

Made No Charges: Lee Garson

Tax Council Interview Presents Another Side

New developments in the City's Tax Council's recent incident with the Belleville Board of Education were revealed in a Times interview with the group's officers this week.

Salvatore Calabro, president of the council, states that the group's spokesman, Lee Garson, did not make any charges at the July 25 school board meeting but merely was checking out rumors. Garson, in answer to another question said that "no charges of any kind were ever made, or intended."

The current controversy developed after Garson spoke before the school board July 25 on a number of topics including political payoffs and discrepancies in the music department.

The transcription of the interview with this newspaper follows. Attending, in addition to Calabro and Garson was Chris Albanese.

FACT OR RUMOR

Q. Was Mr. Garson speaking from merely rumors or facts at the July 25 school board meeting?

A. (Mr. Garson). Purely rumors which we did not have time to confirm and it was so stated.

Q. There seems to be some disagreement over the question of whether or not any charges were made by Mr. Garson. Could you explain your position on this matter?

A. (Mr. Garson). As far as charges being made, there were none whatsoever. If you want to elaborate, we believe that the board of education is doing everything it can to the best of its ability.

A. (Mr. Calabro). However, when rumors are received by our organization, we still believe we have the right to inquire to their authenticity.

Q. The Belleville Times, in reporting the July 25 meeting, quoted Mrs. Rochau as calling Mr. Garson's remarks, "nasty charges." If no charges were made, how do you account for Mrs. Rochau's remark?

A. (Garson). We can't be responsible for the interpretation of any remarks that are made. If she felt they were charges and expressed it as such, that's her right. We're not responsible for her interpretation. However, they were not intended to be charges.

Q. What is your feeling toward this newspaper's account of the July 25 school board meeting?

A. (Calabro). I feel there was an inconsistency between the report of the Newark News and The Belleville Times. The Newark News definitely reported Mr. Garson's remarks as being rumors. The Belleville Times' interpretation was that they were charges.

Q. The Belleville Times also

Little League's 'World Series' Here Tonight

Tonight Belleville Little League teams will have a "world series" at the stadium field when the first place winners of the American and National Leagues meet. Game time is 6 o'clock.

National League pennant winner is the Giants which will face the American League champions, the Aces, in tonight's game. The series will be decided by the first team winning two of three games.

Roger Crowell will pitch for the Giants tonight, Joe Scaperotta, manager and coach, announced yesterday. Others playing for the Giants include Sal Taibi, Mike Marano, Ray Fratella, Joe DiLuca, Dick Lococo, John Pico, Mike Mozicka, Steve Cerca, Angelo Domenick, Alex Oleson, Greg Kostowicz, Ed Meade, Bob Mamba and Mike Maleyka.

Playing for the American League Aces tonight will be Ed Danski, Vincent Otskey, Tony Sorrentino, Joe Wadolowski, Sandor Share, James Rowland, Tim McHugh, Bob Ganton, Nick Palante, Dick Pedicene, Harry Conway, Bobbie Sullivan, John Smith and Bob Smith.

Managers and officials of the Little League have told The Times they are hoping for a good turnout.

GOP Town Chairman Tells Nat'l Convention's Effect on Local Program

Republican town chairman Nicholas R. Rapuano today released the following post-convention statement:

"The Republican party in this town is looking forward to an exciting and interesting Presidential campaign. We are planning a banquet at which Frank Banert and Rudy Zoeller will be honored as past Republican chairmen and Mrs. Ruth Fredricks as past and present vice-chairlady. A card party is planned for late October and there will be numerous neighborhood parties at which interested citizens can have a friendly chat with the Republican candidates from our county.

"The Republican county committeemen in Belleville were heartened by the statements made by Rep. Judd, Gov. Dewey, Vice - President Nixon and Ambassador Lodge at the recent Republican Convention in Chicago. We feel that the remarks made by these gentlemen and the platform adopted by the convention delegates show clearly that the Republican Party is a party of integrity, composed of high principled men whose first interest is the well-being of the nation militarily and economically. With the selection of such

experienced men as Nixon and Lodge to the highest posts in the land, we will continue to have a government from the people and up and avoid socialism, bureaucracy and bossism from the government and down.

"Never before have our people been so well off. Never before have we had so many millions holding jobs. Never before has our gross national product been so great nor personal per capita income at such a high level. We have heard rumblings recently that the Eisenhower-Nixon administration failed in one respect or another.

"If we are to honestly appraise the Eisenhower administration, we will surely come to the firm conclusions that our country has never before been on the high plateau economically and militarily which it presently enjoys. At the end of the Truman administration the Russians had had an eight years head start in missile.

"Today we all know that our Atlas ICBM has successfully and accurately been fired over a range of 9,000 miles (the Russian's best is 7,000 miles into the Pacific Ocean). We all know that our Polaris program is an

School Board Head Says 'No' to November Ballot

Mrs. Violet Rochau, board of education president, and Michael Albertine, board member, today released statements to The Belleville Times taking issue with an editorial in last Thursday's edition of this newspaper.

The editorial observed that it would be poor judgment if the new high school question did not appear on this November's ballot. The editorial added that "The fact that the November elections will draw a record number of voters to the polls is a compelling

reason for our public officials to see that the question gets on the ballot."

In presenting the release, Mrs. Rochau said that the statement was read to all members of the school board. The release states that "the running of the school system belongs to the board of education and to no one else." Albertine's release favors a referendum in November.

Mrs. Rochau says that "politics and public education must be kept separate and apart if the educational standards which made us a great people are to be maintained."

The complete text of both Mrs. Rochau's and Albertine's statements follows:

MRS. ROCHAU:

"As president of the Board of Education of the Town of Belleville, I view your editorial of August 4, last, with serious concern. The responsibility of providing public education to the people of the community and the running of the school system belongs to the Board of Education and to no one else. The construction of a new school, its location, design, cost and financing and the many and complex decisions which have to be resolved can only be made by it. This is mandatory under school law. You have done the cause of public education in our community a dis-service by supporting a position which violates its fundamental concepts.

"Politics and public education must be kept separate and apart if the educational standards which made us a great people are to be maintained. See N. J. Statutes 18:7-46. No special school election shall be called to be held in any municipality on any day within 20 days before or after the day fixed according to law for the holding of any primary or general election. Unquote.

"Then in notes under the same chapter Quote The Legislative scheme of separation of school districts from municipal government evidenced by this section has for one of its principal objects the very sound policy of keeping partisan politics out of the administration of local public

schools. Unquote. Upon completion of the summer schedule, Gallo will return to the Juilliard School in New York for his fourth year. This is his first year in summer stock. Past summers, however, he has worked in and around Broadway theatres and appeared in local concerts.

Chamber Sets 150 Members As 1960 Goal

Although no concerted effort has been made during the summer months to strengthen the membership of the Belleville Chamber of Commerce, Harry T. French, executive director, last night reported that several new names appear on the group's books.

French added that the Chamber has set a goal of 150 members by the end of this year noting that a membership drive will be launched at a dinner September 14.

"Plans for the September 14 dinner meeting are nearly completed," the director commented. The chamber's board of directors next week will complete the final arrangements.

Invitations to the September 14 dinner, a program launching meeting, will be mailed to business and professional men in about three weeks. "An outstanding program has been arranged," French remarked.

THIRTY-TWO MEMBERS

Thirty-two firms are now active in the Belleville Chamber of Commerce. The board of directors also report that F. Douglas Wadsworth of the Wadsworth Funeral Home, and C. Robert Horsefield of the New Jersey Bell Telephone Company, were elected to the board August 5.

The directors also elected Max N. Schwartz as general counsel

Fairway Avenue Group Meets With Commission; See Health Dept. Conflict

Two separate delegations invaded Tuesday night's commission session to complain of health hazards in Belleville or specifically, large numbers of rodents and excessive flooding.

Although this was not the first time such groups appeared before the town commissioners, the trouble spots where flooding has been recorded were especially hard hit when hurricane Brenda's effects were felt locally.

John Bass spoke for the Rutan Home Owners' Association while John Gierla represented the recently organized Fairway Civic Association.

The Belleville Commissioners met with the Fairway group before Tuesday's regular meeting to discuss the flood conditions which plague that area.

Highlight Tuesday came when Commissioner Robert Gruhin, director of public works, successfully had a resolution passed authorizing Belleville to apply for Federal aid in surveying the entire Third River from a flood control perspective. The survey would include the river's route from the Nutley to the Bloomfield town lines.

FAIRWAY

Several residents from the Fairway Avenue section reported that flood waters during the Hurricane Brenda aftermath rose to high levels in cellars ruining furnaces, pumps and even washing machines. In some instances, sand bags stockpiled by the local civil defense unit were used to retard rising waters.

Gierla, who is secretary of the Fairway Civic Association, said that the flooding problem has worsened since it was first brought to the attention of the Belleville commissioners "about four years ago."

One resident noted that two years ago Mayor Isadore Padula called the Fairway Avenue flooding "an emergency situation" and added that still no relief had been obtained.

PADULA

Padula agreed "and I still say it's an emergency situation today but I have left the matter in Commissioner Gruhin's hands because he is working on an overall solution to these problems."

The mayor noted that Tuesday's meeting passed a resolution requesting Federal assistance in financing a survey of flood control precautions for the Third River.

While Bass did bring up the question of rats menacing the Rutan Estates area, Gierla said the excessive flooding in the Fairway section had minimized the rodent problem.

"We don't even pay any attention to the rats any more," Gierla told the board. "We don't let our children go out any more because they were playing with the rats. The floods are the main cause of concern now and with the hurricane season coming up, we want something done now."

HEALTH OFFICER

Bass went into great length over an article in Tuesday's Newark Evening News stating that Edward Burdzy, Belleville's health officer, said that "no action had been considered on the dumps because complaints weren't filed on special forms provided by the health department."

Summer School Called A Success

The Belleville Board of Education summer school program ended for 229 students, Friday, August 5. In its first year, the summer school proved itself a real success in enabling students to meet academic standards and to progress with classes in September.

Sixty-four students enrolled came from grades 7 and 8 and 165 from grades 9-12, including 21 non-resident students and 27 from local parochial schools. They completed courses in mathematics, English, history, and typewriting. Daily attendance and the quality of the work were good.

The staff of the summer school consisted of Mario DiMaggio, director and teacher of mathematics; Mrs. Elizabeth Schumitz, mathematics; Mrs. Regina Degnin, Miss Ethel Williamson, Eugene Westlake, and Philip Riso, teachers of English; Augustus McGinnis, history, and William Richwine, typewriting.

Operating on a self-supporting basis, the summer school may in another year attract students to some exploratory and enrichment courses, the director reports.

In State Finals Saturday

All-Stars Bow Out of Tournament Play

Belleville's National Little League All-Star team bowed out of the U. S. finals for the Williamsport World Series Saturday afternoon. The local nine lost to West New York, N. J., in the North Jersey championship game.

Earlier last week, the Belleville squad downed Garfield, 1-0 on the same West New York diamond. Had the Belleville team won Saturday, they would have been one game away from the state championship and another game away from the Williamsport Va. world series.

Both Thursday and Saturday's games were played before capacity crowds. It was easy to be convinced that Belleville, West New York and Garfield were the top New Jersey teams after watching some of the truly fine and fascinating plays executed by the squads.

GARFIELD

The Belleville-Garfield game was loaded with excitement. Belleville scored the only run in when Ronnie Magistro reached first on an error, took second on Roger Crowell's bunt hit through the hole, and stole third in a close play. Frank Malur then walked for Belleville and, with bases loaded, Garfield's pitcher Nick Brancaccio gave a

free pass to Ronnie Tomaszewski scoring Magistro.

Once Belleville tallied the only and winning run, the local nine with an extraordinary calmness and ease retired the Garfield club without an extra man getting his bats for the rest of the ballgame.

Brancaccio went all the way for Garfield allowing Belleville only three hits. Winning pitcher was Crowell who also allowed three hits.

WEST NEW YORK

Saturday's Belleville-West New York game offered more thrills than any of the major league games played that afternoon. First of all, it was an errorless ballgame. There were a total of 16 hits, eight for Belleville eight for West New York. Bob Yingling, George Walezewski and Allen Mandell all belted home runs outside the park for West New York and Belleville's Jim Risimini collected a double.

There was some trouble on the mound Saturday, not only for Belleville, but for West New York. Jim Dunn started for the Belleville club and he was relieved by Sal Taibi who moved over from first base and Sal in turn was later replaced by Ken Trainor from the bench.

On the home squad's side, Tom

Lomick opened on the hill but was taken off in the second frame when Allen Mandell moved in from right field.

All in all, the fans were screaming and West New York's Little League Band, the first in the country we're told, blasted away from the sidelines.

No time was wasted before the hits started flying Saturday. Belleville's raps in the bottom of the first frame netted two runs. It would have been nicer for the home crowd had they been earned runs but the fact of the matter is they both came on walks.

After Magistro fanned, Risimini drew a free pass. Then Crowell did the same. Mazur then struck out but Taibi walked to load the bases. Tomaszewski walked and Magistro scored. Then before Rich Pucciarelli grounded out, Dunn drew a base on balls and Belleville's Crowell walked across the plate.

West New York scored one run back in the top of the second, but the home squad's big innings were the fourth and sixth when in each case three tallies were earned.

In the sixth frame with West New York leading 4-3, Ray Piano belted a long fly to left field which successfully was knocked down by Dunn. However, luck

changed.

Yingling drove the next pitch over the center field wall for a home run giving West New York a 5-3 margin.

Mandell knocked a single to center field and Tom Lomicky flied out to center before George Walezewski came to bat and smacked a second homer over the left field fence scoring Mandell and increasing West New York's lead, 6-3. Bill Stephens, the next and final batter, frightened the Belleville fans some more when his dangerously hard hit ball was caught in inches in front of the left field fence by Dunn.

BOTTOM SIXTH

Well at this point of the proceedings, there wasn't anyone in the joint who wasn't on his two feet. Belleville, determined to get back the needed three runs led off the bottom of the sixth and final frame with Magistro who singled to center field.

Belleville's blood pressure rose as the needed rally seemed to be forming. Risimini followed Magistro at the plate and blasted a basehit to left field sending Magistro to second.

Honeymoon In Europe
For Joseph Pannullo

MRS. JOSEPH F. PANNULLO

Sacred Heart Cathedral, Newark, was the setting for the wedding of Miss Arlene Biancardi, daughter of Mr. and Mrs. Joseph Biancardi of 16 King Place, Belleville, and Joseph Francis Pannullo, son of Mr. and Mrs. Anthony Pannullo of 137 Thomas Street, Newark.

The ceremony was performed on Saturday, August 6, by Rev. Francis Ignacunas, of St. Peter's Church, Belleville, preceding a noon Solemn High Nuptial Mass. The 35-voice cathedral choir sang. The couple received the Papal Blessing. A reception for 700 guests followed at Thomm's, Newark.

The bride, who was given in marriage by her father, wore a gown of white Swiss organdy fashioned with a fitted bodice and bouffant skirt, featuring a portrait neckline appliqued with wild roses. The bodice and skirt were appliqued with matching roses, and the waist was encircled with a pink silk cummerbund, draping in the back into a bustle with a cathedral train.

The ensemble was completed with a veil of silk illusion attached to a coronet of matching wild roses. She carried a cascade of white roses with a tint of pink.

Miss Frances Jannarone of Montclair was maid of honor, and bridesmaids included the Misses Ellen Kohl and Blanche Delane of Newark; Joyce Yosyk of Belleville, a cousin of the bride, and Judith Ruscito of Irvington. Miss Maryann Perrotti of Hawthorne, acted as flower girl.

The bridal attendants were attired in white silk organza dresses with inserts of pink satin complementing the bride's gown. Portrait necklines were featured, and fashioned at the waists were clusters of pink roses.

Their costumes were completed with pink flowered hats and veils. The maid of honor carried a cascade of white and pink roses; the bridesmaids, cascades of pink roses.

Serving as his brother's best man was Anthony Pannullo, Jr.

Anna McCartney
Becomes Bride
Of D. Jackson

Miss Anna H. McCartney, of Orange, became the bride of Donald Peter Johnson of Belleville, July 22 in Orange in a double ring ceremony.

The bride is the daughter of Mr. and Mrs. Edward A. McCartney of 217 Lincoln Avenue, Orange. The groom is the son of Mr. and Mrs. Peter Johnson, of 108 Smallwood Avenue, Belleville.

The bride was attired in a gown of white silk yellow print and carried a double white orchid bouquet. Mrs. Christine Sahara, was the matron of honor, and was attired in pale blue organza and carried white roses.

Francis Sahara served as best man. Judge Ovid J. Colalillo officiated.

The bride is employed by G. V. Controls, Livingston, and the groom by Nu - Car Carriers, Metuchen.

Planning a Wedding? Expert Suggests You Plan 'Clothes' Too

This is the time of the year when many young women of Belleville are making wedding plans. Included in this planning is the assembling of a trousseau, one that includes clothes for the honeymoon and clothes for the new career of homemaking.

Since you are planning to start a new life and share it with a man you would like to please in every way, why not take into account your future mate's feeling about clothes, Mrs. Florence G. Minifie, extension clothing specialist at Rutgers University suggested to the Belleville Times.

The majority of men have quite definite ideas about how they like a woman to look, and take pride in having their wives well groomed and dressed properly for the occasion.

Perhaps your young man might enjoy being included in some of your wardrobe planning or be asked to join you on one of your shopping sprees. You'll never really know until you ask. And this is a wonderful way to start off a marriage.

One way to find out a lot about his clothing likes and dislikes is to notice what he likes on others—not with resentment but as a guide for yourself.

It is natural that you won't always agree on the same things, but at least try to compromise. If he really isn't fond of that style that you feel does the most for your figure, at least choose the new wardrobe addition in one of his favorite colors.

It is important to remember as you shop for your trousseau where you will live and the kind of life you will lead.

Seek Names Of Grads

Plans are under way for a reunion of the class which was graduated by Central High School, Newark, in June 1950.

Those in charge of arrangements are finding it difficult to contact all members of the class. Anyone knowing the whereabouts of members of the class is asked to call Mrs. Doris Cofone, North 7-4044, or Mrs. Carol Montanaro, Humboldt 4-8610.

The affair is scheduled for November 5 at the Rock, West Orange.

Miss Dorothy Albanese and Miss Virginia McCarrison of Nutley, and Miss Dorothy Scarpella of Vineland have returned from a three-and-a-half week motor trip to Florida and the Gulf of Mexico.

The group included Charles Springer, Hillside; Mrs. Adele Chase, Closter, and Thomas Stanton, Jr., Upper Montclair.

Springer, president of the New Jersey advisory board, expressed new hope in the Kenny Foundation talks with officials and gave much praise to the medical and rehabilitation program observed earlier on a tour of the Elizabeth Kenny Institute, Minneapolis.

Dr. E. J. Huenekens, national medical director of the Foundation, also assured the three New Jersey representatives that "all is being done to preserve the progress we have made in the field of rehabilitation."

Ethel Hunken Marries Jerry L. Rasor July 30

MRS. JERRY RASOR

Mr. and Mrs. Edward Hunken of Sterling, New York formerly of Bloomfield, announce the marriage of their daughter, Ethel Margaret, to Jerry L. Rasor of Syracuse, New York on Saturday, July 30 in St. Paul's Lutheran Church, Syracuse, New York.

The bride's floor length gown lace over ivory satin was accented by an ivory satin overskirt which ended in a chapel train. Her four - tiered veil was caught to a crown of seed pearls, she carried a colonial bouquet of ivory roses. Her sister, Mrs. Elizabeth Scaperrotta of Belleville, was Matron of Honor; the bride's as flower girl.

The Matron of Honor wore a rose pink crepe sheath with an overskirt of rose pink embroidered organza, and matching accessories. She carried a colonial bouquet of English Ivy and roses. A wreath of English Ivy and pink tearoses completed the flower girl's ankle-length dress of white organza embroidered with rosebuds over shell pink taffeta. She carried a basket of English Ivy and tearoses.

A Dubious Honor

We read by the papers that our cozy little town of Belleville is to be "honored" by the Monticello, New York race track tomorrow night. A race will be named in "honor" of Belleville.

Mayor Isadore Padula is slated to make a presentation to the winning driver of the race named for Belleville. Just what His Honor is to present as a token of this "honor" we do not know. Frankly we care less. We just happen to be one of those "few" people who have never visited a race track, never bet on a "nag" — and we just can't see any "honor" for our community to have the Monticello Raceway attach Belleville's name to one of its scheduled races.

The further the fair name of Belleville can be kept away from anything remotely associated with gambling the better. But here we witness public officials going out of their way to deliberately link Belleville with racetrack gambling. There should be better things to do with a name as attractive as "Belleville."

A True Belleville Honor

Nineteen-year-old Donald Hulme of this town has brought a real honor to Belleville. He placed first in the 1960 Olympic Championship Accordion Contest in Chicago last month.

Not only is Donald a local resident, he studied his instrument here with Charles Nunzio. His placing first in the United States contest has further significance because he will represent America at the international contests sponsored by the Confederation Internationale Des Accordeonists next October in Vienna, Austria.

Rapa-Cataldo

Mrs. Charles Cataldo of 87 Maple Avenue, Belleville has announced the engagement of her daughter, Rosemarie to Vincent A. Rapa, son of Ralph Rapa of 11 Bellair Place, Newark, and the late Mrs. Rapa.

The bride-elect is also the daughter of the late Mr. Charles Cataldo.

The couple are graduates of Belleville High School.

Miss Cataldo is employed by the Prudential Insurance Company, Newark. Her fiancé, a graduate of Seton Hall University is associated with Shulton Incorporated of Clifton.

For those of you who haven't had the opportunity of enjoying Donald's accordion, he will be featured in the American Accordionists' Association concert September 25 in Judson Hall, New York City.

Looking back to last year's world contests in New York, we remember that Donald, who represented the United States, scored the highest of the four American representatives and placed this country in fifth position.

That was a year ago. Twelve months have since passed and there's every reason to believe that young Donald will better his performance in this year's Vienna contest.

All we can say, Donald, is that we are proud of your accomplishment, proud that we hail from the same town and proud to say that so many of your neighbors will be wishing additional happiness and success in Vienna next October.

We Salute Our Little Leaguers

This week's editorial column would be incomplete if it didn't take note of the recent accomplishments of the Belleville National Little League All-Star team.

The squad, managed by Michael Marotti, won district and sectional honors in the U.S. Little League World Series and came very close to gaining the opportunity to represent this part of the nation in the Williamsport, Virginia playoffs.

Needless to say, when a ball club wins as many tournament games as Belleville did in the past few weeks, it has to be a working team with not only a thorough knowledge of baseball, but one which works and plays together for a higher goal. Those of us who had the opportunity of watching Belleville play at West New York last Thursday and Saturday were highly impressed with our local youngsters. They played like real professionals.

We congratulate the Little League organization of Belleville, both the players and the adults, for the thrilling accomplishments of past weeks.

Alpaugh-Beck

SALISBURY, N. C. — An announcement is made of the engagement of Miss Hilda Beck, daughter of Mrs. Arthur B. Beck of this town and the late Mr. Beck, to Richard Thetford Alpaugh, son of Mr. and Mrs. John C. Alpaugh of Bremend Street, Belleville, N. J.

A September 10 wedding is planned in the First Baptist Church, Washington, D. C.

Miss Beck, a graduate of Catawba College, is a biochemist at the Armed Forces Institute of Pathology, Walter Reed Medical Center, Washington, D. C.

Mr. Alpaugh, a graduate of Newark College of Engineering, is an aeronautical engineer for the Bureau of Naval Weapons, Washington, D. C.

immense success.

"Except for a small area in interior Russia, we can blast any enemy country with our submarines (it is expected that the range of the Polaris will be increased from 1,200 miles to 2,800 miles within the next few years.) It is known that our Polaris can presently strike nine out of ten Russian cities.

"Unlike under the Truman administration when Russian topography was relatively unknown,

we now have mapped, through our U-2 program, large areas of Russia particularly those areas thought to be strategic. At this point democrats can be heard to say that the U-2 incident could have been better handled. It may be that these Monday-morning-quarterbacks are right.

"But if we are going to talk downright blunders let us 'Remember Pearl Harbor.' Evidence indicates that the Democratic administration actually knew that the Japanese would pull off their 'surprise' attack and nothing was done to warn the thousands who died.

"How can the Democrats begin to criticize the U-2 incident when they have such a monumental skeleton rattling in their closet.

ECONOMY

"The Republican administration has launched these splendid programs and has put the economy on its solid footing without incurring a run-away inflation. It has recently been announced that this year we will have a budget surplus of over one billion dollars.

"They have cut deficit spending and avoided reckless and wasteful crash programs. "As far as the candidates go, who in this country has had more experience in matters of administration and leadership than our present vice-president? Who has had more experience and in-fighting with the unpredictable Russians than our present ambassador to the United Nations? With Lodge at the helm in the U. N. we have not lost one battle on the cold war front in the world's tribunal.

"Though there is no doubt that the Republican Party has given us the best things in life, it is not even hoped that these remarks will have any impact on closed-eyed Democrats. It is only hoped that Independents and free-thinking Democrats will consider what we have and compare it to what we have had and what we may get.

VOTE

"We ask you to join our ranks and bring a Republican victory to Belleville. We ask you to vote for good clean government and retain the Republican administration at the helm of this, the greatest nation in the world."

ceremony. A reception followed in the Crystal Lake Casino, West Orange.

The bride was attired in an imported hand-clipped Chantilly lace gown with a chapel train. The gown was highlighted by a scalloped Sabrina neckline embroidered with sequins and pearls with a graduated self-lace roses forming an oval curve on the back skirt. She carried a cascade of carnations.

Christine Kurz was maid of honor for her sister. Christine's dress was of nylon with a sheer nylon overskirt and matching lace jacket. She carried a cascade of white carnations tipped in the color of her dress.

Bridesmaids included Virginia Gugliotta of 83 Wilbur Street and Jeanne Fawcett, sister of the bridegroom, of DeWitt Avenue, both of Belleville. Their attire was the same as the maid of honor's.

BEST MAN

John Cove of 269 Little Street was the best man. Ushers included Raymond Fawcett of 4 Kevan Place, Middletown, and Bryant Albee of 26 Riveredge Road, Lincoln Park, both cousins of the bridegroom.

The couple are graduates of Belleville High School. The bridegroom is now attending Newark School of Fine and Industrial Arts.

The new Mrs. Fawcett is employed by the Northern New Jersey Oil Company, Newark. Mr. Fawcett is associated with Variety Electronics Corporation, Bloomfield.

There are 1,100 blind students currently enrolled in United States colleges, the American Foundation for the Blind reports.

Gallo in Summer Stock

(Continued from Page 1)

Gallo's bass voice, which was put to use in the Belleville High School Chorus and dramatic club, has gained him membership into the Operatic Theatre of Julliard.

Future shows set for this summer at the Framingham theatre include "Carousel" opening August 22 for one week, "The Firefly" August 29 for one week and "South Pacific" September 5 for two weeks.

"Carousel" stars John Raitt; Anna Maria Alberghetti will appear in "The Firefly" and Howard Keel in "South Pacific."

Some of the stars Gallo has appeared with earlier this summer are Andy Devine, Gogi Grant, Patrice Munsel, Tony Perkins, Ginger Rogers, Carla Alberghetti and Genevieve.

ville commission have heard Bass complain that sections of Rutan Estates were being used as dumping grounds.

Commissioner Nuncio Pico was on vacation in Chicago Tuesday and could not be reached for comment. Bass continued saying that he did come down to the health department to put the complaints on the forms but was told to telephone the complaints and members of the health department would fill out any necessary forms.

Noting the inconsistency, Padula said he would meet privately with Burdzy this week to clear up the matter of how complaints were to be filed.

Bass said that even if the forms must be filled out, the health department and Commissioner Pico certainly were aware

of the dumping problem "because I myself have spoken at length on this topic at past meetings of this board."

JAMES GOLDEN

Another speaker on the health issue Tuesday night was James Golden of Tappan Avenue. He charged that Belleville has not made any progress in meeting the requirements of wishes of the Hon. Miriam Sachs, MD, MPH, district health officer.

The background on this issue is given in the following letter Golden sent Dr. Sachs this week and which was read into the minutes of Tuesday night's commission meeting.

The letter follows:

"It has been some time since I have communicated with you concerning the status of the Health Officer position in the Town of Belleville, N. J.

"Close to a year ago you are quoted in the Newark Evening News of Friday, September 4, 1959 as saying, 'Mr. Pico now understands that a properly qualified, licensed health officer is a requirement for a community of the size and complexity of Belleville if essential public health services are to be carried on for the citizens of the community.'"

"You are also quoted as stating, 'I would like the town to take action as soon as possible, although we realize that the question of recruiting a qualified health officer is complicated. I would consider it poor planning if the town waited too long, however.'"

"Certainly, a year of elapsed time should have been sufficient to have met the requirements of your directive as above quoted, however, the local health situation remains substantially the

same as a year ago, with the exception that by subterfuge the local town physician, Dr. Meehan, has also been designated Town Health Physician. This quirk of political manipulation may technically constitute compliance with state requirements, yet, to all intents and purposes, from my studied observations, Mr. Burdzy, the sanitarian, is the de facto health officer of this community.

"My only recourse as a lay citizen is to call these conditions to the attention of your office in the hope you may be actuated to look into the situation, especially, in view of your keen interest shown last year when the matter was first referred to you by Dr. Kandle, State Commissioner of Health.

"I am enclosing a front page copy of our local paper and call your attention to the lead story citing citizens' complaints about health hazards they must cope with. It may serve to stress the

PROCLAMATION

SOCIAL SECURITY WEEK

The American social security system, which promotes the well-being of individuals and families, has served the Nation for 25 years.

First becoming law on August 14, 1935, the Social Security Act now provides income and services to individuals and families. It helps to keep families together and to free our people from fear and want.

Many in this community have been helped and are being helped by one or more of the programs established by the Social Security Act. These include Federal old-age, survivors, and disability insurance; unemployment insurance; public assistance for the needy, the old, the blind, the disabled, and children without parental support; and maternal-and-child-health, crippled-children, and child-welfare services.

Now, therefore, in the 25th year that our national social security has been in existence, I, ISADORE J. PADULA, Mayor of Belleville, in recognition of the service of social security to the country and to this community, proclaim the week of August 14 through August 20, as SOCIAL SECURITY WEEK IN BELLEVILLE, and I further proclaim August 14 as SOCIAL SECURITY DAY IN BELLEVILLE. I urge full participation by the people of Belleville in the events which have been planned in celebration of the 25th Anniversary of the Social Security Act.

William R. Atkins, 37
William R. Atkins of 255 Greylock Parkway died suddenly of a heart attack in his home July 19. He was 37. Funeral services were held July 21 with interment in the Holy Cross Cemetery, North Arlington.
Born in Belleville, Mr. Atkins lived in Newark before returning to this town 11 years ago. He was employed by Miller and Sons of Belleville as an electroplater. He had been associated with the firm since he was 17 and left only to serve in the Army. Mr. Atkins was a member of the Belleville American Legion Post 105.
Surviving are his wife, Mrs. Viola Lally Atkins; his mother, Mrs. Anna Atkins at home; two sons, William and Robert, and a daughter, Virginia, all at home.

Mrs. Rose Mary Clark
Mrs. Rose Mary Bea Clark, formerly of 25 Van Houten Place, Belleville died July 22 at Largo, Fla., of a long illness. She was 58. She was the wife of Arthur W. Clark, ex-tax assessor in the Belleville Revenue and Finance Department. He retired two years ago when the couple moved to Largo.
Mrs. Clark was a member of the Calvary Methodist Church in Largo.
Surviving, in addition to her husband, is a son, Arthur W. Jr., of Springfield, Va.; a sister, Mrs. May Stockinger of Maplewood; a brother Harry Bea of Newark, and three grandchildren.

has truly served the community. Many of our outstanding citizens received their religious education and Boy Scout training here. The time has come for a church face lifting. THE GOAL \$65,000. If you have fond memories of Montgomery you may want to help. You may wish to perpetuate the memory of some loved one and this would be a wonderful way to do it. Your check to E. B. Guest Speakers
At Grace Baptist

The summer series of Sunday morning preaching services was opened Sunday in the Grace Baptist Church, Overlook Avenue and Bremont Street, in the absence of the pastor, Rev. Albert V. Lawson, who will be vacationing in the Adirondacks.
Preaching Sunday, August 7, was Dr. Wayne A. Nicholas, pastor of the First Congregational Church of Ridgewood. He is a graduate of Union Theological Seminary and has the Ph.D. degree from Columbia University.
Dr. Nicholas was for a time engaged in the work of the Congregational Churches in Hawaii under the Hawaiian Evangelical Association and later served for three and a half years as a Navy chaplain during World War II. His previous two parishes were the Congregational Churches of Briardcliffe Manor, and Woodhaven, N.Y.
The Rev. John M. Reynolds, pastor of the First Congregational Church of Park Ridge, will occupy the pulpit, this Sunday and again on August 20.
A Canadian by birth, Mr. Reynolds received his academic preparation at the University of Saskatchewan and the St. Andrew's Seminary in Saskatoon, and continued his graduate studies at Union Theological Seminary where he received the M.A. degree.
He was ordained by the United Church of Canada, and, having served the Carlyle United Church in Saskatchewan, he was called to his present pastorate at Park Ridge in 1949.
On Sunday, September 4, the Rev. Robert I. Miller will occupy the pulpit. Mr. Miller received his academic training at Hamilton College, the University of Buffalo, and Union Theological Seminary, N.Y. Ordained to the ministry of the Presbyterian

Church in the U.S.A., he served as associate minister at the First Presbyterian Church of Englewood, and as minister of Youth at Winnetka, Ill.
Mr. Miller has had a wide and varied experience in youth work. He is the chairman of the Youth Section of the Division of Christian Education of the National Council of Churches. He is the associate secretary for Development and Alumni of Union Theological Seminary.
These services are conducted at 10 o'clock. A nursery is provided for pre-school children during the hour.

Milton H. Eldridge, 80
Milton H. Eldridge of 162 Hornblower Avenue, Belleville died July 19. He was 80. Mr. Eldridge had worked for the Weston Electric Company, Newark as an inspector until two years ago. He also had been associated with the Kresge Department Store in Newark.
The funeral service was held July 22 at one o'clock in the afternoon from the William V. Irvine and Son Memorial Home, 276 Washington Avenue, Belleville. Interment was in the Restland Memorial Park, East Hanover.
He is survived by two sons, Raymond M., and C. LeRoy Eldridge, both of Reading, Penna., and a brother, Charles J. Eldridge of East Orange.

Mrs. V. D'Allesandro
Mrs. Marianne Arace D'Allesandro, wife of Vincent D'Allesandro of 145 Union Avenue, Belleville, died July 5 in the Clara Maass Memorial Hospital. She was 41.
Funeral services were July 9 in Newark with a Solemn High Mass of Requiem at 10:45 in the morning in Saint Rocco's Church. Interment was in Holy Cross Cemetery.
Born in Italy, Mrs. D'Allesandro came to the United States eight years ago and lived in Newark before moving to Belleville four years ago.
Besides her husband, she leaves a daughter, Miss Vivian D'Allesandro, at home; her parents, Mr. and Mrs. Giuseppe Arace, and two brothers, Settembrino and Raffaele Arace, all in Italy.

Hot weather driving requires closer attention to brakes and tires. The Institute for Safer Living says that tire pressures should be checked frequently, but before driving, while tires are cool. Brakes should be carefully tried before starting a warm day's drive to make sure that they are properly adjusted and that brake pedal position is normal.

TOWN ORDINANCE

PUBLIC NOTICE is hereby given that the following proposed ordinance was introduced and passed on first reading at a meeting of the Board of Commissioners of the Town of Belleville held Tuesday evening August 9, 1960 and further notice is hereby given that the second and final reading of said ordinance will be considered by said Board at a meeting to be held at the Town Hall, Washington Avenue and Belleville Avenues, Tuesday Evening August 23, 1960 at eight o'clock P. M. when all objections to the passing of the same will be heard and considered.

Eugene G. Barnett,
TOWN CLERK

AN ORDINANCE TO AUTHORIZE THE INSTALLATION OF A TRAFFIC SIGNAL AT THE INTERSECTION OF JORALEMON STREET AND PASSAIC AVENUE, IN THE TOWN OF BELLEVILLE, TO MAKE AN APPROPRIATION AND TO AUTHORIZE THE ISSUANCE OF BONDS TO FINANCE THE COST THEREOF AND TO PROVIDE FOR THE ISSUANCE OF BOND ANTICIPATION NOTES IN ANTICIPATION OF THE ISSUANCE OF SUCH BONDS.

The Board of Commissioners of the Town of Belleville, in the County of Essex, DO ORDAIN as follows:

Section 1. There shall be installed at the intersection of Joralemon Street and Passaic Avenue, public streets in the Town of Belleville, a traffic signal for the control of traffic, and there shall be performed all necessary work in connection with the installation of such traffic signal including underground conduit connections, concrete curbs, concrete sidewalk and the replacement of pavement together with all other work necessary for such improvement, all as shown on the plan approved by the New Jersey Department of Public Safety, and by the Board of Commissioners of the Town of Belleville. The sum of \$6,500 is hereby appropriated to the payment of the cost of such improvement. Such appropriation shall be met from the proceeds of the bonds, and the down payment hereinafter appropriated, by this ordinance.

Section 2. Said improvement shall be undertaken as a general improvement to be paid for by general taxation, and no part of the cost thereof shall be assessed against property specially benefited.

Section 3. It is hereby determined and stated that (1) the

making of such improvement (hereinafter referred to as "purpose"), is not a current expense of said Town, and (2) it is necessary to finance said purpose by the issuance of obligations of said Town pursuant to the Local Bond Law of New Jersey and (3) the estimated amount of money necessary to be raised from all sources for said purpose is \$6,500, and (4) \$325 of said sum is to be provided by the down payment hereinafter appropriated to finance said purpose, and (5) the estimated maximum amount of bonds or notes necessary to be issued for said purpose is \$3,175 and (6) the cost of said purpose, as hereinbefore stated, includes the sum of \$325, which is estimated to be necessary to finance (a) engineering and inspection costs and legal expenses and (b) the cost of issuing the obligations authorized by this ordinance and (c) interest on such obligations, to the extent permitted by Section 40:1-55 of said Local Bond Law.

Section 4. It is hereby determined and stated that moneys exceeding \$325, appropriated for down payments on capital improvements or for the capital improvement fund in budgets heretofore adopted for said Town are now available to finance said purpose. The sum of \$325 is hereby appropriated from such moneys to the payment of the cost of said purpose.

Section 5. To finance said purpose, bonds of said Town of an aggregate principal amount not exceeding \$3,175 are hereby authorized to be issued pursuant to said Local Bond Law. Said bonds shall bear interest at a rate which shall not exceed six per centum (6 per cent) per annum. All matters with respect to said bonds not determined by this ordinance shall be determined by resolutions to be hereafter adopted.

Section 6. To finance said purpose, bond anticipation notes of said Town of an aggregate principal amount not exceeding \$3,175 are hereby authorized to be issued pursuant to said Local Bond Law in anticipation of the issuance of said bonds. Said notes shall bear interest at a rate which shall not exceed six per centum (6 per cent) per annum, and may be renewed from time to time pursuant to and within the limitations prescribed by said Law. All matters with respect to said notes not determined by this ordinance shall be determined by resolutions to be hereafter adopted. In the event that bonds are issued pursuant to this ordinance, the aggregate amount of notes hereby authorized to be issued shall be reduced by an amount equal to the principal amount of the bonds so issued. If the aggregate amount of outstanding bonds and notes issued pursuant to this ordinance shall at any time exceed the sum first mentioned in this section the moneys raised by the issuance of said bonds shall, to not less than the amount of such excess, be applied to the payment of such notes then outstanding.

Section 7. It is hereby determined and declared that the period of usefulness of said purpose, according to its reasonable life, is a period of 10 years computed from the date of said bonds.

Section 8. It is hereby determined and stated that the Supplemental Debt Statement required by said Local Bond Law has been duly made and filed in the office of the Town Clerk of said Town, and that such statement so filed shows that the gross debt of said Town, as defined in Section 40:1-76 of said Local Bond Law, is increased by this ordinance by \$3,175 and that the issuance of the bonds and notes authorized by this ordinance will be within all debt limitations prescribed by said Local Bond Law.

Section 9. This ordinance shall take effect twenty days after the first publication thereof after final passage.

PUBLIC NOTICE is hereby given that the following ordinance was passed on second and final reading at a meeting of the Board of Commissioners of the Town of Belleville held Tuesday evening August 9, 1960 having been read in its final form at least one week prior thereto and is therefore now a law and hereby published according to law.

AN ORDINANCE AUTHORIZING THE ACQUISITION OF ADDITIONAL EQUIPMENT AND THE ERECTION OF A FIRE TOWER FOR USE BY THE FIRE DEPARTMENT OF THE TOWN OF BELLEVILLE, MAKING AN APPROPRIATION TO PAY THE COST THEREOF AND AUTHORIZING THE ISSUANCE OF BONDS AND BOND ANTICIPATION NOTES TO FINANCE THE COST THEREOF.

The Board of Commissioners of the Town of Belleville, in the County of Essex, DO ORDAIN as follows:

Section 1. The Town of Belleville, in the County of Essex, shall acquire additional equipment for use in the Fire Department of the Town consisting of a new ambulance with the apparatus necessary for its operation, a new 1960 motor vehicle also for use as an ambulance together with the apparatus necessary for its operation, and there shall be erected a fire tower for use by the Fire Department on land owned by the Town and constituting a part of Lot 20 in Block 470, as shown on the Tax Assessment Map of the Town. The sum of \$25,000 is hereby appropriated to the payment of the cost of acquiring such equipment and the erection of such fire tower. Such appropriation shall be met from the proceeds of the bonds authorized, and the down payment appropriated, by this ordinance.

Section 2. The acquisition of such equipment and the erection of such fire tower shall be under-

taken as a general improvement, no part of the cost of which will be assessed against property specially benefited.

Section 3. It is hereby determined and stated that (1) the acquisition of such new equipment and the making of such improvement (hereinafter referred to as "purpose"), is not a current expense of said Town, and (2) it is necessary to finance said purpose by the issuance of obligations of said Town pursuant to the Local Bond Law of New Jersey and (3) the estimated amount of money necessary to be raised from all sources for said purpose is \$25,000, and (4) \$1,250 of said sum is to be provided by the down payment hereinafter appropriated to finance said purpose, and (5) the estimated maximum amount of bonds or notes necessary to be issued for said purpose is \$23,750 and (6) the cost of said purpose, as hereinbefore stated, includes the sum of \$150, which is estimated to be necessary to finance (a) engineering and inspection costs and legal expenses and (b) the cost of issuing the obligations authorized by this ordinance and (c) interest on such obligations, to the extent permitted by Section 40:1-55 of said Local Bond Law.

Section 4. It is hereby determined and stated that moneys exceeding \$1,250, appropriated for down payment on capital improvements or for the capital improvement fund in budgets heretofore adopted for said Town are now available to finance said purpose. The sum of \$1,250 is hereby appropriated from such moneys to the payment of the cost of said purpose.

Section 5. To finance said purpose, bonds of said Town of an aggregate principal amount not exceeding \$23,750 are hereby authorized to be issued pursuant to said Local Bond Law. Said bonds shall bear interest at a rate which shall not exceed six per centum (6 per cent) per annum. All matters with respect to said bonds not determined by this ordinance shall be determined by resolutions to be hereafter adopted.

Section 6. To finance said purpose, bond anticipation notes of said Town of an aggregate principal amount not exceeding \$23,750 are hereby authorized to be issued pursuant to said Local Bond Law in anticipation of the issuance of said bonds. Said notes shall bear interest at a rate which shall not exceed six per centum (6 per cent) per annum, and may be renewed from time to time pursuant to and within the limitations prescribed by said Law. All matters with respect to said notes not determined by this ordinance shall be determined by resolutions to be hereafter adopted. Little League Tournament Scenes at West New York

QUICK CONFAB--Belleville pitcher Jim Dunn (left) walks to left field after being relieved from the mound in the West New York contest. Here Dunn passes Rich Pucciarelli

who went to first base from left field. After exchanging a few words, the two players continued their walk to their new strategic posts.

DOUBLE STEAL--This close play, a double steal in the top of the third, shows West New York's Ray Piano sliding into

first. At the same moment Bob Yingling was successfully sliding into second. As umpire Alex Filipowicz watches play,

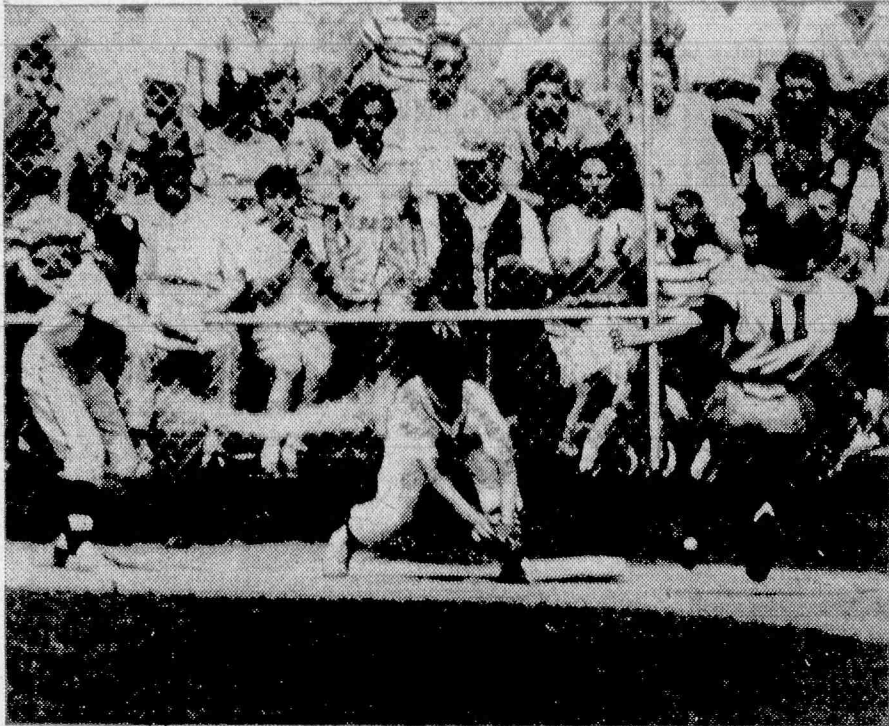

Belleville's third baseman Frank Mazur reaches out for ball in what turned out to be the closest play of the after-

noon. A close look reveals the ball in this photo, just above Mazur's glove. WNY's third base coach is on the left.

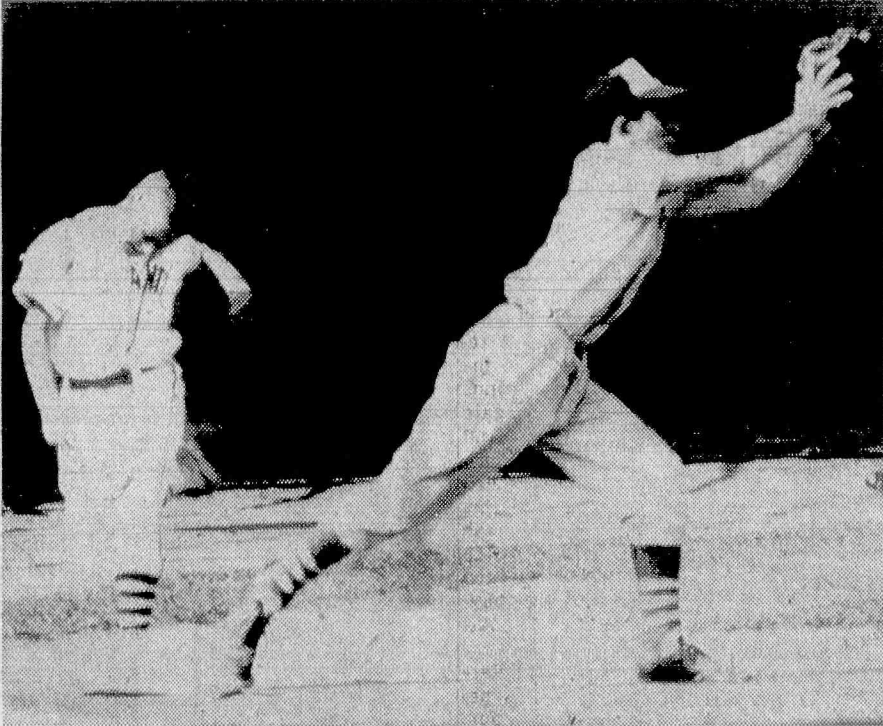

GOOD CATCH--Belleville center fielder Paul Fantacone grins after being applauded on spectacular catch in the top of the fourth inning of the West New York game. Paul leaped

to trap a long hit ball by Bol Yingling. Later in the game Saturday, Yingling knocked one out of the park for a grand slam.

UP IN AIR--Ken Trainor (number 11, right) has both feet off the ground as he dives into base in the last of the fifth inning. Ken, who came in the ballgame to pitch in

the fourth frame, was not successful in this attempt to gain the extra base Saturday. Making the put out is Mike Angello while Belleville coach Ed Clemente looks on (left).

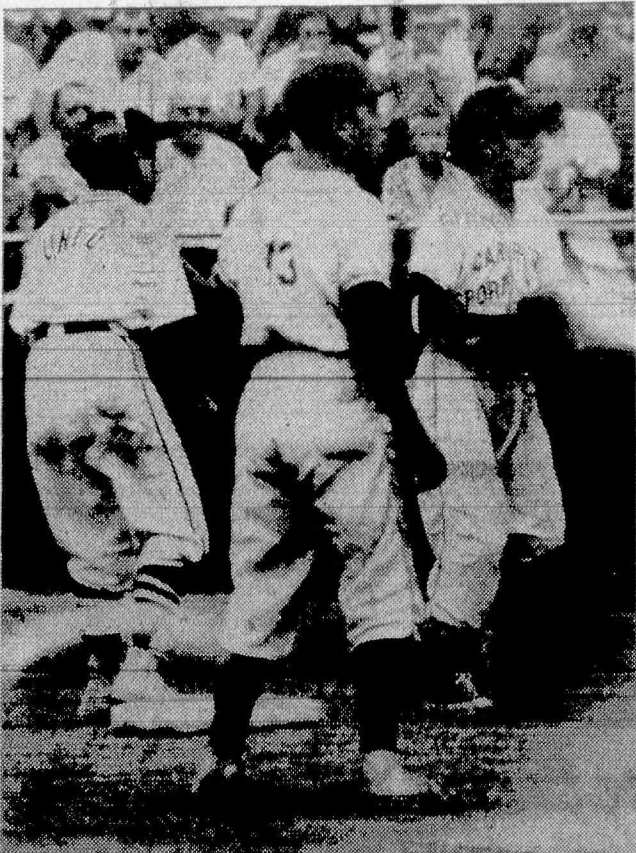

LAST OUT--This is the last play in the tournament for Belleville. Belleville's Ronnie Tomaszewski (left) races to first in the bottom of the final sixth inning. West New York's first baseman Bob Bornman

stretches out to receive toss for a put out in the afternoon's only double-play. Before Ronnie was put out for the final third out, West New York caught Sal Taibi in a force out at second base.

SUCCESS--Belleville All-Stars catch West New York's George Walczewski attempting to steal third base in the top of the second frame Saturday. Frank

Mazur (center) is seen making the tag in this photo as umpire Alex Filipowicz begins the "you're out!" routine.

ON THE WAY--Tony Magistro (left) scoots to second on Roger Crowell's hit in the third inning of last Thursday's game

with Garfield in West New York. Where's he on the way to? Check the next photo, to the right...

TO THIRD BASE--Magistro slides into third on a pass ball in the third as coach Ed Cle-

mente (left) crosses his fingers. Attempting to make the put out is Garfield's third base-

man Rich Rusila (center). On the next play Magistro advanced to home plate for the

only run scored in Thursday's game when with bases loaded, Ronnie Tomaszewski walked.

ENDS RALLY--Joe Fador goes down swinging in the fourth frame of Thursday's game to end Garfield's biggest

strike out came with the bases loaded. Belleville won the game Thursday night by a 1-0 tally.

CARD OF THANKS

O'NEILL—Deeming it impossible to thank all in person, may I take this means of expressing my sincere and heartfelt thanks to relatives, neighbors and friends for their words of consolation, beautiful floral tributes and spiritual bouquets at the death of my beloved husband, PATRICK A. O'NEILL. Special thanks to Rev. Thomas Higgins of St. Mary's Church, the Nutley First Aid Squad, Dr. and Mrs. Charles Margulies and the Stanton Funeral Home for efficient services rendered.

Sen. Case Reports

Most members of the Senate have had a glorious opportunity to let off steam in Los Angeles and Chicago. After this interlude, the Senate next week should be ready to buckle down to some serious legislation, and there is plenty of hard work ahead of us. I hope that political grandstanding will be kept to a minimum.

In the field of foreign affairs, the Senate faces vitally important issues, perhaps the most urgent of which is the appropriation of funds for the Mutual Security Program. Before Congress recessed, the House cut more than half a billion dollars from the Administration's request for foreign aid funds and added a number of amendments which would severely restrict the administration of the Program.

I believe that the increased world tensions following the collapse of the Summit Conference and the stepped up Soviet economic offensive demand the most vigorous efforts on our part, paralleling our increased defense program. We must continue to meet Soviet economic and subversive techniques designed to gain domination and control over other countries. Their independence and sound development is vitally important not only to these people but also to ourselves and the whole free world.

In the domestic field, we need a good health program for the aging. In my view, the health insurance bill passed by the House of Representatives falls far short of this. It's really little more than a public assistance program for the poorest groups and doesn't solve the problem faced by the broad mass of Americans over 65 who find it difficult, if not impossible, to get necessary health care at rates they can afford. We must enact the best health legislation possible when Congress reconvenes.

After the Senate has acted on these measures, and on raising the minimum wage to \$1.25 an hour, Senate-House conference

committees will have to resolve differences with the more limited measures already passed by the House. Unfortunately, the House Rules Committee may be able to prevent such action.

The House Rules Committee, dominated by Southern Congressmen, has become the "graveyard" of much-needed legislation. It has long blocked legislation to provide Federal assistance to the states in helping to relieve the school shortage, the omnibus housing bill and other measures.

The school construction bill, which I believe is vitally needed for the health and strength of our democratic way of life, has passed both Houses of Congress. But since there were some differences in the House and Senate bills, the House Rules Committee has been able to tie things up.

I hope the leadership of both parties will actively exert its influence to break the Rules Committee's legislative log-jam and allow Congress to act in accordance with the will of the majority of its members.

Congress already has much solid accomplishment behind it. I was gratified that the Senate approved my proposal for a pilot study of the commuter problem in Connecticut, New Jersey and New York. This friendly inquiry should get the facts on why the states, the municipalities, the railroads and the Port of New York Authority have not been able to get together and solve the metropolitan commuter problem.

I also was glad that, in the final hours before the Senate recessed, it passed legislation which makes a good beginning Federal clearinghouse on major traffic offenses. The President on my proposal to establish a signed into law a measure which I joined in sponsoring in the Senate to set up a register of certain revoked licenses from all over the country. This is a major step toward the day when state officials will be able to get all the information they need to drive the habitually unsafe driver off the roads and prevent the sort of highway tragedy which claimed 12 lives in North Brunswick last fall.

Joseph W. Brown Wins Pharmaceutical Award

Joseph W. Brown of 9 Holmes Street, a junior at Rutgers University College of Pharmacy, has been awarded a 950 North Jersey Pharmaceutical Association Scholarship for 1960-61. Dr. Roy A. Bowers, State University pharmacy college dean, announced today.

A Belleville High School graduate, Brown received the grant on character, financial need and scholastic achievement.

Safety First

SWIMMING FOR FUN—NOT DEATH

The biggest playground in America today is—the water! Virtually every major adult Summer sport centers around water, the National Safety Council points out. And one of the biggest sports of them all is swimming.

Unfortunately, swimming fun all too often is spoiled by drowning.

About 2,300 Americans drown annually while swimming or playing in the water. One out of 15 fatal accidents is a drowning.

A reported 30-million-plus Americans swim, sometimes in the nation's estimated 250,000 swimming pools, more often in rivers, lakes and ponds.

Swimming fun probably reaches a peak over the Memorial Day and Fourth of July holidays.

Anyone can learn to swim, the experts say. As one writer put it, "All you need is water, a swimsuit and the willingness to enjoy yourself."

You can't enjoy yourself, of course, if you're afraid for your life.

Safety in swimming means keeping in mind such tips as these from the Council, hub of the safety movement in America and concerned with all forms of safety:

1. Learn to swim.
2. Be sociable -- never swim alone.
3. Stick to the beaches with lifeguards around. Look before you leap. Don't swim or dive in unfamiliar waters.
4. Know your limitations. Don't swim so long you become tired, overheated, or chilled. Take it easy.
5. Don't swim right after eating. Give your meal time to digest.
6. Don't rebel if your muscles cramp—relax for a moment in a face-down float and massage the muscle.
7. Swim parallel to shore if you want to test your endurance.

Cancer and You

Many, if not most cancers are curable, if detected in time. Learn and heed the Seven Danger Signals of Cancer. Requests of cancer literature should be sent to the American Cancer Society, New Jersey Division, 621 Central Avenue, Newark 7, New Jersey. If the request does not involve personal medical problems, which should be taken up with the family doctor, or professional ethics, literature and information will be forwarded to you.

- A. Are all tumors or growths cancerous?
- A. No. Tumors or growths, as they are sometimes called, are of two kind—benign and malignant or cancerous.
- A. What is the difference between a benign and a cancerous growth?
- A. A benign tumor does not spread to other parts of the body. A malignant tumor means cancer and, if unchecked, may spread and cause death.
- A. Is cancer contagious?
- A. As far as known there is no record of a doctor, nurse or anyone "catching" cancer from a patient, however, close they may have been in taking care of a person.
- A. Can one have cancer without noticeable symptoms?
- A. Pain is usually a late symptom of cancer so in their earliest stages most forms of cancer can be detected only through a physical examination.

Domestics Are Being Deprived Of S.S. Benefits

100,000 housewives may be depriving their household workers of social security protection, according to a joint statement issued by Joseph F. J. Mayer, District Director of Internal Revenue, and William J. Wilkie, District Manager of the Social Security Administration both in New York.

"Workers' earnings are credited to their social security account from reports of their employers, and most of the employers," Mr. Mayer said, "faithfully report these earnings year after year." Some household employers who only recently hired household help may not realize their responsibility, and their employees, in particular, should make sure they are protected.

"Postcard forms for checking your own account with social security are available at all social security offices and should be used at least every three years by all workers," added Wilkie.

If statements returned by social security show that your earnings are not posted to your record, notify your social security office immediately so that steps may be taken to correct the omission and make sure that your employers report properly.

"Most people need many years of social security credit to qualify for benefits," Wilkie said, adding, "It's your social security; make sure you are protected."

Temple Menorah Has New Pastor

Rabbi Nathan H. Fish of South Orange has accepted the call to occupy the pulpit at Temple Menorah, Bloomfield, and become a spiritual leader for the congregation. Educational director at Temple Israel of the Oranges and Maplewood since 1954, he currently is conducting a Summer seminar at Cornell University. He will assume his duties at Temple Menorah on August 1. Rabbi Fish will also be principal and director of the Temple Menorah Religious School.

A graduate of Harvard University, he holds an M. A. in education from the University of Maine; an M. A. in Hebrew letters from Hebrew Union College-Jewish Institute of Religion, and is preparing for his Ph.D. at Dropsie College.

Rabbi Fish and Mrs. Fish, the former Marcia Miller, reside at 287 Western Drive, North, South Orange, with their son, Emanuel, a Senior at Columbia High School. Their daughter, Nurith, is married to Dr. Howard Rothstein and lives in East Paterson.

ways than one, fanned leaving the vacancy in the batter's box to Mazur. Mazur knocked a single to center and loaded the bases.

With one out, bases loaded and the final inning of the ball game it takes little imagination to sense what the grandstands were like at West New York Saturday.

But the boisterous crowds on the Belleville side of the fence joined in using their hands to applaud a terrific double play setup successfully executed by West New York to retire the Belleville club.

Following the game Saturday, both Belleville and West New York players were honored in a special tribute by the Little League National organization. Every player received a trophy.

In addition to West New York's Little League Band, a color guard participated in the post-game show. Regina Herr was "Queen of the Tournament" and passed out several of the awards.

Before we go on to the box scores, there's a separate article in this newspaper concerning a local Little League World Series which opens tonight. And now...

Manager, Coach Thank Rooters Of All-Star Squad

Mike Marotti and Bob Pugliese, manager and coach, respectively, of the National League All-Star team which went into the state finals, released the following statement today to The Times:

"We would like to take this time to thank the following people for their help and support to the Belleville National Little League All-Star Team which won the District 8, Championship and went to the final game in the Sectional 2.

"We at first would like to thank everyone connected with The Belleville Times for their fine cooperation and wonderful story on our Little League games during season and tournament.

"To all the parents of the All-Star team who let their boys play and who gave up their vacation so the boys could play every game.

"To all the National League managers, Ben Pucciarello, Dan Dunn, Tony Magistro, and Joseph Scaperotta, who helped us to pick this all-star team and also helped us in practice and also drove the boys to and from the games.

"To Leo Jackson, president of the National Little League, Jim Neyers, District 8 chairman, Pat McNally and George Mahler, game chairman, Domenick Fratella and Diane Dunn, official scorers, the Recreation Department for getting the Little League Field in wonderful condition and also for loaning us their loud speaker system.

"Also John (Nelson) Gesaro who donated five hours overtime to see that the field was ready for each game. To the Auxiliary Police for having their men there during our home games. Also Don Palangio who let us use his electricity and water for our games.

"And to our Little League players who made such a fine showing in winning the District 8 championship and finally losing the Section 2 Championship games for the offense to master Pete Spera's slot-T with variations.

The offense will line up with Frank Puleo, 180, Belleville, at quarterback, Don Munford, 195, East Orange, and Babe Conforti, 180, at the halves and Dick Bartolazzi, 210, Kearny, last year's leading scorer, at fullback.

Sunday, Aug. 21, the Dukes will unveil their 1960 entry to local fans when they engage their arch foe, the powerful Stratford (Conn.) Giants, who pinned a 24-0 setback on the Dukes last year, along with numerous bumps and bruises, at Belleville Municipal Stadium. The kick-off is slated for 2:15 p.m.

St. Peter's Nine Idle This Sunday

St. Peter's, Belleville, will be profitably idle again this Sunday in the Essex County CYO Intermediate Baseball League.

St. Peter's was originally booked to play Sacred Heart, Vailsburg, an average club that can prove troublesome on occasion but Sacred Heart has been withdrawn from the league by parish officials. Thus St. Peter's for the second week in a row will be credited with an automatic win.

That was the case this past Sunday when St. Joseph's Spanish, Newark, was to provide the competition. That easy victory left St. Peter's with a 7-2 record, a half-game behind St. Francis Xavier, Newark, which retained its lead by blanking Our Lady of the Valley, Orange.

St. Francis, however, must play rugged St. Thomas the Apostle, Bloomfield, this week and a defeat would vault St. Peter's into first place.

School Board Statement

(Continued from Page 1)

lic education as far as possible and to preclude political involvement. Unquote.

"The Board of Education has enlisted wide, general public aid to guide it in its deliberations and to discuss the many problems presented by the school expansion plan. It is now in the process of breaking down the large general committee into subcommittees, one of these being a site committee. As of this date, the Board has not formally agreed upon any site for a new school nor has it requested the Board of Commissioners for any land.

"Anyone seeking to include the question of a site for a new high school in a referendum to be submitted to the people at the next general election in November is in danger of usurping the authority of the Board of Education. The Board of Education recently met with the governing body, at which meeting all Commissioners were present, to discuss any available town owned land for use of a school site, and it was agreed that all public questions concerning school matters to be submitted to the people in referendum would initiate with the Board of Education.

"We of the Board of Education want every eligible qualified voter to ballot on these issues and will leave no stone unturned to get the vote out at the school election, however, school issues should not be confused and become secondary to political issues and offices to be decided,

game, and their great sportsmanship they showed in all their Little League games throughout the tournament.

"Also to all the people from Belleville who travel with us to every game this made it very easy for our boys to know that so many people came to see them play. We know how much easier our job was when we received such fine cooperation from all the people mentioned.

"Once again we would like to say thanks for everything. Sincerely yours, MICHAEL MAROTTI, Mgr. BOB PUGLIESE, Coach."

Belleville's Tom Worley Set To Lead Essex Bowl Squad

From left to right in picture above: Tom Worley, Coach Bob Cupit, Carmine Bencivenni.

Second Annual Game Kicks Off Next Wednesday

Led by Tom Worley, a six-foot-one-inch, 185-pound end from Belleville High, and Carmine Bencivenni, a six-foot, 230-pound tackle from Nutley High, Essex County will present a mighty cast of football talent against its bitter rival, Hudson County, when the star-studded second annual College Scholarship Bowl becomes a glittering reality Wednesday night, August 17, at Roosevelt Stadium, Jersey City.

The kick-off will be at 8:40.

All the elements of a major sports spectacle will be there. Twenty-two of the outstanding pig-skin performers in each county have been hand-picked to appear in the titanic struggle.

To these 44 will come the tremendous opportunity to show their wares before more than 300 coaches from colleges across the nation, to vie for two special \$1,000 scholarships that will go to the number one player on each side, to compete for huge trophies, for the top back and lineman on both teams, to receive handsome jackets at a banner post-game banquet and, finally, to take part in a game reserved only for the best.

There will be one more advantage for the boys. They will be getting the chance to play under acknowledged masters. Angelo Bertelli, Notre Dame's 1943 All-America quarterback and winner of the Heisman award, is head coach of Essex. His assistants are Bob Cupit, little All-America guard at Upsala, and Russ Carroccio, All-Southern Conference tackle at the University of Virginia. All three men, incidentally, make their homes in Clifton.

Hudson will be guided by Fordham University's Jackie Hyatt, aided by Yale's Dennis McGill and Dartmouth's Stan Klapper. Both camps have been practicing diligently since August 1. They are now razor-sharp, ready to play the highest calibre of football.

Hudson won last year's thriller 12-0. Bayonne's Sal Cerniglio and St. Benedict's Al Reinoso were the \$1,000 scholarship winners. Cerniglio is now at Montclair State; Reinoso at Villanova. Those who won scholarships through their appearance in the game include Bob Modarelli, Virginia; Joe Kozlowski, Nebraska; Joe Perrenod, Jersey Prep in Newark.

The snappy Garfield Cadets will provide pre-game and halftime entertainment. Cheerleaders from schools in both counties will add color. Tickets are moving fast.

difference we have had with The Belleville Times in the past is that they have not always abstracted what I considered to be the most important parts of a discussion. In recent months, however, the general trend of the paper has improved, with one exception: the paper's latest interpretation of the tax council's reply to the Garson incident.

Thank You.

(Calabro). The biggest general

Tax Council Interview

(Continued from Page 1)

reported Mr. Garson's remarks as being rumors but said that the fact of his remarks being based on rumors was not brought out until he was questioned later by the board. Would you comment on this?

A. (Garson). No charges of any kind were ever made or intended. We repeat, we feel the board is doing everything it can to the best of its ability.

ABILITY OF BOARD

Q. You've said twice now that the board is doing everything it can to the best of its ability. What are your feelings on the ability of the board?

A. (Calabro). A person's desire to do their best doesn't always mean that the best business practices are being followed. We believe that the interests of better education would better be served by providing the people of this community with maximum services at minimum costs. Accordingly, we presented a report in May of this year to the board of education in which we pointed out that there have been decreasing enrollments in Belleville since 1954 and increases in school personnel. We also asked at that time that a complete program of the educational requirements that are needed by Belleville be prepared so that the people would have an opportunity to access them in their true light. We believe that this business like approach to the problem of education is necessary.

Q. Was Mr. Garson representing the tax council when he spoke on the issues in question July 25 at the school board meeting?

A. (Calabro). As far as his receiving authorization to make charges, he didn't. However, it was authorized to inquire whether or not these rumors had any basis.

Q. Did he have authorization to merely bring up these issues before the school board?

A. (Calabro). I said we discussed these matters at the tax council headquarters but we had not reviewed the actual text of what actually was going to be said as we have in the past.

WHY IN PUBLIC?

Q. Mr. Calabro, as president of the tax council did you know that these topics were going to be brought up by Mr. Garson at the July 25 meeting?

A. (Calabro). Not specifically the way they were brought up, no.

Iron Dukes To Follow Trip With Home Opener

The Belleville - Nutley Iron Dukes will kick-off their 1960 exhibition season Saturday evening, Aug. 13, when they journey to Mount Vernon, N.Y., to engage the Mount Vernon Eagles, expected to be one of the powers in the Eastern Football Conference, in an arduous contest commencing at 8:30 p.m.

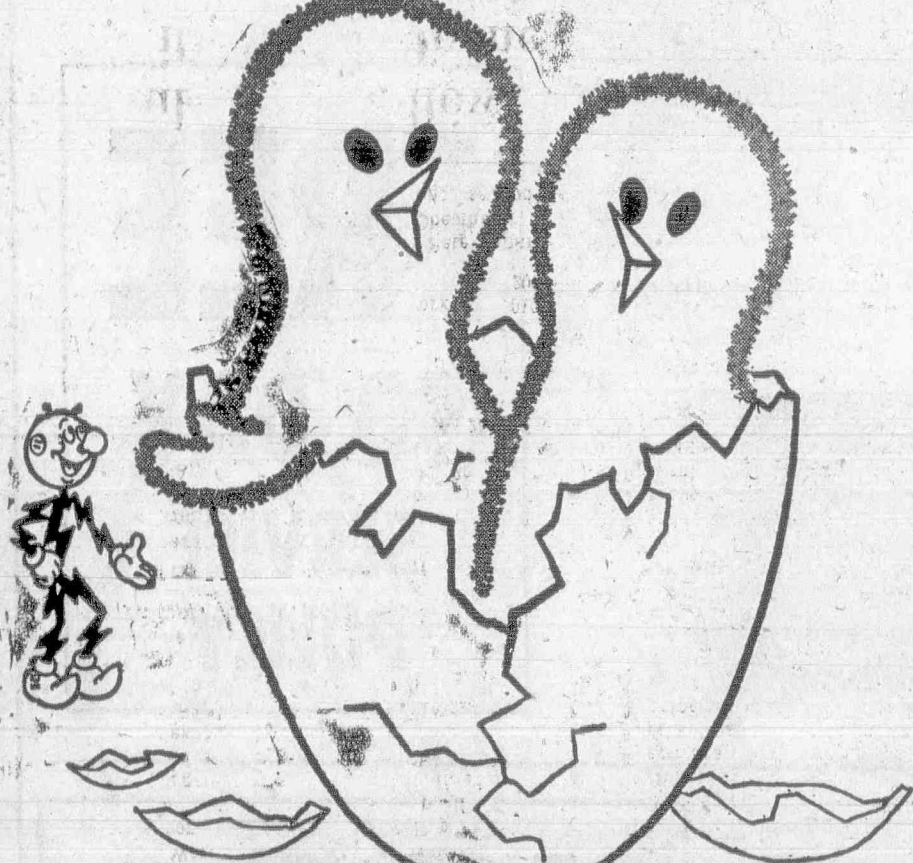

The superlative Iron Dukes defense again will hold the key to the contest. Expected to start for the Dukes on defense are: Bob Castelli, 185, Belleville, and Sam Dougan, 220, Kearny, at the line backs, Bob Shotwell, 225, Belleville, and Larry Reves, 210, Nutley, at tackle;

Fred Sperduto, 245, Newark Central, at middleguard; Charley Munford, 200, East Orange, will start at one halfback slot.

Jack Panico, 180, Bloomfield, and Cary Wills, 180, Orange, are battling for the nod at safety, along with Tony Addeo, 190, Kansas State, and John Pucciarelli, 175, Nutley, at the other halfback slot.

Four candidates are struggling for the three line-backing slots: Carl Borino, 215, Nutley Harry Owens, 210, Newark; Bob Paganelli, 210 and Tom Apicella, 225, Belleville.

It probably will take a few
