

Democrats Re-Elect Vara; New Leader For Republicans

Democrats Meet At Lively Session Monday Night

Ralph Vara was unanimously re-elected Town Democratic Chairman at a stormy meeting Monday night with charges of excessive "bossism" and "rubber stamp politics" echoed by the Town Hall walls.

Vara has served as Democratic chairman in Belleville the past dozen years. With him were swept into office all members of his "cabinet" including Mrs. Mae Mead Mazza, co-chairman; Frank Simeone, secretary; Mrs. Ann Mehlback, treasurer; Tony Dominick and Carolyn Pohl as members of the executive board, and John Caruso, sergeant-at-arms.

District leaders elected as ward chairmen are Simeone in first ward; Phil Newsome, second ward; Pat Parigi, third ward, and Tony Dominick, fourth ward.

CONTROVERSY

A highlight of Monday's fiery session came when Carolyn Pohl charged that her name was used to gain support for the organization's candidate in her district, Mr. Charles Mitchell.

Miss Pohl said she could not support her running mate because "he did not subscribe to

NICHOLAS RAPUANO

Name Nicholas Rapuano GOP Head; Bangert Out

Nicholas R. Rapuano, 36, Hewitt Avenue was named new Republican Town Chairman at a meeting of the Belleville GOP county committee Monday night.

Rapuano edged out incumbent Frank Bangert in a 19-18 vote at the session. Immediately after Rapuano's election, Bangert introduced a motion asking the record to show a unanimous vote for "the fine new chairman" and promised to assist the new slate to bring Belleville a harmonious, hard-hitting Republican Party.

Rapuano is an attorney with offices in Fairlawn. A graduate of Rutgers Law School, he served with the Army's Counter Intelligence Corps. He is chairman of the Young Republicans of Belleville and is legal counsel to the Young GOP Organization of Essex County. He is also director of the Belleville Nutley Tuberculosis League.

35 YEARS

Bangert, who resides at 143 Cedar Hill Avenue, has served on the county committee 35 years, the past six of which he was chairman.

"There is absolutely no bitterness within the party," Bangert told The Belleville Times yesterday. He said that he feels he's done his share during the past 35 years and in a good humor added that "it relieves me of some work just in time to celebrate my 40th wedding anniversary." Mr. Bangert and his wife, Mildred, will observe their anniversary next Monday.

The veteran Republican chairman said he has high hopes that Rapuano will bring some fresh, young ideas into the party "and I'm solidly behind him."

Rapuano said he hopes to bring a "vigorous program and to rejuvenate the Republican Party in Belleville, to organize districts on a block to block basis with strong supervisory control from ward chairmen." He added that other intentions are to organize a new Republican Club, to strengthen the Republican Women's Club and the Young Republican Club of Belleville.

The county committee endorsed Rapuano's program Monday night.

Mrs. Ruth Fredericks of Montgomery Place was re-elected chairlady by a standing unanimous vote Monday. Mrs. Hazel Ritchie was named to succeed Mrs. Lillian Winfield as secretary.

Republican County Committee members at Monday's meeting were George O. Rawcliffe, Mamie Kimble, Harold F. Brand, Jeanne M. Verian, Walter P. Weiss, Lillian Winfield, Andrew Lukowiak, Helen T. Lukowiak, George E. White, Mildred A. White, Frank Bangert Jr., R. Wesley Schneegas and Zilpah Gibbs.

Also, Walter M. Schickram, William J. Healy, Alice L. Healy, Warren M. Johnson, May D. Merz, Raymond E. Boxer, Catherine E. North, Daniel H. Hyde, Rose C. Fredericks, Peter C. Wendel and Elsie M. Walker. Russell C. Eller, Mildred I. DeGroat, Henry Lewis, Robert Hart, Benjamin Maglia, Marie G. Maglia, Angelo L. Pesci, Ruth Fredericks, Caesar Cesario, Vincenzo Carbone, Howard B. Hogan, Nicholas R. Rapuano, Rudolph P. Zoeller and Hazel M. Ritchie.

Schools Ask More Police Protection

Belleville Board of Education members plan to meet soon with Commissioner Harry J. Sullivan, Director of public safety, to see if something can't be done about getting better police protection for school property.

A long debate was touched off at Monday night's meeting when Assistant Superintendent of Schools Harold Dufford reported that increased vandalism on school property is on the way to costing taxpayers more than \$10,000 a year.

Board President Mrs. Violet Rochau suggested a resolution which would close playgrounds and school property after school hours. The resolution was not passed but will be considered at the next meeting of the board.

POLICE

While the board had high praise for Belleville's youth officer, Detective Michael Marotti, the consensus was that the police department in general could do a lot more to help the board protect its property.

Dufford said Monday that "considerable damage has taken place at school one and school ten." He said that at school ten the double doors were smashed in completely last Thursday night. Other damage at this school included injury to 20 shrubs, missing rails out of a fence and the breaking of four large windows, approximately 40 by 28 inches, over the auditorium. Dufford said the windows cost well over \$20 each.

Continuing the assistant superintendent said that the bell outside school ten and some 20 feet up the side of the building was jammed and broken.

SCHOOL ONE

"This morning at school one we found 16 windows broken and beer cans and bottles scattered throughout the school yard."

Several suggestions were heard Monday to cope with the problem but most popular was having the police spot check each school every 15 minutes during the evening.

"The 15-minute schedule could be maintained by one man," Salvatore Calabro, president of the Citizens' Tax Council, said. He made the suggestion.

Calabro said that a single policeman not only could maintain the schedule and "would have time left over. We have enough policemen in this town to do it and we're paying them good money."

Board Attorney Max Schwartz commented that the problem is

Commission OK's Merchant Buses, \$300 for Festival

Belleville Commissioners Tuesday night approved a bus route proposed by the Washington Avenue Merchants' Association, Public Service Supervisor James Demarest who attended Tuesday's Commission meeting told The Times after the session that "we hope to have the busses running next week."

Demarest said Public Service will ask the Public Utilities Commission for at least temporary approval of the busses. When asked how long PUC approval usually takes, Demarest replied, "sometimes only a day but usually no longer than a week."

As approved, the bus which will be provided by Public Service for a reported figure of \$240 per week, will run along the following route:

"Beginning at Greylock Parkway and Washington Avenue and thence via Greylock Parkway, Chestnut Street, Franklin Avenue and Joralemon Street to Bloomfield Avenue at the Nutley - Belleville municipal line, and thence via Joralemon Street, Washington Avenue, Cleveland Street, Dow Street, Mill Street and Washington Avenue back to Greylock Parkway."

Frank Megaro, president of the merchants' group, has said that the busses will run every half-hour, Monday through Friday. Starting and closing hours of the service have not been announced.

RETURN FARES

Plans call for the collection of a 15-cent fare by patrons of the busses; the fare would be

Summer School Report Promised For May Meeting

A complete report on the proposed summer school program for Belleville will be given at the May 24 meeting of the board of education, Evan Thomas, superintendent of schools, promised Monday.

Speaking at Monday night's regular meeting of the school board, Thomas said that details of the program are currently being ironed out.

The topic of summer school came up when the board considered two resolutions, both of which won members' approval. The first resolution approved a five-week instrumental summer school for students of Belleville schools. The resolution also empowers Thomas to engage the services of four qualified teachers for the program at a rate not to exceed \$300 for the five-week session.

The second resolution concerning a summer remedial reading program also was passed without objection. This bill empowers Thomas to engage the services of three reading teachers for a six-week program at a rate not to exceed \$450 per teacher, the identical rate as paid last summer.

ASSEMBLY BILLS

Ernest Arvidson's resolution supporting two Assembly bills dealing with increased aid to schools was approved unanimously. The resolution supports Assembly Bill A-179 which amends the state school aid law by increasing from \$200 to \$300 per pupil the minimum aid for current expenses and up to \$2,

Will Crown First Queen; Plan Parade

A parade Saturday afternoon will start events rolling in Belleville's first annual Cherry Blossom Festival which will climax with the selection of a "Cherry Blossom Queen" in 2 o'clock ceremonies at the Town Hall.

In addition to the prizes for the Cherry Blossom Queen, which includes a trip to Bermuda, Saturday's festivities will be highlighted by several entertainment acts, the parade and several visiting dignitaries.

Guests of honor will be members of the Consulate General of Japan, who have responded favorably to festival chairman Frank Megaro's invitation to participate in Saturday's program.

The Consulate General of Japan will be represented Saturday by Consul and Mrs. Tatsuo Kawachi and Vice-Consul and Mrs. Tatsuo Aikawa.

The Cherry Blossom Festival, which has attracted hundreds of entrants from all over Essex County for the queen contest, is being sponsored by the Washington Avenue Merchants' Association in cooperation with Commissioner George Kiernan's Department of Parks and Public Property.

PARADE

Saturday's parade will start at 1 p.m. at Greylock Parkway and the line of march will extend down Washington Avenue to Mill Street and back to the Town Hall where the ceremonies will be held.

Groups in the parade Saturday will include the Mayor and Commissioners, the police and fire departments, the auxiliary police, the Belleville High School Band, the high school twirlers and majorettes, the American Legion Post and several others. Cars in the parade have been provided by Thaler Motors of 371 Washington Avenue and Joseph Zarro of Harrison Street has donated two Cadillac limousines for use of the afternoon.

Parade marshal will be Nicholas Raimo, past commander of the Barbone-Mosco Italian American War Veterans Post of Belleville.

ENTERTAINMENT

Before Miss Lola DiBella of Belleville crowns the first Cherry Blossom Queen, a program of entertainment has been lined up in addition to the high school band, majorettes and twirlers, the popular trio called "The Delicates" will sing and an instrumental and singing group, "The Yearlings" will perform.

Members of "The Delicates" are Peggy Santiglia, Denise Ferri and Arlene Lanzotti. Members of "The Yearlings" include the group's leader, Mike Petrella, and Tony Pazzarella and John Chile as vocalists.

With grandstand seats being provided by the board of education for the setting in front of a decorated Town Hall, Saturday's festival has attracted a wide interest and response from groups in Belleville.

Merchants of Washington Avenue have gotten together gift certificates and prizes for

FREE RABIES VACCINATION CLINIC

FOR ALL DOGS TO BEGIN

APRIL 27th AT TOWN HALL

Commissioner Nuncio R. Pico, Director of Public Affairs and Executive Officer Edward G. Burdzy announced that the Belleville Health Department will hold its annual free rabies vaccination clinics at the following places and dates:

April 27—Town Hall, rear 6 - 8 P.M.

May 4—Washington Ave. Firehouse 6 - 8 P.M.

May 11—Silver Lake Franklin St. Firehouse 6 - 8 P.M.

According to information received by the local health authorities from the State Department of Health, New Jersey has not had a case of rabies in humans since 1955, and very few cases of verifiable rabies in dogs during this period.

Health Officials and specialists in animal diseases transmissible to man, say this is the result of widespread immunization of dogs. They also say that uncared for dogs, which are not immunized constitute a potential reservoir of infection.

A case of rabies among dogs would spread quickly, and from them to cared for pets which have not been immunized against the disease.

The Health Department urged that all dog owners, in order to protect residents of the Town, bring their dogs to be vaccinated with anti rabies vaccine at the free clinic, at the time and places above designated.

Let's Protect The Children

Anyone who can read should by this time know that effective protection against polio is available. The Salk vaccine, introduced five years ago, has protected millions who otherwise might have suffered the crippling effects of that dread disease.

But—and here is an interesting “but”—some 34 million Americans who could have been protected have not received the necessary three, or four, shots of Salk vaccine. This is one reason why reported cases of paralytic polio went up again in 1959—up 54 per cent over 1958. Most of the unvaccinated are adults. They should be able to make their own decisions, and get protected.

But—and here is a more important “but”—4,500,000 children under five years of age have had no vaccine. Nearly half of all cases of paralytic polio in 1959 occurred in children under five. So there are millions of children who should be protected but who are not.

Many of them will be statistics by next fall—figures reflecting pain and death, iron lungs and wheel chairs, crutches and braces—unless more is done now to protect them. They can't do it themselves! Let's, at least, be sure we have done everything we can to protect the children.

The National Health Council is urging every community in the nation to find out how well it is protected and then to see to it that every chance is given to the unvaccinated to get the protective vaccine. This appeal makes sense. Let's find out how many of us have the full vaccination against polio—and then let's make sure that all of us—but especially the kids—have the protection that Jonas Salk's great discovery can give.

Food Technology And Tomorrow's Population

We have heard a lot in the last several years about the danger of chemicals in our food. It might be well during Chemical Progress Week, being observed this week by chemical companies throughout the United States, to look for a moment at the other side of the coin.

Actually, from the time man learned that salt preserved meat, we have been using “chemicals” in our food. It is unfortunate that each generation has to become accustomed to the changes that occur in their time. Our parents saw the advent of the electric light bulb, the automobile and the airplane.

We have seen the arrival of nuclear fission and space flight. We are also the first generation to come to grips with vast and rapid advances in food technology. Without these advances, there would be no supermarket. We would not be able to urbanize as we have without such things as frozen foods, modern packaging and processing methods—all of which involve the use of products of chemistry.

Our Federal laws are strong. Under them the Food and Drug Administration is responsible for the safety of the nation's food supply. Manufacturers are required to show that any new additive is safe. The FDA must confirm this. Only then is it allowed in our food. Our food today is safer, more nutritious, more convenient and more varied than ever before in the history of man.

If we have to worry about something, let's worry about crossing the street against the light!

Letter Highlights From Nurse, Election Winners

Public, Please Wake Up!

To The Editor:

I have been a registered nurse for 13 years and for personal reasons, I have worked in many hospitals from New York State to the state of Florida. I am now employed at a hospital approximately five miles from Belleville.

I can sincerely say and with no reservations that of all of my associations with hospitals, that I was fortunate enough to discover one hospital that is truly a hospital.

A patient in this hospital does not require a private nurse (unless the doctor or family so request) for each patient is treated with “tender loving care” and the most amazing part of all, is that each individual associated with the hospital is considered a human being. In these days, this is most rare and exceptional. Each day that I am on duty I look forward to the next eight hours and also count my blessings!

Why am I writing to you now? I rather think that the public might like to know just what is wrong in the average hospital.

Why do you wait for your call lights to be answered so long? Why are nurses' aides caring for you? Why do you only see your registered nurse when she has a pill or needle for you?

It seems we have in my humble opinion, an acute shortage of “bedside nurses”. Why?

It seems that nurses salaries for the most part are about \$300 per month—deduct tax, Social Security etc. And if she is lucky perhaps for two weeks of work, she will have about \$107. Can one pay rent, gas, electric, etc. and live this way?

Therefore, the nurses have gone into the service, VA, public health, county work, etc. where the salary plan is higher. Consequently your hospitals are employing auxiliary help—(aides, attendants, etc) to me this is a heart-breaking situation. All of my life, I never wanted anything else except to be a nurse—and those conditions disturb me.

Why has this situation all come about I sincerely do not know,

however, I have enough insight and understanding to believe and figure this all out!

I think that the National League of Nursing Education, a few short years back decided to raise the standards of nursing. For example: As I already have stated I graduated 13 years ago, and at that time nurses training was to me, anyway “no joke”—and I considered myself a very fortunate individual after I passed my state board exams to be able to write RN after my name.

Now, a young lady can enter training and most of the hospitals these days are associated with colleges so that when she completes her work, she not only might have a BS degree but an RN also. This is all well and good for these people, but what happens to those of us that may not be so fortunate as to have the financial security to even try and half way “reach” the standards that exist today in nursing education.

Is a degree so important really? Does that help to teach a nurse, human kindness, devotion to her work, or how to interpret a doctor's order on a chart?

I am asking you to help “shall I say me” to create better conditions in our hospitals today. My goal at this point is so live to see the day that every hospital might in some small way be “patterned” after the “special hospital” that I am now employed.

ANN M HARFORD, RN

Congratulates Victor

To The Editor:

I wish to take this opportunity to extend my congratulations to my opponent, Mrs. Florence Greco, on her recent victory.

I want to thank our friends and workers who helped Ralph Vara and myself on election day, also the Democratic Committee people from other districts who aided us by getting their friends out to vote.

In the year 1953, when my husband and I bought our home on Chestnut Street, it was known as “Chestnut Gardens.” We were

part of District 4-Ward 4 of Belleville and “Chestnut Gardens” was soon forgotten—that is as it should be.

Our yearly contests, in our district, are not against me personally, but against Vara. Usually some grudge-bearing, so-called Democrat will find a female partner to make a team to upset the Democratic party of Belleville. However, this year's contest was not opposition from a male and a female, but from two males and a female, who actually cry for segregation from our district, even segregation from the town of Belleville. It is pathetic that one of the males didn't have the courage to oppose Vara himself, but had to hide behind his wife's skirt.

My association with the other Democratic Committee people has been a very pleasant one, consisting of debated and discussions where “Vara,” as our elected leader, was a guide and referee to amicable understandings, thus proving we do not have dictators in our party.

I can truly say, I am proud to be a member of the Democratic party!

Wallocks Thank Voters

To The Editor:

We cannot let this opportunity pass without expressing our deep felt thanks to all our friends and fellow Democrats who, either by their vote or personal support, made our re-election as County Committee members and Democrat District Leaders for Ward 4-District 6.

We take this victory of ours as a vote of confidence from the Democratic voters of the District, whom we have tried to serve to the best of our ability during the past year. By the same token, this vote of confidence means a stern mandate for us not merely to continue our loyal and staunch support to the party of our choice, but also to continue to serve all the people of the District in political and civic matters that concern them. Ultimately, this primary elec-

tion victory was not won by us personally, but by the Democratic Party. And we are taking that fact as a hopeful indication that, with a strong and united Democratic Party, the electorate of Ward 4-District 6, will aid in securing a Democratic victory in the November elections.

Gov't Referendum

To The Editor:

As treasurer of the “Citizen's Tax Council,” I received a number of calls from people asking how they should vote on the coming referendum for the change of government to council manager form in this election.

They were surprised to hear that no such referendum would appear on the ballot, and I was asked, why?

I told them that we didn't have enough signatures to place the issue on the ballot. I also informed them that we had no intention of forcing any change of government on the people of Belleville unless they demonstrated that they really wanted it.

The simplest way of showing the “Citizen's Tax Council” that the council manager form is desired; is for a citizen to take the time to come to our headquarters, at 569 Washington Avenue, any Wednesday night and sign a petition.

We have no intention of paying canvassers to obtain signatures, as was done by a former group, because we are not politicians and have nothing to gain. And also feel a “people's movement” should be motivated by the people themselves.

We also sincerely believe in responding to the will of the people. Apparently the commissioners do not agree with us in this respect, because they go on dreaming up expensive projects, which the people have demonstrated they are against.

In the past two board elections certainly, if they defeated the school budget twice by a margin of two to one, it's ample demonstration that if they could have voted on the Town Hall less

worthy projects they probably would have defeated it by four to one.

The commissioners know this to be a fact, but still continue to disregard the will of the people.

This, in my opinion is, “taxation without representation.” It is the same issue that fostered the development of this nation. Therefore, if the people want representation it is up to them to demonstrate their feelings by signing the necessary “petition” to effect a change to “Council Manager form of Government.” This is what I told the people, to whom I spoke on the phone, and it is my general report to people of Belleville at large.

Unless each person takes the interest of coming to our headquarters at 569 Washington Avenue, to sign a petition, it is doubtful whether we will see this referendum on the ballot, for a long time to come. And if the change to a new representative government does not occur, then the people should be prepared to pay excessive taxes in the future, as we predicted on the “Tax Chart” which was printed in your newspaper a short while ago.

Thank Voters

To The Editor:

Through the facilities of your paper we would like to thank the Democratic voters of the Fourth Ward, Third District for our election to the Democratic County Committee. We would also like to express our deepest appreciation to all those who gave their time for our efforts, and to the Belleville - Times for their coverage of the election.

Cornell Awards Physics Stipend To Howard Ellis

HOWARD ELLIS

The National Science Foundation has awarded a stipend to Howard Ellis to study physics at Cornell University this summer. The award, one of a hundred given to scientific minded high school students throughout the nation, will cover the costs of tuition, books and half the room and board for the six week long program.

Howard, the son of Mr. and Mrs. Joseph Ellis of 7 South Wilber Street, is a junior at Belleville High School.

Girl Scout Camps Now Accepting Registration

Belleville girl scouts will be able to attend six camps this summer of the Greater Essex County Girl Scout Council which are now being readied for the 2,236 scouts and non-scouts. Stays at the camp for the coming summer will range anywhere from six days to eight weeks.

Mrs. Richard Dehmel of Short Hills, council president, told The Belleville Times this week that this summer will mark the first camping season during which the council is able to offer the opportunities and facilities of all six camps to girls in Belleville.

Four of the camps are in New Jersey and two are in New York.

REGISTRATION

With the registrations coming in to council headquarters as a result of the mailing of 20,000 camp folders and one of the camps practically filled, Mrs. Dehmel urged those interested to apply immediately to avoid disappointment.

Open house days to which Belleville parents and campers are invited to bring a picnic lunch and preview the accommodations, program and other details have been set as follows: May 8, Camp Madeleine Mulford, Branchville, 11 a.m. to 4 p.m.; May 14, Camp Kalmia, Blairstown, 11 a.m. to 4 p.m.; May 14, Camp Lineolock, Columbia, N. J.; June 6, Camp Wanola, Ibear Mountain, N.; July 10, South Mountain Cabin Camp, South Orange and July 16 to August 13 during encampment at Eagle Island, Upper Saranac, N. Y. In addition to Belleville, towns

participating in the Ireater Essex County Girl Scout Council are Bloomfield, the caldwells, Cedar Grove, Essex Fells, Glen Ridge, Irvington, Livingston, Millburn, Maplewood, Montclair, Newark, New Providence, Nutley, the Oranges, Roseland, Summit and Verona.

CAMPERSHIPS

The council offers 90 Camperships to Girl Scouts who would profit from summer camping, but may require some financial help in order to be able to spend time at camp. Girls interested in doing Counselor-In-Training work may also apply for partial Camperships. The CIT Program provides both training for the future and a chance for outdoor life and companionship with others interested in furthering their careers in teaching various skills. Applications for Camperships may be submitted with a recommendation from the Girl Scout's troop leader to the council's Campership selection committee. The deadline for receipt of Campership applications is May 9.

VARIED PROGRAMS

The program in each camp is geared to the abilities and interests of the campers. Families of potential campers are urged to apply early for choice of program most suited to their girls.

Camp Eagle Island, now in its 23rd season, is situated on beautiful 30-acre island site with a natural sand beach, at Upper Saranac Lake, N. Y. It is one of two island camp sites for Girl Scouts in the United States. It offers special unit programs such as a 10-day canoe trip through the Old Forge Lake area; a 10-day land trip; a Mariner unit with a fleet of five sailboats. hIt's camp has only a few reservations available for the summer.

Camp Kalmia, now in its 31st season, is situated in Blairstown, N. J., and offers a program of boating and swimming, hikes, nature and conservation, cook-outs overnight camping trips, campfires, natural crafts—a continuation of troop program in an outdoor setting, for girls aged eight through 14.

Camp Madeleine Mulford, now in its 34th season, is located in Branchville. scouts from third grade through high school are offered boating, swimming, hikes, overnight camping trips, three-day primitive camping by land, and three day Delaware River canoe trip, crafts, dramatics and other activities.

Camp Pinelock, in its 13th season, at Columbia, N., is beautifully situated on a 22-acre plot of wooded and rolling land, with a small lake, in Northern New

Mister Mystery Is Track Man, List More Clues

This week's Mystery Teen is a sophomore at Belleville High School. His many scholastic and athletic activities make him a well-rounded person.

On one hand our Mystery Teen is a member of the track squad, an ardent weight lifter, and a good basketball player. On the other side he is a good student, a member of the high school band, an active participant in the up-coming student council elections, and a sports writer for the local newspaper.

Our Mystery Teen is also famous for his older brother, a graduate of Belleville High and currently a student at Stevens Institute of Technology.

CYO Baseball Opens Season This Afternoon

St. Peter's, Belleville, played its opening game in the Essex County CYO Grammar School Baseball League today, met St. Francis Xavier, Newark, at Branch Brook Extension. The seven-inning naugural contest started at 4 p.m.

The local parish was among 28 parishes which entered teams in CYO play this season. To handle have been organized. St. Peter's competed in Division II, an eight-team circuit which includes St. Valentine's, Bloomfield, the defending 1959 winner.

Each team in the division played a double round-robin of 14 games. Contests will be played every Monday, Thursday and Friday afternoons. A split season has been arranged with the first and second-round winners playing off for the divisional title.

At the conclusion of the season, the four divisional victors will engage in playoffs to decide the county championship.

Frank Derbyshire Is Co-Producer Of Musical Show

The Collegians, a musical comedy group from New Jersey are beginning production of their ninth play, "Annie Get Your Gun." The Rodgers and Hammerstein show will be co-produced by Tom Heiser of Bloomfield and Frank Derbyshire of Belleville and will be directed by June Dwyer of Caldwell; the musical direction is under rose Mead of North Arlington and Harry McAleavy of Kearny.

The group, which has its members over 25 towns in New Jersey, has previously produced "Babes in Toyland," "Look Up Down to Earth," "Sunny," and "Wonderful Town."

The Collegians will also entertain at Communion breakfasts, meetings and other functions, as publicity for their work.

The group offers their shows in a package deal to parishes, civic clubs and other organizations for performance from November 1 to December 20, 1960. All profits received by the Collegians will be used for the Kevin Brother's Memorial Scholarship Fund.

as communications ship for President Eisenhower's February South American Goodwill Tour.

Before departing for South America, the Macon and her crew were engaged in training operations in the Caribbean.

Local Stations Will Participate in Test Of Conelrad Tues.

Broadcasting history will be made May 3 during the first day of "Operation Alert 1960," the annual nationwide civil defense exercise, when for the first time there will be a complete hookup of all the nation's CONELRAD stations.

Acting state civil defense director Thomas S. Dignan is closed that the American Telephone and Telegraph Corp. has agreed to connect every non-network CONELRAD station with a nearby network facility during the test.

The CONELRAD frequencies, 640 and 1240 on the radio dial, will be on from 2 p.m. until 2:30 p.m. during the public participation part of the exercise. Eighteen radio stations in the state, including seven FM stations, will take part in the drill.

All other radio and television stations will be off the air during the half-hour period.

The programming will include a message by OCDM Director Leo Hoegh and special state and local informational broadcasts.

The CONELRAD stations would provide fallout warnings and instructions in the event of an actual nuclear attack. CONELRAD, contraction of the words "Control of Electromagnetic Radiation," is a means to deprive enemy aircraft and missiles of homing in on radio beams.

New Jersey's five and one-half million people are expected to

seek shelter when the Take Cover alert is sounded at 2:15 p.m. Traffic will come to a halt and school children will be led from their classes to shelter areas.

This year's exercise will be spread out over three days to enable local civil defense organizations to implement post-attack fallout programs.

In order to make the exercise more realistic, the number of bombs dropped and the target areas will not be known beforehand. This information will be provided by simulated eyewitness reports in designated areas.

State and county control centers will be manned around the clock during the three-day drill.

Some 70,000 tri-colored posters are being distributed throughout the state to familiarize citizens with the time of the test and the procedures to be followed.

More Than 1,500 Hunt Easter Eggs At Town Stadium

Commissioner George F. Kiernan reported this week that more than 1,500 youngsters turned out for the Recreation Department's recent annual Easter Egg Hunt at the Municipal Stadium.

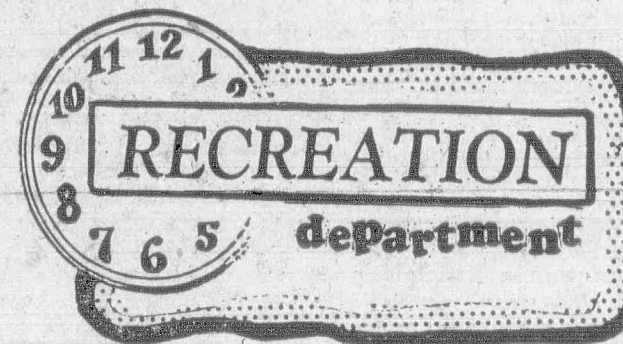

In conforming with last year's format multicolored cards instead of eggs were used for the hunt.

Janie Sheldon, Susan Sutter and Victor Lanfante were the winners of the big bunnies in the small fry set (under six years of age); and George Debrowski, Nick Del Guercio and Jimmy Orsini were the winners in the older group (six to twelve).

Commissioner Kiernan also wishes to thank the following committee, Bob Cook, chairman; Ray Kiernan, Bobby Zoeller, Ed. Crypoliski, Felix Linfante, Alice Fitzpatrick, Louise Cairoli, Rosaline Mussmano, Barbara Wische and Catherine Popko, for their help in making the Easter Hunt a success.

Lack of Depth Cause Of Worry for Tracksters; Drop Lyndhurst Contest

BY ROGER WARTELL

Belleville High track team suffered its third loss of the season at the hands of the home team on sunny Friday afternoon at Lyndhurst High School.

Lyndhurst gradually pulled away as they went on to win, 52-38. Although Belleville and Lyndhurst both had five first places each, the difference was again in the second and third places. Because the Bellboys are weak in depth, there will probably be an increase in practice in order to produce more depth for the team. The three losses that have been suffered so far, are all because of the void of real depth of the Blue and Gold.

In the first event, the 100 yard dash, Bob Harvey took first place enabling the Bellboys to take the lead. Against a strong group of Lyndhurst runners, Belleville's Bob Daddis managed to take second place by coming on in the last lap. In the hurdles, the Blue and Gold took first and third with Bob Harvey and Roger Caruso.

Harvey, incidently, has won the hurdles every time he has entered it so far this year.

In the half mile Joe Paganato of Lyndhurst won with a very good time of 2:03. Following him were Bob Cornish of Belleville, and Jack Kearny of Lyndhurst. The next event, the 220 yard dash, had Lyndhurst take the first two places with two Bellboys tying for third. This event has proven to be Belleville's weak spot.

Out of the three meets that have been held so far, the Blue and Gold has collected a total of two points. There is great need for improvement in this event and with enough practice, it might come about. In the high jump Bob Harvey again took first place with the other two places going to Lyndhurst.

The broad jump found Harvey taking second place behind Albie Blohm of Lyndhurst. This event ended Harvey's scoring for the day with a total of 18 points, almost half of the entire teams total. In the shot put and discus the Bellboy's Mike Smith took first place in both of these events.

Bellboys Take 8 of 12 Top Spots But Drop Meet To Orange; Harvey Stars

Although Belleville cindersmen captured eight of twelve first spots in a track meet with Orange, the Bellboys dropped the meet, 60½ to 48½. The Orange men were able to place enough men in the second and third place positions to get the edge of 12 points and credit for the win. Belleville's Bob Harvey accounted personally for 14 of the Bellboys points.

Bob Cornish of Belleville won the longest race of the afternoon, the 880-yard-mile. To illustrate Orange's point building power, the winners captured the second and third spots in this event.

Roger Caruso won the 140-yard low hurdles but then Orange made a clean sweep in the 220-yard dash giving them the winning points by taking all three places.

Mike Hendrickson's pole vault of seven feet, six inches was good for first place.

Mike Smith won the shot put contest for Belleville with a distance of 47 feet, seven inches. Orange took second and third in this event.

Belleville Crew Takes Columbia Freshmen By Three-Quarters of Length on Saturday

By the time the Belleville crew reached the Rutgers Street bridge over the Passaic River, the Bellboys were just finishing a drive which gave them a three-quarter length lead over Columbia University's freshmen. The Belleville boat (at right) maintained the slim margin shown above and finished the same distance ahead of Columbia at the finish line. Belleville posted a winning time of five minutes, 25 seconds, fastest for the afternoon races.

Busy Schedule For HS Teams For Next Week

Eight sporting events are scheduled for the coming week involving the Belleville High School crew, baseball, track, golf and junior varsity ball squads.

The busy schedule opens tomorrow with two events, a track meet with Nutley at the Belleville Stadium area and a home golf match against Montclair. Both events begin at 3:30 p.m. tomorrow.

Saturday will bind the baseball and crew teams competing out of town. The Belleville nine will engage in a Big Ten Conference game at West Orange High School starting at 2 o'clock in the afternoon. At the same time at lower Merion, the varsity shell will be in action.

Junior Varsity baseball men will play neighboring North Arlington here next Tuesday afternoon at 3:30. Also at home Tuesday will be a track meet against another neighbor, Kearny High School.

To round out the coming week's schedule, both the varsity and junior varsity baseball teams will be in action next Wednesday afternoon starting at 3:30. The varsity club will visit Passaic High School and the junior men will take on Kearny in a game at the Belleville Stadium.

Bob Harvey came back to win the broad jump with a distance of 19 feet, 9½ inches and the winners took second and third.

Two Belleville Graduates On Seton Hall Team

Several Belleville students are taking an active part in the spring sports calendar at some of the nation's leading colleges.

Seton Hall University in South Orange is the scene for two Belleville freshmen baseball players. Lefty Jim Dattoil, a product of Belleville High School together with Dennie DeBrowski, a strong hitter, are key men on the Hall's freshman squad.

Dattoil is the son of Mr. and Mrs. Joseph V. Dattoil of 13 Harvard Place. Dennie is the son of Mr. and Mrs. Frank J. DeBrowski of 12 Crescent Terrace.

Both the Belleville men are part of the most promising freshman baseball squad in four years at Seton Hall. Coach Chuck Doehler is in his second year at the helm of the Hall squad.

Robert Cook is superintendent of the Belleville Recreation Department. His office is located in the Town Hall.

Bellboys Finish Course In 5:25 to Lions' 5:27.7

BY STU GROSS

Fresh from last weekend's victory over Columbia University Freshmen Crew, the Belleville rowing squad will travel to Ardmore, Penna., this Saturday to meet Lower Merion High School in the season's second meet.

Saturday's race with Columbia here on the Passaic River attracted a large crowd as the Belleville boat finished with a lead of three-quarters of a boat length in front of the Lions.

Belleville's time for the one mile course, 5:25, was the best for the afternoon. Columbia finished in 5:27.7 and in the second race between Nutley High and Columbia the finishing times were 5:40 and 5:44.6 respectively.

NECK AND NECK

The Belleville Crew was neck and neck with Columbia for the first eighth mile of the course which extends from Joralemon Street, opposite the North Arlington Wrecking Company, to the Nereid Boat Club.

After the first eighth of a mile, Belleville increased its lead suddenly to three-quarters of a boat length. The two boats were never separated by water.

When Belleville broke into the lead, the Bellboys had increased their stroke to 42 a minute. There was only one significant difference between Belleville and Columbia's rowing style and this was that the visitors had a much faster recovery. The Lions looked impressive as they rowed up to the starting line and only ever so often took power strokes to limber up.

SQUAD

Rowing in the Belleville shell Saturday were Stephen Berzon, bow; John Condon, two; Ralph Casale, three; Joe Cernero, four; Doug Bartell, five; William Coates, six; John Hollister, seven; William Elting, stroke and Ted Burns was the coxswain.

In the Columbia boat were Lawrence Neuman, bow; Bruce Kaplan, two; Anthony Imbenbo, three; Robert Krane, four; Gene Laks, five; Bradley Simmons, six; Jeffrey Wechsler, seven; Robert Ratshin, stroke and James Katzoff, coxswain.

PICTURE PRETTY

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	Psalms	15	1-5
Monday	Hebrews	2	13-15
Tuesday	Mark	7	14-23
Wednesday	John	14	1-14
Thursday	John	8	12-18
Friday	Philippians	1	4-11
Saturday	John	16	25-33

Pretty as a picture, isn't she? She looks "downright" angelic. Yet, five minutes from now, she may be a little bundle of fury!

Children change faster than the wind. They haven't learned to hide their feelings. But while grown-ups may present a better camouflage to the world, there are few of us without inner conflicts. And these conflicts can be serious.

It would be a lonely world if we had to keep all our problems to ourselves. We don't. God never intended that we should have to solve all our difficulties single-handed. Remember, He established His Church on earth for us. In that Church we will find understanding fellowship, and the faith to work out our own destinies.

Take your problems to Church. Pray that you will find a solution to them. Talk them over with your minister. And what seems a maze today may become a straight road tomorrow.

Announce Ticket Teams For Communion Breakfast

Plans are moving ahead at rapid pace for the 36th annual Communion breakfast of St. Peter's Holy Name Society to be held May 8. Paul Malague of 6 DeWitt Avenue today announces team captains and members who will handle ticket sales. Malague is chairman of the ticket committee for the breakfast.

Malague says it is planned to make direct contact with each of the 500 members of the Holy Name Society. Each of four teams will cover one quarter of the parish geographically.

Tickets are \$1.75 and the breakfast will be held in the Knights of Columbus Clubhouse following the 8 o'clock Mass at St. Peter's Church on May 8.

All men of the parish are cordially invited, Malague reports. He notes that church ushers will have tickets available at all Masses this Sunday at St. Peter's.

The captains and team members are listed below:

John Cahill is captain of the first team and members include Gerald Nadeau, Frank Monahan, Peter Guarino and John Andrews.

Second team captain is John Bell and members are James Sullivan, Charlie Gibbs, Harry Fitzpatrick and Jim McConnon.

Bill McCoy will be captain of the third team. Members of the McCoy squad are Lou Gennaro, Rudy Zoeller, Michael Cowley, Mike Higgins Sr. and Bill O'Connell.

Finally, Ray Ciccarelli is captain of the fourth team. Members of this team are Karl Schreiber Sr., Bill Risky Jr., Charles Sutter, Orestes "Bud" Savare and Namin Manning.

Women Make Plans for Church May Luncheon

The Belleville Council of Church Women is sponsoring a May Fellowship Luncheon May 6 at the Montgomery Presbyterian Church on Mill Street at 12:30; tickets will be \$1.00.

A nation-wide observance, the theme for the program will be "Citizenship-Free and Responsible." Mrs. Edward Rochau of the hostess church will be in charge of the program to be in the form of a panel discussion.

Sponsored nationally by United Church Women, a department of the National Council of Churches, Belleville is one of more than 2,200 councils which is placing emphasis on "free and responsible citizenship."

Nine churches are actively participating in this program. Mrs. George Newman of the Fewsmith Church is president; Mrs. Ten Hoeve of the Reformed Church is vice-president; Mrs. Arthur Veghte of Fewsmith Church is secretary and Mrs. Idenden is treasurer.

TWO HOMES

The two-home trend has grown so rapidly the U.S. Census Bureau has indicated that within a year or two it will have to make special counts of families with a permanent and a leisure residence. Vacation homes are showing up in increasing numbers in the current census.

Alfred Worsham; Plant Manager For Newark Firm

Funeral services were held for Alfred E. Worsham of 166 Cedar Hill Avenue, Belleville, Monday, April 18, and to Saint Peter's Church, Belleville at 11 o'clock in the morning where a High Mass of Requiem was offered. He was 62.

Mr. Worsham died April 14 at home of a heart attack. He was a retired plant superintendent of Benjamin Moore and Company of Newark, since 1958.

Before his retirement, Mr. Worsham had been in charge of the paint manufacturing plant at 134 Lister Avenue, Newark for 10 years. Previously he had been production manager there.

Born in Covington, Va., he had lived in Newark for 25 years before moving to Belleville five years ago.

He leaves his wife, Mrs. Margaret Ruben Worsham; a son, Alfred of Boston, Mass.; two daughters, Mrs. George (Margaret) Williams of Memphis, Tenn., and Mrs. Thomas (Virginia) Brennan of Belleville; two brothers, John and Paul, both of Alexandria, Va.; two sisters, Mrs. Bessie Weikel and Nora, both in Virginia, and nine grandchildren.

Interment was at Gate of Heaven Cemetery, Hanover.

Mrs. John Cunningham, Dies of Heart Attack; Active in Local Groups

Funeral services were held for Mrs. Alice (McCabe) Cunningham, wife of John H. Cunningham of 42 Fairway Avenue, Belleville, Saturday, April 16 with a Blessing at 10:30 o'clock in the morning in Saint Peter's Church. A Mass was offered Monday, April 19 at the church. She was 71.

Mrs. Cunningham died suddenly of a heart attack Tuesday, April 12 in Saint Michael's Hospital, Newark.

Born in Jersey City, Mrs. Cunningham had lived in Belleville 35 years. She was a member of the Rosary Society of Saint Peter's Church, and Court Santa Maria, Catholic Daughters of America, both of Belleville, and the Saint Michael's Hospital Guild.

Surviving besides her husband, are two daughters, Miss Dorothy J. Cunningham, at home, and Mrs. William Monahan of Towson, Md.; two brothers, Edward McCabe of Jersey City and Eugene McCabe of Denville; two sisters, Mrs. Fred O'Neill of Utica, N.Y.; and Miss Anna McCabe of Jersey City and two grandchildren.

Thomas McWalters, 72; Champion Golf Player

Funeral services were held for Thomas McWalters of 227 New Street, Belleville Saturday, April 16. A Mass of Requiem was offered Tuesday, April 19 at Saint Peter's Church.

Mr. McWalters died of a short illness. He was 72 years old. He retired some time ago as an advertising man in his own business.

During his life time he was an active golf player. He was a member of the Forest Hill Golf Club, Bloomfield, and was a champion for three years in the Field Club. He was also a champion in White Silver Springs, Va., and Pinehurst, S.C.

He is survived by two sisters, Mrs. Philip Mowery of Beach Haven and Marguerite McWalters of Belleville.

Interment was at Gate of Heaven Cemetery, Hanover.

STATE SECRETARY

One year ago the United States acquired a new Secretary of State, Christian A. Jeter to replace the ailing John Foster Dulles who died of cancer in May 1959.

John J. Kant, Post Office Head For 35 Years

Funeral services were held for John J. Kant Sr. of 50 Columbus Avenue, Belleville from the Kieran Funeral Home, 101 Union Avenue, Monday, April 18 at 9 o'clock in the morning. A Solemn High Mass of Requiem was offered at Saint Peter's Church at 10 o'clock. He was 62 years old.

Mr. Kant died April 14 at Clara Maass Hospital of a long illness. He was a veteran of World War I and served in France. He received the Purple Heart, the Croix de Guerre and the Silver Star medals.

Mr. Kant was employed at the post office department for 35 years and was superintendent of mails in Belleville for 12 years in the department before he retired in 1957. He was also retired postal supervisor of the Newark branch. He was a member of the Belleville Council 835, Knights of Columbus, the Younger Alden Post 275, VFW, and also a member of the Holy Name Society of St. Peter's.

Surviving are his wife, Mrs. Minnie L. (Heid) Kant; one daughter, Mary C. Kant, at home, three sons, James V., also at home, John J. Jr., of Verona and William A., of Caldwell; one sister, Mrs. Mary Mallman of Newark and two brothers, William A. Kant of Belleville and Francis Kant of Newark, and seven grandsons.

Interment was at Immaculate Conception Cemetery, Montclair.

BASEBOARD HEATING

One of the advantages of baseboard heating is that the local "hot spots" are avoided. Warmth is distributed evenly where it is needed without taking valuable floor or wall space. Hot water from a heating boiler is circulated through the baseboard by a small but powerful electric pump actuated by a thermostat.

Baseball Squad Improves Its Hitting, Pitching; Beats, Garfield, Columbia

BY DOM GIOVACHINO

Coach Ed Berlinski's Bellboys, now 2-5 on the season, seem to have come out of the throes of a losing streak, winning the last two out of three games after losing their first four. With nine more games scheduled, six of which are Big Ten contests, the team still has hopes of a good season. Hitting has been good lately, and with some stronger pitching, these hopes can become reality.

Belleville meets West Orange High Saturday in an away game at 2 p.m., for a Big Ten Conference contest. The Bellboys' present standing in the Conference is 0-3. On Wednesday at 3:30 p.m., Belleville will play another away game with Passaic.

Belleville won a pair last Tuesday and Thursday, the 19th and 21st of April. The first was against Garfield 9-0, and the second against Columbia, 4-3.

JIM CLEFFI

Jim Cleffi pitched a tight four-hitter against Garfield while the Bellboys rapped the opposing pitcher for 12 hits. The Bellboys got off to a four-run lead in the first, sparked Frank Annichiarico's two-run single. They scored two more in the second on a triple by Sal Lo Coco that drove in two runs and Cleffi singled in two more in the third.

Belleville met Columbia for the second time in a squeaker, beating them on a three-run rally in the sixth inning. The rally started with a walk to Sal Lo Coco, a single by Frank Annichiarico, and another walk to Nick Del Guercio. An error on a grounder by Al Puccerelli allowed to runs to score making it 3-2. The Del Guercio scored on a double steal with Puccerelli.

The Bellboys had lost the first game with the Cougars, Big Ten game, 7-5.

KEARNY GAME

Saturday, the Bellboys went after Kearny in the first inning scoring four runs. After loading the bases on singles by Joe Landolfi and George Sheridan and an error on Lo Coco's grounder, Eric Hatch unloaded a long drive to centerfield for a triple that cleared the bases. He later scored on Joe Petrillo's single.

The Bellboys gave up their lead in the fourth as Cleffi began to tire. Kearny scored six runs on as many hits and two errors. Southpaw Larry Talignani then came on and held Kearny until the eighth, before Kearny got to him for four runs. Hatch, who had made two great defensive

Bambo Bats First Homer of Season

Belleville High's Angelo Bambo races toward the plate after belting a long drive to right field—the first home run of the season for the Bellboys. The grand slam came in Saturday afternoon's Big Ten Conference game with Kearny at the Belleville Stadium. Belleville takes to the field again this Saturday in another Big Ten game at West Orange High.

Multiple Listed House Is Sold

Mr. and Mrs. John Lazzara have purchased the Multiple Listed property at 2 Beverly Court, Belleville. Whitney H. Roddy Inc., Bloomfield Realtors negotiated the sale.

Belleville Cadet Will Participate In Horse Show

Junior Essex Troop Cadet Peter G. Fazio Jr. of Belleville is making preparations for the largest junior horse show in the United States which will be held at the troop farm opposite the army in Pleasant Valley Way, West Orange, on May 6, 7 and 8.

Fazio is among 300 exhibitors, all under the age of 18, with more than 150 horses and ponies which will be entered into 80 classes at the show. There will be a class A Show for junior jumpers, hunters and pony hunters.

At stake will be the coveted "Netherlands Challenge Trophy" first put in competition by Friends of the Netherlands in 1956. Also seeking a winner will be the beautiful Ballentine Challenge Bowl for Working Hunter Championship of the show and the lovely Roberta Smith Memorial Challenge Trophy for the winner of the three gaited saddle horse championship.

The "Holiday" challenge trophy or Large Pony Hunter Championship was first offered in the 1959 show, and this year the Trail Club of Essex County will be donating two perpetual challenge trophies, one each for Hunting Seat championship and Saddle Seat championship. In addition there will be many stake classes in the Junior Working Hunter, Junior Jumper and Pony Hunter divisions.

Cadets from military schools and junior military organizations in uniform will compete for the Junior Essex Troop trophy to be awarded for outstanding horsemanship throughout the show and teams of cadets will compete in the Junior Military Division with a championship award going to the winning team of six riders and horses.

DISTORTIONS
The human body becomes distorted like any other structure which is subject to strains and falls.
Anyone tending a machine watches carefully any misalignments that may develop from its operation.
Justly so, should we guard over our bodies against distortions. Distortion causes pain and disease. It is simple for one who is well trained to detect these distortions and correct them.
For good health sake, have regular body checkups.

Mercury Dealer Gives Travel Tip To Local Folks

Residents of Belleville who are planning to take to the nation's highways for this year's family vacation were today offered travel tips and suggestions for a pleasant and carefree motor trip by Mercury dealer, Joseph Pfeffer of AAA Motors, Belleville.

"A spring or summer vacation with the family car should be a comfortable and relaxed motor tour," said Pfeffer, "and by planning your trip with a few simple hints and precautions, you can be sure of a safe and enjoyable holiday."

Pfeffer tells you how to prevent most of the usual problems and how to handle those that arise while you are on the road: —Flat tires and blowouts are the most common highway troubles. You can avoid them by checking your tires frequently during the trip. See that they are properly inflated and look for cuts, bruises and uneven wear.

In case you do get a blowout, keep calm, steer straight ahead but do not jam on the brakes. Let your engine act as the brake and, when you are sure the car is completely under control, pump gently on the brakes and pull off to the side.

If you are driving in abnormally hot weather and do not exercise a little care there is always a chance that your engine might overheat. You can prevent this by remembering a few simple driving tips: Use your low gear only when necessary and do not shut off your engine during extended periods of stop and go driving. If you have repeated long waits because of traffic conditions, shift to neutral and speed up your motor for about thirty seconds at two-minute intervals to make the fan turn faster and cool your engine.

OCEAN AIR —Ocean air is wonderful for you and the children but it can be very harmful to the finish of certain cars. Salt spray and air are damaging elements and your car's finish can age six months in a single week of exposure. If you are planning a seashore holiday, be sure that your car is coated with a good, protective wax, giving special attention to chrome plated areas. And if your seaside vacation is a long one, you will need more frequent lubrication.

Unless your car is equipped with an air conditioner, long drives in hot weather can be uncomfortable. For a little relief, try closing all the windows and placing a small bucket filled with ice below the dashboard and directly under the air vent. Incoming air, passing over the ice, should bring the temperature down a few degrees inside the car.

"These are just a few basic hints for vacation driving," said Pfeffer, "but by keeping them in mind and getting enough sleep and rest between long drives, your vacation by car will be a real change of pace, change of scene and a period of fun, rest and relaxation for the whole family."

Leonard Tyler Named Chairman Of County Drive

Leonard H. Tyler of Maplewood has been appointed Essex County chairman of the 1960 Mental Health Fund Drive, it was announced recently.

William C. Dodds, president of the Mental Health Association of Essex County in appointing Tyler reminded the public that though the association had an impressive record already behind it, the tasks that need our attention are formidable.

Tyler called on the community to make 1960 a year in which public support for mental health services would make a decisive impact on the nation number one health problem. He called not only for the financial underpinning of the association's low-cost psychotherapy plan, the Garden School and its many community services, but also for a massive dollar determination that many new programs must become realities rather than gather dust on the shelves of the planners. "Good intentions must be backed with hard cash."

Tyler speaks from conviction and experience. He has been appointed by the Freeholders to the Essex County Community Mental Health Board, the

New Construction Firm Will Locate In Syracuse, N.Y.

Announcement was made today of the formation of a new construction materials supply company in the greater Syracuse area. The news was released by Harold O. Thompson, president of the new firm which will be known as Thompson Materials-Syracuse, Inc. The new office and warehouse building are located on Morgan Place in Liverpool, near exit 38 of the Thruway.

Although Thompson Materials is a new name to this area and will be a local firm staffed by local people, it will be closely associated with an old and respected name in the construction field as a licensed distributor of Thompson Materials Corporation of New York City and Belleville, which has been serving contractors, builders and supply dealers for 56 years.

At the same time Thompson announced the appointment of Carl C. Hertel of the new operation. Hertel, for the past 13 years had been engaged in the steel building construction field in the

Thompson said the new warehouse building, in the midst of the Liverpool Industrial Sites contains 6,000 square feet of space in addition to the 60,000 square feet of yard and storage space and is only 15 minutes by truck or car from the center of Syracuse.

He said the firm will carry a complete list of construction items in its inventory designed to facilitate quick pickup or delivery service for dealers and contractors.

Thompson has headed the parent company for the past 36 years. The firm was originally founded by his father in 1904, vantes "Don Quixote." Erie Seeks to Shut Forest Hill Depot; Cut Day Service

The Erie Railroad has asked state permission to close its station in the Forest Hill section of Newark. The station is a half mile west of the North Newark station located on the Belleville Road, Washington Avenue.

The railroad, which this month eliminated its weekend and day time service between Belleville and Hoboken-New York, said in its application to the Public Utility Commission that passengers now using the Forest Hill station could be served by the North Newark station.

The closing of the ticket agent service and abandonment of the Forest Hill station, the railroad maintains, would result in savings. The railroad said that \$2,035 were sold in tickets at the Forest Hill station during 1959.

There are now seven trains running Monday through Friday from the North Newark - Belleville station and Hoboken. These trains make the trip in 15 to 20 minutes and depart the local station at 6:14, 6:53, 7:24, 7:44, 8:32 and 8:55, all in the morning.

Returning from New York

there are seven late afternoon and evening trains which arrive here at 3:40, 5:01, 5:35, 5:51, 6:21, 6:51 and 9:12.

All other trains running during the day were cancelled this month on the Greenwood Lake Division, the local branch. Weekend and holiday service was completely eliminated although three trains are provided in both directions on minor holidays, Lincoln's Birthday, Columbus Day, Election Day and Veteran's Day.

this month that the contest was being held here. From the talk we hear, this is only the beginning.

Plans are already being discussed for making it even a bigger deal in Belleville for 1961.

Belleville Democratic District Leaders were among the group at the meeting Tuesday in Newark's Essex House which ended up in a brawl and had to have a couple dozen policemen come in and stop it all. The meeting supposedly re-elected Dennis Carey Essex County Democratic Leader, but...

Word has it that Mike Bontempo of Newark will contest the election. Seems that the balloting took place while things were really swinging and Bontempo (and others) doubt that the whole thing was legal.

Another report to this newspaper has it that the meeting was loaded with personal friends of Carey who weren't district leaders at all. Belleville Town Chairman Ralph Vara was careful to instruct the local delegation to show up Tuesday night with credentials. But again, a report says, there were about seven Belleville persons in Newark Tuesday who definitely were not district leaders in this town.

Friday's opening game at Yankee Stadium found several Belleville people at the Bronx Park. There were several empty offices around town Friday—everyone, so the most popular excuse went, was visiting his grandmother. Radios at some Town Hall offices were also tuned to the Yankee announcers' voice, Mel Allen.

Despite critique Jim Golden's opposition, the Town Commissioners can be expected to receive bids for a new \$28,000 addressograph machine at their meeting on May 9. Word from the town hall is that the machine will perform in a few days work which now takes the staff several months to complete. One advantage will be greater efficiency in sending out those popular tax bills.

With the warmer days now on tap, it's good to know that although Willners Liquors at 199 Washington Avenue is presently undergoing a large renovation program that business is going on as usual. But it will be only a matter of time before we'll have to look twice to be sure the much more attractive front on the business is the same Willners' we knew six months ago.

While preparing the "Yesterday in Belleville" column for today's paper, it was interesting to note that it was five years ago this week that Belleville voters knocked down a referendum asking for construction of a new high school on the same site proposed in the Rutgers Report which was aired at a public hearing last night in school eight.

Publisher and Mrs. Frank Orchio of The Belleville Times returned yesterday from a week's stint in Nassau. The couple made the trip on one of those new super jets.

Speaking of jets, two members of The Belleville Travel Service last week participated in an Eastern Airline program at LaGuardia Airport. The program, attended by Norma Seneca and Miss Carol Frank, included a flight in one of Eastern's new DC-8 Golden Falcons. It was the first jet trip for the pair and both are now devoted to the phase that travel by jet is the only way to do it in this modern era.

A sub-committee of the Belleville Planning Board met Friday afternoon in the Town Hall. No word on what the planners accomplished but it shouldn't be too much longer before the board will have an announcement regarding a master plan for the town.

These Belleville police are always there a key for example one evening about a week ago when we locked ourselves out of The Times office at 246 Washington Avenue. As we were about to force open a window, guess who showed up? And boy, were our faces red!

BAND BLAST

(Continued From Page 1)

Jimmy Paris, former saxophone player for the Benny Goodman Orchestra, will present his 20-piece band at the "Big Band Blast" tomorrow night at the Belleville Elks Lodge. Ray James will be a featured performer on the drums. Everyone is invited to attend.

Concert Tomorrow

West Essex Community Orchestra which has performed several years in succession at the New Smith Church, Proceeds will benefit the Christian Education Building Fund.

PROGRAM

The program for tomorrow evening is as follows: "Overture and Allegro" from the "La Sultana Suite" by Couperin; Milhaud; three 17th century Dutch Tunes by Valerius-Kinder; First movement of "Allegro Con Brio," Symphony One-C by Beethoven; and the Mississippi Suite featuring "Father of Waters," "Huckleberry Hound," "Old Creole Days" and "Mardi Gras" by Grofe-Isaac.

Following an intermission, the program continues with "Cinderella Waltz," Rogers-Bennett; "Trumpet in the Night," Simeone, featuring Francis Gorey as trumpet soloist; "March of the Toys" from Herbert's "Babes in Toyland"; "Laughing Song" from Strauss' "Der Fledermaus" featuring Frances T. Johnson as soprano soloist, and selections from Loewe-Bennett's "My Fair Lady."

Re-Elect Ralph Vara

(Continued From Page 1)

the policies I support." In a statement read at Monday's meeting, and later released to The Belleville Times, Miss Pohl said that Mitchell "worked against me, even in one case having audibly insulted me personally at the polls."

Miss Pohl joined forces in the primary with a non-organization candidate, Earl Berkheimer of 370 Union Avenue, who was elected in issuing pamphlets which charged "bossism" and "rubber stamp" politics in Belleville.

VARA

Vara also had a statement for Monday's meeting, also released later to this newspaper, which failed to mention names but said that "splinter groups of 'one-day democrats' under the charges of 'bossism' and 'rubber-stamp politics' tried to raise a smoke screen for purely self-serving purposes."

The stronger words of Vara's statement could also be taken, as directed toward the faction of the party headed by Ralph Risoli which suffered defeat at the primary polls.

CARACCIOLA

Considerable debate was caused by a motion Monday offered by Nuncio Caracciola, district leader of ward 13, to elect a ward-leader from each of the four wards in town, who is to assist Vara in his conduct of party affairs.

The same proposal had been made for the past several years and found some opposition from who had not been given the Democratic party label in the last primary. Difficulties were finally resolved when Richard A. Shafter, recently appointed Democratic Party Conference chairman, pointed out that the move would not lead to stronger centralization, but rather to a liberalization of the "bossism" of which Vara had been accused during the primary campaign.

BERKHEIMER

Related to the political doings Monday night was a statement issued by Berkheimer to the Belleville Times. Berkheimer was listed on the ballot under the same designation as the Risoli organization.

Berkheimer's statement was emphatic in saying that "I'd like to make it clear that I ran as an unbossed independent candidate uncommitted to anyone." Berkheimer, who paired with Miss Pohl in the primary, said that he is not in any way affiliated with Risoli's group and that newspaper reports and ballot designations left the opposite impression to some Belleville citizens.

The three statements, issued by Pohl and Berkheimer, follow in full:

CHAIRMAN

Vara's statement:

"I would be sorely miss in my duty as Democratic Town Chairman were I to let this opportunity pass without giving thanks to all County Committee members, party workers, and most especially to the voters of Ward 4, District 4, for their unflinching support that made my own reelection as district leader possible, and at the same time secured, with few exceptions the reelection of all other district leaders under the banner of the Democratic Party organization."

"Such a result of last week's primary certainly did not come as a surprise to loyal Democratic Party members throughout town. At the same time, the outcome served to confound the several splinter groups of 'one-day Democrats' who under the

(Continued From Page 1)

charges of 'bossism' and 'rubber stamp politics' tried to raise a smoke screen for purely self-serving purposes, foremost among them the object of splitting and emasculating the Democratic Party in Belleville.

"Without gloating, I cannot help but to see in the primary election result a full vindication of the kind of leadership I have provided for the Democratic Party in this town for the past 12 years, and for the men and women who have been aligned with me in the difficult task of nursing our party from its tottering beginnings to its present commanding strength."

"I am convinced that the Democratic party has emerged stronger and even more united, from this last primary contest. Once again the Democratic voters throughout town were given a chance to distinguish between true Democrats and a handful of people who carry the word 'Democracy' on their tongues and slander and betrayal in their hearts."

"Undismayed by such attacks, I shall continue, as I have in the past, to try to the best of my ability and with the full cooperation of all true Democratic District leaders to strengthen further the ranks of the Democratic Party in our town."

"This year of 1960 is a turning point for our party. As Democrats everywhere close ranks for the nation-wide test of strength in November, the local party organization under my leadership will try its best to secure once again an overwhelming plurality for our party's Presidential candidate. And I am certain I shall find the unfailing support of all true and loyal Democrats in our town in this endeavor."

Miss Pohl's statement:

"I respectfully submit the following statement concerning my position with regard to the primary election on April 19."

"Basically I believe in representative government and that the freedom it implies is based on:

"First: The secret ballot is an American right.

"Second: Proxy voting is valid only when the issue is known and the proxy specifically designated.

"Third: Anyone elected is duty-bound to the principles upon which said electee is chosen—if chosen in a free election by closed ballot."

"In the past election I felt duty bound to hold to the policy upon which I had sought votes. In the past two primaries I ran on the SAME platform based on No. 1 and No. 2 above. I distributed leaflets comparable to those used for the 19th. Under these conditions, I saw no alternative to the course of action I finally felt forced to take."

"In my opinion it is who represents the opinion of the majority of the voters that counts and personalities should have no part in influencing public opinion. I was placed in the embarrassing position (voter-wise) of having to support someone who
