

## First Progress Report

## Town's United Fund Reaches Only 23.3 Per Cent of Goal; School Contributions High

Only 23.3 per cent of the Belleville United Fund's 1961 goal has been reached, according to a progress report released today by William J. Orchard, campaign chairman.

While the current campaign is far from being successful, Orchard notes that some areas of the drive "are making a commendable contribution."

He praised the Belleville Public School System and the employees at the Wallace and Tiernan Company.

Orchard said that preliminary reports from Evan H. Thomas, superintendent of schools, indicates that teaching supervising and custodial personnel have increased their contributions to the United Fund 28 per cent over last year.

The progress report shows that

the school system, with approximately 300 employees, has contributed \$3,670 to the campaign. By comparison, town hall employees, numbering a little more than 250, have given only \$372.

Every employee of Mayor Padula's Revenue and Finance Department gave to the Fund; the department total was \$252.20. But the breakdown of the other four municipal departments with "too few employees contributing" has given the following totals:

Commissioner Gruhn's Public Works Department, \$13.  
Commissioner Kiernan's Parks and Public Property Department \$39.30;  
Commissioner Pico's Public Affairs Department, \$36.40, and  
Commissioner Sullivan Public Safety Department, \$31.20.

## Belleville Registers Record Breaking 18,446 Voters for Tuesday's Election

### Elections Gone By Reveal Interesting Items, Trends

Did you know that throughout the entire history of Belleville, town voters have only once supported a Democrat for United States President? He was Franklin D. Roosevelt and Belleville supported him in only one of the

four times he ran for the office. This and a number of other assorted notes, were extracted from Belleville's political history as recorded in early editions of this newspaper and its predecessors.

Starting with the 1928 Presidential election, a review is given, election by election. The review notes for example, that Senator Kennedy's appearance in Belleville during the current campaign was not the first time a Presidential candidate visited the town as had been believed.

In 1928 Herbert Hoover's campaign train stopped here. History also reveals that Belleville is a "wet" town; prohibition went out here in 1932 by a huge majority.

### C of C Continues Exposition Plans

Six persons were elected to membership on the Belleville Chamber of Commerce Board of Directors this week. The board continued plans at a luncheon meeting Monday toward an industrial and commercial exposition tentatively scheduled for "next May or June," according to the group's executive director, Harry T. French.

New members of the board of directors are Robert Williams, manager of DeWitt Savings and Loan Association; Isadore Silverman, manager of Somewhere Chemical and Refining Company; William J. Orchard, consultant; Wallace and Tiernan Company. Also, Albin H. Oberg, executive director, Clara Maass Memorial Hospital; B. Thomas Aitken, president, Peoples National Bank, and Louis Blumberg, president of the Permica Company.

**EXPOSITION**  
French said he was unable to reveal all the details of the industrial and commercial exposition which the Belleville Chamber of Commerce anticipates as being an annual event.

He told The Times, however, that he expects "no less than 30 and probably more" booths to be featured once the giant display opens "next May or June."

The exposition will depict products manufactured or sold in Belleville.

F. Douglas Wadsworth is chairman of the exposition committee. The committee will organize the arrangements for the exposition.

Wadsworth comments that "many people in Belleville are totally unaware of what things are actually made here in town."

He said the exposition should prove a boost for local retailers because the "displays will show clearly just what resident shoppers can buy in their own town."

### For Accordions in Vienna

## Donald Hulme Second In Olympics

Donald Hulme of Belleville has returned from Vienna, Austria, where he placed second in the 13th annual Coupe Mondiale, or World Olympics Accordion Championship Contest, sponsored by the Confederation Internationale Del Accordeonistes. The event drew 25 national open champions from countries all over the world.

Hulme scored the highest in the first category, playing an eight page test piece, "Variations on an Original Theme" by Hans Toifl which was specially written for the contest. He played a selection from the first movement of Tchaikovsky's Violin Concerto in D in the "Own Choice Piece" section of the program.

A "Festive Concert" in the Great Hall of the Vienna Concert House, presented the top three winners not only to a live audience, but to the television and later to the newsreel audiences.

Hulme received a "1960 Coupe Mondiale" plaque and an elaborate certificate. He was one of two U.S.A. representatives. Peter Tutalo of Rhode Island placed

### Both Party Heads See Victories

All Town Polls Open Between 7 AM - 8 PM

The Presidential Election polls in Belleville will be open next Tuesday between 7 a.m. and 8 p.m. A list of the polling places for the various districts concludes this article.

While both town political chairmen are predicting victories for their respective parties, the only sure winner appears to be Peter W. Rodino Jr. who is seeking reelection as the 10th Congressional District Representative.

In addition to the Republican and Democratic tickets, Belleville voters will be confronted by names of candidates representing three minor parties.

Among these candidates is Frank J. DeGeorge of Washington Avenue, Belleville who is opposing Rodino and Alphonse A. Miele in the bid for the House seat. DeGeorge is the Conservative Party's candidate.

**RECORD REGISTRATION**  
A new high of 18,446 persons are eligible to vote in the election, up from 17,263 registered voters in the last Presidential election.

Here are the candidates grouped according to parties:

**REPUBLICANS**  
The Republican candidates are Richard M. Nixon, President; Henry Cabot Lodge, Vice-President; Clifford Case, U. S. Sen-

### Extend \$2.00 Rate 30 Days

One hundred ten Belleville readers, anxious to avail themselves of the \$2.00 annual subscription rate for the Times-News, mailed remittances for new or renewal subscriptions in the last 48 hours. In order to accommodate these valued readers and others who may want to renew or subscribe to The Times News at the old \$2.00 annual rate, the subscription rate to \$3.00 will not go into effect until December 1, thus granting a 30 day grace period to Belleville citizens who have been unable to meet the November deadline.

Some readers have renewed for periods of two, three and five years at the old \$2.00 per year rate. This is permissible.

### Cundari Promises to Aid Town in Getting Property

Dominic Cundari, Republican candidate for freeholder this week promised, if elected, to persuade the Essex County Board of Freeholders to release to Belleville county land upon which could be erected a fire house and civil defense headquarters.

Cundari's statement was in the form of a letter answering a query recently addressed to all freeholder candidates by Commissioner George Kiernan.

Cundari's reply to Kiernan follows:

"Dear Commissioner Kiernan: This is in reply to yours of the 4th inst. regarding request made by the Town of Belleville to erect a Fire House and Civilian Defense Headquarters on the North-East corner of the grounds of the Isolation Hospital owned by the County of Essex.

"In your letter you asked me the question 'since you are a Candidate for election to the Board of Freeholders of Essex County, may we have an expression of your opinion on this matter?'"

"The facts as made known to me disclose:

"1. That within the immediate vicinity of the Isolation Hospital

### Mrs. Gelshen, Mrs. Dodd Win Map Page Contest

Last week's map page contest has two winners — despite the fact that the mystery photograph and its circled personality appeared somewhat hazy in the newspaper.

The person in the picture was Mrs. C. P. (Jane) Gelshen of 88 Floyd Street, Belleville. She correctly identified herself at The Times office and claims \$5. First to identify Mrs. Gelshen was her neighbor, Mrs. Frank Dodd of 79 Floyd Street. Mrs. Dodd also wins \$5.

Participating sponsor for the contest was Louaires Men's Shop of 137½ Washington Avenue. A brand new contest starts today

with the Carl A. Orecho Real Estate Agency, 43 Washington Avenue, Nutley as the participating sponsor.

Mrs. Dodd also was correct in saying that the mystery photo was taken in front of Abbots Drug Store in Washington Avenue.

The rules for this week's contest follow:

Turn to the double-spread map page and you will see a picture of a group of people snapped somewhere in Belleville.

One of the persons in the photo is singled out with a circle.

Readers are invited to identify this person and the spot where the picture was taken. The first one to do so by mail or in person at the office of The Times will receive an award of \$5. Please note: Identification of the person and place must be made by coming to the office of The

## GOP Head Says Voters Will Elect Nixon-Lodge

Nicholas R. Rapuano, Republican Town Chairman, predicted this week that the Town of Belleville would sweep in Republican Party candidates from Nixon and Lodge through all the county offices on election day. His statement follows:

"I have grown to know and respect the intelligence and good judgment and common sense of the citizens of our town," he said. "They can see clearly through vague empty promises of everything for everybody. They will refuse to be duped by the fellow with the golden spoon in his mouth. This is the same person who has so viciously pointed out shortcomings in our country's strength that the official Communist paper, Pravda, has quoted them verbatim and with glee. They realize that Kennedy will leave no stone unturned in order to get elected including slandering institutions we all have grown to love and respect.

"We cannot hope to have stability and strength in our economy with this rash man at the head of our nation. The people know that their small savings would soon be worth nothing in the face of a rampant inflation. The sums old people have put aside for the future will be worth less than half their present value

Louis Riccardi of 103 Washington Avenue was among 80 representatives to review space age advancements in air conditioning and refrigeration at a seminar staged by Recold Corporation in Columbus, Ohio. The sessions, marked a new phase in the approach of this manufacturer to the expanding air conditioning and refrigeration market.

Moy Bing, Newark restaurateur who operates his Chinese-American Restaurant at 95 Roseville Avenue, corner Orange Street, is moving. He has been serving the Roseville section and surrounding towns over 30 years. His new address is across the street on Roseville Avenue corner Myrtle Avenue. On the new ground floor location. His orders cooked to take out will continue uninterrupted.

Mr. and Mrs. Pat Orlando of 47 Union Avenue recently purchased a brand new Spanish type house of the main lagoon at Chadwick, N.J. They plan to spend their future summers there but continue to live in Belleville.

James Sliwa of Belleville's only record shop has just acquired ownership of the fully stocked record shop at 142 Washington Avenue near Belleville Avenue. Mr. Sliwa is venturing for the first time into this kind of work. He says he can obtain any available record within one day if he does not have it in stock.

Dr. Michael A. Del Tufo announces the opening of his office for the general practice of dentistry at 629 Belleville Avenue

A \$4,000 appropriation has been made for new ceilings in the first floor of the Belleville Town Hall and for a new roof for the firehouse. Bids for the project will be received at the next regular meeting of the Belleville Commission set for next Monday at 9:30 in the morning.

Four-year-old Mark Brown, son of Mr. and Mrs. Robert S. Brown Jr. of 144 Linden Avenue suffered head injuries last Wednesday when he was struck by a car in front of his home. He was treated in Clara Maass Memorial Hospital. The car which struck the boy was driven by Edward Griwert, 47, of 70 Overlook Avenue. Mrs. Brown told police her son ran down a driveway and into the street before she was able to stop him.

William C. Dougherty of 3 Rutan Road, Belleville has asked the Commissioners to provide police protection at a crossing on the corner of Jorammon Street and Rutan Road. Dougherty says that about 14 children use the Public Service bus to return home to the Rutan Estates area from St. Valentine's School in Bloomfield. Public Safety Commissioner Harry J. Sullivan said he'd look into the matter.

## Public Service Files Application to Issue Preferred Stocks

Public Service Electric and Gas Company filed an application with the Board of Public Utility Commissioners of the State of New Jersey covering the proposed issuance and sale of 250,000 shares of a new issue of Cumulative Preferred Stock (par value \$100 per share). It is planned to sell the Preferred Stock in December.

The net proceeds from the sale will be added to the general funds of the company and will be used by it for its general corporate purposes, including either the payment of a portion of the cost of its current construction program or the repayment of a portion of unsecured short-term bank loans made or to be made in connection with the financing of current plant expansion, or both.

Among the company's major construction projects, under way at the present time, are the new Mercer Generating Station, which will include two turbine generator units of 320,000 Kw capacity each, and the installation of a fifth turbine-generator unit of 342,000 Kw capacity at Sewaren Generating Station.

The latter unit will be controlled by a Westinghouse digital computer system, called Prodac, which will be programmed to start, operate and shut down the entire new unit, including the boiler, turbine-generator and unit auxiliaries.

It is expected that the company's construction program will continue to be heavy during 1961 and that further financing will be required, but the amount, type and timing of any additional issues of securities has not yet been determined.

## Realty Board Names Leonard Tursi Treasurer

Leonard Tursi of Belleville has been named treasurer of the Preferred Realty Board of Belleville, Nutley, Glen Ridge and Bloomfield. Offices of the board are at 386 Franklin Avenue, Nutley.

Other officers named for the 1961 year include Rocco Liuzzi, president; Henry Todaro, vice-president; and Frank Marasco, secretary.

## Harmony Lodge Installs

Harmony Lodge installed the following officers: Winfield Stone, noble grand; William Mingle, vice-grand; Reginald Cuttriss, recording secretary; Chester Chinnock, financial secretary; and Walter Gilby, treasurer.

The lodge will be 20 years old next February.

## United Fund Drive Includes Kenny \$'s

Belleville is not one of the New Jersey communities where door-to-door solicitations are now being made for the Sister Kenny Fund Appeal. The Sister Kenny drive is incorporated into the United Fund — a campaign now in progress in Belleville.

Former Attorney General Grover C. Richman, chairman of the New Jersey Sister Kenny drive, urges support for the United Fund of Belleville. He notes that the Foundation, in addition to absorbing the cost of treatment at the Kenny Institute in Jersey City, also supports research projects in the field of neuromuscular disabilities.

In urging support for the Belleville United Fund, Richman noted that the Kenny treatment, which until 1944 was used almost exclusively for polio patients, has now been applied to many neuromuscular disorders. Polio, however, continues to be of primary concern to Kenny

## Rodino Steps-Up Campaign's Tempo

Rep. Peter W. Rodino Jr. (D., 10th Dist.) stepping up the tempo of his re-election campaigning through his district this week, declared he was committed to "prompt action rather than pious platitudes" in providing the nation with new school construction.

The Congressman discussed educational needs throughout the nation at a series of house parties held in his honor by constituents in Belleville.

Pledging a continued fight for new schools, Mr. Rodino said he regarded "education as one of our first lines of national defense."

"However," he said, "surveys show there is immediate need of 132,000 additional public school classrooms in the country. More than 2,000,000 public school pupils already are enrolled beyond the capacity of the schools to house them."

Urging expansion of the National Defense Education Act, the Congressman asserted:

"America is in a race where it can not afford to be second best. Half-way measures are not enough. We can not permit an unplanned or piecemeal approach to this vital need."

## Williams St. Bar Robbers' Target

Two bandits, one armed with a revolver and the other a shotgun, held up the Green Derby Tavern at 35 William Street, October 26, and escaped with \$95. It was the second tavern holdup here since Saturday.

Police said the gunmen forced the proprietor, Joseph Infonzo, 38, of 5 Arlene Grove, Lodi, and a patron, Mrs. Martha Muehler, 21, of 90 Cortland Street, Belleville, to lie on the floor while they escaped.

The men took \$75 from the cash register, police said, and \$20 from Infonzo's wallet. They had forced the holdup victims to lie behind the counter so their route of escape could not be observed.

Police today were trying to link the holdup with one early Saturday, October 22, at Joe's Tavern, 77 William Street. In both cases, two gunmen of similar descriptions, carried a revolver and a shotgun. In the Joe's Tavern holdup, the proprietor and a patron were locked in a washroom while the bandits fled with \$150.

## Inspection Stations To Close on Holidays

All motor vehicle licensing agencies throughout New Jersey will be closed on the legal holiday commemorating Election Day and Veteran's Day.

The licensing agencies are closed every Saturday and will adhere to that schedule as usual.

Motor vehicle inspection stations will likewise be closed on Election Day and Veteran's Day, but will be open as usual on Saturday following Veteran's Day.

## Mark Youth Week

The Catholic Youth Organization of Holy Family Church began the observance of National Catholic Youth Week by attending the 10:15 Mass on Sunday, Oct. 30, and then a Communion breakfast in the school auditorium.

Later in the day several members of the group attended a Holy Hour at Sacred Heart Cathedral in Newark.

A masquerade dance took place in the evening in the school auditorium with music being furnished by the "Vibrations."

## Democratic Chairman Confident of Victory

Belleville Times Front HTK varman Ralph Vara today said he is confident the Democratic ticket will sweep Belleville next Tuesday. His statement follows:

"Together with all members of the Democratic Party of Belleville, I am looking confidently forward to a sweeping Democratic victory in next Tuesday's general elections.

"For the past nine years, the town of Belleville has been able to roll up ever increasing Democratic pluralities. Nearly 1,600 new voters have been added to the lists during the past several months, bringing the total registered vote for Belleville to approximately 18,000.

"A large percentage of these new voters were aided in their registration by the Democratic Party. It is therefore safe to assume that the majority of these 1,600 new voters will vote Line B next Tuesday, and thus help swell the Democratic plurality for Essex County, the most populous of the State's 21 counties.

"Efforts on the part of the GOP to wrest control of the Essex County administration from our Party which has held the majority on the Board of Freeholders for the past four years, are bound to meet with defeat next Tuesday. For this is not a year of coat-tail riders, whether on the county or the national level.

The issues that face us as a nation, despite frantic attempts to beloud them with bigotry, buncombe and doubletalk, are clear cut. This year of 1960 is truly a Year of Decision. It will find New Jersey, once the stronghold of Republicanism, decisively in the Democratic column.

# Clara Maass Nursing School Corner Stone Laying Program Yesterday 'A Milestone'

Clara Maass Memorial Hospital School of Nursing conducted its corner stone laying ceremonies yesterday afternoon in the partially completed structure on the hospital grounds in Belleville.

The building, expected to be ready next June, will house 106 nursing students. The school's students presently are housed in private homes in Belleville and surrounding communities.

Albin H. Oberg, executive director of the hospital, showed more than a score of items which were placed in the corner stone and gave a brief explanation telling why each item has been chosen.

Among the contents are The Bible, several hospital codes and legal documents, the school's 1960 yearbook and campaign buttons for Kennedy and Nixon. Copies of the recent issues of The Belleville Times and The Nutley Sun which carried a pictorial review of the hospital's history were also included.

Henry C. Pfaff Jr., hospital trustee and chairman of the building fund committee, called the school "a dream that is true." He said that not too long ago, "a nursing school was considered an impossibility."

More than one speaker cited the work of John F. Kidde, president of the trustees, as being more responsible for the school's

realization than any other single factor. Mr. Kidde, who has been ill recently, was unable to attend yesterday's program.

Others participating in the program included Stanley G. Freck, public relations director; Evan H. Thomas, chairman of the school of nursing committee, and Archie C. Barbata, vice-president and chairman of the trustees.

The sealing of the corner stone was performed by Dr. William H. Post, treasurer of the Medical Staff and a member of the nursing school committee; Evelyn H. Hamilton, director of the school of nursing and Marianne Cervanka, president of the student council.

The Rev. George Kroon, chaplaincy coordinator, gave the invocation and benediction. The blessing of the corner stone was given by the Rev. John R. Weber, trustee and chairman of the chaplaincy committee.

## Classified Section Wins Press Association Award

The New Jersey Press Association's annual Better Newspapers Contest awarded a third place award for the classified advertising section which appears in The Belleville Times-News. The two weeks ago at Rutgers University, New Brunswick.

The classified section was entered by The Nutley Sun and is the same section which appears weekly in this newspaper. The Nutley Sun also won a first place award for social page excellence. Frank A. Orechio of Nutley is the publisher of both The Belleville Times - News and The Nutley Sun.

Mrs. Eugene Dacey, long associated with The Sun, is that paper's social editor. The first place award is directly attributable to her efforts with the cooperation of the mechanical department's personnel.

a three - year course. Instruction in basic science is given at Upsala College, East Orange. Upon completion of the pre-clinical period at the hospital, students undertake additional practice assignments which are correlated with classroom and laboratory instruction.

All phases of medical, surgical and obstetrical nursing are covered at the Clara Maass Memorial Hospital.

The new school building will provide accommodations for 106 students, an increase of approximately 30 per cent over the present enrollment.

Silence on the part of the Democrats who are in the majority and control the Board of Freeholders and who have failed to bring the matter up for final disposition is a neglect of their sworn duty. The Democrats most certainly realize the need and urgency of the request and in case of any catastrophe within the area they must certainly shoulder the blame.

## Sen. Kennedy Writes

To the Editor:

One of the truly dynamic forces in American journalism is the weekly newspaper, and this is just as true today as it was 200 years ago. Newspapers like yours are the people's built-in safeguard against corruption, waste and indifference. I'm sure your readers respect and take justifi-

able pride in their newspaper. As an editor, I am certain you will agree that good government is government that is responsible to the wishes of the people. For that reason I want to encourage you to urge your readers to vote in the November 8 election.

I cannot answer individually all the letters I have received from your area, though I would like to be able to do so. However, I personally do wish to assure you and your readers that under a Democratic president aid to education laws will be adopted immediately, for salaries and construction—as we will also provide immediate relief to small farmers, poultrymen and small business. They are all vital to America's strength and do not deserve the callous treatment they have received in the last eight years.

As with farming, science and industry, there is a quickening pace in the affairs of govern-

ment. New frontiers are to be crossed that require imagination, inventiveness, a new approach. Our economy needs to be bolstered, our defenses strengthened. Our next president must have a full vote of confidence—a mandate—from the largest possible number of people.

You, as a responsible editor, can help bring that about by urging your readers to go to the polls on November 8 and vote.

JOHN F. KENNEDY

## Blames Coaching Staff Equipment Deficiencies For Poor Grid Teams

Dear Sir:

What has happened to Belleville's football team? That has been the \$64 question no one seems to answer. I think we have the answer.

About ten years ago when I played for Belleville, we had much better equipment and the right kind of equipment. For example, will you tell me how a football team can be trained without a

1. seven-man sled?  
2. with one two-man sled, etc., etc., etc.?

Anyone who played football will be able to tell you how important these items are. For at least four years, I haven't seen any seven-man sled. The old wooden sled was done away with and never replaced. Without the proper

equipment our line men do not get the proper training in their offense and defense charge. Then we have a terrific two-man sled that's 20 years old, never repaired and the covering looks like swiss cheese, the padding is shot. Could you imagine about 35 men with one sled. Let's compare towns like Nutley, Bloomfield, etc. They have three and four two-man sleds plus the seven. Compare their team records with ours in the past.

Plus the lack of equipment, the most important thing is the coaching. We have freshman coaches, that to my knowledge, have never played football before. How would you like your son to be coached by these fellows? The head coach and Mr. Testa are doing a fine job considering the material they have. Knowledge of the sport has to be taught at the lower levels in order to get results. This has to originate at the lower levels and with good freshman coaches. I ask why?

I was told that these things were controlled by the Director of Athletics. What is he doing? Why doesn't he correct these things or is he trying to keep the budget down so he looks good. How would he like to be head coach and have the kind of assistants Mr. B. has. Would he stand for it? He is the one that has control of these things. What are we paying him for? If he can't do the job, let's get someone who will.

We are sick and tired of the present set-up and something should be done and quick. I know the answer probably will be teaching comes first but don't we have good teachers and coaches? There is no reason why this town should always be at the bottom of the heap in sports.

Very truly yours,  
MR. J. CURTIS

# GOOD CITIZENS WANT GOOD GOVERNMENT

THE overwhelming majority of the American People want good government.

They are entitled to good government.

We must elect to office men and women who understand the value of the taxpayers' dollar — men and women who understand that our county has no money of its own and what the county spends is wrung in taxes from the toil of our workers. Our ever increasing county tax is of the deepest concern to the home owner; to the business man; to everyone in fact.

We must never lose sight of the fact that about 25% of the taxes we pay on our homes and other property goes to support our county government.

For 40 years we had clean, efficient government.

Our Essex County government was a model for the whole nation until two years ago, when the Democrats attained a majority on the Board of Freeholders.

Under the present leadership of the Democratic party, many things have come to pass which deeply disturb our citizens. Apparently the actions of some of our Democratic officeholders are guided more by a desire to build up a political machine than to serve the best interests of the County and its citizens.

Our county budget, in two years, has been increased by approximately \$5 million. The Democratic Freeholders have raised their own salaries to \$10,000 a year—a raise which our Republican candidates are pledged

to rescind. Lucrative jobs have been created for the favored few.

We live in a fine county; I always have been proud to be a resident of Essex. We are entitled to clean, responsible government in our county. We should not settle for less.

We must defeat the Democratic county candidates. We must elect men and women devoted and pledged to good government.

The Republican Party in Essex County is offering an excellent ticket. I commend them to you. Our candidates are men and women of ability and integrity. They, every one of them, are dedicated to restoring clean government to our county.

I urge you to vote for them to insure good government.

## Commissioner Gruhin Blameless

The BIG WIND is still blowing. This time the eye of the "Hurricane" has on target Commissioner Robert Gruhin. The accusation against Gruhin varies a bit from the more current variety experienced by a couple of his commission colleagues.

Gruhin is not being accused of political maneuvering so as to set himself up as Mayor under a new Mayor-Council form of government. Nor is he being accused of being anti-labor or pro-Chamber of Commerce.

The latest charge against a member of our governing body, one in a series of irresponsible blasts levelled at public officials, aims to make Commissioner Gruhin responsible for the lack of a bridge over the Third River which would connect both sides of Carolyn Street.

Emotionalism is the technique employed by critics determined to exploit an issue susceptible to distortion. Such appears to be the case with respect to the question of a bridge linking both sides of Carolyn Street. "In case of fire," shout the critics, "firemen and equipment are required to take a longer route to reach the one half of Carolyn Street cut off by the THIRD RIVER." The typical demagogic pitch.

Perhaps a bridge is needed — we'll even go beyond this conjecture — and state not only is a bridge desired — it is required. The question is — who is to pay for the bridge? Gruhin's critics claim the Rutan Estates developer should be required to erect the bridge and absorb the cost. An allegation is made that the developer promised to erect and pay for the cost of this bridge.

Despite the rantings and ravings of disappointed professional office seekers, there is no evidence in the record — anywhere — that such an agreement exists with the developer. If it is true — as Gruhin's predecessor suggests — that an oral agreement with the developer was entered into for the bridge erection — the person to blame for the lack of a bridge is the former Public Works Commissioner — and not Mr. Gruhin.

To us this looks like another case of the "OUTS" trying to make it miserable for the "INS." Like many others which preceded it — this attack is unfair to Gruhin and our community. Non-residents of Belleville, whose only image of our town is obtained from reading stories appearing in the daily papers, cannot help but get the impression that Belleville is a quarrelsome community.

Of course this is not true. What makes it appear so is the handful of commission and board of education critics who seem to be more interested in reading their names in the newspapers than in being fair to our public officials — and the good name of Belleville.

## Congressman Peter W. Rodino, Jr.

Congressman Peter W. Rodino, Jr., Democrat, has been representing the 10th Congressional District of New Jersey, which includes our community, since 1948.

His current challenger is Republican Alphonse A. Miele of Glen Ridge. Mr. Miele is a successful businessman. He is no stranger to us. Our association goes back 20 years. He is intelligent, honest and dedicated. His appearance on the Republican scene this Spring was refreshing to one who for a quarter of a century has seen top county jobs remain in the care and custody of old party hacks, whose primary interest was to stay on the public payroll rather than work for the best interest of the Republican Party. Shortly after Miele's nomination, he took out after Rodino by creating a phony

"payola" issue. We believe Miele received poor advice from politicians who should have known better.

Concerning Miele's attack upon Rodino's investment in an Albany, New York, TV station, in an editorial "An Unfair Attack," appearing in the July 4, 1960, issue of this newspaper, we concluded: "We see the attack upon Mr. Rodino as a partisan effort to reduce the Congressman's popularity with 10th Congressional District voters. Republicans had better campaign at a higher level if they expect to win anything in Essex this Fall."

The campaign is about ended. Miele has developed Rodino's ownership of stock in an Albany TV station as the central issue of the campaign. In publicity releases and letters to voters, Miele rests his "payola" charge primarily on a statement he attributes to United States Senator William Proxmire of Wisconsin, who questioned the Federal Communications Commission's procedures leading to the award of TV licenses.

Referring to the statement Miele attributed to Proxmire, the Senator wrote to Miele on September 2, 1960, as follows: "This statement is absolutely untrue, Mr. Miele, and you know it. In my letter to you I did not mention Mr. Rodino. I wrote nothing to you that could possibly be construed as expressing interest, let alone thanks, for pursuing any alleged issue regarding Rodino. . . Obviously the attack on Mr. Rodino in the newsletter carrying your name is false and malicious. I urge you to repudiate it."

The principal stockholder in the Albany TV station is a former New York Republican State Chairman, Congressman Dean Taylor, 31st District, New York. Taylor and Rodino have served together for years as members of the House Judiciary Committee. It was upon Taylor's recommendation that Congressman Rodino invested in the Albany company.

An excerpt from a letter dispatched by Taylor to Rodino on September 13, 1960, regarding Miele's charges against his opponent follows: "For years I observed you (Rodino) in the performance of your duties as a Representative and it is my considered opinion that you have devoted yourself to your duties as such in a most able and conscientious manner. For your opponent to even suggest a lapse of integrity on your part, in an effort to secure votes for himself, is unconscionable." Thus wrote Republican Congressman Dean Taylor of New York.

We agree with Democrat United States Senator William Proxmire and Republican Congressman Dean Taylor.

If Miele's sole challenge to Rodino's tenure in Congress is based upon an alleged TV issue, we see no valid reason to replace Mr. Rodino.

## New Jersey's Case

Seldom in American politics has the choice of a candidate for national office given us less trouble than the current race for U. S. Senator. The contestants are incumbent U. S. Senator Clifford P. Case and a Trenton attorney, Thorn Lord. Lord expects to ride Kennedy's coattails to victory. Case expects to be re-elected on his record — a record that led President Eisenhower to list Case's name among ten Republicans he believed qualified to succeed him in the White House.

What is the Case record? CIVIL RIGHTS: Led struggle for broad and effective civil rights legislation and for an end of the filibuster.

EDUCATION: Led effort to improve and expand schools, libraries and college facilities. Pioneered in program to establish community colleges.

SOCIAL PROGRESS: Supported strong health, housing, minimum-wage and social security legislation. Fought for medical aid to the aged.

IMMIGRATION: Opposed McCarran-Walter Immigration Act, fought for relief from harsh and out-dated immigration statutes, worked for refugee-relief legislation, originated legislation giving Jews expelled from Egypt refugee status.

COMMUTERS: Fought to keep commuters rail service, proposed study now

## Our Vote for President

(Continued From Page 1)

ned's pronouncements on the U-2 incident, the Quemoy-Matsu off-shore islands and his statement anent Cuba, "We must attempt to strengthen the non-Batista, democratic, anti-Castro forces in exile and in Cuba itself who offer essential hope of overthrowing Castro. Thus far, these fighters for freedom have had virtually no support from our government," when taken together suggest a pattern of immaturity with respect to the handling of foreign relations policy.

Equally alarming is Kennedy's determination to base his main foreign policy attack against the Eisenhower Administration on the theme that American prestige overseas was never lower.

We believe that this "prestige" gimmick was devised by Kennedy strategists to appeal to the hearts and not to the heads of men. In defining "prestige" Kennedy asserts, "Prestige is what others think of us and not what we think of ourselves." If America were to turn its back upon little Israel, encircled by hostile Arab countries, we could show Senator Kennedy nine countries where our prestige would soar to outerspace overnight. The rulers of Iraq, Jordan, Lebanon, Libya, Morocco, Saudi Arabia, Sudan, Tunisia, United Arab Republic and Yemen (all members of the Arab League pledged to liquidate Israel), would hasten to acclaim Americans as the world's best friends. But, in the process of building up our prestige, what happens to our principles? Or is prestige more important than principle?

On the question of "prestige" we believe Senator Kennedy's emphasis is wrong and distorts America's true image, which is concern over principle before prestige.

Domestically, we believe the cheap-money, welfare state policies outlined in the Democratic platform and endorsed by Kennedy will weaken America's ability to keep ahead of the Russians. We do not share Kennedy's views that America is standing still. There is nothing second class about America — we are superior to Russia, and at the present rate of competitive development we shall remain ahead. Let us look at the record of America's strength today:

More than 2,000 long-range strategic American bombers, a force five times bigger than any corresponding Russian force, is alert for action here at home every minute of the day. Some are in the air at all times. These attackers can quickly make any land on earth a ruined shell.

A worldwide ring of 250 American foreign-based airfields, mounting fighters, bombers, pilotless airplanes and medium range ballistic missiles, surrounds Russia like a steel necklace.

American aircraft carriers, with more atomic bombers on their decks than Russia's entire bomber force, patrol the high seas. Our Polaris submarines roam the oceans underseas — invisible, but each ready to fire, underwater, 16 atomic missiles, aimed ashore.

Does that sound like America is a second-class power? It is the kind of war-making muscle that has forced Khrushchev to spout from the mouth instead of shoot from the hip. This vast military strength has halted Communist expansion. Republican leadership conceived and erected this military strength.

68 million Americans are employed today. Their wages average \$28.63 a week above the paychecks of the Truman era. Living costs, which skyrocketed nearly 50 per cent in the Truman years of 1946-52, have been held to a rise of less than 10 per cent under the Eisenhower Administration.

To make the American economy equal to that of Russia, we would have to get rid of half our steel industry; scrap two-thirds of American hydro-electric power; shut down 90 per cent of our natural gas production and seal off two-thirds of our oil wells. We would have to rip up 14 of every 15 miles of paved highway in America; scrap 19 out of every 20 trucks and automobiles; tear out two of every three miles of

being made by Senate Commerce Committee of role of Port Authority. Sponsored constitutional amendment to end unfair double taxation of non-residents by other states.

The foregoing is only a part of the distinguished Case record. He is considered one of America's most outstanding public servants. Fifty prominent Washington newsmen recently voted Senator Case one of the top ten in the 100-member Senate, and fifth among

railroad track and sink eight of every nine merchant ships.

Finally, to accomplish equality between the Russian economy and ours, it would be necessary to destroy 80 per cent of all American housing, and our 180 million citizens would have to crowd into the 20 per cent that was left. Does that sound like America has been standing still?

The greatest single domestic problem facing this nation is the question of equal rights for all our citizens. The Democratic South is notorious for its denial of basic constitutional rights to the Negro. Republicans and Democrats agree that greater advancement in civil rights has been achieved during the Eisenhower Administration than at any other time during the past 80 years. We ask ourselves — why change now?

We are disturbed over Kennedy's repeated effort to compare the alleged records of defeated Republican Presidential candidates with the records of elected Democratic Presidents. Often have we heard Kennedy ask, "Do you want to go back to the policies of McKinley, Landon and Dewey, or do you want to go forward with the progressiveness of Wilson, Roosevelt and Truman?"

Why does Candidate Kennedy deny a twice-defeated Stevenson to the Democrats? And what about Willkie for the Republicans? Would it not be eminently fair to compare the Truman record with the Eisenhower record? Such a comparison, however, might not serve Kennedy's obvious purpose.

What about Nixon? He is not as bad as Truman claims, nor is he as good as the Republicans boast. We think he could improve his plan for medical aid to the aged. We think he should support a higher minimum wage. We believe his determination to maintain the integrity of the American dollar is superior to Kennedy's cheap-money, welfare statism. Under Kennedy's policies the poor get poorer and the rich get richer.

What about Kennedy's plans for medical aid to the aged, his minimum wage stand, his federal aid to education? They are all excellent programs which will win votes for him, but Kennedy's own Democratic Senate voted down his proposals just this past September. These failures speak more eloquently than his campaign promises.

We are voting for Richard M. Nixon because we do not want to see dismantled the military and State Department team which stopped the Korean War and kept the world at peace during the past eight years. We are voting for Richard M. Nixon because we believe his rise from humble surroundings gives him a better understanding of the pocketbook problems which face all of us that are born to work.

We are voting for Richard M. Nixon because we believe these perilous times of international challenge and crises call for two-party responsibility.

At the leadership of our country we need the best of both parties. The Democrats control the Senate and House. We believe the interests of America would be best served by retaining Republicans in the White House. We reject the premise that a Democrat-controlled Senate and House would refuse to co-operate with a Republican President. We believe Democrats are first Americans, then party members.

## Auxiliary Police Issues '60 Report

The Auxiliary Police Division of the Belleville Public Safety Department has released a report for the first nine month period of 1960.

Walter P. Weiss, captain, who submitted the report to Deputy Chief Norbert E. Berti, notes that the report does not include training meetings.

Listed below are the various activities in which the auxiliary police participated. The numbers next to each item signify the number of participating personnel:

Civil Defense tests (37), Cherry Blossom traffic control (33), graduation exercises (16), Hurricane Donna (25), radio patrol (9), football games (25), Cherry Blossom Festival (12), "Lost Boy Hunt" (14), July 4 celebration (16), March of Dimes (5), Little League registrations (11), court attendance for training (4) and church crossing traffic duty (37).

Weiss said that about 976 man hours had been logged during the nine - month period.

## School Consultant Will Speak to PTA Tonight

Dr. Felix McCormick, consultant to the school board on the new high school project, and Evan Thomas, superintendent of schools, will address tonight's session of the James G. Shawger School PTA.

A question and answer period is planned. Another highlight of tonight's meeting will be the PTA's presenting a television set to Frank A. Spotts, principal, for the school.

Refreshments will be served.

## Nation's Weeklies Will Have Cigarette Ads

Front 14 Nations Weeklies R.J.

The Belleville Times - News is among the weekly newspapers in the United States which have been selected for a unique advertising campaign by the R. J. Reynolds Tobacco Company, manufacturers of Camel cigarettes.

The campaign marks the first time a major cigarette manufacturer has used the weekly newspaper medium for advertising, and there are indications that the move may be the start of a new trend which would realize the pulling power which national advertisers can receive from the hometown weekly press.

Belleville High Graduates  
Marry In Church Ceremony

MRS. ANTHONY P. LUONGO  
Former Carlotta A. Brescia

Miss Carlotta A. Brescia, daughter of Mr. and Mrs. Nicholas Brescia, of 94 Lighth Street and Anthony P. Luongo, son of Mr. and Mrs. Anthony Luongo, of 455 Union Avenue, were united in marriage in a double-ring ceremony preceding a Nuptial Mass Saturday morning, September 24, in Holy Family Church, Nutley.

Both the bride and bridegroom were graduated from Belleville High School. The new Mrs. Luongo is a service representative with New Jersey Bell Telephone Company, Bloomfield.

Mr. Luongo was graduated also from Bloomfield College. He served in the U. S. Army for six years and is a member of the National Guard. He is in the trucking business with his father.

The ceremony was performed by Rev. Francis J. Blake, and the reception followed at Essex House Hotel, Newark.

Mr. Brescia gave his daughter in marriage. She wore a gown of slipper satin fashioned with a Sabrina neckline and Alencon lace applique on the bodice and bouffant skirt which flowed into a five-foot train.

A floral headpiece held her fingertip veil, and she carried white orchids and gladioli.

Mrs. Thomas Frain was her sister's matron of honor, and bridesmaids included Miss Joanne Russo of Belleville, cousin of the bride; Miss Mina Vigilante of Nutley and Miss Josephine Luongo of Lyndhurst, cousins of the bridegroom.

The attendants were similarly attired in hyacinth silk organza cocktail length dresses with matching hats.

John Brescia, brother of the bride, was best man, and ushers included Michael Vigilante of Nutley, Rudolph Boff of Portsmouth, Va., cousins of the bride.

Chrysanthemum  
Show Will Open  
On Saturday

The 61st Annual Fall Chrysanthemum Show conducted by the Essex County Park Commission will open Saturday in Branch Brook Park will continue through Sunday, November 20.

Recognized as one of the finest floral events in the state, this exhibit has attracted many thousands of persons during the past 60 years of its existence. It is a must for those who are garden enthusiasts; however, its rare beauty makes the show appealing to just everyone.

School groups, scout troops, civic and service organizations are invited to attend as units and will find a visit to the show a worthwhile field trip.

As in the past years, chrysanthemums highlight the floral display with 6,000 plants of the large flowering types and the small flower varieties. Large flower tuberos begonias will augment the spectacular chrysanthemum and 850 plants of the double flowering group such as the rose and the camellia add their beauty to the show together with several hundred colorful foliage plants.

This leading floral event will be held in the greenhouses in Branch Brook Park which are located near the Heller Parkway entrance to Branch Brook Park. Hours will be 10 a.m. to 6 p.m. on weekdays and 10 a.m. to 9 p.m. on Saturday, Sunday and holidays. There is no admission charge.

Gaccione-Alessio Nuptials  
In St. Anthony's Church

MRS. LOUIS GACCIONE  
Former Theresa Alessio

The marriage of Miss Theresa Alessio and Louis G. Gaccione was solemnized Sunday afternoon, September 25, at 4:30 o'clock in St. Anthony's Church.

The bride is the daughter of Mr. and Mrs. John R. Alessio, of 45 Heckel Street; the bridegroom's parents are Mr. and Mrs. Frank Gaccione, of 491 Union Avenue.

Rev. Edward Scandone performed the ceremony, which was followed by a reception at Royal Hawaiian Palms, Lyndhurst.

The bride, who was given in marriage by her father, was gowned in silk peau de soie, featuring a scalloped scoop neckline, long sleeves and fitted bodice with Alencon lace applique. The bouffant skirt ended in a chapel train.

A beaded crown held her double-tiered fingertip veil, and she carried a prayer book with orchids and stephanotis.

Miss Angela Ferraro of Belleville was maid of honor, and bridesmaids were Miss Barbara Alessio, the bride's sister, Mrs. Camille Gaccione of Belleville, Miss Cora La Rue of Newark

and Miss Carol Kinney of Irvington.

The honor attendant wore rust peau de soie fashioned with a square neckline, short sleeves and flared street length skirt. She wore a small hat to match. The bridesmaids were similarly attired in apricot.

Frank Gaccione of Belleville served as best man, and ushers were Louis Samara, Edward Bolene and William Morrison of Nutley and William Thorn of Lyndhurst.

Mrs. Alessio was gowned in royal blue peau de soie, and Mrs. Gaccione chose purple silk and chiffon. Each had matching accessories and a corsage of white orchids.

The bride was graduated from Essex County Vocational and Technical High School, Newark and is employed by the Mutual Benefit Life Insurance Company.

Mr. Gaccione was graduated from Belleville High School, served six months in the U. S. Army and is a member of the Army Reserves. He is with L. Sonneborn & Sons, Belleville.

After a two-week honeymoon in Miami Beach, Florida, the couple are living at the Union Avenue address.

Miss Gail Gruhin Feted At Party; Weds Nov. 24

Miss Gail Gruhin, daughter of Commissioner Robert C. Gruhin and Mrs. Gruhin, of 15 Van Rye Place, was guest of honor recently at a surprise pre-bridal party given at the home of her aunt, Mrs. Samuel Fuchs of Belleville.

Acting as co-hostesses were the bride-elect's sister, Miss Marcia Gruhin, her aunts, Mrs. Bernard Freedman of West Orange and Mrs. Martin Friedman of Northfield.

Miss Gruhin will be married on Thanksgiving Day, November 24, to Morris P. Narushinsky, son of Mr. and Mrs. Samuel Narushinsky of Jersey City.

## Group of Longtime Friends Having Reunion In Florida

A gay 10-day reunion and vacation in Florida is being enjoyed by a group of Belleville and former Belleville women. They took off last Wednesday, October 26, by plane and train to be reunited at the home of Miss Marjorie Owen of Belleville and Fort Lauderdale, hostess to 13 members of a former bridge club.

These women have met every two weeks since 1924. They were first brought together in a Sunday School class in Fawcett Memorial Church, taught Sunday School and later formed a club.

Originally there were 13 members. Only one member has been added to the group, and while very rarely have all 14 members been able to meet together in the last five years, they still keep in touch with one another. All but one of them is attending the Florida reunion, a highlight of which will be a gala "Christmas in October party."

Miss Owen's guests include

## Miss Marilyn Lee Horton Bride of Paul A. Sapienza

St. Mary's Church, Rutherford was the setting for the wedding of Miss Marilyn Lee Horton, daughter of Mr. and Mrs. Vernon Horton, of 20 Baldwin Place, to Paul A. Sapienza, son of Alexander Sapienza of Weehawken, and the late Mrs. Sapienza, Saturday afternoon, October 15, at 2:30 o'clock.

Rev. John E. Hopkins performed the ceremony which was followed by a reception at the Union Club, Hoboken.

Escorted by her father, the bride was gownned in Chantilly lace fashioned with a fitted bodice, long sleeves and tiered skirt terminating in a chapel train.

A pearl crown held her fingertip illusion veil, and she carried a cascade of white stephanotis and a white orchid.

The bride's sister, Miss Verne Horton of Belleville was maid of honor, and bridesmaids included the bridegroom's cousin, Miss Linda Anselmi of Lyndhurst, Miss Maureen Spellacy of Rutherford and Mrs. Nestor Hill of Belleville.

The honor attendant wore romance blue silk organza over taffeta with velvet trim, short sleeves and full, cocktail length skirt. She had a pearl crown with

a short veil to match and carried pale blue mums.

The bridesmaids' gowns were in raspberry, and they carried pale pink mums.

The bridegroom's cousin, John Anselmi of Lyndhurst, served as best man. Ushering were Arnold Riccietelli of New Milford, Eugene Moir of Hoboken, another cousin of the bridegroom, and Nestor Hill of Lyndhurst. Thomas Anselmi of Lyndhurst, was his cousin's ring bearer.

The bride is a graduate of Essex County Vocational and Technical High School, Newark, and is in the accounting department at Andrew Jergens Company.

The bridegroom was graduated from St. Mary's High School, Rutherford. He is a diamond setter for Walter Witko, New York City.

The couple will make their home at 210 Highpoint Avenue, Weehawken after a motor trip to Miami Beach, Florida.

# Belleville Times School page

Belleville High School sent four representatives to the English Literature day on the Ruth-

erford Campus of Fairleigh Dickinson University. Left to right they are Howard Ellis,

Gloria Borkowski, Kathy Flanagan and Dom Giovachino.

## Honor Students At University's Literature Day

An English Literature Day for high school honor students was held October 17 on Fairleigh Dickinson's Rutherford campus. Four Belleville High School students were among the 225 representatives of 13 high schools.

The four BHS honor students attending included Kathy Flanagan, Gloria Borkowski, Dom Giovachino and Howard Ellis. Kathy and Howard are members of the Belleville Times School Page Staff (Howard is editor) while Dom heads the high school sports staff for The Times.

The four heard Dr. Warren Held, chairman of the university's English department introduce guest speakers including Dean Lloyd Haberly of the liberal arts college and Professor Charles Angoff and Dr. Margaret Coit of the English department. Dean Haberly gave the visitors

some of the background of the university and emphasized its interest in liberal arts. Both Professor Angoff and Dr. Coit, well known writers, stressed the importance of good reading and good writing in today's world.

Following the program, the Belleville High School students were the guests of the university for a luncheon and a tour of the campus.

## Low Grades Have New Curriculum In Science Class

Children and teachers in Belleville Public School grades kindergarten through third are experiencing a new science program this year based on a recently distributed curriculum guide, "Science Curriculum and Resources, Primary Grades K-3." The science curriculum guide is the result of the work of 56 teachers in science workshops in all elementary schools. While primary grade children

still give emphasis to study of living things such as plants and animals, the pupils now study three additional aspects of science including earth and universe, matter and energy, and human beings. Health instruction is thus becoming a part of science instruction.

Emphasis in the new science program is on science activities, demonstrations and experiments by the children appropriate to each grade. The program says, in effect that "science books have their place, but science experiences are essential for each child to learn to understand his world and his culture."

The science curriculum guide for grades four through six is in process of publication. Science teachers in grades seven through 12 are meeting in a workshop program to articulate teaching. They also are evaluating the use of the materials developed by the National Physical Science Study Committee and the American Institute of Biological Sciences (AIB) Study Committee.

## Kathy Flanagan Is Named High School Yearbook Editor List Other Members of Staff

BY HOWARD ELLIS

It was announced last week that Kathy Flanagan will head the staff of Belleville High School's yearbook, the *Monad*. Elected at a general staff meeting, Miss Flanagan will be aided by associate editors Arthur Zeller and Joan Behan.

This year's *Monad* staff, 20 in number, is advised by Miss Thelma Weidman and Miss M. Kelly. The business problems are being handled by business manager, Pete Wolk, and faculty advisors: Charles Schultz and Miss Muriel Cerami.

The *Monad*, an annual publication of the Senior Class, sells for \$4.50.

One of the major tasks of this year's staff has already been completed. All of the 360 Seniors have visited the photographer for

their yearbook pictures.

This mammoth undertaking was completed in only two weeks. At present, the staff is working on such problems as Theme, Dedication, and History.

Members of this year's *Monad* are: Kathy Flanagan, Arthur Zeller, Joan Behan, Carol Brownbridge, Gloria Borkowski, Enid

Ritchy, Gail Parzanese, Janet Yuhas and Annette Juliano. Also Elaine Grippi, Salvatrice Chiarelli, Marilyn Vitale, Florence Goi, Kathy Sparks, Johanna Kirgie, Gilbert Sherman, Dennis Wise, Patricia Pacelli, Ann Barnes, and Angela Caeroli.

## HORSEPOWER THAT MAKES SENSE FOUR CYLINDERS TO SAVE GAS! THE NEW SWEET RUNNING TROPHY 4 ENGINE FROM PONTIAC PERFORMANCE SPECIALISTS!

The new Trophy 4 engine puts real performance in the Tempest and cuts gasoline bills to boot. This new baby is *eager to move out* for safe passing. Holds the going pace on any expressway. Breezes up steep hills in high gear. This new 195 cubic inch displacement, 45° inclined, short stroke, 4 cylinder engine has a wide range of h.p. ratings. With single-barrel carburetor and stick shift: 110 h.p. (regular gas) or 120 h.p. (premium gas). With the same carburetor and extra cost automatic shift: 130 h.p. (regular gas) or 140 h.p. (premium gas). Want still more? Order the 4-barrel carburetor with the automatic and jump the output to 155 h.p. (Or buy the 155 h.p. aluminum V-8 option.)

Rear axle drive and transmission are combined (a trans-axle). Flexible shaft from front engine delivers smooth, quiet power. Perfect 50-50 balance gives a flat, level ride that no other new-size car can touch. *Rides like the big ones!* An equal load on every wheel. Steering is light and easy! Better braking and improved traction in snow, sand or mud! *Independent suspension at all wheels.* Swing axles keep Tempest on an even keel over bumps, ruts, dips and holes! *112" wheelbase.* Long enough for a cradled ride—short enough to handle like a sports car. *Big 15" wheels.* Good road clearance. Long tire life. (13" compact tires turn at least 4900 more times to go 100 miles.) *Seats six men.* The big transmission hump is gone. The middle man can stretch out size 12 brogans! *Wide-Track, too!* The track is up to 3 inches wider than most compacts. Less lean. Less sway. Better cornering. *Pontiac dealers have it—and they have it now!* A four-door sedan... a station wagon... a full line-up of accessories. Try the Tempest out for an hour—you'll want in for keeps! It's priced with the compacts!

OBITUARIES

Rest Eternal Grant Unto Them, Oh Lord,  
and Let Light Perpetual Shine Upon Them.

**Mrs. Katherine Koster** | **Henry Best Lasher, 76**

Mrs. Katherine E. Koster of 129 Joralemon Street, Belleville died October 17 of a brief illness in the Clara Maass Memorial Hospital. She was 74.

The wife of Harry M. Koster, she was born in New York City and lived in Hoboken before coming to Belleville 20 years ago.

The funeral was conducted from the William V. Irvine and Son Memorial Home, 276 Washington Avenue on October 19. A High Mass of Requiem was offered in Saint Peter's Church at 10 o'clock. Interment was in the Holy Cross Cemetery.

Born in New York City, she lived in Hoboken before moving to Belleville 20 years ago.

Besides her husband, she leaves a daughter, Mrs. Stephen Tilton of Nutley; a sister, Mrs. Patrick McBride of Jersey City, and two grandchildren.

Henry Best Lasher of 104 Overlook Avenue, Belleville died October 22 in his home of a long illness. He was 76. Funeral services were held in Nutley on October 26.

Born in Valatia, N.Y., Mr. Lasher lived in Newark and Nutley before coming to Belleville six years ago.

A retired automobile salesman, he at one time had operated his own agency in the Roseville section of Newark.

He leaves his wife, Mrs. Helen Kelly Lasher; a son, Henry E. Lasher, at home; a daughter, Mrs. Margaret Gilsenan of Passaic; two sisters, the Misses Emma and Frances Lasher, both of Scarsdale; a brother, Matthew of Beverly Hills, Calif., and seven grandchildren.

**Pietro Cuzzo Dies After Brief Illness**

Funeral services for Pietro Cuzzo of 178 Belleville Avenue, Belleville were conducted October 15 in Newark with a 10 o'clock Requiem Mass in Saint Lucy's Church.

He died in his home October 12 of a brief illness at the age of 89.

Mr. Cuzzo was born in Salerno, Italy, and came to this country and Newark about 1900. He moved to Belleville 10 years ago. He was retired from the lumber business.

He leaves four sons, Michael, Alphonse, Americo and Peter Jr., all of Newark; two daughters, Mrs. Angelina Iosso of Newark and Mrs. Mildred Conforti of Belleville, 19 grandchildren and 15 great-grandchildren.

**Michael Carbone, 39; World War II Veteran**

Michael Carbone of 72 Little Street, Belleville died October 17 in the Clara Maass Memorial Hospital after suffering an apparent heart attack at Washington Avenue and Little Street. Mr. Carbone was walking toward his home after leaving a bus when he collapsed. He was 39.

The funeral service was held October 20 in Newark with a Requiem Mass offered at 10 o'clock in Holy Family Church, Nutley. Interment was in the Holy Sepulcher Cemetery, East Orange.

Mr. Carbone was born in Newark and had lived here 10 years. He had served in the Army from 1942 to 1943, and had been hospitalized for many years since that time. Before his Army service, he had worked as a butcher's helper.

He was a member of the Belleville chapter Disabled American Veterans.  
He leaves his parents, Mr. and Mrs. Joseph Carbone, and three brothers, Angelo, Anthony and Salvatore, all at home.

**Mrs. Josephine Bedulsky**

For President &amp; Vice President

**JOHN F. KENNEDY**      **LYNDON B. JOHNSON**

For Congress 10th District

**PETER W. RODINO**

Serving since 1948. Recipient of numerous awards here and abroad. Ranking majority member of judiciary committee. Decorated war veteran. Champion of social welfare.

## IN ESSEX . . . CONTINUE A "PROGRAM OF PROGRESS"

### THESE ARE CONCRETE ACCOMPLISHMENTS UNDER DEMOCRATIC LEADERSHIP IN LESS THAN 22 MONTHS:

Studies for the appointment of a planning officer and/or, a planning commission composed of leaders of every field, selected for their interest in the community of Essex, without partisanship.

Streamlining of the finance department through creation of a Financial Advisory Commission, investment of county funds on a more profitable basis and installation of modern business techniques and machinery.

More expeditious budget deliberations, including consultation with the Citizens Budget Advisory Committee and the mayors or fiscal officers of the 22 municipalities. Leadership of the Democratic majority bloc succeeded in cutting back budget requests by a total of more than \$3,000,000 in each year of 1959 and 1960. The only reason for the rise in over-all 1960 appropriations is mandatory salary increments and added old age benefits and welfare costs.

Restoration of accreditations to Overbrook Hospital, the loss of which had been hush-hush until 1959. New administrative wing has been started and a comprehensive study to remedy overcrowding.

Creation of a modern personnel department follows the most up-to-date methods of private industry and government. It eliminated partisan, political hiring, strengthened the Civil Service system and employee morale and has been praised frequently by Republican Freeholder spokesman Leslie Blau, who voted for it but whose associates now criticize unwarrantedly.

Consolidation of the law department on a full-time, adequate basis has resulted in more prompt and efficient service with some

matters cleaned up which lay dormant from two to eight years. Dual-jobholding has been eliminated and the cost of counsel reduced.

Revision of the engineering department eliminated lack of coordination in personnel assignments while the new engineering building, on which progress was lagging, has been completed and is in use.

For the first time, a complete inventory has been completed in all departments to determine what the wealth of the county is in office equipment, rolling stock and all other items.

A new, bi-partisan Right of Way Commission meets regularly and only last year found new alignment of one highway job would save county and federal governments about \$1,400,000.

Added interest has been evidenced in the Children's Emergency Shelter at Belleville with new facilities planned.

Inauguration of marriage counselling service in the domestic division of the Juvenile and Domestic Relations Courts came about mainly through efforts of Mrs. Moss.

The Newark Street Jail and Caldwell Penitentiary have been improved and renovated and the addition of a trained psychologist at the latter institution has been praised widely.

The county guidance center in East Orange has been given more space and more full-time, clinical, professional help.

Highways have been improved to the tune of \$2,000,000 and traffic control installations have been carefully planned.

Previous sloppy and unethical business methods in the Shade Tree Commission have been eliminated. The experiment with columnar Norway maple trees in the business area of Caldwell will result in beautification and is believed to be only the second such experiment in the country.

New courses and marked improvement of student records have been noted in the vocational school system.

The County Welfare Board's suggestion has been followed out for a study of institutional facilities, particularly for the chronically ill.

Freeholder cooperation has resulted in legislative action toward an actuarially sound Employees Pension Fund, which had been allowed to stagnate until it had liabilities of \$30 millions and assets of \$600,000.

For Hard Work, Conscientiousness and Achievement, This Record is Unmatched. Don't Bring Back "Country Club" Style Government, With Its Inherent Evils. Remember Two Recent GOP Chairmen's Actions Have Resulted in Rebukes by the Grand Jury, After Democrats Found Scandal in the Operation of the Passaic Valley Sewerage Commission.

Keep Essex Really "Clean." Vote Line "B". Elect these Democratic County Candidates.

Continued Good Government

For County Clerk  
**Nicholas V. Caputo**  
Successful business man and administrator with statewide interests. For civic welfare and better government.

For Register  
**Madaline A. Williams**  
First Negro Assemblywoman in N. J. history. Experienced legislator, civic leader and humanitarian.

For Supervisor  
**Weldon R. Sheets**  
County Supervisor since 1954. First to advance many programs adopted under Democratic leadership.

Without going into too much detail, we are choosing South Side to be the loser in this Saturday's contest at Belleville High School. South Side has an even record in the City League with two wins and two defeats. Belleville has been facing stronger teams than has South Side and thus far has maintained a comparable record. Look for a Bellboy victory this weekend.—R. W., P. W., D. G.

BY DOM GIOVACHINO

Belleville High's football squad was held scoreless for the first time since the Nutley game when the Bellboys lost to Garfield Saturday. The Blue and Gold offense, especially the running attack, didn't clock is it has in the past. Belleville made much of its gains on pass plays which seemed to be working better than usual. If the running attack had combined with the passing, Belleville should have been able to penetrate Garfield's comparatively weak defense.

The Bellboys defense Saturday looked very good except in two spots where they let Garfield runners elude them on a punt return and pass interception. Otherwise the Boiler-makers were much outplayed.

The closest Garfield came to the goal on a drive was the Belleville 28 early in the first quarter. After this Belleville never let them get within 40 yards of a score! But Belleville was beaten by two long runs, the second of which came with 16 seconds remaining in the game. Up to that point Belleville had a very good chance of tying, as they kept the ball in Garfield territory. But Belleville was unable to take advantage of any of the breaks that came their way.

The usual linemen played a fine game Saturday. Especially good on defense were Fred Partus and Joe Cernero who haunted the opposition. Their consistent fine performances rather than being outstanding in one game have helped the Blue and Gold to a big extent.

In the Big Ten cross-country meet Friday, Columbia took first place for the fifth time in the last six Big Ten meets.

Belleville High's Junior Varsity team won its sixth consecutive game Monday afternoon. A week ago Monday we stood in what felt like freezing winds to record some notes and take some photos for this page. As so many of you have said in letters, why not JV pictures. But the sorry thing is that this lousy photographer goofed and the pictures didn't turn out. We'll get some more opportunities to take pictures of the fine jayvee team later this month when Kearny and Orange squads play in the Belleville Municipal Stadium.

South Side lost to Barringer last Saturday 20-7. This Saturday South Side is slated against Belleville in a 2 p.m. contest.

The final game of the high school season is set for Thanksgiving Day. Orange will be the opponent and the kickoff is at 1 in the morning.

The missing by-line on this page, Roger Wartell's, is due to a case of pneumonia. We have it on good authority that Roger was caught sneaking to the roof of the Clara Maass Hospital Saturday where he had hoped to catch some glimpses of the Garfield game in not too distant Municipal Stadium.

The Belleville Times Business Manager, Ed Bonnet, popped his friendly face into the editorial department this morning to inform us that he's signed us up for trampoline lessons at a new business establishment opening somewhere in the neighborhood. We were going to object until he told us that the ladies' page editor also is included on his "list."

Union County All-Stars will be in Belleville Sunday afternoon to meet the Iron Dukes. The game, set in Municipal Stadium, starts at 2 o'clock.

George Sheridan, in addition to his passing duties, racked up yardage on the ground Saturday as shown on the play pictured above when Sheridan plows through the Garfield line for a 10 yard gain despite the efforts of these three Garfield players. Sheridan was brought down a few moments later by the visitors' star halfback, Greg Boryczewski. Belleville player number 13 in this picture is Tom Perry.

## Belleville High Junior Varsity Scores 6th Straight Victory Over Garfield, 12-6, Monday

BY AL LEMBERGER

Belleville High School's Junior Varsity "wonderboys" rolled to their sixth victory without a defeat Monday turning back a big Garfield squad. Combining the usually good defense with one quick offensive strike, Belleville managed to get by Garfield by a 12-6 margin.

Belleville started its first touchdown drive by taking over on their own 23 and marching to the Garfield 47 in six plays. From there Belleville's quarterback Ken Zarro hit end Bob Byers with a pass from a 47-yard pass run touchdown play.

After a poor Belleville kickoff, Garfield moved the ball from the 50 to the Belleville seven-yard line in eight plays. Then Garfield made its only score on a

freak play; the halfback fumbled in the end zone and a Garfield lineman fell on it.

After the start of the second half Belleville's defense began to show its force. "Red" Higgins had his second lineman's dream in as many weeks when he picked up a Garfield fumble and ran 57 yards for the touchdown to make the score 12-6. From this point on—Garfield couldn't move the ball against the defensive unit led by Higgins, Joe Valvano, Drew Horvat, and Vinnie Sorrentino.

Belleville managed to get a scoring threat going late in the fourth quarter moving the ball 44 yards in 11 plays to the Garfield two, only to have time run out. The drive, as others, was shown the way by a good forward wall led by Mike Rega and

Richie Blanch.

Highlighting the drives were the great running of Frank Zinna and the good performances of fullbacks Joe Valvano and Stan Tomaszewski.

## Belleville Upset Saturday By Garfield Eleven, 14-0

BY DOM GIOVACHINO

Belleville High suffered its first defeat in the last three starts Saturday at the hands of Garfield High School, 14-0. The game at Belleville Municipal Stadium left the Bellboys' record at 2-3.

Belleville was unable to take advantage of breaks that came their way, while Garfield picked up two touchdowns on a punt return and pass interception. Neither team looked particularly good offensively, but Garfield's ability to slip by would-be tacklers proved to be the difference.

In the first quarter, the ball changed hands several times, neither team giving any thing. But on the third play of the second period, the Bellboys were forced to punt from their own 28.

Pat Moreno's kick was taken on the Garfield 40 by Gregory Boryczewski, who raced down his left sideline, slipping by oncoming

tacklers with the aid of some fine blocking, and worked his way into the open to cross the goal line 60 yards later.

Louis Shortino added the extra point to this surprising score, on an off tackle run.

A little later in the quarter, following an exchange of pass interceptions, the Bellboys worked their way to the Garfield 17, the big play being a 21-yard pass play from quarterback George Sheridan to end Bob Byers. This play netted Belleville a first down on their opponents' 17.

### AT THE GARFIELD 17

As Belleville's best method of gaining yardage had proved to be passing, Sheridan elected to pass on the next three plays. The first two were incomplete, but the next, his eighth straight try, was intercepted by Boryczewski, and gave the Boiler-makers the ball on their own 22 and stopped the threat.

Four plays later, Mike Suppa

intercepted a Garfield pass, carrying the ball to the Garfield 34. Belleville was stalled in four plays however, Garfield taking over on downs on their own 34 to end the half.

Late in the third period, after the Blue and Gold had taken a punt on their own 47, they moved to the Garfield 26 in five plays. The big play was a 16-yard pass play from Sheridan to Anthony Dellaterza. On the sixth play, though, Sheridan's pass was intercepted on the Garfield 33 ending the third period.

### CERNERO RECOVERS FUMBLE

On the very next play, Belleville's Joe Cernero recovered a Garfield fumble on the Boiler-maker's 34. Richie Luzzi picked up ten yards on the next play, but in the following four plays, the Blue and Gold was stopped cold.

### Recreation Dept.-Kiwanis Junior Bowling Leagues Will Open Season Saturday

The Recreation Kiwanis Junior Bowling Leagues will begin action this Saturday with free bowling clinics at Belleville's two bowling lanes.

Through the cooperation of the Belleville Board of Education, registration forms for the bowlers were distributed through the schools and similar arrangements were made with the parochial schools. Registrations have been processed by the recreation department so youngsters wishing

to enter league bowling will know what team they will be on when they report to the clinic. As far as possible children have been allowed to choose the time and place they will bowl.

All youngsters who intend to bowl in the leagues must attend the clinic whether they have bowled before or not. League bowling will begin Saturday, November 12.

Youngsters who requested Branch Brook Lanes are to be there at 10 a.m. Saturday, for the clinic while those who requested Olympic Bowl are to report there at 10 a.m. Saturday unless otherwise notified.

Several refinements have been made on this year's leagues. Perhaps the most important is that the children will bowl at the place they choose with only a few exceptions. The season will run 20 weeks with the last three where the top teams meet head on. There will be individual surprise awards given throughout the season. All bowlers will be uniformed but only after they have bowled several weeks.

Arrangements have been made with both Branch Brook Lanes and Olympic Bowl for reduced rates for the children who bowl in the leagues. In addition both lanes will provide shoes free of charge and will offer awards for bowling proficiency.

The leagues are directed jointly by the recreation department and the Belleville Kiwanis Club under the auspices of the American Junior Bowling Congress. Colorful bowling shirts worn by the youngsters are provided by various individuals and businesses.

Sponsors already committed to this year's leagues include George F. Kiernan Association, Kondreck Photographers, Pizza Pantry, Muscara Music, DeBacco Brothers Sports Shop, Knights of Columbus, Branch Brook Lanes, The Belleville Times, Olympic Bowl, Bradley Tire Service, and Rubin Brothers Drug Store. Others interested in sponsoring teams are asked to contact the recreation department.

Belleville boys and girls who still wish to bowl may join by attending either of the clinics this Saturday.

## Bob Marcy Takes Cary Wills' Aerial In End Zone for TD

BY JOHN BASILE

Down by seven points and completely outclassed during the first half, the Iron Dukes roared back to score a touchdown and a field goal in the final two sessions to edge the favored Swedesboro Red Devils, 9-7, at Swedesboro Saturday night, Oct. 29. It took the talented toe of speedster Frank Barnes to turn the trick, however, as he booted a 35-yarder between the uprights with four minutes to play in the contest. The touchdowns were scored by Ernie Rone of the Devils on a three-yard buck in the first stanza, while Bob Marcy took Cary Wills' 26-yard pass in the end zone in the third period.

The victory gave the Iron Dukes a 5-3 league record, the last four in a row, while the defeat dropped Swedesboro into third place with two setbacks in seven contests.

Chuck Munford and Ron Gasparinetti were the big ground-

gainers for the Dukes, with 106 yards in 26 carries between them. These figures readily show that the Dukes had to really drive to gain the win. Chuck's 58 yards gave him a total of 620 in seven league games and a total of 1,009 yards in all contests played this year.

The Red Devils took just nine plays to go ahead early in the first quarter on a drive which covered 54 yards. The big gainer occurred on the first play of the drive, when Art Brandiff broke off tackle and dashed 35 yards down to the Iron Duke 19. Ernie Rone went up the middle on a trap play (third down and three) for the score and Bebe Martell calmly booted the extra marker for a 7-0 lead.

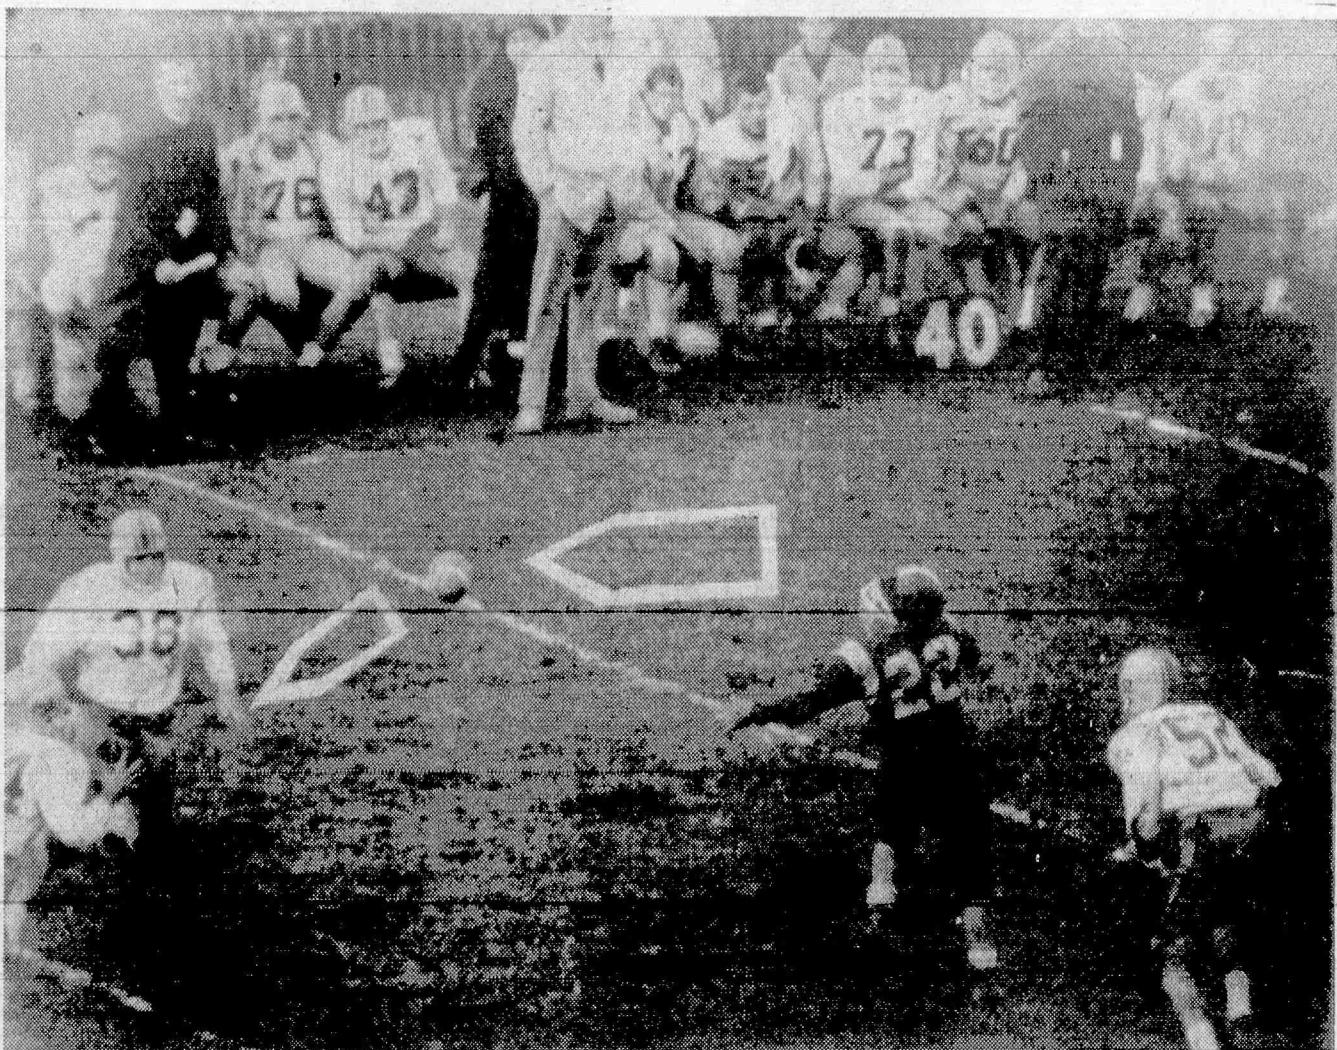

The Dukes took the kickoff and drove to the Swedesboro eleven the long gainer being a 15-yard pass from Wills to Ron Gasparinetti. However, Joe Dobzanski killed that bid by intercepting Wills' pass on the goal line and bringing it out to the 45-yard line of the Red Devils. A few plays later Frank Barnes snatched an errant Viceroy toss on his own 49 and ran it deep down to the Swedesboro 20. Chuck Munford lugged twice to a first down on the 10. Two incomplete passes sandwiched around two short Chuck Munford carries lost the ball on downs. The Devils then drove 78 yards in nine plays to the Duke 8. On the last play of the half, Joe Rizzi drove to the two where he was hit by Tom Appicella so lustily that the ball flew out of his hands into the end zone where Don Munford fell on it for a touchback.

While the first half was all Swedesboro, the fired-up Dukes dominated the second half just as decisively. Midway through the third quarter a fourth down bad pass from center delayed punter Martell's attempt long enough for Don Munford to stop the Swedesboro back at midfield. At that point the Dukes took over and took just nine plays to tally. Dick Bartolalzi carried for one, Chuck Munford for seven and one, before Bart picked up the first down to the 39. Chuck went

## Belleville Ballistic Misses Target

One way Garfield stayed ahead of Belleville in Saturday's game was by intercepting Bellboy tosses. Andy Barckert (34) at extreme left is about to intercept the ball which just missed its target, Richie Luzzi (22) when this photo was taken midway through the second quarter. ## Local Students Frosh At NCE

Eight Belleville young men are among 499 freshmen enrolled this fall at Newark College of Engineering, according to an announcement yesterday by Frank A. Grammer, dean of admissions. The 499 figure represents the largest freshman class in the history of the college.

Belleville students include Richard Burlazzi of 18 Mount Pleasant Avenue, Paul M. Cafone of 701 Main Street, William R. Daddis of 41 Forest Street, Richard J. Giangreli of 94 Gless Avenue, Robert J. Gleason of 121 Rutgers Street, Ronald E. Hrasna of 275 Division Avenue, Gerald D. Utrachi of 260 Greylock Parkway and George C. Weltmer of 184 Beech Street.

Burlazzi, Daddis, Giangreli, Utrachi and Weltmer are all graduates of Belleville High School. Cafone and Hrasna studied at St. Benedict's Prep while Gleason attended Central Evening High School.

This Happened Too Often

Greg Boryczewski (in white uniform) was the leading yard gainer for Garfield here Saturday. Boryczewski, among his other fetes Saturday, returned a Belleville kick 60 yards for a touchdown. The playabove shows Boryczewski being downed by Belleville after a 21 yard run midway through the first period. Garfield player (number 60) on the ground is Tom Bovitz. Richie Luzzie (22) and George Sheridan (23) are the two Belleville players who assisted Fred Partus with the tackle. Partus is buried by Boryczewski in this photo.

A Second Too Late

Unidentified Belleville player just missed stopping Greg Boryczewski's kick late in the fourth period Saturday. Boryczewski received a bad hike and ran with the ball before he just managed this kick. Garfield was short three yards for a first down on their own 22-yard-stripe and elected to kick on the fourth play, last for Garfield of the afternoon.

Cross Country Team in Meet Of Essex Squads

BY DOM GIOVACHINO

Although the regular cross-country season ended last week, the Bellboy harriers ran in two more meets this week. They were the Big Ten meet on Friday, and the Essex County meet Tuesday.

At the Big Ten, Belleville tied for sixth place with East Orange with 169 points. The winner of the meet was Columbia High, whose Bob Rothenberg came in first out of a field of 80 runners. His winning time was 13:2.

Ernie Steffanelli was the first Belleville runner to finish. He placed 19th in the field. Belleville's second finisher was Bob Babb, who took 26th. He was followed by Bob Cornish, 28th, and George Bauer, 39th.

One disheartening occurrence in the meet, was Jim Harvey's unfortunate "stitch." The pace was a bit fast, and Harvey was forced to fall behind. Had he finished somewhere around 25th, as was not impossible, the Bellboys could have possibly beaten Montclair, who was fourth with 39 points.

Rodino's Office Calls TV Stocks Report Untrue

The Citizens for Rodino today challenged the Republican opponent of Rep. Peter W. Rodino Jr. (D., 10th Dist.) to tell "the whole truth" and to repudiate "the distortions and misrepresentations he has circulated" about their standard bearer's ownership of stock in a television company.

"Mr. Rodino's opponent, in the fashion of an Iron Curtain puppet, persists in repeating outright falsehoods in the hope that somebody eventually will believe them," the statement issued by the chairman, Barry Crelin, set forth.

"But the Republican candidate will not delude the people of the 10th District, who are too intelligent to be taken in by so obvious a device," the statement continued.

"Mr. Rodino's opponent has brazenly carried on this baseless attack although Senator Proxmire—whom the candidate has the audacity to misrepresent as supporting him in this—has demanded that he repudiate it at once."

The Citizens for Rodino made public a series of letters and statements which followed issuance of a "newsletter" by Mr. Rodino's opponent wherein the Republican candidate claimed Senator Proxmire had "thanked" him for pursuing his attack on Mr. Rodino.

"This statement is absolutely untrue," said Mr. Crelin. "In fact, when Senator Proxmire's attention was directed to it, he wrote to the Republican candidate and branded the newsletter quotation as 'totally false.'"

"Senator Proxmire's exact words at the close of the letter were:

"Obviously the attack on Mr. Rodino in the newsletter carrying your name is false and malicious. I urge you to repudiate it."

Mr. Crelin asserted that the Republican candidate, if he were interested in the truth, could have checked with the Federal Communications to determine how a license was issued to Capital Cities TV Corp., of Albany, N. Y., the firm in which Mr. Rodino invested four years ago.

"Frederick W. Ford, chairman of the FCC, has written a letter which destroys the Republican candidate's implication that Mr. Rodino brought influence to bear in order to secure a license for the firm," the statement disclosed.

"Mr. Ford's letter states:

"The Examiner made no reference to you (Mr. Rodino) in the initial decision and your (Mr. Rodino's) name was not brought up at the oral argument before the commission."

"The same letter," according to the statement, "states flatly that the Commission never received any communication from Mr. Rodino or his office while the matter was under consideration."

"In a subsequent letter to Mr. Rodino," the statement continued, "Senator Proxmire hailed the incumbent Congressman's fight against payola in government and expressed the earnest wish that Mr. Rodino be re-elected."

"We, the Citizens for Rodino, are heartily in agreement with the Senator's expression."

Hilltoppers on Top

The Hilltoppers, last year's hard luck team in the Fewsmith Men's Bowling Club, took over first place from the Busters by winning three games from this year's last place team, the Muffins.

The Busters, Oldtimers and Spoilers kept pace with each other by winning two each. Hundertpfund, Dahlquist, Fabian, Koehler, Goody and Buist all assembled good 500 or better series scores and kept their teams on winning ways.

High for the week was 236 hit by Bill Buist to bring his season's averages up to 168.

Wednesday League

With a record of 12 wins and 9 losses the Spares are back in the number one slot in the Recreation Wednesday Night Women's Bowling Leagues, but their number one position isn't too secure.

There is a four team tie for second place, the Slick Chicks, Pin Pals, Belles and Raiders, all with a record of 11 wins and 10 losses.

Elaine Pandors of the Pin Pals tied Dolores Yanicaks (Slick Chicks) high game of 196, but Dolores high average of 154 has not been tied or topped so far. Elaine rolled high series of 527.

Sparkplugs Leading

Commissioner George F. Kieran describes last Thursday as "bumper" afternoon in the Recreation - Olympic Housewives League, but it didn't make too much difference in the standings of the League.

The Sparkplugs are still in first place with a record of 16 wins and 5 losses, the Suburban Jets and the Fire Bugs are still tied for second place with 14 wins and 7 losses.

Rocco Cafone Assigned To Clerk's Post In Korea

Army PFC Rocco Cafone, son of Mr. and Mrs. Dominick Cafone of 9 King Street, recently arrived in Korea and is now serving with the Seventh Infantry Division.

Cafone, a clerk in the division's Seventh Administration Company, entered the Army in November 1959 and completed basic training at Fort Benning, Ga.

He is 1954 graduate of Belleville High School and a 1959 graduate of Upsala College in East Orange where he is a member of Rho Alpha Phi fraternity.

for three, Gasparinetti for three and Bart picked up another first down to the 29. Gasparinetti dove for three more, before Wills faked a handoff to Chuck, rolled to his left and found Marcy all alone in the end zone with a 26-yard strike for the TD. Marcy's kick was wide and the Dukes trailed 7-6.

The Devils took the kickoff and moved to the Duke 34 before the lost the ball on downs. The Iron Dukes then exploded for 42 yards in three plays, as Chuck swept end for 15, Gasparinetti went off tackle for 15 more, and Wills kept for still another 12 down to the Swedesboro 24 as the third period came to a close. Wills fourth down pass to Borelli in the end zone just eluded Lou's frantic clutch and Swedesboro took over on its 20. Three plays failed to gain and Martell punted to Chuck at midfield. The Dukes then drove down to the Devil 11, on just nine plays, with Gasparinetti lugging for 19 of those. Three plays found the ball back on the 15 at which point, Frank Barnes (who had limited his kicking to kickoffs only prior to this play) calmly split the uprights from the 25. The winning boot carried 35 yards in all (25 and 10 more through the end

## Belleville Foreign Language Teachers Profit from Summer Institute Classes

During the summer of 1960 two teachers of the Belleville High School Foreign Language Department were selected to participate in Summer Language Institutes under the sponsorship of the National Defense Education Act. Miss Helen F. Hollberg attended the nine-week Advanced Summer Institute conducted by Stanford University in Germany for 78 high school teachers and supervisors. Hector Gialanella attended a French Language Institute at Colgate University, Hamilton, New York, for a seven-week program of total immersion in the language.

Miss Hollberg and the others in her group left New York by chartered plane June 20 for Berlin Templehof. A week in Berlin included briefs on the Berlin situation, visits to German secondary schools, contacts with German teachers, guided tours of East as well as West Berlin and visits to the theater and movies.

Next the group flew to Bad Boll where the Institute was housed in the Evangelische Akademie, a conference center near Stuttgart in the state of Wurttemberg.

The academic course included a systematic series of lectures and discussions by native informants on post-war political, economic, intellectual and cultural problems, the latest techniques of language instruction and the preparation of new materials for use in American schools; applied linguistics with special reference to problems of language instruction; composition workshop and language clinic.

The academic program was supplemented by trips to the seat of the German Government at Bonn, the Rhine Valley, the ancient towns of Dinkelsbühl and Rothenburg, and cities including Cologne, Heidelberg, Nuremberg, Munich and many others.

These field trips were not merely sight-seeing tours but opportunities for the participants to increase their knowledge of Germany and the German people.

### FRENCH FRATERNITY

At the Institute attended by Gialanella, 30 participants were housed in one of the fraternity houses on the Colgate campus which subsequently became the "French House." Several native French instructors resided with the participants in order to make certain that French was spoken at all times, both on and off the campus.

The program comprised the following courses, general and applied linguistics, contemporary French civilization, conversation, demonstration class and workshop, pattern and sentence drill, language laboratory techniques and workshop.

Besides the opportunity to develop proficiency in the spoken language, the program afforded insight and practical experience in the newest trends, devices and techniques relative to teaching foreign languages, with particular stress on the language laboratory method.

During the same period of time Colgate University was also host to a Spanish institute. Both institutes were conducted along the same lines.

Miss Hollberg and Gialanella have stated with enthusiasm that their experiences were enjoyable and stimulating. This is in keeping with the aims set forth in the National Defense Education Act which is seeking to improve the methods of teaching foreign languages in the United States.

In 1960 there were 35 similar language institutes set up in colleges and universities in this country in French, Spanish, German, and Italian. There is now a proposal that this amount will be doubled in 1961.

## Talk Disarming With Red China, Says Rodino

A call for nuclear weapons disarmament was sounded by both candidates for the Congress from the Tenth Congressional District at a meeting in Amvets Hall, Nutley, Thursday, Oct. 27.

The new President should appeal to the heads of all nations to continue the nuclear weapons test moratorium; the new administration should form a peace agency at the cabinet level and Red China should be invited to join the disarmament talks within the United Nations framework were the views of Peter W. Rodino, Jr., Democratic incumbent.

Mr. Rodino, unable to appear at the meeting, was represented by John Wallace, his campaign co-ordinator.

Vic Lombardo Singing Mystery American Teen

VIC LOMBARDO

Vic Lombardo was the mystery teen in the column. Vic, president of the senior class, is known for his singing of "The All American Boy" at the BHS talent show when he gave Elvis some keen competition. Vic also plays the guitar and maintains a "B" average in his studies. He is chairman of the magazine campaign committee which came to a successful conclusion last week. He plans to attend college where he'll study dentistry. Vic is the son of Mr. and Mrs. Victor Lombardo of 42 Continental Avenue.

Here Are Clues To This Week's Mystery Teen

Our Mystery Teen for this week is an athlete, musician, good student, a person interested in all phases of outdoor life and an active member of his church, school and community. A senior at Belleville High School, this person is a member of the cross-country squad and is a starboard oarsman on the varsity crew. He plays trumpet in the marching band and varsity band. Along with these and his other school activities, Mr. Mystery Teen still manages to maintain a "B" average. Although interested in all phases of outdoor life, this person especially enjoys aquatics. As a Boy Scout, he reached the highest possible rank, Eagle Scout. Other outside activities include Methodist Youth Fellowship and De Molay. Now you have all the information. Do you know who this week's Mystery Teen is?

County Tax Near Municipal Total

Which cuts deeper into the local property tax dollar—county or municipal government? As county expenditures soar, increasing shares of the local tax dollar are being taken for support of county government. And it probably will come as a surprise to many people to learn that in nearly 250 New Jersey municipalities, the local tax collector collects more tax for the county government than for his

Rep. Rodino Notes His Views Being Shared by Opponent

Rep. Peter W. Rodino Jr. (D., 10th Dist.) said this week it was apparent to him that his election opponent was coming around to share some of his views on domestic economy. "Newspaper accounts of late indicate my opponent is professing a serious interest in a decent minimum wage and in aid to education," the Congressman told gatherings in his district as he swung down the home stretch of the campaign. "However," Mr. Rodino continued, "I am afraid I can not claim that my campaign efforts have persuaded my adversary to my point of view entirely. For he continues to attack me for my long-time support of the objectives he now appears to espouse. Nor can I take seriously his concern for medical care for the aged and the problems of our senior citizens," Mr. Rodino said. "For, on one hand, he seems to favor medical care for the aged while on the other he counsels delay."

Mr. Rodino said the Democratic Party today, as it has since the dawn of the 20th Century, is blazing the way to new frontiers of domestic security and economic growth. "Only with internal strength can we be strong without and command the respect of the free nations whom we must lead in the struggle against the Communist world," Mr. Rodino said. "We must convince the free world and the uncommitted, underdeveloped nations that we are not devoid of larger ideas or objectives and not content merely with holding on to what we have," he said.

Donald Hulme Will Perform Here Nov. 17th

Donald Hulme, one of the world's finest accordion players and a graduate of Belleville High School, will return to the school November 17 for a performance. Hulme, a member of the Class of 1958, first won acclaim as an accordionist in the national competition in Texas. At present he is national champion of the United States. In 1959, Donald finished fifth in world competition. This year, at the world championships, held in Austria, he came in second. (See story on Page One.) The distinguished musician, formerly studying in the Nunzio School of Music, is now in one of the top music schools in the country, Juilliard.

own municipality. Under New Jersey law, county government reaches into the local property tax pocket for its principal financial support. Each year, after the county estimates its costs, the municipalities within its borders are billed their share of the total. This is prorated on the basis of the equalized share of property within each municipality. The municipal tax collector then collects the county tax, along with school and municipal taxes, in one billing. Frequently, in the process the taxpayer loses sight of the relative burden of county taxes. Filling in this oversight, a recent compilation by New Jersey Taxpayers Association shows that the levy for county purposes this

New Plan Offers Magazine Drive Many Careers To Army Enlistees For HS Council

The U. S. Army is offering the finest enlistment choice in its history. Under this plan, a young man can choose the exact career group in which he would like to receive training. Called the "Choose it Yourself" Vocational Training System, the plan offers a young man the opportunity to choose service in an Army career group that satisfies his own desires and aptitudes. The plan offers more than 60 career groups from which to choose. As a result, the enlistee is now able to receive precisely the training he desires. For example, if the enlistee wants to work in electronics and has an aptitude for that kind of work he is guaranteed on-the-job training or schooling in electronics after he finishes basic training. The guarantee is entered in the young man's Army record when he enlists. The new plan offers enlistment options in ten major occupational areas: 1. Combat. 2. Electronics. 3. Electrical Maintenance. 4. Precision Maintenance. 5. Military Crafts. 6. Motor Maintenance. 7. Clerical. 8. Graphics. 9. General Technical. 10. Special Assignments. Each of these occupational areas consists of a number of career groups from which the applicant can choose. Here is an example: Occupational Area No. 4 is precision maintenance, which consists of career groups in Precision maintenance; general; ammunition; armament maintenance; atomic weapons and guided missile mechanical assembly and repair; metal-working; prosthetic appliances; quartermaster equipment maintenance. The Army recruiter located in the Post Office Building, 396 will be glad to explain in detail the different career groups for each occupational area. year will exceed the levy for municipal government in 242 of 567 municipalities in New Jersey, or 43 per cent of the total number. In 1954 only 35 per cent of all municipalities paid out more of their levy for county government than for their own. A breakdown of the statewide figures showed that of the 22 municipal governments in Essex County, the county levy exceeds the municipal levy in nine municipalities.

ports that as of last night 18,446 citizens were registered for next Tuesday's election.

A truly strange item is that in 1944, one out of every eight voters who cast ballots in Belleville failed to name anyone at all as their choice for President!

Alfred E. Smith carried the Catholic districts in 1928 and there were many comments and releases from the clergy of Belleville concerning that election.

The review of these elections of the past follows:

1928

Republicans were well in the majority back in 1928 — the year Herbert Hoover won over Alfred E. Smith, the Democratic candidate and the last man of the Roman Catholic faith to seek the presidency until Sen. Kennedy was nominated this year.

In 1928 Hoover polled 5,942 votes to Smith's 3,900 here in Belleville and there were a number of interesting facts reported in the issues of The Belleville News during 1928.

For one thing, candidate Hoover visited Belleville during his campaign — as did Sen. Kennedy last summer. The late Rev. Dr. Philip H. Clifford, pastor of the Belleville First Reformed Church in 1928, issued a statement saying that "in the interest of a square deal" and despite all the propaganda and whispering against Alfred E. Smith as a dangerous man to help into the President's chair, there are a great number of ministers who will vote for him."

PROTESTANT VIEW

Part of Dr. Clifford's release read that as a Protestant minister, "I do not accept the claims and some of the creedal interpretations of the Roman Catholic Church, but I am, too, an American, born in the State of New York, and I readily recognize the right that Roman Catholics deserve a square deal as well as a Quaker or a Jew. I am ashamed of Protestant ministers or bishops who seemingly work against Mr. Smith on the ground of his ardent devotion as a spiritual Roman Catholic."

WHERE HE WON

Although Hoover carried Belleville by nearly 2,000 votes, Smith did win in four Belleville districts. In the southern portion of the Valley section of Belleville, Smith won over Hoover, 335,194. In the school eight district Smith had 403 to Hoover's 386.

In the two heavily Catholic districts, the one surrounding St. Peter's and St. Anthony's parishes, Smith defeated Hoover 483-214 and 418 - 182 respectively. Generally speaking, it was a genuine Republican sweep in 1928 in Belleville.

1932

Franklin D. Roosevelt won the nation from Herbert Hoover in 1932 (444 to 87 electoral votes) but Belleville was still such a Republican stronghold that town voters favored President Hoover for a second term 5,132 to 4,421. A total of 10,093 of 13,101 registered voters participated in the 1932 election.

One highlight of the 1932 balloting was the repeal of the prohibition law. Said The Belleville Times on November 10, 1932, "There can be no question that Belleville is a 'wet' town the voters favored repeal of the Hobart Act 6,390 to 1,496."

1936

By 1936 "Democrat" replaced "Republican" as the more dominating magical word in the Belleville political arena. President Franklin D. Roosevelt won over Alfred M. Landon by a 900 vote plurality. This was the only time Belleville elected a Democratic president.

Belleville had 13,380 registered voters but only 10,592 appeared at the polls.

1940

The election in Belleville of 1940 was an interesting one. While the town's trend since 1928 had been toward the Democratic

Party, in 1940 a new shift began. Although President Franklin D. Roosevelt won a third term in the United States, he lost to the Republican candidate, Wendell L. Willkie in Belleville 6,243 to 4,990.

A near record - breaking 91 per cent of 12,731 registered voters went to the polls and elected a local Republican ticket by 3 to 2 margins.

The Belleville News issue of November 7, 1940 noted that the 91 per cent turnout was not a record for the town. That edition states however that "Belleville voters really went to the polls in the 1924 election when Coolidge was opposed by Davis. In that election a total of 5,264 out of a possible 5,579 registered voters went to the polls — or 94 per cent."

The trend continued Republican in Belleville in 1944, and as in 1940, Belleville voted opposite the nation. A poor 53 per cent of the town's voters chose Thomas E. Dewey over Franklin D. Roosevelt who won a fourth term.

1944

The tally was 6,125 to Roosevelt's 4,803. "Belleville maintained its reputation as a Republican stronghold" said The Times in reporting the 1944 returns.

One surprising result of the 1944 election was that 511 voters in Belleville did not express any choice at all for the presidency.

President Harry Truman swept the country in 1948, but Belleville gave its support to Thomas E. Dewey, 6,327-5,492.

1948

While "the town kept its Republican stamp," the November 4, 1948 issue of the Belleville Times stated, "Republican leaders were given a rude jolt as their candidate Anthony Giuliano was defeated by Peter W. Rodino, the Democratic choice for the 10th Congressional district seat."

A local referendum giving \$300 pay increases to the police and fire departments was passed, 6,235-2,139.

1952

President Eisenhower won a big victory over Adlai Stevenson in Belleville in the 1952 Presidential elections. The 1952 plurality was 8,553 to 6,199.

"Except for the congressional race the Republicans swept everything here, to go along with their success throughout the country, Congressman Peter Rodino, however, carried Belleville

with 8,991 votes to 5,789 for Matthew J. Arsdale, for members of the board of freeholders.

Eighty-nine per cent of Belleville's 17,000 registered voters went to the polls in 1952.

1956

Peter Rodino was the only Democrat to survive a Republican sweep in Belleville in 1956, when Eisenhower defeated Stevenson for the second time, in town by a 9,526-5,053 score.

Rodino got 8,475 to Addonizio's 6,040 to win re-election as the Congressional District.

Belleville had 86.5 of its 17,263 registered voters show up at the polls.

Polls to Open Tuesday (Continued From Page 1)

ate; Miele, House Representative; Abbie W. Magee, county clerk; Anthony Giuliano, register of deeds and mortgages; Bayard H. Faulkner, county supervisor, and Dominic A. Cundari, Margaret H. Reitman and J. Vance McIver, for members of the board of freeholders.

DEMOCRATS

The Democrat candidates include John F. Kennedy, President; Lyndon B. Johnson, Vice-President; Thorn Lord, U. S. Senator; Rodino, House Representative; Nicholas V. Caputo, county clerk; Madeline A. Williams, register of deeds and mortgages; Weldon R. Sheets, county supervisor, and Albert Saldutti, Jeanne Moss and James L. McKenna, for members of the board of freeholders.

CONSERVATIVES

The candidates of the Conservative Party appear on both line "C" and line "E" on the election machine ballot. They are as follows: J. Bracken Lee, President; Kent H. Courtney, Vice-President; Winfred O. Perry, U. S. Senator; DeGeorge, House Representative; Frederick Russo, county clerk; Roland P. Jackson, register of deeds and mortgages; Robert A. K. Steiger, county supervisor; James H. Flynn, Les-

lie-H. Jamouneau and John VanArsdale, for members of the board of freeholders.

OTHERS

Other names and offices sought which appear on next Tuesday's ballot are the following: Socialist Workers Party candidates: Farrell Dobbs, President; Myra Tanner Weiss, Vice-President; Gladys Grauer, U. S. Senator. Socialist Labor Party candidates are Eric Hass, President; Georgia Cozzini, Vice-President, and Albert A. Ronis, U. S. Senator.
