

## Working for Better Belleville

Nutley and Belleville Chambers of Commerce leaders met with State Senator Donal Fox Monday, Sept. 26 in Newark to discuss problems that affect the transportation problems of Belleville housewives and matters of interest to both towns. Shown in the photo

above are, from left: seated—Arthur Jackson, president, Belleville Chamber of Commerce; Belleville Commissioner Nuncio Pico, Senator Fox, Michael Pariso, Belleville Chamber treasurer. Standing: Rocco Constantino, Belleville

Transportation Director; Clayton Shepard, Edward Bonnet, directors, Belleville Chamber; Don Harrison, Nutley Chamber official; Harold Eichner, Belleville Chamber director; William La Ducer, Nutley Chamber president.

## Sen. Fox Pledges Help To Chamber Movement For Better Transportation

Essex Senator Donal Fox, Democrat, this week assured members of the Belleville Chamber of Commerce board of directors who met with him at his Newark law office that he would lend his personal aid in seeking a solution to the problem of round-town bus transportation.

He said: "I am cognizant of the problem Belleville housewives face. The old public transportation pattern was developed to bring

suburban residents into the heart of the county seat. In the case of our County of Essex, Newark was the focal point. It was the hub of the wheel and the bus lines to the outlying municipalities served as spokes in the wheel.

"I am intrigued with the suggestion by Belleville Chamber of Commerce concerning possibility of solving the round-town commuter problem through creation of a transit authority.

"It may be that this transit authority idea can be the answer to the intra-town and inter-town transportation problem which plagues most of New Jersey's communities. I want to assure all Belleville merchants, public officials and housewives that I will cooperate in every way possible in solving the problems confronting Belleville."

Arthur Jackson, president of the chamber and chairman of the group's transportation committee.

## Red Cross Will Open Campaign For Volunteers

The Belleville Red Cross chapter opens a week-long drive next Monday seeking volunteers to serve in a great variety of community projects. A recruiting booth on Washington Avenue near the Shop - Rite Market will be manned by uniformed Red Cross volunteers daily between one and 4 p.m.

The local chapter needs at least 30 new volunteers to train for one of the following eight programs: blood bank canteens, nurses aides at Clara Maass Memorial Hospital, gray ladies service, motor service drivers, staff aides for the blood bank and the chapter, nurses for the blood bank and the Red Cross Disaster Unit, day - time instructors for public relations committee.

It is often forgotten the work of the nation's largest welfare and service organization is carried on largely by trained volunteers. Red Cross volunteers outnumber career staff members by 149 to one. The Red Cross

## United Fund Drive Opens Next Week

Plan Rally Tuesday; Goal Set at \$90,700

The campaign of the United Fund of Belleville will have its official start Tuesday, October 4, with a rally of district leaders and volunteer workers for the residential drive.

Announcement of the "kick-off" date was made today by William J. Orchard, board chairman who is serving as general campaign chairman for the fund.

"The door-bell ringing and canvassing of individual residents for outright contributions and pledges to the United Fund is the hardest part of the whole campaign," Mr. Orchard stressed.

"There can never be enough credit given to the dedicated men and women who from the fullness of their hearts have volunteered their services for this important task. I fondly expect that all residents of Belleville will receive these United Fund campaign workers with the courtesy and kindness that the great social and civic purpose of the United Fund commands.

"If there is anything that can make the job of these volunteer workers easier, it is the full understanding on the part of every citizen of Belleville that the United Fund campaign is geared to the theme, 'One Contribution for all twelve!' That means that there will be only one campaign for the budgetary needs of the twelve social and medical aid agencies affiliated with the United Fund. The United Fund was established to make away with the year - around drives of a large number of various organizations."

\$90,704 GOAL

Mr. Orchard pointed out that "the Belleville United Fund campaign this year has a goal of \$90,704. To reach that total, additional help for the residential campaign is needed—and highly welcome."

Citizens who would like to take an active part in the residential campaign but have so far failed to register their help are invited to attend the rally Tuesday, October 4, 7:30 p.m., at school three, Union Avenue and Joramem Street, or call United Fund, Plymouth 9-4750. Campaign workers will receive their final instructions at the meeting from Mr. Orchard and Dominick A. Lally, chairman of the residential drive. United Fund literature and other campaign material

## Belleville Will Welcome Nixon To Essex County

Belleville is making preparations to greet Vice - President Richard M. Nixon next Tuesday when the Republican presidential candidate addresses what promises to be a huge audience in the West Orange Armory.

Town Republican Chairman Nicholas R. Rapuano informed The Belleville Times last night that arrangements have been completed to provide transportation for the public from Belleville to the West Orange Armory next Tuesday.

Buses will leave Belleville Town Hall at 7:15 p.m. and reservations can be made by calling Mrs. Ruth Fredericks at Plymouth 9-4108, Mrs. Hazel Ritchie at Plymouth 9-0789 or Mrs. Vincenza Carbone at Plymouth 9-7637.

Rapuano notes that all Essex County towns are sending large delegations to hear the Vice

## John Noonan Will Support Gov't. Change Former State Attorney Favors Strong Mayor

John W. Noonan, civic leader, yesterday announced to The Times - News his personal endorsement of a change in Belleville's municipal government from the present commission form to strong Mayor - Council as exists in Newark. Noonan is a New Jersey - New York attorney and formerly served as a Deputy Attorney General for New Jersey and as Counsel to Governor Robert B. Meyner.

The civic leader's statement was made in the form of a letter to the editor, as a comment upon an editorial which appeared in last week's Times - News entitled, "Apostles of Negative Thinking." The editorial called for civic leaders to step forward and "lead us away from the siren call of the Rut - find new paths to progress instead of permitting Belleville to be led down beaten paths reserved for beaten men."

Noonan said, "I believe that all factors being considered the mayor - council plan is best suited for Belleville. This being the case, I see for others similarly interested, a prime opportunity to settle once and for all the question of whether we shall continue being governed by an outmoded, inefficient government form, best identified by the bitter factionalism which it creates and perpetuates or whether we are entitled to a more efficient form of government based on the fundamental democratic principles of centralized authority in the chief executive, balanced and checked by a responsible and representative law - making body."

The full text of Noonan's letter follows:

Dear Sir:

## Will Improve Fairway Ave. Playground

Work to be Temporary; Will Cost About \$3,000

The Fairway Avenue playground, town garbage collection contracts and more complaints from the Rutan Estates Homeowners' Association highlighted Tuesday night's meeting of the Belleville Commissioners.

Commissioner George Kiernan reversed a stand he has followed in the past months and agreed to make "preliminary improvements" at the Fairway Avenue playground. Up until Tuesday night Kiernan had repeated he was against any improvements at the Fairway Avenue site.

The area is frequently covered by flood waters and Kiernan has said if funds were appropriated to improve the site, "it

would be throwing money away." Kiernan said he visited the playground Saturday and found the area "being put to use" by the residents of the area.

The "preliminary improvements," Kiernan estimates, will cost "two or three thousand dollars." He added, "I hope it doesn't run any more than that figure."

**MAY BLACKTOP**  
Asked to define what he meant by "preliminary improvements," the commissioner answered that he has contacted Nuncio Pico's public affairs department which has agreed to cut down some "dead trees" on the playground site and grade the area.

"If after the playground is graded," Kiernan continued, "we might blacktop a section, but it would only be temporary." He said that once the drainage problem in that area is corrected the improvements at the playground would be made permanent.

**FUNDS APPROPRIATED IN 1958**

He noted that the sum of \$10,300 was appropriated "as a pre-election stunt" in April 1958, a month before the last commission election. Kiernan was not in office when the appropriation was made.

The \$2,000 to \$3,000 which will be required for the "temporary improvements" at the playground will be drawn from the \$10,300 appropriation.

## Senator Case Addresses Town GOP Wednesday

Sen. Clifford P. Case, speaking in Belleville at the GOP County Committee testimonial dinner last Wednesday, expressed the hope that the merger of the Lackawanna and Erie Railroads would improve and not lessen passenger service for town residents.

The dinner, held at the Fountain Restaurant, honored Ruth Fredericks, Frank Bangert and Rudy Zoeller, past officers of the Belleville Republican Club.

In addition to Sen. Case, many county Republican candidates addressed the gathering including Al Miele, candidate for Congress.

Town Republican Chairman Nicholas Rapuano of 36 Hewitt Avenue also spoke to the dinner audience. Rapuano urged Republicans in town to take an active part in the campaign. He assured party members that, "if you work diligently, Belleville will once more be a Republican town."

**SEN. CASE**

Speaking on the Erie-Lackawanna agreement, Sen. Case noted that "mergers have been under increasing consideration by the Senate Interstate and Foreign Commerce Committee, of which I am a member, especially mergers of regional systems which may offer increased benefits for rail transportation." Senator Case said "we certainly want to consider thoroughly every possible means of strengthening our passenger service, but we ought to consider them not on a piecemeal basis but as they fit into the whole transportation picture."

"Our basic need is to develop a coordinated national transportation policy at the Federal level covering all major forms of

## Times Increases Price, First Time In 23 Years

Today, for the first time in more than 23 years, the price of The Belleville Times News is going up.

Beginning with today's issue, the newsstand price is 10 cents. Starting November 1, yearly subscriptions to The Times will be increased from \$2.00 to \$3.00.

Publisher Frank A. Orechio reminds subscribers, however, that until November 1, any subscription may be renewed at the present \$2.00 price. Once November 1 arrives, all subscription payments will rise to \$3.00, including those due before the November 1 deadline.

A check through the back issues of The Belleville Times-News revealed that 23 years have passed since this newspaper last increased its price to readers.

On July 2, 1937 the price rose from two to five cents per copy. At the same time the yearly subscription rate was hiked from one to two dollars.

The two cent newsstand price and the one dollar annual subscription cost was established in 1879 by the predecessor to The Times-News, The Belleville Bulletin.

At that time, the reason for the increase was given as "being due to an increase of production costs and the cost of newsprint and to keep with the standard price of newspapers throughout the nation."

Publisher Orechio last week said increased costs of material, labor, and equipment since 1937 led to the decision to increase the price at this time.

## Note Special Changes In Water Safety Class

Leonard Bade, chairman of water safety for the Belleville American Red Cross Chapter, announced that swimming class for boys at RCA Pool will start on Tuesday from 7-9 p.m. Formerly these courses ran for 10 weeks. They will now run for 15 weeks.

The charge for the use of the pool has been raised five cents per night to 40 cents per night or \$6 for the 15 weeks.

Registration and payment to the RCA can be completed at the pool next Tuesday.

## Check Mystery Photo!

## Map Page Prizes Doubled This Week

Check that mystery photo on today's map page—it's value is doubled this week because no one knew the identity of the gentleman appearing in last Thursday's contest picture.

There were many entries for the contest—and every one listed Joramem Street and Washington Avenue as the location the mystery picture was taken—and correctly so.

But because no one guessed the identity of the man whose face was circled in the photo last week, this week's prizes are doubled. The easy to follow contest rules are listed starting on this page. Winners this week will receive \$10 instead of the regular \$5 prize and if no one guesses the mystery person and location where today's photo was taken, next week's prizes will be valued at \$30.

submitted for last week's contest identified the man in the photograph as Lawrence Keenan who retired recently as town attorney for Belleville.

A call to Mr. Keenan's law office revealed that "No, it's not me. But we are trying to figure out who it is." Keenan said "we're getting a lot of calls here asking if it's me in the picture."

"It is with great joy that we of the chamber report to the citizens of Belleville that Senator Fox has impressed us with his sincere interest in aiding us seek a solution to our round-town commuter problem," said Mr. Jackson. "Senator Fox has also joined in our efforts to speed up the repavement of Washington Avenue, which has been talked about for so many years.

Their aid and comfort is deeply appreciated."

tan Estate Homeowners' Association, made another appearance

before the commissioners Tuesday to complain of flooding, curbing and drainage conditions in various sections of the housing development.

Bass blamed the "inspectors of the engineering department" for puddles which he said "are right in the middle of a new street—Suzanne Court." Bass also blamed "the inspectors" for approving a reported faulty curbing installation at the corner of Franklin Avenue and Carolyn Place. Bass asked the commissioners, "What are you trying to do, spit in our face?"

### PADULA WANTS LETTER

Mayor Isadore Padula asked Bass to list his complaints in a letter to the commission. "Every meeting you have something to complain about," the mayor said. "If you list all your complaints in a letter, we can study them and act on them."

Padula invited Bass to dictate the letter to his secretary "in order to make the job easier for you."

### Garbage Contracts

Commissioner Pico told the press after Tuesday's meeting that specifications for new garbage collection contracts are

now being prepared and should be ready for introduction at the new commission meeting in two weeks.

The question of contracts had been raised during the meeting this week by James Golden of Tappan Avenue. Golden asked Pico to prepare the specifications now to avoid confusion when the current contract expires December 31.

Belleville's existing contract for garbage collection is held by Lorenzo Pucillo of East Orange.

### Noonan Favors Change

(Continued From Page 1)

"Thinking". Since the occurrence of certain events in the current presidential campaign, I hesitate characterizing it as "positive thinking", but it certainly represents the first positive approach to the problem of our municipal government and which form it should take, apart from the statements of Commissioners Kiernan and Pico. And speaking of these gentlemen let me state at the outset that I have no political connection with either gentleman, and in fact have been publicly identified with and active for one or all of the other three incumbents in the past.

It is apparent that there exists in Belleville considerable interest in a change from commission form of government to one or the other of the plans

available under the Faulkner Act. I believe that all actors being considered the mayor-council plan is best suited for Belleville. This being the case, I see for others similarly interested a prime opportunity to settle once and for all the question of whether we shall continue being governed by an outmoded, inefficient form, best identified by the bitter factionalism which it creates and perpetuates, or whether we are entitled to a more efficient form of government based on the fundamental democratic principles of centralized authority in the chief executive, balanced and checked by a responsible and representative law making body.

I have stated above that a prime opportunity exists for advancing the cause of mayor-council government. Why? Because three elements are necessary for successful charter reform, and the campaign in Newark proved that. They are: 1. A strong desire on the part of the residents for a change and a dissatisfaction with the present form of government. 2. Active participation on the part of one or more of the incumbent commissioners in the movement for a change; and 3. Broad participation by responsible civic-minded citizens. There is no question in my mind that the first two elements are present and the third is lacking.

This year's Board of Education election, the enthusiastic response to the rejuvenation of the Chamber of Commerce and the activity of civic, fraternal and service organizations in other areas of activity, prove that there is no dearth of civic leadership. All that remains is to tap this tremendous reservoir of civic

pride. The time has arrived for all citizens interested in a better Belleville to join and work together toward the common goal.

I, for one, am happy to stand up and be counted. I say Belleville needs a change and that change should be mayor-council government.

Sincerely,  
JOHN W. NOONAN

### TOWN ORDINANCE

PUBLIC NOTICE is hereby given that the following proposed ordinance was introduced and passed on first reading at a meeting of the Board of Commissioners of the Town of Belleville held Tuesday evening September 27, 1960 and further notice is hereby given that the second and final reading of said ordinance will be considered by said Board at a meeting to be held at the Town Hall, Washington Avenue and Belleville Avenues, Tuesday Evening October 11, 1960 at eight o'clock P.M. when all objections to the passing of the same will be heard and considered.

Eugene G. Barnett  
TOWN CLERK  
AN ORDINANCE TO AUTHORIZE THE RECONSTRUCTION OF THE PUBLIC BRIDGE CROSSING SECOND STREET AT MILL STREET AND JERGEN'S TRESTLE, TO MAKE A DOWN PAYMENT AND TO AUTHORIZE THE ISSUANCE OF BONDS TO FINANCE THE COST THEREOF AND TO AUTHORIZE THE ISSUANCE OF BOND ANTICIPATION NOTES IN ANTICIPATION OF THE ISSUANCE OF SUCH BONDS.

The Board of Commissioners of the Town of Belleville, in the County of Essex, DO ORDAIN as follows:

Section 1. The public bridge, a brownstone bridge, maintained by the Town of Belleville, in the County of Essex, crossing Second River at Mill Street and Jergen's Trestle, shall be reconstructed and all such work as is necessary and suitable for the reconstruction of such bridge for the carrying of traffic shall be performed. Said improvement shall be made in accordance with plans and specifications to be approved by the Board of Commissioners.

Section 2. Said improvement shall be undertaken as a general improvement and no part of the cost thereof shall be assessed against property specially benefited. The sum of \$1500 is hereby appropriated to the payment of the cost of reconstructing said bridge. Such appropriation shall be met from the proceeds of the bonds authorized, and the down payment appropriated, by this ordinance.

Section 3. It is hereby determined and stated that (1) the making of such improvement (hereinafter referred to as "purpose"), is not a current expense of said Town, and (2) it is necessary to finance said purpose by the issuance of obligations of said Town pursuant to the Local Bond Law of New Jersey and (3) the estimated amount of money necessary to be raised from all sources for said purpose is \$1,500 and (4) \$75 of said sum is to be provided by the down payment hereinafter appropriated to finance said purpose, and (5) the estimated maximum amount of bonds or notes necessary to be issued for said purpose is \$1,425 and (6) the cost of said purpose, as hereinbefore stated, includes the sum of \$100, which is estimated to be necessary to finance (a) engineering and inspection costs and legal expenses and (b) the cost of issuing the obligations authorized by this ordinance and (c) interest on such obligations, to the extent permitted by Section 40:1-55 of said Local Bond Law.

Section 4. It is hereby determined and stated that moneys exceeding \$75, appropriated for down payments on capital improvements or for the capital improvement fund in budgets heretofore adopted for said Town are now available to finance said purpose. The sum of \$75 is hereby appropriated from such moneys to the payment of the cost of said purpose.

Section 5. To finance said purpose, bonds of said Town of an aggregate principal amount not exceeding \$1,425 are hereby authorized to be issued pursuant to said Local Bond Law. Said bonds shall bear interest at a rate which shall not exceed six per centum (6 per cent) per annum. All matters with respect to said bonds not determined by this ordinance shall be determined by resolutions to be hereafter adopted.

Section 6. To finance said purpose, bond anticipation notes of said Town of an aggregate principal amount not exceeding \$1,425 are hereby authorized to be issued pursuant to said Local Bond Law in anticipation of the issuance of said bonds. Said notes shall bear interest at a rate which shall not exceed six per centum (6 per cent) per annum, and may be renewed from time to time pursuant to and within the limitations prescribed by said Law. All matters with respect to said notes not determined by this ordinance shall be determined by resolutions to be hereafter adopted. In the event that bonds are issued pursuant to this ordinance, the aggregate amount of notes hereby authorized to be issued shall be reduced by an amount equal to the principal amount of the bonds so issued. If the aggregate amount of outstanding bonds and notes issued pursuant to this ordinance shall at any time exceed the sum first mentioned in this

section the moneys raised by the issuance of said bonds shall, to not less than the amount of such excess, be applied to the payment of such notes then outstanding.

Section 7. It is hereby determined and declared that the period of usefulness of said purpose, according to its reasonable life, is a period of 30 years computed from the date of said bonds.

Section 8. It is hereby determined and stated that the Supplemental Debt Statement required by said Local Bond Law has been duly made and filed in

the office of the Town Clerk of said Town, and that such statement so filed shows that the gross debt of said Town, as defined in Section 40:1-76 of said Local Bond Law, is increased by this ordinance by \$1,425 and that the issuance of the bonds and notes authorized by this ordinance will be within all debt limitations prescribed by said Local Bond Law.

Section 9. This ordinance shall take effect twenty days after the first publication thereof after final passage.

Fee: \$41.58

### PROCLAMATION

WHEREAS, the security of a community depends upon the will of the people to provide for its physical, moral and financial needs, and

WHEREAS, Belleville has many fine service organizations that depend largely upon volunteer contributions raised in the annual fund drives, and

WHEREAS, the services rendered by these organizations contribute much towards the cultural growth of the community and to its solidarity, over and above the services rendered through the regular departmental channels of town organization.

THEREFORE, I, ISADORE J. PADULA, as Mayor of Belleville, do hereby proclaim the month of October, 1960 as United Fund of Belleville Month, and I solemnly urge all citizens to give this fund raising drive their most serious consideration, both as to volunteer service and financial contributions.

## Trouble Ahead

After we exhaust our alphabet upon the perennial storms that sweep up from the Caribbean, residents of this area prepare themselves against the inevitable onslaughts of Winter's snows.

Judging from past performances, it is apparent that official Belleville learns little from experience in combating the problems arising from heavy snowfalls.

Owing to the inability of certain local officials to make adequate provisions for the elimination of conditions which produce monumental traffic jams, especially on our hilly east-west main arteries, employees of local industries residing in the westerly section of Belleville and adjoining communities, consume countless hours attempting to negotiate a distance which normally takes minutes. The frustration causes jangled nerves, lost tempers, cold suppers, and disturbs domestic tranquillity.

What is the answer? Stop the snow from falling? Hardly. But there IS something we can do about this recurring problem. When the weather bureau informs us of an impending snowstorm, action should be taken 24 hours in advance to prohibit parking on both sides of the east-west streets connecting Washington Avenue with Main Street. In instances where these streets are under the control of the county government, steps should be taken to solicit advance permission to enforce the parking prohibition.

A certain few of these streets should be selected for salt-and-sand spraying. Most of the snow-produced traffic jams occurring on roads between Main Street and Washington Avenue stem from the inability of drivers to successfully negotiate the hills leading to the Washington Avenue plateau.

This problem has been brought to the attention of Belleville officials in the past, but no remedial action ever has been taken. It is time for a change in the behavior of official Belleville. Our citizens, and employees of our local industries too, are entitled to the active interest and support of our elected officials in the solution of this almost ageless problem.

## The Chamber Moves Ahead; So Does Belleville

Since its kick-off dinner held Wednesday, Sept. 14, Belleville Chamber of Commerce has moved energetically to implement its 17-point works program.

High on the priority list of the Chamber are:

1. Repaving Washington Avenue.
2. Modern lighting for all streets, especially our main business thoroughfares.
3. Establishment of a round-town, in-town jitney service for Belleville housewives.
4. Study the new school proposal, with a view to assisting in the presentation of both sides of the issue to the electorate.
5. Sponsorship of an Industrial-Commercial-Business Exposition.

In two weeks the Chamber has renewed its efforts to have Washington Avenue repaved. Since early August, Chamber officials have been pressing this matter with State Senator Donal Fox. This week Senator Fox indicated to the Chamber that Washington Avenue would be repaved at an early date.

In this connection, Commissioner Robert Gruhin, Director of Public Works, is pursuing personal efforts directly with the State Highway Department office at Trenton. With these combined efforts receiving an assist from our State Senator, Belleville's long-held dream of resurfacing our cobblestoned main stem will be a reality.

On the question of replacing our antiquated street lights with modern lights

and aluminum poles, Chamber officials are hopeful of seeing modern lighting installed on Washington Avenue by Christmas—this Christmas, that is.

The installation will be made at no cost to Belleville taxpayers.

The round-town, in-town commuter problem was one step nearer solution this week as a result of a conference Chamber officials held with Senator Fox in his Newark office. The Senator got the ball rolling by interesting the State Public Utilities Commissioners in Belleville's problem. While the solution will not be found tomorrow, a good start was made this week.

Belleville Public Affairs Director, Nuncio Pico and Transportation Director Rocco Constantino are lending their aid to the Chamber in its quest for a solution to the problem of round-town commuter service.

The new high school proposal soon will engage the attention of all Belleville taxpayers and voters. The cause of better education can be served or be made to suffer by the electorate's attitude toward a new high school.

Which shall it be? Only an informed electorate can properly decide the issue. Through its hard-working committee the Chamber is compiling arguments for and against the proposed high school. The results will be made known to the public in time for the expected referendum.

In an effort to acquaint Belleville residents with products manufactured and/or sold in Belleville, the Chamber has embarked on an ambitious undertaking in the form of an Industrial-Commercial-Business Exposition. Chamber officials are currently engaged in examining potential sites for the exposition. In view of the Chamber's determination to hold the affair in Belleville and because space requirements are so large, the task is difficult. But with determined men the problem is not insoluble.

We commend the Chamber for its deep interest in the problems facing our citizens. Though the road may be long—and sometimes wearying—we are confident the Chamber will succeed in its efforts to give substance to its motto: "Make a Good Town Better." When the Chamber moves ahead, so does the fair name of Belleville.

## G.O.P. Freeholder Candidates Pledged to Cut Salaries

The three Essex Republican Freeholder candidates this week reaffirmed the party's pledge to rescind a \$2,000-a-year pay increase voted by the Democratic majority last year.

The boost raised Freeholders' salaries from \$8,000 to \$10,000. All this money for part-time work! We believe the Republicans, in making a pledge to reduce Freeholder salaries, have made an excellent argument for their election on Nov. 8. The present line-up of the Board of Freeholders is 5-4, with the Democrats enjoying a majority. Republicans need only elect one of their number to gain control of the county government.

The Republican Freeholder candidates are Mrs. Margaret H. Reitman, the Rev. J. Vance McIver and former Essex Assemblyman Dominic A. Cundari.

We believe their election to the Board of Freeholders would restore economy to county government. We have experienced the noble experiment with Democrats in control of our county court house. It has proved too expensive for our taxpayers. In these days of higher costs and reduced purchasing power, we could do without the extravagance of a free-spending Board of Freeholders under Democrat control.

The Republicans' names will appear in Row A on the voting machine.

## UP SPEAK

"Speakup" is a column provided to permit members of the community to express their views on topics of local interest. Letters would be submitted by Thursday noon to be considered for the following week's issues. All letters should be typewritten and double spaced. The Belleville Times will not print letters received with the request that signatures be withheld. All letters appearing in "Speakup" must be signed.

## Pocketbook Returned

To the Editor: A few days ago, while on my way to work, I had the misfortune to leave my purse on the No. 13 bus. In my excitement as the bus pulled away—further and further up Washington Avenue, I almost pushed the panic button. At that time I remembered the Belleville police.

Almost as soon as I had hung up the phone, the police jeep was at the curb where I waited, took what information I could give,

and sped off after the bus. When the squad car, which also responded, contacted him a few minutes later, he reported that he had intercepted the bus and retrieved my purse with all the contents intact.

I wish to publicly thank the Police Department of Belleville for the efficient and courteous manner in which they responded and carried out the job.

May God's richest blessings always fall upon them both in their public works and in their private lives.

## Democrat for Nixon

To the Editor:

Some one has asked me my views on the Presidential election; my views are my own. I am an independent democrat; I am supporting Nixon, and the republican ticket, under the Roosevelt administration, after he promised not to send our boys to fight on foreign land, we had world war one, under the Tru-

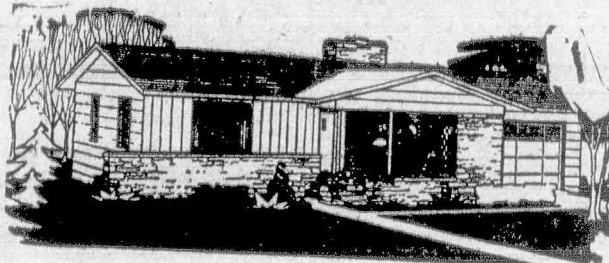

man administration we had the Korean war, which Ike has inherited when he took over as President.

Ike did promise to stop the Korean war; he kept that promise, the word of a Republican President is reliable, both the democratic administration's have been loaded with spies in Government jobs, we never had a War under a republican President. Nixon is the man that must go to the White House. He has the experience, and know how. We cant afford to change now.

I am thinking of our sons, Yours and Mine who are stationed in the far reaches of the world, we cant let them down now they are depending on us to elect Nixon, so that they may live, the Republican Party is the Party of Peace between nations, we have no assurance that Kennedy will not lead us into world war 3.

TOWN ORDINANCE

PUBLIC NOTICE is hereby given that the following ordinance was passed on second and final reading at a meeting of the Board of Commissioners of the Town of Belleville held Tuesday evening September 27, 1960 having been read in its final form at least one week prior thereto and is therefore now a law and hereby published according to law.

AN ORDINANCE TO AMEND AN ORDINANCE ENTITLED "AN ORDINANCE REGULATING AND LIMITING THE HEIGHT AND BULK OF BUILDINGS HEREAFTER ERECTED AND REGULATING AND DETERMINING THE AREA OF YARDS, COURTS AND OTHER OPEN SPACES AND RESTRICTING CONGESTION AND REGULATING A N D RESTRICTING T H E LOCATION OF TRADES - AND INDUSTRIES AND THE LOCATION OF BUILDINGS DESIGNED FOR SPECIFIC USES AND ESTABLISHING THE BOUNDARIES O F ZONES-FOR THE SAID PURPOSES AND PROVIDING PENALTIES FOR THE VIOLATION OF ITS PROVISIONS," ADOPTED SEPTEMBER 4, 1923.

The Board of Commissioners of the town of Belleville, in the county of Essex, do ordain: Section 1. That the above ordinance be amended by striking out that portion of Section No. 1 (General Provisions Relative to Area and Height Regulations) Subsection G, which reads:

"Where the first story in business and industrial zones is devoted to non-residence uses, the regulations as to courts and yards may be applied at the sill level of the second story windows but not higher than 20 feet above curb level." And insert in place thereof:

"Where a residence use occurs above a business or industrial use in a business or industrial zone, such residence portion of the proposed building need not comply with the foregoing open space regulations in this subsection; but courts or other open spaces shall be provided to permit sufficient light and air for each habitable room."

This ordinance shall prevail insofar as any conflicts shall arise in the ordinance being amended, and in particular the "Schedule Limiting Height and Bulk of Buildings" in the ordinance being amended.

This ordinance shall take effect immediately after final passage and publication in accordance

with law.

TOWN ORDINANCE

PUBLIC NOTICE is hereby given that the following proposed ordinance was introduced and passed on first reading at a meeting of the Board of Commissioners of the Town of Belleville held Tuesday evening September 27, 1960 and further notice is hereby given that the second and final reading of said ordinance will be considered by said Board at a meeting to be held at the Town Hall, Washington Avenue and Belleville Avenues, Tuesday evening, October 11, 1960 at eight o'clock P.M. when all objections to the passing of the same will be heard and considered.

Eugene G. Barnett,  
TOWN CLERK  
AN ORDINANCE TO AUTHORIZE THE IMPROVEMENT OF T H E WATER SYSTEM MAINTAINED BY THE TOWN OF BELLEVILLE, IN T H E COUNTY OF ESSEX, BY THE CONSTRUCTION OF CERTAIN SERVICE MAINS AND TO AUTHORIZE THE ISSUANCE OF BONDS TO FINANCE THE COST THEREOF AND TO PROVIDE FOR THE ISSUANCE OF BOND ANTICIPATION NOTES IN ANTICIPATION OF THE ISSUANCE OF SUCH BONDS.

The Board of Commissioners of the Town of Belleville, in the County of Essex, DO ORDAIN as follows:

Section 1. The water supply system maintained by the Town of Belleville, in the County of Essex, to provide a supply of water to the Town and its inhabitants shall be improved by installing a new 12 - inch water main in the sidewalk area on the west side of Washington Avenue from the Nutley Town Line to Rossmore Place, together with house connections. Said improvement shall be made in accordance with plans and specifications to be approved by t h e Board of Commissioners. Said improvement shall be undertaken as a general improvement.

The sum of \$6,000 is hereby appropriated to the payment of the cost of such purpose. Such appropriation shall be met from the proceeds of the bonds authorized by this ordinance.

Section 2. It is hereby determined and stated that (1) the making of said improvement (hereinafter described as "purpose") is not a current expense of said Town, and (2) it is necessary to finance said purpose by the issuance of obligations of said Town pursuant to the Local Bond Law of New Jersey and (3) the estimated amount of money necessary to be raised from all sources for said purpose is \$6,000 and (4) the estimated maximum amount of bonds or notes necessary to be issued for said purpose is \$6,000 and (5) no part of the cost of said purpose has been or is to be assessed upon property specially benefited, and (6) the cost of such purpose, as heretofore stated, includes the sum of \$200 which is estimated to be necessary to finance (a) engineering and inspection costs and legal expenses and (b) the cost of issuing the obligations authorized by this ordinance, including printing, advertisements of ordinances and notice of sale, and (c) to the extent permitted by Section 40:1-55 of said Local Bond Law, interest on such obligations.

Section 3. It is hereby determined and stated that such wa-

ter supply system would have been self - liquidating, as defined in Section 40:1-79 of said Local Bond Law, during the fiscal year beginning January 1, 1959 had there been included in the interest and debt redemption charges for such year an amount equal to interest for one year at the rate of four and one - half per centum (4 1/2 per cent) per annum, on said bonds or notes, and the amount of the first installment of serial bonds legally issuable to finance such purpose.

Section 4. To finance said purpose, bonds of said Town of an aggregate principal amount not exceeding \$6,000 are hereby authorized and shall be issued pursuant to said Local Bond Law. Said Bonds shall bear interest at a rate which shall not exceed six per centum (6 per cent) per annum. All matters with respect to said bonds not determined by this ordinance shall be determined by resolutions to be hereafter adopted.

Section 5. To finance said purpose, bond anticipation notes of said Town of an aggregate principal amount not exceeding \$6,000 are hereby authorized and shall be issued pursuant to said Local Bond Law, in anticipation of the issuance of said bonds. Said notes shall bear interest at a rate which shall not exceed six per centum (6 per cent) per annum and may be renewed from time to time pursuant to and within the limitations prescribed by said Local B o n d Law. All matters with respect to said notes not determined by this ordinance shall be determined by resolutions to be hereafter adopted. In the event that bonds are issued pursuant to this ordinance, the aggregate amount of outstanding notes hereby authorized shall be reduced by an

amount equal to the principal amount of the bonds so issued. If the aggregate amount of outstanding notes and bonds issued pursuant to this ordinance shall at any time exceed the sum first mentioned in this section, the moneys raised by the issuance of said bonds shall, to not less than the amount of such excess, be applied to the payment of the principal of such notes then outstanding.

Section 6. It is hereby determined and stated that the period of usefulness of said purpose according to its reasonable life is a period of five years computed from the date of said bonds.

Section 7. It is hereby determined and stated that the Supplemental D e b t Statement required by said Local B o n d Law has been duly made and filed in the office of the Town Clerk of said Town, and that such statement so filed shows that the gross debt of said Town, as defined in Section 40:1-76 of said Local Bond Law, is increased by this ordinance by \$6,000 and that the issuance of t h e bonds and notes authorized by this ordinance is permitted by an exception to the debt limitations prescribed by said Local Bond Law, contained in Subdivision (f) of Section 40:1-16 of said Law.

Section 8. This ordinance shall take effect twenty days after the first publication thereof after final passage.

Pep Rally Opens Football Season

BY ENID RITCHY

The first pep assembly of the season was held Friday afternoon in the high school auditorium to open the Belleville High football season.

Congratulations go to Mr. Greenawalt, the band director. BHS will be proud again this year when the band is out in field playing the alma mater.

The Freshmen aided the cheerleaders along with the sophomores shouting "Yea Team." Phyllis Pittrelli, our enthusiastic cheerleading captain was our announcer. After Mr. Herman Wische was introduced, he presented Mr. Berlinsky and the other coaches. In turn Mr. Berlinsky called his football team. The team was given much encouragement by the cheerleaders and the audience.

BHS Girls Will Attend College Day

All junior and senior girls at Belleville High School have been invited to attend "College Day" at Douglass College Saturday, October 15.

Any girl who is interested in attending the full day's program at the state university's women's college, including attendance at the Rutgers - Bucknell football game, should get in touch with the high school guidance department. Registrations must be sent by the department to Douglass before October 5.

No one will be able to attend without an advance registration. "College Day" is sponsored annually by the New Jersey State Federation of Women's Clubs and is designed to acquaint New Jersey high school girls with Douglass College. Since only half the high schools in the state are invited each year, in alternation, this will be the only chance for present juniors and seniors to attend the program.

The program will open with registration at 9 a.m., followed by guided tours of the campus. A general assembly at 11 o'clock will feature brief talks by Dr. Ruth M. Adams, Douglass dean, and Mrs. Harley L. Dangremont, president of the state federation. A group of Douglass students and a faculty member will present a program designed to acquaint visitors with college life.

After eating the box lunches visitors are expected to bring, the program will continue at the Rutgers Stadium and the football game.

Cost to students for the entire day will be \$1 plus about 40 cents extra for those who wish bus transportation to the game.

What's New at BHS

BY KATHLEEN FLANAGAN

Well we're back in school again. And there are a lot of new things to tell you about.

First, we have ten new teachers at B.H.S. Mrs. Betty Lou Chapman and Miss Marsha Eisen teach English. The new Science teachers are Mr. Albert Del Pomo and Mrs. Phyllis Goldforb. In Mathematics we have Miss Suzanne Fassler and Miss Judith Sandler. Mr. Terrance Greenawalt teaches music, Miss Patricia Pannone; Gym and Mrs. Julia Rogers Business Education. We also have a new subject in B.H.S. Italian, taught by Mr. Nino Gelsomino.

A new club has been formed. It is the Future Physicians Club and is composed of students who are going to study medicine. The advisor of the club is Miss Galiolefiore.

During the election year many of the students have volunteered to work for the Republican or Democratic parties. They will do such things as carry on correspondence, file documents, do research, and make phone calls. This election is going to be close and the excitement is catching on.

The staff for the Spotlight, our school paper, was named. Our editor is Howard Ellis and I am sure he will do a good job. I'd better sign off now and start my homework. So Long.

Judi Underwood Was First Teen Of School Year

JUDI UNDERWOOD

As you all must know by now Judi Underwood, hailing from homeroom cafeteria S, was last week's Mystery Teen.

Judi is musically talented. She played the clarinet in the all grammar school orchestra and in the high school band. Playing the piano is also a pastime.

This year Miss Underwood will represent the Blue and Gold on the twirling squad.

This soph's pet peeve is her age. She's not complaining about how old she is but, how young she is.

Judi is the second girl of three in her family. She is the daughter of Dr. and Mrs. Robert Underwood of 345 Washington Avenue.

One dealer in the commodity says, "You can't fuel oil the people all the time."

Mystery Teen He's a Mister, Plays the Sax And Rows Too

This week's Mystery Teen is one of those very busy seniors. In his past three years at Belleville High School, he has excelled in the fields of music, sports and scholastic achievement.

As a musician, our Mystery Teen plays saxophone and clarinet in Belleville High's Varsity Band and Dance Band. In his junior year, he rowed on the junior varsity crew and this year he hopes to be in the varsity eight.

Scholastically, this person has continually maintained a high "B" average.

Mr. Mystery Teen has many outside activities including De Molay and Methodist Youth Fellowship. Some more of his time is taken up by a certain sophomore girl.

Architectural drawing is an interesting hobby of this Mystery Teen. His ambition is to become an architect.

Now you have all the information. Can you guess this week's Mystery Teen?

Frosh Assembly Held at School

A freshman orientation assembly was held Wednesday, September 21, for the 440 ninth graders in the Belleville High School auditorium to acquaint new students with school personnel and to explain various high school activities and procedures.

Principal Hugh D. Kittle welcomed the students to Belleville High School and explained the proper code of behavior and dress for high school students.

Vice - Principal George Lees spoke to the students about the high school's rules and regulations and Michael Rosamilia, freshman counselor, described the services performed by the high school guidance department stressing the importance of

Announcing the 1961 Ford... Beautifully proportioned to the CLASSIC FORD LOOK

The 1961 Ford Galaxie Club Victoria—beautifully built to take care of people

BEAUTIFULLY BUILT TO TAKE CARE OF ITSELF

The 1961 Ford introduces a whole new concept of what a car can do for you... and for itself!

It lubricates itself. New nylon bearings and a newly developed lubricant keep the '61 Ford freshly greased for 30,000 miles. Good-bye grease racks! What's more, it cleans its own oil. The 1961 Ford's Full-Flow oil filter lets you go 4,000 miles between oil changes.

It adjusts its own brakes. A "mechanical brain" keeps brakes adjusted for the life of the lining.

Rust? Ford's body is specially processed to resist corrosion, even to galvanizing body panels beneath doors.

Ford takes care of itself on the turnpike, too, with a new 390-cu. in. Thunderbird Special V-8 that has all the punch you'll ever need. The 352 Thunderbird Special V-8 and 292 Thunderbird V-8 thrive on regular gas. And, for top economy, you can choose the '61 Mileage Maker Six.

This is the 1961 Ford... beautifully proportioned to the Classic Ford Look... beautifully built to take care of itself.

HERE'S HOW THE '61 FORD TAKES CARE OF ITSELF

LUBRICATES ITSELF. You'll normally go 30,000 miles without a chassis lubrication.

CLEANS ITS OWN OIL. You'll go 4,000 miles between oil changes with Ford's Full-Flow oil filter.

ADJUSTS ITS OWN BRAKES. New Truck Size brakes adjust themselves automatically.

GUARDS ITS OWN MUFFLER. Ford mufflers are double-wrapped and aluminized—normally will last three times as long as ordinary mufflers.

PROTECTS ITS OWN BODY. All vital underbody parts are specially processed to resist rust and corrosion, even to galvanizing body panels beneath doors.

TAKES CARE OF ITS OWN FINISH. New Diamond Lustre Finish never needs wax.

## Bloomfield's Passing Attack Vs. Bellboys' Ground Attack Key to Victory This Saturday

BY ROGER WARTELL

One of the hardest fought games on the high school gridiron will be the one this Saturday at Foley Field in Bloomfield. The Belleville - Bloomfield rivalry has proven in the past years to be an extremely close one. A one point difference has separated these teams in each of the past three years. Both of these teams will be out to win with the victor being the school with the most spirit.

Bloomfield, coached by Joseph Boguse, has a young team this year, but one to be wary of. Their 21-0 victory over Seton Hall last week showed that they have a potent air attack and a strong defense.

The Bengals work as a well-coordinated team with no particular best man carrying the load. Boguse feels that Belleville will offer much stronger competition then Seton Hall showed last week and expects a very tight game.

Although the Bellboys lost last Saturday to East Orange, they displayed a strong ground game and defense in the first half. If this would have been kept up in the second half the score certainly would have been different.

The Belleville offense will be

led this Saturday by George Sheridan at quarterback. Sheridan played well in the East Orange game and can be expected to do so again against Bloomfield. Although he didn't pass much in the last game, his tosses were accurate when used, and should prove very effective against the Bengals.

The running attack will be spearheaded by Frank Annichiarico at right half, Richard Luzzi at left half and John Herbert at fullback. Defensively the Blue and Gold played well against

East Orange. Bob Pucciarelli and Joe Cenero must be given credit for their steady performance on the defense.

The outcome of this game will depend on Belleville's being able to stop the Bloomfield air attack. Although the Bengals shut out Seton Hall, I don't think their line will be able to contain the more powerful Belleville attack.

## High School J V Squad Beats E. Orange, 13-7

Belleville High's jayvee football squad won its opening game of the season Monday from East Orange, 13-7. Jayvee coach Al Esley commented that "every one played a very fine game. The offense moved very well, although there was no one outstanding play that led to victory."

Some of the outstanding players on offense were quarterback Ken Zarro, halfback Pat Mareno, Frank Zinna, and Joe Valvano.

The line also did a very fine job of blocking. The defensive stalwarts were Nick Christiano, Pat Valse, Lou Pomponio, and Joe Latore.

## Iron Dukes Trounce Paterson Entry 20-0; Wills Scores Twice

BY JOHN BASILE

The Belleville - Nutley Iron Dukes trounced the Paterson Pioneers 20-0 Sunday at Belleville Municipal Stadium before a small crowd of 1,000 fans. Those Iron Duke fans at the game were treated to an aroused Iron Duke eleven who all but ran Paterson out of the stadium in the fourth quarter paced by the passing and running of Cary Wills, a quarterback who sparked the Dukes to two decisive touchdowns.

The victory may prove to be a costly one for the Iron Dukes as injuries to Tony Addeo, ace halfback, and Frank Puleo, first string quarterback, may eliminate the star pair for the season. Carl Borino, linebacker

was injured and may possibly miss the Allentown game.

The Iron Dukes scored on the next to last play of the first quarter with Chuck Munford driving over from the one for the tally. Bob Marcy's conversion upped the count to 7-0. Paterson picked up six first downs in the second quarter but never seriously threatened. The Dukes kept the offensive through the third period with penalties at the crucial moments killing the drives. Finally, Pete Spera in desperation sent in Cary Wills who had quarterbacked the Orange High eleven in his senior year. Wills was little short of sensational; he drove the Dukes 75 yards to a touchdown early in the final canto, with a 37-yard pass to Don Munford bringing them close and

a beautiful 30-yarder to Big Lou Borelli in the left corner for the score.

Bob Marcy's conversion was blocked to leave the score at 13-0. Frank Barnes intercepted Art Kennedy's pass, on the Paterson 49, and returned it to the 43, just five plays later. The Dukes and Wills were then off to 43 yards and another touchdown. Wills rolled out for 33 yards to a first down on the 10.3 plays later, Don Munford drove off tackle one yard for the score. A fake kick with Marcy passing to Borelli, added the extra point to leave the final score at 20-0.

### DEFENSIVE UNIT

The Iron Dukes defensive unit was again the big factor, as alert defenders picked off five Paterson passes to limit the invaders to 61 yards in passing and only 20 yards in rushing while Belleville-Nutley rolled up 236 yards on the ground and 101 in the air. The Dukes held a 6-7 edge in getting two of them on penalties.

Plaudits go to the entire squad and especially to workhorse Chuck Munford who carried 18 times for 92 yards; his brother, Don, with 43 yards in six carries and 37 yards on one pass play, and Lou Borelli with four completions good for 72 yards.

Cary Wills' performance was near flawless; he completed three passes in as many attempts for 78 yards and a touchdown. His ball-handling was good and he ran 46 yards in three carries.

Besides making half the tackles, Tom Appicella intercepted two passes and played a little at offensive center; Bob Paganelli, Fred Sperduto and the rest of the defensive unit were superb.

(Continued on Page 11)

## Iron Dukes Go To Pa. Saturday

Fresh from a decisive victory over the Paterson Pioneers, the rejuvenated Belleville - Nutley Iron Dukes journey to Allentown, Pa., to meet the winless Allentown Copperheads this Saturday at 8:30 p.m. in Hess Stadium.

The Keystone State eleven is particularly hungry for a victory in what will be its second home contest. It has been defeated by Mount Vernon (7-0), Swedesboro (40-0) and the Union County All-Stars (19-6).

Pete Spera of the Dukes, although concerned over the injuries to QB Puleo and star line-backer Borino, has been noticeably pleased by the unexpectedly brilliant showing of Cary Wills, at QB with Bob Paganelli getting the nod to replace Borino as middle line-backer.

Iron Duke fans wishing to travel to Allentown to see the game may make reservations by calling PLymouth 9-9883. Buses will leave Curran's (Belleville Avenue and Smith Street) Saturday, at 4:30 p.m.

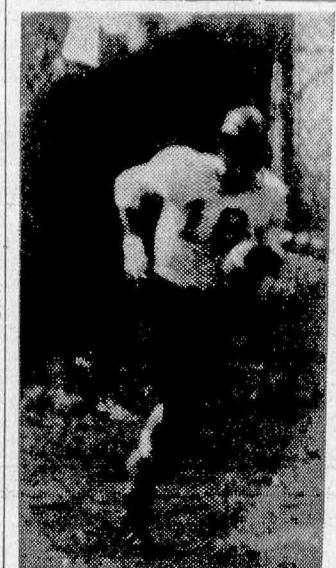

## Big Crowd Sees Bellboys Drop Opener Saturday To East Orange, 15-6

BY DOM GIOVACHINO

Belleville High's football eleven, which has been the victim of much speculation in recent weeks, dropped their season opener to East Orange 15-6, before a near capacity crowd at Belleville Municipal Stadium, Saturday.

Belleville displayed a fine offensive attack and a good defense in the first half and led 6-0 at the close at the half. However, the Panthers came back with a powerful ground attack and forced their way across the Bellboy goal line twice in the second half which made the difference.

The Bellboys lone score came about late in the first period,

**SAL LoCOCO**  
Scores Belleville TD  
On pass from George Sheridan

when Bob Pucciarelli recovered an East Orange fumble on the Panther 25-yard line. After quarterback George Sheridan picked up five yards on a "keeper," halfback Frank Annichiarico carried for four straight plays, bringing the ball to the eight. On the next play, Sheridan dropped back and hit Sal LoCoco with a fine pass into the end

## "We Ran Out of Gas" Coaches Report Lack of Depth BHS Problem

The coaching staff of Belleville High's football squad, has been looking over the slow motion movies of Saturday's game with East Orange in an attempt to iron out Belleville's weaknesses before the game with Bloomfield this Saturday.

"The big problem in last week's loss was Belleville's lack of depth," commented line coach Tom Testa. "In the second half we just ran out of gas."

There was a marked contrast between the two benches. East Orange, a school outnumbering Belleville by about 1000, had practically three teams ready to throw at the Blue and Gold. In the second half when the Bellboys had been pretty well worn and battered, there weren't enough reserves to carry through and consequently East Orange simply overpowered the Bellboys.

Just one instance was when fullback John Herbert hurt his ankle in the third quarter. Head coach Ed Berlinski, who had no real second string fullback, replaced Herbert with Joe Visco, normally an end, who did a fine job under the circumstances.

Herbert's power could have been used greatly in that second half, when the Bellboys virtually turned the game over to the Panthers as they failed to make up three yards in three downs. Of course Herbert had only run two plays previously, which was

Clifton High School's cross-  
country squad defeated Belleville  
Tuesday afternoon, 21-34 in Bel-  
leville Park's two and a half mile  
course. It was the third outing  
for the Bellboys who now have  
a 1-2 mark for the season.

Ed Brown paced the victors  
crossing the finish line with  
at 12:43 time. He was followed by  
teammate Jerry Ranges nine sec-  
onds later.

Belleville was able to place  
but three men among the top  
ten. Ernie Stefanelli's 13:12 was  
good for a third place spot and  
Jim Harvey's 13:20 put him in  
fourth position.

## Dukes-Paterson

(Continued from Page 7)

The offensive line blocked better  
than at any time this year—the  
line was even a trifle overzeal-  
ous in both its execution and  
blocking as the Dukes were pe-  
nalized 100 yards for infractions  
chiefly when the locals had the  
ball.

## INTERCEPTION

Appicella intercepted Zurich-  
in's pass on the second play fol-  
lowing the kickoff on the Pioneer  
20 to put the Dukes in scoring  
position. After Frank Puleo's  
pass was incomplete Dick Bar-  
tolazzi went off tackle for six  
C. Munford for one before Tony  
Addeo picked six yards and a  
first down on the seven-yard  
line. That play finished Addeo  
for the game. Two incomplete  
passes and Chuck Munford's  
three yards in two carries gave  
the Pioneers the ball on their  
own 20. Three plays later Bob  
Castelli picked off Kennedy's  
pass on the 20 to give the Dukes  
another chance. Ron Gasparini  
carried down to the 14-yard  
stripe following Munford's buck  
for no gain. Chuck then carried  
almost to a first down before  
Jerry Hamilton recovered  
Chuck's fumble for Paterson on  
the 11.

Three Paterson plays gained  
four yards and the team went  
back into punt formation on the  
fourth down. A bad pass from  
center was picked up in the end  
zone and run out to the eight-  
yard line where Babe Owens  
made the tackle giving the Dukes  
another scoring opportunity.

Puleo passed to Joe Ciriaco on  
the five before Jim Nazare pick-  
ed off his next toss on the one-  
yard line. Another bad pass from  
center and the short punt car-  
ried out only to 20 where Cary  
Willis returned it to the 3 giving  
the Dukes their fourth chance to  
score in the opening period.

This time the Dukes were not  
to be denied. Ciriaco, Bartolazzi  
and Chuck Munford each gained  
four yards in that order to gain  
a first down on the one-yard-  
marker. On the next play, Mun-  
ford blasted over for the tal-

Downs Passaic

The Belleville harriers romped  
home to victory Friday defeat-  
ed Passaic 22-33 at Belleville  
Park. By beating Passaic, the  
team evened up its record at 1-1.  
Led by Ernie Stefanelli, the Bel-  
boys picked up five of the first  
seven places to insure the win.

Although all of the Belleville  
runners bettered their previous  
clockings for this year, none was  
good enough to take first place.  
Passaic captured first with Dav-  
id Ross in the time of 12:52.  
Eighty yards behind was Ernie  
Stefanelli timed in 13:13 and he  
was followed by two more Bel-  
boy harriers, Jim Harvey, 13:34  
and Bob Cornish, 13:45.

Harvey, who is a sophomore,  
is doing well for his age and  
should improve with experience.

After Henry Douglas took fifth  
for Passaic, George Bauer, a  
first year man, and Ron Sim-  
mons wrapped up Belleville's  
scoring by taking sixth and sev-  
enth places in times of 14:32 and  
14:37. Passaic finished out the  
top ten by capturing the remain-  
ing places.—R. W.

yard pass-run play from John-  
son to West.

Near the end of the game,  
Pearce made the only intercep-  
tion of the game, grabbing Sheri-  
dan's toss. They then closed to  
the Belleville 19 when the final  
gun was sounded.

The summary:  
East Orange — 0 0 7 8 — 15  
Belleville — 6 0 0 0 — 6  
Bell—LoCoco 8 pass from Sheri-  
dan (kick failed.)  
E.O.—West 11 end run (John-  
son kick.)  
E.O.—Pierce blocked punt into  
end zone for automatic safety.  
E.O.—West 23 pass-run from  
Johnson (kick failed.)

one mistake which should be cor-  
rected.

**INEXPERIENCE**  
There were a few mistakes re-  
sulting from inexperience, also,  
especially on defense. Several  
times East Orange receivers  
were in the clear, and once this  
resulted in a touchdown.  
And Belleville had their share

of bad breaks too. Just one was  
Bob Pucciarello's near intercep-  
tion which might have result-  
ed in another score for Belleville,  
and changed the tide of the  
game.

Coach Berlinski and Testa do  
feel that the team will improve,  
especially after the movies are  
studied. They are a big help in  
demonstrating faults to the team.  
The pictures don't lie and it can  
be determined just what went  
wrong in any one play.

By the next game we should be  
able to get a good idea of how  
the overall season will be, when  
we see how the Bellboys fare  
against Bloomfield Saturday.

## NCC Names Regional Head

The appointment of Walter D. Chambers of 65 Seymour Avenue, Newark as associate director of the New Jersey Region of the National Conference of Christians and Jews, was announced today by Franklin Conlin, Jr., Joseph M. Byrne, Jr. and Herbert J. Hanooh Regional Co-Chairman of the National Conference of Christians and Jews. Chambers will work out of the Newark office.

A native of Newark, Chambers was graduated from Lincoln University, Pa. with a B.A. degree in psychology and received his M.A. degree in human re-

lations education from New York University in 1958. In October 1955 he was appointed assistant director of the Newark Mayor's Commission on Group Relations. He served with a United States Army artillery unit in Germany until the end of 1954.

transport. The present hodgepodge of administration and regulatory agencies has grown like Topsy. Nowhere, that I know of, can one get a complete picture of the extent of preferential treatment, subsidies and regulations as they apply to each means of transport.

"The Federal government today is deeply involved in the administration and regulation of our transport system. Unfortunately each major means of transportation, water, air, highway, and rail, is administered separately, functions are scattered and diverse. Little coordination is now effected between the numerous bureaus and agencies concerned and little thought given to the possibility of related needs and means.

"In the last session of Congress, I introduced a bill to reform this confused situation. Drawn along lines similar to any administration suggestion, my bill would set up a Department of Transportation at the cabinet level. Among agencies to be transferred to such a department would be the Federal Aviation Agency, the Maritime Administration, the Bureau of Public Roads, together with some administrative functions of the Interstate Commerce Commission and the Civil Aeronautics Board.

"The placing of all national transportation under one roof is an absolute necessity. This is the

first step to achieving a balanced national transportation policy and will enable us to achieve an integrated transportation system," he concluded.

one to do so—by mail or in person at the office of The Times—will receive an award of \$10. Please note: Identification of the person and place must be made by coming to the office of The Times, 246 Washington Avenue, or by mail. Phone calls will not be accepted.

The person who is circled is requested to call at our office in person and receive a \$10 check drawn to the order of one of the cooperating merchants listed on the Map Page.

It is important in playing this fascinating game of identification to note these simple rules: 1) the winner must tell us who the person is whose photo is circled and where picture was taken; 2) entries in the contest must be made in person or by mail—

## Belleville 1960 United Fund Residential Campaign Opens Next Monday in Behalf of 12 Different Social Agencies

### Washington Ave. Resurfacing Plans Are 98% Complete

Bids for the resurfacing of Washington Avenue will be advertised on or about November 1, the state highway Commissioner has reported to Senator Donal C. Fox. Senator Fox informed the Belleville Chamber of Commerce this week that "plans for Washington Avenue are 98 per cent complete." Sen. Fox said he has been told by Dwight R. G. Palmer, highway commissioner, that the bids for the long awaited project will be awarded around November 1.

### Town Officials Will 'Inspect' New Roller Rink

The new Belleville Roller Skating Rink has invited several town officials to an "inspection" night. Among those expected to attend will be members of the Belleville Board of Commissioners.

The party is set for 8 o'clock at the rink, 701 Washington Avenue, Belleville.

Anthony Fiduccia and Arnold Korn, the new owner-operators of the rink, expect a nice turnout for the party Monday in the renovated premises.

The special party will not interfere with the rink's regular trade as the place usually closes Monday evenings.

In addition to the commissioners, others invited include the fire and police chiefs, school officials and teachers, club officers and many others.

Many town officials from Nutley have also been invited.

Harold Richman has been named general sales manager for General Magnaplate Corporation at 331 Main Street. Richman resides in Glen Cove, L.I. He formerly served as sales manager for Industrial X-Ray Inc. of New Hyde Park, N. Y. He will handle the expanded sales and marketing programs of the Belleville metal plating and testing company.

Mrs. Henry Lewis of Belleville is an assistant campaign manager for the Republican County candidates.

Anthony De Feo, partner in Star Wire Works of Greylock Avenue has a vital interest in "Keep Belleville Clean" campaign. His company is the manufacturer of the wire baskets seen throughout out town bearing the legend, "Don't Be A Litter Bug." These baskets, made in Belleville, are also seen in streets of Nutley and around the nation. Tree guards and window guards for schools and churches are also manufactured by De Feo.

Ben Kurlander of 331 Branch Brook Drive won a Black and Decker Power Tool Kit in the Gulf Oil Corp's "Hat in the Ring" contest. He won the prize for his answer to the question: "I would like to seek (blank) nominated for President because..."

### Only 25 Days Left Before Price Hike

Twenty-five more days—that's all the time you've got left to renew your Belleville Times subscription at the money saving \$2.00 price.

November 1, 1960 the yearly subscription to The Times will be raised to \$3.00.

Until November 1, all persons having subscriptions can have them renewed at \$2.00 per year.

New subscriptions will also be accepted at \$2.00 per year until November 1.

### Officials Study Paving Plans

Belleville Chamber of Commerce directors discuss Washington Avenue paving plans with Public Works Commissioner Robert Gruhin (seated). Bids for the paving project will

be awarded about November 1, the chamber has learned. Standing left to right are Ed Littig, chairman of the Washington Avenue Paving Committee

of the chamber; Arthur Jackson, chamber president, and Clayton Shepherd, chairman of the chamber's transportation committee.

## Map Page Contest Prizes Triple for this Week's Game

The map page jackpot is up to \$30 this week so take a look at the mystery photo in today's paper and rush your entries to The Belleville Times!

For the second week in a row, The Times' judges declared there were no winners for the map page contest. When this happens, the prize money accumulates—it's up to \$30.

The simple rules are listed below. Look at the photograph on the map page, someone's face is circled. If you know who the person is and where the picture was taken, the prize money is yours. The first person to submit the correct answers to the two questions wins the money.

If the person whose picture is circled comes into The Times office, 246 Washington Avenue, before the contest deadline at 5 p.m. next Monday, he or she will receive \$15!

Forty-seven businessmen in Belleville have joined with The

Belleville Times-News in presenting the map page for the convenience of newspaper readers.

So far the contest has run four weeks. One of the interesting points, the judging panel has noted, is that members of the Belleville Police Department are submitting entries regularly for the contest.

A detective won the first contest—no one has won the last two. If you have a keen eye, you

might "outsmart the law" and make some money besides.

A new contest starts every Thursday in The Belleville Times-News.

### Many Exhibits Tell Fund Story

Several exhibits will be set up in connection with the United Fund drive in Belleville. The exhibits and their locations are as follows:

Red Cross and visiting nurse exhibit, DeWitt Savings and Loan Building;

Family Counseling Service and U.S.O., Town Hall;

Boy Scouts and Cerebral Palsy of Essex County, Town Library;

Girl Scouts and N. J. Association for Retarded Children, People's National Bank;

Mental Health Association and Arthritis and Rheumatism Foundation, Fidelity Union Trust Company;

Sister Elizabeth Kenny Foundation and Chronically Ill Service Inc., Belleville Times-News Building.

### GOP CLUB MEETING

The Republican Club will meet tomorrow afternoon at 1:30 in the clubhouse, 51 Rossmore Place.

### The Easy Rules Are Listed Below

Turn to the double-spread map page and you will see a picture of a group of people snapped somewhere in Belleville.

One of the persons in the photo is singled out with a circle.

Readers are invited to identify this man and the spot where the picture was taken. The first one to do so—by mail or in person at the office of The Times, 246 Washington Avenue, or by mail. Phone calls will not be accepted.

The person who is circled is requested to call at our office in person and receive a \$15 check drawn to the order of one of the cooperating merchants listed on

## Times Has 20 Pages Today: A Record in its History

We apologize to those of our readers who have submitted social and general news releases which at this writing have not been published.

We are making every effort to become current. A little more patience from our readers and we are confident this problem will be resolved promptly.

Today's issue of The Times-News consists of 20 pages—more pages than any other issue in recent Times-News history. This eight page increase over last week's issue, is primarily due to our desire to publish a maximum amount of news as and when submitted to us.

Today's Belleville Times-News represents what is probably the largest issue this newspaper has published in its 50-year history. A check through back files found the dozen-page format the largest.

You have received a 20-page paper this week—an increase from 12 pages only a week ago!

Inside today's Times are columns of news stories and pictures—all of which originated and concern directly the people in Belleville.

The new enlarged sports section, the social department which is being expanded this month, complete editorial coverage, the featured school page, special articles, organizational news, the map pages and classified sections all are here today—and much more.

### Belleville-Nutley Football-Clash Set For Saturday

One of the keenest rivalries in the state, Belleville and Nutley, will be resumed this Saturday at 2 p.m. on the Municipal Stadium field here.

Belleville, although without a victory this season in two outings, could easily score an upset this Saturday—as the coaches from Nutley High are too well aware.

Herbert Wische, athletic director at Belleville, told The Times last night that "the emotional heights have been reached in the high school." Wische says that while observers are ruling out the Bellboys, "the coaching staff is in good spirits."

Belleville, and this isn't a one-sided observation, has had both the problem of too many bad breaks and the lack of a constant team that clicks.

The second observation is made that Nutley has one of its best teams in many a year while Belleville has had better. If this week is going to be a cheerful one in Belleville, the Blue and Gold is going to have to come up with the biggest upset of the year.

While Belleville has lost to East Orange and Bloomfield, two strong teams, Nutley has beaten the common opponent, East Orange, and in their first appearance, the Nutley eleven downed East Side of Newark. Actually in fact, Nutley has been sized up as the second power in the state with an exceptional Montclair team polled as number one. "NOT REMOTE."

However, a Belleville victory here this Saturday is far from being a remote possibility. With two halfbacks such as Frank Anichiarico and Richie Luzzi and a quarterback like George Sheridan the Bellboys should prove to be a formidable opponent.

Belleville also has a fine end in Sal LeCoco who made the only Bellboy touchdown to date and has racked up some fine gains

### Sullivan Co-Manager Of Rodino's Campaign; Cites Voting Records

Appointment of Belleville Police Commissioner Harry J. Sullivan as co-manager of his reelection campaign was announced yesterday by Rep. Peter W. Rodino Jr., (D., 10th Dist.).

Commissioner Sullivan, who has been active in Mr. Rodino's successful re-election campaigns over the past 10 years, will col-

### Chairman Says Not One Doorbell Will Be Missed As \$90,000 Drive Begins

Next Monday will see the beginning of the United Fund house-to-house residential campaign as a major part of the drive to raise some \$90,000 for the budgetary needs of the 12 medical and social aid agencies affiliated with the United Fund.

"No Belleville doorbell will be left unring during the three weeks of the house-to-house drive!" Dominick Lally, chairman of the residential campaign,

told the United Fund Board of Trustees at their regular monthly meeting Monday night at the DeWitt Savings and Loan Association.

Lally expressed his hopes for a successful residential campaign in similar terms at a special meeting of district leaders and volunteer workers Tuesday night at school three, where last minute plans for the house-to-house drive were made.

The residential campaign will run until October 31 and is expected to net about one-third of the \$90,704 needed by the 12 United Fund agencies to maintain full services during the coming year. The balance is expected to be raised by contributions from industry and labor, business and professional groups, and civic and church organizations.

Harry French, United Fund executive secretary, reported that actual financial support or pledges so far received from service clubs and other civic groups already exceeded their previous year's contributions.

"Indications thus far augur well for the full success of this year's United Fund drive," John W. Noonan, United Fund president, told the volunteer workers at Tuesday's meeting.

"There should be no difficulty in making the residential part of the campaign also a success, if volunteer workers stress to the residents of their district that their one contribution will serve all 12 affiliated agencies," Noonan stressed.

He reviewed the full organizational campaign set-up under the general chairmanship of William J. Orchard, Board chairman of Wallace and Tiernan.

Harry Fox is in charge of contributions from industry and labor, largely raised through payroll deductions in local plants.

Other United Fund campaign subdivisions and their respective chairmen are:

Special gifts, B. Thomas Aitken; schools, Evan H. Thomas; town employees, revenue and finance, Mayor Isadore J. Padula; public affairs, Comm. Nuncio R. Pico; parks and public property, Comm. George F. Kiernan; public safety, Comm. Harry J. Sullivan; public works, Comm. Robert C. Gruhin.

Also purveyors, Robert Horsefield; professionals Walter Finch Washington Avenue north, Robert Williams; Washington Avenue south, William McDowell; churches, Harold Dufford; civic organizations, Herman B. Wische.

### Woman's Club Wants Glasses

The Evening Department of the Belleville Woman's Club is cooperating with a Short Hills group in conducting a "New Eyes for the Needy" campaign here in town.

Mrs. J. J. Dunn, publicity chairman for the club, reports that arrangements have been made to use the office of The Belleville Times-News, 246 Washington Avenue, opposite the Peoples' Bank, as a collection agency.

"New Eyes for the Needy" has been collecting discarded eyeglasses since 1932 to bring better vision to others less fortunate. Belleville people with extra eyeglasses are asked to drop them off at The Belleville Times office.

So far, a quarter of a million people have been helped, officials of the volunteer organization said today.

A short time ago more than 5,000 reconitioned, plastic-framed glasses were sent to India

### New Parking Site

This old land mark in Washington Avenue opposite the Shop Rite was torn down yesterday. Workmen from the Vigilante Wrecking Company were already at work on the rear portion of the structure

when this photograph was taken. The house is being leveled to make room for a new parking lot for Royal Shop Rite customers. The new lot is expected to be ready in about two weeks.

### Sewing Contest Winners

Roberta Moore of Belleville (left) and Irene Rey of Nutley (right) have won the sewing contest sponsored by the Singer Sewing Center, Washington Avenue, Belleville. Each received a sewing case and the entries have been included for judging in a state contest

sponsored by the company. Roberta, 12, won the contest for girls between the ages of 10 and 13. Irene, 14, resides in Duncan Place, Nutley. She won the teenage contest for girls between the ages of 14 and 17 years. Judges for the contest included Mrs. M. Weber, sewing

instructor at Belleville High School, and Mrs. M. Tobia and Mrs. N. Amato, both former Singer sewing teachers. Girls interested in taking sewing classes during the fall and winter months are asked to call Miss Louise Montebello at PLymouth 9-1255.
