Frank W. Bemis Is Named To Fill Zone Board Spot

Commissioner Robert C. Grubin has announced the appointment of Frank W. Bemis to a five year term as a member of the Board of Adjustment. Bemis was sworn in last week by Town Clerk Eugene G. Barnett. He succeeds the late Raymond Williamson.

Bemis has been a resident of Belleville since 1938. He is a service supervisor for the American Telephone and Telephone Company at its Newark office. Bemis started with the company's office in 1928.

He is married to the former Helen Priller. They have three children, Frank W. Bemis, Jr. of Clifton; Mrs. Daniel Herring and Matthew Herring, both of Belleville.

Bemis is a trustee of the Grace Baptist Church and a member of the church's choir. He is also a member of the H. G. McCully Chapter, Telephone Pioneers of America.

FRANK W. BEMIS

The Board of Commissioners held an emergency meeting Monday morning to appropriate \$6,000 to reconstruct a sanitary sewer which collapsed October 9.

The collapse occurred on Main Street opposite the Wallace & Tiernan Company. Dirt and debris caused a nine-foot ditch into which sank, a 1959 Cadillac car which had to be pulled out and towed away, or three days.

The trouble spot is a sewer which serves the town from High Street to Van Houten Place, William Street and Belleville Avenue to Hornblower Avenue. A crane was put in to use Wednesday morning to unblock it. It was that day determine exactly what the situation was. Until such time that an emergency appropriation was made the hole was blocked off and as many as five pumps were working day and night to prevent further danger.

The resolution passed at Monday's meeting provides for the reconstruction of a 12 inch sanitary sewer on the east side

United Fund Gifts Climb to \$25,194

As this week's issue of the Belleville Times goes to press, contributions to the United Fund of Belleville Campaign climbed to a total of \$25,194.20 or 28.6% of the goal. As submitted by Chairman Harry French, the breakdown by divisions is as follows:

Industrial, Harry Fox Chairman: Corporations, \$11,425.00; Employees, \$10,835.00.

Special Gifts: B. Thomas Aiken, Chairman, \$1,300.00.

Schools: Evan H. Thomas, Chairman, \$587.00.

Town Employees: Mayor Padula, Chairman, \$266.00.

Purveyors: Robert Hornefield, Chairman, \$355.00.

Professional: William H. Post, M.D., Chairman, \$55.00.

Merchants: E. P. Cantwell & N. H. Thompson, Co-Chairman, \$56.00.

Church Organizations: T. E. Anderson, Chairman, \$10.00.

Civic Organizations: H. B. Wische, Chairman, \$305.00.

General Chairman French has stated that based upon the good beginning that has been made by the campaign workers, the United Fund plan "for philanthropic giving is being accepted not only by Belleville business and industry but by the residents as well.

The idea of one pledge, one contribution, to take care of all 33 agencies at one time has a definite appeal. It not only takes care of the civic and charitable responsibilities of the individual but it eliminates the annoyance of constant doorbell ringing.

While the campaign has gotten off to a good running start, Chairman French again pointed out that there is still a long way to go if this year's goal of \$88,000 is to be reached. Both he and the entire Board of Trustees are, therefore, making a special request of everyone in Belleville—those who work here and those who reside here—to carry their share of the load by giving generously in support of all 33 of the health and welfare agencies that make up the Fund.

The Board of Trustees of the United Fund of Belleville, composed of business and civic leaders in the community, all giving their time gratuitously to this gigantic and worthwhile effort are:

G. George Adonizio, B. Thomas Aiken, George H. Brown, Dr. James D. Duda, Edward P. Cantwell, Mrs. Malcolm E. Condon, Allan H. Crisp, John P. Daley, Dr. Frank M. Durkee, J. G. Ferrara, Dr. William H. Post, Harry T. French, Dr. James E. Dardam, Rev. H. E. Goldstein, Miss Judith Gough, Mrs. Victor Hart, Mrs. Richard King, also Norman D. Lauterette, Mrs. A. Moro, John W. Noonan, Mayor Isadore J. Padula, James A. Peck, John Pettit, William J. Orchard, David Robbins, Mrs. Edward A. Roeban, T. Russell Sargeant, Max N. Schwartz, Michael, Scudato, Mrs. Walter Sincow, Evan H. Thomas, Norman H. Calabro Named President Of Citizens' Tax Council

Salvatore Calabro of 76 Fairway Avenue, was elected unanimously as president of the Citizens' Tax Council at a meeting held last week at a headquarters on Washington Avenue.

Mr. Calabro succeeds Edward Carney, who resigned recently because of pressure of business.

The new president announced that plans have been made for a fund-raising dinner-dance to be held December 1st at The Fountain.

Mr. Calabro also told The Times-News the organization was analyzing the signature on petitions it had circulated for a change to the council-manager government with an eye to weeding out names which might be challenged because of technicalities.

In some cases, Calabro said, names were signed as "Mr. and Mrs.," rather than the couple signing individually. In other cases, the same signatures "were gotten by different workers."

In still other cases, the sheets of signatures were not notarized. Correcting these deficiencies in

the petition will reduce the some 1,200 signatures the organization has, but Calabro is optimistic about the amount the organization hopes to raise.

Five hundred letters are going out to members of the organization requesting 18 signatures each. If each of the letters brings a real response, it will mean an additional 9,000 signatures.

Calabro says the group needs 8,500 signatures to call a referendum, and will aim for 4,000 or more.

Bellboys In Grid Win

By DOM GIOVACHINO

George Sheridan threw two touchdown passes to lead the Bellboys to a 14-7 victory over West Side High, Saturday at Belleville Municipal Stadium. Belleville dominated the first period, scoring the first touchdown in 3 and one half minutes of play. After Luzzi kicked off to the West Side 35, Frank Annichiarico intercepted pass on the 50 and ran it back to the 38.

Then five plays later, Sheridan hit end Tom Wriely with a pass which was good for 28 yards and a touchdown. Sheridan tried to pass for the extra point but failed.

West Side scored their touchdown in the second period on a pass play good for 64 yards from Tony Colletta to Manny Parlera. Parlera was finally stopped by Worley on the five. Joe Miceli then smashed through for the touchdown.

Demo Flynn Friend of Fay

Daniel G. Flynn, Democratic Assemblyman from Essex County and candidate for re-election, admitted this week to being a long-time friend of Joseph Fay, convicted labor leader.

Flynn, questioned by The Times-News, said both he and his father had been friendly with Fay.

"He's a friend of the family," said Assemblyman Flynn. "Fay's name played a major role in Governor Meyer's gubernatorial campaign."

Lien Is Placed on Clara Maass For \$6,108 Water Bill, Interest

Town Tax Collector William J. Friel will conduct a public auction at 10 a.m. Monday, November 16th of tax liens which include one for \$6,108.83 for Clara Maass Memorial Hospital. This figure represents the back water bill of the hospital, plus accumulated interest up to July 1st. The Clara Maass Hospital has not paid for its water since it opened here in 1937.

Friel said he was "duty bound" to offer the lien for sale since no payment had been made on the back water bill. The Town was recently under pressure at public meetings to demand payment of the old water bill. A committee of three Town Commissioners, Nuncio Pico, chairman; George F. Kieran and Harry J. Sullivan, Jr. have been meeting with members of the Maass Board of Trustees to seek a solution to the problem of non-payment.

While no compromise has yet been forthcoming as a result of the meetings, Commissioner Pico told The Times-News this week

that his committee was to meet Wednesday (last night) with Clara Maass representatives and expected to offer a plan which would be satisfactory to the hospital and the town.

Pico said that in conversations between the Town and hospital representatives, the hospital had requested a "package deal" which would include certain additional aspects of town services, such as snow removal and garbage collection. Pico declined to make the plan public at this time but declared the Town had no intention of "giving the water away."

A recommendation that a tax lien be placed on the hospital had been made some weeks back at a Town Commission meeting by James R. Golden of 62 Tappan Avenue, a town critic. Golden stressed that the mortgage would be under an obligation to buy the lien, rather than jeopardize the mortgage. The mortgage would then ask payment of the hospital, Golden reasoned,

which in turn would be obligated to pay.

Thus the town would get money from the sale of the lien for payment of the water bill.

Another of Golden's comments on the subject at a previous public meeting was that Clara Maass Hospital had not been charged the proper prevailing rate. Its bill was based upon a rate of 69 cents per 1,000 cubic feet of water, which was the same rate charged the Essex County Hospital.

Eyes for Needy

The Evening Department of the Belleville Woman's Club is sponsoring a "New Eyes For The Needy, Inc." project this year. The club will collect discarded eyeglasses and jewelry to be sent to New Eyes for the Needy, Inc. This organization works on a non-profit basis to provide glasses and artificial eyes for needy persons.

Dukes Roll Over Kotrans, 33-6

Stung to a fighting fury by a late second quarter aerial thrust, the Belleville-Nutley Iron Dukes rolled to a 33-6 victory over the powerful Paterson Kotrans 33-6, Oct. 18th at Belleville Municipal Stadium before an estimated 5,000 fans.

The Dukes rolled up 318 yards on the ground, which when coupled with 45 yards in the air gave them a total of 363 yards gained and 10 first downs. Their adversaries meanwhile showed a total of 11 yards gained as 25

yards passing wiped out the minus 14 yards rushing in their offensive column. Time and time again the Belleville defensive line forced the Paterson passers to "eat" the ball. Most of this was accomplished without ace linebacker Carl Borino who played only a few minutes.

Tony Addeo drew first blood for the Dukes with a one-foot buck midway in the first period climaxing a drive of 53 yards. Borino's placement was perfect and the Dukes led 7-0.

Frank Puleo scored on a quarterback sneak on the first play of the second quarter. Borino's conversion failed and the count read 13-0.

A Duke fumble led to the Paterson score as Briga recovered on the Duke 27. 3 plays picked up a first down on the 17 and 3 plays later Jim Dimond hit Tony Mosca on the goal line for the only Kotran score.

The Dukes took the second-half kickoff and marched 80 yards to a touchdown; Puleo's pass to Bob Mery in the end zone from the

GOP Hurls 'Fay' Charges at Demos

Alfred C. Clapp, Republican candidate for State Senator and Sheriff Neil Duffy who is seeking re-election, are pictured with leaders of the Belleville-Nutley Republican Citizen's Committee at a joint meeting held Monday night. Standing from left to right, are: Gerard Ferraro, president of the Belleville Republican Club; Norman Lauterette, vice president; Sheriff Duffy, Clapp and Jerome Clark, chairman of the Nutley Citizen's Committee to help elect all Republican candidates.

Democratic County Chairman Dennis Carey was challenged this week by a Republican speaker to deny that a close link exists between one of the top legislative leaders and Joseph Fay, convicted labor leader.

The Challenge was made by Theodore A. Ribortello, vice-president of the Belleville Republican Citizen's Committee at a joint meeting of the Nutley and Belleville Republican Citizen's Committees held at the home of Nutley Chairman Jerome Clark of 55 Brookfield Avenue, Nutley.

Fay's name played a decisive role in Governor Meyer's successful election campaign in 1953. Meyer hammered home at GOP gubernatorial candidate Paul Troast for writing a character reference letter for Fay, who was then in prison and under consideration for a parole by the New York State Parole Board.

Many political leaders credit Meyer's 1953 win directly to the famous "Fay" letter written by Troast.

Ribortello declared: "There is a definite link between the Democrat Party and Joseph

Local Committee Is Active On College Bond Program

At a recent meeting at the home of Mrs. Walter Sincos, chairman of the Belleville Citizens Committee for College Opportunities in New Jersey, further plans were formulated to acquaint local citizens with the importance of the college bond referendum to be submitted to voters at the November 3 referendum. The local committee is working in conjunction with state and county committees. Mrs. Sincos states that various local groups, including the PTA and a number of civic organizations, have either had meetings to discuss facts or have scheduled meetings during the remaining weeks before Election Day. Any local group interested in making arrangements by con-

Mrs. Taggart Named A Director Of Essex County TB League

Mrs. Muriel J. Taggart of Belleville has been appointed director of program services for the Essex County Tuberculosis

League, it was announced today by Mrs. Myrtle Trube Hahn of Monclair, President of the League.

Mrs. Taggart's work will include rehabilitation service to TB patients, case-finding projects, and school health education programs, Mrs. Hahn said.

In making the appointment Mrs. Hahn remarked, "TB in Essex County is our number one communicable disease - our number one catching gripper. There were more than 580 new TB cases reported last year alone. Mrs. Taggart's work will help us tremendously in our fight to control tuberculosis."

Mrs. Taggart came to the League from Jacksonville, Florida, where she as a social worker for the Duval County Welfare Department, work.

She was responsible for the processing of all admissions to the State TB Hospitals, and served as liaison person for all contacts regarding TB patients. In this program she worked closely with local health department and the TB Association. Prior to that Mrs. Taggart served for two and one-half years as Field Consultant for the Florida Tuberculosis and Health Association. She was executive director for the Belleville American Red Cross from 1944-1950, and worked in the same capacity in Evansville, Indiana, from 1950-1954.

RAILROAD FEATHERBEDDING:

\$500,000,000 LOSS

TO THE NATION—INCLUDING YOU—EVERY YEAR

Featherbedding on the railroads — pay for work not done or not needed — is costing the American people the shocking total of more than \$500,000,000 a year.

You pay for it every time you shop, because featherbedding costs are hidden in the price of everything you buy.

Obsolete union work rules, involving the railroad operating employees, are responsible for this gigantic burden. Right now, for instance, these rules require every diesel locomotive to carry a fireman—even though diesels have no fires to stoke, no boilers to tend.

The forthcoming negotiations between the railroads and the unions are urgently important to the whole nation.

In asking the unions to drop these featherbedding rules, all the railroads ask for is a fair day's work for a fair day's pay.

Golden Replies

Vara Charge Brings Retort

James R. Golden of 62 Tappan Avenue, challenged by Town Democratic Chairman Ralph Vara on a published statement he made in reference to a "deal," has refused to retract what he said, and has in turn, issued another statement . . . also strong.

In his reply, Golden charges that Vara's statement was "ghostwritten," "wholly unfounded, born out of sheer desperation and personal animosity."

"The one characteristic of which there can be no fault found in my type of political campaigning is my complete divorcement from personalities, Golden's statement said. "Politics and issues are my only concern. Those who know and are familiar with past methods of both Mr. Vara and myself in controversial political matters will draw their own conclusions."

"Baseless, unfounded allegations such as his claim of my having been previously challenged for attempts to traduce my opponents, his insinuation of scurrilous attacks upon those who oppose my 'stentorian oratory,' demonstrate the complete disregard Mr. Vara chooses to manifest in observing even the most meager practices of political propriety. The charges, besides being figments of fancy, defy the challenge of proof. The record confutes his wild claims."

"Careful analyses of the phraseology and context of Mr. Vara's assertion, 'this fellow came to me some time ago with the offer to switch from the Republican to the Democratic Party . . . indicates in the opinion of independent specialists that Mr. Vara is saying literally and without qualifying

phrases that I (Golden) broached him with such a proposal. Not only is this absurd, preposterous and insane reasoning, but illustrates the dirty type of politics some people resort to."

"I am amazed at the apparent concern being exhibited over by comments regarding Mr. G. George Addonizio's withdrawal from the race for State Senator. Could this furor have been engendered because I became a marplot in suggesting as a possibility that which might have been devised in fact?"

"Mr. Vara has little claim to any charge that I have wronged his name. I am not disposed to engage in a diversionary feud with lieutenants when there are bigger battles to be fought with Commissioners. The unfolding of future events will best determine whether suspicions of deals are meaningful or not."

Speaker

REV. ALBERT DEZZO

The Women's Association of the Montgomery Church will hear the Rev. Albert Dezzo of Clark Township speak on the Dominican Republic at their next meeting, October 27 at 8 p.m. in the educational building.

Mr. Dezzo was sent on an evangelistic mission under the auspices of the division of Evangelism of the Presbyterian Church. Five ministers from the United States made the trip. The church in the Dominican Republic is the Evangelical Church, and is supported by the Presbyterian, Meth-

odist and United Brethren Churches.

This meeting will be "Men's Night" and all husbands are invited. Refreshments will be served.

To Meet

The Belleville-Nutley Chapter of Hadassah will hold their regular meeting October 27 at 8:30 p.m. at the Belleville Temple, 125 Academy Street.

The meeting will be devoted primarily to welcoming new members by membership vice president, Mrs. Irving Ontell from Belleville. Mrs. Aaron Gordon of

Nutley will be the inducting officer.

The evening will be highlighted by the experiences of two junior Hadassah members from Nutley, Miss Deborah Chertshore and Miss Ellen Barth, who returned re-

cently from a 7-week workshop tour in Israel and worked in a kibbutz together with the young Israeli pioneers. The tour was sponsored by the National Junior Hadassah.

These Rules Can Help New Publicity Chairmen

Each year many organizations, civic groups and clubs appoint publicity chairman to submit material for newspaper publication. Generally, these chairmen are not trained in journalism and have no idea of how to prepare their copy.

Quite often good stories must be rejected because the publicity chairman missed a deadline or because the copy was improperly prepared.

The editorial desks of this newspaper are jammed each week with copy—some good, some bad—but all of it news about local happenings. Unfortunately there is not always time to patch up the copy, and mould it into presentable fashion for publication. The feelings are hurt and the paper loses a good story.

News or Publicity?
That immediately suggests the question "what is News?" The simplest answer is "what people are interested in reading."

A story increases in news value in direct proportion to the number of persons interested in reading it.

A distinct difference should be recognized between "publicity" and "news." When a person says "how can we get more publicity for our club," the answer is, "by publishing leaflets and brochures, distributing posters, circulating letters, buying advertising space."

It should be recognized that a newspaper is not a publicity organ. A newspaper is just what it says it is—a NEWS paper and when there is a NEWS story, the paper prints it. The publicity organization gets from the story is a by-product.

Every group, regardless of political or religious ties, is read in the Belleville Times news columns, the only requirement being—is it news?

For obvious reasons, however, the editors must screen out objectionable or libelous material not only for the paper's protection but for the protection of its readers and interested groups.

Most newspapers have established certain rules which have been set up to help the publicity chairman present the best stories in the most attractive manner.

Remember, others will be reading your stories besides your friends and members of your own group. Stories must be written so that even a stranger can understand the facts.

These rules may seem harsh at times—especially the deadline—but each and everyone has an important meaning. In order to avoid misunderstanding and to make sure publicity chairmen are aware of requirements, we publish the summary of deadlines, tips on reporting and miscellaneous information.

Type If Possible
Leave two inches space at the top of a story and one inch margins.
Type with, using double spacing.

Write on one side of paper only. Write your name, address and telephone number at top of the story so further information may be obtained if necessary.

Stories will not be accepted after deadline.

Very state news of events will be cut extensively or completely rejected.

Very brief reports may be telephoned but long lists of names will not be taken on the telephone. The editors will write the headlines.

Writing The Story
The opening part of the story, called the "lead," ought to contain the most significant or interesting statements.

A report of a meeting ought not to begin with the facts that the meeting was held. This is the least interesting opening. State instead what plans were made at the meeting for future events, what the main theme of the speaker was, whether there was an unusually large attendance or any other outstanding feature on the program.

Newspapers no longer use the informal style of many years ago. Comments on how delicious the refreshments were, how charming and informative the speaker was, and appeals to "come one, come all" are definitely out of date and no longer acceptable.

Learn to summarize and condense your fact lists. Persons who gave reports, greetings or brief speeches, rather than make a separate paragraph or sentence for each one.

Do not try to cover a meeting by writing something that sounds like minutes.

Try to include something of what the speaker said if he is the main feature of the program.

Lists of food and prices of tickets are not included.

COMPLETE names must be given, including full first names, or TWO first initials. Do not give nicknames or abbreviations. For a married woman the husband's first name and middle initial is the only correct form.

Pictures
Pictures should be black and white prints with a glossy finish. The more contrast between black and white there is in a picture, the better it will print.

Size and position of a picture in the paper, as well as acceptance or rejection of a picture submitted, are entirely at the discretion of the editors.

Rotary Leader Silverman Tells Of Conference Plans

Plans are nearing completion for the 747th District Conference of Rotary International which will be held at the Hotel Traymore, Atlantic City, Friday to Sunday, October 23rd to October 25th, Isadore Silverman, president of the Rotary Club of Belleville, announced today.

Seven hundred Rotarians and Rotary-Anns, representing the 43 clubs in this district, which covers the northern section of New Jersey, are expected to attend the conference, he said.

Principal speaker will be Charles W. Pettengill of Greenwich, Connecticut, former vice-president of Rotary International.

Purpose of Conference
Purpose of the conference, President Silverman explained, is to review the previous work of the Rotary Clubs in the district and to plan ways of increasing the effectiveness of their future activities.

Conference sessions will be held in the Traymore, District Governor George C. Kalligh from Newark will preside.

According to Conference Chairman Lawrence Segel of the Newark Club, the program also will include other prominent speakers, entertainment for the ladies, discussion groups, forums and the Governor's banquet and ball.

To Nominate Rotarian
At the Conference, a Rotarian will be nominated to serve as governor of this Rotary district for the 1960-1961 fiscal year. He will take office on July 1, 1960, as the official representative of Rotary International, the world-wide, of all Rotary Clubs in the 747th District.

The new governor will be formally elected, along with more than 300 other district governors representing more than 10,000 Rotary Clubs in 110 countries, at Rotary International's 51st Annual Convention in Miami in May, 1960.

In which there will be competition in senior and junior (under 18) divisions. As many as six contestants in each division may be entered by parishes, some of which will hold their own eliminations before the county finals are held in November.

Both individual and group acts may be entered in the amateur contest. Four winners will be chosen in each division and they will advance to the archdiocesan finals against the winners from Hudson, Bergen and Union Counties.

Deadline for entering the contest is Nov. 2. All contestants will be judged by a three-man board of experts. Basis for judging will be the number selected by the performer, actual performance and talent displayed. A five-minute time limit will prevail for each contestant.

An Appeal To The RESIDENTS OF BELLEVILLE...

DEPARTMENT OF PUBLIC AFFAIRS
NUNCIO R. PICO, Director
TOWN HALL, BELLEVILLE 9, N. J.

The littering of streets and private property throughout our community is unsightly, unhealthy, costly and shows a lack of community pride. A clean town is an asset to business and health and a sign of alert civic minded citizens.

The citizens of the community should remember that the laws alone, cannot keep Belleville clean; but you can do your part by observing the following rules:

- Garbage must be kept in a metal container with a water tight cover. The garbage should be wrapped in paper or paper bags before placing in the can, to prevent it from sticking or freezing to the can.
- Place other refuse and waste substances or materials such as hedge clippings, grass cuttings, yard sweepings, bottles, leaves, ashes and hard substances in any other kind of container except cardboard cartons or paper bags. Containers weighing over 100 pounds will not be taken.
- Newspapers, books, magazines or substantially similar paper articles shall be securely bundled and tied and all paper boxes and cartons must be made flat, bundled and tied. Loose paper shall be placed in a jute or cloth bag or substantially water resistant container.
- Limbs of trees, roots and wood will not be picked up unless tied and must be in small bundles, not over three (3) feet in length.
- Contractors' building waste will not be removed by the garbage contractor. Garbage, refuse and other materials put out for collection must be placed between the sidewalk and curb, not earlier than 8 P.M. the night before collection day, not later than 6 A.M. on collection day. Garbage, refuse and other materials must not be placed out after the collectors have passed. Empty containers must be removed after collection.

WE ARE DOING OUR BEST TO KEEP THE TOWN CLEAN. WON'T YOU PLEASE HELP?

DEPARTMENT OF PUBLIC AFFAIRS
NUNCIO R. PICO - DIRECTOR

OUR BOYS IN BLUE

On Tuesday, November 3rd, Election Day, Belleville voters will have many decisions to make. One in particular gives us very special concern. That is the pay raise referendum for police and firemen which will appear on the ballot.

Our police and firemen have not been very articulate in getting their story out to the voting public. The antis hoist the red flag of higher taxes and thereby appeal to the emotional, selfish instincts of many.

Instinctively we are all against higher real estate taxes no matter how worthy or necessary the cause.

The Police and Fire Pay Raise Referendum will appear on the ballot through the courtesy of the Belleville Town Commission. Its members voted to place it there. Of the five Commissioners there isn't a single one against the referendum. A majority is reported to be in favor of the raise.

A look at some of the basic facts involved reveal the following: there are 59 members of the Fire Department. There are 64 members of the Police Department. Approximately 90% of the police and firemen are Belleville taxpayers.

A higher tax load adversely affects them too. The police in neighboring Nutley receive a \$200 uniform allowance. Not so in Belleville. Our men receive nothing. Unlike other town employees the police and firemen receive no holidays off with pay.

If their work schedule calls for work on Christmas — they work, and no time and a half either.

When police are required to make courtroom appearances, usually for evening traffic court appearance, more than likely it is on their own time — never mind getting paid time and a half for the appearances — they don't even get paid. It's in the line of duty, they are told.

What kind of a raise are they asking for? The boys are asking for five dollars a week more for the first twelve months and five dollars a week more for the second twelve months.

They received no raise last year. The police and firemen are not covered by a Federal Social Security Pension Fund. Their average contribution to their pension fund is 7.58% of their salary.

The average person who pays into the

Federal Social Security Pension Fund pays only 2.50% of his wages.

If the Pay Raise Referendum is adopted by the voters of Belleville on Tuesday, November 3rd, it will cost the average homeowner ONE CENT a day for the year 1960 and TWO CENTS a day for 1961. Not very much really, to let the boys in blue know how much you really appreciate their devotion and loyalty to you, their employer.

While an across-the-board raise is not the most desirable method of handing out a flat sum raise, it is the only one upon which the voters of Belleville have been asked to express their opinion.

In the circumstances, we believe the best interests of our community will be served if the people vote YES on the Police and Fire Pay Raise Referendum.

The Commissioners, however, must be made to realize that a YES vote on the Police and Firemen Pay Raise Referendum must not be interpreted by them as a mandate from the public to go on a spending spree.

If anything, departmental budgets should be reduced for next year in order to accommodate the increased municipal costs arising from a pay raise — even if it is only ONE CENT a day for each average taxpayer.

IT'S NOW 6201

The Belleville Times-News sales have risen to new circulation heights.

6201 copies of The Belleville Times-News were sold last week, establishing a new high for The Belleville Times-News circulation. The Belleville Times-News has been publishing for 50 years.

Since the new management took over this summer, there has been a great increase in circulation. It is with deep gratitude that we acknowledge this.

Thousands of our new readers, directly or indirectly, have expressed approval of our new features. The church page is the most popular feature. Others receiving wide acclaim are the "Town Bulletin Board," which lists the weekly community events; the "Yesteryear in Belleville," feature, which takes our readers back through pages of Belleville's proud history and has also proved very popular, especially with Belleville's old-timers. Our school coverage has come in for its share of commendation as well.

We have been doing everything humanly possible to provide our readers with a newspaper serving the best interests of our community and its people. That our circulation sales have risen to a new high is sufficient proof for us to feel confident that the new Belleville Times-News is meeting with the approval of our community.

We look forward to the opportunity to continue serving our readers and our community.

Runners Lose 2

BY DOM GIOVACHINO

The Belleville harriers, who are coached by Mario Di Maggio, lost two meets last week. The first was to West Orange, Tuesday, October 13, by a score of 20-35, and the other to Irvington, Friday, the sixteenth, by a 23-35 score.

Belleville only placed two men in the first ten places against West Orange. These were third and fifth which were taken by Bob Cornish in 13:25, and Bob Daddis, 13:38, respectively.

The first two men were Rothenberg and Davis, who crossed the finish line together in 13:06. The fourth man was Volpe with a 13:31 timing.

The Belleville boys did a little better against Irvington, however. Ernest Steffanelli, after falling back to fourth place at the 1 and one quarter mile mark, put on a final burst of speed and overtook everyone in front of him, finishing with a time timing of 13:05.

Irvington took the next three places though, placing Taback second in 13:13, Anlas third in 13:15, and Hay fourth in 13:21. Bob Cornish's effort to catch Hay was failed and he consequently finished fifth with a timing of 13:22.

Jack Schudeboom took the sev-

enth spot in 13:58 for Belleville, and Ron Simmons also running for Belleville, came in eleventh in 14:12.

These losses brought the season record to two wins and seven losses. Since the Belleville boys have five meets left, they will have to win them all to finish at the 500 level.

Guest Speaker

Wilbur Smith, Essex County chairman of "The League for Deaf Literature," will be guest speaker Tuesday evening, October 27th, at a meeting of the School 3 P.T.A. at the school. Using visual aids Mr. Smith will describe the ease with which intelligent material may be obtained by children and what parents can do to prevent its continuance. Parents have been urged to attend.

Vets Council Ired On School Sched.

The Veterans' Council this week took the Board of Education and Superintendent of Schools Evan Thomas to task for not scheduling the closing of public schools a full day on Veterans' Day, November 11th.

The Council represents the six local veterans' groups and their

auxiliaries. John Kay, speaking a half day. Kay said: "In for the organization, said the school schedule showed the schools will be open a half day November 11th and will be closed the 12th and 13th for a teachers' convention. Kay said the schools should be closed a full day on November 11th. "We do not feel it is paying the proper respect to the veterans in having the schools open even-

Health Department Releases Information On Encephalitis

The Belleville Health Department has released the following information on Eastern equine encephalitis:

1. There is no effective vaccine available for general use among humans.
2. The administration of gamma globulin is of no value since very few people have antibodies against this disease.
3. No known antibiotic affects the course of the illness.
4. According to present knowledge, encephalitis is primarily a disease of wild birds. It is transmitted from bird to bird by mosquitoes. Occasionally, a mosquito carrying the virus will bite a human or a horse, causing the disease in them.
5. Humans cannot effectively transmit the disease either directly or via mosquitoes. There is no need for quarantine or isolation.
6. This virus is not effectively transmitted to man from horses, either directly or via mosquitoes.
7. The following preventive measures have been recommended:
 - a. Prevent exposure to mosquitoes in woodland areas.
 - b. Use barriers such as mosquito screens, nets, and repellents.
 - c. Kill adult mosquitoes.

Annual Bazaar

The Parents Therapists Association of the Cerebral Palsy School and Treatment Center will hold their second annual Benefit Bazaar at the school on 7 Sanford Avenue October 24 and 25. The Bazaar will be open on Saturday from 1:00 to 8:00 p.m., and on Sunday from 1:00 to 5:00 p.m. Merchandise which will be sold at the Bazaar has been contributed by manufacturers and merchants throughout Essex and West Hudson counties, or made by parents and friends of the children who attend the school. In addition to the booths and stands at the Bazaar, there will be hourly drawings of prizes on Sunday for all those who attend. Admission to the Bazaar is free and the public is invited to attend. All proceeds from the Bazaar will be contributed to the Cerebral Palsy School and Treatment Center at which nearly two hundred handicapped children of Essex and West Hudson are being treated and taught to become useful citizens.

Varsity Club Holds Meeting

The regular monthly meeting of the Belleville Varsity Club was held Thursday evening, October 8th at the American Legion Hall (Post 105), at 621 Washington Avenue, with about fifty members present.

Vic Pomponio, president, conducted the business meeting. Membership Chairman Vince Genegrosse introduced four names for acceptance by the Club as members. The new members, all fathers of boys on the Belleville football squad, were Jim Galioto, Dick King, Joe Palumbo and Mal Condon. Plans for the Annual Football Dinner, to be held early in December, were discussed by the group. Ralph Casale was appointed general chairman. Mr. Casale, an active member of the Varsity Club for many years, is also a member of the Belleville School Athletic Council.

Belleville Football Coaches Ed Berlinski, Tom Testa and Al Estey were present at the meeting, and spoke briefly on the present team's prospects for the coming games on the schedule. The film showing the Belleville-Bloomfield game was run off. Refreshments were served with Tony Moro as chef. The next meeting will again be held in the American Legion Hall on November 12th, at 8 p.m. Films covering the football games with Nutley, Westside and Irvington will be attend.

C. D. Quarters Set Up Amid Ambitious Plans For Disaster Control

A Civil DEFENSE and Disaster Control office has been established at 203 Washington Avenue by Ludwig Pesa, recently appointed CD director.

A part-time secretary has been engaged and a volunteer recruiting program has been put in readiness.

The secretary is Mrs. Joseph O'Neill of 23 Bremond Street. She will be at the office from 1 to 5 daily Monday through Friday.

A disaster control unit is about to be formed, Pesa announced. Upon receipt of confirmation of appointee acceptance, Pesa will make the names known, he declared.

The Council will consist of two assistants to the director, a deputy director and control function chiefs for the following functions: Police, fire, medical and health welfare communications, transportation, engineering, public relations and warden.

Upon establishment of the Council, Pesa declared, "we will begin to formulate a workable municipal plan for disaster control, consisting of the following three parts:

- 1) An inventory of hazards,
- 2) An inventory of resources, and
- 3) A series of departmental plans to be co-ordinated by the director."

The Civil Defense Director asserted that the concept of the initial disaster control program "is based on the augmentation of regular municipal operating services according to the size of the catastrophe and the resultant mass casualty."

"The follow-up this plan will be an expanded preparedness to cope with warfare-induced catastrophe. This will include radiation monitoring and expanded communications and medical programs.

Although the new CD—DC headquarters is established only on a part-time basis, plans are in order to create a sending and receiving radio center on the premises, the director said.

Volunteers for the disaster control program are invited to apply, either personally at CD—DC quarters at 203 Washington Ave. any week-day afternoon, or by mail, whereby an application form will be submitted.

Mr. Pesa declared that the first step in preparing Belleville's Disaster Control Plan should be the development of an inventory of the hazards which exist within the municipality and which may conceivably result in a disaster at some future time.

"We should make full use of informed members of the community in conducting the inventory of hazards. As examples,

hazards may be classified under the following titles:

- (1) Fire hazards—lumber yard, bulk oil and gasoline storage, piers and wharves, public and institutional buildings, shopping districts, combustible industrial properties, natural gas trunk lines, oil pipe lines and other fire hazards
- (2) Explosive hazards—bulk oil and gasoline storage, ammunition depots, explosives manufacturing plants, industrial plants, using explosive raw materials; feed, flour, grist and cereal mills, natural gas trunk lines and other explosive hazards.
- (3) Electrical hazards—high voltage lines, power plants, substations and other electrical hazards.
- (4) Transportation hazards—main highways, railroads, bridges

and other transportation hazards.
(5) Social hazards—potential riot areas and other social hazards.
(6) Natural hazards—floodable rivers and streams and other natural hazards.
(7) Public gatherings—Belleville stadium and Capital Theatre.
A more elaborate report on progress of the Civil Defense program will be forthcoming to Mr. Pesa.

Guest Speaker

Miss Sadie Davis, native of Liberia, Africa, was the guest speaker recently at the Annual Fall Fellowship Tea sponsored by the Little Zion U.A.M.E. Church.

Miss Davis is an honor graduate of Fairleigh Dickinson University, Rutherford, and is working on her Master's degree in elementary education at Columbia University.

A veteran speaker, Miss Davis has served on the New York Times young people's panel. She appeared in native costume and answered questions relating to Liberia and Africa.

Miss Marie Hilliard, personal friend of Miss Davis and an active member in the Mount Ararat Baptist Church, Rutherford, was mistress of ceremonies. A musical program was presented in connection with Miss Davis' talk.

An Appeal To Our Friends And Neighbors From Your POLICEMEN and FIREMEN

On November 3rd next, the voters of the town of Belleville will go to the polls to vote in a general election. The last public question on the ballot will be worded as follows:

"Shall an increase in salary to the members of the Department of Public Safety of the Town of Belleville in the amount of \$500.00 per annum, payable as follows: \$250.00 on January 1, 1960 and \$250.00 on January 1, 1961 be granted?"

This question, if voted in the affirmative by the citizens of Belleville, would grant your policemen and firemen and increase of \$250.00 each in 1960 and 1961.

For your Policemen, based on a 40 hour week, this would be approximately 12c per hour. For your firemen, based on a 56 hour week, it would mean approximately 8-6/10c per hour.

These figures are based on the normal work week of your policemen and firemen, but let us take an average, based on actual time worked by members of the police and fire divisions during 1958. The average time of actual work for 1958 was 46 one half hours for policemen and 60-3/4 hours for firemen, making the increase, based on these figures, 10-3/10 cents per hour for policemen and 7-9/10 cents per hour for firemen.

We are in a highly hazardous profession. During the last ten years one of our policemen and one of our firemen have been killed in the line of duty, and three of our firemen injured performing rescue work, one of them retiring with 100 per cent disability.

We are at your service 24 hours a day, including all holidays, with no added compensation.

We receive no fringe benefits, such as hospitalization, etc.

We feel that the people of Belleville know us and know of our work.

We sincerely hope that you will give us your support on November 3rd by voting "Yes" on the last public question on the ballot and ask your neighbors and friends to do likewise.

Thank you sincerely for your cooperation.

U.S. Navy To Give Annual NROTC Test

Vice Admiral H. P. Smith, Chief of Naval Personnel, announced yesterday that the 14th annual national competitive examinations for the Regular Naval Reserve Officers Training Corps will be given to eligible high school seniors and graduates on December 12. Application forms are now available and must be received before November 14.

Designed to supplement the officer output of the Naval Academy, the NROTC program makes it possible for a young man to earn a regular commission while studying at the civilian college of his choice which has an NROTC unit.

All tuition, fees and books are furnished by the Navy, and the student receives an annual retainer of \$600 for four years. During the Summers the student goes on interesting training cruises as a midshipman. After completing the usual four year college course, he is commissioned in the Navy or Marine Corps, and goes on active duty as a prospective career officer with the Navy's far-flung fleets.

For those who apply and qualify, immediate assignment to flight training will open new careers in naval aviation.

High school seniors and graduates who have reached their 17th anniversary of birth and have not reached the 21st anniversary of birth on July 1, 1960, may apply for the NROTC aptitude test. Those who make a qualifying score will be given a rigid physical exam early in 1960.

From the pool of qualified young men remaining in competition, approximately 1,600 will be selected to begin their naval careers next September.

The NROTC college training program is also open to enlisted men on active duty with the Navy and Marines. Separate quotas are established for applicants within these services.

Application forms are available at high schools, colleges, Navy Recruiting Stations or from the Chief of Naval Personnel, Department of the Navy, Washington 25, D. C.

RODINO TELLS OF COAST GUARD EXAM DATES

Entrance Tests For U.S. Academy To Be Held In February

Congressman Peter Rodino announced that the competitive examination for entrance to the U. S. Coast Guard Academy will be held nationwide on February 23 and 24. These examinations will be given in 118 cities.

Congressman Rodino emphasized the opportunity offered young men who choose this four-year course which leads to a commission as a career officer in America's oldest sea-

going service and a Bachelor of Science degree.

"There are no appointments or geographical quotas for entrance to the Coast Guard Academy," he said. "I urge all qualified young men who are interested in this worthwhile profession to write for details and application as soon as possible to Coast Guard Headquarters in Washington, D. C. Applications must be postmarked on or before January 10."

A candidate for the next examination for the Coast Guard Academy must be single, must have reached his 17th but not his 22nd birthday by July 1, 1960 and must be in excellent physical condition.

A high school diploma is the minimum educational requirement.

All applicants must have three units of English, two of algebra, and one in plane geometry by graduation.

Holy Family Altar Society Has Breakfast

The Rosary Altar Society of Holy Family Church held its 13th annual communion breakfast recently in the school auditorium. Rev. Henry Naddo, moderator, was celebrant of the Mass.

The theme was centered about Our Lady Of Fatima. Rev. Francis O'Connell, O.S.B., of St. Benedict's Preparatory School, Newark, was the principal speaker. Mrs. Carmen Cullari, chairman, acted as toastmistress. Mrs. Frank Cocchiola was co-chairman. The breakfast was prepared and served by members of The Holy Name Society of the parish under the supervision of Ralph Longo.

Mrs. Frank Malizia was in charge of the menu; Mrs. Gerard Martino, guests; Mrs. Henry Aurichio, flowers; Mrs. Fred Lardiere, altar in the auditorium; Mrs. Nicholas Brindisi, Mrs. Dominick Monaghan, Mrs. Anthony Perna, Mrs. Michael Lardiere, Mrs. Edward Clarke, Mrs. Michael Russoniello, Mrs. Xavier Schmidt, Tables.

Mrs. Jack Manfria and Mrs. Joseph Romano acted as hostesses. Mrs. Joseph Villio, Mrs. Michael Bissell, Mrs. Joseph Pecora and Mrs. Thomas Gonnella were in charge of corsages. Mrs. Esther Meola was publicity chairman, and The Franciscan sisters and Mrs. Louis Tomasello were in charge of the main altar of the church.

Mrs. Eleanor D'Angelo Fazzi was soloist, with Miss Ann Strelatella at the organ. Guests included the priests and sisters of the parish, Rev. Clement A. O'Leary, co-ordinating dean of Seton Hall University, officers of the sister sodalities of the parish, and Mrs. Henry Naddo.

ALFRED C. CLAPP

THE MAN WE NEED! THE REPUBLICAN CANDIDATE FOR STATE SENATOR

IN THE HISTORY of Essex County few candidates for public office have possessed the qualifications of Alfred C. Clapp.

Judge Clapp is a citizen of distinction. He is widely respected for his profound learning and integrity, his lifelong devotion to the public welfare, his broad experience as a judge, educator, state senator and humanitarian. In the Senate he will once again lend his able talents for the good of New Jersey, for he is an arch foe of reckless spending and the resultant heavy tax load.

Judge Clapp was widely acclaimed as the principal author of the New Jersey Constitution which made our present court system a model for the entire nation.

His record in the State Senate will be long remembered. He was dedicated to the cause of good government and to humane legislation. He sponsored the revision of the law of adoption by placing

in the hands of Social Service agencies the responsibility of protecting the children's interests, thus halting trafficking and racketeering in adoption cases.

As Presiding Judge of the Appellate Division of the Superior Court, Judge Clapp earned the respect of the entire Bench and Bar of New Jersey. He is the authority in our state on probate and estate law, and is the author of five volumes of Probate Procedure and Practice.

As Dean of the Rutgers University Law School, Judge Clapp became one of the country's leaders of legal education by elevating the standards for admission to the Bar.

The Republican Party is proud to present the candidacy of a man of such rare abilities. For the good of New Jersey, VOTE FOR ALFRED C. CLAPP FOR STATE SENATOR.

FOR SHERIFF

NEIL G. DUFFY

WHEN IN 1956, Essex County voters returned Sheriff Neil G. Duffy to office by a plurality of more than 64,000 votes, it was a declaration by the people of their confidence and trust in this young and able public official. He has continued to merit that trust. In fact, his reputation as an honest and vigorous law

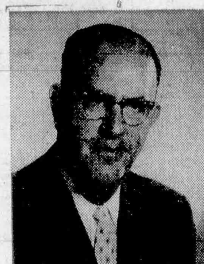

enforcement officer reaches far beyond the borders of Essex County.

Sheriff Duffy has relentlessly fought the vicious narcotic traffic with every resource at his command. He has unceasingly fought for a law which would impose mandatory prison sentences on dope peddlers who sell narcotics to minors.

He has gained widespread support of his enlightened crusade to curb juvenile delinquency. Parents and civic groups have commended his fight against the sale of smut literature.

A Counselor at Law, World War II veteran and civic leader, Neil G. Duffy's public career has been as exemplary as his private life. He is a member of the New Jersey and American Bar Associations, Honorary member of the Police Benevolent and the Essex County Chiefs of Police Associations. He has richly earned your support. VOTE FOR NEIL G. DUFFY FOR SHERIFF.

FOR SURROGATE

DAVID H. WIENER

DAVID H. WIENER, Republican candidate for Surrogate, will bring to that important office a wealth of experience in many fields.

A leading member of the Bar for 29 years and a respected civic leader, David H. Wiener has long been in the forefront of the continuing fight for

good government. He has served with distinction as:

Member of the State Div. of Tax Appeals; Deputy and Acting Supt. of Elections of Essex County; Trustee Prospect Hill Country Day School; Dist. Chairman Boy Scouts of America; Vice Pres. Greater Newark ZOA; Special Committee United Appeal-Red Cross; Bd. of Governors Newark YM and YWHA; Bd. of Governors South Ward Boys Club. He was Special Counsel to the New Jersey House of Assembly.

The Surrogate's office requires not only legal knowledge of a high order but experience in business administration and a familiarity with real estate values and management. David H. Wiener qualifies well for this office. Essex County needs a man with his experience and integrity as Surrogate. VOTE FOR DAVID H. WIENER FOR SURROGATE.
