

Recreation Department Announces Day Of Activity For July 4th

Track And Field Events, Ballgames, Ten Act
Circus, And Fireworks Display Are Scheduled;
One Of Largest Crowds Is Expected To Attend

On Wednesday, the Recreation Department will again offer another tremendous Fourth of July Program, with a full day of activities. Commissioner Elmer S. Hyde announced this week that the daytime portion of the program will be one of continuous action with track events, obstacle races, ball games and prizes. In the evening a 10-act circus and a gigantic fireworks display will be presented.

Howard Oliver will be Master of Ceremonies for the evening show and has gathered a host of stars to appear on their appearances on such shows as Super Circus, Ringling Brothers, and the Ed Sullivan Show.

The acts include the Poetry in Motion of the balancing Delmars, a thrilling trampolining act by the Trickers, Evelyn's ponies, dogs and monkeys, one of America's foremost animal acts, the aerial foot juggling of Lou Bogert, especially for the children will be William Able better known as "Bloopie," the Super Circus Clown, Tenner and Betty, famous vaudeville artists, and the famous Hollywood Chimps of stage, T.V. and movie fame. Rolly-Jolly, the famous Jenson and Tove, the Torellis and their Liberty Black Sticks of Ringling Brothers, music will be supplied by Maestro Joseph Fecher and his Paramount Orchestra.

The entire staff of Summer Playground Directors will be on duty during the day on Wednesday leading the many games and sports for the pleasure of the children. For the many who enjoy good baseball games, the Recreation Department will have the game between the Little League teams.

The game that promises to be the game of the summer will be the Essex County League game between the Belleville Reds, now sponsored by RedKare Sports, and the Nutley Colonels. Coach Bill Murphy's boys suffered a loss in their league opener at the hands of the Colonels and will be coming out.

SUMMER READING PROGRAM STARTS
Course Is Limited To 40 Students For The First Year

Under the leadership of President William A. Boyd, the Board of Education is offering this year, for the first time, a summer reading program for boys and girls. Mrs. Marie Reheis, reading consultant for the Bloomfield Schools, has been hired to provide the reading instruction.

With only one teacher available, the summer reading program has to be limited to 40 students. These students have been selected from the nine elementary schools. They have enrolled voluntarily and with the consent of their parents for the six-week program, July 9 to August 17. Each will receive 30 to 40 minutes daily instruction in Room 108, School Eight. They will meet with Mrs. Reheis on the mornings of July 5 and 6 to assist in forming reading groups.

Although plans for the summer program got under way rather late, 64 students applied for admission to the reading program. To apply criteria for admission to the program, Superintendent Evan H. Thomas set up a screening committee, consisting of Mrs. Clementine Lally, Remedial Reading Teacher, Miss Carolyn Pohl, Special Teacher in Elementary Education, Jack Smith, Psychologist, and Dr. Frank M. Durkee, General Supervisor.

The purpose of the reading program is not to change the promotion of a pupil. It is to help students to develop reading strength in reading that will help them in all subjects when school opens in September, Thomas said.

SCHOOL BOARD HIRES TEACHERS, AWARD CONTRACTS
Hires School Psychologist And Other Personnel; Not Meeting Regularly In Summer

Belleville Board of Education continued to make necessary plans for getting the school system ready for another school year by September. Meeting every week for more than a month, the Board is awarding contracts to low bidders for school supplies and instructional materials and offering contracts to teachers to fill vacancies in the school system. This past week bids totaling \$24,000 were awarded to the J. L. Hammett Company of Union for educational, art, special classroom, and kindergarten supplies. Supplies for the high school science department were also included in the bid. The Hammett Company was one of three submitting bids.

A bid of \$2,768 for acoustical ceiling tile was awarded to the Woolulate Corporation. The firm will place the new ceiling and complete other renovations according to plans.

Berry Issues Reminder For Marriage Licenses

Registrar of Vital Statistics Eugene T. Berry today issued several reminders to local residents thinking of matrimony in the near future. He said that many couples have been coming to his office for marriage licenses without sufficient information. He made particular reference to minors who were seeking marriage licenses without the written consent of their parents and also reminded all applicants that an identifying witness was necessary in all cases before a license could be issued.

Berry, and assistant registrar Charles Nutt, said the law requires the written consent of both parents for the marriage of any male under 21 and any female under 18.

The office, on the second floor of Town Hall, is open from 8:30 a.m. to 12 noon, and from 1 to 4 p.m., Monday through Friday.

Dr. DiRuggiero Plans For Dental Health Week

Dr. Frank DiRuggiero, local dentist, has been named chairman of the local observance of National Children's Dental Health Week which will be held throughout the nation the early part of next year. Dr. DiRuggiero attended a meeting Tuesday of all local chairmen in the area to discuss plans for the observance. He said he will appoint various committee heads shortly.

Dr. DiRuggiero said he will emphasize activities during the observance and that he is making plans for material which can be introduced to the children.

Office Open Evenings
To Register Voters

Town Clerk Mrs. Florence R. Morey has announced that her office will remain open Tuesday evenings throughout July and August from 7 to 9 p. m. for the purpose of registering and transferring voters for the special election to be held in November. The additional hours were established because of the heavy registration expected caused by the presidential vote, she explained.

Mrs. Morey cautioned that the time was running short. She said that new registrations and transfers could be accepted after September 7 for the election, which will be held on November 6.

PLAYGROUNDS OPEN THIS WEEK WITH LARGE TURNOUTS

Football Clinic, Archery,
Twirling And Handicraft
Programs Open Next Week

Belleville's summer playground program opened this week with a great rush to swings and slides, much play on the new equipment, and a good turnout given to the checkerboards and sand boxes. During this first week the playground directors have been busy themselves with registering the hundreds of children as well as organizing the team for inter-club competitions.

The regular organized schedule of events goes into effect Monday, July 2, with the football clinic, which is run at Municipal Stadium at 11:00 a.m. The football clinic is designed for boys of age 10 through 13 and is a requirement for all who wish to participate in the Football League in the fall. Boys football aspirants will be thoroughly trained in all of the fundamentals of the sport by Edward Berlinski, coach of Belleville High School. Berlinski's co-captain is Raymond Smith, also a Belleville High School coach.

The clinic will be conducted each Tuesday morning throughout the summer. Each Tuesday, starting July 3, features a different activity. Painting at Municipal Stadium for girls of grammar school age, the twirling activity, and the archery will be aided by Miss Grace Casale. Over 140 girls have in the last year program and more are expected this year. A special goal is offered to the club by the chairman.

The main topic discussed at the meeting was the third annual outing of the association. Mary Vreeland and Martin Brizzi were appointed general chairman by the Executive Board. The affair was formulated to surpass the previous outing which had been a tremendous success.

CONFIDENCE VOTE FOR ARVIDSON

Better Schools Committee
Upholds Criticized Chairman

The Better Schools Committee today issued a statement supporting their chairman, Ernest Arvidson. By resolution, the group's Board of Directors unanimously complimented Arvidson on his past efforts for better schools, and pledged themselves to work together to secure a better school system for Belleville.

The vote of confidence was the result of sharp criticism directed towards Arvidson after it had been disclosed that Arvidson served beer to a group of high school students at his home. The beer party caused the cancellation of the high school student council election.

At the meeting of the Committee's Board of Directors, a discussion was held of the criticism concerning Arvidson, who admitted permitting beer to be served to a group of teenagers at a party sponsored by these teenagers at his home. After hearing all the facts, the Committee weighed the possible harm of this adverse publicity, to the teenagers, to the school system of Belleville, and to the Better Schools Committee.

Rejoice Resignation
It was then decided that, although a mistake had been made, Arvidson's offer of resignation should be rejected. Moreover, the Committee decided to condemn in the strongest terms, all efforts by anyone to discredit the committee or its work by implication with this or any other personal controversy.

The statement goes on: "The Better Schools Committee is a group of concerned parents and citizens of Belleville, who recognize the importance of the school system, and are determined to see that it is the best it can be."

Italy, France Are Highlights
For Girls' European Trip

A young lady who seems to be beating the path between the United States and Europe left on Tuesday for her second look at the attractions of the Continent. Marilyn Ackerman, of 43 Lloyd Place, together with Lois and Jane Jacubik, of 18 Cedar Hill Avenue, Barbara Solomon of Verona, and Miriam Cohen, of West Chester, Penna., sailed aboard the Queen Frederica for a closer look at Italy and France.

Marilyn's first stay in Europe began in September of 1951 when she went to France to study on a scholarship at the Normale Supérieure and the University of Rennes, both in Brittany.

After her stay in France, she came to the State Teachers College where she majored in French and minored in English. She took French in the year drew to a close, Marilyn decided to spend the summer in France. So she took a job as a social worker in a home for underprivileged children in London. Marilyn's job was that of counselor and advisor to the children. At the end of the camp season, Marilyn went to London, spending several weeks there before she returned to the U. S.

Building Inspector's Salary Is Less \$1,000; Nabisco Asks For Repaving Of Raymond Street

Another step toward the curbing of the town's juvenile delinquency problem was taken Tuesday evening at the meeting of the Town Commission, when an ordinance, prohibiting persons under the age of twenty-one to be in poolrooms after 10:00 p.m., got its first hearing.

The amendment to the existing law which states that poolrooms must close at midnight, was suggested by Magistrate Edward J. Abromson in a letter to Commissioner Harry J. Sullivan.

It followed as a direct result of a recent case, where three teenagers started a dispute with the proprietor of the town's poolroom at 468 Washington Avenue, about payment for three games of pool.

When brought up before Abromson, it was alleged that the proprietor struck one of the youths in the heat of the argument. Abromson found him not guilty, but was appalled by the reports of so many teenagers spending time in poolrooms at such late hours, and was prompted to take action to amend the existing law. The ordinance will get its second hearing at the next meeting of the Town Commission. The Commission also voted to pay to the town the cost of the reinstated building inspector, \$4,512.66 in payment of salary dating back to February 1955, when he was ousted from his \$4,400 a year position. Greco allowed \$1,000 to be deducted from the actual back pay for the town's legal expenses and court costs, a sum which would amount to \$3,512.66. E. Keenan advised the Commission to accept.

The question of whether it was legal to compromise with such an amount of Greco's back salary by trucks. With the revocation of the town's liability for content of court charges, was brought from the floor. Keenan replied that the court's decision made no mention of back pay and this was entirely the town's decision.

James J. Bacon, representative of the National Busset Company, who last week announced plans to build a new building at Ralph Street and Bellavista Avenue, asked the Commission to consider repaving of Raymond Street so that the company buildings will be more accessible by trucks. The repaving of Raymond Street, this avoided the need for students at School No. 9, situated on Ralph Street, to commute on foot.

Commissioner Kenneth D. Smith said this would be a paving should not be carried out, after the first of the year, when school opens. The acquisition of a half-ton 1956 Chevrolet pick-up truck by

Town Health Officer Berry Calls Program Huge Success

Town Health Officer Eugene T. Berry said today that the recently completed series of Salk anti-polio injections administered by his department was highly successful. The program gave first and second inoculations to all local school children, both pre-school and school age.

Berry said that 3,300 injections were given during the series, completely last year. This figure exceeds by far the number he had hoped to give.

A breakdown of the figures shows that of the total, approximately 500 of the shots were given to children who had never received any Salk vaccine previously. Berry said that parents who had hesitated before giving the shots to their children because of uncertainties concerning the quality of the vaccine, now seemed anxious to take advantage of the proven effectiveness of the vaccine.

Of the shots administered in the recently completed program, 650 second injections were given. Most of these were first inoculations. Berry said that 1,768 second injections were given. Another 406 first injections. Children at Peter's parochial school also received about 480 first and second shots.

Berry thanked local doctors and nurses for their help in making the program a success. He said that no shots were given to children who had never received any Salk vaccine previously. Berry said that parents who had hesitated before giving the shots to their children because of uncertainties concerning the quality of the vaccine, now seemed anxious to take advantage of the proven effectiveness of the vaccine.

Robert France Takes Bride At Philadelphia Wedding

Miss Elizabeth Jane Tomlinson, daughter of Dr. and Mrs. Millard Tomlinson, of Philadelphia, Penna., was married on Saturday to Robert Kessler France, son of Mr. and Mrs. Robert F. France, of 292 Holmes Street. The ceremony was performed at the Somerset Methodist Church in Philadelphia by Rev. George Conrad officiating. A reception followed at the Luth Temple Country Club, North Hills, Penna.

The bride was given in marriage by her father. Her attendants were Patricia A. Tomlinson, and Grace A. Tomlinson. The bridesmaids were William France, John France, and Ronald Seibler.

The bride wore a full length gown of Chantilly lace and nylon tulle over satin with full length sleeves. Her hair was styled in a finger curl. Her bouquet was of white orchids. Her attendants wore yellow nylon chiffon ball-length gowns with crowns of seed pearls and lace. Their bouquets were of daisies and roses.

The bride is a graduate of Pennsylvania State University. She is employed by the Ewing Junior High School, Ewing Township, Trenton. Her husband is a graduate of Muhlenberg College, served in the U.S. Army. He is associated with American Cyanamid Company of New York.

The couple are presently on a two-week trip touring the South. After July 15 they will be at 535 Street Road, Southampton, Penna.

Albert P. Luscombe was awarded a pin for 15 years of service to the Belleville Chapter of the American Red Cross. For most of that time Luscombe has served as Treasurer of the Chapter and a member of the Board of Directors. He has also worked on fund drives and as a member of various committees.

Four people received pins for 10 years of service: Mrs. Viola Spray who has served as a member of the Junior Red Cross Committee, a fund captain and zone leader and a member of the board of directors; Leonard Bude who has served as water safety instructor and chairman of water safety; Paul Glassert who has served as water safety instructor; and Mrs. Edna McCarthy who has served here and at the Newark Red Cross as staff aide. She has given many hours of service to the Blood program.

In addition, 44 people received pins for five years of service.

Annual Report

Some of the highlights from the annual report, given at the meeting are very significant. Red Cross served 210 families of veterans and service men, and volunteers gave 2,850 hours to this work. The blood program secured 408 pints of blood, and every request for blood was filled. Service Groups — Gray Ladies, Arts and Skills, Canteen, Motor Service, Nurses Aides, Production, Staff Aides, and Nursing Services—gave 7,539 hours of service. The winning program issued 362 certificates. First aid program certified 39 people. The Chapter raised and spent \$4,881.91 for emergency flood relief, or a total of \$24,432.08. The 1956 Fund Drive has thus far raised \$18,253.96.

Adelbert Morse, American Red Cross Field Director at the Veterans Administration in Newark, gave the meeting an inspiring talk on "Your Red Cross." Canteen volunteers served punch and cookies.

Donohue and his workers, told the campaign meeting that the results exceeded his "fondest hopes."

Donohue ordered the workers to complete their scheduled calls on parishioners in Nutley and Belleville, stating that the general phase of the campaign has but one week to go. The largest single gift announced at last night's report meeting was a \$2,500 contribution by the Holy Name Society.

In the team competition, Team 7 displaced Team 8 for weekly honors. This team, led by Frank Kennedy, Harry Farquhar as captain, consisted of W. R. Melver, J. Bogart, J. Bonvini, J. B. Carroll, A. Connolly, J. P. Dolan, C. R. Roll, M. Conlon, H. J. Conner, J. Dommelaers, D. E. Donohue, J.

Close behind were teams 5 and 6 under captains Ed. Quigley and Charles Byrnes. Team 10, however, under captain Tom Hickey still remains in the overall lead with \$22,550 reported.

Pointing up the need of an early start of construction of additional classrooms, Rev. Fr. Gerard Walsh told the workers that at the close of school this month the enrollment stood at 1,203. Although 117 teachers, 168 new students will enter in September to raise the enrollment to 1,254, exceeding the actual capacity.

Of the 1,203 present students, 885 reside in Nutley, 280 in Belleville and 88 are from other surrounding towns.

On the elementary school level, Frank A. Orechio, chairman of the business solicitation committee, told workers, it costs Nutley \$292.12 per year to educate a child in its public schools, Belleville \$250. Through the existence of St. Mary's School, Nutley taxpayers are realizing an annual saving of \$258,525, and Belleville \$70,000 in elementary education costs, Orechio said.

Through its school expansion program, St. Mary's parish will be confronted with a debt of almost \$800,000. The current fund raising campaign, has received over \$402,000 in pledges against a minimum goal of \$550,000. Therefore the parish will still be left with a \$400,000 debt when pledges are paid off in two years.

RECS GAINING GROUND SLOWLY

The Belleville Reds, sponsored by the Department of Recreation and managed by Bill Murphy, are slowly coming around and are gradually picking up a little ground in the strong Essex County League. After being mired in next to last place for several weeks early in the season the Belleville semi-pro team has moved to within a game of the fifth place place of the Orange Sovereigns. The Reds have won three games and dropped 10.

During the past weekend Belleville split a pair of games, but the loss was administered by Montclair, currently the toughest team in the league. The Reds lost to Manager Bill Manning's club on Saturday, 8-2, score. For the Dodgers, who are perched in fourth place, it was only their fourth loss since the campaign got underway.

In the Montclair game Bob Mallick, of Seton Hall, was on the mound for Murphy's charges and received credit for the defeat. The big blow of the fray, played at Nishuane Park, was a three-run homer by Pat Raciopini in the fourth inning. Belleville started out fast in the game and tallied a run in the first inning but the host Montclair nine came back with two runs in the bottom of the second and were never headed.

Montclair made it 3-1 in the third but Belleville was knocked out of contention when Raciopini iced the contest with his long blast to make the score, 7-1.

Belleville enjoyed a field day at the expense of South Orange in Sunday's game at Cameron Field. The Reds banged out 16 hits and played errorless ball as pitcher Frank Spivorev went the distance. He started out slow and gave up both Doger runs in the very first inning but after that time the former Muhlenberg College star pitcher had the South Orange batter's eating out of his hand.

Spivorev is well known in Essex County League circles. He pitched for the Nutley Colonels for two years and was one of the mainstays for Manager Ernie Lantz. While at Nutley, Spivorev teamed up with Tony Sadler, who was a classmate at college. Sadler is now pitching for the East Orange Browns. With the addition of Spivorev, a left handed pitcher, Murphy has another experienced hurler on the squad but he still needs added strength in the right hand pitching department. Murphy is loaded with southpaws.

In fact if my memory serves me correctly Murphy didn't have a single right handed pitcher on his squad last year when the Reds were playing an independent schedule. But in this first Essex County League it is a necessity to have more balance.

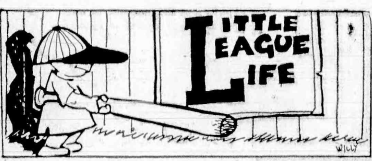

Getting back to the all-important victory over South Orange, Murphy's boys had their batting eye well sharpened. It took several innings but once the Reds found the range it was all over. As things started out it appeared as if the Dagers would turn back Belleville and keep them deep in the second division. South Orange tallied a pair of runs in the first inning and Dodger hurler Ennis kept the Reds at bay and didn't allow a runner to cross the plate for six innings but then the roof fell in on the South Orange hurler.

In the big seventh inning the Reds unloaded all guns and before the inning was over seven Belleville runners scored. The clincher came when catcher Ed Monahan hit a home run with the bases loaded. That was the end for South Orange. Spivorev also helped his own cause with a long triple which drove in a pair of runs.

Belleville didn't stop scoring. In the eighth inning two runs were tallied and in the ninth the Reds added four insurance markers.

Belleville supporters of semi-pro baseball will have an excellent opportunity of seeing the Recreation nine in action on the home confines of municipal Stadium when the Reds play host to always rough Nutty in a special Fourth of July attraction on Wednesday. The game is scheduled as part of the all-day Independence Day celebration.

The Reds are starting to come around. Let's go out and give them some support.

As the Little League season nears the half way mark we find the Giants leading the National League and the Bombers on top in the American League. Both teams can attribute their success to strong hitting and some outstanding pitching. The two leading clubs are four games ahead of their closest opponent in the all important loss column. However, neither team can feel too secure inasmuch as each team in the league has enough strength to upset the applecart.

American League	W	L	T	Pct.	National League	W	L	T	Pct.
Bombers	1	0	0	.875	Giants	4	0	0	1.000
Clippers	5	0	0	1.000	Reds	3	0	0	1.000
Demons	3	0	0	.750	Dodgers	2	6	1	.250
	3	6	0	.333	Angels	2	7	0	.222

This year, as in the past, an All Star team will be selected from each league. During the course of the next few weeks the managers will pick five boys of the 11 and 12 year old age bracket to try out for the All-Star team. Fred McGuire, coach of the American League All Stars and Adam Gaspinski and George Sheridan, coaches of the National League All Stars, will then select the boys and choose the 14 which they feel will best represent their league.

In view of the fact that this is the last week we will be writing Little League Life, we would like to express our thanks and appreciation to the Belleville Times, our readers, and Mr. Kearny, our advisor.

We would also like to take a little space to introduce the three boys who will be taking our place.

Harold Brannaman, who is going into his junior year at Belleville High School, was manager of the baseball team during his sophomore year. Harold is also a baseball fan and can often be found watching the Yankees on television. Swimming, playing baseball, and selling shoes all rank pretty high with "Harold."

Nunzio Cinerio, the youngest of the three boys, is going into his sophomore year at B.H.S. "Nun" was on the basketball team and a member of the Dance Band Club last year. He has been playing the piano for eight years, and during that time has given numerous recitals.

Last but not least is Bob Catz, one of Belleville's most ardent baseball fans. Bob was varsity baseball player and basketball player during his sophomore year at B.H.S. Bob's favorite pastime is watching Robin Roberts chalk up wins for the Phillies. He also enjoys indulging in squash, water polo, and badminton.

DEBACCO SPORT'S SHOP TAKES OVER BELLEVILLE RECS

Coached By Bill Murphy
Local Entry In Essex County
Loop Had Considered Moving

Bill Murphy, manager-coach of the Belleville Reds, local entry in the strong semi-pro Essex County League, has announced that his team is now being sponsored by DeBacco Sport's Shop. Murphy revealed that he had been considering moving the team to either Bloomfield or the Iron-bound section of Newark.

Murphy revealed that he had been considering moving the team to either Bloomfield or the Iron-bound section of Newark. He has been footing all the bills for the team. Many local fans, however, have been subsidized by the Recreation Department, but Murphy claims that this is not true. Murphy said the only thing the team needs is the stadium for seven Saturday ball games throughout the season.

Murphy, a teacher and employee of Wallace and Terman, said he had a pocket for the franchise, balls, umpire fees, and medical supplies. DeBacco, a local friend of Murphy's, learned of the possibility that the team might be moved from Belleville. Together with Ralph Casale, he spoke to Murphy and persuaded him to keep the franchise in town. Casale joined Murphy as his assistant coach last week.

In taking over sponsorship of the team, DeBacco picked up the bill for cleaning the uniforms and for replacing five uniforms with new outfits.

News Of The Club

The Belleville Club is moving just as can be expected from any young club in a real sound league. Belleville has the potential of any club in the league. We have the second leading hitter in the league, Red Cook, of Belleville. We are leading the league in double plays. We are in general pitching and should be up with the first division in a few weeks. Our pitching is starting to round out. Frank Spivorev, one of our lefties turned in a great game last Sunday. When "Windy" McClellan, of the Orange Browns, pitched the first game of the season, he was in the first division in a few weeks. Our pitching is starting to round out. RABBI HURWITZ RESIGNS FROM TEMPLE MENORAH

Sabbath services at Temple Menorah, Bloomfield, June 22, were held by Rabbi Marshall S. Hurwitz, who has been with the Temple since its initial religious service in September. Rabbi Hurwitz has notified the Board of Trustees of his resignation effective at the end of the year.

He gave as his reasons for being unable to continue to serve the Temple the fact that he is completing his studies for a doctorate at Columbia University in the field of religious education and his association with Temple Menorah, Rabbi Hurwitz has been active in the synagogue, school and the social activities of the young congregation. A neighborhood in the City of Newark, the Hebrew Union College-Jewish Institute of Religion, New York City, where he was ordained, he is active in the field of religious education and youth work.

ST. MARY'S CYO TWINS GRAMMAR SCHOOL CROWN

Mike Viola Pitches 8-1 Victory Over St. Benedict's In Final Round

St. Mary's CYO won its second consecutive Essex County CYO grammar school baseball championship by beating St. Benedict's, of Newark, 8-1, in the finals at Branch Brook Park Extension last Friday.

It was St. Mary's 11th win in CYO competition against only one loss. Earlier the local club had beaten St. Cecilia's, of

Keary, in another playoff game. St. Mary's won nine of 10 contests played during the regular season to grab the Branch Brook divisional championship and gain a spot in the playoffs involving four other divisional winners.

St. Mary's scored early against St. Benedict's, picking up two runs in the first frame. Four more in the third and a final two in the sixth made it comparatively easy for Mike Viola. "For Viola" it was his seventh win without a loss in CYO play this year.

Viola didn't let St. Benedict's to score until the top of the seventh inning when the Newarkers picked him for their only run. He allowed just two hits and fanned 12 in the seven-inning contest.

Batting star for St. Mary's which was coached by John Kennedy, was Ron Birt. Birt, who was slugging three hits including a bases-loaded home run in the third frame, St. Mary's picked up nine hits off hurler Mike Gavia.

Four batters in St. Benedict's also helped the cause.

Cook Reports On Varied Municipal Stadium Uses; Says Open To All Youth

Superintendent of Recreation Robert E. Cook reported this week on activities run by the Recreation Department at the Municipal Stadium. In accordance with the desires of Commissioner Elmer S. Hyde, the Stadium has been put to all possible use, said Cook. The disconcerting thing is that many of our citizens are unaware of the many things available and the many activities conducted at the Stadium, Cook said.

Throughout the summer the Stadium grounds are open and under qualified supervision from 9 a.m. to 9 p.m. Monday through Sunday, and from 9 a.m. to 5 p.m. on Saturdays. In the months during which school is in session the grounds and building are open from 3 p.m. until 9 p.m. daily. Monday through Sunday, and are often used during the daytime by gym classes from school and by the community.

Facilities available at Belleville's Stadium include a playground, football field, volleyball court, two tennis courts, a quarter mile running track, broad jump pit and volleyball court. The stadium is within the Stadium building are a rifle pistol range, a weightlifting room, a basketball court, a department maintenance shop, an insulated and heated shower room, and a large storage area, Cook pointed out.

Recreation Activities

A myriad of recreation activities are conducted at the Stadium site. Among the summer activities are the playground program, the sixteen team Farm League for boys 12 years of age, the six-team Junior Baseball League for boys 13-15 years of age, the home field of the Belleville High School Baseball Team, the Essex County League Ball Team, and the Essex County League.

Among the winter activities are the pre-high school girls twirling program, the 10-13 year old boys football team, the Essex County League archery program and the Playground Softball League. Throughout the part of the year that school is in session, many indoor activities are conducted within the Stadium building. On Wednesday and Thursday afternoons weightlifting classes for the young men are held. A senior weightlifting is offered every evening Monday through Friday.

Each Saturday, indoor bicycle races are run on rollers. The Stadium Rifle Range comes into play. Among the summer activities are the sixteen team Farm League for girls 12 years of age, the six-team Junior Baseball League for girls 13-15 years of age, the Essex County League Ball Team, and the Essex County League. The Stadium is the home of the Recreation Football Little League. It is the home of the Belleville High School football and track teams.

Special Events

In addition to these regularly scheduled events, the Stadium features many special events such as the Annual Easter Egg Hunt, the annual "Fun" day, the annual "Haween" Costume Contest, the Tour of Belleville Bicycle Race, and is used by the High School for many of its activities.

Cook said that every once in a while he runs into a recurrent rumor that children are not allowed in the Stadium. In view of this report, said Cook, he is happy to report that the Stadium is open to all youth.

The only times that use of the Stadium is restricted is when the grounds are wet to the extent that their use would result in serious damage and on Sundays when the Stadium is closed out of religious consideration and to give one day of quiet for the neighbors who are most tolerant and sympathetically disposed toward all of the activity throughout the week, Cook said.

THE FAIRWAY GOLF CLUB HOLDS FIRST TOURNAMENT

The newly formed Fairway Golf Club of Belleville held their first tournament recently at the Homestead Country Club, Spring Lake. A fine turnout of about 40 members participated, even though it was an overcast day.

Bob Kennedy and Dick Dacey while he runs to a recent record of 80. The Low Net winners were led by Bert Thomas with 72, followed by Ned Dunn 73 and Bob Kennedy 74.

The tournaments are to be run monthly with the club Championships to be held in late September. All the tournaments are to be run on handicap basis.

JUNIOR LEAGUE BASEBALL ACTION STARTS MONDAY

Action Begins As Giants Take Pirates, 12-1, And Phillies Beat Red Sox

by Dave Thaler

The Belleville Junior Recreation League, Belleville's post-graduate work for Little Leaguers, opened its second season Monday Night, when the Giants took the Pirates. The Pirates are one of two teams that have been added to the league this year. The Red Sox are the other team, making the loop a six-team league. As a result of the expansion, more games will be played. The Giants consist of veterans, primarily, thus did not suffer from the "first-game-jitters," as the Pirates did. The Giants won this fray going away, 12-1, as Mike Morana and Eddie Chel combined to pitch a no-hitter. The Pirates rested off two double plays en route to their victory.

Young Bob Laird started for the Pirates and was greeted by Pat Antonelli's leadoff double to right field. A ground out moved Antonelli to third. The score in the bottom half of the first inning was 1-0. The Pirates were dropped, however, Laird, and his two successors Bob Spatz and R. Aronson, who pitched the score in the same losing fielding. Pop flies were dropped, ground balls went through legs, and balls were hit. All this can be attributed to nervousness, though, and a better evaluation of the Pirates can be made after the next game.

"The Giants, meanwhile, took advantage of every misdeed of theirs made, and when they started to make a few errors, the game was already decided. Perhaps the best play of the night was made by Bob Blomke, Giants third baseman. Blomke, with a man on first and one out, knocked down a wicked line drive, and converted it into a double play, third to second to first.

Tuesday night saw the Phillies, last years newcomers, take on the Pirates. The Sox outbit the Phils, but shoddy play in the field also cost them their chance for victory.

Dave Olson, red credit for the victory, while Joe Casale absented the loss. Both were relieved.

Casale was the victim of his own errors, making three of them himself. He was the only pitcher of the Phils, like the Giants, had a gift win.

Pre-season predictions for the outcome of this league are not out of line. As was the case last year, "Bud" Brandt, league supervisor, has manipulated close to the harem ball players into six even teams.

But from the looks of things, this year's race will be more between three teams, the Cubs, Giants, and the Phils, not necessarily in that order. All three have a lot of players with previous experience.

The Braves have the pitching in Eddie Seaver, but will have to tighten their defense in the outfield.

The Red Sox could surprise everybody. Their defense is much better than it looked Tuesday night and Joe Casale and Ed Chel both look like effective pitchers. In exhibition games the Sox have reeled off as many as three double plays which indicate that they will improve on Tuesday's showing.

The Pirates were experimenting Monday night. Players were continually shifted and substituted for. If this continues, it is likely they will have pitching, but only time will tell how accurate a barometer Monday's game was.

All in all, it looks like a dog fight all the way. Any given team can take any other team, which is the secret of success for any league.

Before entering the service in July 1954, he graduated from Seton Hall University.

Cadet H. Allen Higgins, Jr., son of Mr. and Mrs. R. A. Higgins, of 35 Walnut Street, was commissioned a second lieutenant in the U.S. Army reserves recently at the University of Virginia. He held the position of Cadet Captain in the Army ROTC corps. He will report to active duty at the Army Post Office, Fort Belvoir, Kentucky, on July 9. While at the university he majored in commerce.

Russell A. Hixson, son of Mrs. Gertrude Terry, of Newark, is completing his Air Force basic military training at Lackland Air Force Base, the "Gateway to the Air Force."

His Lackland training is preparing him for entrance into Air Force technical training or into an Air Force duty assignment. The course includes a scientific evaluation of his aptitude and preparation for following a particular career field.

Commander Paul C. Gardner, of Newark, son of Mr. and Mrs. Grant C. Gardner, of 76 E. Houten Place, was recently promoted to Commanding Officer of the Port Newark Naval Reserve Training Center. He is reporting to his new assignment after 3 1/2 years with the Fleet Training Group at Guantanamo Bay, Cuba.

Colonel John R. Jannarone, was graduated from the Army War College at Carlisle Barracks, Pa., on June 14. Colonel Jannarone was one of 200 senior officers completing a ten-month course at the Army's highest educational institution. He has received orders assigning him to Washington, D. C. The colonel was last stationed in Tulsa. He is a 1938 graduate of the U.S. Military Academy at West Point and a 1951 graduate of California Institute of Technology. He is the son of Mrs. C. Jannarone, of 621 Joramelon Street. His wife Anna May, lives in Ridgewood.

Colonel W. F. Menegus, of 55 Franklin Street, Finance officer at Fort Dix military post, is in charge of the distribution of monthly payrolls for military and civilian personnel at the post. The entire operation costs to approximately \$85,000 per year. Colonel Menegus notes that the pay payroll exceeds the fund paid by King George III of England to Germany during the entire Revolutionary War, for the services of 30,000 Hessian troops.

Four Belleville youths have joined the 9201st Air Reserve Technical Unit, under the terms of the new Reserve Forces Act, which permits them to discharge their military obligation by service only six months on active duty followed by 7 1/2 years of Reserve activity.

They are, Privates Nick Landolfi, Jay, of 212 Front Street, Donald Bray, of 363 Washington Avenue, Cornelius Cawthorne, of 306 Adelaide Street, and Joseph Pepe, of 170 Ely Street. Pepe is employed by Frank's Texaco Station, while the other three are students at Belleville High School.

DE SOTO IN MOUTH OF EACH PRESIDENT GRACIOUX MARX ON NBC RADIO AND TV

**The money we lent our Country
has bought our richest rewards**

We were just trying to keep our Country strong and prepared when we bought our first Defense Bonds. Those were the uneasy days of 1941, thirteen years ago this month.

It was only after V-J Day that we began to realize that we were doing far more with our Bond buying than lending our Country cash for the war effort. Here's what we saw happening:

All over America new homes were being built with Bonds. Farms were producing more crops with Bond-bought machinery. Sons and daughters were getting extra schooling. And the dream of owning a business of his own was coming true for many a man who had Bonds to give him a start.

U. S. Savings Bonds have helped Americans save on a scale brand new in history—a record unmatched anywhere in the whole world!

Today more Bonds are held in our hands than ever before in the history

of these thirteen years—thirty-seven billion dollars worth of them!

Last year we bought 22% more Bonds than the year before; and the figures show that we are holding our Bonds for maximum return—three-fourths of all matured E Bonds are still being held at interest by their original owners.

Yes, it's a happy anniversary story for America's Bond buying habit.

If you're not already buying Bonds—try the easy Payroll Savings Plan

Save any sum you wish—a couple of dollars a payday or as much as you can spare. You never miss the money because it's saved for you—before you even get your check. And when enough has accumulated, it's automatically invested in a Series E Bond, in your name, and the Bond turned over to you. Then your savings begin earning you an average 3% interest, compounded semiannually, when the Bonds are held to maturity!

The Savings Bond Habit Brings Happy Returns—Buy more in '56!

And So Come I

Now summer comes to warm and wide content.

To bountiful and genial atmosphere,
To fragrant meadows of accomplishment;
And come I to fullness of the year.

The summer glows with lavish ornament,
With singing sounds like jewels in the ear
And emerald boughs with topaz fruitage bent;

And so come I to promises made clear.

Now I am altogether summer who
Was lately winter. Now I come from dream
To this awakening, from prelude to
This burst of song, this glory and this gleam

The summer comes to prove, to amplify
The year's beneficence; and so come I.

New Get Tough Policy
Advocated For Drivers

In 1903 there were 466 fireworks deaths in the United States. Last year there was only one. Quite a record of progress.

Back in 1903 a rather ridiculous looking machine was just sputtering into being. Last year that machine — evolving from the ungainly horseless carriage into the sleek and powerful modern automobile — claimed 407 lives during the Fourth of July holiday.

Thus the net gain in our efforts to avoid holiday self-destruction seems to be about zero. Yet there is much to be learned here.

Fireworks deaths on the Fourth have been almost eliminated because thinking persons revolted at such senseless killing, and state by state the sale and use of dangerous fireworks were prohibited.

No one, of course, is advocating that the sale or use of automobiles be banned. But we strongly urge the outlawing of their misuse.

Most people want to use their cars safely. But in every society there is always a minority of reckless and irresponsible drivers who turn deaf ear to all appeals for prudent and commonsense behavior.

It is for this group that the National Safety Council and the International Association of Chiefs of Police have jointly recommended a rigid law enforcement policy by all police agencies during the Fourth of July celebration.

We strongly support this recommendation. A traffic accident emergency faces this country, with a new all-time high death toll in prospect. It is time to stop temporizing with this problem. The Fourth of July holiday is a good time to start getting tough.

Letters To The Editor

Editor,
Belleville Times-News:

With the Newark police the target of sharp criticism by the daily press of that city and also by annoyed citizens who have experienced protracted delays in receiving prompt response from the minions of the law of our County's largest community, it is indeed gratifying to note the favorable contrast of law enforcement activity in our home town.

The grumbling aroused over the inefficient handling of police response to phone "tips" supplied in the shooting of Newark's Councilman Jack Weiler, which the Newark Evening News editorially blasts as inefficient police administration, would find scant prospect of occurring in Belleville. Here, every call is recorded and answered immediately. The public has, in fact, been constantly urged to alert the law of any suspicious or unusual movement arousing its attention. Such cooperation is conducive to effective law enforcement and proper police protection.

As evidence of the high type of diversified police performance we have become accustomed to, was the emergency delivery of a child at police headquarters by a nine man team of cops and firemen which witnessed these burly boys in blue performing the delicate task with all the skill of a trained midwife. Their feat evoked the praise of the physician who soon arrived to impart his stamp of official approval. The boys, it is understood, are proud of their effort, however, barring another emergency it is felt they would prefer to fight fires and felons and leave such delicate matters to the medical profession.

Another piece of the police performance has been the splendid control exercised over the high school students crossing Washington Ave. at Holmes Street. The scene of an auto accident a short time ago when a student was struck while care-

One Man's Opinion

Soviet Union, fishing in Suez Canal's troubled waters, means no good

By Ralph Eric Heinzen

For the second time in a century, the British Empire's lifeline, the Suez Canal, is in non-British hands and, this time, there is nothing that the British Government can do about it.

Once before, in 1856, when Frenchman Ferdinand de Lesseps obtained his 99-year concession for a canal from his friend, Said Pasha, Viceroy of Egypt, the British Government, shocked, tried the silent treatment. If you shut your eyes and don't see it, it may go away—was the government policy in London.

De Lesseps proceeded to build his canal, the building of which Lord Palmerston told the House of Commons was a "physical impossibility," and when on November 17, 1869, Empress Eugenie on the French steamer "Aigle" led a parade of 68 vessels through the canal from the Mediterranean to the Red Sea, London woke up with a shock.

Although England, Austria and Russia — and the United States which was licking its Civil War wounds — held aloof while De Lesseps financed and built his canal, the British Government moved with alacrity once the canal became a reality and cut months off the sailing time around the Cape.

De Lesseps staged lotteries and did everything else to raise capital but, finally, it was the Khedive of Egypt who put up the rest of the money needed and he took the French company's paper of doubtful value.

Could't Give Away
When the British Government decided to take the canal away from the French, it did so by manipulating market prices. At the insistence of Lord Beaconsfield, the government and the Khedive bought the 176,600 shares of the Khedive for the sum of 3,976,582 pounds sterling in 1875.

The stirring memories of tender love of children for their parish priests is a treasured possession of these fine men of the cloth shall always cherish as recollections of their service in God's House at Holy Family. The children who benefited by their association with these inspiring young men of the church shall all be grateful to the Christian men and women because of their blessed contact with such fine servants of God. The parsons and parishioners recognize their debt of gratitude to Rev. Ventivoglio and Rev. Lo Bianco for their inspiration and guidance to the people and children of the parish.

Most will properly lament the going of these exceptional, unselfish leaders from Holy Family, but being soldiers of the Lord they must serve in other areas needing their talents. Parting will be difficult, however, and their task is great and calls for many sacrifices. They will need their higher calling with the full knowledge that their service will be rendered and appreciated. May their future assignments elsewhere be equally successful.

Timely Promotion
Sheplov may have been invited as a newspaper editor, but by the time he arrived in Cairo he was top man in the Soviet Foreign Office. He is the only Foreign Minister in Cairo for the celebrations. Obviously, he has made the most out of that opportunity.

It has been reported from Cairo that Sheplov offered in the name of the Soviet Union a loan in excess of one billion dollars to finance the construction of the proposed High Dam on the Nile at Aswan.

World's Largest Dream
High Dam would be the biggest structure ever undertaken by man. It is a keystone of Colonel Nasser's plan for economic development and would bring the waters of the Nile entirely under control for irrigation, power, and flood control.

The project is of such magnitude that its construction is likely to dominate the economy, if not the entire life, of Egypt for at least 15 years after the work begins.

The dam would bring the waters of the Nile entirely under control for irrigation, power, and flood control.

The reservoir behind the dam would be three times as large as Lake Mead, behind Hoover Dam in the United States—now the biggest man-made lake in the world.

The reservoir would stretch upstream beyond the Egyptian-Sudan border; and the Sudan Government's consent is, therefore, needed before the High Dam is built.

Sudan, thus far, has withheld her consent pending revision of an agreement on the division of Nile waters between Egypt and the Sudan. Those talks have been in progress for 18 months.

but, so far, have been unfruitful.

To Egyptian Premier Gamal Abdel Nasser the High Dam is to be the keystone to a vast plan for the economic development of Egypt. Without the dam, there could be no real progress. That is why Nasser has been talking with the World Bank and with the United States and British Governments about financing.

That, too, is why Sheplov's sudden offer to finance the whole dam project in one loan is a serious challenge to the West.

NEW CURATES APPOINTED TO HOLY FAMILY

Newly - Ordained Priest To Succeed Fathers Benti And Lo Bianco

Archbishop Thomas A. Boland of the Archdiocese of Newark in the appointment of new pastors and assignment of priests, this week named two newly-ordained curates to Holy Family Church. The Rev. Matthew M. Pesaniello and the Rev. Henry M. Nadded were appointed to succeed the Rev. Anthony T. Bentioglio and the Rev. Francis R. Lo Bianco.

Rev. Father Nadded, a native of New Jersey, is a graduate of St. Lucy's School, Newton and St. Joseph's Seminary, South Orange. He attended the Archdiocesan Seminary at Darlington, Delaware. Father Nadded is the son of Mr. and Mrs. Henry Nadded of Newark. This is the first assignment for both priests.

Father Benti, as he was known in Italy, has been assigned to Assumption Church in Bayonne. Father Lo Bianco now resides at St. Carmel Church, Jersey City, to which he was named as a curate. Both priests left the parish this week.

Mr. John A. Weisbrod, formerly of Nantux, had previously been named as the new pastor of St. Mary's of Good Counsel Church, Newark. Known as the "Waterloo Priest" he was recently transferred from the pastorate of St. Peter and Paul Church, Hoboken.

Father Pesaniello, of Jersey City, is the son of the late Mr. and Mrs. Angelo Pesaniello. He is a graduate of Lincoln High School, Jersey City, and is an Army aviator.

After serving in the Army, he attended Seton Hall University, from which he was graduated, and Immaculate Conception Seminary at Darlington.

Mrs. John Rozycki

Mrs. Sophie Bator Rozycki, of 155 Brighton Avenue, wife of John Rozycki died suddenly at her home June 4 of a heart attack. She was 71.

Born in Austria, Mrs. Rozycki came to the United States and Passaic in 1903. She moved to Belleville in 1924.

She also is survived by seven daughters, Helen Talmadge, Mrs. Virginia Boehmer, Mrs. Mary Kane, Mrs. Irene Burger, all of Bloomfield; Mrs. Katherine Flavin in California; Mrs. Eleanor Holler of Keanburg; Mrs. Alice Leiss of Allwood; a sister, Mrs. Kate Vanderheide of Irvington; a brother, Jacob Bator of Brooklyn, and 11 grandchildren.

A Solemn High Mass of Requiem was offered in St. Valentine's Church, Bloomfield. The funeral was from Gorny's Parkside Memorial, 399 Hoover Avenue, Bloomfield. Burial was in Mt. Olivet Cemetery, Bloomfield.

Leonard A. Barnosky

Leonard A. Barnosky, of 14 Lincoln Terrace, died June 9 in the Pine Haven Sanatorium, Pinevald, Ocean County, after a long illness. He was 76.

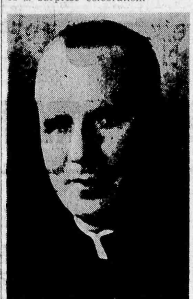

Born in Pottstown, Pa., Mr. Barnosky moved to Belleville 60 years ago. He was employed by Mr. Glynn Hays Co. as a plant guard for three years until his retirement 11 years ago. Previously he worked as a carpenter.

Surviving are two sisters, Mrs. Minnie Christman of North Brunswick and Mrs. Dorothy Cuddy of Middlebush; a brother, George of

PARISH OBSERVES 10TH ANNIVERSARY OF ORDINATION

Father Gerard Walsh Tributed By St. Mary's Parishioners In Surprise Observance

The tenth anniversary of the ordination of Rev. Father Gerard W. Walsh and of his assignment to St. Mary's R. C. Church as curate was the occasion of a demonstration of affection and respect by more than 700 parishioners, Friday evening, in the church hall. It took the form of a surprise celebration.

Rev. Father Gerard W. Walsh

Many priests and nuns from the Archdiocese of Newark came to Nantux for the affair which had been planned and organized by a committee of 143 parishioners, headed by Richard A. Duigley.

Presentations were made to Father Walsh by the Scouts, Cubs and Brownies of St. Mary's, St. Mary's Cadets, St. Mary's Catholic Youth Organization, the Seminarians of St. Mary's, and a purse and spiritual bouquet was offered from the parishioners of St. Mary's.

Mr. James J. Owens, pastor of St. Mary's, and Lt. Peter J. Ferreri, Catholic Chaplain, U.S. Naval Reserve, and close friend of Father Walsh, were the main speakers. The St. Mary's girls choir, under the direction of Sister Anna Celeste and Mrs. Alice Anderson, sang.

Father Walsh attended Holy Trinity grammar and high school, in Hackensack, then went to Seton Hall University and Darlington Seminary. He was ordained on June 15, 1946, in St. Patrick's pro-cathedral and assigned to St. Mary's parish shortly thereafter.

Brooklyn; a half sister, Mrs. Agnes Neuhaus of Newark, and a half brother, Alex of Newark.

Rev. August Klingner of Emmanuel Presbyterian Church, Newark, conducted services at the William V. Irvine & Son Funeral Home, 294 Washington Avenue. Burial was in Bloomfield Cemetery.

Scout Notes

by Elsie Moore

A party for about forty Brownies of Troops 29 and 35 was held on Wednesday, in the gymnasium at School No. 10. The girls received their Brownie pennants and membership stars. A busy ceremony was held and the following were given their Brownie Whims: Muriel Albano, Laura Jane Baker, Carol Brechtli, Judy Cavanna, Dolores Dow, Mary Ann Gubbio, Janet Hansen, Janis Hunter, Rosemary Pallante, Brenda Palmiano, Patricia Pastore, Doris Shepherd, Marilyn Velardi and Jacquelyn Wietman. Mrs. George Meagher is the leader of the group.

On Tuesday, May 29th Scouts of Intermediate Troop 34 held their final meeting of the season at School No. 10. A "Court of Awards" was held and cooking, nutrition and seamstress badges were presented by Mrs. Michael Ciesla, Assistant Leader. The thirteen Scouts in the troop enjoyed the party which followed.

Twenty Scouts of Intermediate Troop 2 enjoyed a day of outdoor activities at South Mountain Reservation on Saturday. The Milburn cabin was used and the girls enjoyed the out-door cooking, hiking games and scavenger hunts. They were accompanied by Mrs. Henry Minasian, leader, and Mrs. Gunborg Anderson, assistant.

A "Court of Honor" was held in the cabin and the following received the badges earned during the year: Helen Ann Alexander, Barbara Allen, Clare Austin, Mary Ann Ciesla, Barbara Collins, Gail Jordan, Carol Kreyher, Joan Lalaki, Judy McLavey, Carol Ann Minasian, Francine Molinaro, Kathleen Morrison, Sandra Nicastro, Edith Linda Salvini, Carol Sargent, Maureen Stauch, Carol Tamas, Mary Ellen Tunkis, Geraldine Vanderhoff and Marie Versano.

The Curved Bar in home-making was received by Barbara Collins, Carol Minasian, Francine Molinaro and Geraldine Vanderhoff.

Intermediate Troop 9 went on a trip to the Catalik Farm also on Saturday. In spite of rain, the outing was enjoyed by forty-two Scouts and thirteen members of the Mother's Club.

Girl Scouts who took part in the service at the War Memorial on Decoration Day by serving as Color Bearers were: Brownies Betty Elkon and Elaine Matthews, Troop 23, Intermediate Scouts Judith Lee Rabb, Troop 26 and Roseann Calaro, Troop 27, and Scouts Scoutmaster Hamilton.
