

School Board Grants Salary Increases For 21 System Employees

Raises Totalling \$4,900 Given To Thomas, Durkee, Daniels, And 18 Other Administrative Personnel; Measures Introduced In Pre-Meeting Conference

Belleville Board of Education Monday night granted salary increases totalling \$4,900 to school administrators and other associated school personnel. The increases cover 21 employees under Board jurisdiction.

Twenty of the pay boosts were included in a blanket resolution sponsored by acting supervisor Dr. Frank M. Durkee, which did not mention specific personnel to be granted the increases, but referred to a memorandum issued to Board members earlier this month. The resolution had been discussed privately in a Board conference preceding the regular meeting, and was adopted at the public meeting with scant attention.

Daniels Gets Raise

The final pay boost was granted to Board secretary and Business Manager Ruel E. Daniels, under a separate resolution. Daniels was given a \$300 increase by a 6-1 vote raising his present salary to \$9,800 per year.

Others granted pay raises under the Durkee resolution include superintendent Evan H. Thomas, \$500, boosting his salary to \$12,500 a year; Dr. Durkee, \$500, boosting his salary to \$9,500 a year; the three members of Daniels' office staff, \$300 each; the school nurse, \$200; the high school nurse, \$200; the high school and the high school and the superintendent's office, one receiving a \$300 raise, the other four getting \$200 each; the secretary of the Board of Education, \$200; five additional grade school secretaries, \$200 each; the attendance officer, \$200; and two of the five members of the Health staff, \$100 each.

Scant Notice

The 20 employees included in Durkee's blanket proposal received their salary increases with no discussion. However, the pay boost to Daniels created considerable discussion among Board members. Board president William A. Boyd opposed the increase on the grounds that the school system was not getting the type of building maintenance and supervision that it needed. He said it would be necessary to hire a physical plant foreman next year to supervise the present maintenance staff.

Boyd added that an opening exists on the system's maintenance staff prior to the retirement of electrician Frank Bangert.

Heart Drive Goes Over Top Here

Belleville Businesses And Families Donate \$2,000

More than \$900 was contributed by Essex County residents to the 1956 Heart Fund Drive in March, an increase of 87 per cent over 1955, Belleville families and businessmen gave a total of \$2,031.

This was announced last week by Kenneth J. Hanau, general campaign chairman, to 70 municipal chairmen and school board members at a tea given in their honor at 369 Park Avenue, Orange, by the executive committee of the Essex County Heart Association. "You and your associates," Mr. Hanau, an official of National State Bank, Newark, reported, "collected \$90,981, and contributions are still being received."

Dr. John Winslow, president of the Association, thanked the campaign leaders and their associates for their successful efforts. He

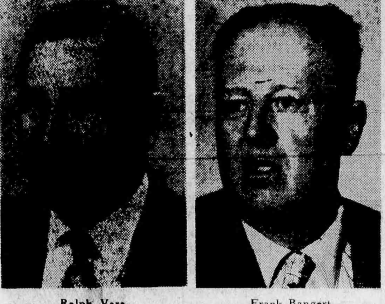

Police Force To Aid Little League

The Brooklyn Dodgers are affording a fund raising opportunity to the Police Departments for their PAL functions throughout the state of New Jersey. The Dodgers are making tickets available for sale through the Police Departments for their exhibition games with the Cleveland Indians. Monday evening, April 30, at Roosevelt Stadium in Jersey City, for every ticket purchased through the Belleville Police Department, 50 per cent of the money paid for the ticket will be turned over to the Police Department for their PAL functions.

In that the Belleville Police do not sponsor a PAL Baseball team they have decided that all monies received from the sale of tickets will be turned over to the Belleville Little League. This is a very commendable act by the Belleville Police Department and should receive the support of everyone in town who is interested in Little League activities.

Tickets may be secured by calling Plymouth 9-4600 and asking for either Tom Dunn or John McNish.

Local Political Chairmen

Ralph Vara

Frank Bangert

Bangert, Vara Selected To Head Town Political Forces At Committee Meetings

Democrats Elect Vara For Seventh Consecutive Term While Republicans Choose Bangert For Second One Year Term As Local Party Chairman

Both Republican and Democratic town organizations met Monday night to reorganize for the coming year following last week's primary elections. The GOP selected Frank Bangert, Jr., to head the local party organization for another year, while the Democrats elected Ralph A. Vara to head their party organization in town. Both men are presently serving as heads of their respective town organizations.

Bangert, of 143 Cedar Hill Avenue, was elected by the local members of the Republican county committee to head the town committee. He was re-elected to the position unanimously for the second consecutive term. He has previously served 32 years on the county committee.

Other officers elected by the Republicans include Mr. Ruth Fredericks, chairman; Jess Rue, treasurer; and Mary Grace Hanau, secretary. All of these were re-appointed to posts they presently hold.

All 42 local members of the county committee, returned to of

RED CROSS DRIVE COLLECTS \$11,500 LOCALLY TO DATE

Fund Appeal Extended By Drive Chairman Sullivan In Effort To Meet Goal

The Red Cross Fund Raising campaign in Belleville has raised \$11,500 to date during their April drive. Harry J. Sullivan, chairman of the fund appeal, said today. The figure represents only 43 per cent of the campaign goal, which had been set at \$26,000 by the county organization.

Sullivan said, however, that the local chapter was determined to continue the fund drive until "maximum returns are achieved." Although returns are coming in steadily to campaign headquarters they are coming in too slow, he added. "The local drive will definitely be extended, in order to give all committed volunteers a chance to complete their assigned territories," he said.

In a message to all workers, Sullivan urged them to see their prospects immediately so that the drive might be brought to a successful close.

Nationally, as revealed, over 80 per cent of the goal has been reached. He stated that \$75 million had been raised here of \$90 million goal. "The national success of the drive points out the fact that Belleville is falling behind other communities in the county and the nation, Sullivan said.

This year especially, he pointed out, the Red Cross needs funds desperately. The organization's reserves were badly depleted by the floods, tornadoes, hurricanes, and other disasters which struck the nation and the state of New Jersey last year. In order to meet any emergencies that may arise again this year, he said, the local fund raising drive must be a success.

Cherry Trees In Full Bloom, Floodlighted

The cherry blossom display in Branch Brook Park will be floodlighted starting tonight from dark until midnight for two to three weeks, according to the Essex County Park Commission.

The commission reported that many of the 2,000 trees are in bloom and prospects are good for others to flower for a spectacular display over the weekend. Unseasonable weather has delayed the display this year.

Beginning Saturday, special weekend traffic regulations will go into effect on the drive through the extension. Traffic will be one way northbound from 10 a.m. Saturday to midnight. Sunday any parking will be prohibited. The one-way entrance will be at Helen Parkway, Newark, and the exit at Union Avenue, Belleville.

Safe Driving Is Motto For Red Cross Service Driver

By Rita Knoll

Safe driving is considered the most important thing by a lady who should really know. Mrs. Irma Ryer of 42 Tappan Avenue considers safety far more important than speed in her job as driver of the ambulance for the local chapter of the Red Cross.

As chairman of the motor service transportation division of the Red Cross, Mrs. Ryer stresses the need for allowing enough time to reach a destination so that her drivers will not have to speed and thus run the risk of possible accidents.

The motor service provides transportation for those who cannot afford it and are in medical need. Although her work begins and ends with the Red Cross chapter, Mrs. Ryer also comes in contact with such organizations as the cerebral palsy drive, the cancer fund, the polo drive and the blood bank. In most cases, her job involves transporting victims to and from many of the hospitals in this area in a converted station wagon which serves as the town ambulance.

Veterans and service men and their families are also eligible for the free transportation provided by Mrs. Ryer's division of the Red Cross.

You'd think that this would be a fun time job, but surprisingly enough, Mrs. Ryer finds time to be active in other projects in civic and church circles. Girl Scout Brownie troop directors stand her time and she has been superintendent of the nursery department of the Grand View Sunday school for the past nine

CLEAN UP WEEK TO BE HELD HERE STARTING MONDAY

Residents Asked To Place Trash And Rubbish At Curb On Regular Pickup Day

Clean Up Week will be held in Belleville starting Monday and running through Saturday, May 12, it was announced by Commissioner Joseph King of the Department of Public Affairs and Health Officer Eugene T. Berry.

The department has asked residents for their cooperation and assistance in making Belleville "better, brighter, cleaner, and more beautiful."

Residents have been asked to place their rubbish and trash in containers on the curbline on their regular pickup days, so that the refuse may be picked up by extra workers.

In case of illness or invalidism, the department said, "rubbish or trash placed outside the door or in the yard will be picked up wherever possible." These residents were asked to call the Health Department at Town Hall for such notification.

Commissioner King pointed out that Clean Up Week offers every local resident the chance to get rid of the useless trash and rubbish that has accumulated during the year. He urged residents to "give the cellar, attic, and yard a clean spring house."

The Clean Up Week is an annual event in Belleville, as in most other municipalities in this area.

Set Clocks Ahead

Do not forget to set your clocks ahead one hour before going to bed Saturday night. Daylight Saving Time will be commenced officially at 2 a. m. Sunday.

Committee Hopes To Raise \$2,200 Here For Purchase Of New Eight Oar Shell

According to preliminary reports, a local drive to raise funds for a new eight-oar shell for the high school crew has been progressing well. Steven G. Elting, of 10 Belleville Court, who has been acting as spokesman for the drive, expressed the hope this week that the drive would go over the top.

Elting did report one setback this week, however, in the group's drive to buy the new shell and that the supply couldn't be met until late summer or early fall. There was a slight possibility, Elting said, that some college may refuse their order and the shell would become available for local purchase.

The committee is going ahead

Commission OK's Carousels In Business Zones Of Town

Ordinance Amended Before Final Adoption; Stadium Renovation Plans Also Get Final Approval

Belleville Town Commissioners Tuesday night approved on third reading an ordinance which would permit carousels without music in business zones of town. The controversial measure had been discussed by Commissioners since the March 27 meeting when it was first introduced. At the April 10 meeting, the ordinance had been tabled until this week when final action could be taken on the proposal.

At Tuesday's meeting, the measure had an amendment tacked on before it received final approval from the Commission. Sponsored by Commissioner Kenneth E. Smith, the amendment was a result of discussion on the proposal during the last meeting.

Only incidental

The law amendment stipulates that "the miniature carousels or merry-go-rounds shall only be permitted when they are incidental to the use of business such as restaurants, etc. The amendment specifically prohibits the kiddie rides as a solitary or independent use."

In addition to limiting the carousels to business zones, the original ordinance also requires that there be no music of any kind used with the rides, that the Department of Parks and Public Property be notified of their size to miniature merry-go-rounds.

The new amendment stems from fears expressed by Commissioner Harry J. Sullivan at the last meeting that the ordinance might open the door to a whole string of "amusement huts" springing up along Washington Avenue. Although Sullivan had no objection to the specific use of the ordinance, it was intended for the use of Commissioners to consider future ramifications of the measure.

The ordinance was adopted to comply with a zoning request by William Minkling of Littleton, Colorado, who wants the kiddie rides to entertain children at a proposed restaurant on the site of the present roller skating rink on Washington Avenue.

At a second reading, the ordinance was approved by the Commissioners Tuesday night, one granting the Department of Parks and Public Property a \$25,000 request for the purpose of renovating Municipal Stadium. The sum will be used to bring about the first step in a proposed three part plan to completely enlarge the town stadium.

The entire plan is outlined by Parks and Public Property Director Elmer S. Hyde and Recreation Supervisor Robert E. Cook will continue over a five year period. The two stated that when the project was completed, Belleville could boast one of the finest recreational facilities in its part of the country.

Work is expected to start immediately on the first phase of the project, now that the money has been appropriated. The program will not only vastly increase the amount of recreation available, but will also increase parking space for participants and viewers.

WORKERS STRIKE AT EDSON TOOL

Week Long Strike Continues After Negotiations Breakdown

Production and maintenance workers at Edson Tool & Manufacturing Company, 457 Cortlandt Street, are still striking today after negotiations for a new contract with the firm broke down last Wednesday, Local 5362 of the United Steel Workers, who won representation in an election February 13, called the strike.

About 115 employees are on strike at the plant. Picket lines were set up at the entrance and at an affiliated firm, the Electronic Instrument Corporation, 465 Cortlandt Street. The latter company employs 65 persons, a spokesman said, most of whom are passing the picket line although they are not members of the union.

Peter Cassidy, an international representative for the union, said negotiations were deadlocked over the local's demand for an increase from \$1.05 to \$1.10 in the hiring rate, for a 30 cent package increase involving wages, insurance and fringe benefits, and for union shop.

Norman Gussoff, controller of the company, said all the issues had been resolved in the negotiations except the demand for the union shop.

He said that the union won representation at Edson Tool by a one vote margin at the February election, but that Electronic workers overwhelmingly against the union in the same election.

Weekend Weather

The weatherman predicts a warm sunny weekend with no rain forecast. Temperatures will be in the mid 60's.

Route 21 Alignment Is Shifted Eastward Into Passaic River 100 Feet

State Highway Commissioner Palmer Announces Permission Has Been Granted By State, Federal Government Approving Shift Of 50 Additional Feet

State Highway Commissioner Dwight R. G. Palmer announced today that permission had been received from both the State and Federal governments to shift the proposed alignment of Route 21 in Belleville eastward an additional 50 feet into the Passaic River.

The move brings to 100 feet the amount of river bed to be utilized for the construction of the highway, he said.

The Commissioner's announcement was made following receipt of approval by the U.S. Army Corps of Engineers and the Water Policy Commission of the Department of Conservation & Economic Development of the application of the Highway Department to utilize the additional amount of river bed in order to avoid damage to Main Street and existing properties here.

\$100,000 Lost

The Highway Department previously had been advised by its engineers that the proposed alignment would bring property loss in Belleville below the \$100,000 mark. The entire loss here is now confined to the southern end of town near the intersection with Rutgers Street. Six houses in this area, all fronting on the present Main Street, will still be removed by the state highway department, existing properties here.

Commissioner Kenneth D. Smith, director of the Department of Public Works, said that the new alignment would bring property

## INSPECTION FACTS...

## PASSENGER REGISTRATION

UNDER THE NEW SYSTEM OF LICENSING MOTOR VEHICLES YOU WILL NOT RECEIVE A NOTICE OF INSPECTION IN THE MAIL AS IN PREVIOUS YEARS.

The above format explains the major changes in the motor vehicle inspection procedure under the new system of registration.

A vehicle owner WILL NOT receive a notice of inspection in the mail as in previous years. In the case of passenger cars, the owner will find the inspection schedule printed at the bottom of his 1956 registration card. Non-passenger vehicle owners may arrange their own inspection schedule, but are required to complete the first inspection before Sep-

## Bayley-Seton League Holds Annual Elections

Officers for the coming year were elected at the recent annual meeting of the Bayley-Seton League in the Little Theater of Seton Hall University. Elected

were Mrs. James A. Sebold of Whippany, re-elected as president; Mrs. Charles E. Coleman of South Orange, re-elected as vice-president; and Mrs. Paul H. Dwyer of West Orange, corresponding secretary.

An open forum was conducted by Rev. Thomas J. Gilhooly and

## NEW TYPE STICKER OF APPROVAL

The above reproduction shows the new type inspection sticker of approval issued under the new licensing system. The back of the windshield sticker contains instructions concerning the procedure for the next inspection of the vehicle.

## NEW (RED) REJECTION STICKER

The above reproduction shows the REJECTION sticker which will be affixed on vehicles rejected on initial examination. The instructions on the back of the sticker point out that the vehicle must be approved on or before the date punched out on the margin of the numbered sticker.

## NON-PASSENGER REGISTRATION

Non-passenger vehicles are subject to inspection TWICE between April 1, 1956 and March 31, 1957.

First inspection due: Between April 1, 1956 and Sept. 30, 1956.  
Second inspection due: Between Oct. 1, 1956 and March 31, 1957.

No fee will be collected at the inspection station if the vehicle has been properly inspected during the 1955 registration year.

## NEW TYPE STICKER OF APPROVAL

The above reproduction shows the new sticker of approval for non-passenger vehicles. The month and day of approval is punched out on the face of the sticker at the inspection station. The vehicle is subject to another inspection six months from the date of approval.

tember 30, 1956 and then return the vehicle for another inspection six months from the date of approval.

A new type RED REJECTION sticker has been adopted for use on vehicles not approved on initial examination. The rejection sticker indicates that the vehicle must be approved within 21 days from the date of rejection.

Under the new system, no fee will be collected at the inspection station if the vehicle has been properly inspected during the 1955 registration year.

## SCHOOL NO. 3 PTA INSTALLS OFFICERS

The final PTA meeting of this year was held Tuesday at School No. 8 auditorium. The installation of new officers was presided over by Mrs. E. Arvidson, district chairman of the Essex County PTA.

A short skit, "Parents: Past and Present," was acted out by the seventh and eighth grade drama group under the direction of Mrs. M. C. Cleaver. This group also joined with the Mothersingers in bringing various musical selections. Refreshments were served by the homeroom mothers under the hospitality chairman, Mrs. P. DiRuggiero, and Mrs. M. Scrudato.

## MRS. VANDERBILT NAMED CHAIRMAN

Installation of officers for the 1956-57 club year was held at the recent meeting of the evening membership department of the Belleville Women's Club. Officers were installed by R. Clifford Whitfield, Eighth District Vice-President.

Mrs. Gary Vanderbilt was installed as chairman; Miss Frances Butler, vice chairman; Miss Margaret Walker, recording secretary; Miss Viola Weislogel, corresponding secretary, and Miss Lieselotte Goettfert, financial secretary.

The following committee and department chairmen were installed: home department, Mrs. Harry Fallows; fine arts department, Miss Ruth Hogan; public welfare department, Mrs. James J. Dunn; ways and means, Mrs. Alberta Belarbis; hospitality, Mrs. R. Taggart; and publicity, Mrs. R. B. Reilly.

Hostess for the evening was Miss Helen Hyde. Miss Hyde and Mrs. Bedarbis will attend the New Jersey State Federation of Women's Clubs Convention in Atlantic City on May 10.

## New Girl Scout Troop Formed

A new Intermediate Girl Scout troop has been organized at School No. 8. The group, under the sponsorship of the P.T.A., will be led by Mrs. Peter Contuzzi, assisted by Mrs. Samuel Gershman. The "Play Day" for all Belleville Brownies will be held tomorrow at the Girl Scout Area, South Mountain Reservation. In case of rain, the outing will be held next Saturday.

His dreams of home inspire us still

The sad, true story of STEPHEN FOSTER—a man whose dreams never came true.

FEW MEN have tang of home with such haunting tenderness as Stephen Foster, composer of "My Old Kentucky Home" and "Old Folks at Home". Yet he spent most of his life moving from one rooming house to another and died penniless and alone in a hospital charity ward.

By Presidential Proclamation, January 13, the 92nd anniversary of his death, was designated as Stephen Foster Memorial Day. We pay tribute to the beautiful dreamer whose humble words and simple melodies have expressed so well the world of meaning that is compressed within the four walls of an American home.

FORTUNATELY today most of us, unlike Stephen Foster, will be able to experience for ourselves the thrill, the security, the warmth of owning our own home. For there's a practical, direct route to this common family goal. It lies through saving and investing in U. S. Series E Savings Bonds on the Payroll Savings Plan.

Why is this saving method so successful? Because you save automatically and systematically through Payroll Savings.

You need save only a few dollars a week. Quickly and easily these regular savings will grow into a down payment for your home. So start investing in Bonds today—and make your dreams of home come true!

For the big things in your life, be ready with United States Savings Bonds

# Petreaus End Season With Successful "Merry Widow"

The Petrean Club of St. Peter's Parish last weekend successfully finished an ambitious musical program in their production of "The Merry Widow". This was the first musical production based on a standard work attempted by the group. The club has, for the past 16 years, annually entertained the theatre going public of Belleville.

The delightful music of Franz Lehar, with book and lyrics by Charles George, was well cast. In the past, the musical comedies were more or less written around the abilities of the available cast members. In this instance the members were forced to adapt their abilities to the script.

The title character was ably played by Eleanor D'Angelo, whose well modulated voice and ability to act the part, contributed much to the success of the show. The male lead was taken by Robert Kait, who added greatly to the delightful tunes of Franz Lehar. James Leonard, Jr., with a left sense of comedy, carried the banner of the Leonard family which might be called "The Royal Family" of the dramatic arts in St. Peter's.

Gary Vanderhilt, active in many phases of the Petrean work, played the straight man in a smooth manner. He displayed a marvelous sense of timing, projecting his voice in a manner producing the maximum in pleasing melody.

Attractive Jackie Watts played the part of a newspaper columnist and was a strong supporting player. Joyce Grady, who did not appear until the last portion of the operetta, was good. It is regrettable that her performance was cut short by illness. Genevieve Lardier, Clare McLaughlin, Regina Moore, Frank Ludwiczak, Margaret Garon, Charles Suttler, Jack McDermott, Patricia Fitzgerald and Edward Post ably portrayed minor parts.

The musical direction, by Anne Stellatella, who also accompanied on the piano, was flawless. The choreography by Margaret Shaffer and the dance direction of Pat Bell

# Eighth Grade Students Make Washington Trip

A trip to Washington is an eagerly-anticipated activity in the life of most people, and Mrs. Edward Rochau, of 53 Fairview Place, made it a reality for 64 students of the eighth grade at School No. 7.

Mrs. Rochau and her charges left Belleville at 6 o'clock Tuesday morning, Friday stop in Arlington. They visited the Blue Room and state dining room, and were also shown former President Harry Truman's piano.

Then on to the Capitol building where they saw the Senate, with vice president Nixon in the chair. They also visited Congress which was in session. A visit to the President's Room followed, then to the White House, where the slightest word can be heard from the opposite end of the room.

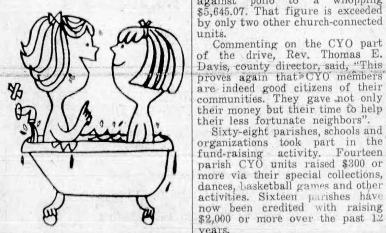

At the Printing and Engraving building the group watched the making of money and toured the display in the lobby. Here they saw a \$500 million bill.

The next visit was to the Lincoln and the Jefferson memorials and the newly-erected two-lane statue.

The changing of the guard at Arlington National Cemetery impressed the group with its military precision.

The students then saw the original American flag, on exhibit at the Smithsonian Institute. The final stop was a visit to the historic Washington monument.

Radio and TV artists will also appear on the program each evening.

# Players Present Comedy At Fewsmith Tonight

"Splint For a Broken Heart", a one-act comedy will be presented tonight and tomorrow at 8 p.m. at the Fewsmith Memorial Presbyterian Church social hall.

The lead, Judy, is played by Miss Dorothy Fulmore. Her Aunt Esther is played by Mrs. Henry Maguire. Others taking part are Mrs. William Kelly, Mrs. Thomas Reid, Jr., Karl Pinto and Anthony D'Amore.

Radio and television artists will be presented each night featuring vocal soloists, tap dancers and instrumentalists. The entire show has been coached and arranged by Mrs. James K. Morse, Director of the Fewsmith Players. Miss Beryl Rollins is prompter for the play.

# CONCERT SEASON ENDS WITH FOUR YOUNG ARTISTS

Featuring four young New Jersey artists, "Music To Enjoy", under the direction of Hazel Ellison and William Alers, will close its fourth concert season with a program tomorrow evening at 8 p.m. at School No. 15. Soloists in the program which has been planned to provide a variety of selections will be Lillian Sims, mezzo-soprano; Carol Eschak, pianist; John Fides, baritone; and Mona Fidel, student pianist.

Miss Fidel is the only student artist to appear on the program. She is a student of Dorothea Anderson La Follette.

Admission is free and the public is invited to attend.

# Bargains And Beauty Will Be Found During Cruise Of West Indian Islands

Spring fever gives most people the urge to travel, few island cruises ever do. Now, Miss Agnes Wharton, of 334 Stephens Street, who recently returned from a two-week cruise of the West Indies. Setting out in a blinding snow storm was perhaps not the ideal way to begin a vacation, but in a few hours after sailing from New York harbor, the temperature dropped for tropical proportions and the passengers of the R.M.S. Mauretania began to enjoy the usual shipboard activities.

St. Thomas

First port of call was the island of St. Thomas, an American possession, formerly governed by France, Spain, Holland and Denmark. The island is a free port, making it a shopper's paradise, as in fact most of the islands in this area are.

Antigua, a small island of 308 square miles, was next in line. A

former British possession, the island shows traces of the stay of Admiral Nelson, British naval captain.

Martinique, a volcanic island, showed traces of the recent hurricane "Janet". Many historic sites can be found here, and those interested in the historical can find much to fascinate and impress the modern tourist.

Barbados

On Barbados, a British possession, can be found large quantities of sugar cane. It is also noted for its cotton College and St. John's Church.

The island of Grenada is made up of many green hills. A row of houses seem to be precariously perched. It is also one of the greatest sources of spices in the world today.

After visiting the islands, the ship reached the South American mainland. Passengers were driven from La Guaira to Caracas, visiting the capital building and the

# St. Mary's Marquette Clubs To Have First Spring Formal

Plans have been completed for the first annual Spring Formal of the Marquette Club and Junior Marquettes of St. Mary's CYO to be held on Saturday evening, at the Federal Clubhouse, in River Road, Nutley.

Miss Carole Horn and Kenny Brazier are co-chairmen. Art Terrill and his orchestra will furnish music for dancing from 8 to 12.

Chaperones for the affair, adult board advisors and members, will include: Mr. and Mrs. Allen O. Gentle, Mr. and Mrs. Joseph F. Donohue, Mr. and Mrs. John Murray, Mr. and Mrs. Arnold Hansen, Mr. and Mrs. Fred Scott, Mr. and Mrs. George Bittel, Mr. and Mrs. John DeKemp, Mr. and Mrs. John DeKemp, Mr. and Mrs. Russell Horn, Mr. and Mrs. Angelo Bonomina, Mr. and Mrs. James Fitzgerald, Mr. and Mrs. Eugene E. Dacey, Mr. and Mrs. William Wylie and Mr. and Mrs. William Wylie.

Several activities are being planned for the season's final two months. An evening of dancing and entertainment "Teens in Tulp Land", will be held in the school hall for the two groups on Monday evening, May 7, with the Misses Maureen Ryan and Patricia Dacey, James Ryan and Peter Freeman in charge.

A Spring festival will be the decorating theme of the annual John Gerdie, president of the Marquettes, is in charge of the decorations. He will be assisted by the Misses Maureen Ryan and Patricia Dacey and James Ryan, Joseph Bittel, Edward Marion, Winced Weel, Edward Cafone, William Furler and Patrick Mac Donald.

The annual Communion breakfast will be held in the school hall on Sunday morning, May 20, following the service of Holy Communion by members of the club at the 8 o'clock mass in St. Mary's Church, Belmont.

A Parents Night for parents of these new members will be held sometime in May, when the aims and activities of the club will be explained, and entertainment will be given by representatives of both groups, followed by refreshments. The season will wind up with a bus ride to Palisades Park, sometime in June.

# High School Students Try For Scholarships

Four students from Belleville are among the select group of 154 seniors from Essex County secondary, parochial and high schools, who are trying out for awards worth \$4,000 scholarships to be awarded next month by the National Newark and Essex Banking Company. It was announced yesterday by Dr. Alan R. Callmore, president emeritus of Newark College of Engineering, and chairman of the bank's scholarship committee.

The affair will be sponsored by the Mothers Club. Tickets can be bought from any member.

# Archbishop To Preside Over Catholic Alumnae

Archbishop Thomas A. Boland will preside at the annual May Day observance by the New Jersey Chapter of the International Federation of Catholic Alumnae on May 12, it was announced by Miss Mildred Stanton, Bloomfield chairman of the alumnae.

Archbishop Boland will preside at the annual May Day observance by the New Jersey Chapter of the International Federation of Catholic Alumnae on May 12, it was announced by Miss Mildred Stanton, Bloomfield chairman of the alumnae.

# The Chester Chinnock's Celebrate 48th Anniversary

A dinner was tendered to Mr. and Mrs. Chester Chinnock, of 173 Cedar Hill Avenue, Sunday, on the occasion of their 48th wedding anniversary. The dinner was given by Mrs. Chinnock's brother and wife, Mr. and Mrs. William Rhoades, of Pine Road, Maplewood, and the Chinnock's son and wife, Mr. and Mrs. Lawrence Chinnock, of Crescent Terrace, Newark. Their other son, Captain Gilbert Chinnock, is with the rescue squad in Japan.

Mr. Chinnock has been a resident of Belleville for 65 years and likes to reminisce about Old Time Belleville. He is able to recall the early days of the village with Main Street, and a post office where the people called for their mail. He continues: "There was plenty of open country. Lighting was with oil. The fire apparatus was hand drawn and there was but one school. Two of the old teachers were Mrs. Abby and Miss Lydia Smith with 40 to 45 scholars to a class."

Mr. Chinnock also recalls the so-called Penny Gigger that ran from North Newark to the big tree, now the site of the car barns. The fare was two cents and 40 cents for a round trip. He recalls when there was but one house on Joralemon Street from Washington Avenue to the reservoir. It was on the southwest corner of Joralemon and what is now 1st Avenue.

"Yes, they were happy days. Taxes were low. There were plenty of open fields and plenty of woodland," Chinnock recalls. He wistfully added, "I've seen Belleville grow, but I liked it better 50 years ago."

That Americans refuse to face the inevitable was brought out in a survey just released by Teachers College, Columbia University. Half of the professional men and women of this country have never made a will.

Dr. Abel A. Hansen, secretary of the college, added that failure to execute a will often meant that people were permitting themselves to be unduly penalized. "Without a will" means that the intestate laws distribute your life earnings, often not at all the way you would have wished.

So have your attorney draft your will. Our trust officer will be glad to advise with you and your attorney.

"Your regular attorney will draw your will and continue to represent your estate when the provisions thereof become effective."

# Social Notes

Mr. and Mrs. Edward W. Costenbader of 52 Fairway Avenue, recently celebrated their twenty-fifth wedding anniversary with a "Massive" Thanksgiving at St. Peter's Church, Rev. Francis J. Blesing.

The Costenbaders' four sons, Edward W. Jr., currently living in Texas; Charles; Francis; and John all attended the celebration.

A reception at the Forest Hill Social Club in Bloomfield will be given for the Costenbaders who have lived in Belleville for twenty years.

Dr. Palmer Burde, of 570 Union Avenue, attended the State Dental Society Convention held at the Maymont Hotel in Atlantic City on Tuesday and Wednesday. He attended the seminar dealing with the Laboratory Trade and Dental Relations.

Dr. Burde is chairman of the Essex County Dental Society Trade Relations Committee.

Miss Geraldine Pecora, of 44 Fairview Place, recently accepted a position with the Columbia Broadcasting System of New York. Miss Pecora's secretarial training was at the Berkeley School of East Orange.

It was a busy week for the Paul H. Schallmeier, of Adelaide Street, who entertained over 35 guests from Madison, Kearny, Livingston and Belleville at a confirmation party on Saturday. The party was in honor of their son Thomas Joseph who was confirmed from St. Peter's Church.

It was a triple celebration for the Schallmeier's. Mrs. Schallmeier celebrated her birthday on Sunday and Mr. Schallmeier celebrated his on Wednesday.

Miss Jo Ann Thalheimer, daughter of Mr. and Mrs. Joseph Thalheimer, of 416 De Witt Avenue, was entertainment on Saturday night party given by her parents in honor of her confirmation from St. Mary's Church in Nutley. It was a family celebration as Mrs. Thalheimer's birthday was on April 16. Mr. Thalheimer is also known as Fire captain Thalheimer.

# Fashion Show Wednesday At Fewsmith Church

A fashion show and dessert bridge will be held on Wednesday at 4 p.m. at the Fewsmith Church, Union and Little Streets. Models by the Claret May Dress Shop will be featured. The affair will be sponsored by the Mothers Club. Tickets can be bought from any member.

# Safe Driving-Is Topic At Tri-Town Meeting

Safe driving was the topic for the guest speaker at the meeting of the Tri-Town Business and Professional Women's Club of Belleville, Bloomfield and Nutley, held last night at the York Presbyterian Church in Bloomfield.

NO LAST TESTAMENT? How short-sighted!

That Americans refuse to face the inevitable was brought out in a survey just released by Teachers College, Columbia University. Half of the professional men and women of this country have never made a will.

Dr. Abel A. Hansen, secretary of the college, added that failure to execute a will often meant that people were permitting themselves to be unduly penalized. "Without a will" means that the intestate laws distribute your life earnings, often not at all the way you would have wished.

So have your attorney draft your will. Our trust officer will be glad to advise with you and your attorney.

"Your regular attorney will draw your will and continue to represent your estate when the provisions thereof become effective."

## CHURCH COUNCIL NEEDS TEACHERS, HELPERS FOR JULY

The Belleville Council of Churches will be conducting their Daily Vacation Bible School from July 9 through July 20 from 9 a.m. to 11:30 a.m. Reverend Charles W. Lawson is chairman. Reverend T. Painter Hanson, assistant chairman. They are in urgent need of teachers or helpers of any kind at all three centers. Please contact any of the following if you would be willing to give your time and effort for a few hours for those ten days. Mrs. Charles W. Lawson, 270 De Witt Avenue, Superintendent Grace Baptist Church Center, Telephone, Plymouth 9-4357. Mrs. Edward Rochau, 53 Fairview Place, Superintendent Wesley Methodist Center, Telephone, Plymouth 9-1377. Mrs. Robert Sikes, 25 Sanford Avenue, Superintendent Montgomery Presbyterian Center, Telephone, Plymouth 2-3131. A meeting will be held early in May for instruction and coordination of the program.

## Daniels Is Vice President Of County School Group

The Essex County School Business Officials elected officers for the coming year at their meeting last week. Evelyn Zalkin, Nutley, was elected president; Ruel E. Daniels, of Belleville, was elected vice president; L. Erickson, of West Orange, secretary; and Arnold Hess, of Newark, treasurer.

In addition to his duties on the county association, Daniels is a former president of the state association, is a member of the National Association of School Business Officials, and is also a member of the National Council of School House Constructors.

The county school business organization got its start in Belleville in 1949, Daniels pointed out.

## Daly

(Continued From Page One)

than 20 years ago. Daly was connected with the City of Newark, engineering department for 15 years, until leaving the position in 1942.

Since then he has been employed with private general contractors. He is presently employed by Walter Kidde Construction Co., Inc., of New York City, which he said that he definitely intends to take the permanent appointment to the post.

Daly was a licensed engineer and fits the requirements of the department. Smith also said that Daly would carry out his duties on a full time basis. "It is a full time job, this is no part time position," he stated.

Daly's salary will be based on the minimum civil service standard of \$6,000 per year for the job.

## Town Chairmen

(Continued From Page One)

fice in last week's election, attended the meeting.

Varn, of 27 Grove Street, was elected to head the town Democratic organization for the seventh consecutive one-year term. The county committee municipal chairman has served since 1937 on the county group, however. Mrs. Mae Mead Mazza was re-elected vice chairman. John E. Connolly was re-appointed treasurer; and Alice Spillane, was re-elected secretary.

Thirty-eight local county committee men and women attended the election meeting Monday night. Three new members were present as a result of last Tuesday's primary election. They were Anthony Moro, Geraldine Rappa, and John Caruso.

The group also adopted their constitution and by-laws. Under the rules adopted, Varn is instructed to cast the group's entire unit of 42 votes for Dennis F. Carey at Tuesday night's Democratic county meeting to select a new county head. Carey, the incumbent, received the local votes under the unit vote system adopted in the constitution.

## SCOUT CAVALCADE TELLS HISTORY OF MOVEMENT

The Annual Boy Scout Cavalcade of Scouting, held in the high school auditorium on Saturday night, played to a record sized audience.

The program opened with massed colors on the stage and the singing of the Star Spangled Banner.

Following the opening ceremony, there was a pageant entitled "The Cavalcade of Scouting," narrated by Robert Skott, Assistant Scoutmaster of Troop 305.

Characters in the pageant were as follows: Baden-Powell, Ted Manning, Troop 389; Knights of the Roundtable, Larry Friedman, Troop 389 and Dick Ture Troop 389; Indian, Brad Stevens Troop 389; Norseman, Bob Kiefer Troop 333; and Allen Tucker Troop 305; Columbus, Bill Rossini Troop 305; and the Sargers Troop 509 and Joseph Zupur Troop 409; Athelstan Yurp, Robert Keener Troop 389. Representatives of the Three Faiths, Arthur Carlson Troop 305, Peter Carlson Troop 305, and John Carlson Troop 305; Washington, Gary Verdeman Troop 301; Lincoln, Bob Crisp.

## Route 21

(Continued From Page One)

river would not be approved by the State and Federal agencies. Not satisfied, Commissioner Palmer initiated further conferences which culminated in the project being approved.

Shifting the highway into the river another 50 feet will require relocating the channel and straightening out the river bed on the eastern side. Although some what costlier construction will result, the extra cost will be offset in part by savings in right-of-way.

Three buildings of the Federal Leather Company and 270 parking spaces of the Walter Kidde Company, heretofore affected by the alignment will now be spared as will the full width of Main Street.

At Greylock Avenue

The shift in the line will start at Greylock Avenue on the south and extend to within 200 feet of the Belleville-Nutley line on the north. The point of maximum encroachment into the river, 100 feet, will be at a point opposite the Kidde Company.

Commissioner Palmer said that Senator Donal C. Fox, of Essex County, deserved much credit for the latest alignment. "The project plans to continue Route 21 northward through Belleville and Nutley are largely the result of your outstanding salesmanship" on behalf of this project," the Commissioner said.

"I assure the citizens of the area will appreciate your efforts as soon as the advantages of this construction are realized in reduced traffic congestion."

## Racing Shell

(Continued From Page One)

with their previous plans, however, to raise \$2,000 for the purchase of the eight or shell. Others heading the group are C. B. Glass, of Branch Brook Drive, and Constance Connolly, of Belleville Avenue.

Other canvassers working toward the goal are Mrs. L. J. Donato, Bremont Street; L. T. Woodruff, Jr., of Jernalem Street; and S. Connolly of Carpenter Street. The People's National Bank and Trust Company is still receiving contributions for the drive at their Washington Avenue location. Contributions may be mailed to the bank in care of "Crew Fund." Elting said that volunteers are still needed and any one interested should contact one of the committee members.

Belleville High School has sponsored a crew since 1945 and has consistently placed high in regional and national competition both with other high schools and college junior varsities. Bennett feels the addition of a new shell would give his crew a tremendous lift, because they are presently working with a shortage of proper equipment.

## Members Accept New Motorcycles

The Motorcycle Division of the Provost Guard of Salem Temple A.A.O.N.M.S., is pictured with their new motorcycles, recently purchased from the Rutgers Valley Indian Sales in town. Pictured above are left to right: Harry 'Crowhurst, Alfred Del Grosso, Howard Irving, Miles Anderson, captain Aaron Sussman, Leo Elise, and Steve Harrison. Missing when the picture was taken were William Price, Vincent Strumolo, William Green, and Walter Lasker. In above photo, Mickey Woytowich is presenting the bill of sale to Sussman. The motorcycles will be used in parades, ceremonials, and drills. Chief of the Provost Guard is Jack Martin; Roger Featherston, secretary; Louis Anderson, treasurer; Sussman, captain; and Harry L. Crowhurst and William Price, lieutenants.

## Heart

(Continued From Page One)

called attention to the unprecedented number of men and women who volunteered to solicit funds this year. Led by Mrs. Dudley Voorhees of Short Hills, volunteers totaled 4,238, about double last year's solicitors.

Dr. Winslow also expressed the Association's gratitude to Rich and B. Evans and Eric G. Johnson, president and vice president, respectively, of Colonial Life Insurance Co., advance gifts co-chairman, and A. E. Clarke, president of A. E. Clarke Co., business and industry chairman.

## School Board

(Continued From Page One)

and that this post could be filled with a combination foreman and electrician.

Settled Limit

Board vice president Dr. Palmer Burde agreed that the money to be used for Daniels' raise should go toward hiring a foreman. He said that when he first served on the Board in 1954, members had agreed in a private conference that Daniels' salary should not exceed \$9,300. Daniels claims the Board never adopted such a ruling to limit his gross salary.

Mrs. Edward Rochau, who voted in favor of the raise to Daniels, argued that Daniels was doing his job and should be paid properly for it. She pointed out that Daniels was still tenth from the top among Essex County business

managers in salary. She added, "There is no reason to discriminate against one man." She also pointed out that Daniels had 34 years of seniority on the job.

Dr. Durkee Extension

In the case of Dr. Durkee, in addition to granting him the salary increase, the Board voted to extend his present contract for one month from July 1 to July 31. Durkee had requested that the contract be extended on an 11 month basis, and continued that way.

Durkee, who assumed the superintendent's duties since the illness of superintendent Thomas, said his work in charge of curriculum, together with his other duties, took more time than was available in a regular school year.

Trustees, however, only granted the one month extension on a temporary basis, since Thomas was returning to his office in June. They said there was not sufficient reason to extend the contract on a permanent basis.

## School Plans

(Continued From Page One)

rently used 6-8-3 system would provide Belleville with a much better type of education, especially in grades 7, 8, and 9. In the present system, the grade school is hampered because the older teachers don't fit in with first and second graders.

Golden Opposes

James R. Golden, however, said he thinks the townpeople have emphatically spoken their opinion on new school building in town, and that the Board should give thought to expansion of present facilities, such as building additional classrooms above the gymnasium.

Mrs. Allan Love, chairman of the high school PTA said that any addition would be merely a makeshift job. That the Board should consider the best for Belleville, not the worst.

The Board also accepted the resignations of seven teachers effective June 30. They are Mrs. Ethel A. Jouis, School No. 3; Miss Viola S. Broadbent, principal at School No. 3; Miss Agnes V. Galle, School No. 3; Mrs. Jane M. Miles, School No. 3; Miss Gladys Fernald, School No. 3; Ors Brown, high school; and Mrs. Betty Ferno, School No. 8; and Mrs. Marilyn B. Morsch, School No. 10, to be effective April 30.

The termination of employ-

ment of Mrs. Genevieve Muller, high school chemistry, was also accepted.

New Teachers

Eight new teachers were appointed effective for the fall term. They are Miss Deborah Zimmerman, United General Public Center; John Marie J. Salerno, United General Public Center; General J. Camandola, high school as such a student John H. Scott, School No. 7; Mrs. Marion S. Sherry, high school English; Mrs. Jane E. Chapple, intermediate grades; Patrick Ruderson, high school English; and Miss Virginia McCristian, upper grade math.

Miss Barbara Amato was hired as a new clerk for the high school office.

In other matters, the Board authorized Raymond B. Platt, architect, to prepare preliminary drawings and specifications for the preparation of additional locker room space and shower facilities at the high school at a cost of \$400.

## Face Is

(Continued From Page One)

teen years. She has been active with the Red Cross for seven years, the last five of which have been with the motor service.

When asked what her most unusual experience with the motor service was, Mrs. Ryer told the story of the leukemia patient from Newfoundland who had been in St. Barnabas Hospital in Newark. The patient had to be on a plane for Newfoundland at 4 a.m. The only trouble was that the plane was leaving from Idlewild Airport

in New York. Mrs. Ryer was called to drive the ambulance, and she tells that they made the trip in less than an hour. The victim's wife later sent the Red Cross a donation in order to thank them for their excellent work.

Mrs. Ryer feels that donations for her work will help to make possible a more efficient service to the community in a way which will eventually benefit all the members of that community.

## Carousels

(Continued From Page One)

Under citizens comments, Commissioners heard James R. Golden again assail laxity in the administration of local government. Golden stated his remarks were not aimed at any one individual, but at loose administrative practices in general. He called the payment of extra fees to town attorney Lawrence Keenan a breach of faith with townpeople, since Commissioners had previously promised that when an assistant town attorney had been hired, these payments would be unnecessary.

Golden also hit what he termed loose spending in the Department of Public Works and restrictive bidding by the same department. Richard Shafter, Bremont Street, a former critic of the Commission form of government, reiterated his arguments against the system. He claimed the present form was not the best, not because of any individuals, but because of fundamental flaws.

Thomas F. Green, deposed building inspector, then questioned Smith about the qualifications of the newly appointed acting town engineer.

Miss Mary Grace Hannon, 26 Perry Street, a junior in the Newark division of University College, Rutgers University, was awarded membership in the Honor Society of the college, at the annual dinner-meeting of the society, held at the Hotel Essex House, in Newark, on Saturday evening.

Membership in Honor Society is offered only to those students who have demonstrated outstanding scholastic achievement by maintaining an average grade of 1.8 or better for at least 75 credits toward a degree.

Jacob I. Haft, of 55 Broad Street, a sophomore at Harvard University, has been named to the Dean's List for the fall term of 1955-56. The Belleville High School graduate was named to the honor list on the basis of mid-year grades. He is one of 1,500 Harvard students receiving the honor for the term.

Amy Ruiz, local student at Fairleigh Dickinson College, served as a member of the Evening Student Committee which sponsored a free dance at the Rutgers campus gym last week. The dance was built around the theme "Artistry in Springtime".

Miss Susan Walsh, Douglass College freshman, of 7 Branch Brook Drive, was one of the members of the Queen's Theater Guild radio drama workshop at Rutgers University who participated in a radio play, "Mary and the Fairy" by Norman Corwin last Sunday evening over the Rutgers University radio station, WRSU.

Miss Suzanne O'Brien, daughter of Mr. and Mrs. Raymond J. O'Brien, has been elected business manager of the Players at Mary Washington College of the University of Virginia where she is a junior majoring in dramatic arts and speech. A Dean's List student, she is secretary of the campus Oriental Club.

William Cobb Lane, Jr., son of Mr. and Mrs. William C. Lane of 178 Adelaide Street, has been named to the Dean's List at Duke University for the recently-completed fall semester. To make Dean's List, students must maintain a scholastic average of 3.0 out of a possible 4.0.

Mrs. Arthur Sears

Mrs. Mary Joan Rinker Sears of 273 Main Street, wife of Arthur Sears, died April 18, in St. Barnabas Hospital, Newark, of a four months' illness. She was 53.

Born in Scranton, Pa., Mrs. Sears lived in Newark for seven years before moving to Belleville in 1944. She was employed for three years by Eastwood-Wally Corp., Belleville, as a diamond die-cutter.

She leaves also a sister, Mrs. Margaret Harris of Rochester; a brother, William G. Rinker of Toledo; a daughter, Mrs. Ethel Lissfeld of Newark, and three grandchildren.

The funeral was Saturday at the Wadsworth Funeral Home, 624 Union Avenue, Belleville, with Rev. Paul P. Arndt, of the Redeemer Lutheran Church, Newark, officiating. Burial was in Glendale Cemetery, Bloomfield.

Arba James Morrow

Funeral services for Arba James Morrow of 23 Horrioblower Ave., were held last night at the

William V. Irvine & Son Funeral Home, 276 Washington Ave. Rev. Clifford Hewitt, pastor of Wesley Methodist Church, officiated. Burial was in Arlington Cemetery.

Mr. Morrow died Tuesday at his home after an illness of eight weeks. He was 59. A lifelong resident of Belleville, Mr. Morrow had been employed 20 years by the A&J Laundry, and prior to that had been employed as a brush maker. He was an Army veteran of World War I.

Mr. Morrow, who was not married, is survived by two brothers, Manville of Belleville and Howard of Lake Hopatcong, and two sisters, Mrs. Alice Carr of Newark and Mrs. Dorothy Pasture of Verona.

Mrs. Frank Jenkins

Mrs. Anna Poppe Jenkins, widow of Frank Jenkins of 27 Van Buren Street died Monday in St. Vincent's Hospital, Montclair, after an illness of two weeks. She was 70.

Born in New York, Mrs. Jenkins had lived 32 years in Belleville. She is survived by two sons, Frank of Clark Township and

NEW SARASOTA TERRACE Hotel

Tel. Ringling 2-5311, P.O. Box 1720, SARASOTA, FLORIDA

A state is as healthy as its arteries, too!

New Jersey is served by more railroad track per square mile than any other state in the union. Over this network of track moves the life-blood of New Jersey's economic well-being; the products and materials that keep New Jersey enterprises humming. To maintain this vital traffic, the railroad industry employs 34,000 New Jersey men and women, and pays them 122 million dollars annually.

Few states benefit so richly from their railroads. Yet New Jersey taxes its railroads at the highest rate in the nation, \$9.511 per mile. This is five times the national average.

The New Jersey railroad industry must pay an average of \$1.67 in taxes for every \$10.00 it earns in the state! Incredible, perhaps. But true. In New Jersey every possible piece of railroad property is taxed whether or not it produces income, including such unlikely items as signs, warning signals and station escalators installed for public safety and convenience. Furthermore, New Jersey taxes railroad property an average of twice as much as it taxes non-railroad property of the same value. There are actual cases on record where the railroads recently sold property and were unable to realize even the cost of a single year's taxes!

Taxation that wipes out earnings and actually creates losses is more than unrealistic and discriminatory. It is destructive taxation, harmful not only to the railroads but to the best interests of New Jersey citizens and communities.

You can help New Jersey progress by being a well-informed citizen and speaking your mind on what needs to be done to get tax fair play in New Jersey. You'll find the facts in "FACTS ON TRACKS". Just write: Railroad Information Bureau, 11 Commerce Street, Newark 2, N.J.

Monday, 7:00 p.m. — Father Daughter meeting of Browne Troop, No. 23.

**Has License Suspended For Fatal Accident Here**  
Frederick J. Gassett Jr., director of the Division of Motor Vehicles, today announced that the driving license of Leo Gidde, 18, of 235 Lincoln Avenue, Newark, had been revoked for an indefinite period.  
The revocation was made as a result of the fatal accident in which Gidde was involved on December 26, 1955, in which Mrs. Katherine Love of Belleville was killed. Division investigation has revealed evidence that Gidde had left the scene of the accident.  
**Veterans Meet May 19 At Meadowbrook Dinner**  
The 30th Infantry Veterans, Fighting men of the Statue of Liberty Division 77, will hold its fifth annual reunion with a dinner-dance on May 19 at Frank Diller's Meadowbrook in Cedar Grove.  
Reservations should be made no later than May 15, by contacting the 30th Infantry Veterans Association, 28 East 39th Street, New York 16, New York.  
**Salvatore Iannelli Receives Honorary Degree**  
Salvatore Iannelli, of 59 New Street, will be among the recipients of honorary degrees at the 30th Infantry Veterans Association convocation day exercises today. A graduate of the college in the class of 1956, Iannelli will receive the honorary degree of Doctor of Science. Iannelli is active in various volunteer circles and is president of Groven Engineering and Sales Company of Harrison.  
**Mrs. Wells President**  
Mrs. Julia Wells, of 20 Graylock Avenue, was recently elected to the presidency of the PTA of the 30th Infantry Veterans Association. Mrs. Wells was previously reported.

**Mrs. Doris Patrizzi**  
Mrs. Doris Patrizzi, widow of Anthony Patrizzi, of 888 De Witt Ave., died Tuesday at Newark Presbyterian Hospital of a six-weeks' illness. She was 28.  
Mrs. Patrizzi had lived in Newark, where she was born, until moving to Belleville several years ago. She worked in the Credit Department of the National Newark & Essex Banking Co. for eight years until last year. She was a member of the Auxiliary of the Annetts, Post 56, Newark. Besides her husband, she leaves Mrs. and Donato Patrizzi of Newark; five sisters, Mrs. Connie Del Giglio, Mrs. Mildred D'Amato, Mrs. Louise Calabrese and Miss Helen Piegge, all of Newark; and four brothers, Anthony of Bloomfield, and Quintin, Daniel and Joseph all of Newark.  
A Solemn High Mass of Requiem will be offered in Our Lady of Mt. Carmel Church, Newark, tomorrow at 10:30 a.m. The funeral will be from the Galante Funeral Home, 17 Pacific St., Newark, at 9 a.m.  
**Mrs. John S. Walker**  
Mrs. Annie Anderson Walker of 24 Division Avenue widow of John S. Walker, died Thursday in St. Barnabas Hospital after a long illness. She was 64.  
Born in England, Mrs. Walker came to the United States in 1912. She had lived in Belleville since 1926.  
Mrs. Walker leaves a son, John A. of Belleville; a sister, Mrs. H. C. Anderson of the Division Avenue address; two brothers, Rev. Ernest C. Anderson, also of the Division Ave. address; pastor of Holy Trinity Church, 1000 Ninth Ferry, Pa., and a member of the faculty of Eastern Baptist Theological Seminary, Philadelphia, and William H. of Belleville.

**Kidde Co. Represented**  
Walter Kidde & Company will be represented at the luncheon meeting of the Sales Club of the Industrial Chamber of Commerce of North and West Essex by Stanley G. Freck, assistant to the president.  
The meeting will be held on Thursday at the Center House, Bloomfield Center.  
**FTR Presents Award For Ten Year's Service**  
Federal Telephone and Radio Company, Clifton, a division of International Telephone and Telegraph Corporation, today awarded a service pin and certificate in recognition of 10 years of service to Domenick Mongrelli. Employed as a structural worker, Mongrelli lives at 32 Mount Prospect Avenue.  
and three grandchildren.  
Services were held Sunday at the William V. Irvine & Son Funeral Home, 276 Washington Ave., Belleville. Rev. H. C. Anderson of Trinity Evangelical Free Church, Teaneck, a brother-in-law of Mrs. Walker, officiated. Burial was in East Ridgewood Cemetery, Delawanna.

**Works of Local Artists Are Displayed At Bank**  
Spring is the theme of the new art exhibit on display at the DeWitt Savings and Loan Association building on Washington and Tappan Avenues. Sponsored by the Associated Belleville Artists, the exhibit features paintings by Hazel Devo, Mrs. Helen Stock, Gladys Sherman, Helen Del Grosso and many others. The exhibit will continue through the first week in May.

# SPOTLIGHT on SPORTS

By Bob Gorlin

## Good Will Ambassadors Travel North

Belleville High School's crew went on its longest trip of the spring campaign last weekend when Coach Bill Bennett and his varsity charges left at 1 o'clock Friday afternoon for Cambridge, where the Blue and Gold faced the Harvard and M.I.T. heavyweight freshman. The varsity crew stayed overnight in a Boston hotel and returned to Belleville, along with the Nutley group, by chartered bus.

Last weekend's trip was the first of four away regattas that will total more than 1,000 miles. The mileage for the round trip to New England was about 450 miles.

The Belboys showed that they can take on all types of competition as they encountered the much heavier Harvard and M.I.T. freshman eights. Putting on a great rowing demonstration, Bennett's rowing aggregation crossed the finish line ahead of both college eights.

The Belleville crew is recognized as the town's most popular good will ambassador group as top college and private schools are scheduled each year. With more than 1,100 miles to be traveled by the high school rowing athletes, it is a known fact that the oarsmen travel more miles a season than all other high school teams combined.

Following the 450-mile trip to Cambridge, Belleville's ambassadors will participate in races in two other states before the 1956 season is brought to a close in late May. Still on the agenda are jaunts to Kent, Conn., and two trips to Foughkeppie with one of the trips being for the National Schoolboy Rowing championships.

With the Blue and Gold oarsmen in the hands of Coach Bennett, the Belleville rowers have gained quite a reputation among colleges all over the country. Belleville and Nutley are the only two public high schools in the entire state to field crews. Now the townspeople are rallying together to purchase a new \$2,000 shell for their good will ambassadors. It's a good cause.

## Belleville Receives \$212 For Tourney Game

The Belleville High Athletic Association treasury was enriched by \$212.65 last week as its share for competing in the 10th annual Essex County Basketball Tournament held in February at Seton Hall University gymnasium. The Blue and Gold played in only the preliminary round before being eliminated.

Serving as general chairman of the anniversary tourney was Belleville basketball coach Herman "Jitty" Wische. It marked the second time he headed the popular post-season classic. No other scholastic pilot in the county has held the position more than once. For Belleville, though, it was a rough year since Seton Hall won its third title and retained the valuable silver cup. The Belboys had two legs on the coveted award. In the future the winning team will receive a much smaller trophy and will be able to keep permanent possession.

The basketball group held its annual dinner-meeting last week in West Orange. At that time the announcement of team shares was made. Receiving top shares were Seton Hall and East Side. The finalists received \$681.85 each. Semi-final losers, East Orange and Orange, received \$525.45 and the teams eliminated in the quarter-finals, Central, Bloomfield, Montclair and St. Benedict's were awarded \$369.05.

## Bill Foley To Be Honored

Most Belleville sports fans will remember the name of Bill Foley, the man who put Bloomfield on the football map. Well, now the old-time former grid pilot is going to be the guest of honor at a special testimonial dinner next Thursday at the Hotel Robert Treat, in Newark.

The dinner will honor Foley, who is retiring from Bloomfield High School after 41 years as football, basketball and baseball coach and director of athletics. The Bloomfield Fifth Quarter Club is sponsoring the affair.

The special dinner program, being prepared by Joe McLaughlin and Frank Trippaka, both of the dinner committee, will feature highlights verbally and pictorially from Foley's 41-year tenure at the helm of the Bengals. He arrived on the Bloomfield scene in 1915. The program committee also will decorate the main ballroom of the Robert Treat Hotel with pictures of Foley teams and athletes, scores from famous victories and clippings dating as far back as 1918.

Belleville is especially indebted to Foley for he is the one most responsible for giving Blue and Gold grid Coach Eddie Berlinski his start in high school competition. Berlinski was one of the most feared runners in the 1930 era and went on to gain much fame. He was an All-State star for the Bengals and was responsible for many a victory won by a Foley coached team.

by Larry Remes, James Elling, and Bill Ellis

With opening day close at hand, the younger generation is giving it all they have to earn themselves a berth on a little league team. Many boys will make the grade, but since there are not quite so many positions open this year as there have been in the past, there will also be many good players who will not make it. In view of this fact, many of the parents are no doubt anxious to find out what will happen to their boys if they are not selected to play on a little league team.

Those boys who are not chosen for a little league team are given a chance to play on the farm team. These farm teams afford the boys just as much opportunity to play baseball as do the little league teams.

The boys who are sent down to the farm leagues should not feel in the least discouraged, for many farm league players have ultimately hit the "big leagues."

Shortly before this paper went to press, the managers held an auction and bid for players to fill the vacancies on their teams. As a result, all the boys who were chosen to fill these vacancies have already been notified by their managers. Those boys who tried out for the Little League, but have not been notified are to report to Belleville Municipal Stadium on Saturday morning at 9:30. The boys who report will be assigned to farm league teams and given shirts and hats. In case of rain, the boys are to come back the following Saturday.

The "scooper" class which was started six weeks ago will finish up on Monday night. The eight girls who attended will be outfitted with baseball beanies, tee-shirts with Little League insignia, and jackets. It is also expected that the recreation department will pay the girls for keeping score in its league.

# Belboys Nine Tops Columbia In Close Fray By 4-2 Score

## Three Run Rally In Sixth Is Clincher; Appel Triples In Two Runs In Big Inning

Larry Remes, Belboys second sacker, led off the sixth inning with a Texas League over second base, breaking up Columbia hurler Jack Gardner's no hitter Tuesday. The Blue and Gold then proceeded to tally three runs and send Gardner and Columbia to its second defeat of the year. The big blow of the inning was Jimmy Apple's long shot to right center field that went for three bases, driving in two runs. By the time Belleville was through, the final score read 4-2.

Columbia picked up an unearned run off Belleville starter Jack Cullen in the first and Belleville counted with another unearned tally in the third. Richie Hange hunted down the third base line and the third baseman threw low to first for an error. Hange was then moved around to third and when Remes hit a slow roller to first base lane, Hange scored the trying run.

### Pitcher's Day

The pitchers, meanwhile, were having a day for themselves. The weather was chilly and in those conditions it is usually hard for a hurler to loosen up. But Gardner and Cullen were moving the opposing batters down with comparative ease, and although there were quite a few errors in the game, they got marvelous support from their mates.

Gardner had gotten himself in a jam in the third inning when he hit a line drive that had three bases written all over it. But the Columbia center fielder caught it to his right, and on the dead run, dived for the ball. He caught it off the grass and Menzies was robbed of a triple. Remes, who played a fine game, saved Hange's embarrassment of an error on an easy chance. The ball was hit on the ground right to the first baseman, but he let it go through his legs. Remes, however, had backed him up on the play, and gathered the ball on behind first and threw it back to Hange to get out.

### Cullen Issues Walks

When Cullen issued a few free passes, he put himself in another jam. The next batter hit a sizzling line drive up the right-center field alley.

In the sixth, however, Remes sent a humped ball liner into the stadium and on the fly, he hit the first hit off Gardner. The shot was not the best hit ball of the day, and it seemed as though there was too much for Gardner to take. The right hander proceeded to foul up Berlinski's strategy by walking the next two batters to load the bases. Berlinski had to sacrifice the two runners.

Then came, what seemed to be

the ball game. Long took a 25 foot lead off first base, as the first baseman was not holding the bag against him. The Columbia catcher alertly threw to the first sacker who tried to put the tag on the Belleville shortstop. The first baseman looked towards the first base side of him and found nobody. Long was behind him and to the second base side of him. The first baseman and the second sacker then tried a rundown. While they were in the midst of the rundown, Remes was waved in from third base. Long scampered back to first and Remes was out at the plate.

Prieto then hit a long fly that would have driven Remes in had he not tried for the steal. But Apple took everyone off the hook when he belted a smash to right center field. The right fielder gave it a nice try, but couldn't hold it and it went for three bases. Apple was thrown out at the plate when he tried to score on a ground ball to the infield. The former halfback, went in like a back and the catcher never had a chance. The ball and the catcher rolled away and Belleville had its fourth and final run.

# First Bike Tour Saturday Proves Fun

The Belleville Bicycle Club started its 1956 season Saturday with a trip to Brookside Park. A group of boys and girls left the stadium at 10:30 a.m. complete with lunches and headed for Brookside.

While at the Park the group saw a fine show of the Phyllis Onfridi proved a most elusive hare and evaded all of the hounds.

Robert Cook, Superintendent of Recreation, who directs the tours reports that all of the children cooperated very well as far as discipline along the route was concerned. While touring, each rider is required to signal all turns, and strictly follow orders of the director. The group is held in single file at all times along the road.

There will be another four tomorrow leaving the Municipal Stadium at 10:30 a.m. and again going to Brookside Park. The Recreation Department explained that any youngster participating in the Belleville tour is welcome. It is recommended that the children be at least 10 years old. All youngsters participating must have bikes in good condition and must have their lunches securely tied to their bikes. Cook made one other requirement clear this week, every participant must report a phone number at which his parents or a close relative can be reached in case of emergency.

Championship of the Alleys Tournament will start Monday evening, April 30, and wind up on the evening of May 3. Winners to be announced at the annual banquet Wednesday May 9.

## Belleville's Varsity Eight And Four Crews

Belleville High School's varsity eight and four man crews are pictured above before a practice session on the Passaic River. The varsity eight man crew is standing left to right: bow, Joe Casale; No. 2, Dom Colaninno; No. 3, Alan Hilla; No. 4, Bill Kintzing; coxswain, Bill Ellis; No. 5, Dick Abbott; No. 6, James Elling; No. 7, Bob Lane; and stroke, Harry Glass. The varsity four shell are kneeling left to right: Nick Landolfi, Ray Skoczylas, coxswain James Ames, David Boyd, and Ryan Kurni. Managers Harold Brandman and Pete Sorge were not present when the picture was taken.

# Belleville Track Team Takes Tuesday Meet

Blue And Gold Sprinters Tommy Candura And Roland Brown Led Team To First Triumph Of Season, Defeating Irvington High School

Led by sprinters Tommy Candura and Roland Brown, the Belleville High track team registered its first victory of the year in as many tries Tuesday. Candura tallied 10 points and Brown contributed nine to the common cause, to send Irvington to a sound defeat.

Although the two counted almost half of Belleville's points between them, the reason for the victory was depth. Belleville failed to win as many events as the dampdowners, but placed more men in the events to really add up the points.

Candura copied the 100 yard dash in 16.6 seconds, one tenth of a second better than freshman Roland Brown. "The Mouse" also took top honors in the 220 with a 24.04, again one tenth of a second better than Brown. Candura then sat back to watch his mates attempt to add to his points.

Brown placed second in the broad jump, giving him nine points for the day. Third was Alex

# GIRLS GYM SETUP DRAWS CROWDS

The Belleville Recreation high school age girls gym program which meets Thursday night at 7:30 at the high school is moving along very nicely. Thus far kid ball and tumbling have been the draws card. The girls also participate in volleyball games and basketball throwing practice.

Miss Evelyn Hannon and Miss

The shotput event was somewhat of a disappointment. Bill Bartel and Joe Serritella were supposed to give the Blue and Gold a good one-two punch. One could beat the other and the match was a tossup. Bartel placed first, but Serritella could do no better than third.

Caccarelli, of Belleville, giving the Blue and Gold four points in that event.

Caccarelli turned in a time of 58.03 in the quarter mile to take first place. Bill Gertler added three more points when he placed second with a time of 58.07.

Irvington took first in the half mile but Richie Haff notched three points when he placed second with a time 2:18. Richie Haffer of Belleville also came in third.

# BLUE AND GOLD CREW WINS FIRST MATCH IN BOSTON

Local Rowers Down M.I.T. And Harvard Freshmen Crew In Slowest Time Of 6:11

The Blue and Gold crew traveled to Boston Friday, to encounter the MIT and Harvard second freshmen teams the following day on the Charles River. Belleville's trip was not in vain as they came out with a victory over the two college crews. The winning time was 6:11, which is the slowest Belboys time to date. The trip was the only winning effort of the year, the Blue and Gold going down to defeat in their two previous meets.

As usual, the Belleville crew forced into an early lead, which in the past they had been unable to hold. This time, however, they never relinquished it, and won the race by a quarter of a length.

The annual trip to Massachusetts by bus and sleeping accommodations were reserved at the Essex Hotel in Boston.

It is said that with all the excitement and excitement that took place, the boys did not have what would be called a good night's sleep. They did, however, and that is what counts in the record book.

The winning crew was Joe Casale; bow, No. 2, Dom Colaninno; No. 3, Alan Hilla; No. 4, Bill Kintzing; No. 5, Dick Abbott; No. 6, James Elling; No. 7, Bob Lane; and stroke was handled by Harry Glass.

The coxswain that was doused for the first time was Billy Ellis. Ellis and the rest of the crew received, according to tradition a set of shirts. It has been the custom, when a high school team needs a coxswain, for the losing team to buy the winning crew a set of shirts.

Grace Casale, the leaders of the activity are very pleased with the first turn out of girls. Superintendent of Recreation Robert E. Cook pointed out the program is designed to give girls to actively participate in the sports they enjoy.

Joyce Pat Harrison, Director of Women's Activity, suggests that the girls who have Thursday nights free at themselves of this opportunity afforded them.
