• To Meet Again Friday Wash'ton Ave. Merchants Association Is Organized

A Washington Avenue Merchants' Association has been organized.

It was formed last Friday night in a meeting at the Town Hall at which some 35 persons, representing some 26 businesses along the avenue, attended.

Named president was Frank Megaro of 55 Cleveland Street, former owner of the Empire Lumber Yard and now semi-retired. Mr. Megaro also is a registered pharmacist and does retail work one or two days a week.

Named secretary was Walter Stachovsky of the Belleville Floor Covering Company. Michael Pariso of the Pariso Furniture Company was named treasurer.

A membership fee of \$5 was decided upon and a membership committee consisting of Joseph Catalina of R & S and Alexander Stachovsky of Belleville Floor Covering will actively solicit membership from Washington Avenue merchants. Megaro also will be a member of the committee.

Another meeting has been called for 9 p.m. Friday night at the Town Hall.

The development of the Merchants' Association is an outgrowth of a promotional effort by Megaro to stimulate business along Washington Avenue. One of the purposes of last Friday's meeting was to discuss ways of increasing Christmas sales.

The main promotional device which had been brought forth so far was the "Walk and Win..." idea of Megaro. Discussion on this aspect of the main promotional

Part of Transcontinental Gas Pipe Line Corporation's 36-inch main-line loop laid on Public Service Electric and Gas Company's transmission right-of-way through the Nutley-Belleville area.

Pipe Line Brings Natural Gas

The expected completion on December 15 of Transcontinental Gas Pipe Line Corporation's 36 inch main-line loop will mark the end of a major expansion program being by Transcontinental two years ago.

This loop follows the Public Service Electric and Gas Company's right-of-way from near Flagtown in Somerset County through Morris County, Belleville, Nutley, West Caldwell and Cedar Grove in Essex County and Little Falls.

Clifton in Passaic County to connect with Transcontinental's main line near Lyndhurst.

As a result of Transcontinental's expansion program, Public Service is receiving a total of 110 million additional cubic feet of natural gas daily from Transcontinental. It began receiving its first "increment last winter amounting to 80 million cubic feet per day of high load factor gas."

The remaining 60 million cubic feet which is under contract to Public Service this winter is equivalent to the requirements of about 34,000 residential customers with gas house heating and was made possible by the opening by Transcontinental of a new storage field at Leidy in north-central Pennsylvania and the completion of a new connecting pipeline from Leidy to a point on its main line near Princeton in Mercer County.

Municipal Garbage Collection Studied By Commissioner Pico

The merits of private versus public garbage collections are being considered by Belleville Commissioner Nuncio R. Pico, Director of Public Affairs.

Pico has had the matter under study for several weeks now. Much of his information has come from the New Jersey League of Municipalities, which at his request, has sent material pertaining to aspects of the private versus public garbage collection.

Answers Question

Pico revealed the study in answer to a question directed to the Commissioners from Thomas McGill of 12 Forest Street. McGill, who attends most of the Commission sessions, asked if the Board had given any thought to a new garbage contract.

The present garbage contract for five years, from Jan. 1, 1956, to Dec. 31, 1960. It is held by Lorenzo Pucillo, whose main offices are now listed at 45 North Broad Street, Ridgefield.

There are two weekly collections at the curb line.

Total amount of the contract for five years is \$829,000, or \$125,800 yearly.

The previous contract, also for five years, amounted to \$444,940 or \$88,988 per year. That contract, dated January 1st, 1951 to December 31, 1955, was held by the firm of Thomas Capasso and Lorenzo Pucillo.

Statement on Study

A statement from Pico on private versus public collection follows:

"Since the contract will be coming up, a thorough study on the pros and cons of municipal versus private contract garbage collection is necessary. Each system has advantages and disadvantages.

"With capable management, qualified personnel, adequate equipment and freedom from politics, the municipal collection system can be effective and economical.

"Under favorable conditions, contract collection can also render satisfactory service. The important point is the preparation of the specifying body and the efficient follow-up to enforce all the regulations.

"Pico said that garbage collection has been under jurisdiction of the Department of Public Affairs in Belleville for many years.

Parlate l'Italiano? Italian To Be Taught At Belleville High School

L'Italiano Sara' Insegnato Alla Belleville High School

The Board of Education has approved the teaching of Italian in the High School modern language curriculum.

Recommendation for the inclusion was made by Superintendent of Schools Evan H. Thomas at last week's Board meeting. The local Union Club has been pressing for Italian being taught in the local high school.

Languages presently taught at the school are Spanish, French, German and Latin, as well as English.

Teaching of Italian will hinge upon pupil demand and approval of the State Department of Education.

Hugh Kittle, principal of Belleville High School, stated at the session that the school had introduced Italian to its students on different occasions but the course had to be dropped because of "lack of interest."

Board member Mrs. Violet Rocher asked the Board if the resolution ought not include an additional language since the teaching of the subject was hinged on pupil demand.

He suggested that as the demand for a language came up, it would be considered. The Board then passed the resolution.

(The following translation, in Italian, is of the story printed at left. It was done by Thomas Magliore, Washington Avenue real estate and insurance dealer. He was assisted by Dr. L. Del Fante of Rome, who is residing in Bloomfield while in America doing medical research.)

Il Consiglio direttivo delle scuole di Belleville ha approvato l'insegnamento dell'italiano nei corsi di lingue moderne.

La proposta venne avanzata, la settimana scorsa, dal Direttore di Scuola, Signor Evan Thomas, in occasione della riunione del Consiglio direttivo. Il locale società Unico ha avuto parte attiva nel suggerire che l'italiano venisse insegnato nella High School.

Le lingue, presentemente insegnate sono, oltre l'inglese, lo Spagnolo, il Francese, il Tedesco ed il Latino.

L'insegnamento dell'italiano sarà condizionato dal numero delle domande degli studenti dalle approvazione da parte del

problem was shunted to allow more time to be spent on organization.

Megaro presided at the session. Before nominations for officers were received, he exclaimed that it was the purpose of the merchants to create a "hot town from a ghost town," and to make a "constant shopping center out of Washington Avenue."

"Together we're powerful," he declared.

"We've got all the facilities for a shopping center but the get-togetherness," he declared, adding that Washington Avenue was dead and "We've got to bury its ghost."

Megaro declared the organization was not a political move and that the commissioners were "a bunch of fellows."

"They want to help you, but you've got to help yourselves, too," he said.

The name, Washington Avenue Merchants' Association, was not the first one discussed.

Arthur Jackson, owner of Jolly Cleaners on Washington Avenue, suggested that a "Belleville Merchants' Bureau" which would include any merchant who wanted to participate, regardless of whether his place of business was on Washington Avenue.

Jackson said he felt the town should have a Chamber of Commerce, but that would be reaching too far at this time.

He also said the organization needed to declare a purpose and an "all-encompassing goal."

The purpose or goal might be to "further neighborliness," he stated with possibly an emblem in each window declaring "If Neighbor." Jackson also asked a "reasonable dues structure" so that every merchant in Belleville could become a member.

He added that if there were a Washington Avenue promotion, it should be done as part of a Belleville Merchants' Bureau.

In time the Belleville Merchants' Bureau should become a subsidiary of the Chamber of Commerce, he declared.

Jackson's motion for a Belleville Merchants' Bureau was seconded by Joseph Felt, owner of the Belleville Pet Shop.

The motion was defeated in a show of hands in favor of calling the group "Washington Avenue Merchants' Association."

In discussion on the Chamber of Commerce idea, Megaro said he was a charter member of the original Chamber in Belleville some 24 years ago, and that the organization was now defunct.

Jackson's Association also has not met with success, he said.

United Fund Drive Ends Dec. 8th, Only 46.7% Of Goal Reached

Although contributions to the United Fund of Belleville to date have been \$88,000, Campaign Chairman F. T. French has announced that the formal drive will wind up on December 8th.

As of this writing, \$42,074.71 or 46.7% of the goal has been received in cash and pledges. This is less than the amount contributed by Belleville to last year's campaign when the goal was even smaller than this year's goal. A breakdown of this sum by divisions is as follows:

Professional, Dr. W. H. Felt, chairman	845.00
Merchants, E. P. Caldwell	708.00
E. N. H. Thompson	247.00
Church Organizations, T. E. Anderson, chairman	742.00
B. Wilshe	742.00
Residential, F. Douglas Wadsworth, chairman	8,708.17
Contributions from Industry	1,778.00
Both Corporate and Employee gifts	2,942.50
exceeded the amount received from Industry last year. The same is true of the Business Division. However, the Residential Division as of November 27th, the date of the last report, has contributed only 1/2 of what it turned in a year ago.	2,942.50
Chairman French stated that he could not emphasize too strongly the need for additional support from Belleville residents. Contributions are still coming in each week, but it is evident that there are many who have contributed in the past but who, for one reason or another, have failed to send in their contribution	1,340.00

Planning Board To Organize; Lauterette Seen As Favorite

meet at 8 p.m. tomorrow (Friday) night in Town Hall for organizational purposes. The group attempted to organize last week but two members were not present.

Members of the Board are: the Mayor, an automatic appointment; Commissioner George F. Kiernan, representing the governing body and Town Engineer Raymond Day, representative of Town employees.

The lay members are: Dr. Jules L. Swick, one year; John Greulich, two years; Walter Weiss, three years; William J. Cullen, four years; Norman D. Lauterette, five years and Ralph Viaso, six years.

At this writing, Lauterette appears to be the favorite to get the post of chairman. Lauterette is general manager for procurement and traffic for the National Yeast Corporation, Belleville, and has served in many varied civic and appointive jobs.

Blaze Destroys Third Floor Of Abandoned Main St. House

A blaze in an abandoned and condemned house at 293 Main St. near the corner of Holmes St. brought out the Belleville Fire Department at 11:30 p.m. Thanks giving Day.

A second alarm was sounded after the Department arrived on the scene.

The third floor of the old house was destroyed. There was no trace of arson, and the fire probably was caused by one of the transients leaving a lit cigarette or match.

If the fire were purposely caused, Chief Hundertpfund said, there was no evidence left behind except as kerosene or other flammable material.

Deputy Fire Chief William Fabian was on duty at the call. Chief Hundertpfund said the second alarm brought out better than 90 per cent of the other firemen.

Golden Clarifies Remarks Pertaining To Tedesco

A clarification of remarks made at a previous meeting was offered last week at the Town Commission by James R. Golden of 62 Tappan Avenue.

Golden clarified statements he had made pertaining to the efficiency of Charles Tedesco, the Magistrates Court clerk, in reference to the handling of a \$25 fine.

After the previous session, Tedesco declared he would seek to place Golden in "contempt of court."

Golden at the latest session said that at no time was he ever intending to be in contempt of court, "nor do I feel I was in contempt."

"No suggestion on my part was made to disparage Mr. Tedesco," Golden stated. He went on that strict in the acceptance of checks from strangers.

At one pause in his remarks, Commissioner Robert C. Grubbin asked: "Isn't this a public apology?"

Golden responded heatedly that it was not.

Earlier in the meeting, Golden had asked that Grubbin pay attention to not allowing employees in his department to not attend a farewell dinner for retiring janitor John Sullivan on the Town's time.

"You're just trying to make copy for the newspapers," said Grubbin then. "Let's cut the Ma-larky."

Golden responded: "Certainly you're entitled to any forensic display you desire."

Papal Honors Are Conferred On Msgr. Kelly

One of the highest honors that can be conferred on a Catholic priest has been bestowed on Monsignor Joseph M. Kelly, L.L.D., of St. Peter's Church in Belleville.

Monsignor Kelly has been elevated to the rank of prothotary apostolic, the highest order of prelates in a church. The honors were conferred on Monsignor Kelly by Pope John XXIII. It was announced by Archbishop Thomas A. Boland of Newark.

Prothotaries apostolic are accorded some privileges normally reserved for bishops. They may celebrate Pontifical Mass four times a year. Two of these occasions are Christmas and Easter. They also have the right to wear the mitre, pectoral cross and gloves. The next rank that a Catholic priest may achieve is the bishopric.

Monsignor Kelly had been St. Peter's Church in January, 1952. He had served as a curate in the church in 1907. Born in Harrison, he was a priest for 42 years. Monsignor Kelly served as a chaplain with the rank of Captain in France. He served overseas in France.

• 28th Annual Dinner Belleville Manufacturers Meet In Spirit of Song; Hear Talk On Port Authority Development

The 28th annual dinner of the Belleville Manufacturers' Association was held Tuesday night at the For Hills Restaurant, Newark, amid a spirit of singing and story-telling.

Ninety-eight persons attended.

H. Willard Sawyer, general manager of Baker Process Division, Wallace & Tiernan, was in charge of the meeting. Town and school officials were present. Mayor Isadore J. Padula was represented by his son, Isadore Jr., who read a letter from the Mayor expressing regret that he could not attend. Mayor Padula was in Denver attending a national civil defense convention.

Songs (all old-timers) were sung by Norman Lauterette, verman, Commissioner Nuncio Pico and Commissioner Robert C. Grubbin. Commissioner Robert C. Grubbin was asked to sing, but declined. Commissioner Harry J. Sullivan, instead of singing, told an Irish story.

Entertainment was provided by Al Lange, of Belleville, who played accordion and sang.

Guest speaker was Matthias E. Lukens, assistant executive director of the Port of New York Authority. Speaking on "Eight years of Progress," he told the assemblage that industry represented at the dinner were located in "the very heart of one of the greatest manufacturing centers in our country, and for that matter, in the world."

"It's a remarkably diversified part in the economy and development of the entire metropolitan area. The benefits derived from your industries are not only reflected in the welfare of the thousands of people who earn their living here, but they radiate from this focal center to be realized and multiplied at distances a long way from home."

Mr. Lukens mentioned that Augustin Tobin, the Port Authority's executive director, had spoken before the group eight years ago on the group's 20th anniversary.

Important extracts from Mr. Lukens' speech follow:

"By the end of 1958, seven years later, revenues had almost doubled and the terminal broke into

Grubbin To Attempt To Collect From State on Sewer Repairs

Commissioner Robert C. Grubbin, director of the Department of Public Works, said this week he would recommend that the Town attempt to collect from the State for repairs to a sewer line along Main Street, in the vicinity of Route 21, where recent highway building and pile-driving may have caused damage to the sewer.

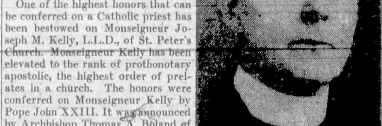

An emergency appropriation of \$11,000 was voted at last week's Commission meeting to cover expenses for repairs to a 12-inch sewer main along Main Street.

The new repair is necessary from the gate at Wallace and Tiernan to the manhole on Mill Street, a distance of some 300 feet.

The previous repair is from the manhole at Wallace and Tiernan to the area north of the gate, a continuation of the same line. Amount of that emergency appropriation approved October 23, was \$6,000.

The latest repair job went to Silvestri construction of Belleville for \$8,500.

The emergency appropriation was granted when the contract price to allow for cost incurred by employees who worked extra hours during the pile drive until the contractor could start work.

A member of the Building and Sites Committee of the Archdiocese, Monsignor Kelly will be 78 years old March 2. He is also a member of the Visitation Committee for Religion, a Pro-Synodal judge and a Deputy for Temporalities of the Immaculate Conception Seminary, Darglington, N. J.

Monsignor Kelly was named a Domestic Prelate on September 26, 1948, by Pope Pius XII. This rank accorded him the privilege of being addressed as the Right Reverend Monsignor Kelly.

200 at Tax Council Dinner; Commission Form Criticized

More than 200 persons who attended the Citizens' Tax Council dinner Tuesday night heard guest speaker James Alton, town administrator for Edison Township, describe the advantages of a town administrator for Belleville. The dinner was held at The Fountain.

Mr. Alton, a former Marine with duty in Korea, has been town administrator for Edison for two years. Previously he acted as assistant city manager in Fair Lawn for three years and as assistant city manager in Teaneck.

The guest speaker compared Edison to Belleville, saying the population was about the same and that Edison had just abolished the commission form government. He told the Times-Tribune that the session that Edison actually has a strong mayor-council type of local government, similar to Newark.

"Commission government is inefficient, there is no central control and people get a run-around," he said. "The government is poor not necessarily because of the commissioners, but because of the administrative structure."

He continued that each commissioner tries to build up his own empire and work independently of the other men in the government.

Alloway gave an example of how revenue had been increased for Edison.

Because of a change in the building fee structure, that municipality would collect \$100,000 in building permit fees, the previous year they had given out \$17,000. Also, where licenses and permits had amounted to \$12,000, it had risen in 1959 to \$60,000.

"And the budget doesn't go up an automatic 10 per cent, either," he declared. "We really control the budget. Appropriations are based on actual record and we start preparing the budget in early October."

In a question and answer period which followed, Ralph Varga, Town Democratic leader and an employee in the Public Works Department, rose to state that as a town employee he was interested and therefore would like to ask the questions:

"Who hires and fires the manager?" and "Who selects the Council that hires and fires the manager?"

Alloway replied to the first question that the Council hired and fired the manager. They hire by placing ads and by working through managers' associations. To the second question he stated that the people elected the council members.

After the session, Varga, in speaking to a group assembled around him, declared, "What's going to stop four members of the Council from getting together and firing the manager?" Varga also stated that there was politics involved even in the manager-form, since the councilmen had to be elected, and in order to be elected, they would act as politicians.

Carol Ann Conklin Weds Mr. Paul Martin Hannan

MRS. PAUL M. HANNAN

Miss Carol Ann Conklin, daughter of Mr. and Mrs. Allan Conklin of 39 DeWitt Avenue was married November 28 to Paul Martin Hannan, son of Mr. and Mrs. John Hannan of 46 Floyd Street.

The couple were wed at St. Peter's Church. The Rev. Aloisius Welsh, pastor of the immaculate Conception Seminary, officiated. The bride, cousin of the bride, officiated. The reception was held at the Hotel Robert Treat, Newark.

The bride was escorted by her father and wore a pea-de-sole full-length gown featuring a scoop neck with appliques of re-embroidered lace and designed with a chapel train.

A pea-de-sole headpiece held her fingertip veil. Mrs. Hannan carried a bouquet of white carnations.

Miss Lois Conklin, sister of the bride, was maid of honor. The bridesmaids were Mary Conklin, sister of the bride; Barbara Fitzpatrick and Mrs. Alan Budd. All the attendants were from Belleville.

The attendants wore red velvet street-length gowns with red velvet petal hats. The maid of honor carried white pom poms and red carnations. The bridesmaids carried all white carnations.

John Hannan, the bridegroom's brother, with best man, Ushers were Michael Hannan, the bridegroom's brother; Daniel Clark and Alan Budd. All were from Belleville.

Mrs. Hannan was graduated from Belleville High School and is in the Law Department of the Mutual Benefit Life Insurance Company. Mr. Hannan graduated from St. Benedict's Preparatory School and attended Rutgers University. He is with Prudential Insurance Company, Newark.

The couple are honeymooning in Florida. Upon returning they will reside at 539 Union Avenue.

WILLIAM PIRK

William Pirk, a comptroller at the National Yeast Company, was elected president of the Belleville Kiwanis for 1960. Other new officers are Joseph G. Fell, owner of the Belleville Post, elected by Shop, first vice president; John Zepka, assistant sales manager at Heller and Sons, second vice president; Charles Tedesco, chief clerk in the department of Public Safety, treasurer and Russell Hopkins, insurance consultant, secretary.

EMIL D'ANGELOS WED 25 YEARS

Mark Occasion With Family Party At Mother's Home

Mr. and Mrs. Emil D'Angelo, of 18 Elmwood Avenue, Belleville, celebrated the 25th wedding anniversary on Sunday with a family party at the home of Mrs. D'Angelo's mother, Frank D'Angelo, of 12 Gabriel Street, Nutley.

Mrs. D'Angelo is the former Miss Rose Gaccione. The couple were married at the Nutley Assembly of God on November 24, 1934, by Rev. Louis Tarantino. They have three sons, Frank, Emil, Jr., and David, and a daughter, Mrs. Gerard Tolve, all of Belleville.

Mr. D'Angelo is the owner of the Palladium Bowling Alleys, in Orange.

Read The Times
For Social News

Guest Speaker

John C. Bonnell Chief of the Bureau of State Industries, State Department of Institutions and Agencies, will be the guest speaker at the regular meeting of the Belleville Kiwanis Club on Tuesday, December 8.

Bonnell will discuss "Should Prisoners Work," and the operation of the correctional industries in the State's penal and correctional institutions.

Under the work program, an effort is made to give inmates useful training, which helps to keep them busy, teaches them the skill of working with others in a production situation and also enables the prisoner to earn some small portion of the cost of his confinement while in custody.

The products of the work of the prisoners are available for sale only to tax-supported institutions and agencies in the state of New Jersey at the State and County level; municipalities may also buy the products of the correctional industries.

The State Industry Industries conduct work program at no cost to the taxpayer as monies resulting from the sale of the goods and services help to defray all of the expenses of the operation.

The production of typical products, such as, the new license plate, road signs, clothing, furniture, canned goods and many other items helps to provide employment for more than a thousand inmates and produces substantial savings to the taxpayers. Accompanying the talk will be a number of examples of the work, a small exhibit of the products, photographs of the shops and written material.

Future Bride

MISS MARY LALUNA

Mr. and Mrs. Louis La Luna of 163 Belmont Street, have announced the engagement of their daughter, Mary, to John Fortunato, son of Mr. and Mrs. Angelo Fortunato of 42 Cedar Hill Avenue. A party was given in their honor on Thanksgiving Day.

Miss La Luna attended Belleville High School and is a graduate of Master Beauty School, Passaic. She is employed at the Bell World Beauty Shop.

Mr. Fortunato is a graduate of Belleville High School and served two years in the U. S. Army. He is employed by Westinghouse, Belleville.

A May wedding is planned.

Phony M.D. Was Orderly At Clara Maass

John Willie Covington, of New Ark, who posed as an extern (an intern's assistant) in Marlton Medical Center and was discovered, worked on two occasions at Belleville's Clara Maass Hospital.

However, on both occasions, he was employed as an orderly, according to records at the hospital.

He first worked for Clara Maass from June 9, 1958 until August 20th, 1958. He was discharged for absenteeism since he was absent without leave for a week. He was rehired on September 15th of this year by a new director of nurses at the hospital, when orderlies were in demand. He then worked three and a half days until September 20th, at which time he again was absent without notifying the hospital.

Hospital officials at Maass say that for the time he was employed he did a satisfactory job as an orderly. He did not administer to patients and was not in the emergency room, the hospital declared.

Men In Service

Army Pvt. Peter Palmieri, son of Mrs. Marie L. Palmieri, 19 Arthur Street recently completed individual training with the Armor at Fort Hood, Texas. Palmieri entered the Army in June 1959 and completed basic training at Fort Hood, Texas.

The 25-year-old soldier was graduated from Belleville High School in 1952 and from the University of Dayton, Ohio earlier this year.

Army PFC Angelo Cianci Jr., whose parents live at 55 Magnolia Street, recently qualified as expert in driving the M1 side while assigned to the 24th Infantry Division in Germany.

Cianci, a rifleman in Company A of the division's 34th Infantry, entered the Army in February 1958, received basic training at Fort Dix and arrived overseas the following July.

The 23-year-old soldier is a 1953 graduate of Belleville High School. His wife, Louise, is with him in Germany.

Marine Pvt. Thomas E. Fosseli, son of Mr. and Mrs. Thomas Fosseli of 56 Walnut Street, completed recruit training Nov. 9 at the Marine Corps Recruit Depot, Parris Island, S. C.

Relatives and friends of many of the new Marines were on hand.

Pipe Line Loop Adds P.S. Gas

The expected completion on December 15 of Transcontinental Gas Pipe Line Corporation's 36" main-line loop will mark the end of a major expansion program begun by Transcontinental two years ago.

This loop follows the Public Service Electric and Gas Company right-of-way from near Flagtown in Somerset County through Morris County, Belvidere, Nutley, Bloomfield, Livingston, Roseland, West Caldwell, and Cedar Grove in Essex County, and Little Falls and Clifton in Passaic County to connect with Transcontinental's main line near Lyndhurst.

As a result of Transcontinental's expansion program, Public Service is receiving a total of 110 million additional cubic feet of natural gas daily from Transcontinental. It began receiving its first increment of gas in winter amounting to 50 million cubic feet per day of high load factor gas.

The remaining 60 million cubic feet which is under contract to Public Service this winter is equivalent to the requirements of about 34,000 residential customers with gas house heating and was made possible by the opening by Transcontinental of a new storage field at Leidy in north central Pennsylvania and the completion of a new connecting pipeline from Leidy to a point on its main line near Princeton in Mercer County.

Cadet Pvt. Peter G. Fazio, Jr. was a member of the team that took first place in the Junior Essex Troop Training Exhibition held recently. The Exhibition was held at the Troop Farm on Pleasant Valley Way in West Orange.

High School News School 10

Did you guess our last Mystery Teen? Well, here's another one to test yourself on. Remember our Mystery Teen is a prominent student of Belleville High School.

This person is very athletic. He has played varsity football for two years and is the captain of the Belleville line. He also plays basketball and rows varsity crew. However, our Mystery Teen is only one of a large number in his family who are athletes. His older brother, Joe, was also active in sports when he was at B.H.S. And this person's father is now the president of the Varsity Club.

Our Mystery Teen is also active in the student government. He is a member of the Student Council; last year he was vice-president of the Sophomore Class and is now the president of the Junior Class. Besides being active in school affairs and athletics, this person is also an excellent student.

Now you have all the facts. Piece them together and you will discover who our Mystery Teen is.

Larry Latoro

Our last mystery teen-ager was Larry Latoro of 264 Grey, Rockaway. He is the son of Mr. and Mrs. Latoro. Larry has three brothers, Joseph, Peter and Daniel, and a sister, Louise. Larry is an honor student at Belleville High School and has been a member of the Student Council.

His favorite sport is basketball. Last year he was a member of the Junior Varsity basketball squad. Nowadays, he spends a large amount of time practicing or watching basketball plays on T. V.

Larry answers to either "Willie Naudes" or "Elgin Baylor."

By Enid Ritchy
Thanksgiving Assembly
Belleville High School held its annual Thanksgiving program on November 25. The assembly opened with the orchestra playing "America The Beautiful" and "God Of Our Fathers."

Next, the chorus, under direction of Dr. Peck, sang "Come Ye Thankful People," "All Creatures," and "Thanksgiving and Praise." Miss Janice Reynolds mounted the stage and gave a reading on the history and meaning of Thanksgiving. The Chorus again favored the audience with two selections, "Lord, Thy Glory" and "Prayer of Thanksgiving." Victor Lombardo, a very talented young man, sang and strummed on his guitar religious hymns, "Who At My Door Is Standing." He was accompanied by Grace Lombardo on the piano and Richard Riccio on drums. Barbara Underwood, accompanied by the orchestra, played excerpts from the "Piano Concerto. The Baker's Dozen then sang "Granny's Thanksgiving" and "Autumn Leaves." The Chorus sang Psalm 150, and the assembly was concluded with the singing of the Alma Mater.

Gym Classes Given Tests
Last week all boys of B. H. S. were given physical achievement tests in their gym classes. These tests are part of an accelerated physical education program on a nation wide basis to improve the physical fitness of our American youth. Every boy was required to do 20 pushups, 7 pullups, 3 situps, 10 jumping jacks, and climb a fifteen foot rope. The boys were conditioned for these tests by continual exercising in their gym classes. The excellent results obtained are a reflection on the fine job the gym teachers have been doing this year.

Guidance News

Results of the differential aptitude tests given to last year's freshmen have been returned to the guidance office. These students wishing to find out their results can make appointments with Mrs. Degrin. Parents are also welcome to these meetings. These tests are designed to show what line of work a student is best suited for. They are divided into a number of categories: Verbal; Numerical; Abstract Reasoning; Space Relation; Mechanical Ability; Clerical Work and Language Usage.

This is a reminder to seniors. Your applications for the January College Board Examinations must be in by December 12th. Applications can be found in the Guidance Office.

The Baker's Dozen, under the direction of Dr. Peck, can be called the Double Dozen this year. There are eleven alternates in addition to the regular thirteen.

The girls auditioned in October. Rehearsals started with the change back to Eastern Standard Time which is quite important when the rehearsals start at eight A. M.

It appears to be the best group of girls that the school has ever furnished with the Baker's Dozen.

The girls took part in the Thanksgiving assemblies singing the traditional "Grandma's Thanksgiving" and "Autumn Leaves."

The members of the Baker's Dozen and their alternates are Susan Bode, Joyce Baldwin, Mary Ellen Dangler, Theresa Del Presto, Christine Edwards, Linda Frey, Carol Goodrick, Sue Graney, Ruth Happel, Linda Henkel, Barbara Hoffman and Trudy Hogenmuller.

Also, Grace Lombardo, accompanist; Joanne Money, Marilyn Pagnelli, Marcia Peck, Bonnie Pedersen, Julia Peph, Angela Perrone, Veronica Rempuski, Janice Reynolds, Barbara Salamone, Mary Stort, Judy Tremel and Betty Watt.

A BOOK FAIR

The PTA of School 10 is continuing its Book Fair today and tomorrow (Thursday and Friday). The fair started yesterday.

The school is located at Franklin and Belleville Avenues. A large selection of highly recommended books will be on display to purchase at various price ranges. These are all new books and would make excellent Christmas gifts for the children.

School 10

By Gail Ritchy,

Rosemary Pallante

On Friday, November 20, the eighth grade at School 10 presented a program combining Thanksgiving and Book Week.

During the program three songs were sung pertaining to Thanksgiving. A play was given in reference to Book Week entitled "Turning the Tables."

The cast included Jacquelyn Windham, Mary Ann Guilbo, Ralph Casale, Henry Minasian, Michael Rubino, Allen Gruber, Carole Caravale, Carol Horne, Ronald Wilson, Laura Jane Baker, Janet Hansen, Robert Perrot and Gregory Adams.

Also Bob DeNois, Gail Ritchy, Carol Ipswich, Jeffrey Bauer, Marilyn Valney, Joseph Tomiak, Jerry Mahoney, David Pietrycki, Carol Brechbill, George Szeg, Carol Scherrenman, Don Hapuan and Doris Shepherd.

Mr. J. Killgall, the eighth grade teacher, directed the play and Mrs. E. Angus, seventh grade teacher, arranged the music.

By Judy Foreco

Red Cross is very interesting. At our school we make different things for people that are in hospitals. The children make baskets of candy for Christmas, Easter etc. They make dolls for children that are sick. We do this so that we can cheer them up.

The teacher picks two children and they go to Red Cross meetings. They talk about different projects to help people live better and lead a happier life. They plan clothing drives, collections of money, and arts and crafts projects.

Red Cross members are people who help other people in trouble. They help in disasters such as floods and wars. It is good to know that other people think of us in times of our emergencies.

McGill Asks More Releases From The Town

Thomas McGill of 12 Forest Avenue asked the Board of Commissioners last week to issue more news releases before hand on what it intends to do and what issues are coming up.

In making the request, McGill referred to lack of information on the Town's leave removal program. He said that if a public notice had been placed in the press, many more persons would be made aware of when to expect service.

Commissioner Robert C. Gruhn, director of public works, said there was 70 miles of street and in "a week or ten days" the leave problem would be beaten.

Most of the town's business was conducted through resolutions, should be posted. He suggested that they be posted above the water fountain.

Mayor Isadore Padula stated that resolutions were public record and that McGill was free to read them in Town Hall at the Clerk's office.

Vincent Strumolo Assoc. Plans Dinner-Dance

The Vincent T. Strumolo Association will sponsor its annual dinner-dance on Saturday, December 5 at Christian's Lounge on Washington Avenue. Boris Cristaldi of Bloomfield will be guest singer. Mr. Cristaldi, who recently was featured as "Canio" in a Pagliacci opera, won last year's contest sponsored by the New Jersey Music Council.

Frank Tremarco is chairman with Mickey Pizzuto as co-chairman. Al DelRusso, printing; Ray Potenzone, decorations; Michael DelRusso and Angelo Beninati, seating; Miss Marie Napolitano, secretary; Sal Senatore, and Frank Scarpelli, entertainment with "Speedy" Defendentes in charge of publicity. A general committee meeting will be held Monday, November 30 at Stefanel's Hall, 85 Franklin Street.

J. B. Grosch Is Appointed Heart Chairman

Joseph B. Grosch

Joseph B. Grosch of 5 Nalton Street was appointed 1960 Heart Sunday chairman for Belleville. The announcement was made by Mrs. Clifford F. Germain, County Heart Sunday chairman.

The campaign, which supports research, education and community service programs of the Essex County Heart Association, commences February 1, 1960 and will be completed by Heart Sunday, February 28.

Grosch is commanding officer of the Naval Reserve Surface Division 3-37 in Clifton. He is a teacher at the James G. Shawer School and is active in the Knights of Columbus and Varsity Club of Belleville. Mr. Grosch was Heart Sunday co-chairman for Belleville during the 1959 drive.

Samuel Bagnio Assumes Post

Samuel M. Bagnio

Samuel M. Bagnio was elected a vice-president of the Ultrasonic Manufacturers Association at its annual meeting held recently in Chicago. At the same time he was elected to the Association's Board of Directors to serve a two year term.

The Association is an organization of leading manufacturers such as Rytheon, Westinghouse, and others which produce various types of ultrasonic equipment.

Mr. Bagnio is chief engineer of Kidde Ultrasonic and Detection Alarms, Inc., Clifton. He resides at 18 Columbus Avenue.

Stork Club

A son, John Michael, was born to Mr. and Mrs. Jack Herko of 334 Franklin Avenue on November 19 at Clara Maass Memorial Hospital. John Michael is the couple's first child.

Mrs. Herko is the former Katherine Palahumich of Pennsylvania. Mr. Herko, also of Pennsylvania, is a salesman with the R. J. Reynolds Company.

A son, John Patrick, was born to Mr. and Mrs. Anton Freeman of 44 Tappan Avenue on November 19 at the Clara Maass Memorial Hospital. The infant joins three brothers, Mark, 5; Michael, 2; and David, 15 months and a sister, Karen, 4.

Mrs. Freeman is the former Ida Ferris of Maine. Mr. Freeman, also of Maine, is an accountant in New York City.

A daughter, Michelle, was born to Mr. and Mrs. Henry Mandato

Midget All Stars Beat Clifton By 19 - 7 Mark

Commissioner George F. Kier were selected:

Harold Burke, Jolly Cleaners; Joseph Cerrate, Chet's Cleaners; Charles Oese, Federal Industries; Anthony Landolph, Chet's Cleaners; James Rastini, Federal Industries; James Cuno, DeBacco's Sport Center; Jerry Santucci, Federal Industries.

James Calderone, DeBacco's Sport Center; Joseph LaFale, DeBacco's Sport Center; Nick Grandi, Jolly Cleaners; Gary Gray, Jolly Cleaners; Van Kostewitz, Chet's Cleaners; Alan Coppola, Jolly Cleaners; Frank Pomace, DeBacco's Sport Center; Vasco Sampaio, Jolly Cleaners; Mickey Reinhardt, Jolly Cleaners; Tommy Campbell, Federal Industries; Tom Greco, Federal Industries; Tom Gialanella, Federal Industries.

Joseph Goglia, Jolly Cleaners; Lou DiBella, Federal Industries; Ralph Lofre, Federal Industries; John Visco, Chet's Cleaners; Joseph Cersario, Chet's Cleaners; Len Luongo, Chet's Cleaners.

Coaches for Recreation football teams are as follows: Joseph Sorrentino, Joseph Scaperotta, Tom Apiella, Don Barrett, Joseph Grande, James Orsino, Les Del Tufo, and Vincent Genegrasso.

Clifton was visibly stung by this quick attack, but fought back with a vengeance. After kicking off to Clifton a second time they met heavier rivals and really demonstrated their ability to hold. At this point the game took on an appearance of two giants wrestling with neither giving much ground.

As the first half drew into its closing stages Clifton connected a beautiful long pass and then went over for a touch down and made the point after. The half ended with Belleville threatening from the Clifton 8-yard line and the score 7-0 for the visitors.

In the second half Belleville unleashed all their fury on their taller, heavier rivals and really took command of the half game. They plunged and passed and swept the ends to pile up a 19-0 score. Clifton just couldn't move in that second half.

Clifton played a very hard but clean game and at no time did they make things easy. Both teams may be proud of the brand of football played.

There were many sparkling individual performances on the part of the Belleville team but the Recreation League only recognize team action, and team action it was, with beautiful execution of plays, hard tackling, great blocking and a spirit that would do any coach proud. Belleville's boys were brilliant evidence of the superb coaching they have received. Rather than write up the individual performances the Recreation Department has asked to simply list the names of the players and coaches. It was a beautiful kind of a victory.

Also listed are the Recreation teams from which the players of 50 Maier Street on November 19 at the Clara Maass Memorial Hospital. Michelle is the couple's first child.

Mrs. Mandato is the former Virginia Thornton of New York. Mr. Mandato, also of New York, is with Dairyman's League.

A daughter, Debra Ann, was born to Mr. and Mrs. Charles Rice of 637 Mill Street on October 24 at the Clara Maass Memorial Hospital. Debra Ann is their first child.

Mrs. Rice is the former Edna Carroll of New York. Mr. Carroll, also of New York, is an accountant in Newark.

Statewide C D

(Continued from Page 1)

Chief George Spatz, Deputy Director of Belleville C.D., emphasizes that the police will strictly maintain the "take cover" orders during the drills. Pedestrians and drivers of vehicles will be required to halt all normal activity and seek shelter on the sidewalks and streets.

Ludwig Pesa, Belleville C.D. Director, declares that householders should be aware that he selection and movement to the shelter area during the ten-minute drill could be a life-saving measure in a fallout environment.

Schools will not be dismissed on the "alert" signal. However, school children will seek shelter on the "take cover" signal, Pesa said.

Merchants

(Continued from Page 1)

pointed out. Jackson's remarks on the floor were directed to the purpose of organization of the association, which he asserted, would be the most important element toward success of the group.

The group also heard a motion by Mr. Fiel asking that the Merchants establish a policy as to what the \$5 membership fee would be used for before determining the assessment and soliciting that amount from potential members.

There was discussion on this issue, with Megaro declaring that the purpose of the \$5 was as a basic membership fee toward organization of the merchants group.

The motion was defeated in a hand vote. Present at the session, besides the merchants, were Edward Lister, deputy to George F. Kierman, director of the Department of Parks and Public Property, and William Friel, who represented Mayor Isadore Padula.

Lister was present to discuss Kierman's willingness to recommend the spending of \$250 of town money for the installation of Christmas trees, in colorful barrels, along Washington Avenue.

The merchants as well would have contributed money for the purchase and upkeep of the trees. However, with the discussion taking the turns it did in the determination to do "first things first" and set up an organization, the idea of the Christmas trees was by-passed.

Mr. Friel appeared on behalf of the Mayor to see what action was being taken on the "Walk and Win..." idea. There was no

thing concrete done on this proposal.

Regarding "Walk and Win..." Megaro stated it would be one of many promotions the merchants would use in their program to enliven Washington Avenue.

Represented at the session were:

Pariso Brothers Furniture, Bigelow Motors, Cordasco Furniture, Belleville Floor Covering, Belleville Paint and Wallpaper, Michael's Men and Boys' Shop, Corner Pharmacy, R & S Auto, Tiber Hardware, The Rug Shop, Tannen's Shoes, Rubin Brothers Drugs, Paul's Shoe Shop, DiBella Men's Shop, National Shoes, Belleville Camera Shop, Mae Moon Dresses, Grippi Clothing, Mac's Upholstery, Belleville Pet Shop, King of Belleville, Suter's Wines and Liquor, Jolly Cleaners, Michael's Luncheonette, W. J. Hart and Louaire's Men's Shop.

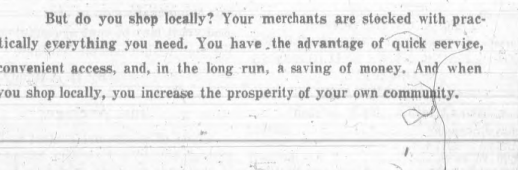

3 min. station rate from Newark after 4 P.M. 10% tax included.

SHOP WHERE YOU LIVE

You use local services, send your children to the local schools, go to neighborhood churches, and (we hope) bank locally.

But do you shop locally? Your merchants are stocked with practically everything you need. You have the advantage of quick service, convenient access, and in the long run, a saving of money. And when you shop locally, you increase the prosperity of your own community.

A Busy Time Of Day

Motorists and pedestrians are cautioned against the hours of hazards on the highways—between 4 and 8 p.m. With the end of Daylight Saving Time the highway hazards within that period increase tremendously. More casualties occur within that period than in any other comparable period of the day.

Statistics for last year revealed that 9,280 persons—nearly 25 per cent of the total 40,000 traffic deaths in the nation—were killed in highway accidents during those hours. Nearly 700,000 persons suffered injuries in motor vehicle mishaps for the same period. This represented about 25 per cent of the more than 2,300,000 persons who were injured in traffic accidents.

The reason for the tragic toll within the hours of hazards is quite obvious. Traffic is heavier, with both motorists and pedestrians rushing home from work and later rushing out for the evening. So we have a fatal combination—congestion, speed and carelessness.

Drivers going home are tired, irritable and anxious. The way home seems long and traffic seems to stand still. Pedestrians similarly experience this impatience and tensions as they scamper in and out of vehicular traffic in a mad rush to catch a bus or train.

Coupled with this motorist and pedestrian attitude, the hazards of night itself intensify the problem. Dusk reduces vision and creates new dangers—the barely visible elderly pedestrian hobbling across the street, the child scotching out, another car bearing down in a white glare.

Motorists and pedestrians must exercise extra caution and stay constantly alert. Their awareness of the problems in the hours of hazards can cut down the toll.

Crime In The U. S.

The crime problem grows steadily more critical.

That is the only deduction that can be made from a new series of reports just made public by the Federal Bureau of Investigation.

The Bureau's Crime Index shows that crime in the United States increased 9.3 per cent in 1958 over the 1957 level. There were increases in each and every one of the individual classifications, murder, forcible rape, robbery, aggravated assault, burglary, larceny over \$50, and auto theft.

This sad record can not be attributed to population growth. That growth was only 1.7 per cent from 1957 to 1958. So crime increased five times as much. Putting it another way, the number of crimes per 100,000 inhabitants rose 7.4 per cent in the period covered.

The juvenile crime situation is especially bleak. A survey covering 1,238 communities with close to 44 million population shows that 8.1 per cent more persons under 18 were arrested, as against a 2.5 per cent increase for all ages.

This soaring lawlessness speaks poorly for the moral fiber of the nation. And the far-above-average increase in juvenile crime is a sad commentary on what is going on in homes and schools. The courts, it seems clear, must in the interest of society do less coddling of young criminals—and provide examples that will make others think twice before killing, raping, maiming and robbing.

Business Superintendent's Spending Powers Are Curbed

A spending limit has been placed on Harold Dufford, assistant superintendent of schools, by the Belleville Board of Education. The action was taken at last week's meeting.

Dufford, who formerly had no restriction on his purse strings, now must get Board approval on all orders more than \$100. Emergency appropriations were raised

to \$350 with the approval of the Board's president.

The Board also passed a resolution which would require validation of purchase orders or contractual obligations by Board of Education secretary, Mrs. Mary Shader.

This resolution was put forth by Board member Mrs. S.J. Coronato. The former resolution was introduced by Michael Rubino. Dufford stated that he did not

CHRISTMAS TREE SAFETY

The traditional burning of the Christmas tree outdoor is a thrilling sight, but when accidentally ignited indoors it can be a flaming funeral pyre, says the National Safety Council.

"Filled with natural pitch and resin, the Christmas tree is one of the most combustible objects known—virtually impossible to extinguish by ordinary methods.

"When the needles fall," the Council said, "it should not be burned, branch by branch, in the fireplace, because the roaring fire is difficult to control. It should be burned outdoors, in fire-safe areas.

"The months of December and January," the Council added, "are the leading months for fire burns, and last year 93 fire deaths occurred during the Christmas holiday alone."

The Christmas tree tradition is a wonderful part of the season, the Council said, so keep it wonderful by observing these few precautions:

1. Buy a tree no bigger than you need. The larger the tree, the larger the fire hazard.
2. Wait to put it up until just before Christmas. Keep it in a cold place until then.
3. Saw off, diagonally, at least an inch of the trunk and place in a stand filled with water.
4. Place tree away from sources of heat such as TV sets, radiators, powerful electric lights, which speed up the drying process.
5. Use nonflammable decorations. Keep metallic icicles or tinsel away from light sockets. Dangling into the socket, they can cause short circuits or flash fires. Do not overload circuits, or replace normal fuses with oversized ones.
6. Use electric lights only. Be sure they bear the Underwriter's Laboratories label. Check for frayed cords, faulty sockets, loose connections. Provide a switch some distance from the tree to turn it on and off. Do not unplug tree lights underneath the tree.
7. Never use candles on the tree or around any combustible decorations.
8. Turn off tree lights before leaving the room or the house.
9. Don't operate electric toys, such as trains, beneath the tree. Arcs can ignite decorations or wrappings.
10. Use stool or ladder while trimming the tree. Let children decorate only lower branches. Don't smoke while trimming or dismantling.
11. Burn the tree in a fire-safe area outdoors. Some communities have tree-burning bonfires under the supervision of the fire department. If your community does not, contact your fire department and seek its cooperation. Youth organizations may collect the trees.

IT'S ONLY A LITTLE THING

It was only a tiny seed,
Carelessly brushed aside;
But it grew in time to a noxious weed,
And spread its poison wide.

It was only a little leak,
So small you might hardly see;
But the rising waters found the break,
And wrecked the great levee.

It was only a single spark,
Dropped by a passing train;
But the dead leaves caught, and swift and back
Was its work on wood and plain.

It was only a thoughtless word,
Scarce meant to be unkind;
But it pierced as a dart to the heart that heard
And left its sting behind.

It may seem a trifle at most,
The thing that we do or say;
And yet it may be that at fearful cost
We may wish it undone someday.

By M. P. Handy

Just Average

Those of us who are content to be just average owe little to others, except a debt of gratitude to those who help keep the average down.

Mrs. Coronato's resolution is to insure having the secretary check on whether sufficient funds are available for each purchase. Three Board members opposed her resolution on the ground that it was too restrictive.

Evan Thomas, superintendent of schools, pointed out that with Mrs. Coronato's resolution even small items such as a "95 cent notebook" would have to be checked out.

Mrs. Coronato had introduced her resolution in two parts, the second part providing that Dufford should spend only \$250 a month. Dufford stated that he did not

Look-Alikes: Mother and Daughter

THAT'S MRS. DI BELLA: Above photo was when Mrs. Di Bella was 18, the same age Lola is now. It appeared in the American Hairdressing Magazine. Note the similarity between Mrs. Di Bella and her daughter. Mr. Di Bella, who operates a men's shop on Washington Avenue, is proud of both his wife and his daughter.

THAT'S LOLA: Lola Di Bella, local beauty, is shown in one of her photos used for modelling purposes. Photo was made by Kondreck Studios to advertise graduation pictures. Lola was named "Miss Sea Queen" at Asbury Park during the summer. She presently is vying for the title of "Miss New Jersey Advertising Club."

Preferred Realty Board Installs

AT INSTALLATION: The Preferred Realty Board of Bloomfield, Glen Ridge, Nutley and Belleville held its fifth annual installation dinner recently. Joseph Napolitano of Jaynap Realty, Bloomfield, was installed as president, succeeding Edward Antinazzi, of Arcade Realty, Glen Ridge, who was presented with a plaque. Mr. Antinazzi was toastmaster for the evening. Guest speaker was John Harkins, chief examiner of the New Jersey Real Estate Commission, who traced the history of the Preferred Realty Board. David Rappaport, board attorney, installed the officers. Commissioner Carl Orzech of Nutley was chairman, with Michael Moscaro and Anthony Marchione assisting. Shown in above photo are, front row, left to right, Thomas Maglione, former president; Mrs. Phyllis Traviano, secretary; Napolitano and Antinazzi. In rear row are Donald Bowden, vice-president; Henry Todaro, former president; Rocco Liuzzi and Leonard Tursi, treasurer.

Men In Service

Army Pfc. Kenneth P. Borino, 20, son of Mr. and Mrs. Frank Borino, 387 Cortlandt St., recently participated with the 3rd Division's 30th Infantry in combat efficiency training tests in Germany.

Borino, a rifleman in the infantry's Company A, entered the Army in October 1958, completed basic training at Fort Benning, Georgia, and arrived overseas last May.

He is a 1957 graduate of Belleville High School and was employed by Stadium Appliance in Irvington, before entering the Army.

see he could operate "school buildings worth more than \$5,000, with only \$250 a month."

He then pointed out the daily problems he encounters. Rubino asked what Dufford was to do if he spent the money at the beginning of the month. Alfred Drake said the resolution was an effort to "hamstring" Dufford.

Mrs. Coronato withdrew the resolution in favor of Rubino's which gave Dufford more freedom.

Also at that meeting, The Board awarded the contract for five pianos to the lowest of four bidders, Muscara School of Music, Washington Avenue. The pianos, costing \$226 each, totaled \$2,630. They were originally to have cost \$2,570. However, Domenick Lally asked which type wood the teachers would prefer to have.

After a 20 minute discussion regarding the advantages of light natural oak wood or blonde wood, the Board decided on blonde wood. The blond wood is said to be splinter-proof.

Joseph L. Paglia

Finishes Course

Joseph L. Paglia

Joseph L. Paglia, new proprietor of Union Esso on Union Avenue at Division Street, has successfully completed an eight week course in service station management sponsored by Esso Standard Oil Company.

The firm's New Jersey Sales Division conducted the study at its District Retail School in Plainfield. Paglia was awarded a diploma November 13 upon graduation from the full-time "school."

Single and living with his parents at 166 E. Kinney Street, Newark, Paglia is a graduate of East Side High School. A veteran of the U.S. Air Force, he attained the rank of Airman Second Class as an aircraft mechanic. His non-business interests include swimming and other sports.

Gov't Conference Attracted 4,000

Belleville officials who attended the recent four day convention of the State League of Municipalities were among 4,000 officials from cities and towns throughout the state who attended the conference at the Chalfonte-Haddon Hall, in Atlantic City, setting a 44-year attendance record.

The close of the conference saw the adoption of a resolution for a larger appropriation for the State Mosquito Control Commission. The League also urged increased liaison by state and county agencies involved in mosquito control to prevent another outbreak of equine encephalitis in New Jersey.

The State assessment dilemma was the major topic of the conference. Several full sessions and a number of separate meetings by tax collectors and assessors were held on this subject.

Attending planning sessions at the municipal convention were members of the newly-appointed nine-member Belleville Planning Board.

Christmas Seals Sent to 9,800 Local Residents

Christmas Seals were sent last week to 9,800 residents in Belleville in the Annual Christmas Seal Drive of the Essex County Tuberculosis League, according to Norman P. McGorry of Livingston, Chairman of the League's Christmas Seal Sale Committee.

The money is used, McGorry said, for the League's program of health education, rehabilitation of TB patients, chest X-ray surveys, and medical research. Returns are now coming in to the League's office, formerly in Newark, and now located in Orange.

A total of more than 223,000 letters were mailed throughout Essex County, and citizens were urged to support the drive for funds.

McGorry reported that there were 26 new cases of tuberculosis discovered in Essex County in the first six months of 1959 alone—a larger number than were discovered in the comparable period of 1958.

"Our program," Mr. McGorry said, "is designed to prevent TB through early diagnosis, and to help the thousands of patients in our County to full recovery with their families, in their jobs, and in our communities."

CYO CONTEST DEADLINE IS NOVEMBER 30

To spur participation by parish youth groups in activities conducted by the Essex County CYO, the CYO has announced it will again hold a Participation Contest.

In the contest, points are awarded for participation in each of more than 30 social, religious, athletic and cultural projects and competitions. Awards will be given to the top three parishes in each of three divisions, the parishes being assigned to divisions on the basis of population.

Last year 43 parishes took part in the contest. The three top winners, all of whom received large banners emblazoned with the name of the parish, were Holy Family, Nutley; St. John's, Orange; and St. Aloysius, Newark. The first two were repeaters from the previous year.

The banners will be presented in June at the CYO's annual Night of Champions by Rev. Vincent F. Affanoso, county director.

Bellboys End Grid Season With 6-3 Mark; Win Over Orange, 10-0, Thanksgiving

By Dom Giovachino

Belleville High School's football team ended the 1959 season with a 6-3 record, defeating Orange High 10-0 in the traditional All Thanksgiving Day game before 8,500 spectators at Belleville Municipal Stadium. This was Belleville's sixth straight win over the Tornadoes and seventh since the series began in 1949. There has been one tie.

The Bellboys' first score was set up by a bad Orange punt from their six to their 27 yard line. On second down Frank Annichiarico scooted through from the 24 for the TD. Pete Brindisi made the conversion.

Belleville got their final three points in the second period on a punt attempt, a bad pass from center forced Orange to run and give up the ball on their own 10. Bellboys only gained three yards in three downs, however, so Brindisi dropped back to the 20.

Brindisi split the uprights. The boot was on an angle from the right side so it had to be a perfect kick.

The Tornadoes threatened many times during the game but did not have the scoring punch. In the second period passes by quarterback John Scott brought the ball as far as the Belleville 22, but and incomplete pass on fourth down gave Belleville the ball.

In the fourth period a flurry of passes and runs by Scott brought the ball to the 19. On fourth down, however, they were smeared for a loss and Belleville gained possession again.

Once, after Orange had taken over on downs on their own 4, Scott broke into the clear and almost got away but Annichiarico brought him down from behind at midfield.

Commendations are in order for Head Coach Ed Berlinski, Line Coach Tom Testa, their assistants, and the team itself for having made this season a highly successful one.

Orange	0	0	0	0
The Belleville	7	3	0	10-0

They are George Sheridan, Frank Annichiarico, Mike Smith, Walt Smith, and Mike Higgins.

The Bellboys have just one letterman returning this year, Richie Boyce. He figures to be the big man on the squad. Some others that played on varsity last year are Richard Burlazzi, Joe Crimmoano, Mike Smith, and Mike Higgins.

Since this team is relatively green, it will probably take a while for them to get rolling. We should, however, after a few games, be able to get a better idea on how the team will fare this year.

Toy Auction Planned By Pre-School P.T.A.

The pre-school section of School Three's P.T.A. will meet December 8 at 8:30 p.m. in the Teacher's Lounge.

The program will feature a toy auction. An appeal for usable, used toys has been made to all residents. All toys should be turned in at the School Three office on or before December 8.

Refreshments will be served by Mrs. Clare Hoover and Mrs. Beatrice Shephard.

Smith Was Youngest World War I Marine

How many friends of former Commissioner Kenneth D. Smith know that he was the youngest Marine in U.S. service during World War I?

He was 13 years and four months old when he enlisted on April 2, 1917. He served in com-

Kenneth D. Smith bat with the Fifth regiment, 2nd Division, until 1919.

Smith joined the Belleville Police Department in 1928 and worked his way through the ranks to deputy chief. He organized Belleville's first traffic safety squad and created a traffic school program.

He also is given credit for organizing the first GI school for police. The school was operated in Belleville under the direction of now Deputy Chief Emerson Bush.

Smith is now in charge of security at Federal Industries.

Twin sons, Richard James and Robert John were born to Mr. and Mrs. Richard Heineck, of 25A Lovel Court, November 9 at Clara Maass Memorial Hospital, Belleville. They are the couples' first children.

Stork Club

A daughter, Rose Ann, was born to Mr. and Mrs. Gerard Delio, of 61 Passaic Avenue, November 13 at Clara Maass Memorial Hospital, Belleville. She joins a sister, Debra, four and a half. Mr. and Mrs. Leonard Delio, of 38 Ernest Street, are the paternal grandparents.

A son, Robert Louis, was born to Mr. and Mrs. Robert F. James of 27 Cindy Street, Old Bridge, on November 16. He joins a brother, David Francis, 18 months. Mrs. James is the former Miss Shirley Alderson, daughter of Mr. and Mrs. Robert Alderson of East Orange, formerly of Belleville. Mr. and Mrs. Steve Depson, of Belleville, formerly of Nutley, are the paternal grandparents.

Receives Marine Award

Col. O. R. Simpson, left, presents Marine Lance Cpl. David I. Boyd, II, with a Leatherneck Magazine Rifle Marksmanship Certificate. Boyd received the award for outstanding marksmanship achievements at Marine Corps School, Quantico, Virginia. He is the son of Mr. and Mrs. Pohn D. Boyd of 16 Essex Street. Boyd enlisted in Pan-ary, 1958, after graduating from Belleville High School.

Honeymooners

Pictured above are newlyweds Mr. and Mrs. Frank Chierico of 103 Little Street on their honeymoon at the Thunderbird Motel, Miami Beach, Florida.

Reads Paper

Louise Cairol of 23 Belmont Street read a paper at the recent induction of members into the philosophy honor society at Caldwell College for Women. The society, "Ergo," is an appointive 19-member group. Members are appointed to the society by the Rev. Paul C. Perrotta, O.P., professor of philosophy and moderator of the club.

"BELLEVILLE PROPOSALS"

Sealed proposals will be received by the Board of Commissioners of the Town of Belleville at its meeting place in the Town Hall, Belleville, New Jersey on Tuesday, December 22, 1959 at 8:00 P.M. for the purchase of one (1) year supply of rock salt (100 tons more or less) for the Department of Public Works, Belleville, New Jersey according to specifications on file in the office of the Purchasing Agent, Town Hall, Belleville, New Jersey.

Proposals are to be submitted according to the requirements of the specifications which will be furnished by the Purchasing Agent.

Each bid must be enclosed in a sealed envelope bearing on the outside the name and address of the bidder and the name of the project, and must be delivered to the Town Clerk on or before 8:00 P.M. on Tuesday, December 22, 1959 at the Town Hall, Belleville, New Jersey. No bid will be received after that time. The Town reserves the right to reject any or all bids.

EUGENE G. BARNETT
Town Clerk
Issue of Dec. 3, 1959. FEE \$3.75

111 Teams Enter CYO Basketball

A total of 111 teams have been entered in Essex County CYO basketball leagues for the four-month campaign which opened this week. Six championships will be at stake, the boys playing on the senior, intermediate, junior and grammar school level and the girls in the junior and grammar school class.

Games will be played every weekday night and Saturday and Sunday afternoons, with the CYO using 10 gyms scattered throughout the county.

The most popular leagues are those for junior boys, where four divisions—two in the suburbs and two in Newark—have been organized, and intermediate and grammar boys, each with three divisions. In all cases, Newark and suburban champions will be crowned, the victors meeting in the county finals for that title and the right to move into the archdiocesan playoffs.

All of last year's champions are back to defend their honors. Immaculate Conception, Montclair, will try to repeat as a double winner in the senior boys and grammar girls divisions. Other returning titlists include St. Casimir's, Newark, intermediate boys; St. Michael's Newark, grammar boys; Our Lady of Lourdes, West Orange, junior boys; and Our Lady of Sorrows, South Orange, junior girls.

Outside the Newark area, gyms at St. Mary's, Nutley; Our Lady of Sorrows, South Orange; Holy Family, Nutley; Sacred Heart, Bloomfield Immaculate Heart of Mary, Maplewood, and Holy Name, East Orange, will be used.

Returns To Alaska

Walter Krom of Little Falls has returned to Anchorage, Alaska, where he is serving at an Army missile base. He will complete his tour in seven months.

TB ASSOCIATION NEARS 50% OF \$12,000 GOAL

The Belleville-Nutley Tuberculosis Association has collected \$5,134. toward its goal of \$12,000 needed to carry on its full program of service to the two towns, according to Richard V. Fellers, Nutley seal chairman.

"We are ahead of last year's receipts for the same period when we had collected \$3,347 but we are far behind the usual collections prior to last year when the competition seal sale by an outside organization was started," Fellers said.

He stated that the people of Belleville and Nutley have been repeatedly reminded that they do not support the local Association this year in its drive for funds, the tuberculosis prevention and control services provided free to them will cease.

Last year, with the help of a small reserve fund held aside for an emergency, the Association was able to carry on its full program of free service which included 1,473 chest X-rays given at the annual X-ray projects, 1,945 nurse visits, 1,282 patch tests for school children, 504 patient visits to the chest clinic, 2,077 patches provided to local physicians for tuberculosis testing of children, X-rays for all school employees, and X-rays for all school children showing positive reaction to the patch test.

"We believe that the people of Nutley and Belleville want these vital services continued and, to make it possible, we again urge them to use our Christmas seals and send in their contributions to the Belleville-Nutley Association without delay," Fellers said.

Vecchione Elected To Editors' Group

Joseph Vecchione of 138 Overlook Avenue, Belleville, has been elected to the board of directors of the New Jersey Industrial Editors Association.

The Association, affiliated with the Rutgers University School of Journalism and the American Association of Industrial Editors, promotes the professional standards of industrial journalism in New Jersey.

Vecchione, a member of the New Jersey Industrial Editors Association for three years, is editor of P. Ballantine and Sons industrial publication, "Three Kings."

He joined Ballantine in 1956 after serving as a reporter with the Newark News.

Vecchione is a graduate of Princeton University with a Bachelor of Arts degree in journalism.

In addition to his present duties with the N.J.I.E.A. Vecchione is also a member of the American Association of Industrial Editors.

Commissioner Sullivan March of Dimes Chairman

Commissioner Harry J. Sullivan of 9 Bell Street will serve as Belleville campaign chairman for the March of Dimes. The announcement was made by James E. Haas, Essex County campaign chairman. Mr. Sullivan will head an organization of volunteer workers who will seek funds in January for the National Foundation's broad-scale attack on birth defects, arthritis and polio.

Present plans in Belleville call for sending out the traditional March of Dimes "mailers" to reach every family the first week in January and the annual Mothers March on January 28.

SIDEWALK EXPECTED
John Bag, president of the Rutan Estates Homeowners' Association, appeared before the Town Commission last week to ask a question of Commissioner Robert C. Grubin on the progress of a projected sidewalk along a portion of Jaramon Street near the development.

Grubin said the work had been let out to a contractor.

Rabbi Victor Cohen will speak about Chanukah, Frieda Sosin, president will preside. Refreshments will be served following the meeting.

FIRST NIGHT AT REFORM SCHOOL

What do you think of that first night at Reform School?
... of the world outside, dark and crisp, and the guys who hang around the drug store!
... of kids and cops, laws and judges, courtrooms and cells... the morbid adventures of the last lagging month.
... of the home from which you came... and what it might have been!
And you think of God... of days when church bells rang... and other kids went to Sunday School... and you had to be quiet so you didn't wake your parents!
... of times when you might have prayed... but you didn't know how... and no one around you seemed to care!
... of questions you once asked about God... but Dad was busy, and Mom hadn't time to explain.
The first night in Reform School — what a tragic place for a boy to be confronted with these vital spiritual issues which wise parents should have faced in their children's infancy.

Copyright 1959, Kaiser Adv. Service, St. Louis, Virginia

THE CHURCH FOR ALL... ALL FOR THE CHURCH.

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	Psalms	88	6:9, 21

OBITUARIES

Rest Eternal Grant Unto Them, Oh Lord.
and Let Light Perpetual Shine Upon Them.

MRS. E. BERGER, EX-LEGISLATOR, IS DEAD AT 50

Life-Long Nutley Resident Served in State Assembly

Mrs. Ellen M. Berger, former Essex County Republican Assemblywoman, died Monday of asphyxiation at her home, 226 Vreeland Avenue, She was 50.

The daughter of the late Mr. and Mrs. James L. Miller, Mrs. Berger was the widow of Dr. Theodore J. Berger, Sr. He died three years ago.

A life-long Nutley resident, Mrs. Berger was the last Nutley representative to serve in the State Assembly. She was elected to the post in 1953 and served one term.

Mrs. Berger lost a re-election bid in the 1955 primaries when she ran on the GOP Assembly Majority Leader William O. Barnes' ticket against Ex-State Senator Mark Anton's forces.

Born in the Vreeland Avenue house, Mrs. Berger went through Nutley schools and attended New Jersey College for Women. She entered Republican politics in 1932 as a member of the county committee, and served as a committeewoman for many years.

She helped organize the Young Republicans on a town and county level and was its first vice chairman here. She was also a former member of the executive committee of the Republican Club of Nutley.

Holy Family Rosary Altar Society Elects

The Rosary Altar Society of Holy Family Church met Monday evening in the meeting room of the school. A white elephant sale was held among members of the society.

The next business meeting will be held on Sunday evening, January 3, at 7:30 p.m., when plans will be made to increase the membership of the Society.

Sisters Of Charity Conduct A Building Fund Campaign

For the first time in its 100-year history, the Sisters of Charity are conducting a campaign for funds to erect a new, juniorate for novices, a new science building and a new electrical plant.

Approximately 50 per cent of the parishes of St. Peter's Church have been contacted by the volunteer workers of St. Peter's Parish on behalf of the Centennial Campaign for the Sisters of Charity.

Each parish of the Newark Archdiocese, and all other dioceses where the Sisters of Charity are carrying on their work, have a goal set by the Mother House at Convent, New Jersey. St. Peter's has been asked to raise \$25,000.00. About one-third of the goal has been reached to date.

The drive at St. Peter's is continuing by house to house volunteer workers collecting pledges of \$25.00 and up, which may be paid over a period of a year or more.

Many of the workers report they have visited homes and found no one at home. Monsignor Joseph M. Kelly, general chairman; Reverend Francis A. Ignacius, vice-chairman, and Sister Grace Constance, sister superior on their work, have a goal set by the Mother House at Convent, New Jersey. St. Peter's has been asked to raise \$25,000.00. About one-third of the goal has been reached to date.

Workers who have already canvassed the territories assigned them and made their return have again volunteered their services to make return visits and also to contact new prospects.

Heading the lay committee are Richard Fanin, Mrs. Fred Scheuerman and Miss Constance Conolly. Assisting them are Mrs. Stanley Akus, John Andrews, Peter Barnes, Mrs. John Bell, Mrs. William Bradican, Mrs. Hugh Brady, Mr. and Mrs. William Brickell, John Cahill, Raymond Ciccarelli, Malcolm Gordon, Miss Ethel Connolly, Mrs. Edward Costabader, Mr. and Mrs. Norman Del Grosso and Robert Doyle.

Also, Mrs. William J. Friel, Mrs. Martin Gaffney, Mrs. Charles Gibbs, Miss Carol Gilestari, Mrs. Joseph D. Jeffers, Mrs. Joseph J. Jeffers, Albert Johnston, Mrs. Robert Kastner, Robert Kinkadee, Mrs. Norman Lauterette, Mrs. James Leonard, Mrs. Walter Loewner, Mrs. Thomas Mack, Edward Miller, Mrs. Hannek Malcom, Jr., Mrs. James McConnon,

Tax Council Criticizes The Board Of Education

Lee Garson, acting as spokesman for the Citizens' Tax Council, sharply criticized the Board of Education last week for holding a secret meeting to discuss the Rutgers University School Survey.
The survey, which was to have been completed November 1, was made to determine the need for a new high school in Belleville. The cost of the survey is \$3200. Garson stated that last summer when the survey was first proposed, he and Salvatore Calabro, president of the Tax Council, offered to conduct their own survey without cost of the Board. Garson said their offer was "ignored."
Recently, the Citizen's Tax Council wrote to Evan Thomas, superintendent, for data to assist them in making an "impartial statistical analysis to determine the school's needs."

Board Member Domenick Lally, after hearing Garson's rebuke, stated that "every organization is entitled to some conferences. We promised that when we had the report we would make it public."
Max Schwartz, attorney for the Board, stated that the report was a "preliminary one." He further stated that he thought the "public is entitled to the report."
Schwartz also pointed out that Dr. W. Donald Walling, director of the survey, had requested the press and public not be present. Garson asserted that in the interest of "good public relations this report should have been made available to the press and the public the same time it was released to the board."

THE SANTIAGO'S WED 25 YEARS

Mr. and Mrs. Jose Santiago of 16 Crescent Terrace were honored recently at a surprise 25th anniversary party given for them by their children. The party was held at Perrillo's, Belleville. Thirty-five guests attended Mrs. Santiago is the former Annette Ver-

Stork Club

A daughter, Barbara Lee, was born to Mr. and Mrs. Daniel Yurkani of 279 Linden Avenue on November 10 at the Columbus Hospital, Newark. This is the couple's first child.

Mrs. Yurkani is the former Frances Clark of Lucerne, Pennsylvania. Mr. Yurkani is the son of Mr. John Yurkani of 279 Linden Avenue. Mr. Yurkani is with Federal Industries, Belleville.

A daughter, Nancy Lynne, was born to Mr. and Mrs. Charles Kelly of 14 Lincoln Terrace on October 31 at the Clara Maass Memorial Hospital. Nancy Lynne is the couple's first child.
Mrs. Kelly is the former Karen Warmuth of Weehauken, Mr. Kelly, formerly of West New York, is a district scout executive with the Robert Treat Council, Boy Scouts of America.

"Hey Sport"

By Willard Morrison

A Field Goal For Pete

Field goals in high school play are few and far between and Pete Brindisi waited until his final game to boot one for Belleville. It was a timely goal for it gave the Bellboys a ten point lead and took off some of the pressure when on several occasions Orange threatened to score a touchdown. This is the first three point boot by a Belleville griddier since Tommy Nisovic kicked one of about the same length against Kearny in 1949. The difference being that Tommy's came in a losing cause, for Kearny ended a five game victory streak for the Bellboys in this 1949 game by winning 13-10. Pete booted his through from about the nineteen yard line making it a 29 yard goal. A strong cross wind was blowing and the kick was on an angle for the ball was at the in-bounds marker fifteen yards from the sideline. Pete had previously picked up a point in this game on a conversion as Belleville beat Orange 10-0 in the annual Thanksgiving Day game.

Your correspondent recalls Stan "Ding Ding" Krivik kicking a 35 yard field goal against Phillipsburg in 1937 for Bloomfield, and to make it even more unusual, "Ding Ding" made the goal with a drop kick. This 1937 Bengal team was undefeated through the season and the only mark on their perfect record was a scoreless deadlock with Belleville. Late in the Belleville contest Krivik again tried to boot one with a drop kick but was unsuccessful.

The Bellboys got two breaks in the Orange contest and cashed in each time. The first came after Vince Moreno had set the Tornadoes back to their five yard line with a fine punt. Orange was unable to move the ball and Doug Reiner was only able to punt out to the Orange 27 yard stripe. Rog Caruso gained two and then Frank Annichiarico with the aid of a Mike Smith block, went off tackle for 25 yards and a score. The second break came, when on fourth down Reiner was unable to get off a punt after a high pass from center. Belleville took over on the ten yard line and it was after they could only advance to the eight in three tries that Brindisi, with Annichiarico holding, kicked his field goal to bring the count to 10-0.

Belleville made one other serious threat which came in the third period. Following a fumble recovery by Ralph Casale on the Tornado 41, the 'Boys' drove down to the four on a series of short gains, the longest of which were a pair of 15 yard gains; one a dash by Annichiarico and the other a pass from George Sheridan to Doug Bartell. With fourth down and three to gain on the four, Bartell was thrown for a six yard loss to end the threat.

Orange's best scoring opportunity came in the second quarter when led by John Scott, they took over at midfield and went down to the Belleville 22. At this point Scott passed to Frank Reid, who had slipped behind the Belleville secondary, only to drop a perfect pass with nothing but daylight between him and the goal. The Tornadoes also reached the Belleville 26 in this period but were stopped when Rog Plosa hit John Scott as he was about to pass making his throw go astray so that Bob Harvey could intercept and end the scoring opportunity. In the fourth period Orange took over on their own ten and with the aid of a 41 yard end run by John Scott and a 15 yard penalty against Belleville, drove to the Bellboy 19 where on fourth down Fred Partus, downed Scott for a ten yard loss to end the threat.

The Blue and Gold line was again outstanding, as they have been most of the season, with Ralph Casale and Pete Brindisi recovering fumbles while Bob Harvey and Tom Worley intercepted passes. Each Bellboy lineman came up with at least one key tackle and on many occasions throwing Tornadoes ball carriers for losses. Orange had a net running yardage of 52 yards, 41 of which were picked up by Scott on one run. On this run it appeared Scott might go all the way, but Annichiarico was able to make a "jersey" tackle to stop the speedy quarterback. Scott, a junior, is a fine quarterback and on a better team would be recognized as one of the best in the area. Often a fine player goes unrecognized for the lack of support by his teammates.

From the hot afternoon at Martens Stadium, East Orange, to the cold and muddy Municipal Stadium Turkey Day struggle it has been an interesting and rewarding season. The 'Boys' finished with six wins and three losses and were only soundly beaten by Irvington. When diplomas are passed out in June, Eddie Berlinski will lose many fine football players. However Mr. "B" does have the nucleus of a fine backfield for 1960 with George Sheridan, Frank Annichiarico, Rich Luzzi, Jon Herbert and Joe Visco returning. In the forward wall he will have Ralph Casale, Tom Perry, Sal La Coco, Walt Smith, Fred Partus and Alex Iacullo. Joe Cernero a defensive back will also be on the 1960 squad.

This concludes Eddie Berlinski's thirteenth season at the helm of the Bellboys. Among Big Ten coaches only Clary Anderson at Montclair has been coaching longer than the ex-Bloomfield All Star. Eddie's thirteen year record stands at 59-48-10. As we stated at the start of the season, Coach Eddie has given Belleville interesting and exciting football doing an overall good job for the Blue and Gold.

The Bellboys closed the season on a bright note and so did we, as we were able to forecast correctly the outcome of seven out of seven Thanksgiving Day games in last weeks column.

IRON DUKES WIN GARDEN STATE GRID CROWN

Blank Paterson, 26-0, For 9th Victory In Succession

The Belleville-Nutley Iron-Dukes crushed the Paterson Tigers, 26-0, last Sunday at Pennington Park, Paterson, before a sparse crowd of less than 1,000. The victory gave the Dukes, under Pete Sper's expert tutelage, the Garden State Football League championship with nine consecutive wins and no losses, 45, their maiden season in the league.

No Contest
The Paterson entry was never in the contest as the Duke forward wall opened up gaping holes through which a parade of hard-running backs cavorted, led by the slight-of-hand quarterbacking of Frank Puleo.

The Iron-Dukes picked up nine first downs and 336 yards to their hapless opponents' two first downs and 20 yards. The pressure exerted by the Dukes defense kept Paterson bottled up in their own territory throughout the entire contest.

Paterson took the opening kickoff and after gaining only three yards in as many attempts punted to the Dukes. John Puccerelli gathered in the boot on his own 19 and twisted 81 yards to the initial tally.

Bob Marcy's kick was blocked and the Dukes led, 6-0, with only two minutes gone in the contest. Babe Conforti's fumble halted another Duke drive on the Tiger nine late in the opening canto.

Joe Ciriacio burst over from 10 yards out, shortly after Fred Sparduto recovered a Paterson fumble on the losers' 22, in the opening minutes of the second period, Marcy's kick was good to up the count to 13-0.

On the second play following the kickoff, Karl Borino gathered in Harris' toss on the Paterson 45, and ran the interception back all the way for the third Duke tally of the morning. Marcy's kick was blocked and the Dukes led, 19-0, halftime.

Two Iron Duke drives were halted inside the 20 during the third period, as the Dukes rolled up lots of yardage but no points.

Two Penalties
Shortly after the start of the final period, Puccerelli intercepted another Paterson pass at midfield and returned it to the Tiger 35. Two penalties later and the Dukes had a first down with 40 yards to go from their own 35.

The undaunted Belleville-Nutley entry then shook loose Dick Bartolazzi, their leading scorer, on a 65-yard scamper down the right side, where Vin Ronzetti, mone and Babe Conforti throwing the key blocks downfield.

Marcy concluded the season's scoring with a placement that split the uprights, making the final score read: Iron Dukes 45-Paterson 0.

The Belleville All-Stars, coached by Tom Appicella, Iron Duke assistant coach, rolled over the Clifton All-Stars, 20-6, in a heavy-weight contest, Sunday afternoon at Clearman Field, Belleville.

Bill "Moose" Skowron, first baseman for the New York Yankees, was guest speaker at the "Father and Son Sports Night" held recently by the Belleville Council 335, Knights of Columbus. The "Moose" scored a hit by his witty and colorful resume of his career. Chairman Daniel Serpentelli provided movies and refreshments to complete the program. Left to right: Grand Knight Edward DeMartino, Serpentelli, Skowron, William Hood and Bud Savare.

Eugene J. Kelly, right, of 16 Springer Street, is congratulated on his completion of 25 years of service with Pioneer by President Howard J. Dirkes of the Borden Company's Pioneer Ice Cream Division. Mr. Kelly, the division's general sales manager for chain food stores, institutional and special accounts, was honored at a banquet held recently by the Pioneer Chapter of Borden's Quarter Century Club at the Park-Sheraton Hotel in New York City.

Social Notes

are used, put them on the back of Christmas card envelopes so that they will not conflict with the address on the front.

Before mailing your gift packages be sure that proper postage is firmly affixed to each.

It's always a good idea to place a piece of transparent cellophane tape over the address portion of the label to prevent defacing it in transit. Most important of all, be sure to include the recipient's full name, street address, city, zone and state on your labels.

Always send Christmas cards by First Class mail Christmas cards sent by First Class four cent or seven cent Air Mail may carry written messages; where as, cards sent with Third Class three cent postage may only have a written signature and will not be forwarded or returned.

It is always advisable to include a return name and address on each Christmas card envelope. The Postmaster stated that the entire Christmas mailing period is primarily a battle against time.

Delaying now in getting Christmas cards and gift packages to the Post Office, will mean, dreaded pile-up of cards, certain of delayed pile-ups are bound to occur, causing unavoidable slowdowns in deliveries as the holiday approaches.

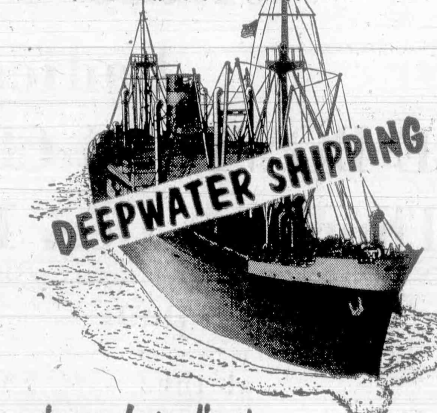

All mail going long distances should be sent well before December 10th. Christmas packages for local delivery should be mailed by December 15th, and be sure to mail Christmas cards for nearby destinations at least a week before Christmas.

CAPE COD
This home just 6 years old is immaculate in every detail. Situated on a lot 100' x 115' it features a large kitchen, living room, three bedrooms, tile bath and enclosed porch, shaded by a towering weeping willow tree. Just \$17,900.

DO YOU KNOW THAT...

...is an Ingredient
of Industrial Success in New Jersey?

Trucking and railroad routes from all the country funnel into Port Newark and the Port of Camden. At the same time, sea lanes from all the world serve these fine New Jersey ports.

Our great state, the Crossroads of the East, has the finest transportation facilities in the world. Once goods arrive at Port Newark or the Delaware Valley, there are unrivaled facilities to transport them to major markets... to New York, to Philadelphia... as well as all the other markets in the United States, including the wealthy markets in our own state.

These ports serve industry better today with their modern, deep-water dock facilities, as well as their accessibility towards avenues to ship goods from dockside.

You should be happy and proud to be a part of New Jersey—
