

Toward Better Schools:

School Board Marks First Five Months With Achievement Record

New Seven Man Board Takes Positive Action To Accomplish Goals

by Arnold Bloom

Belleville's Board of Education has now completed five months in office. They have closed out one school year and are now busily engaged in making preparations for the coming term. Step by step, the Board's actions have been winning the confidence of local residents. The Board is composed of seven elected members. They are Dr. Frank DiRuggiero, William Kintzing, and Mrs. Charles Cassidy, all serving their first terms, and President William Allison Boyd, who became the first elected member in February of 1956. The other four members are Dr. Palmer Burde, who is vice-president, and Mrs. Edward Rocco and Eugene Kelly, both former Board presidents.

Following the elections this past February, the present Board became the first seven-member Board to represent Belleville. This had been decided by public referendum which enlarged the Board from five to seven and also made Board membership an elective position. There has already been some talk of further enlarging the Board to nine members, but no action has been taken in this direction by the voters.

New Budget
Immediately after election, the new Board faced the problem of working out a new budget, since two phases of the budget that had been submitted to the voters were defeated. They revamped the current expense appropriation and the capital outlay allocation, cutting \$50,000 from the original budget. Meeting the challenge the new

Board saw their budget approved by township people.

Realizing that economy must be practiced in every possible instance, the Board nevertheless stood firm on certain fundamentals. They strongly supported keeping funds that had been earmarked for teacher's salary increases. After the budget was adopted, the Board passed a new teacher salary scale, enabling Belleville to compete on the same level as surrounding communities for top quality teachers.

Later the Board went on record as favoring passage of three State bills which would grant increased state aid to local school districts to be used for building purposes. Under the terms of the legislation subsequently passed, Belleville will receive close to \$100,000 a year to be used for increasing present facilities, if the Board deems such action necessary.

Milk Program
In other action, the Board has adopted the Federal Milk program

Spatz Warns Merchants Of Bad Check Passers

Chief of Police George R. Spatz today warned local business men to beware of people attempting to pass bad checks. Spatz said that several such cases had been reported to the police department within the past few weeks. The Chief said the only sure way to stop bad checks from being passed is to check for the person's identity, or, absolutely known.

Cashing checks for people who have never seen before can be a costly business, Spatz warned. Make sure of proper identification first, he stressed, and even then be cautious of checks for unusually large amounts.

CIVIL DEFENSE TO PARTICIPATE IN MOCK AIR ALERT

'Operation Alert 1956' To Be Staged National During Week Of July 20 To 26

New Jersey will have no public participation in the National "Operation Alert 1956," it was revealed yesterday by Thomas S. Dignan, acting director of the State Division of Civil Defense and Disaster Control. The nationwide test will be held from July 20 to 26.

All county and municipal centers will activate, however, and solve problems and hydrology and other problems. The civil defense communication network will be put into operation and maintained through the first two phases of the seven-day exercise.

Because New Jersey has not changed its standing orders to the Federal Civil Defense Administration compliances adopted by New Jersey and Pennsylvania, Dignan said that public participation under the current signals would lead to confusion at various lines. New Jersey, however, will cooperate with adjacent states in controlling traffic at boundary points.

FIRST PHASE OF TOWN STADIUM RENOVATION DONE

Western Side Of Stadium Is Enlarged And Parking Facilities Are Completed

The first steps in a five-year plan which will completely renovate Belleville's Municipal Stadium are practically completed. According to a spokesman for Lugano Brothers Inc., local contractors who had been awarded the contract for the first phase of the job, the general work is finished.

Included in this category are:

1. Construction of a driveway from Division Avenue into the stadium ring which will permit the use of a parking lot for about 100 additional cars at Stadium special events.
2. Enlargement of the parking area now used along the west side of the stadium, adjacent to the present service road from Passaic Avenue.
3. Moving of the west fence of stadium 150 feet further to the west, enlarging the recreational facilities on that side of the stadium.

The three projects are basically completed, Lugano said, and they just need some "dressing up" now. Grass has been planted on the additional "round" now included in the stadium rings, he said, and it is just a question of time till it germinates, grows, and becomes strong enough to support heavy activity. The grass seed is covered with hay, he said, to keep it from burning out, and already a lot of it is germinating.

"It will be some time yet before the grass will be able to handle the load," he said.

Commissioner Elmer S. Hyde, director of Parks and Public Property, said that the stadium is now ready for the summer season.

Re-Assessment Asked For Every Three Years

Essex County Association Of Municipal Assessors Makes Recommendation For Greater Efficiency; Clemmishaw Company Done Here By September

The Essex County Association of Municipal Assessors is presently considering a recommendation for a change in state tax law which would require assessment of all real estate in a community only once every three years. At present, all municipalities must check their real estate assessments once each year.

The recommendation, it was learned this week, was voted at a special meeting of the association. The proposal received immediate support from communities represented at the meeting, including Belleville, where tax assessor Arthur W. Clark, is on vacation and couldn't be reached for comment.

The association also urged revisions to "put teeth" into the state law on personal property tax. One amendment under serious consideration would make it mandatory for individual taxpayers and business firms to file sworn statements annually as to the value of their personal property.

Doubt 100 Per Cent
In another major development, the association raised considerable doubt that all Essex County municipalities would comply with a potential order from the County Tax Board requiring 100 per cent value assessments on real estate for 1957. Although the order has not yet been received, it has been broadly hinted at. Here in Belleville it would be possible to make the change in tax percentage and the County Tax Board, which is expected to complete their property reassessment by the first of September, would be in a position to make the change.

Three local high school students were chosen to attend the annual Boys' and Girls' State programs held at the Rutgers and Douglass campuses in New Brunswick from June 24-29.

Attending Boys' State was a Boy Scout, son of Mr. and Mrs. Tom Eng, of 504 Washington Avenue. At Girls' State were Catherine Eng, daughter of Mr. and Mrs. Edward Pendergast, of 70 Berkeley Avenue, and Ernest Eng, son of Mr. and Mrs. Albert Eng, of 110 Brook Drive. All three are about 16 years old and will spend the summer at the Rutgers and Douglass High Schools.

Sponsored by the New Jersey department of the American Legion, the annual Boys' and Girls' State programs are held at the Rutgers and Douglass campuses in New Brunswick from June 24-29.

PING ENG ATTENDS BOYS' STATE; TWO GIRLS ALSO CHOSEN

Ernest Eng, Carita Pendergast Represent Town At Douglass Session

The Face Is Familiar: Rec Department Head Has Artistic Bent; Athletics Too

By Rita Knoll

We had met Robert E. Cook, Belleville's Superintendent of Recreation on many occasions. Since summer is a time when activities at the recreation department are at their peak, we decided to find out just what makes this man, who leads the program, tick. After two hours of finding out the many activities which stem from the old building on Joralemon Street, we had found the answer to many of our questions.

It began several years ago in Rochester, New York, where eleven-year-old Bob Cook was an artistic child prodigy. The thought of becoming an artist pursued the young man into his late teens when he discovered that such a life is not always filled with glory and recognition. He has since worked in various departments around the plant and has been a foreman for the past several years.

Last Thursday, Steffanelli and his wife Elizabeth were entertained at a luncheon in his honor in New York and he was presented with a government bond by Rudolph Sonneborn, president of the company.

Steffanelli lived in Nutley when he came to work for Sonneborn, but moved to Belleville after his marriage and has lived here ever since. The couple have eight children, seven of whom are married and the eighth is about to be married. Steffanelli is still working and in good health and has no plans for retiring just yet.

Truck Purchase Attacked Here

Charged Town Overpaid \$600 In Recent Purchase

Belleville's number one objector this week attacked Public Works director Kenneth D. Smith for the recent purchase of a half-ton pickup truck for use by his department. In a statement issued prior to Tuesday's Commission meeting, and again at the meeting, James R. Golden angrily charged that the town overpaid \$600 for the truck.

Golden claims the money could have been saved if the town had made the purchase by open competitive bidding rather than by limiting the contract to a particular vehicle and local supplier. Golden was referring to the recent action of Town Commissioners when they approved the purchase of a Chevrolet Truck from Leonard Motors cost of \$2,000. Golden said the department had bought a comparable truck on the open market at a saving of \$600.

He based his arguments on the fact that at the last Town Commission meeting, bids were paid for two other trucks recently purchased at lower prices. He stated that \$1,871 had been paid to Ross Motors for a three-quarter ton truck.

Golden said that the town had made the purchase by open competitive bidding rather than by limiting the contract to a particular vehicle and local supplier. Golden was referring to the recent action of Town Commissioners when they approved the purchase of a Chevrolet Truck from Leonard Motors cost of \$2,000. UNICO National Forms New Chapter In Belleville

A Belleville chapter of UNICO National, a service club composed of Italian-Americans, was organized here last night. The club was formed here by Mayor Isadore J. Padula as its first president. Other newly elected officers of the chapter, which will hold a charter presentation dinner at the restaurant on October 28, are vice-president, Michael Strudato; secretary, Frank D. Marro; treasurer, Thomas C. Magione; and sergeant at arms, Guy Matruia.

TAX BILLS FOR SECOND HALF ARE MAILED THIS WEEK

Assistant Collector E. E. King Sets August 1 Deadline For Second Quarter Payments

Over 13,000 second half municipal tax bills for 1956 were mailed to local residents this week, E. E. King, assistant tax collector said. King, filling in for vacationing collector William J. Friel, stated that most town residents should have already received their notices. Those that haven't, he added, will probably get theirs the first of the week.

The bills, which cover the third and fourth quarters of this year, are due August 1 for the third quarter and November 1 for the fourth quarter. The tax statements include personal property, real estate, and assessments.

The second half bills are based on the 1956 tax rate of \$7.81 per \$100 of assessed valuation. This represents a jump of 10 tax points over the 1955 rate, which was the tax rate on which the first half bills for 1956 were based. Adjustments have been made in all bills, King said, to make up for the difference in rates between the first and second halves.

Of the overall rate local residents will pay, \$3.15 is for taxes, \$3.12 for municipal expenditures, and the remaining \$1.54 for county expenses. In terms of total cash, \$4,303,333 will be paid by residents of Belleville for all tax purposes this year.

Taxpayers may return their bills by mailing the entire bill, and receipts will be returned. Only checks or money orders, should be sent, King cautioned, since no cash

COMMUNITY CHEST COLLECTS \$505

Contributions Are Received Through Coin Folders

Raymond Williamson, campaign chairman of the 1957 Belleville Community Chest Drive, announced this week that \$505 has already been received at campaign headquarters through the coin folders mailed to all local residents early last month. More than 10,000 folders were distributed at the time. A total of 372 of the folders have been returned, Williamson revealed that 74 certificates have been issued enabling the recipients to use dry cleaning at local dealers. The firm had agreed to contribute free dry cleaning for either \$2 or \$5 contributions to the Chest Drive.

Although campaign leaders were pleased with the folders received, they have been returned, they were more fully, both for their own convenience and in order to make the work of the volunteers "easier" lighter once the door-to-door drive starts in the fall. Contributors are urged to use the folders in the future, especially here in Belleville.

It has been through his interest in military cases which helped veterans in being admitted to V.A. Hospitals and obtaining medical and dental care for the Veterans, Conglioni said. He has been instrumental in filing through the I.R.A. in thousands of dollars are being received monthly by families here, either in compensation or pension.

Weekend Weather

The rainy spell is over, according to the weatherman. He looks for an idea weekend with clear sunny skies predicted.

Pool Room Curfew Tabled Tuesday By Commissioners

ROBERT L. TOWLE BEGINS COURSE AT NAVAL ACADEMY

Belleville High Graduate Received Appointment From Congressman Peter Rodino

Robert L. Towle, son of Mr. and Mrs. Claude Towle, of 71 Beverly Court, began his four years of study at the United States Naval Academy at Annapolis this week. Towle, who had been designated by

Board Re-Advertises For Bids On Addition To Town Garage As None Received This Week

Tuesday night's Belleville Town Commission meeting saw action on two pending measures held over for at least two weeks. In the first case, Commissioners heard a formal protest from Leonard Ronco, local attorney, who requested that final action on a proposed curfew on pool room hours be tabled until next meeting.

In the second matter, Commissioners had no choice but to table until next meeting the opening of bids for the proposed addition to the Town Garage. Since no bids were received, Commissioners decided to advertise for bids again this week. Sealed bids for the job will be received at the July 24 meeting.

RESIDENTS VIEW BRANCH BROOK AAA INSTALLATION

National Guard Post Has Newly Installed 90 mm Guns And Radar Equipment

Scores of Belleville residents turned out Sunday to view new anti-aircraft radar and gun equipment recently installed by Battery 'B' of the 109th Anti-Aircraft Battalion, New Jersey National Guard, in Branch Brook Park.

The visitors were given an opportunity to inspect administrative and housing facilities as well as the most modern gun-laying radar equipment and accompanying 90 mm anti-aircraft guns. The unit's radar, now a part of the extensive continental radar network, is completely operational. Residents were told that the "open house" were told how the portion of the radar first locates targets and then transmits the target to a second radar which automatically "tracks" the target and prepares firing data for the guns.

Battery personnel also explained how the radar, through information relayed to it by reflected target impulses and various atmospheric conditions, can instantaneously determine where the guns must fire in order that the fired projectiles and the target will intersect simultaneously, resulting in the destruction of the target.

One of four guns authorized Battery 'B' is now operating, and additional weapons will be added soon. The unit, one of many National Guard anti-aircraft artillery units now strengthening branch May Park installation only last May and has already built to a strength of 30 men. The men who man the position are actually civilians from Belleville and surrounding areas, they donate their services one night weekly as members of the New Jersey National Guard.

GEORGE SBARRA APPOINTED COUNTY SERVICE OFFICER

Essex County Commander William Conglioni of the Veterans of Foreign Wars, has announced the appointment of George Sbarra, 46 Hecksie Street, as Essex County Service Officer of that organization.

Conglioni said that he has appointed Sbarra because of his interest in helping veterans, widows, and dependent parents of men killed in action, and for his outstanding service work which he has performed in the past, especially here in Belleville.

It has been through his interest in military cases which helped veterans in being admitted to V.A. Hospitals and obtaining medical and dental care for the Veterans, Conglioni said. He has been instrumental in filing through the I.R.A. in thousands of dollars are being received monthly by families here, either in compensation or pension.

Two Belleville Drivers Lose Licenses In Nutley

Two Belleville motorists were fined \$100 each and their driver's licenses were suspended when they were found guilty of reckless driving in Nutley May 24.

Michael J. de Stefano, 19, of 257 Division Avenue, and Joseph J. de Stefano, 17, of 10 Hudson Street, were both given six month suspensions by Magistrate Edgar C. Jorg. They were charged by patrolman Louis Franciose with racing on Washington Avenue on June 12.

HYDE EXPRESSES THANKS FOR EVENT

Fourth Of July Celebration Called Success By Chairman

Commissioner Elmer S. Hyde this week expressed his gratitude to the many individuals and groups who contributed to the success of this year's municipal Fourth of July celebration. Hyde said that since he initiated the annual event in 1951, he has enjoyed close cooperation without which the celebration would be virtually impossible.

Hyde said that although letters of thanks have been sent to all, he felt that the public should be informed of their work.

The Independence Day Committee was set up with Hyde as Honorary Chairman and Deputy Commissioner John R. Lampan and assistant Town Attorney Thomas D'Avella as honorary vice-chairmen. Sponsors of Recreation Robert E. Cook and Ralph Baker were co-chairmen with Eleanor Arthur, Edward Berlinki Harold Brand, Gertrude Dillon, Dorothy Dunn, Virginia Edwards, Elizabeth Edwards, Elsie Ludy, Catherine Popko, and Raymond O. Smith also serving on the committee.

The Commissioner said he especially wanted to thank Rev. T. Patrick, Father of St. Patrick's, who gave the invocation and the benediction, Ralph Hendon, who was scheduled as principal speaker, Commissioner Kenneth D. Smith and Harry Sullivan, who were present, and singer

Present Plaque To Hardman Company

Members of the H.V. Hardman Company staff are shown presenting a plaque commemorating the company's 50th anniversary to Kenneth V. Hardman, president of the local firm. In the group presenting the plaque are left to right: Nelson Morrell, Roger Critchlow, Arthur Lang, Carol Zenobia, Henry Parde, Kenneth V. Hardman, Raymond Hardman, Edmund Delagone, Patsy Paragi, Charles Smallwood, Melvin Gray, Vincent Paragi, Anthony Ciani, Elmer Smallwood, Josephine Librizzi, Adelmo Marcogliese, Malcolm Dunne.

MARKS 50 YEARS WITH SONNEBORN

Joseph Steffanelli, of 731 Washington Avenue, has recently completed 50 years of continued service with L. Sonneborn & Sons, Inc., at their plant in Belleville. Steffanelli started with the firm in 1906 as a boy of 13, shortly after Sonneborn located here. He has since worked in various departments around the plant and has been a foreman for the past several years.

Last Thursday, Steffanelli and his wife Elizabeth were entertained at a luncheon in his honor in New York and he was presented with a government bond by Rudolph Sonneborn, president of the company.

Steffanelli lived in Nutley when he came to work for Sonneborn, but moved to Belleville after his marriage and has lived here ever since. The couple have eight children, seven of whom are married and the eighth is about to be married. Steffanelli is still working and in good health and has no plans for retiring just yet.

Jamaican Nurse Compares Notes With Public Welfare System Here

Belleville's public nursing department is being inspected this month by a lady whose interest is more than that of a nurse, she is also somewhat of a goodwill ambassador from Jamaica, in the British West Indies. Mrs. Iain Shaw, decided to combine a long awaited vacation trip to the U. S. into both work and relaxation, and it seems as if the work is winning out over the relaxation.

While staying with an uncle, Dr. John Williams, of East Orange, Mrs. Shaw is combining trips to New York with seeing how Belleville's public health department works. She is accomplishing the latter by going on house calls with the town's six public nurses, and by visiting welfare agencies in town and comparing methods and facilities with those of her native land. She has also attended nursing conferences in Belleville and neighboring towns.

Mrs. Iain Shaw

er, "and we do occasionally do this," she said. This is the first time an American nurse, who only follow out the instruction of the patients' doctors.

Mrs. Shaw finds that one of the reasons for the lack of personnel is the constant attraction of America which tempts many Jamaicans.

"American nurses are paid a great deal more than we can afford, so after three-year training and the one year which they are compelled to remain in Jamaica after training, many of the qualified people leave and go to the U. S. where they can find a better standard of living for the same kind of work," she declared, "and we can't blame them, but it does make it hard for the rest of us."

Resort Towns

Mrs. Shaw, who lives with her husband, an engineer, and her two children in Mandeville, a resort town 63 miles from Kingston, finds life in Jamaica not unlike that of the U. S. "Except for your American speed, we are quite similar," she declared. She went on to explain that in her country many traces of British habits and customs can be found, but in matters of dress and food it is very different. America always stops of discussion at this time of year, the weather finally comes up. Our temperature goes up to as far as 102 degrees in the summer, and only as low as 42 in the winter, but we don't have any of this humidity with which you are bothered, and I've never seen snow in my life," she declared.

Mrs. Michael J. Augustowicz

Augustowicz-Adams Vows Celebrated At St. Peter's

Miss Loretta Lois Adams, daughter of Mr. and Mrs. Louis S. Adams, of Passaic, formerly of Belleville, became the bride of Michael John Augustowicz, of Valley Street, at St. Peter's Church on Saturday. Rev. James Heavly officiated at the ceremony which was followed by a reception at Frenchy's.

The bride, who was given in marriage by her father was attended by her aunt, Mrs. John F. Adams, as matron of honor. Junior bridesmaids were Mary Lee Augustowicz, niece of the bridegroom, and Joyce Ellen Adams, niece of the bride.

Casimir Augustowicz was best man for his brother, Ushers were John Augustowicz, another brother, and Robert Adams, brother of the bride.

The bride's gown was of floor length lace over satin. Her finger-ring length was of lace. She carried white roses and orchids on a prayer book.

The matron of honor wore a coral gown and carried pink roses. The junior bridesmaids wore blue gowns and carried spring flowers baskets.

Mrs. Augustowicz is a graduate of Belleville High School. She is employed by the New Jersey Hospital Plan of Newark. Her husband, an army veteran, is employed by the Wilbur H. Driver Company of Newark.

After a wedding trip to the Pocono Mountains, the couple will live at 267 Valley Street.

Mrs. Thompson Chosen

Mrs. Norman Thompson, of 186 Hornbowl Avenue, has accepted the position of assistant publicity chairman for the Nutley Symphony Society. Adell Williams is chairman. Also serving on the new Board of Directors is Eleanor Bacon-Peck, who continues as auditions chairman.

New Owners Take Over Avenue Restaurant Here

Mr. and Mrs. J. Lanzetta, of 52 Whitton Street, Nutley, have just taken over operation of Haffner's Food Shop at 444 Washington Avenue. The restaurant has been in business here for the past 32 years.

The Lanzetta's announced that the restaurant is fully air-conditioned for dining comfort during the hot summer months. They also revealed that the same chef has been with the eating establishment since the time of the original owners.

The restaurant has two dining rooms with facilities for private parties. They will specialize in family dinners and catering to children with meals in the popular price range. Hours will be from 8 a.m. to 10 p.m.

Mrs. Lanzetta, formerly Marjorie Simmons, has been a Nutley resident for the past 15 years.

Famous drawings made by well known astronomers and many of the best photographs taken of the planet will be exhibited. Models and globes will be on view and diagrams showing what Mars would be like if certain scientific theories were true.

Social Notes

Mr. and Mrs. Sylvester Connolly, of 128 Carpenter Street, announce the engagement of their daughter Patricia to Anthony J. Ventura, USA, son of Mrs. Anthony Ventura, of Nutley, and the late Mr. Ventura.

An alumnus of Belleville High School, the bride-elect is a secretary with the law firm of Shanley and Fisher of Newark. Her fiancé, a Nutley High School graduate, is presently stationed with the Army at West Point, New York.

Michael Ross, 14-year-old son of Mr. and Mrs. A. Ross, of 18 Tremont Avenue, attended a "Citizens Now" conference at New York's Columbia University from June 28-30.

The purpose of the conference was to give the youngsters a better understanding of their responsibilities as future citizens in the homes and communities.

Mr. and Mrs. Louis Haft, of 55 Bremont Street, are attending a convention of the Metropolitan Life Insurance Company at Lake George, New York. They are staying at the Sagamore Hotel.

Richard Pierasmo, son of Mr. and Mrs. John Pierasmo, of 416 Greylock Parkway, graduated from Holy Family School of Nutley on June 10. He will attend Seton Hall Preparatory School in September.

Campus Corner

Two local students have been named to the Dean's list at the Newark College of Rutgers University. They are Ted G. Baxter of 16 Belle Terrace, a senior majoring in natural sciences, and Jean A. Corbett, of 47 Adelaide Street, a sophomore natural science major.

Cynthia D. Thomas, daughter of Mr. and Mrs. Evan Thomas, of 153 New Street, was named to the dean's list of Mary Washington College of the University of Virginia for each semester of the past academic year.

A baby girl Lorraine, was born to Mr. and Mrs. Anthony Magatta, of 117 Chestnut Street, on June 10 at the East Orange General Hospital. Mrs. Magatta is the former Elanie Buono of Belleville.

The couple have another daughter, Janet Ann, 2.

Miss Del Guercio, a graduate of Belleville High School, is employed by Davidson and King, Belleville. Her fiancé attended Belvidere schools, served with the Fifth Army during World War II and is now employed by L. Banberger & Co.

JEROME SALAMONE PROMOTED AT NCE

Dr. Jerome J. Salamone, of 16 Maier Street, has been promoted to associate professor in chemical engineering at Newark College of Engineering, according to Dr. Robert W. Van Houten, president.

Dr. Salamone holds both bachelor and master degrees in chemical engineering, and a doctor of engineering degree from New York University. Prior to his appointment to the NCE faculty in 1948, he was on the instructing staff of Manhattan College.

Dr. Salamone's field of specialization is in unit operations of chemical engineering. He is a member of the American Institute of Chemical Engineers.

Dr. Salamone is married to the former Carmen Diaz of Tampa, Florida.

Beverly Horton Is Wed In Ceremony On July Fourth

Mrs. Robert R. Dobbs

Miss Beverly Ann Horton, daughter of Mr. and Mrs. Vernon Horton, of 20 Baldwin Place, became the bride of Robert Richard Dobbs, son of Mr. and Mrs. William Dobbs, of West Orange, at Fawcett Presbyterian Church on Wednesday. Rev. James K. Morse officiated. A reception followed at Club 841, Newark.

Given in marriage by her father, the bride wore a gown of lace over taffeta. Her veil was elbow length. She carried a cascade of white roses.

Matron of honor was Mrs. Ericka Dobbs, whose turquoise gown matched that of the bride. She wore a picture style hat and carried a bouquet of yellow roses. Best man was William Dobbs, Jr., and Frederick Dobbs served as his brother's usher.

The bride is a graduate of Essex County Vocational and Technical School for girls. She is employed by the Dugan Brothers Company of Newark. The bridegroom is a graduate of West Orange High School and is with the U. S. Air Force at Dover, Delaware.

After a week's trip to Wildwood, the couple will be home at 16 Elm Street, West Orange.

YOU LOSE - If you are not registered for the November 6 election, because you're left out of something everybody else is doing. Get your name in the book!

The ninetieth birthday of Mrs. Charles Rawcliffe, now of Mt. Prospect Avenue, Newark, will be celebrated at the home of her son and daughter-in-law, Mr. and Mrs. Henry Rawcliffe, of Verona on Sunday.

Attending the celebration will be Mr. and Mrs. George Rawcliffe, of 360 Washington Avenue, another son and daughter-in-law, and Mrs. Howard Delahagen, of Philadelphia, Pa. Mrs. Rawcliffe's daughter.

Seven grandchildren and three great-grandchildren will also attend the celebration.

Helen Kayser Plans Fall Wedding

Helen Kayser

Mr. and Mrs. Walter Kayser, of 435 Franklin Avenue, announce the engagement of their daughter Helen to Franz Thiesen of Den-High, Virginia.

Miss Kayser is a graduate of Essex County Vocational and Technical High School. At present she is a student nurse in her senior year at Newark Beth Israel Hospital.

Her fiancé is employed by the Clark Construction Company in Virginia.

An October date has been set for the wedding.

DISTRICT CONCLAVE OF JEHOVAH'S WITNESS IN J. C.

The Belleville Bible study class of Jehovah's Witnesses, which meets at 127 Carpenter Street, will share in preliminary operations to convert Jersey City's Roosevelt Stadium into a center for Bible education and ministerial training for their four-day district convention July 19-22. Local witnesses will cooperate with other congregations in forming a nucleus organization to make the necessary installation of convention equipment at the ball park, to accommodate the needs of visiting delegates. Keith Lemmer, study conductor, made the announcement. Wednesday and added that while not all members of the local group will be able to share in these pre-assembly activities, everyone is planning to be on hand for the opening session Thursday.

He said, "We expect a total of 12,000 to attend from 170 congregations in metropolitan New York, Long Island and New Jersey. This assembly is but one of 26 such assemblies being held in key cities from coast to coast. Delegates in each convention will hear identical programs sponsored by the Watchtower Bible & Tract Society. The combined attendance is expected to exceed 165,000."

Local witnesses are eagerly anticipating a full program to be climaxed by the widely advertised public lecture by F. W. Franz, vice president of the Watchtower Bible & Tract Society, 3 p.m. Sunday, July 22, on the subject: "Why Persevere? Peace Will Come in Our Day!" It was announced that no Bible study meeting will be held at 127 Carpenter Street during the week of the assembly from July 16-22.

Miss Connolly Plans To Wed

Patricia Connolly

Mr. and Mrs. Sylvester Connolly, of 128 Carpenter Street, announce the engagement of their daughter Patricia to Anthony J. Ventura, USA, son of Mrs. Anthony Ventura, of Nutley, and the late Mr. Ventura.

An alumnus of Belleville High School, the bride-elect is a secretary with the law firm of Shanley and Fisher of Newark. Her fiancé, a Nutley High School graduate, is presently stationed with the Army at West Point, New York.

NEWARK MUSEUM HAS MARS PROGRAM

The Newark Museum's Planetarium performance this Summer will be on the controversial planet Mars. This planet is now subject of considerable study all over the world because it will make one of the closest approaches to earth on September 7-35,000,000 miles. This close approach is made every 15 and 17 years.

Raymond Stein, supervisor of the Planetarium at the Museum, 43-49 Washington Street, Newark, will explain this phenomenon to interested audiences during the free public Planetarium performances in July, August, and September. Performances in the air-conditioned Planetarium are from 12:15 to 12:45 starting on July 12.

Visitors will see how Mars appears to Newarkers this Summer and it will appear from different points of observation. Telescopic views of the planet showing one of the best pictures of Mars ever made by means of telescopic photography will be shown. This view in colors will show Mars' polar caps, green areas, cloud formations, and the red ball of Mars itself.

An exhibition showing what man has learned about the planet and how he has learned it will also be on view during this time.

Alfred DeMenna Jr. Takes Verona Girl As His Bride

CASTLE HARBOUR

Mr. and Mrs. Alfred De Menna, Jr.

On a wedding trip to Castle Harbor, Bermuda, are Mr. and Mrs. Alfred De Menna, Jr., who exchanged vows on July 12 in Verona. The bride is the former Elizabeth Ann Coglian, daughter of Mr. Joseph Coglian, of Verona, and the late Mrs. Coglian. Her husband is the son of Mr. and Mrs. Alfred De Menna, Sr., of 26 Jefferson Street.

Rev. W. Moore, of the First Presbyterian Church in Verona officiated at the ceremony. A reception followed at Perillo's restaurant.

The bride was given in marriage by her father, Mr. Jeanne Schult was matron of honor. Best man was Michael Perillo. Ushering were Gerald Coglian, brother of the bride, and Sal Mosco and Alfonso Del Vecchio, both uncles of the bridegroom.

The bride wore a gown of floor length ice blue tulle with covered with nylon pleated tulle and trimmed with iridescent sequins and seed pearls. An ice blue finger-ring veil fell from a crown of iridescent sequins and seed pearls. She carried a bouquet of pink roses and blue daisies.

Mrs. De Menna was graduated from the Henry B. Whitcomb High School of Verona. She is employed by the General Register Corporation of Cedar Grove. Her husband attended Upsala College and is a graduate of Newark College of Engineering. He is employed by the Worthington Corporation of Harrison, as an engineer. He is a U.S. Army veteran of World War II.

The couple will live at 26 Jefferson Street temporarily until they move into their home at 5 Birch Lane, Verona.

Police Catch Airman, AWOL, Asleep Here

John Stryker, 30, of 100 Branch Brook Drive, was arrested last week by Belleville police after he was found sleeping on the rear stairs of 304 Greylock Parkway. Stryker, who told police he had been AWOL for 35 days from the 34-50th Technical Training Wing, Lowry Air Force Base, Denver, was turned over to Air Police.

Local Driver's License Revoked For Six Months

Frederick J. Gassert, Jr., Director of Motor Vehicles, has announced the revocation of the driver's license of Joseph Burke, 21, of 46 Magnolia Street, under the point system.

Burke's license was revoked six months for the following charges: speeding, improper passing, failing to keep to the right, and careless driving.

ST. MARY'S SCOUTS RECEIVE AWARDS

Commissioner Presents Gifts With Badges At Recent Ceremonies

The Girl Scouts of St. Mary's School recently held their Court of Awards. Rev. S. B. Everett, Girl Scout moderator, blessed the awards presented by Girl Scout Commissioner, Mrs. Maurice Norlander and Mrs. T. J. Lester, first deputy Commissioner. They were assisted by the budge chairman, Mrs. William Kaneley, and consultant chairman, Mrs. Peter Murray.

Mrs. Paul Barbarula, immediate consultant, gave a brief explanation of the awards. Mrs. Stanley Kash, parish coordinator, was in charge of the program.

Troop 69, with Mrs. Angelo Serrano and Mrs. A. J. Gaffrey as leaders, received membership stars, second class rank, cook and seamstress badges. They were given by: Carolyn Cafone, Elizabeth Hayes, Maryann Kane, Margaret Nicolson, Joann Carolan, Margaret Hayburn, Lucinda Keelen, Kathleen Strain, Ariene Dominick, Dorene Jayneszewski, Janet Kreis and Judith Zusiak.

Troop 63, with Mrs. Mario Parra and Mrs. William Clarke, leaders, received membership stars, second class rank, cook and seamstress badges. They were given to: Patricia Bigley, Joann Kline, Dorothy Kline, Kathleen Leo, Mary Parra, Geraldine Czarnecki, Regina Heister, Joyce Kline, Dorothy Kline, Margaret Smith, Phyllis Pasone, Margaret Howland, Christine Kutz, Elaine Merrill and Elizabeth Winters.

Troop 64, with Mrs. Philip De Angelis and Mrs. Charles Christell, leaders, had membership stars, second class rank, cook and seamstress badges. They were given to: Eileen Butvidas, Carol Donadio, Pamela Imperia, Muriel Kraschick, Agnes Cafone, Maureen Fredericks, Joan Kelly, Maryann Kline, Pamela Zeitz, Claire Christell, Peggy Gillick, Ellen Kerns and Mary Roemer.

Troop 4, with Mrs. Arthur Poole and Mrs. Arthur Khan, leaders, won membership stars, rambler, outdoor cook, hospitality, and child care badges. Receiving them were: Diane Arace, Mary Dalton, Gail Zimmerman, Mary Hughes, Louise Quinn, Patricia Auerbach, Doreen Kash, Rosemary Arnold, Helen Kane, Virginia Brogan, Barbara Kratz, Patricia Bedford and Patricia McLaughlin.

Troop 12, with Mrs. Theodore Gambert and Mrs. Morgan Sweeney, leaders, won membership stars, child care, rambler, world gifts and games badges. They were: Claire Kniep, Joan Galvin, Louise Marchese, Pauline Din, Roberta Gregg, Janice Cardler, Kathleen Deane, Carolyn Grieg, Jean McGrory, Carolyn Schmittz, Joan Viola, Elizabeth Von Hoehn and Sheila McLaughlin.

Troop 58, with Mrs. John Galvin, leader, received membership stars, rambler, housekeeper, outdoor cook and child care badges. They went to: Joan Egan, Lorraine Koch, Susan Rapp, Roseann Trusey, Kathy Flynn, Betty Ohi, Katherine Siska, Lucy Vanzo, Mary Gaffney, Joan Pawlodek and Teresa Stellato.

Railroad Tracks, Pipes Are New Types Of Playground Equipment

A new approach to the problem of how to keep youngsters happy and occupied during the summer months was recently discussed in the April issue of "Recreation" magazine by Robert E. Cook, Superintendent of Belleville's recreation department. The general idea brought out in the article, entitled "An Improved Play Community" is to let children play in situations as close to real life as possible, at the same time giving them enough supervision to prevent accidents. The supervisor is of the passive variety, as supervisors do not interfere with the children's play.

Swimming Up

The real life situations are created for the children by such equipment as corrugated iron pipes, railroad ties, railroad tracks, ladders, beams, concrete pipes, etc. Cook found that by encouraging the children to play here it not only prevented them from going to railroad tracks which were in operation and where they might be hurt, but it also helped them to learn to cope with frustrating situations, and challenged their imaginations more than the ordinary toys and playground equipment might.

The play community was constructed on part of the Municipal Stadium grounds. Also in close proximity was a traditional playground where the less venturesome might get used to the idea of the new kind of equipment. An outdoor wrestling and tumbling mat was placed close to the playground for those children who felt that they were ready to go to more exciting adventures after they had explored what was available in the new play community. Cook found that the close proximity of the athletic field often stimulated the children into entering and participating in team games which they might not have attempted if they had not watched these games in action.

Swimming Up

An excerpt from the article sums up the results of the new program.

"During the ten weeks of our regular summer playground program we suffered no injuries in the play community. Playground attendance more than tripled. Use of the play community remained high throughout the entire season, which is not true of other playgrounds. Because of the high attendance, we enjoyed better participation in our special programs such as handcraft, and sewing."

Cook ends his article by explaining that this is only the beginning, as a great deal more can be done along these lines by using the ingenuity of the recreation leaders to bring more of real life into the play equipment of children. His suggestions for the future include getting such equipment as an old bus for children to climb through and pretend to drive, dirt piles, tree stumps and boulders, all of which challenge the imagination of the child and prevent that end-of-summer boredom with "those old swings."

Mrs. A. W. Helmtinger

Mrs. Harriet Frick Helmtinger, of 75 Enidway, died Monday at her home after a long illness. She was 65.

Born in East Orange, Mrs. Helmtinger moved seven months ago to Belleville. She was a member of Elmwood Presbyterian Church, East Orange.

Mrs. Helmtinger is survived by her husband, Alfred W. Helmtinger; two daughters, Mrs. Herman Beyer of Newark and Mrs. Eugene Loftus of Belleville; five sons, Alfred J. of West Caldwell, Bertram B. of

Teresa Lombardi, Eileen Penney, Virginia Donnelly, Susan Murray, Geraldine Eckhart, Karen Conato and Judy Kline.

Troop 5, with Mrs. Frank Altes and Mrs. Richard Altes, leaders, won membership stars, clerk, my government and active citizen badges, for Mary Dalton, Barbara Haring, Karen Kash, Katherine McMahon, Doris Kola-kowski, Mary Elnecker, Pat Landenberger, Sharon Kash, Joann Turrell, Cecile Pehrbeck, Peggy Laverty, Leonia Rodgers and Anne Merrill.

FOR THE BEST BUICK BUY

Belleville-Nutley Buick Co.

THE CAR The fabulous BUICK that 30% of the medium and higher priced car buyers are enjoying... And a BUICK can only be a BUICK in the fullest sense when it has been properly prepared and conditioned for your driving pleasure.

SAVINGS BELLEVILLE-NUTLEY BUICK offers the lowest possible net figures consistent with your complete satisfaction. Remember - when you are paying \$2300 to \$3300 for a new BUICK you want all of the satisfaction you are entitled to and if the \$50 or \$100 you "saved" on a better "deal" costs you your whole investment in unhappiness it was certainly a poor bargain.

TERMS Down payment and monthly terms are suited to your paying ability. We won't let you mortgage your home to borrow a down payment.

SERVICE We pride ourselves on customer satisfaction. Modern equipment and factory trained mechanics plus a genuine desire to please guarantee continued satisfaction and enthusiasm with your BUICK.

SQUARE DEALING You needn't be an expert buyer to get a top-notch deal at Belleville-Nutley. We deliver the car you order, with the equipment you want at the price agreed upon, without double talk and without quibbling.

CONVENIENCE As Belleville and Nutley's only authorized Buick Dealer we particularly want your business, and will go to any reasonable extreme to sell and service your new Buick to your satisfaction. With our pick-up and delivery service, we are only around the corner regardless of where you are.

FACTS AND FIGURES on "casualties" and "damage" to target areas have been fed into an electronic computer such as this for Operation Alert 1956 to get a lightning-quick picture of the bomb-damage assessments in the 70 target areas throughout the nation. Evaluated data from target areas goes by wire to the operations room at FEMA Headquarters. (U. S. Air Force Photo)

On the Alert, 1956

Nationwide Test To Be July 20-26

For seven days in July, Operation Alert 1956 will confront civil defense planning with the type of problems that would arise out of a mass nuclear attack on the U. S.

THE THIRD ANNUAL training exercise, scheduled for July 20-26, will enact on a nationwide stage some of the civil defense measures which would be taken if this nation were suddenly attacked by bombers and submarines capable of wiping out millions of persons and dozens of cities in a day.

Plans call for 70 cities, air bases and Atomic Energy Commission installations to be hit by 125 mythical nuclear bombs. These would include 35 hydrogen bombs rated as high as 5 million tons of TNT equivalent each. More than 30 Federal agencies will cooperate by evacuating key employees and operating from emergency sites. Coordinated by the Federal Civil Defense Administration, State and local CD organizations will carry out training exercises as if the attack were real.

Hyde against mosquitoes. The police department and auxiliary, who did a fine job of traffic control, came in for their share of praise from the community. The Essex County game between the Belleville Reds and the Nutley Colonels.

Hyde gave special thanks to Howard Oliver for the superb job done both as master of ceremonies and as collector of a marvelous all-star circus. The Commissioner expressed his gratitude to the enthusiastic crowd which braved the rain and damp weather and to the hundreds of children who participated in the day's field events.

SPOTLIGHT on SPORTS

By Bob Gortin
Remember What The Expert Said ????

Just about three months ago I went out on a limb and predicted the winners of the Major League pennant races. Now with the American and National League races at the halfway mark its time to look back and see what's happening.

Tradition has it that the teams that are in first place on the Fourth of July will go on to capture the flag come the end of September. If that's the case then I better watch my step since the Boston Red Sox was my choice in the American League and they are currently perched in fourth place as the two leagues took a time out for the annual All-Star game on Tuesday in Washington.

Right now it looks like those who backed the New York Yankees have a good bet as Gil McDougald, of nearby Nutley, sparks the club in recent games. The Yankees are going right along about their business but they might still hear from the Cleveland Indians or the Chicago White Sox, or who knows, maybe even my Red Sox.

Over in the rival National League I switched my allegiance and jumped from the Milwaukee Braves, bandwagon over to the Brooklyn Dodgers. So far it looks like that might have been a big mistake. Back in spring training the Dodgers looked like a shoe-in choice and would take the flag by a wide margin but up till now they have been having more of their share of troubles. The Braves are putting up a good fight.

By the way, look at the performance of the amazing Cincinnati Redlegs. With those long bats booming they have been the surprise of the National League as they battle to hold down their current first place position.

It won't be long now. In a couple of months it will be time again to take a final look and see how that crystal ball of mine worked out.

Rees Can't Win Two In A Row

It seems the Belleville Rees just cannot register two victories in succession in the strong Essex County League. For the third week in a row the second division team, managed by Bill Murphy, split a pair of weekend games. Sal Ruffo got things going with a heat five-hit performance and a 7-1 win over the favored East Orange Browns but on the following day it was the same old story as second place Montclair turned back Belleville by a 5-2 count.

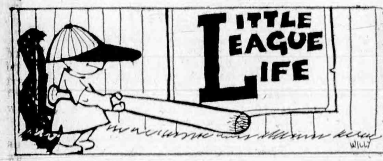

If the Rees could get a winning streak going of any kind there would be a good chance that the semi-pros could overtake the fifth place South Orange Dodgers. Right now the Rees are only two games behind the Dodgers but they will have an ideal opportunity to narrow the gap since Belleville will encounter South Orange at Cameron Field on Sunday. A win for Murphy's boys would leave only one game separating the two clubs.

Veith Leads Rees In Batting

According to official batting average released by the Essex County League for the first 12 games first baseman Richie Veith is leading the Belleville Rees in the individual batting department with a .313 mark. Veith, a former star first baseman for Belleville High School and an All-State basketball player, has banged out 10 hits in 32 times at bat.

The Belleville product is in 19th place among the league leaders for top honors. Veith was the only Belleville player hitting over .300 when the averages were compiled. In the Fall Veith will return to the University of Niagara where he earned a basketball scholarship. The leading scorer on the first-team team last winter, Veith will be a candidate for a varsity position.

Leading the Essex County League in hitting with a healthy .500 mark is Jack Speary. He is slugging the ball at a .500 average, with 20 hits in 40 times at bat. The league leading Nutley Colonels are monopolizing the hitting derby with five of the 10 top batters wearing Nutley uniforms.

by Harold Brandman, Bob Katz, and Nunzio Cernero
by Harold Brandman, Bob Katz, and Nunzio Cernero

Due to inclement weather only three games were played last week; Thursday's and Friday's games postponed until a later date. Monday night's action saw the Giants defeat the Dodgers to retain the National League lead with a record of ten wins and one loss. The Cubs who were idle last week are in second place with an impressive six victories and four defeats and are breathing right down the necks of the Giants. The Yankees who were also idle due to the weather are seven games back of the League Leaders, with the Dodgers one-half game behind them.

In the American League the Bombers took the Independence Day game at the Municipal Stadium from the Demons by a score of 8-2. On Tuesday the Clippers downed the Aces to remain in second, five games in back of the Bombers. The Aces are six games behind and the Demons seven.

National League				
	W	L	Pct.	G.B.
Giants	10	1	.909	-
Cubs	6	4	.600	3 1/2
Yankees	3	8	.273	7
Dodgers	2	8	.200	7 1/2

American League				
	W	L	Pct.	G.B.
Bombers	10	1	.909	-
Clippers	5	6	.456	5
Aces	4	7	.364	6
Demons	3	8	.260	7

The All-Star teams held workouts Saturday and will probably workout this Saturday. This will be the last week of regular Little League play due to the fact that the first All-Star game is July 23 and the teams will want the week preceding the game to practice.

Sal Ruffo Pitches Rees To 7-1 Win In Essex League

The Belleville Rees, fighting hard to get out of the second division in the Essex County League, had to be content with an even split in a pair of games last weekend. Coach Bill Murphy's charges managed to start the weekend off on the right foot, by upsetting the third place East Orange Browns 7-1, but dropped a Sunday engagement to second place Montclair by a 5-2 score.

Belleville, winner of five league games while dropping 10, will be idle on Saturday but will return to action on Sunday with the Rees playing an away game against the South Orange Dodgers at Cameron Field. Either Frank Spivorek or Sal Ruffo will receive the starting pitching assignment from Murphy.

In the 7-1 victory over the Soverels, Ruffo went all the way in the Saturday affair conducted at Grove Street Oval. The former right-handed pitcher for the Nutley Colonels was in complete command and gave up only five hits in the nine inning game. He struck out seven and issued only three bases on balls.

Ruffo had a shutout going until the sixth when Richie Menningham caught a good pitch and socked it for a home run for the Browns. Five walks issued by East Orange pitchers put the Soverels in hot water. The big blow of the inning was a two-run single by Richie Veith.

In the ninth inning the Rees added an insurance run when Tony Delbury wacked a double and scored on a single by Connie Egan.

Sam Graziano enjoyed a good day at the plate. He had a perfect game issued by East Orange pitchers put the Soverels in hot water. The big blow of the inning was a two-run single by Richie Veith.

In the Montclair game, manager Bill Manning's aggregation scored on a single by Belville never could catch up. Montclair had two-run innings in the second and third to take a 4-0 lead.

Spivorek, a left-handed pitcher who also hurried for the Nutley Colonels last year was the losing pitcher. He won three games and lost two.

ST. MARY'S MOVES INTO 2ND PLACE

St. Mary's stayed right in the thick of the five-team championship battle in the Essex County CYO Junior Baseball League with a thrilling last-inning victory over previously unbeaten St. Lucy's, of Newark, Sunday, at Branch Brook Extension.

The final score was 3-2 as St. Mary's moved into a second place tie with St. Francis Xavier, Newark, and Our Lady of Lourdes, West Orange, with its victory over the defending champion.

Jay Cullen again was the winning pitcher for St. Mary's notching his fourth win against the lone loss to St. Francis. He pitched a nine inning game, hurling down the line in the second and third after allowing the defending champs to take a 2-1 lead with single runs in the second and third after St. Mary's moved ahead with a run in the first. St. Mary's tallied twice in the seventh to win.

NO. 4 PLAYGROUND HAS HORSESHOE, PING-PONG BOUTS

George Pravalta, Yvonne Parrish, Ben Alexander Win In Close Competition

The children at No. 4 School playground took part in several tournaments during last week with intense competition in each.

In a round robin horseshoe tournament with eight entries, George Pravalta was a decisive winner taking all seven of his games. Anthony Pravo and Jack Lombardi tied for second with five wins each and Thomas Brown, in third place with four wins.

The girls settled as to their respective abilities at ping-pong by way of an elimination tournament. At the semi-final mark it was Mary DeMeo pitted against Josephine Pravalta and Shirley Haines versus Yvonne Parrish and Josephine were the winners and met in the finals with Yvonne Parrish the champion by a 2-1-1 score.

The boy's ping-pong championship was decided by a round robin tournament plus a Shaughnessy playoff. Robert Corri and Carl DeVona qualified for the playoff with four wins each. Pat Zicaro qualified by virtue of his six wins topped only by Ben Alexander, who went into the playoffs undefeated. In the Alexander versus DeVona match, Alexander won and in the Zicaro versus Corri match, Zicaro was the victor. The semifinal match between Alexander and Zicaro ended in a tie, so the winner was decided in a one-two order in the playoffs. Ben Alexander won the final 2-1.

Ben Alexander went through a few bad moments in their play off match.

Palma Represents Town

Thomas Palma of the Palma Realty Company, of 326 Union Avenue, represented Belleville at the North and West Essex Industrial Chamber of Commerce meeting, held on Tuesday at 6:00 p.m. The meeting was a splendid night dinner meeting at P.A. Cabin, in West Orange.

ST. ANTHONY'S FINISHES THIRD

First Half Race In CYO Baseball League Completed

St. Anthony's, Belleville, finished third in the first half race in the Essex County CYO Intermediate Baseball League by dropping a 6-3 decision to St. Casimir's, Newark, the defending champion, in the windup contest at Newark's Memorial Stadium. St. Anthony's compiled a 2-3 first-half record, losing its last two games in a row.

Winning pitcher Gene Lewandowski led St. Anthony's to two hits and didn't give up a run until the fourth when St. Anthony's scored all of its runs. But by the time St. Casimir's had a 5-0 lead after scoring three times in the first and twice in the third, the winners picked up their final tally right after St. Anthony's explosion.

The losing hurler was Pete Guglielmo but he deserved a better fate. He held St. Casimir's to three hits, two by Ed Sowinski. But five errors by his usually reliable mates proved to be his doom. The big blow was a triple by Sowinski.

All teams start the second half with a clean slate and St. Anthony's should get a lift in the second round chase on Sunday against St. Patrick's, Newark. St. Patrick's ended the first round winless and was blasted by St. Anthony's, 23-0, the first time around. The game will be the opener of a twin bill at Newark's Memorial Stadium. Starting time is 1 p.m.

EDWIN JOHNSON IS MADE EAGLE SCOUT

Edwin Johnson, son of Mr. and Mrs. Edwin Johnson of 121 Birchwood Drive, recently received the Eagle Scout Award, the highest honor held by Troop 305 of the Robert Treat Council of the Boy Scouts of America.

Recently elected by members of the troop to be a candidate for membership in the Order of the Arrow, the 14-year-old sophomore at Belleville High School has served through the ranks of junior leader to assistant patrol leader to his present status of senior patrol leader in the troop. To date, he has qualified for 25 merit badges. He is also a member of the high school band.

Braves Take Junior League Lead With Win Over Cubs In Third Week Of Play

As the Junior Recreation League enters its third week of activity the standings decided by the team which has played the fewest number of games, the Braves. In close pursuit of the Braves, who have a 1-0 record, are the Phillies and the Giants.

The Braves had one game rained out and played the Red Sox as this was being printed. In their one game, however, they sent the Cubs to their first defeat. The big man for the league leaders was Eddie Sazep, who pitched and hit with equal success. Sazep held the Cubs at bay while he contributed three hits to the attack.

The following night the Phillies and the Giants met in a battle for first place. Each had won a game previously without meeting defeat. The Phillies took a thriller, 2-1. Skippy Crudele gave up six hits and four bases on balls but yielded but one run in racking up his first win of the year. Mike Morano, who gave only two hits, one of the chaser variety, absorbed the loss.

This game was followed by another thriller when the Pirates came from behind to defeat the Red Sox, 6-5. At one time the Pirates led the Sox, 5-1, but came from behind to win in the bottom of the fourth to tie it up, and a single tally in the bottom of the sixth to win it. Bob Spatz was the winning hurler, and Joe Casale, who had five errors made behind him, took the loss.

After the Pirates had lifted themselves out of the cellar, the Cubs proceeded to knock the Phillies out of first place. The little bears came up with a last inning rally which brought them six runs and a 9-5 victory. Vinny Castellano held all the way for the winners while Dave Olson and Crudele hurried for the losers.

Three postponements followed the Cubs-Phillies game due to the inclement weather. The next game played was on Tuesday when the Cubs again took the field, this time with the Giants as their opponents. The Cubs were playing without their battery of Bilvona and Castellano.

The Giants ten runs in the top of the fourth inning without the benefit of a hit as Don Debrovick, Rutherford Letter Shop Quality Mimeographing Typing Addressing GENEVA 8-7699 80 Park Ave. Rutherford (Adjacent to new Municipal Parking Lot)

Whistling Boy

Summer is something special to a boy.
A green wind and a whistle on his lips
As well as his quick high-octane joy
At parks and pools and paper sailing ships.
It is three silver fish slipped on a string
As well as cartwheels down a windy lane
And twenty-seven pebbles he can fling
Or walking barefoot into cool gray rain.
Summer at best is only three months long
But timelessness is on him where he goes
In rhythm to his own and wordless song.
Since "now" is all the wisdom that he knows.

Anobél Armour

Sewerage Is Non-Partisan

To Governor Robert Meyner, the trunk sewers of the Passaic Valley Sewerage Commission are filled with pap and patronage.

The Times-News hopes that the Republican majority in the State Legislature will refuse to confirm the Governor's nomination of two Democrats to the \$6,500-a-year jobs on the Commission now held by Republicans. Is it the Governor's desire to name James J. McMahon, of Montclair, and Leon Kapp, of East Orange, to the seats held by Herman Blum, Commission chairman, and William F. Yoemans. The first two are Democrats, the latter two are Republicans.

The Times-News contends that politics is politics and sewerage is sewerage, and never, if possible, should they mix. Sometime the odors arising from one and the other are similar, but that is only incidental. To us, pap and patronage are the dregs of politics.

It is not our purpose to defend Bill Yoemans' \$6,500 paycheck. Yoemans is next to the top in Essex County's Clean Government and holds a fully paid job as executive vice chairman of the Essex Republican County Committee. As a pap-taker who thrives on partisan patronage, that makes him anathema to us, but we deny the right of the Governor to make partisan appointments to a board which is supposed to operate with efficiency a sewerage system upon which Belleville, along with a score of other river towns, is dependent.

Admitting that politics can thrive only on pap and patronage, we feel that Belleville would be better served by an executive board composed of engineers, public accountants, doctors or lawyers, professionally interested in the public health, than by pap-collecting politicians. McMahon's sole qualification for appointment is that he is a former Essex County Democratic Chairman and that he is the nominee for the job of present Democratic Chairman Dennis F. Carey.

R. E. H.

"Skill" Pays Profit

The Essex Clean Government Republican delegation in the State Legislature should refuse, Monday, to override the veto of Governor Meyner, who, rightly, feels

qualms of conscience about the constitutionality of the bill rendering legal games of "skill" at our boardwalk resorts.

The argument advanced in favor of the bill is that if the games are banned, our resort concessionaires will lose a million or two million dollars. If the games are run on the level and are really dependent upon the "skill" of the player, how, possibly, could they earn such a tremendous profit during the remainder of the brief shore season? The only "skill" involved is that of the concessionaires in getting the suckers to play the games. R.E.H.

Keep Psychos Off Roads

The decision taken in Trenton to cut from two to one a year the number of compulsory inspections for motor vehicles registered in New Jersey is sensible. Senseless was the obligation for more than two million motorists to line up for from one to four hours awaiting their turn at the inspection lines twice a year.

Governor Meyner, in ordering the elimination of the second annual inspection, stressed that it is a temporary relief and that the order will remain in effect only until enough inspection stations have been added to permit two inspections "without long waiting lines". The Times-News hopes that between now and that very indefinite date, Governor Meyner and the other Trenton bureaucrats will discover that things have changed since compulsory inspection was instituted in 1938.

Back 20 years ago there still were some cars with only two-wheel brakes on our roads. There were no power brakes, no power steering. One look at any 1938 model car would convince you that even two inspections a year were not enough. But with 1956 models, built for safe driving, one inspection a year is safely sufficient. A study of accident records would show that in better than nine out of ten cases, the driver and not a mechanical defect of the car was to blame. Even one car inspection a month, or one a week could not reduce the accident rate in 90 per cent of the cases.

It is our contention that the present system of examining a motorist once for his driving license which is to last a lifetime is obsolete. Traffic court records prove that too many drivers are psychopathic cases and that the psychosis is expressed in high speed, disregard for red lights, show - off driving, road hogging, failure to conform to standards of good, safe driving or riding constantly in the high speed lane regardless of traffic conditions.

At present, under the point system, a driver can lose his license temporarily by repeated convictions for traffic violations. That applies, in most cases, to towns. But there is no provision for the offenders who are not caught, particularly out in the open country where policing of our highways is haphazard at best. That is where the accident rate is highest.

If the State is really interested in protecting the 2,000,000 good drivers from the psychopathic few, it should invest its money in State Police road patrols, instead of inspection stations. If cars are inspected only once a year, the existing inspection stations will do the job amply, despite the annual increase of 290,000 motor vehicles in New Jersey. Since the drivers, not the cars, are the cause of most of our tragic accident toll, the State should concentrate on finding the mental defects of the drivers and not the mechanical defects of the cars.

R. E. H.

One Man's Opinion

Poland's Freedom And Right To Free Elections Is Our Business Under Potsdam Pledge

By Ralph Erle Heinnes

Poland, the unyielding border-country of the Catholic West, the long sword-belt between the Byzantine East and the materialism and imperialism of Prussia, is the test—the test by which the world will know the current of contemporary history.

Unhappily stretching between two historic foes, Russia and Prussia, who joined in her partition in the 18th Century, all through the 19th Century and again, on August 23, 1939, when, in the midnight ceremony in the Kremlin, Hitler, represented by Ribbentrop, and Stalin, with Molotov as his agent, signed their infamous agreement not to wage war on each other and dividing Poland between them, Poland was technically, the basic cause of World War II.

The declarations of war of France and Britain against Hitler's Germany were based on the rape of Poland. Both said they went to war to free Poland, in keeping with alliances and agreements. It now behooves the West to fulfill that promise of freedom to Poland. At Yalta, President Roosevelt won from Stalin a pledge to grant free elections in Poland. Stalin broke that pledge. Roosevelt did nothing about it. As a consequence, a Communist regime was imposed on Catholic Poland without benefit of ballots and with no consideration of Stalin's promise of representation for the Polish people, the Polish exile regime or for other non-Communist elements.

What happened in Poznan must not, therefore, be considered as a wholly Polish struggle. Whether, as Washington contends, it is a struggle between two factions of the Communist regime or whether it is a nationalistic effort to break the Communist chains, Poland is a martyr.

Until Poland is set free again, until the Poles can go unafraid to the polls and cast a ballot in a free election, World War II will have been fought in vain. The Western powers will have failed to fulfill the honest purpose of their declarations of war.

Signs of Strain
The revolt of Poznan, like the troubles in Tibet last week and the rioting in East Germany three years ago, prove undeniably the internal strains behind the Iron and the Bamboo curtains within the great Communist Eurasian empire which Stalin built, stretching from the Elbe River to the Yangtze.

The emphatic cry of "bread" which the rioters of Poznan shouted had a meaning which they wanted the world to hear. Poznan had been carefully primed for the great international trade fair which had attracted businessmen and buyers from all over the world.

To impress the world, through those foreign visitors, with the plenitude of Communism, Poznan showwindows were filled with inviting displays and Poznan restaurants were stocked with every delicacy. The Polish Communist regime intended to use the trade fair for propaganda purposes.

Why Poznan Chosen
In crying "Bread", the rioters sought, therefore, to give the lie to the well-stocked restaurants. They chose a Poznan rather than Warsaw or Cracow or another Polish city because they knew that the foreign visitors to the trade fair would carry the story of their demonstration to the outside world.

So They Say
HE KICKED LIKE A MULE

Donald J. O'Brien
Donald J. O'Brien, of 50 Fairview Place, died July 9 in St. Mary's Hospital, Passaic, after a brief illness. He was 45.

Mr. O'Brien was born in Newark and lived in Belleville more than 35 years. He was employed as assistant to the manager of the Clarion Chemical Corp., Newark, and had been affiliated with the firm for 13 years. Before that he had been employed by the former Nagler Hat Co. of Belleville.

Mr. O'Brien was active in the Holy Name Society of St. Peter's Church, Belleville, and the Cane Grove of the church. His wife Mrs. Helen Field O'Brien, was named Cane Mother of the Year by the church last year.

A graduate of Seton Hall parson school in 1929, Mr. O'Brien was a member of Kappa Tau Lambda social fraternity there.

Besides his wife, Mr. O'Brien is survived by his mother, Mrs. Anna Hyde O'Brien of Belleville; five sons, John, Eugene, Donald, Thomas and Michael; and three daughters, Patricia, Arlene and Helen, all at home, and three brothers, Rev. John J. O'Brien, pastor of All Saints' Church, Jersey City, A. Widner O'Brien of Belleville and W. Eugene O'Brien of Allwood.

of mobilization when Hitler unleashed his "blitzkrieg".

It is a matter of record that Poland was Hitler's first target in late Summer of 1939. France was his target only on May 10, 1940—only nine months later. France had had time to mobilize completely and to condition her divisions in the field. Yet France lasted only three weeks against Hitler's "blitzkrieg".

The West's Responsibility

Poland had had no time to mobilize. A few classes of reservists had been called up on August 24, 1939, but when the Polish government issued its order for general mobilization for August 29, there were shrieks of anguish in Paris and London.

Fearing that the Polish mobilization would be interpreted by Hitler as an unfriendly or aggressive act, the Chamberlains in London and the Dukes and the Bonnets in Paris put intense pressure on Warsaw and the general mobilization which was evoked, at the request of the French and British governments, a few hours after it had been posted.

When Hitler's first intentions became apparent at the midnight meeting in the Kremlin, where partition was decided, it was too late. A new general mobilization order was issued but Hitler's tanks were across the frontier and inside of Poland before the troop trains got under way.

Lack of Leadership

The subsequent Polish defensive campaign was bungled and badly by Marshal Ryszard Smigly, Polish commander-in-chief, who was no worse and no better than Generalissimo Gamelin was to prove himself to be in France.

He won a few local successes, because the Poles were patriots and excellent soldiers, but men against tanks have no chance of victory. The Marshal showed himself wholly unequal to the historic occasion. He lacked the qualities that Pilsudski had when he had thrown back the Red Russian army in the Battle of the Vistula in 1920.

The story of Hitler's "blitzkrieg" can be told quickly. The German invasion of Poland began

at dawn on September 1, 1939, and formal resistance ended on October 5, in the Battle of Kock, when the last regular Polish Army forces in the field, commanded by General Kieburg, were destroyed in a combined pincers operation of the German and their Soviet allies.

Decade Of Extremism

What followed is one of the foulest pages of history, a decade of the most degrading punishment any people ever suffered. Yet Poland and Polish patriotism has survived, as we have just been told at Poznan.

In a partitioned Poland, the Gestapo and the Red OGPU or NKVD moved in as soon as the armies stopped fighting.

The Nazis opened their notorious extermination camps at Auschwitz and elsewhere. The Russians began mass deportations. Through the Nazi starvation camps, or by deportation, or by mass murders,

eight million Poles died out of 30 millions, yet Polish resistance has never ceased.

The Poles can say, proudly, that they alone among the invaded peoples of Europe never have produced a "Quisling", during or since the war. When, early in 1939, Hitler approached the Warsaw government with an offer of a joint attack on Russia it was flatly rejected.

Poland, therefore, is the test. Poznan is a signal that Catholic Poland, although oppressed by Russian tyranny which, under the czars as under the Communists, has so often oppressed Poles in past centuries, has not surrendered.

The nation which gave Pilsudski, Madame Curie and Chopin to the world has a long score to settle with Moscow. Poznan shows us that the flame of Polish resistance still burns brightly. Poland must yet be free.

It's a Great Time to Buy a Buick

Buick Special 6-Door Sedan

(And at the Best Buy Yet!)

WHAT'S IN IT for you — if you step out and buy yourself a 1956 Buick right now? Well, first of all — the time is right.

Right now, your present car is at its peak worth. And, with the whole summer and almost half of '56 still ahead of you, you'll get more enjoyment out of a spirited new Buick this year — if you buy now.

Second, there's the matter of how much more automobile your money buys in the best Buick yet.

We tell you flatly that nowhere but in a '56 Buick can you get so much bounty for so little booty.

For example, take the beautiful big '56 Buick SPECIAL pictured here.

It's one big reason why Buick now ranks in the

top three of America's best-selling cars. Yet, you'll find it priced right close to the well-known smaller cars.

That sure makes Buick a whale of a lot of car for the money. And look:

Nowhere but in a '56 Buick can you get the absolute smoothness and the electrifying performance of Buick's terrific new Variable Pitch Dynaflo.*

Nowhere else can you get the obedient responsiveness of Buick's big and mighty new 322-cubic-inch V8 engine. Or Buick's matchless new handling ease and ever-level ride buoyancy — or Buick's bold new sweep-ahead styling, and solidity of structure, and stretch-out roominess.

Add it all up and the answer comes out the same, any way you figure it: Now's the time to buy your 1956 Buick.

Will you come in — before another sun sets — and get set with your best buy yet?

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century — optional at modest extra cost on the Special.

Remember When?

Five Years Ago

John F. Kiddle, president of Walter Kiddle Company was elected president of the Alumni Association of Stevens Institute of Technology.

Two Belleville men, Vincent E. Dunbar, of 16 Belle Terrace, and Edwin Perkins, of 195 DeWitt Avenue, were hurt in an explosion at the Warren Maritime Corporation plant in Newark.

Vincent Simione, of 239 Belleville Avenue, a pedler, reported that two of his watermelons were missing from his truck.

Mrs. Frances Mello, of 33 Belleville Avenue, was bitten by a dog on the right thigh, on the corner of William and Valley Streets.

Ten Years Ago

A Belleville sailor, fireman second class, Donald Bennett, of 224 DeWitt Avenue, was reported to have been one of the first to see the atomic tests at Bikini Island.

The Belleville office of the Bell Telephone Company announced that because of the increase of

telephone service, they were compelled to increase their personnel from 64 to 77.

Samuel Peck, musical director at Belleville High School, sang with the School Cantorum of New York in Lewisohn Stadium.

Sixteen Years Ago
Joseph King was named local chairman of the New Jersey Republican Finance Committee, backing Wendell Wilkie in the November election.

Eugene Berry, town health inspector warned people not to swim in the Passaic river which was reported to have 180 bacilli to every cubic centimeter of water.

The first redecoration of the public library was completed in ten years.

Lightning struck a house at 143 Belleville Avenue, where the town was hit by a series of storms and floods.

Two crews of the Nereid Boat Club competed in the National Regatta on the Shrewsbury River at Red Bank.

What do These Two have in common?

HE is a famous Philatelist.

He collects rare stamps. His collection is noted for its great value. Naturally it took many years and a high sense of values to acquire so many stamps so highly prized.

SHE is a FOOD FAIR Customer.

The stamps she collects are Food Fair's Merchants Green Stamps. She collects them in preference to all other trading stamps because she too, has an eye for a "buy" — she knows whether in buying food or in saving stamps, Food Fair and Merchants Green Stamps give her the "Mostest for the Leastest."

NEW! ECONOMY FOR COFFEE LOVERS

Fyne-Taste Instant Coffee

IT'S SO EASY TO PREPARE
Just place one heaping (meas or less according to your own taste) in a cup. Add boiling water, stir and serve. If you prefer cream and sugar or like it black and strong, you'll find real economy in this, new addition to the Food Fair Coffee Family.

ICED COFFEE MADE EASY
For summer time refreshment, here's an easy way to make iced coffee in just seconds. Place one heaping teaspoonful in a tall glass. Fill halfway with tapwater, add ice and serve. No boiling water necessary.
