

## Board Of Education Sets Salary Ratios For School Personnel

**Maximums Established For Directors, Special Teacher, Principals, Supervisors And School Superintendent; Amendment To Rules Planned**

Ratios establishing salary maximums for school administrative personnel were established by the Board of Education at Monday's meeting.

The maximums are \$8,800 for part-time directors and the special teacher in elementary education; \$10,400 for elementary principals, the high school vice-principal and the full time director of physical education; \$12,000 for the high school principal, assistant supervisor and general supervisor, and \$16,000 for the superintendent of schools.

Board members Dominic Lally and Mrs. S. John Corrado voted against the resolution.

The elementary principals had originally requested a salary ratio of 1.35 for principals in the six-year training category which would differentiate between these principals and those in the four-year class. The ratio for all elementary principals is now 1.3 based on the highest teacher's maximum of \$8,000.

Belleville resident Lee H. Garson criticized a \$1,000 raise given to Superintendent of Schools Evan Thomas Garson said, "Such a raise is too high for a man who either could not, nor was it conceivable of handling a minor school issue."

He suggested that the Board further study the Superintendent's salary raise measure.

On a resolution re-appointing administrators, supervisors, directors, principals and 12-month secretaries, Mrs. Corrado moved that each category be voted on separately. Subsequently, she and Lally voted against the re-appointment of administrators, and Lally voted against the re-appointment of the special teacher in elementary education, directors and principals.

Lally said he was opposed to the present salary adjustment plan because of inequities in adjustments in the first step. He suggested that a flat increment be given on the first step of the scale and the adjustments be made on the second step, which would make the inequities smaller.

He added that a ratio that he had proposed to the Board was five per cent smaller than the one adopted.

In other Board business, Board President Frank DiRuggiero announced that an amendment to the rules and regulations would be made.

## R. P. WILLIAMSON DIES IN HOME OF HEART ATTACK

**Member Of Bd. Of Adjustment Was Active In Many Local Groups; Was Lifelong Resident**

Raymond P. Williamson, of 284 Ralph Street, died Friday of a heart attack in his home.

Williamson was 60 years old.

Lifelong resident of Belleville, he operated his own plumbing business for 30 years. Williamson was appointed to the Zoning Board in February, 1954, and was in his second term. During the 1958 Town Commission election he was campaign manager for Kenneth Smith, an unsuccessful candidate for re-election. Williamson was a member of the protest group of Salem Temple, Lodge 7, F & AM; the River Valley of Newark, and was a past patron of Belleville Chapter, OES. He was a vestryman of Christ Episcopal Church, and had been chairman of the Episcopal Community Chest drives.

He leaves his wife, Mrs. Anna Margaret Williamson; five daughters, Mrs. Dorothy Barrett, Mrs. Gertrude MacGinnis, the Misses Ethel and Jeanette Williamson, all of Belleville, and Mrs. Elsie Owens of Cliffwood Beach; five brothers, George of Belleville, Charles of Chester, Benjamin of Plainfield, Wilfred in Maryland, and Edgar in California; two sisters, Mrs. Ruth and Miss Frances Williamson, both of Belleville, and five grandchildren.

Funeral services were held Tuesday at 1:30 p.m. in Christ Church.

## Weekend Weather

Skies will be mostly sunny over the weekend with the temperature being in the low 70's.

## CANCER SOCIETY EXTENDS DRIVE THROUGH MAY

**Town Chairman Elmer Hyde Reports Organization Reached 60% Of Last Year's Total**

The American Cancer Society's annual fund-raising and education drive in Belleville will be extended through May, town chairman Elmer S. Hyde announced yesterday.

Hyde reported his organization has reached 60 per cent of last year's contributions totaling \$6,762.

The chairman explained, however, the Crusade got off to a slow start in Belleville. Few workers have completed their assignments and many contributions have not yet been turned in.

On a county wide basis, Crusade Chairman George E. Ford of Maplewood reported, the chapter has reached 35 per cent of last year's contributions totaling \$197,328. He explained, however, the

Frank A. Orechio, left, publisher of the Belleville Times-News, welcomes James Phillips, who will become advertising manager of the Times-News Monday.

## Air Conditioning Move Defeated By Tie Vote

**Sullivan, Pico Vote Against Ordinance, Kiernan Padula Give Support; Suggestion Made By Several Residents That Police Pistol Range Should Go**

An ordinance appropriating \$25,000 to air condition Town Hall was defeated by a tie vote at Tuesday's Commission meeting.

Commissioner George F. Kiernan, who introduced the measure, and Mayor Padula voted in favor of the ordinance while Commissioners Harry J. Sullivan and Nuncio R. Pico voted negatively. At a conference before the meeting, Pico had urged holding the ordinance over for further study.

Objections to the air conditioning proposal were made during the meeting by Town resident Lee H. Garson. Garson noted that Town Hall had done without air conditioning for a long time, and that the employees only worked 32½ hours a week.

Garson also objected to a measure accepting Civil Service recommendations for employees in the Department of Revenue and Finance. He noted that it provided for a maximum for the Town Attorney of \$9,024 from his present salary of \$5,000, and an \$8,888 maximum for the Town Clerk from his salary of \$4,360.

Padula pointed out that the figures are maximums, not pay raises. The measure was adopted unanimously.

Thomas J. McGill made a suggestion to the commissioners that the pistol range be abandoned since it is dangerous and prohibits proper development of the land. He was joined in his objections by Paul Francisco, of 24 Greatwood Avenue, and Walter Wainwright, of 23 Maple Street, who saw the range as a danger to children.

Commissioner Sullivan, director of Public Safety, said that solution to the problem of the pistol range was being studied.

A resolution rescinding another resolution which accepted a revised map of a portion of Rutan Estates was passed. Objections to the map were made by Milton Lowenstein, representing Mr. and Mrs. King, of 90 Plenge Drive, who claimed that the map showed planned development in back of Plenge Drive.

He said that residents in the area had been told that no develop-

## Art Week To Be Held In Schools

Belleville's elementary school children will have an opportunity to display the work they have been doing in art during Art Week in the schools.

Parents may visit the schools during the week to view the displays. Each school will have an open house to be given on the following days: Monday, Schools Two, Five and Ten; Tuesday, School Nine; Wednesday, School Seven; Thursday, School Four, and Friday, Schools One and Three.

Art Director P. Webster Ditch had high praise for the work done by the pupils and pointed out that Belleville had contributed many professional artists and numbers of competent amateurs to the field of art. He added that many requests are received from art departments in other schools for information on the Belleville program.

For Good Planning Work

Nashville 10, N. J.

## SUMMER SCHOOL PROPOSAL TO BE CONSIDERED SOON

**Dr. DiRuggiero Reports Board Will Study Establishing Complete Summer Program**

Dr. Frank DiRuggiero, President of the Board of Education, announced at Monday's meeting, that a full-scale summer school plan for Belleville will be studied in the near future.

DiRuggiero told the Belleville Times-News that the proposal for a summer program would have to be made in next year's school budget if plans materialize. He said that it would probably be set up similar to Bloomfield's summer school where Belleville children seeking the special instruction must now go.

Tuition would be charged for the summer courses, the President said.

At present, Belleville has a summer reading program which was authorized for another year at the meeting Monday. Three reading teachers conduct the program at a salary of \$120 each.

Superintendent of Schools Evan Thomas reported that 112 pupils completed last summer's reading program, attended regularly.

## Commissioners Pass Ordinance Increasing Water Rates In Town

**Overflow Crowd Expresses Disapproval Of New Rates For Water Usage; Estimate 51% Increase In Rates Passed By Unanimous Vote Tuesday**

Despite objections from several members of an overflow audience in Town Hall, the Board of Commissioners passed on final reading an ordinance calling for 59 increase in water rates.

The rise was partly caused by a 40 per cent increase in the rates charged by Newark to Belleville for the use of its water. Mayor Isidore J. Padula said that the Department had tried to arrive at an equitable figure for the water rates so that the Water Department would no longer have to operate in the red.

Part of the increase is slated to make up a \$48,000 deficit, according to the Mayor.

Martin Resnick, a spokesman for the Citizen Tax Council, said that if the Water Department were maintained properly, the Town could show a profit on water every year. He pointed out the difference in Bloomfield's \$2.60 rate per thousand cubic feet, and the \$3.75 Belleville rate, adding that Bloomfield shows a profit.

In reply to a further question by Resnick, Padula said that he did not anticipate adding more water meter readers in light of the new provision that four readings, instead of the present two, will be made each year.

Mrs. William H. Mingle, of 48 Rosemore Place, and Lee Garson pointed out that the water deficit should be put in its proper category, not on the water bill; Garson added that the Commission should not be the water meter for other uses besides paying for water.

The minimum quarterly rate will now be \$3.75 per 1,000 cubic feet, up from \$2.60. The rate for over that amount the rate will be \$3.25 per thousand.

The old rate for homeowners was \$4.50 for the first 2,000 feet with an additional charge of \$2.20 for each additional 1,000 feet. For quantity users, the rate will be \$3.75 per thousand for the first 3,000 cubic feet; \$3.25 from 3,001 to 5,000; \$2.65 from 5,001 to 10,000; and \$1.95 for the excess of 10,000.

The old quantity rate was \$2.20 up to 30,000; \$1.95 30,001 to 150,000; and \$1.55 over 150,000.

## Name Committee To Study Future Of Soho Hospital

**County And State Officials To Conduct Study Into The Future Use Of Essex County Isolation Hospital; Several Suggestions Presented**

The future of the Essex County Isolation Hospital in Belleville will be given a thorough study by a committee appointed last Thursday by Mrs. Jeanne Moss, director of the Board of Freeholders.

Originally an isolation hospital for the treatment of communicable diseases, it no longer functions primarily as such. Instead, it provides care for tubercular children and serves as a general hospital for county welfare patients.

Suggestions have been made in recent months that the Hospital be made a County general hospital, that a geriatric center be established, or that it be abandoned completely. It had also been suggested that the Town of Belleville might consider purchasing the Hospital if the latter course is taken.

Mrs. Moss and two other freeholders, James L. McKenna, chairman of the board's hospitals committee, and Frank S. Platt, will serve on the committee. Other members are:

Dr. Edwin N. Albano, president of the Essex County Medical Society and Essex County medical examiner; Dr. Daniel J. Bergson, commissioner, New Jersey State Police; Dr. Robert J. Bergson, president of the Essex County Medical Society; Dr. Kenneth Gardner, president of the New Jersey Medical Society; James L. R. Lafferty, lawyer and member of the Essex County Welfare Board.

Also, Raymond L. Mahony, former Essex County auditor; Herman Pokarsky Jr., executive director of the Jewish Community Council of Essex County; John T. Turpin, president-elect, Essex County Medical Society; Peter V. R. Schuyler Jr., executive secretary of the Virginia Electric and Gas Company for its electric transmission line.

It will be impossible for us to install this line without some minor inconvenience to the people of your Town. There will be some temporary physical damage due to cutting property. Representatives of this Company will call upon individual property owners prior to construction and explain the situation. At this time appropriate

(Continued On Page Two)

## Speaker's Bureau Set For Service

Dr. Garfield, president of Belleville family counseling service, has formed a speaker's bureau which will function throughout the next year.

The purpose of the Bureau will be to provide speakers to all organizations that are interested in learning of the activities of Family Service. This Agency, which is supported by the United Fund, has a long history of providing assistance to troubled families by utilizing social service workers plus the skills of other professions, including medicine, psychology and psychiatry.

Family Service has continued its maintenance service to the Belleville community. Interested organizations which are interested in hearing of the work of this Agency may be addressed to the Family Counseling Service office on Washington Avenue.

The Board has recently announced a general membership campaign in order to broaden its base of support among those people in Belleville who are interested in providing social service resources to the community. The adoption of a new constitution, Family Service was able to provide certain rights and privileges to general members from the community at large. It is anticipated that future funds will be drawn from this group. Enrollment is made upon telephone application to Mrs. Mary Fawcett, executive secretary of the Agency.

## Kindergarten Registration At School 10

Kindergarten registration for children in the School Ten district will be held Tuesday from 10:15 to 11:30 a.m. and from 2 to 3:15 p.m.

Any child who will be five years old on or before December 31, 1959, will be eligible for entrance in September.

Parents should bring birth certificate and proof of vaccination. Parents have been notified by mail. Any who did not receive such a letter may register their children during these hours at School Ten.

Belleville public schools will hold separate registration periods in each individual school.

## D'Avella Appointed

Thomas D'Avella, of 118 Parkway Avenue, has been appointed to the Board of Trustees of the North Essex Child Guidance Clinic.

D'Avella is assistant Town attorney and a member of the Kiwanis Club.

Mayor Isidore J. Padula draws the name of the winner of a mink stole at the recent drawing sponsored by the Belleville Lions Club while Club President Albert Borian, center, and Henry Lewis assist.

Belleville Post 100, American Legion, will conduct this month's paper drive this Sunday. Please bundle your papers and put them at the curb. Trucks start at 8 a.m.

## Health Fair Scheduled

Commissioner Nuncio R. Pico and Health Officer Edward G. Burley have urged all residents of Belleville, to take part in the Essex County Health Fair, at the Seton Hall University gym, South Orange in the first week in May.

This is sponsored by the Junior Chamber of Commerce of the Essex County Pharmaceutical Society and the Essex County Medical Society in cooperation with the Woman's Auxiliary to the Medical Society and the Pharmaceutical Auxiliary. Over 90 tests, and welfare agencies will be participating.

The Fair will be held on Thursday and Friday afternoon and evening, and Saturday afternoon, May 7, 8 and 9. It will be open to the public of Essex County and the surrounding area, free of charge. The many participating organizations will provide the following types of service:

1. They will attempt to educate individuals in the importance of improving and maintaining their health through the use of good health practices and by cooperation with the health team.
2. They will inform the public through exhibits and special events of the many health services and facilities available and they will instruct people on how to make use of them.
3. They will conduct free physical tests and examinations in as many ways and areas as possible for the purpose of checking on personal health and detecting unknown cases of ill health.

## Sciarillo At Confab

Thomas B. Sciarillo, of 65 Lake Street, is attending a conference at the Home Office of the John Hancock Mutual Life Insurance Company in Boston this week.

Sciarillo is one of a group of agents from all parts of the country who are selected for their outstanding qualifications to represent their respective agencies at the meeting, the purpose of which is to inform the agents of the latest trends in the life insurance business.

Parents are urged to take special precautions against child poisoning accidents during spring months. The research, according to the Institute for Safe Living, is more active use of common household compounds that are dangerous if swallowed by children. These include (1) paints and thinners, (2) garden sprays, insect killers and rodent poisons, (3) soaps, lyes, detergents, (4) dry cleaning compounds, (5) furniture cleaners and polishes. All should be carefully stored after each use, away from children.

## PS To Issue June Bonds

Public Service Electric and Gas Company today filed an application with the Board of Public Utility Commissioners of the State of New Jersey for authority to issue and sell \$500,000 principal amount of first and refunding Mortgage Bonds, to be dated June 1, 1959 and to mature June 1, 1969. It is planned to sell the Bonds early in June.

The net proceeds from the sale will be added to the general funds of the Company and will be used for its general corporate purposes including payment of a portion of the cost of the construction program.

## Charles Robertiello, DDS Opens Belleville Office

Dr. Charles Robertiello

Dr. Charles A. Robertiello announces the opening of his office for the general practice of dentistry, at 107 Franklin Street, Robertiello, an alumnus of Rutgers University and Georgetown University School of Dentistry, spent several months in the oral surgery department of Maryland Medical Center, Newark.

A Captain in the U. S. Air Force, he served as a dentist in the 44th Air Force Hospital, Asaka, Japan. Prior to opening his Belleville office, Robertiello practiced in South Orange, where he was on the faculty of Seton Hall College of Medicine and Dentistry. He is a member of the Essex County Dental Society, the French Dental Club of New York and the Belleville Lions Club.

## Steno Machines At BHS

25 Belleville High School juniors and seniors observed a stenographic demonstration by two B.H.S. graduates. The demonstrators, Raymond Mastandrea and David Gerson, an official from the Newark Preparatory School, took machine shorthand at a rapid pace. The stenograph is used for court reporting and in legal work. Gerson explained the training course and answered questions.

## Former Local Girl Wed In Caldwell

On Saturday, April 25, Miss Anne Marie Sheridan, daughter of Mr. and Mrs. John Sheridan of North Caldwell, formerly of Belleville, became the bride of Richard Gillespie, son of Mr. and Mrs. Bernard F. Gillespie, of Glen Ridge. Rev. Joseph Begans performed the ceremony in St. Aloysius Church, Caldwell. A reception was held at Hotel Suburban, Summit.

Mr. Sheridan gave his daughter in marriage. She was attended by her cousin, Miss Mary Ethel Boyers, as maid of honor. Bridesmaid were Miss Ellen Coffey, Miss Patricia Ann Mulhern, Miss Donna Lee Sica and Miss Lila Farmer.

Bernard F. Gillespie, Jr., served as best man for his brother. Ushers included John W. Sheridan, the bride's brother, Warren C. Schubert, Robert H. Butterworth and John M. Macketh.

Mrs. Gillespie, a graduate of St. Dominic Academy, attended Marymount College, Arlington, Va. Her husband, an alumnus of Seton Hall Preparatory School, attended Seton Hall College. He served in the U. S. Air Force for four years and is a pilot with Eastern Airlines, Inc.

After a Bermuda honeymoon, the couple will reside in East Orange.

## Miss Diane Bramhall Is Bride Of New York Man

Mrs. Frank J. Snowney

Union Congregational Church, Upper Montclair, was the scene on Saturday, April 25, for the marriage of Miss Diane Bramhall to Frank J. Snowney, son of Mr. and Mrs. Anthony Snowney, of Geneva, New York. The bride is the daughter of Mr. and Mrs. Robert Clark Bramhall, of 30 Forest Street. The Rev. Paul W. Yinger performed the ceremony which was followed by a reception at the Woman's Club of Glen Ridge.

Mr. Bramhall escorted his daughter to the altar. She wore a white gown of sole floor length gown, fashioned with a full skirt and lace jacket. A ruffled lace crown held her fingertip veil. She carried white orchids on a prayer book.

Mrs. Frank R. Carter was her sister's matron of honor. She was dressed in a ball-length gown of green peat de sole with a matching headband. Miss Diane Carter, the bride's niece, was junior bridesmaid. She wore a long-length yellow taffeta and matching headpiece. Both attendants carried purple orchids.

Lieutenant Frank R. Carter served as best man. Cornelius Lorenson, Jr., and James A. Skidmore ushered.

Mrs. Snowney, an alumna of Juniata College, is employed by Johnson & Johnson International, New Brunswick. Her husband is a student at Wilfred Academy of Hairstyling, Newark.

The couple, now honeymooning in the Pocono Mountains, Pa., will live in East Orange.

## Will Marry

Miss Evelyn Wood

Mr. and Mrs. George Wood, of 37 Friedland Road, Nutley, announce the engagement of their daughter, Miss Evelyn Wood, to Robert George Kiss, son of Mr. and Mrs. George Kiss, of 222 New Street.

Miss Wood was graduated from Nutley High School and the Laboratory Institute of Merchandising, New York City. She is presently a sportswear buyer with Kirby Block, Inc., New York City.

Mr. Kiss was graduated from Upsala College. He is employed with William Douglas McAdams, New York City, as an assistant account executive.

The couple plan to be married in Grace Episcopal Church, on Saturday afternoon, May 16, at 1:30 o'clock.

## Local Red Cross Chapter To Participate In Rally

Belleville Chapter, American Red Cross, will be represented at the giant rally and pageant commemorating 50 years of American Red Cross Nursing Services, on May 8, at 8 p.m., in the Orange High School. All nurses and nurse's aides are invited to participate in uniform.

The pageant will include a tableau, of which Mrs. John DeNike, is chairman and will have Mrs. Ludwig Posa and Mrs. Walter Sincox, as participants. The women are with the Belleville Chapter. A five minute historical sketch concerning the life of Clara Maass will be presented by the Nurses of that hospital.

Among the honored guests will be Dr. Frank M. Durkee, Belleville Chapter Chairman.

CLASIFIED ADS BRING QUICK RESULTS

## "TENDER TRAP" N. L. T.'S NEWEST, IS GAY COMEDY

May Offering Concerns Pursuit Of Eligible Bachelor By Career Girls

The enviable dilemma of a gay and highly eligible bachelor whose state of unwedded bliss is constantly threatened by a procession of attractive career girls, is the basis for the comedy, "The Tender Trap," now in rehearsal at the "Barn" on Erie Place.

Frank Batelli, Ned Hooper and Mary Faith are starred in the cast which also includes Rudy Vassallo, Hootie Hooper, Gloria Gutch and Arnold Singer. The play is scheduled for three performances May 21, 22 and 23 at the Nutley Junior High School.

Written by Max Shulman and Robert Paul Smith with the primary intention of being funny entertainment, the comedy also makes some sharp comments on the courtship mores of our time.

The setting is the New York apartment of the 35-year-old eligible bachelor. Just how eligible he is demonstrated by the horde of ladies, all of them enticing, bright, carefully employed, who descend upon his apartment with matrimonial intentions.

The hilarious complications ensue from the very bachelor's efforts to enjoy the ladies' tactics, but still evade the marriage traps laid for him. But for all the comedy's merriment, the comedy-as-a-trap, it is a powerful pitch for marriage as an institution.

Spring or summer showers are more dangerous for motorists during the first few minutes after raindrops begin to fall. According to the Institute for Safe Living of the American Mutual Liability Insurance Company, dust and oil film which has settled on the windshield tends to streak when wipers are operated. A few minutes of hard rain usually

washes the film away but visibility is still limited. Slow down, take it easy when driving during a shower.

Know how to protect your brakes when driving the apt heavy rain or on flooded road? The Institute for Safe Living says, brakes usually can be kept dry enough for safe operating condition by holding your foot lightly on the brake pedal. Dry wet brakes by light pumping and caution at low speed, until they again become effective.

Warm wet weather brings renewed driving hazards for over passengers, as the Institute for Safe Living of the American Mutual Liability Insurance Company, keenly reminds us, do not allow them to touch door or window handle, or buttons operating power windows. Insist that children remain seated both for their own protection and to avoid driver distraction.

**Cancer Drive**  
(Continued From Page One)  
chapter is nearly \$10,000 ahead of last year at this time. Hyde urged those who have not yet contributed to the Cancer Society's Crusade to do so. The Society has an unlimited goal this year, he said, because the need for money to combat the disease—through research, education and service—is unlimited.

**Board Of Ed**  
(Continued From Page One)  
The Board accepted with regret the resignation of Sheldon Henry, teacher at the High School, and instructed the Superintendent to express to Henry and Board's appreciation of his service to the schools.

A five-week instrumental music summer school at Scotch Thorpe, to run from June 24 to July 28 was approved. It will be under the supervision of Herbert Mattick, Frank Scobla, William Shadel and Frank Skellie, each to be reimbursed \$200 for the session.

**Air Conditioning**  
(Continued From Page One)  
there and that houses on the property indicated on the map constituted a fire and health hazard, because of their proximity to homes already there.

# SPOTLIGHT ON SPORTS

By FRANK JONES

Credit must be given to the St. Anthony's Senior CYO representatives in the Essex County CYO Bowling League for their gallant attempt to bring the league championship back to Belleville for the first time. The local five led the league for a short time early in the season, and remained in contention throughout. A sweep this past Sunday night would have made a playoff necessary, but St. Casimir's of Newark, league titlist for the third straight year, proved just a bit too much for St. Anthony's and took two out of three.

St. Anthony's rolled a red-hot 782 game in the first fray to edge to within two games of the league leaders. However, in a pine-tindling second game, St. Casimir's put the title on ice with a 749-182 victory.

Registration for the Recreation Junior Baseball League will be held tonight at 6:30 p.m. at Municipal Stadium. Four teams, the Red Sox, Braves, Cubs and Pirates will compete for this year's league championship.

The St. Peter's CYO Track Meet scheduled for May 23 will be highlighted by seven events run by the NJAAU. All grammar school boys and girls interested in participating must have their entry form in to their school principal by Tuesday.

Belleville High's track outfit will try to get back on the winning side today as they face Nutley at home. The Bellboys had a rough time of it this week as they dropped two meets, one to Lyndhurst and the other a last place finish in a triangular meet with East Orange and Central. The Blue and Gold have met similar troubles on the diamond as well as the cinders. The baseball squad just hasn't been able to win for losing and has taken it on the chin in all but one game.

## FEWSMITH MEN TO BOWL LADIES TEAM THURSDAY

League To Hold Annual Banquet May 14; Miller Rolls High Game, Hill High Set In Tourney

Climaxing their season, the Fewsmith Men's Bowling League champs, the Oldtimers, will bowl against the Fewsmith women Thursday. The annual banquet has been scheduled for the fountain on May 14 at 7 p.m.

Last week the Champion of the Alleys Tournament was held. High game winner Warren Miller with a sizzling 260.

High series winners were Charles Hill, 714; Roy Dahlquist, 678; Jim Corry, 673; Herman Herman, 666; Mick Miele, 661; Paul Van Ness, 649; John Green, 637; Ken Jones, 636; Vince Covello, 631; George Wirt, 628; August Bechtoldt, 620; Tom Reid, 619; Enny Goody, 618; Bill Kelly, 606; and Lou Zarro, 601.

## Farm League Slates Tryouts

First meeting of the Recreation Farm League will be held at the Municipal Stadium tomorrow at 1:30 p.m.

Boys who have tried out for Little League and not been assigned to a team as well as boys who were in last year's Farm League are to report at this time. Those reporting will be given tourney instructions.

**Dwyer At Madison**  
Kenneth Dwyer, of 40 Essex St., registrar at St. Peter's College, Jersey City, was among the 50 college registrars and admission officers attending the five-day annual meeting of the American Association of Collegiate Registrars and Admission Officers in Pittsburgh last week.

Coach Edward Berlinski's Team Drops Its Fifth And Sixth Straight Losses Since Openings Day Victory Over Lyndhurst High

By Tom Senior

Belleville High's varsity nine dropped its fifth and sixth straight this week as they lost to Columbia, 10-4, and Mantoloking, 13-1.

These losses gave Belleville an overall record of 1-6 and a 0-3 record in Big Ten Competition.

In the Columbia game the Bellboys batters finally began to hit the ball, but this hitting attack was wasted as the Congrats took advantage of eight Belleville miscues to score ten runs and thereby wrap up the fray.

Belleville opened the scoring in the top half of the second when shortstop Fred Riccio walked, stole second, and scored when Belleville's centerfielder, Roger Manny, singled. However, in the lower half of the same inning the Columbia boys scored three times on just hits as the Bellboys committed four errors.

Then in the third with the Columbia team up by a 3-1 margin the Belleville hurlers got blasted for six hits, which went with a base on balls and an error to send across six marker in the inning and give the Columbia squad a 9-1 lead.

Belleville came back with two in the fourth and three in the fifth. In the fourth Mike Marano was safe at an error, Riccio walked, Manny walked, and Jim Dattoli brought home two runs with a solid two base smash. In the fifth Don Deborowski doubled and scored on a single by Marano then scored on a two base knock by Manny, and Manny came home on two infield grounder.

Columbia finished the game's scoring when in the fifth they received one run on no hits and three Belleville miscues.

In the Mantoloking game the Belleville boys went silent, and the Manties displayed too powerful a hitting attack for the Bellboys to cope with. The Mantoloking team battered Jim Dattoli for six runs, four in four decisions as they got 14 hits while Belleville committed four errors.

Mantoloking scored once in the first, twice in the second and fourth, five times in the seventh, and three times in the eighth while the only score the Belleville team could manage to get was a round tripper by George Sheridan.

Tuesday the Belleville team was slated to play Kearny, but the game was postponed until this coming Tuesday. The team is also scheduled to play Nutley in a Big Ten Game in Nutley, tomorrow.

## BELLEVILLE EIGHT SCORES DECISIVE WIN OVER IONA

Coach Bennett's Crews Take All Three Races On The Passaic Thursday

Thursday Coach William Bennett's Belleville and Nutley crews registered a clean sweep over the Blessed Sacrament and Iona College Freshmen crews, on the Passaic River.

The Nutley varsity rowed against the Blessed Sacrament crew and registered a fairly easy win over the New Rochelle crew. Then the Nutley Jaycees pulled against the Blessed Sacrament crew and they also came across the finish line in front.

The Bellboy Varsity faced the Iona freshmen shell, and rowed one of its best races of the year in scoring, an overwhelming three-length open water victory. Iona grabbed a half-length lead early in the race and increased their lead to a full length at the one-quarter mark. At the half-way point the Belleville boys overtook the Iona shell and by the time the two crews passed under the Belleville Bridge the Belleville team took it away and easily whipped the Iona team. Belleville's time for the mile race was 5:44 as compared to Iona's 6:06.

The boys who rowed for Belleville were Sandy Burns;cox, Bill Elting; stroke, John Holister; 7, Art Connolly; 6, Roger Piosa; 5, Mike Ross; 4, Ralph Casale; 3, John Condon; 2, and Doug Bartlett; bow.

## Softball Loop Begins Play

Commissioner George F. Kieran announced this week that the Recreation Department girls' softball league will start their first round of play Monday evening in Cleverman Field.

There are six teams in this league, each team carrying a roster of approximately 20 girls. They will play on Monday, Tuesday and Wednesday evenings at 6:30. The following have volunteered their services as coaches: Evelyn Hannon, Scarpis; Fran Reid, Aces; Marge O'Neil, Techniques; Sandy Smith, Tinkerbell; Marie Gorman, Dearests; Rose Schreiber, Ulmots.

Mantoloking scored once in the first, twice in the second and fourth, five times in the seventh, and three times in the eighth while the only score the Belleville team could manage to get was a round tripper by George Sheridan.

Tuesday the Belleville team was slated to play Kearny, but the game was postponed until this coming Tuesday. The team is also scheduled to play Nutley in a Big Ten Game in Nutley, tomorrow.

## Bellboy Cindermen Experience Rugged Time In Openers

Coach Testa's Team Loses To Lyndhurst In A Dual Encounter And To East Orange And Central High In A Triangular Meet

This week Coach Thomas Testa's Bellboy track squad lost in two meets as Lyndhurst beat the Belleville team, 50 1/3 to 39 2/3 and the team came out on the bottom of a triangular meet, against East Orange and Central High. In the Lyndhurst meet the Bellboys picked themselves a very rough opponent as two Lyndhurst boys, Al Blohm and Bill Olkowski, scored 28 points with 10 and one third points, and Tom Worley was second with six and one third points.

In the 100 yard dash Blohm took first, Lyndhurst and Worley and Ralph Calderone tied for second spot for Belleville with identical 10:07 times, which was one-tenth of a second behind Blohm. Blohm also took first in the 220 yard dash, and Worley grabbed the second spot for the Bellboys.

The 440 yard Gary Rinaldi take first just ahead of Belleville's Joe Oese, who surprised everyone with his fine race. In the 880 Paul Tutschek, Belleville co-captain, took first place with a 2:14, and sophomore Bob Cornish, Nutley team took it away and easily whipped the Iona team. Belleville's time for the mile race was 5:44 as compared to Iona's 6:06.

The only hurdle event that was run was the 140 yard low hurdles in which Belleville took first and a third. Har-ey grabbed off the top notch with a 16:01 while Roger Caruso took third in 17:06. In the mile event Tom Simpson, the other co-captain, came in on top with a five minute mile, and right behind Simpson in third place came Bob Daddis, who ran the distance in 5:06.

In three of the four field events Olkowski was the meet's sensation. He took the shot put, discus, and the high jump. Mike Smith took second for Belleville in the shot with a throw of over 47 feet, and Rich "Crusher" Koch took second in the discus with a 126-foot toss. In the high jump,

## JR. BASEBALL LEAGUE SLATES REGISTRATION

Belleville Boys 13 Through 15 Eligible To Try Out; Four Teams To See Action

Commissioner George F. Kieran announced the opening of the Recreation Junior baseball league this week.

The Junior League is open to all Belleville boys 13 through 15 years of age. All who wish to try out for this League are to be at the Municipal Stadium to-night at 6:30 p.m. for registration and tryout assignments. Only those who register will be given a tryout. Boys who were in the League last year and are eligible this year need not register but will be notified by their managers as to where to report.

This year's League will be composed of four teams with seven players per team. In this way each team will play twice a week and every player will see action. The League will consist of five rounds. Teams in this year's League will be the Red Sox, coached by Joe Hatch; the Braves, coached by Walt Smith; the Cubs, coached by Larry Gildenberg, and the Pirates coached by Ed Walcott.

Players from last year's Giants and Phillies who make the League this year will be placed on one of the above named teams.

The tryouts will be held in three sections. Next Wednesday pitchers and catchers will tryout, on Thursday it will be outfielders, and on Friday infielders, with Saturday morning held in reserve for any extra attention needed. All of the managers and coaches will judge each player and score his performance. Those with highest scores in the tryouts will win the positions open. Boys who played last year are not guaranteed a position but will again have to prove themselves.

At registration 12-night each boy will be asked to list his first and second choice of position.

3 min. station time from Newark after 6 P.M. 10% tax not included.

## TORO "WIND-TUNNEL" WHIRLWIND OUT MOWS THEM ALL!

### PROVED BEST IN ACTUAL TEST!

Ordinary mowers often leave messy clippings... add to your clean-up chores. But the vacuum-cleaner action of TORO's revolutionary "Wind-Tunnel" Whirlwind gives you a lawn that is not only smooth, but clean!

The TORO Whirlwind features a unique "Wind-Tunnel" within its housing. This "Wind-Tunnel" creates a powerful vacuum... stands every blade of grass upright for a sharper, crisp cut... sucks up clippings, leaves, weed seeds and other debris! It enables you not only to mow your lawn, but to clean up your property spring, summer and fall!

### REEL OR ROTARY! WALKING OR RIDING!

In addition to the "Wind-Tunnel" Whirlwind, we have over 40 different models of rugged, precision-built Toro Power Mowers, starting at \$89.95. Reel or rotary... push-type, self-propelled or riding... from 18 inches to 22 feet! Whether your property is large or small... level or hilly... there's a TORO designed for your exact needs! And priced for your budget... with TORO's exclusive time payment plan! We will be glad to recommend the model best suited for your needs!

One Toro Power Handle Drives Many Home and Garden Machines!

One "power plant" — the versatile TORO Power Handle, only \$89.95 — drives over a dozen economy-priced machines: reel and rotary mowers, snow thrower, tiller, aerator, edger-trimmer, generator, pump, sprayer, roller! It switches in seconds from one to another without your using a single tool! Saves time and expense all year!

Mrs. Barney Recenello Mrs. Joseph Peterson

Miss Lucy Squitieri Wed To Barney Recenello, Sat.

Miss Lucy Squitieri, daughter of Mr. and Mrs. Victor Squitieri, of 15 Watessing Avenue, became the bride, on Saturday, April 25, of Barney Recenello, son of Mrs. Arsenio Recenello, of 191 Harrison Street, Bloomfield, and the late Cecily Recenello. Rev. Anthony F. Cammis performed the ceremony in St. Anthony's Church. A reception followed at The Fountain.

Escorted to the altar by her father, the bride was dressed in a white embroidered tulle gown fashioned with a fitted bodice and bouffant skirt of sculptured ruffles. A seed pearl crown held her fingertip veil. She carried orchids and staphenitis on a prayer book.

The bride's sister, Mrs. Ann Marano, was her honor attendant. Bridesmaids were Miss Margaret Squitieri and Mrs. Margaret Squitieri, both sisters of the bride. The attendants were dressed in light pink gowns and carried white carnations and the bridesmaids held white carnations edged in purple.

James Peterson was his brother's best man. Another brother, Howard Peterson, and James Tiger, brother of the bride, ushered.

Mrs. Peterson is a graduate of Belleville High School. Her husband, an alumnus of West Side High School, Newark, attends Seton Hall University. Both are employees of Gordon Bass & Co., Newark. The couple, after honeymoon in Bermuda, will reside in East Orange.

Mark 25th Year

Mr. and Mrs. Jerry Lilore, of 140 Crest Drive, recently celebrated their 25th Wedding Anniversary with a dinner party at the Fountain given by their children, Mrs. Cecilia Giraz, Miss Mary Lilore, and Gerald and Ralph Lilore.

The Rev. Seymour Everett officiated at a Thanksgiving Mass in St. Mary's R.C. Church, Nutley, where the couple renewed their marriage vows.

Among the guests were Mrs. Beatrice Rich and her son, Mr. Thomas; Mrs. Lilore's mother, Mrs. Agnes Garavito; and Mr. Lilore's mother, Mrs. Mary Lilore. A Lieutenant in the Belleville Police Department held peace power.

Peterson-Tiger Nuptials In St. Mary's R.C. Church

St. Mary's R.C. Church, Nutley, was the setting for the marriage of Miss Patricia Ann Tiger, daughter of Mr. and Mrs. Samuel Tiger, of 1 Davidson Street, to Joseph Peterson, son of Herbert Peterson, of Newark, and the late Mrs. Peterson. Rev. Seymour Everett performed the ceremony on Saturday, April 25, at four o'clock. A reception was held at Rock Spring Cornal, West Orange.

Mr. Tiger gave his daughter in marriage. She wore hand clipped Chantilly lace over slipper satin. The neckline of her gown was trimmed with seed pearls and a matching tiana held a nylon tulle fingertip veil. A bouquet of roses and sweet peas completed her ensemble.

Mrs. William Tronick was matron of honor. Bridesmaids included Miss Edith San Filippo and Mrs. John Casper. The attendants were gowned alike in orchid mousseline and nylon tulle with matching crowns and nits.

The honor attendant carried pale carnations and the bridesmaids held white carnations edged in purple.

James Peterson was his brother's best man. Another brother, Howard Peterson, and James Tiger, brother of the bride, ushered.

Mrs. Peterson is a graduate of Belleville High School. Her husband, an alumnus of West Side High School, Newark, attends Seton Hall University. Both are employees of Gordon Bass & Co., Newark. The couple, after honeymoon in Bermuda, will reside in East Orange.

Miss Dopart, a graduate of Belleville High School, is a secretary with the Davis Emergency Equipment Co., Newark. Her fiancé, an alumnus of Nutley High School, attended Radio Electronic Television School in Newark.

The power to preserve peace is what we all pray for, hope for, today. One way to prepare for it is to buy U. S. Savings Bonds systematically.

## Sears Award To Ross

Michael A. Ross, son of Mr. and Mrs. Alexander A. Ross, of 18 Tremont Avenue, has won a Sears Foundation Merit Scholarship in a nationwide competition. The Foundation is endowed by Sears, Roebuck & Co.

Ross, who will major in business administration at Franklin and Marshall College, plans a career in sales-chemical industry. The Belleville High School student is a member of the crew team, the high school soccer team, the editor of the paper, member of the senior senate. He is a Eagle Scout, Nor Tamiad and Order of the Arrow.

## On Staff of School Paper

Harold Brandman, son of Mr. and Mrs. Paul Brandman, of 163 Washington Avenue, has been elected an editor of the University of Pennsylvania, where he is a freshman. He is a graduate of Belleville High School.

## Plays In College Band

Miss Beth Baxter, daughter of Mr. and Mrs. Arthur Baxter, of 16 Belle Terrace, a freshman at May Washington College, Frederickburg, Va., is a member of the school's 40 piece band, which will play at the College's May Festival of Arts.

## Four BHSS Students Win Scholarships

Nancy Bruno, Lois Huko, Elizabeth Jensen, and Barbara Kott, Belleville High School Seniors, have been awarded four year scholarships at State Teachers Colleges in New Jersey.

Miss Bruno will attend Trenton State College. In addition to ranking in the upper tenth of her class, Miss Bruno has been active in the Future Teachers Club, Girls' Sports, Girls' Leader Club, Year Book Staff, and the Student Council. She is the daughter of Mr. and Mrs. Louis Bruno, of 628 Hurlock Street.

Miss Huko, who has also won a scholarship at Douglass College, received a scholarship from Trenton State College. She is ranked in the upper tenth of her class. In addition, Miss Huko has participated in Twirling Club, Chorus Club, Girls Sports, Junior Class Seniors, and Girls Sports. She is the daughter of Mr. and Mrs. John Huko, of 4 Branch Brook Drive.

Miss Kott will attend Montclair State College. She has also been ranked in the upper tenth of her class. Active in the Future Teachers Club, Junior Red Cross, Yearbook Staff, and Girls Sports, she is the daughter of Mr. and Mrs. Andrew Kott, of 426 De Witt Avenue.

Miss Jensen will attend Montclair State College. Ranking in the upper tenth of her class, Miss Jensen has participated in the Future Teachers Club, Freshman Senate, Spotlight Staff, Student Council, Yearbook Staff, Library Assistant, and Girls Sports. She is the daughter of Mr. and Mrs. John Jensen, of 33 New Street.

Longer and more frequent motor trips require careful attention to your average driving speeds. To avoid tension and tiring, the Institute for Safe Living recommends that you allow three hours of driving time for every one hundred miles traveled. This is the time for a "coffee break" or other short stops.

## Miele on Dean's List

Frank Miele, son of Mr. and Mrs. Joseph Miele, of Copper Hill, has been named on the Dean's List for the past full semester at Seton Hall University. Miele, first in his class scholastically, is a sophomore, pre-law student, majoring in accounting.

He is the Student Council Representative for Alpha Kappa Psi, secretary of the Accounting Club; a member of St. Thomas More Pre-Legal Society; active in the Booster Club; a member of the Glee Club; yearbook staff; and vice-president of the Sophomore Class.

## Arvidson Heads Frats

Richard E. Arvidson, son of Mr. and Mrs. Ernest S. Arvidson, of 178 Floyd Street, has been elected President of Phi Delta Theta Fraternity at the University of Virginia where he is a third year student of Aeronautical Engineering.

A graduate of the class of 1956, Belleville, High School, Arvidson is a member of the Institute of Aeronautical Sciences, the P.K.A. Aerodynamic Society, and Theta Tau Professional Fraternity.

Colored slides of the area were shown and a question-and-answer period followed. The classes, in anticipation of the Captain's visit, had studied transportation facilities of the country. According to Austin MacArthur, of the High School, who was instrumental in securing the travel for his classes, the students' response was so enthusiastic, that the Ketchum returned to speak to the senior history class before leaving for a flight to Bombay, Bangkok and the Philippines.

## Pipeline

(Continued From Page One)

Private agreements will be reached to compensate the owner for this temporary damage.

"Complete plans and specifications for this line are on file with the Board of Public Utility Commissioners at its office at 1100 Raymond Boulevard, Newark, New Jersey."

They are available for public inspection during the normal office hours. It is now proposed to start construction of this line in mid-June.

If you desire further information from us please do not hesitate to write us at 741 Broad Street, Newark, New Jersey or telephone us at MA 7-0630.

Miss Jensen will attend Montclair State College. Ranking in the upper tenth of her class, Miss Jensen has participated in the Future Teachers Club, Freshman Senate, Spotlight Staff, Student Council, Yearbook Staff, Library Assistant, and Girls Sports. She is the daughter of Mr. and Mrs. John Jensen, of 33 New Street.

Longer and more frequent motor trips require careful attention to your average driving speeds. To avoid tension and tiring, the Institute for Safe Living recommends that you allow three hours of driving time for every one hundred miles traveled. This is the time for a "coffee break" or other short stops.

Now, Lowrey brings the wonderful world of organ music within reach of many, many more families. And what an organ! So versatile! It offers a wide range of faithful voices... sustains them in thrilling concert hall atmospheres. Come in and look. Come and listen. You can have it in your home tonight.

### The Butcher Of Havana

The "lionization" of Fidel Castro, Cuba's newest dictator, pointed up a tragic gullibility on the part of numbers of Americans. The warm reception accorded Castro by high-ranking government officials was strangely paradoxical in the light of widespread criticism a few months ago of Castro's mass bloodletting following his victory in Cuba. Yet we watched Americans of supposedly above average intelligence stand in awe as the bearded butcher tramped about in his fatigues making wild promises of Cuba's future and promising free elections in the county anywhere from two to four years hence.

Is it possible that thinking people can be so easily misled? The facts about Castro are no mystery. The revolution which he conducted in Cuba was a study in wanton brutality. Many of the deaths caused by Castro's henchmen and much of the damage inflicted upon crops, farmhouses and livestock, was subsequently proven quite unnecessary. The execution of more than 500 individuals in the post-revolution three-ring circus that Castro called "justice" have proven then and there that the Cuban people are right back where they started when Fulgencio Batista, Castro's predecessor, began his reign of terror by promising free elections within a short time. Castro's meddling in the affairs of other Latin American countries should also prove that he undoubtedly has ambitions of becoming the Nasser of the Caribbean, which can only lead to additional turmoil and bloodshed in that area.

Does this mean, then, that our national officials have also been blinded by the emotional response given to the dictator? This we cannot accept. Our statesmen know full well what kind of man they are dealing with, which only serves to heighten the hypocrisy of the situation. Once again the current national trend of making friends abroad despite the cost in self-respect has led to our heaping honors upon a man who, up until now, has proven himself every bit as vicious and ruthless as any dictator of modern day. Our concern over the spread of Communism in the Caribbean and the South American countries seems to be the cause of our catering to a man who will eventually

ly be the source of just as much difficulty as the Communists could give us and who has himself been accused of collaborating with Communists.

We must, therefore, insist that the glamor surrounding Cuba's bearded rebels cannot be permitted to blind us to the basic fact that Cuba's future is as dismal as ever, and the citizens of the island as far away from a free democratic government as at any time in their history. F.J.J.

### Law Day

Today, May 1, 1959, has been designated as Law Day. In observance of the day, President Eisenhower issued a proclamation setting forth the principles of government by law as the backbone of our Democratic system. The President pointed out the necessity of the supremacy of law to the existence of the Nation, contrasting the American system of liberty under law to the tyranny which enslaves millions behind the Iron Curtain. He therefore urged the American people to observe Law Day with a re-affirmation of dedication to our form of government and the supremacy of law in our lives.

President Eisenhower's views on the function of law in our society should certainly be shared every American. Our present body of laws, dedicated to the principles that all men are equal before the law and that every man is presumed innocent until proven guilty, stands as a pillar of protection against those who would enslave an entire society, or destroy it from within. Undoubtedly, the dedication to law that has existed in our country since its founding has been one of the basic reasons for its growth and its present position as the world's leader in the fight against tyranny.

Yet, it is a tragic fact that on too many occasions have we seen laws used to further the ambitions of tyrants at the expense of countless innocent sufferers. We have heard the individuals responsible rationalize their brutal actions by carrying them out in the name of the law.

The only inference we can draw from this is that dedication to law is not enough. A law is man-made, and it is no better and no worse than its maker. Along with dedication to law must go a dedication to the fundamental principles of human conduct. We must live not only with laws, but with our conscience, and when the latter is over-ridden by the supremacy of law, then the principles to which this day is dedicated become hollow and without meaning.

F.J.J.

Present at the recent installation ceremony at the Belleville Lodge of Elks were, left to right, John Ashbrook, Vic Del Grosso, James Ryan, William Meccia, Charles Zimmer, Past Exalted Ruler Walter Pink, Exalted Ruler Edmund Strat, Anthony Caruso, William Crawford, Joseph DePalma, James Cavanaugh, Bernard O'Connor and Jamesweeney.

## Tests Reflect High Quality In Belleville School System

The results of recent standardized tests given in the Belleville school system this year indicate a high level of achievement in the local system as compared with national standards, according to School Psychologist John F. Greer. Among the tests were the California Reading test, the Iowa Arithmetic test and the Iowa Test Battery. The first two were given to sixth and fifth graders in all schools except School Four and Five, and the latter was given to fourth graders in those two schools.

Schools Four and Five are experimenting with a special test program set up last spring at Greer's request with the agreement of the school principals. Here, new tests are experimented with for the purpose of seeking ways of improving the system's test setup.

Results of the California Reading test showed the overall average of the 12 sixth grade classes to be five months above the national average. The Belleville average was 6.5, which signifies the eighth month of the sixth year, and the national average was 6.3.

Three classes are at least one year above the average and one class is a month below. The range of reading levels in almost all classes is four years, which means that it is usual for a sixth grade teacher to work with four different reading groups with appropriate materials for each and different assignments for each.

Graphs, 4-5.

Greer pointed out that the purpose of such standardized tests is to discover how Belleville's achievements in the areas tested compare with those of school systems throughout the country. Through results of the tests, school administrators discover what weaknesses are present in the local system, diagnose the problems and take steps to improve the situation.

Individual pupils benefit from the tests, Greer said, because special attention can be given to those who show a need for it as a result of their test scores.

Greer added, "Test results appear to reflect excellent achievement by our pupils in many test areas. Teachers and pupils have good reason to feel a sense of accomplishment."

The Iowa Test Battery taken by the fourth graders at Schools Four and Five showed a grade norm of 4.5. Areas tested included vocabulary; reading; language skills; spelling; capitalization; punctuation; usage; work-study skills; maps; graphs; tables; reference materials; and arithmetic skills, concepts, problem solving. The overall score for 109 pupils was 4.66, well above the norm. The highest score was in punctuation, 6.1, and the weakest was in

3 min. station rate from Newark after 4 P.M. 10% tax not included.

## Recreation Bulletin

**Today**  
9:15 a.m. - Preschool play program - Recreation House  
3:30 p.m. - Jr. Barbell Club - Stadium

## LETTERS

To the Editor, The Times-News:  
It gives us great pleasure to have been elected to represent the Democratic Party in the Fourth Ward - Sixth District. Further, it was truly gratifying to have had the opportunity, within the past month, to meet so many wonderful and encouraging people. We wish to extend our sincere thanks to you who have placed your confidence in us, and we promise that we will strive to live up to the expectations of the Democratic Party.  
Patricia A. Wallock  
Edward L. Wallock

To the Editor of the Times-News:  
I will greatly appreciate if you will print the following letter of sincere thanks to the residents of the 1st ward 3rd district, for their support in the primary election, Tuesday, April 28, which enabled me to win.  
In my campaign I pledged myself by word of mouth and a printed card the following Equal Representation For Our District this pledge I will keep.  
Nuncio Caracelia
