## Local Cadet Takes Honors In National Rifle Matches

Cadet King is shown with an M-1 rifle, the firing piece with which he excelled in national competition.

WEST POINT, N. Y. — Cadet John H. King, son of Mr. Richard King, of 90 Plunge Drive and Mrs. Milton Feltenstein, of Short Hills, is a member of the Cadet Rifle Team, which took first place honors in two matches at the National Rifle Matches at Camp Perry, Ohio, and third place in two other matches.

The first place team wins were in the Rumbold Trophy and Enlisted Men's Trophy matches. Third Place honors were in the Nevada Trophy and Roubanman Trophy matches.

In the individual firing, Cadet King took honors in five matches. He placed fifth with over two thousand competitors in each match. He was the winner of the High National Intercollegiate Match and won the ROTC medal for excellence in competition. He also won a number of silver spoons as a member of the Cadet team.

Cadet King fired in the Marine Corps Cup, Coast Guard Trophy, Crowell Trophy matches and in the Aggregate match. His position on the Cadet team is the pivot man or third position.

## Program Of Charitable Giving Moves Into Final Preparation

The program for charitable giving that the residents of Belleville asked for is moving into its final weeks of preparation. The industrial phase of the drive already is under way as a result of the luncheon meeting at the For-Hills Restaurant last week and Douglas P. Wadsworth, Chairman of the Residential group, is busy lining up District Leaders preparatory to their Kick-Off Dinner on October 6th.

It will be remembered that the United Fund of Belleville came into existence because Belleville residents repeatedly discussed and sought one comprehensive charity drive. They wanted a single campaign that would be all-inclusive—a campaign whereby one contribution would be enough to take care of all 13 agencies in the Fund.

Since then, approximately 200,000 pints of blood have been collected and dispensed. From June 1, 1958, to May 31, 1959, nine Blood Banks were held at which 581 pints were collected. Five of these banks were held at the Belleville High School, the balance at various of the town's industrial plants. The value of this program to you and the residents of Belleville cannot be measured in terms of dollars and cents.

Another program is the disaster program which springs into action in time of fire, flood, hurricane or whatever. Fortunately, during the past year, Belleville had no serious disaster, so the committee functioned only once—at the time of the Belleville High fire in January, when coffee and buns were served to the firemen.

Disaster assistance, whether it be feeding, clothing or sheltering the victims, is available both when the disaster strikes and after. It is an outright gift based upon need to augment the family resources and is never repaid.

Another service is the Home Service which involves aid to servicemen and their families, which still goes on every day. Twenty-four-hour coverage is maintained by the staff and eight. One hundred and seven servicemen and their families were assisted with problems related to their military service last year.

The fourth well-known activity of great benefit both to those who take the courses and those who teach them is the "Big Doings."

## Carney Resigns As Head Of Citizens' Tax Group

Edward A. Carney of 17th Street, in Court has submitted his resignation as president of the Citizens' Tax Council. His resignation was due to business pressure. Carney is employed with the Andrew Jerrold Company.

In his letter of resignation to the Trustees, Carney suggested "serious consideration" be given to electing trustee Salvatore Calabro as president prior to the next annual election.

Carney's letter follows: "I am deeply regret that I find it unable to fulfill the duties required from President of a Civic group. I feel that the general aims of the group are such that any citizen should feel obligated not only to join, but to participate as an active member."

I was greatly honored to be elected as the President of such a group and take pride in the fact that I was helpful in the formulation of its policies and basic organization. I am sure that the many who comprise the Citizens' Tax Council, with such lofty purposes, deserve a man who can, without question devote an unlimited amount of time and effort to leadership in carrying out our common aims.

I find that I no longer have time to continue as President of the Citizens Tax Council but, also, because of the pressure of business, I have found it necessary to drop my connection with Little League activities with which I have been associated for many years.

I want to assure the many Tax Council members that I greatly appreciate the trust and confidence placed in me.

## Times To Publish Thursdays; Circulation Is Up To 6,150

Flash! Starting with next week's edition, the Belleville Times-News will be publishing Thursdays instead of Fridays.

Publicity chairman of local organizations and persons submitting copy to the Times-News are asked to abide by our new deadline, which will be Monday morning at 10 a.m.

With this edition, the Times-News is proud to announce a major increase in circulation, bringing total paid circulation to 6,150.

## Calabro - Minasian Affair Is Rekindled With Formal Charges

Aspects of the Calabro - Minasian affair, which in recent months split the Board in two, are expected to come up again at the regular meeting of the Board Monday night at School 8.

At that time, the Board is expected to act upon formal charges filed with it by Salvatore Calabro of 76 Fairway Avenue, pertaining to the alleged conduct of Henry Minasian as principal of Schools 2 and 10.

The Board, which was in receipt of the formal charges earlier, met last Monday night in a private conference to decide what action to take. No members of the Board are speaking for publication as to what is expected to occur at next Monday's session.

Copies of the charges as submitted by Calabro were in the hands of the Times-News last week.

After the Times-News did some questioning on background for the story, the following resigned letter, mailed to the editor, was received from Mr. Minasian:

"I have learned from several sources that Mr. Salvatore Calabro has submitted to you alleged charges concerning my conduct. I am further advised that the allegations are deficient of any facts and are merely vicious unsupported opinions of Mr. Salvatore Calabro.

"If these unsupported allegations appear in print and I suffer damage thereby, I shall hold you responsible and take appropriate legal action.

Very truly yours,  
Mr. Henry Minasian"

Calabro told the Times-News that his purpose in submitting formal charges to the Board was to see if he could get redress from a higher authority.

The charges reopened the Calabro - Minasian controversy which began last February and split the board of education into a deadlock in April of this year.

The same charges, then introduced, are being reintroduced.

## "Cloth For Cancer" Drive Is To Begin October 5th

Any old sheets, white shirts or other white material around the house?

If you have, you can put it to good use by saving it for the Belleville Kiwanis Club "Cloth For Cancer Drive," which starts next Monday. Details are being worked out by William King, chairman, assisted by Joseph G. Fell and Russell F. Hopkins.

The motto of the drive is "It costs nothing to help." The old white material will be used to make dressings for cancer patients.

The drive begins Monday, October 5. Drop stations will be established in this newspaper in the next issue.

(Continued On Page Two)

## Big Doings "Alumni Day" Is Set for Saturday, October 3rd; To Select H. S. "Queen of the Day," Hold Parade

Saturday, October 3rd, is the "big day" — Bloomfield the opponent. The Belleville Athletic Council has set aside Saturday, October 3rd, the day Belleville plays the powerful Bloomfield squad, as "Alumni Day" to honor all Belleville graduates.

Spotlight of the day will be centered on the Belleville 1922 team, the first organized team ever to represent Belleville High School on the gridiron. The day will begin with a mammoth parade starting at the High School and going directly up to the Municipal Stadium.

Special guest for the day will be Lola DiBella, Belleville beauty just crowned "Queen of the Sea." Miss DiBella, a former Belleville captain of the majorettes will crown the gridiron "Queen of the Day," who will be elected by the student body of Belleville High.

Highlight of the day will be the appearance of the 1922 members and as many of the cheerleaders of yesteryear (1922-1940 vintage) as the Committee can contact.

Confirmations have been received from former cheerleaders, Mary (Reilly) Coronato, Doris (Hammond) Tedesco, Bernice (Becker) Dunn, Jean (Salmon) Malcomb, Dorothy (Connelly) Loesner, (Sauter) Mitchell, and Mary (O'Brien) Friel.

Other former cheerleaders who would like to participate, have been asked to contact Mary (Reilly) Coronato at Plymouth 9-6085.

Members of the 1922 team have been asked to contact "Lefty" Kintzing for details.

## Planning Board Ordinance Is Passed On First Reading

Mayor Isadore J. Padula this week introduced on first reading an ordinance to establish a Planning Board in Belleville. The ordinance passed 4-0, with Commissioner Robert C. Grubbin abstaining. Mr. Grubbin said he did not have time to study the proposed ordinance completely.

An indication that the Planning Ordinance would be introduced came at a previous Commission meeting, when Commissioner Nuncio Pico inquired of the Mayor as to when he would introduce the measure.

After this week's session, Mayor Padula declared that this was the third time he had introduced the Planning Ordinance. On the two other occasions—the first four years ago and the second two years ago—he did not have enough votes to carry the ordinance.

An informal survey taken by the Times-News indicates the ordinance will go through on second reading when it comes up October 13th, the next meeting of the Towns Commission.

When the subject of the Planning ordinance was discussed at the caucus session, James R. Golden of 62 Tappan Avenue, known for his criticism of town officials, interjected his opinion that the State statute should be studied before the Commissioners decided upon the Planning Ordinance.

Golden later declared himself against the Planning Ordinance and said the town did not need it and that if planning services were necessary, they could be obtained from private firms, which would be called upon in any case to make necessary surveys.

Town Building Inspector Thomas Greco told the Times-News he was strongly in favor of the formation of the Planning Board and suggested it would go a long way toward eliminating confusion in subdivisions and zoning.

Greco also said that with the adoption of the Planning Board should come a complete revision of the Zoning Act.

The Planning Board would have nine members. The Mayor would serve, automatically. Another member would be an official of the town, appointed by the Mayor. Mayor Padula stated he would appoint the Town Engineer. A third would be a member of the governing body, appointed by the governing body.

The other six would be local citizens. Terms would initially be staggered from one to six years for the laymen, with six-year terms finally becoming the standard term.

Belleville is one of the few towns in the area which has no Planning Board.

(Continued On Page Two)

## Hits Zoners For Leniency

Thomas McGill, a regular attendant at the Town Commission meetings, charged this week that the Zoning Board was too lenient in issuing variances to applicants under the guise of "hardship" cases.

McGill referred to several cases reported in last week's Times-News in which certain applicants were allowed to convert their dwellings to multiple family affairs.

"We're living on the border of the fastest growing jungle on the Eastern seaboard," said McGill.

He suggested that with the ease in which the variances were being granted, the neighborhoods were being run down, and said the matter should be "thoroughly looked into."

McGill also suggested to Commissioner Nuncio Pico, director of public affairs, that Sanitary Inspector Edward Burdick might be permitted to handle both his own and that of Health Officer — until Pico was able to fill the health officer's job.

A resolution was introduced at the session allowing for payroll deductions from Town employees for contributions to the United Fund of Belleville.

Present to represent the United Fund at the session was Allan Crisp, who thanked the town for its co-operation.

## Fewsmith Plans Cornerstone Laying Sunday

Another major day in the development of the Christian Education building program at the Fewsmith Memorial Presbyterian Church occurs September 27, with the Christian Education Unit Cornerstone service.

Following 11 o'clock worship service, the congregation will assemble in front of the new building for the cornerstone service. The Rev. George Van Leuven, the church's pastor, will preside.

BELLEVILLE'S FIRST GRID-IRON TEAM: The above photo, taken in 1922 by the Koenig Studio, shows the first organized team ever to represent Belleville High on the football field. The spotlight will be turned on this team on October 3rd, the day the Belleville Athletic Council has set aside as "Alumni Day" to honor all Belleville High graduates. Shown in above photo are, first row, left to right, "Greek" But Staniar, Jimmy T. Metz, Chuck Radcliffe, captain; Ellis Williston, Chet End, and Artie Duff. Second row, Coach Fogarty, Eddie Hyde, Jack Hicks, Bill Herdes, Pearson Kane, Rob Mutch, Arthur E. Patten and (no first name gotten) Sandborn. Third row, Leslie Glenck, Morris "Mickey" Brown, Hart Campbell, Lindley "Buddie" Graves and Jack Boyd. Missing from photo are "Lefty" Kintzing and (no first name received) Arnold.

Help Yourself by Helping Others! Give to the United Fund of Belleville!

## "Slap A Lien" On Maass Says Golden On Old Bills

James Golden, known locally as a town critic, asked this week that the town "slap a lien" on Clara Maass Hospital if the back water bill were not paid with interest. In that case, said Golden, the mortgages would intervene.

Members of the Town Commission's special committee and the Maass directors are in the talking stage on the matter of back payment of the water bill.

Golden made his suggestion at Commission meeting Tuesday night.

He also had other comments. He asked Commissioner Robert C. Gruhn, Director of Public Works, if a town truck had removed some stones from a home which in a recent election carried a banner for Gruhn.

Gruhn's offense at this and said he had not been aware of the call, which came at 7:30 in the morning. Furthermore, the Department was instructed not to pick up stones or debris where contractors were working, he declared. Gruhn further resented the implication of Golden's charge and made it plain in the manner of his answer.

"That's an absolute falsehood," he declared to Golden.

Golden continued in his discussion with Gruhn by mentioning a sewer on William Street, stating it was a County sewer and that the Town should

not repair it.

Gruhn said it was the Town's duty to maintain the sewers and that if Golden wanted to continue the investigation he might check with the County.

Golden then declared himself on another subject, stating that the Town had neglected to amend an ordinance after the 1958 Organization meeting in which certain responsibilities were shifted to other departments.

Golden declared that the Health Officer has jurisdiction over the Plumbing Inspector, in another department.

He said that codification was promised and said that legislation should be undertaken. He also said Commissioner Nuncio Pico, Director of Public Affairs, had every right to determine whether the Plumbing Inspector's post actually exists in his department.

Golden also mentioned the Nutley-Belleville "Iron Dukes," a newly-formed football team which will play its home games in the Belleville Stadium. He asked whether the team was insured and whether a contract existed between the Town and the team.

### Post 105 To Hold Joint Installation Sat.

The joint installation of officers of the Belleville American Legion, Post-105 and its auxiliary unit will be held September 26 at 8:15 p. m. at the Legion Home, 621 Washington Avenue.

The program was prepared by Past County Commander Dick Shannon, chairman of the installation committee. All members, their families and friends are invited. Principal speaker of the evening will be William F. Grund, department of New Jersey service officer.

The post officers for 1959-60 are: Commander, Raymond Wolfe; first vice-commander, Vince Decker; second vice-commander, Moody Shaw; third vice-commander, James La Motte; adjutant, Arthur Sharrock; finance officer, Walter Weiss; Gustave Redstrom, service officer, Robert Wallace and ritual officer, Meredith Marx.

Also, executive committee, Andrew Petruska, George Mitchell, Robert Smith, William Hoey and Richard Shannon.

## GARSON SPEAKS FOR TAX GROUP

The Citizens Tax Council, through Lee Garson, raised several points at this week's meeting of the Board of Commissioners.

Mr. Garson, stating he was speaking on behalf of the tax group, said that Clara Maass Hospital should be made to pay its back water bill — with interest.

Mayor Isadore J. Padula declared that a water bill, with interest, went out "this past week." A check with Town Treasurer Francis McCoy shows the interest on the back bill of \$5,769.06 to come to a total of \$339.82.

Garson also mentioned the question of Civil Defense and noted that \$10,000 had been allocated for that purpose and only some \$15 spent. He urged that the remainder go back into the reserve fund and not be used for other purposes.

Garson also said it was unfortunate no pension were attached to the Civil Defense law. He added the law required the mayor to appoint a Civil Defense council of not more than 15 members. Over the years, he asserted, Civil Defense had gone from bad to worse in town and he did not hold out much hope for it getting better.

Garson also urged that the ten Civil Service openings in the town hall (finance department) be checked carefully and only the absolutely essential positions be filled, since any savings would be a saving to the town.

### Wadsworth

(Continued From Page One)

since April, 1948, Mr. Chapman served as president for six years as vice president, and as secretary treasurer for four years. Lindley A. Graves of 488 Cortlandt street, who has been a Board member since October, 1945, was re-elected secretary-treasurer. Mr. Graves has served as president for two years, and as secretary treasurer for twelve years.

Other members of the Board are John D. Boyd, 16 Essex Street; Mrs. Richard Shaffer of 131 Bremond Street; and, as ex-officio members, Commissioner George F. Kiernan and Superintendent of Schools Evan Thomas.

members help they have been and assure them that I shall continue to meet all my obligations to the group, as a member, whatever they may be. My sympathies are with you and I intend to spend all my spare time working with you and for you.

In the course of my contacts with the group I have found many outstanding workers, but I believe that the one man who combines the art of working and leadership above all others is Sal Calabro. I, therefore, would like to take the liberty at this time to suggest to the Board of Trustees of the Citizens Tax Council that they give serious consideration to electing Mr. Calabro as President Pro Tem until the next annual election.

I would like to assure you that whoever is delegated to finish out my term can count on my full cooperation in the fight for a change to Council Manager Form of Government.

Very truly yours,

Edward A. Carney

(Continued From Page One)

formally presented, were settled as a result of a tie vote on two board resolutions governing the disposition of the case. Minasian remained in his present status.

The atmosphere surrounding the controversy was so heated that members of the board, Michael Rubin, Richard Drake, Michael V. Albertine and Mrs. Violet Rochau issued a statement criticizing the "contemptuous personal assaults" on members of the school board.

Calabro is the father of a former School Ten pupil over whom the controversy originally arose.

## United Fund

(Continued From Page One)

who are later helped are the courses in First Aid and Water Safety held during the year.

In addition to the paid staff of two members, Belleville has approximately 200 volunteers without whom it would be impossible for the Belleville Chapter to carry on its many functions.

### Boy Scouts

This is another agency well and favorably known for their fine work with growing American boys. The training that a boy receives through scouting is a vital influence in home life. His scouting experience gives a boy something extra with which to face life both during adolescence and manhood.

Scouting helps build sound minds in strong bodies while at the same time teaching citizenship through its various programs. Money contributed through the United Fund to the Boy Scouts to help them carry on their valuable work is an investment in the way best of character-building experience for boys.

Family Counselling Service Here is an organization not as well-known as the two listed above but never the less performing a very valuable service to Belleville residents. It is a voluntary, non-profit, non-sectarian organization at the head of which is James E. D. Gardam, M.D., a prominent Belleville physician.

In its professional social work on behalf of the families of Belleville, it provides a counsel-

ling service to help troubled people find a solution to their problems or to make the best possible adjustment.

These include marriage problems, behavior problems of children, disturbed family relationships, emotional disturbances of adults and children, problems of teen-agers, unmarried mothers and other human concerns.

Everyone has personal problems and worries and when outside help is needed in their solution, the Family Counselling Service stands ready to assist.

Such counselling is no longer the privilege of the underprivileged nor the luxury of the wealthy. It is available for anyone to accept on a self-respecting basis.

95 per cent of the funds received by this agency for support come from the United Fund of Belleville.

### N. J. Association For Retarded Children

As the name implies, this organization is dedicated to the improvement of the general welfare of our mentally retarded. This handicap is said to affect more Americans than any other and until recently was less

understood and less known than any other.

Now there is hope through this organization for every retarded child. Through special courses a large percentage of such children are "educable" while still others are "trainable." Mental retardation, a condition of impaired or incomplete mental development, can and does occur in any family regardless of economic status, creed or color.

Your financial support will assist them in working up to their capacity and in being good citizens. "Your help is their hope."

## GIVE THE UNITED WAY!

Charity is an important part of every man's life.

To assist others less fortunate than ourselves is one of the noblest things we can do.

In Belleville this year, local residents may co-ordinate their giving to 13 worthwhile and needy agencies by donating to the United Fund. Quota for the United Fund this year is 88,000, and workers will be striving diligently to meet the quota.

In the final analysis, much will depend on the individual contributor. Here are some things a contributor should know about the United Fund of Belleville:

Your ONE contribution will help provide needed services of all 13 agencies making up the 1959 United Fund of Belleville.

Giving the "United Way" means you give once for all — not individually on 13 different occasions.

In no other way can one pledge mean so much to so many.

Since you give once for all — give generously. Make your one pledge large enough to take care of all 13 worthwhile agencies.

In so doing, you'll help make Belleville a better place to live and work.

## Time For A Change?

It's about time the Town of Belleville considered a change in attitude toward the maintenance of Essex County facilities within town limits.

We have in mind specifically the 18-hole County golf course, which when built some years ago was in a sparsely settled area.

The golf course occupies 119.14 acres of County property within Belleville. All this land is tax-exempt.

This is by no means to indicate that the County does not take any taxes out of Belleville. All a property owner has to do is to look at his tax bill to note what proportion of his taxes go to the County.

Even though the land is tax-exempt, however, the local Tax Assessor's office places a valuation on it. The valuation of the golf course totals \$767,300 for land and buildings.

Consider the possibility of industry — or homes — on what is now the golf course.

Assume a company the size of Andrew Jergens were to locate there: Jergens has 26.16 acres. Valuation of their land is \$245,500 and their buildings \$1,758,400. Or Walter Kidde: Walter Kidde occupies 23.67 acres. Valuation of Kidde land is set at \$308,600 by the Assessor's Office, while the buildings are valued at \$2,667,900.

These two companies, taken at random for demonstration purposes, illustrate that there is plenty of room for industry to locate on the property. And there would be plenty of room left over — 69.31 acres.

Another possibility which might increase the town's ratables would be homes in the area. This raises certain questions as to the necessity of increased police and fire protection and even the possibility of new school facilities, but they are questions which are worth considering in a broad study of the use of the property.

Essex County has a total of 195.62 acres of property in Belleville. The section of Branch Brook Park inside the Belleville line is valued at \$763,200, for land and buildings. This section occupies

76.48 acres. Essex County Hospital, with its 20.35 acres, has a valuation placed on its land of \$408,400, while the Assessor's Office places \$4,219,800 on the buildings. All tax-exempt.

Inasmuch as the County has so much property within Belleville, and with the crying need for more ratables for Belleville to decrease the tax load, it would be worthwhile for the Belleville Board of Commissioners to consider a petition to the County to have the County golf course property reverted back to the town.

## Hadassah — Healing Hand

To residents and newcomers alike in Israel, the name HADASSAH — for almost half a century — has been synonymous with a "healing hand" and a guardian of the child.

And in the United States, it has been — since its inception — a potent force for democracy and creative Jewish living. The position Hadassah enjoys in both countries and its significant contributions to the welfare and well-being of each are results of remarkably energetic efforts on the part of a devoted and enlightened membership.

The fact that Hadassah, including Junior Hadassah, has grown from 12 New York founding members in 1912 to more than 318,000 — 1288 chapters and groups throughout the 50 American States and Puerto Rico in 1959 — is in itself no mean achievement.

More important, in this fact we have evidence that the Women's Zionist Organization of America has become a way of life for hundreds of thousands of American Jewish women from every social and economic stratum — women who understand and seek to fulfill their responsibilities as Americans and as Jews.

Hadassah's ability to provide its members with an opportunity for self-fulfillment is the magnetic influence which is attracting American Jewish womanhood to its ranks.

## Sheriff Duffy's Stock Looks Good

There's nothing like a business man's tradition of taking annual inventory. We'd like to think the same principle is applied by all good citizens in appraising our biggest investment — administration of government.

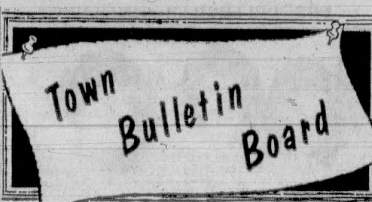

We took such inventory recently on the office of the Sheriff and we like what we saw. Since 1953 when he began his service as Sheriff, Neil G. Duffy has given the people of Essex County some of the finest and most efficient administration they have enjoyed in many decades.

We are particularly impressed by the fact that here is a man in public office whose record substantiates his vow to the electorate. When he last sought a re-election of the voter's trust in his bid for re-election in 1956, Sheriff Duffy received it in no uncertain fashion.

An overwhelming plurality of some 65,000 swept him back in office on his record and pledge to continue fighting the narcotic traffic and the rising tide of juvenile delinquency. Lethargy did not set in on this department after the 1956 election.

Our inventory of Sheriff Duffy's administration reflects the same mobile, hard-hitting law enforcement unit, working in cooperation with anti-crime warfare being waged throughout the county by local police departments. It is comforting to note, too, his educational campaign to combat public apathy has taken deep root; a campaign that has been acclaimed as a "model" not only throughout New Jersey, but across the nation.

We'll have more to say in the near future about narcotics, obscene literature and the problems of juvenile delinquency. But we strongly recommend, in the meantime, an inventory of all public offices. There's nothing like comparing the record with previous campaign pledges. And in that connection, Sheriff Duffy's stock looks mighty good.

**Town Bulletin Board**

## To The Editor:

For many years the people of Belleville have been most generous in supporting the cause of Cerebral Palsy. Undoubtedly the fact that our school and treatment center, serving Belleville and all of Essex County and West Hudson, is located in your town, has contributed to the enthusiasm with which Belleville has responded to our annual appeals.

Cerebral Palsy of Essex County and West Hudson is again pleased to become a participating agency in the United Fund of Belleville. Our organization is a member of every united fund in Essex County.

It is the belief of our voluntary Board of Directors that we have as strong an obligation to husband the resources of human effort in the community as to husband the cash contributions which we receive.

We have found that participation in a once a year united fund the most effective way to husband these resources.

However, the great danger and possible pitfall of a united fund in any community is that donors may not give or pledge the total of all the money that they gave in previous years.

To make the United Fund drive in October, 1959 a complete success, every resident and business man should review his previous years' donations and should give or pledge at least the total he gave in the previous year. Further, he should increase his October, 1959 pledge if at all possible.

Another danger in united funds is that many people, enthusiastic for a particular cause, such as Cerebral Palsy, will take a "Let George do it" attitude toward the united appeal. To all of the friends of Cerebral Palsy in Belleville, I earnestly recommend your active participation in the United Fund effort.

The residents of Belleville have requested and received a United Fund. Only the people of Belleville can make it a success, by their financial and personal support. On behalf of the Board of Directors of Cerebral Palsy of Essex County and West Hudson, I extend our sincere best wishes for that success.

Very truly yours,  
John J. Gibbons,  
President

## Yesteryear In Belleville

### FIVE YEARS AGO

Three Belleville residents were injured in an automobile crash which took the life of one person. All were passengers in a station wagon owned by the Belleville chapter of the Red Cross. Fatally hurt was Theodore Leo.

A pictorial method of teaching bookkeeping, thought up by a former instructor at the Belleville High School, won wide attention for Paul A. Brennan, principal of School One. The Rotary Club of Belleville commemorated its 49th anniversary of the founding of Rotary organizations all over the nation.

### TEN YEARS AGO

James Demgard and Evan H. Thomas, Jr. were awarded Scotch Red Feather certificates at special ceremonies in the Essex House.

The Sisterhood of the Congregation Ahavath Achim, entertained at a reception for Rabbi and Mrs. Leo Schwartz in the Congregation social hall. Mrs. Morris Rochlin was chairman of the affair in honor of the community's new spiritual leader.

Contestants for contributions to the Lions Club Charity and local activities fund were distributed. The collection was an annual project. Abe Adkins was chairman of the project.

The police pistol range was officially opened. Present at the opening were Police Chief John Whelan of Bloomfield; Mayor William Jernick of Nutley; Safety Director Noll of Belleville, Police Chief Charles Rummell of Nutley; Father Titus Menegus of St. Anthony's and Deputy Chief Kenneth Smith of Belleville.

### FIFTEEN YEARS AGO

The Belleville Red Cross War fund drive total was right over the top. County Chairman B. Thomas Aitken pointed out that the drive was five per cent over the top.

The municipal Recreation Department and the Patrolmen's Benevolent Association were given permission to conduct their various planned programs at Clearman Field during the summer.

"The Voice of Number Three," a mimeographed publication of the Jaramela Street school, achieved medalist rank in the Columbia University Scholastic Press Association contest for school organs throughout the United States, the possessions and Canada.

The RCA plant in Harrison was using the motto "The more women at war, the sooner we'll win."

Local tavern owner John Winach and four young boys were spared death in an automobile accident at Keansberg where a train hit the car and tossed it 25 feet. William Kowal was killed in the crash. The young boys were William Pruk, Jr., James Jeffers, Michael Winach and Edward Jeffers.

The Joseph King Association held its sixth annual picnic at the Old Cider Mill Grove, Union. Walter Weiss was chairman.

The twelfth rabbi dog was reported by Health Officer Eu-

### gene T. Barry.

Belleville was represented at the fourth annual Essex County Band and Orchestra Summer School held at the Theodore Roosevelt Junior High School, West Orange. Carole Carwell was Belleville's representative. James McGreevy played as detective and found his stolen bicycle.

### TWENTY FIVE YEARS AGO

John P. Dailey, Belleville High School Athletic president, was elected president of the Board of Education.

The Valley Improvement Association concluded its membership drive and the women's team captained by Mrs. Elizabeth Brink defeated the men's team captained by Walter Gresham.

The Little Theater Guild presented "Counselor at Law," a comedy by Elmer Rice, at the high school auditorium. John Muth had the lead role in the play.

J. Harry Hardman of 201 De Witt Avenue conducted a week's stay at Massachusetts where he visited his brother, Frank Hardman.

The Afro-American Women's Club held their regular meeting April 2 at the home of its president, Mrs. Leonora Willet of 137 Stephen Street.

### FIFTY YEARS AGO

The American Dental Parlors were advertising painless dentistry at reasonable prices. A good set of teeth cost \$5; gold crowns, \$5; Bridge work, \$5; Porcelain crowns, \$5; cement fillings, 50c; Single Extractions, 50c (with gas \$1).

Mrs. A. C. Kilin of Brooklyn read a paper at the meeting of the Tuesday-Afternoon Club at the home of Mrs. A. N. Streeter of Jaramela Street.

Miss A. M. Ainsworth of Brooklyn returned home after a stay with Mrs. Elizabeth Hanna of 440 Washington Ave.

Bishop (reading telegram from one of his ministers): "My wife passed away Wednesday. Please send substitute for over the weekend."

Saturday, 10:00 a.m. Brownie Troop Meeting.

## She'll Never Neglect Him...

### THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	I Samuel	1	28-28
Monday	Luke	2	39-40
Tuesday	I Samuel	2	12-19
Wednesday	Luke	2	46-49
Thursday	Corinthians	2	8-9
Friday	Psalms	37	2-8
Saturday	Deuteronomy	7	9

Mrs. Thompson is a "modern" mother. She wouldn't think of neglecting her baby's regular visit to the doctor. She knows that these early check-ups plus proper diet, rest and care, are vital if her child is to grow up into a strong, healthy boy, ready to take his place in tomorrow's world.

Nor will she forget an even more important factor in his development—his spiritual check-ups. When the time comes and baby is old enough, his tiny footsteps will lead him into Church School where another kind of ministry will be given to him. Later still, he will worship with his parents, and the importance of the family unit together at work, at play and in worship will be engrained in his mind.

In tomorrow's world he will be well equipped to take his place physically, mentally . . . and spiritually.

Copyright 1959, Kaiter Adv. Service, St. Louis, Mo.

### Claire Guider Heads CYO Booth at Youth Conclave

Miss Claire Guider, of St. Mary's CYO, has been named chairman of a special committee to arrange a booth sponsored by the Essex County Council of Catholic Youth, young adult division, at the Archdiocesan Catholic Youth Convention.

The convention will be held November 1 at the Catholic Youth Center in Jersey City. The Essex County Council, under Miss Guider's leadership, will prepare a booth on "How to Run a Meeting." Plans for the booth were made at a recent council meeting at St. John's Church Orange.

### Junior Hadassah To Hold Dance On September 27th

The Belleville-Nutley Junior Hadassah will hold their annual dance "The Autumn Serenade Ball," September 27 at 8:15 p.m. at the Irvington House, Irvington. The music will be provided by Al Carp.

### Bethany Evangelical Lutheran Church

Jordanale and New Street  
Rev. T. Painter Hanson, pastor

Bethany Evangelical Lutheran Church Sunday School 9:30 to 10:30. Rally Day with Wally Jones the speaker.

Church Services: 9:30 to 11:00. Subject, "God's Child." There will be a baptism at the 11:00 service. At 9:30 the child of Mr. and Mrs. Charles Heintzelman will be baptized. At 11:00 a.m. service the child of Mr. and Mrs. William Laurenson will be baptized. Friends of the two families are cordially invited. The choir will sing for the first time since June under the leadership of Mrs. Aylmer McLean.

### OBITUARIES

May th. Souls of the Faithful Departed,  
Through the Mercy of God, Rest in Peace.

### DR. E. RIZZOLO DIES AT HOME

### DR. EDWARD M. RIZZOLO

Dr. Edward M. Rizzolo, 523 Union Avenue died September 21 at the East Orange General Hospital after a short illness. He was 60.

Dr. Rizzolo practiced in Belleville for 35 years. He was a member of the Lions Club, Belleville; the Elks Lodge 1123, the American Medical Association and American Legion Post 10 of Newark. He served in World War I, and belonged to the Society of the First Division Army, the United States Army Ambulance Service Association, as a life member, the University of Texas Dads' Association as a life member and

### the Essex County Medical Association.

Surviving him is his wife, the former Josephine DiGerona, 676 son, Dr. Edward A. of Houston, Texas; six brothers, Victor of Virginia; Homer of Kearny; Adolph of New Brunswick; Dr. Jeffrey of Rhode Island; Carl of Somerville and Neil of Kearny. Also two sisters, Mrs. Frederick Giardano of Kearny and Mrs. George Nestler of Florida.

Services will be held today at 9 a.m. from the Samuel Brown Funeral Home, Nutley. A Solemn High Mass will be held at St. Mary's Church, Nutley at 10 a.m. Interment will take place at the Holy Cross Cemetery, North Arlington.

### Mrs. Rose Chimento

Mrs. Rose Jean Chimento, 40, of 32 Sycamore Drive, died at her home September 19 after a short illness. Mrs. Chimento, nee LaSala, was born in New York.

She is survived by her husband, Dominick, and three children, Gloria, Richard and Diane, all at home. Also two brothers, Joseph LaSala of Bloomfield and Samuel of Belleville; three sisters, Mrs. Angelo (Raphaela) Trola of East Hanover; Mrs. Edward (Lucy) Piptione of Belleville and Mrs. John (Anna) Palmieri of Newark.

Mrs. Chimento was a member of the Rosary Society of the Holy Family Church, Nutley.

Interment was at Mount Olivet Cemetery, Bloomfield.

## Maglione Heads Unico

of the charter members of the organization.

He is past president of the Preferred Realty Board of Essex County, chairman pro-tem of the Preferred Realty Board of New Jersey, and a former Motor Vehicle Agent for the State of New Jersey, in Belleville.

He recently was appointed a Certified Fee Appraiser for the F.I.A. Mr. Maglione is a member of the Essex County Insurance Agents' Association.

Unico is a service organization with units throughout the country. The motto of the group is "Service Above Self."

Anyone interested in a particular circumstance requiring the service of the Belleville Unico is urged to contact Maglione. Each case will be considered on its own merits without regard to race, creed or color.

Thomas Maglione has been elected president of the Belleville Chapter of Unico National for the coming year.

Others officers are: Michael Rubino, first vice president; Joseph Miele, second vice president; Frank De Marco, secretary; Ralph Visco, corresponding secretary; Peter S. Cocchia, treasurer; Dominick J. Marchitto, sergeant-at-arms.

Mr. Maglione is a Belleville real estate and insurance agent with offices at 381 Washington Avenue. He served as first vice president last year, and is one

### K. C. Council

### To Hold Dances For Teenagers

The Belleville Council 835 will start its Teen-age Dance Program on September 27 at the Knights of Columbus Clubhouse, 94 Bridge Street. The first session will run every Sunday through November 29 with two exceptions — there will be no dancing on October 11 and November 15.

The dances are open to the youngsters, relatives and friends of Council members within the age group of 12 to 19. This first dance will feature two bands; the regular group known as "The Star Notes" and a special local comb.

Louis Luzzi, Dance Chairman, appointed the following committee: Entertainment Committee, Anthony Moro; Monitor and Chaperon Committee, Fred Petrosino; Refreshment Committee, Jack Morley; Junior Committee, John Sloan and Betty Ann Gibbs; Door Committee, Raymond Reilly, Sam Grande and Dan Serpentelli.

## HOSPITAL GUILD TO HOLD PARTY AND A LUNCHEON

The Clara Maass Memorial Hospital Guild will hold a membership party at the home of Mrs. Alphonse J. Ceres of Verona on September 27. Assistant Mrs. Ceres will be co-chairman Mrs. Louis Teasta and Mrs. Arthur Carriano.

The Guild also will sponsor a luncheon-fashions show to be held at the Knoll Country Club on November 14. Plans were completed at a recent meeting held at the home of Mrs. R. Samuel La Monica, president.

Attending the meeting were Mrs. Albert DeLufo, chairman of the guild and means committee; Mrs. Leory Zieker, chairman of the luncheon and fashion show; Mrs. John Ward, Jr., co-chairman of the luncheon and fashion show and Mrs. Leonard Pellechia, chairman of the tickets for Bloomfield.

Also, Mrs. Ralph Remonde Lili and Mrs. Albert Del Negro, reservation chairmen; Mrs. Romeo Mattia, raffles chairman; Mrs. Alfred Bruzzolano, door prize chairman; Mrs. Fred Meinhard, table arrangements chairman; Mrs. Sol Sasso, fashion show chairman and Mrs. Peter Frungillo, secretary.

### Church Sodality Plans Complete

The Sodality of Holy Family Church is to be held on September 30, at 8 p.m. in the C.Y.O. building. Nominations for new officers and executive board members will constitute the evening's program.

Mrs. Albert Duva and her committee will serve refreshments. Monthly communion Sunday, September 27th at the 8:15 mass. Father Salvatore Malanga is moderator of the Sodality.

Use your head—it's the little things that count.

**HOME GARDENING**

By Lawrence D. Little, Jr.  
County Agricultural Agent

**Evergreen Planting Time**

September is an ideal time to plant evergreens, and the earlier you plant the better, since these plants must make root growth before cold weather arrives.

If yews or hemlocks are considered, you must check the drainage, otherwise these plants may die if water stands around their roots for only 48 hours.

Before planting either of these plants dig a hole about 15 inches and fill it with water, and if the water doesn't drain out within a few hours, you had better plant these trees in another section of your yard or manage to drain off the extra water.

Never plant your trees any deeper than they stood in the nursery or you are certain to kill them. Trees are sensitive to change. Soil marks on the tree will show you where it stood in the nursery.

For insurance against winter injury, mulch your new tree with leaves or salt hay.

For a handy guide on how to transplant trees and shrubs write to the Essex County Agricultural Extension Service, 246 Bloomfield Avenue, Caldwell, and ask for their free leaflet entitled "Transplanting Trees and Shrubs."

**Plant Lily Bulbs Now**  
If your perennial garden needs a boost of color in mid-summer, try some of the lilies. By selecting several types, you can have lilies in bloom for several months.

For June and July, there are the Regal lily and the Regal lily. The Regal lily is white with pink streaks; is very easily grown in full sun, and is practically disease-free.

Hanson's lily has orange-yellow flowers, is not bothered by mice

or disease, and will grow in shade.

During July and August, Henry's lily provides golden orange blooms, and in August and September the Pink Speculum lily is outstanding.

Henry's lily can be interplanted with rhododendrons grown in full sun.

For late Summer, the tall white Philippine lily makes a good background plant for the perennial garden.

Lilies should be planted within the next 60 days for rewarding blooms next Summer. Choose a location where water will not stand around the bulbs and where the soil is only slightly acid.

All of the lilies mentioned should be planted about four inches deep. A few lilies, such as Madonna and Turkecap, are planted two to three inches deep because they root only from the base of the bulb.

**Crickets In Home**  
Have you recently heard the chirping of crickets coming from some corner of your home?

"... one of those few but powerful schools throughout the country, where the art of ballet is taught seriously and with knowledge and respect." Dance Magazine, N.Y.C. July 1957

**"Keep Everyone Safe," Motto Of TB League**

"Keep everyone safe," is the aim of the Essex County Tuberculosis League as it formulates plans for the 1959 Seal Sale Campaign; according to Norman P. McGorory, chairman of the 1959 Christmas Seal Campaign. Mr. McGorory's acceptance of this appointment was announced by Mrs. Myrtle Truibe Hahn of Montclair, president of the Essex County Tuberculosis League, at a meeting of the Board of Directors of the League held last Friday in Newark.

Mr. McGorory, senior vice-president of the Howard Savings Institution, announced that the annual fund-raising campaign will open November 16th with the mailing of over 50 million Christmas Seals to a quarter of a million Essex County residents.

At this time of the year crickets may move into the home in large numbers and become damaging and annoying pests.

They eat holes in paper, cotton, linen, woolen and fur garments particularly if soiled from food or perspiration.

Cellar doors and windows should be checked as possible points of entry.

To combat cricket infestations in the home, Rutgers University recommends using a 5 per cent chloroform dust. Apply the dust to basement floors and along base walls and under any objects such as boards which may harbor the pests.

Be sure to have adequate ventilation while making the insecticide application.

You may provide a protective barrier by applying the 5 per cent chloroform dust around the outside of the foundation.

**Tri-Town Women's Club Has Hobby Show Tonight**

The September dinner meeting of the Tri-Town Business and Professional Women's Club

of Belleville, Bloomfield and Nutley will be held tonight at 6:45 p. m., at the Nutley Manor.

There will be a hobby show, in which various members will participate, following the business meeting.

Over eight million lives have been saved since three first Christmas Seal was sold, but the saving of lives is not enough, Mr. McGorory said. "We must see to it that every family is kept safe from the suffering and tragedy of this long-term chronic illness."

Christmas Seal Campaign must do more than maintain our present TB control activities," Mr. McGorory continued. "We must expand our efforts to help ex-TB patients get back on their feet and stay there. We must extend our educational program so that people of all ages learn how to protect themselves from TB. We must put more money into medical research to find better ways of fighting TB."

John O'Connor  
Assumes Post

John J. O'Connor

Announcement was made this week of the appointment of John J. O'Connor as manager of the New Jersey Bell Telephone Company's Fair Lawn business office. O'Connor succeeds Michael E. Clinton who has been named commercial staff supervisor in the company's general sales office, Newark.

O'Connor joined New Jersey Bell Telephone Company in 1955. He graduated from St. Benedict's Preparatory School, Newark, and was an All-State basketball player there.

In 1952, he graduated from Fordham University with a bachelor's degree in economics. He received his master's degree in management and personnel

A. E. DeMaggio  
Has Been Named  
Ass't Prof.

Augustus E. DeMaggio of 49 Maier Street has been named an assistant professor of pharmacognosy at Rutgers University College of Pharmacy. Dr. Mason W. Gross, State University president, has announced. Pharmacognosy is the study of drugs derived from plant and animal materials.

DeMaggio was granted B.S. and M.S. degrees by Massachusetts College of Pharmacy in 1954 and 1956, respectively. Harvard University awarded him an M.A. in 1957. He will receive a Ph. D. from Harvard next spring.

The Belleville man is a member of the Botanical Society of America, Rho Chi, national pharmaceutical honor society, and the societies of plant morphologists and plant physiologists.

Executives Needed

A survey made by the Executive Manpower Corporation finds that major industry will need more than 5,800 top executives within the next six months. Salarywise, 83.4 per cent of these positions will pay \$10,000-20,000; 15.2 per cent \$20,000-40,000, and 1.4 per cent \$40,000 and up.

from Rutgers University Graduate School of Business Administration and served in the United States Navy.

O'Connor is married and lives in Florham Park. Formerly of Belleville, his parents are Mr. and Mrs. John O'Connor of 128 Smallwood Avenue.

M. Crawford  
Elected Head  
Of Pelican Club

Miss Mildred R. Crawford of 45 Division Avenue has been elected secretary of the Pelican Club, the 900-member employee organization of The Mutual Benefit Life Insurance Company of Newark. She succeeds Miss Kay Carroll, also of Belleville.

The new officers were installed at the club's annual meeting, held September 16th at the company's home office in Newark.

Miss Crawford, who is the daughter of Mr. and Mrs. Kenneth Crawford of the same address, is a member of the Board of Deacons of Fewsith Memorial Presbyterian Church and the Belleville Chapter of the Young Republicans of Essex County.

She is a member of the math correspondence department.

# Khrushchev's Visit As Seen Through The Eyes Of Students Of Belleville High School

By MICHAEL ROSAMILIA

Head, Social Studies Department  
Belleville High School.

The visit of Premier Nikita S. Khrushchev to the United States has been the chief topic of discussion in the senior history classes at Belleville High School for the past week. Such terms as "cold war," "total disarmament," and "German unification have become a vital part of the students' vocabularies in considering these issues.

All media of communications have been utilized to gain background material: radio, television, periodicals, and the daily newspapers. The recently-purchased classroom television set was used when the class period coincided with one of the speeches or other coverage.

General opinion among the students was that the invitation was a good thing. Typical Mamunes: "No matter what one thinks of him, Mr. Khrushchev is still the representative of a large power with which we are seeking to maintain peace." James Rizzolo feels that "It will give him a chance to see how well-developed the United States is and how silly it would be to start a world war."

Louis Ferraro feels that the trip will do some good since "Khrushchev has probably been misinformed by ministers or other aids about the way we live."

Ariene Izzi stated that "By inviting Khrushchev to the United States we have shown a willingness to try all possible means of friendly communication."

Jane Farrar says "It shows that we're not afraid to hear our people see and hear him."

Annette Greco feels that "If world leaders could get together and agree upon important issues, the people of the world will be able to live in harmony without constant fears." William Peterson, while approving of the invitation, thinks that "We should let him go to small town and see what America is really like."

## Not A Good Idea

Some students didn't think that the invitation was a good idea. Phyllis Restano feels "It's a noble but naive attempt at peace. We couldn't really expect Mr. Khrushchev to come away thinking that our system is better than his." Another opponent is Archiro Lo Luna, who thinks "He will probably use this trip for propaganda purposes."

Patricia Del Grosso also objects because "We are a country composed of many people, some of whom know what it is to live under Communist rule. It would be difficult for these people to accept him."

There was an almost even division among the students on whether the visit would change some of Khrushchev's opinions. Ed Mur-

CLASS PARTICIPATION: Ronald Sisto and Elaine Valance tun in television set in preparation for a Khrushchev speech.

phy believes it will, "especially after he sees how the Americans live and feel about freedom."

Joe Nucci agrees they will change but he doubts "If Khrushchev will relay these opinions to the Russian people." Dan Schwartz said he'll be impressed when "he sees that we are satisfied with our government and that our standard of living is higher than theirs."

## Will Be Impressed

Roger Caruso echoes this and adds that he will be impressed with "the freedom and happiness we have in the United States."

Marie Caccero says he will see that "our economic standard is higher than Russia's and that the majority of the people have a comfortable life with many luxuries that are almost unheard of in the Soviet Union."

Some strong opinions were expressed to the effect that he wouldn't change his attitudes toward us. Anthony Boccio feels that his "mind is not capable of seeing anything except the way of life." Richard Burlazzi emphasized that "If a man thinks eats, and sleeps Communism all his life, two weeks in any country isn't going to change his mind."

## In Different Way

Susan Bade says the same thing in a different way: "He's a Communist and has been a Communist for some time. It's hard to teach an old dog new tricks." Joseph Landolfi, president of the student council, said, "He (Khrushchev) still thinks that Communism will bury Capitalism and I feel he will always believe this." Robert Malanga stated that "Mr. Khrushchev knows enough about us and that his reactions toward the American way of life will be unchanged." William Elting pictures the Premier as "a perfectly resolved individual with a stone-wall opinion which is unchangeable as steel."

John Bendel joined the group who feel he will not change his opinions: "A man in a position comparable to Khrushchev's would certainly be reversed on the nature of the potential enemy. Therefore, a visit to our country would merely show him what he already knows."

Typical of the distaff side comments by those who feel Khrushchev's opinions are fixed was Joanne Revilla's comment: "I think he's very set in his ways and nothing will change his opinions."

Adriana Leone, while wishing that his opinions would change, says that "from my knowledge of the Communist people, I think he will be stubborn and keep his own ideas." Joyce Baldwin thinks the thalpinions could have been changed "If Mr. Khrushchev had come to the United States with an open mind, one that could be changed, he might have formed different opinions while here."

## Quick To Express

The students were quick to express themselves on their feeling about Khrushchev as

an individual. Ronald Russo said: "Mr. Khrushchev seems to be the picture of friendliness in his speeches, but through the eyes of a sensible person, one can see he is only interested in the spread of Communism."

Ann Marie Simini thinks that "Khrushchev, as an individual, seems very friendly, but you can't get a really true picture of someone who is trying to win you over and is always on his guard."

Carol Zaccone feels "He has a bad temper and should try to control it." Richard Sepe thinks that "Khrushchev is a very intelligent individual who is extremely capable of handling the affairs of his country."

Phyllis Libertell said: "I think if he were an American, he would have been the jovial, grandfatherly type of person; as a Communist, he is a stern dictator and very set in his ways."

Roy Baumer observed: "I got the impression he always kidded around when he spoke; but I never saw a more serious person than Mr. Khrushchev when he gave his speech at the United Nations."

## Less Than Candid

There was substantial agreement by the student that Khrushchev was less than candid in response to questions. Ariene Novik puts it succinctly: "Khrushchev gives a precise answer to a different question." Janice Thompson said that, "Many times when Khrushchev is asked a very direct question, he answers in an indirect manner."

Diane Veneziano sees more in his responses: "I think some of his answers quite humorous, some very mean and fresh, and others stated quite intelligently." Charles Macaluso responds: "His answers have been very ambiguous."

Grace Lombardo concerns herself with future results in stating: "His answers were very evasive and I don't think that he has said anything which the United States could base substantial enough for a summit meeting."

"Jackie Parrillo feels about his answers that 'They are as good as any Communist could answer them. They were answered with wit and defiance.' Anthony Longo sums up the opinion of many writers who are accompanying Khrushchev by stating: 'If he wants to answer a question sincerely, he will; if not, he changes the subject.'"

## Nothing But The People . . .

A comment by Joseph Dopart deserves some sober consideration: "He may see rockets, missiles and power plants, but I think that nothing but the people will scare him out of World War III." From the teacher's viewpoint, Khrushchev's presence and periodic pronouncements provide excellent motivation for the students.

The problems being discussed appear more "real" to them. Miss Dorothy Maffeo, a senior history teacher, summed up the teacher reaction to Khrushchev's influence: "The young-

sters have been following Khrushchev's progress across the country with real interest, making our class discussions quite lively. There is no need for teacher motivation."

She goes on to say: "The evasiveness of Khrushchev and his sweeping generalities help the youngsters understand the difficulties associated with trying to ease East-West tensions."

## Social Notes

Mr. and Mrs. Andrew P. Guist of 366 Washington Avenue became great-grandparents to twin boys born last Saturday afternoon at Perth Amboy General Hospital to Mr. and Mrs. Frederick E. Hall of Metuchen. The twins' names are Frederick E. Jr. and Ronald Douglas. Mr. Hall is a motorcycle policeman in Metuchen.

Miss Diane Vanderbilt, daughter of Mr. and Mrs. Gary Vanderbilt, of 74 Preston Street, is among incoming freshmen at the College of St. Elizabeth this September. Miss Vanderbilt graduated from Our Lady of Good Counsel, Newark, in June. She was editor-in-chief of the school paper and was awarded the St. Bonaventure's National Award for Journalism. She will major in journalism at St. Elizabeth's. Miss Vanderbilt was with the

The 1959-60 Rochester Institute of Technology Scholarship, sponsored by the Professional Photographers of America, Inc., has been awarded to Joel Richard Kondeck, 17.

The scholarship winner is the son of John and Helen Kondeck, who operate a photography studio at 577 Washington Avenue. Joel enters R.I.T. this month.

Roy F. Duke, President of the announced this week that the Board of Directors has elected George M. Johnson a vice president. He will head the bank's Mortgage Loan Department. As head of Fidelity's Mortgage Loan Department, Johnson succeeds Elliot W. Sparks, whose election as Trust Officer was also announced this week.

## SCHOOL EIGHT ADDS NEW FILMS TO ITS LIBRARY

Fifteen new sound films were added to the Board of Education Film Library located at School Eight, of which twelve were new and three were second edition replacements.

Although the new titles are mostly in the science field, there are four in geography and one in history. Now 180 films are in the Board of Education Library. Teachers working in the system borrow from this collection when they see fit to supplement their classroom work. The new titles are: Insects; The Medieval Knight; Seed Dispersal; Why Foods Spoil; Life in the Sea; Elephant Baby; Puss in Boots; Mesozoic Life; Children of Scotland; Rockets—How they work; Earth Satellites; Birds in Winter; Irrigation of the Andes and How Nature Protects Animals, 2nd edition.

## Hilred Southwood Enters Salvation Army School

Miss Hilred Southwood was among four young people from the Northern New Jersey area left this week to enter the Salvation Army school for Officers Training in New York City.

The four Salvation Army youths will train for one year on Campus earning the rank of Probationary Lieutenants, following which they will commence three years of intensive religious and social welfare work in the field under experienced Salvation Army Officers, culminating in the rank of Captain.

## Belboys Scrimmage

Belleville has scrimmaged twice since we last reported to you. In the first of these two sessions, the Belboys traveled to Underhill Field, South Orange to meet Columbia High School. Columbia is reported to have the best team they have fielded since 1951 when they were State Champions. We were not fortunate enough to witness this meeting but from reports received from the coaching staff, Belleville held their own with this strong club.

However, there was one unfortunate incident in this scrimmage. Belleville end, Ron San Filippo chipped a bone in his ankle. Ron, blocking for Roger Caruso who was attempting an end sweep, was caught in the middle as the Columbia end tried to ride the block and bring down the ball carrier.

It was not immediately determined how extensive the injury was but later X-rays showed the chipped bone. The ankle is now in a cast and will remain there for the next four weeks so if Ron is to see action this season it will be only for the last few games. Coach Eddie Berlinski was depending on the 1958 letter winner to be one of his starting ends this season. It looks now as if Bob Harvey will get the call for the end post vacated by the injured San Filippo.

Last Saturday morning, Don Bosco High School from Ramsey, N. J. visited Clearman field for a scrimmage with the Belboys. Don Bosco is a private school and was highly regarded by Belleville for the Belboys had a hard time getting started. In fact, Belleville fumbled three of the first four times they tried to move the pigskin. However, when they realized they were in for a good hard scrimmage, they settled down and did much better.

The Belboys were not as impressive as against Demarest the week before but it may have been that the opposition was better. It is hard to evaluate some of these teams from out of our area this early in the campaign.

Tom Worley had a very good day — he intercepted several passes, caught several from his own quarterback Nick Del Guercio and looked impressive running back punts. Tom, an end on offensive plays, is a half-back on the defense.

Nick Del Guercio's passes were again on target and the Belboys made a number of good gains on the strength of his right arm. Roger Caruso and Frank Annichiarico reeled off several long runs from their halfback slots.

The Belboy pass defense has picked up considerably since last week with several interceptions and several knocked down just as the ball left the passer's hand.

The line which stopped the Demarest ground game was a little more porous but still Don Bosco did not run through them with any consistency. For the first time in many years, the Belboy line is not coached by Herman (Jitty) Wische but is being well handled by Tom Testa, a graduate of Montclair State College. Eddie Berlinski is well pleased with the work of Testa.

The Belleville opening line-up tomorrow against East Orange will probably read as follows: Ends; Tom Worley and Bob Harvey, Tackles; two of the following three, John Condon, Mike Smith or Fred Partis, Guards; Pete Brindisi and John Crowley, Center; Ralph Casale, Quarterback; Nick Del Guercio, Halfbacks; Roger Caruso and Frank Annichiarico, Fullback; Doug Bartell, George Sheridan will most likely see action at one of the halfback spots.

As for the game itself, it should be "THE GAME OF THE DAY" in this area. It is extremely hard to try to pick a winner in this game. The Panthers have an excellent backfield led by Cliff Baskerville at quarterback who was one of the best around last year. However, the East Orange line is a question mark so on the better all around strength of the Belboy eleven, we will pick them to win in a very close ball game.

## "Out On A Limb"

As you will probably realize when you pick up your Sunday paper and check the scores, we possess no crystal ball but do think it would be interesting and fun for all to try to predict the outcome of the nearby high school football games each week.

## Barringer at Plainfield:

The suburban schools are generally better than the Newark teams and while Barringer will be one of the better teams in Newark this year, they will not be a match for a championship Plainfield team.

## Dover at Nutley:

Dover is often the team to beat in the Lakeland Conference and should give Nutley some trouble. However, the Lakeland Conference is not as strong as the Big Ten — Nutley has nine lettersmen from last year's fine team and should beat Dover.

## East Side at Perth Amboy:

East Side is rated a good chance to unlock the five year stronghold Barringer has taken on the Newark City Championship, therefore we pick East Side to down Perth Amboy for one of the few wins a Newark school will score outside of the city this season.

## Irvington at West Orange:

The Irvington Campowners have been coming close to the top in recent seasons and will be too much for the Cowboys of West Orange.

## Seton Hall at Bloomfield:

Bloomfield had just about the poorest Bengal team on record last season and won but two games. Joe Bogusz and his crew are almost sure to improve on this record and will start the comeback road by downing the Pony Pirates of Seton Hall.

## Teaneck at Montclair:

Teaneck was a champion in their section in 1958; however, we know nothing of their prospects for this year. Montclair almost never loses so it will be Montclair over Teaneck.

# Bellboys Open Grid Season Against '58 'State Champs'

By DOM GIOVACHINO

Belleville High's football team will open the 1959 season tomorrow against East Orange High, last year's state champions. This would have been a tough enough game as it was, but now, since Belleville has lost their first string end Ron San Filippo, it will be even tougher.

San Filippo, a good pass receiver, broke his leg in scrimmage last week and most likely will be out for the rest of the season. This will undoubtedly be a great blow to the team.

This injury may have rocked the morale of the team temporarily, because in scrimmage with

## BHS Cross Country Squad Opens Season with A Win

By DOM GIOVACHINO

The Belleville High School Cross Country team, coached by Mario Di Maggio, began the season in fine fashion by defeating a weak East Orange team 29-35, Tuesday. The Belboy runners captured eight of the first ten spots, giving up only the first and ninth positions.

William Moore of East Orange held the lead throughout the race, finishing far ahead of the pack with a fine timing of 15:46.

Bob Daddis, Bob Connah, Ernest Steffanelli and Jack Schudabomb, who all ran the two and one half mile course together, crossed the finish line holding hands in 17:08, capturing second, third, fourth, and fifth

places for Belleville. Ted Mamunes, who is on the team for his first time this season, was followed in by Fred Marinaccio, who posted a time of 17:52. Then came Ron Simmons, also of Belleville, with 17:58.

Shepard, the only other East Orange runner to finish in the first ten, took ninth place with a time of 18 minutes flat, Mike Sulcavage, another first year man, captured the tenth spot for Belleville with an 18:39 timing. Eleventh and twelfth places were taken by Joe Dattoli and Joe Conzolino respectively, both running for Belleville.

If this meet was any indication of Belleville's ability, they should have a fine season.

## CYO Reports Active Season

In the year ending September 1st, the Essex County CYO sponsored 27 different programs, competitions and activities, the CYO announced in its report to pastors and parish moderators. Total participation by individuals came to more than 30,404, the CYO said.

In a letter accompanying the report, the Rev. Vincent F. A. Farnese of Montclair, where the CYO offices are located, said "The lasting work with youth is done in the parishes \* \* \* The county office merely serves as a clearing house for ideas and suggestions and promotes certain types of activities that would be difficult to run on a purely parish level."

However, he added, the county program spotlights "the solidarity and unity of purpose existing among the Catholic youth of the county and provides the parish youth director with a well-balanced yearly program for his groups."

More Than 250 Groups: He revealed that more than 250 youth groups have been organized at 55 parishes in the Essex-West Hudson area and that they serve youngsters between the ages of 12 and 26.

Inter-parish activity was divided between spiritual, cultural, athletic, social and miscellaneous categories with a total of 29,554 participations being recorded for the four spiritual activities. An estimated 10,000 youngsters from 32 parishes received a total of 31,485 Communion in the year-long Holy Communion Crusade initiated by Archbishop Thomas A. Boland.

Another estimated 10,000 from 55 parishes took part in the program honoring Our Lady of Fatima. Other spiritual activities

included the Communion breakfast and a series of four retreats. Next highest participation was recorded in athletics where 5,008 youngsters took part in seven programs. Most popular was basketball, with 1,757 youngsters on 117 teams from 44 parishes played more than 500 games.

Another 1,400 participated in the CYO track meet, 750 in the baseball program, 600 in the swimming leagues which drew 60 teams.

The program also included a Swim Club, presentation of the Outstanding Player Award to the county's top high school swimmer and a sportsmanship awards program.

Eight cultural competitions found 447 youngsters reaching the finals in oratory, essay, journalism, one-act play, March of Talent and participation contests and the spelling bee and hobby show.

The spelling bee was a new activity this year with championships from 24 schools entered in the finals. Some 137 youngsters from grammar schools attended a special journalism course before that contest was held.

The only two activities on the social calendar were the annual Snow Ball dance at Seton Hall attended by 2,000 and a winter weekend outing.

## Olympic Ladies Bowling

The Olympic Ladies Bowling League, formerly known as the Nutley Friday Night Ladies League, has started a new season at the Olympic Lanes on Washington Avenue.

The new officers are Marie Wetherill, president; Angie Ianelli, vice-president; Florence Luisi, treasurer; Ida Bender, secretary; Ann Dalton, sergeant-at-arms.

After the second week of bowling the team standings are as follows:

Team	W	L	Ave.
Waller's Tavern	5	0	877
Riverdale Merges	5	1	888
Bay's Druggs	4	2	878
The Brook	2	2	849
McGreevey's Tavern	2	4	809
Wadsworth F. H.	2	4	595
Kiernan's F. H.	1	5	656
S. Brown, Mortician	0	6	583

Name	Ave.	H.G.	H.A.
Alice Kish	163	178	507
Ann Dalton	155	177	485
Barbara Nugent	153	178	497
Marie Gorham	153	172	489
Mary Edwards	152	180	489
Ida Bender	151	178	466
Marge O'Neill	150	189	459
Peggy Frey	146	157	441

Don Bosco High School last Saturday the boys didn't fare too well. Coach Berlinski was not too pleased with their performance in the beginning, but towards the end they "started to get rolling."

It is almost certain that the starting lineup tomorrow will be Don Bosco's last year's center, at fullback and Ralph Casale, a tackle last year, replacing Bartell at center.

Frank Annichiarico, a 180-pound junior, and Roger Caruso, a senior at 175 lbs., both good runners, will play at the half-back positions. Juniors George Sheridan, 160 pounds, will be the number one sub at this spot.

Senior "Kiki" Del Guercio, 175 pounds, will start at quarterback, and Joe Visco, a 170-pounder, junior and also a good passer, will sub for him.

Tom Worley, a 175-pound senior, will start at end. The opposite flanker will be either La Coco or Harvey to replace the injured San Filippo.

The tackles will be senior John Condon, 180, and Fred Partis, a junior. Finally, filling the guard positions will be Pete Brindisi, 190, and John Crowley, 170, both seniors.

The Belboys will play at East Orange tomorrow at 2 p.m. This game should prove to be a severe test for Belleville.

## A/IC T. C. Giangerelli Leaves For Germany

Airman 1st Class Thomas C. Giangerelli, Jr., aircraft electronic navigation equipment repairman, son of Mr. and Mrs. Thomas C. Giangerelli, Sr. of 94 Glass Avenue, left for Germany on September 22, heading for Rein Main Air Force Base, where he will spend the next two years.

He has been in the service since October 17, 1954, and had his boot training at Sampson Air Force Base, Keesler, Mississippi. From Sampson, he went to Grif Fift Air Force Base in Utica, New York.

Before entering the service, Giangerelli graduated from Belleville High School.

## The Times-News For Sport News

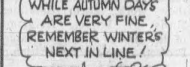

Locally, Belleville had two big winners in non-athletic competition. For the second straight year, a Belleville youngster, this time Annette Juliano, a CYO member at St. Lucy's, Newark, walked off with the top prize in the hobby show.

And for the third straight year, a girl from St. Lucy's CYO claimed the CYO Snow Queen crown and took part in coronation ceremonies at the gala CYO Snow Ball. The winner this time was Linda Marino.

Athletically, St. Peter's made its best showing in the intermediate baseball league, taking St. Joseph's Spanish, Newark, the eventual archdiocesan champion, down to the final game before losing the county title. St. Anthony's had two teams in contention until very near the end in the Senior Co-Ed Bowling League.

# Iron-Dukes Open Season By Beating Newark Team

In a Garden State Semi-Pro League game the Belleville-Nutley Iron Dukes downed the Newark Rough Riders 32-6 last Sunday at Belleville Municipal Stadium. Rough Riders is the correct name for this team for they took a ride from Newark to Belleville and then fought and argued with all in sight, including their team mates and coaches. They showed nothing in the way of football ability and were easy prey for the Dukes. The Dukes came up with 11 first downs to one for the Riders. In rushing, the Dukes were ahead 114 yards to 20 and outpassed the Newark eleven 83 yards to 23. The Dukes showed all-around ability and divided their scoring among four players; Bob Marcy scored two touchdowns and Jack Panico, Babe Conforti and Bob Castella got one each. Jack Panico also booted two conversions.

Early in the first quarter the Dukes recovered a fumbled punt on the Riders' 21. The recovery was made by Dom Pomponio. A series of short gains took the ball to the six-yard line from where Frank Puleo passed to Bob Marcy for the score. The conversion attempt by Jack Panico was blocked by the Riders' defense.

Another fumble set up the next touchdown; John Puccarello made the recovery on the Riders' 36-yard stripe. Tony Addio made a 13-yard gain in this drive with Babe Conforti taking over from the 10. John Puccarello returned a punt 43 yards to the Newark 17. This fine run was made possible by a good block by Pat McCabe. An interference penalty gave the Dukes first down on the 10 from where Frank Puleo passed to Bob Castella for the touchdown as the half ended with the score 19-0.

Soon after the third quarter commenced, the Dukes were in possession on their own 30 when Lepre blocked a Bob Marcy punt, the ball rolled to the 8 where Marcy recovered but the ball went to the Riders on downs. Two plays later Zavaglia went over for the only Newark score of the afternoon.

After a good punt return to the Newark 47, the Iron Dukes started another drive featured by an eleven-yard run by Babe Conforti and a nine-yard smash by Dick Bartalazzi with Panico

going over from the three on a quarterback keeper and then adding a good kick to bring the score to 26-6.

The contest, which was witnessed by about 1,500 fans, took on the aspect of a sandlot affair mostly due to the poor sportsmanship of the Rough Riders. They continually bickered with the officials and several times fistfights broke out among the players mostly due to the Riders.

At one time to the contest, Jack Panico attempted a field goal from the 18, the ball was partially blocked and fell in the end zone. A Newark player picked up the ball and attempted to run even though it had been blown dead by the referee. So incensed was the Rider player that he promptly kicked the ball into the stands. This was the best punt by a Newark player all afternoon for poor punting placed the Rider eleven in trouble several times in the game. This action cost his team a penalty of 10 yards.

The official explained to us after the game that on a play of this sort if the ball falls or rolls into the end zone it is dead. Had the player caught the ball on the fly, however, he could have run it out if he so desired.

## Belleville Grid Schedule

Sept. 26	East Orange	Away
Oct. 3	Bloomfield	Home
Oct. 10	Nutley	Away
Oct. 17	West Side	Away
Oct. 24	Irvington	Home
Oct. 31	Garfield	Away
Nov. 7	South Side	Home
Nov. 14	Kearny	Home
Nov. 26	Orange	Home

Home games are played at Municipal Stadium. All games at 2 p.m. Thanksgiving game at 11 a.m.

The Dukes eleven was a well balanced team with several players passing and kicking well while their line stopped the Riders cold.

The Iron Dukes are grateful to George F. Kiernan, Director of Recreation for the town through whose efforts the use of the stadium was made possible.

Next Sunday, Coach Pete Spers will lead his Iron Dukes against another league opponent when they take on the Newark Lions at Municipal Stadium with a 2:00 p.m. kickoff. Admission is free.

## Lakeland Raiders Drop Second League Encounter

The Lakeland Raiders of the North Jersey Football League dropped their second league encounter Saturday night to the Plainfield All Stars at Plainfield 12 to 0, before one thousand fans.

Although the Raiders picked up more first downs (13 to 4) than did Plainfield and gained more yardage on the ground than did their adversaries (176 to 61) a pass interception by Ed Johnson late in the first quarter at the fifty, plus beautiful broken field running and key blocks added to a T. D. The extra point was blocked by Bill Wohrman.

Plainfield's other score came early in the fourth quarter when Paul Castanzo hit Tom Campbell with a ten yard pass at Midfield.

A block by Tom Butts, Plainfield tackle, sprung Campbell loose at the Raiders' thirty-five yard line and he went all the way for the T. D. The try for extra point hit the goal posts.

The difference in the game was the passing attacks of both clubs. Plainfield connected with four out of eight passes and the Raiders hit three out of ten.

The top ground gainer for the Raiders was Bill Wohrman, who picked up 104 yards in 21 carries, while the total yards rushing amounted to 176. The Plainfield club racked up 61 yards rushing and gained 86 yards through the air.

Outstanding defensive players of the Raiders were Paul Wohrman, who knocked down two Plainfield passes, Former P.V. star Rich De Graw's interception of a Plainfield pass on his own ten-yard line returned the ball to the fifty-yard line.

The Raiders will play at home Sunday September 27th at Pompton Dale Acres, Riverdale. Game time 1:25. The opposition will be the Brooklyn Cardinals, a top independent heavy semi-pro football club in New York State.

## BOWLING SCHOOL TO TAKE PLACE ON OCTOBER 3RD

The Recreation - Kiwanis School of Bowling will be held at the new Olympic Bowl on Washington Avenue October 3rd. The Olympic Bowl will conduct the school, furnishing all instruction, equipment and facilities.

Last year's school run at Branch Brook Lanes was such a success that it had to be run in sessions. This year, the added facilities at the Olympic Bowl will make a two-session school possible.

All youngsters of fifth, sixth, seventh and eighth grades will attend the first session at 9:00 a.m. while boys and girls of high school age will attend the second session at 11:00 a.m.

Those who attend the clinic and desire to form teams will bowl in one of the six organized leagues.

A league will be organized of fifth and sixth graders for both boys and girls; one for both boys and girls of seventh and eighth grade age, and another for high school boys and girls.

League Bowling will be conducted at the Olympic Bowl and at the Branch Brook Lanes under the sanction of the American Junior Bowling Congress.

Teams will be uniformed and will enjoy reduced rates and free shoe rental. Both the Olympic Bowl and the Branch Brook Lanes have completely automatic pinspotters.

All youngsters who attend the bowling school will be eligible to bowl in the leagues. Boy and girls who attended last year's school and wish to attend again may report to the Olympic Bowl at 10:00 a.m. Saturday.

This year's junior bowling activity is under the combined auspices of the Belleville Recreation Department, the Belleville Kiwanis Club, the Branch Brook Lanes and the Olympic Bowl who have all worked together to bring Belleville youngsters this wholesome sport.

And the bombs descended; and the shells burst; and fire rages in the third and fourth part of town and there is no water for these parts of town for there are no pumps to pump water to four parts of town.

And I would listen further at a meeting place; and I would hear from this stranger; I am a wise man for I have bought me asbestos clothing for the time when the bombs fall and the shells burst; and this man I counted wise.

And another spoke and said: "I too am wise; I shall learn to fight as a guerrilla: This was well; for when enemy planes dropped their human bombs; and the guerrilla fighter was trained; and men dropped from the sky; the guerrilla fighter whom I counted a wise man; did lead others in the fight."

And I listened to one who to my notion; I counted among those who are counted wise for this man learned well the silhouette of enemy planes; and phones ahead.

And Nikes rise; and are guided; and are exploded; and confusion and rout of the enemy is evident; And this man is counted wise."

And to another I listened; and I heard him say: "What foolishness is this who builds his house of steel, lead, zinc and concrete?"

What fool is it who speeds time learning the ways of the guerrilla? Who will obey the man with the brain the child when he commands; stop your car; lay on your belly in the street? Who is the fool who thinks there will be more than one fire?

Also, point to me the man who will spend good money for asbestos clothing when there is good ale to be bought cheap; and tell me by whose authority all this is ordered."

This man I count as a fool. Mr. Director, I wish you well in your new job; however, I would consider with the marriage of Community Disaster Control.

Sixteen arena men from the Star Tavern went on a blue-fishing trip recently. Edward Knodel of Stephen Street hooked a 16 pound Albacore which took him fifteen minutes to land.

Although the water was a bit rough, the boys came back with a good haul. Each one averaged at least one blue, the average weight of which was 6 pounds.

Power brakes may stop a car on a dime—but it usually costs about \$100 to get the rear end fixed.

Ed Knodel Gets Albacore On Recent Fishing Trip

Applications are now available for the Navy's fourteenth annual competitive examination for its nation-wide Regular NROTC college training program, according to a recent announcement by the Navy Department.

The examination is scheduled for December 12, 1959, and is open to all high school seniors and graduates who can qualify.

Deadline date for receipt of all applications is November 14th, the Navy stated.

Male citizens who have reached their 17th and not passed the 21st anniversary of birth on July 1, 1960 are eligible to apply for the Navy College Aptitude Test.

## APPLICATIONS ARE AVAILABLE FOR NAVY ROTC

Applications are now available for the Navy's fourteenth annual competitive examination for its nation-wide Regular NROTC college training program, according to a recent announcement by the Navy Department.

The examination is scheduled for December 12, 1959, and is open to all high school seniors and graduates who can qualify.

Deadline date for receipt of all applications is November 14th, the Navy stated.

Male citizens who have reached their 17th and not passed the 21st anniversary of birth on July 1, 1960 are eligible to apply for the Navy College Aptitude Test.

Those contemplating a college course which takes five years to complete must not have passed the 20th anniversary of birth on July 1, 1960. Persons attaining a qualifying score in the Regular NROTC will be given the Navy's rigid

midshipman physical examination next February.

From the pool of qualified candidates remaining in competition, approximately 1800 young men will be selected for appointment as midshipmen and will enroll in one of the 52 colleges of their choice where Naval Reserve Officers Training Corps Units are located.

The Regular NROTC is maintained for one purpose—to train and educate young men for ultimate commissioning as career officers in the Navy and Marine Corps.

Successful candidates will start their naval careers in colleges and universities across the country in 1960. After a normal college education and substantial Navy training, graduates will be commissioned as regular officers in the Navy or Marine Corps for active duty with the United States Fleets throughout the world.

For those who apply and qualify, assignment to flight training will open new careers in naval aviation.

In addition to the normal college curriculum, midshipmen in the Regular NROTC will study a planned course in naval

science. All tuition, fees, and books will be furnished by the Navy, plus an annual retainer pay of \$600 for a maximum of four years. Regular NROTC midshipmen will spend part of three summers on training cruises with various Fleet units.

Applications for the program leading to a career in the naval service are available from Mr. Samuel Slikin, guidance director of Belleville High School, or from the nearest U. S. Navy Recruiting Station.

Mr. Slikin has been provided with specific information concerning the NROTC program and will furnish information bulletins to any interested student.

Mr. Slikin has been provided with specific information concerning the NROTC program and will furnish information bulletins to any interested student.

## NEW TWO-FAMILY PROJECT STARTED

Five building permits have been issued by Belleville Building Inspector Thomas Greco for two-family homes at Brighton Avenue in Belleville. The homes are to be the first of a 22-home project called Broughton Estates. Builders are J. Cori and Sons Clifton.

The homes are on 45 by 100-foot plots on land which formerly housed the Veterans' Barracks. The land recently was sold by the town at public auction to Cori.

Each section of the two-family homes will have four rooms. The homes will probably sell for about \$26,000 or \$27,000. They will be two-story affairs and will have varied fronts.

## Who Is "John Alden?"

### "Speaks For Himself" On C. D.

Who is "John Alden?"

Most grade school students who remember their Colonial history know that the original John Alden was the man who asked to speak for himself for the hand of Priscilla Mullins.

The "John Alden" referred to in the current context is apparently a local resident. He at least is a reader of The Belleville Times.

This "John Alden" has submitted to this paper a six-page typewritten statement entitled "Defense Against Civil Defense."

He has signed it "John 'Speaking for Myself' Alden."

This is the second of two statements issued to the paper recently by "J. A."

The first, about three weeks ago, related how a fire engine and three firemen had responded to a trash can fire on Washington Avenue.

The latest statement was placed in the door of the Times office and found Sunday editor while he was checking on a story.

The statement follows:

**DEFENSE AGAINST CIVIL DEFENSE**  
By John "Speaking for Myself" Alden

Belleville has a new Director of Civil Defense. This writer is not sure whether he should congratulate or commiserate with him inasmuch as his new job carries with it a guaranteed built-in headache.

Each time I hear we are to have a "Civil Defense Drill" I shudder and ask myself, "Now what happens?" At present, the militant words, "Civil Defense" leaves me cold and confused for I am ignorant of my status, I am neither fish, flesh nor fowl and like a robot am pointed to and told to do this and that.

I have ceased to be an individual, I have become a statistic in a reign of chaos, a source of annoyance, snafus, traffic, questionable authority and never a word printed to tell what the object was or if results had been obtained. Then comes the aftermath.

Charges and countercharges, arrests, political mumbo jumbo and last but not least, a very ignorant and disgruntled public who doesn't know what it was all about and objects to being shoved around.

In the September 11 issue of the Belleville Times, Mr. Pesa, the new Director of Civil Defense and Disaster Control Corps, hints at a plan to be carried out by Belleville volunteers. Again, I ask myself, "What is this Community Volunteer Disaster and Control Corps? Is it something new?"

Since when has "Community Disaster Control" been added to "Civil Defense?" When did this marriage take place? Quoting the words of our new Civil Defense Director, he writes, "We will tackle this problem of Civil Defense and Disaster Control on two distinct levels."

First, preparedness planning for disaster of a local nature, such as fire, explosions, freak weather, accidents and transportation wrecks. This would involve organized preparedness within the community itself and entails training . . . etc."

I am confused for I have been led to believe that our commu-

ty is adequately staffed with paid experts to handle any local disaster such as fires, accidents, transportation wrecks, police road blocks, police street patrols, even Red Cross ambulance service.

Again, I am refused for from the beginning "Civil Defense" was supposed to be a single unit operating under state and national direction in conjunction with the military.

Civil Defense is one thing, Community Disaster Control is another and in its own way as dangerous as an atom bomb, for hidden under this guise could be the political gimmick which we lesser peoples fear, yet tolerate under the title "Civil Defense."

If it be true our new Defense Director intends to carry out his stated program, I quote to him the following paragraphs from a widely read book:

"Therefore whosoever heareth these sayings of mine, and doeth them, I will liken unto a wise man, which built his house upon a rock."

And the rain descended, and the floods came, and the winds blew, and the house fell; and it fell not: for it was founded upon a rock.

And every one that heareth these sayings of mine, and doeth them, not I liken unto a foolish man, which built his house upon the sand;

And the rain descended, and the floods came, and the winds blew, and beat upon that house; and it fell: and great was the fall of it."

Had these words of wisdom been written in this 20th century they may have sounded something like this:

"If you listen to me and do what I tell you, and build your house of steel, lead, zinc and concrete, I will call you a wise man."

And bombs descended, and shells burst, and atomic radiation and fire beat upon that house; and it fell not; for it was built of steel, lead, zinc and concrete.

And my other friend who would not listen, built his house of wood and plaster; He was a fool:

For bombs descended, and shells burst upon that house; and it fell; and great was the fall of it for the winds from the shells blew; and the fire from the shells fired it; and my foolish friend; his wife and family perished with that house."

Then, when I had told my friends why they should build their houses as I suggest; I would listen to the voice of my other friend who would say:

What fool is this who orders me to stop my car and seek shelter where there is no shelter, and I shall say to myself; to what purpose is my car stopped? Why must I trap myself by orders from one who knows less than I:

And the bombs descend; and one shell drops near me; My car is tipped and ripped and smashed; yet I am safe on my belly on the street by the order of one who knew more than I:

And as I listened; I heard some friend say: "See! there are more than three fires in these parts of town; there will be no water for there are only two pumps for two parts

# HeadSt. Mary'sCanaDance

Mr. and Mrs. E. Donald Harrison, of 661 Franklin Avenue, are co-chairmen of the parish dance to be held Saturday evening at Federal Clubhouse, in River Road, in commemoration of the tenth anniversary of St. Mary's Cana Club. A cocktail hour from 8:30 p.m. will be followed, at 10 o'clock, by a buffet and dancing to Frank Philburn and His Orchestra.

## FATIMA STATUE TOUR PLANNED BY ESSEX CYO

For the 13th consecutive year, the Essex County CYO will sponsor a parish-by-parish tour of a statue of Our Lady of Fatima as one of its principal spiritual projects, the Rev. Vincent F. Affonso, of Montclair, county CYO director, has announced.

So far, 20 parishes in the Essex-West Hudson area have been placed on the schedule to be host to the so-called Pilgrim Statue for one week.

The CYO's purpose in sponsoring the tour is to increase knowledge about the events surrounding the 1917 apparitions at Fatima, Portugal, and to promote devotion to the Blessed Mother.

At Fatima, the Blessed Mother appeared to three shepherd children and predicted a devastating war. However, she also promised that Russia would be converted and that there would be peace if people would do penance in reparation for sin and would offer special prayers.

Particularly, she asked for recitation of the Rosary and reception of Holy Communion on the first Saturday of five consecutive months.

In announcing this year's statue tour, Father Affonso said "it has special significance as 1960 nears as that is the year in which Lucy, now a Carmelite nun, has said the 'third secret' of Fatima, now in a sealed envelope, is to be revealed." Lucy was one of the three children to whom Mary appeared and the only survivor of the three.

Parishes which are host to the CYO's statue usually schedule special devotions honoring Our Lady during the week. The Pilgrim Statue has made more than 600 stops since the annual tours were started.

Among the parishes, which have asked for a place on the statue schedule this year is St. Peter's, Belleville. The statue will arrive there for a week's stay next May 8 prior to ceremonies in which it will be rededicated by Archbishop Thomas A. Boland of Newark.

## "It's The Law"

This legal column is prepared under the supervision of the N. J. State Bar Association as a public service. It is designed to inform citizens of their rights, duties and obligations under our laws rather than to advise concerning specific legal problems.

### "TLL SUE"

To sue, or not to sue, that is the question, even if it sounds like a parody on Shakespeare. How many times, perhaps in anger, have you said "Tll sue"?

Few of us enjoy lawsuits but we are awfully thankful that our laws give written guarantees of judicial redress for wrongs. The courts will see to it that we are repaid for money loaned, that persons with whom we make contracts will keep their word, or that we are compensated for injuries suffered as a result of another's negligence. Suppose my neighbor claims I tripped on his broken stairway and sprained my ankle and lost a week's work. On the other hand, I am sure that if he had kept the steps in repair I'd never been hurt and lost that paycheck. The law says I have the right to go to court to have the question settled. Probably you don't know

how to start a lawsuit. In fact, most of us don't even know whether or not the case is small enough to be brought in county district court or whether we should start in the superior or federal courts, or even go to the federal courts. Further, we don't really know whether or not we are entitled to anything beyond doctors' bills or garage bills for all of our trouble. We are in a quandary as to whether we should seek damages, an injunction, a writ or replevin or some other form of remedy.

Money damages are the form of your relief if you demand a judgment for a wrong, a loss, or for personal injury. In addition to recovering doctors' bills, hospital bills, medicines and lost wages, you may be entitled to some money compensation for pain and suffering where you have suffered a physical injury. If you have been "ridiculed," your "business reputation damaged," or have been "falsely arrested," you may claim money damages.

If you want to enforce a contract by compelling someone to perform his part of the bargain, or should you wish to prohibit someone from performing a specific act such as picketing your store or parking in your driveway, you would ask for an injunction. Should you wish to recover some specific item of property loaned to you other than money, your remedy is known as replevin.

In any event you probably will only resort to the courts as a last resort, and then only when you can do so in good conscience. You will go to court secure in the knowledge that an impartial court will see that justice is done.

### HIGH PRODUCTION

Even though there are fewer cows on the nation's dairy farms, milk production last year was the third highest on record. It stood at 125.2 billion pounds and was exceeded only by the 125.4 billion pounds produced in 1957 and the 125.5 billion pounds in 1956. Last year's downturn in production was the first since 1952.

## United Fund Organizing Residential

Organizations in the United Fund of Belleville will conduct the residential canvass this year. Douglas Wadsworth, chairman of the residential division, initiated this plan, and Girl Scouts, Mental Health Association, Cerebral Palsy, Boy Scouts, and Red Cross have already agreed to organize certain districts of the town.

At the board of directors meetings held Monday, with Dr. Frank M. Durkee presiding, the board agreed upon the organization of four districts in the residential division.

Ralston Sprague, 84 Division Avenue, is organizing the second district of the third ward; Joseph O'Neill, 23 Bremond Street, and Miss Constance Conolly third district of the third ward; Arthur Denzler, 110 Belmont Street, fourth district of the third ward; and Anthony Bialore, 155 Nolton Street, district 5b of the third ward.

This is the sixth district south of Greylock Parkway.

These leaders in the residential division are all members of the board of directors of Red Cross. They will provide leadership in the United Fund Canvass, and will call upon people in all districts to canvass each block.

Since the United Way combined thirteen separate drives for funds into one drive, the leaders believe local residents will readily respond to help with this once-a-year job for the welfare and charity organizations of Belleville.

### Dogging It . . .

How does the town intend to enforce the law on the recently-enacted amendment to the dog ordinance?

This question was put to the Town Commission Tuesday night by Thomas McGill, who declared the ordinance did not spell out the use of curbs while walking dogs.

The ordinance provides for penalties for owners or walkers of dogs which dirty public or private property.

McGill said he had been talking to a dog owner who was seriously considering moving out of town because of what she felt was the poor attitude taken toward the dogs of Belleville.

### Lions Club Welcomes District Governor

The Lions Club of Belleville yesterday welcomed District Governor Samuel Voltaggio and his cabinet at a meeting at the For-His Restaurant, District 16E includes 62 clubs in this section of the state.

Mr. Voltaggio is a counselor-at-law with offices in South Orange. A member of the South Orange Lions Club, he is a past president, zone chairman and deputy governor and served on various committees and fund raising endeavors.

He is President of the South Orange-Maplewood Bar Association, a member of the Newark Downtown Club and various other fraternal and civic associations.

### A New Rose

Fire king and Sarabande are the winners of the 1960 All-America rose award in the floribunda class. They will be available for planting for the first time this fall.

## N. J. Fire College Plans Night Sessions

The New Jersey State Fire College, Division of New Jersey State Safety Council, will conduct a series of four night sessions on Fire Prevention and Protection, for schools, hospitals, nursing homes and similar types of institutions.

The meetings, open to administrators of such occupancies and to personnel responsible for fire protection in county and state institutions, will be conducted in the p.m. in the central and northern areas of the state during October and November. Twenty-two requests for establishing and maintaining sound fire prevention and protection programs will be covered in the four sessions in each of the three areas.

Southern area sessions will be held in the auditorium of Ancora State Hospital, Ancora — Tuesday nights from Oct. 6 thru Oct. 27 from 7:30 to 9:00 o'clock; for the northern area, in the auditorium of Greystone State Hospital, Morris Plains — on Wednesday nights, Oct. 14 thru Nov. 4; and the central area in Clifton Ave. School, Lakewood — on Thursday nights, Oct. 22 thru Nov. 12.

Enrollment and further information may be obtained by writing to New Jersey State Fire College, 24 Branford Pl., Newark. Certificates will be awarded to those attending the four sessions.

## BELLEVILLE-NUTLEY MOOSE LODGE IS INSTITUTED

In a colorful ceremony which marked the granting of its charter, 155 Belleville and Nutley residents were inducted into membership of the newly formed Nutley Moose Lodge 1335, Sunday, at the Italian Florentine Society Hall, Belleville. The initiatory work was conducted by the New Jersey State Champion Ritual Team from Passaic.

Officers, committee chairmen and their assistants installed following the initiation included: William Toto, Governor; Joseph Jeffrey, Junior Governor; Edwin Cropley, Junior Past Governor; Chas. Blair, Prelate; Emil Donatello, secretary, and Frank Malizia, treasurer.

David Fulcoli, Samuel Brown and Samuel Grande were installed as trustees; Bart Parodi, sergeant-at-arms; Peter Covino, inner guard, and Jerry Araneo, outer guard.

Committee members include: membership, James Cafone, chairman, Alfred Ciccone and Bernard Governali; conservation, Joseph Gallagher; civic affairs, Carl Lore, chairman, Frank Romano and Joseph Meloi; auditing, Daniel Rolans, chairman, Edward Cole and Angelo Arcuti. Sports, Joseph Romano, chairman, Carmen Diamante and Philip Puleo; ritual, Chauncey Barker, chairman, Edward Martin, James Maglio, Frank Galtz, Samuel Gray and Frank Ganoczy; entertainment, Thomas Furnari, chairman, Arsenio Masullo and J. A. Bochesse; publicity, Angelo Cappezano and Edwin Cropley; co-chairmen; ways and means, Angelo Marsella, chairman, Samuel Rienn, Eric Porter and Nat Simone.

Nutley Mayor Harry W. Chenoweth and Nutley Commissioner Roy Gundersonoff represented the charterholders as class representatives during the initiatory ceremony. Former Newark Mayor

## MuseumEnds Current Show

Four days remain in which to see four exhibitions now showing at the Montclair Art Museum: Contemporary Wall Hangings, Paintings of Theodore Brenson, Work of New Instructors of the Museum Art School, and a selection of lithographs from the permanent collection all close on September 27. New exhibitions are scheduled for October 4.

The exhibition, "Great European Printmakers" showing in the South Gallery, continues through October 20. This collection presents examples of the work of the world's greatest masters in the medium of printmaking. It includes the work of Rembrandt, Durer, Cezanne, Van Gogh, Gauguin, Hogarth, Canaletto, Daumier and Picasso.

On September 27, at 3:30 p.m., William Lillys, assistant to the museum director, will give a gallery talk on the subject of lithographs. Admission to the gallery talk is free.

Ralph A. Villani, a Past Supreme Governor, delivered the principal address.

Other speakers included Mayor Chenoweth, Commissioner Gundersonoff, Martin J. Loftus, of the Supreme Lodge, and Nutley Commissioner Carl Orechio, a Past Governor of the Passaic Lodge.

Abe Marcus, Deputy Supreme Governor, who was in charge of organizing the Lodge, was chairman of the program.

## HOW ABOUT GIVING YOURSELF AN HONEST ANSWER?

Next time you look at yourself, think of this:

This very minute, somewhere in our town, there's a little baby who needs attention. She's sick and needs help.

In your neighborhood there's an old woman crying in her loneliness. Her heart aches with a yearning for friendship and "belonging."

A bunch of teen-agers roam our streets. Now they're just nice kids. Tomorrow they may be delinquents.

Now ask yourself these questions: Will you help? Will you join in with all your neighbors? How much will you give the United Way?

Don't shrug it off. Don't kid yourself. Give yourself an honest answer. **GIVE THE UNITED WAY**
