### Bethany Lutheran

Palm Sunday, 11 to 12 a.m., sermon by Rev. T. Painter Haney.

### TOWN TO HOLD BICYCLE AUCTION

An auction to sell all bicycles that have been found by the Police Department and unclaimed during the past year will be held Wednesday afternoon, March 28. The auction will be conducted by auctioneer, Thomas J. McLaughlin, for the town starting at 3:45 p.m. in the rear of Police headquarters in Town Hall. McLaughlin is starting the auction after school hours to give local youngsters a chance to buy the bicycles.

McLaughlin explained that if the bicycles remain unclaimed for a month, the Police Department is empowered to dispose of them. This is the first year that the auction has been published, he said, even though they have been held about once a year in the past. All money collected will be turned over to the town treasury, he said.

There are about 15 bicycles for sale, McLaughlin said. Some of them are two wheelers, and most of them are in good shape, he added.

### The Face Is Familiar:

## Mrs. Sobelson Is Spiritual Leader Of Temple Sisterhood

As president of the Sisterhood of Congregation Ahavah Achim, Mrs. Stanley Sobelson, of 129 Birchwood Drive, is the spiritual leader of the 175 women in the group. It is under her direction that the women carry out the proper observance of their religion in the home as well as in the temple.

The Sisterhood assists the Hebrew School by conducting fund raising drives at bakers and card parties during the year. Mrs. Sobelson, now in her second year as president, has attended the national convention in Cleveland and will visit New York State for another convention this fall.

Her work with the Sisterhood includes guiding the Girl Scouts and other youth activities in the temple. She attends committee meetings three or four times a week and presides at the monthly meetings of the group.

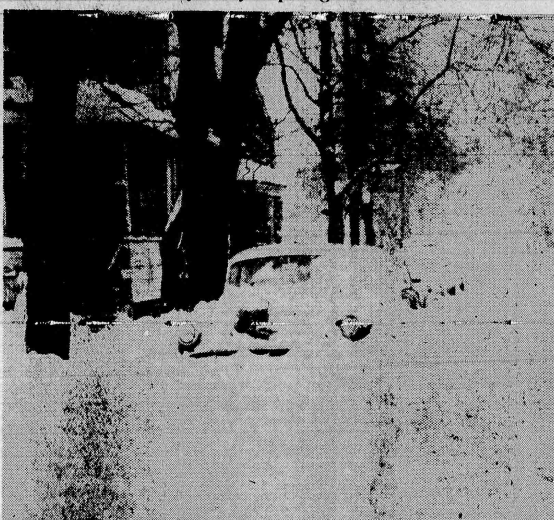

Mrs. Sobelson has participated

In Red Cross and Community Chest fund drives and in a number of the school Five Parent-Teacher Association.

She is also active in the Belleville-Nutley Chapter of Hadassah and the Ruth Estlin Goldberg Memorial for Cancer Research. Her children are Lynne, 10 and John, 8 years old.

## Somebody Say Spring Was Here?

Scenes like the two pictured here were typical for residents of Belleville this past week—the first week of Spring. The heavy snow brought out high boots and snow shovels stored away since the last big snow in 1948. The top picture was taken on Holmes Street looking East down into the Valley, at the height of the storm on Monday morning. Cars at the side of the road were piled under with snow and it took plenty of muscle to dig them out. Bottom photo shows Peter Biondi, of 74 Holmes Street, trying to shovel a path up to the door of his market. Notice huge piles of snow behind Biondi, and depth of snow covering the car.

## SCHOOL BOARD TO RECEIVE BIDS ON BOND ISSUE

Bonds Totalling \$655,000  
To Be Sold For Additions  
At Schools No. 3 And No. 7

The Belleville Board of Education will receive bids on a \$655,000 bond issue at a special meeting to be held this Wednesday at 8 p.m. in the Board offices. The bonds are being sold to pay for the additions and renovations currently in progress at Schools No. 3 and No. 7.

The bond issue had been approved by Belleville residents in a special school referendum held in April, 1955. At that time, voters approved an issue of \$745,000. However, Board secretary and business manager Ruel E. Daniels said that when bids for the two projects were received, it was discovered that total costs would be \$300,000 less than anticipated. This, he pointed out, the smaller amount of the proposed bond issue.

Work has been underway on the two school projects for several

## WORKERS RETURN TO WESTINGHOUSE

Production of Westinghouse consumer products at the plants idled by the IUE strike are being resumed, it was announced by C. J. Witting, vice president and general manager of consumer products divisions.

Plants affected by the strike include the four plants of the electric appliance division, the television-radio division plant, and four of the nine plants of the lamp division, including the Belleville plant. Five other plants of the lamp division and the two plants of the electronic tube division are represented by other unions and have been in continuous production during the prolonged strike.

The Belleville plant, which manufactures lamp bases and radio tube bases, is resuming operations immediately. Plant officials report that raw materials are on hand thus making production possible.

## Belleville Contractor Gets Nutley Construction Job

A Belleville contractor, John Pesel & Sons, of 37 Eugene Place, has been awarded a contract by Nutley Town Commission for the construction of a 1,300-foot road.

The 1,300-foot road will be constructed with state aid money and will connect Lake Street and Millon Avenue, two streets cut off from each other by the Garden State Parkway.

## PRUDENTIAL MEN IN DEMONSTRATION OVER NEGOTIATIONS

Thirty-Eight Agents Attached To Belleville Office Take Part In Contract Dispute

Hopes that an early agreement on the next contract between the Insurance Agents International Union AFL, and the Prudential Insurance Company covering some 15,000 district agents in 33 states and the District of Columbia were expressed today by agents from all over the country.

The present contract expired on Monday night, and agents have vowed to go out on strike if the contract is not settled shortly.

Thirty-eight agents attached to the Belleville office have been affected in the same manner as Prudential agents all over the country. Demonstrations and slow-downs have been occurring during the past eight days, the agents expressed their dissatisfaction with the contract negotiations. Wednesday afternoon, agents carrying placards picked the Belleville office at the corner of Washington Avenue and Franklin Street. A mass demonstration at the Newark office is planned for this afternoon with agents from five states participating.

Negotiations on the new contract which have been in progress since January 16, are scheduled to be resumed today in Washington. In a letter sent by vice president Paul Palmer to the interested agents it was pointed out

## Commissioner Asks Not Dump Snow In Street

Commissioner Kenneth D. Smith, director of the Department of Public Works, has requested all residents who are clearing snow from their sidewalks and driveways not to dump the snow into the middle of the street. The Commissioner requested that residents pile the snow on the gutter at the side of the street to aid the Public Works Department in keeping the streets clear and passable for all traffic.

## The Festival Of Freedom, Passover, To Start Monday

By Rabbi Albert Rausb

One of the grandest and most inspiring major festivals of the Jewish faith is the holiday of Passover, arriving at the first sign of Spring and commemorating the anniversary of the liberation of the Israelites from Egyptian bondage. The festival of Passover begins on Monday evening at sunset and ends on Tuesday evening, April 3, at sundown. Significantly, the physical exodus from Egyptian slavery was not the final act of liberation, until the children of Israel achieved mental, moral, and spiritual freedom with their acceptance of the Ten Commandments through Moses at Mt. Sinai.

The Revelation at Mt. Sinai, which was the actual goal of the mass exodus from Egypt, freed Israel from all pagan influences and consecrated them to the service of God. In its sum total, Passover, the ancient festival of liberation, brings to the world for the first time in the history of mankind, the message of individual independence, dignity and sanctity.

### The Seder

In addition to the regular synagogue service schedule, which runs for eight days, the ancient features of the holiday are the restriction of the eating of foods containing leaven, and the carefully observed home service known as the "Seder" (arrangement).

The "Seder" ceremony is particularly dramatic and meaningful for it accomplishes the unburdening of family members from the eldest to the youngest, with the youngest asking questions on the meaning of Passover. Some of the important rituals and symbols include: Matzo, unleavened bread. When the Israelites departed hurriedly from Egypt, they did not have the time to permit the bread to ferment completely. The result was the Matzo, referred to in the Bible as the "Bread of Poverty," (unleavened bread).

### Weekend Weather

"Operation Thaw" will be in force over the weekend, according to the weatherman. The forecast is for temperatures to be about 45 degrees on Saturday and Sunday with a chance of April showers falling near the end of the week.

## POLICE ARREST THREE YOUTHS FOR GRAND LARCENY

Local Trio Admits Taking Three Spare Truck Tires Valued At About \$500

Three Belleville youths were arrested by local police this week on charges of grand larceny and are being held by authorities for a hearing before Magistrate Edward J. Abramson.

The three are Theodore Weizel, 15, of 45 Franklin Street; Gary Francis Bell, 15, of 8 Montgomery Place and Joseph Robert Ferraro, 15, of 31 Dow Street. Weizel and Ferraro are being held on \$1,000 bail and Bell is being held on \$5,000 bail.

Deputy Chief of Police Charles McGinnis said the three were arrested after being implicated in the robbery of three spare tires from two trailer trucks in town this week. The three tires were valued at \$500, McGinnis stated.

Detectives Jack Mariano, Thomas Dunn and Frank Haight arrested Bell and Ferraro together this past Saturday, while Ferraro was picked up the following day. Mariano and Haight worked on the case and tracked down the three youths.

Police report that one tire was stolen from Al Fairbanks, 196 Corlandt Street, on Saturday. The other two tires were stolen from a truck owned by Dominic Monrio, of 18 Beverly Court. In the complaint Monrio filed, he stated that the tires were stolen from the truck which was parked at the Westmont Service Center at the corner of Smallwood and Belleville Avenues. All three stolen tires were recovered by police.

The trio was admitted to the charges of grand larceny. A hearing was held yesterday morning before Judge Abramson. Bell is presently on parole for another offense outside Essex.

## Fire, Building Reports Given To Commissioners

Fire Chief Harry White submitted his monthly report to Town Commissioners last week showing that the local Fire Department answered 39 alarms during the month of February.

Total fire loss in Belleville for the month was given as \$1,200. Acting building inspector Clifford Faust reported that from building permits issued during the past month anticipated construction during the month of March will total \$55,374.

Both reports were accepted by Commissioners.

## Friday And Sunday Snowfalls Bury Town Under 24 Inches; Causes Three Deaths Locally

According to the calendar, its Spring 1956. However, according to the weather, outside, it appears that Old Man Winter paid no heed to his calendar.

Winter bid its last blustery farewell of the season this past week, and dumped a fresh 18-inch snowfall over New Jersey, New York and parts of New England. The storm was the heaviest since the 26-inch blizzard of December 26, 1947.

Starting at 10:45 a.m. Sunday, the storm continued without letup until 10:40 a.m. Monday. The heavy fall was whipped into high drifts in open spaces and along streets by accompanying high winds.

The record high snow fell on top of the 5.8 inches of snow that remained on the ground from Friday's snowstorm. A surprisingly warm Saturday, sandwiched in between the two storms, caught many people off guard and fooled them into believing that Winter was over.

However, the weather bureau is now predicting warmer weather which should melt the drifts and ridges of snow towering on lawns and along curbs and street edges. Again has been forecast for today.

The heavy snow in Belleville has been directly blamed for the death of three local residents, and indirectly for the death of a well known local business man, Charles Natis, 67, of 260 Ralph Street, suffered a heart attack Sunday night while shoveling snow in front of his home and died immediately.

John DeCapria, 62, of 352 Franklin Avenue, died Tuesday morning also after shoveling snow in front of his home. He was found lying in the snow and was taken to Columbus Hospital where it was reported he suffered a heart attack.

Joseph Skunk, 61, no address listed, was found dead at the Malcolm Foundry early Tuesday morning. Police speculate he suffered a heart attack and possible exposure.

A testimonial dinner honoring Captain Donald Smith of the Belleville Police Force is scheduled to be held at the Fountain, on Watessing Avenue, on Monday evening, April 30. Smith was recently appointed to the captain's position after having served as a lieutenant on the force for more than four years.

James A. Leonard has been named to act as toastmaster at the affair, with State Senator Donald C. Fox and Public Works Director Harry Sullivan guest speakers.

Tickets for the dinner may be obtained from the following members of the committee: C. DeBono, Joseph Donnelly, Charles Rossi, Fire Chief Harry White, Deputy Chief Carl Hundertfurd, Sgt. Thomas Brice, Officers John Dean, John Donnelly, Thomas Dunlevy, William Finn, Kenneth Place, Joseph Sullivan, and Joseph King.

## Commission Appropriates \$5,400 For Snow Removal

Belleville Town Commissioners held a special meeting Wednesday night for the purpose of appropriating necessary funds because of this week's unusually heavy snowfall. The Board, meeting at Commissioner Joseph King's home, appropriated an additional \$5,400 for snow clearance. This figure will go toward the hiring of labor and equipment.

## Adult School Gets Dual Control Car

The Belleville Adult School Driver Education Program has gone modern. Through the cooperation of George Mead, Inc., Ford dealer in Belleville, and the New Jersey Automobile Association, Kenneth Schultz, manager of the Belleville Adult School, has received without cost an automatic shift 1956 Ford four-door sedan with dual controls for instructional purposes.

Pictured above is George Mead, donor of the car, giving the keys to Herman Knuppel, director of the Adult School. Also looking on are Dr. Frank M. Durkee, acting superintendent of schools, and the first three students to use the new automatic shift car. They are from left to right: Mrs. Michalina Tworischuk, Mrs. Dorothy Schallis and Mrs. Doris Woodhall.

ARTHUR E. MAYER  
SUCCUMBS AT 70

Arthur E. Mayer

Arthur E. Mayer of Union Valley Rd., West Milford, formerly of Belleville, died suddenly Sunday at his home for cerebral hemorrhage. He was 70.

Mr. Mayer was born in Newark and lived in Belleville for 35 years. He was a successful businessman and had maintained a summer home in West Milford for many years. He operated a real estate office under the name of Arthur Mayer Real Estate in Washington Ave. for 25 years. Recently he had been associated with the James Tully Real Estate office as a broker.

Mr. Mayer was a past president of the Belleville Chamber of Commerce, a past president of the Belleville Lions Club, a member of Belleville Elks Lodge No. 1123, and of the Pacific Real Estate Assn.

Surviving are his wife, Mrs. Emily J. Mayer, and a daughter, Mrs. Walter L. Mack of Nutley.

A High Mass of Requiem was offered in St. Peter's Church. The funeral was from the William V. Leland & Son Funeral Home, 276 Washington Ave. Burial was in Inmaculate Conception Cemetery, Upper Montclair.

Women's Medical Auxiliary  
To Honor Past Leaders

Past presidents of the Women's Auxiliary to the Essex County Medical Society will be honored at the regular meeting to be held on Monday, at Grault's, in South Orange, at 1 p.m.

The program will include a short history of the Auxiliary, by Mrs. Anthony Ambrose, archives chairman and a talk on "Current Trends in Internal Medicine" by an interior decorator.

After the meeting tea will be served with all former members of the Auxiliary as the guests of honor.

months now, Daniels said, and money up to date had been borrowed to meet the expenses. He said that \$200,000 had been borrowed "to pay for you go" but that long-term finances were now necessary.

Daniels said that the Board of Education had waited for a "favorable" time in the bond market to go ahead with the approval of bond issues. They feel now is an advantageous time to buy, he said, and I hope to get a good interest rate which will be reflected to the taxpayers for years to come. Daniels hopes he can get an interest rate below 3 per cent.

The proposed bond issue is of 20 year duration with payments to be made annually until the principal and interest is paid off.

Although the Board still has some long term bonds outstanding, Daniels said they were in a very favorable position. "Our bonds are much more than permitted by law," he stressed. By law, the school district is allowed 8 per cent of the average assessed valuation of the town for bonded indebtedness. The local Board of Education has only \$445,000 outstanding in bonds as compared to an average tax valuation of some \$50,000,000, Daniels said. This works out to less than 1 per cent, where we are allowed up to 8 per cent, he said.

Monday and Tuesday.

It was undoubtedly the Department of Public Works which bore the brunt of the storm in Belleville. Commissioner Kenneth D. Smith, director of the department, said that many of his men went with little or no sleep from Friday morning, when the first snow began, through Monday night in an effort to keep the streets open.

Smith said that all available equipment and personnel were put into the all-out effort to clear the snow. Town-owned equipment was used chiefly, but some heavy duty equipment had to be rented to handle the huge amount of snow. He added that every street in town was gone over at least once or twice with snow plows, and that main thoroughfares were being constantly cleared. Smith estimated that it will cost about \$2,000 to pay for removing the total snowfall.

The Commissioner also expressed his appreciation to the other departments for the cooperation they rendered during the storm. He specifically mentioned the cooperation of Commissioner Elmer S. Hyde's Department of Parks and Public Property, that of Commissioner Harry S. Sullivan's Department of Public Safety and that of Commissioner Joseph King's Department of Public Affairs.

Passover

Four cups of wine on the Seder table represents the four times the Lord gave his promise to redeem the children of Israel from bondage. It is significant to note that drops of wine are poured from the cups during the enumeration of the ten plagues at the Seder, to express regret at the misfortune of the Egyptians.

While an overflowing cup betokens joy, an unfilled one symbolizes sorrow. This is based on a passage in the Talmud which reads: "When the ministering angels appeared before God's throne and asked to join in a song of thanksgiving (after the Egyptians were drowned in the sea), the Holy One, blessed be His name, said to the angels: 'You are all full, but how can you chant hymns?'"

Roasted Egg and Shankbone. The roasted egg represents the holiday offering brought to the Holy Temple at Jerusalem and the shankbone represents the sacrificial offering of the Paschal Lamb.

On Sunday morning at 10:30 the children of the Temple Ahavas Achim Religious school will conduct a model Seder. Mrs. Bud Bromberg and Mrs. Sidney Lane will be in charge.

Adult congregation services will be held at the Temple on Monday at 8:30 p.m., Tuesday at 9:30 a.m. and 6:15 p.m., and Wednesday at 9:30 a.m.

This shaggy dog story has a moral for you-

One day the U.S. Treasury received a letter enclosing fragments (only) of a \$50 Savings Bond. The letter came from a distressed dog owner who confessed that his shaggy canine companion had given the Bond a thorough chewing, and plainly asked what could be done about it. The Treasury wrote right back assuring the unhappy man that his Bond would be replaced upon presentation of satisfactory evidence — and enclosed the proper form to be filled out.

Several days passed. A second letter arrived — enclosing fragments of the Treasury's letter and bits of the enclosed form. You guessed it. The shaggy dog had done it again. Could the Treasury please send along another application form?

The Treasury could — and did — and eventually the chewed up Bond was replaced.

The U. S. Government does not pay for this advertising. The Treasury Department for their patriotic donation, the Advertising Council and

# Ahavas Achim Dinner-Dance Draws Crowd Despite Snow

A dinner-dance for 180 guests climaxed the cornerstone laying ceremony Sunday at Congregation Ahavas Achim. The snowy skies did not dampen spirits as guests gathered at 6:30 for cocktails, dinner and dancing to the music of Benny Fairbanks and his orchestra followed. More than 300 members of the congregation attended the afternoon ceremony in the lobby of the new temple. Mayor Isadore J. Padula and Commissioner Elmer S. Hyde were guest speakers. Charles Rosenberg, president of the congregation, and building fund chairman, officiated at the affair.

Miss Cecilia Lillo, daughter of Mr. and Mrs. Jerry Lillo, of 140 Crest Drive, was honor guest last night at a surprise bridal shower held at the home of Mrs. Dominick Guarino, of Nutley. Co-hostess was Mrs. Arthur DeFuria, of Jannarone Street, who will serve as Miss Lillo's matron of honor at her wedding Easter Sunday. She will be married in St. Mary's Church, Nutley, to Elias Guarino, of Rutherford. More than 60 guests attended the shower.

Mr. and Mrs. Eberhard Lindauer, of 159 Nulton Street, last week gave a supper birthday party for their daughter, Alvina. Present were her classmates at the Katherine Gibbs School, Montclair, where Miss Lindauer will complete her two years of study in June.

Mrs. Hilda Fox and her daughter, Miss Linnea Andrea, have been named to the Women's Club of Rutgers State, their former address was 242 Washington Avenue, where they have moved.

The Tri-Town Business and Professional Women's Club of Belleville, Nutley and Bloomfield was held last night at the home of Mrs. J. J. Schaefer. A panel discussion was presented by officers of the Bank of Nutley. The speaker was Mrs. J. J. Schaefer, who gathered Saturday at Rutherford for a dinner meeting.

# Local Old Guard Chapter Offers Activity To Retired

By M. C. Albey

The Nutley-Belleville Old Guard is an organization of retired men that meets every Friday morning in the community House of the Franklin Reformed Church. This organization is one of numerous others in New Jersey and elsewhere, that, while not officially connected with each other, are on friendly terms.

These various chapters are strictly non-sectarian and non-political; their aim being to bring together in brotherhood and fellowship the many retired men have given up most of their activities in business and civic affairs, and who welcome the opportunity of getting together once a week, for relaxation.

At these weekly meetings they sing their theme songs and other popular pieces for ten minutes or so, and then, after a short business session they have an address by some one, a clergyman, school principal, town executive, newspaper man, magician, or anyone who will give them an interesting talk, preferably with reminiscences of past events. Sometimes they have travel movies showing the natural wonders of many places of interest throughout the United States.

Each of the Belleville Recreation Department gave the chapter a splendid talk on weight lifting earlier this month. He explained the scientific system for weight lifting in the Olympic games. Following his talk, he put on an interesting exhibition of weight lifting, and showed the technicalities of each kind of lift and how the scoring is done in such contests.

Ralph Heinzen, editor and publisher of The Nutley Sun and the Belleville Times, delivered a splendid address on the topic of "Germany, the Vacuum of Europe," to which all the members present listened with great interest. Heinzen spoke from his 25 years experience as a newspaper correspondent abroad during the war years, and showed that he has a comprehensive knowledge of the existing economic conditions in Europe, Asia and the United States.

The lodge consists of retired men of Nutley and other nearby places, including four members from Belleville: George W. Vacke, H. P. Hieck, M. C. Albey and J. J. Schaefer.

There are no conditions attached to membership in the chapter, other than that a person should be 60 years of age, retired, or partly so, and of good moral character. Many of them are members of various churches, Methodist, Presbyterian, Baptist, Dutch Reformed, Episcopal, Congregational and Roman Catholic and other faiths, and they all meet together on common ground.

Each September a joint outing is held where the members come from the chapters of Summit, Plainfield, Westfield, Nutley, Elizabeth, Red Bank and Asbury Park. At this affair they renew old acquaintances, have fun in the shade of the trees and then indulge in light sports, including some pitching, shuffle board, etc.

During the summer months the local chapter takes trips by chartered bus to Lake Hopatcong, Avon and elsewhere. On Tuesday morning some of the members play pool in the meeting room, while others shoot pool in the same room. On Wednesday mornings, when weather permits, they visit horseboxes in Yantaw Park, and once or twice a week they play shuffle board in the auditorium during cold weather and outdoors in warm weather.

## Veith Looks Good With Niagara Frosh

Richie Veith, the pride of last year's Belleville High School basketball team, enjoyed a terrific year at Niagara University where he starred on the freshman team. According to Bob Lowe, sports publicity director at Niagara, Veith will be in the running for a guard berth on the varsity next fall.

During the freshman season the Niagara yearlings finished the campaign with an impressive 13-3 record and the scoring and general all-round play of Veith was one of the major factors contributing to the brilliant record. The former All-State star was runner-up in the individual scoring race at the end of the season.

Veith, deadly with an outside jump-shot and an excellent play-maker, notched 246 points for a 15.9 average. Only Tom Truesdale, a Niagara product, outscored him with 279 points.

## Workettes Top Cascades In Girls Cage Championship

New League Champs Win Crown By 24-14  
Score Led By Rose Schreiber's 20 Points;  
Team Members To Be Awarded Trophies

By Evelyn Hannon

Rose Schreiber collected 20 points to spark the Workettes to a 24-14 victory over the Cascades to cap the championship of the Recreation Department Girls League. Trophies will be awarded to the members of both finalist teams at the annual award assembly in May.

The game was close until the final quarter when four goals by Schreiber made the difference. Gloria Barnett and Peggy Burke moved the Cascades off to a 5-0 lead. Newschwander missed two from the floor, for the Workettes and Schreiber added two more. Barnett redoubled with a foul shot for the Cascades and the period ended with the Workettes on a 13-10 score.

The second period ran similar to the first as the Workettes grabbed another on their opponents Barnett and Burke hit for four points for the Cascades. Schreiber answered with five for the Workettes. The quarter ended with 13-10 score.

The third period saw the Workettes forward, Schreiber, dominate the Cascades. She scored 10 points in the last 10 minutes of the game. The end of the third period, Cascade guards Tanya Grubich, Dolores Panner and Kay Carroll had been quite effective on the Workettes forwards. Schreiber had been scoring consistently but she hadn't really hit one of her usual big quarters. Workette guards Jo Ann Haster, Sandy Rice, Barbara Bennett and Mary Terrell had offered an impediment to the Cascade forwards inside scoring power. In the final period Schreiber broke the game wide open with four goals. The only response from the Cascade was a 15 foot hook shot by Peggy Burke.

High call for the Cascades was Gloria Barnett with nine points. Barnett was consistent all season for the Cascades and averaged about 10 points a game. Peggy Burke scored five for the Cascades.

Rose Schreiber, standout for the Workettes, hit nine goals and a foul shooting 10 points for the Workettes. Schreiber has been averaging about 17 points a game. Barbara Newschwander led four points.

## Industrial Softball Team Sets Organization Meet

## Coaches To Attend Convention

Belleville will be well represented when the annual New Jersey Scholastic Coaches Convention is held under way today at the McAlpin Hotel, in New York City. The coaches will continue through tomorrow with outstanding college coaches from all parts of the country serving as guest speakers. There will also be panel discussions in the various sports.

Attending from Belleville High will be baseball coach Ed Berlinski, basketball coach Herman "Jitzy" Wische, football assistant Ray Smith, track coach Austin MacArthur and assistant crew coach Mike Rosimilla.

## DOLPHIN, DRIFTER TEAMS WIN FIRST PLACE TROPHIES

Championship Tournament  
Now Underway In Rec  
Junior, Intermediate Leagues

The Dolphins repeated again this year and finished the season with a record to take first place honors in the Belleville Recreation Department Intermediate Boys Basketball League, while the Drifters also put together a mark to take top place in the Department Boys Junior Basketball League.

Harold P. Brand, director of the leagues, announced the following teams will receive individual first place trophies which will be awarded on the Night of Champions, which is held during the May. The Dolphins are Tommy Candura, Jim McCann, Ed Nash, Mal Gordon, Tony Tamburello, Charles McQuillen and Frank Veriani. The Drifters include Marty Carlucci, Jim Simone, Joe Ehrlich, Frank Del Presto, John Chiles, Jim Eustice and Jack Cullen.

The "Shanghaesey Jaywalkers" but last year the highly touted Dolphins were knocked over in the final by the fourth seeded W & Sweet Shop combine. This playoff system is set up so the first four clubs are eligible for the Championship Trophies. Team No. 1 meets Team No. 4 and Team No. 2 meets Team No. 3. The winners of these two matches meet in the Championship final.

The "Shanghaesey Play-off" idea for the championship trophies was established two years ago by the Department, with a view towards improving the competitive quality of both leagues. To date it has been highly successful.

The preliminary play-offs are now in the process of being completed by the all important Finals of the fourth seeded W & Sweet Shop combine. The Junior League Finals meet at 7:30 p.m. and the Intermediate Finals take the floor at 8:00 p.m.

## Edward O'Neil

Edward O'Neil was born in July, 1913, in New York City. He attended St. Edward's Parochial School in Baltimore, and was graduated from Belleville High School, class of 1932. O'Neil successfully participated in football, basketball and baseball and was named to the "All-State" team in baseball in 1932. He was considered, by many, as one of the most graceful infielders in his day. A series of circumstances prevailed preventing him from making baseball a lifetime career. O'Neil has been employed with the Luck-Entel Steamship Company in Port Newark, as a checker. He is a member of St. Peter's Knights of Columbus, Varsity Club, American Legion, Elks Club, The Old Timers Association and a very active member of the Gallagher Association.

## Fred McQuillen

Fred McQuillen was born in May, 1916, in Cambridge, Maryland, attended elementary school there, and was graduated from Belleville High School. He played high school football and semi-pro baseball during his high school days. After leaving high school he went to work for Industrial Insurance Company and played with his baseball team in the heavy semi-pro league of Irvington. McQuillen has served as manager of the Homers in the American League for the last three years. The Homers, under his direction, won the 1955 American League pennant but were unsuccessful in the world series and were beaten by the National League Giants, managed by George Sheridan and Ed Gasperski.

## HIGH INTEREST RECEIVED FOR CO-ED BOWLING

The Recreation Department Co-Ed Bowling program conducted at the Grace Baptist Church each Monday, Tuesday, and Wednesday evening for youngsters of high school age is now moving along nicely, says Robert E. Cook, director of recreation.

Last weeks high scores were led by Bob Suckey with a top of 177 closely followed by Tony Gaeta with 175. Don Colonnino bowled the third place 164 and Tony Nigro was a close fourth with 162. Also grouped with the high scores were Frank Puleo 156, and George Prezioso with 155. Highest score to date was hit by Jerry Borrelle who rolled a 218 in the second week of the series.

On the distaff side, high scores last week were bowled by Harriet Worthington with her 154, which also became the highest girls score of the series. Judy Anderton had the second highest score with 117 and Kathleen Ventura placed third with 103. Jo Anne Budd had fourth position with 99. Other girls who scored well for the week were Ellie Steffanson with 94, Geraldine Mousaw with 97, and Carol McDonald scoring 93.

The recreation bowling activity for teen-agers is supervised on

## COOK CAUTIONS CLUB MEMBERS

Director Robert E. Cook of the Belleville Recreation Department has issued a stern warning to all members of the Junior Rifle Club that guns are never to be brought to Rifle Club meetings. The same rule applies to ammunition, he stressed.

Cook said that the Recreation Department provides the rifles used by members of the club so that there was no need for youngsters to bring their own. Ammunition is also available at the club under the supervision of the directors, he added.

Cook stressed that any infraction of this rule would result in immediate dismissal from the club. Young people wishing to fire their own guns on the Recreation Department Range may do so only if they are accompanied by their parents throughout arriving, shooting, and leaving. Cook said that the Rifle Club offered an extensive program of training for boys and girls between the ages of 12 and 18 but that it could not accept the responsibility for the carrying of arms and ammunition away from the range and its supervised program.

Monday's by Cook, on Tuesday's by Miss Pat Harrison, and Wednesday's by Andrew Lukowick.

## BICYCLE ROLLER SERIES COMPLETES SECOND ROUND

Phyllis Onofrietti, John Littig, Joe Grosch, and Ralph Truesdale Chalk Up Wins

Despite the arctic weather, a group of young bike riders gathered at Municipal Stadium last Saturday for the second race of the current Roller Series being conducted by the Recreation Department. The weather did cause weak attendance in the younger age groups, but the riders of the 13-15 year-old group and the girls division were undaunted.

The girls, riding a fifth of a mile distance, turned in their best times at the series. Phyllis Onofrietti posted the best time of 21.2 seconds for first place. Just one second off first place was second place, Ed Littig Jr., placed third in 22.7.

Joe Grosch posted a new best score in the boys 8-10 year old division as he knocked the fifth mile off in 25.0 seconds.

In the boys 11-12 year old rollers for one third of a mile, in 30.2 seconds for first place. The competition in the 13-15 year old group was also intense. Ralph Truesdale who was second in the previous race took first last week in the brilliant time of 39.5 seconds to beat out George Lee who posted a second place 42.5. Ed Littig Jr., placed third in 49.2. These boys all ride a half-mile distance.

After the regular races Richard Pfaff, formerly Juvenile Champion of the Belleville Bicycle Club and star of several major open races rode an exhibition half-mile in the exception fast time 34.1 seconds. He will be in charge of tomorrow's races.

## Red Cross Swimming Class For Boys, Girls

Registration for swimming classes in the city's beginning advanced and life saving divisions will be held Tuesday at 7:30 p.m. at the RCA pool, Harrison, according to Leonard Bade, Water Safety chairman of the Red Cross chapter here. Girls' classes in the beginners and intermediate divisions will be held starting March 28 at the Montclair "Y" pool. The boys' class will be a ten week course and the girls' a twelve week course.

## Diamond Team To Play 18 Game Slate

Belleville High School's baseball team, coached by veteran pilot Ed Berlinski, will play an 18-game varsity schedule commencing April 17 and continuing for six weeks. Released this week, the slate lists 10 games for the home confines of Municipal Stadium with the remaining eight tilts carded for foreign diamonds.

One of the highlights of the season will be a two-game set against Our Lady of the Valley High School, of Orange. Piloting the Valley nine is Bill Murphy, who doubles up as manager of the Belleville Reds during the summer. The Blue and Gold were scheduled to face the Valley twice last year but both games were postponed.

For Belleville and Berlinski, 1956 will mark the fourth year of participation in the Big Ten Conference and all prospects point to one of the most successful seasons in the circuit since it came into being. Last year the Bellboys finished in fourth place with a five and four won and lost record. With a host of veterans returning Belleville will be shooting for all the marbles, come the start of the pennant race in April.

The regular campaign for the Bellboys will begin on April 17 at Municipal Stadium against Our Lady of the Valley and end on June 5 against the same Valley squad. Of the 18 games all but six are against Big Ten foes. Each loop rival will be met once with the exception of Kearny, Orange and Columbia. A home-and-home series will also be waged against Passaic.

## GYM AND DANCE PROGRAM RESUMES

The grammar school girls gym and dance program under the direction of the Belleville Recreation Department, which was suspended last year, will resume activity Monday night.

The program is taught by Miss Grace Casale of Panzer College. Miss Casale has divided the children into two groups, the older girls doing the more difficult stunts and the smaller children doing the more simple activities. The dance program will be integrated into the gym work.

Miss Pat Harrison, Assistant Supervisor of Recreation, says the activities will be of great advantage to the children giving them a fine foundation of grace and poise.

## GIRLS GYM MEETS BEGIN THURSDAY

With the curtain down on the girls' basketball league, the Recreation Department will swing into its diversified gym program for the girls. Starting Thursday evening at 7:30 the girls will be attending a choice of three classes: tumbling, badminton, kick ball, parallel bars and fencing.

Leaders of the gym program are Miss Evelyn Hannan and Miss Grace Casale under the direction of Miss Pat Harrison, Assistant Supervisor of Recreation.

The main idea of the diversified gym program is to give the girls an evening of easy fun with each free to take part in any activity of her choice and free to change from one activity to another at any time throughout the evening. Director Robert E. Cook said.

## Belleville Man Jailed On False Pretense Charge

A Belleville man has been sentenced to an 18 month term in the county penitentiary on a charge of obtaining money under false pretenses.

John Malatesta, 38, of 50 Grande Terrace, was sentenced to the charge before Magistrate Edward J. Abramson of Belleville who heard the case. Malatesta was charged with obtaining money under false pretenses and a trial by jury. Malatesta, as arrested last month by Acting Captain Harry Scott and Detective Harry Winfield after he cashed some checks in a local bank by falsifying signatures, police reported.

## Richardson to Speak At Science Convention

Evian C. Richardson of 32 Oak Street, associate professor of science at Newark State Teachers College, will speak on "The Use of Demonstrations in Elementary Science" at the annual national convention of the National Council for Elementary Science to be held at Washington, D. C., on April 7.

## Charles A. Natale

Charles A. Natale of 250 Ralph Street, died of a heart ailment March 21 at home. He was 84. Born in Brooklyn, Mr. Natale moved to Belleville as a youth. He was employed for 28 years as a truck driver by Lackawanna Laundry in Newark, and for the last few years he had worked as a porter for Eastwood Nalley Corp.

He leaves his wife, Mrs. Angelina Phillips Natale; three brothers, Patrick and Joseph, both of Belleville and Anthony of Jersey City; three sisters, Mrs. Marnie De Persio and Mrs. Antonette Litterio, both of Newark, and Mrs. Theresa Peters of Belleville; and three daughters, Miss Bridgett and Miss Lucy at home, and Mrs. Anna Marchese of Belleville.

The funeral will be today at 9 a.m. from the Capua Funeral Home, 269 Mt. Prospect Avenue, Newark.

## Explains Business Practices Junior Achievement Group

**Nationwide Teenage Group Teaches Members Role Played By Business And Capitalism In American Way Of Life By Actual Participation**  
By Beth Fellman

Teaching young Americans how to become good citizens is a big job. Junior Achievement, a nationwide organization aids in this cause. It explains to teenagers of both sexes, ages 15 to 21, business and capitalism—phases in American life.

The learn-by-doing process is employed. The achievers form their own companies sponsored by local corporations. They meet one night a week to carry on their business. Thirty-one of these companies operate in the Newark Center at 459 Broad Street.

More than 500 achievers, representing twelve communities, participate. Each company goes through the complete business process, starting with the sale of stock (most share for five) to liquidation of the company and hopefully 10 per cent dividends. In the interim, the achievers select, produce and sell a product or service. They elect officers, keep records, and collect wages. Each achiever is a member of his company's Board of Directors, which makes all decisions. The achievers are advised by their adult advisors from the sponsoring corporation.

Not only does Junior Achievement meet before the teenager has a chance to learn about business, but it also provides him with other opportunities. The Achievers Association of Essex-West Hudson plans the J. A. social activities, such as dances, trips and contests. Each company's vice-president is automatically a member of the Association. Officers of this group are elected annually by all the achievers by a secret ballot. The Association has a Constitution and uses Robert's Rules of Order as its parliamentary guide in another phase of American life.

The local J. A. participants in the National Junior Achievement Contests for industry, commerce and scholarship awards are open to winners in local competition. Two Belleville school students have won in local try-outs and are now entered in the national scholarship competition.

Junior Achievement is a growing organization. More and more teenagers are having fun while learning. They are getting preparation for the adult world which they soon will enter.

## SERRITELLA FILES IN 10TH DISTRICT AS INDEPENDENT

**Will Oppose George Addonizio In Primary With Backing Of McGlynn**

James E. Serritella, Jr.

With the backing of William E. McGlynn, of Kearny, defeated candidate for Congress in 1954, James E. Serritella, Jr., of Newark, filed petitions just under the deadline to oppose the Republican County Committee's selection, G. George Addonizio, of Belleville, for the Republican nomination as Congressional candidate to oppose the Democratic incumbent, Rep. Peter W. Rodino, Jr.

In announcing his candidacy in the April primary to The Times-News, Serritella accused County Clerk Anthony P. Giuliano, himself an unsuccessful opponent of Congressman Rodino in 1948, of "assuming dictatorial control of the Essex County Republican Committee and Clean Government Republican, Inc."

"Giuliano alone dictated the acceptance of Addonizio by the Republican screening committee," Serritella declared. "As early as last November Addonizio boasted that he would be the organization candidate because Giuliano had promised him the nomination. The pretense of interviewing other prospective candidates was pure hypocrisy and sham."

"A member of Giuliano's own law firm, my opponent was hand-picked by Giuliano over other sincere, courageous and volunteer workers in the Republican cause. His entire association with the party and the Clean Government movement has been on the basis of personal preference."

"The 1954 November electoral debate should have been a war-

fare to every Republican in Essex County that a dictatorial choice by the favored by one or two individuals is not always the selection of the best candidates who can win at the polls."

"I ask Belleville's support in returning the Clean Government movement and the Republican party in Essex County to the high esteem and standing it enjoyed under the leadership of Arthur Vanderbilt and the late George Becker, by supporting my candidacy in the Primary election next month."

McGlynn and Anthony P. Cocco, of Newark, who filed as 10th District delegates to the Republican National Convention, in opposition to the county committee's slate of delegates, issued a joint statement praising the methods used in selecting the official candidates in the 10th District.

"We want it understood that we hold no personal animosity against the persons chosen for delegate and alternate delegate by the so-called 'screening committee,'" McGlynn and Cocco said.

"However, it is apparent that the candidates were selected long prior to the meetings of the screening committee. One candidate moved from East Orange to Bloomfield only a short time ago and yet he was the first selection for delegate. Certainly the Republicans in Bloomfield who have been residents of the 10th District for a long time should have been given first consideration."

"The same holds true for West Hudson. The Republican organization in that area suggested two men for delegate posts. Neither man was considered, but a screening committee gave an alternate delegate spot to a man who was suggested by an Essex County member of the committee, contrary to the wishes of the

**Hadassah Chapter Will Have Speaker Tonight**  
The Belleville-Nutley Chapter of Hadassah will hold a meeting social this evening, at 8:30 o'clock in Temple B'nai Israel, Harold E. Trattner, executive director of the Jewish National Fund of New Jersey and Connecticut, will be the guest speaker. He will discuss the Jewish National Fund and the political situation in Israel.

Mr. Trattner received his B. S. degree from the City College of New York, in 1942, and in the same year was graduated from Mesivta Torah V'Daath, of Brooklyn. He was formerly with the Speakers Bureau of the National U. J. A. and was director of Lower Manhattan Division of Israel Bonds.

"We are actively working for the nomination of Serritella as the Republican candidate for Congress. We are opposed to the candidate selected by the screening committee because he was hand-picked by a group that was not representative of the 10th District."

"It should be recognized that disunion in the Republican organization in Essex County has resulted in the violation of the principles upon which Clean Government was founded."

"We are certain that Clean Government never was intended to be controlled by the county committee or dominated by a few. It was set up so all persons interested in good government would have a say in the internal Republican affairs. Such is no longer the case."

**TAKES OFF LIKE YOU'RE WEARING SPURS**  
Come try it — and you're in **BUICK'S THRILL-A-MINUTE CLUB**  
THE THRILLS begin... in the first sixty seconds — and from then on they come in clusters.  
Right off, you feel the stepped-up getaway in Buick's new Variable Pitch Dynaflo® — a blazing new take-off even before you switch the pitch.  
Because now — right in the topmost inch of pedal travel — right where you do most of your driving — right in the fuel-saving economy range — you're moving with a solid new "take-hold" getaway that's brisk and blessedly smooth.  
Then you double the thrill.  
For when you want to pass — or climb — or get out of a tight spot fast — you flip the pedal and switch the pitch. That brings you an absolutely smooth burst of full-power go-ahead on the split second — and it's the nearest thing to soaring flight yet.  
It's a double-barreled package of excitement — and it's teamed with the most powerful V8 engine in Buick history — a 622-cubic-inch engine with no less than 9.5 to 1 compression in every CENTURY, SUPRA and ROADMASTER.

#### How to Prepare your Round Roast

Preheat the oven to 300° and roast uncovered, fat side up, from 1 1/2 to 30 minutes a pound. For medium done, about 25 minutes to the pound. For added flavor — stab the roast with a thin knife in several places — stuff a sprig of fresh thyme into each — then salt and pepper, dredge with flour and roast.

#### Customers' Corner

*The Fifth Season*...  
 With the advent of Spring, we'd like to remind you of the Fifth Season! At A&P, we call it the Thrift Season, too... a year-round proposition that never changes, except to get brighter, savings-wise!  
 Right now, for example, A&P is offering the most outstanding array of low prices in our history by way of bowing to our customers for the most extraordinary year we've ever enjoyed!  
 We're not content to insure your spending less on food... A&P is courteous-conscious, too! So, if you've an idea on bettering the service, just mention it to your A&P Manager... he'll be glad you did!  
 Meantime, forget about the weather... come see, all the time! You'll save... always!
