

Local Baby Keep-Well Station Providing A Valuable Service

Now, That Doesn't Really Hurt, Does It?

The Baby Keep-Well Clinic of Belleville has been in existence more than 30 years. There are two stations where parents bring their children to be examined and to get shots.

These stations are at the Town Hall on Washington Avenue and at School 4, Magnolia Street, for the Silver Lake section.

Head nurse in charge of the program is Miss Helen Gilson.

In top photo, taken recently at Town Hall, Dr. George Pischke, attending pediatrician, applies stethoscope to the heart of 1½-year-old Edward Raab, while mother Mrs. Margaret Raab and nurse give an assist.

The clinics are run in conjunction with town and state. Cost of the clinic is born by the state with the exception of providing facilities and nurses, which the town provides.

Normally at the keep-well stations, there are two nurses and Red Cross volunteers.

Miss Rovell, R.N., is in charge of the School 4 station. Dr. William Farley of Nutley is the pediatrician in charge of that station. All visits at the stations are by appointment.

LOSES TEETH

Mrs. Glenn of 61 Bremont Street reported to police that her daughter, Penny, 8, had fallen off her bike and had knocked out her two front teeth. She was taken by Officers O'Brien and Hanly to Clara Maass Hospital, where she was examined by Dr. Evangelista and released.

Maass Water Rate Hearing Tuesday Night At 8 P. M.

A public hearing on the amendment to the water rate ordinance will be held at Town Hall at 8 p.m. Tuesday, August 11th.

The amendment provides that hospitals pay the same rate for water as is charged the town by the City of Newark, from which Belleville buys its water.

Clara Maass Hospital has been billed 69 cents per 1,000 cubic feet by the town, and at this writing has not paid any of it since it opened in August, 1957.

The 69 cent rate is the same figure paid by the Essex County Hospital.

Under a new contract with the city of Newark, the water rate Belleville pays comes to 30 cents per 1,000 cubic feet.

Golden Asks Attendance
James H. Golden, a consistent critic of municipal doings, had brought up the question of the 69 cent rate. In a statement this week, he called it "improper and unauthorized" and urged "all water consumers and taxpaying citizens to be present" at the meeting to object "to an attempt by Mayor Padula to amend existing water rates so as to now legally extend his preferential consideration to the hospital at the expense of Belleville's taxpayers who must make up the water budget def-

Scout Leaders Plan For '59-'60 Program

Belleville Scout leaders met Tuesday night at the Wesley Methodist Church and approved plans for the 1959 and 1960 Scout programs.

George H. Brown, Belleville District Committee chairman, presided at a well-attended meeting.

Among the ideas brought up were plans for more competition between troops, awards for perfection in scouting and the need for more den mothers and Scout leaders.

Shorlage of Mothers

The most urgent problem is the shortage of mothers to take care of new Scouts. Without them, it was pointed out, new members cannot be taken into the scout movement.

There was a definite feeling at the meeting that many boys and girls would join the Scouts if den mothers and Scout leaders were available.

Mothers, fathers, sisters or brothers interested in helping the Scout movement should get in touch with Mr. Brown or Ernest Arvidson of 178 Ployd Street, the leadership training chairman.

The Belleville District will hold a junior leader training course September 26-27. Location will be announced later.

To stir up interest among

boys and girls and parents in this area, the Belleville District Camporee this year will be held October 9-10-11 in Belleville Park on the site of the former Army base on Belleville Avenue. This will give local residents a chance to see Scouts in action.

Plans also were discussed for next year's Golden Jubilee—the 50th anniversary of the Scouts. Broad and elaborate programs are in preparation.

Receives Award

At the meeting, Cub Master Norman Mattoon reviewed the National Council of Boy Scouts of America Award certificate and medal on recommendation of the Robert Trent Council for completing the training recognition plan for the Scoutmaster award. The presentation was made by Mr. Arvidson.

The boys from Troop and Explorer Post 301 handled reservations and acted as service unit for the meeting.

SHORTED TV

A short in a television set caused smoke and brought out the fire department at 3:39 p.m. Wednesday at the Zaccarese residence at 140 Franklin Avenue. There was no damage to the house.

Woman 'Critical' After Fire; Man Aided from Home

A 48-year-old woman remains in "critical" condition at Columbus Hospital, Newark, after receiving third degree burns from a fire caused when fumes from a waterproofing compound she was using ignited.

The fire took place about 6:20 p.m. Monday. Injured was Mrs. Stella Hoffman of 509 Union Avenue, who was attempting to waterproof her cellar floor when the fumes ignited, apparently from the pilot light on the water heater.

RUTAN ESTATES CHILD CENSUS NOT COMPLETE

Dr. Frank M. Durkee, assistant superintendent of schools, has reported that out of 204 federal postal cards mailed out to Rutan Estates for a child census, only 84 have been returned. The census is being conducted to determine how many pre-school and school age children plan to attend Belleville schools. The post cards were post-marked July 26.

Dr. Durkee stated that a follow-up will be necessary to make the survey accurate. For this PTA members have been asked to participate in the follow-up. Mrs. Evelyn Sincor of 116 Washington Avenue, president of the Belleville PTA Council, will head this committee. Assisting her will be Mrs. J. Bezanio of 12 Harrison Street, president of the School 4 PTA; Mrs. Robert Haley of 39 Ralph Street and Mrs. Herbert Tucker of 13 Schuyler Street, both members of the School One PTA.

Chief Fabian asserted that Hoffman might have been on his way downstairs from the upper floor when he was found. Hoffman was given oxygen when he was brought outside and was taken by ambulance along with the child.

Local Man Gets Award For Assisting At Wreck

Joseph M. Ryan, of 471 Joramelon Street was recently one of two New Jersey Bell Telephone Company employees awarded citations for administering first aid to persons injured in an Englewood automobile accident last April. Also receiving the company award was Rodger F. Burnup, of 23 Fernside Place, Cliffwood.

Both men are employed in the company's Plant Department. The awards were presented by Joseph H. Carter, the company's general supervisor of buildings and supplies at a recent luncheon.

Ryan and Burnup were delivering supplies in Englewood when they saw a car veer out of control near an intersection

and crash into a tree.

They rushed to the aid of the occupants and found the driver bleeding from the forehead. They applied a compress with pressure to the wound to stop bleeding.

The same treatment was applied to the woman passenger who did not move fearing internal injuries. Ryan asked a passing motorist to notify the police and the Englewood First Aid Squad was also summoned.

Later the injured woman was proved to be suffering from multiple fractures of the ribs and fracture of the shoulder. The First Aid Squad members congratulated the telephone men for the first aid work.

Vandals Break Into School 2, Burn Books; 7 Teeners Held

CHARRED REMAINS OF "OUR EARTH": Harold Dufford, assistant superintendent of schools in charge of business administration, holds the charred remains of three books hoodlums set afire at School 2 over the weekend. He also holds an undamaged copy of the book, "Our Earth". In background is the branch used by the vandals to break through wire mesh window and gain entry at the 2nd floor at the fire escape.

Seven teen-age vandals who broke into School 2 over the week-end and burned books, endangering the old Mill Street school, were picked up by local police Wednesday. Two more of the young hoodlums were still to be picked up.

The boys range in age from 13 to 16. One was 13, five were 15 and three 16. Four were from Newark, three from Belleville and two from Bloomfield.

The four Newark youths and the three Belleville youths have previous records. The Newark boys were involved in a stolen car case, while the three from Belleville had been caught riding in a stolen car.

NO KNOCKS

Belleville Police got a call recently from a local resident who asked them to come down and speak to 4 neighbors who had been hammering all day. Patrolmen Juliana and Zecca were detailed to the scene and the hammering party agreed to stop hammering and start painting.

School Board To Meet

The Board of Education will meet on Monday night at 8:00 p.m. at School Eight on Joramelon Street.

Other damage besides the burning of the books included uprooting of ten rhododendron plants in front of the school and the snapping off at the base of an old wooden flagpole.

To gain entry, the boys scaled a wire grating at the fire escape in the rear of the school. They climbed to the second floor, where they used a heavy tree branch as a battering ram and broke the wire enmeshed glass at the door.

They scattered books over the wooden-floored corridor from a bookshelf next to the third grade class of Miss Ferrara. They attempted to set fire to three books, all copies of "Our Earth," a text used in the third grade.

Left untouched were other books including "Growing Big and Strong," "Geography Around the Home," "Easy Steps to Health" and "Reynard the Fox."

The damage was discovered Monday morning by School 2 custodian Chaucy Black, who informed Harold Dufford, assistant superintendent in charge of business administration. Dufford called police.

Assigned to the case was Detective Michael Marotti, who handles juvenile cases.

This is the second time this summer that juvenile vandals have broken into the school. On the Fourth of July, vandals built up at a later date.

broke into the school, removing sports equipment.

Could Have Set Fire

Dufford asserted the burning of the books could have led to a fire which could have enveloped the building. The books were found on the wooden floor.

Dufford said the wooden flag pole, which was rotting at the base, will be replaced by a metal pole. The rhododendrons were replaced, but several are expected to die. The rhododendrons were planted last year, but were not damaged then.

Last week, the Belleville Times-News carried an article revealing that the Board of Education spends \$8,000 to \$10,000 annually to repair damage done by vandals.

Dr. Frank Di Ruggiero, president of the Board, then pointed out: "This money could certainly be put to better educational use."

In showing a Times-News reporter around and through School 2, Dufford pointed out to school windows, also the result of malicious mischief. Custodian Black pointed out a portion in front of the building where boys had started to pry bricks loose with pen-knives.

School 2 has classes from kindergarten through the fifth grade. The original building was built in 1894. An addition was built up at a later date.

Celebrities Attract 1500 to Golf Meet Here

HERE'S HOW: Trick shot artist Phil Hahn (right) shows one of his special clubs to sportscaster Phil Rizzuto (left), Morey O'Connor, Branch Brook Park golf pro, and his daughter Barbara O'Connor. Golfers appeared Tuesday at the Branch Brook Park Golf Club in an exhibition. For more on the exhibition, see page 7.

BuntingDrapesPoliceDept. In Honor Of Det. Holly

The entrance to the Belleville Police Department was draped with black and purple bunting this week in honor of veteran Detective Irving H. Holly, 61, who died July 29th at Clara Maass Hospital after a long illness.

Detective Holly had been a member of the police force for 23 years. A son, Irving C. Holly, of 18 Clinton Street, is a patrolman on the Belleville Police Department.

Detective Holly resided with his wife, the former Jenny A. Frantono, at 16 Holmes Street. Besides his wife and son, he is survived by a daughter, Mrs. John (Verna H.) Yurkovich, of the same address. He also leaves two grandchildren.

Mr. Holly was a veteran of the U. S. Navy in World War I and served from 1917-1920 as a machinist's mate aboard the U.S.S. Schenck.

Full police rites were given Detective Holly. On July 31st,

BEAT-UP HOAX

An unknown person called the Belleville Police Department at 1:07 p.m. last Saturday, reporting that a police officer was getting beat up by a group of men at the corner of King Street and Washington Avenue.

Acting Sergeant J. Hanly and Officer O'Brien were sent to the scene. Also notified were Nutley Police. They searched the area. There was no trace of a struggle and no-one in the area.

Audrey Claire Southern Weds Kenneth Monarque

Mrs. Kenneth Monarque

Miss Audrey Claire Southern, daughter of Mr. and Mrs. Alfred Southern of 218 Brighton Avenue exchanged wedding vows on August 1 with Kenneth E. Monarque. He is the son of the late Mr. and Mrs. Arthur Monarque of Bloomfield.

The ceremony was held at the St. James Episcopal Church, Newark. The reception was held at Perillo's Restaurant. The Rev. R. Henriks officiated at the ceremony.

Recorded by her father, the bride wore a full length gown of Italian silk bombazine trimmed with pearls around the bodice. A lace crown of pearls held her elbow length silk illusion veil. She carried roses with an orchid in the middle.

Mrs. Caryl Calhoun of Elizabeth was matron of honor. The bridesmaids were Miss Edna Cramer and Katherine Claire Baker of Lincoln Park.

The matron of honor wore a taffeta on lace gown with a lace headpiece and carried carnations.

Arthur Calhoun of Elizabeth was best man. Ushers were Arthur Monarque, brother of the bridegroom and Phil Carriy of Montclair.

Mrs. Monarque attended Belleville High School and is with the National Yeast Corporation. Mr. Monarque attended Montclair High School and is with Union Carbide Company. He served two years in the United States Army.

The couple will honeymoon in Florida for two weeks and upon returning will reside at 98 Cella Terrace.

Social Notes

Mrs. Vincenza Risoli of 42 Gerald Street recently celebrated her 75th birthday. A surprise party in her honor was given at her home by her family.

She was best man. Ushers were John, Ralph, Joseph, James, Anthony and Jerry. Also three daughters, Mrs. Minnie Raimo, Mrs. P. Porgio and Mrs. Dominick Marrone. Mrs. Risoli has 32 grandchildren who were present at the party and one great grandchild. The Risolis have lived in Belleville for 40 years. Mrs. Risoli has been in the United States for 52 years. She originally comes from Cassino, Italy.

John and Helen Kondreck of 577 Washington Avenue have attended the 86th Annual Exposition of Professional Photography and the Seventh National Industrial Photographic Conference of the Professional Photographers of America, Inc., held in California at the Statler Hilton Hotel.

Alvin W. Outclat of 7 Belmont Street has been appointed Sales Promotion Manager of Volkswagen of America, Inc.

Mr. And Mrs. Charles Maise Will Reside In Saudi Arabia

Mrs. Charles Maise

Miss Ruth Lounette Smith of Brunswick, Georgia, was united in marriage to Charles R. Maise, son of Mr. and Mrs. Charles G. Maise on August 2 at the First Methodist Church, Brunswick, Georgia. Miss Smith is the daughter of Mrs. Myrtle Herron Smith of Georgia.

The Rev. Charles A. Jackson, Jr., officiated. The reception was held in the church social hall.

Escorted by her brother, William Edward Smith, the bride wore a pearl-de-sole full length gown with a modified sweetheart neckline and designed with a chapel train.

The gown featured a front panel appliqued with lace and trimmed with pearls. The bride's veil was handmade Brussels lace. Mrs. Maise carried a white Bible covered with white orchids.

Mrs. Gerald W. Mahel was matron of honor. Bridesmaids were Mary Ruth Berry and Eunice Faye Smith. The attendants wore embroidered silk organza over taffeta street length gowns. They were fashioned alike with sweetheart necklines and pleated skirts featuring harem hemlines. The attendants carried a nosegay of carnations and lily.

Charles Maise, father of the bridegroom, was best man. Ushers were Gerald W. Manell, Paul S. Douglas, Johnny J. Manell and Thomas H. Sprouse.

The couple will tour points along the Atlantic Coast. They leave the United States August 8 to visit Bermuda, London, Paris and Rome. Mr. Maise is a geologist with the Arabian American Oil Company and the couple will live in Abqaiq, Saudi Arabia.

Arthur Simmons of 179 Little Street was presented with a gold emblem marking his 25th year with Western Electric Company. He was guest of honor at a noon-hour reception held at the Kearny plant where he is utility operator.

Clinton L. Burket of 132-B Cedar Terrace is studying at the Institute of the Implications of the International Geophysical Year, a special program which is being held from July 12 to August 7 at the Rutgers University Summer Session.

In 1882, a heavy storm battered down protective dams in the passaic river, causing it to overflow and flood a good part of the town of Belleville. Above, is a reprint of a picture taken of Main Street at this time. Some of the water on the street rose from four to six feet. According to a newspaper article written in 1882, "water was rushing in the front door and out the back." The storm hit in the fall.

Know Your Town - - - People, Places and Things

Flood Hit Belleville In 1882; Water Rose To Six Foot Levels

In September 1882, a serious flood hit the town of Belleville during which the water rose to levels of six feet.

In Belleville, near the Newark Water Works, the Passaic-river was a mile wide, entirely surrounded and cut off from communication except by boat. The full effects of the storm could be seen at the Second river, where a horse railroad crossed it.

When the dam broke on the river, it let down a volume of water which filled the arches of the bridge which were ten feet wide and sixteen feet high.

According to a report in the Newark Daily Advertiser, the "rushing torrent swept down carrying huge boulders like pebbles covering the horse tracks

and bending and twisting the rails."

DeWitt's Wire Factory seemed to be right in the center of the stream, however, it was saved by a high bank. Some damage was done to the machinery on the first floor.

There was from two to four

feet of water in the houses on the right side of Main Street and water ran in the front windows and out the back.

The Dickerson Carpenter Shop's employees were going in and out of the shop by ladder. For a quarter of a mile along the street, the horse cars ran through the water ten inches deep.

The Eastwood Print Works suffered damages since all the finished works, acids, alum and machinery were submerged. The water in all the departments was approximately six feet deep. It was so high that the boats could not pass between the wa-

ter and the top of the door.

The four dams on the Ramapo River four miles above Paterson gave way and precipitated the whole volume of water into Passaic.

The river rose so rapidly and the flood came with such a rush that it was feared the Water Works would be swept from its foundation.

Seventy-five feet of masonry went down with a crash and the iron fence surrounding the works disappeared as if by magic.

By Tuesday, September 26, 1882, the river was stationary and the water level had fallen six inches.

Obituaries

C. W. Zehnhaber, 74; Known For Soccer

Charles W. Zehnhaber, 74, of 6 Division Avenue, died of a heart attack at his home Saturday, August 1st.

Born November 8, 1884 in Jersey City, in his youth, Mr. Zehnhaber was an internationally-known soccer player, playing with teams from the Jersey City Kearney area and competing against squads from European countries.

He also played semi-professional baseball in Jersey City. He pitched and played left field. Before his retirement, Mr. Zehnhaber was employed as a production superintendent at the Masterbuilt Company in Hackensack. He lived in Belleville about 30 years.

His wife, the former Edith Lackey, was born and raised in Belleville and has lived here all her life.

Besides his wife, he leaves a daughter, Mrs. James A. Carter of 24 Chestnut Street, Nutley; one grandchild; a brother, Leonard of Union and a sister, Mrs. Minnie Garland of Cliffside.

Services were Tuesday from the Wadsworth Funeral Home, 524 Union Avenue, with the Rev. W. R. Bliss, pastor of the Grace Episcopal Church of Nutley officiating.

Interment was in Glendale Cemetery, Bloomfield.

Miss Beverly H. McWalters, of 438 DeWitt Avenue was among 25 applicants who have been accepted for September admission to Rutgers University College of Nursing.

Stork Club

A daughter, Catherine Mary, was born on July 27 to Mr. and Mrs. Francis Austin, of 58 Campbell Avenue at the Clara Maass Memorial Hospital. The infant joins a sister, Barbara Jeanne, 9½ and a brother, Richard, 7½.

Mrs. Austin is the former Irene Held of Hackensack.

A son, Charles Francis, was born on August 2 to Mr. and Mrs. James J. Tully of Toms River at Mountsinai Hospital. Mr. Tully is the former mayor of Belleville. This is the seventh child for the couple.

A daughter, Kathleen Susan, was born to Mr. and Mrs. Ralph Herrmann of 2 Centre Street on July 30 at the Clara Maass Memorial Hospital. This is the couple's first child.

Mrs. Herrmann is the former Kathleen Botsford of Belleville.

A son, Frank Leslie, was born to Mr. and Mrs. Leslie R. Rankin of 888 Gerald Drive, Toms River on July 29 at the Toms River Maternity Hospital. Mrs. Rankin is the former Beverly Anne Spotts, daughter of Mr. and Mrs. Frank Spotts of 153 Holme Street.

Philip Pante In Virginia
Among the 600 Eastern college juniors undergoing three weeks of amphibious warfare indoctrination and training at Little Creek Naval Amphibious Base, Norfolk, Virginia, is Midshipman Second Class Philip J. Pante, son of Mr. and Mrs. Philip Pante, of 511 Greylock Parkway.

The Midshipmen, who arrived at Little Creek July 7, flew to Corpus Christi, Texas July 31 for the Christian phase of their summer training.

Fidelity Opens Drive-In Bank
The first bank drive-in window in downtown Newark was opened this week across the street from Pennsylvania Station at the Ironbound Trust Office of the Fidelity Union Trust Company, Market and Ferry Streets.

Any of Fidelity's offices customers may use the new facility to cash checks, call for payrolls or make deposits or installment payments from their cars. The window will be open from 9:00 a.m. to 3:00 p.m. each day except Monday when it is open from 9:00 a.m. to 7:00 p.m.

Entrance to the Ironbound Trust drive-in is on the Market Street side with the exit into Ferry Street. The installation is unusual in that motorists will use a lane constructed inside the bank building. Fidelity converted former office space for traffic use in order to make drive-in banking available in the heart of the city.

The Zepkas In Florida

Mr. and Mrs. John V. Zepka, of 466 Jorelamb Street, are vacationing at the Deauville Hotel, Miami Beach, Florida.

Visiting with the couple are their children, Jan and Gary, and Mrs. Zepka's sister, Miss Mildred Smith.

Zepka is sales manager of J. Heller and Sons, industrial supply manufacturers, Newark.

Army Specialist Four, Guy Bottini, son of Mr. and Mrs. Biagio Bottini, 141 Brighton Avenue, recently qualified as an expert in firing the M-1 rifle while assigned to the 24th Infantry Division in Germany.

Bottini, a member of Company A of the division's 34th Infantry, entered the Army in February, 1958. He completed basic training at Fort Dix, and arrived in Europe last month. His wife, Dolores, is with him in Germany.

"Our Earth" — and Bookburning

The books the vandals selected to burn when they broke into School 2 last week-end were entitled "Our Earth".

They are simple books, meant for the education of third graders. The hoodlums tried to burn these books probably for what they thought was fun. That burning books — any books — was a great evil may have occurred to them.

They are; after all, hoodlums. Their concept of civilization is questionable.

That they could have burned down the building was another possibility — and a strong one. The charred portions of the books were found on the wooden floor of a corridor.

It may be a good omen — that "Our Earth" did not burn completely. It is good that the hoodlums were apprehended quickly by the police.

The youths will now appear before juvenile authorities. At a recent Kiwanis Club luncheon, Captain Edward V. Weber of the Newark Police suggested that parents be held financially responsible for damage incurred by their children. This, the School 2 incident, is a case where the boys' parents should be made to bear the cost of repair, rather than have the bill go to the taxpayers.

The parents and the boys should know the seriousness of what they have done. Since seven of them already have been in trouble on stolen car counts, what may seem like a moralistic warning to them may go unheeded.

But it mustn't.

They should realize that in burning books they act like Nazis — even though they were indiscriminate in their selection.

Any vandalism is destructive. In this case it was shameful. The boys — saved from notoriety by the fact that their names are not released to the newspapers — will have to live with their deeds. Their parents will have to share their responsibility.

The introduction to "Our Earth" is entitled "For The Boys and Girls." It begins: "We live on the earth..."

It is on this earth that we are trying to improve our civilization.

Burning books and burning down schools is not the way to do it.

Sixty Charter Members Sign For Moose Lodge

Shooting For 100 Signers, As Plans Are Being Made To Organize Lodge In Belleville-Nutley Area

Sixty candidates for charter membership in the proposed Loyal Order of Moose Lodge which is being organized in the Nutley-Belleville area, have signed applications, it was reported this week by Abe Marcus, Deputy Supreme Governor of the Lodge.

It is hoped to have 100 applicants signed up within the next few weeks. A meeting was held last night at Nutley Manor, in Harrison Street, with Moose members from various lodges present.

Nutley and Belleville residents who are candidates for charter membership in what will be known as Nutley Moose Lodge are: Peter Giovini, Roy Trautvetter, Dr. Franklin Dotson, Charles Serpone, Michael Sarpone, Frank Restuccia, James Maglio, Sam W. Brown, Pat Brancaccio.

Also Peter Donatello, Eugene Capuo, Joseph Mazza, Eric Portner, Peter Covino, Samuel Rort, David Fulcoi, Bernard Governelli, Joseph D. Jeffrey, Edwin W. Cropley, John Gerich, Bruce Ciccone, Angelo Arcuti, Alfred J. Ciccone, Santo Lomoro.

Barbieri, Rocco L. D'Ambrino, Jerry Nasso, Alfred Mangano, Jerry Palumbo, Dominic Ciccone, Angelo Bissell, Raymond Ciccone, Joseph Gallagher, Arsenio Masullo, Joseph F. Morse, John Bishop, Paul J. LePore, Daniel Rolans, John LePore, Sr., Morris J. Markovitz, William

Disposal Of Turnpike Surplus Millions

It appears that Governor Robert B. Meyner is determined to obtain passage of his scheme to divert New Jersey Turnpike surplus millions to subsidize railroad deficits. If the New Jersey Legislature is bullied into accepting his proposal when it returns in August, the question will be presented to the voters of New Jersey in the form of a referendum this November.

For the third time in this space, we direct the readers' attention to the fact that 90 per cent of railroad real estate taxes are paid to Hudson County municipalities. The benefiting municipalities are over in Hudson. In effect, we are asked to subsidize Hudson County municipalities with Turnpike surplus revenues which, if made available, properly belong to all of New Jersey taxpayers.

In seeking to obtain legislative approval for this bold scheme to divert dollars from the State Treasury to Hudson County municipalities, there is talk of a deal with South Jersey senators, whereby South Jersey is assured of a ten to fifteen million dollar slice of the Turnpike surplus melon.

We are firmly convinced that the Governor and the legislature are considering a "wrong" referendum. More appropriate would be a referendum consolidating the three highway operating departments, the Garden State Parkway Authority, the New Jersey Turnpike Authority and the New Jersey State Highway Department.

This consolidation would eliminate the wastefulness of conducting three separate and distinct administrative departments which exist today. Moreover, the Garden State Parkway is expected to go into the red sometime between now and 1965. We should be primarily commanded to absorb the deficits of another road.

It also must be remembered that the State Highway Department is a deficit operating department. It has no income. It receives its money from the annual budgetary appropriations. Wouldn't it be nice to contemplate a highway department that doesn't depend upon its state treasury for funds with which to operate.

Legislators who may follow the lead of Democrat Governor Robert B. Meyner in this question of allocating potential Turnpike surplus revenues would be doing a disservice to the taxpayers of New Jersey if they voted approval of the Meyner-Palmer scheme.

SPEAK UP

To The Editor:

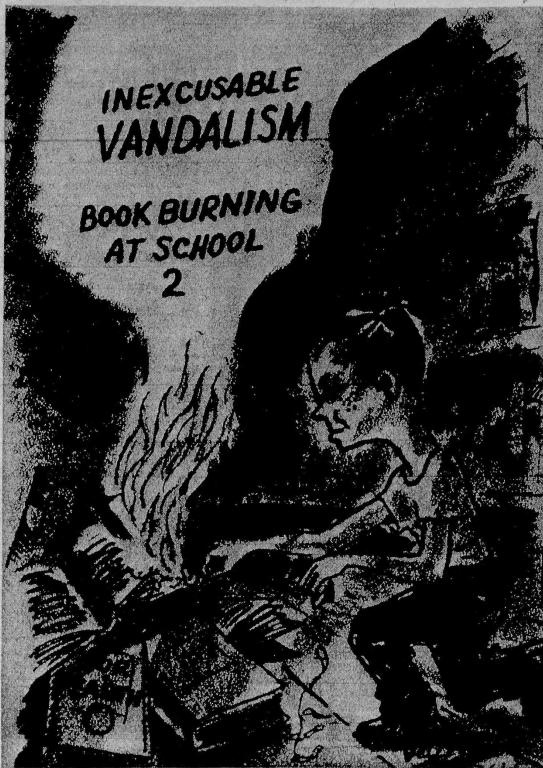

One of the evils of the Commission form of government is the stripping of Departments by the majority groups. This has been a powerful weapon on many an occasion, and has created bad feelings among the elected officials. All departments should be left intact, and after an election, high man should become mayor and pick his department not vote on. The second man should pick his and so on. This weapon has been so powerful that the stripping began in 1933 in the City of Newark and again in Jersey City under Kenny and the victory forces. It has also happened twice here in town under Tully who stripped Mr. Noll's Department of a judgeship. And our present administration who, as Commissioner's Herman and Pico, holding the bag.

It is a known fact that through the years two departments in turn have tapped the water funds for over three hundred thousand dollars, and used it to pay wages. I am sure all wages in town are included in our tax rate. And any profits from the water should be put to better use. What better proof do we need that now is the time to make the change? I hope that many thousands of citizens will wake up and stop being taken in year after year. Under the council manager form of government we will be free, independent and unbossed. And Belleville will be represented in very section of town.

Mrs. A. C. Kihn of Brooklyn read a paper at the meeting of the Tuesday Afternoon Club at the home of Mrs. A. N. Streeter of Joramelon Street.

Miss A. M. Alnsworth of Brooklyn returned home after a stay with Mrs. Elizabeth Hanna of 440 Washington Ave.

SCOUTS RETURN FROM TAMARACK

Holy Family Boy Scouts Earn Merit Badges On Camping Trip

Twenty-five Boy Scouts of Holy Family Church, Troop 152 returned recently from a two-week camping trip to Camp Tamarack, in Oakland. The boys, under the leadership of Scoutmaster Anthony DePalma, spent much of their time passing tests for merit badges and advancements.

Scoutmaster DePalma reported that close to 100 merit badge awards were achieved by the scouts. Dennis L. Mellick was advanced to second class scout.

The scouts who camped at Tamarack were James Calderone, Vincent Cappabiano, Daniel Crowley, Vito D'Alconzo, Otto DeFanza, Gerald DeLuca, Joseph DeLuca, Raymond DeLuca, John Doer and John Izzolino.

Also H. Rolland Kane, Michael Luzzi, Dennis Mellick, Richard Montecillo, Lloyd Montecillo, Francis Morgan, Joseph Neglia, John Nemeth, John Rempusheles, Felix Rinaldi, Peter Sarge, Jr., James Trotta, Louis Veltri, James Vendola, and Robert Walsh.

SHERIFF DUFFY LAUNCHES ANTI-SMUT CAMPAIGN

Plans To Conduct County-Wide Probe Into Sale Of Filth Material

WASHINGTON, D. C. — Sheriff Neil G. Duffy of Essex County outlined plans for a general county-wide crackdown against the peddling of obscene literature and received here U. S. Postmaster General Summerfield's personal pledge of co-operation in an all-out fight to stamp out what he termed a "nationwide racket corrupting the youth of America."

Duffy said his investigation of the sale and distribution of filth material, spurred by a recent Grand Jury indictment, will be carried into every corner of Essex County to protect the youth of our communities.

As part of his investigation, Duffy met here in the nation's capital with the Postmaster General and Congressman George M. Wallhauser, 12th District Rep., who arranged the meeting at Duffy's request for a first-hand review of the situation. Wallhauser is the author of proposed legislation to give the Post Office Department greater latitude in dealing with obscene material sent through the mails.

Summerfield promised the Essex County Sheriff every co-operation in the fight against what the Postmaster General calls a half-billion dollar racket, which solicits patronage between 700,000 and one million children a year.

Duffy declared he will organize public citizens' groups throughout Essex County to fight the smut racket. The sheriff added: "I will work with local police chiefs of every community to wipe out the scourge of smut... It's only a matter of a short time when we will conclude our investigation. I will order a crackdown on the county."

Emphasizing the importance of public support and co-operation, Duffy declared that his office also will launch an expanded educational program against the sale and distribution of smut material to combat any apathy.

"Hey, Sport"

Row, Row, Row Your Boat . . .

What's the most popular sport in Belleville High School? Football? Basketball? Basketball!

On the basis of the number of students who turn out for tryouts, the most popular sport is . . . rowing.

Both Belleville and Nutley High Schools have active rowing squads. Mentor of both squads is Belleville's William (Bill) Bennett, who gave of his time and energy some ten years ago to get the programs started in both schools.

He's still active today.

Bennett, a local machine tool designer—his wife teaches elementary grades at School 7—had an interest in boating as a member of the Nereid Boat Club which led him to seek to get the area high schools interested in the sport.

When a call goes out for tryouts on rowing, there is no "cutting." Anyone who wants to row can be on one of the crews. One prerequisite. They must be able to swim.

The crews row from the Nereid Boat House on the Passaic River, which the schools rents from the Nereid Boating Club. Some information about the boats: Each one weighs 300 pounds and is 62 feet long. They are the same quality boats as those used by colleges in their competitions.

Mike Rosamilia and Bill Bennett

The oars are 12 feet long, are hollow and cost \$30 each.

The schools currently use "eights," boats which contain eight oarsmen and one coxswain. It is estimated—conservatively—that each boat carries three quarters of a ton.

Bennett underestimates his part in the rowing story at Belleville and Nutley, but Michael Rosamilia, head of the Social Science Department at Belleville High School, who also is Belleville's coach of the rowers, gives Bennett the credit for the work the teams have done.

Rosamilia and Bennett were in The Times-News of fiction detailing some of the activities of the teams, and Bennett modestly declined to give much information about himself and what he had done.

Rosamilia, filling in, pointed out that Bennett this year received the award of the Belleville Teachers' Association as the citizen who has done most for youth.

Bennett, who also started the rowing sport in three high schools in the Poughkeepsie, New York, area ten years ago (another school in that vicinity is also starting a rowing team), received an award this year from a Dutchess County group for his inspiration and work in getting the teams started.

While Rosamilia coaches of the rowing squad at Belleville, Ed Cummings coaches at Nutley. The two varsity squads do not meet in competition, although the teams do meet in workouts, and the freshmen teams compete against one another.

Winner of the freshman competition gets possession of the Freshman Trophy, presented several seasons ago to Bennett by Columbia University when Bennett got an award from Columbia in recognition of the excellent relations between the schools.

Belleville won the trophy the first year, Nutley then captured it and is now holding it.

The freshman race is held the last week of the crew season.

The season extends from the middle of March to the first of June. There usually are about eight meets. Two of these are expected to be home meets. The other six mean travelling, often to distant places.

When the teams travel, they are chaperoned by their coaches. Bennett rents a long U-Drive-It truck and personally drives the boats to the destination. It takes some fancy driving to haul the 62-foot boats, but Bennett does it.

In a national meet held in Detroit last May, Belleville placed second in the Junior Division, while Nutley tied for third.

The squads row against high school teams, freshman college teams and college varsity lightweights. They have taken on Harvard, Rutgers, Columbia, Fordham, Yale, Princeton, St. John's, Iona, Dartmouth and Cornell.

The sport has such a standing with the local student body that this year the Belleville High School student council bought a complete set of oars for the team for use in the national meet.

Although the Board of Education finances all other sports rowing is one in which rowers, students and their parents solicited funds to support it.

Travel expenses of the squad are paid by the Board. They average \$1,000 per team per year.

Bill Bennett, who brought the unique sport to Belleville and Nutley Schools, sat in the office of the Times-News and talked the situation over.

Asked what motivated him to do what he did, he said merely he wanted to "build the sport up."

"Right now," he went on, "the sport can get along without me."

"Impossible," said Rosamilia, Belleville's coach, who should know.

St. Peter's To Meet St. Joseph's Spanish In CYO Playoffs

In a natural climax to the season, St. Joseph's Spanish, Newark, and St. Peter's, Belleville, will meet in head-to-head combat at Newark Schools Stadium this Sunday with the Essex County CYO intermediate baseball championship at stake.

While St. Peter's was idle last Sunday, St. Joseph's tied for the lead by beating St. Patrick's, Newark. Both teams now have won six or seven outings. The championship game will start at 1 p.m.

To Start Best Hurlers The two clubs will start their best hurlers. St. Peter's will go with Ed Szep, who is a veteran of three years in the intermediate loop. Szep has four victories to his credit this season and has pitched two shutouts.

St. Joseph's will counter with Joe Mendes, who has spent five years in the junior and intermediate leagues and has won 32 games against three losses. This season he has won four, given up only two runs and pitched a no-hitter. He likewise has two shutouts but hasn't been beaten whereas Szep has lost once.

The winner will move into the Archdiocesan Playoffs, involving the champions from Essex, Union and Hudson Counties.

Also Closing Season Also closing out the season will be St. Anthony's, Belleville, which forfeited to Our Lady of the Valley, Orange, on Sunday and saw its record drop to two wins against five losses.

St. Anthony's is booked against St. Rose of Lima, Newark, in a 3:30 contest at Branch Brook Extension. St. Rose dropped a 3-2 decision in its latest outing and is tied with St. Anthony's for sixth place.

Stadium Is Scene Of Hard Battle The Belleville Stadium was the scene this week of a hard-fought game between Kelly Playground and Stadium, with the home team winding up on the long end of a 7-4 score in the Playground Junior Softball League.

The Kelly team got to Joe Latore early by scoring one run in the first inning on a home run by Jim Blanco. Stadium came back in the bottom of the third with a three run homer off the bat of first baseman, Tom Campbell, to take a 3-1 lead.

In the top of the fourth, Gene Geleshen of Kelly Blasted a three run home run to give them a temporary 4-3 lead. John Zinna of the Stadium pushed his team ahead in the bottom of the sixth with a three run blast off Jim McNish who twirled for Kelly.

An unearned run later in the inning concluded the scoring.

A two-game play-off is being planned among the first four teams, the dates to be announced in the future. The League Standings so far are: Belleville Park, 6-0; Montgomery, 4-1; Stadium, 2-2; Fairway, 2-2; Recreation, 0-5; Kelly, 1-3; #4 Playground, 0-5.

BY ED WARD

We are approaching the end of another year in Little League Baseball in Belleville and, again, we are faced with the problem of what to do with the LITTLE LEAGUE boys who by reason of age are not eligible for play in this league next year.

A study made on a national basis has proven that boys who were adept on a LITTLE LEAGUE field suddenly find themselves inept on the regular sized diamond.

The ineptness created by many mistakes in the boys' playing habits which he found almost impossible to correct as he grew older, or forced him to remain away from the game at least a year.

Often those interested in boys' baseball do not realize that while dimensions of a LITTLE LEAGUE diamond are two-thirds of those of a regulation diamond, the regulation diamond has more than twice the playing area.

Belleville has a fine baseball program for boys, starting with our Recreation Farm League, skilled athletes, nor can it be de-

signed for mass participation on the part of every boy in the community. It should be designed to serve as many boys as possible who are sincerely interested in the game of baseball. It is only boys who are interested in the program who can benefit from it.

A league fashioned after the P.O.N.Y. League and following the standards set by them, composed of four or more teams, administered by adults who are sincerely interested in boys, is a very definite need.

More will be forthcoming on this subject as an interest is expressed. If you have an interest please make it known through the paper and a meeting of all those interested will be held with the thought of starting such a league.

Ben Pucclarello and Mike Morotti, who managed our Little League National All Stars, exemplify the LITTLE LEAGUE spirit in its true sense. These two men, who are battling for first place in the National League, pooled their talents from a National League All Star Team which we can be proud of.

The team won the first game in the tournament, but met defeat in its second. Defeat in a tournament of this type does not mean that the losing team is less capable, for the winning of a game of baseball does not always fall to the most proficient team, but many times is a result of the breaks of the day.

We can be most proud of our National League representative,

as well as our American League group.

The season is approaching its climax when the American League Champion Clippers will face the National League winners, when that is determined, in a best two out of three series.

Regardless of who wins their respective league titles or who wins the playoffs, the 1959 season for Belleville LITTLE LEAGUE has been a very successful one.

Free Heart Surgery

For Medically Indigent

Dr. Eric D. Savage, president of the Essex County Heart Association, this week released information regarding availability of heart surgery for medically indigent in this area. The information was gathered as a result of the large number of inquiries by residents of Essex County.

There are two institutions which offer heart surgery without charge to patients who cannot afford to pay, namely the National Heart Institute in Bethesda, Maryland, and the Deborah Hospital, Brown Mills, N. J.

According to Dr. Andrew G. Morrow, Chief Clerk of Surgery, National Heart Institute, "We are accepting patients with most forms of congenital and acquired heart disease in our surgery program at the Institute. There are no costs involved for patients except for their transportation to and from Washington."

The Essex County Heart Association will in certain cases assist with the transportation costs. "The Deborah Hospital is a complete non-profit institution and heart cases who are amenable to surgery are accepted on a what-comes-what basis," stated Clara Franks, hospital superintendent.

Interest on obligations issued to finance said purpose, whether temporary or permanent, or to finance engineering or inspection costs and legal expenses, or to finance the cost of the insurance of such obligations as provided in Section 49-1.12 of the Revised Statutes of New Jersey.

Section 2. It is hereby determined and declared that the period of usefulness of the purpose for the financing of which said notes are to be issued is a period of 10 years computed from the date of said bonds.

Section 3. No part of the cost of making said improvement shall be borne by the State of New Jersey, but shall be borne by the County of Essex, which shall be specially assessed against the property specially benefited thereby.

Section 4. It is hereby determined and declared that the period of usefulness of the purpose for the financing of which said notes are to be issued is a period of 10 years computed from the date of said bonds.

1500 On Hand At Branch Brook Park For Exhibition By Paul Hahn On Golfing

LOTS OF DRIVE: Morey O'Connor tees off with a beautiful drive as his daughter Barbara, Rizzuto and Hahn look on.

More than 1,500 persons were on hand Tuesday at the Branch Brook Park for an exhibition by famous golf trick shot specialist Paul Hahn.

Hahn, a good-will ambassador for P. Ballantine & Sons, Newark, preceded his performance by playing in a foursome with former Yankee great Phil (Scooter) Rizzuto; Morey O'Connor, Branch Brook golf pro, and his daughter, Barbara, Glen Ridge Country Club Women's Champ.

Hahn was teamed with Yankee sportscaster Phil Rizzuto and won the match from the father and daughter combination by one stroke.

Hahn's trick shot performance, combined with a unique comedy routine and informative golf clinic, delighted the large throng. His famous "William Tell" trick shot in which he shot a golf ball from a woman's mouth was one of the big highlights of his show.

Hahn's bag of trick golf clubs drew considerable audience attention.

The performance was sponsored by Ballantine, brewers of Ballantine Ale and Beer.

Big Night Tonight As "Mello Jacks" Play

Tonight will be a big night at the Recreation Teen Center—the "Mello Jacks" (Ken Battista, Ralph Colombino, Fred Ludrak and John Rotondelli) will entertain their fellow members again. The group is very popular with the teen-agers in the Center. Leader Ken Battista has promised he will introduce three more songs he has composed. The boys sing and accompany themselves with an electric guitar and bongo drum.

The Teen Center meets every Tuesday and Friday evening at the Recreation House. Any teen-ager Belleville boy or girl is eligible to join, providing their parents are willing to serve as chaperones at least one night during the summer.

Friday night is "dress up" night and Tuesday night Bermuda's are acceptable.

The teen-agers dance, play ping-pong, socialize, etc. They also have their own newspaper, which they publish every other week.

Add Voices To A Nice Sound And You Have A Hit Record

IT'S A RECORD! Tony Passarella, John Cilli and Jerry Moccia, all of whom are both on hand to give Commissioner Robert Gruhn a copy of their first record, "I Pray" and "Here I Go Again." Both of the boys are just starting out in the music field making records and already their tunes show promise of becoming hits in the teenage record world. The boys were making a special appearance at the Belleville Record Shop, 142 Washington Avenue, this week. Commissioner Gruhn has aided the boys with legal advice and support from the beginning of their careers.

At a party of rock 'n' roll fans a while back, one of the guests brought out his guitar and he and his friend began to sing. At the finish there was a round of wild applause and two stars were born.

That was just the beginning for Tony Passarella, 19, and John Cilli, 20. Together with Jerry Moccia, 16, the three boys wrote two songs which they recorded on the "Melo" Label. According to Sam Morris, the owner of the Belleville Record Shop, 142 Washington Avenue, the records are selling like "hot cakes."

The tunes, "I Pray" and "Here I Go again," each have a definite beat and catchy lyrics. The boys appeared on a WNJR radio program the other night for a personal interview.

Within then next three weeks they will be appearing on the Allan Freed show. Tony plays the guitar as he and John give their renditions.

John, at one time, had his own band under the name of Johnny Ames and travelled over the country. He has played in Boston, Philadelphia, The Bon Aire Lodge and at the Scarsdale Jazz Festival.

Managing the boys is Anthony Cutral and Nicholas Moccia, father of Jerry, the boys collaborator in song writing.

Tony is the son of Mr. and Mrs. Daniel Passarella of 128 Forest street. John is the son of Mr. and Mrs. Vito Cilli of 11 Park street.

John and Tony are shooting for the top and are hoping to be signed by a "name" record company in the fall.

Anniversary Party
Mr. and Mrs. C. Schwartz of 32 Van Heyper Place were recently guests at an anniversary party for Dr. and Mrs. Leon J. Schwartz of 36 Highland Lane, Rutherford. The party was held at Perona Farms. Other guests were Mr. and Mrs. I. Baronessa of 148 Morlimer Avenue, Rutherford.

To Check Belleville's Car Insurance Rate

Why isn't Belleville in the top-rated car insurance group? This question was raised at a meeting of the Board of Commissioners just week by Thomas McGill, who pointed out the increased rates and wondered about Belleville's position in relation to other towns.

New higher rates on a statewide basis were announced recently.

Town Attorney Lawrence Keenan was requested to write the Commissioner of Banking and Insurance to determine why Belleville is not in a higher spot than it is.

Town Allows \$600 To Wreck Building

The Belleville Town Commission last week approved an emergency appropriation of \$600 requested by Commissioner George J. Keenan.

The \$600 was for demolition of an old building on a 30 by 120 foot lot bought recently by the Town.

The town paid \$5,000 for the lot and house and closed it in June. Purchase was made from Theodore Wells of 13 Quinlan Street, Belleville.

The lot is at 58 Valley Street and is described as backing almost into the present parking lot for municipal employees.

Commissioner Keenan said he hoped to black-top the area and use it for parking for town employees.

W. Glosinski Gets Promotion At Prudential

Walter F. Glosinski Jr. of 140 Overlook Avenue has been promoted to assistant consultant in the labor and veterans' relations division of Prudential Insurance Company.

Glosinski joined Prudential's methods division in 1953 and was transferred to his present division last year.

He received a bachelor's degree in economics from the University of Pennsylvania in 1951. During the Second World War he served as a sergeant with the Army. He is a member of St. Mary's Church of Nutley.

Glosinski is married to the former Clare Sylvester of Harrison. The couple have two children.

Nobody Blue But The Fish

Members of the Belleville Kiwanis Club are talking about their successful fishing trip on Wednesday, July 29th, out of Belmar on "The Mako."

They fished for about four hours straight, publicity chairman Joe Pell reports, and when they counted heads (fish heads, that is), they came up with 400 blues.

Ed Waitook won the prize for the first fish. From then on, the fish came so fast nobody cared.

Bill Bing was sergeant-at-arms and Frank Crouchley was the official photographer.

"We had nice weather, a good skipper, a swell bunch of guys, and all good sailors," says Pell.

"It was a wonderful day," he concludes, "times oft aird earl downey."

Alfred Earl Downey, 80, passed away recently at Clara Mass Hospital after a long illness. He had been in the hospital 84 days.

Mr. Downey was born and raised in Belleville. For many years he lived at 186 Stephens Street.

A brushmaker by trade, he had been employed by Smith Brothers Brunas before going to work some 40 years ago for Hamilton & Goodman, Main Street, Belleville.

Mr. Downey, a bachelor, is survived by two brothers, Edward of Newark and William of Keansburg.

Services were from the William V. Irvine & Son Memorial Home, 276 Washington Avenue, with the Rev. Thomas T. Hoove, pastor of the Belleville Reformed Church, officiating.

Blood Bank is to Visit Kidde Plant
Mrs. Kenneth Cary, Belleville Red Cross blood program chairman, has announced that the Essex County Bloodmobile will be at the Walter Kidde Plant Friday, August 21.

This bank will be only for the employees. Two banks a year are held in the plant. Mrs. Helen Vreeland, R.N. is in charge of the arrangements for Walter Kidde. Mrs. Cary and Mrs. Herbert Tucker are in charge of arrangements for the Belleville Red Cross.

Nine blood banks were held from June, 1958 through May, 1959 through which 581 pints of blood were collected. Fifty-six pints were donated at the Blood Center in Newark, making a total for the year of 637 pints of blood.

The quota for this year is 650 pints of blood and approximately 11 banks have been scheduled.

Engaged
Wendy Simon does the "Dance of the Siamese Children."

The 84 youngsters who attended were treated to such numbers as "The Giesha Girl," "I'm a Flirt," "The Battle of New Orleans," "Tan Shoes and Pink Shoelaces," "The Circus" and "I'm Just Wild About Harry."

The performance followed a barbecue lunch in which all had their fill of hot dogs, hamburgers, potato chips, soda, cakes, watermelon and toasted marshmallows.

Richard Misuriello and Ed Molek collected their services in setting up a fireplace for the marshmallow toasting.

PATRICIA ANN WILSON
Mr. and Mrs. Edward J. Wilson of Parkside Drive have announced the engagement of their daughter, Patricia Ann, to James Joseph McCann, son of Mr. and Mrs. James Patrick McCann of Dow Street.

Miss Wilson was graduated from Belleville High School and is with Mutual Benefit Life Insurance Company, Newark. Her fiancé also was graduated from Belleville High School and is with Alco-Gravure, Hoboken.

Legion To End Regular Season Monday Night With Nutley Game

The Belleville American Legion Team will play its last league game of the season Monday night at Nutley. The game originally had been scheduled for Belleville.

The Belleville squad bested Montclair last Friday by a 4-3 score. Jim Cleffi started for the local team and was relieved by d. Chelel in the sixth, who got credit for the win.

Assisting John Kay's Belleville Legionnaires in the victory were al Lo Coco, who hit a triple and a single, and Frank

Anaichario, who came through with timely hits. One of his brought in the tying run.

An injury was suffered during the game when Montclair's third baseman was spiked severely on the wrist as Eric Hatch slid into third. The Montclair player had to leave the game for medical treatment.

Belleville's record at this writing is four wins and five losses for the second half of the season. The best they can hope for in the final standings is third place.

Although Monday night's game closes the regular season, there still will be games played as the boys have expressed an

interest in playing through the summer.

A post-season game will be played August 15th when the Belleville boys travel to Franklin to meet the Franklin Legion team in an exhibition game.

Franklin advanced to the State quarter finals in competition this year.

Other games are anticipated with Long Branch and Staten Island, but the arrangements are not complete, according to manager Kay.

Theatre Atmosphere At Fairway Grounds

A summer theatre atmosphere prevailed at Fairway Play-ground last Friday, where a group of girls displayed their versatility in a talent show.

Barbara Colatrello served as mistress of ceremonies in an obviously well-rehearsed presentation of songs and dances of the United States and foreign lands.

Wendy Simon did the "Dance of the Siamese Children" and was greeted with considerable applause. Other performers included Pamela Knapp, Domencia Vitucci, Ellen Knapp, Regina Ferrara, Janice Bucco and Jo Ann Barbone.
