School and entered the Army in October 1951. His brother, Wilbur, was recently discharged from the Navy after three years' service.

## Dedication Of Stained Glass Window At Bethany On Sunday

A new stained glass window, "To Those Who Serve," will be dedicated at Bethany Lutheran Church, Sunday morning at 11 o'clock. A member of the church who gave his son in the cause of freedom will unveil the window which depicts Christ blessing a soldier. The window is surrounded by symbols of the various branches of the armed services. Rev. T. Painter Hanson's sermon will be entitled "Less We Forget."

All members of local veterans' clubs and friends of Bethany are invited to attend. Mayor Tully is expected to be present at the event. Pledges made in January for the window by Bethany members will be due at that time.

## Final Pre-School Meeting

The final meeting of the Pre-School PTA No. 1 will take place Monday at the school. Mrs. Robert B. Tule, Pre-School co-chairman of Essex County, will conduct the installation of officers.

## The Red Men's Words

They gave us words that are tangy as resin,  
Pungent as woodsmoke and harsh as hail.  
The syllables rattle like a handful of pebbles,  
Or ripple like the wind in pines.

The mouth-filling consonants hiss and crackle

In scuppernon, sannup, racoon, and moose;  
Catawba, pemmican, samp, and wickup—  
These are the Red Men's words.

Crinquapin, hackmatack, muskeg, youta-  
kah—

They click and clatter like shaken shells;  
Though smoothed by usage, their earthborn  
vigor  
Lives in our language still.

## Winnie Upsets The Apple Cart

Spore us from our friends has long been  
an adage of diplomacy.

Just when the Eisenhower-Dulles team  
thought it was making progress in steering  
the world towards a solid peace, Sir Winston  
Churchill, in a gesture which was intended  
for the British domestic scene, upset our  
apple cart by proposing a top-level confer-  
ence. It would be a mistake to assume that  
nothing can be settled with the Soviet Union,  
short of war, he said. In fact, he has been  
saying just that ever since he returned to  
Downing Street in 1951.

Naturally, Moscow and the satellite press,  
as well as the leftwing press across Europe  
picked up the suggestion. Moscow would have

all to gain and nothing to lose by anything  
that can stall for time.

It stands to reason that if a meeting of  
the Big Four is to take place, it cannot occur  
before several months. It takes that long to  
set the stage and mix the drinks. In the  
meantime everything else is stymied—the  
negotiations in Pannunjom, the entry of  
West Germany into the European Defense  
Treaty, the forthcoming four-power Foreign  
Ministers conference on the Austrian peace  
treaty. Since the Kremlin wants the war in  
Korea to continue, and since it does not want  
to withdraw its troops from Vienna or to  
see West Germany join the bloc of Western  
democracies, Moscow stands to be the only  
immediate winner by Churchill's badly timed  
intervention.

Britain is not directly concerned in Korea.  
British boys are not dying by the hundreds  
as are ours. For every British prisoner of  
war in Communist hands, there are a thou-  
sand Americans. As for bringing an armed  
West Germany into the European Defense  
Community, Britain never was more than a  
likeness to the idea. Churchill's proposal  
therefore smacks of sticking a spoke in the  
wheels.

An old hand at such top-level conferences,  
none of which ever contributed one whit to  
peace, Churchill said frankly that it would  
be foolish to expect any complete and gen-  
eral settlement to emerge from a meeting  
of General Eisenhower, Sir Winston, Malen-  
kov and, depending on who is in office at that  
time, the French Premier. In fact, Churchill  
advocates a piecemeal settlement, which runs  
exactly opposite to what Washington has  
been seeking. Winnie sat through all of the  
Big Four meetings, in Teheran, in Yalta, in  
Potsdam. He should know by now that they  
are a waste of time. Our troubles in the Far  
East stem from Yalta and Teheran; our  
miseries in Berlin can be traced to Potsdam  
where Stalin put it over on Churchill and  
Truman by throwing a Red zone around Ber-  
lin and giving us only an air corridor.

His own record is there for all to judge.  
Churchill never won a conference; Joe Stalin  
raked in all the chips.

R. E. H.

## One Man's Opinion

With or Without Moscow's Consent and Blessing,  
China's Red Emperor Mao Tse-tung Is Ful-  
filling A Dream Stalin had in 1947

BY RALPH E. HEINZEN

It is hard for even the most optimistic pacifist to take  
the Communist peace offensive seriously any more.

The truce talks at Pannunjom are hung up worse than  
ever as the Chinese and North Korean Communists blow hot  
and cold, alternately, on the question of a prisoner exchange.  
We have carried out our end of the bargain and liberated ten  
Communist wounded for every American to come out of the  
Manchurian and Korean nowhere, only to discover that the  
Reds have many hundreds more American wounded whom  
they have not talked about or liberated.

And in the meantime a new Communist puppet state of  
Southeast Asia is shaping up around the "Free Laos" and  
the "Free Thai" movements. A synthetic Thai homeland is  
in the process of creation, cutting across the present bor-  
ders of Indo-China, Thailand, Burma and Malaya and a vig-  
orous fifth column is recruiting support from nationalist in-  
dependence forces as well as from local Communists. It even  
has its synthetic capital, at Cheli, on Communist China's  
southwest frontier.

The unhappy side of this  
spectacular Communist surge  
southward across Asia is that  
there is absolutely nothing we  
can do about it.

Secretary of State John  
Foster Dulles consulted  
Churchill and appeared to  
want to ask United Nations  
intervention while there still  
is time to save the strategic  
"rice bowl" of all Asia. Alas,  
he ran bang into French col-  
onialism and an ardent French  
refusal to take the case of In-  
do-China to the UN. The  
French do not want the spot-  
light for world opinion turned  
on Indo-China where all three  
of the component states are  
demanding their independence.

## France Moves Forward

At the weekend, the French gov-  
ernment unveiled a plan of its  
own for meeting the native demand  
for self government and, at the  
same time, preserving the French  
Union. It announced that a series  
of protocols had been completed  
that will assure to the Associated  
States of Cambodia its "full sov-  
ereignty" in military, economic  
and political matters. France, how-  
ever, will continue to represent the  
Associated States on a world level.

France has no intention of going  
as far as did Great Britain in  
granting independence to its col-  
onial dependencies. When the British  
gave independence to India and to  
Egypt, France drew a lesson: The  
British Empire on an island of  
island. The French Union is still a  
reality, and, apparently, will con-  
tinue to be a political force even if  
some sacrifices have to be made  
to local nationalism in what was  
once a colonial empire.

## Keeps Apron Strings

Reading through the usual diplo-  
matic platitudes in the French  
protocols with Cambodia it is this  
"one man's opinion" that France  
is attempting to hold her Union  
together by continuing her own po-  
sition as a world power. France,  
without an empire, would find it  
hard to compete on an international  
level along with such mighty  
powers as the United States, the  
Soviet Union and the British Com-  
monwealth of Nations.

The protocols show that France  
has no intention of giving out-right  
independence such as Egypt and  
India won from the British. Her  
policy follows a dual purpose: by  
granting self-government on a na-  
tional basis, the French hope to  
satisfy the urge for nationalism  
which prevails in Indo-China, yet, possibly, troops which should go

into a buildup for a showdown in  
Korea.

Chinese Shadow-Bossing

By keeping the initiative, the  
Communists can force us to strike  
at shadows while, gaining time,  
they can give their war-plan of a  
"Free Thai Autonomous Govern-  
ment" which would cover all the  
lands where the Thai ethnic groups  
exist. That means Thailand, For-  
meryn Siam, as well as Burma and  
Indo-China.

## Japs Showed Way

It is a matter of history that be-  
fore we could get organized in the  
Pacific after World War II, the  
"Greater East Asia Sphere of Pro-  
perty" flag, the Japs overran the  
"rice-bowl" of Indochina, took  
Singapore by marching the full  
length of the Malayan jungles,  
seized the oil-rich Indonesian is-  
lands, conquered our sources of  
natural rubber and tin. Had  
Japan been able to hold those  
gains, she would have cornered  
most of the world's source of sup-  
ply of those essential raw materi-  
als.

How much of the present tur-  
moil is Moscow-inspired and how  
much stems from reeking's own ag-  
gressive and expansionist ambi-  
tions still is uncertain. There are  
a few historical facts, however,  
which indicate that the  
Kremlin is responsible.

In 1947, the Cominform, pre-  
sumably acting under Stalin's  
orders, decided on a long-term  
campaign to seize southeast Asia  
for communism. This purpose, or  
decision, of Moscow was imple-  
mented and "sold" to the local native  
Communist elements of all the  
southeast Asia countries at a con-  
ference of delegates from those  
countries held in Calcutta that year.

Seven years of a planning and  
building operation generated in-  
herent momentum. In this case,  
momentum has been generated not  
only by building a Communist Party  
organization, but also by tying  
in that organization with native  
nationalist movements.

## Reasons For Retreat

There is need for haste because  
already H. Chi Minh turned his  
armies around at the height of bat-  
tle and retreated. He has set up  
a rival to King Saivang in the  
person of one of the King's distant  
relatives, Prince Souphanouvong.  
The Prince has established a rival  
"Free Laotian" government, at  
Banham, well inside the borders  
of Laos about 120 miles south of  
Hanoi.

Thus, the Communists are fol-  
lowing a pattern. They said a  
country or a state through nat-  
ional elements. Then they set up a  
"free government" and as rapidly  
as possible Moscow and Peking  
gave it official recognition. There  
never was any intention to risk a  
frontal battle in Laos and just as  
soon as the few French and the  
Vietnamese infantry of General  
Vo Nguyen Giap's army suffered  
for a fight, he pulled back.

The entire maneuver is part of  
the Communist strategy of playing  
hop-skip-ajump along the Red  
border of China, to keep us guess-  
ing where they will strike next and  
to compel us to pour into those  
danger spots great quantities of  
ammunition, planes and even, if  
for a fight, he pulled back.

Holiday Of Shevros Will Be  
Observed At Synagogue Here

Shavuot, the Feast of Pentecost,  
will commence Tuesday evening, May 13, and be ob-  
served Wednesday and Thursday,  
May 20 and 21, it was announced  
by Rabbi Leo Schwartz of Con-  
gregation A.A.A. Services will  
commence at 7:30 P.M. on Tues-  
day and 9:30 A.M. on Wednes-  
day and Thursday.

Shavuot, one of the most in-  
spiring holidays of the Jewish  
year, commemorates the receiv-  
ing of the Torah (Bible) on Mt.  
Sinai some 3500 years ago.

150 pound football.

## Beck's Television Column

The headline is a misnomer  
this week, because this column  
is not really about television—it  
is about room air-conditioning  
units.

As a result of the P.S. in  
last week's column we had nu-  
merous inquiries. There seems  
to be a great deal of misunder-  
standing about air-conditioning.  
We hear often that a fan is just  
as good. The danger with a fan  
is that it creates a sensation  
of cooling through a draft,  
which, if frequently caught, can  
lead to colds and other ailments.  
An air-conditioner actually  
cools the air. You can deter-  
mine the amount of cooling de-  
sired by setting a control. But  
it also dehumidifies the air and  
this is a great improvement, since  
"muggy" humidity is not the heat  
but the humidity which is so  
annoying. Sufferers from  
asthma and other respiratory dis-  
eases will appreciate this to-  
gether with the fact that the  
dust and pollen are removed  
from the cooled and dehumidified  
air. Of course it is a boon  
for those who sleep and have  
sufferers.

Many people learned about  
air-conditioning first in the  
movie theaters, and they did  
not like it. The trouble was  
that the movies kept the tem-  
perature too low. That, of  
course, does not have to be.  
The temperature can be ad-  
justed to your liking.

One customer asked: "what  
do you know about air-condi-  
tioners?" This gentleman did  
not know that the writer did  
refrigeration repair work for  
many years. An air-conditioner  
is very much like a refrigerat-  
or. The same of our firm at  
that time was Beck's Radio &  
Refrigeration Service. One of  
our shop mechanics also was  
taking up electronics.

Installation and service—the  
same as with TV—will be  
supplied by our own mechanics,  
of course.

More Than 900 X-Rayed  
In Nutley And Belleville

The Belleville-Nutley TB As-  
sociation announced last night  
that its last free X-ray sched-  
ule will be offered on Saturday at  
Belleville High School, from 10  
a.m. to 6 p.m. The session is open  
to any resident of Nutley and  
Belleville.

Thus far this year the Association  
has given X-ray treatment to  
more than 900, in the two towns.  
In the Nutley session at Junior  
High School last weekend, 560  
were X-rayed.

High School PTA Executive  
Committee Discusses Plans

The executive committee of the  
newly organized Belleville High  
School PTA held a meeting re-  
cently at the home of the presi-  
dent, Arthur Bloesack, comprised  
of Mrs. A. G. Love, Principal Hugh  
Kittle, Charles F. Schultz and Mrs.  
E. Bartlett, as well as the presi-  
dent, the committee decided that  
the High School PTA will meet  
four times a year—follows: First  
meeting, September 22; Open  
House, November 10; Founders  
Day, February 23; and final meet-  
ing, April 27. The president will  
announce the appointments of the  
various committee chairmen after  
preliminary arrangements are  
made.

It was decided that the next  
meeting of the executive commit-  
tee will take place next Thursday  
at the home of Arthur Bloesack.  
Offering a free, four-act play  
twice daily, Olympic Park will be-  
gin its 37th season Saturday, May  
16, at 3:30 and 8 p.m. at Hill-  
side School, Hillside Avenue and

Three Local Youths Among  
Top 10 In Rutgers Exams

Three Belleville High School  
students received honorable men-  
tion in the 1953 Annual State  
Science Day competition at Rutgers  
University last Saturday. All  
three placed among the top ten  
contenders in their respective  
fields. They were: Robert Julius  
Kreik of 30 Kennedy Street, 10th  
grade; Robert A. Woodman, 27  
Hunkle Street, engineering; and  
Alan Arthur Wickham of 268 Da-  
Witt Avenue, chemistry.

Approximately 255 science-mind-  
ed juniors and seniors from 100  
secondary schools in all parts of  
the State took the competitive exam-  
inations in physics, chemistry, bio-  
logy and engineering. First place  
winners in each field were award-  
ed a four-year tuition scholarship  
to the State University, and run-  
ners-up in each of the competitions  
will be alternates for the first  
prize should the winners be unable  
to accept the scholarship.

Progress Club Holds Father  
And Son Night At Synagogue

The Progress club of Congrega-  
tion A.A.A. held a father and son  
night Monday, when the club was  
host to the young boys of the Jew-  
ish community. Jimmy Winick, pop-  
ular coach at Belleville High, en-  
tertained the young fry and adults  
with a motion picture of several  
sporting events in which the High  
School participated. The evening  
was concluded by the serving of  
refreshments.

The Progress club plans to in-  
augurate many similar events for  
the benefit of the membership,  
among which will be a free kiddie  
pool on June 7, at the Pine Haven  
club in Freehold N. J. A complete  
sporting event for prizes is  
planned with swimming, ball  
games and free refreshments.

Chemists working on gas analysis at the  
gas works laboratory at Harrison, N. J.

## WORKING FOR YOU

The gas you burn at home, or in your factory is the  
product of one of the oldest of all chemical engineering  
processes.  
Chemists and engineers are at all times at work to see  
that the gas delivered to you is of the highest quality; that the  
heat content remains constant so that each successive  
cubic foot is the same as the cubic foot just burned.  
They see to it that all impurities are removed which  
might hinder the operation of your gas-burning  
equipment.  
To maintain such a high standard of product through-  
out as large a system as that of Public Service is no  
small job. But it's one of the things that must be done  
so that you may enjoy the comforts of gas—the wonder  
fuel which saves you time, work and money.  
It costs millions of dollars to bring you this gas service  
—and Public Service is on the job 24 hours a day to see  
that you have dependable round-the-clock gas service.

# HARRY SULLIVAN IS ONE OF THREE NEW HOSPITAL TRUSTEES

American Legion Tri-County Memorial Names Jeweler And Lyndhurst Woman To Board

Commissioner Harry J. Sullivan, director of Public Safety, has been elected one of three new trustees of the American Legion Tri-County Memorial Hospital, of North Newark. Besides Commissioner Sullivan the other new directors are Richard Hartdegen, a resident of Essex Fells and owner of Hartdegen Jewelers

of Newark, and Mrs. Beatrice Fontana of Lyndhurst. Election of the trustees from three key sections of the hospital's service area coincides with the campaign to raise \$150,000 for enlargement and modernization. Commissioner Sullivan is executive vice-president of the New Jersey Advertising Association, a member of Knights of Columbus, Newark Police Anchor Club, a trustee of the Robert Treat Council of Boy Scouts and is president of the Belleville Police Athletic League. Mr. Hartdegen recently retired from the New Jersey National Guard after 30 years of service, is a member of Newark Post of the American Legion and a former deputy commissioner in Newark. Mrs. Fontana is a member of the Lyndhurst Board of Education, is a past president of the Women's Club there, president of the Lyndhurst Library Board and has been active in other civic affairs.

## Clinic and School For Cerebral Palsy Child Victims

Pictured above is the new Essex County Cerebral Palsy Treatment Center to be constructed in the suburbs to replace the present inadequate facilities that exist in Newark. Architects' plans for the unit to cost \$300,000 were approved this week at a meeting of the executive committee. The building will be the most modern and well-equipped structure of its kind in the United States. Plans call for an ell-shaped, fireproof building, one-story high, with additional space in the basement.

## Life at BHS As We See It

Peggy Kelly and Evelyn Hannon

"Strike three—you're out!" We hear a few of the girls from BHS's "Leaders" club and one of their professional advisors crawled through a round of golf, Friday afternoon. The new version of a golf team are real pros, though. They came up with scores like 66, 74, 79, and 81. Of course, they didn't want only by the upperclassmen. They played only nine holes. We're not sure who the girls were but "professor in charge" was Marie "The Babe" Pettito.

However, we are able to disclose that Belleville High's version of Shirley Temple won the prize for the best score of the day. While some girls with the initials P. K. hit the jackpot—at least we think it was the jackpot!

Ranking tops on our list of professional entertainers is a man by the name of Mr. Rank. In an assembly Thursday morning, view, ed only by the upperclassmen, Mr. Rank and his "one man theatre" entertained the students with his own rendition of Shakespeare's "Macbeth." The "quick change artist" first explained the story on which the play was based and then proceeded to give excerpts, portraying different characters from the actual play. He certainly impressed the audience with his perfect diction, impressions of the characters, and the beautiful cost

umes and scenery which he brought with him. Shakespeare wasn't cut and dry when put across to us this way. Finally we have had an assembly worth the money.

Hurray! We knew you fellows could do it. Belleville High's baseball team finally broke their slump as they defeated Passaic in a second game with that team. Behind the strong pitching of Terry Gahr our victors came up with a 4-0 win. Remember, this is just the start; let's have an undefeated record from now till the end of the season!

Belleville does it again! Last Friday afternoon our crew went to Philadelphia to race Lower Merion, and as usual, the tremendous night chalked up another victory. However, we must announce, unfortunately, the freshmen and the JV teams didn't fare quite so well, as they met defeat at the hands of the boys from Lower Merion. Congratulations to all of you for a swell race!

Out of the dusty corridors into the bright room, creep "the mob." The time? Friday morning. The place? Belleville High's auditorium. The mob? Need you ask? They were Doyle's boys. Yes, along with Sandy Smith's "barrel of fun" and Howie Irving's band, the campaign parade began its rowdy march through the assembly with the usual color and clamor. Balloons were let loose and signs for a period of about thirty minutes. Then the candidates got their chance to tell the students why the "X" on the ballot should be placed next to their names. Outgoing president, Charles Maguire, kept the program moving by introducing the speakers and their managers and keeping order so that each speaker could be heard.

Just in case you have forgotten, here's a list of the candidates from which you must select your new officers. Secretary, Beverly Campbell and Carol Youcum; Treasurer, Pat Fitzsimmons; Pat Smith and Jean Dufford; Vice-President, Howie Irving, Nick La Para, and Joe Dente; President, Sandy Smith, Harry Valente, Jack Haft, Bob Doyle, and Larry Donofrio. Remember, "cultivate" your mind and "pick" the right candidate!

A Belleville High's rendition of an election ball put the finishing touches on Friday's schedule. The Bee-Hive season was discontinued for a while with this unusual twist which, incidentally, added to its usual success. "Co-Kim took charge of the procedure of the evening as he made with the introductions and shared a little of the really entertained the students. They employed the "Downbeats" and persuaded Lorrene Ross and her chorus, "Brimmington," Maureen Fogarty, and Pat Fitzsimmons to make this Bee-Hive the best. It was really tremendous. Our congratulations go out to all the students and teachers who worked hard to make the program successful!

Another Belleville High grad makes good! Bob Valentine who learned his art from Mr. Diehl and the Arts Students' League has opened an art studio at 18 Carpenter Terrace right here in our own little town of Belleville. We guess he's pretty good because during the war he received a spread in Life Magazine for the art work he was doing then. Lots of luck, Bob!

PLEASE NOTE—the Spring Concert which was originally scheduled for this evening has been postponed to the date of May 27. This is just a reminder to make sure you don't arrive at the school this evening and to make sure you keep next Wednesday clear for an evening of some wonderful entertainment.

Speaking of noting things, we hope you aren't letting Will Rock down. He needs your support now more than ever. Don't forget the money and the cards and letters. We know he'll really appreciate a little remembrance.

In conclusion, on behalf of the Civil Defense Committee, for Belleville and surrounding district we'd like to warn you after seeing the sale on the course last week, forget the flying saucers—be aware of flying golf balls!

To Speak At Convention  
The theme of Dr. John A. Struyk's Sunday sermon at Belleville Reformed Church will be "The Tensions of Life." All are invited to visit the old church. Dr. Struyk will address the Convention of Knights of Pythias at Fort Plain.

# You really GO

When you go Ford V-8 you get this fine car power without paying a premium.

What kind of engines are you finding in more and more of America's finest cars? Yes, V-8 engines. And no wonder, for no other type of car engine available today can beat V-8's for compactness... and for smoothness. And Ford, only Ford offer you a V-8 engine in a low-priced car! It's the wonderful result of Ford's experience building more V-8's than all other makers combined... over 13,000,000 of them.

# when you go V-8

It's just one of 41 "Worth More" features that make Ford worth more when you buy it... worth more when you sell it.

Imagine! A car so low in first cost keeps its value better than any other car on the American Road. Used-car figures on last year's cars prove that. And with its 41 "Worth More" features, this newer, finer '53 Ford holds still greater promise of long-lived value. You'll find built-to-last Crestmark Bodies. You'll find a new kind of ride that practically "repairs" the roughest roads. And these are but samples of the reasons why Ford is worth more when you buy... worth more when you sell.

Church Group Of 60 Children Present Show For Benefit Of Choir Robes; Stage Enlarged

About sixty children of Fewsmith Memorial Presbyterian Church, most of whom are members of the Fewsmith Junior Choir, took part in "The Land of Dreams Come True", an operetta in three acts, presented at the church on Saturday, proceeds of which went toward the purchase of new Junior Choir robes. Mrs. Richard Braen, Junior Choir Director, directed the production. The stage was enlarged to accommodate the large cast, comprised of children in Grades 1 through 8. Songs, dances, costumes and scenery made this a gala affair.

Leading roles in the operetta were taken by Kathy Seasholtz, Edwin Johnson, Beverly McWaters, Paul Koskey, and Linda Bartlett. Others in the cast were Kathi Pleni, Diane Owen, Kurt Gersch, Louis Grulich, Martha Leyble, Harry Winfield, Helen Denzler, Eddie Haglund, Pamela Frazier, John Morse, Peter Wendel, Diane Kramer, Diane Hansen, Marilyn Vitale, Barbara Pleni, Suzanne Quimby, Helen Sibilia, Louise Griffin, Gay Anderson, Janet Rose, Dot Landies, Elline Crawford, Carol Brownbridge, Carole Weeks, Betsy Otis, John Otis, Kenneth Long, William Van Ness, Lois Link, Walter Orth, Linda Homan, Jo Ann Chasser, Kathryn Gresson, Charlene Stosik, Carolyn Tietze, Carol Leany, Jo Ann Hodgson, Helen Loeferer, Linda Glenney, Eleanor D'Angelo, Jane Witte, Patricia MacGeorge, Jacquelyn Barbanck, Jane Lay,

The Senior Fellowship elected the following into office:—moderator, E. Van Thomas, Jr.; vice moderator, Miss Barbara Robinson and Treasurer, Miss Barbara Metcalf. A banquet will be held Sunday night honoring the newly elected officers at seven o'clock in the social hall. All parents of the young people are invited. Speakers will include, Dr. James K. Morse, pastor, Robert Stevers, Jr., chairman of the Elder's Youth Committee and Sam T. Muijs, Youth Director.

Children baptized at the Mother's Day service last Sunday were: Peter Magraw, Cross, Jeffery Arthur and Judith Helen Muller, Bruce Henry Ross, Richard Scott Baldwin and Laura La, Verna Buchanan. Sunday morning Dr. Morse will preach a special sermon on the book of Job, "Why Do the Innocent Suffer?" Ruth Lurie, Soprano Soloist will sing, "How Beautiful Upon the Mountains" by Harker.

**Final Meeting**  
The Bayley-Seton League will hold its final meeting of the season today at 2 p.m. in the Little Theatre, Seton Hall University, South Orange. Mrs. Raymond G. Everett will preside at the business meeting, at which time newly elected officers will be installed and new members received.

**Named Association Treasurer**  
Miss Audrey Maisie, daughter of Mr. and Mrs. Charles Maisie of 18 Forest Street was recently elected Treasurer of the Vassar Community Religious Association, a non-denominational student organization. A freshman at Vassar, Miss Maisie is a member of the Vassar Choir that recently gave the musical "The Sound of Music" in the college chapel.

**Musicals To Be Held Here**  
A musicale for the benefit of the Women's Committee of the Nutley Symphony Orchestra was given by Eleanor Bacon-Fleck at her home, 87 Preston Street, Sunday evening at 8:30. Helen Sherman and Helen Van Ness, pianists, played three groups of two-piano compositions. They were assisted by the Nutley Orchestra, dramatic soprano of Banton Manor. Her accompanist was David Williams.

**President of Class**  
James T. Wasdyke of 8 Tremont Avenue has been elected president of the class of 1956 for the next school year at Newark College of Engineering. He is a graduate of Belleville High School.

### Belleville Library To Mark Book Festival With Exhibit

The Belleville Public Library will hold an exhibit for one week beginning today in celebration of the New York Herald-Tribune Children's Spring Book Festival. Parents and children are urged to visit the display in the Junior Department of the library.

Initiated in 1937 by the New York Herald-Tribune, the Book Festival has made great strides in its effort to encourage more children to do more reading the year round. Libraries, schools, book stores and civic groups help to sponsor the event which gives young readers and their parents a chance to see the best in children's books.

**Marks 25 Years With Company**  
Richard J. Browne of 19 Murts Avenue was tendered a dinner Monday evening at For-Hills Restaurant by Wallace & Tiernan Co. of Belleville in honor of 25 years' service with the company. He was presented with a gold watch and diamond pin.

**Receives Doctorate Degree**  
Samuel W. Peck, Director of Music of the Belleville public schools, was granted a Doctor of Education degree by Columbia University on Tuesday. He received his A.B. and M.A. degrees from Boston University.

### Lieutenant Home From Korea Sees Daughter For First Time

First Lieutenant Samuel Amosato Jr. of 601 Joramelon Street, saw his five month old daughter Norene for the first time when he flew home from San Francisco last week after spending nine months in the front lines in Korea. He will be stationed at Camp Kilmer until his separation from the army in September. Lt. Amosato, who entered the army in 1951, was made a company executive officer with an Armored Division in Korea. His wife, Claire, and parents, Mr. and Mrs. Samuel Amosato, reside at the Joramelon Street address.

### Youth Fellowship Picnic

The youth fellowship of Wesley Methodist Church will meet at the church Sunday at 2 P.M. to leave on a picnic sponsored by the Sub-District MYF to be held at Drew University. Anyone who wishes to attend this affair may come to the church with their supper. The refreshments will be provided by the Sub-district MYF Council.

### Mrs. Ruth Reynolds Named Republican Club President

Mrs. Ruth Reynolds last week was installed as president of the Belleville Woman's Republican Club, after having served as first and second Vice-President and as Civics Chairman. An active member of the State and County Women's Republican Clubs, Mrs. Reynolds was also recently named Publicity Chairman of the VFW Women's Auxiliary 275 of Belleville. In addition to these functions, she is also Program Chairman of the Belleville Woman's Club and has participated in drives for the Red Cross, March of Dimes, Community Chest, and Cancer Funds.

**Named Treasurer**
