## Dies Suddenly

### DR. MORRIS ROCHLIN DIES HERE AT 58

Town's Prominent Dentist  
Dies After Brief Illness;  
Once Headed Family Service

Dr. Morris Rochlin

Dr. Morris Rochlin, of 553 Washington Avenue, former president of the town's Family Service Bureau, died last Friday in the Presbyterian Hospital, Newark, after a brief illness. He was 58.

Dr. Rochlin was born in Passaic. He had lived in Belleville and practiced dentistry here since his graduation from the University of Pennsylvania Dental School in 1921. He was past president of the Lions Club, past chairman of the Sinking Fund Committee and a member of the Elks Club.

He leaves his wife, Mrs. Morris Rochlin, a son, Dr. Donald Rochlin, now an intern at the hospital, and the University of Pennsylvania; two brothers, Dr. Jack Rochlin, of Passaic and Dr. Robert Rochlin, of Newark, and two sisters, Mrs. Mollie Tardner and Mrs. Bessie Glass, both of Passaic.

Services were held last Sunday at the home of Philip Acker and Sons, Inc., 178 Stratford Place, Newark. Burial was in King Solomon Cemetery, Clifton.

## EASTERN TOOL CO. ACQUIRES ASSETS OF THE ACME, INC.

Jersey City Co. Manufactures  
Gem Paper Clips; Also Wire  
Forms Same As Local Plant

Eastern Tool & Manufacturing Company of 1 Montgomery Street, Belleville, metal parts and specialties manufacturers, on Tuesday acquired the plant, assets and properties of the Acme, Inc., of 1001 Avenue C, Jersey City. The Acme firm was the producer of the Gem paper clip and produced wire forms in competition with Eastern Tool.

The Acme firm was established more than forty years ago. Eastern Tool & Manufacturing Company will continue operations in the Acme plant, manufacturing all the standard and specialty items now being produced. Some wire form production now carried out in Belleville may be done in Jersey City to relieve the pressure on production at this time.

The transaction marks another expansion of the Eastern Tool & Manufacturing Company, since it moved from Hoonfield to its Belleville location in 1946 the company purchased the assets of the C. T. Williamson Company, as part of this program. Williamson's production is now carried on in an industrial building on the Eastern Tool premises here.

Eastern Tool represented in the negotiations by C. E. Peterson, president; C. E. Anderson, treasurer; Nelson P. Aronson, Jr., president and Charles Clancy, attorney. The Acme firm was represented by Peter Igoe, president; Frank G. Krumm, vice president; William H. Lauber, James V. Igoe and Louis Levy, attorneys.

The Jersey City plant comprises about 20,000 square feet in a building of its own. The firm has been in operation for more than two years since the premises, Belleville, were acquired by Eastern Tool, says no changes in operation are contemplated for the near future, but at some future date all the manufacturing may be moved to the local location.

## Sentenced To Jail

George Mann of 18 Erie Place, Newark, was sentenced by Judge Edward Abramson, yesterday, to a charge of larceny. Mann pleaded guilty and was ordered to pay \$1,000 bond, when unable to raise a \$1,000 bond, he was sentenced to the County Jail.

## HOSPITAL FACING LOSS OF SUBSIDY, SPEEDS ITS PLANS

Federal Civil Defense Authorities  
Want Work Started On  
Belleville Hospital

Responding to the request of Federal Civil Defense authorities that all programs and plans covering Civil Defense be expedited, the board of trustees of the Clara Maass Memorial Hospital held a special meeting with the building committee and the architect this week and studied plans for speeding up the start of construction of a new hospital in Franklin Avenue, opposite Branch Brook Park, in the Silver Lake section of Belleville.

The Hospital had received a \$2,000,000 Reconstruction Finance Loan upon approval of Federal Civil Defense authorities to build a \$4,500,000, bombproof, 100-bed hospital on a 14 acre site.

George Schaffmeyer, of Federal Civil Defense, and Charles G. Schaffmeyer, president of the Hospital Building Committee, presented plans of the new building, designed by Harry Trotter, president of the Hospital board, that the land surveys have been completed and that test borings will begin in the next few days. Schaffmeyer also announced that the plans would be ready for bidding by September 15.

John F. Kiddle, president of Walter Kidde Co. and chairman of the new building fund, announced at the meeting that a \$5,000 subscription to the building fund and to the general public was received in the drive, showing the exact status of the building fund and of what is needed to complete the job.

The letter, being sent out over Kiddle's signature, states that the project has been in the making for the past three years since the doctors on the staff of the Hospital purchased and donated the land.

The letter reports that the campaign of 1950 produced \$650,000, and that recently the doctors have pledged another \$100,000 to the drive. The letter anticipates that \$400,000 should be realized from the sale of the present building. In Newark, the \$2,000,000 R.F.C. loan, these reports find approximately \$3,150,000 available. Estimates of the amount needed to complete the hospital building and install necessary equipment range from \$4,500,000.

Kiddle announced in the letter that a new drive for funds will be inaugurated in the near future to complete the drive. "Through an analysis of the last drive we have every reason to believe that the workers and people living in the area will again support the Hospital in the Park to the hilt," Kiddle wrote in his report. "In many cases industry was generous three years ago, but it is our feeling that greater efforts must be expended to show industry what an important stake they must have in this project, before their full support can be obtained."

"A third major channel to be explored is the field of specific gifts and memorial donations."

## Children Go To Mayor With Charity Funds

Belleville children as usual have been raising money for charitable purposes during their summer vacation and as usual they have been taking it to the office of Mayor James J. Tully for dispersment to the proper funds. Marilyn Stosik, Charlene Stosik and Diane Bilik went to the right place with \$32.25 for the March of Dimes, and appear in that order on the Mayor's right. Bobby Macchia, Mary Benicenne, Grace Benicenne, Florence Attanasio, Frank Rusignoli, and Mary Jo Romano collected \$4 for another charitable venture at the same time and appear at the Mayor's left.

## Takes Civil Defense Course At Fort Devens

Edward J. Lambrecht, chief of mess services of the Defense welfare services of New Jersey Civil Defense, showed mess services to the rear of his group of civil defense leaders who are learning to make kitchen utensils out of tin cans, coat-hangers and shingles, at the emergency mass feeding course at Fort Devens, Massachusetts. The course given August 25 to 27 was jointly sponsored by Federal Civil Defense Administration and the Department of Defense.

## Arkansas Youth Sentenced By Abramson For Car Theft

Judge Edward Abramson sentenced Robert Q. Tresner of Fayetteville, Arkansas, to three months in jail, yesterday, on a charge of stealing a 1950 Ford coupe from Robert Ryan, 18, of 11 Belleville Avenue, last Saturday.

Officers Russomano and Lister apprehended the 20-year-old youth while travelling south on Franklin Avenue 5 minutes after the theft had occurred. A 14-year-old Belleville boy was accompanying Tresner. Tresner claimed that he had planned to use the stolen car till they were out of city limits, and then to hitch hike the rest of the way to Arkansas.

### WALLACE & TIERNAN EMPLOYEES GO FOR CHARITY DEDUCTION

Fourth Firm Joins Ranks Of  
Those Supporting Agencies  
By Own Charity Committee

The employees and management of Wallace & Tiernan Company, of Main Street, have become the fourth such industrial group to co-operate in a payroll deduction plan for supporting local charity drives. Walter Kidde, Westinghouse and L. Sonneborn Sons have payroll deduction plans in operation. Kenneth J. Smith, president of the Belleville Community Chest and George Toto, co-chairman with Mrs. Smith, of the payroll deduction committee, announced the organization of the Wallace & Tiernan Charity Fund Committee last week.

Payroll deductions in local plants can be the salvation of local charity drives, such as are conducted by the Community Chest and Red Cross. Because plants in our neighboring communities, have such plans and expect Belleville people working there to give some of their money back to the social service organizations of the community.

With the cooperation of William Orchard, plant manager, the Wallace & Tiernan Charity Fund Committee, composed of John S. Smith, president of the Independent Union in the plant, acting as secretary; Isabel Beland, treasurer; Thomas A. Grant, treasurer; Thomas J. O'Grady, vice chairman; and Rod Flynn, chairman of the plant last week and signed up almost 100 per cent of the employees.

The Wallace & Tiernan Charity Fund Committee will distribute the money on a percentage basis to the Community Chest and the Community Chest, plus the Cancer Society, Heart Fund, March of Dimes and the Salvation Army. Other organizations specified by employees will also share in the fund.

In addition to the four plans fully organized, the union members representing a large proportion of the workers at the Wallace & Tiernan Corporation have indicated a desire to have the payroll deduction plan initiated in their plant. The management is studying the proposition to see what its effect will be upon its payroll department.

Special Fund  
So far the Belleville Community Chest, through Mrs. Smith, Mr. Toto, have been carrying the ball in the promotion of this means of raising funds, although the Red Cross, in every case, gains just as much in the end as does the Community Chest. So that the Community Chest will not also stand in the way of the Red Cross in their full support can be obtained.

"A third major channel to be explored is the field of specific gifts and memorial donations."

## Local Patrolmen Catch Two Car Thieves With Shots

Two local patrolmen fired two shots and brought to bay two Belleville juveniles, one 11 and the other 14, who were fleeing on foot from a high speed stolen car on Wednesday night. Patrolmen O'Toole and Hood snatched the car in a parking lot west of Municipal Stadium at 7:20 a.m. The patrolmen fired a shot at the car on Monday night from the Lehigh Chevrolet Company of 514 Washington Avenue.

As the patrolmen approached the parked car, the two youths fled in a high speed car. The patrolmen followed after firing a warning shot into the air. O'Toole then spotted one of the boys running from the base of a large tree and the patrolman fired a bullet into the chest. The 11-year-old youth immediately surrendered and his companion was captured a few minutes later by Patrolman Hood.

The pair were taken to the detective bureau for questioning about the car.

## Teachers Report For Meetings On Wednesday; 231 On Teaching Staff

Many School Manuals Available

Belleville's Public Schools, kindergarten, through high school, will reopen on Thursday, September 10. Superintendent of Schools Evan H. Thomas expects a total enrollment of 5,300 this year, about 200 more than last year. All new entrants, including kindergarten children, must present a vaccination certificate by October 10.

For the school teachers the summer is over on Wednesday, September 9, when a series of staff meetings will be held. At 10 o'clock all the principals and staff members will meet in the Superintendent's office. Following the principals' conference there will be a general teachers' meeting attended by all principals, supervisors and teachers in the auditorium of School Number Eight at 11 o'clock. The general teachers' meeting will be held at 11 o'clock. The general teachers' meeting will be held at 11 o'clock.

It is enough to say here that it has been universally established by the progress in experimentation and research that kindergarten training is fundamental to a child's progress in school and through life.

Most Already Registered  
Most children were registered for kindergarten in the closing months of the past school year. If your child is not registered, we respectfully request that you register your child for kindergarten on the very first day of the school year, on September 10, if at all possible, so that he may enter into his adjustments to be made when all other children are having similar experiences.

"Children who shall have never attended any public or private school may be admitted to a public school during the ten days immediately following the opening of said school and at no other time except by a majority vote of all the members of the Board of Education of the school district in which said school shall be situated." Interested and able parents will recognize the importance of having their children registered promptly and on the very first day.

High School  
The first session of the high school begins at 9:00 a.m., Thursday, September 10. The school principal and teachers should be carefully observed by each student.

Several buses leave Silver Lake at 8:45 a.m. and one leaves at 8:45 a.m. to accommodate those pupils within the school district who are transferred to high school. Promptness in being at the starting point is recommended of those who are transported.

It cannot be too strongly emphasized that every boy and girl qualified for high school should continue his education. Nothing but eventual disappointment and loss of opportunity can be predicted for boys (and girls) who leave school and do not complete their education.

Finish School  
During the present critical times, jobs are plentiful and the labor market may be glutted, and untrained and uneducated persons may find themselves jobless.

Education is something that can be attained by personal effort and application. Completion of the education is the only way to success.

### Hot Weather Talk

If the temperature and the number of candidates could have been reversed, Tuesday and Wednesday, Coach Eddie Berlinski of the Belleville High School football team would have been pleased. Coach Berlinski is not one to wet the crying towel with crocodile tears, but he would rather have nearer 109 candidates and nearer 60 degrees of heat than he would 60 candidates and 100 degrees of heat. As things stand he had hopes of holding football drills twice a day until school opens, but the heat has been so oppressive that the afternoon drills have been called off completely and the morning drills considerably curtailed. In the long run Belleville will not suffer, because most of the coaches in the area have cut their practice sessions, also, and will be no further ahead.

Lane Coach Jitty Wische, who lives almost across the street from Clearman Field called attention to the physical fitness of himself, just returned from a season at summer camp and Coaches Berlinski and Ray Smith, in fine shape after a summer on the playgrounds and two weeks with the Army Reserve. Then he pointed across the street to his house and said, "We're in shape but that gardner is about 80 years old and he is digging up the lawn."

Joe McLaughlin of the News sports staff was at practice on Wednesday and after looking over the boys went into the field house with the coaches to get the lowdown for a story he promises to write about Belleville today. Joe has been around long enough that he will get a good story even though the coaches got far off the track many times during the gabfest.

Coach Berlinski who likes to dream up dippy-doodle plays and to try them out in the game, usually gets some free advice from Coach Wische. "It won't work."

A couple of years ago Berl dreamed up a beauty. The team spent five or ten minutes on it every day for a week to work it on. Nutley. In practice something always went wrong. One player or another was in the wrong spot, either to louse up the play altogether, or to give it away. Then came the day of the game. The great play was called. Everything moved with precision. The pass got away to the right spot, the receiver raced to the goal line with a half dozen Philberts in pursuit. As the play started, Coach Berlinski turned to Coach Wische and said, "What did I tell you?" But in the instant he was turning his head, he, like the whole Nutley team, failed to see that the receiver dropped the ball and the play was a complete flop.

That's why Coach Ray Smith gets the needle out the very first day and wants to know what trick play the team will practice the first week.

Along this line, the Coaches were talking about how Belleville lost the Irvington game last year with a forward pass from its own goal line. Ray Smith had come back with a report of a weird defensive setup by Irvington, after scouting them, so the "Brains" decided they had a pass out into the unguarded left flank, which would go for 50 yards the first time it was pulled. The team practiced the play 50 times before the Irvington game. As the intended receiver went through the line he cut to the left into the unprotected territory, as called for on the blackboard diagram. In the game however the receiver zigged when he should of zagged and ran almost smack into the only defensive man within 20 yards of the line of scrimmage. The defensive back, not the Belleville back, caught the ball for an easy touchdown, the one which cost the team the game.

Berl says he can hear the crowd yet, "That Berlinski is a Bum."

Physically the Belleboys look as if they will be bigger in the starting lineup than last year. But the pep supplied by Tom Appicelli, Don Miller and Ralph Vara in the center of the line is going to be hard to reproduce. Appicella, incidentally has been induced to enter Syracuse University.

When John Gibson came to Belleville to run a kicking clinic on the playground program, he took under his wing Bill Chapman and Bob Paganelli, a sophomore. Both learned considerably and as a result have improved their chances of making the team this year, for their ability to boot the pigskin. Don Pomponio, who made his letter last year for kicking and trying the points after touchdown, seems to have the desire to really play football this year. Up until now he has just been a big fat kid. Now that he really wants to play, his 230 pounds might come in handy in the line, which has been riddled by graduation.

Reports from nearby fields have it that Montclair can't miss again this year and that advance notices about Nutley's new coach are true.

Despite the fact that Belleville plays against five new coaches this year, Ray Smith says his job as scout has been considerably simplified. All are orthodox, regardless of their system. Such was not the case, at least in Irvington in the past. Ray says his only tough one now is Argauer, who springs a different trick on each team he plays, in hopes of getting that first touchdown and the jump on his rivals.

## 57Candidates Brave Heat To Work Out Under Berlinski

### Line Will Lack Experience But May Be Bigger And Heavier Than Last Year's; 4 Quarterbacks

With 57 candidates reporting for football on Monday, Tuesday and Wednesday, Belleville High's grid season got under way this week. Monday was spent on physical examinations and the passing out of grid equipment. Two sessions of practice were scheduled for every day this week, but because of the heat were cut down to one drill. Early practices usually are spent on conditioning work, such as laps around the field, and other warm ups to work off summer softened fat, but this year, the slightest movement was enough to get a boy dripping wet in the morning sun. But Coach Ed Berlinski wasted no time. As early as Wednesday, he picked a tentative lineup of experienced candidates and ran through a brief signal drill.

Belleville's principal job is going to be finding not only starters but relief men from one end of the line to the other. A number of boys have the physical attributes and some seasoning, which should give them the edge, but the old desire to play will eventually be the determining factor. As of now, the line looks as though it will be bigger than last year's forward line, but whether it can move as well as take it, remains the big question mark for the time being.

Belleville's backfield should be quite strong, with depth in most positions. The team is particularly well beelied with quarterbacks in the persons of Rocco Caffaro, Glass and Confe, although freshmen last year, both played with the Jayvees. Besides Gahr, at a halfback, the team has Joe Mignone, the second fastest man in the state; Bill Chapman, and Larry Donofrio, who played offensive end, and defensive back last year. At fullback, Bob Doyle, not as yet among the candidates, because of a job; Bob Auten and sophomore Bob Paganelli seem to have the inside track.

In the line Ed Grey, one of the co-captains should have no trouble folding down one of the tackles. There are several strong candidates for the other tackle spot, several of whom may be candidates for center. Frank Scarpelli, a vet of last year and Richie Zinf, can be outstanding candidates at either position. Both are among the bigger boys on the squad. Other tackle candidates who rate a good chance are Tom Dolan, Don Pomponio, Jim Lewis and Les Eyerkes.

With Scarpelli and Zinf leading the list the center candidates also include Richie Macaluso, last year's Jayvee center. At guard, where things are wide open the outstanding candidates are Nick Vars, Ramon Marrone, Bill Tobin, Ken Jacobson and Ed Bucciarrelli.

Among the end candidates must be counted Donofrio, Tom Dolan, Nick Cocco, Carl Colucci and Al Zalewski. Other candidates for the team are: John Bucciarrelli, Ronald Bergamini, Allan Bessmar, Sam Perna, Bill D'Amolho, Root Wis, Bob Casale, Bob Casotti, Joe Bazzano, Bob Mason, Joe Serritella, Stan DeTollo, Ray Skocnyas, James Appel, Frank Dulio, Richard Hange, Donald Bray, Bob Pastors, Bob Domenick, Bob Gruelich, Gerald Tribuna, Mike Del Bon, Joseph D'Angelo, Ronald Benedetti, David Olphin, Carmine Giallilla, Carl Parzanese, Jerry Liore, Frank Effenberger, James Cook, Jack McCabe and Ed Kosinski.

## PAL SEEKS COACHES FOR SOCCER LEAGUE

### Members Go To Polo Grounds To See Baseball Game; Senior Ball Team Bows To Newark

The Belleville PAL is looking ahead to cooler weather and makes an appeal to any men who have formerly coached soccer or who wish to coach in that sport to aid them in the PAL Minor Soccer League. A meeting of those interested will be held at the Field House of Belleville Park on Wednesday evening at 7 o'clock. Anyone who would like to assist in the soccer equivalent of baseball's "Little Leagues," should contact Joseph Hurdies at Plymouth 9-1590.

Last week 232 PAL members attended the baseball game between the St. Louis Cardinals and the New York Giants at the Polo Grounds. Six buses were used for transportation. The PAL members were under the supervision of Belleville Police and Firemen who gave up their days off to escort the youngsters.

Belleville's team in the State PAL baseball league was defeated by Newark 6 to 1 at the Stadium last week and as result can be expected to finish no better than second place. The victory puts Newark one full game ahead with only three contests remaining for each team.

Mitch Cuberley of 121 Bell Street is a guest this week at Great Barrington, Massachusetts.

## Lew Warham Here For Golf Exhibition On September 25

Lew Warham, World's champion golfer by virtue of his recent victory in the Tam O'Shanter Golf Championship in Chicago, and leading money winner among golf pros of the country, will appear in a special match at the Forest Hill Field Club on September 25 for the benefit of the Clara Maass Memorial Hospital Building Fund. The event was arranged by John P. Kilde, chairman of the building fund and Calvin Koch, president of Forest Hill.

The event will be Warham's first exhibition in the east, since he sank the memorable wedge shot on the 18th hole, at Tam O'Shanter, for an eagle duce to win the \$25,000 prize.

# Mrs. Anne S. Gill Sails Joins Husband In Venezuela

Couple To Celebrate 3rd Wedding Anniversary  
Lloyd E. Gill Employed As Geologist  
In Caracas With The Texas Petroleum Company

Mrs. Anne S. Gill, wife of Lloyd E. Gill, formerly of 22 Montgomery Place, is sailing on a cruise line steamship for Venezuela, where she will join her husband to celebrate their third wedding anniversary at the Hotel El Conde in Caracas with dinner and dancing. After three days in Caracas Mr. and Mrs. Gill will fly to the Texas Petroleum Company camp, where Mr. Gill is employed as a geologist, about 100 miles south of the capital city. There they will live in a company house.

For recreation the camp has a club house with library, soda fountain, bar, barbershop, billiard tables, bowling alleys and a nine hole golf course for those who like that sport. The camp's own power station provides electricity for the establishment and for a radio station for communication with Caracas.

**Belleville H. S. Graduate**  
Mr. Gill, who attended No. 10 School and was graduated from Belleville High School, attended Fairleigh Dickinson College and was graduated from Louisiana College where he majored in geology. After almost a year with the National Geographic Company in the Denver office, as a computer, he joined the Texas Petroleum Company to do seismic work. He went to the Las Mercedes field in Venezuela on May 11 and has been there ever since.

**Does Well Site Geology**  
His duties consist of doing well site geology, writing up reports and map work. To determine the location of a prospect well the geologist uses the Schlumberger survey, which consists of electric logs, sidewall cores and computing the resistivity of the drilling mud. To further evaluate the well, drill stem testing is used after the Schlumberger survey is run. The well-site geologist interprets the electric logs and analyzes the sidewall cores to determine whether hydrocarbons are present and whether the hydrocarbon is gas or oil. If the interpretation is favorable, a drill stem test is run to obtain samples from the formation, so that a decision can be made about completing the well. So far Mr. Gill reports, he has had two oil wells, two gas wells and one dry hole.

For any young fellow who is interested in working in the oil business, Mr. Gill advises, "The average day in any one location is from two to four months. If the geology in the area is completed, the day is over."

A surprise shower, given in honor of Miss Barbara Mayhew, of 548 Franklin Avenue, was held last Thursday at the Eagle Hall, Bloomfield. The shower was given by her friends, Mrs. Gladys Morello, of 3 Hilltop Street, and Miss Anna May Moraski, of 537 Franklin Avenue. Thirty people attended. Miss Mayhew will be married to September 26 to Prof. DeAngelis, of Yonkers, N. Y., at St. Peter's Church.

Mr. and Mrs. Andrew Goddard, of 147 Branch Brook Drive, returned with their children, Alan, Drew and Linda, returned last Friday from a two weeks stay at Point Pleasant.

A two weeks stay at Oak Beach, Long Island, ended for Mr. and Mrs. Frank Walsh, of 88 Branch Brook Drive, last Sunday. Their sons Michael and Donald accompanied them.

Mr. and Mrs. August Seisler, of 30 Stephens Street, just returned from a two weeks stay at Rushin, Florida. They returned last Sunday.

Mr. and Mrs. J. St. Howland, of 177 DeWitt Avenue, recently returned from spending the month of August in Seagriff.

# OLYMPIC PARK TO SHOW FIREWORKS THIS LABOR DAY

Troupe Of Dancing Horses Will Share Top Billing; Concerts To End Sept. 13

Features of the season's final week at Olympic Park will be a fireworks display on Labor Day and a new, four-day show in which top billing goes to a troupe of dancing horses. There will be daily concert entertainment in celebration Sunday, September 13, to mark Captain Joseph Bagley's 50th anniversary as a handmaster.

Rudynoff's Balletina Horses are the top act in the show days Monday and, in turn, Mrs. Erna Rudynoff's presentation of Shamrock, Dare and a dancing stallion, highlights the act. An unusual aspect is the fact that she rides despite an artificial limb which followed a fall when she performed in the old John Robinson circus.

A returned Korea GI, who bills himself as Rolando, ballets on one finger atop a 12-foot pedestal in one of the week's other acts. Rounding out the bill are Jeanne Robinson, xylophonist, and the Three Parks, acrobats.

Monday's fireworks will be shown at 10 p.m. The Basile celebration will bring music world personalities from afar for the Olympic Park tribute to the last Orange musician, who also is a handmaster for the television show with circus background.

Miss Jean Ranig

Miss Jean Ranig, daughter of Mr. and Mrs. J. Ranig, Jr., of 109 Adelaide Street, has announced the engagement of her daughter, Jean, to Leonard John Sokol, son of Mr. and Mrs. L. Sokol, of 231 Linden Avenue, Irvington.

Miss Ranig, a graduate of Belleville High School, attended Beaver College, Pennsylvania, and is employed in the Accounts Department of the American Insurance Company of Newark.

Mr. Sokol, a graduate of Belleville High School, and recently returned from Korea where he served as a major surgeon.

He is currently employed by the Mallon Pontiac Company of East Orange.

of high school gives a young man or woman a definite advantage over the person who has failed to complete a high school program. Parents can help in giving wise guidance in this respect.

**CHANGES THIS YEAR**  
The total instructional staff this year numbers 231, has been changed with 228 last year. Changes in the administrative staff provide for the services of specialist teachers in the following areas:

Miss Carolyn A. Pohl, former third grade teacher in School Number Three, has been selected by the Board of Education last May to fill this position. Part of her duties will embrace those previously performed by our resident teacher, Walter Watzul, who has resigned.

Miss Pohl's assignment will be particularly to work with elementary clementines in the improvement of our reading program. Thus, her efforts will be more in the prevention of reading problems, rather than upon the correction of problems after they arise.

His supervisory staff will, of course, be Dr. Frank M. Durkee, General Supervisor, who will be coming into his second year. There have been no changes in principal positions. Occupying as he does the key role of educational leadership in his faculty group, the principal is vitally important to a forward-looking, on-going program of curriculum improvement.

# Marries Alan W. Heath

Mrs. Alan Wilson Heath

The marriage of Miss Marjorie Jeanne Ogden, daughter of Mr. and Mrs. Winston K. Ogden of 36 Colt Road, Summit, to Mr. Alan Wilson Heath of Niagara Falls, New York, son of Mr. Morgan L. Heath of 17 Forest Street, and the late Mrs. Heath, took place yesterday afternoon at the Central Presbyterian Church in Summit. Reverend Leonard V. Buschman, D.D., performed the ceremony. A reception followed at the Fortnightly Club.

The bride, given in marriage by her father, wore an ivory Chantilly lace gown, having a scoop illusion neckline embellished with hand-cut lace flowers, short sleeves, and a full skirt of nylon tulle over a tulle skirt with appliques of lace on the tulle and lace panels extending the length of the train. Her fingertip veil of silk illusion was carried from a lace cap with a tulle leaf design edged with pearls. She carried a cascade bouquet of eucharis lilies and gladioli.

The maid of honor, Miss Jean McGarity of Summit, wore a full length, strapless gown with a stole in a honeycomb-hue, and carried yellow and bronze chrysanthemums. The bridesmaids wore gowns of similar style in a deep aqua color. The bridesmaids were Miss Norma Simpson of Alexandria, Virginia, Miss Joan Van Tassel of Westfield, Miss Betty MacLehose of Summit, and Miss Alfred G. Ogden, brother of the bride, served as best man for the groom. Ushers were Mr.

John W. Ogden and Mr. David J. Ogden, brothers of the bride. Mr. Richard Moulton of Bound Brook and Mr. Arthur Wolters of Niagara Falls.

Mr. Calvin Marsh of Bloomfield was soloist. Mr. William Hawkins of South Orange, cousin of the bride, was at the organ. Mr. Hawkins also was organist.

## FEDERAL WORKERS

## VOTE ON STRIKE IF MEDIATION FAILS

## 7,000 FTR and FTL Employees To Begin Walkout Tomorrow If Vote Carries

## Unless union representatives of the three locals active at the Federal Telecommunications Laboratory and Radio Corp. came to an agreement with company officials late last night the 7,000 workers will take a strike vote at the two plants today with the walkout scheduled to take place tomorrow if the vote is carried.

Until yesterday the union, Local 400, IUE-CIO representing 1,600 workers at FTL, Local 441, IUE-CIO with 5,000 production and maintenance men at F. T. & L. and Local 1703, IUE representing office workers in the Clinton plant, were at almost a complete deadlock as the labor and management executives failed to come to any agreement.

With the two factions widely separated concerning most of the wage and fringe benefits compromise and union officials said down with a mediation board last night in an attempt to avert a complete deadlock.

Local 441 is asking for a "substantial" wage increase, but at last Friday's meeting according to Al Loewenthal, business agent, F. T. & L. officials offered just a little less than a 2 1/2 per hour raise which was far below what the union is seeking.

Local 400 is seeking a five per cent increase for all their workers at FTL with the minimum increase being 10 cents per hour.

Many other improvements asked are a better vacation plan. Their demand is for a three-week vacation after serving 15 years with the company. After serving 10 years they want the workers to receive an additional day over two weeks for each year period. They currently receive a straight two-week vacation.

Being paid for 7 1/4 hours throughout the year the union is seeking a full day for Election Day thus making eight days. They also want the company to pay the full cost of the group

## Insurance now carried, instead of only a part

Another demand being made by Local 400 is that the cost of graduate courses conducted for employees by Brooklyn Polytechnic College should be paid by the company, not the workers. They are also asking for permanent equity for pensioners after 25 years of service even though they may no longer be with the company.

In addition to the demand of a "substantial increase" Local 441 is asking for a three-week vacation for all workers who are with the company for 10 years instead of two. They also want three days with pay in the event of a death in the immediate family.

Similar to a demand of Local 400, Local 441 is seeking eight paid holidays a year over the present 7 1/2. They want the company to set up a special scholarship fund for children of the company employees who go on to college.

A solemn high regalia mass was offered Wednesday at St. Ann's Church, for Mrs. Annie Dingle Hamlin, of 77 William Street. The funeral was from Kierman Funeral Home, 101 Union Avenue; burial was in Holy Cross Cemetery, North Arlington.

Mrs. Hamlin died last Saturday in Port Authority General Hospital as a result of injuries she suffered August 22 when she fell from an auto operated by her husband John, after the vehicle had left the New Jersey Turnpike at Woodbridge. She was born in Johnstown, Pennsylvania, and lived in Belleville for

# CADETS PLACE 5TH IN NATIONALS AT ST. LOUIS, MISSOURI

St. Mary's Drum And Bugle Corps To Arrive In Nutley Tomorrow Night

St. Mary's Cadets, competing against the finest drum and bugle corps in the country in the American Legion National Championships at St. Louis, Mo., last Sunday finished in fifth place as 18 junior corps vied for the national toga. For the St. Mary's Cadets it was only their second try in national competition. A year ago they placed 10th at Randall's Island, N. Y.

Winning the championship were the Holy Name Cadets of Gardfield with St. Vincent's of Bayonne, second; St. Joseph's of Newark, third; and the Cavaliers of Chicago, fourth.

The Cadets left from in front of St. Mary's Church last Thursday and are scheduled to arrive in Nutley tomorrow night. The trip by chartered bus will cover more than 900 miles by time the longest jaunt in the history of the corps is completed.

While in St. Louis the entire corps was housed in a dormitory on the campus of St. Louis University. In addition to competing in the national drill contest which was held in conjunction with the American Legion, St. Mary's Cadets were one of 10 drum and bugle corps invited to participate in the day-long parade of Legionnaires last Tuesday.

Accompanied by Rev. Gerald Walsh the corps, which is made up of 50 youths from Nutley and Belleville, left St. Louis on Wednesday.

Springfield, Ohio, at St. Rose's Priory to pay a visit to Mrs. James J. Quinn, cousin of Rev. William Owens, a retired Dominican. While in Springfield the Cadets gave a concert at St. Rose's Priory.

On the return trip, the Cadets will again stay in Columbus to night. They will take over a complete motel for the evening.

Christine Boyd Watson

Miss Christine Boyd Watson, of 242 Washington Avenue, died Saturday at home after a short illness. She was 98.

Born in Scotland, she came to the United States when a young woman, and lived in Passaic before moving to Belleville about 30 years ago. She was a saleswoman at the Clara May Dress Shoppe, 122 Washington Avenue. She is survived by two brothers, George, of Hirsfield, L. I., and Daniel E. of Paterson, and a sister, Mrs. Jean Thielcke, of Newark, Connecticut.

Services were held Monday at the Scarpa Funeral Home, 125 Lexington Avenue, Passaic, by the Reverend Theodore W. Velt, of First Congregational Church, Passaic, officiating. Burial was in Evergreen Cemetery, New Haven, Connecticut.

Umbaldo Masucci

Umbaldo Masucci, of 41 Belmont Avenue, died suddenly of a heart attack Saturday in Presbyterian Hospital, Newark. He was 43.

Born in Vulturara-Irpinia, Italy, he lived in Belleville 15 years. He was employed by the Key-Board Folding Box Company of Newark.

He leaves his wife, Mrs. Maria Fio Masucci, in Italy, and a daughter, Miss Rina Masucci, at home.

A requiem mass was offered Tuesday at St. Anthony's Church. The funeral was from the Spicola Funeral Home, 240 Mt. Prospect Avenue, Newark. Burial was in Mount Olivet Cemetery, Bloomfield.

James P. Griffin

James P. Griffin, of 540 Courtland Street, died last Saturday at the age of 28.

A native of Belleville, Mr. Griffin attended local schools and was employed by the New Jersey Bell Telephone Company. He was a member of the Knights of Columbus. He leaves his wife, Mrs. Florence M. Dmochowski Griffin, a son, James P. Griffin Jr., his parents, James and Rose M. Griffin, of Belleville, and two sisters, Mrs. T. Nislovica and Mrs. T. Brailley, both of Belleville.

A solemn high mass of requiem was offered at St. Peter's Church on Tuesday. The funeral was conducted from the Kiernan Funeral Home, 101 Union Avenue. Burial was in Holy Cross Cemetery, North Arlington.
