

Holy Family Breaks Ground Sunday For New School Addition

New Eight - Classroom Addition To Cost Between \$225,000 And \$250,000 And Will Be Attached To Present Building; Hope For September Opening

Ground breaking ceremonies for an eight-classroom addition to Holy Family parochial school, in Brookline Avenue, will take place on Sunday afternoon at 3:30 o'clock with Msgr. Anthony DiLuca turning the first spadeful of dirt for the structure which will cost between \$225,000 and \$250,000. The new two-story enlargement will be attached to the rear of the present eight-room building and will double the student capacity of the parochial school.

Construction contracts were awarded on Monday after the opening of bids and work will begin next week with church officials hopeful that the school addition will be ready for occupancy by the time school reopens in September.

Awarded the contract for general construction work was the Bielefio Construction Company, of Belleville. The Belleville firm was the lowest of eight bidders. The architects for the school addition were DeSina and Pellegrino, of New York City. The new addition will have four classrooms on each floor and will bring the total number of rooms to 12. The cost of the school's capacity to over 1,000.

For the last couple of years Holy Family school has been over-subscribed and many prospective pupils from Nutley and Belleville have had to be turned away. The enrollment for the current term is 625.

The estimated enrollment for the fall term is expected to be over 700 and will be increasing gradually every year until the enrollment will be well over 1,000 students, according to Rev. Francis Blake.

Msgr. DiLuca will officiate at the ground breaking exercises on Sunday in the presence of town officials from Nutley and Belleville along with many church dignitaries.

For Msgr. DiLuca this will mark the fourth time that he will break ground for a new church building.

RED CROSS DRIVE LAGS WITH ONLY \$5,167 COLLECTED

With just one more week to go in the Red Cross campaign, the Belleville Chapter of the American Red Cross is lagging behind other chapters. Campaign chairman Dr. Frank DiRuggiero stated that the goal of the month long drive was \$25,000. Although there is still a long way to go, he is hopeful of meeting the goal.

To date, only \$21 has been reported for the residential division. Heading the divisions are: the men's division with \$2,672 and industrial corporates with \$1,465. However, in comparison with previous year's returns the corporate is shown to be lagging behind.

Other major divisions with reports are commercial, \$595; organizations, \$210; and special gifts, \$181.

The Face Is Familiar:

Passaic Avenue School Gains Under Grossman

by Myrna Lamb

'Sy' Grossman is proud of his school. There is no mistaking the fact that being principal of Passaic Avenue School No. Seven, makes him a "most happy fella."

First of all, he's proud and happy to have been chosen principal at such a young age. "It gives me all the more time to be serving in my job," he says. Then there's the way he feels about his pupils. "They're my family. I'm father and brother to them." Perhaps the fact that Grossman is the sixth of ten children in his own family, explains his feeling of well-being in his job.

Then he's proud of the school building, the addition, the renovation, even the "exceptionally clean boiler room." (And it was!) His pride certainly does not seem unfounded. The new wing is a revelation, with its corkboards, flannelboards, and chalkboards. The bright clean color, the perfect combination of natural and artificial lighting, the assorted and ample facilities, all scaled to human heights, all comfortable, attractive, utilitarian, speak vividly of the better future for all children.

Grossman seems to know every teacher by name, and is genuinely interested in the progress of the class. Each grade functions as an independent unit. There's no week and play projects. The activity is infectious. The kindergarteners have a world of their own, separate play

ST. PETER'S FUND FOR NEW BUILDING IS OVERSUBSCRIBED

Campaign Workers Report \$152,280 Collected So Far At Drive Goes Over Top

The St. Peter's Building Fund Campaign Committee held its second general report meeting Tuesday evening and an additional \$36,905 in gifts was reported by the campaign workers. This brings the total in the campaign to date to \$152,280 which is an over-subscription of \$2,280 of the minimum goal of \$150,000.

The Rev. Francis A. Ignacino, administrator Roman Catholic Church addressed the men at the meeting and said tribute to the campaign workers for the outstanding work that they have accomplished. Father Ignacino also praised the great generosity of the parishioners of St. Peter's Church as well as the friends of St. Peter's who have made such wonderful sacrifices towards the campaign. "We can give thanks to Almighty God that He has been so good to us in answering our prayers and making the campaign the success that it is," added Father Ignacino.

The general committee is headed by Edward Fitzgerald and associate chairman James Leonard and assisted by John Andrews, John Cahill, Jack Carmo, Joe Cocco, Russell Conforty, Malcolm Gordon, John Corrigan, George Conway, Harry Conway, Edward Costenbaker, Michael Carnevale, Joseph Carso, Albert Carragher, Charles Chadwick, and Kenneth Chittenden.

Local Man Charged With Drunk Driving In Nutley

John Garrison, 43, of 30 William Street, was arraigned before Nutley Magistrate Edwin J. C. Joerg on a drunken driving charge this week. He pleaded innocent to driving under the influence of liquor Saturday on Center Street, Nutley.

Sgt. Theodore Steinmeyer and patrolman Frank Blazier said they spotted Garrison driving his car off the sidewalk near 45 Center Street Saturday evening. He then drove west on Center Street, zigzagging on the road, police said. He was released on \$250 bail pending a hearing on March 26.

This is how the Holy Family eight-classroom addition will look when completed, according to the final architect's drawing made by DeSina and Pellegrino, of New York City.

Civil Service Applications For Fire, Police Available

Police and fireman examinations are being scheduled by the Civil Service Department for Belleville now. Applications may be obtained at the Department of Public Safety, Town Hall. They must be filed before April 15.

GRUHN OPPOSES STATE BAN ON MUNICIPAL DUMPS

Commissioner Robert C. Gruhn, director of the Department of Public Affairs, attended the hearing held by the State Department of Health, at the War Memorial Building last week to voice the protests of the town of Belleville in connection with the proposed to adopt regulations prohibiting the operation and maintenance of dumps, and regulating the disposal of organic and combustible matter.

Previous to the hearing, Gruhn requested Commissioner to adopt a resolution setting forth the objections of the town to the adoption of the proposed regulations.

At the Trenton hearing, Gruhn stated that the adoption of the proposed regulations would create "an unnecessary tax burden" upon the municipality. Bearing in mind that 50 per cent of the Department of Public Affairs budget presently goes to cover the cost of garbage collection, Gruhn pointed out that while Belleville does not maintain any dumps, the increased cost which would result from the adoption of the proposed regulation requiring costly land fill or, alternatively, incineration, would be to the detriment of the local taxpayer.

In addition, he pointed out that local garbage is presently dumped

CONTEST TO NAME NEW CREW SHELL

The new eight-oared shell recently ordered for the high school crew is scheduled to arrive in Belleville the beginning of April. In the meantime, preparations are being made for the naming of the boat as a prelude to the launching ceremonies. The name of the shell will be one selected from those being submitted by the students of Belleville High in a contest which will run from March 20 to 29.

The winner will be invited to accompany the Belleville crew to Boston where they will be scheduled to row against the Massachusetts Institute of Technology. The name of the winner will be announced at the first home race of the season. Judges will be Hugh Kitch, high school principal; Ralph Correll, student council advisor; and Peter Duca, student council president.

Driver's License Revoked

State Director of Motor Vehicles Frederick J. Gassert, Jr., today announced that the driver's license of Anthony Malfatto, 22, of 124 Franklin Street, had been revoked for six months under the state's point system. He was charged with a traffic signal violation, careless driving, and three speeding violations.

VECCHIONE SAYS CAREY LEADS DEMS TO DESTRUCTION

Assembly Candidate For Good Government Democrats Makes Remark At Meeting

The complete disappearance of a constructive policy under the chairmanship of Dennis F. Carey is destroying the Democratic Party in Essex County, it was charged this week by Vincent Vecchione, of 54 Lake Street, candidate for the Assembly on the Democratic Good Government ticket.

"Carey delights in obstruction for the sake of obstruction and seems motivated by the delusion that what's good for Carey is good for the county," Vecchione told guests at various house parties and club meetings.

In his thirst for personal power, Carey has stripped the Democratic organizations of dignity, usefulness and beneficial purpose," he said.

Vecchione claimed Carey had imposed "the Jersey City brand of I am the law" boss rule by seizing for himself the county committee's right to create policy and select candidates.

"Carey's reckless bossism," he said, "has generated a fierce revolt under the banner of Good Government."

"Supported by county committee members, civic-minded leaders and conscience-driven voters, we are dedicated to unseat Carey by defeating his hand-picked ticket," he said.

"Defeat of the Carey candidates will restore freedom of expression to the county committee and permit the election of a truly representative county chairman in five and open balloting in the tradition of genuine democracy."

"Never has an election issue been so clear-cut," said Vecchione. "Far more is at stake than the selection of candidates. The rebirth of an intelligently-directed, useful and vigorous Democratic Party is at stake."

Candidate

Vincent Vecchione

FIVE PROMOTED ON POLICE FORCE

Name Four New Sergeants And One Acting Lieutenant

Five Belleville police officers received promotions this week, according to director of Public Safety Harry J. Sullivan. Four of the men were promoted from patrolman to sergeant while the fifth was moved up from sergeant to acting lieutenant.

The promotions were made in accordance with the newly adopted ordinance increase the number of sergeants on the local force from four to five. Sullivan said the move to increase the number of sergeants was made in order to have one of the men permanently assigned to the detective bureau which he will head. The other promotions were necessitated to fill vacancies caused by retirements from the force.

Those promoted from patrolman

SALK SHOTS FOR TOWN YOUNGSTERS IN SECOND ROUND

Town Health Officer Berry Says 3,699 Shots Given In Present Inoculation Series

Town Health Officer Eugene T. Berry reported this week that his department has already administered more than 3,699 Salk anti-polio shots in the present series of inoculations. In making this report to newly appointed director of Public Affairs Robert C. Gruhn, Berry said that he had been given to 1,764 pre-school children, 1,298 students in the public schools, 497 at St. Peter's School, and another 129 at St. Anthony's Parochial School.

The total number of shots administered includes first, second, and third injections given in the present series. Starting next week, the program will enter its second round. Berry stated that the entire series will last until sometime in April.

The new series of shots was started here two weeks ago in an all out effort to make polio a thing of the past in Belleville, he said. He pointed out that the present backlog of unvaccinated is the crux of the polio problem here and in every other community. "There is no sound reason for delaying vaccination," he said.

Vaccine is presently available free to physicians at the Health Department for use on individuals up to and including 19 years of age, Berry said. The present series of shots is intended to protect as many people as we can possibly reach, he added.

Starting next week, shots will be given in the second round of

(Continued on Page Two)

Weekend Weather

April showers will get an early start with scattered showers predicted for the weekend. Skies will clear late Sunday.

County Cut In Tax Assessment Ratio Brings Relief Here

Local Tax Rate May Drop As Low As 6.85 As Result Of County Action And Savings

Belleville's tax rate for the coming year may drop as low as 6.85, it was learned this week. Although there has been no confirmation of the report, and the local tax rate still stands at originally submitted at the 6.97 level, there is every indication to believe that the rate may drop at least another ten points.

The saving to local taxpayers would be effected by a slash in the county's bite of the tax dollar. Word received from the Essex County Board of Assessors shows that Belleville is in for a saving as a result of the recent property revaluation completed by the M. Clemmishaw Company of Cleveland. The table released by that Board shows that Belleville is one of five Essex County communities to benefit because of property revaluations bringing their value to the true or 100 percent mark.

BOARD REJECTS KIERNAN PROPOSAL TO SELL HOME

Offered Private Residence To Board As Possible Site For School Business Office

Belleville Board of Education, in a closed conference, last week turned down an offer to buy the home of George J. Kiernan, at 272 Holmes Street, Kiernan, local mortician, offered his private residence to the Board for possible use as a business office site.

Board president William A. Bori said the offer was made in a letter from Kiernan to the Board around the first of the month. He did not reveal any specific figures, but it has been indicated that Kiernan was asking in the vicinity of \$35,000 to \$40,000 for the home.

The action was prompted by reports that the Board was looking for a new location for its business office. These have gained impetus from requests by School No. Eight PTA members that the office be moved from quarters to make more classroom space available.

Union Avenue location is centrally located, but has been criticized from time to time by parents of the school.

HYDE HEADS LOCAL FORBES SUPPORT

Commissioner Elmer S. Hyde Has Been Nominated For Governor Club, It Was Announced This Week

Elmer S. Hyde, president of the Belleville Forbes for Governor Club, it was announced this week, was named as one of the two chief contenders for the Republican nomination in the upcoming election.

Other officers named along with Hyde were Mrs. R. L. Johnson, vice president; Harold Brand, vice president; James Brand, secretary; Elmer Gibbs, treasurer; and Mrs. Frances Sparks, publicity chairman.

Hyde said the purpose of the group was to conduct a vigorous campaign in the town and to interest all Republican groups in supporting the candidate.

Belleville Schools Stress Mathematics Curriculum

Ahead of the national cry for better teaching of more students in mathematics, Belleville Public Schools have been developing the mathematics curriculum for years, according to general supervisor Dr. Frank M. Durkee. More recently they are developing curriculum guides for teaching arithmetic and a special mathematics program for students of high ability, he said.

Over a two-year period, teachers of kindergarten and grades one through three developed the material for the new curriculum guide now going into use. The curriculum guide, published in 1956, although the guide is just now being put into use, has helped school much new knowledge from working on it and have been using this knowledge in their teaching, Dr. Durkee said.

In June of this year teachers of grade four through five developed the material they have developed in their workshops in each of the elementary schools. The guide was to cover the elementary division of the school will be followed by development of a junior high school mathematics guide for grades seven through nine, he explained.

Work on curriculum guides teachers have had help from the educational staff and such consultants as Dr. Howard F. Taylor, of the Department of Teaching Mathematics, Teachers College, Columbia University; Miss Nell Seftels, arithmetic consultant of the eighth grade, the high school mathematics department has developed a list of the students with high ability in mathematics and in September, 1957, it will have one or two classes for them. Students in this program will be able to complete the usual mathematics program in three years and still have the fourth year of high school standing in college, he stated.

Belleville's Bob Gerber Is Biggest Deep Freeze

from McMurdo Sound Antarctica to Mrs. Gerber 47 Smallwood Avenue, Belleville. "Need I say two way need for Columbia 3600 record model 426 also crystal. If you buy it send it by air as soon as possible. Will call you some time in April. Is great and am in good health. Give my love to 'Mother Bob'."

was the communication from Robert Gerber, son of Mrs. Herman Gerber, 47 Smallwood Avenue, Belleville. Called in March, "Called" by ham radio, on the early morning of March 3, at 2:45 a.m. The signal was picked up by Mr. J. J. by a ham and he made the call to Gerber home.

Gerber's job at the Byrd-planned station is charge of all air traffic and is a big job. He has a chance at this job in the world, and the history of the world.

MOTHER DAUGHTER GIRL SCOUTS HOLD BREAKFAST SUNDAY

Plans are being completed for the annual Mother and Daughter Breakfast of the Girl Scouts of the Belleville Area, to be held next Sunday, in the old auditorium, following the 9 a.m. Mass.

The program will include Rev. Albert F. Wickert, girl scout moderator, Mrs. William Long, president of the Girl Scout Council, Miss Dorothy Keown, parish coordinator and chairman for the breakfast and Mrs. Martin Poto, toastmistress.

The program will include skits, which will be presented by Brownie Troop number 41, under the direction of Mrs. John Conway and Girl Scout Troop number 27, under the direction of Miss Mary Mahon.

Those serving on the committees for the breakfast are: tickets: Mrs. Michael Simko, Mrs. Arnold Martin; food: Mrs. Martin; money: Mrs. Edward Powers; decorations: Misses Veronica Conner, Jean Skowalski, Connie Ferrell; flower: Mrs. Bernard Thiel; publicity: Mrs. A. L. Thiel; and waitress: Mrs. John J. Conway.

All Catholic Girl Scouts are invited to attend the Mother and Daughter Breakfast with their Mothers. For Tickets, Mrs. Simko may be called.

Campus Corner

More than 150 Fairleigh Dickinson University students at the Fairleigh Dickinson University, volunteered to serve on the Student Union Fund Committee. This group is currently engaged in raising \$50,000 toward a Student Union Building to be constructed as soon as possible on the Fairleigh Dickinson Campus of the University.

Representing this area on the committee are: Elnor H. Crisp and Miss Agnes Wharton. Daughter of Mr. and Mrs. Daniel Levine, of 25 Elmwood Avenue, and Stella Linkovitch, of 188 New Street.

H. D. Kittle, principal of Belleville High School, has been named as a Belleville High School graduate, Miss Jean Dufort, has been named as a position on the Dean's List of Albion College by maintaining an honorable mention rating during the semester which has just been completed.

Dean Walton offered his congratulations to Kittle and to Belleville High School upon this achievement.

Paul J. Ford is the daughter of Mr. and Mrs. Harold A. Duford, of 328 Franklin Avenue.

St. Anthony's Parish Council members of Belleville will be the next to visit to the school on Wednesday evening March 27, at 8:15 p.m. in the parish school auditorium, 10 North 7th Street.

The Reverend Titian P. Menegassi, pastor of St. Anthony's, will give the address of welcome.

Right Reverend Monsignor Thomas H. Powers, pastor of Immaculate Conception Church, Montclair, moderator of the district will also speak.

Mrs. Joseph A. Durkin of Montclair, district president will conduct the meeting. The guest speakers will be the Reverend Paul C. Perrotta, O. P. of Caldwell College for Women.

Mrs. Grove Pitt, of 51 Watsessing Avenue, president of the Confraternity of Christian Mothers of St. Anthony's and her committee will be in charge of the coffee hour which will conclude the evening. Her committee members include: Mrs. Anthony Yankowski, Mrs. Ralph Salzano, Mrs. Alex Gonsky, Mrs. Jerry Donnelly, Mrs. Joseph Pilosi and Mrs. Joseph Zicaro.

Assisting with the breakfast will be Mr. William Bradican, Rosary president, Mrs. Myron Baron, who will be toastmaster, Miss Margaret Greer, publicity, Mrs. John Luisi tickets and reservations, assisted by Mrs. Gustav Jankowski. Mrs. Thomas Mack will be in charge of transportation, while Mrs. Norman Berman, Mrs. Minnie Berman, Mrs. Gonsky will take care of favors.

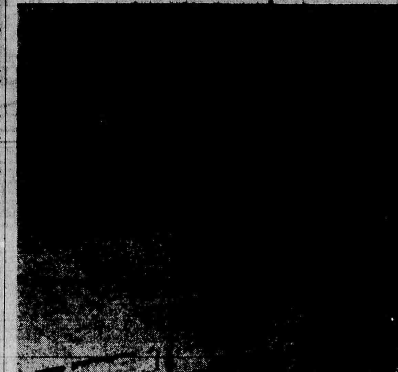

Assisting with reservations are: Mrs. Margaret Greer, publicity, Mrs. John Luisi tickets and reservations, assisted by Mrs. Gustav Jankowski. Mrs. Thomas Mack will be in charge of transportation, while Mrs. Norman Berman, Mrs. Minnie Berman, Mrs. Gonsky will take care of favors.

Learn Numbers By Playing Store

This classroom store at School Number One grew out of a study of our community helpers and a visit to a neighborhood store. Making the store, determining prices, and playing store provide for many learning experiences while having fun. Too, Miss Josephine Corbo is the teacher of this second grade class.

CELEBRATION DAY AT WOMAN'S CLUB

On Monday, at 2, the Belleville Woman's Club will celebrate Presidents' Day and the Fourth Anniversary of Active Community Service. The program will be presented at Bellamy Lutheran Church Hall on New Street at Joralemon.

"This is Your Life," Woman's Club of Belleville will be the theme. Mrs. Dwight N. Streeter is Program Chairman. Mrs. W. Douglas Clark Jr. will direct the dramatic tableaux, Mrs. Arthur G. White the commentary, and the narrators will be Misses Crisp and Miss Agnes Wharton. Mrs. Edward Rochau will be the emcee of the program.

Mrs. C. Howard Conborn, President of the New Jersey State Federation of Women's Clubs, will be one of the ten guests for the evening. The club presidents of Districts Eight and Nine will also be guests. Mrs. Floyd M. Haring, local president, will preside.

Douglas College Alumnae Plan Theatre Party

The Essex County Alumnae Club of Douglas College will have a theatre party on Wednesday, April 10, at the Pagan Mill Playhouse in Millburn. The group will see "Carnegie" and will have a luncheon at the Pagan Mill Playhouse.

The next meeting of the council will take place at the home of Mrs. Hannah Haley on Tuesday. Next Saturday delegates will attend an executive board meeting of the New Jersey State Federation of Colored Women's Clubs in Salem, N. J.

Reformed Church Sunday School Teachers Elect

At the meeting of the Sunday School teachers of the Belleville Reformed Church held recently the following officers were elected for the new year: Superintendent of Sunday School, Miss Catherine Mingle; Assistant, Fred Jackson and Charles Thatcher; Pianist, Miss Louise Mingle and A. Verhagen; Secretary, E. L. Davenport; Treasurer, Leroy Davenport; Superintendent of Beginners' Dept., Mrs. A. Verhagen; Assistant, Mrs. C. Kase and Mrs. L. Lamb; Grade Roll, Mrs. C. Kase; Superintendent of Primary Dept., Mrs. E. L. Davenport; Assistant, Mrs. E. L. Davenport; Assistant, Mrs. E. L. Davenport.

Frederick Jackson reported his findings on the possibility of installing a public address system in the Sunday School room. It was decided to investigate further on the project.

Committees were appointed to work out the Easter program and to take care of the Easter Egg Hunt. There was also a special committee appointed to send boxes and cards to men from the church in service.

SMITH ASSOCIATION INSTALLS OFFICERS

One hundred and fifty members of the Kenneth D. Smith Association were in attendance at the installation of newly elected officers on Wednesday evening at the Franklin Casino. Entertainment and refreshments followed.

Several state and county officials were also in attendance when the standard bearer installed Vincent Strumolo as president; Frank D'Amboia, first vice president; Arthur Haster, second vice president; Mary Vreeland, recording secretary; Catherine Burke, treasurer; Elizabeth Williams and Alice Donnelly, corresponding secretaries; and Ernest Rafter as agent at arms.

A committee was appointed to make up the 1957-1958 calendar of events of the association. Among the first will be the mystery bus ride and the annual outing.

Montgomery Presbyterian To Present Senior Choir

The Senior Choir of Montgomery Presbyterian Church at 638 Mill Street will present "The Seven Last Words of Christ" by DuBois on Sunday.

Soloists will be Mildred Elford, soprano; Calvin Marsh, baritone; and Charles Anthony, tenor. The latter two are with the Metropolitan Opera Company.

This special music is an annual feature of the Montgomery Church music department and is becoming increasingly popular with both laymen and musicians. The 45-minute program begins at 7:30 and the public is invited to attend.

Holy Family Church Begins Cane Family Communion Sunday

The Cane Council of Holy Family Church announces that the third Sunday of the month will be Cane Family Communion Sunday. Couples who have attended Cane Conferences, and their families, may receive Holy Communion at the 9:15 Mass every third Sunday of the month.

A Cane Conference 1 was held Sunday in the school building at 7:30 a.m. Fred P. Blake, moderator of the Cane Council, conducted the conference.

SPOTLIGHT on SPORTS

by Bob Gorlin

Galtère Completes Collegiate Career

Gordon Galtère, Belleville senior on the Lafayette College basketball team, has completed his basketball career at the college in fine style.

Galtère's main forte was defense. Rated as the best defensive man on the Maroon team, he usually was assigned to guard the top scorer on Lafayette's opponents. He did a good job in that department, yet also was one of the leading scorers. In 26 games, including two NCAA tournament contests, he scored 263 points for an average of better than 10 points per game. Galtère tallied 58 field goals and 93 free throws.

Galtère also was among the top rebounders on the team. The 6-4 senior managed to outjump much taller opponents and had an average of nine rebounds per game.

Gordon Galtère

Lafayette Coach George Davidson credits Galtère with having been an important factor in the Maroon's 22 and 2 record this season, one of the best in the college's history.

Because Lafayette had a "weak" bench, Galtère had to go the entire 40 minutes in every major game. He had little rest during the season, yet had the stamina to go the distance. The former B.H.S. star played 40 minutes in each of the two NCAA games in the Penn Palestra, Philadelphia.

Galtère, who plans a teaching-coaching career after his graduation in June, will be missed by the Lafayette team next year.

Grid Coaches Already Preparing For Fall

This seems like hardly the time of the year to start talking football but already the coaches of this rough contact sport are making plans and picking up pointers for next fall. Belleville High head coach Ed Berlinski and his top aide, "Jitty" Wische recently attended the four-day National Football Clinic in Atlantic City and still have two more workshops at hand within the next couple of weeks.

"You know, most people think these clinics are just gay affairs and turn into vacations, but it's not true," Berlinski told men this week. "It's far from that. At the clinics there are serious talks and discussions morning and afternoon and then in the evening the coaches get together for another session and watch football movies. You would be surprised how valuable the clinic at Atlantic City is to a football coach. At the workshops you keep up with the latest innovations and formation maneuvers and pick up tips here and there."

Continuing on, Berlinski said, "At the National Football Clinic in Atlantic City some of the top collegiate coaches in the business served as moderators and guest speakers. Heading the list were Forest Drachovsky of Iowa, Rip Engle, of Penn State, and Ray Elliott, of Illinois. Those boys really know their business when it comes to football."

The National Football Clinic started out 10 years ago in the coal mining area of Pennsylvania with only about 50 coaches taking part. Two weeks ago there were more than 850 professional, collegiate and scholastic coaches attending the daily sessions at the huge Convention Hall.

Next on the docket will be the New Jersey State Coaches Association Clinic at Rutgers University, in New Brunswick, on Saturday, March 30.

The youngest in the field of football clinics will be held at nearby Upsala College, in East Orange, on April 5 and 6. Two outstanding Ivy League head coaches, Charley Caldwell, of Princeton, and Alva Kelley, of Brown, will share the spotlight on the roster with Clary Anderson, of Montclair, and Joe Coviello, of Memorial, at the first annual Upsala College Football Workshop.

Anderson and Coviello, who have a combined record of 206 victories against only ten defeats and two ties, rank among the most successful scholastic tutors of all time. These two high school coaches will be on the program the second day.

Huge Turnout For Track Helps Coach Austin MacArthur

Team Compiles Winning Season Last Year For First Time To Create Enthusiastic Response

by Dave Thayer

For a sport that was about to be dropped from the athletic program a year ago, track is attracting quite a bit of attention this year. The turnout for the winter sport was almost twice as large as last year's huge squad, and Coach Austin MacArthur, instead of worrying about a lack of candidates, is pondering the problem of an insufficient amount of uniforms. There may not be enough to go around.

When MacArthur took over the reins of the team last season, he was informed that if the situation didn't improve, track would be the first to go. Belleville. The Belleville mentor knew that he had to have a winning season, something that Belleville hadn't experienced. To have a good year, MacArthur knew that he had to have depth on the team, but the customary turnout was low.

That first problem was solved by MacArthur's advertising campaign. Besides the posters posted throughout the school, he instructed every team member to bring a friend to the next workout. It worked. The team doubled in size during the next week.

With the manpower problem solved, the task of molding a winning team was tackled. Several significant changes were made. MacArthur changed Alex Cacciarelli, a promising jumper, to the 440. He also had his high jumper, Bill Gietley, to the 440 and moved Ricky Brewer, a miler down to the 880.

Results? In the first meet Cacciarelli took first and Gietley placed second. Brewer, followed suit with a second in the 880 and Ricky Pfaff, who topped first for the Belbays.

The rest of the Blue and Gold chipped in with their share of points and Belleville had little trouble in subduing Irvington for their first win of the year, and their second since track was started in Belleville.

MacArthur's strategy didn't stop with publicity or with maneuvering. He played it cute all year by withholding the scores of Blue and Gold meets from the papers. That doesn't seem right for someone who is trying to build the sport up. But the following story indicates the policy.

When the Belbays traveled to North Arlington last year they weren't given a chance. It was said that they would not win a point in the weights and the sprints, but only a good prayer could prove mass error.

North Arlington seemed to be in accord with that idea. The Vikings were giving the Belbays a hard time and looked forward to adding the annual victory to their record. They treated the Blue and Gold in a manner that was almost apologetic for the defeat they were about to administer.

There is no need in divulging details of the massacre that followed when MacArthur relates the story. He appears disappointed. The score was lopsided enough to convince him, but he had been hoping that his charges could rack up a shut out. They missed. The Blue and Gold left a stunned Viking team behind, but they took an inflated morale with them. They proceeded to defeat a strong South Side team, edge their arch rivals, Nulley, and wallop Pennsic in the closing meet of the year.

There's nothing like having a winning team to bring out the candidates, and this year proved that fact. The number of boys that have ability and have not gone out for the sport before is amazing.

Prom last year's stars, most of whom are returning, MacArthur looks for real performances. Two of the brightest prospects are Bill Bartell and Cacciarelli. Both hold

RES AMES WIN GIRLS REC TITLE

Defeat Juniorettes 33-25 To Take Basketball Honors

Res Ames under the capable captaincy of Miss Barbara Donnelly, Sandy Wilson and Barbara Fobert, forwards for the Res Ames, were held at bay by the Juniorettes 33-25 last Monday evening at the high school in the Recreation Department's Girls Basketball playoffs.

During the first quarter Maureen Donnelly, Sandy Wilson and Barbara Fobert, forwards for the Res Ames, were held at bay by the Juniorettes 33-25 last Monday evening at the high school in the Recreation Department's Girls Basketball playoffs.

In the second quarter the Juniorettes moved without hesitation with Sue Stauffer dropping three baskets. Kay Chert also hit for two baskets but the Ames' Maureen Donnelly and Sandy Wilson hit for two apiece, aided by Carol Fredericks who placed one and the winners still enjoyed a three point lead at half time when the count was 21-18.

The losers picked up a point in the third quarter when the count 22-20.

In the fourth stanza great defensive play by the champions, Maureen Donnelly, Marilyn Peterson, Florence Taylor, Carol Hoffman and Terry Vitale, held the losers to one field goal by Joan Kosinski while Carol Fredericks and Maureen Donnelly hit for eight points and the ball game.

The school records for their events, and both will be challenging impressive figures this year.

Bartell threw the shot over fifty feet several times last year. That was when he was a sophomore. Now that he is a bit further from the natural improvement that comes with age should make him a top contender for the state crown this year.

Cacciarelli, co-captain of the team, runs the 440 in the low fifties. He'll be aiming for fifty this year, and all he needs to reach the mark is a finishing kick. The other co-captain of the team, Joe Coviello, is going to be good in whatever event he runs. He'll take to the sprints or join Cacciarelli in the 440. An early injury sidelined the speed merchant last year, and he'll be out to make his last year his best.

Although they were helped immeasurably by their big guns, Belleville's success stemmed from their depth. They conceded a first many a time, only to take second and third. In several of their wins they won only a few events, while their seconds and thirds piled up the margin of victory for them. They hope to use the same formula this year, as they approach the second step in making track a major attraction at Belleville.

The Little League Executive Board, at their last meeting, finally accepted the resignation of Al De Kler as manager of the Demons. Al's resignation was made necessary by his transfer to the night shift making it impossible for him to devote the proper amount of time to the league and the boys. The Little League in Belleville is sorry to see Al go. Charles (Tom) Rice is going to take over the duties of managing the Demons.

Tom was born in Forrest City, Pennsylvania, August 13, 1931 and moved to New York City at the age of 11. He finished his elementary school there and graduated from George Washington High School where he played varsity baseball for three years.

After high school Tom played in the Kiwanis League and also participated in football in the West Side League. He had tryouts with the Cincinnati Reds in 1949 and the St. Louis Browns in 1950. Due to financial conditions at that time, minor league arrangements that were available to him were inadequate and Tom failed to enter baseball in a professional capacity.

He entered the Marines in February, 1951 and served two years at Cherry Point, North Carolina. He was an infielder on that baseball club.

After his discharge from the Marines, Tom attended N. Y. U. and studied Business Administration. In January 1956 Tom moved to Belleville and is presently employed as a salesman for the Comp-Nor Division of Felt and Tarrant Manufacturing Company of Newark. Tom has been married since 1952 and now resides at Jerusalem Street.

We wish Tom the best of luck in his new leadership with the Demons.

The final organization meeting of the Recreation Department Football League was held Monday, March 18 and the organization of that league, insofar as the managers and their assistants are concerned, is listed below.

| LITTLE LEAGUE | | RECREATION DEPARTMENT-LEAGUE | |
|-----------------|--------------------|------------------------------|-------------------|
| National League | | American League | |
| Cubs | Ben Pucciarelli | Mario Risimmi | Joseph Kovacs |
| Dodgers | Ed Brown | Ciro Brignola | Phil Hickey |
| Reds | Leo Letoulippe | James Ward | Forest Fredericks |
| Giants | Adam Casperski | William Stepick | Don Biceolone |
| Phillies | Gorman Worthington | Ed Bogie | |
| Yankees | Tom Magistro | Ben Cecere | Ed Boye |
| | Howard Hendrickson | Frank Trainor | Steve Antolova |

ST. ANTHONY'S ONE WINS THREE GAMES

St. Anthony's one scored three victories in the Essex County CYO intermediate boys bowling league last week, easily downing St. Anthony's, Newark, after games of 655, 642 and 580, the opener being highlighted by Pete Rossi of 169.

It was the fifteenth victory in 24 outings for the local keepers and again put them within reach of the lead. They are only three games off the pace being set by St. Patrick's, Newark.

Other local teams weren't as fortunate. St. Anthony's two was

beaten three times by St. Anthony's, Newark, although benefitting from a 58 pin spot. High game for St. Anthony's, which now shows 16 losses against eight wins, was an opening 430 made possible by Steve Tamburino's 140. He closed with 158.

The parish's junior girls club also was a three-time loser, losing before Our Lady of Good Counsel, Newark, the first-half winner. St. Anthony's was able to make a fight of it in the second game but lost its bid for an upset, 472-546. Dolores Catala's games of 119 and 121 were the best for St. Anthony's.

Jane Witte, John Littig, Ralph Transue, Pat Ugro Win On Rec Bike Rollers

Saturday the Recreation Department held its final race in the 1967 Bicycle Roller Series.

The greatest feat was by the Girls Midget Class. Jane Witte was clearly the champion even as the last race began but there was a possibility for a three-way tie for second place. And that is exactly what happened. Mary Jane Richter took second in Saturday's race for five points which gave her 40 points in the series. Patty Grosch won four points and Phyllis Osoffetti won three to bring each of them to a 40 point total and the one-in-a-million three-way tie. The tie will be ridden off tomorrow in the juvenile race. Jane Witte in addition to being champ with 50 points, holds the Girls Midget record of 237 seconds for three thirds of a mile.

WARRIORS-HORNETS SCORE UPSETS IN JUNIOR LEAGUE

Defeat Aces And Invincibles In Semi-Final Competition To Meet For Championship

The fourth place Hornets upset the first place Aces 46-44 and the third place Warriors edged the second place Invincibles 23-27 in the semi-finals of the championship playoffs in the Recreation Department Saturday morning Junior Basketball League.

The Hornets took a first quarter 10-7 command and never relinquished the lead. In a well played ball game. At halftime the Aces had picked up two points to make it 12-13. Hornets. The Hornets then racked up a 21 point quarter when Roland Brown hit for nine of his total of 16, to make a drive that put the Hornets out front, 37-21 at the three quarter whistle.

Up to this point the Hornets used a tight zone defense and kept the bigger Aces shooting from the outside, but the losers put on a full court press and almost made it, but time ran out.

Johnny Bolcato led the Aces with 15, while Jim Dattoli, Richie Nasavon and Mike Pizzato had eight apiece. Brown's 16 topped the Hornets and Cliff Godfrey, Eddie Boye and Charlie Agostette had six apiece.

The Warrior-Invincible game was a tight man to man press all the way, with the game marked by personal fouls. The outcome was decided on the free throw line, the Warriors outscoring the losers 16-7 via the personal victory.

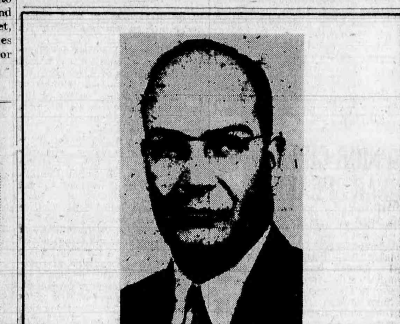

Frankie Dunn and Jim Hunt topped the losers with nine apiece and Lou Crudele and Dick Buzinski hit for nine for the Warriors.

The Warriors and Hornets will meet Wednesday evening, April 3, at 7:30 p.m. to decide the championship. The 8:30 game that night will see the finalists of the Intermediate League meeting for the Intermediate Championship. Playoffs in the Intermediate League begin this Wednesday evening.

costs little anywhere ALTOONA, PA. 65

3-minute station rate from Newark after 6 P.M. Tax not included.

Dear Neighbor:

Is NOW the time to buy a BUICK?

It certainly is! For the following reasons...

1. PRICE:

The automobile factories publish a suggested price — all dealers show so-called "list prices" slightly higher. Our actual CUSTOMER PRICES are only slightly over factory and delivery costs! They can get lower only when quality of preparation is jeopardized or the factory reduces their costs to us.

2. STYLE:

The 1967 BUICK has never been so superior to competitive cars in trim, pleasing, elegant good looks.

3. COMFORT:

Try the BUICK for seating in ALL SIX PLACES. You won't hit bottom or climb an almost impossible wall along the center of the floor.

4. PERFORMANCE:

BUICK's high power and Dynaflow drive make it the SMOOTHEST PERFORMER on the road.

5. TIME:

Winter has taken its toll on your present car. All of Spring, Summer and Fall are ahead of you in which to ENJOY YOUR BEAUTIFUL NEW BUICK.

Yours very truly

George W. Symonds

Lions To Be Turned Loose In Belleville

In April, the Lions will be turned loose to roam the streets of Belleville by their President Frank Bridge of Essex Lumber Company. They will be carrying bags of light bulbs.

The Lions support the charitable organization and the project is to raise \$1,000 for this purpose.

William Fry of Hanlon & Goodman is promoting the bulb sales and 45 businessmen have pledged their support. The bags will contain bulbs of assorted sizes to fit the average home and will cost \$2.00 a bag.

Belleville Lifters Score In State Junior Championships

The weightlifting team of the Recreation Department's Barbell Club scored nicely last Saturday at the New Jersey Junior AAU Weightlifting Championships in Woodbridge.

First to make a mark was Robert Sargent who was lifting in the featherweight class. Bob was out to redeem himself after his recent tough luck in the Delaware Valley Championships. Successes with a 135 pound press, a 140 pound snatch and a 180 pound clean and jerk in the three Olympic lifts gave him first place and marked Belleville's first championship in major competition.

Next, Charles Adelman lifting in the rugged middleweight class and in only his second meet third place honors with a 206 pound press, 185 pound snatch and a great 258 pound clean and jerk.

A real drama developed in the middle-heavyweight class as Joe Serzella broke the state record in the press with a 240 pound lift to only to have his record broken by his competitor who lifted a tremendous 270 pounds in the match. Joe equalled the state record at 270 pounds and just missed an extra try at 225. Going into the clean and jerk Joe started with a 260 pound attempt and failed to take first place he had to put up 280 pounds. He had second place and a secure lead in the match. Two valiant attempts at 280 but just missed each time and had to content himself with the second place trophy.

All of Sargent's lifts all breaking records in the featherweight class and heavily records has become a habit with him. He holds all of the light and featherweight class records. Adelman set a new record with his 265 pound clean and jerk. Serzella set a new mark in the press.

Belleville will next tackle the State Senior Championships the middle of this month. Bob Cook, Superintendent of Recreation and coach of weightlifting, said that the great progress of Belleville's lifters with a 296 average was a serious effort and fine competitive spirit.

Bertram Revill Wins In Esso "Coin Your Idea"

Bertram Revill, Jr., 49 William Street, was named a winner in Esso Standard Oil Company's "Coin Your Idea" employee incentive program at the February meeting of the Cyl committee.

Mr. Revill was awarded \$120 for his accepted suggestion. He is a mechanic in the Company's Sales Division Linden garage.

Brotherhood Is Practiced In Nutley And Belleville

Rabbi Hyman Danzig will deliver a lecture to the Bible class of the Tzemeth Memorial Church of Belleville. Rev. Danzig will be in the pulpit of the Tzemeth Memorial Church at 4:30 p.m. when the Rabbi will explain all the customs, symbols and ceremonies that take place in the Temple.

Belleville's Torrid Tudors Are A Sane Hot Rod Club

The newest activity to come into the Belleville Recreation picture is a group of serious minded young men who call themselves the Torrid Tudors. The Torrid Tudors is a Hot Rod Club but it is not one of "those" hot rod clubs. There will be no drag racing done by its members of Belleville streets. There will be no wild driving or other crazy antics because, according to the Club Constitution, when a member receives a ticket or his drivers license is on the revoked list, the member will be placed on probation and will not participate in any club activities.

In the opinion of the other members, a member's actions are detrimental to the reputation of the group, he is subject to loss of membership.

Objects of the club are to promote interest in various types of hot rod activity, to create good fellowship and sportsmanship, to uphold the principles of good government, to conduct club operations and activities in such a manner as to bring a closer understanding of the hot rod activities, and to promote safety in automobile maintenance and operation.

Belleville's Torrid Tudors meet each Thursday evening at the Recreation House, Alfred DeGrosso.

SENIOR STUDENT WINS SCHOLARSHIP

William McWalters, a Belleville High School senior, has been informed that he has received a Faculty Scholarship from Rutgers University. In addition to the tuition scholarship, McWalters will receive \$250 per year for room and \$50 a year for books.

McWalters has completed an excellent academic record in Belleville High School. He also participated in several co-curricular activities. Among the latter are: sports club, stamp club, ski club, student council, school newspaper staff, retired staff and senior senate. McWalters was elected to the National Honor Society in his junior year.

He is the son of Mrs. Helena McWalters, of 438 DeWitt Avenue.

October and completed basic training at Fort Knox. He was graduated from Belleville High School in 1951 and was a finalist for Boy-Army Officer Company, Newark.

Pvt. Norman Gross, son of Mr. and Mrs. Robert Gross, of 283 Stophen Street, on writing to his parents from Ansbach, Germany, his present station, informed them that he had been selected for a school which teaches courses in income tax, so that he might help both of them and engaged most of his profits relating to income tax.

He also wrote that he intends to visit Paris this Easter.

Paul W. Dunn, fire control technician second class, USN, son of Elmer Dunn of 181 Greylock parkway, and husband of the former Miss Lucile Paul of 273 Ralph Street, is serving aboard the destroyer tender USS Boye Canyon at Long Beach, Calif.

He reported for duty March 1 from Washington, D. C. Before entering the service in March 1943, Dunn attended Belleville High School and was employed by the Eastwood Neely Company.

Army Sgt. Robert J. Paganelli, son of Mr. and Mrs. Henry Paganelli, 151 Garden Avenue, recently was assigned to the 91st Armored Field Artillery Battalion at Fort Polk, La.

Paganelli, a radio operator in the battalion's headquarters battery, was last stationed at Fort Knox, Ky.

Private Albert C. Lowack, 23, son of Mr. and Mrs. Albert Lowack, of 18 New Street, completed eight weeks of advanced infantry training last Saturday at the Army's Armor Training Center, Fort Knox, Ky.

Lowack entered the Army last Friday.

Lions To Be Turned Loose In Belleville

In April, the Lions will be turned loose to roam the streets of Belleville by the Police Department. They will be carrying signs of light bulbs.

The Lions support the charitable organizations and this project is to raise \$1,000 for this purpose.

William Fry of Hanlon & Co. is promoting the bulb sale and business men have pledged their support. The bags will contain bulbs of assorted sizes to fit the average home and will cost \$2.00 a bag.

Belleville Lifters Score In State Junior Championships

The weightlifting team of the Recreation Department's Barbell Club scored nicely last Saturday at the New Jersey Junior AAU Weightlifting Championships in Woodbridge. The team made a mark as Robert Sargent who was lifting in the featherweight class. He was out to redeem himself after his recent tough luck in the Delaware Valley Championships. Successes with a 135 pound press, a 140 pound snatch and a 180 pound clean and jerk in the three Olympic lifts gave him first place and earned Belleville first championship in minor competition.

Next, Charles Adelmann lifting in the rugged middleweight class and in only his second meet took third place honors with a 205 pound press, 185 pound snatch and a great 225 pound clean and jerk.

A real drama developed in the middle-heavyweight class as Joe Scertella broke the state record in the press with a 240 pound lift only to have his record broken by his competitor who lifted a tremendous 270 pounds. In the snatch Joe equaled the state record at 229 pounds and just missed an attempt at 225. Going into the clean and jerk Joe started with 240 pounds and succeeded in making it. He had second place second lift with 260 pounds. He made two valiant attempts at 280 but just missed each time and had to content himself with the second place trophy.

All of Sargent's lifts all became new club records in the featherweight class and his lifting records has become a habit with Bob who holds all of the team and club records. He made a new record with his 265 clean and jerk and Sargent set a new mark in the press.

Belleville will next tackle the State Senior Championships in the middle of this month. Bob Cook, Superintendent of Recreation and in charge of the Barbell Club, said the great progress of Belleville is because of their fine competitors. Efforts and fine competition.

Adelmann set a new record with his 265 clean and jerk and Sargent set a new mark in the press.

Junior Achievers Win Top Award

Hudson-Essex County Junior Achievers operating at JARCA, set up shop in RCA's Harrison plant to sell the packaged car and utility brushes which they developed under a program that won top award among all Achievement groups from Maine to Virginia.

Achiever saleswomen are Gail Arnold, Belleville High (third from left), and Martha Crockett of Central High, Newark, (third from right).

Men In Service

Marine T-Sgt. John L. Redfield, son of Mr. and Mrs. Raymond Redfield, of 41 Conzo Street, and husband of the former Miss Ruthanna Blirbrough, of Greensboro, N.C., is scheduled to report to Lackland Air Force Base near San Antonio, Texas, on March 29.

Lieutenant Haight was graduated from Dartmouth College last June with a B.A. degree. While at Dartmouth he participated in the Air Force ROTC program, and completed a four year study in Air Science. He received his commission last June.

Private Albert C. Lowack, son of Mr. and Mrs. Albert Lowack, of 18 New Street, completed eight weeks of advanced infantry training last Saturday at the Army's Armor Training Center, Fort Knox, Ky.

Private Bartholomew, son of Mr. and Mrs. Walter Bartholomew, of 14 William Street, has arrived at Fort Dix, N.J., for his basic training. He is a member of the 24th Infantry Division in Korea.

Private Bartholomew is married to the former Lorraine Staus. They make their home at 64 Cortland Street.

Gerald A. Blensky, son of Mr. and Mrs. Adam Blensky, of 128 Deola Avenue, was graduated from the Navy's Officer Candidate School at the Naval Station, Newport, R.I., and commissioned Ensign last Friday.

Members of the graduating class have been assigned to ships and stations while others will take further specialized training.

Marine Corporal John M. Allen, son of Mr. and Mrs. David Allen, is expected home shortly from Japan, presumably next Friday.

Corporal Allen was last week's Times-News. His mother's maiden name was listed incorrectly as the name of the bride.

Specialist Third Class Anthony J. Calenda, son of Mr. and Mrs. J. Calenda, of 219 Garden Avenue, is a member of the 24th Infantry Division in Korea.

A rifleman in Company 1 of the division's 19th Regiment, Calenda entered the Army in July, 1955 and was last stationed at Fort Dix.

Calenda is a 1956 graduate of Belleville High School.

Private Albert C. Lowack, son of Mr. and Mrs. Albert Lowack, of 18 New Street, completed eight weeks of advanced infantry training last Saturday at the Army's Armor Training Center, Fort Knox, Ky.

SENIOR STUDENT WINS SCHOLARSHIP

William McWalters, a Belleville High School senior, has been informed that he has received a Faculty Scholarship from Rutgers University. In addition to the tuition scholarship, McWalters will receive \$250 per year for room and \$50 a year for books.

McWalters has completed an excellent academic record in Belleville High School. He also participated in several co-curricular activities. Among the latter are sports club, stamp club, skit club, student council, school newspaper staff, yearbook staff, and senior senate. McWalters was selected to the National Honor Society in his junior year.

He is the son of Mrs. Helena McWalters, of 438 DeWitt Avenue.

October and completed basic training at Fort Knox. He was graduated from Belleville High School in 1951 and was a librarian for Roy-All Office Company, Newark.

Paul Norman Gross, son of Mr. and Mrs. Henry Gross, of 283 Stephens Street, on writing to his parents from Annapolis, Germany, his present station, informed them that he had been sent to Munich to a school which teaches courses in income tax, so that he might help both of officers and enlisted men with any problems relating to income tax.

He also wrote that he went to a Catholic retreat for a week in Belgium and that he intends to visit Paris this Easter.

Paul W. Dunn, five control technician second class, USN, son of Elmer Dunn, of 181 Greenglen Parkway, and husband of the former Miss Lucile Paul of 273 Ralph Street, is serving aboard the destroyer tender USS Bryce Canyon at Long Beach, Calif.

Dunn was reported for duty March 1 from Washington, D. C. Before entering the service in March 1943, Dunn attended Belleville High School and was employed by the Eastwood Neally Company.

Army Pvt. Robert M. Paganelli, son of Mr. and Mrs. Henry Paganelli, 161 Garden Avenue, recently was assigned to the 31st Armored Field Artillery Battalion at Fort Polk, La.

Paganelli is a radio operator in the battalion's Headquarters battery, was last stationed at Fort Knox, Ky.

Private Albert C. Lowack, son of Mr. and Mrs. Albert Lowack, of 18 New Street, completed eight weeks of advanced infantry training last Saturday at the Army's Armor Training Center, Fort Knox, Ky.

Lowack entered the Army last June.

Private Bartholomew, son of Mr. and Mrs. Walter Bartholomew, of 14 William Street, has arrived at Fort Dix, N.J., for his basic training. He is a member of the 24th Infantry Division in Korea.

Private Bartholomew is married to the former Lorraine Staus. They make their home at 64 Cortland Street.

Gerald A. Blensky, son of Mr. and Mrs. Adam Blensky, of 128 Deola Avenue, was graduated from the Navy's Officer Candidate School at the Naval Station, Newport, R.I., and commissioned Ensign last Friday.

Members of the graduating class have been assigned to ships and stations while others will take further specialized training.

Marine Corporal John M. Allen, son of Mr. and Mrs. David Allen, is expected home shortly from Japan, presumably next Friday.

Corporal Allen was last week's Times-News. His mother's maiden name was listed incorrectly as the name of the bride.

Specialist Third Class Anthony J. Calenda, son of Mr. and Mrs. J. Calenda, of 219 Garden Avenue, is a member of the 24th Infantry Division in Korea.

E. V. SPACE NAMED MANAGER OF RCA DIVISION

E. V. Space

Appointment of E. V. Space, of 88 Sanford Avenue, to the newly created position of Manager, Equipment and Production Development, RCA Semiconductor Division, was announced today by Norval H. Green, Manager, Production Department.

Born in Newark, Space received his B.S. degree in Chemical Engineering from the Newark College of Engineering in 1943, and his Master's degree in Management from the same institution in 1944. He joined the RCA Tube Division, Harrison, in 1945, as a development engineer. After 30 months in the armed forces he returned to receiving tube development in 1946. Following seven years in that position he was made Manager of Production Engineering in the transistor department.

In 1956, he was appointed Manufacturing Manager of the newly formed RCA Semiconductor Division and continued in that post until his current appointment.

Income Tax Included In High School Curriculum

Under a comparatively new program initiated by the Federal Government, the juniors and seniors in Belleville High School are running into the same problems their parents ran into some April 15, the income tax.

Booklets for each student are provided by the Federal Government along with a kit of instruction materials. This kit includes large blackboard type visual material.

The booklets contain problems running from the most simple to much more complex problems. These are worked out by the students under the direction of the teachers.

Raymond Smith and Richard Graves attended the one day seminar given by the Internal Revenue Department in Newark for teachers, personnel managers, and other people who are directly concerned with the Income Tax and its various forms.

Belleville-Nutley Buick Adds Renault And Dauphine To Line

George Symonds, president of the Belleville-Nutley Buick Company, located at 60 Washington Avenue, announced that it is adding to its line the Renault and

JUNIORS, SENIORS MAKE FIELD TRIP

Last Thursday thirty-one Belleville High School junior and senior boys and girls, visited Hahne and Company in Newark. The junior and senior students were those who are interested in merchandising and fashion designing.

Mrs. Wallach, director of fashion designing, talked to the students about the training and opportunity in merchandising. A question-answer period followed.

Mr. Mallard, advertising director of Hahne and Company, also greeted the group and arranged for a tour of the store. The group was accompanied by Samuel Shif-Kin, guidance director.

The arrangements for this tour were made by Robert Laterza, chairman of the Educational Committee of the Belleville Kiwanis Club.

Dauphine, imported autos from France.

A complete line in both cars will be made available. The economy cars are powered by water cooled four-cylinder rear engines. All are four-door models with the Dauphine slightly larger than the Renault.

Constant Blossoming
The fruit asleep in the soil waits in its timeless way to grow in a ripened need, to give, to day the rounded, orderly whole claimed by a timeless sun, reclaimed by the earth's deep bowl where the rains run to rivers hidden and deep.

Sure in the woodland's dark, on height that is green and steep, by the meadow's lark the fruit in orchard, on bush, nurture the thoughts that grow, that grew in the timeless hush of flowering snow.

Ring-Around-A-Rosey

The costly reassessment of real property at its true value in New Jersey's 567 municipalities, in conforming with a century-old provision reincorporated in the 1947 State Constitution, would be a meaningless waste of money unless the State Legislature accepts its responsibilities by enacting legislation which will fix the standards by which all properties in every municipality must be assessed.

The Constitution merely established the principle that taxes in New Jersey must be collected by municipalities from real estate and industrial, commercial and residential structures. It did not establish a schedule of values nor did it define the standards of appraising those properties. That was left to the Legislature. In a century the Legislature has not done it.

It is obvious that unless the same standards of appraisal exist in every town, there will be many different standards. Under those conditions, the present chaos can continue and, in fact, there can be an inequality bordering on the ridiculous. It is a matter of record that although the Constitutional requirement to tax at true value is a century old, only one municipality in all of New Jersey, Princeton Township, assesses that way now. Every other town assesses at a ratio of from 10 to 80 per cent of true value; Belleville's ratio was set by the Essex County Tax Board at 44 per cent this year. The same county board assigned Newark a ratio of 50 per cent of true value. Obviously in such a comparison, there is room for doubt and disagreement.

It is its opinion handed down a fortnight ago, the State Supreme Court confirmed the Constitutional requirement to assess at true value but it allowed two years during which to conform. In the meantime, the high court said in its opinion, the State Legislature must establish standards so that every tax assessor will use the same set of principles in assessing property.

Since we may expect South Jersey to resist any effort to bring up its tax assessments, it behooves the northern counties to introduce the necessary bills in the Assembly and to force their passage. The Essex County delegation could and should take the initiative. Before any bill is written, however, there should be consultations with those who, by profession, appraise properties. The bill should provide the basis of a streamlined standard for appraisal. It should be clear and concise; there should be no loopholes.

Letters To The Editor

Editor, Belleville Times-News:
Disturbing is the report that school board member Dr. Ruggiero calls the consideration of the Kerner report by the Board of Education a delicate matter to be discussed in private conference. The public has a right to know all the facts about any such negotiation. We want no closed sessions or so significant and ridiculous a proposal.

With ample space available in several of our school plant structures, there is no need to remotely consider paying \$35,000 for private property with resultant loss of about \$1,200 a year taxes and the additional cost of maintenance and upkeep.

Wasn't this the same property involved in the funeral home controversy a short time back? Didn't the town foot the bill for an expenditure that resolved the problem? Now, is this to become a new public policy issue kicked about by the Board of Education in secret?

Mr. Kerner, with many influential friends in Belleville's official circles, is entitled to promote his best interests; however, we the citizenry of Belleville that is no consideration, when that vital bond of regard for the taxpayer's concerns be taken by any official body of this town.

We don't need the Kerner plan for Board of Education use and we resent any suggestion that it be discussed in cam-

There must be new legislation, also, to cut down the legal borrowing capacity of municipalities, counties and public school districts at the same time that appraisal at true value becomes effective. Otherwise, if the present borrowing capacity, calculated at the present low level of appraisals, is retained, New Jersey will see an orgy of wasteful spending. Many towns and counties which are appraising at from 35 to 40 per cent of true value would find their borrowing capacity more than doubled. Belleville has absolutely no control over the Essex County borrowings. There must be legal curbs to prevent such wasteful spending and only the Legislature can enact them.

Delays in Trenton, therefore, can only add to the confusion and two years will pass swiftly when there is so much to be done.

R.E.H.

Legislature Must Act

The "off pros" down at the Essex County Republican GHQ in Newark play games. Of course, they play politics morning, noon and night. This week they also played "Ring-around-a-rosey" with County Chairman Herbert H. Eber being "it" and County Treasurer John E. Cash chasing him.

For the sorry prestige of the GOP, Eber, in a word bit of political strategy, would go out as County Chairman and become the leading candidate for the post of County Treasurer while Cash would go out as County Treasurer and become the leading candidate for County Chairman. It's as simple as "Ring-around-a-rosey" played on a merry-go-round.

The County Treasurer's job pays \$16,000 a year plus an extra fee of \$1,752 a year as supervisor of veterans' interments. Big pay and all, the job is not elective. It is one of those plums which fall into the lap of the majority party. The treasurer is appointed by the Board of Freeholders.

Cash will end 30 years of public service in October, 1958, when his three-year term expires but he can retire this summer when he becomes 62 and be eligible for retirement pay.

Eber, one of the founders of Clean Government Republican, lives in Maplewood and operates an insurance business in Newark. If he had wanted his county chairmanship back he could have it when the county committee of 1,100 is reorganized, immediately after the Primary election. But if he can strike a deal to swap posts with Cash then it will be arranged.

Cash would become vice chairman until time for him to retire next summer, then he and Eber would change jobs. The Republicans hold a two-thirds majority on the freeholder board, hence the new treasurer is bound to be a Republican and who better than the County Chairman could tell the Freeholders who to name?

The strategy is distasteful. Most Republicans in Essex County hold in disdain the "old pros" who make their fat livings out of politics. Most Essex Republicans are of the Eisenhower wing and they would prefer the "modern" interpretation of party leadership and responsibility outlined by the President.

As long as party affairs, on a town and county level, however, are dominated by "old pros", there is not a chance in the world of "modernizing" the party. The fraternity of paid politicians, by just such a run-around as this Eber-Cash swap, will continue to monopolize party leadership—not for the good of the party but for the few fat pay envelopes involved.

R.E.H.

public safety director, should be proud to have this emergency service and the well trained men maintain the town of Belleville to render this service when needed.

Rudy Zeiler

Room For More Girls In Grade School Case Clinic

Commissioner Elmer S. Hyde has announced that the Recreation Department Grammar School Girls Basketball clinic, which began last Monday night and will continue through the spring, was a great success and that more girls in the eighth grades of the public schools are being sought. The clinic is open to interested young girls in basketball so that in the future there will be girls who have had experience in the sport.

Miss Rose Schrieber who is instructing the girls in the program is at present giving the participants high points in foul shooting. The group meets at 7:15 each Monday night and lasts until 8:30 at the high school gym.

The Dr. Warr Family

Editor, Belleville Times-News:

I want to thank publicly the firemen who responded to Belleville ambulance which took me to the hospital on February 8.

The men who accompanied this type of duty should be commended for their work well done. This isn't the first time the Belleville ambulance had to be used. A year ago, March 17, 1956, I had to use the conveyance for my wife. That was an emergency also.

Commissioner Harry Sullivan,

One Man's Opinion

In Admitting Germany As An Equal Partner In A "Big Four" We Have Written Off Hope Of Chaining Russia Out Of Central Europe

By Ralph Eric Holman

World War II ended and the United Nations was born 12 years ago this Spring. In the intervening decade the world organization has known many vicissitudes. None had the potential for trouble that is contained in the newest twist of the Soviet-Czech crisis—Nasser's virtual challenge of the UN's authority in its efforts to bring peace to the Middle East. Only the presence of the UN emergency force of 6,000 men stationed on the Egyptian side of the armistice line of the Gaza strip to keep the peace can be considered as a tangible gain.

On another front, however, quietly and inconspicuously, the Western "Big Three" expanded into the "Big Four" as West Germany aligned herself with the United States, Britain and France even though Bonn realized that in doing it she had to abandon all hope of the early integration of East and West Germany.

In this "One Man's Opinion," the decision to press Bonn to assume, openly, the role of a full working partner in Western strategy, means a tremendous policy decision has been taken in Washington—to turn down once again Soviet Russia's offer for a meeting of the master minds to discuss arms curbs and atomic limitations.

The Eisenhower administration had been pondering at high levels whether to discuss, at the April disarmament conference in London, Soviet Premier Bulganin's proposal for a pact—between Communist and Western troops 500 miles apart from the center of Europe.

United States disavowal experts point out that this withdrawal from most of the Soviet satellites. It might permit a unified Germany, though Moscow would insist that Germany remain neutral, but in the Washington discussions this past week with West German Foreign Minister Heinrich von Brentano, two big objections to the Bulgarian proposal have been pinpointed, as follows:

1. According to a recent Khrushchev interview placed in the hands of an American newspaperman, the last American to talk with him, Moscow has raised its price for a Soviet pull-back. At part of the bargain it now asks that the United States abandon all major foreign bases. This would be presently unthinkable.

2. Moscow also is giving Moscow's November note proposed withdrawal, but named as the price the dismantling of the North Atlantic Treaty Organization system of air base, in fact the dismantling of NATO itself.

The first agreed premise in this week's Washington discussions was that the West does not demand the military structure. An agreed condition is that the prime target of Soviet policy is NATO.

There was an agreement with Bonn's Foreign Minister also on the assumption that Moscow would shortly open a major propaganda offensive designed to entice West Germany out of NATO.

Shelving German integration. The conclusion in which Dr. von Brentano concurred fully is that

FRIDAY, MARCH 22, 1957

the time call for greater, not lesser, unity among the "Big Four" and that for the time being at least the hope for reunification of Germany has to be laid aside as unattainable.

These developments fitted into several patterns of realignment of the world situation which was so violently shattered during the months of October and November when France and Britain all lacked the Suez Canal and Israel drove the Egyptians out of the Sinai peninsula.

A decisive turning point, in this "One Man's Opinion," was the signing in East Berlin this week of a new treaty convention between the Soviet Union and the Communist regime of East Germany.

The convention defines the legal status of the Red Army troops which Russia has stationed in East Germany and was its importance in light of the new fact that Russia is not going to allow the fusion of East and West zones into a single Germany.

Red Army To Stay

The gist of the convention is that the East German Communist regime has troops to allow Russia to keep 400,000 troops there. The convention stipulates that these Russian troops will not "interfere in the internal affairs of the German Democratic Republic," but these words are a clause in the Hungarian convention, too.

Negotiations of the troop convention were rather long drawn out because of East German desire to get concessions like those granted to Poland. It was assumed the Warsaw agreement of December 17, 1955, gave the Polish Government wide powers regarding disposition of Soviet troops, their strength and movements, and the like.

It was not expected that Moscow would grant the East German Government the same treaty rights as Poland, since the Kremlin has repudiated its commitments under the Potsdam agreement of August, 1945.

The Soviet union stresses that the new agreement with East Germany is evidence of closer cooperation in the military sphere between them.

Meanwhile, relations to the other states of the Eastern European Soviet bloc, which have been somewhat strained, appear to be improving.

Poland and Czechoslovakia have been estranged because of ideological and economic differences. The former arose over de-Stalinization and the Hungarian revolt, the latter from a restriction of Polish coal exports to Czechoslovakia.

The tenth anniversary of the mutual aid agreement signed between these two states March 8, 1947, served, however, to ease relations.

Delegates of the Polish official press organization visited Prague and Bratislava, where they discussed cooperation between publishers of both countries and an exchange of journalists. A Czechoslovak delegation went to Warsaw to negotiate closer economic cooperation.

CANADIAN BALLET SET FOR MOSQUE SHOWING APRIL 1

The Griffith Music Foundation will present the National Ballet of Canada for one performance at the Mosque Theatre, Newark, on Monday evening, April 1, at 8:40 p.m. Under the direction of Ballerina Gella P. Ruggiero, formerly of the Sadler's Wells Ballet, the company of 70 artists since its inception in Canada in 1951 has gained the reputation of being one of the best ballet organizations now touring North America.

Besides Miss Franca, the company boasts many talented artists including, Mrs. South, Canada's first native-born ballerina; David Adams, premier danseur; and Kaye Mueller, one of its outstanding solo dancers. In its forthcoming visit it will present three of its finest and most intriguing ballets. These will be "Les Rendezvous," with its music by the French composer Aurber and choreography by Frederick Ashton; "The Fisherman and His Soul," choreographed by Grant Sirois to music by Harry Somers; and "The Canadiana," "Offenbach in the Underworld," one of the most popular ballets in the company's repertoire with its gay Offenbach's music, choreographed by Anthony Tudor.

"The Fisherman and His Soul" tells a dramatic story taken from a tale by Oscar Wilde about a fisherman who becomes bewitched by a mermaid. "Les Rendezvous" is another ballet new to the repertoire.

The National Ballet of Canada carries a full orchestra, directed by George Crum, a Canadian pianist who has devoted much of his career to operatic conducting. He has also conducted many of the television operas staged by the Canadian Broadcasting Company including televised appearances of the National Ballet of Canada.

BART-MESSING MERGES WITH SEL-REX CORP.

The merger of Bart-Messing and Sel-Rex Corporations, both formerly of Belleville and now of Newark, effective January 1, has been announced by the board of directors of both companies.

The older of the two companies, Bart-Messing has been a leading manufacturer and distributor of power refiners, filters and metal finishing equipment and supplies for nearly fifteen years. The Sel-Rex Corporation has been prominent in the precious metals processing manufacturing field since its inception as Sel-Rex Precious Metals, Inc., five years ago. As the latter company grew, its product line expanded to include a wide range of non-precious metals and electroplating processes. To avoid the possible misapprehension that the company was active in this field exclusively, "precious metals" was dropped from the corporate name, last year.

The company trademark — an elongated diamond with the legend "Sel-Rex" superimposed in a distinctive script — will be retained, and all company products will continue to be marketed under this trade name.

The business by each of the companies individually will hereafter be carried on by separate divisions of the new Sel-Rex corporation. Precious Metals Division, under the direction of E. C. Linker, Vice President, will handle the manufacture and marketing of precious metals salts, solutions and electroplating processes. Field Division, headed by E. R. Redhammer, Vice President, will manufacture and market Germanium, Silicon and Selenium Power Rectifiers for all D. C. Power Conversion applications, Liquid Clarification Filters, and an automatic, portable electroplating machine known as the Jet Plater. Chemical Division, under the personal supervision of Morris M. Messing, President, will cater exclusively to the needs of the metal finishing and electroplating industries, with an extensive line of equipment and supplies.

ST. PETER'S GIRLS MISS CYO HONORS

St. Peter's CYO Junior Girls came within minutes of the League title and dropped a close game by one point to Blessed Sacrament of East Orange. The local girls led throughout the first half, sinking most of the shots attempted.

In Ann Smith and Margaret Donnelly scored on all free throws and Mary Ann O'Brien's 2 field goals kept the game in St. Peter's favor. Janet Cloutier, Louise Carroll, guards, succeeded in holding back Blessed Sacrament when captain Marlene Piosa pulled down most of the rebounds.

The East Orange girls weren't able to tie it up until the third quarter, but a long shot by Kathy Ventura gave St. Peter's back their edge. This disappeared in the final period as they tallied two points to the opponent's six and lost the league championship.

STURN MARKS LONG SERVICE

Norman F. Sturn, of 38 Jaffrey St., marked his 20th anniversary with the Prudential Insurance Co. last week. In honor of his long service, he was presented with a diamond ring.

Sturn is associated with the company's printing division as a planning reviewer. He joined the Home Office staff following his graduation from East Orange High School.

During World War II he served with the 70th Infantry Division in several European countries, attaining the rank of captain.

Sturn is a member of the club of Printing House Craftsmen. He is married and has a nine-year-old son, Norman Jr.
