

Tax Council, Riviera Park Civic Association To Resume Campaign

Signature Drive To Be Stepped Up Shortly In Campaign For Charter Change To Council-Manager Government; Carney New President

The Citizens Tax Council and the Riviera Park Civic Association will shortly resume their efforts to collect signatures on a petition for a referendum to change the commission form of government in Belleville to that of council-manager.

Petitions previously circulated by the group had to be discontinued because of technical flaws. The race for signatures which had been going on for several weeks by the Belleville Citizens' Council, the Better Government is no longer a factor due to the withdrawal of the latter from the charter change campaign. The Better Government group had supported a change to mayor-council administration.

At a meeting of the Citizens Tax Council, held at the Recreation House, Friday, January 16, Carney was elected president to fill the vacancy left by the resignation of Tom Doyle.

Carney, in accepting the nomination, stated that he fully endorsed the policies of the Tax Council in its efforts to achieve a more efficient use of the tax dollar by a change in local government.

He further stated that under the council-manager form of town government, lines of responsibility are clearly drawn and authority is easily passed. The administration of government under council-manager form is not hampered by amateurs he said, but by qualified executives trained in municipal administration and obliged to live up to a strict code of ethics meted by the International City Managers Association.

Carney also stated that he believes the obtaining of signatures for the referendum will be accelerated by the reaction of the citizenry to their new tax rates. At this meeting, the nomination for the Citizens Tax Council was also presented and accepted.

STATE INSPECTION APPROVES WATER

In 46 Of 47 Tests, Passaic Valley Water Found Free Of Dangerous Contamination

The Passaic Valley Water Commission got a clean bill of health from the State Department of Health, this week.

An inspection report from Bernard Kaplan, district chief of environmental health for the State Department of Health, said that no dangerous organism was found at 46 of 47 tests checked in the 12 down municipalities serviced by the PVWC.

Heart Sunday To Climax Fund Drive State Arvidson, Grosch

The month-long 1959 Heart Fund drive will reach its high point Sunday, when local citizens, comprising the Heart Sunday volunteer army, will carry the fight against heart diseases to the threshold of every family in this community.

"Through its public education program, the Heart Association has created better general understanding of the facts about the heart diseases," Ernest S. Arvidson and Joseph B. Grosch, co-chairmen of the drive in Belleville, declared yesterday.

"People today recognize the importance of early diagnosis and prompt treatment. It is important as public education has been the only part of the progress that the Heart Association has made with the help of the Heart Fund," Arvidson and Grosch continued.

"The major portion of Heart Fund contributions are used to advance heart research and to support professional education and community service programs which enable physicians to apply new knowledge to the treatment of their patients," they pointed out.

"The benefits of this program have been seen throughout the nation. Among them are the remarkable achievements of surgeons who now can make heart repairs that were impossible just a few years ago. New methods of treatment are prolonging lives of heart victims," they continued.

"Moreover, some forms of heart disease can now be prevented, notably rheumatic heart disease which formerly was childhood's greatest scourge. Today, through heart surgery, heart disease often can prevent initial attacks of rheumatic fever which result in damaged heart valves," they said. "Most repeat attacks also can be prevented by penicillin or the sulfa drugs," they added.

"It is much that heart research must still do, however. Primarily it must discover the underlying causes of hardening of the arteries and high blood pressure."

Name Boyd To Library Board Post

The appointment of John W. Boyd, of 16 Essex Street, to the Library Board was announced last week by Mayor Isadore J. Padula.

Stanley Miller's resignation from the Board created the vacancy filled by Boyd's appointment.

A long-time Town resident, Boyd is a former officer in Belleville Lodge No. 108, and a past president in the Craftsman's Club No. 409. He belongs to the National Rifle Association and is a National Rifle Instructor.

Boyd is also the instructor for the Recreation Department's Rifle Club. He is married and has three children and two grandchildren.

Boyd is Padula's only appointment to the Board while it was under the direction of the Department of Revenue and Finance. It has since been transferred to the Department of Parks and Public Property.

Contributors May Select Gifts For Memorials

Selection of memorials and honor gifts to contrast and honor gifts to the Clara Munn School of Nursing, held in the \$120,000 memorial plaque to larger gifts of \$25,000 and over.

The idea for this type of campaign, said, "is for individuals and corporations to give a sizeable contribution to give a memorial plaque, entitled them."

"We have a large memorial plaque erected in the lobby or in the case of a specific room or equipment the plaque would be placed on or near the object."

All gifts can be purchased over a three year period, touching four income tax years.

In addition to the designated gifts mentioned above, each of which will be marked with its own individual plaque, there will be a master plaque memorials.

These are plaque tablets, each approximately 5 x 5 inches, on which will be engraved the name of the donor together with the name or names of those in whose memory or honor the gift was made.

These plaques will be fixed to a larger master shield, and be placed in the main lobby of the school of Nursing. These master plaque memorials can be secured through a pledge of about 10 cents per day over a three year period or about the price of a cup of coffee a day.

Dr. Frank Di Ruggiero

Re-Elect DiRuggiero President Of School Board For 2nd Term

DiRuggiero Defeats Mrs. Rochau By 4-3 Vote; Albertine Edges Drake By One Vote For Vice-President's Post; Next Meeting Tuesday

Dr. Frank N. DiRuggiero was re-elected president of the Board of Education for his second straight term by a 4-3 vote among the members of the Board which held its first meeting since the election Monday at School Eight.

Michael V. Albertine was elected vice-president by the same vote. Albertine had finished with the high total of votes in the election.

DiRuggiero was nominated by Mrs. Mary Reilly Coranito. Michael Rubino nominated Mrs. E. A. Rochau for president. After the presidential vote, Mrs. Rochau nominated Richard Drake for vice-president, and Albertine put in Albertine's name.

It was announced that the regular February 23 meeting of the Board will be held Tuesday, February 24 due to Washington's Birthday.

The members of the present School Board are Dr. DiRuggiero, Albertine, Rubino, Mrs. Coranito, Drake, Mrs. Rochau and Dominic Lally.

After his election DiRuggiero told the Times-News, "I am very happy and proud to be re-elected as president and I will do my utmost to see that the children and taxpayers of the Town of Belleville get the best educational system."

The Democratic Club of Belleville is sponsoring this forum as a civic and educational service. All residents of Belleville have been invited to hear an objective and presentation moderated by the Hon. Raymond Male of Princeton.

Theft Case To Go Before Grand Jury

The case of Mrs. Irene Petrocelli, charged with embezzling \$35,000 in Town funds, was remanded to the Grand Jury on Wednesday Municipal Court hearing by Judge Edward J. Abrahamson.

Mrs. Petrocelli, who was not represented by counsel, waived a preliminary hearing and reviving of the complaint. No application was made for a change in the \$5,000 bail.

Mrs. Petrocelli, of 669 Mill Street, gave herself up to police February 6 when her brother, Dr. Frank DiRuggiero, called her to the police station.

She had been employed in the Department of Revenue and Finance as a bookkeeping machine operator since 1951.

Mayor Isadore J. Padula, Department director, said that Mrs. Petrocelli, having access to the nameplates of himself and Town Treasurer Francis McCoy, made out checks in her former married name and then destroyed the cancelled checks. The theft was discovered when Town officials detected discrepancies in the bank statements.

Estimate Tax Rate At \$7.99 For '59 Budget Figure

Increase Is 79 Tax Points Over Last Year's Figure Of \$7.20; School System Rate Rises To \$3.48; County Tax Portion Rises 22 Points

A tax rate of 7.99 is in the offering for Belleville residents at the 1959 local municipal budget was approved by resolution by the commissioners at a meeting scheduled last night.

The estimated increase over last year's budget is 79 points. The biggest single increase occurred in the public school system tax rate which is estimated at 3.48 for 1959. This represents a rise of 40 points over last year's rate of 3.08.

The County's portion of the tax pie comes to \$1.78 in 1959. Last year's rate was \$1.56, indicating an increase of 22 points.

A 17-point hike was estimated in the portion for the five departments at Town Hall. The rates are expected to climb from 2.56 to 2.73.

No dollars and cents figures for the budget itself were available at press time.

Last year's total budget came to approximately \$4,568,750 of which about \$2,290,355 represented the municipal figure. This year's school budget, already passed by the voters calling for an increase of \$279,332.00 over last year. The total school budget amounts to \$2,569,687.

Football Coaches Group Setting Up Scholarship

At a recent meeting of the coaches of the Recreation Heavyweight Football League officers were elected and plans were made for setting up a scholarship fund. In order to raise funds for the scholarship an annual dinner dance will be held.

Joseph Grande was elected president of the Coaches Club. Tom Apicella was chosen vice-president. Les DeFuria was elected treasurer, and Vincent Sorrentino was elected secretary. Robert E. Cook is advisor to the group.

As a first order of business the Club sought ways and means of increasing interest in the Football League and to set up a scholarship fund for deserving boys who have the highest scholastic standing through school starting from the time they first enter the Recreation Football League.

Although details of the scholarship are still being worked out, the plan is to make the scholarship available to a graduate of the Recreation Football League who has been in the league for at least one year and who has a high scholastic standing.

The Scholarship Dinner-Dance will be held on April 10 at the San Carlo Restaurant. There will be a steak dinner and dancing to the music of the Nick Noble Orchestra. Bonuses or those who want tickets may contact any of the football coaches or the Recreation House.

RESERVOIR CLUB INCREASES LEAD TO EIGHT GAMES

Defeats Second Place Centerless Twice; Ozyjowski Rolls 645 In Monday Loop

Commissioner George F. Kiernan, reporting on the Recreation Department Monday Bowling League, says that the 200 plus games and the 600 plus series are becoming almost common as the competition of the League intensifies on the home stretch.

In last week's games the red hot Reservoir Club won two from the second place Centerless team. This puts the Reservoirs eight games out in front. The Reservoirs victory was built on the 645 series rolled by Ozyjowski. It is interesting to note that Centerless only got one game even though they rolled 77 more pins than the victors.

The Vince Strumolo Association closed in on third place as they took two from Federal Engineering. Litterio bowled a 243 for Strumolo in this game. Palma Realty took a three game sweep from M & C Sheet Metal to pull into a tie for fifth place. The Belleville Political and Social Club, behind a top 630 series by Vince Sebastiani, took two from the Meteors.

Health Officer Stresses Caution In Cooking Pork

Edward G. Burdick, executive health officer, commenting on the three recently reported cases of trichinosis in this area, warned housewives that modern-day methods of slaughtering and processing of pork, the only insurance against the disease is thorough home cooking.

Trichinosis, a disease caused by eating raw or inadequately cooked pork, may cause severe suffering, pain and even disability. Burdick cautioned against attempting to broil pork, adding, "it should be roasted around 185 degrees and should not be eaten if the meat appears pinkish in color. Ham, particularly if baked, should be tested with a meat thermometer until it reaches an internal temperature of 160 degrees or 30 to 35 minutes per pound." Pork, when cooked under proper conditions, is high in food value, he said.

Further warning is given regarding curing processes, such as drying, smoking and salting. These processes alone do not make pork safe for eating. Thorough cooking of all pork products insures one against trichinosis. Burdick advises that persons suspected of having eaten inadequately cooked pork resulting in fever, abdominal discomfort, tired feeling and muscular pains should contact their family physician for further diagnosis. The symptoms usually occur ten days or longer after the pork is eaten.

Mrs. Phyllis Travisano of the Lauron Agency, 551 Washington Avenue, poses with award presented by Peter Calabrese for the Preferred Realty Board of Bloomfield, Belleville, Nutley and Glen Ridge at their recent meeting. The award was given for the most active agency during the past year. Second prize winner was Michael Moscara of Nutley, right. Henry Todaro of Bloomfield won third prize.

St. Mary's No. 2 entry in the Intermediate Boys' CYO Bowling League won all three games from St. Anthony's 2, of Belleville, to edge a little closer to first place which is held by St. Mary's 3.

With Joe Caffrey leading the way, the No. 2 St. Mary's squad rolled totals of 673, 649 and 626. Even with a 54-pin handicap, St. Anthony's was outdistanced.

Caffrey, who leads the league with a 141 average, turned in a 170 single game effort.

The league leading St. Mary's No. 3 team won the old game from St. Anthony's 1 and St. Mary's 1 captured the rubber game from St. Peter's, of Belleville.

In the Junior Girls League the St. Mary's keepers continued to make a rout of the race by winning all three games from St. Anthony's 1 even though the scores turned in were the lowest of the season.

St. Mary's has now won 14 games and dropped only one in the Girls League. Sharon Kaso rolled the maples for a 139 score for the high mark on the St. Mary's team.

MILLER NAMED TO CWV COUNTY POST

Navy Air Corps Vet Appointed Chairman Of Hospital Programs Committee

Joseph Miller, Sr.

Joseph Miller, Sr. of 14 Cherry Place, has been appointed chairman of the hospital programs committee of the Essex County Chapter, Catholic War Veterans, according to an announcement by Joseph Howell of Newark, county commander.

The Nutley veteran will gradually assume the duties heretofore performed by Stephen Hancey of St. Stephen's Post, long time chairman of the Essex CWV hospital committee. Ward parties, special entertainments staged seasonally, and sporting events at both Lyons and East Orange VA Hospitals will be supervised by Miller.

Miller and his wife, the former Miss Mary Dippel, were lifelong residents of Newark until they moved to Nutley 13 years ago. They are parents of a son, Joseph Jr. who is now in the U. S. Marine Corps, and a daughter, Mrs. Joyce McKenna of Kearny. The Nutley couple has three grandchildren.

A veteran of the U. S. Navy Air Corps, with four years service in World War II, Miller saw action in the Pacific theatre of operations.

A charter member of the Nutley Catholic War Veterans he has served a three year term as trustee, and is presently a junior vice-commander of the local post. Miller was one of the original

group that organized the first Little League baseball setup in Nutley over ten years ago. A member of Teamsters' Local No. 813 he has been employed for many years by Ballantine & Sons Brewery in Newark.

Walking into the street from between parked cars is an effective way to commit suicide, advises the Institute for Safe Living. The thinking pedestrian who desires to live to a ripe old age will avoid this practice.

Beware of crossing any street or highway without a long look in both directions. Autos traveling rapidly have a habit of appearing out of nowhere, warns the Institute for Safe Living off the American Mutual Liability Insurance Company. Its particularly alert when crossing where the street curves or view is otherwise

SPOTLIGHT ON SPORTS

By FRANK JONES

The Belleville High jayvees will face Seton Hall tomorrow at 12:30 p.m. in the Seton Hall University gymnasium, having gained the semi-final round of the JV tournament via a 67-66 last second victory over Montclair Immaculate. All indications point to a difficult chore for Coach Thomas Testa in stopping the Pony Pirates who have reeled off 18 straight wins.

The Bellboy varsity's place in the sun in the Essex County Tournament was short-lived as Nutley proved just too much for the young Blue and Gold aggregation trouncing them by a record-setting 81-64 tally. Belleville got into the tournament with the aid of a 78-57 win over Newark Academy. Freshman Red Higgins turned in an eye-opening performance as he dumped in 16 points to finish third among the Bellboy scorers in the Nutley game.

With few exceptions each annual Essex County Basketball Tournament produces a red-hot dark-horse team that seems to come out of nowhere and make a shambles out of pre-tournament predictions. These teams have generally been unimpressive during the regular season but suddenly catch fire at tournament time, pull startling upsets, and sometimes go all the way to the finals before cooling off.

This year's tournament seems to have such a team in Irvington. The Campers ended their regular season at close to the .500 mark in wins and losses, but have been playing like a different team in their last couple of outings. In their last game of the season, Irvington crushed West Side, seventh seeded in the tournament, by a score of 70-42. Then in the first round of the tournament, the Blue and White came up against a highly favored Central team, seeded fifth, and took them apart by 18 points, 58-40. Fine team play has been the hallmark of the Campers surge with John Lukasik, Harry Jewell and Fred Klittich leading the scoring parade.

Two local names popped up in college basketball circles this week. We learned that John Van Ness, of 15 Sunset Avenue, is playing with the Yale freshmen this season. Van Ness was captain of the basketball team at Montclair College High and played varsity football and baseball. We recently received figures from the Niagara University Athletic Department which showed Richie Veith, former all-time star with the Bellboys, second in individual scoring for the Purple Eagles. Veith, with a total of 265 points scored, has an average of 15.6 in 17 games.

Jayvees Gain A Semi-Final Berth With Last Second Win

Belleville High's Junior Varsity Plays Seton Hall Jayvees In Semi-Finals Of The County Junior Varsity Tourney

Coach Thomas Testa's Bellboy Jayvees advanced to the semi-final round of the Essex County Junior Varsity Tournament by nipping Immaculate Conception of Montclair 67-66 on Saturday, when Frank Annichiarico dropped in the winning duce with 35 seconds left in the fray.

Five Bellboys hit double figures with Sal LaCoco heading the list with 16 markers. George Sheridan, Ed Moro, Mike "Spud" Sandomeno, and Ralph Casale had 13, 12, 11, and 10 points respectively in a fine team effort. LaCoco also teamed with Annichiarico to grab most of the rebounds for the Belleville quintet.

Tomorrow, at 12:30 p.m., in Seton Hall University gym, the Belleville team will face a rugged Seton Hall Jayvee team that has won 19 straight games, and last week broke second-round Champion Weequahic's unbeaten skid of 24 games.

In the first quarter of the immaculate game the Bellboys trailed from the start when Joe Carter hit an immediate rebound. Immaculate held onto this lead until late in the quarter when Sheridan knotted the score at 11-11. After Casale and Ray Finery exchanged baskets, Bruce Brodbeck put in a foul shot to give Immaculate a 18-17 first quarter lead.

Moro opened the second quarter with a three-pointer to give the Bellboys a 20-18 advantage, but this was soon lost as Immaculate rolled off four straight tallies for a 22-20 lead. Later in the quarter Immaculate took a six-point lead with a seven-point string, but before the quarter ended, Sheridan and LaCoco tied it up at 22-22.

In the third quarter Immaculate started to roll and they eventually rolled up a 35-30 lead when the quarter ended. Sandomeno was the only Bellboy that could hit during the period as he tallied 10 of Belleville's 15 third quarter points.

Midway in the final session the Bellboys took a 68-59 lead when Moro and LaCoco collaborated for seven straight points. Joe Gramatik and Sheridan each accounted for a duce to make it 64-61. Then Carter and Brodbeck put in three foul shots to knot the score. LaCoco made it 65-64 with a foul toss, but Carter then pumped in a duce to make it 69-66. Annichiarico then wrapped up the exciting game with his winning two points.

The second division club had a field day in the Foxworth Memorial Bowling League last week as the Farmers took two games from the Aces and the Hittoppers won a pair from the Busters.

The Cubs swept the Spoilers, and the only first division team to emerge on top was the Oldtimers who rolled over the Muffins in three games.

Fred Ochsenrider, Sr., had the only 200 game, a 208.

Bellboys Winners In Prelim., Drop County Opener

Coach Westlake's Boys Troupe Newark Academy 78-57 In Essex County Preliminary But Suffer 81-64 Defeat By Nutley In First Round

Coach John Westlake's Belleville quintet played one of their finest games of the year as they downed Newark Academy in the preliminary round for a spot in the Essex County Tourney, but Saturday, in the opening round of the tournament, the Bellboys ran into a hot Nutley team that set a tournament record for scoring.

In the game against Newark Academy Coach Westlake got an outstanding team effort from his squad as three men hit for double figures, and another, John Folenta, played a fine game under the boards. Fred Riccio, Belleville's top scorer for the year with close to 285 points, had 23 tallies to lead all scorers. Richie Boyce and Red Higgins, a freshman, had 19 and 16 points respectively. These three mixed their scoring sprees well as Riccio scored 17 in the first half and Higgins 14 in the second half while Boyce, who haddad four points in the first three quarters, tallied 12 markers in the final session.

Nutley was too tall and hot for the Bellboys and the 49 points combined scoring efforts of Riccio, Clark and Cliff Peterson proved to be too much for the Belleville quintet to overcome. The first quarter was evenly played, but at the close Nutley led 17-14 as Peterson chipped in 10 markers for the Maroon. Belleville's 14 tallies were spread among Hunt, Riccio, Higgins, and Pizzuto.

In the second quarter Nutley started to gradually pull ahead. A six-point string early in the session gave the Maroon a 10-point advantage, and before the half ended they increased it to 12 as they led 30-24. Clark was the big scorer for the Nutley five with seven points while Higgins and Riccio accounted for all of Belleville's points in the quarter.

The third quarter saw the Nutley team really pour it on as they gradually up an insurmountable lead. While Boyce was the only Bellboy to hit with regulat-

JOLLY CLEANERS, SULLIVAN ASS'N LEAD LEAGUES

Bonnie Cook Leads Girls With 97 Average; Jimmy Risoli Tops Boys With 143

The Recreation - Kiwanis Junior Bowler Leagues are drawing to a close with only two more weeks to go.

The Girl's League is dominated by the Jolly Cleaners with the Perkettes in second place and the Kiwanis Association in third. In the Boy's League the Sullivan Association has the lead with the Belleville Typewriters hot on their heels and K. & W. in third place.

Bonnie Cook has continued to lead in the girls' individual average with her current standing at 97. Marsha Polenz still holds both the High Game and High Series with 187 and 423 respectively. Marsha bowls for the Kondreck Studios alternate, Joanne Thalheimer came up with a good series last week that put her out in front for high total pins at 2860.

The top bowlers among the girls are Bonnie Cook of the Belleville Pet Shop with 97, Joanne Thalheimer of Jolly Cleaners with 95, Phyllis Onofrietti of Jolly Cleaners with 93, Eugenia Laterza of Belleville Pet Shop and Joy Fullmore of Jolly Cleaners each with 91 and Angela Cuzzo of the Boston Store with 89.

Jimmy Risoli has both the high total and high average for the boys with 4297 and 143. Vinnie Gennaraso posted a new high series of 545 bowling for the Albertines and Greg Adams, also of the Albertines, marked a high game of 201.

The boys top bowlers are Risoli of the Sullivan Association with 143, Frustrer of Belleville Typewriter with 113, Hartnett of the Sullivan Association with 112, Sheldon of the Yankees with 109 and Groomer of A. J. Crowhurst with 108.

Anguish

I am lost, like a beast in an enclosure.
Somewhere there are people, freedom and light,
Behind me is the noise of pursuit
And there is no way out.

Dark forest by the shore of the lake,
Stump of fallen fir tree,
Here I am, cut off from everything.
Whatever shall be is the same to me.

But what wicked thing have I done?
I the "murderer" and the "villain"?
I, who force the whole world to cry
Over the beauty of my land.

In any case, I am near my grave.
And I believe the time will come
When the spirit of good will conquer
Wickedness and infamy.

The Republican Dilemma

Republican hopes of grabbing back Essex County's seat in the Senate, in Trenton, can be written off for another four years. There will be a G.O.P. Primary fight, after all.

Last minute efforts to negotiate a compromise between the two factions of Essex Republicanism have failed. Charles V. Webb, Jr., announced yesterday that regardless of what anyone else does, he is going to seek the Republican nomination to the Senate in the April Primary. That is certain to insure a G.O.P. crowd.

Across the orchard, in the other half of the Republican party, Judge Alfred C. Clapp, a former Senator, appears likely to declare his candidacy unless he agrees to allow himself to be by-passed by Tony Giuliano. Then, of course, like in any self-respecting Western, there's the Sheriff standing in the middle of the road — Sheriff Neil G. Duffy, who has Senatorial ambitions of his own.

One Man's Opinion

Red Hand Of Moscow Is Hidden Behind
"Liberal Front" Which Is Creating Trouble
For France In Anti-Communist Spain

As a war correspondent for the United Press, I watched the Spanish Civil War from its first skirmish at Fuenfarrabia, across the Franco-Spanish border from Hendaye, in 1936, to the inglorious collapse of the Communist resistance and the retreat of the Red "Republican" armies across the frontier into France — and safety in herding behind barbed wire on a sandy strip of wasteland along the Mediterranean shore near Perpignan — in 1938.

Having covered the war on both sides of the lines with the armies of General Franco in the west and with the so-called "Republican" forces during the tragic winter siege of University City, outside of Madrid, in 1937, I can watch, as a neutral, the new stirrings in Spain which, I fear, can be the prelude to new civil conflict which might destroy the fiercely anti-Communist fervor of the Franco regime which has been ruling Spain continuously for the past 21 years.

The stirrings, as far as I can judge them from this distance, are of twin origin, Basque and self-styled "Liberal". It is a matter of record that both forces were allied with Communism — and the "International Brigades" of Communist volunteers, chiefly from this country, in the defense of the Spanish "Republic".

Thus far Khrushchev has not shown his hand, but his overthrow of the Franco regime can but help Communism. Spain is the one country of Europe where Communism is banned. It is a political party and where there is no "red underground".

It is a matter of history, too, that Franco's Spain fought in World War II but only against Communist Russia. Spain's "Blue Divisions" fought only on the East front, never with Italy or Germany against the West.

Our principal American bases in Europe, today, are located on Spain's soil. They are situated at the containment of Communism, hence are the subject of Moscow's intrigues.

Americans should remember that, although at that time in 1940 Franco had been crushed, Poland and Belgium invaded as were Poland and the Baltic republics and England was withdrawn behind her water barriers.

France refused the ultimatum of Hitler and Mussolini, delivered personally by Hitler himself in October, 1940, at Iran, to declare war on the side of the Axis powers.

From my post in Vichy, that October, I was an eye-witness to that historic happening. It was on that voyage by special train that Hitler stopped off in Montauban and made his offer of a "generous peace" to Marshal Philippe Petain and Pierre Laval, who, he said, would "laborate" with Germany and Italy.

France's "collaboration" was

LETTERS

To the Editor, The Times-News:

I would like to thank this opportunity to thank your publication for your cooperation and coverage during the recent Boy Scout Elections. Also I wish to extend my congratulations — and best wishes to the successful candidates as they do the entire work for a harmonious and fruitful year. Above all, my sincere thanks and appreciation to all the people and friends who, during the campaign, helped to make it a wonderful experience, and for their expression of confidence in considering me one of the qualified candidates.

Permit me to express one more thought, that public education requires the constant interest and active support of every resident. By cooperative action and effort, we can make Belleville schools A-1.

Nicholas Juliano

To the Editor, The Times-News:

I wish to express my sincere thanks to the members of the school board who voted no on the school budget. It is very gratifying to know that many people in Belleville are still concerned with our mounting tax rate. Less than 4,000 people voted to the polls, since 1,500 people failed to vote on the question, it was hard to succeed since we had to fight the eight candidates to the entire Board for and the teachers' organization. Now that the budget has been approved the teachers are happy at the expense of the home-owners to the tune of an increase in our tax rate of 46 points. Most of these teachers do not live in Belleville, spend their money and pay taxes elsewhere.

Now a new inflation is in the making. The commissioners will have their say in the near future on the budget. There is nothing the voters of Belleville can say about it since we elected them to office and gave them the power to do as they please until removed. I understand they want an increase in the tax rate of 75 points or a total increase of 121 points, from \$7.20 to \$8.47, which the taxpayers will feel when they receive the second half of their tax bill. How many people that voted yes on the school budget will pull their hair out one time will tell. To eliminate wasteful spending of taxpayers' money, once again I urge to vote for the change.

Boy Scout News

A final preparatory meeting for the "Together" session was held on February 15, at the home of H. L. Evans, the "Together" Chairman. At this meeting plans and the final program were discussed for the program for the "Together" which will take place Monday, February 23, at the American Legion Hall, 621 Washington Avenue at 8 p.m. Through the medium of this meeting it is hoped that the units and membership of the Belleville District, Boy Scouts of America, will be increased so that more and more boys will have the benefit of the Scout program.

302 Eagle Scout Awards

A colorful ceremony was held by Troop 302 of the Bethany Lutheran Church as six scouts received their Eagle Scout Award, the highest rank attainable in scouting. The six scouts were William B. Baker, Robert Harper, Clinton Brown, Charles H. Baber, Richard Lovell and Kees Schudobert. Each scout also received the "Good Citizen Citation" Award presented by George Eppas, Boy Scout representative for the Essex County American Legion Department of New Jersey. An orchid corsage was presented to each Eagle Scout mother. Scoutmaster Edward Anderson also presented the Silver Award For Explorer.

Scouts At Wesley

In celebration of the 47th anniversary of the Boy Scouts, the Scouting Family, including all three units of 301's Cub Pack, Scout Troop and Explorer Post, sponsored by Wesley Methodist Church, had a family banquet on Wednesday evening, February 11th.

The guests, representing Belleville's District of the Robert Treat County of New Jersey, included Scout Executive; Harry J. Sullivan, District Chairman; Frank Seibold, Neighborhood Commissioner; Henry French, retired assistant Executive; John Dalquist, of Belleville entertained with several scenic slides.

Seibold presented new unit markers for 1959 to Reverend Clifford A. Hewitt.

Sullivan presented the 1958 Safety Award Plaques to Cubmaster Edward Anderson and Scoutmaster James Lee.

The following advancement awards were made: Lawrence Waldron, P501; Dan Petersen, P309; Glenn Curran, P309; one gold and three silver arrows and Doug Cheney, P302.

Also Tenderfoot awards, by French, to Lawrence and Martin Wallace, Peter Smith, Kenneth Nakasani, Scott Munro, Gary Boyce, Gordon Polk, and Nancy Allen. William Evans, Jack Ferraro, Thomas Moraski, Thomas McCann, John Waldron and Nancy Allen. Advanced to second-class were: Brad Moerck, Michael McShere and Steven Evans. First-class advancement to Frank and James Lennox, Bruce Gould and James Lee, 2nd.

Many Merit Badges were also awarded to the Scouts, including Explorer Scout Howard Fisher.

It's built for savings...and built for people, too!
Savings is just part of Ford's double-value story! For Ford's as easy to live with as it is to save with it's built for people. That means you get down that open road with your chief competitor...a lower drive shaft tunnel...a foam padding in the front seats of all models. In back, you don't have to sit with your feet in a bucket. The man in the middle has full-depth cushioning and springing. Sensible tushpadding and no-excess-sprungness over long-term year-round comfort. But don't take our word for it. Come in. Let your Ford Dealer prove Ford's sense and savings.

Nurse Refresher Course To Be Held

The second annual nurse refresher course sponsored jointly by Clara Maess Memorial Hospital and the Essex County Medical Society will be held at the hospital starting March third. The course will consist of ten meetings to be held on successive Tuesday nights.

The purpose of the course is to provide Graduate and Registered Nurses with up-to-the-minute information on medical sciences and techniques.

Because last year's program was over-subscribed and proved very popular, it is suggested that nurses who are interested in registering this year do so promptly because the capacity of the lecture hall is limited. Registration can be made by calling the Directors Office of Clara Maess Memorial Hospital, Plymouth 1-1000.

Progress Of Children Noted At C P Center

Children attending the education classes at the Cerebral Palsy Center enjoyed the breakfast at school Wednesday morning. It was served as a co-operation with the center as the children were completing a unit of study about health, foods, table manners and related learnings.

Master of ceremonies, Nicholas Molito, presided and the class club under the leadership of its officers, William Felle and James Byrne, provided the food. Teachers, Mrs. Aurora LaGasse and Miss Marie Salerno, expressed appreciation for the willing assistance of parents in providing some of the goodies for the meal. Pupils wrote all the invitations and did a careful accounting of costs as a practical part of their language and arithmetic lessons.

Miss Carolyn Pohl, supervisor of their education program, was guest of honor for the occasion. She reported that many of the pupils have made phenomenal social, physical, and academic progress since their admission to the Cerebral Palsy Center classes. Miss Pohl reminds citizens that this is a special service provided through the sponsorship of the Belleville Board of Education in cooperation with the United Cerebral Palsy Organization of Essex and West Hudson Counties.

Since the classes have opened here, several families have moved into Belleville to be more easily accessible to the services of the center and the school.

CYO Holding Play Contest

CYO members will again get a chance to show off their acting talent in the annual one-act play contest.

Competition will be held in two classes, senior, up to 35, and junior, under 18. While competition will not get under way until April, an early announcement is being made to enable parish groups to select a play and get it into rehearsal.

A series of parish eliminations will be held prior to the county finals where the winning parish will receive an award, along with the actor chosen as the outstanding performer. Winning play in the county finals will advance to archdiocesan competition.

Directing the competition for the CYO will be Jack Krong, of Montclair, who has been active in North Jersey theatrical circles for the last decade.

K. of C. News

On Monday evening, February 2, the Knights of Columbus observed the Blessing of the Statue of the Blessed Virgin Mary. This important date is the feast of the Purification of the Blessed Virgin Mary. The blessing of the statue was given by the Council Chaplain, Rev. Francis Iannaccone, and was followed by a Lenten briefing which was an inspiration to all who attended. We are very grateful to Brother Tony Morro who donated the statue which is at the entrance to our clubhouse.

The spiritual program for the last two months started with the blessing of the grounds, followed by the blessing of the new building on its completion date, November 17, 1958. Also on that date was the blessing of the Crucifix which graces the main hall and auditorium. Thanks are given to Brother James McGinn and his family whose generous donation of this crucifix in memory of deceased brother, Past Treasurer John McGinn. The following Sunday, November 25th, the men of the Council observed their annual Communion in a body by receiving the Blessed Sacrament at St. Peter's Church after which a breakfast was held in the Knights of Columbus Clubhouse.

The Catholic Daughters, who share the facilities of our clubhouse, followed the same program on December 27 by holding their annual Communion Breakfast.

The "March of Dimes" collection by the Mothers Committee, for the south-end of town was conducted by the Catholic Daughters.

Pentimone is a survey rod and tapanen in the motor battery of the 3rd's 20th Infantry. Leonard is a radio operator in Headquarters Company of the 3rd's 4th Infantry.

Belleville Loses First In Bowling

Coach George Louis Belleville High School bowling squad dropped its first match of the year when it lost to upset Caldwell 197-76, and 823-78 on Wednesday.

Belleville Loses First In Bowling

This loss knocked the Belleville out of first place and gave Caldwell first place ownership to this position.

Belleville Loses First In Bowling

The Caldwell team repeated a trick they did last year as they have broken Belleville's unbeaten record. The Belleville team, which had been averaging 73 per game, bowled away above average to upset the Belleville team.

Belleville Loses First In Bowling

In the first game the Belleville lost by a margin two pins as only Bob Alsop, with 139, could manage to roll a good game for the Belleville team.

Belleville Loses First In Bowling

In the second game Alsop and Richie Lowack posted fine 173 and 197 games, but the other three members of the team experienced too much trouble and the Belleville team absorbed its first defeat.

Belleville Loses First In Bowling

Other league matches saw Seton Hall post its third win in four games with an easy victory over St. Benedict's. Bloomfield took its fifth straight win as it handled N. Arlington its fourth loss. Verona, Nutley and Montclair and Wayne were tied after two games.

Belleville Loses First In Bowling

The Recreation Section Basketball League is closing out its second round of play with a very tight situation.

Belleville Loses First In Bowling

Cher's Sweet Shop, who won over the Valley Five and the Dolphins who won over the Rangers last week are in the top place on this round. The Bruins dealt out a loss to the Kiernan Association which will probably not see Kiernan out of the running this round. The Bruins have been coming on strong, started just a little too late to roll into contention.

Belleville Loses First In Bowling

In this weeks competition the Chets will play the fifth place team. The Dolphins play the Rangers and the Dolphins play the Rangers.

Gary's Beats Rumerup Savino's Sport Shop In Suburban Women's League

Belleville Loses First In Bowling

Edmar's picked up ground on second-place Savino's as they defeated Park Shop Rite in two games while Savino's dropped a pair to Gary's in last week's Suburban Women's League action.

Belleville Loses First In Bowling

In other games Spruce Cleaners won three from Alwood Cleaners, Brookdale won a three-game forfeit victory over Marcon and Philberg's beat Allan's Cleaners twice.

Belleville Loses First In Bowling

Ida Palenski had both the high game and series of the night with scores of 187 and 149, respectively.

In Special Week To Honor Scales

Next week Belleville will join hundreds of cities across the nation in the observance of National Weights and Measures Week. March 1 is International Weights and Measures Day. The observance of National Weights and Measures Day is a reminder to the public that the scales of justice are also the scales of commerce.
