

Can't Touch \$56,000 Sweepstakes Windfall

Because of a sentimental gesture, Benjamin Ferraro, the Belleville barber who won \$56,000 in the Irish Sweepstakes last June, can't touch a cent of the money, though it is on deposit in the Fidelity Union Trust Bank here, the Belleville Times-News has learned.

All Around The Town

Louis Nardiello, son of Mr. and Mrs. Anthony Nardiello, 24 N. 8th Street, is 5 feet, 10 1/2 inches tall, and weighs 190 pounds. Nothing unusual except for one thing—Louis is 14 years old.

He plays baseball for the Dodgers in the Port Athletic League and hopes to add basketball and football to his schedule when he enters high school as a freshman in the next several months.

Excavation work on the \$15,000 St. Anthony's Field Club will begin this Sunday, and construction is expected to be completed within the next several months.

Mrs. Jacqueline Coleman's 24-year-old daughter suffered a fractured finger when a window in her home at 91 Ralph Street suddenly dropped on her hand. She was treated at a hospital.

Mrs. Catherine Field, 28, of East Orange, was injured while riding on a No. 13 Public Service bus when she struck her head on a hand grip. John Egidio, 3, of Belmont Avenue, was bitten on a finger by a dog.

Stanley Byra, a musician, whose address wasn't listed, told police someone broke a window of his car and stole a suit of clothes while the auto was parked at the terminus of Lake Street. George Slater, 24, of Ralph Street, reported his car stolen while it was parked near his home. It was later recovered by Lincoln Park Town ship police.

The Wesley Methodist Church of Belleville has been cited as a "friend of the Methodist Hospital of Brooklyn for its contribution of \$110 toward the hospital fund. Most of the money is raised by church school children who fill "dine cards" for the Christmas holidays each year.

(Continued On Page 2)

Hold Three For Jury In Seven Stick-Ups

Arrested in Harrison while riding in a stolen car, three youths later admitted to Belleville police that they had not only held up the Tulsa Service Station at Main and William Streets here on August 16, but confessed to six other holdups in three counties, the detective bureau said.

Liquor Violation Closing Hitching Post For 15 Days

Because one of its bartenders was charged with having sold liquor to four minors, the ABC has ordered the Hitching Post tavern at 200 Mill Street to be closed for 15 days, beginning at 2 a.m. next Tuesday.

William David, beverage control director, announced.

Two ABC agents said that when they entered the tavern on August 4 they saw the youths drinking beer. The agents said two of the boys had admitted drinking four glasses of the beverage, and that the other two had been served two glasses.

John C. Solek, the bartender, said in a statement admitting that he had served the drinks, but said all four youths had been in the tavern before, and had exhibited credentials purporting to establish that they were of age.

The board held the argument was not valid because Solek couldn't adequately describe the credentials.

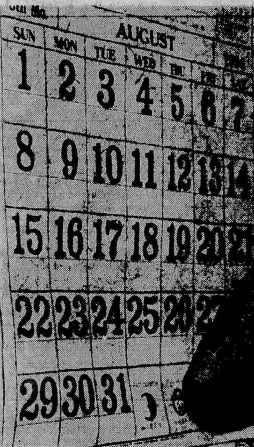

Neither Solek nor the tavern had any previous record of a liquor violation.

Ice Cream Cone Anniversary

This year marks the 50th anniversary of the ice cream cone. It was invented during the 1904 Exposition in St. Louis, Mo.

For an appetizing cream cheese dressing for fruit salad, Mrs. Margaret C. Sheppard, Essex County home agent, suggests you try this. Cream one 3-ounce package of cream cheese, thin with 1/2 cup grapefruit juice (or 1 cup each of orange and grapefruit juice) and dash of salt and paprika. Combine well with a fork or beat.

(Continued On Page 2)

14 YEARS TO WAIT — Benny Ferraro, Jr., son of a Belleville barber who won \$56,000 on a \$3 Irish Sweepstakes ticket, looks sorrowfully at the calendar. The elder Ferraro made out the ticket in the boy's name, and now the courts have ruled that the money can only go to Benny, Jr., when he reaches maturity in another 14 years.

Civic Congress Will Fight Town Resolution On Speech

Protesting against the "gag rule" introduced by Mayor Padula and adopted by the Town Commission this week, the Belleville Civic Congress will seek a legal opinion "whether the mayor, either under the Walsh Act, or under the new state constitution, has the right to stifle public opinion as expressed by civic groups of this town."

The Congress is composed of the Bellwood Park Home Owners' Association, the Riviera Citizens Association, and the Young Men in Government.

Declaring that all delegates of affiliated organizations present at the Congress meeting were unanimous in their decision to "fight this gag rule with all possible means, and to arouse all enlightened opinion in Belleville against the dictatorial manner in which the town government is being run," Richard A. Shaffer, Public Affairs chairman of the Congress, declared in a written statement.

"If there was any further proof needed that the commission form of government has lost all right to function any further, Mayor Padula has certainly supplied that proof by his gag rule against the dictatorial manner in which the town government is being run," Shaffer said.

"Any government, whether on a municipal or state level, that deliberately cuts itself loose from the natural strings of the people who elected it, deserves to be cast into the limbo of obsolescent and forgotten institutions."

Personally, I am not surprised at this rule. This mayor has made it quite plain ever since the ballots were counted in the municipal election that he has a deep and unshakable conviction, and that he regards civic organizations, in his own words, as "vigilante groups."

More than 250 supporters have already agreed to take part in next month's dinner. The ticket-holders are divided almost evenly between Republicans and Democrats. John Wallace, a registered Republican, will be Toastmaster.

Rep. Clarence Howell, Democratic candidate for the U.S. Senate, will speak on the same program as Rodino. A guest of honor will be John Havast, of Hillside, the former GI who escaped from the Czechoslovak jail where he had been sent on a trumped-up espionage charge by the Prague Communist regime.

Earlier this year a combined Civil Defense and Disaster Control Plan was organized by the town. When the plan was in function as a unit with this organization during major disasters.

In 1950 the local Red Cross, under Lambrecht's direction, developed an overall disaster preparedness program which has won wide recognition and a state-level office for Lambrecht in the Red Cross organization.

The plan, which was based on a community survey, included provisions for medical and nursing aid, shelter, food, clothing, transportation, communication to and from the community, and a state-level office for Lambrecht in the Red Cross organization.

Rep. Clarence Howell, Democratic candidate for the U.S. Senate, will speak on the same program as Rodino. A guest of honor will be John Havast, of Hillside, the former GI who escaped from the Czechoslovak jail where he had been sent on a trumped-up espionage charge by the Prague Communist regime.

Golden Demands Inquiry Into Truck Purchase, Denounces "Gag Rule" At Hectic Meeting

In one of the most explosive meetings in recent years, the Town Commission Tuesday heard charges that the purchase of a truck by the Department of Public Works may have been improper, and should be investigated by the County Prosecutor's office to determine the truth of the "suspicion."

It passed a resolution limiting to one minute the length of time that any individual, or any one organization might express an opinion concerning town affairs during commission meetings and requiring prior notification to the own clerk of intention to speak.

Rescinded a vote taken at the last meeting waiving requirements for construction of sidewalks in Mitchell Street home development.

Before the meeting was finished, John E. Golden, who has frequently expressed his views at town meetings, and who was a guest figure in all three of Tuesday's developments, had been threatened with expulsion from the gathering, and was being led out of the meeting room by a police officer when Mayor Padula changed his mind and permitted him to remain.

Civic Congress Protesters In the wake of the meeting came a strong protest from the Belleville Civic Congress, meeting in special session Wednesday night, which adopted a resolution declaring it would "oppose the mayor's gag rule with all possible means, and to arouse all enlightened opinion in Belleville against the dictatorial manner in which the town government is being run."

RESOLUTION THAT INSPIRED "GAG RULE" CHARGES

Following is the full text of the resolution denounced by James R. Golden as "law by gag rule," but described by Mayor Padula, who introduced it, and Commissioners King, Hyde, and Smith, who supported it, as essential to the "orderly and efficient" conduct of town business by the commission.

Commissioner Sullivan, who is on vacation, was not present at the meeting.

The prime purpose of any Board of Directors' meeting is to enable the members thereof to pool their information, records and plans for the sound and profitable promotion of the movement of the town, whether it be by nature profit or non-profit.

The members of such Boards are elected by the common body of the town in the best interest of the whole.

The Belleville Board of Commissioners have been so elected by the people of the town for the affairs of Town Government and to arrive at sound and profitable conclusions to further the interests of the people as a whole.

This cannot be accomplished in an atmosphere of hilarious confusion, angry exchanges in personalities, or petty argumentation.

Now, therefore, be it resolved that there be a standard set for the conduct of both commissioners and spectators by the application of the following rules during all Commission Board meetings held in Belleville:

Rule 1—The business of the Town must be allowed to proceed as such; therefore all questions and discussion must relate to the problem under consideration.

Rule 2—Angry tirades, personal references and the like will be prohibited.

Rule 3—All conferences of the Board of Commissioners will be of a public nature and the public will always be apprised of the same.

LEGION DELEGATES NAMED FOR 36TH STATE CONVENTION

Eight delegates and alternates, headed by Commander Henry Flagg, will represent Belleville Post No. 105 at the Department of New Jersey American Legion convention at Wildwood, Sept. 1-3.

In addition to Commander Flagg, the delegates will join J. C. Gies, Jr., Legion Post No. 105, Peter Torre, Jr., Arthur MacCreedy, Alvin Clark, Peter Johnson, and Arthur Sharrack. Other delegates will be expected to announce their delegations later.

Some 3,500 delegates, representing all Legion organizations, will register at the convention expected to average 6,000 to 8,000 for the business sessions on the 2nd and 3rd, and 20,000 on Saturday, the 11th, when crack drum and bugle corps, color guards, and other units will compete in a day-long contest.

James R. O'Neil, Past National Commander of the Legion, Honorable Joseph E. McLean, Commissioner, State Department of Conservation and Economic Development, and Honorable B. Meyer, Director, State Division of Veterans' Education; Dr. Fredrick M. Baughman, State Commissioner of Education; Congressman Peter W. Rodino, Jr., and John Hyatt, released a few months ago from a Czechoslovakian prison, will address the Convention on the opening day.

Legion headquarters at Trenton report that advance hotel reservations for the convention exceed those of any previous year. The gathering will be a mammoth street parade on September 11, headed by the 173d Armored and the 82d Division Color Guard from Fort Dix.

NORMAN THOMPSON NAMED RED CROSS DISASTER HEAD

Norman H. Thompson, Belleville insurance man, 189 Hornbowl Avenue, has been named chairman of the Red Cross committee on disaster preparedness.

Dr. Frank M. Durkee, local chapter chairman, announced yesterday. He succeeds Oscar E. McIntire.

Serving with him as vice-chairman will be McIntire, who lives at 78 Division Street, Edward J. Lambrecht, 169 New Street, Malcolm Condon, 120 Rutgers Street and Mrs. A. W. Pappell, 70 Van Houten Avenue.

The three prisoners are Carmine Di Meo, 18, of 205 1/2 Chestnut Street, Newark; Angelo Albanese, 19, of 78 Delancy Street, Newark; and Victor Moscinaki, 20, of 302 N. 2nd Street, Harrison. Police said they were all from "good" families.

The alleged confession came as a result of questioning by Detectives Nicholas J. Mariano, Irving Holly, Sr., Harry Winfield, and Frank H. Mariano.

Police charged that during the holdups the men used an imitation .38 Smith & Wesson pistol as a solid piece of metal casting, with immoveable parts, which they had bought from a mail order company.

Very, detectives said, the youth carrying the "gun" would keep it on his person, and would not want to prevent discovery that it was not an actual weapon. Moscinaki was involved in only two of the holdups, police said.

The three youths were picked up by two radio patrolmen in Westmont, who saw them riding in an auto which had been reported stolen from a Union resident.

One of the automobile residents, partly fitted with a description sent over teletype by Belleville police, who had learned that the stolen band was on its way in such a car, abandoning a stolen auto which was used in the actual holdup.

The youths were then brought to Harrison James B. McMahon, the attorney at the Union resident, who had held him up and robbed him of \$30.

The imitation Luger was found in the trunk of the car.

Vitamins In Tomatoes One medium-sized tomato (three to four pounds) gives nearly half your day's quota of vitamin C as well as a generous amount of vitamin A, say specialists of the U.S. Department of Agriculture.

Turkey For Dinner How about a turkey for Sunday dinner? The U.S. Department of Agriculture says that the new crop of small size birds will be available in possible record quantities this year. Cold sliced turkey is an ever-welcome basis for hot weather meals.

Three Belleville juveniles were held in the Albany (N. Y.) county jail after they and a young companion were arrested by New York state police after a check of the car in which they were riding revealed a small calibre gun on the rear seat.

Later, police said, the boys, who were in age from 15 to 17, admitted that the car was stolen.

The boys told them that they had taken the auto in Newark. En route to New York they stole the gun from a house, but there were no details as to how they made entry, nor the address of the residence given.

They took the gun, they said, because they wanted to shoot chipmunks. The boy driving the car had no driver's license.

In another case, Frank H. Wynkoop, 18, of Hoboken, was turned over to Belleville authorities on petty larceny charges.

Detective James MacLack said Wynkoop was being questioned concerning the theft of \$28 from a wallet in the rear of a car parked at 480 Washington Avenue, and \$12 from a wallet in the rear of Feldman's Dry Goods Store, 115 Washington Avenue. Both thefts occurred June 17.

Mrs. and Mrs. Weiss have two other children, Elaine, 10 1/2, and Cheryl, 9. Funeral services were held in the Wein and Wein Funeral Home, Jersey City, for burial was in Barenhorst Cemetery, Staten Island.

SPOTLIGHT on SPORTS

By Bob Gordin

West Orange Added To Grid Schedule

There may still be 29 days to the start of the 1954 Belleville High School football season, but the start of pre-season practice for the Bellboys is just round the corner, in fact daily workouts for the rugged nine-game schedule will begin Wednesday at Clearman Field under the expert direction of Coach Ed Berlinski.

The temperature is too warm for the contact sport, however, footballs have been seen floating through the air as some of the players start conditioning themselves under their own guidance. Formal practice will begin September 1, as usual, in accordance with the ruling set down by the New Jersey State Intercollegiate Athletic Association.

Back for his eighth season will be Berlinski. Last year under his guidance the Blue and Gold won five and lost three. Also returning will be line coach Herman "Jitty" Wische, junior varsity coach Ray Smith and freshmen pilot Wilho Winika.

Berlinski announced that about 70 varsity candidates are expected to turn out for the rigid physical examinations to be given by Dr. Donald Brown, team physician, starting at 9 a.m. in School No. 8. All prospects who pass the medical exam will then receive complete uniforms from Berlinski in the School No. 8 equipment room adjacent to Clearman Field.

After a year's absence Belleville once again has a nine-game schedule on tap with West Orange being the newcomer to the list. The Cowboys were added to fill the hole which appeared when Passaic was dropped following the 1952 season. Last year prior to the annual Thanksgiving Day game against arch rival Orange, the Bellboys hadn't played a game in two and one-half weeks which was definitely too long a lay off in the contact sport. As I understand it, the West Orange game the way it has been set up is only a one-year affair. What's on the agenda for 1955 I don't know.

The 1954 Belleville High School football schedule follows:

September 25	East Orange	Home
October 2	Bloomfield	Away
October 9	Nutley	Home
October 16	West Side	Home
October 23	Irvington	Home
October 30	Hillside	Away
November 6	Kearny	Home
November 13	West Orange	Home
November 25	Orange	Away

Although Belleville will play West Orange away, the Blue and Gold schedule lists five games for Municipal Stadium with East Orange providing the opposition in the home curtain raiser on September 25. Following an away game at Bloomfield, Berlinski's boys will play host to up and coming Nutley and West Side. On October 23 the Blue and Gold will travel to the other end of Essex County for a fray against Irvington and will return to the home confines of Municipal Stadium for its final two home games. Coming into Belleville will be Hillside and Kearny. Belleville will close out its 1954 slate with games at West Orange and the annual Turkey Day tussle at Orange on November 25.

Freshmen will not try out until after the opening of school. Once classes are in session Winika will hold tryouts in the gymnasium.

One thing Belleville fans can be sure of, they'll be watching one of the classiest dressed teams in action. Berlinski yesterday showed me one of the new game jerseys purchased for the varsity. The old one were bought in 1951. Forty new jerseys were purchased. They're bright gold with blue tops and include two white stripes on the arms. Spectators shouldn't have any trouble seeing the numbers either as 14-inch numerals are on both front and backs.

Nicolette 19th In Nation

Nick Nicolette, Belleville's outstanding contribution to stock car racing, is in 19th place in the country in the Sportsman Division according to the latest ratings released by the National Association for Stock Car Auto Racing. He has compiled a total of 1,284 points.

Latest listings disclosed that Nicolette moved past pace maker Joe Rosko, Morris Plains driver, to take over as digit leader in the state. Rosko, a close third to Nicolette in 1953, had been on top of the heap since late May. Nicolette has eight points more than Rosko.

Trout Fishing Still Good

Although recent droughts lowered the level of the state's trout lakes and streams, trout fishing in public lakes, especially, has been consistently good. This has been partially due to the mid-season stocking of 5,000 adult, legal-size brown and rainbow trout in several lakes, including Hopatcong, Mountain, Cliff and Weis Pond in Sussex County. Cliff Lake in Sussex County has provided some excellent fishing in recent weeks according to reports heard around town.

As the season progresses and trout seek the cool, deep pools in the various lakes, fishermen need more specialized knowledge to secure legal limits. Many large trout which have managed to evade the small army of trout fishermen earlier in the season have become extremely wary and present a real challenge to expert anglers. This is particularly true in the case of big brown trout.

Rec's Bang 26 Hits In Double-Header, Winning 11-0, 8-2

Collecting a total of 26 hits in the two games, Belleville's Recreation baseball team won a double-header over the weekend from Morristown's American Legion nine at Ledgeworth Park in Morristown. The scores: 11-0 and 8-2.

Bernie Suttake, Belleville shortstop and team captain, got three hits in each of the two games to lead at the bat and stole home twice in the second game. Vinnie Perillo bagged three hits, including a triple. Johnny Bartell gave up only two hits in the 11-0 shut-out, and Carmine Lemma surrendered only four safe blows. Bartell struck out 7 men, and Lemma, 13.

Belleville's only close call came in the fifth inning of the second game, when Morristown had the bases loaded, with two out. Then Morristown's third baseman, Paul Keyes, batted a low line drive just over the second baseman's head and out towards right field.

Vinnie Perillo, galloping in fast, took the sinking drive off of his shoe laces for the put-out, hitting the ground and rolling over in making the catch but hanging on to the ball.

The crowd roared its approval, and Morristown's ball players said it was the greatest catch they had seen in the park all season.

Next Saturday the Rec's will play host to the Clifton Red Legs at Municipal Stadium, and Sunday travel to Hackettstown to take on the Hackettstown Blue Jays.

CLIPPERS, GIANTS CONTINUE TO LEAD IN LITTLE LEAGUE

The Clippers and Giants continued their leadership in the Belleville Little League baseball races as both the American and National Leagues went into the last week of the season.

The American loop-leading Clippers added to their margin with successive wins over Aces and Demons during the past week. Jim Cleffi was the winning pitcher in both contests, blanking the Aces, 4-0, for his second successive shut-out of that team, and turning back the Demons, 9-4. Tom Worley's homer with one was the big blow of the win against the Aces, while the hitless Jim Pindar and Cleffi led the attack against the Demons.

The Giants, minus the services of two of their stars, Mike Marano and Ron Valente, lost their first game of the season to the Cubs, 5-3. Bob Laterra was the hero of the win for the Cubs, setting down the league-leaders with three hits and striking out nine. Fred Riccio and Roger Mammy scored the winning runs in the sixth.

In the only other game of the week, the Aces, nosed out the Bombers, 3-2, behind the three-hit pitching of Eddie Ciele. Orlie Boyer's third-inning double drove in Bill Kiefer with the winning run for the Aces.

CLEARMAN CHALKS UP 2 MORE WINS FOR 9 STRAIGHT

Clearman Field's softball team continued to roll on undefeated in the playground league. Two victories during the past week brought its record to 9 wins and no defeats.

In a return match with the Recreation House team, Clearman romped to a 15-0 win, nailing down the game with five runs in the last inning. Ed Noonan pitched all the way for the winners, and the Giants had more of a one-sided affair, the first of their games. Ted Blazer, Tom Cullen and Tony Amato hit triple for Clearman. The lineups: For the Rec's: Sweetell, Niswonger, Valvano, Joyce, Jordano, Gavone, Garra, Leber, and Reid; for Clearman: Noonan, Blazer, Noonan, Cullen, Amato, LaMura, Lannelli, Lovack and Reider.

The second game of the week between Clearman Field and the No. 10 playground teams was a 4-0 victory for the Clearman. The final score being 10-0. Clearman Field staged five run outbursts in each of the first three innings to sew up the game in the early stages. Ed Noonan, with 5 hits for 6 at bat; Tony Amato, with 4 for 5; and Bob DePiano, with 4 for 4, all continued their constant hitting. Feature of the game was not the heavy hitting, but the pitching by Ed Noonan. Ed Noonan had a no-hitter going into the last frame, thanks to a spectacular one-arm, over-the-shoulder, back-to-the plate catch by third-baseman Ted Blazer, "The Flash", earlier in the game. Jennifer's single for No. 10 in the last inning, lone hit for the losers, spoiled the shut out. Clearman had 10 strikeouts, line-up in action, and, for No. 10, there were Pendergast, Jenardiello, c, Hoyt, Cetrillo, Conte, Nicholas, Cullen, and Reider. The Stadium All Stars suffered a defeat at the hands of No. 10 in spite of the good hurling of Danny Taggredi, and the 4-hit slugger of Ronnie Bergamini. Frank D'Angelo, Ray Mas, Larry Mas, Bob Taggredi, and Larry Serafino played key ball for the Stadium team.

In an earlier game the Stadium defeated the Hawks, 13-0. No. 10 by a score of 13-0. Bob Sargent continued his batting spree with solid hits. Larry Taggredi pitched a good game, with the offensive punch provided by D'Angelo, Bergamini, and Cullen. The lineup: School basketball and baseball star Sargent, pitcher, and with but two strikes remaining on the schedule, here are the standings:

ESSEX SPORTSMEN MEET WEDNESDAY

Dr. J. Warren Young Steps Down As President Of County Federation

The Essex County Federation of Sportsmen's Clubs will hold its first meeting of the Fall session Wednesday, at 8:30 p.m. in the Hotel Robert Treat, Newark. L. D. MacDonald, of East Orange, has been elected president for the current year, succeeding Dr. J. Warren Young, of 259 Vineland Avenue. Dr. Young has held the post for the past three years.

The County Federation is made up of angling and hunting clubs, rifle and pistol groups and archery associations affiliated for the purpose of presenting united action on fish and game legislation.

It also aids in maintaining cooperation between the Division of Fish and Game; promoting cooperation between the sportsmen's clubs in the county; conserving wild fowl and salt water fish; bettering farmer-sportsman relations.

Braves Beat Dodgers For 7th Win In Row

The Braves made it seven wins in a row by beating the Dodgers, 3-1, in a P.A.L. Babe Ruth League contest. They scored one run in each of the first five innings, then scored another 3 in the sixth as Blomeste, DeBrowski, and Long got singles after a walk.

It was the sixth victory for pitcher Masino, who allowed just 3 hits. In another game the Giants won from the Phillies, 9-6. The Giants got 2 in the 1st and the Phillies came back with 3 in the 2nd. Phillies went ahead in the 5th, and the Giants tied it up and got 4 in the 1st and 2nd. The Giants had 3 hits. The Cards and Cubs battled to a 4-4 tie. Cubs got 2 hits and 2 walks to score 2 in the 1st. Cards got 1 in the 1st and 1 in the 2nd, and went ahead in the 4th with 2 runs. The Cubs came right back with 2 in the 4th. Neither team could score in the next 3 innings. Williams had a single and triple for the Cubs. Laterra had a long single with the bases loaded.

ALL SAIL AND NO ANCHOR

All sail and no anchor may be a pleasant way to travel when the wind holds steady. But when the wind blows her yaw, it is the anchor that holds her steady.

Just so, a planned savings account can be a stabilizer in time of financial storm and stress. It affords ready cash. By opening such an account at the Peoples National Bank and Trust Company and then adding to it a proportion of all the money you make, you are providing for you and yours the best sort of anchor.

Present Awards To Playground Champs

Playground champions competed for townwide honors at the Recreation Department's annual Field Day held at Clearmar Field. Winners in various events were presented trophies in the name of Commissioner Elmer S. Hyde by Raymond O. Smith, supervisor.

Larry Remes of Clearmar Field won the checker championship for the fourth consecutive year. John Morse, also of Clearmar, took the title for the younger kids. Mildred McDermott of Kelly and Cathie Kerns of No. 1 won the girls' checker championships.

In ping pong, Joe Landolfi of Planson took the title for boys under 12 while Ted Blaser of Clearmar Field repeated his win of last year. For girls under 12, Cathy McNally of Kelly defeated all opponents; and Theresa McDermott of Kelly Playground was champion in the older girls' group. Larry Remes and Fred Lowack combined talents to win the boys' doubles, as Arlene Balis and Doris Estelle of No. 1 won the girls' doubles. Judy Gordon and Ted Blaser were the top scorers in the mixed doubles.

Haug Crowned
Elmer Haug, of Recreation House was crowned champion in the rubber horseshoes tournament for younger fellows, and Donald Kirk of No. 1 took the title for boys to 16. The "under 12" titles for girls were captured by No. 1, with Carole Brand winning in singles, and combining with Olivia Schaecker to win in doubles. Maria Visco, Clearmar emerged victorious in girls' singles, and Veronica Sudziarski and Cathie Kerns of No. 1 were champions in the older girls' group. Robert Haug and Michael Kelly of Rec House topped all others in the younger boys' doubles.

In iron horseshoes Tony Amato of Clearmar found the going mighty easy in the singles. Tony and Richard Lowack proved to be a winning combination in doubles. Eddie Szep of No. 10 top point scorer in the playground championships, won foul shooting honors for boys, as Maria Visco of Clearmar won in the girls' division.

Children from all playgrounds participated in the events which were conducted by Edward Berlinski, James Morse, Edith Virtue, Joseph Mignop, Michael Rosamilia, Rita Weinstein, Mary Whitfield, Elsie Lundy, Robert Prestig, Evelyn Hannon, Gene Westlake, Madge Conway, Catherine Monaghan, Lillian Winfield, and Cynthia Thomas. Harold Brand and Eleanor Walsh served as recorders.

No. 2 Playground
Director, Mary Whitfield. There was a special treat in store for all the youngsters Wednesday afternoon when we were all treated to a delicious watermelon for record handicraft productions.

In addition to this surprise, we had our final tournaments for the season. Winners in the checkers were Louis Gengrassio and Billy Lukowiak, second, in the girls tournament Pat Hearn beat Ellen Gummert in the final. Peter Lukowiak and Jackie Garvey took the doubles in horseshoes and Louis Gengrassio won in the singles.

The basketball court has seen much activity on the cooler days. Star shooters are Geraldine DiRocco, and Peter Lukowiak.

During the past several weeks we have developed some very talented young artists. The children have painted jars, pitchers, ashtrays, and glasses. Those who have done an especially fine job are John Grundy, Diane Southwell, Victoria Delmarmo, Barbara Gaborou, and Judy Walker.

The pottolers are still a very

popular activity. Some children have made some very "different" designs by using more than the usual two colors. They are Ann Butler, Cheri Craft, Amy Mason, Barbara Neri, Marion Cruger, Eileen and Joan Lolka and Betty Ann Southwell. All who have participated have done a splendid job.

In addition to making pottolers, Victoria Delmarmo is making a stuffed dog. She deserves special praise for her efforts.

Softball At No. 1
No. 1 Playground — Directors: Evelyn Hannon and Gene Westlake.

The older boys played four games of softball against St. Peter's and administered these defeats. Jim Leonard of St. Peter's walloped a homerun to left field to give his team a 5-4 victory. Bob Jacquin and Reggie Henderson did the same for No. 1 on successive evenings to score 6-2 and 5-4 victories.

A 7-6-8 victory was scored by the No. 1 cage stars over the Kenyon five.

Recreation House — Directors: Rita Weinstein and Michael Rosamilia.

Ann Capriozzi, 6, has completed 30 pottolers. Since the playground opening Ann has attended faithfully each day and her favorite activity is pottolers making. Fred Giordano continues as checker champion of Rec House, and Elaine Galis as ping-pong champion. Elaine learned to play only this season, and has progressed rapidly.

Elizabeth Panamunda, quickly becoming an expert foul-shooter, won eight straight games of "21" for a new record.

Watermelon parties as guests of Commissioner Hyde and the Recreation Department enjoyed by the playground regulars at Clearmar Field, Planson, No. 10, No. 2, No. 1, and Recreation House this week. Clearmar won their unity by scoring the greatest number of points in the Playground Championships; Planson for their doll house project; No. 10 and No. 2 for their continuous leadership in handicraft production; and No. 1 and Recreation House for participation in various activities.

In Appreciation
To The Editor, The Nutley Sun:

The Nutley First Aid Squad, would like to take this opportunity to thank Exalted Ruler John Gorde of the Nutley Lodge of Elks 1200, for their fine cooperation in helping us entertain The Sixth District of The New Jersey State First Aid Council on Tuesday.

Nutley Motorist Fined \$100
By Belleville Magistrate

Albert A. Trybus, 49, of 308 Passaic Avenue was fined \$100 as a disorderly person Thursday in Belleville by Magistrate Edward J. Abramson.

Police said Trybus became abusive when they moved his car and suggested he take a bus home after they found him seated in a parked car in the middle of Washington Avenue on August 17.

More money for you!
NOW YOUR MATURING SERIES E BONDS CAN EARN INTEREST TEN YEARS LONGER—AT 3%!

Have you given any thought to what you'll do with those maturing Series E Defense Bonds you patriotically bought ten years ago? Well, here's real good news for you. You won't have to do a thing with them and they'll compound interest for ten years longer at 3% interest, and allow them to go on earning!

And in the meantime join the millions of thrifty Americans who are investing in a secure future with Defense Bonds bought regularly through the Payroll Savings Plan. Thousands say it's the one sure way to save.

The sum you set aside each week may be as little as 10¢ — or as much as \$275. If you can save just \$3.75 a week regularly through the Plan, in five years you will have \$1,025.95! In 9 years and 8 months you'll have \$2,137.30. In 19 years and 8 months, \$5,152.72! For now the Series E Bonds you buy and hold to maturity can earn 3% interest compounded semiannually.

No matter how small your income, you can't afford not to put something aside for yourself. So join the Payroll Savings Plan where you work today.

3 new money-making opportunities for you!
New Series H, J and K Defense Bonds pay 2.76% to 3%!

SERIES H. A new current-income bond, available in denominations of \$500 to \$10,000. Sold at par. Matures in 9 years 8 months and pays an average 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Annual limit, \$20,000 issue price jointly with Series J Bonds.

SERIES J. A new 12-year appreciation bond, available in denominations of \$25 to \$100,000. Sold at 72% of par value. Pays 2.56% compounded semiannually if held to maturity. Interest paid semiannually by Treasury check. Annual limit, \$20,000 issue price jointly with Series K Bonds.

SERIES K. A new 12-year current-income bond in denominations of \$500 to \$100,000. Pays interest semiannually by Treasury check at the rate of 2.76% per annum. Sold at par. Annual limit, \$20,000 issue price jointly with Series J Bonds.

Notes

Arlene Generoso

Toni Silvestri

Hi, everybody! "School Exams" will soon be upon us... with midterms and final exams... getting up at 7:30 in the a.m. of 11:30... homework every night... beeshives. But for now let's think about the good times we've had this summer.

We're sure Sammy Papa won't forget his surprise birthday party. On hand to wish him a happy birthday, besides his relatives, were his girlfriend Connie Vignati, John Minico, Marilyn Caruso, Joyce Zarra, Nancy Rossi, and Nancy's boyfriend, Lou. We're sure that the kids had a wonderful time.

Another surprise party this summer was given to Marty Glassman. He was given a handsome wrist watch by some of the kids. Part of the party list included Jack Haft, Lionel Sharkey, Harriet Ackerman, Lois Zadikoff, Judy Abramson, Bob Kauten, Arty Fark, Ken Post and Marion Feldman. After the party broke up, the kids topped off the evening by going to the German-American Club in New York. By the way, we see that Martin is now wearing Ken's ring.

Hey, Jerry Schimanski, we didn't know you could play golf. When Jerry, Elaine Zarra, Ralph Nicola, Alvin Caruso, Don Gantlett, and Alice Bauer played miniature golf, Jerry got such a low score that he won a free game. We wonder how you would do on a regular golf course. Maybe Belleville has another Ben Hogan.

Glen Wild Lake was a very popular place this summer. The Grueliches have a summer house up there, so a lot of the Cassades and also the graduate senior boys are frequently seen around the Gruelich's home. Sarah Daniels, who is going steady with Bob Gruelich and Jack McCabe, who dates Tony, are frequent visitors also.

Another attraction of Glen Wild Lake is Camm-Roll. Harriet Ackerman, Ben Campbell, and Virginia Wheeler will probably be talking about the "crazy" times that they had there for a long time. If you have a chance, ask Virginia about her ginger bread, or Ben about her sign, or Harriet about her magic writing pad. The answer you will find is that they were Christmas presents. The camp sets aside one day for Christmas, and the counselors are given little presents.

The Jazz Club, which started as a co-curricular activity in school, is being continued in the summer. The club meets on Monday nights and members include Ralph Ameece, Jerry Marra, Anthony Minico, Joyce Zarra, Marilyn Caruso, Ellen Fendler, Angela Santiago, and Jean Piccilli.

Belleville high must have built

an extension to Hahnes. Many students from the high school are working in Hahnes during the summer. They include Jean Dufford, Barbara Metcalf, Audrey Taylor, Debbie Delany, and Janet Mallory. After working all day, Janet spends her nights writing to her special guy overseas.

Sorry to hear that three students of Belleville High have spent part of their summer in the hospital. Vicky Risoli, Richie DeVona, and Sheila Gallay had various minor operations. We wish them a speedy recovery.

A "pajama game" party found seven Antra-Nos members breaking all records for night out fun. The pajama party was held at Rhodia Moslowitz's home, and the girls stayed up until 7:30 a.m. were Alice Bauer, Elaine Zarra, Barbara Blinsky, Ann Carny, Angela Annichiarico, Geneva Rossi, and the hostess, Rhodia.

We hear that Carol Vitano and Elaine Mader put quite a few Bellvilles at Point Pleasant. Carol and Elaine were Sandra Intrenont's guest for a week. We hear that there are also many Belleville High's students in Seaside, including Joe Dente.

Licenses Of Two Youths Revoked For Speeding

Mario Graffed, 19, of 98 Belmont Street, had his license revoked for four months for passing a red light, improper passing, reckless driving, and speeding. A second offender, George Edward Piosa, also 19, had his license revoked for 30 days on counts of speeding, careless driving, and reckless driving. Piosa lives at 28 Belmont Street. The revocations were announced by Motor Vehicle Director William J. Dearden.

Ronco Is Co-Chairman Of History At Seton Hall

Arthur Ronco, of 302 Washington Avenue, has been named co-chairman of the history department of Seton Hall Preparatory school. It was announced this week by Rev. Thomas J. Tuohy, headmaster. Ronco received his B.A. and M.A. degrees from Columbia University.
