School Unit Confronted With Facilities Problem

Group Of Parents From School No. 2 Attend Board Meeting To Seek Assurances School Will Not Be Closed; Citizens Argue Building Plans

Problems in two different areas of Belleville's school system came up for considerable discussion at Monday night's meeting of the Board of Education. Both problems, however, concerned school facilities available and possible changes anticipated for the future.

A large delegation of parents from School No. 2, located on Mill Street in the Soho section of town, attended the session to protest rumors they had heard about the possible closing of the school. The group urged the Board to either deny or confirm reports that it was considering closing the school because of a drop in enrollment.

The second discussion centered chiefly around private citizens attending the meeting, who argued the pros and cons of building a new school in town, to be used as either a senior or junior high.

SCHOOL PROGRAM DETERMINED BY COMMUNITY NEEDS

Education Professor Tells Better Schools Committee Ideal Curriculum Formula

Fed By Rumors
Board president William Allison Boyd told the worried parents from School No. 2 that their fears had been fed by rumors surrounding an assignment given the Lay Advisory Committee to study enrollment trends at schools No. 10, 2, and 6. Boyd pointed out that enrollment decreases have been noted at School No. 4, and that the figures at School No. 2 have been fairly constant.

"Until we get the report of the Board we will not discuss the matter. And when we do get the report, there is no guarantee that we will act completely on its recommendations," Boyd said. John Demark, head of the advisory group, said the enrollment survey would be presented to the Board in the near future.

George McGraw, one of the group of School No. 2 parents, said there has been considerable talk about the possibilities of closing the school and using it for administrative headquarters. In such a case, students would be shifted to School No. 4. McGraw, along with other parents attending, wanted assurances that this would not happen.

Boyd informed the group that no such action has been discussed, but that if the matter does come before the Board, residents of the area would be given sufficient notice so that the matter could be presented fully on all sides.

The school expansion situation was brought up when James R. Collier, head of the town's largest tax burden and urged trustees to press pressure efforts by school expansionists. Much of the present problem could be solved

SALARY INCREASE AT WESTINGHOUSE

An automatic pay increase will be granted to some 120,000 employees of Westinghouse Electric Corporation, it was announced today, as a result of the increase in the national cost-of-living index.

The increase will boost wages and salaries paid by the Company at the rate of \$2,500,000 a year, as a result of the increase in the national cost-of-living index.

The cost of living provision in the contracts, which was offered by Westinghouse to the unions as part of the 1955-56 contract, provides for a quarterly adjustment of one cent per hour for each 1/4 point change in the cost-of-living index. Under this formula, and on the basis of today's announced increase of one-tenth of one point, from July 15 to October 15, Westinghouse employees will receive a pay boost of one cent per hour.

Local Flier Has Operation At Sea

Lt. John F. Dunn Has Appendectomy Aboard Valley Forge

What seemed to be a case of "mild-seasickness," turned into an emergency operation at sea recently for Lt. (jg) John F. Dunn, USN, son of Mr. and Mrs. Joseph P. Dunn, of 8 Bell Street.

Lt. Dunn, a pilot with Air Anti-Submarine Squadron 36, awoke one morning aboard the aircraft carrier USS Valley Forge in the Caribbean feeling slightly sick in the stomach. He accepted the usual kidding about seasickness until his malaise turned to pain. Lt. Floyd B. Main, USN, ship's surgeon on the "Happy Valley," decided that Dunn's appendix needed removing — and within a matter of hours.

As the Valley Forge steamed through heavy seas, Dr. Main operated for the troublesome or-

Receive Little League Plaques

Plaques were presented to representatives of the winners in both the National and American Little Leagues last week. The Elks Club sponsored the Bombers, which won the American League pennant and the World Series, and Viking Tool Company was sponsor of the Giants, which won the National League race.

Shown in picture above is Dr. Donald Brown of the Elks; George McNally, exalted ruler of the Elks; J. Howley, president of the American League; Lawrence Lomax, vice president of Viking Tool; Leo Jackson, president of the National League; and Warren Knight, Commissioner of the Little League, all in front. Back row is Fred McQuiken, co-manager of the Bombers; Adam Gasperski, co-manager of the Giants; and George Sheridan, co-manager of the Giants. Gus Belus, co-manager of the Bombers was not present when the picture was taken.

Seven Residents Already Nominated For "Citizen Of The Year" Award

REC DEPARTMENT TO HOLD HOME LIGHTING CONTEST

Christmas Display Event Will Be Sponsored For Fourth Consecutive Year

Commissioner Elmer S. Hyde announced this week that the Recreation Department will conduct its fourth annual Home Christmas Display Contest. Any resident of Belleville may enter the contest by either mailing or phoning his name and address to the Recreation Department, 407 Jaramelen Street.

The name and address of entries will appear in the Belleville Times so that other residents can drive by and enjoy them. Belleville's residents have, each year, done an outstanding job as a community in decorating the homes and adding greatly to the warm Christmas spirit in our town, Hyde said.

A group of artists will judge the displays during the week before Christmas, probably on December 20. Superintendent of Recreation Robert E. Cook said that from past winners it can be concluded that it is not the costliest or largest displays that win most of the prizes, but rather the displays in good taste that convey the significance of the Christmas season. The judges in the past have leaned toward the more original displays. Handsome prizes will be awarded in the following categories, "Most Beautiful," "Most Original," "Most Artistic" and "Most Elaborate."

Cautious is made that only those who register with the Recreation Department can be included in the judging and eligibility for prizes and everyone is

Townpeople Eligible To Cast Votes Until December 21 Deadline

Seven local residents have already been nominated to receive the "Citizen of the Year" award being presented this year for the first time by the Times-News. With three weeks still to go in the public balloting for the selection, a moderately light vote has been received at the Times-News Office.

The seven candidates who have received votes so far in the contest are Mrs. Edward Rochau, member of the Board of Education and active in various civic affairs; Superintendent of Recreation Robert E. Cook; Glen Strow, Commissioner; Kenneth D. Smith; Edward O'Neil, active in Little League baseball and football programs; William Allison Boyd, president of the Board of Education; and Mrs. Irma B. Molnar, Service chairman of the Belleville Red Cross chapter.

Greater Recognition
The award has been instituted by the Times-News this year for the first time in an attempt to promote greater recognition for the men and women who have contributed to community life in Belleville during the past year. It is hoped the presentation of

ADULT SCHOOL TO HOLD OPEN HOUSE TUESDAY

School Advisory Group Meets To Plan Second Semester Courses, Dates

Herman D. Knuppel, director of the Belleville Adult School, has announced that there will be a public exhibition of some of the articles made in the adult school in the center hall of Belleville High School on Tuesday at 9:00 a.m. and also an opportunity to visit any of the classes at that time.

On the same night there will be a meeting of the Belleville Adult School Advisory Group, under the chairmanship of Judge Edward Ahrens in the Guidance Office at the high school. Final plans will be made for the second semester which will begin on February 5 and run through April 5. Jesse Starkman, chairman of the Curriculum Committee, will submit a tentative list of courses for approval of the advisory group.

The Face Is Familiar:

Retiring Mailman Recalls Horse And Buggy Days

By Rita Knoll

A familiar face to hundreds of Belleville's citizens will disappear from the local scene this week, when Gus Haberkost, local mail carrier, retires.

Known to many people as "Happy," Gus has been carrying mail for local citizens for the past 38 years. "In all that time, I've never had any trouble with the deliveries, and even today of the nicest people around," he added.

Reminiscing about the "good old days," Gus recalled ploughing through the snow for two deliveries every day except Sunday, at a time when all of Belleville was only served by five mail carriers. "Belleville was much smaller then," Gus remembered. "A whole area behind my house was made up of woods at that time." The house in which Gus, his wife, and part of his family still live, is at 41 Merz Avenue.

Four Children
The Haberkost family consists of three sons and one daughter, the oldest Jerry, now lives in Freeknock, Robert lives in Belleville, daughter Katherine, now married and living in Newark, and the youngest son, Paul, now in the U.S. Army, stationed at Fort Devens, Mass. And of course, there's Skippy, the Haberkost family dog. I've met some of the dogs have played a rather important role in the life of Gus Haberkost. Many people on his

Gus Haberkost

various routes know him as "the mailman with the dog." This came about when a friendly dog began to follow him on his route all over town. Later, when his route was changed, another dog began to follow him, and eventually the total came to about four.

Great piles of snow which

Unit System Of Control Is Adopted By School Board

New Administrative Method Combines Business, Education Authority Under Evan Thomas

In what has been called their most important policy-making decision in the past five years, Belleville Board of Education Monday night voted to adopt a system of unit control. By doing so, the Board has placed complete responsibility for the operation of the town's school system in the hands of Superintendent of Schools Evan H. Thomas. Becoming effective December 17, Thomas will be the one person answering directly to the Board on all matters of education and business.

In a stormy session, which at times saw Board members and private citizens exchange heated remarks, the Board decided to do away with the present dual system of control "for reasons of efficiency."

Following lengthy discussion among Board members and citizens in attendance, the Board voted 5-1 that the present dual system of control be replaced by a unit control system. Only trustee Eugene Kelly cast a dissenting vote. Kelly said the Board decided to do away with the present dual system of control "for reasons of efficiency."

Boyd pointed out that in 1952 the unit control system was tried here for an eight-month period, and that the Board reverted to the present dual system at that time during the trial period, Superintendent of Schools Thomas said. He said that during the eight months, he said, the Board had unanimously voted to go back to dual control.

The resolution proposing unit control was introduced by Board president William Allison Boyd, according to notice he had served last month. He said, "The Board of Education believes that public education can best be administered in Belleville by centralizing in and delegating to the superintendent of schools all executive and administrative authority and control of the school system."

Boyd pointed out that the Board did not intend to lessen or in any manner interfere with the duties of the secretary prescribed by state law. The resolution stated, "The superintendent shall complete jurisdiction over all Board of Education employees, except the Board secretary in the performance of his statutory duties only."

Vacancy To Be Filled
The new system of control does not eliminate the need for filling the position left vacant by the death of Ruel E. Daniels, former secretary and business manager to the Board. However, it is likely that the post will be filled with someone, such as an assistant superintendent in charge of business, who is responsible to Thomas, instead of to the Board directly.

(Continued On Page Two)

Belleville Janitors Ask Board For Two Changes
John Martotti, representing 18 credentialed by the Belleville school system, Monday night asked the Board of Education to reduce the steps on the janitors' pay grade from 10 to 5. This would enable custodians to reach the maximum pay in 6 years.

Martotti also asked that janitors be given Saturday mornings off. He said he has seen requests for comparison of custodial working conditions in surrounding school districts.

The Board replied that they would take the proposals under advisement.

Weekend Weather

The weather outlook for the weekend is not good. The forecast is for possible snow flurries with temperatures in the low 30's.

Rush For Adult School Classes

With textbooks and notebooks clutched under their arms, this group of women enthusiastically awaited the start of another session of Belleville's Adult School last week. They are a part of the record attendance now taking advantage of the courses offered this fall. Director Herman Knuppel announced that the semester will end next week with an open house for friends and family on December 4. Plans are already being formulated for the opening of the spring semester in January.

NEW JERSEY

Miss Jirak Becomes Bride At Local Church Ceremony

Mrs. Rudolph W. Vassallo

The wedding of Miss Joan Marie Jirak, daughter of Mr. and Mrs. Henry J. Jirak of 177 Cedar Hill Avenue, and Rudolph William Vassallo, son of Mr. and Mrs. Frank Vassallo of Hudson, took place Saturday in St. Peter's Church, with Rev. Francis Ignacius officiating. A reception was held at Rock Spring Coral Inn, West Orange.

Mrs. Albert Carragher was matron of honor and Mrs. Daniel J. Burns, cousin of the bride, was bridesmaid. Pat Vassallo served as his brother's best man.

Ushers included Paul Stacey and Daniel J. Burns.

The bride is a graduate of Katherine Gibbs School, Montclair.

Miss Gloria Vasta, of 27 Beverly Court, recently returned from a week's visit in Miami, Florida. While there, she stayed at the Bel-Aire hotel. Miss Vasta is an airline hostess for Eastern Airlines.

GOLDEN AGE CLUB PLANS XMAS PARTY

The Golden Age Club which met at the Recreation House on Wednesday afternoon, November 21, held a Thanksgiving social for the members.

Mrs. Stricker, president, reported that the club is growing with each meeting. A Christmas Party is now being arranged for the meeting of Tuesday, December 18 at 1:30 p.m. A special invitation is extended to all the folks of Belleville to come out for an enjoyable afternoon in sociable company. There is still plenty of room for more new members in the Golden Age Club. If you would like to attend the Christmas Party please call the Recreation House, PL 9-3421, for reservations and transportation.

Gruhin Association Plans Annual Christmas Party

The Robert C. Gruhin Association, decided at their Tuesday night meeting to hold their annual Christmas party on Saturday night, December 22. Each member will bring a gift valued at approximately one dollar. The gifts will be distributed to orphans' homes in the area. The party will be staged at the Franklin Casino.

The group also decided to hold their annual dinner-dance some time in February at the Fountain. They will be their third annual dinner-dance.

Twins daughters were born to Mr. and Mrs. John M. McCarthy, of Nutley, on November 26 at East Orange Hospital. Mrs. McCarthy is the former Diane Wylie of 37 Tappan Avenue. The couple has two other daughters, Maureen, 7, and Lynn, 4.

A son, Joseph Melace, Jr., was born to Mr. and Mrs. Melace, of 25 Tappan Avenue, on November 18. The couple's third child was born at East Orange General Hospital.

Mrs. and Mrs. Joseph P. Palermo, of 16 Fairview Place, became the parents of a son, Anthony Joseph, on November 14 at East Orange General Hospital. Mrs. Palermo is the former Angela Guggerelli of Nutley.

ANNUAL DINNER OF SCOUT ADVISORS IS TUESDAY NIGHT

The big night for scout advisors will be Tuesday, when the annual meeting and appreciation dinner will be held at the senior school cafeteria. Sponsored by the Rotary, Lions, Kiwanis and Craftsman's clubs, guests will be all ex-hunters, scoutmasters, explorer advisors and their wives, of the Belleville district of the Robert Treat Council.

Guest speaker will be Dr. Dieter Bausch, an exchange doctor from Germany, on the topic "Youth Under a Dictator." Dr. Bausch lived in Germany in the days of Hitler's rise to power and recently visited East Berlin to observe conditions under Russian domination.

The award of an Eagle Badge will go to Guy Stewart of Troop 301, Wesley Methodist Church. Former Eagle leader winners, Edwin Johnson and Michael Smith of Troop 305, PTA of School No. 5, will be honored guests.

Bernard Holzman, district chairman, will preside at the business meeting which will introduce new operating committee chairmen George W. Malek and Jesse Starkman.

Special Service Honoring Mrs. Sussman Is Tonight

A special service in honor of Mrs. Louis Sussman, of 66 Van Rye Place, newly re-elected president of the National Women's Service Club, will be held at 8:30 p.m. at the Wesley Methodist Church. The congregation will officiate. Mrs. Sussman will be the speaker of the evening. Leading will be offered by the Rabbi and Charles Rosenberg, Temple president.

Local Girls Tell Of Engagements

Miss Jeanne Frances

Mr. and Mrs. Anthony Frances, of 113 Emmet Street, have announced the engagement of their daughter, Jeanne, to Nicholas Domenick, of Newark.

The bride-elect attended Belleville High School, has fiance is a graduate of Central High School of Newark, and is presently associated with Jacobson and Company of Elizabeth.

The engagement was announced at a dinner party at the Robin Hood Inn.

MISS JEAN SHAUL BECOMES A BRIDE

Mrs. Charles Fanelli, Jr.

The marriage of Miss Jean Shaull, daughter of Mr. and Mrs. Albert A. Shaull, of Belleville, to Charles Fanelli, Jr., son of Mr. and Mrs. Charles Fanelli, of Nutley, took place on November 18. The ceremony was performed in Holy Family Church by Msgr. Anthony DeLuca. A reception followed at the Robin Hood Inn, in Clifton.

Given in marriage by her father, the bride wore a crystal silk gown with Alencon lace bodice and sleeves and a sabbina neckline covered with sequins and pearls. The bouffant skirt fell into a chapel train. Her illusion veil fell from a can covered with seed pearls. She carried white roses and pinks.

The maid of honor, Miss Margaret Schutz, was attired in a crystalline gown of peacock blue and carried white and yellow pompons. The bridesmaids were the Misses Joan Fanelli, sister of the bridegroom; Barbara Hovick, cousin of the bride; and Elaine Cicou. They wore turquoise and yellow pompons. Dressed like the maid of honor was the flower girl, Miss Cynthia DeBosis.

Frank Fanelli served as best man for his brother. The ushers were John Tolve, Ernest Capallo and Frank Ferrera.

The bride is a graduate of Belleville High School. Her husband, a graduate of Nutley High School, was recently discharged from the U. S. Army, being stationed in England for one year.

The couple are on a wedding trip to Florida.

Miss Roslyn Paul

Mr. and Mrs. J. Paul, of 492 Union Avenue, announce the engagement of their daughter, Roslyn, to Nicholas Domenick, of Newark.

Miss Paul attended Belleville High School and is presently attending Paterson State Teachers College where she is a member of Gamma Phi Lambda sorority.

Her fiance attended Snyder High School and is now affiliated with M and C Auto Supplies.

No date has been set for the wedding.

Campus Corner

Allice Encke, of 116 Continental Avenue, and Susan Welch, of 7 Branch Brook Drive, were named sophomore members of the philosophy honor society at Caldwell College for Women at ceremonies recently at the college. Miss Encke is a member of the Class of '58; Miss Welch, Class of '59.

Ronald H. Kabot, of 185 Branch Brook Drive, recently became a pledge of Pi Lambda Phi fraternity at Dartmouth College.

Kabot, son of Mr. and Mrs. Martin Kabot, is a graduate of Belleville High School and is in sophomore year at Dartmouth.

Two Belleville students attending Montclair State Teachers College have been named to the Dean's Honor list. They are Rosalind Parlapiano, daughter of Mr. and Mrs. Leonard J. Parlapiano, of 129 White Oak Terrace, and John T. Kierdon, son of Mr. and Mrs. George T. Kierdon, of 65 Bridge Street.

Miss Parlapiano, a junior majoring in English, is a member of the Delta Intermont, a member of the staff of the student newspaper, and of La Campana college yearbook. She is also active in the Newman Club and Spanish Club.

Kierdon, a sophomore French major, is also on the Montclair staff, is also a member of the French club and of Tau Sigma Delta fraternity.

Sandra Intermont, daughter of Mr. and Mrs. Edward F. Intermont, of 214 Fairway Avenue, has been accepted as a pledge of Kappa Alpha Theta sorority at the College of William and Mary, in Williamsburg, Virginia. Miss Intermont is a freshman at the college.

Receives FTR Award

Federal Telephone and Radio Company, Clifton, a division of International Telephone and Telegraph Corporation, today awarded a service pin and certificate to Patrick P. Perugini in recognition of 15 years of service.

Perugini, a carpenter at the Clifton plant, lives at 707 Belleville Avenue.

Legion Dance Tomorrow

Post 105 of American Legion will hold its home party and dance tomorrow evening at the Legion Home, 621 Washington Avenue. Music and refreshments will be on hand.

Miss Gail C. Fohert

The engagement of Miss Gail C. Fohert, and John M. Ranalli, was announced by her parents on Saturday at a celebration at the Fountain. Miss Fohert is the daughter of Mr. and Mrs. Harold Fohert, of 129 Tappan Avenue. Her fiance is the son of Mr. and Mrs. Michael Ranalli, of 23 Continental Avenue.

The bride-elect is a graduate of Belleville High School, and attended Averett Junior College in Virginia. She is employed with DuWitt Savings and Loan Company. Mr. Ranalli attended Belleville High School and Seton Hall Preparatory School and is associated with Ranalli and Soh Bakery of Newark.

The couple plan to wed in the fall of next year.

CLEANERS GROUP ELECTS OFFICERS

A meeting of the Belleville chapter of the United Cleaners Association of New Jersey was held last Thursday. Members, composed of cleaners and tailors of Nutley and Belleville, selected officers for the organization.

They are Anthony Caruso, Belleville, president; Ben Waring, Waring Cleaners, Nutley, vice president; Marie Petruselli, Garlen State Cleaners, Belleville, secretary and publicity chairman; Vincent Favone, Suburban Cleaners, Nutley, financial secretary; Allan Testa, Allan Cleaners, Nutley, treasurer; and R. Jackson, Wardell Cleaners, Belleville, Wardell Wardell-Greylock Cleaners, Belleville, Tony Tozzi, Tozzi and Sons Cleaners, Nutley, and Frank Trinano, Central Cleaners, Nutley, trustees.

Newest member accepted into the group is Arthur Jackson, president of Jolly Cleaners in Belleville.

St. Peter's Confraternity To Meet Monday Night

Mrs. Myron Baron, chairlady for Monday's meeting of St. Peter's Rosary Confraternity, has announced that a poodle and gift table will be displayed at the social hour following the group's meeting, which will start at 8:30 p.m. Assisting Mrs. Baron will be Mrs. William Bradman, Mrs. Rudolph Garbelly, Miss Margaret Gregg, Mrs. Mary Jeffers, Mrs. Gustave Jaglovski, Mrs. Edward Carr, Mrs. Sylvester Connelly, Mrs. Patrick Smith, Mrs. William Pinnerman, Mrs. Edward Costenbinder, Mrs. John Little and Miss J. Clowski.

Elinor Ryan, Morris Tetro Wed Saturday In Nutley

Mrs. Morris J. Tetro

Married at St. Mary's Church in Nutley, on Saturday, were Miss Elinor Catherine Ryan, daughter of Mr. and Mrs. Joseph V. Ryan, of 66 Greylock Avenue, and Morris Joseph Tetro, son of Mr. and Mrs. Joseph Tetro, of 32 Greylock Avenue. Rev. Gerald W. Walsh officiated at the ceremony which was followed by a reception at the Starlight Terrace Room of the Hotel Essex House, of Newark.

The bride was given in marriage by her father and was attended by her sister Eileen Ryan. Her bridesmaids were Miss Sandra Smith and Mrs. Delores Campbell, another sister. Susan Campbell, niece of the bride served as flower girl.

Elinor Tetro served as best man for her brother. Ushers were James Ryan, brother of the bride, and Dominick Tetro, another brother of the bridegroom.

The bride wore a princess style gown of white velvet trimmed with alencon lace. Her bouquet was of white roses on a prayer book. The bride's attendants wore Arabian peacock green velvet gowns and carried bouquets of red and yellow pom poms.

Both Mrs. and Mrs. Tetro are graduates of Belleville High School. At present they are on a three-week trip to Florida.

St. Mary's Christmas Sale

St. Mary's School will hold a Christmas sale tomorrow afternoon and Saturday afternoon and evening in the church hall. A varied selection of gifts is available. The sale is open to the public.

SPOTLIGHT on SPORTS

Belleville Finishes in Blaze

Leave it to Belleville High School's football team to do things differently. For the first half of the season everyone was moaning about the Blues as the Blue and Gold disappointed its followers with five successive defeats. Things looked mighty grim for the remainder of the campaign but Coach Ed Berinski and his charges refused to give up and came on to win their last four games in a row to make up for the poor start.

The Bellos reached their peak in the annual Thanksgiving Day game against Orange. The Tornadoes weren't much of a match for the high flying Belleville eleven as 135-pound Pete Duca, a fleet-footed seatback, and fullback Gene Pinadella sparked the Blue and Gold to a well earned 19-6 victory.

Orange appeared like it was going to put up a stiff fight but several penalties and fumbles hurt the Tornadoes' scoring opportunity. The two teams played to a scoreless first half before about 4,000 fans but in the second half Berinski's boys started to click on all cylinders.

Galtore To Start For Lafayette

Gordon Galtore, former Belleville High School basketball star of four years ago, is expected to be in the starting lineup when Lafayette College, of Easton, Pa., opens its season tomorrow night against Swarthmore College. Galtore, who stands six-feet, four inches, fits right in with the Leopards team which is unusually strong in the height department.

Head Coach George Davidson is satisfied with his starting five, which consists of five veterans, including Galtore. The question mark, however, is in the reserve department where illness and injuries have depleted the squad. The varsity group has been reduced to only 12 players.

Galtore got his basketball start under veteran Blue and Gold court mentor Herman "Jitty" Wische and has been progressing with each passing year at Lafayette. Galtore was a member of the freshman team and is now starting out his third year on the varsity.

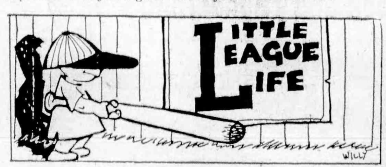

Davidson does not expect too much trouble from Swarthmore College tomorrow night so it will be an ideal opportunity for Galtore to get off to a good start.

The Lafayette starting five is loaded with Essex talent. Belleville fans and players will remember Tony Mack, a five-foot 10-inch guard from Bloomfield and Stu Murray, six-foot forward from West Orange. Mack is serving as captain of the Leopards basketball team.

Crystal Gazing

Well, at long last the 1956 football season is over and for this prognosticator it's none too soon. This was what you could call a "crazy mixed up season." Trying to pick the winners of the Nutley and Belleville games turned out to be my downfall. If I predicted the local team to win, something always seemed to turn up. Belleville got off to a slow start and dropped its first five games, while Nutley did the opposite. The Maroon Raiders started off well but slowed down to a walk and went down to defeat in their last three games. Ah, but how I love to predict the outcomes of the Montclair games. There is a cinch if I ever saw one, and who could possibly go against my sticking with too much. On Thanksgiving Day Richie and Bob went to town again and swamped once beaten Bloomfield, 33-7.

As for the rest of the Thanksgiving Day games I finished the season on an average note by selecting seven of 10 outcomes. Nutley proved me wrong once again, while Central upset East Side and West Orange came to life against Columbia. During the last nine weeks I have called 60 of 85 scheduled games correctly for a modest 70% average. Am I glad to put that crystal ball away until next September. Maybe a good rest is just what it needs?

The Belleville Little League's 11th annual Little League Baseball Party, given annually to the boys who actively participated in the previous season, will be held Saturday afternoon, at the Leagues' hall. Activities will start at two o'clock and will conclude before five.

The guests expected will be Recreation Commissioner Hyde, Deputy Commissioner Lampan, Recreation Superintendent Bob Cook, his assistant Hal Riggs, Commissioner of the Farm League Ralph Baker and the umpires Fred Strawn and Tommy Rice. The celebrities who have promised to be in attendance are Sam Dente, four major league mainstay of the Cleveland Indians, Boston Red Sox, Chicago White Sox and Washington Senators; plus Douglas "Scotty" Robb whose professional career encompassed activities in both the National and American Leagues is an umpire. Refreshments will be served after the awards are given to the members of the winning teams in each league and the members of the successful All Recreation Department Little League buttons will be given to the boys who are first and second in the Little League this year.

The Little League Managers and Co-Managers plan an attendance at the scheduled meeting of Farm League Managers on Monday evening, December 3, at the Recreation House for the purpose of working out a closer coordination between these two groups. A closer coordination will result in a definite benefit for

Blue And Gold Courtmen Open Season Tuesday Night

Four Juniors Expected To Be In Starting Lineup When Team Takes Floor Against Passaic

By Dave Thaler

The Blue and Gold courtmen, loaded with juniors, take on a rugged Passaic team, Tuesday. The home team is going on the court with only one week of practice, due to the early opening date, and the late closing date of football. The team is composed of eight juniors, one sophomore, and three seniors. The team is of average height, with the biggest men, Dom Klein and Nick Cetrulo, standing at six foot-one.

There will be no charge in Belleville's offensive pattern. The team will be fast breaking in the first half, trying to run the other team into the floor. The defense will still employ the zone, but it will be a different type zone due to the change in rules, widening the three-second line to twelve feet.

Coach "Jitty" Wische has but one returning letterman, Dominick Klein. There are others who were limited action last year, but on the whole this will be an inexperienced team. They have showed that in their two games against Central and Rutherford, but they have also shown promise of developing into a good squad. Wische feels that the team will make quite a few mistakes in the first few games, but they will become progressively better. When they hit their peak, they should be a formidable foe for any team.

Iron Out Mistakes Belleville's schedule pits them against Passaic and Garfield, in their first two games. If they can iron out their mistakes after these two games, they should be competitive in the Big Ten title. Two games, however, is not ordinarily enough time for a team to straighten it out. The Bellos' fortunes will probably depend on how much more they have improved this year.

The two combinations that Wische has been using are Cetrulo, Klein and Kimble, and Cetrulo, Klein and Kimble, forwards in one set. The other unit has Klein and MacFadden at the guards, Pinadella, center, and Riccio and Harcum up front.

The starting lineup probably will be a mixture of these combinations, but there will undoubtedly be four juniors in the lineup.

Klein Big Gun The big gun for Belleville is Dom Klein, 6'1", 175 lbs. The 6'1" guard earned his letter as a sophomore last year, and was a star on the basketball team. He is a fast, efficient player, outside shot, and can drive well.

The defensive man will have to be Cetrulo. He will be giving away three or four inches each game, and only skill can keep that man's points total down. He has shown an uncanny knack for blocking driving shots, but if he can continue to do it, he will be a big man around him as another star.

Passaic has a veteran team and they will have the advantage in experience, and Belleville will have to keep their mistakes at a minimum if they are to start off on a winning foot.

GRIDDERS END YEAR WITH FOURTH STRAIGHT VICTORY

Defeat Orange, 19-6.
On Thanksgiving Day
For 4-5 Season Record

Completing their about face, the Blue and Gold gridriders smothered Orange, 19-6, Thanksgiving Day, giving them four straight victories, and a won-lost record of four and five. Pete Duca, playing his last game for Belleville, and Gene Pinadella, a junior, were the biggest guns offensively for the Bellos. Pat McCabe was the outstanding defensive player. The junior co-captain will play his fourth year of varsity ball next year.

The Blue and Gold scored first and matched an Orange touchdown in between to rack up their win. Belleville was effective only on the ground. The Bellos had a total of 130 yards, and that gained no yardage.

The first half was sea-saw. Neither team was able to gain the ball game. Orange was overloading one side of the line, but Belleville was taking advantage of it. McCabe couldn't get an aerial attack going, and when he directed his team near the goal, they are stalling by a tight defense.

Pinadella finally took the ball into the end zone, and added the extra point to give Belleville a seven-point lead.

That was all the scoring in the first half. In the second portion of the game, however, the pace picked up. Duca, who had been making nice gains all afternoon made it 13-0. The extra point was missed.

Then Orange scored. Aided by a pass interference and an unsportsmanlike conduct penalty, the Tornadoes moved into Belleville territory. It took them little time to rack up their first score of the day. The try for the extra point was missed.

With the score 13-6, Belleville got themselves some breathing room. Day Kimble tallied the final try, taking it to an end-around. Then Pinadella missed his first conversion of the year.

The game was a great job, opening holes, and that the backs were making few mistakes after the first half. It was a team victory all the way, and all that Belleville fans can do "wait for next year."

Little League Football Champions

Above is the team sponsored by Federal Industries Company, which won the championship of the heavyweight division of the Belleville Recreation Department Football Little League. The Federals compiled a season record of four victories, one tie and one loss to gain possession of the individual championship trophies to be presented each boy by the Recreation Department in the near future.

In the front row left to right are: Dick Materazzi, Bob Turano, Dennis Cardinale, Paul Russo, George Frank, Anthony Vacaro, Frank Teleschi, Paul Giordano and Bob Oranagnola. Rear row: Bob Landolf, Tom Maguire, Bill Hollar, Ken Vitty, Walt Smith Jr. Coach Walter Smith Sr., Frank Annichiarico, Don Cavanna, Mike Rega and Allen Turken.

Rec Weightlifting Team To Enter Competition This Year

Each Monday, Tuesday, Wednesday and Thursday afternoon at the Municipal Stadium a group of young men pit their muscle against iron weights in the Belleville Barbell Club. The Recreation Department has established a very well-equipped weight-lifting gym in a room resurrected from beneath the Stadium. Training sessions are conducted by Superintendent of Recreation Robert E. Cook.

Cook reports that a very promising group of young men is currently in training. One of them, thirteen year old Vincent Cantalupo has accomplished a truly creditable lift this week. Vincent did a military press of 102 pounds, which is two pounds over his own bodyweight. Only one in 100,000 athletes is able to do this lift with a weight equal to their own weight. Having passed this milestone at so early an age Vincent can look to future victories in competitive lifting.

Contrary to public opinion, lifts do not become muscle-bound if they train properly. Belleville's young lifters have figured prominently on school football teams, track teams and crews. Cook says that all one needs to know to dispel fears of years or over is welcome at the club.

Any young man of thirteen or over is welcome at the club.

Through the Oven Door
in your Heckers RECIPE BOOK
Angel food, sunshine and sponge cakes should be torn with 2 forks, or an angel food breaker, to prevent crushing and setting caused by cutting.

We hear a lot these days about protein. It's a primary builder of healthy, strong bodies—and we all need plenty of it every day.

Heckers' flour is a splendid supplier of protein because it's milled from choice slow-maturing, protein-rich wheats. But Heckers' big extras are the better texture and fuller flavor it gives to your home baking. That's because Heckers' is allowed to take its own sweet time in turning a new white wheat into the use of bleaching agents. Heckers' is NATURALLY WHITE. Yet it costs no more.

Everyone likes change—so how about trying this different dessert: Plantation Pecan Pie!

PLANTATION Pecan Pie

For Crust:
1 1/2 cups Heckers' unleached flour
3/4 teaspoon salt
2 1/2 cups lard or shortening
2 1/2 tablespoons water
Sift flour with salt, add lard (room temperature) and cut in with pastry blender until mixture resembles coarse meal. Add water and form ball. Roll out on pastry cloth. Fit into 9" pie tin, trim and crimp edges. Prick bottom liberally.

For Filling:
4 tablespoons butter
3/4 cup brown sugar
1 cup dark corn syrup
3 eggs (beaten)
1 teaspoon vanilla
1/2 teaspoon salt
1 cup broken pecan pieces
Cream butter and sugar, add syrup, eggs, vanilla and salt. Blend well. Add pecans and turn into unbleached 9" pie crust. Bake in hot oven (450°) for 10 minutes, reduce heat to 325° and bake about 50 minutes. Serve with whipped cream.

Odes To Hungary

Bless the Magyar, O our God,
Bountifully, gladly!
Shield with Thy protecting hand
When his foes smite madly!
Fate, of old, has rent him sore;
May it now bring healing!
By-gone sins are all atoned,
Ev'n the future sealing.

Ferenc Kolcsay (1790-1838)
(Hungarian National Anthem)

Magyars, rise, your country calls you!
Meet this hour, whatever befalls you!
Shall we freemen be, or slaves?
Choose the lot your spirit craves! ...
By Hungary's holy God
Do we swear,
Do we swear that servile chains
We'll no more bear! ...

Sándor Petöfi (1823-1849)

Postscript To Election

Adlai Stevenson, who sought election to the Presidency chiefly by insulting President Eisenhower, calling him "a part time President", did proclaim two unhappy basic policies: he would end the draft and he would negotiate with Russia, even without controls, an agreement to terminate the tests of atomic weapons. Such an agreement, obviously, would depend upon the value of Soviet pledges.

We had, this week in Budapest, tragic evidence of the value of Soviet pledges. The Soviet Kommandatura in Budapest kidnapped Nagy, former Hungarian Premier, and spirited him off to fateful imprisonment in Rumania after the Hungarian Communist Government had given Tito a written assurance that Nagy and his associates, who had taken political refuge in the Yugoslav Embassy, would be safe from political reprisals if they left the Embassy to return to their homes.

The folly of eliminating the draft is best exposed by the action of Russia in offering Egypt 50,000 "volunteers" while Red China chipped in and doubled the offer. That should prove that both powers, on the opposite side of the fence from us, have overflowing manpower pools. It would be no time for us to cut our losses.

How fortunate that the American people, in their electoral wisdom, refused to confide their security and their foreign relations to such ignorance. R.E.H.

A New Gas Tax Is Unnecessary

Weighing the pro and cons of the Eisenhower road building program as it applies to New Jersey, The Times-News has concluded that New Jersey must obtain the benefits of the Federal Highway Revenue Acts of 1956 but that our State government must finance it out of present revenues and must not saddle another penny gasoline tax on New Jersey motorists.

Under the Eisenhower road program, New Jersey would raise only a dime for every dollar of road construction under that capital investment. The Federal government has already allocated \$95,134,106 a year for the next two years, contingent only upon

New Jersey matching it with \$19,738,000. All our Legislature has to do to get the 95 million dollars of Federal funds is to decide how to raise the State's share.

State Highway Commissioner Dwight R. G. Palmer announced last week that he has put the proposed Essex east-west freeway at the top of the list of superhighway projects to be built under the 90-10 plan of Federal-State matching funds roadbuilding program. The freeway, destined to run from Route 22 in Newark to Route 46 in Morris County would cost about \$120,000,000. New Jersey's share would be only \$12,000,000.

Governor Robert B. Meyner said that he will ask the Legislature which resumed its sessions last week, to give top priority to the solution of the financial puzzle involved in raising the State's share. Meyner has asked the Legislature to approve an additional penny gasoline tax.

The Republican majority in the Legislature, through its spokesman, Senate President Wayne Dumont, Jr., has refused to go along with that added tax on gasoline. Essex County's Clean Government organization, through Assembly Speaker Leo J. Mosch, let it be known that its delegation in Trenton will oppose any additional tax on gas.

Finding ourselves strange bed-fellows for once, The Times-News goes along with Clean Government. It is their contention, and ours, that the State can raise the needed fund of less than 2 million dollars by sweeping up uncommitted surpluses in various state departments, without adding another penny to our gasoline taxes.

There is, for example, an uncommitted surplus of \$15,500,000 in state highway funds which could be used. The State administration has expressed a desire to have an annual appropriation of \$10,000,000 to buy the rights of way for new and enlarged highways. There is no need for such an annual recurring appropriation. The purchase of rights of way far beyond the immediate needs is wasteful in that it ties up millions and removes property from local tax rolls. That ten million dollar item can be converted to the needed matching funds.

The State must cut its cloth to fit its need. The immediate need is for something less than twenty million dollars to match the Federal government's allocation and insure getting that fund for our highway construction needs. Everything should be done to capitalize on the Eisenhower appropriation. The purchase of rights of way for future "dream highways" must be postponed. All surpluses must be pooled until the twenty million dollars are assured.

Our opposition to the new penny gas tax is based on past, sorry experience. Once the tax is imposed, it will be with us forever. The need for matching funds is only of two years duration. After two years, would the Meyner administration cut off the new penny tax? Have they ever cut off any tax? Of course not; once the two years are over, the added gas tax will simply allow more inflated spending.

New Jersey motorists now pay annually \$150,000,000 in State taxes and nearly as much more in Federal taxes. To support its highway aid program the Federal government has already raised gasoline taxes and imposed levies on tires, lubricating oils and accessories. New Jersey's share of the increased Federal taxes on the motorist will amount to about \$132,000,000 a year and it is our contention that the motorist is already carrying enough of a burden without adding another \$18,000,000 annually through another penny State gasoline tax. R.E.H.

One Man's Opinion

Russia's Murderous Repressions In Hungary Were Inspired By Budapest's Withdrawal From Warsaw Pact, Whetting Moscow's Fears

By Ralph Eric Heinzen

When the Kremlin threw ten divisions of the Red Army and 4,000 Soviet tanks into Hungary to crush a revolution which concerned only the shade of red of a Communist government in Budapest—a National Communist regime aping Tito or a Stalinist Communist regime—it should have proved to the world that Moscow is shaking in her boots.

The masters of the Kremlin are afraid of a World War III because, as General Alfred M. Gruenther, in his final act as retiring Supreme Allied Commander in Europe, told them from his NATO headquarters in Paris—the Soviet Union and the Soviet bloc would be destroyed "as sure as day follows night" if they attacked the West. Gruenther is not a Patton-type, blustering and boastful; when he talks, rarely, he means what he says.

A look at a map, such as that pictured alongside, shows that while the United States is a prime target of Soviet air power across the top of the world, the air-lanes are not one-way. Red Russia is just as prime a target across the North Pole as is the United States.

In addition, we have NATO and all of the military might—and the convenient air and naval bases—of our European allies, plus their war-craft carriers, floating tankers that could be used for air attacks on Russia.

All that Russia has is Red China's lip service and the Warsaw Pact, Poland, Hungary, Czechoslovakia, Rumania and Bulgaria, along with East Germany and Albania, were pledged to go to war on the Kremlin's side if the Soviet Union attacks or is attacked.

In this "One Man's Opinion", it would be hard to sign the Moscow state of nerves and her fears of the collapse of her Warsaw Pact when the Hungarian revolt reached the point where the National Communist emergency regime in Budapest renounced the Warsaw Pact.

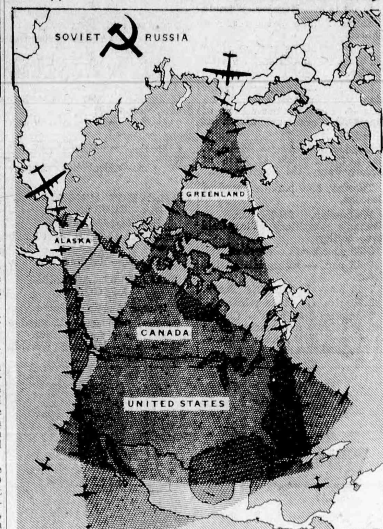

Advantage Is Ours Militarily, there is no comparison between the Warsaw Pact and NATO. France, Britain, Turkey, Greece and the other Western powers which are banded together the North Atlantic Treaty Organization "banned" are first-rate military powers.

They, plus Spain and their North African and Middle East empires, provide more than a hundred convenient airbases which have been modernized and lengthened to accommodate our biggest bombers. The Kremlin has a deathly fear that the Warsaw Pact will collapse and that we will gain bases in Poland or in Hungary or in East Germany. That explains why 4,000 Russian tanks roared into Hungary, allegedly responding to the request of the Kadar government.

But even those 4,000 tanks and 200,000 Soviet troops have been helpless to end the "independence strike" and to drive ten million Hungarians back to their factories, tractors, desks and schools.

Certainty Of Retaliation That fear is well grounded, as General Gruenther warned the Kremlin. He told them in no uncertain terms that if Russia attacks, even by surprise without a formal declaration of war, we can and will retaliate.

Traffic Over North Pole Is Two-Way

If you ever had any notions about Russia being remote, take a look at the map above. By flying across the top of the world, Russian bombers are, at the closest, barely six hours away from the United States. But by the same token, key targets in Russia are exactly the same distance away from our air bases and even much closer from bases in NATO countries. That should explain why Russia has set out to destroy NATO and cut off the West's flow of oil.

The Russians, on the other hand, have divisions of foot troops within the borders of their satellites, but they have their bombers massed on Russian airports. As the accompanying map shows, those Russian air bases are far more vulnerable than ours because they are massed, not dispersed.

Russia has no aircraft carriers worthy of the name. We have and once we regain our freedom of movement with the reopening of the Suez Canal, we will be able to launch bombers—large enough to carry atomic bombs—from the decks of our carriers on three sides of Russia. Even in the Far East we possess on Okinawa and at other prepared bases a massed power which is from five to ten times stronger than Russia's combined air power in Eastern Siberia. She would have to fly a thousand bombers into Siberia to pull equal and by then we could have fortified our positions.

For all those reasons, it is this "One Man's Opinion" that the Kremlin acted from fear in Warsaw and in Budapest, and not from a reversion to Stalinism, as was concluded in many places after her brutal repressions in Hungary. We have ascertained that high up in our government, that is the current opinion.

In Washington, it is pointed out that Poland's Titoist Communist government of Wladyslaw Gomulka is being tolerated because he was careful not to denounce

terms of force, followed her instincts of brutal repression, using tanks against schoolboys and deporting the Hungarian patriots merely to protect herself against any fissure in the Warsaw Pact on the Hungarian front.

That was the last straw. Moscow, which can think only in

NEW JERSEY BELL TELEPHONE COMPANY

LETTERS To The Editor

Editor, Belleville Times-News:

A recent newspaper states that the members of the Belleville Board of Education favor a school system which includes a Junior High. They know that this town's young people will be left in the dust of their contemporaries from more modern schools, which are found not only in towns next door to Belleville but also throughout the whole United States.

Where will Belleville get the "home ec" facilities, typing rooms, etc. necessary to a junior high school? It boils down to this: either a new high school or a Junior High building must be constructed.

Any Belleville, and especially any member of the Board of Education, who suggests putting up a new school building here will be attacked immediately by selfish little people. Of these there are two kinds. Most common are the typical progress-hoopers who believe that what was good enough for their children (and yours, too) can be recognized by the theme song, "We studied in the auditorium

when we went to Belleville High School. What's wrong with that?" Educators and the youngsters who are now doing it can tell you plenty about what's wrong with studying in the auditorium—and in the cafeteria, too. We should ask these improperly educated persons of the past if they drive the same cars that they did when they were in school. The need for teachers, technicians and engineers is the same as when we were in school.

The most dangerous opposition to your children's progress comes from the so-called leaders of the community who are over-solicitous about the people's ability to pay for a school. These same people are not so concerned about the people's ability to pay for public facilities under their control. They will argue about enrollments as though the town's children were going to vanish with the Pied Piper. They will criticize even the building proposal. Finally some will say that the Board of Education wants to build a monument to itself.

Behind the smokescreen of words the real issue is money, our tax money. It is about how it is spent. In order to know what to say, compare Belleville's school system with other places both as to curriculum and plant, and attend informative meetings. Go to meetings of the Belleville Board of Education, the fourth

Monday of every month, to learn what progress is being made and to tell them what you think your children should have. To make tell you plenty about what's certain that you understand go to meetings of your town Commissioners and tell them the same thing.

Mrs. A. G. Love

STUDENTS HEAR SPEAKER ON AUTOS

On Wednesday, November 14, interested junior and senior Belleville High boys had the opportunity to hear Salvatore Martorelli speak on auto mechanics. Martorelli told the group of the actual work of an auto mechanic, the training necessary to enter the field, the average pay scale and other opportunities in the field.

The program, one of a series arranged for by the Kiwanis Club and the high school guidance department, consisted of a talk on auto mechanics by Martorelli and a question-answer period.

Over 45 boys attended the vocational guidance talk on auto mechanics. Robert Latorza, chairman of the educational committee of the Kiwanis Club, a planning to present a speaker on the position of Airline Hostess on November 29.
