Charge Mrs. Charles Kaelin With First-Degree Murder, Hearing This Morning at 9

BY PHIL WHITE

The legal wheels of justice will start rotating this morning in what eventually is expected to lead to a jury trial for Mrs. Carmela Andolara Kaelin of Belleville who police have charged with the first-degree murder of her husband last Thursday.

A preliminary hearing is set for 9 o'clock this morning in Belleville for Mrs. Kaelin who has been held without bail since last Thursday morning after the shooting of her husband in the couple's home at 28 Meacham Street.

Police Chief George Spatz signed the complaint Saturday charging Mrs. Kaelin with killing her husband "willfully, feloniously" and with "malice aforethought." Conviction of the charge is punishable by electrocution.

Attorney Stephen N. Maskaleis of the VanRiper and Belmont firm of Newark will represent Mrs. Kaelin at the proceedings.

This morning's hearing marks the beginning of a series of legal events leading to the jury trial. Belleville Magistrate Edward Abramson will preside today at the hearing designed to answer two questions: first, whether or not a crime has been committed and secondly, does evidence indicate that the defendant probably committed the act.

ENTER PLEA

Finally, this morning, Mrs.

Kaelin's attorney is expected to enter the mandatory plea, "not guilty." If today's hearing finds that a crime has been committed and that Mrs. Kaelin, in all probability, although not by any means definitely, is responsible for the act, the entire matter will be sent to the Essex County Grand Jury.

The twenty-three members of the Grand Jury would also review the evidence of the prosecution which will be presented this morning. If twelve members of the Grand Jury decide to indict Mrs. Kaelin, a trial by petit jury is automatic.

Oh Where, Oh Where ... Pet's Absence Causing Grief to Three Children

A five-month puppy dog disappeared Saturday morning from the home of Mr. and Mrs. Henry H. Taylor, 9 Adelaide Street, Belleville.

Heartbroken are the Taylor's three children, George 11, Bobby 10 and Debbie four years old. The dog answers to the name "Smokie." The male pet is white with large black spots and brown ears.

Anyone knowing the whereabouts of Smokie could make three children happy again by calling PLymouth 9-0648.

It appears nearly certain today that the jury trial will be conducted.

Town Schools Observe Week Of Brotherhood

Belleville schools are preparing to mark Brotherhood Week, which starts this Sunday and continues to February 28. Special programs have been prepared for most local schools.

Brotherhood Week is sponsored annually by the National Conference of Christians and Jews. Activities planned throughout the week include films, plays, discussions, songs, stories and exhibits of foreign articles. An entire issue of a school newspaper will be dedicated to the observance.

A play written by students Janet Borino and Angela Macaluso at school nine has been asked to be presented Thursday, March 10 to the local Red Cross chapter. The play was written to develop the following concepts: To practice simple kindnesses of everyday living, to assume responsibility, to learn that people are much alike the world over, to recognize the interdependence of all people, to develop a concern for the welfare of others and to work together to achieve common goals.

Mrs. Viola H. Spray, principal at school nine, is chairman of this year's brotherhood committee. Others on the group include Mrs. Margaret Giamette and Mrs. Dorothy Imaffeo, high school; Mrs. Helen Kaplan, school one; Silvio Armino, school two; Mrs. Elizabeth Buckley, school three; Joseph Gilchrist, school four; Miss Ethel Williamson, school five; Mrs. Cuppori, school seven; Harry Fritts, school eight; Miss Pauline Orsulak, school nine, and Mrs. James, school ten.

George F. Bauer of 14 Jerome Avenue, Belleville, has been elected treasurer of Harriman, Ripley and Co., investment firm.

Tax Council Will Oppose Town Budget Increases

The Citizens Tax Council told The Belleville Times today that it is not only asking voters to "go out again and knock the school budget to pieces," but that the group will also oppose the municipal budget introduced by the Belleville Board of Commissioners last week.

The legal notice of the Belleville Town Budget appears on page six of today's Times.

"If Belleville commissioners need more money than last year," Sal Calabro, president of the tax council says, "the town will have to get it someplace other than from the taxpayers' pockets." Calabro suggested that perhaps Turnpike revenues, race tracks or the Port of New York Authority might make some surplus available for state aid to municipalities.

School Budget Rise Only One Point Over Last Year

Elect Mrs. Violet Rochau School Board President, Drake is Vice-President

Mrs. Violet Rochau was elected president of the Belleville Board of Education at Monday night's organizational meeting. New vice-president is Richard Drake. Mrs. Rochau succeeds Dr. Frank DiRuggiero who has held the post the past two years.

Newly-elected board members Nicholas Juliano and Ernest Arvidson took the oath of office. The pair succeed Mrs. Mary Reilly Coronato, who missed Monday's meeting as well as Saturday's special session to review the budget, and Michael Rubino who did not seek re-election.

Mrs. Rochau publicly thanked Mrs. Coronato and Rubino for their work on the board. Mrs.

Polls Will Open Here Wednesday

Belleville polls will be open again next Wednesday between 2 and 9 p.m. for the purpose of approving or rejecting a revised board of education budget. Reduced \$25,000, the new figure to be raised by district taxes is \$2,126,739.

Polling places in Belleville are the same as on Tuesday, February 9, namely schools one, two, three, four, five, seven, eight, nine, ten and the high school.

The reduced budget has won the approval of members of the board of education including Michael Albertine who led an attack on the budget which voters knocked down February 9.

Coronato served one year, Rubino three terms.

Nominations opened Monday night with Drake suggesting Mrs. Rochau for the presidency. Then Dr. DiRuggiero nominated Drake who declined and Michael Alber-

Town Stores Ready For Washington Sale Today Thru Saturday

A special eight-page supplement to today's Belleville Times launches the town's first city-wide Washington's Birthday sale days, today through Saturday.

Belleville retail merchants are getting set for the anticipated weekend deluge of shoppers. Plans for the three-day special sale calls for regular stocks, including brand name merchandise, to be offered at reduced prices.

Stores participating in the three-day sale, sponsored jointly by the merchants and The Belleville Times, represent just about every type of retail from in the town.

Tax Group Won't Say Just Where To Snip Budget

Lee Garson, who said he represented the Belleville Tax Council at Saturday's board of education meeting concerned with re-vamping the budget, said after the session, "Gentlemen, unfortunately you just decided a terrible thing—to turn this budget over to the (Belleville Board of) commissioners. I declare right now that the voters will turn down the budget again."

Garson said the tax council would favor only a budget which reflects no increase over last year's appropriations. He interrupted Saturday's meeting several times to note that the tax council demanded the budget be cut \$66,000.

DIRUGGIERO CLASH

When board president Dr. Frank DiRuggiero nodded in agreement with Garson, Richard Drake told DiRuggiero, "now wait a minute; we've gone over this entire budget and you haven't suggested any areas where the expenses could be cut."

Dr. DiRuggiero avoided the question by saying that he wants to apply more surplus funds. Garson, however, had asked that expenses be cut.

When Drake then turned to Garson and asked what other areas funds could be cut in the budget, Garson hesitated and then said "It's not the tax council's job to say where the budget should be cut." But Garson still insisted that \$66,000 be slashed from the expense accounts.

NOT OWN OPINION

Later Garson admitted that he was "acting on instructions of the tax council." He said "there are often times when my personal opinion differs with that of the tax council."

MONDAY HOLIDAY

Next Monday, Washington's Birthday, is a legal holiday. Belleville schools, both public and parochial, will close. Local banks, the town hall and public library will also be closed.

Deadlines for next week's edition of The Belleville Times are as usual. The Times' office will be open Monday.

Board Unanimous In Urging Its OK

Michael Albertine, who opposed the board of education budget at its public hearing, joined forces with his colleagues, including newly-elected Nicholas Juliano and Ernest Arvidson in supporting the revised budget which is \$25,000 less than the one presented to the electorate a week ago. The new amount to be raised by local taxes \$2,126,739 reflects an increase of only a single tax point over last year.

The board notes that the reduced figure will, even out the tax points resulting in "no tax point increases for the new year."

Cut was \$10,000 for architectural fees associated with an anticipated building program in Belleville. Another \$15,000 was taken from the school board's surplus and applied to the 1960 expense accounts.

ALL IN FAVOR

In addition to Albertine, Juliano and Arvidson, members of the board supporting the revised budget include Richard Drake, Michael Rubino, Mary Coronato, Mrs. Violet Rochau and Dr. Frank DiRuggiero.

Summer School Looking Better For Belleville

A \$3,000 appropriation to underwrite salaries for the proposed summer school program in Belleville was reduced, eliminated and then finally left as is in the revised board of education budget. Citizens will vote on the new appropriations next Wednesday.

Evian Thomas, superintendent of schools, told last Saturday's special school board meeting that the \$3,000 appropriation was included to guarantee teachers' salaries in the summer program. As outlined, the summer school program will be self-sustaining with students paying assessed tuition fees.

Several board members felt the entire \$3,000 could be cut. Richard Drake, Michael Albertine and Michael Rubino favored elimination of the \$3,000 from the budget. Mrs. Violet Rochau thought that perhaps \$1,000 could be cut from the summer school figure but no more. Finally Dr. Frank DiRuggiero and Dominic Lally thought the appropriation should be left "as is."

MEMBERS-ELECT

Ernest Arvidson and Nicholas Juliano, members-elect at Saturday's session, were asked to comment on the summer school situation; after their comments the board decided to leave the \$3,000 appropriation in the new budget.

Arvidson told the board "I've always been of the opinion that money spent for education is well-spent. I am in favor of a summer school and one that doesn't require students to pay tuition. I think that by not having a summer school we're wasting a twelve million dollar school plant for three months of the year."

Juliano said about the same thing. He noted that if tuition were eliminated, "the students who couldn't afford summer

To The People of Belleville:

We, the newly organized Board of Education, urge the people of Belleville to vote "Yes" on the revised budget. "We have reduced the budget by \$25,000, taking out \$10,000 that we had in the original budget for architect's fees, and \$15,000 from estimated balances. It is the responsibility of your Board of Education to provide the best education for your children that you can afford. This you should demand. It is your responsibility to see that we obtain the money to do this. We are ready to fulfill our responsibility, are you ready to fulfill yours?"

We have eliminated needed maintenance and cut our balances in consideration of the taxpayer, now out of consideration for the child we urge you to go out and vote yes on the school budget, Wed., Feb. 24th. Thank you.

Dr. DiRuggiero, it is to be noted, voted against the motion because "I believe more surplus should be applied." But both Dr. DiRuggiero and Mrs. Coronato who was absent Saturday, favored the expense items including the elimination of \$10,000 for architectural service.

The Belleville Board of Education's surplus, to the best of available figures, is less than \$40,000—a relatively small amount. Mrs. Rochau told the

Apartment Ruling Again Postponed

The seating of a new member next meeting on March 1. on the Belleville Zoning Board of Adjustment Tuesday night forced another postponement in the application for a 52-unit garden apartment development in town.

The proposed apartments would be erected in the stadium area off Passaic Avenue and between Division Avenue and Greylock Parkway.

Complications arose Tuesday when Anthony Moro was appointed to the vacant seat on the board caused by the recent death of Vincent DelGuercio.

Because all members of the board were not present Tuesday, only a unanimous vote of the three eligible committeemen could have affected a decision. When residents whined about the postponement, the second in the case history, Chairman Samuel Coronato promised a decision would "definitely be made at our

The project's cost is estimated at \$400,000, according to its developer, Signe Mascera of 114 Passaic Avenue, Belleville.

James Centanni of Short Hills, architect for the apartments, said at the board's last meeting that plans include construction of two 26-family units; both buildings would be two stories tall.

SIX BULLETS

Detective James Mundy, noting conflicting reports in the press, states that six bullets were fired from a .32 caliber revolver. Five of the bullets went into the body of Charles Donald Kaelin. The shooting took place shortly after 10 a.m. last Thursday.

Mrs. Kaelin, 35, is three years older than her husband who owned the Custom Shop, a venetian blind and shade store in East Rutherford.

Mrs. Kaelin's two children, Carol 3 and Deborah one-year-old, were reported as being in the house at the time the shooting took place.

Chief Spatz told reporters that Mrs. Kaelin was hysterical when Detectives Mundy and Kenneth Place arrived at the scene. She was with her children when police appeared at the home.

The detectives found Kaelin's body, clad in his underwear, on the floor next to a sofa. Dr. Donald S. Brown of 211 Washington Avenue pronounced him dead at the scene.

BROTHER CALLS POLICE

Stephen Andolara Jr., brother of the suspect of 106 Emmet Street called for an ambulance after Mrs. Kaelin told him of the shooting. Police were notified of the incident at 10:34 a.m.

Mrs. Kaelin's half-brother, A. Dan Barra of North Arlington, has been caring for the two children since Thursday. Mrs. Kaelin has been held in the Essex County Jail, Newark.

Following the election, Julian "in the interest of harmony" moved the records show the election of Mrs. Rochau and Drake as unanimous votes of the board; his suggestion passed.

Several citizens crowded the board meeting room Monday night. Among those speaking was James Golden of Tappan Avenue who told the board "the electorate can be well proud of the candidates they chose at the polls. They are qualified persons."

Golden criticized political groups' interfering with the board elections. "It's a sad commentary when politics rears its ugly head in education," Golden said. "But I a confident the ability of this board will promote Belleville's educational interests."

Mrs. Rochau commented after her election to the president's chair that "there will be no frictions this year. I am sure we will work as a team for the Belleville school system." She then welcomed Julian and Arvidson as "new members of the team."

Lally spoke during the meeting to say he was disturbed over remarks in The Belleville Times "associating me with a faction which has supported the superintendent instead of the superintendent."

Continuing, Lally said "I'd like to make it public that I was never a part of any faction. My record will show that. If anyone on the board was an independent, I was."

CLARA MAASS MEMORIAL HOSPITAL

The Hospital-in-the-Park
Guardian of the Community's Health

The site of the new Clara Maass Memorial was chosen because surveys had indicated a shortage of hospital beds in this area for the care of the sick and injured. From the time the doors were opened in August, 1957, the demand for beds from residents of the surrounding area has been much greater than anyone anticipated. The steady increase in this demand is the best proof that there was a real need for additional hospital facilities in this community.

That Clara Maass Memorial is filling at least a part of this vital need by providing the very best of medical and patient care is evident in the following statistics for the years 1958 and 1959.

The School Board Budget Unpopular But Needed

Municipal expenditures are never popular with taxpayers. A case in point is the rejected school board budget. A modest document, it provided only meager funds for the progress of our school system.

As a result of the taxpayers' rejection the Board approved a budget for resubmission to the voters calling for a one point rise in the tax rate. The school board members reduced the amount to be raised by taxation by \$25,000. \$15,000 was taken from the surplus account and an allowance of \$10,000 for architect's fees involving plans for expansion of our present school plant was dropped.

We believe the school board has acted sensibly with the taxpayers' money. Though school expenditures may be very unpopular the bald fact is that they are needed.

This week the president of the Belleville Tax Council suggested the board budget could be cut by \$300,000. When asked in what areas to make cuts the reply was "that is a problem for the school board." Such irresponsibility is typical of the opposition to local school board budgets. "Cut it," the cutters say, "let us not worry about the consequences," they continue. For political copy it may sound alright but it is regrettable that such wild statements seem to be required by some to gain the spotlight of publicity.

The question before the voters next Wednesday, February 24th, is whether or not Evan Thomas, School Superintendent, and the School Board are entitled to a vote of confidence for a job well done. One point in the tax rate is hardly enough to reject a budget affecting our entire school system.

By Day or Night Race Track Gambling Is No Good

Governor Robert B. Meyner this week suggested a study be made of the possibility of a night race track to be located in the Hudson County meadows. The proposed location is only a five minute drive from Nutley.

To consider a race track location in this area is suicidal. Retail businesses, many on the rocks because of highway store competition, would suffer irreparable losses. The greatest losers will be the local family budgets. It seems as though a great majority of us are born with the gambling instinct.

Placing a race track within arm's length of our citizens will encourage many people to divert grocery monies for a chance on the horses in the slim hope that they could hit the jackpot and with the proceeds buy some luxury items or take care of some pressing bills. The history of gambling is a sorry one. The poor become poorer and the promoters get fatter.

We are opposed to race track gambling in any form whether it be day or night. We are especially opposed to the current efforts to place a race track practically beneath our bedroom window.

Belleville Times Calling

Town Sounds Off on Paar

Jack Paar, controversial television personality, won support from 46 percent of residents polled in the weekly "Belleville Times Calling..." survey conducted this week. Paar has been the subject of controversy ever since he walked off his nightly show last Thursday because NBC cut out a joke from his program.

While 46 percent favored Paar's decision, another 27 percent said he was wrong. Of this group however, nine percent are hoping Paar will return to the "Tonight" show despite the incident last week. A sampling of answers received follows:

PAUL BREEN, 382 Stephens Street, Belleville: First and foremost, I don't think a joke, no matter how little off-color, should be told on television; it just isn't nice. I don't think Paar was justified in walking out. I watch the program occasionally and I'd say that for the most part I enjoy the show. But I think that if his beef is that he couldn't tell an off-color joke, he's wrong.

BETTY KNIGHT, 22 Rutgers Street, Belleville: I feel very badly about Jack's leaving the show. I watched him almost every night. I am for him. Yes, I think he was justified in leaving the program. But I want him to come back.

JAMES DEPIRO, 440 Belleville Avenue, Belleville: Well, to tell the truth, I watched his show only about once a week. But I've read all about his trouble in the newspapers. Personally, I think he did the right thing by leaving the program. I believe the network should go over some of the material before the show is on the air instead of merely cutting him off later on without telling him about it. Yes, I'd like to see Jack Paar return to the program.

JOSEPH A. DeFABIO, 29 Harrison Street, Belleville, Jack Paar was not right in walking off the show. I think it is a good show but I never liked Paar. I believe if he had a gripe with NBC he should have talked it over before walking out while the program was on the air. He was on the air so long that he got to be like a dictator. No, I don't think he should return, but I'd like to see the show continue with Hugh Downs as m.c. Hugh Downs appears to be intelligent and I think he can do the best job on the show, better than Paar. Jonathan Winters could also do a pretty good job. Paar is certainly wrong in telling the newspapers that no one else in show business can take his place on the show.

RALPH J. BLANCH, 125 Bremond Street, Belleville: I don't

really know whether he was right or wrong. I don't watch the program. No, I only read the headlines. I can't say whether I'm for him or against him.

St. Anthony's Is Ahead In CYO Bowling Loop

Teams from St. Anthony's, Belleville, moved into the thick of things by winning two games each in the Essex County Senior CYO Mixed Bowling League Sunday.

St. Anthony's 1 moved to within a half a game of he lead with a double verdict over Blessed Sacrament, East Orange, in a position-week match. The locals copped the first two games with 700-plus efforts, but missed a sweep when they fell off to 646. George Prezioso's 177 was the high game.

St. Anthony's 2 is right behind, only a game out of first, after beating St. John's 1, the leader, twice. St. John's had to shoot 835 to win its lone game as St. Anthony's had games of 780 and 747. Jimmy Mullins provided the spark, rolling a 213 game on his way to a 505 series.

Kiwanis Ready For Card Party Next Saturday

The fourth annual card party sponsored by the Belleville Kiwanis Club will be held Thursday evening, February 25, at the Belleville Elk's Club.

Chairman Victor V. Cali announced today that all plans have been completed for the event which will be marked by a wide assortment of prizes. 8 Prize Chairman Leo Taubin, announced that the prize list is overwhelmingly the largest and best of the Kiwanis card parties.

Refreshments will be served during the playing of cards and the awarding of prizes will be limited to a short period of time allowing a full evening for card playing.

Door prizes will feature the evening under the auspices of Chairman Leo Taubin and his committee.

Tickets may be obtained from members of the local Kiwanis Club.

All proceeds will be used by the Belleville Kiwanis Club for its Charity Fund and will be distributed to worthy causes throughout the year 1960.

Kiwanis Civic Asso. Chooses New Officers

New officers for the George F. Kiwanis Civic Association have been elected. Ernest LeRitz is president.

Others include Edward J. Lister, vice-president; gmarion L. Malcolm, recording secretary; Thomas Winn, financial secretary; Charles E. Mitchell, treasurer, and Commissioner George F. Kiernan, Vincent 8 P. Brown James E. Lawlor and Patrick Zito, trustees.

at the Honiss Street address would be occupied by a concrete and masonry treatment product plant if the board of commissioners accept the adjusters' favorable decision made Tuesday.

A construction business formerly occupied the premises.

OBJECTORS
The only objector was Celeste Bagnole of Franklin Street who said she was representing St. Anthony's Parish. The parish convent and school is located adjacent to the site.

Neighbors were told by Pesci that noise or other disturbances would be negligible.

TO THE TAXPAYERS OF THE TOWN OF BELLEVILLE

The foregoing, "Summary of Current Fund Section of Budget" develops the local municipal tax levy only and includes the "Reserve for Uncollected Taxes" or cash basis "overlay" for school and county purposes as well as for our local needs. School and County taxes are expressed only in the amounts of cash required and not in terms of the taxes that must be raised to meet those cash requirements.

The budget for the year 1960 produces an estimated tax rate of \$8.34 per \$100.00 of assessed valuation, an estimated 34 point increase when compared with the 1959 rate of \$8.00. The exact rate cannot be determined at this time and will not be final until certified by The County Board of Taxation.

The following table compares the estimated 1960 tax levy and tax rate with the actual elements for 1959:

	1959 ACTUAL	1960 ESTIMATED	INCREASE	1959 ACTUAL	1960 ESTIMATED	INCREASE
*For Municipal Purposes	\$ 1,325,186.82	\$ 1,496,907.40	\$168,510.58	\$2.16	\$2.30	\$.33
For Reserve for Uncollected Taxes:						
Municipal Portion	99,785.76	115,677.23	12,891.47	.16	.18	.02
Local Schools Portion	180,864.00	195,872.60	5,008.54	.26	.27	.01
County Portion	83,141.67	86,107.52	2,965.85	.14	.14	
	343,791.49	394,657.35	\$ 50,865.86	\$.56	\$.59	\$.03
Total "Local Tax for Municipal Purposes"	\$ 1,671,978.31	\$ 1,881,654.75	\$189,676.44	\$2.72	\$2.98	\$.26
For Local Schools	2,137,194.00	2,203,736.00	66,542.00	3.48	3.53	.05
For County Purposes	1,104,596.58	1,144,000.00	39,403.42	1.80	1.83	.03
Total Tax Levies and Rates	\$ 4,913,768.89	\$ 5,230,390.75	\$295,621.86	\$8.00	\$8.34	\$.34
Assessed Valuations Fixed by Local Assessor	\$61,491,908.00	\$62,515,908.00				

*Bank Stock Tax \$7,115.79 reflected in 1959 not determined for 1960.

Taxes levied for County and School purposes are mandatory, being fixed by the Board of Chosen Freeholders and the voters respectively. These elements, together with the amount raised for their portion of the reserve for uncollected taxes, account for 69.19% of the total estimated tax levy for 1960, 45.57% for schools and 23.62% for county needs. The levy for schools represents an increase of 6 points in the 1960 tax rate when compared with 1959 and the county levy shows an increase of 3 points in the 1960 tax rate after inclusion of the increase in the Reserve for Uncollected Taxes for each.

The estimated levy for municipal purposes, together with its portion of the reserve "overlay", accounts for an increase of 25 points in the estimated tax rate for 1960.

Revenue anticipations are set at levels believed fully realizable.

Many elements of the municipal levy, such as outlet sewer charges, garbage removal service contract, street lighting and other public utility charges and pension funds, are not directly controllable by the Commissioners. Increases in operating appropriations were necessary due to the increase in costs of essential goods and services to provide for the continued efficient administration of the affairs of the town.

The budget shows 1960 and 1959 in parallel, thereby facilitating comparison of each item and is supported by detailed departmental worksheets developing amounts appropriated. At the public hearing each Commissioner will be ready to explain and discuss any items in this budget subject to his control and discretion.

Respectfully Submitted,
Isadore J. Padula
Mayor-Director of Revenue and Finance

Seton Hall Gets Association's Research Grant

The New Jersey Heart Association has presented a check for \$19,650, to Seton Hall College of Medicine and Dentistry, Jersey City to underwrite three heart research grants now underway at that institution.

Dr. Hugh Grady, acting dean of the college, accepted the association check from its research committee chairman, Dr. Henry C. Crossfield of West Orange. Dr. David F. Opdyke, director of the department of physiology, also present, listed the grants as follows:

Dr. Duncan E. Hutcheon, \$6,930, to investigate hemodynamic and electrocardiographic responses to levaterenol and related amines in acute myocardial infarction.

Dr. Charles W. Smith, \$7,616, to study capillary circulatory response to prolonged and elevated alveolar oxygen concentration; and one in the amount of \$5,104, for research on hypoxemia in congestive heart failure, by Dr. Teruo Takasu. This latter grant was taken in part by a local

Heart Association chapter, Dr. Opdyke said.

In presenting the check Dr. Crossfield expressed the hope that during the Heart Association's 1960 fund drive next month, the public would respond more generously than ever so the association's research program could be activated to a still greater degree.

He pointed out the research committee had approved projects which may produce promising results in solving heart disease problems, but which at present are static due to lack of funds.

Bridgeport University Counselor at iHgh School

Gerald Davis, admissions counselor, of the University of Bridgeport, visited Belleville High School, Wednesday, February 10.

Davis described the offerings at Bridgeport, and mentioned the connection with the Junior College of Bridgeport to a group of eight students.

Admissions requirements, costs, scholarships, housing, facilities, and major courses of study, were discussed by Davis.

Students were urged to visit the University of Bridgeport in order to obtain first hand descriptions of the college.

County Young GOP Unit Has Annual Confab

Young Republicans of Essex County conducted its annual convention Saturday, February 6, at 2 p.m., in the Maplewood Country Club. Nicholas Rapano of 36 Hewitt Avenue, Belleville, who has been appointed chairman of the group's Amendments and By-Laws Committee, attended.

Chairman Herbert A. Roemle told the Belleville Times the meeting consisted of committee reports, presentation of awards, election of officers and a dinner-dance program during the evening.

Judy Booth and Edwin Fox, of the West Essex and Montclair Chapters respectively, are the convention chairmen.

Other committee heads are Dick Larson and Sally Boland, patrons and ads; Richard Hendrian, tickets; John Bain, rules; Ruth Meeker, publicity; Bruce Fritch and Jane Burgo, program; Bill Wilkens, credentials; Charles Reed, resolutions, and Mary Edmonds, convention secretary.

Four Students Home For College Vacation

Four Belleville students are among the 388 members of the freshman class at Glassboro State College enjoyed the annual holiday recess.

They are: Marilyn R. Anderson, 33 Berkely Avenue; Joan Bailey, 1 Continental Avenue; Barbara Gennell, 11 Fairway Avenue and Judith L. Anderson, 242 Division Avenue.

Summer School

school would not be at a disadvantage."

After Arvidson and Juliano spoke, Lally declared, "I have to work with these gentlemen in the coming year. They want a summer school; I propose we leave the \$3,000 in the budget for the program..."

Lally's bill passed without objection.

PRINCIPAL OPPOSED

During the summer school discussion, Thomas reported that the high school principal in Belleville is not completely in favor with the summer school program. Thomas said the principal "would give up during the year taking the attitude that since there is a summer school in town, he'd go to it for lack of other activities."

Belleville in past years has sent summer school students to either Bloomfield or Nutley. Students have paid their own tuition fees.

PROSPECT GOOD

With Arvidson and Juliano favoring the summer school program, the outlook is good that Belleville will have an expanded schedule this year. At one point during Saturday's meeting, Albertine suggested, "why not eliminate the summer school altogether."

Albertine received little support on the recommendation.

Town Budget

budget," Calabro said, "and now we're going after the commissioners. We won't support any budget that is higher than last year's."

Calabro, who resides at 76 Fairway Avenue, Belleville, didn't mention any areas in which either the school or town budget could be cut.

A mass demonstration at the March 8 public hearing on the town budget is planned by the tax council. "While we can't vote directly on the town budget," he continued, "we do plan to keep a box score." He then stated that any commissioners favoring higher budgets "will be defeated by our group in the next election."

According to Calabro, starting soon the tax council will open its headquarters nightly at 569 Washington Avenue to compile a petition which would place the question of changing Belleville's type of government to the council-manager system on the ballot as a referendum.

He invited residents to visit the Washington Avenue address and sign the petition.

Tax Council

(Continued from Page 1)

Times, "we're really sticking our necks out when we take \$15,000 from the surplus."

Mrs. Rochau said she thinks the logic of the tax council is "a little ridiculous. They have said they don't want us to cut teachers' salaries but on the other hand insist that the budget be cut \$68,000." The tax council would not make any suggestions in what areas the budget could be reduced. Members of the board of education believe the budget is already cut to a rock bottom.

The tax council urged voters to turn down the budget last week. The council's statement was that "although it can be argued that school personnel should have increases in salary, it must also be conceded that this is an additional burden which you, the taxpayer, cannot afford."

LEGAL NOTICE

ADVERTISMENT FOR BIDS

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	Proverbs	8	9-11
Monday	Job	8	10-11
Tuesday	Ephesians	4	14-15
Wednesday	1 Corinthians	3	9-11
Thursday	1 Thessalonians	3	9-10
Friday	Hebrews	10	35-37
Saturday	Matthew	25	45-46

You can almost hear their voices, and see their eyes sparkle. They have confidence because they have studied their lessons. Questions do not worry them—they know!

Will they be as confident when it comes to the more serious questions of adult life? Those who grow up in the Church and give God His rightful place are building on a firm foundation. In His House they "increase in wisdom and stature and in favor with God and man." There is no substitute for the Christian precepts and ideals taught by your church.

But what about those who lack this training? Will life seem difficult to them because they lack the confidence which comes from a knowledge of God and His teachings?

Do your children have the advantage of this confidence?

Town Mourns Mr. DelGuercio's Recent Passing

The Belleville Board of Commissioners paid tribute to the late Vincent R. DelGuercio who passed away last month. Commissioners introduced a resolution expressing its sincere condolence. Mr. DelGuercio served many years as chairman of the Belleville Zoning Board of Adjustment.
The text of the resolution follows:
RESOLUTION
"Whereas, Vincent R. DelGuercio departed this life on Tuesday, January 19, 1960, Mr. DelGuercio at the time of his death was chairman of the Belleville Board of Adjustment, having served on this board for many years, during which time he rendered efficient, faithful and just service without receiving remuneration from town. He was a resident of Belleville for the past thirty-seven years, prominent in the development of sections of the town, and very active as a real estate and insurance broker. The citizens of Belleville will miss this gentleman and his activities in civic and governmental functions.
The sincere condolence of this Board of Commissioners are extended to the family of Vincent R. DelGuercio.
Be it further resolved, that a certified copy of this resolution be forwarded by the town clerk to his widow, Mrs. Ernestine Caprio DelGuercio."

Sheriff Neil Duffy Named Chairman Of Palsy Drive

Sheriff Neil G. Duffy has again been appointed campaign chairman of Cerebral Palsy of Essex and West Hudson by John J. Gibbons, president of that organization. This annual Cerebral Palsy fund drive began Sunday, January 31, and will continue throughout the month of February. Sheriff Duffy will be assisted in his campaign activities by Undersheriff John A. Paolercio.

The purpose of this annual campaign is to raise funds to operate the Cerebral Palsy School and Treatment Center in Belleville, where more than 200 handicapped children receive daily therapy and education.

Sheriff Duffy also served as chairman of the Cerebral Palsy drive for 1958 and 1959. Among his many civic activities, Sheriff

Duffy is a member of the East Orange Civic League, Newark Boys Club, American Legion, Newark Post 10, Chamber of Commerce, Congress of Newark, and Optimist Club of the Oranges.

He is also a member of many other professional, fraternal, and veteran organizations. He served as a member of the General Assembly of New Jersey in 1952 and 1953 and has been sheriff of Essex County since 1953.

ITT Program Hears 'Ticks' Of Atom Clock

A gas cell "atomic clock" was the subject of a demonstration lecture given at the ITT Laboratories auditorium recently in Nutley.

Dr. Maurice Arditi addressed the session describing the clock called "the latest of the many wonders of the space age."

The meeting, sponsored by the Northern New Jersey Chapter of the IRE Professional Group of Microwave Theory and Techniques, was open to the public.

Now that the space age has been entered a small accurate frequency source such as a clock is an important piece of equipment used by airplanes, missiles and the like. This need has led to the development of gas cell "atomic clock" at relatively simple construction. The physical principles involved in the operation of the device was described by Dr. Arditi at the IRE lecture and an experimental packaged cesium clock was demonstrated.

Dr. Arditi was born and educated in Paris, France and has been associated with the International Telephone and Telegraph system since 1939 and with the ITT Laboratories since 1944. He is currently senior project engineer in the development of the Atomic Clock.

Howard Leading N.J. Loan Lender, 1959 Report Says

Essex County mortgages held by The Howard Savings Institution, Newark, on December 31, 1959, amounted to \$51,946,045.10, an increase from \$45,802,737.58 a year earlier of \$6,143,307.52. The number of mortgage loans in Essex County owned by the bank at the end of last year was 4,808.

The Howard is the largest lender of mortgage money on New Jersey homes and every dollar invested in mortgage loans is invested within New Jersey. These loans, numbering 26,677, granted on properties in all twenty-one counties of the state totaled \$283,500,677.12, at the end of 1959.

The Howard's policy of investing only in New Jersey real estate is the best measure of the bank's contribution to the state's economic growth. The Howard also differs from many institutional lending agencies in that it still grants VA mortgages to veterans. Of the grand total of \$283,500,677.12 in mortgage loans outstanding at the year's end 38.09 per cent or \$107,815,307.50 was invested in VA mortgage loans.

The Howard has kept lending to veterans even though it could make more conventional or FHA mortgages at a higher rate, considering it to be a public service. Conventional loans were 49.12 per cent of the total or \$139,255,532.60 and FHA mortgage loans amounted to \$36,429,837.02 or 12.85 per cent.

The Howard Savings Institution is the 18th largest mutual savings bank in the country with total assets on December 31, 1959 of \$441,837,247 and deposits amounting to \$396,178,121.71. The bank had 283,977 savings accounts.

The Howard's mortgage loan correspondent for Essex County is Edward I. Forman of Newark.

GOP Women Set New Committees, List Appointees

Committee chairmen have been appointed by Mrs. Ruth Fredericks of Belleville, newly-elected president of the Essex County Women's Republican Club.

They are as follows: Mrs. Madeline Klink, fellowship; Mrs. Marion Yaguda, ways and means; Assemblywoman Beatrice M. Stiles, legislative; Mrs. Marjorie Searing, hospitality; and Mrs. E. E. Stevenson, publicity.

New appointments made by

Mrs. Fredericks include Mrs. Anna King, parliamentarian; Mrs. Mae Elliott, house chairman; Mrs. Olive Eber, hostess and pianist; Mrs. Roby Perfette and Mrs. Helen Zwack, auditors.

Mrs. Fredericks in making these appointments stressed the importance of this year to all Republicans—and because of the many varied activities that club members will be called upon to carry out in this presidential year, she announced the appointment of an advisory committee to assist her.

Members of this committee in addition to the president are former assemblywoman, Mrs. Ruby Perfette, former freeholder, Mrs. Edith Reinhard of Maplewood, Register Abbie W. Magee of Nutley and Mrs. Anna King of East Orange, past president of the club.

Industrialists Examin 'Atom'

"The Peaceful Atom" was the subject of a talk given recently at a special meeting of the Industrial Chamber of Commerce of New Jersey. The session was held at Lyle's Restaurant, Kearny.

Speaker was William H. King Jr., of Esso Research and Development Division, Bayway.

Jack Dragnet, plant manager of B and M Machine Company, Belleville, and vice-president of the chamber, reports that the meeting had as guest Mayor Joseph Healy of Kearny.

The guest speaker holds a degree in chemical engineering and has studied electrical engineering at three universities. He was employed on the Manhattan Project, Oak Ridge, Tenn. In addition to his wartime nuclear experience, King has been a major contributor to Esso's application of nuclear science, both domestically and abroad.

King holds several patents and has repeatedly contributed research papers to scientific journals.

County Heart Association Demonstration Held

Essex County Heart Association conducted a special demonstration February 4 for science teachers and school nurses throughout Essex County on the use of the heart-lung machine, as well as other cardiac equipment, at the Orange Memorial Hospital. The event was under the direction of Dr. John Winslow of Maplewood, former president of the association. Some fifty science teachers and school nurses attended.

In addition to Dr. Winslow, there was Dr. A. M. Sabety of Montclair who showed the application of the heart-lung machine in cardiac surgery.

Card Of Thanks

DAVEY — We wish to thank our neighbors for their many kind expressions of sympathy at the death of our Mother, MINNIE DAVEY.

THE DAVEY FAMILY

DEL GUERCIO—Deeming it impossible to thank everyone in person, we take this means of extending our sincere appreciation and heartfelt thanks to our relatives and many friends for their kindness, words of consolation, spiritual bouquets, the beautiful floral tributes and the donations to charitable organizations in memory of VINCENT R. DEL GUERCIO, beloved husband, father and grandfather. We especially wish to thank the Reverend Benedetto, pastor of the Silver Lake Baptist Church, Belleville, New Jersey, Dr. Martin M. Meenan, Town Physician, and the Belleville Police Department for their kind and beneficial service.

Yesteryear In Belleville

ONE YEAR AGO

School board candidates were in the windup of the annual contest. Candidates included Michael Albertine, Dr. Frank DiRuggiero, Dominic A. Lally, Richard Drake, Mrs. Geraldine Macaulay, Mrs. Ethel Roeloffs and Mrs. Mary Reilly Coronato.

Belleville High School's bowling squad tied for first place in the local scholastic league by handing their second consecutive defeat to North Arlington, 2-0. Matches were bowled at The Towers in Cedar Grove.

FIVE YEARS AGO

Again, being the election time of year, the school board poll returns dominated the front page of The Belleville Times. William Allison Boyd was the winner of the town's first member-election by nearly 500 votes over his nearest rival. Total number of voters was 2,953.

A town budget which showed a possible \$7 tax increase was introduced by the board of commissioners.

Miss Mary Ann Margaret Tymon and Robert Ralph Adelhelm were married.

TEN YEARS AGO

Pep Boys opened a new store at 127-29 Washington Avenue in Belleville.

Congressman Peter W. Rodino wrote an article in The Belleville Times urging international controls on atomic and hydrogen bombs.

Voters prepared to go to the polls to decide a \$1,231,875 school budget.

Belleville High downed the Rutgers School of Pharmacy in basketball, 58-29.

John J. Callahan of 22 Washington Avenue, Belleville, passed away.

TWENTY YEARS AGO

The town commission played to an empty house when the budget was introduced. Only ones on hand to hear the first official reading of the figures were the members of the official town family and reporters. The total of the 1940 municipal budget was \$2,140,490.

Miss Greta Kinnealy of 35 Church Terrace was re-appointed a member of the free public library board.

Keen Action In Jr. Bowling Leagues in Town

As the Recreation Kiwanis Junior Bowling League season is drawing to a close, the competition between the top teams is getting keener. In the seventh and eighth grade girls league, Spring Neckwear who were the number one team for most of the season, lost three games to second place Laterza Drugs, which put Laterza Drugs ahead by one-half game, which lead they have held for two weeks. In this league, Mary Ann Sambrowski rolled the individual high single high three-game series, 174, and the individual high three game series, 470. L. Rowe holds the individual high average 114. This league bowls every Saturday morning at 9 a.m. at Olympic Bowl.
