Veterans' Day Parade Wed. Evening at 8

A five-division parade sponsored by the Belleville Veterans' Council, will be held starting at 8 p. m. Wednesday, November 11th, Veterans' Day.

The parade will start at Greylock Parkway and Beech Street, Point of assembly will be Greylock Parkway and Washington Avenue, at 7 p. m. Line of march will be from Greylock and Beech to Washington Avenue and up Washington to William Street.

A reviewing stand will be set up at Town Hall. At the stand will be Town officials, Gold Star Mothers, and Captain J. A. Rodrick Jr. of the 102nd Armored Cavalry Reconnaissance Platoon, which will participate in the parade.

Grand Marshall will be Pat De Angelis, Assistant Grand Marshall is David Anniano. The color guard will consist of members of the Joseph C. Taib Post, VFW 6285.

Police and fire department equipment will lead the parade, followed by the color guard, the grand marshal and the assistant grand marshal and the Blessed Sacrament Band of Newark.

Then will come members of the police and fire departments and auxiliaries; a contingent of veterans; a Clara Maass Hos-

pital float sponsored by the Barbone-Morra Post, Italian American War Veterans. Nicholas Raimo is in charge of the first division of the parade.

The second division will consist of the Belleville High School and Grammar School Band, the Recreation Department girl twirlers and little leaguers. Pat Parigi will be in charge of this division.

The Third Division will consist of the Woodsmen, a fife and drum corps of Newark; a Belleville Knights of Columbus marching unit; and the Holy Name Society. St. Peter's church marching unit will be in charge of that division.

Vincent Strupolo is in charge of that division.

Fourth Division: St. Lucy's Band, Newark; Girl Scouts, Boy Scouts, Red Cross. Angelo Beneatti is in charge.

Fifth Division: The Coppertones from Leonardo, N.J., a 60-piece fife and drum corps; the 102nd Cavalry Reconnaissance Platoon; two 76 mm. light gun carrier tanks; six quarter-ton jeeps, one armored personnel carrier and a marching unit of 40 men. Henry Amato is in charge of that division.

The musical units are expected to perform for five minutes in front of the High School.

Proceed with Plans On Nursing School

The Board of Trustees of Clara Maass Memorial Hospital is proceeding with plans to break ground for the new School of Nursing building later this fall, despite the fact that the campaign last spring to raise \$750,000 was not successful.

When the downtown campaign office was closed on May 31st, marking the end of the formal and intensive phase of the drive, only about 25% of the objective had been pledged.

Since then, the Development Office of the Hospital has been following up both business concerns and residents in the area who had not reported and, as a result, additional contributions and pledges have been dribbling in throughout the summer and fall.

Meanwhile, the Board has made formal application on behalf of the Hospital to the Federal Housing & Home Finance Agency for a long-term loan to cover the balance needed to construct and equip the School. Although no official commitment has been received from the agency at this writing, the Hospital authorities are optimistic of its approval.

The Development Office will continue to solicit funds throughout the area served by the Hospital to enable them to pay off both this loan and the older one regulated with Massachusetts Mutual at the time the Hospital was built and which is now being amortized.

This fund-raising program for the new School of Nursing parallels very closely the one followed for the Hospital itself. Built on a shoe string, so to speak, the money needed was raised partly from a grant of \$1,000,000 received from the Rippel Foundation, partly on the strength of the \$2,000,000 loan from Mass. Mutual and partly from contri-

butions obtained from business, industry and residents of the several communities served by the Hospital.

The fact that Clara Maass Memorial has been filling a void and real need in this area is evidenced by the fact that 21,985 patients have been admitted since the hospital opened in August of 1937 and an additional 4948 have been treated in the Emergency Department and then returned to their homes. Efficient patient care of this sort demands qualified nurses; and the only way to obtain and maintain a supply is to train them.

The Clara Maass Memorial Hospital School of Nursing, one of the oldest in the State, has been training nurses since 1893. The Hospital Administration, therefore, when faced with the choice of closing the School or of building the new School and Residence adjacent to the Hospital, felt they had no alternative than to make every effort to raise the money needed.

CD Offers Radio Messages To GP's

BELLEVILLE MAN LOSES LICENSE FOR 10 YEARS

A Belleville motorist, Albert Lasso, 52, of 29 Frederick Street, was sentenced to three months in Essex County Penitentiary and had his driver's license revoked for 10 years after he was found guilty of drunken driving for the second time.

Lasso appeared before Magistrate Edwin J. C. Joerg last week in Traffic Court.

The Belleville motorist was convicted of drunken driving for the first time 28 years ago. The 10-year suspension is mandatory according to state law.

Lasso was arrested by Patrolman Charles Olivo on Harrison Street on September 12 at 9:20 p. m. He was brought to police headquarters where he was pronounced under the influence of alcohol by Dr. Robert Citrino, town physician.

Fund In Final Weeks Need Bulk of Donations

As the United Fund campaign moves into its final weeks, the totals released by campaign chairman Harry French show that the drive has produced only a little more than 1-3 of its anticipated goal.

As of October 29th, only \$30,587 had been reported or 34.06 percent of the \$88,000, established at the start of the campaign as the absolute minimum needed for the current year.

At last week's meeting, Chairman French pointed out that while Belleville was among the leading towns in the area in the early stages of the campaign, we have been steadily falling behind the others as far as percentage of goal attained is concerned.

While it is true that the totals, both dollar and percentage, have been creeping upward each week, the pace will have to be increased to a gallop during the next couple of weeks if the results are to get even reasonably close to the goal.

In fact, unless more intensive effort and support on the part of both workers and contributors are forthcoming in the immediate future, it is questionable whether last year's total will be equalled.

While all of the chairmen have reported some results from their respective divisions, the three leaders continue to be industry, under the leadership of Harry Fox, with \$27,116.84 reported; Residential under the leadership of F. Douglas Wadsworth, with \$2,136.02; and Special Gifts, under the leadership of B. Thomas Aiken, with \$16,000.

It is rather sad to relate, United Fund officials declared, that 12 health, welfare and youth agencies comprising the United Fund will not be able to count on very much from Belleville based on results obtained as of this writing.

Why our town is lagging behind is hard to understand. When you think of the many warm-hearted and civillized people in this town, you know they would not run away empty-handed a Boy or Girl Scout, a palsied youngster in a wheelchair, or a retarded child.

Magazine Picks Holy Family Outstanding Church In US

Guidepost, Protestant Non-Denominational Publication, Bases Award on Outstanding Work Among Mentally Retarded

A unique honor will be bestowed upon Holy Family parish and its pastor, Rev. Magr. Anthony DiLuca, Guidepost Magazine, a Protestant non-denominational publication, after conducting a nationwide survey, is saluting Holy Family Catholic Church as the "Outstanding Church in the Country."

This award is based on service to the community and the influence this service has had on the nation at large.

Holy Family was chosen because of the program set into action for the retarded children in the area. This work, begun at Holy Family five years ago, has spread throughout the entire

Police-Firemen's Pay Raise Is Defeated By 575 Votes, 4,621-4,046 In Big Turnout

Belleville voters Tuesday turned down by 575 votes the referendum for an increase in salaries for police and firemen.

The vote was 4,621 to 4,046. A total of 10,195 persons voted out of a total registration of 16,010.

The 10,195 figure compares to 10,777 who voted in the 1958 General Election, when the registration was 16,000.

Although Tuesday's voting was regarded as heavy for an off-year election, it was noted that while a total of 8,667 had cast ballots on the police-firemen referendum, some 1,528 had not voted on that issue at all.

The salary increase would have been \$200, "across-the-board," with \$250 payable January 1, 1960 and the additional \$280 payable January 1, 1961.

Sullivan's suggestion of Commissioner Harry J. Sullivan, Jr., director of public safety, at a Commission meeting

been asked about a salary increase by members of committees for the police and firemen. He suggested putting it on the referendum since, he declared, he had been criticized for recommending a salary increase for the department of public safety two years previously. At that time the increase was \$400

across-the-board.

The first and Second Wards voted in favor of the raise by small margins, but the Third and Fourth voted strongly against the increase.

In the First Ward, the Valley section, there were a total of 410 in favor to 357 opposed, a difference of 53. The Second Ward St. Peter's Church, No. 8 School and Branchbrook Drive section, showed 1,120 for and 1,066 against, a difference of 54.

In the Third Ward, the School 3, Fewsmith Church section, a 1,317 vote in favor was overbalanced by 1,334 opposed, giving a margin of 217 against the raise.

In the Fourth, the section comprising Silver Lake, Soho, Park and Kutan Estates, the question took its worst beating, with 1,199 votes registered in favor and 1,664 against, a difference of 465 votes.

On other questions, the \$66,800, 000 college bond question was beaten in Belleville by 690 votes, 4,384 to 3,694.

The bonds were for the expansion of the department of public safety and the purpose of expanding state colleges. Opposition to the referendum appeared recently when the K of C opposed it as did Catholic Diocesan newspapers in Northern New Jersey and Trenton.

The amusement games licensing referendum received Belleville approval by a 817 vote margin, 3,362 to 3,645.

The Turnpike-Transit question got a resounding trouncing from local voters, with 5,096 voting against and 2,617 in favor, a difference of 2,479.

The referendum would have pledged the credit of New Jersey behind \$430,000,000 of outstanding bonds of the New Jersey Turnpike Authority so that present and future Turnpike surplus revenues could be used to meet transportation problems in the state.

The Sunday closing question carried Belleville by 2,550 votes, 5,587 to 3,037.

For State Senate, incumbent Democrat Donald C. Fox polled 4,886 to Albert C. Clapp's 4,000, a difference of 886.

Duffy High Here

Sheriff Neil G. Duffy, Republican seeking re-election, received 4,417 to Democrat Edward V. Weber's 3,909, a difference of 508.

In the Freeholder race for three seats, the Democrats were high in two spots and the Republicans in one. Democrat Vincent J. Commisa received 4,121; Republican Anthony L. Ceccere garnered 3,950. Three

A Mother's Vigil Over

The Body of Her Son Positively Identified

Mrs. William Armstrong's vigil is over.

One of the four bodies discovered by the Egyptian Frontier Corps last week in the Sahara Desert has been definitely identified as that of her 27-year-old son, John.

His body is being flown back to the States. A special memorial service will be held at the Fewsmith Memorial Presbyterian Church, Union and Little Streets, on Saturday, November 7th at 2 p. m. Relatives and friends are invited. The family has asked that flowers not be sent.

Funeral services will be private.

Mrs. Armstrong, of 285 New Street, was notified this week of the identification.

Armstrong had been missing since July 25th, the last time his mother received word from him.

He was traveling in Egypt with four other men on an anthropological expedition. The four students and a guide checked out of Shell, the Southernmost Egyptian customs post on the Nile July 26. They were never seen alive again. A month ago, Mrs. Armstrong became the State Department to make

worried about her son and asked inquiries about his whereabouts.

Armstrong's father was the late William Marshall Armstrong, who died in 1934. He had been a marine engineer and advisor to the Gulf Oil Company.

John received his education at College High School, Montclair, from the seventh grade through his senior year in high school. He graduated from Amherst College, Massachusetts, in 1954 with

RODINO HAS 2ND EYE OPERATION

Surgery For Congressman Is Performed At Johns Hopkins

Representative Peter W. Rodino underwent surgery on his right eye for the second time, last week at Johns Hopkins Hospital, Baltimore, Md. He was released on Sunday.

Rodino received eye surgery for the first time on September 16 at Walter Reed Army Hospital, in Washington, D. C.

Dr. Frank Maumende, chief of the eye surgery department at Johns Hopkins, performed the operation. He is one of the foremost glaucoma authorities in the country.

Glaucoma is an ailment characterized by hardening of the eye ball. The hardening is caused by excessive pressure of internal fluids whose drainage outlets are blocked.

Because of the eye trouble, Rodino has been wearing dark glasses almost constantly in recent weeks and curtailed his usual pre-election campaigning.

An aide of the Congressman said that eye specialists at Johns Hopkins hope that the latest operation will restore Rodino's vision.

The ailment was diagnosed as glaucoma early last summer, but Rodino waited until Congress had adjourned before he entered Walter Reed.

Shown above are the four students who were found dead recently in Aswan, Egypt. They had set out to make an anthropological expedition and later write of their experiences to compete for an award. The men are (left to right) Jean Pillin, Yves Tommy - Martin, John Hunter Armstrong of Belleville and Donald W. Shannon. The car that the Frenchmen are standing next to is covered with the French Tricolor. Armstrong became the State Department to make worried about her son and asked inquiries about his whereabouts.

To the Editor:
Please allow me to express my sincere gratitude and heartfelt thanks to the Belleville Police Dept. for their quick action in responding to the urgent call for help when my wife was stricken in the Synagogue on Oct. 4th.

I firmly believe that it was not for the prompt and efficient action on their part, my wife might not have recovered.

I would also like to express my heartfelt thanks to all our friends and wellwishers who prayed for her health.

Very truly yours,
S. A. DRESKIN

Dear Sir:
Vandals were not only instrumental in the downfall of ancient Rome; they also wrought unnecessary destruction in Belleville on the night of October 30. If destructive "young children" consider their damage as merely harmless fun, it is about time the parents of Belleville awakened them. Every parent that allowed his child to participate in this "harmless" release of juvenile exuberance should certainly be censured. It is indeed a pity that a parent should consider himself a worthy parent and citizen, and then, after living up to the ideals of both all year, allow his child to roam the streets, destroying the property of others, this one night a year.

What an ironic tribute it was

McKibben, son of Mrs. Viola McKibben of Kearny and the late Mr. Elston E. McKibben, was solemnized October 18. The couple were wed at St. Mary's Church, with the Rev. John Golding officiating. A reception followed at Christian's Lounge, Belleville.

Escorted by her father, the bride wore a full length gown designed with a lace scalloped neckline with pearls and a fitted bodice. The gown featured a chapel train. Mrs. McKibben wore a pearl and lace crown which held her fingertip veil. She carried two white orchids on a bridal prayer book.

Miss Mary Fortunato of Nutley was maid of honor. The bridesmaids were Miss Patricia Meade

of the parenthood of Belleville, when police officers, carrying nightsticks, had to patrol the major streets of our town, safeguarding the personal property of residents from the vandalism of these youths in whom every parent prides. If this is any reflection upon our Belleville homes, it is certainly not a pleasing one.

To the Editor:
The people of Belleville came through in grand style on the Kiwanis "Cloth for Cancer" drive. A terrific job. People of all walks of life pitched in, and with their help we closed the drive with an estimated total of 8,000 pounds. This is equivalent to about 32,000 square yards of cloth or approximately 234,000 bandages. This cloth will be turned over to the Essex County Cancer Society for processing and distribution.

On behalf of those people who need these dressings, the committee thanks everyone for their help.

Robert W. Harvey of 699 Belleville Avenue, lifelong resident of Belleville, and Michael Rubino of 8 Hewitt Avenue, a member of the Board of Education, are heading a drive to raise funds for the Boy Scouts.

George H. Brown, chairman of the Belleville district committee of BSA Robert Treat Council, announced the appointments of Harvey and Rubino as chairmen at a meeting of the committee.

The money, to be raised through the sale of merchandise by the Scouts, will be used to send Scouts to "Jamboree 1960," the 50th anniversary jamboree next year. It will be the biggest event of the 1960 celebration.

The jamboree will take place at Colorado Springs, Colo., from July 22, 1960 through July 28, 1960.

Scouts will leave Belleville, July 19 for Chicago where they will spend a day sightseeing, and then on to Colorado Springs, arriving there on July 21. Scouts will leave on July 28 for the Philmont Boy Scout Ranch in New Mexico for the four-day stay. The next stops will be the Air Force Academy, Pikes Peak and Niagara Falls, arriving back in Belleville on August 7.

About 50,000 scouts and leaders from all states in the union are expected to attend the Jamboree.

The Belleville District Committee of the Boy Scouts of America, Robert Treat Council has started preparations for the annual election and dinner, tentatively set for December 15. Committee members and Scout leaders and their wives and husbands are to attend.

George H. Brown, committee chairman, announced the following committees to arrange for the occasion: Joseph Howley and Edward Costenbader, arrangements; Frank Durkee, promotion and attendance; and William Chapman, program.

The nominating committee will be composed of Uno Anderson, Ernest Arvidson, Henry Minasian, Elder Shawyer and Joseph Howley.

Den mothers are needed for the Scout program.

Bellboys Show Power; Beat Garfield, 26-0

Roger Caruso Scores Three Touchdowns;
Meet South Side Here Saturday Afternoon

BY DOM GIOVACHINO

The Belleville High football eleven defeated Garfield High 26-0, Saturday, at rain-soaked Garfield Field. Belleville displayed a powerful running attack and strong defense. Roger Caruso scored three touchdowns and Pete Brindisi scored the fourth.

In the first period the Bellboys drove to the Garfield 15-yard line, where Garfield took over on downs. Dennis Rizin fumbled for Garfield, however, and Brindisi picked it up and raced 15 yards for the touchdown. Brindisi's kick for the extra point was good, making it 7-0.

Caruso Scores Early
Caruso scored his first touchdown of the day early in the second period. The Bellboys took a Garfield punt on their own ten. Then, after driving to their 45-yard line, Caruso broke through and scampered 55 yards for the touchdown. Brindisi's try for the conversion was wide.

Later, in the second quarter, Caruso scored again, when Jim Cardinale intercepted a Garfield pass and ran it to the Garfield 40-yard line. From there it was carried to the 29 and with seconds remaining in the first half, Caruso drove through the middle, shook off several tacklers, and ran the 23 yards for the TD. Brindisi's kick was good, making it 20-0.

The final touchdown came when the Bellboys took the lead off opening the second half and drove 64 yards for the score. Runs by Doug Bartell, Roger Caruso, Frank Annichiarico and Richard Luzzi brought the ball to the Garfield 17 yard line. Caruso then ran the rest of the way

for the six-pointer. Brindisi's placement missed the uprights and left the score at 26-0.

Subs Get Workout

In the fourth quarter coach Berlinski gave his subs a workout and they managed to penetrate as far as the Garfield 15-yard line before being stopped. This came about when a 20-yard pass play from Joe Visco to Sal La Coco put the ball on the 22. Then successive runs by John Herbert and Bill Elting brought the ball to the 19 and 15 respectively. This victory put the Bellboys' record at three wins and two losses. Next week Belleville will try to add to their wins when they meet South Side High School at Belleville Municipal Stadium. Kickoff time will be 2 P.M.

St. Anthony Team Takes Double Win

St. Anthony's 2, Belleville, pulled a game over 500 in the Essex County CVO Senior Mixed Bowling League on Sunday, October 25th, with a double win over Our Lady of the Valley 2, Orange. St. Anthony's scored with games of 642 and 638, the high being a 170 by Jimmy Mullens. Our Lady of the Valley took the wrap-up, 646-610. St. Anthony's 1, meanwhile was side-tracked twice by St. Charles 2, Newark, but held on to fifth place with an 8-4 record to date. In a tight match, St. Anthony's lost the opener by 23 pins, 735-709, and the second by 19, 711-692, but came back to win the finale by five, 754-749. George Prezioso, with 180 and Ralph Salzano with 177 made the lone victory possible.

WITH MY BOW AND ARROW: Peter Paglia, 12, stands over deer he bagged recently with a bow and arrow in Somerville. Paglia, hunting three years, is the son of Mr. and Mrs. Peter Paglia of 70 Malone Avenue. The week before he shot the deer pictured above, he had hit another deer, which got away. During his successful hunt he was accompanied by his father and by George Moura, of Newark. Peter's dad comments: "I've been hunting five years—with rifle, shotgun and bow and arrow, and still haven't gotten a deer." Peter is in the eighth grade at School 3.

Keen Competition In Keg Program

The Recreation-Kiwanis bowling program, now in full swing, has turned the Branch Brook Lanes and the Olympic Bowl into scenes of some great competition every Saturday morning. The Leagues have not been in progress long enough to have developed a true picture of the leaders, but there has been some outstanding individual performances.

At Branch Brook Lanes, where the Junior boys' bowling is conducted in three sessions, John Egan bowled a high game last week of 188 for best of the day. Best series in the first session was a 328 by Roger Conlon. In the second session, Lou Cerame posted both a high game of 140 and high series of 359. Jim Catalano's 128 was high game for the third session and Tom Campbell came in for the high series of 351.

Observations Through The Raindrops

On a gridiron wet from an all day drizzle Belleville brought their record to three wins against two losses by downing Garfield 26-0 last Saturday at Garfield.

The inclement weather kept the crowd down and while the Bellboy rooters were few, they outnumbered the Boilermaker followers, in fact the Garfield squad seemed to number more than the spectators on the Garfield side of the field.

The Blue and Gold defense completely throttled the Boilermaker attack. Garfield only once had the ball as close as the Belleville 35 yard line and this came as the result of a poor punt uth thew slippery pigskin. This threat ended when Joe Cernero intercepted a fourth down pass.

Vince Moreno made the short punt which gave Garfield their only scoring opportunity of the game but earlier in the game made a fine punt of 42 yards which went out of bounds on the Garfield two yard line. In the last two games the punting of Moreno has been good.

The Bellboys moved the ball well in the first quarter but were unable to score until Pete Brindisi scooped up a fumble on the 10 and ran over for the score near the close of the period. Pete added the first of his two conversion kicks, giving him eight points for the game.

For the first time this season Belleville was able to score on long runs. Roger Caruso had his best day picking up 167 yards on eleven carries for an average of slightly over 15 yards per try. He scored three-times on runs of 55, 30 and 18 yards, on other occasions he dashed 21 and 16 yards. His thirty yard dash to pay dirt was particularly good for he was hit several times but managed to keep his feet and went over with one second left to play in the first half. Pete Brindisi and Bob Harvey made good blocks on Caruso dashes.

The injury jinx, which has made it difficult for the Blue and Gold all season, stayed away on this rainy afternoon with only Fred Partus and Mike Smith coming up with slight injuries but both should be ready to go against South Side on Saturday.

When Nick Del Guercio was brought down with a broken collarbone in the Bloomfield game and Joe Visco, the second string quarterback was also injured, Eddie Berlinski had a quarterback problem. Frank Annichiarico was tried at the spot in the Nutley game but this did not work out; then George Sheridan got the nod and has done a good job in both the West Side and Garfield games. He handles the ball well, calls his plays smartly and usually hits his target on passes.

The line play was at its best of the season. Pete Brindisi and Alex Iacullo made fumble recoveries and Joe Cernero intercepted a pass. As usual the opposition found it difficult to turn the flanks with Condon and Harvey there.

With the score 26-0 and seven minutes left to play in the third quarter, Eddie Berlinski began to substitute freely in order to hold the score down and to give some of the other boys a chance to show what they could do. Rich Luzzi who did so well in the West Side game slowed down a bit, his kickoffs were long but he gained only ten yards in nine carries and lost the ball once on a fumble. This was the only time that Belleville lost the ball on a fumble which is a credit to Bellboy ball carriers on such a wet day in which they handled the ball much oftener than the Boilermakers who lost the pigskin three times on fumbles.

The Garfield freshmen team did better than their varsity for they downed the Belleville yearlings 27-14.

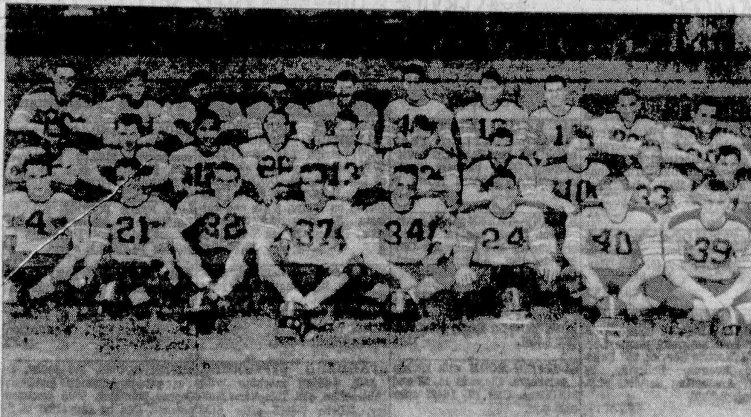

The scramble for supremacy among area group IV schools gets closer as the season enters its final weeks. East Orange is still undefeated but must meet Orange, Columbia, Montclair and Barringer; any one of the last three could beat the Panthers and really put the issue in doubt. Barringer is undefeated but has played a tie with Plainfield while Montclair and Columbia both have lost only once.

Saturday Belleville will tackle South Side at Municipal Stadium. The sunnysiders have won two while dropping three. The Newark team showed their best form of the season in downing Weequahic 21-7 in their most recent outing. Belleville has given but two touchdowns in their last three games and should be able to contain the South Side attack and win number four of the season.

Safety For Hunters

For the safety of hunters, a new "flare red" tissue has been manufactured by the Kimberly-Clark Company of Wisconsin. The familiar white Kleenex, now turned red, appears in cellophane packs. Many hunters have been injured taking out a white handkerchief which has been mistaken for a moving animal. The idea of hunters using a red tissue was conceived by two ardent sportsmen, Herb Take and Dick Wahl, who incidentally are also Kleenex salesmen.

JOHN F. RYAN SPORTS FIGURE IS DEAD AT 50

Former Head of Boxing Managers Guild, Was Known As "Rosy"

John F. Ryan, Jr., of 55 Branch Brook Drive, Belleville, formerly of Nutley, died October 27 at Clara Maass Memorial Hospital, Belleville, following a heart attack. He was 50.

A former president of the Boxing Managers Guild of New Jersey, Mr. Ryan was born in Harrison and moved to Nutley in his youth. His parents, the late Mr. and Mrs. John F. Ryan, resided for many years at 59 Union Avenue.

He attended Nutley High School and was graduated from St. Peter's Preparatory School, in Jersey City, where he starred on the baseball team. He later played semi-pro ball, and was widely known throughout Essex and Hudson Counties, as "Rosy" Ryan. He also played soccer with the Harrison Hudsons for several years.

During his career as a boxing manager, "Rosy" managed such fighters as Frankie Conn, Red Applegate and Larry Lane. In more recent years he was active in youth work as a boxing instructor, assisting Mickey Greb in the boxing program at

St. Mary's C.Y.O.

Mr. Ryan moved to Belleville ten years ago. He had been employed in recent years as an accountant for the United Fruit Company in New York City.

Surviving are his wife, Mrs. Mary Sullivan Ryan; a son, John F. Ryan, III, of Belleville; two daughters, Mrs. Patricia Kelley of Hasbrouck Heights and Miss Sharon Ryan, of Belleville, and three sisters, Mrs. Nan Connaughton, Mrs. Cecilia Weisbrod and Mrs. Marion Speary, all of Nutley.

Funeral services were held Friday from the Condon Memorial Home, in Harrison, with a Requiem Mass in St. Peter's Church, Belleville. Burial was made in Holy Cross Cemetery, North Arlington.

Bellboys Lose

Two Meets

BY DOM GIOVACHINO

The Belleville High cross country team lost two meets recently, one to Bloomfield, Tuesday, Oct. 20, by a 17-38 score and the other to South Side, on Thursday, the twenty-second, 16-39. These losses brought the Bellboys' record to two wins and nine losses.

Ernest Steffanelli turned in his best time of the year against Bloomfield. He ran the hilly, 2.5 mile Belleville Park course in 12:57. However, he was preceded

by Ericson, 12:55, Yessman, 12:56, and Demarest, 12:57 of Bloomfield, and was only able to take fourth for the Bellboys. Steffanelli was followed in by Tom Peck of Bloomfield in 12:58.

The next Belleville runner to come in was captain Bob Daddis, finishing tenth in 13:31. He was followed by his teammate, Bob Cornish, with a 13:46 timing.

South Side showed off their strength by placing all six of their men that ran in the first ten places. The first position was taken by R. Yee, finishing with a very fine timing of 12:37 for South Side.

Belleville's coach, Mario DiMaggio, remarked about Yee, and said he expected him to be "state champion either this year or the next." Yee was followed by Davis, 13:16, Hughes and Jefferson, the latter two crossing the wire together in 13:24.

Steffanelli prevented a shutout by placing fifth in 13:47. He was followed in by Brady and Glanton of South Side with 13:48 and 13:50 timings respectively.

Bob Cornish, 15:13, Bob Daddis, 14:36 and Jack Schuddeboom, 14:52, captured the eighth, ninth and tenth positions for Belleville. They were followed by Fred Mammes 15:12, Ron Simmons, 15:22, Mike Slusavage, 15:38 and

A very important ingredient in the success of industries operating in New Jersey is the availability of skilled labor. This is proven by the unusually high value added by manufacture of products made in our state.

The variety of diversified skills is shown in the wide range of durable and non-durable goods manufactured at the Crossroads of the East. Workers are experts in chemicals, in fabrication, in complex instruments and textiles and ceramics, as well as with needle and thread.

In its training in vocational schools, New Jersey leads all other states by a wide margin in expenditures per pupil. Courses in the 20 schools cover all trades, and they serve as training grounds for employees in all types of manufacturing.

You should be happy and proud to be a part of New Jersey—

Bowling News

The three leagues of 7th and
8th grade boys which bowl at the
Branch Brook Lanes each Satur-
day have begun to develop their
talents.

In the Early League in the in-
dividual standings Roger Conlon
has a near monopoly. Conlon has
the top mark for high total at
809, high series at 430, high
average at 134, and shares the
high game honors with J. Bauer
at 180.

The Noon League also has a
tie for high game with both J.
Rozek and J. Farrah each boast-
ing 145. N. Costa has the best
series to date with a 386 and L.
Ceramie carries the high total of
709. N. Costa is also the current
possessor of the high average
with 128.

The Late League individual
highs are entirely dominated by
J. Corneil, who has the high
average of 114, high game of 132,
high series of 371, and high total
of 688.

School News School 4 School 7

School Four's various programs for their special classes have opened new doors to a more promising future for their students. Recently the school acquired a complete printing press outfit at the Globe Printers, Newark.

The press was bought with the money that was made from the sale of a boat which the boys in the special classes built. The printing press and its operation offers cooperation of basic subject matter. The students will learn to set type, compose copy, edit and correct the mechanical features of the press. All this will enable him to practice the fundamentals he has been taught.

The students, while learning the trade, are also learning reading, arithmetic and English skills, which are all necessary for the manipulation of the press.

The press was acquired through the cooperative efforts of Sal Senatore, a local printer, and David Brown of the Globe Printers, Newark.

Senatore will donate two hours a week to instruct the students in the proper care and use of the press. The School Four P.T.A. will donate money to buy wood cuts.

The special classes were initiated in 1952. At present there are four classes with four specially-trained instructors.

Grade seven presented the first program for the year on Wednesday, October 27th.

A bit of advice, "Use Time Well," was given in a choral reading. This was followed by more advice relative to the care of the school in a song written by the class.

"The Town Musicians" was dramatized for the entertainment of the young children. The talking animals and other characters in the story were made in the art class.

The school patrol had a share in the program. They presented a skit, "A Day with the Patrol."

A Halloween routine by the girls and two songs followed to end the program.

Solo and leading parts were taken by: Susan Nowelsky, Eleanor Mostello, Joseph Cervasio, Michael Mastrolucio, Peter Esch, Keith Stanton, Ellen Wiener, William Alexander.

Others taking part were: Dorothy Aiello, Marjorie Barnes, Barbara Colatella, Mary Ann DePhillips, Marion Freid, Joyce Grandee, Pamela Knapp, Eileen Laiko, Susan Petro, Carol Palestano, Beverly Wilson.

Also John Carney, Robert Casper, Peter Esch, Michael Garten, Thomas Giordano, Stephen Hoffman, Glenn Mansolillo, Joseph Maso, Gerald Novik, Vincent Price, William Rush and Christian Schult.

New Magazine at Number Eight Added to a rather large list of periodicals arriving at Number Eight every month is a new one called "AMERICAS," published by the Pan American Union. This periodical deals with facts pertaining to all the countries of that organization.

Teachers Read The New York Times Twenty copies of the New York Times are sent each morning to School Number Eight. School personnel are its readers.

New Number Eight Teachers' Room At the cost of \$400.00 a new rug was purchased for the Teachers' Room. It is nineteen by twenty feet. The one discarded did service for thirty-five years.

Pre-Winter Garden Chores at Number Eight

Now that the frost has come to Belleville, it created a chore of getting up the damaged canners which were such a success last summer.

Under the direction of Harry Fritz, science teacher and graduate of an agricultural college, the canners were cut to six inches above the ground and these tops are tossed on to a compost heap.

There remains a hard job of digging up the tubers with clumps of earth and storing them in a cool cellar. (Since canners are a tropical flower, they must be dug up every year.)

Number Eight Nunoel has cellar and storage space. They will be stored there for the wait until the spring planting season.

School 9

The sixth grade science class presented a puppet show entitled "The Challenging World of Tomorrow" written and directed by Mr. Pezzino, their teacher. Among those present were Evan Thomas, superintendent of schools and Mrs. Violet Spray, principal.

The skit was about nine leading American scientists who met, for their annual science conference to answer the public's questions. The reporters were Susan Borino, Glen Current and Florence Kanovsky.

Playing the part of the scientists were Susan Long, Daniel Waldron, William Murthy, Daniel Petersen, Angela Cicerelli, Sandra Brown, Linda Waldron, Marilyn Noto and Vincent Esch.

The two Charlotte McMinis and Patricia Natale. They dramatized a trip to Mars. The program was recorded on tape.

School 1

BY ROBERT BONKOWSKI AND FRANK CICALERA. The grade English class is planning on presenting a play titled "The Glorious Whiteaway." It is adapted from the story of "Tom Sawyer" by Mark Twain.

The cast is as follows: Robert Bonkowski, George Thormason, Donald Nock and John Haffner.

John Rogers of Miss Boland's eighth grade class experimented with bacteria. He grew some bacteria cultures in a petri dish and later made some slides.

Social Notes

Carita Pendergast of 70 Berkeley Avenue is serving on the publicity committee of the Turnabout Square Dance to be held at Fairleigh Dickinson University Friday, November 6 at 8:30.

The affair is sponsored by the Women's Recreation Association.

ON "MEDICALLY INDIGENT"

The term "medically indigent" is used throughout the nation to indicate a group of people who although normally self-supporting can't afford to pay for medical care.

The problem, as pointedly raised by the report of the Public Medical Care Commission, is that no State in the union, no Federal bureau, nor any segment of the vast field of health has a standard and consistently usable definition of the term "medically indigent."

Let's put the problem in more tangible terms.

A 45-year-old man with a wife and three children who earns \$60.00 a week falls down stairs in his home and suffers complicated fractures in the upper leg which require surgery and six months convalescence and physical rehabilitation. Somewhere along the line he will be medically indigent. His hospitalization coverage is used up, he's exhausted the last loan on his insurance, perhaps he's sold the car or his home, if he owns one of his own.

When did he become medically indigent? At what point is a public medical care program obligated to step in and see him through the cost, and help him get back to work?

At present there is no single and clear answer in the sovereign State of New Jersey.

Let's take the same man and the same family situation, but we'll change two factors in the equation. In the new case, our man earns \$163.00 a week and his injury is such that he will require a year-and-a-half of medical care and physical rehabilitation.

When is he medically indigent? At what point is a public medical care program obligated to see him through the hospitalization cost and help him get back to work?

When does a man become medically indigent in trying to pay the bills for a wife who is the victim of an incurable cancer? How about the family who's child has a severe case of rheumatic fever?

The types of cases pyramid in the mind when one thinks of the variety of illness and accident that flesh is heir to.

One form of accident or disease can make one family medically indigent within weeks, perhaps in another more financially able family, it will take months before a situation of medical indigency arrives. But for most of us, it will arrive with alarming rapidity.

Yet no one knows what medical indigency really is in terms of when government in New Jersey may or should step in and help out.

The Public Medical Care Commission, inciting this problem, did not assume that a voluntary Commission could be sufficiently expert to sit down and define a term which has defied the best public health minds in the nation.

The Commission recommends that the Board of Control of the Department of Institutions and Agencies define medical indigency in this State. The Department of Institutions and Agencies is charged with the responsibility of maintaining and improving the health and medical care of the people of the State, in addition to numerous other heavy responsibilities assigned to it.

It is the contention of the Commission that I & A is best equipped to develop a formula which will give this State its first consistent definition of the term, and a definition which will be a guide to all public and private agencies engaged in the field of health.

The Commission well recognizes the difficulty of the task facing the Board of Control. The Commission also recognizes that the Board has authority under current law to develop and administer such a formula.

It is also inherent in the Commission's recommendation that no one expects that the Board of Control will produce a perfect formula. However, expected imperfection is not an admissible defense against the idea of trying.

Throughout its report, the Commission frequently notes the excellent co-operation and support it has received from the Department of Institutions and Agencies. Further, the assignment of this admittedly difficult task to the Department demonstrates the confidence of the Commission in the Board of Control.

In order to help people in need of medical care at a time when they can't help themselves, it is the duty of the State to provide a standard. Drawing on the massive facilities and skills of the Department of Institutions and Agencies, the Commission has pointed to the only logical way of solving this dilemma in New Jersey.

There is no question but that the Board of Control, after proper study and debate, will achieve the best formula possible for our State. And in developing that formula, imperfect though time may prove it to be, New Jersey will have taken the lead in doing a job for its own, and will have provided leadership for others confronted with the same problems and the same high aims.

TRIBUTE TO

Belleville Times-News

BE IT RESOLVED

that

Belleville Lodge of Elks, 1123

Recognizing that a free press is the cornerstone of all our freedoms.

Salute the Belleville Times-News for its dedication to the job of keeping the people of our community informed.

For exposing wrongdoing.

For fighting against censorship or suppression of news;

To put over a civic project or to aid a worthy cause.

Officers of B.P.O.E. 1123:

Edmund Strat
Charles G. Zimmerman
Anthony Caruso
William Crawford
John H. Ryker

The Belleville Times-News was honored recently on the occasion of National Newspaper Week by Belleville Lodge of Elks, 1123, for "its dedication to keeping our community informed," "for exposing wrongdoing," and "for fighting against censorship or suppression of news." The Times was also lauded for aiding civic projects and worthy causes.

Justus Rossback of Roselle sued Patrolman John J. Flynn, the Belleville Copper Rolling Mill and its paymaster for \$50,000 for false arrest in connection with 1934 robbery.

The tribute, shown above was accepted by Publisher Frank A. Orechio, of behalf of The Times-News.

Edmund Strat, exalted ruler of Elks Lodge 1123, declared: "We Elks are proud of our free press and of the men and women who by their dedication to the job of keeping people informed, have helped to preserve and strengthen our democracy."

Strat noted that the Order's participation in the annual Newspaper Week observance has been an Elk tradition for the past decade.

"It's a tradition that has great meaning for our Order, which stands for the preservation of our free society, Exalted Ruler Strat stated.

Commissioner Williams announced that town and school employees would get 30 percent of their pay in cash, and the remainder in bonds.

Patrolman Patrick J. Finn asked for retirement after 26 years on the force.

John L. Hudson of 14 Wilson Place answered critics who claimed that town hall was about to fall down five years after being built; claimed it was the "Gibraltar of Belleville and one of the most substantial (town halls) in America."

UP SPEAK

Dear Sir:

I always search your paper for poems which I so much enjoy and sometimes I see some written by my friend Dorothy de St. Clement of Nutley which pleases me greatly.

My granddaughter, Barbara Baxter, 8 years old, gave me a copy of her poem which she submitted to a club to which she belongs. The members remain one hour after school one day a week for poetry study.

I have showed this poem to a number of my neighbors and they have been interested and enthusiastic over it. Quite a number of people in town know Barbara as her other grandparents live here and her parents were graduates of Belleville High School. If you like this poem enough to print it in your paper, I shall appreciate it very much.

ED NOTE: WE LIKE IT!

To the Editor:

I have been a resident of Belleville twenty-five years and have had several occasions to ask assistance of the police and fire department. I can only use superlatives when I speak of their promptness, courtesy, and efficiency. I want to express my grateful appreciation for the wonderful way they helped my husband October 17.

Mrs. George Derbyshire
472 De Witt Avenue

Dear Sir:

On July 7th of this year my son, Frank, was injured in the course of employment at the Eastwood Nealey Corp. of Belleville. Although he suffered a severe fracture of the ankle and is still in cast, due to the very prompt efficient service of the firemen on the ambulance, who rendered first-aid, the injury was prevented from becoming much worse.

During his convalescent period at home, he collapsed and was ordered, by ambulance, to the hospital, by the attending physician.

My wife and I will always be very grateful to both the Police and Fire Department members, who responded to both calls within minutes of being notified. It's a good feeling, to know, these dedicated men are on twenty-four hour call to render capable services where ever and when ever needed.

John D. Donohue "Scholar of Year"

JOHN D. DONOHUE

John D. Donohue, son of Mr. and Mrs. John F. Donohue of 73 Berkeley Avenue, is the winner of the first "Belleville Foundation Scholar of the Year" Award.

The announcement was made by Mr. Hugh Kittle, chairman of the awards committee and Principal of Belleville High School. John, a graduate of St. Benedict's Preparatory School in Newark and a lifelong resident of Belleville, received the award for attaining the highest academic standing for the 1958-9 school year among the college students sponsored by the Foundation and will receive a prize of \$500 for this achievement.

Currently in his senior year at St. Michael's College in Winooksi, Vermont, John is working for a degree in Accounting and plans on a teaching career.

The Belleville Foundation Scholarship Fund, which has been in existence since 1947 and has assisted more than forty students, initiated the "Scholar of the Year" Award this year to inspire a spirit of competition among Foundation sponsored students and thereby raise the standards of all of them.

Amvets Elect

The Belleville Amvets Memorial Post 28 recently elected Michael V. Marotti post commander. Marotti was post commander in 1948, 1953 and 1958. He succeeded Sal Passafium who is chairman of the Amvets home being built by post members on Newark Avenue. The building is expected to be completed within two months.

Other officers elected were Jack Francis, first vice commander; Ted Serritella, second vice commander; Angelo Russo, third vice commander; Salvatore Mondo, adjutant and Elliott D'Angelo, provost marshal.

Also, James Gallo, finance officer; Vincent Marone, judge advocate; Anthony Bocchino, Frank Ardino and John Lorec, trustees; Orazio Giangrande, public relations officer and Peter Salerano, chaplain. All officers will be installed at a later date.

"Integration," a 30x36-inch painting.

"Mother and Child," an 11 x 28-inch painting.

Helen A. Del Grosso, artist and teacher, has opened an exhibition of her paintings and drawings at the Belleville Public Library.

They will be on view at regular library hours until November 27th.

One of the artist's works entitled "Man On The Balcony"

was purchased by the Museum of Art, Springfield, Massachusetts, for their permanent collection.

Her work has been included in many of the major juried state exhibitions including the Newark "Festival Of The Arts" which exhibited her painting entitled "Integration."

Also her work has been shown in several competitions such as

the Painters and Sculptors Society National Exhibition at the Jersey City Museum.

She is currently an instructor in the Nutley Adult School. Mrs. Alfred Del Grosso, as she is known socially, resides with her husband and family of five children at 413 Cortlandt Street, and works at home.

Board Tables 2 Resolutions On Purchasing

The Board of Education this week introduced two resolutions in an effort to change the business administration set-up of the Board.

The first resolution attempted to place expenditure restrictions on the Assistant Superintendent of Schools, Harold Dufford.

The resolution was modified by one which was introduced by Mrs. Mary Coronato. This suggested that the Board secretary, Mrs. Mary Shader, sign all contractual orders and that she should be permitted to approve expenditures not to exceed \$100 for essential items when the Board is not in session. These expenditures would be ratified by the Board at the following meeting.

Both resolutions were tabled pending further discussion; however, a long hassle arose at the meeting between Board members regarding the two resolutions.

Mrs. Coronato was asked to clarify her resolution. Michael Rubino, member of the Board, introduced a third resolution regarding the business administration practices.

Superintendent of Schools Evan Thomas stated that Mrs. Coronato's resolution "represents a significant departure from the administrative practices and should be resolved only after long and serious consideration."

The board granted the Veteran's Council's request to close the schools in Belleville Veteran's Day, November 11. A film on the Chicago fire was shown prior to the meeting by one of the most crucial changes since an elective board. He also suggested that the resolution Fire Department.

In CYO Contest

Walter Frasier of 38 Crestwood Ave., Belleville, a CYO member at St. Valentine's Church, Bloomfield, has been entered in the junior division of the annual March of Talent contest sponsored by the Essex County CYO.

Walter will compete first in a preliminary contest to be held at Our Lady of Mt. Carmel School in Orange on Nov. 10 at 8 p.m. Six acts from that contest and six from another preliminary will move on to the county finals where four winners will be chosen. The finals are listed for St. Rose of Lima, Newark, at a date to be announced.

Walter is a violinist. In the contest he will give his rendition of John Philip Sousa's "School Cadets." He is one of 34 youngsters who have been entered in the junior division.

The four county winners will move on to archdiocesan competition against the talent winners from Hudson, Bergen and Union Counties. That contest will be held later this month.

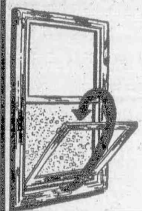

Each contestant will be given five minutes to perform his act. Each will be scored separately in three categories by a trio of judges. They will award a maximum of 10 points for the suitability of the number, the actual talent displayed and pose in presentation.

TAX SALE

Notice of Sale of Property for Non-Payment of Taxes, Assessments and Other Municipal Liens.

PUBLIC NOTICE IS HEREBY GIVEN that the undersigned, Collector of Taxes of the Town of Belleville, in the County of Essex, will sell at public auction in the Commission chambers in the Town Hall of said Town on

MONDAY, NOVEMBER 16, 1959

at 10 A. M. the following described lands:

Said lands will be sold to make the amount of municipal liens chargeable against the same on the first day of July 1959, as computed in the following list together with interest on said amount from the first day of July to the date of sale and costs of sale.

Said lands will be sold in fee to such persons as will purchase the same subject to redemption at the lowest rate of interest, but in no case in excess of eight per centum per annum. The payment for the sale shall be made before the conclusion of the sale or the property shall be resold.

Any parcel of real property for which there shall be no other purchaser will be struck off and sold to the Town of Belleville in fee for redemption at eight per centum, and the municipality shall have the same remission and rights as other purchasers, including the right to bar or foreclose the right to redemption.

The sale is made under the provision of an act of the Legislature entitled, "An act concerning unpaid taxes, assessments and other municipal charges on real property and providing for the collection thereof by the creation and enforcement of liens thereon." R. S. (54:3-19 to 54:3-11).

At any time before the sale the undersigned will receive payment of the amount due on any property, with the interest and costs incurred up to the time of payment.

The said lands so subject to sale are described in accordance with the tax duplicate, including the name of the owner as shown on the last tax duplicate and the amount of taxes, assessments and other municipal charges thereon on the first day of July 1959, exclusive, however, of the lien for taxes for the year 1959, are as listed below:

Local Girls To Model At Theatre Party

PRETTY MISSES: Two Belleville and two Nutley girls will be among the models in the fashion show and theatre party being sponsored by American Legion Post Office 300. The affair will be held next Tuesday, November 10th at the Elwood Theatre, 642 Broadway, Newark. Shown, left to right are Joane Podgorski, 130 Kenzel Avenue, Nutley; Joyce Quosig, 115 Alexander Avenue, Nutley; Patty Szweczyk, 580 Washington Avenue, Belleville and Judy Lee Napp, 104 Division Avenue, Belleville. The girls were selected as models by Miss Marnee Steffens, who operates the Marnee Steffens School of Poise in Montclair and Hackensack. Post 300 has members in both Belleville and Nutley. Proceeds will be used by the Post for hospital parties at the East Orange Veterans' Hospital and the Essex County Sanatorium, as well as others. Also benefitting will be the Post rehabilitation program for 1960. Tickets may be secured from Post Commander Alfred Bonadies, 212 Hancox Avenue, Nutley, NOrth 7-4733. They also may be bought at the door.

At the November 16 meeting of the Belleville High School P.T.A., seven teachers who attended 1959 summer institutes will be present. The teachers are, seated left to right, Helen Hollberg and Pames Chiara. Standing, left to right are, Thomas Testa, Claude Perry, Mary Lou Berardinelli, Ralph Correll and Mario Di Maggio. The program was prepared by Henry Miller, Mario Di Maggio and Hugh D. Kittle, principal of the high school. Mrs. Max Schwartz will preside. The public is invited to attend. Theme of the meeting is "Praise and Appraise Your Schools and Teachers."

More Oriole Players Sign

Two more Belleville Orioles have signed major league baseball contracts, manager Bill Murphy has revealed.

The two are, Richard Vincz, the big right-hander from South River and Billy Monisera, third baseman.

Vincz was signed by the Milwaukee Braves and will report to a Class "D" team in Florida this spring. The Chicago White Sox signed Monisera, who will be assigned to a farm club later.

Vincz won five games for the Orioles and lost one this season. He came up from South Jersey to play with the Orioles late in the season. In fact, manager Murphy discovered him in summer school throwing in the school yard before class. Rich stands 6 feet one inch tall and throws and bats right handed. He was signed by the Milwaukee Braves chief scout on the East Coast, "Honey" Russell.

Monisera reported to the Orioles right after school was over this season. He had a hard time with the bat, but he had plenty of speed, and in the words of manager Murphy, "a great arm." Toward the end of the season, he started to show signs of hitting. But then he got sick and started to slow down a bit. Not however, before the Sox got a good look at him.

Monisera played third base for Lyndhurst High School last season. "Dutch" Deutsch, the White Sox scout in the East, signed young Billy.

The Orioles continue to help young talent into organized baseball. With the signing of Vincz and Monisera, there is a total of ten young boys who will have gone to farm leagues from Belleville in the past two seasons.

The Orioles finished first in 1958 and last in 1959, but manager Murphy feels the team is doing a job that all semi-pro managers should have uppermost in their minds: "Help the kids into college or major league baseball."

In both counts, Murphy maintains, the Belleville Orioles lead the parade.

Phil Fidalgo, scholarship to Villanova College; Jimmy Sanders, scholarship to North Carolina State; Fred Alworth, scholarship to Villanova; Billy George, scholarship to Claremont College; Billy Rhatigan and Jimmy Dattoli, scholarships to Seton Hall; Frank Manning, scholarship to Rider College.

Concludes Murphy: "We the Orioles management, stand guilty of both counts, helping boys to go to college as well as to the major league farms."

School 9

The regular meeting of the P. T. A. of School Nine will be held 8 p.m. November 19 at the school. Mrs. D. C. Macaluso will preside.

Since November is dedicated to education, the program will deal with the importance of reading. Miss Pauline Orsulak, Mrs. Dominic Lally will explain their methods of teaching. Miss Orsulak teaches normal reading and Mrs. Lally, the remedial reading. Mrs. Daniel McCarthy, Program Chairman, has arranged the program, and an invitation is extended to all persons interested in the reading and progress of their children.

Eleanor Bacon-Peck, well-known teacher and lecturer of 97 Preston Street recently lectured on "The Correlation Of the Arts" at the opening meeting of the MacDowell Club of Mountain Lakes at the Community Church. Illustrating Mrs. Peck's remarks was a young pianist from Roselle Park, Robert Purdy, who has a B.A. degree from Rutgers. The community fund was formed primarily to put an end to this chain of successive, individual appeals so that through one single drive it would be possible to make one contribution large enough to take care of all the agencies involved.

If on this basis, every resident and every worker will accept his individual responsibility to share enough with these agencies, Belleville can be assured of its rightful place among the other communities in this area when the final

At Amherst he majored in English Literature and graduated Phi Beta Kappa and Magna Cum Laude. He attended Harvard for one year and received a Master of Arts degree in English Literature.

In 1935 he enlisted in the United States Army and was stationed at Fort Dix and Camp Devens, Massachusetts. While in the army he attended Army Language school at Monterey, California to learn Mandarin Chinese.

In 1937 he went to the Philippines where he was attached to Clark Air Force Base as an interpreter. Armstrong was discharged in August, 1938. He left for Paris on September 15, 1938 after receiving a Fulbright Scholarship to study French and Chinese at the Sorbonne.

During his studies at the Sorbonne he translated Chinese into French.

Christmas, 1938, he flew to London to visit relatives. During Easter vacation, he hitch-hiked to Italy to spend a few days in Florence.

While at the Sorbonne, he renewed acquaintance with Yves Tommy-Martin who had also attended Amherst College. Tommy-Martin planned the trip to Africa as an anthropological expedition along with Jean Pillu, a doctor of pharmacy.

Three weeks before the planned expedition both Armstrong and Donald Shannon, another American student, were asked to join. The two Americas bought a French car, similar to the one the Frenchmen had, and the four students left Paris on July

SETUP SPEAK

To the Editor:
 I was gratified to read in the October 29th issue of the Times that the Belleville Board of Education has passed a resolution against the use of pressure groups to gain special privileges. After all, the basic reason for the existence of the schools is for the benefit of our children and not for the enhancement of any office holder or school official and therefore the passage of a resolution which will foster the improvement of the school system is appropos.
 A school is only as effective as the character of its teaching staff and any measure such as this which places a premium on performance rather than on political considerations, should be welcome by all teachers because it is a first step toward assuring that their recognition and promotion will be a function of their dedication to duty and performance, and not due to any political connections.
 Good teachers make good schools and good schools develop good citizens. Belleville needs the best and can only secure it by recognizing merit and rewarding it accordingly. Consequently I like to suggest a series of other resolutions for the Board of Education's consideration, but prior to doing so I should like to quote a letter received by the writer from Governor Meyner on Oct. 28. Quote:
 Dear Mr. Calabro:
 I have reviewed the contents of your letter of Oct. 1 with the Department of Education. I have been informed that the Commissioner of Edu-

cation has asked the Board of Education of Belleville for a report on the matter.
 The Department of Education will review whether or not any changes are necessary in the present statutes and make recommendations for any changes which may be needed.
 Sincerely yours,
 Robert B. Meyner, Governor
 This letter, coupled with the action of the Belleville Board of Education is very gratifying because it represents an indication of the progress being made by civic minded individuals dedicated to improvement in our institutions.
 Accordingly my further recommendations to the Belleville Board of Education are herewith submitted for their consideration as subjects for action.
 (a) The board should clearly and concisely define their objectives to the superintendent of schools and ask him to devise a plan of operation to achieve these objectives and submit it for board approval. Upon approval of the superintendent, he should be free to carry out his plan without interference from the board or any of its members.
 (b) Provide a code of ethics and standards for the guidance of all school personnel.
 (c) Prohibit active participation in political activity by teaching or administrative personnel. This resolution could well be patterned after the Hatch act of the Federal Government.
 (d) Delegate the power to transfer principals and teachers to the superintendent and limit the board to the broad challenge of new assignments. It would also better prepare the teachers for future advancement and benefit pupils because of the

Resigns Post

JOHN A. PETTIT
 John A. Pettit has resigned as president of the Pettit Paint Company, Belleville. He was with the firm many years, including the period of its greatest growth. Mr. Pettit has been extremely active in boating organizations and is president of the National Marine Products Association.
 A new paint firm, The U. S. Yacht Paint Company located at Roseland, has been founded by Mr. Pettit. This new firm will specialize in a complete line of epoxy and alkyd coatings formulated specifically for marine use.
 Pettit states, "U. S. Yacht Paint Company is providing a method of faster and more complete service to marine paint users, along with the newest developments in the coating field."

broader perspective which would be available as a result of this policy. It would also eliminate stagnation and undue familiarity due to prolonged assignments.
 (e) In the interest of attracting the best teachers in the state, provide the highest salary scale, but whose degree of attainment is a function of the teacher's merit. This merit should be evaluated in an impartial manner by considering such factors as the effectiveness of the instruction as evidenced by the attainment of the students, the teacher's dedication to duty as evidenced by the teacher's earnest desire to do remedial work on her own volition-teacher attitudes and department as noted by her supervisor.
 (f) Provide detailed job descriptions for each position in the school system and a wage scale commensurate with the duties and responsibilities of the position.
 (g) Provide the necessary organization and functional charts indicating who and what are the responsibilities of each person.
 (h) Provide a system of annual salary reviews for school personnel, along with the maximum for the position is achieved. This system should provide the method of rating the employee and an explanation of why an increase was not granted and the reasons for the action. This will assure a constant pattern of improvement for school personnel, provide motivation and high morale. A person who does not qualify for an increase in salary after successive reviews should be dropped from the rolls for incompetency.
 (i) Provide a detailed grievance procedure for school personnel and for citizens in general who are dissatisfied with some facet of the school function.
 The above represents but a part of some of the urgently needed reforms which are considered necessary to develop our school system as the finest in the state. A school does not consist of brick and mortar, but is made up of people and when the content there is no doubt that both teacher and pupil will benefit in the end.

Dear Sir:
 In your October 29 issue an open letter was submitted by the members of the Belleville police and fire departments with regard to the question on the ballot of their pay raise.
 Should there have been any implication taken from this letter with regard to the members of the medical profession, we deeply regret same. Because for our mutual close relationship regarding the welfare of the people of Belleville, we have always had a very high regard for our doctors.
 We are writing this letter as we do not want any misunderstanding between the doctors and ourselves.
 Again we deeply regret any implication there might have been.

Dukes Lose First Game Of Season

The Belleville Nutley Iron Dukes five game winning streak came to an abrupt end at Stratford, Conn. last Sunday afternoon, as they bowed to the undefeated Stratford Glants, 24-0, before a sparse crowd of 1,900 (including 3 busloads of Duke fans).

The game was played in a constant drizzle, which helped restrict the Dukes' vaunted passing attack but didn't seem to bother the Glants' passing combination of quarterback Joe McHugh to end "Big Bill" Mead.

The Dukes took the next kickoff and drove 74 yards to the 6 yard line, where Jack Panico's pass to Perry Mayers on 4th down just in the end zone.

The Dukes then returned a poor punt to the Glant 39. Five plays picked up a first down on the 5 yard line. Bartolazzi apparently bucked to the 2 yard line, but Belleville was penalized for "illegal procedure" as an Iron Duke halfback slipped "backwards" in the mud just before the ball was snapped. After 2 more plays failed to gain, Panico was snowed under on the 32 yard line when he was unable to find a receiver for clear.

The turning point in the game took place with 4 minutes to play in the half, as Panico was clipped, near midfield, following a Giant interception of Dick Bartolazzi's pass. He will be out indefinitely with torn ligaments in his left leg.

Stratford again took to the air to score their second. Mead made an "impossible" catch of a McHugh aerial in the end-zone, with just 20 seconds to play in the first half. Gloria again converted to put the Dukes 14 points down.

The Dukes came out for the second half "fired up," driving 70 yards to the Stratford 10 before they ran out of gas. Shortly thereafter, stalwart left tackle Norm Jacobson was kicked in the back, suffering a fractured vertebrae. He will be out for the balance of the season.

Late in the 3rd period, Stratford drove 49 yards to a 3rd score, mostly on short slants as the bulk of the Stratford line began to wear down the visitors, with Joe Buccì plunging 8 yards for the tally. Gloria's conversion made the score, 21-0.

The self-same Gloria then dimaxed the afternoon's score with a 44 yard field-goal from the Duke 34 in the closing seconds of the third period.

The undefeated Dukes drove 53 yards to their opponents 25 before Bartolazzi's pass was intercepted. Standouts for the Dukes were Dick Bartolazzi and Dick Conforti on offense and Carl Broome, Jim Bothy and Dom Pomponio on defense.

The Dukes rolled up 14 first downs to 10 for Stratford. Belleville further outlasted the 34 yards rushing but virtually nothing through the air without Puleo and later without Panico. The undefeated Glants ran their winning string to 16 this year by snapping the Dukes' streak. Their air-minded quarterback Joe McHugh, little All America from New Haven teachers passed for over 200 yds.

The Belleville Nutley Iron Dukes return to league action, next Sunday, Nov. 8th, when they clash with the revamped Newark Lions, paced by Charlie Lloyd.

Coach Pete Spera will unveil the newest Iron Duke, quarterback Harry Desprez against the Lions as neither Puleo or Panico is expected to play.

The Iron Dukes will be hard pressed to duplicate an earlier win over the Newarkers with a half dozen regulars out of action and a close contest is therefore in prospect.

Kickoff is at 2:00 p.m. at Belleville Municipal Stadium.

CLASSIFIEDS PAY OFF

Flags will fly along the streets of Belleville on patriotic occasions as a result of the campaign launched by Belleville Post 105 American Legion, according to Post Commander Raymond W. Wolfe, who outlined the plan to "The deplorable decline in the proud tradition of displaying the American flag to mark the events which have made us free will be restored," declared Commander Wolfe, "thanks to our arrangement with business establishments along Washington Avenue and the co-operation of Town Officials who have adopted a cooperative plan, which like adjacent cities, provide the equipment and men to put up and take down flags on proper days."

The plans means that business establishments purchase from the Legion new 50-star flags, mounted on steel poles with a brass eagle. The Legion also will install new sockets at the curb

Local Boys To Benefit From Drive

Two Belleville boys at New Jersey's Boystown in Kearny are among those who will benefit from the Christmas appeal fund drive being conducted by Father Egan, director of the institution.

Boystown is seeking to raise \$125,000 in its annual appeal. This is the amount it takes to run New Jersey Boystown annually.

One hundred boys live at Boystown. Almost every section of the state is represented. Thirty-three of the boys attend high school in the area, and 67 attend Boystown's own grammar school. On the staff are three teachers and eight counselors, all laymen. Seven of these men have their college degrees and the other four are attending college at present.

Boystown also employs a chef and his assistant, a night watchman and a maintenance man. Boystown also has plans for an auditorium gymnasium which will cost \$300,000.

Newark Group Banks for Change

The Newark Citizens Committee for Change of City Government, gave the Belleville People's National Bank and Trust Company, 231 Washington Avenue, a vote of real confidence last week. Two months ago, they selected the Belleville Citizens' Bank, in which to store the petitions asking for a change of government in Newark.

The mayor-council form of government is presently in effect in Newark. The citizens committee for change prefers the commission form of government. Alphonse Alfano president of the committee, stated that the present is an inefficient, costly dictatorship with a one-man rule.

Alfano took the petitions from the Belleville bank with Belleville police escorting him from the Newark-Belleville line and back again. Newark police took him the rest of the way. Alfano stated that a police escort was needed because several threats have been made on his life and on the safety of his family. The threats stated that he would be killed if the petitions were filed. A house guard has been stationed at Alfano's home for the past week.

The petitions, with 22,336 signatures, were filed at 3:10 p.m. October 29th with Newark's City Clerk, Harry Reichenstein. The signatures, if found valid, are enough to force an election for a change in city government. The law requires that such an election be held in not less than 60 days and not more than 120 days.
