

Merchants Form New Committees; Include Parking

The Washington Avenue Merchants' Association has taken another step forward in what it hopes will be a progressive program to activate and beautify Washington Avenue and make shopping easier.

The group formed several committees at its most recent general meeting at the Town Hall. These committees were on parking, policy and planning, membership, public relations, publicity during the Christmas holidays and a committee on drawing up a code of ethics.

On the parking committee are Michael Pariso of Pariso's, A. Schomburg, an architect; Mrs. Phyllis Traviano of the Lauron Agency and Paul Brandman of Paul's shoes.

Frank Megaro, president of the group, says the parking committee will meet with a committee from the newly-constituted Planning Board, to discuss

the parking situation along Washington Avenue. Megaro also asserted there were now 80 paid-up members in the organization and that memberships were coming in daily, through active solicitation and through the mail.

The Association has a new headquarters, at 64 Washington Avenue, in a store whose use was donated by Mrs. Weiss, owner of the building. Information on any of the Association's programs may be obtained there or by calling Megaro at PL 9-6963. The new open Monday.

Megaro declared there would be no more general meetings during the holiday season, but that committee meetings would be held at 64 Washington Avenue.

General meetings, when held, will be in the Town Hall, as before, Megaro said.

Three Candidates Declare In School Board Race

Deadline for the filing of petitions for the School Board election is 4 p.m. December 31st with the Board Secretary, Mrs. Mary Shader, at the Board of Education, 19 Fairway Avenue, Tuesday, February 9th. At stake are two seats, both for three years.

The terms expiring are those

of Mrs. Mary Coronato and Michael Rubino. At this writing,

Mrs. Coronato has taken petitions and is getting them signed and Rubino is "still thinking it over" about seeking re-election.

Besides Mrs. Coronato, there are two other candidates running and one still contemplating the matter. Of the two candidates, Nunzio Caracciola of 58 Roosevelt Avenue has turned in his signed petitions. He did this at 2:30 p.m. Monday after receiving them the previous Friday.

Joseph Granes of 48 Naples Avenue declares he took out petitions Monday.

"Contemplating running" is Nicholas Juliano of 359 Union Avenue.

Mrs. Coronato is completing a

(Continued on Page 3)

Food Fair Opens New Store On Site Of One Which Burned

DOING THE HONORS: Three local women's club leaders jointly cut the ribbon at the grand re-opening ceremony yesterday (Wednesday) morning of the Food Fair Store on Washington Avenue. The women are, left to right, Mrs. William Lapham, president of the Evening Division of the Belleville Woman's Club; Mrs. Arthur G. White, vice-president of the Belleville Woman's Club, and Mrs. Ernest McGill, president of the Belleville Junior Woman's Club. Others in the photo are, left to right, George Razon, Food Fair District Manager; Fire Chief Carl Hundertpfund, Commissioner Harry J. Sullivan, Town Clerk Eugene Barnett and store manager Robert Pripps.

Three local clubwomen cut the traditional ribbon yesterday (Wednesday) December 16, marking the official return of Food Fair to Belleville after an absence of 20 months.

Local officials and other dignitaries also were present. The new 13,000 square-foot supermarket at 554 Washington Avenue is on the site of Food Fair's original supermarket which was destroyed by fire in April, 1939.

The ribbon cutters yesterday were Mrs. Ernest McGill, 107 Carpenter Street, president of the Belleville Woman's Club; Mrs. Arthur G. White, 110 Fairway Avenue, vice-president of the Belleville Woman's Club and Mrs. William Lapham, 19 Fairway Avenue, president of the Evening Division of the Women's Club.

Free gifts, samples, and "specials" highlighted the opening of the new Food Fair and will be continued through Saturday. Coffee and doughnuts were served to early morning shoppers.

An added highlight was a "bonus bonanza" of Merchants' Club members.

PRESENTED WITH PLAQUE: Dr. William D. Crecca, center, receives plaque for service from Dr. Raphael Remondelli, on behalf of himself and his associates at Clara Maass Hospital. At left is Albin Oberg, executive director of the hospital. Dr. Crecca is the retiring president of the hospital and Dr. Remondelli the newly-elected president, named at the annual meeting to succeed Dr. Crecca. Dr. Crecca has been associated with the Clara Maass Hospital for more than 40 years and played a leading role in the development of the old Clara Maass Hospital in Newark and the building of the new hospital in Belleville. Dr. Remondelli has been associated with Clara Maass Hospital for 24 years.

Free Radio Messages To Local Servicemen

Messages to Belleville's "now serving in any branch of the armed forces will be accepted and transmitted free of charge to any part of the globe on Thursday and Friday, December 17th and 18th, limited to ten words, name address and signature not counted. Only the text will be counted as part of the ten words.

Persons interested may call at CD Headquarters 203 Washington Avenue, 1 to 5 p.m., Plymouth 9-5100 and Plymouth 9-2654, 5 to 7:30 p.m. CD Director Ludwig Pesa has extended an invitation to visit headquarters any afternoon 1 to 5 p.m. and Monday and Friday evenings, 6:30 to 8:30 p.m.

United Drive Ends A Failure; Raise Only 49%

Chairman Harry French has the press that in his opinion there were 2 basic reasons for the failure of the United Drive to raise 50 percent of the desired amount.

The final tabulation by divisions is as follows: 949.50; Town Employees, 1,700.00; Industrial (Corporate & Employees) Harry Fox, Chairman, \$2,889.49; Small Industry, Bruno Greulich, Chairman, 530.00; Special Gifts, B. Thomas Aiken, Chairman, 2,070.00; Schools, Evan H. Thomas, Chairman, 2,070.00; Church Organizations, H. B. Wische, 742.00; Residential, F. Douglas Wadsworth, 257.92; Miscellaneous, 5.00.

As a result of this sorry showing, Belleville not only finds itself at the bottom of the race in Essex County but at or near the bottom nationwide. Statistics recently received by the Belleville Campaign Office showed that an average of 82.3 per cent of the goal had been reached by 252 United Funds reporting on the results of their campaign. Even many towns in depressed areas went over the top.

What's Wrong With Belleville? What, then, is wrong with Belleville? Chairman French recently pointed out in a letter to the residents of Belleville, either were not sufficiently interested or had not been made keenly enough aware of the needs of the agencies comprising the Fund and their duty to support them.

In many cases, solicitors received contributions of \$1.00 or less to be distributed to the entire group of 13 agencies. This undoubtedly would have been given to each agency had they made an independent drive of their own.

Industry Can Be Commended Belleville industry can be commended for a job well done. However, if the residents of the town and Belleville, as a community, are to assume their full philanthropic responsibility and to "gain" be able to hold up their heads when compared with other communities in this respect, some strenuous soul-searching & planning will have to be done now and next year's campaign.

This, in the opinion of the Board of Trustees of the United Fund is a matter that rests squarely with both the residents and the various civic groups, PTA's and other organizations within the community.

John F. Kidd Re-elected To Head Maass Directors

At the December dinner meeting of the Board of Trustees of Clara Maass Memorial Hospital held on December 10th, John F. Kidd, president of Walter Kidd & Company, was re-elected president of the board.

Other officers re-elected were: vice-presidents Karl J. Olson and Henry C. Pfaff, Jr.; vice president & treasurer, Ardis C. Barata; assistant treasurer, B. D. Tuhy; assistant secretary, Albin H. Oberg; and corresponding secretary, John R. Weber.

Also named was John D. Fischbeck as secretary to the Board of Directors.

New trustees elected at the same meeting were Rudolph H. Deeten of 28 Clearman Place; F. Douglas Wadsworth of 534 Union Avenue; and Herbert V. Peterson of Harrison.

Local Fire-Fighting Set-Up Changed To Retain Rating

Various changes in the Belleville Fire Department fire fighting set-up have been made public by Fire Chief Carl Hundertpfund and Harry J. Sullivan, director of public safety.

The changes were made by Hundertpfund as a result of a survey in November, 1958 of Belleville's fire fighting and fire protection abilities. The survey was conducted by the National Board of Fire Underwriters.

A survey of this type is regularly scheduled every ten to twenty years in all towns and cities having fire protection. Findings are used to determine the fire insurance classification of each area.

After last November's survey, a joint statement by the inspecting engineers declared there were "insufficient companies to all built-up areas. Insufficient company officers are appointed and companies are seriously undermanned."

The report went on that "a

DE WITT DIVIDEND DECLARED AT 3.5%

Savers at De Witt Savings and Loan Association have received welcome news that the Board of Directors has approved an increase in the dividend rate to 3 1/2 per cent anticipated for the period beginning January 1, 1960.

The increase in dividend rate is the second such increase to be announced during 1959 by this mutual savings association.

According to Edward P. Cantwell, De Witt's executive vice-president, the Association has assets of approximately \$13,750,000 and has earned reserves in excess of \$1,110,000 with which to protect the funds of its savers.

This strong reserve position, amounting to approximately 9 1/2 per cent has been a motivating factor in the decision to increase the dividend rate. The account of each saver at De Witt Savings is insured as to safety to \$10,000 by the Federal Savings & Loan Insurance Corporation, Washington D. C. as instrumentality of the United States Government.

Chief Hundertpfund on June 1959, received orders from the office of Commissioner Sullivan

Monsignor Kelly To Be Invested Prothonotary Apostolic Tuesday

THE RIGHT REV. MONSIGNOR JOSEPH M. KELLY
P.A., L.L.D., M.A., Pastor of St. Peter's Church

The Right Rev. Monsignor Joseph M. Kelly, pastor of St. Peter's Church, will be invested as a Prothonotary Apostolic by the Most Reverend Thomas A. Boland, Archbishop of Newark, Tuesday at 8 p.m. at St. Peter's Church.

Assisting will be the Right Rev. Monsignor Aloysius J. Welsh, J.P., pastor of St. Peter's Church and friends are all invited to attend this ceremony honoring Monsignor Kelly who is a year as a bishop.

Monsignor Kelly has given almost 30 years of his priestly life to the spiritual needs of the people of Belleville. Ordained 52 years ago, he was immediately assigned as a curate to St. Peter's Church. He returned as pastor in January, 1932.

Chief Spatz Observes Accidents Follow Pattern Based On Winter Weather

Belleville Police Chief George R. Spatz, whose department keeps records of all traffic accidents occurring within the city limits, observes that the type and causes of accidents tend to follow a definite pattern based on seasonal weather conditions.

Knowledge of this pattern can be of great value to capable drivers in preventing accidents, he points out. "For example, the winter-type accidents is most likely to be a collision resulting from reduced visibility due to bad weather, or a crack-up resulting from lack of control on snow or ice," the chief explained. "And frequently it's a combination of both these factors."

He further noted that accidents of this type are especially common during early winter—when many motorists are caught unprepared both as to their driving habits and proper winter equipment.

"The onset of winter weather usually brings on a rash of accidents, traffic delays, and line-ups at service stations, most of which could be easily prevented by a little forethought and preparation," Chief Spatz said. "This year I'd like to see our winter season get off to a better start than usual. We can do it if drivers follow three simple rules: (1) Provide their cars with the necessary equipment to assure maximum visibility, (2) take advantage of scientific advances in the field of skid prevention, and (3) maintain the alertness and caution which characterize the expert driver in any season of the year."

Asked to elaborate on his three points, Chief Spatz agreed that most cars come equipped with normal vision-clearing apparatus. It then boils down to having this equipment checked and put in top operating condition. Defrosters should work with full power and efficiency. This may necessitate nothing more than in-

Needle Foundation To Hold Xmas Party

The Meyer J. Needle Foundation will hold a Christmas party for cerebral palsied teen-agers at the Cerebral Palsy School and Treatment Center, 7 Sanford Avenue, tomorrow (Friday) at 9 p.m.

As this party, Barney Pellatt, president of the Foundation, will present the teen-agers with additional recreational equipment, including a billiard table. This Christmas party is one of a series of semi-monthly parties, known as the Ida Lobel Canteen, which the Meyer J. Needle Foundation sponsors for teen-agers cerebral palsied boys and girls. The Canteen is named in memory of Ida Lobel, one of the Foundation's past presidents.

The Meyer J. Needle Foundation was formed in 1949 in memory of a deceased yearling of World War II. At its inception, the group gave help to the needy. Then, wishing to expand, they approached the New Jersey Chapter of The Arthritis and Rheumatism Foundation and began raising funds for that agency.

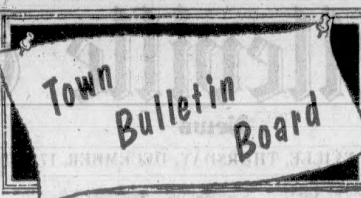

Among the many charitable deeds of the Meyer J. Needle Foundation for the arthritides, has been the donation of the only mobile unit in Essex County now in use for the physical therapy of bedridden arthritides.

"The chief," the chief emphasized, "after all, when the weather's against us, we don't achieve safety by wishing for it. Knowledge is the answer, and prompt action based on that knowledge is the remedy."

"For example, tests show the best equipment for providing stop - and - go traction in deep snow or on glare ice is a set of reinforced tire chains. But even chains can't help if they aren't in the trunk, handy to use when a driver can't move without them. So now is the time to make sure we'll have reliable traction when we need it."

The chief added that some of the special winter trends are helpful in improving traction, particularly when snow is not too deep and the grades are not too steep. He said that some of the snow tires are better than others but that none can compare with bar - reinforced tire chains for traction or for stopping.

However, with the city's winter record in mind, Chief Spatz pointed out that none of the skid-study experts claimed that any type of anti-skid equipment is good enough to permit summertime speeds on snow or ice. Generally reduced speed, smooth starts, gradual stops - these are the driving methods

Watch Those Spirits At Christmas Parties And Get Home Safely

The New Jersey State Safety Council again this year has issued a plea to discourage the serving of intoxicating drinks at pre-Christmas parties and New Year get-togethers in plants and other places of employment.

Special holiday studies by the National Safety Council show, according to George A. Traver, executive vice president of the State Safety Council, that 55 percent of the Christmas season fatal traffic accidents involved a driver "under the influence."

"You do not have to be obviously intoxicated to be 'under the influence' and an unsafe driver, according to Traver. He explained that 'under the influence' means that due to drinking alcohol a person has lost some of the clearness of mind and self-control that he would otherwise possess.

The combination of alcohol and long hours of darkness adds up to serious odds against accident-free driving, according to Traver. He emphasized that safe driving, particularly during the holiday period, demands mental alertness and physical fitness. In a letter to upwards of 3,000 business and industrial concerns in the state Traver reminds that surveys show a sizeable percentage of Christmas traffic accidents occur in the early hours of the holiday period and many of these can be traced back to the highballs served at office parties.

He emphasized that the Council does not intend to dampen the spirit of the holiday custom of office parties, but is trying to eliminate a definite source of Yuletide.

30 YEARS SERVICE
Joseph V. Tremel, 88 Rossmore Place, attains 30 years of service at the Newark Plant of the Celanese Plastics Company on January 10, 1960.

B. T. Aitken Appointed To General Magnaplate Board of Directors

General Magnaplate Corporation, which held its first board of directors meeting recently, chose three directors to its executive committee in a short meeting held last week at the plant offices, 381 Main Street. An eighth director was also elected to the board.

Named to the executive committee were Charles P. Covino, president of the corporation; S. George Greenspan, secretary-treasurer and Leonard J. Smith.

Elected to the board of directors was Jack R. Miller, president of the J. R. Miller Company, Consulting Engineers, of Manhattan.

General Magnaplate, a recent merger of four companies, is a non-destructive testing laboratory for materials, products and components. It also handles special plating, electroplating, coating, metal treatment and related industrial finishing operations.

Completes Training

Edwyn J. Lambrecht Jr., son of Mr. and Mrs. Edwyn J. Lambrecht of 189 New Street, graduated from recruit training Dec. 5, at the Naval Training Center, Great Lakes, Ill.

In 11-weeks of instruction, the "raw recruit" is developed into a Navy Bluejacket ready for duty with the fleet.

Food Fair

(Continued from Page 1)

Green Stamps given with the purchase of any of Food Fair's own label products. Merchants' Green Stamps are given with purchases at the new supermarket. The "house" will be continuing through Saturday.

More than 5,000 food and household items are available in separate departments of the store's 3,000-square-foot sales area. In addition to the usual food items, the new Food Fair supermarket features fresh and frozen seafood, with special sections for candy, health and beauty aids, a complete line of housewares, toys and magazines.

The new supermarket is self-service with the exception of the fresh seafood department.

An exclusive feature of the new store is a directory which covers the entire rear wall. Easily seen and read from any part of the sales area, the directory lists, alphabetically, the aisle location of every item sold.

There are five conveyor-type and two "express" booths for fast checkout service, and ample parking.

Robert Propius store manager. Store hours this week are 9 to 10, tonight (Thursday), 9 to 10, Friday, 8 to 9, and Saturday, 9 to 10. Permanent store hours are 9 to 10 Monday and Wednesday, 9 to 10 Tuesday and Thursday, 9 to 10, Friday, and 8 to 9, Saturday.

one police box have been installed. Two boxes have been purchased and will be installed shortly.

(6) Three thousand feet of open line will be replaced by multiple conductor cable before the end of this year.

Administrative Assistant of the Department of Public Works, Hugh Welsh reports the following changes and improvements in the water system:

- (1) A pressure recording gauge has been put into operation at the Water department shop.
- (2) Installation of mains: Main Street to Joralemon Street; and on Washington Ave. from Greylock Parkway to Nutley line are recommended for 1960.
- (3) Elimination of Dead Ends: Stevens Road, High Street and Bremont Street will be eliminated in 1960. Money for same has already been appropriated.

Frederick Piotrowski

HACKETTSTOWN—The funeral for Fredrick Piotrowski, 16, of Petersburg Rd., formerly of Belleville, was Saturday from the Malon & Metzler Funeral Home, 124 High St., with a Mass at St. Mary's Church.

The youth was shot accidentally while hunting deer near his home. He was a sophomore in Hackettstown High School and was a member of the Pequest Valley Agriculturists 4-H Club. He had been accepted on the 4-H Council and was to have been initiated.

He was also a member of the Catholic Youth Organization of St. Mary's Church and had graduated from St. Mary's School in 1957.

He leaves his parents, Mr. and Mrs. Alexander Piotrowski; his paternal grandparents, Mr. and Mrs. Joseph Piotrowski of Jersey City; and his maternal grandmother, Mrs. Frances Turewicz, at home.

TO RELEASE REPORT

The Rutgers University survey of the Belleville school situation will be released sometime before Christmas, according to Dr. W. Donald Walling, Dr. Walling is Director Division of Field Studies and Research, at Rutgers University.

The report originally was scheduled for early November.

ATTENDS ANNUAL MEETING

Dr. M. Roachvarg, optometrist, of 132 Washington Avenue, attended the 56th Annual Meeting of the New Jersey Optometric Association December 8th at Princeton and heard annual reports delivered by association officials.

Dr. Frank Di Ruggiero Dominick Lally and Mrs. Coronato. He said he did not endorse Kiernan but merely announced that as a candidate for the Board of Education he was "worthy of consideration."

He said the same thing of Mrs. Coronato.

Juliano ran unsuccessfully last year for a three year term. He is business manager of the Office Employees' International Union Local 32, Newark.

Do you know that ...

Industry in New Jersey IS GROWING... thanks to Research?

Many fine "Blue Chip" industries are growing in New Jersey, the Crossroads of the East.

One of the chief reasons for this continuing growth is the fact that New Jersey has such fine research centers. Over ten per cent of the nation's research facilities are concentrated here. There are more than 500 research units in this area, long known as the "Semi-Circle of Science".

New Jersey has served as the birthplace for many technological developments. It is estimated that expenditures for research within the state exceed \$500,000,000 a year.

These outstanding facilities are just one reason why industry grows at the Gateway to World Markets.

You should be happy and proud to be a part of New Jersey—

ly-created nine-man Planning Board.

Caraciola says he was asked by Mr. Weiss to run, and agreed. He said he had in mind the "betterment of the school system and the betterment of the school children."

"I'm not against anyone. May the best man win and God bless everyone running."

He went on to say he was "out to win," and would get by hard work, determination, faith and integrity.

The Caraciolas have three children. Fred 19 a student at Lyons Institute of Technology in Newark, studying to be a mechanical technologist; Theresa 17 who works in Ohrbach's Newark and Josephine, 13 in the eighth grade at School 9.

Granece

Granece is no stranger to the Board of Education elections. In 1956 he ran for a one-year term against George C. Brown. Brown was victorious.

In 1957 he ran unsuccessfully against Michael Albertine against Mrs. Viole Rochan and Jesse Starkman.

In '58 he was campaign manager for five School Board candidates, four of whom were elected. Those whom he supported and were elected were Albertine,

"I'm not against anyone. May the best man win and God bless everyone running."

He went on to say he was "out to win," and would get by hard work, determination, faith and integrity.

The Caraciolas have three children. Fred 19 a student at Lyons Institute of Technology in Newark, studying to be a mechanical technologist; Theresa 17 who works in Ohrbach's Newark and Josephine, 13 in the eighth grade at School 9.

Granece

Granece is no stranger to the Board of Education elections. In 1956 he ran for a one-year term against George C. Brown. Brown was victorious

PROCEEDS: A presentation of \$5,402.33 was made to Rt. Rev. Msgr. Anthony DiLuca, LL.D., P.A., by the St. Lucy Filippini Sodality of the Holy Family Church, Nutley. This amount was derived from proceeds of their annual calendar party in September. Mrs. Nicholas Racioppi, general chairlady, made the presentation. Left to right, sweepstake chairlady Mrs. Rocco Paulerio; ticket chairlady Mrs. Henri Fontaine; Msgr. DiLuca; the Rev. Salvatore T. Malanga, moderator; Mrs. Racioppi; advisory chairlady Mrs. George Pengitore, and president Mrs. Thomas Rosanio.

"DEAR SANTA": A bright red Santa's Mail Box is placed outside the Town Hall each year for the kiddies to drop in their requests. Show above with a group of youngsters are Commissioner George F. Kiernan, director of the Department of Parks and Public Property, and Santa, portrayed by Town Hall Custodian Howard Morgan. The mail box is sponsored by the Recreation Department, under Commissioner Kiernan. Each of the letters received in the box is brought to the Recreation House on Jorammon Street, where it is answered.

Girls' Gum Popula:
Commissioner George F. Kiernan announced this week that one of the Recreation Department's popular activities is the Girls' Gum Popula. These gym classes are held every Wednesday afternoon from 8:30 p.m. at both Belleville High School and Friendly House. The program includes such diversified activities as elementary tumbling, basketball clinics, games, dancing, marching, etc. Barbara New-schwander directs this activity at Friendly House and Rose Schreiber is Director at Belleville High School.

AGENCY FOR THE STRIDE RITE SHOE

to be at it again.

With three wins and no losses, the Aces are well on their way to coping the first round of play. DeBacco's Sport Center and Mango's Market are tied with two wins and one loss. The DeBacco's loss was to wroty's Sport Shop, while the Mango's have yet to test themselves against the League - leader.

In last week's games it was the Aces over Branch Brook Lanes, 37-28. DeBacco's Sport Center mastered the Gupers, 48-35, and the Mango's defeated a 40-23 win over the Blondis.

Commissioner George F. Kieran reports that the Recreation Senior Basketball League begins to look as though the first round is a battle between the Aces and last year's champs, Chef's Cleaners.

Each has three wins and no losses. Perhaps the deciding game of the round will be the meeting of these two teams which happens in their next game. This game will have been played by the time of the next report.

Another team that cannot be counted out is the All-Sport Emblems who have only one loss, this to the Aces. Chef's Cleaners and the All-Sport Emblems will tangle in the last game of the first round on December 23rd, so the Round is not yet wrapped up.

In the Recreation Senior Basketball League there will be a play-off between the winners of the two rounds if these are different teams.

In the Recreation Intermediate Basketball League, last year's champs, Roy's Sport Shop

Artie's Tavern won three games from the Brook to lead the Nutley Tavern League by three and one half games. The Circle Bar won the odd game from Gordon Bass to tie the liquor men with the Brook for second place.

Tom Bishop, of Gordon Bass, rolled 605 and Bill Coburn, of the Belleville Times Onyx, had 237 for the high game of the night.

In Memoriam

In loving memory of my
Dear Husband,
CHARLES L. POWELL,
who passed away four years ago
on January 29, 1956.
The memory of some one dear
is like a thing of gold
that never dulls or tarnishes.
Or grows the least bit old.
Four years have passed since
that sad day
When one I loved was called
away.
God took him home, it was His
will.
Within my heart he liveth still.
Sadly Missed by Wife, Anna

Future Bride

MARTHA JANE BROWNE

Mr. and Mrs. Richard J. Browne, Sr., of Mertz Avenue announce the engagement of their daughter, Martha Jane, to Willis Jerome Riley, son of Mr. and Mrs. Vincent A. Riley of Pearlville, Jersey City.

Miss Browne, a graduate of Our Lady Queen of Peace High School, North Arlington, is an executive secretary at ITT Federal, Clifton. Her fiancé is an alumnus of St. Peter's College. He served two years as a Lieutenant in France with the U.S. Army. He is employed as an industrial analyst at ITT Federal, Clifton.

A June wedding is planned.

A \$1.00 luncheon was held at the Methodist Church on Academy Street and Washington Avenue on Wednesday, December 9.

Two Nutley Business Firms Prove The Economical Operation Of
"America's Biggest Little Delivery Truck"

The International Metro-Mite!
DAY-IN -- DAY-OUT OPERATION
AVERAGES GASOLINE MILEAGE AS HIGH AS
25 MILES PER GALLON
UNDER ALL CONDITIONS!

PLUS
OTHER SIZABLE OPERATING SAVINGS!

If you have a delivery problem an investigation of the many money saving features of this truly great delivery truck will convince you of its value to your business!

CHECK THESE FEATURES:
International is the first manufacturer to offer a light retail delivery truck which combines weight-saving, cost-saving unitized construction, fuel-saving four-cylinder engine, and true American forward-control styling for driver comfort and ease in driving and working the load.

The thoroughly tested and proved-in-use four-cylinder engine greatly extends the mileage per gallon of fuel compared with six-cylinder engines. Yet it handles the 3,800-pound gross vehicle weight with astonishing ease and acceleration.

The design of the man-height Metro-Mite gives the driver free access for working the load through either side or the rear of the body, as is most convenient. A walk-in, walk-through aisle

between the sliding side doors leads directly into the payload area.

The attractive American forward-control styling of this unit similar to that of the Metro-Lite and Metro Van, makes it an attention-arresting billboard for any business. It also assures excellent visibility forward, to the sides and to the rear.

The new Metro-Mite is, therefore, the ideal light delivery truck for handling payloads under 1,000 pounds that may be loaded in an area of 200 cubic feet. And it is priced so low that it gives you more load-space for the money than anything else on wheels!

Kiernan Is Right

Last week, Commissioner George F. Kiernan voted against the approval of a bill for \$154.00 for printing fees submitted by Commissioner Robert C. Gruhin. The invoice submitted by the Supreme Printing Company was for printing a legal brief pertaining to a "petition for certification" filed by Commissioner Gruhin with the State Supreme Court seeking a review of a June 25th Appellate Division Superior Court decision.

At that time, Superior Court Judge Coolahan ruled that Belleville had been "arbitrary and discriminatory" in drafting an ordinance to assess Ratan Estates for water mains while other mains had been installed at municipal expense.

The filing of the legal brief was a unilateral action by Commissioner Robert C. Gruhin. He did not ask for nor did he receive the prior approval of his colleagues on the Board of Commission.

In voting against payment of the invoice, Commissioner Kiernan said that he would have voted in favor had the legal action been authorized by Town Attorney Lawrence Keenan. Commissioner Kiernan further observed that he was opposed to the Board of Commissioners going it alone in matters such as the instant case, since the ultimate obligation would have to be absorbed by the community at large.

We agree with Commissioner Kiernan's reasoning and though the resolution to approve payment was passed by a vote of 3 to 1, with Commissioner Nuncio Pico absent, we trust the commissioners will at some future time spell out a policy position with respect to matters of this nature for future guidance by all members of the Board. In this case only \$154 was involved.

Some future commitment might involve much more money.

While the increase in the municipal budget for the Town of Belleville was \$35,000 less than the increase for the Town of Nutley for the same period, Belleville was saddled with the additional responsibility of taking care of the needs of approximately 5,484 more citizens than Nutley.

We are not suggesting that higher taxes are a good thing. All we are trying to say is that it behooves the Belleville Citizens' Tax Council to develop more valid reasons for a change in form of government than they have thus far presented to the citizens of Belleville.

Maybe a change is a good thing. All we ask of the proponents of change is to prove their point. Based upon the evidence thus far on record, there is no proof that a change in the form of government would produce lower taxes for the citizens.

Tax Council Is Wrong

The Belleville Citizens' Tax Council has been circulating a tax chart showing how taxes have increased in Belleville in the last 16 years. The Council allegedly selected a typical homeowner, who in 1943

paid \$158.00 in taxes. By 1959 the tax bill rose to \$440.00, according to the chart.

The Citizens' Tax Council is using the tax chart as a principal argument in favor of a change in government from the present commission form to a council-manager form of government.

The inferences of this tax chart are misleading. If the chart is the strongest argument the Citizens' Tax Council can develop in favor of a change in form of government, the movement for a change must fall flat on its face.

The rise in taxes is not peculiar to Belleville alone. Throughout the length and breadth of New Jersey — in fact, across the nation — real estate taxes have risen, in many cases more than Belleville. To illustrate a point, we have prepared a comparison using figures published by the New Jersey Taxpayers Association in September, 1959.

To obtain some idea of how Belleville stacks up with a comparable community, we have secured comparable statistics regarding our neighboring Nutley.

The 1958 estimated population for Belleville is 36,420; for Nutley, 30,936. The school resident enrollment for Belleville in 1957-8 was 5276.5; for Nutley, 4693.4.

The 1954-55 operating budget for the Belleville school system was \$1,697,703; for Nutley, \$1,344,657. The Belleville operating budget for the 1959-60 school year rose to \$2,421,181 and for Nutley, \$2,066,010.

The Belleville increase was \$723,478 and the increase for Nutley was \$721,353. The increase in the operating school budget for both municipalities was practically identical despite the fact that the resident enrollment of Belleville was 583 more than Nutley!

Statistics concerning municipal expenditures of the two communities are more revealing. Belleville consists of 3.30 square miles while Nutley covers 3.40 square miles. The Belleville operating budget for 1954 was \$1,356,127. The 1959 operating budget rose to \$1,876,351, or an increase for the Town of Belleville of \$520,224.

The operating budget for the Town of Nutley in 1954, was \$1,010,102, and in 1959, it rose to \$1,565,301, for an increase

Welcome Back, Food Fair!

Yesterday an old friend returned to Belleville.

In April, 1958, a fire which gutted the Food Fair supermarket on Washington Avenue brought a temporary halt to an association which began some 20 years ago. With the reopening yesterday of Food Fair's ultra-modern supermarket on its original site, this association will continue as before.

Although it is one of the youngest of the food chains, Food Fair's rise to its position of leadership in the food industry is a stirring story of the free enterprise system in action. From one unit in 1933, it has grown to more than 400 today and ranks as the nation's sixth largest food retailer.

Just as important is its record of community service, which is outstanding. In the past five years, more than 250 students have received scholarships from Food Fair while more than 800 youngsters annually take part in Little League activities sponsored by the firm.

This paper would like to add its voice to that of the rest of the community by saying: "Welcome, Food Fair. We're glad to have you back!"

F. Douglas Wadsworth will be each sub-committee meet and in charge of the "supporting services," namely, transportation, communications, security, warning, rescue and voluntary education.

A meeting of the medical and nursing committee is being planned for January 12th. The chairman of this committee is Dr. Robert Underwood. His alternate is Dr. Hillard Mann. Mrs. [Name] is nurse vice chairman and her alternate is Mrs. [Name].

Mrs. Herbert Tucker will be in charge of the "volunteer" dealing directly with the family and registration, emergency and answering welfare inquiries. The Red Cross is a member of the United Fund of Belleville.

MOUTH-TO-MOUTH RESUSCITATION FILM AT MAASS

Clara Maass Memorial Hospital last week held a series of showings of the film "Mouth-to-Mouth Resuscitation" to which the police and fire departments of the neighboring towns of Belleville, Bloomfield and Nutley as well as the Civil Defense Corps in these same communities were invited.

The film, produced by the Walter Reed Medical Institute of Washington, D. C., showed mouth-to-mouth breathing, which is the approved method of artificial resuscitation for people who have stopped breathing. It emphasized the simplicity of the method which can be used by anyone who has been properly instructed.

The main points to be observed include keeping the chin up and the tongue forward. The patient's nose should be pinched closed and the rescuer's mouth should be open and placed directly over the patient's mouth so that the maximum amount of air can be blown into the unconscious person's lungs until he is again able to breathe on his own.

Great interest was displayed by the various groups attending and several of the departments expressed a desire to have a re-peating evening showing at some later date, so that the entire department could learn more about this safety technique.

UNICO SPONSORS \$250 SCHOLARSHIP

Belleville Chapter of Unico National announces the granting of a \$250 scholarship to a New Jersey State Teachers College for a male student graduating from Belleville High School.

This award will be known as "Belleville Unico Scholarship Award" and should be of interest to every graduating student possessing a rating of 85 per cent or better and a relative standing in the upper quartile of a college aptitude test.

Belleville Unico, through this program, is seeking students of outstanding merit who show an appreciation of the value of an education in the teaching field.

Scholarship, financial need, citizenship, personality, leadership, perseverance, resourcefulness, patriotism and general worthiness are the criteria by which these young applicants will be judged.

School 10

The first grade children at School 10, under the supervision of Mrs. Linger will give a Christmas operetta tomorrow (Friday, Dec. 18).

The play is about a snowman who complained that the two young children, who had begun to make him, inconsiderately left him to go caroling. The snowman was soon advised by a sandman to try and help others, instead of complaining about not being finished.

As the program continues, the snowman takes the sandman's advice and tries to help solve a problem. He helps the sandman by putting Santa Claus to sleep. The snowman's reason for putting Santa to sleep is to stall his schedule so that the two children, Jean and Jerry, may get home and go to sleep.

Mrs. Santa Claus then tries to wake her husband up, but fails. He is finally awakened by "Crystal Snow Flake," queen of the snow flakes.

The children finally return home and go to bed. The next day they finish the snowman. When Santa hears the children

RED CROSS MEETS ON CD PROBLEM

Last Wednesday Peter G. Wendel, Disaster Chairman for the Belleville Red Cross, and liaison with Civil Defense, met with its committee at the Red Cross Chapter to report on Civil Defense plans.

A recent Civil Defense meeting in time of enemy attack. Red Cross can cooperate and assist to strengthen the Red Cross Disaster Organization, he asked his three vice-presidents to assume responsibility for various sub-committees.

New Civil Defense Headquarters Goes Into Action For First Time

The new Belleville CD-CC Control Center at 203 Washington Avenue went into action for the first time Monday, December 14, the 18th anniversary of the bombing of Pearl Harbor.

The exercise was designed to test the attack warning communications net, siren coverage and response of the public to the public action warning signals.

The initial yellow Alert Signal was dispatched through the New Jersey Attack Warning System via teletype to Belleville Police Headquarters at 11:30 a.m.

Under supervision of Police Chief George Spatz, CD Deputy Director, a series of steady three to five minute sirens were sounded to indicate that attack or natural disaster threatened.

At the same time the Belleville CD-CC Center was notified by telephone communication and the municipal police network was alerted by a pre-arranged radio code message.

At 1:30 p.m., the "Red Take Cover Signal" was received from the N. J. Attack Warning System and a series of fluctuating three minute siren blasts was initiated to indicate to Belleville townpeople the threat of immediate danger and he need to take cover. All traffic on Belleville thoroughfares was suspended and pedestrians were advised to seek shelter.

Civilian Defense Unit Gives Names of 'Hams'

The Civilian Defense and Disaster Control Council of Belleville has been requested by the directors of the state and county of Essex C.D. Organization to furnish an inventory of all active radio amateur stations in Belleville, the owners' names, call letters, type of equipment used and whether they could be called upon to go into action in the case of a major disaster should other means of communication fail or become overtaxed.

There is no other obligation than the desire, willingness and emergency.

This information may be available in case of such an emergency or telephoned to the CD-CC Headquarters at 203 Washington Ave. or via amateur radio to Walter Murray, K2EFC, Chief Radio Officer, W111A Fisher, W2CCK, or William G. Hunt, K2UCY.

This information should be furnished before December 15th.

In connection with transportation, James R. Golden of 62 Tappan Avenue in charge of field, is conducting a survey of all resources and requests that townspeople owning station wagons and who are desirous of working with CD in case of disaster, register their vehicle with CD headquarters submitting essential information, name of available telephone, when in town, address, telephone number, make of vehicle, color of car, whether equipped with snow tires or chains, etc.

This information may be submitted to the C.D. Headquarters on a postal card.

LIONS TO HEAR DR. E. C. REOCK

Dr. Ernest C. Reock Jr., the guest speaker at the Belleville Lions Club which met at For-Hills Restaurant.

He is a member of the faculty of Rutgers University where he is assistant specialist in the Bureau of Governmental Research.

Dr. Reock is the son of Mrs. Ernest C. Reock and the late Dr. Ernest C. Reock who was a charter member of the Belleville Lions Club.

A graduate of Belleville High School, class of 1942, Dr. Reock has been awarded his Doctor of Philosophy degree in Political Science from Rutgers.

His topic will be "The Work of the Bureau of Governmental Research" on which he has written a paper that secured for him an award from the National Governmental Research Association.

Kiddie Company Enters Exhibit

New and recently introduced fire extinguishers will be featured by Walter Kiddie & Company, Inc., at the 1960 Plant Maintenance and Engineering Show at Philadelphia (January 25 - 28). Kiddie will occupy booth 423.

Shown for the first time to the industrial market will be Kiddie's new 200 and 400 pound dry chemical hose rack units which may be wall, floor or truck mounted.

These units for killers are designed for use on severe electrical, LP gas, or flammable liquid fires.

On display will be recently introduced 2 1/2, 5, 20 and 30 pound pressurized dry chemical portables and 2 1/2 gallon pressurized water and loaded stream extinguishers. The booth will also contain the company's line of carbon dioxide units.

All Kiddie portables are top rated by Underwriters' Laboratories, feature simplified operation and streamlined design.

Belleville Girl In CYO Contest

St. Peter's Catholic Youth Organization candidate for the Essex County CYO Snow Queen is Miss Patricia Marino.

If the local candidate wins, she will be crowned at the Essex County CYO Snow Ball to be held at Seton Hall Auditorium on Saturday, January 2, 1960. Tickets sold for the affair are votes for the candidate.

Miss Marino lives at 21 Pleasant Ave., Belleville. Seventeen years of age, she is a senior at Belleville High School. Active in school, she has held the office of president of the Junior Red Cross and has served as Monad sales girl.

Taking a business course, she has plans to be a secretary. She has been an active member of St. Peter's CYO for the past three years. Last year she was chairman of the social committee.

Other activities include piano, dancing, and bowling.

Her older sister, Miss Joanne Marino, was Essex County CYO Snow Queen in 1958. A graduate of Belleville High School, Joanne is studying at Montclair State College.

Chief of Police Warns of Hazardous Driving Ahead

Chief Spatz said, "and our officers and the snow-clearing crews will do their best to keep traffic moving. But sometimes Old Man Winter wins a round. When that happens there are two kinds of drivers - those who go ready for winter and those who didn't. The 'didn't' ones are the ones who have to be towed out of traffic snarls and accidents."

What does the Chief ask of local drivers? "I'm asking every driver to check his winter driving safety equipment such as defroster, wipers, tires, tire chains, etc. But, above all, I'm asking him to check and change his driving habits. Drivers who depend on quick stops when streets are slippery are behind the times. Winter is here, and it's time to substitute winter driving practices and schedules for out-of-date summer habits."

Chief Spatz, who recently warned drivers to be prepared for the coming of difficult driving weather, sees the recent light snowfall as a timely warning for car owners who have been "letting things slide."

"Nobody wants to get stalled or hurt in an accident this winter," Chief Spatz said.

Spatz Reminds Winter's recent snowfall was a rather pleasant sight, but Chief of Police George R. Spatz, speaking what is in most every man's mind, today reminded drivers that it's a long time between the first pretty snowflake in the fall and the last stormy one in the spring.

And in between, probably a long, tough winter - from the standpoint of moving traffic smoothly and safely on local streets and surrounding highways, particularly during blizzards, sleet storms, or after deep snowfalls.

Chief Spatz, who recently warned drivers to be prepared for the coming of difficult driving weather, sees the recent light snowfall as a timely warning for car owners who have been "letting things slide."

Local Board of Education Reviews Calabro-Minasian Case

A review of the aspects composed of discussing the matter, concerning the Calabro - Minasian case has been sent out November 17 by the Board of Education to the State Department of Education, Trenton. The report was drawn up by Max Schwartz, attorney for the Board, and Mrs. Mary Shader, Board secretary.

The Belleville Board dismissed charges filed by Salvatore Calabro of 76 Fairview Avenue regarding the alleged improper conduct of Henry Minasian, principal of Schools Two and Ten.

Calabro then wrote to Dr. Frederick Raubinger, State Education Commissioner, and Governor Robert Meyner seeking to introduce legislation to correct deficiencies in the law as they apply to education.

Calabro has since received a letter from Eric Groezinger, assistant to the State Education Commissioner inviting Calabro to confer with him.

Calabro, in a statement to the Belleville Times, asserted that he will "take advantage of this" and will write to Groezinger to arrange a meeting for the purpose.

Serving on the committee are: Taylor, Mary Resciniti, Harlow, Miesicki, Mary Mito, Louise Savarese and Jane Morgogliese.

Younger Alden Aux. Will Hold Christmas Party The Younger Alden Auxiliary 275 will sponsor their annual Christmas Party December 10 at 7 p.m. Following the party, there will be a short business meeting. Chairman for the Christmas party is Mrs. E. Mawhir.

Do you have \$15,000 or more to invest in the best Home and Auto Supply Franchise available?

Firestone is opening new dealer stores in certain fast growing trading areas in this part of the state and several franchises are now available. If you have \$15,000 or more to invest, this is the opportunity of a lifetime to own and operate your own business. You are completely independent, yet you can cash in on the "know how" of a billion dollar corporation with thousands of successful dealers across the country. Retail experience will help, but is not absolutely necessary. Thorough training under the direction of experienced Firestone personnel will put you in a position to make money from the start. Pre-tested sales and merchandising campaigns guide you in selecting only those fast moving, profitable items of merchandise that people in your trading area want and buy. You choose from 16 departments, including Firestone tires, batteries and other auto supplies, radios, Philco television and appliances, electric housewares, hardware, lawn and garden supplies, recreation supplies, and toys.

Investigate now as these profitable locations will be closed fast. For further information phone or wire.

TOWN EMPLOYEES
TO BE COVERED
BY BLUE CROSS

Belleville's 230 Town employees will be covered by hospitalization, paid by the town, starting next year.

It was revealed at Tuesday's Commission meeting that \$17,500 had been planned to be set aside in next year's budget for covering the employees.

Actual cost will be \$5.40 per month per employee or \$64.80 per year for each employee. This totals \$14,800.

The sum of \$17,500 is being set aside, according to Mayor Isadore J. Padula, to allow for possible rate increases.

The move was sponsored by Mayor Padula and Commissioner Harry J. Sullivan.

The company insuring the Town employees is the Associated Hospital Plan of New Jersey, or Blue Cross, the Mayor said.

According to law, only employees, not their families, may be covered, the Mayor declared.

Course Is Offered

R. E. Fulmore of the Ross Woodworking Machinery Company of 604 Washington Avenue, with the assistance of the manufacturers, will teach a course in the advanced techniques of moulding and planing at the Belleville Adult School, beginning in January.

This is said to be the first time a complete course such as this was offered. The course will run for ten weeks beginning January 12th from 7:30 to 9:30 p.m. and every Tuesday through the ten weeks. Fee is \$35.

Fulmore, who is 53, began in woodworking at it when the Veincoy Mill & Lumber Company in Little Rock selected him from 80 applicants to be trained for the lumber industry. He has since worked all over the country.

YUM, YUM, YUM... Commissioner George F. Kieran declares that the Recreation Department Cooking School, under the direction of Miss Josephine Corrado, is a great success. The girls are planning on cooking a dinner consisting of southern-fried chicken, mashed potatoes, mashed turnips, fresh peas, baked apples and "cocoa". In just a short time these junior cooks are able to take appetizing sugar cookies and candied sweet potatoes. They have plans as to what they will cook in the future, such as chocolate - whipped cream pie, apple pie, candy and a large pizza pie.
