

Pro Council - Manager Group Prepares For Door-To-Door Visits

Seeking support for the proposed change to the council-manager form of town government in the November 2 referendum, the Belleville Civic Congress announced after a meeting last night that it would undertake a house-to-house canvass to tell our story to the people in "critical areas."

DAY OF ATONEMENT OBSERVED BY JEWS WITH CEREMONIES

Yom Kippur, the Day of Atonement, most sacred of the Jewish Holy Days, was observed by Jews throughout the world beginning Wednesday at sunset and ending last night with the setting sun. In Belleville, services were held at the Ahavath Achim Synagogue. Dr. Albert L. Roth, rabbi of the congregation, spoke of the importance of the day, and Dr. Seymour P. Fischer, who chanted the liturgy was assisted by the Synagogue choir, under the direction of Miss Dora Cohen.

The Yom Kippur services on Thursday began at 8:15 a.m. and concluded at sunset with the blowing of the Shofar, the ram's horn. During the morning services Rabbi Raab spoke on "Our Eternal Search for Immortality." The Shofar was blown by the Rev. Solomon Raab of Brooklyn, father of Dr. Raab. The Mussaf services were led by Dr. Fischer accompanied by the Synagogue choir.

All Around the Town

Should you chance upon a patch of marijuana plants, don't necessarily jump to the conclusion that a dope ring has infiltrated the town, and is growing a crop for the "hip-hop" market, we are advised.

CLIFFORD CASE TO SPEAK AT WOMEN'S GOP CLUB FRIDAY

Clifford P. Case, Republican candidate for U. S. Senator, will be the guest speaker at the Women's GOP Club, 515 Rossmore Place, sponsored by the Belleville Women's Republican Club and local members of the Republican County Committee.

Banks And Town Hall To Close Columbus Day

In observance of Columbus Day, next Tuesday, the Federal National Bank, the Fiduity Union Trust Company, the DeWitt Savings and Loan Association, and the Town Hall will be closed all day.

NURSE AND PATIENT—Miss Ella Hasanjaeger, director of nursing at the Essex County Hospital, who has been named Belleville's "nurse of the week," drops in to say hello to 24-year-old Susan Burke, a patient at the hospital. Susan is the daughter of Mr. and Mrs. Norman Burke of South Orange.

LLOYD R. REEVES NOMINATED 33RD DEGREE MASON

Next Monday marks the first day of National Nurse Week — and in Belleville the "nurse of the week" will be Miss Ella Hasanjaeger, director of nursing at the Essex County Hospital here, who spent six years in Brazil where she helped to establish a nursing program as an official representative of the American government's Good Neighbor policy.

Colorful Ella Hasanjaeger To Be "Nurse of the Week"

Her professional education in the post graduate course in the Pennsylvania Hospital for Mental and Nervous Diseases in Philadelphia, a Sister Kenny course at the University of Minnesota, study in medical bacteriology and chemistry at the University of Wisconsin, and advanced administrative preparation at the Columbia University.

Charter Supporters "Selling Tax - Trap" Commissioners Say

The five members of Belleville's Town Commission, all of whom favor the retention of the present commission form of government, declared in a joint statement last night that the "minority group" supporting the proposal for a switch to the council-manager form, are "distorting" the facts and attempting to "sell the citizens in."

WALTER KIDDE AND LOCAL 146 REACH 1-YEAR AGREEMENT

Employees of Walter Kidde & Company, Inc., manufacturer of fire detection and fire protection equipment, yesterday ratified an agreement reached between the Company and Local No. 146 United Automobile, Aircraft, and Agriculture Workers of America, C.I.O.

PRESIDENT ASKS FOR SUPPORT OF COMMUNITY CHEST

Volunteers next Friday morning will begin their house to house collection of Community Chest coin envelopes previously mailed to all residents, and at the same time the overall Chest fund drive will swing into action.

From the White House, President Eisenhower issued a nationwide appeal asking for the co-operation of all citizens in supporting the drive in their communities. He said:

"In this drive our people once again make a concerted voluntary effort to help those among us in illness or in need. Children who are sick, the physically handicapped, old people unfriended and those who are suffering in body or mind would otherwise go unaided, for those who would otherwise lack assistance to bring them happier, better lives."

"Each person contributing to this assistance can know that he has earned the profound gratitude of those whom he helps. But he has an even greater reward in the inner realization that — as a free individual — he has been able to show sympathy to fellow human beings. I earnestly hope that the American people will earn these rewards now by contributing to this year's Community Chests Fund with an inspired generosity and a true warmth of heart."

PADULA SULLIVAN SAY RODINO SURE OF RE-ELECTION

Public Safety Director Harry J. Sullivan, co-manager of the Congressman Peter W. Rodino, Jr. campaign for re-election, and Mayor Isadore J. Padula, who with Sullivan is the other Democratic member of the Town Commission, yesterday predicted victory for the Congressman in the November election.

HYDE CALLS UPON GOP WORKERS FOR PARTY VICTORY

Speaking before more than 100 workers at Republican headquarters at 230 Washington Avenue, Commissioner Elmer S. Hyde, chairman of the Belleville GOP campaign, predicted that the November election would be a resounding success for the Republican Party.

POLICE OFFICERS HELP SAVE LIFE OF STRICKEN BABY

Two Belleville radio car patrolmen were credited this week with probably having saved the life of a 13-year-old infant.

Holy Name Society Will Parade Sunday

More than 850 members of the Holy Name Society in Belleville's two Catholic churches will take part in the Society's annual Essex County parade in Newark Sunday.

FILE YOUR COMMUNITY CHEST COIN ENVELOPES FOR COLLECTION NEXT FRIDAY

Volunteers next Friday morning will begin their house to house collection of Community Chest coin envelopes previously mailed to all residents, and at the same time the overall Chest fund drive will swing into action.

BOARD BUNGLED SCHOOL PROGRAM SAYS CIVIC GROUP

Charging that the Board of Education is guilty of "bungling" its school building program, the Belleville Citizens Association last night repeated its demand for the resignations of Board President Eugene Kelly, William L. Looney, and Vice-President Charles Young, whom it held "principally responsible for the disgraceful school administration with which we have been throtled."

At the same time the statement declared that the Association has requested a resolution that the Board of Education be dissolved and a new board be elected.

The announcement followed on the heels of a resolution that the Association has requested that the Board of Education be dissolved and a new board be elected.

BUILDING PERMITS TOTALED \$272,955 DURING SEPTEMBER

Building permits issued during the month of September totaled \$272,955, according to records in the office of Building Inspector Thomas Recco.

Largest construction project was the authorization of a new \$125,000 synagogue and social center at the Ahavath Achim Congregation on Academy Street.

A permit was issued to Alfred Gaeta for construction of a \$45,000 restaurant at 540 Mill Street.

New industrial building includes a plumbing and heating office, including storage space, at 547-549 Cedar Avenue, at a cost of \$18,000, for the Spacca Corporation.

The incorporators are Sal Russo, Cesar Calabrese, and Pat Marino, all of Belleville. Among other construction is an automotive body repair shop addition to the Jarka Company, at 114-122 Gloucester Avenue for \$8,000.

Grand Marshall of the Belleville Parade

St. Anthony's marchers, followed by the Mary's Daughters and Bugle Corps of Yonkers, will follow Franklin Street to Belmont Avenue, then to Hecker Street, over to Honick, back to Franklin, and then to the Franklin Street subway. In the line of march will be the Honick marching band.

Members of the St. Peter's Society will parade on foot to the Newark City Line. The marchers will carry the flag of the Holy Name Society, Rev. Francis J. Wightman, spiritual director of the Holy Name Society, Rev. Francis J. Wightman, spiritual director of the Holy Name Society, Rev. Francis J. Wightman, spiritual director of the Holy Name Society.

New Administrative Code For Council - Manager Plan

By Boyd Hartley
Chairman, Charter Study Commission

The operation of the town government under council-manager government would be quite different from the present "operation." The first difference, which would be immediately evident, would be the adoption by the council of an administrative code which would set up an orderly plan of procedure for the administration of the town.

Among other things, it would establish the number of departments in the town and define their responsibilities and work. The council, by adopting the code, would thus determine how many departments would be necessary, but, since the appointments to head of departments would be made by the manager based on the principles of efficiency and economy, they would be non-political and dependent upon individual ability.

They would undoubtedly be present town employees. Probably there would be seven departments: finance, police, fire, welfare, recreation, engineering, and personnel. The head of the finance department could be one of several town employees such as the present town treasurer. The police chief and the fire chief would naturally be the head of their respective departments; possibly they would be combined under one department of safety, but it is doubtful, as this would just create another town employee and put the present health officer in the welfare department. The personnel department might be under the direction of any one of several town employees presently in responsible positions.

The head of the engineering department should be a competent professional engineer, licensed by the State of New Jersey, with experience in the municipal field. This position might have to be filled from outside the ranks of the present town employees as he would be expected to devote his full time and energy to this position. The present town engineer is not required to work full time and probably would be willing to do so.

credit the Town Commission.

There are no indiscreet or half-truths being circulated by the Town Commission or its friends. We have stated categorically and unequivocally that it is the considered opinion of the Town Commission that the Council-Manager form of government will only sell the citizen into a tax-trap. It will bring increased tax bills to every home-owner and industry in Belleville, and will not, under any circumstances, guarantee better government for our Town. We strongly feel that nothing can be gained by a change at this time, and only the taxpayer will suffer from a movement that was motivated by a minority group.

We do not intend to wage a campaign of fear. The facts are irrefutable... towns that have instituted the change invariably have lived to regret the day, as indicated costs, stepped-up political activity and administrative problems outweigh whatever benefits that can be cited in favor of the council-manager government.

Hyde

(Continued From Page One)

"This 'fear' campaign being used by the Democrats is two-pronged in purpose. The Truman-Acheson-Stevenson regime hopes to frighten the people into electing Democrats and at the same time take the spotlight off the big issues in the campaign, a spotlight that glaringly reveals Democratic blunders.

"I don't think the American people will ever forget the terrible Korean War. Never in our history have we had to fight a war where our commanding officers knew they could not go all out to defeat the enemy.

Donald Hulme, 14, son of Mr.

The luxurious ROADMASTER Wildcat, custom built by Buick, sells for the lowest price per pound in the financial field.

There's a mighty good chance that October 1954 will be the biggest October in Buick history.

In fact, we know it will—if we can keep Buick sales rolling as they've been rolling thus far this year.

This is the car that has romped ahead of competition—climbed up into the circle of America's three top sales leaders.

It's the car that has been winning customers because it has the power, the ride, the room, and the styling that make it the buy of the year.

So we're in the mood to talk turkey, if you are in the market. Come in today for a car—and a deal—too good to miss.

MILTON BEER STARS FOR BUICK—See The Buick Buick Show Alternates Tuesday Evenings

and Mrs. W. Eric Hulme of 122 Bell Street, will be one of the young accordion players who will present a recital at Carnegie Hall in New York on Oct. 17. Joseph Dunn, one of the builders, reported to police.

Vandals broke into a simple house at the Marion Homes, Inc., housing project on Marion Court, near Cella Terrace and Continental Avenue, and smashed floors and doors with white paint. Joseph Dunn, one of the builders, reported to police.

Thieves took a pair of \$80 binoculars from the glove compartment of a car owned by Wilfred S. Butler of 37 Van Houten Place while it was parked near the Elks Club. Officers John Matzler and Harold O'Reilly recovered an automobile reported stolen from Newark. They found it parked at Franklin Avenue and Copper Place.

The car in which Meyer Dembin, New York bank robber, was found murdered was parked within a mile of the Belleville-Bloomfield line in Bloomfield, in the vicinity of Belleville Avenue.

The school board was still in private session at press time last night, but it was indicated earlier that it would ask Schmidlino seek a further reduction in the latest cost estimate. It was considered possible that the board might, if it thought the figures warranted it, make some concessions "within strict limits."

Walter Kidde and Company had originally estimated that ground-work or site construction would cost only \$250,000.

The Schmidlino firm, on the other hand, held that special provisions would have to be written in because the box area on Division Street where the site is located, provided special engineering problems.

The Schmidlino firm had contended that the building required a sub-basement at a cost of \$349,728, and estimated that added "framing" costs, concrete piles, a retaining wall, waterproofing, and pumping added \$379,619 to the figure, or total of \$729,347.

Revising its blue-print, the firm, in a communication made public for the first time, declared that after a conference with Olaf Egge, a structural engineer who it em-

Nutley, Blue-Gold Resume Old Rivalry In Saturday Game

Mal Condon

Belboys Jumping From Frying Pan Into Fire

Belleville, after its second successive loss to Bloomfield, 18-0, will jump from the frying pan into the fire when the Blue and Gold play host to arch rival Nutley High at Municipal Stadium, Saturday, starting at 2 p. m. Belleville will go into the game as a heavy underdog and will meet a spirited Maroon team that has whipped Central and Orange. A doormat in Essex County football circles for the last decade, Nutley has scored 75 points in its two outings and is still unscathed. Last year the Maroon Raiders won only one game and the year before went through the entire season without gaining a victory.

This is one game where past performances can usually be tossed to the wind because when these two arch rivals clash, past records mean little. The series usually finds the underdog giving the favorite a stiff battle. For the two schools Saturday's game will be the 15th meeting of the natural rivals. Started in 1920, Nutley still holds a slim advantage. The Maroon Raiders have won seven, lost six and tied one. The series was interrupted for 15 years from 1929 to 1944.

Since Coach Ed Berlinski took over the reigns Belleville has narrowed the gap considerably. His teams have won five and lost two in the Fall class. The Blue and Gold won in 1952, 44-7, and last year took a 12-0, decision. At stake Saturday will be the Belleville Varsity Club—Nutley Third Half Club trophy as the Belboys go all out to retain the coveted award. The Varsity Club has had possession of the trophy for four of the last five years.

Berlinski is hopeful that his boys will be up for the Nutley game. "They made an awful lot of mistakes against Bloomfield that hurt," Berlinski is continuing with his youth movement. In the Bengal fray he used Pat McCabe and Bill Bartell, both freshmen.

McCabe, brother of co-captain Jack McCabe, played three quarters of the game at one of the guard positions. Bartell, a 215-pound ninth grader saw service at both guard and tackle for about one period.

Although the varsity lost, the JV's gained a bit of revenge by beating Bloomfield's underdogs, 12-6, on Monday. The freshman team made it two in a row by defeating Garfield, 28-0, Saturday at Clearman Field. Both results are good signs as Belleville looks to the future.

When the Blue and Gold meet Nutley they will have to stop a veteran backfield made up of Tom Hanlon, quarterback; Pete Hudec and John Jacome, halfbacks; and Al Musco, fullback if they entertain any hopes of upsetting the Maroon Raiders. Equally strong will be the Nutley forward wall made up of Sam Stochella, Pete Codella, Don De Castro, Carl Borino, Mario Cecchiola, Don Olivo and Ted Berger.

Crystal Gazing

This crystal gazer for the second successive week came through with fairly good success as the favorites in most instances won as expected. Upsetting the apperant were Passaic's 7-6 decision over Clifton and Linden's sound beating of Weequahic. After two weeks of picking "em, I came out with 16 correct against three wrong guesses and one tie for an 84.2 mark. Saturday's slide appears to be the toughest afternoon for "expert" as several of the games figure to be toss-ups. Let me see if I can keep that lucky streak going.

Nutley to rout Belleville. The Belboys are off to a rough start having lost to East Orange and Bloomfield. Nutley is playing like a championship team and will take the field as a prohibitive favorite to down Coach Ed Berlinski's young squad. Maroon pilot Jack Lewis will try to keep his stars under wraps and not unveil his key plays since a week from Saturday Montclair will visit Park Oval in the game of the year.

Barringer to lace Central. Mike Comune, Barringer backfield star, looks like the difference in this Newark rivalry. He scored both touchdowns against Garfield in a 13-7 victory last week.

East Orange to swamp West Orange. The Panthers appear to be the only solid contender for top Essex laurels in addition to Nutley and Montclair. East Orange will win this one handily. They'll have to prove their superiority over the Maroon Raiders and Mounties later on.

East Side to edge South Side. This is a must for East Side as they go all out for the Newark-City League crown. Orange to trim Irvington. The Tornados had two rough early season assignments as any team around as they played Montclair and Nutley in the first two weeks of the campaign. Against Irvington, Russ Monies will get his initial victory since succeeding John Moorehead.

Montclair to shave Kearny. The Mounties winning streak will be in tact for one more week. On Saturday Coach Clary Anderson will probably receive a new car at halftime from his loyal Montclair supporters. After that the party will be over. Anderson better find another Aubrey Lewis, but pronto, to hold those rampaging Maroon Raiders in check.

Bloomfield to squeeze by Clifton. This is the beginning of a new rivalry as Clifton adds another Essex power to its slate. The Mustangs figured to beat Passaic, but lost, 7-6. Against Essex competition they'll find the brand of ball even tougher.

Passaic to nose out Garfield. This one figures to be a dilly with not more than several points separating the two Valley Conference foes. I'll stick with Passaic but something tells me the Boltemakers will be up for this one and prove me wrong.

Dover to get by Clifton Scott. The Scotties will be playing without halfback Dan Nafie, who suffered an elbow injury against West Orange. Nafie's absence will be too big a hole to plug.

Thomas Jefferson to down Weequahic. The Indians are a power in their own league but that's all. Jeff will provide too much overall strength.

Only a very special miracle can save the Blue and Gold from defeat by Nutley High School at Municipal Stadium Saturday, but when it comes to predicting how close the score will be, a wise man stays clear of being too positive about his sooth-saying where two such traditional rivals are involved.

Belleville, dropping its second game of the season to Bloomfield by an 18-0 score last Saturday, has not yet indicated that its prospects for the season are overly good.

Nutley, on the other hand, smashed Newark's Central High 33-0, and Orange by a 42-0 score, in its first two games, and is already given a good chance to win the Group IV title.

Saturday's game begins at 2 p. m., and a record crowd is expected to attend.

Here is how the game against Bloomfield went:

Bloomfield kicked off to the visiting Belboys, and Joe Mignon returned the ball 48 yards to the Bloomfield 72. Quarterback Frank Puleo moved up another 6 yards on an end run, but on the next play, Puleo fumbled and Bloomfield recovered on their own 26. The Belboys advanced rapidly, in their turn, and on four running plays, including a 48 yard run by Larry Casparro, the home team was on the Belleville 11, first down, and goal to go. Three downs later, Bill Lenzok moved over from the one-yard line, but missed the extra point attempt.

Mignon again returned the kickoff to the Belleville 27, and when they were unable to gain, Paganelli quick-kicked on the third down, and the ball was finally brought down. The quarter ended with the ball on the Bengal 20.

Starting the second quarter, Belleville's drive came to an abrupt stop when Paganelli lost the ball after a jarring tackle, and Bloomfield recovered on their own 33. Two plays later, from his own 38, Lenzok's right arm ended, leaving his interference behind, and with some wonderful faking, crossed the goal line with a 62-yard run. This was the third touchdown for Lenzok, and ended the scoring for both teams for the remainder of the game.

Jim Apple made a nice run back on the fourth kick-off, but the Belboys lost possession on downs on the Bloomfield 23. Both teams strengthened their defensive play, and continued to lose the ball on downs for the remainder of the half.

In the second half, Belleville started an offensive drive from its own 34. Mignon and Paganelli moved the ball up to the Bloomfield 31, but an attempted pass by Puleo was intercepted and returned by the Bengals to the middle. Belleville regained possession of the ball a few plays later when Costelli recovered a Bloomfield fumble. With a series of power plays, the Belboys advanced the field again, and as the third quarter ended, reached the 31 yard line. Apple, Mignon and Paganelli moved the ball up to the Bloomfield 48, and once again lost the ball when Costelli's pass was taken by the Bengal defense and run back to the Belleville 36.

In what looked like another scoring drive, the Bengals advanced to the Bloomfield 4, where they were finally stopped when Apple intercepted a pass in the end zone. Belleville moved up to the 31, but was forced to kick, and did not regain the ball as the game ended. The Belboys made some spectacular plays, but their gains were nullified each time by fumbles or pass interceptions.

Coach Berlinski used Freshmen Pat McCabe and Bill Bartell in well. Pat is a brother of Jack McCabe, who is Belleville co-captain along with Joe Mignon. Berlinski played a defensive game, breaking up many of the Bengal plays around end. Mignon, Paganelli, Apple and Malfatto got away on numerous occasions and their total yardage gained was very creditable.

The Belleville players who saw action in the Bloomfield game included Costelli and Liore at left half; Macaulise at left tackle; Malt, Bob Metz, Ray Mastandrea, Ralph Estelle, Carl Colombrino, Gene Pinedale, Don Klein, Lou Nardelli, Hal Metz, Richie Ezye, Lou Long, Dave Schoner, Gene Barra, and Dan Riordan.

HI-SCHOOL FROSH HAVE GOOD START WITH 2 VICTORIES

The high school frosh under Coach Wilho Winaka are off to a very successful gridiron season. With two games played they are sporting an undefeated and unscathed record.

In their first contest against the Nutley freshmen at Park Oval, Nutley, they were victorious by the score of 7-0. Right end Dave Schoner made the touchdown on an end-around play and left end Don Klein scored the extra point on an identical play.

The Belleville Frosh had numerous other scoring chances, but fumbles due to first game unseasoned kept the scoring down.

Last Saturday morning at Clearman Field the freshmen encountered the Garfield ninth graders and won 28-0. Belleville far outclassed their opponents and scored freely and easily. Halfbacks Frank D'Angelo, Johnny Ryan and Eugene Barra along with Dave Schoner scored the touchdowns.

Tomorrow morning the team travels to Irvington, hopeful of maintaining their record.

Frank Apple, Ted Salter, Pat McCabe and Bill Bartell started with the freshmen, but have been graduated to the varsity squad. McCabe and Bartell have already been called into action by coach Ed Berlinski and played last Saturday in the Bloomfield game with the varsity.

Members of the freshman team are: Richie Abbott, Charlie Aughenbaugh, Frank Dell'Presto, Jim Simione, John Ryan, Jerry Ippolito, Bob Metz, Ray Mastandrea, Ralph Estelle, Carl Colombrino, Gene Pinedale, Don Klein, Lou Nardelli, Hal Metz, Richie Ezye, Lou Long, Dave Schoner, Gene Barra, and Dan Riordan.

—Mal Condon

For Good, Efficient and Economic Municipal Government? Vote YES on Council-Manager Referendum in November

Clip Out the Coupon Below and Send it with Whatever Contribution You Can Afford. Every Dollar Counts.

Mr. Richard A. Shafter, Council-Manager Campaign Committee, 131 Bremond Street, Belleville, N. J.

I am convinced that the Commission form of government has failed to provide Belleville with an efficient and economical administration.

I believe that the Council-Manager form of administration, as proposed after careful study by the Belleville Charter Commission, will provide the people of Belleville with good, efficient and honest government.

I am enclosing my contribution to the Council-Manager Campaign Fund of the Belleville City Congress to the amount of _____

I also would like to be put on your mailing list for any additional information pertinent to the Council-Manager Referendum in the November Election.

Name _____

Address _____

(My name may be used (not used) in the public acknowledgment of my contribution.)

LEADERS NEEDED FOR BOY SCOUTS; JOIN FALL CLASS

More boys than ever are turning out this fall for Pack, Troop and Post meetings, and all three types of Scouting Units are recruiting adult assistant leaders to care for the increased membership.

In order to train parents and others for leadership in Scouting, the Rotary Trust, Council, of which Belleville is a member community, opens its Fall University of Scouting on Wednesday at West Side high school.

Courses for Club leaders, and men and women in Boy Scouting and Explorer Scouting are being offered and car pools are planned for several people from a Pack, Troop or Post to attend the classes together.

West Point Military Academy will be the highlight of a tour arranged by the Region Two staff for Scouts from New Jersey and New York. Troops 305, 309 and 388 will be represented by 75 Scouts on the trip.

F. Douglas Wadsworth, District Commissioner, has reported that attendance at Belleville District Fall Campore will probably exceed all previous records. The Campore will be held over the weekend of October 15, 16 and 17 at Camp Alpine, in Closter.

Conservation will be the central theme of the outing and Scouts are well qualified to do Conservation work since it was a major factor in the program at Camp Mohican this summer.

D'Uva Retires After 34 Years Service With P. S.

Gabriele D'Uva retired on pension this week after nearly 34 years in the employ of Public Service. He has worked at the Maroon, Essex and Kearny electric generating stations of Public Service, repairing boilers, and at the time of his retirement was working at Maroon Station, which was also his first assignment.

D'Uva lives with his wife and son at 10 Parkview Avenue, and the couple also have four sons who are married. His plans for the future include a trip to Italy next summer.

Two Local Men Complete 25 Years With Wright

Two local residents, Anton Mehlender, of 121 Floyd Street, and Philip Montrose, of 254 Jerusalem Street, were honored at a dinner given by Wright Aeronautical Division of Curtiss-Wright Corporation last night. Mehlender and Montrose both completed 25 years with the company and received diamond studded service pins.

Former Belleville Man On Faculty In Yonkers

Frank Livingston, formerly of Belleville, has returned to the faculty of the Yonkers School of Business after a leave of six months due to an injury in an automobile accident.

Mr. Livingston is the Yonkers' manager of the New York State Employment Agency and as a member of the American Arbitration Association, serves on the National Panel of Industrial Disputes arbitrators. He attended Belleville schools and was a member of the Public Safety Personnel Council.

MEMORIAL TO BE DEDICATED SUN. AT WESLEY

A memorial will be created by the members of Wesley Methodist church this Sunday in a special ceremony to take place during the morning worship service. The ceremony will honor Charles H. Thompson, who, at the time of his death about two years ago, was serving the church in many capacities. A fund, which was started at that time, has been used to establish the memorial.

The new basement room has been chosen as the memorial. It is a fitting choice since Mr. Thompson was the one person primarily responsible for its completion. The room, which will be known as The Charles H. Thompson Room, will bear a plaque which is the gift of Mrs. Charles H. Thompson, the widow. The inscription on the plaque says in part: "The area occupied by this room was once an unexcavated space under the sanctuary. It was Charles H. Thompson who conceived and executed the idea of transforming it into the useful addition to the church which it has become."

Boy Scouts of Troop 301, which was served for many years by Mr. Thompson as scoutmaster, will attend the service in uniform. The presentation of the plaque will be made by Harry French, executive scout leader. At the same time, in observation of the occasion, Mr. French will present the Eagle Scout Award to Edward Anderson, a member of Troop 301 and Wesley Church.

The Charles H. Thompson Room was completed during the past year when more than \$13,000 was spent in renovating the basement area of the church. Money from the memorial fund will be used to install modern folding doors which will make it possible to separate the new room from the rest of the basement for Sunday School use and for other purposes.

BAKER'S DOZEN SELECTS 13 GIRLS

The Baker's Dozen, a concert group of 13 girls at Belleville high school, has chosen for their singing ability, held auditions Tuesday morning and the following were selected:

Gloria Cirillo, Jacqueline Burdick, Connie Wynn, Pat Dinsdale, Connie DeCepoli, Grace Orth, Sandy Intermont, Elaine Maffie, Helen Curvin, Judy DePass, Kathleen Ventura, Frances Mackie, Connie Francavero.

Alternates: Elizabeth Stout, Linda Bartlett, Ethel Snow, Carolyn Reeves.

The girls were chosen by Shirley Bode and Margaret Bunce, supervising teachers of vocal music in the Belleville Elementary schools and Mrs. Violet Kochan. The Baker's Dozen are under the direction of Samuel Peck, director of music in the Belleville public schools.

(Continued from Page One)

ployees of the Company will receive an immediate five cents per hour increase. At the same time minimum and maximum rates for all labor grades will be increased across the board by five cents an hour.

Additional allowances for holiday pay were included under the new agreement. In the future all employees working on any observed holiday will be paid at the rate of time and one-half for all hours actually worked. This premium payment will be in addition to the regular holiday allowance of eight hours pay at straight time rates.

To be eligible for holiday allowances, employees must have worked at least one day of the ten days immediately preceding the holiday, unless the employee was on vacation during that period.

Changes were also made in the terms of the group life insurance program. Henceforth, all hourly rated employees will be eligible for \$2000 of free non-contributory life insurance. In addition they may subscribe to an additional \$3000 of contributory insurance.

Employees with more than 15 years' seniority who retire at the age of 65 will be provided with a non-contributory life insurance policy in the amount of \$1000.

In addition to these changes, certain other modifications were made with respect to the bonus arrangements for both production workers and indirect work-

Pro Council

(Continued from Page One)

In a similar vein, Shafter stressed the need for a professional municipal administrator. He said that the council-manager form of government can provide it.

"What he wanted, Shafter declared, was not the commissioner's department."

"When you have a toothache, you do not go to your next-door neighbor who happens to be a plumber, and when you put a nail on your house, you do not call in your friend, the medical doctor, from around the corner."

"Yet, when it comes to the vital issue of running our town government, we leave that important job to five amateurs whose only qualification for the job is that they have the job. At the moment of their election, they do not even know which of the five departments of the town administration each of them is going to get, regardless of their qualifications."

"Take the incumbent Commissioner as an illustration. There have one man who has made public works his life's work. He has been an officer running the Engineer's department for a quarter of a century. He got bitten by the bug and ran for office and made it."

"On the other hand we have the mayor, who happens to be a lawyer, running the Finance department. But the only man on the Commission who happens to have a knowledge of public finance is in charge of recreation. Fortunately."

Shafter ridiculed a recent statement by John A. Heine, a pro-commissioner group, and who Shafter quoted as saying that a Town Manager might prove to be a dictator.

"Such a statement is of course utter nonsense," Shafter said.

Class of '38 Fetes No. 10 School Teachers at Party

Members of the graduating class of 1938 from No. 10 School honored the teachers who took them from kindergarten through the eighth grade at a party Friday night in the home of Mrs. Douglas L. McCabe, formerly of Belleville, now of West Caldwell.

The guest teachers included: Mrs. Charlotte Bray, Mrs. Grace Meyer, Mrs. Mary Colyer Carlucci, Katherine Fullerton Langer, Margaret Patton O'Gara and Ellen O'Gara. The "old grads" were the Mesdames Adele Tryon Cowan, Florence Stetler Mayer, Isabelle Armstrong McCabe, Mickey Petrilli Salterio, Jean Cooke Schneider and Angelina Molinaro Triano.

Due to deliberate misinformation given this paper last week, the account of a cocktail party honoring Miss Lorraine Rogers at the home of the Joseph Mazas, of 176 Fairway Avenue, was incorrect. Miss Rogers was guest of honor at a party held at Toots Shor's restaurant in New York and attended by Jackie Gleason, Art Carney, Audrey Meadows and the Jane Taylor Dancers. The party also honored the other two "portrettes" of the show, Miss Rogers was escorted by James Ferrara, of Nutley.

The pre-school mothers held their first meeting Monday night at the following were elected officers: Mrs. Eleanor Holweg, president; Mrs. Rose Green, treasurer; Mrs. Betty Burnes,

ANGELA LUPO'S BRETROTHAL TOLD

Mrs. Angela Lupo

Mrs. Carmela Lupo, of 15 Meacham Street, announced the engagement of her daughter, Angela, to Stephen Rella, son of Mrs. Antoinette Rella, of 431 14th Avenue, Irvington. The bride-elect is the daughter of the late Angelo Lupo and her fiancé is the son of the late Frank Rella.

Mrs. Lupo, a graduate of Belleville high school, is employed with the Public Service Electric and Gas Company in Irvington. Mr. Rella attended Irvington high school and served four years with the Marine Corps.

FEW SMITH TO HEAR ASIAN MISSIONARY

Rev. Raymond Cloyd Downs, a missionary from Thailand, will preach Sunday morning at Few Smith Memorial Presbyterian church at the regular 11 o'clock service. On leave of absence from his work for one year, Rev. Downs lives with his family in New Hope, Pa., where he directs the educational and religious work in Bangkok, which the church supports.

The Few Smith chapter of Presbyterian Men will meet on Tuesday in the church 8 p.m. for a briefing program. Principal speakers include Rev. John E. Smith, Jr., of Bloomfield, who will be "Presbyterian History"; Walter Franks, of Lyndhurst, "Presbyterian Beliefs"; and Rev. J. S. Longenecker, of Newark, moderator of the Newark Presbyterian.

Roscoe Fulmore, president, will preside at a business meeting. John Seasholtz will direct the worship, and refreshments will conclude the program. All men of this community and church are invited.

Grueich, John Hoagland, Albert Johnston, Nathan McClelland, Robert Olson, Philip Parke, Frank Pietrantono, William Wargo and James Christie.

More than 100 members attended the Court Santa Maria No. 81 meeting Tuesday evening, held in St. Peter's Auditorium. Entertainment and refreshments were provided by Welford Farms and the hostesses in charge of the evening were Marion Urchil and Mrs. Mary Garbely.

Judith Gabriel Becomes An Autumn Bride In St. Peter's

On Saturday, in St. Peter's Church, Miss Judith A. Gabriel became the bride of Edward J. Corbally, Jr., in a ceremony performed by Rev. John Hourigan. The bride is the daughter of Mr. and Mrs. Frank J. Gabriel, of 67 High Street, and the groom is the son of Mr. and Mrs. Corbally, of 414 Lafayette Street, Newark.

A reception was held in the Robin Hood Inn, Clifton. The bride wore a princess style gown of tulle, trimmed in Alençon lace and ending in a cathedral train. Her fingertip veil of French tulle was held by a Queen Anne comb and she carried an old fashioned bouquet. The maid of honor, Miss Jean Napolitano, and flower girl, Jeanie Gabriel, sister of the bride, wore princess gowns of turquoise tulle trimmed in dark fur. Bridesmaids, Mrs. Audrey Lindquist and Miss Anita Fusaro, wore burnt orange taffeta, trimmed in fur.

Joseph Smith, brother-in-law of the bride, served as best man and ushers included Harold Mabeck and Richard Hulbert. Mrs. Corbally, a graduate of Belleville high school, is employed by General Motors in Newark and her husband, a graduate of East Side high school, is with the Atlantic and Pacific Tea Company.

After a two-week wedding trip to Lake Placid, the couple will make their home in Belleville.

Colorful

(Continued From Page One)

al, and the Chicago department of health, and directed the nursing service at the Ashland (Pa.) State Hospital and the Grace Hospital at Newark, Conn.

After heading the Essex Hospital nursing department here for 12 years, Miss Hansen-Jaeger was retained by the Institute of Inter-American Affairs as a consultant to the Brazilian government in organizing a school of nursing, and aiding those already existing.

But when she arrived at the University of Sao Paulo in Brazil, which was to be her headquarters, she fulfilled a larger role by actually participating as a member of the university's faculty, filling in the gaps in teaching and clinical instruction.

American nurses were not too well looked in Brazil in 1944, but her bubbling good cheer, understanding of South American ways, and her professional skill soon won her acceptance.

She conducted classes in ward administration and teaching methods to nursing graduates, helped to lay the groundwork for three new university schools of nursing, and the first acute communicable disease service in any general hospital south of the United States.

She established the first professional nursing field experience program in a 9,000-patient mental hospital, and the physician in charge said 50% more patients were discharged during the nine months that she worked there than at any time during his previous 14 years of experience. She trained a Brazilian nurse to carry on her program, and established affiliate courses for seven schools of nursing.

Among her other projects were the establishment of three emergency hospitals in public schools to care for polio cases. More than 225 patients were treated in them during her South American residence.

Visitors to the University school included international architects, engineers, physicians, and university presidents, and many of them sought her advice on hospital and nursing school plans.

A professional nursing association had existed only in the federal district of Rio de Janeiro, and there were about 100 members. With the co-operation of the President of Brazil she established the

MISS MAWHIR WED IN CONNECTICUT TO JOHN BALLAS

Mrs. John A. Ballas

Miss Florence Elizabeth Mawhir, daughter of Mr. and Mrs. William Mawhir, of 48 Garden Avenue, became the bride of John Alexander Ballas, son of Mr. and Mrs. James Ballas, of Bridgeport, Conn., on September 25 in the Hungarian Reformed church, Bridgeport. The groom's parents entertained after the nuptials.

Escorted by her uncle, Peter Mitchell, the bride wore a ballerina length gown of Chantilly lace over satin, in a classic mode, with sequin trimmed wing collar. Her veil was secured by a jeweled crown and she carried white orchids on a Bible.

The groom's sister, Elizabeth, was the bride's attendant, in a gown of shrimp crystalite, with matching stole and shoes. She carried a cascade of Tullismon lace over satin, in a classic mode, with sequin trimmed wing collar. Her veil was secured by a jeweled crown and she carried white orchids on a Bible.

After a wedding trip to Niagara Falls and Thousand Islands, the couple will live at 203 Harriet Street, Bridgeport, Conn.

organization on a district, state, and national level, and in three years it had grown to 504 members.

Day Of

(Continued From Page One)

Night prayer was the whole Day of Atonement can free us of the promises and obligations which we have made in relation to our fellow men. We must ask forgiveness from them for our fellow men.

"Yom Kippur is the Day of Judgment. We are supposed to reflect on our past activities and to solve to do better during the coming year. Prayer, charity and forgiveness — that is the Jewish concept of penitence is a truth of great importance — that neither good nor societies need be the prisoners of their past sins and errors. The way of noble living is always open to those who choose to travel it. Man can achieve his own salvation. This faith rests in turn on another, the most fundamental of Judaism — faith in our God and in His Sovereignty."

The festival of Seventh, Tabernacles, will be observed in with new Monday at 5:30 p. m. at the synagogue, with Tuesday and Wednesday morning services at 9:30. Succoth, the Feast of Tabernacles or Booths, is the Jewish Festival of thanksgiving. In ancient Palestine, it was the most joyous festival of the year, for it marked the close of the harvest season before the beginning of the period of the winter rains.

Historically, Succoth commemorates the dwelling in booths of the children of Israel in the desert during the exodus from Egypt. The Jewish people are urged to dwell in booths as a memorial of the exodus and the wanderings in the desert, when the children of Israel lived in booths and tents for forty years. It is to teach us that, living under God's protection is more important than dwelling in buildings of stone.

Succoth is the symbol of the harvest season, and is reminiscent of the farmers in ancient Palestine.

Building

(Continued From Page One)

Other building: New 1 1/2 story dwelling, Donald Scalerio, 1 story, 70-74 Mt. Prospect Avenue, \$15,000; Joseph DeRocco, 1 1/2 story, 48 Frederick Street, \$18,000; Addition to 1 1/2 story dwelling, Earl R. Jensen, 1 1/2 story, 92 Continental Avenue, \$18,000; John DeRocco, 1 1/2 story, 54 Chestnut Street, 2 bed room and lavatory, 1st floor, \$10,000; William Cullen, 1 1/2 story, 30 Liberty Avenue, bedroom, 2nd floor, \$8,000; William Frederick, 1 story, 55 Berkeley Avenue, rear porch, \$3,000.

New 2 story dwellings, Victor Squitieri, 26-27 Meacham Street, \$14,000; Peter Esposito, 94-96 Sanborn Avenue, \$14,000; Carmine Matlin, 33-35 North Street, \$15,000.

Demolition of 2 story dwelling, Jack Rega, 108 Union Avenue.

Alteration to 2 story dwelling, Edward Fitzgerald, 27 King Place, living room extension, \$200; Michael Svetell, 417 Joralemon Street, brick veneer exterior wall surface, \$3,000.

AT 8 P.M.

FINAL REPORT OF THE BELLEVILLE CHARTER STUDY COMMISSION

Pursuant to Chapter 210 of the New Jersey Laws of 1950

The Belleville Charter Study Commission will report to the People of Belleville.

The Report will include:

1. Our findings relative to the Commission Form of Government as practiced in Belleville and in other New Jersey Municipalities.
2. Our recommendation that the Town of Belleville should adopt the Council Manager Form of Municipal Government.
3. The November 2nd election and its importance to the citizens of Belleville.

Toni Silvestri

Arlene Generazio

Hi Everyone,
Last Friday night, for the first time in three years, the high school had an evening rally. The rally was unsuccessful for two reasons. The main reason was because of the destruction that was caused by over-enthusiastic students. Second the rally got wild and rough.

Rallies in the past had failed for the same reasons, and we guess it will be a long time before the high school will have a rally again. This one was to be a trial to see just how we would act. Kids, we never had it so good and believe us we won't have it again.

Cascades
The Cascades had another one of those "crazy" pajama parties at Highland Lakes Saturday. The girls stayed up all night listening to records. After all, how could anyone sleep while listening to Eddie Fisher croon? Paula D'Avanzo is quite the girl with a shot gun in her hand. We understand that out of a group of people that were practicing in the woods, she was the best shot out of all of them.

It was a bachelor one.

Spotty

It seems the cafeteria of Belleville High School has a daily visitor. A little black and white dog, affectionately called Spotty, is making the school a "howling" success. In fact he is even tramping down the waitline of Mr. Gallanella, one of our teachers.

Bob joined the Reserve Officer Training Corp as part of his Senior Hall education.

Eddie Kosinski does not have the trouble most boys have. Usually a boy has girl trouble, but Eddie is different. He has car trouble. It seems "Old Beas" breaks down whenever she is needed the most. We hope everything will turn out fine for the coming week-end, Ed.

The Food Fair has employed five B.H.S. students, Howie Hardwick, Bob McClosky, Larry Duclaux, Cyrus Amato, and Tommy Canuso. These senior boys seem to enjoy the work and they probably get filled just looking at everything. Their latest saying must be, "Mom don't cook anything for me tonight. I'm not hungry."

Class Officers

We wish to congratulate the new

class officers. The senior class has Tanya Gruelich as its president, Tye Dolan as vice president, and Eddie Kosinski as secretary-treasurer. The junior class has Joe Prieto as president, Bill L. Perrelli as vice president, and Sandy Shaw as secretary-treasurer. We know the kids will take their positions seriously and do a fine job. Our sincere congratulations to Marion Sparks and Roland Smith who were recently married. Marion graduated from B.H.S. and was one of our peppy cheerleaders.

Victory Dance

There will be a Victory Dance Saturday night in the boys' gym. It is the first dance of the school year and promises to be a great success if everyone will attend. The music will be furnished by Ralph Yawnee's band and we hope to see everyone there regardless of the results of the game.

Some of the senior girls in the third period gym class have a photo album against seeing a girl's name on the back of her gym suit. When you enter the gym you will probably see a group of seniors sitting in back of each other taking the names off the girl in front of her gym suit. We hope this clears up the mystery of the string on the floor, Miss Thompson.

CAMPUS

Betsy Joan Domenick, daughter of Mr. and Mrs. William Domenick of 421 Belleville Avenue, and Jean Margaret Dufford, daughter of Mr. and Mrs. Harold Dufford of 225 Franklin Avenue are enrolled for the fall semester at Albright College, Reading, Pa., and are participating in the freshman orientation program.

Both girls are graduates of Belleville High School. While at Belleville, Miss Domenick won twirling and cheering awards.

Miss Eleanor M. Long, daughter of Mr. and Mrs. Walter Long, of 135 Union Avenue, is a member of the freshman class in the College of Liberal Arts at Drew University.

A graduate of Belleville high school, Miss Long has been awarded one of the university's Rose Memorial Honors scholarships which yields \$400 annually and may be occupied for four years.

The Massachusetts Institute of Technology announced today that a Freshman Competitive Scholarship for entrance to M.I.T. this fall has been awarded to John A. Love, son of Mr. and Mrs. Allan G. Love, of 154 Smallwood Avenue, and a graduate of Belleville High School.

Residents of Belleville who have begun their college careers as members of the class of 1958 at Rutgers University include William A. Chapman, of 125 Bell Street; John A. Reid, of 70 High Street; and Walter D. Schroeder, II, of 5 Bremond Street.

Gail Decker Howe, daughter of Mr. and Mrs. Richard W. Howe, of 26 Essex Street, a junior at Allegheny College, has been named an adviser to freshmen women. In addition to maintaining personal contact with each of her several advisees, Miss Howe will hold regular weekly meetings with the group as part of Allegheny's overall orientation program.

William A. King, son of Mr. and Mrs. William King, of 88 Malone Avenue, is enrolling this fall in the theological seminary at Drew University, beginning a three-year professional course leading to the Bachelor of Divinity degree.

He did undergraduate work at Rutgers University in New Brunswick, which granted him the Bachelor of Science in Chemistry degree this year.

Miss Elaine Wische, of 62 Lloyd Place, has been accepted for admission to Syracuse University. John Hafer, Dean of Admissions, announced this week.

Frank J. Traviano, son of Mr. and Mrs. Charles Traviano, of 120 Belmont Street, was enrolled this week at John Hopkins University. He will study biological sciences and enter medical school upon his graduation. A graduate of Seton Hall Preparatory School, he was a member of the chess club, the Latin and German clubs, the chemistry and biology clubs, the student council and the school paper.

Mary Elizabeth Whitfield, of 85 Rosemore Place, has pledged Delta chapter of Alpha Chi Omega, at Allegheny College, Meadville, Pa., where she is a sophomore.

James F. Cavanaugh, of 92 Tappan Avenue, was named to the dean's list at the University of Pennsylvania's Wharton School of Finance and Commerce.

The following have enrolled as freshmen at Seton Hall Preparatory school from Belleville: Joseph Glorioso, of 15 Ogden Road; Peter and Michael Cuniff, of 138 Brighton Avenue; Dominick, of 18 Wilber Street; Thomas T. Molloy, of 8 Arthur Street; William Mroczek, of 44 Essex Street and William Roche, of 201 Branch Brook Drive.

Enrolled as freshmen at Seton Hall University are the following students: Joseph A. Bagnale, of 24 Franklin Street; John Burke, of 258 Hornblower Avenue; Thomas Cuniff, of 135 Brighton Avenue; Joseph N. Landolfi, of 212 Forest Street; Robert Malack, of 37 Fairway Avenue; Anthony N. Smith, of 25 Myrtle Avenue; Charles B. Triquet, of 55 Division Avenue and David Hunt, of 81 Lenox Terrace.

Joseph F. Waters, of 202 Union Avenue, is registered as a

freshman at St. Peter's College, J. C.

Marcella Ruth Lambrecht, daughter of Mr. and Mrs. Herbert P. Lambrecht, 6 Reservoir Place, a senior at Allegheny College, has been named to the dean's list for the second semester. To make the list, a student must maintain an average of 85 or better.

Donald Rinaldi, of 25 Columbus Avenue, will play quarterback on the Lehigh University football team this season.

James V. Kant, son of Mr. and Mrs. John J. Kant, of 242 Washington Avenue, is enrolled in the freshman class at Polidra Southern College.

Guy A. Hartnett, of 42 Branch Brook Drive, is registered at the University of Maine, in Orono, Me.

Harry Valante, son of Mr. and Mrs. Anthony Valante, of 25 Overlook Avenue, who was graduated from Belleville high school in June as an honor student, has been elected president of his freshman class at Eastman School of Music of Rochester University. He is majoring in piano, and is attending the College on a scholarship.

Woodland Creatures Visit Shawger School On Film

Owls, sparrow hawks, frogs, and coyotes, among other friends, by creatures of the wild, were exhibited to the upper grade pupils of the James G. Shawger school last week when a color film of the National Audubon Society was presented along with a lively lecture by Robert C. Holmes, artist, lecturer and photographer, on "Animals at Home."

Especially aimed at young people, the film stressed the theme of kindness to their furred and feathered neighbors and the importance of conservation, and held their interest with the humorous, unusual antics of the animals.

Courses For Girl Scout Leader Training Open

Girl Scout leader training courses began last week at Maplewood and will continue through October 20, according to Mrs. Henry Minasian, training chairman of the Belleville Council. Any local women interested in the courses, may obtain further information by calling Mrs. Minasian at Plymouth 9-8031.

Flood To Explain School Plans To AAUW And L.W.V.

Nutley Superintendent of Schools, Robert A. Flood will explain the proposed plans for a new junior high school building to members of the League of Women Voters and the American Association of University Women tomorrow night at a meeting to be held at the home of Mrs. Robert Levinson, of 229 Passaic Avenue, at 8:15 p.m.

"Thank You, Mr. Edison!"

Says Reddy Kilowatt

THIS year marks the 75th anniversary of the invention of the first practical incandescent electric light, which was developed successfully by Thomas A. Edison on October 21, 1879, at Menlo Park, N. J. This is Light's Diamond Jubilee. Mr. Edison's lamp paved the way for the development of today's modern electric system which has progressed to its present highly efficient state. Electricity serves you day and night in homes, in stores, in factories and on farms.

The use of electricity on the farm has become increasingly valuable in New Jersey. Virtually every farm in the Garden State has electric service which is used in more than 300 ways. On dairy and poultry farms, on vegetable and fruit farms, electricity saves farmers' time and work, and helps to make profits grow. As an example of the efficiency of electricity, a dairy farm in New Jersey milks the cows on an electrically operated turntable which cleans, washes and milks 50 cows in 12 minutes.

Public Service works closely with the Farm Electrification Council of New Jersey in helping Garden State farmers to obtain more efficient use of electricity on the farm.

Yes, it's true — thanks to Mr. Edison, electricity does so much... costs so little!

Write for a copy of the new book, "The Genius in the Amber Box," which tells of the development of the electric industry. Write Public Service Electric and Gas Co., 80 Park Place, Newark 1, New Jersey.
