

United Fund Drive Sets \$90,700 Goal For '60 Campaign

William J. Orchard, Board chairman of Wallace and Tiernan and general campaign chairman of the United Fund, has announced the United Fund campaign, scheduled to begin October 10, this year would have a goal of \$90,700.

Orchard made the announcement Friday at a Rotary Club address in the For Hills Restaurant. He added that "Close shaved as the budgets of the participating agencies were by our fi-

nance committee, the sum of \$90,700 constitutes the absolute minimum needed by these agencies to make their services available to the people of Belleville."

Purposes and services rendered by the 12 medical and social aid agencies affiliated with the United Fund of Belleville were explained and reviewed by John W. Noonan, United Fund president, at the Rotary Club luncheon meeting.

Norman Thompson, Rotary president, introduced the speaker at the meeting which was attended by some 40 club members and business and civic leaders of the town.

Noonan gave a short review of the development of the United Fund which he described as "a single fund-raising agency for 12 causes, all of them benefitting Belleville people who are in need of medical care or social and personal guidance."

The speaker stressed the need for "a broad view" in dealing with medical and social needs. "There can be no divided community," he said. "The interests of business and industry, of labor and management, of resident citizens and those who make their living in this town but reside elsewhere, are identical when it comes to dealing with the needs of the sick and needy."

He warned that "if we do not

Wallace-Tiernan Agrees to Buy N. Y. Drug Firm

Wallace and Tiernan, Inc., (N.Y.S.E.) of Belleville and the R. J. Strassenburgh Company, privately held pharmaceutical manufacturer of Rochester, N. Y., have announced an agreement of consolidation and merger. The action was approved September 8 by the boards of directors of both companies, according to a joint statement by Robert M. Jackson, president of Wallace and Tiernan and Edwin G. Strassenburgh, Sr., president of Strassenburgh.

Several wings and buildings on the grounds are unused. "This is in direct contrast to Overbrook Hospital at Cedar Grove, for example," McKenna said, "where we have as many as 3,800 patients in an institution designed for a top capacity of 2,060." The

High School Career Day Wins National Award In 'Public Relations'

Clara Maass Memorial Hospital's "Career Day" program held in conjunction with Belleville High School last March has won an award for the institution at the Annual Convention of the American Hospital Association

held in San Francisco, Calif., this month.

A second award received was in the "Hospital Bulletins Contest." The hospital's bi-monthly publication "Maass Memos" issued by the public relations department was entered for the first time in the contest. Miss A. M. Pugh, staff assistant to Stanley Freck, director of public relations, is the editor of the publication.

Albin H. Oberg, hospital director, went to San Francisco to receive the awards. Both awards are part of the Malcolm T. MacEachern Memorial Competition

F. D. Wadsworth Library Prexy

Commissioner George F. Kieran today announced the new officers of the Board of Trustees of the Public Library, elected at the annual meeting held last Friday at the Library.

F. Douglas Wadsworth and Lindley A. Graves were reelected as president and secretary, respectively. Mrs. Richard A. Shafter was elected as the board's new vice-president. She succeeded William Chapman, who declined renomination.

Both, Commissioner Kieran, as Director of the Parks and Public Property Department, and Superintendent of Schools Evan H. Thomas, are ex officio members of the Library Board with full voting rights.

Single Protestants Club To Open Season Sunday

Single Protestants, of Essex County will hold their first fall meeting Sunday, at 8 p.m., in the Wesley Methodist Church, Washington Avenue and Academy Street.

The club's membership is composed of single persons in the 21 to 36 age range. William P. Fisher, 77 Bridge Street, Belleville is in charge of arrangements for the meeting.

Legion to Install New Executives This Saturday

Newly elected officers of Belleville American Legion Post 105 and its auxiliary will be installed this Saturday in the post home, 621 Washington Avenue. Taking office as commander will be Vincent F. Decker; new auxiliary president is Mrs. George Mitchell.

One of the highlights of the evening's program will be an address by Stephen Nicholas Vogel, 1960 Jersey Boys State representative sponsored by Belleville Post.

Boys State is an American Legion program of education open to high school juniors. The 1960 session was held from June 26 to July 2 at Rutgers University and 832 boys were enrolled.

Boys State is, in operation, a government unit in which each boy participates in the functioning of local, county and state government. Legislative, administrative and judicial programs are developed.

They choose and form their own city governments, and then elect their city, county and state officials complete with party conventions and parades. American Legion Jersey Boys State is one of the organizations' services to youth designed to develop better citizens and inspire in them a desire to participate actively and intelligently in the operation of our government.

Also registered from Belleville were Ralph Anthony Casale, Jr., sponsored by Belleville Lions Club and Gilbert Kendall Sherman sponsored by Belleville Rotary Club.

School Eight PTA Will Meet Tuesday

Hadassah Will Install Mrs. Friedman President

Mrs. Herman Friedman will be installed president of the Belleville-Nutley Chapter of Hadassah next Tuesday at 8:30 p.m. in Congregation Avath Achim, Belleville.

Mrs. Friedman succeeds Mrs. Irving Ontell who is moving from this area. Tuesday's program calls for the introduction of all board members. Mrs. Daniel Storn, program vice-president, notes the meeting is open to friends of the chapter.

Chamber Directors Will Meet Monday With Sen. Donal Fox

Price Goes Up

Announcement was made this week by the publisher of The Times-News, Frank A. Orchio, that the news-stand per-copy price of the Times-News will be 10 cents, beginning with the September 29 issue.

Beginning November 1, the annual subscription price will be \$3.00 per year. Meanwhile all renewals will be accepted at \$2.00 per year.

Mr. Orchio cited increased costs of labor, material and equipment as the reason for the increase.

Detective Solves Clues On Map Page

It took the talents of a detective to respond to the clues of the new map page photo contest which started in last week's Belleville Times and win a \$5 check drawn to the order of one of the cooperating places of business listed on the Map Page. The contest, which is in its second week today, results in \$10 weekly prizes. A \$5 check goes to a person whose face is circled in a picture appearing

Special Conference Concerns Transportation Facilities in Belleville

The Belleville Chamber of Commerce Board of Directors and Senator Donal Fox have announced they will meet together next Monday "to explore the pub-

lic transportation problem in Belleville." Also on Monday's agenda is the question of paving Washington Avenue.

The session will be conducted in Senator Fox's office, 671 Broad Street, Newark. Both the paving of Washington Avenue and improvement of public transportation are listed among 17 items constituting the chamber's 1960-61 work program presented at a program - launching dinner last Wednesday night attended by 170 representatives of business, industrial and professional offices in Belleville.

"Public transportation is inadequate in Belleville," Arthur Jackson, chamber president noted, "especially in providing means for homemakers to get to and from the business areas in town."

Jackson said he is confident an outline leading to possible solutions to the transportation problem will be finalized at Monday's meeting with Senator Fox.

The appointments are listed as follows: Joseph G. Fell, buy in Belleville campaign; William Bradley, evaluation of parking meters; David Robbins, program to beautify town entrances; Ed Littig, Washington Avenue resurfacing; Harold Eichner, street lighting; John Kondreck, off-

Hospital Needs More Helpers

Clara Maass Memorial is urgently in need of additional volunteer workers.

Since the opening of the hospital in August, 1957, the volunteer organization has given approximately 125,000 hours of service. At the present time, there are some 250 women, teen-agers, and men volunteering their services in various departments of the hospital.

Today, the hospital not only needs additional volunteer help in the usual areas manned by volunteers such as the information desk, admitting office, coffee shop, floor aides and clerical workers, to name a few, but it is also planned to initiate some new services such as messenger service, flower service and additional visitor control and patient escort services. The call for more volunteers is, therefore, both necessary and urgent.

If you are available from 9 a.m. to 1 p.m. or from 1 p.m. to 4 p.m. one day a week and would like to assist at the hospital, please call Miss Marie D'Alessandro, director of volunteers at PLymouth 1-1000.

Fifth Annual PTA Fair Saturday at School One

Plans have been completed for the fifth annual PTA fair to be held this Saturday between 11 a.m. and 4 p.m. at school one.

Games, rides, food booths, sewing booths, refreshments and pony rides will be featured. An innovation this year will be a strolling Polaroid photographer.

Mrs. Robert Haley is chairman of the fair which, in the event of rain, would be postponed until Monday between the hours of 3:30 and 7 p.m.

Tri-Town Women's Club Will Meet Here Tonight

The Tri-Town Business and Professional Women's Club of Belleville, Bloomfield and Nutley will hold its first business meeting of the season this evening at 6:45 in the Branch Brook Manor.

Topic for today's session is "Hat's for Fashion" to be presented by Mrs. Elsa Wade, owner of a Montclair hat shop. Models will include Miss Roxanna Puckhaber and Miss Annette Marone of Belleville.

At Mountain Camp

Among the activities at South Mountain Cabin Camp, Girl Scout Camp at South Mountain Reservation in South Orange, campers feed and care for camp pets. Here are Ellen Halken, age 9, of Maplewood, Tony Ross, age 9, of East Or-

ange and Patrice Merrick, age 9, of Belleville, playing hostess to a salamander and a frog. The camp is one of six camps operated by the Girl Scout Council of Greater Essex County, this summer.

also stated that if the stock split was approved by the stockholders, he would recommend to the board that the annual dividend,

ROBERT M. JACKSON
PRESIDENT

on the new stock, be increased from 75 cents to 80 cents per share.

Under the terms of the pro-stockholders will receive 400,000 pre-split shares of Wallace & Tiernan stock.

EXPANSION ANTICIPATED
Jackson reported that the consolidation is a major step in expanding Wallace and Tiernan's ethical pharmaceutical and drug operations. Wallace and Tiernan, a diversified manufacturer, in addition to its pharmaceutical division, has two other major divisions: (1) Chemicals, and (2) instruments and mechanical equipment. Combined sales of all divisions in 1959 were \$51.8 million; net income was \$4.3 million. Wallace and Tiernan has approximately 2,800 employees.

In the consolidation, the Strasensburgh name will be retained, and operations will be carried on as a division of Wallace and Tiernan with divisional headquarters in Rochester.

Upon completion of the merger, Edwin G. Strasensburgh and Robert J. Strasensburgh, II, will become directors of Wallace and Tiernan. Robert J. Strasensburgh, II, will become president of the Strasensburgh division and corporate vice president in charge of Wallace and Tiernan's combined pharmaceutical operations.

Elwood A. Garner, Strasensburgh vice president, will become executive vice president of the Strasensburgh division. E. Griffin Strasensburgh, Jr., will become a vice president of the division.

The Strasensburgh Company, founded in 1886, has been recently referred to as one of the fast-growing companies in the pharmaceutical industry. The prescription drugs which, during the past five years, have contributed to this rapid growth are "Biphetamine" and "lonamin," both appetite suppressants for obesity cases; "Fussionex," for cough control, and "Akalon-T," for such gastro-intestinal disorders as peptic ulcers.

Maltbie Laboratories, Wallace and Tiernan's present pharmaceutical division, is well known for "Desenex," an antifungal agent for the treatment of athlete's foot; "Caldesene," a medicated powder for treatment and prevention of diaper rash; "Cholan" products for liver and gall bladder disorders; "Nesacaine" hydrochloride, a local anesthetic; and "Caldecort" for dermatologic disorders. In April of this year, Maltbie entered the tranquilizer market with "Dornwal," a mood stabilizing drug which acts selectively on the central nervous system.

The merger with Strasensburgh, according to Jackson, will give Wallace and Tiernan a substantial position in the expanding pharmaceutical industry. He added that the combined pharmaceutical operations should make an increasingly larger contribution to Wallace and Tiernan's sales and earnings.

The regular quarterly dividend

of 37 1/2 cents per share, declared today by Wallace and Tiernan, will be paid October 3, 1960 to stockholders of record at the close of business as of next Tuesday.

WHERE?
In addition to identifying the mystery picture as being that of Mr. Hilla, Detective Dunn also had to tell The Times the location where the picture was taken. He correctly told The Times that last week's picture was taken at Clearman Field, off Union Avenue.

Actually the job was made easier for Detective Dunn—he was one of the other people in last week's mystery photograph. He remembered that he saw Mr. Hilla at Clearman Field where both Mr. Dunn and Mr. Hilla were watching a recent Belleville High School football scrimmage.

Mr. Hilla is a member of the

Belleville High School Varsity Club. One of his sons, Allan, who is now 20 and a student at Clemson College in South Carolina, played football four years at Belleville High School. Allan was also a crew man for the Bellboys.

"Actually I didn't spot my own picture in The Times," Mr. Hilla told us. "My wife, Marie saw it Saturday morning. Then she sent out for extra copies."

Some of the extra copies went to another son, Edward, who was graduated by Good Counsel High School and studied at both Clemson College and Cornell University. Edward is now an architect in Houston, Texas.

Mr. and Mrs. Hilla have a daughter, Marilyn, who is an executive secretary for the Columbia Broadcasting System in New York City. Marilyn is a graduate of Good Counsel High School and Upsala College.

"This is the first time I've ever won anything," Mr. Hilla told The Times. He noted that the dog appearing in his mystery photo belongs to his family. The dog's name is Wayf, and she's a boxer.

NEITHER HAS DUNN

"I never have won anything before," was also the comment of Detective Dunn. He was shown the picture by a colleague on the police force and eventually came up with the necessary information to qualify for the \$5 award.

Mr. and Mrs. Dunn have two children, Harry 12 who is an eighth grade pupil in St. Peter's School, and Thomas Jr., six-years-old and a third grader at school three.

Detective Dunn said he likes sports. He watched a couple of the scrimmages in recent weeks and plans to be on hand this Saturday afternoon when Belleville High opens up its fall campaign here against East Orange.

conducted by the magazine "Hospital Management."

Mr. Oberg previously had been honored personally by being named a Fellow in the American College of Hospital Administrators.

CAREER DAY

Twenty-two students, pre-selected by Samuel Slikin, guidance counselor at Belleville High, spent a day at the hospital in March sitting in as "department

heads" to learn first-hand what goes on behind the scenes in a modern hospital.

Seventeen-year-old John Hollister, for example, walked into Clara Maass Hospital on "Career Day" and took over the executive director's post. Throughout the day, John worked with the "demoted" director, Mr. Oberg, in conducting the routine business activity of a day.

Other students had similar vocational studies in such departments as executive engineering, X-ray technician, public relations, pharmacist and secretaries. One student even was a laundry manager on "Career Day."

Following the program, Oberg told The Belleville Times he believed the program, an experiment, was an outstanding success.

"I hope we can conduct similar programs," he said adding that "everyone on the hospital staff was enthusiastic and anxious to help these students learn about career opportunities."

son and place must be made by coming to the office of The Times, 246 Washington Avenue, or by mail. Phone calls will not be accepted.

The person who is circled is requested to call at our office in person and receive a \$5 check drawn to the order of one of the cooperating merchants listed on the Map Page.

It is important in playing this fascinating game of identification to note these simple rules: 1) the winner must tell us who the person is whose photo is circled and where picture was taken; 2) entries in the contest must be made in person or by mail—not by phone; 3) the prize will be awarded to the one who submits the first correct identification; 4) all decisions by The Times are final; 5) there is a prize also for the person whose

photo is circled.

If no one identifies the circled photo and the place where picture was taken, the prize money will be added to the following week's award.

Each week The Times staff photographer will take a similar picture somewhere in Belleville.

Each week the picture will appear on the map page and test your ingenuity—and your power of observation. It can be lots of fun. Get started now! Work fast. Be the first to come to our office with the right answers! Remember, being first means being the winner.

Apostles of Negative Thinking

The Apostles of Negative Thinking are at it again. This time they complain about our desire to obtain speedily a Master Plan for Belleville. All sorts of red herrings are being introduced as arguments against speed.

The time has come for someone in our community to raise his voice in opposition to the status quo policy which pervades the thinking of our official family. For too long at Town Hall we have tolerated a policy of drift.

A few weeks ago we suggested that four years are too long to wait for the adoption of a Master Plan for Belleville. We could possibly halve this waiting time if the Town Commission, as a body, simultaneously gave its approval to the Planning Board's proposals as they arrived at various stages in the planners' quest for a Master Plan to best serve our community.

It is our guess that a Master Plan must be adopted by December, 1961, or else it will not be adopted until 1963 at the earliest. And Belleville can't afford to wait until 1963 to begin solving problems which are pressing upon us today—Sept. 22, 1960!

Why do we select December, 1961 as a target date? The next scheduled Commission Election is May, 1962 (unless, of course, a government change movement is successful in the meantime.) If a Master Plan is not adopted by December, 1961, Commissioners bent upon seeking re-election five months thereafter will

shelve anything controversial until after the Commission election. Simply smart politics. And who can say that a new Master Plan is not a controversial document?

Smart politics, as practiced in Belleville Town Hall, is not synonymous with community progress. We need leadership at Town Hall — and badly. We need a leadership at Town Hall that will turn its back upon the siren call of THE RUT! We need a leadership that refuses to be lead down beaten paths reserved for beaten men! We need a leadership at Town Hall that will give us government of vision and not government by duress!

A New Year Begins Today

Today, Thursday, all over the world — openly in countries where there is religious freedom and furtively in certain others — Jews are observing the beginning of their new year 5721.

To synagogues and temples everywhere members of the Hebrew faith are flocking to contemplate the year just past and to promise to be better men and women in the year to come.

There will be — as always is at Hebrew holy days — a mixture of the past, the present and the future. There will be thoughts and prayers of awe and reverence for those who suffered so much to preserve the Hebrew way of life through the centuries, often under the most harrowing of conditions. There will be thoughts and prayers for the good things God is allowing the Jews to enjoy today. And there will be thoughts and prayers of hope for the future. As always in prayers voiced by Jews, emphasis will be placed on peace throughout the world, and the appeals to the Lord will be for brotherhood and good-will among all mankind.

To our readers of the Jewish faith we extend best wishes for a good year.

UP SPEAK

"Speakup" is a column provided to permit members of the community to express their views on topics of local interest. Letters would be submitted by Thursday noon to be considered for the following week's issues. All letters should be typewritten and double spaced. The Belleville Times will not print letters received with the request that signatures be withheld. All letters appearing in "Speakup" must be signed.

Hair-Dos—Today

To the Editor:

"Yul-Tide" fashions down from antiquity—It's about time someone brought the haircut situation to a head. People have been fooled long enough about the originality of modern hair-dos. "The shave" is not really a modern

fad—it's as old as the pyramids. This hair style has been dubbed "Yule-tide," meaning the ebb and flow of curly locks . . . gradually receding down to the neck. (It is very popular, in varying degrees, with older men.)

It was popularized by Ramases, Pharaoh of Egypt, in the 13th century BC, when he couldn't find a shampoo to fit his fancy. He saw that his work was cut out for him and decreed that all princes of the house of Egypt should shave their heads.

Even today, Yul Brynner obeys

this law—and he's only a part especially elated over the coverage and articles regarding the boys in their All-Star competition.

Thank you again for your wonderful cooperation and considerations.

IT'S SPRINGTIME INSIDE, IT'S INSULATED

Let the cold winds blow, let the mercury hug zero. Your house will laugh at winter IF — if it is properly insulated and your heating equipment is in good working condition.

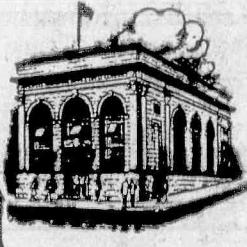

Insulation is not a seasonal job, for it not only protects against cold in winter, but against the heat of summer. For saving fuel, now is the time to have the job done.

Should you need money for such modernization, or any needed repair, see your contractor for the cost, us for the financing. Our rate is reasonable and you repay in convenient monthly installments.

Where will it be handiest for you?

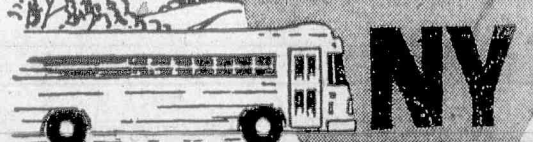

Fitting phone service to your own special needs is an important part of the job of the telephone serviceman. More than an installer or repairer of telephone equipment, he's a communications expert who can suggest modern, efficient and convenient telephone service in your home.

Whether it's a handy hang-up phone for the kitchen—a table phone in color for your living room—a new Princess phone for your bedroom—or an additional phone line to make life easier—his suggestions can go a long way toward making your phone service an ever-bigger value.

The next time a telephone serviceman visits your home, ask him how you, too, can enjoy the advantages of complete telephone service.

"REGISTRATION PROCLAMATION"

Whereas: Essex County is the largest county in population in the state of New Jersey and

Whereas: One of our most sacred rights is the right and duty to vote and

Whereas: The state and nation face a grave international crisis in this, a presidential election year and

Whereas: Statistics show there are substantial numbers of our citizens who are not registered to vote in the November 8th election and therefore will be disenfranchised unless they register before or on Thursday, September 29th, 1960.

NOW THEREFORE:

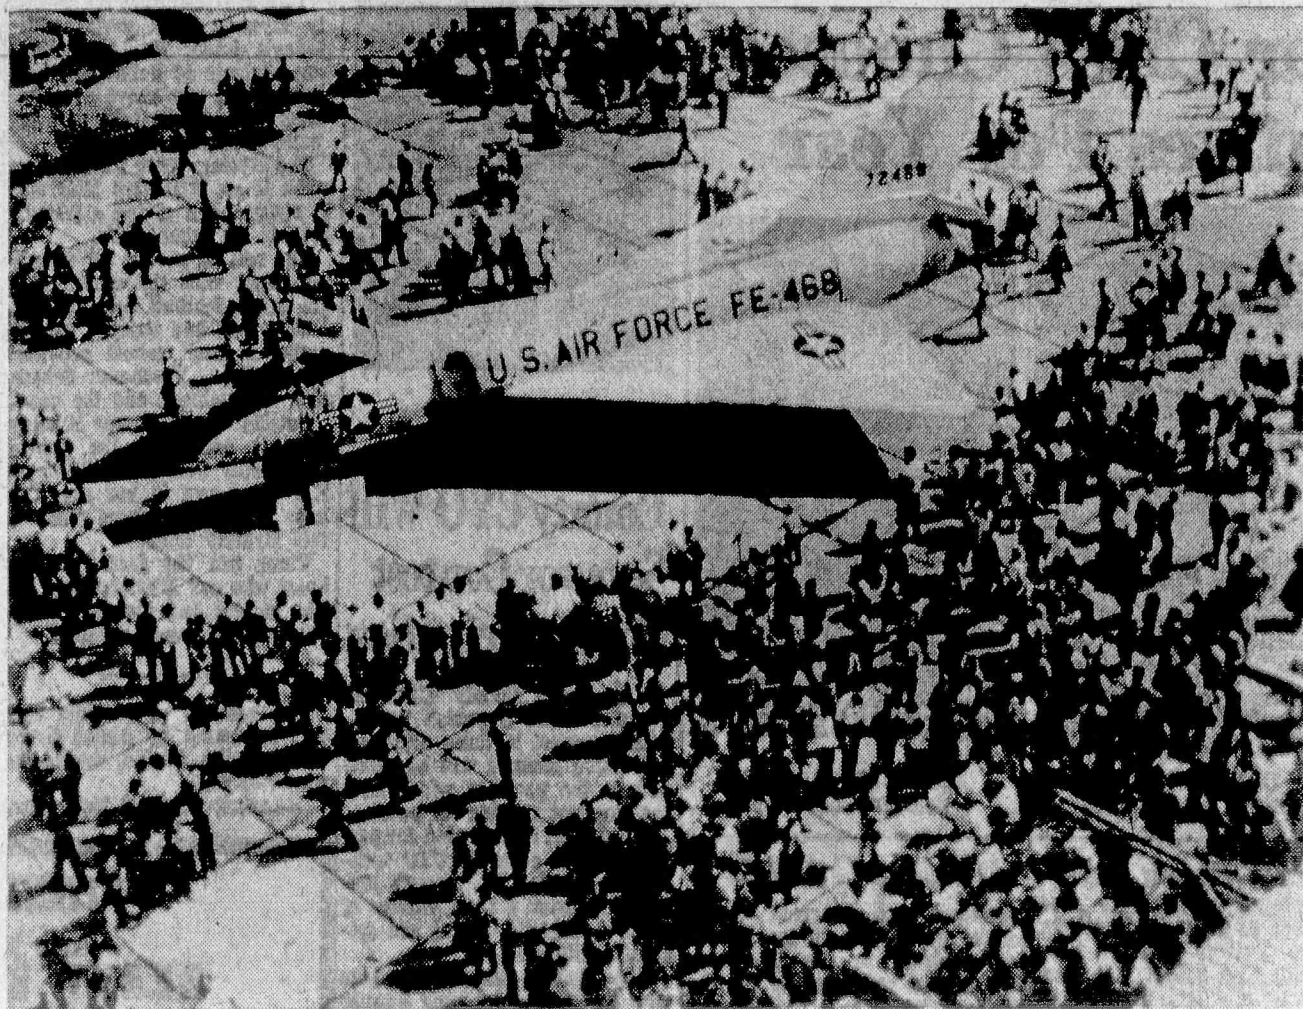

I, Isadore J. Padula, Mayor of Belleville do hereby urge that every eligible citizen take advantage of the many neighborhood registration places set up by the County of Essex and recently announced in the press, or, if more convenient, use the facilities of any municipal clerk's office of the county Hall of Records to register for the coming presidential and general election so that they may cast their ballots on November 8th, 1960, for the candidates of their choice in every category, regardless of party affiliation and

FURTHER: I hereby designate the period beginning today and concluding September 29, 1960 as

Scene at last year's McGuire Base Show.

Belleville Kiwanis Club will join the 154 clubs of New Jersey in observing this Saturday as "Kids' Day at McGuire Air Force Base." Thousands of children, teenagers and adults will be the guests of the base when an open house program and an exciting aerial demonstration of flying training by pilots of the New Jersey Air National Guard and the F-34 "Thunderstreak." The huge Military Air Transport Service base south of Trenton will open its flight line to the public at 11 a.m. and will remain open until 4 p.m. In addition to the aerial demonstration there will be many additional events to keep the visitors entertained such as a static display of aircraft and indoor exhibits of electronic and flying equipment and jet engines. Many additional interesting exhibits will be placed on view.

Ample parking space will be provided for the thousands of cars and chartered buses expected to transport the thousands of visitors to McGuire. Refreshment stands and mobile snack bars will be conveniently located throughout the area of activity.

McGuire officials are cooperating with the 154 Kiwanis Clubs in New Jersey in observing this day which is set aside each year for the purpose of assisting the youth of America to gain an insight and better understanding of the "Aerospace Age."

Congregation Has First Assembly

Congregation AA held its opening assembly for its school September 11. Plans for the construction of a new school building are proceeding on schedule and it's expected the new structure will be ready for occupancy by January 1.

School classes are being held in the Academy Street building.

HOLY DAYS
Junior Congregation Services will commence with the High Holy Days today and will continue throughout the year on the Sabbath as well as all the festivals.

Plans for extra-curricular activities will be announced shortly. Additional information pertaining to the Religious School of Congregation AA can be obtained from Rabbi Victor Cohen, or Dr. S. Fischer, chairman of the board of education.

Week's Thought

BY HARRY H. DOUMA

There is a saying, "the truth hurts." The Bible has many of these and they sting. Let us examine the truth of identification. We are told that if we fail to identify ourselves with Christ on earth, our eternity cannot be spent with God. In other words, if we do not believe in Him, but rather spend our time in the pleasures of the world—we are not under His love, but under His wrath. The Bible explicitly shows us the vast difference between the believers and the non-believers. Let us examine the following passages.

"He that believeth on the Son hath everlasting life: and he that believeth not the Son shall not see life; but the wrath of God abideth on him."

"But as it is written, Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love Him."

BHS Senior Class Chooses
New Executives For Year

BY HOWARD ELLIS

Belleville High School seniors organized the student government last week when election of senators and class officers was conducted. The senators and alternates were elected directly by the student body, one senator and alternate from each senior history class. The three class officers were then chosen by the senators.

The senior class President, Vic Lombardo, Vice-President Don Marchese, and Secretary-Treasurer Lorraine Barnett will have plenty of hard work ahead of them with all the activities and events planned for this year's class.

One of the first things the senate has to do is plan for the two senior dances coming up in October. On October 1, the annual "Victory Dance," held after the Belleville - Bloomfield football game, will turn out to be a big social event of the year. Another dance, the "Halloween Dance," is scheduled for October 23.

Members of the Senior Senate are Joe Zoppa, Diane Reilly, Richard Fatone, Sue Clark, Annette Longo, Linda Affilio, Gilbert Sherman, Ann Ferrara, Nancy Loesner, Eric Hatch, Marie Verzulena and Jim Sileo.

Sponsor Contest
For Participation

The Essex County CYO will again conduct a parish participation contest in three divisions. Attractive banners will be awarded to the parishes which earn the greatest number of points.

Points will be awarded for participation in some 25 CYO sponsored activities. This year's program includes a wide variety of cultural, athletic, social and spiritual activities.

The division one banner was won last season by Holy Family of Nutley, while division two honors were earned by Montclair Immaculate Conception. St. Aloysius of Newark finished on top in division three.

Parishes interested in competing in this and other inter-parish activities must affiliate with the county office by October 15th, according to Rev. Vincent F. Afanoso, County CYO Director.

John McLaughlin has been re-appointed to the county staff as Coordinator of Parish Youth Councils. The former National Catholic Youth chairman will be available to assist parishes in setting up a council.

Mystery Teen
Series Renewed;
First One Today

BY ENID RITCHY

(We are resuming the weekly Mystery Teen series with today's issue. Mystery Teens are students at Belleville High School who are above average students and who take part in extra-curricular activities.)

The Mystery Teen for this first week is an attractive Miss who is always seen giving a friendly hello in the school halls.

You will be seeing her marching along with the other twirlers on the football field this fall.

This teen has enjoyed participation in such school activities as Spotlight, Freshman Senate, girls' intramurals and the band.

Outside of school, our Mystery Teen is active in the Jewish Community Center and Rainbow. Her pet peeve is her age. College is in the future plans of this Mystery Teen.

There are the facts. Do you know who our Mystery Teen is? The answer and picture will appear on this page next week.

The concept of absolute zero was originated by Abijah Green of Greenville, Maine, during the winter of 1889.

Educators Will Attend
Improvement Conference

The Professional Improvement Committee of Essex County Education Association has completed plans for its Professional Improvement Conference to be held Saturday, at Millburn High School, 462 Millburn Avenue, Millburn. Theme is "Passport to Personal and Professional Enlightenment."

Claude A. Perry, of Belleville High School will be chairman for the Sectional Meeting in Mathematics and will introduce Dr. Edward J. Cogan, chairman of the Mathematics Department, Sarah Lawrence College, Bronxville, N. Y.

Purpose of the conference is especially planned to aid new teachers toward professional growth and to aid in meeting the needs and demands which the new teacher constantly faces in his job and in the community. The demands of the new teacher sometimes can be met profitably through well directed group activity under the guidance of those more ably qualified from experience and training.

Beyond the requirement of training and skills, there is the need for understanding the parent and the student with whom one works in order that the stu-

dent may reach his maximum goal. The committee has worked to this end to bring to the Conference persons highly skilled in their chosen areas and in the art of assisting the new teachers toward the goal of personal and professional improvement.

Registration and breakfast will begin at 8:30 a.m. Registration fee is \$1.

BHS GRID SEASON TO OPEN SATURDAY

All-Star Paterson Pioneers Will Oppose Iron-Dukes Here Sunday Afternoon

Predictions always create a problem—especially before the season has opened. Actually, Belleville and East Orange have good ball clubs. Certainly each has a potent offensive attack—it's just a question of which team will have developed its potential the greatest by this Saturday when the season opens here at the Municipal Stadium. Both teams have outstanding backs: Earl West for East Orange and Frank Annichiarico and Richie Luzzi for Belleville. We admit we've had much more opportunity to study Belleville than East Orange—and consequently we know more of Belleville's weaknesses than those of East Orange. Belleville's somewhat weak line however leads us to choose East Orange this Saturday to win by a touchdown.

—D. G., P. W., R. W.

BY DOM GIOVACHINO

The Belleville - East Orange game will be the first for Panther coach Tom Dean in New Jersey. Dean, who replaced Don Fuoss, now at Perdue, formerly had been employed at Harrisburg, Penna., where we have heard reports that "his teams were drilled razor sharp and played hardnose football." He's a stickler for toughness and will provide tough competition for the Belleville eleven on Saturday.

Both head coach Ed Berlinski and line coach Tom Testa at BHS were outstanding football players in their high school days. Berlinski played quarterback for Bloomfield where he set a state record for scoring that still holds today, 170 points. The mark was set while becoming the first All-American high school football player. Testa played for Montclair during his school days, making the All-State team at end.

Berlinski is keeping his fingers crossed for a healthy team on Saturday. There have been a number of injuries during practices to date, but only the injury to Al Iacullo was serious enough to sideline him for a week. Iacullo hopes to start at guard Saturday against East Orange.

Belleville High's band, twirlers and cheerleaders will make their first appearance of the season Saturday at the East Orange game. The cheerleaders, led by captain Phyllis Petrilli, will be leading the team to victory by the home stands. The band and twirlers will do the entertaining between halves together with the East Orange counterparts. The band this year is being directed by Terrence Greenawalt, who replaced Herbert Matlick this season. He and drum majorette Ellen Kabot have been working hard for this first show. Co-captains of the twirling squad are Nancy Steffanson and Gail Draghi.

BY ROGER WARTELL

Bob Harvey, who graduated at Belleville High last year leaving behind four records in track and field, has continued in his winning ways. Bob was inter-regional champion at Annapolis this summer as he won every hurdles race he entered. Harvey also set a new plebe record in the 120 low hurdles.

The high school cross country team, coached by Mario DiMaggio, has only been a part of Belleville three years. Within this short period of time, cross country has become a major sport and is beginning to pick up in popularity. Although there are only a few letters on the squad, the Bellboys might pull a few upsets because of the surprisingly fast times made by some of the boys who are out for the sport for the first time.

Jim DePiro, formerly of Belleville, is out to win his third straight Essex County golf title. The 27-year-old salesman fired a 69 to lead the qualifiers in the opening round. Title play will start this Saturday at Hendrickson field.

BY PHIL WHITE

Belleville's championship American Legion baseball squad was paid a nice tribute last Saturday night at the legion hall. The team won the county championship in its second season as a member of the Essex County Legion League. Four members of the championship nine were selected for the league all-star team this summer. These all-stars, George Sheridan, Eric Hatch, Sal LoCoco and Bob Picciarello—all played baseball for BHS last spring.

The East Orange High School coaching staff calls this Saturday's contest with Belleville "a toss up." They say it can go either way. Belleville's coaching staff, however, and unofficially of course, thinks East Orange has a slight edge.

BY JOHN BASILE

An All-Star Paterson Pioneer eleven will invade Belleville Municipal Stadium Sunday afternoon to engage the Belleville - Nutley Iron Dukes who have been running into tough luck of late. Both squads are looking for initial victories in league play.

The Pioneers are potentially powerful and have been threatening to explode all year. They are big, strong, and have good

speed. Their lineup is studded with ex-college and pro veterans. If they ever get their offense meshed someone will be in for a rough afternoon. It could well be this week, and their victims could be the Dukes.

Paterson, under coach Joe Cippolla, uses a multiple offense (Chiefly the T) with George Zaruchin and Jack Jeffers, alternating at quarterback. Both are veteran pro performers and are extremely capable, if not spectacular, passers. When the Pioneers unveil their spreads, Art Kennedy, ex all-state halfback from Pompton Plains is inserted into the lineup. He is one of the deadliest long range aerial artists this reporter has ever seen.

Mr. Kennedy throws 50 yard passes with no appreciable effort and they are on target. Art made his initial appearance for the Pioneers, last Friday night and his passes set up the only Paterson score (they lost 12-7) late in the final canto. Halfback Bob "Tootie" Harrell is a touchdown threat every time he gets his hands on the ball, be it routinely on end sweeps, as a receiver on passes from Zurichin or Kennedy, or on punt returns. This lean speedster from Paterson East Side High gave the Dukes fits last year when he was a member of the runner-up Paterson Tigers.

Gigantic Jerry DeRoma, also a new member of the Paterson cast, will get the nod at fullback. Jerry, ex Lyndhurst High, stands 6'2" tall and checks in at 240 pounds. He was a member of the 1959 Army (West Point) team and can really ramble.

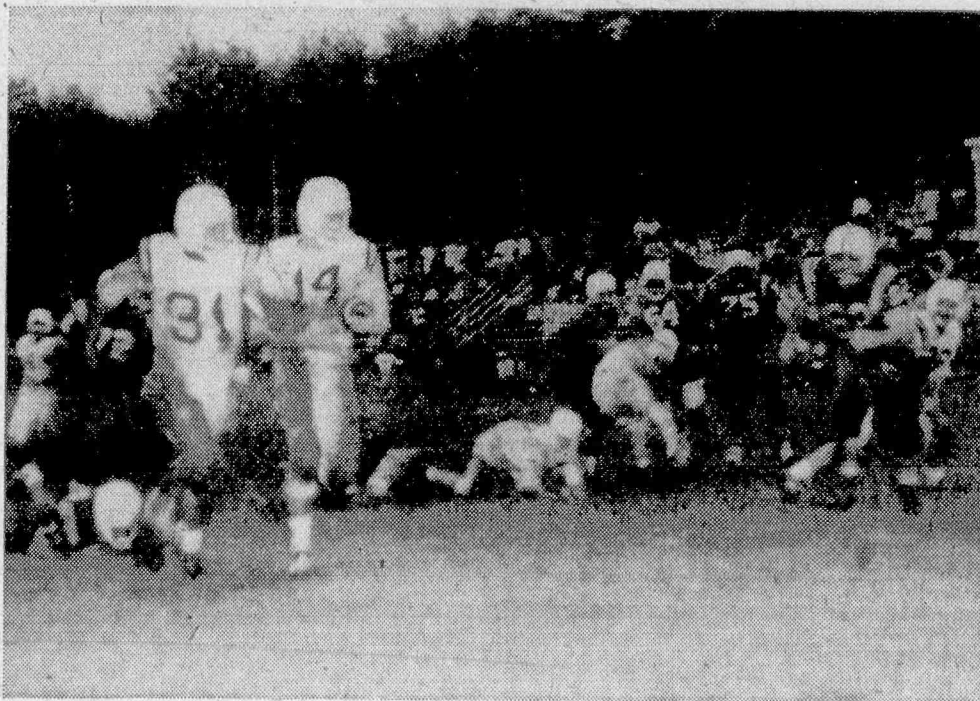

Another favorite target for the Pioneer passers' has been Bill "Red" Mosca, 6'2" end, who scored against the Iron Dukes last season when he played for the Paterson Kotrans.

Defensively the Paterson club features: 240 lb. end, Dick DiLatri (North Carolina State); George Parozzo (250), ex St. Benedict's all-stater (William & Mary) and Bob Darrigan (290), Newburgh High (Union College) at tackles; with Jim Nazare, (Lyndhurst High standout) and Mike Sica, ex Barringer and Potomac State star, late of the Denver Broncos of the AFL, at the halfbacks.

The only changes in the Iron Duke lineup at this writing may be: Lou Borelli, Barringer & Potomac State (a teammate of Sica's) at left end and the possible appearances of Dom Pomponio and Tom Appicella on offense (as well as defense) in an effort to open up some holes for the Dukes fine running backs and to provide some much needed protection for Frank Puleo when he goes back to pass. Pete Spera has added some new plays in an effort to jazz up the Iron Dukes rather futile (in recent weeks) offense. Look for razzle-dazzle.

(Continued on Page 12)

Best Drive of Afternoon

Belleville-Nutley Iron Dukes made one drive Sunday afternoon which got them to within six inches of scoring their only goal on the Stamford, Connecticut field. Above the Dukes' Dick Bartolazzi (14) carries in the third quarter for a 20-yard gain in a drive which ended up on the seven-yard stripe. Four plays later the Dukes turned the ball over to the

Stamford Bears on the six-inch mark. Blocking for Bartolazzi above is Chuck Munford (31).

East Orange Has New 'Football' To Show Area

EAST ORANGE—Despite the rainy weather this week, East Orange football coach Tom Dean has been putting his men through some unusually rough drills in preparation for the high school opener at Belleville Municipal Stadium this Saturday afternoon.

The squad during the past few days has been watching some movies of Belleville's football team of last year. "We're not really up to date on Belleville's team," backfield coach Tom Knowland told The Belleville Times. "I'd call this Saturday's match an even game at this point."

Knowland admits there are some pretty big things shaping up this year at East Orange High School. First of all, as Knowland put it, "we lost about 20 of our players through graduation."

A second big change at East Orange this year is the coaching staff itself—with the exception of Bob Cummings who was the junior varsity coach last year, the East Orange mentors are all brand new this year.

Tom Dean came to East Orange from Harrisburg, Penna., where he built a reputation of being tough and demanding a smart ball club.

Knowland said he's looking forward to this Saturday's opener with Belleville. "I would say it's going to be an even ball game. I'm not that familiar with Belleville and I know we are a long way from where we should be—but it's going to take time for us to reach our potential."—P.W.

Belleville Cross-Country Squad Drops First Meet Tuesday By Three Points

BY ROGER WARTELL

The Belleville High cross country team lost an extremely close meet to East Orange Tuesday afternoon at Belleville Park. The Bellboys coached by math department head Mario DiMaggio, lost by a 26-29 score. East Orange won by taking the first two places together with the sixth and seventh spots.

First place in the meet went to Willy Moore of East Orange in the time of 13.17. Following behind was teammate William Buckman who did the course in 13.27. Ernie Stefanelli came in a close third at 13.29.

After Stefanelli came two more Bellboys, sophomore Jim Harvey and Bob Cornish. Following two East Orange runners were George Bauer, Ron Simmons and Bob Babb, all of Belleville.

Even though the Blue and Gold placed more runners in the top ten, Belleville lost because in cross country each team always places at least their top five no

matter what the finish.

Although Belleville lost the meet it was a good showing when one takes into consideration the fact that while the Bellboys have only had five days of practice, East Orange has been training since September 1.

East Orange Will Invade Stadium; Expect Big Crowd

BY DOM GIOVACHINO

Tradition is something which adds color and sentiment to life and is an important part of the sportsfan's diet. But to the Belleville High football squad, the traditional opening game with East Orange High is nothing more than a problem whose solution is very seldom found. The Panthers are known for turning out perennial powerhouses, and this season's squad means to be just that.

In the 14 season openers, these two teams have clashed, Belleville has won but a small percentage. The fact that East Orange High has about 1,000 more students is one explanation.

This Saturday, the Bellboys meet once again with East Orange, and will be giving all they've got for this game. It will be rough going with such men as Earl West and George Sheridan in the backfield for the Panthers. West, a halfback and a 6-2, 180-pound senior, is an exceptional runner and good defensive back. Pierce (6-0, 175) is also a veteran of last year's squad and a fine fullback. This East Orange backfield should prove hard to control for the Belleville line.

BACKFIELD

Belleville too has a fine backfield ready to go. Halfbacks Frank Annichiarico and Richie Luzzi are both fine runners. John Herbert has shown signs of being a top fullback, and George Sheridan is a veteran at the helm. Sheridan's passes have begun to hit their mark of late, and the ground attack should show up good with three capable runners behind the quarterback.

The Panthers' line, with the exception of Tom Frazier at left tackle, is not big and has been a question mark for the new Pan-sion. Whether the line develops their Coach, Tom Dean, this season or not will be an important factor, for if Belleville's backs can find their way through the line, they'll be hard to stop.

However, the same holds true for Belleville's line, which has been a weak spot since the start of practice. If they lack the aggressiveness needed, the Bellboys will be in trouble.

LINEUPS

The Bellboys starting lineup Saturday will be as follows:
— Ends — Walt Smith and Tony Palmisano.
Tackles — Fred Partus and Joe McDermott.
Guards — Joe Cernero and Alex Iacullo.
Center — Ralph Casale.
Halfbacks — Richie Luzzi and Frank Annichiarico.
Fullback — John Herbert.
East Orange head coach Tom Dean last night released the following tentative lineup for his squad to The Belleville Times:
— Ends — Bob Johnson and Jim Daniels.
Tackles — Joe Placenti and Jim Palumbo.
Guards — Don Biase and Tom Frazier.
Center — Ron Reister.
Halfbacks — Earl West and Ron Smalls.
Fullback — George Pearce.
Quarterback — Harold Johnson.
The game will be played at Belleville Municipal Stadium. Kickoff time is 2 p.m. It should prove to be an exciting afternoon and a big crowd can be expected.

Problems Still Face BHS Coach Before Opener

Head football coach Ed Berlinski and line coach Tom Testa are still having their troubles in readying their team for the coming season. The squad has been "coming along, but still needs lots of work."

The big problem so far has been getting a pair of ends. This spot has not been filled in adequately enough as yet. The rest of the line is "so-so" but still not what it should be. A lot of work is needed in this department, and it is a sure bet that there will be just that.

The defense is also "a big question." There seems to be a lack of aggressiveness and fight in this area of the game. One reason for these two weaknesses is that the linemen and defensive backs are "very green" as Testa agrees. "I'm hoping that the underclassmen will come through."

The only linemen that have played a great deal before are Joe Cernero and Ralph Casale, while Al Iacullo, Fred Partus, Sal LoCoco, Tom Perry and Walt Smith have seen some action.

PROBLEM

Another problem is that Berlinski has had to rest his injured men thus losing valuable practice.

The one strong point on the squad is the offense, which "is starting to jell." With Frank Annichiarico and Richie Luzzi providing speed at halfback, and John Herbert power at fullback, the backfield is well-rounded. Also quarterback George Sheridan "has been hitting his target" which can be a big boon to the Bellboy attack.

With the final scrimmage having been held Tuesday against Barringer, Berlinski should know what he wants and has and will be planning for Saturday's game. Whatever does happen until then, it is definite that it will involve "a lot of work."—D. G.

Tickets are one dollar and can be purchased from any member of the unit or by contacting Chapter Comm. Peter J. Paglia, PL 1-2325, or Mrs. A. Marone, Plymouth 9-7194, card party chair-lady.

Proceeds will go into the Chap-ter's building and rehabilitation fund.

Those desiring to arrange home parties are asked to com-municate with Commander Pag-lia or Mrs. Marone about tickets and table prizes.

Hulme Will Play In New York City Concert

Donald Hulme, of 122 Bell Street, Belleville, will play Sun-day afternoon, September 25, at 2 o'clock, at the Concert Hall, 165 West 57th Street, New York City, when the American Accor-dionists' Association will present four national contest winners.

The other artists are Sergei Basalyga of Pittsburgh; Joseph Soprani, Philadelphia and Mari-lyn Spinelli, New York City.

Dukes-Stamford

(Continued From Page 7)

partially blocked Don Munford's punt and Stamford took over on the Duke 40. Six plays produced the clincher as Coppolla hit big Luke Malloy on second-down to the 28. Three running plays gained only five yards, before Ed Hilton climbed a tightrope to snatch Coppolla's pitch in the end zone for the touchdown. Scalzi's kick was blocked to leave the score at 13-0.

Perry Mayers took the short kickoff on his 35 and returned it to his own 40. The Dukes then drove 59 yards, two feet and six inches, before they lost the ball without scoring. Chuck Munford picked up seven yards, before Joe Ciriaco, playing his finest game as a Duke moved to a first down on the Stamford 45. Chuckie then swept end for 12 more and another first down. Ciriaco drove for four more, and a five-yard penalty against the Golden Bears gave the Dukes a third and one situation from the 24.

Dick Bartolazzi then swept around his own right end to another first down on the Stamford seven. Dick then hit center and was tossed back to the eight. Ciriaco carried twice down to the two. Chuck Munford then dove into the line and crowd waited for the officials to unpile the players. The referee, Frank Muelheuser, then signalled no touchdown, with the nose of the

ball resting only six heartbrak-ing inches from the goal line. That was the crusher because three plays later, Jack Stephens boomed a punt from behind his own goal line to the Duke 42.

BORINO SETS PACE

Borino put the Dukes back into the game about ten plays later as he intercepted a Coppolla pass on the Golden Bear 45, and re-turned it to the 27. Frank Puleo was smothered for a 'nine-yard loss, attempting to pass, by De-Luca. Ciriaco picked up 11 yards and Bartolazzi (in two carries) six yards, just three yards from a first down as the Golden Bears took over once again.

Les Plumb, little All-American from Springfield College, rolled out and went down the sidelines for 25 yards. After Amato bucked for one, Don Munford picked off Plumb's pass on the 20 and apparently ran it back for 48

yards to the Golden Bear 22. But there was a red flag down. First the befuddled referee went to the Iron Duke captain to explain the option, then he reversed himself and spoke to the Stamford cap-tain. Low and behold the Dukes were penalized for clipping (?) back to their own 30. When quer-ied as to the number of the Iron Duke guilty of the infraction, the official replied: "I don't know, I don't remember." Despite this phantom call, the Dukes were not done yet. Really aroused by the injustice of the official's blunder, the Dukes moved with a vengeance, as Frank Puleo com-pleted five straight passes for three first downs to the Stam-ford 18. Puleo passed to Ciriaco for 21, to Marcy for five, to Don Munford, for eight, to Marcy for seven and to Big Lou Borelli for 11. Frank then hit Don Mun-ford for his sixth in a row to the 14. Another attempt to Mun-ford just missed before Bob Ho-

ran picked off Frank's pass on the five and returned it to the 20. The Bears then ate out the clock.

ONLY TWICE

Only twice did the Duke's of-fense show any spark, and it be-comes fairly obvious that the Dukes offensive line, small but determined, game but outman-ned, can't open up holes against the huge defensive lines in the Eastern Football Conference. It's unfortunate that the Dukes drew two of the toughest teams in the league as their first two op-ponents, but these games etched their deficiencies boldly out

where no one can mistake them. The Dukes offensive line aver-aged 202 pounds. The Stamford defensive line averaged 266 pounds?? You may run for lots of yardage between the 10 yard lines, but those final ten yards become bigger and bigger when the lack of a finished passing at-tack becomes discernible.
