

Belleville Churches Plan Ash Wednesday Services

The penitential season of Lent will be ushered in Wednesday with services and reflective sermons in the churches of Belleville. Set aside to commemorate Christ's 40-day fast in the wilderness, the season reminds all Christians to concentrate on the things of the spirit, using self-denial and examination of conscience as a means to this end.

Schedule of church services follows.

St. Peter's
The blessing of the ashes will take place before the 6:30 mass. Mass will be offered again at 7:30 and 8 and the ashes will be distributed after each mass. At 3 p.m. ashes will also be distributed and the evening service will begin at 7:45 with recitation of the Rosary, Benediction of the Most Blessed Sacrament and a sermon on "The Season of Lent."

Christ Episcopal
The first day of Lent, Ash Wednesday, will be observed at Christ Church with celebration of the Holy Communion at 10 a.m. In the evening at 8 p.m. there will be readings of the litany and penitential office and Rev. Peter Hackenbach will deliver a meditation on "Meaning of Lent."

Fewsmith Memorial Presbyterian
At 8 p.m. Rev. James K. Morse will give a sermon entitled, "High Fidelity" and special music will be presented by Ruth Loring, soprano soloist, and the choir, under the direction of the Minister of Music, Miss Hazel Ellsworth, will sing an anthem. This service will introduce a series of Wednesday night services during the Lenten season featuring a Bible study on the Gospel of Luke, illustrated with moving pictures.

Wesley Methodist
Wesley will observe Lent this year with a series of three vespers services to be held in the church on Sunday evening at 5 o'clock. The services are planned for the first three Sundays in March and they will be followed by a

CIVIL DEFENSE SIRENS TO BLOW HERE NEXT WEEK

A series of statewide siren tests will be conducted by the State Division of Civil Defense and Disaster Control next week and the first week in March, it was announced this week by Thomas S. Dignan, Deputy State Civil Defense Director.

The tests, which are scheduled for 12 noon on Wednesday, Thursday and Friday and 8 p.m. on March 2, 3, and 4, will be held in every municipality at the same time.

No Traffic Stopped
Purpose of the test, according to Dignan, is to give the people of New Jersey wider knowledge of the air raid signals and their meaning. There will be no mobilization of Civil Defense forces, no roll there be any traffic stopped during the tests.

It is our belief," Mr. Dignan stated, "that the great majority of the people, not only in New Jersey, but throughout the country are totally unfamiliar with the meaning of the various attack warning signals. This has been borne out by questioning different segments of the population in many sections of the country. In virtually every instance a woeful lack of knowledge as to the meaning of the signals was apparent."

"We believe, therefore, that a series of tests such as we plan will prove of great value in providing wider knowledge of the air raid signals and their meaning. Knowing these signals could mean the difference between life and death for thousands of persons should we ever get a 'Condition Red,' the deputy director said.

Three-Minute Wait
The notification to sound the sirens will be received through the attack warning communications network and will also be broadcast via police radio. The Red Alert (Danger) is a continuous three-minute (fluctuating) siren, the signal for White (All Clear) Alert consists of three one-minute blasts with a two-minute period of silence between each blast.

proper ratio when salary increases are made. The Belleville town employee is faced with the cost of living in the community.

"With this in mind, I have requested the Civil Service Department and also Hardy and Bladock, labor relations and industrial engineers to conduct a complete job evaluation, or a reclassification and salary survey for the department be my guide in making salary adjustments of revenue and finance, which will be just."

"I am happy to say that members of my staff are in agreement with the movement, and I believe the results will be exceedingly helpful for all time, in effecting balanced salary increases for town employees."

The Civil Service Department has up some salaries in the department some years ago.

The job evaluation will not include the magistrate, the town attorney, or the town clerk, the mayor said. These jobs come under his department for payroll purposes only, he said.

SCOUT LORE PLUS ACTIVE FAITH . . . is double goal attained by Star Scout Daniel Spillane of Troop 375 and Eagle Scout John Cornish of Explorer Post 375, who were presented the Ad Altare Dei Medal, high religious award in Scouting, last week. the way into the saloon, turn her around and shove her out thru the doors again.

Speaking of c o w s recalls the time some of us kids were playing ball in a lot on Main Street while a cow belonging to Mr. Speer was grazing near by. A woman who lived next to the lot brought out some white lingerie and laid it on the grass to bleach. The cow kept grazing nearer and nearer to the lingerie. Finally coming up to it she gave it a sniff and started eating it piece by piece, until it was all gone.

Blue Milk
A half hour or so later the lady came out to see how the lingerie was drying and not finding it she accused us kids of stealing it. We told her that the cow had eaten it, and then she blew up and said that if we did not bring it right back to her, she would have us all arrested! whereupon we beat a hasty retreat.

That night when the cow was milked the Speer family was greatly surprised and bewildered at the bluish tint of the milk, due to the bluing used in washing the lingerie. (To Be Continued)

This community may well be proud of the fact that it includes so many persons who are genuinely devoted to human welfare," said Dr. Winslow. "They deserve our thanks and appreciation, which best can be shown by receiving them at honorarium guests in every home where a call is made."

Dr. Winslow again emphasized that the Heart Sunday collection will be entirely devoid of high pressure salesmanship, the contributor alone determining the size of his or her gift to the Heart Fund.

February Brides In Weekend Ceremonies

Mrs. Joseph Billings

Mrs. Lawrence H. Earl, Jr.

Miss Lorraine Carole Fox, daughter of Mrs. Elsie Fox, of 75 DeWitt Avenue, and George W. Fox, of Philadelphia, was married Sunday in Our Lady of Mt. Carmel Church, Nutley, to Joseph T. Billings, son of Mr. and Mrs. Joseph Billings, of 162 Holmes Street. A reception was held at the Fountain.

Given in marriage by her father, the bride wore a gown of white crystal, princess style, and her fingertip veil was caught by a Juliet cap. She carried staphanotis and a white orchid.

Miss Jean Billings, sister of the bridegroom, was maid of honor, in pink nylon tulle over taffeta, and bridesmaids, including Mrs. Robert Huemer and Miss Barbara Klitsch, in blue nylon tulle over taffeta.

James Fahy was best man and Thomas Hood and Robert Huemer ushered. The couple are on a trip to Ohio. Mrs. Billings is employed by the Prudential Insurance Company, Newark. Her husband is with Learnard Chevrolet, Belleville.

Miss Sussman will read W. H. Auden's "In Memory of William Butler Yeats," before a panel of five judges including Pulitzer prize-winning poet Conrad Aiken.

Among the other judges will be Dr. Walter E. Bezanon, associate professor of American Civilization at Rutgers University, New Brunswick; Brother Cormack Philip, chairman of the Essex County Chapter of the National Foundation for Infantile Paralysis.

The total compares with the seven new and nine carry-over cases during 1953.

Throughout Essex County there were 111 new cases of infantile paralysis in 1954 and 213 carry-over cases. In 1953 there were 100 new cases and 122 carry-over cases aided by March of Dimes funds.

Miss Margaret Lafata, daughter of Mr. and Mrs. Dominick Lafata of 11 Lake Street, and Anthony Socca, son of Mr. and Mrs. Joseph Giunta of East Orange, were married in St. Anthony's Church. The reception was held in St. George's Hall, Newark.

Miss Dolores D'Allegro was maid of honor. Bridesmaids were Misses Carol Pizzi, Grace Giunta, the bridegroom's niece and Marilyn Iloria.

Pat Sings was best man. Emil Cantalupo, Richard Stanillo and Chet Parlavacchio ushered.

Sacred Heart Cathedral, Newark, was the setting on Saturday for the marriage of Miss Claudette Jeanne Lyola, daughter of Mr. and Mrs. Russell E. Lyola, of 16 Cella Terrace, to Lawrence H. Earl, Jr., son of Mr. and Mrs. Earl, of 48 Eugene Place. Rev. Francis Ignacino, of St. Peter's Church, performed the nuptials and the reception was held at the Moresque, West Orange.

Escorted by her father, the former Miss Lyola wore a silk taffeta gown fashioned with a draped skirt and chapel length train. The bodice was trimmed in Alencon lace and Italian seersucker. Her fingertip French illusion veil fell from a tiara of Alencon lace and she carried a spray of white roses with a pink and red center.

Miss Mary Lou Salandra was maid of honor, attired in cherry red chiffon, with a matching velvet jacket. She carried a heart-shaped bouquet of pink roses. Bridesmaids were the Misses Leona Salandra, Elsie Krumm, Connie Mann and Marilyn Teuscher, all in pink chiffon, with velvet jackets and carrying heart-shaped bouquets of red roses.

Carmine Earl was his brother's best man and ushers included John Basile, Nathan Abaly, and Carmine Silvestri and Wally Earl, cousins of the groom.

The couple will drive across country to Palm Springs, Calif., for a two-week wedding trip and will live in Fairfield, Calif. The bridegroom is an Airman First Class in the Air Force, stationed at Travis Air Force Base.

Mrs. Earl was graduated from Belleville High School and was employed with the New Jersey Bell Telephone Company, Newark. Her husband is also a graduate of Belleville High School.

Miss Margaret Lafata, daughter of Mr. and Mrs. Dominick Lafata of 11 Lake Street, and Anthony Socca, son of Mr. and Mrs. Joseph Giunta of East Orange, were married in St. Anthony's Church. The reception was held in St. George's Hall, Newark.

What A Finish!!!!

Frank Casaszar, a five-foot, nine-inch Belleville High School senior, is the toast of the town this week as he came through with one of the most timely fouls ever converted in Belleville basketball history. It was Casaszar's free throw, scored after the game was officially over, that resulted in the Blue and White posting a 56-55 upset victory over fourth seeded Irvington Tech in the opening round of the ninth annual Essex County Basketball Tournament.

As for sheer tension that mounted terrifically with every passing second, I doubt very much if Frank will ever experience anything as dramatic for the rest of his athletic days. Casaszar was fouled by Tech's Jerry Maguire just as the final buzzer sounded. Irvington rosters stamped and hooted in an effort to unnerv Casaszar. It was visible from the sidelines that Frank was very tense (who wouldn't in a tough spot like that). His first of two tries bounced off the rim and an immediate howl came from the Tech cheering section.

Standing behind Casaszar and adding still more drama to the exciting finish was official Vinnie Farrell, who with a pumping motion of his arm, was timing Frank to see that he didn't take too long in shooting his fouls. Frank figured the ball nervously at the free throw line and after several seconds passed, let go with his favorite one-handed shot, and go it did, right through the hoop for the vital one-point victory.

The entire Blue and Gold team and Belleville cheering section went wild as they mobbed their hero. Casaszar was swamped by enthusiastic well-wishers. For Casaszar, who finished the night with only three points, the game winning foul was the only one he made all evening.

While it was a sweet victory for "Jitty" and his charges, it was bitter pill for Tech coach Hank Ryan to swallow. It's tough for a coach to lose one way Irvington Tech did. Now you know why they always associate ulcers with the coaching profession.

Belleville won a big one against Irvington Tech but another obstacle remains in the path of the Blue and Gold. Tonight the Belboys will take on eighth seeded Seton Hall in a quarter-final round at the Seton Hall University gym. The Pony Pirates defeated South Side in the opening round.

Carroll tried the same strategy for the Cascades but weren't as successful. Foulou on the shot, she added another point to her team's score as the game ended.

Not up to their usual par the Res Ames were damped by the Anna Noss, 15-6. Barbara, Fobert and Terry Viale went scoreless while Connolly with 6, Gerber with 5, and Annichiarico with 4 poured it on for the victors. Third place Battling Belles moved into the playoffs as they gained a forfeit over the Chicago.

LOCAL BUDGET NOTICE

SECTION 1.

Local Budget of the Town of Belleville, County of Essex for the fiscal year 1955.
Be It Resolved, that the following statements of revenues and appropriations shall constitute the local budget for the year 1955.

Be It Further Resolved, that said budget be published in Belleville Times-News in the issue of the 18th of February, 1955.
Notice is hereby given that the budget and tax resolution was approved by the Board of Commissioners of the Town of Belleville, County of Essex, at a public hearing held at the Municipal Building, on the 8th of March, 1955, at 8 o'clock P. M., at which time and place objections to said budget and tax resolution of the Town of Belleville for the year 1955 may be presented by taxpayers or other interested persons.

EXPLANATORY STATEMENT

Summary of General Section of Budget	Year 1955	Year 1954
General Appropriations For		
1. Municipal Purposes	\$1,683,178.39	\$1,586,803.28
2. Local District School Purposes in Municipal Budget		69,418.23
3. Reserve for Uncollected Taxes	300,388.99	205,102.28
4. Total General Appropriations	1,983,567.38	1,861,323.79
5. Less: Anticipated Revenues Other Than Current Property Tax (i. e. Surplus, Miscellaneous Revenue and Receipts from Delinquent Taxes)	605,000.00	768,725.00
6. Difference: Property Tax for Support of Municipal Budget Appropriations (As follows):		
(a) Local Tax for Municipal Purposes Including Reserve for Uncollected Taxes	1,378,567.38	1,023,180.56
(b) Addition to Local District School Tax		69,418.23

*Allowance for uncollected taxes (municipal, special district, school and county) based on estimated 91.5 per cent of tax collections and included in municipal tax levy.

The summary above shows the tax for municipal purpose in the manner prescribed by State regulations. This causes the Reserve for Uncollected Taxes, or "overly" required to support the statutory cash basis of operation, to appear in full as local municipal tax. This reserve, however, supports school and county taxes as well and is a guarantee of adequate tax collections and not a spending authorization.

Close prediction of a final tax rate for 1955 is impossible. The County Board of Taxation has compiled and declared its intention to apply, a "Table of Equalization" to all real property in the County, which table is said to be based on true value. The result of full application of this process would be to cause major increases in county taxes in most of the municipalities of Essex County, with reductions in only three of twenty-two, the real beneficiary being the City of Newark. It is notable that this alleged approach to uniformity leaves machinery, stock in trade and all other forms of personal property entirely out of consideration.

Even if this sudden and unpredictable action does not take effect in any degree this year, the County tax rate on assessed valuations, as made locally, would be \$1.272 per \$100.00, against \$1.16 for 1954. Incomplete information at this time prevents any dependable calculation of County tax on the proposed basis, so the comparison below is based on use of local assessed valuations, as applicable without the proposed table of equalization:

COMPARISON OF ESTIMATED TAX RATE FOR 1955 WITH ACTUAL RATES OF 1954 AND 1953	1955	1954	1953
Using Assessed Valuations As Returned by Tax Assessor			
For All Municipal Purposes	\$2.13	\$1.63	\$1.69
For Reserve for Uncollected Taxes	.69	.41	.41
*For Local Purposes	2.73	2.04	2.10
For Local Schools	2.93	3.12	2.98
For County Purposes	1.27	1.16	1.11
Assessed Valuations	\$94,576,552.00	\$10,359,352.00	\$10,359,352.00

*Bank Stock Tax, equivalent to one cent per \$100.00 not reflected for 1955.

On the basis of the incomplete information available at this point, it is estimated that full application of the proposed "Equalization Table" would result in a tax rate not lower than \$6.99, but possibly as high as \$7.06.

Revenues, particularly surplus, available for 1955 are less by \$163,725.00 than were used in 1954 and the Reserve for Uncollected Taxes is greater by \$95,286.71, partly through use of a collection rate of 91.5% for 1955, leaving a safety margin and source of surplus rebuilding of 5.29%, against only 3.58% left last year. Appropriations for liquidation of emergencies found necessary in 1954 are greater by \$25,586.65, while capital and debt service items are less by \$8,475.75. Operating appropriations are greater by \$78,264.21, major elements of which are: Pension provisions, \$28,600.02; Social Security Tax (new) \$6,971.86; Outlet Sewer Contract Costs, \$7,062.60; Fire Salaries (increments and two additional men) \$10,400.00; Street Lighting, \$2,000.00; Recreational Activities, \$9,381.42 and a provision for vital repairs to buildings of \$14,000.00 which increases the appropriation for Building Maintenance by \$12,220.00. These items aggregate \$76,635.90; other minor increases and decreases throughout the appropriations develop the remaining \$1,628.31.

The comparative tabular form of the budget lends itself readily to study of changes and, at the public hearing on March 8, the members of the Board of Commissioners will be happy to explain any item.

the Atlantic Coast Conference, one of the nation's best leagues.

Dilworth, who learned his basketball under Blue and Gold "Jitty" Wische, is a fine competitor and team man. He is one of the best ball handlers and playmakers on the varsity. Dilworth has been on a winning team each year at Maryland; in fact, last season's 23-7 record was the best in Terp history. In his senior year at Belleville, he led the team to the best record, 21-3. If he and his teammates keep going, the big Red and White could make even a better mark this season with only six games left.

As in the past, much of the future success of the Maryland team will depend on the performance of their congenial hustler, Bob Dilworth.

Third Half, Varsity Clubs To Meet

The high school booster groups of Nutley and Belleville, the Third Hall and Varsity Clubs will meet together at a joint meeting, Tuesday night, Washington's Birthday, with the Nutley organization acting as the host club. For the first time the gathering will be held in Nutley. In past years the affairs were always in Belleville. The two groups will gather at American Legion, Post 70 headquarters, in Franklin Avenue, starting at 8 p. m. For the two rival organizations that put up the football trophy for the winner of the Nutley-Belleville football game, the joint meeting will be the fifth in the annual series.

Refreshments will be served by the host Third Hall Club. President of the Belleville unit is Art Leadbeater, while Dick LeCompte is head of the Nutley sports minded club.

CAMMEES WIN FIRST GAME IN GALS' REC LEAGUE

Seniorettes, a number one team in the league, grabbed an easy victory this week over the Cascades 30-15 moving into the playoffs.

The Seniorettes enjoyed only a 3 point margin at the end of the first period, but the second quarter was the payoff. Barl Neuschwander hung up four goals while Rosie Schreiber added another to outscore the Cascades 10-5.

Seniorettes guards, Arlene Whychell, Barl Bennett, and Mary Terrieri pressed the Cascades, keeping them outside most of the game. Tanya Greulich and Jay Carroll tried the same strategy for the Cascades but weren't as successful.

Not up to their usual par the Res Ames were damped by the Anita Noas, 15-0. Barbara Forbert and Terry Vialle went scoreless while Connolly with 6, Gerber with 5, and Annichiaro with 4 moved into the playoffs as they gained a forfeit over the Chicags.

Hustling Belleville Team Takes on Seton Hall High Tonight

Csaszar's Free Throw Puts Out Irvington Tech In Dramatic Game

By Mal Condon

Flushed with a sparkling 56-55 upset over Irvington Tech in the Essex County Basketball Tournament Saturday night, a hustling Belleville High basketball team will take on Seton Hall High tonight, the eighth seeded team in the tourney.

The game is expected to be close — Jim O'Brien and Hugh Dunnison are the Hall's top mainstays — but the Blue and Gold should pull it out by about three points.

As for closeness, nothing will ever equal the Belleville-Irvington Tech thriller. Frank Csaszar's winning free throw eked out a victory in a game that was tied eight times and changed hands 14 times over the 32 minutes.

GOLDEN GLOVES IN FINALS TONIGHT

Whether the contest should go into overtime, with Belleville a possible loser, hung on Csaszar's two attempts from the foul line, to tie the game in mid-air. With Referee Vinnie Farrell holding the stopwatch on Csaszar and the Irvington Tech crowd trying its mightiest to distract him, Csaszar stepped up to the foul-line. Up went his first shot. No good. The Irvington Tech crowd went wild.

Back stepped Csaszar for the second attempt, and the pressure was really on.

Drops Through

Into position he went. Up again loomed the ball from his one-handed offense. For a second it seemed to hang in mid-air. Then into the basket it dropped! This time a stunned Irvington Tech crowd sat numb; and the Belleville bench and rookers went wild.

Bounce Back

Irvington Tech had grabbed a quick lead on a seven point scoring by Dick Zeiler and Fred Hopke. Belleville bounced back but Tech led at the first quarter's end, 17-12.

The Belboys quickly cut this lead in the second stanza. Dick Veith paced the drive to a 22-22 tie midway through the period and gained a 30-28 halftime edge.

Second Time Hysterical

With the start of the second half the excitement began. Hopke

POLICE MATCHED AGAINST NUTLEY WASHINGTON'S DAY

The Belleville Police Revolver team hopes to upset its unbroken string of four straight wins in county competition Saturday, when the team takes on the Cedar Grove squad. The Grove squad includes the Caldwell Penitentiary guards.

The team also will shoot against the Nutley team in an annual good-will match Tuesday, Washington's Birthday, with Police Commissioner Harry Sullivan going again Mayor Harry Chenoweth of Nutley, in charge of public safety there.

Belleville sharpshooters faced a tangle in a tough County Parks police squad last week, but the match was postponed because Sgt. Fred Slinger, Town team captain was sick.

SPORTS AWARD DINNER TUESDAY

A Sports Award dinner will be sponsored by the Police Athletic Association to be held Tuesday at 7 p. m. at the VFW Hall, 17 Belleville Avenue.

Trophies will be presented by Commissioner Harry J. Sullivan to the finalists of the Junior soccer league and the Pistons, champions of the basketball league. The Braves, winners of the PAL Babe Ruth League last year, will be awarded jackets.

More than 110 boys are expected to attend, and following the dinner sports movies will be presented.

Deep Freeze The Blue and Gold froze the ball until the final score when Csaszar was fouled on a last attempt shot.

The game had ended as he was fouled and ended for Csaszar on the foul line, the court was empty. Amid the roaring and jeering from the Irvington Tech fans, Csaszar sank the second attempt to send the Belleville aggregation into hysterics. The jabs and Belleville fans rushed onto the court to throw around the games here's. A fitting climax for a terrific victory.

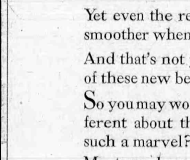

Veith's 26 points were high for both teams followed by teammate Joe Long with ten. Hopke and Zeiler, who had been averaging close to 50 points scored only 20 and 13 respectively. The victory was considered a great team effort.

Rules Authority Must Charge Tolls

Richman Tells Assemblywoman Berger Parkway Bond Prospectus Makes Corrective Law Impossible

Nutley has lost its yearlong battle to force the State Highway Authority to remove the across-the-road tollgate on the Garden State Parkway, between Hoover and Belleville Avenues.

Attorney General Grover Richman rendered an opinion, yesterday, in response to an appeal by Assemblywoman Ellen Berger for a ruling, that despite a conflict with pre-construction promises by state highway authorities, the tollgate cannot be suppressed by an act of legislature because the collection of tolls at that point was one of the conditions of the sale of its bonds by the Highway Authority.

Stymied by the Attorney General's ruling in her plan to introduce a bill in Trenton, next month, to force the removal of the tollgate, Mrs. Berger is now preparing a bill which would force the Highway Authority to suspend the collection of tolls at that point until the East Passaic Avenue free-road extension and other lateral roads have been completed some months hence.

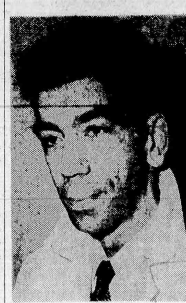

Mrs. Berger's move has been given the support of the Nutley and Bloomfield Town Commissions and at a conference of the Essex County delegation to the State Assembly, today, the Nutley Assemblywoman will ask the delegation's support of her bill in Trenton. In the meantime, the Belleville Avenue tollgate collected 25 cents toll from each passing car, yesterday.

Previously, Mrs. Berger had failed in an effort to convince the Highway Authority to suspend the collection of tolls at Belleville Avenue until East Passaic Avenue is extended, widened and repaved as a feeder road to bypass the tollgate.

In her telegram to the Highway Authority, Mrs. Berger cited the text of sections 3 and 4 of Chapter 16, Laws of 1952, concerning the construction of the Garden State Parkway, which read as follows:

"and the Authority (3) shall, with respect to any part of said project located in Essex County, provide connections therewith by means of parallel or other feeder or service roads or otherwise, to and from existing county highways intersecting such part of said project between and including Springfield Avenue, Irvington, and Belleville Avenue, Bloomfield, and (4) shall not collect tolls on such project at Springfield Avenue, Irvington, or Belleville Avenue, Bloomfield, or at any point between said avenues except with respect to

FORMER RESIDENT HAILED FOR WORK IN DRUG RESEARCH

Arthur Nobile

Arthur Nobile, formerly of Belleville, is one of six Schering Corporation chemists cited in this week's issue of Science, a scientific magazine, as a co-discoverer of Meti-cortin and Meti-cortelone, described as three to four times as effective as cortisone or hydro-cortisone in treatment of rheumatoid arthritis.

An article, "New Anti-Arthritic Steroids," written by Nobile and other members of the Schering research team, is featured in the

responsibility to all of the people of the state. The collection of tolls in Essex County is in line with that responsibility.

Robert Edmundson, survey chief of the Highway Authority in Bloomfield, informed Mrs. Berger that 1,000 feet of service roads now under construction should be ready by May 1. The construction of the East Passaic Avenue extension, a job undertaken by the county and not by the Authority, has been delayed by the collapse of a concrete bridge and may not be opened before summer.

"We seek only to fulfill our

weekly magazine, published by the American Academy for the Advancement of Science. Schering is a New Jersey company which manufactures prescription drugs.

Highly technical, the report describes what the drugs contain, arrangement of atoms in the molecules of the new compounds, and tests to which the scientific team subjected their discoveries. The article also refers to medical reports on the effect of the drugs on humans. Doctors throughout the country are now testing the two compounds.

Physicians and other experts in arthritis have termed the discovery and development of the drugs as an outstanding contribution to medicine. Medical papers say they bring new hope for relief to mil-

lions of sufferers from rheumatoid arthritis and that explanation of the structure of the compounds, will open new avenues of research in the field of steroid hormones.

There have been indications that the new chemicals may be highly effective in treating certain other, frequently fatal ailments and may be helpful in treating some mental abnormalities.

Born in Newark, Nobile now lives in Livingston. From 1929 until 1956 he lived at 70 Nulton St. A graduate of the University of California, Berkeley, Nobile received his Bachelor of Arts degree from there in 1950 and joined Schering as a chemist the same year.

Nobile is employed in Schering's biochemistry department.

filled
With lunar neon, what luminous filigrees
They spell upon the star-stitched indigo!
And listen! Where hemlocks flounce in
frosted lace,
Trailing blue etchings over sequined snow—
An eerie tinkle vibrates brittle space.
How rapt the stillness, too! While in their
hush
Of crystal, trees that may no longer hymn
Litanies winging aeon-spun the rush
Of wind: their wand unfurled in grace of
limb—
Our trees, with winter's bloom transfiguring
The world, weave moondrift for the heart
to sing.

The Board of Education has made history
in two unprecedented moves this week.

William Allistair Boyd took his seat as
a member, the first elected member in the
town's chronicles.

And Mrs. Edward A. Rochau was elected
president, the first woman to be so honored
here.

Boyd, an architect, can be particularly
helpful, what with the expansion program
the Board faces, and his knowledge of school
affairs. His actions will be noted, for it
is interesting for people to see how the man
they put into office is making out.

Mrs. Rochau's doings will be under partic-
ular scrutiny. Beyond any question of her
competence, or power to direct and inspire,
is that of double standard rearing its beau-
tiful head. Can Mrs. Rochau do a man-sized
job, most people wonder, including a goodly
number of women, too, or should she stick
to fussing around with ink pot supplies or
the number of windows broken during the
summer months?

It will be interesting to watch the new
Board's progress. By far the biggest ques-
tion in people's minds is whether the Board
will work together, with honest differences
of opinions, where opinions differ, or whether
it will merely muddle through, letting petty
jealousies, and power of personalities re-
solve its decisions.

To both Boyd and President Rochau,
congratulations and best wishes for a good,
hard, happy time on the Board.

Planning Board Needed Desperately

A planning board is needed here and
needed here desperately to find ways to meet
the increasing costs it takes to run a town
the size of Belleville, and to meet the ex-
penses of growing school expansion.

It is the one way in which the town can
get the ratables necessary for financial sta-
bility and at the same time make the town a
better place to live in.

It is the path which Belleville can take
to redevelop its older areas, as in Silver Lake
and the Valley section, a redevelopment to
which Mayor Isadore Padula recently made
reference.

It is the authority which can draw the
line on spot zoning and recommend the reme-
dies for tax ills and town problems, in order
of their significance.

The proposal for a town planning board
has been broached before—at one point a
couple of years ago, Town Attorney Law-
rence Keenan even drew up an ordinance for
the creation of such a body here. But
nothing ever came of it, probably because
it is so difficult to get all five commissioners
to get together on the proposal... one of
the drawbacks in Commission government,
in which each commissioner is responsible
only for his own department with the re-
sulting logic of 'you take care of your back-
yard and I'll take care of mine.'

One Man's Opinion

It Is Our Belief That Russia's Unhappy Peasants,
Their Status Being Near-Slavery, Will Bear
The Brunt Of Kremlin's Power Shift

By Ralph E. Heinzen

Washington, carefully watching every move in Moscow
to judge the effects on peace and war of the shifts in Krem-
lin power positions—Khrushchev and Bulganin for Malen-
kov—has come to the conclusion that if we were able to
evacuate civilians and Chinese Nationalist troops from the
Tachen islands without a fight, Moscow's new power team
exercised the influence which made it possible. Whether
the Kremlin wants to avoid war, for a while, at any cost re-
mains to be seen farther down the coast of China, at Matsu
and Quemoy, where we may have, in the next few days
ahead, a fair test of the true strength of the ties the Krem-
lin holds with Peking.

In this "One Man's Opinion," the major consequences
of the shake-up within the Kremlin will be felt, not in China
or Germany, or elsewhere in the world abroad, but within
Russia itself. The Kremlin's new stress on priorities
for heavy industry, to speed up the day when Russia's war
potential will be as great as ours and she can challenge us
with a chance of victory, promises even grimmer days for
the Russian peasants, the hundreds of millions of farmers,
one generation out of serfdom, who never have stopped
fighting the Kremlin and its successive industrialization or
collectivization plans.

There is little difference be-
tween the slavery which
Abraham Lincoln ended here
eighty years ago and the
slavery which exists in the
vast rural areas of Soviet
Russia. Russian peasants are
forced to work for the col-
lective farms and millions of
"kulaks," the peasants who
owned their own land, who re-
sisted, as best they could,
without arms the state's ef-
forts to force them to turn
over their lands and their
stock to the collectives, were
driven off their lands into
forced-labor camps or to Si-
beria where Khrushchev is
trying to develop millions of
acres of new farm land.

Privation For Peasantry

Those courageous peasants
slaughtered their livestock,
stopped planting or let their
crops rot in the field, but in the
end they were destroyed and died
or became manpower for the
mammoth undertakings of Stal-
in's successive five-year indus-
trial plans.

They and their descendants
will, once again, bear the main
burden of privation as a result
of Khrushchev's stress on the
development of heavy industries
and armament production. The
mirage of farm plenty and of
more consumer goods on the
shelves of the state stores, which
Molotov conjured up in the
months after Stalin's death, once
again recedes into the hazy fu-
ture.

No Attempt At Interference

In assessing the true meaning
of the Kremlin's somersault, one
obvious fact has its importance:
the sea power of the United
States was moved to the coast of
Red China and withdrew Chinese
Nationalist troops and peoples
from islands that had become
untenable, and the Chinese Com-
munist allowed this to be done
without attempting to interfere.
Washington is convinced that
Moscow was in part responsible
for Peking's decision to allow
the evacuation of the Tachens to
proceed unopposed. It was ob-
viously to China's advantage to
"capture" the islands, without
firing a shot, by simply waiting

for them to be evacuated, but
it must have ranked in the heart
of Peking Premier Chou En-lai
who liked to think he is twice as
tough as he really is.

Stabilizing Of Frontiers

More and more it would seem
that Washington and Moscow are
both experimenting with the pos-
sibility of stabilizing their front-
iers of power. The Tachen
evacuation is certainly a move
toward stabilizing the Eastern
front line in the Far East.

Moscow put out hints this week
that it might be ready to sign
an Austrian peace treaty, and
might even consider a withdrawal
of its troops from East Germany.
Is Moscow also willing to stabili-
ze?

Of course this is the great
question, and not all signs point
toward an affirmative answer.
Washington has been in the habit
of boosting the Soviet arms budget
12 per cent immediately after
the arms budget.

But this week it appeared clear
that Washington, Moscow, and
Peking were in tacit agreement
that World War III must not
start out of the Tachen evacua-
tion.

"Fulfillment Of A Bargain"
Editor, Belleville Times: News:

It is a sad commentary upon
the apparent lack of sincerity
and integrity of arrogant authori-
ties, such as the State Highway
Authority, which are supposed to
function in the public interest
when having given pledged as-
surances to fulfill solemn com-
mitments it becomes necessary to
resort to legal action to compel
them to keep their word.

The pending suit by the Town
of Irvington and Mayor McKenna
to test the validity of toll col-
lections on the Garden State
Parkway within Essex County is
of significance to Nutley, Bel-
leville and Bloomfield residents
who use the Parkway.

Being victims of a situation
paralleling that of Irvington, it
might be appropriate for the
town officials of Nutley and
Belleville to join in the fight
against this Parkway monster
which heartlessly smashed houses,
erected bridges the construction
of which could only result in
hazardous conditions, bisected
communities or isolated sections
by establishing a "Chinese Wall"

effect to the disruption of subur-
ban life with accompanying size-
able loss of desirable real estate.

Legislation creating the Au-
thority assured toll-free use of
the Parkway in Essex County.
We have every right to insist
on this assurance.

If the discriminatory affront to the
people of Nutley, Irvington,
Bloomfield and Belleville isn't
promptly corrected by assuring
us free access to the Parkway
for travel within Essex County
limits, as originally represented,
then our only recourse will be to
boldly assert ourselves at the
polls next November and elect
legislative office public officials
pledged to correct the inequity
imposed upon residents of Nut-
ley, Irvington, Bloomfield and
Belleville. We have every right
to demand that which was prom-
ised us. We must insist upon
the fulfillment of the terms of
the original bargain.

Further returns have brought the total raised in the Cerebral Palsy Campaign here to \$1,905. It was announced this week by Mayor Isadore J. Padula, general chairman for Belleville.

This total is part of \$64,384 raised in the campaign throughout suburban Essex County. Final returns will be announced at a rally Thursday at 8 p.m. at Hotel Sherburne, East Orange, when awards will be presented to campaign workers. Volunteers here will be among those attending.

"The Victory Rally will be our opportunity to say 'thank you' to all the volunteers for the wonderful job they have done," said Charles E. Garabrant, president of the United Cerebral Palsy of Essex and West Hudson. "We hope that every one of our 5,000 workers will be present."

Special guest at the rally will be Virginia Graham, radio and television actress.

Funds raised in the campaign will be used to support the varied program of the Essex-West Hudson C.P.

This program includes maintenance of a treatment center for cerebral palsied boys and girls, organization of recreational programs for cerebral palsied teenagers and adults, contribution toward the research program conducted by the national United Cerebral Palsy organization, and partial support of the Essex County Occupational Center in Maplewood, a sheltered workshop for handicapped adults.

Mrs. Harry M. Fallows

Mrs. Edith Ashworth Fallows, of 75 Rossmore Place, died February 14 at her home after a brief illness. She was 87. She was the widow of Harry M. Fallows, one-time Belleville town councilman, who died in 1949. Born in Stockport, England, Mrs. Fallows had lived 86 years in Belleville and was a life member of the Ladies Guild of the Christ Episcopal Church. She leaves a son, Harry W.

Michael Ippolito

Michael Ippolito, of 61 Lake Street, died February 11. He was the husband of the late Benvenuta Sciarillo-Ippolito, mother of Beatrice Sciarillo and Michael Ippolito. Funeral services were held February 15 from the Zaffaro Funeral Home, 145 Harrison Street, Bloomfield. A Solemn High Mass of Requiem was offered in St. Anthony's Church.
