

Sen. Case Dubs Hughes Boss-Picked Candidate; Urges State Clean-Up

Sen. Clifford P. Case made a surprise appearance at the Citizens for Mitchell committee open house Monday night to urge voters to "return this county to clean government and this state to Republican government."

The New Jersey senator, speaking on behalf of James P. Mitchell, Republican candidate for governor, and the full Republican slate, attacked the Democratic party for bossism, which he said was exemplified in the manner in which the party chose Richard J. Hughes, its gubernatorial candidate.

Mitchell, he said, was put on the ballot after running in an open primary. Without mentioning any names, he referred to Hughes' unopposed primary con-

test. Case said his active support of Mitchell during the primary was one of his responsibilities as leader of the Republican party. A man was in office, he said, to serve his office and to lead his party.

Almost two hundred persons were crowded into a garage at 114 Brighton Avenue that had been decorated with the Ameri-

can flag and pictures of Mitchell and the other Republican candidates. Sen. Case was given an enthusiastic welcome, even from those who were standing in the garage doorway in the chilly air.

The theme of cleaning up the county was echoed throughout the evening. William S. Macdonald, Republican candidate for sheriff, said he stood on his record of introducing anti-smut legislation and three narcotic bills. The narcotic bills were vetoed by Governor Robert B. Meyner, Macdonald said, because the governor thought they were "too severe." Macdonald disagreed. "I don't think the electric chair

Marliese James Spots Her Best Friend In Map Picture

A sixteen-year-old recognized her best friend in the map picture to win last week's contest. Miss Marliese James, daughter of Mr. and Mrs. Bernard E. James of 77 Bernice Road, said she and Laraine Augusta of Louise Court have been close friends since they both began high school in 1959.

Marliese plans to attend college after Belleville High. She is "very interested in writing" and works on the Spotlight. Laraine

Murky Tap Water Clearing; Mayor Calls For Report

The murky-colored tap water in Belleville is beginning to clear up after having become so annoying that the mayor's office was "bombarded constantly with complaints from irate citizens" who found the water "unfit for satisfactory household use."

Mayor Isadore J. Padula sent a letter last week about this to the water supply division in Newark in which he called attention "to unsatisfactory conditions of water currently being supplied to Belleville."

The condition which developed at the reservoir source was "due to improper construction procedure," said Mayor Padula in the letter. The reservoir source is in Charlotteburg, off Route 23. Completed in May, "it has the very latest developments in water supplies," according to Laurie Leddom, water supply division engineer.

The area was formerly a dense woodland, said Leddom. When trees were cut down from the 360 acres of the reservoir, weeds quickly grew through the rich soil. He stressed that the weeds

Bellboys To Meet Strong Irvington Team Here Sat.

BY ROGER WARTELL

Belleville will be invaded this Saturday by a very strong Irvington football team. The game, which will be played at Municipal Stadium, should prove to be a closely fought contest, since both teams will be seeking their third win. Irvington will undoubtedly be a pre-game favorite since its two losses were suffered at the hands of Monclair and East Orange.

The Campers will be led by the passing of George Agalias. So far this season, Agalias has led his team's offense with fine passing and ball handling. He has with him four receivers, who are all capable of catching the pigskin. If Irvington hits on their passes as they have in the past

Belleville High School Referendum Will Be Put Before Voters Again

Getting The Official Results

BOARD OF EDUCATION receives the tally of votes. Mrs. Harold Fawcett, office bookkeeper, takes the voting record by phone. From the left, Dr. Frank N. DiRuggiero, member of the Board of Education, studies the results already received. Dr. Frank M. Durkee, Superintendent of Schools, and Max N. Schwartz, board attorney, wait for the rest.

6,856 Turn Out At Polls; Both Proposals Vetoed

Belleville voters—6,856 of them—turned out Tuesday to defeat a two-question referendum for a new high school, costing \$2,730,000, and all-purpose room additions to Schools One and Four, for \$282,000. Of the 17,890 registered voters in town, 387 per cent voted.

The high school proposal lost by 732 votes. There were 2,836 in favor of it, 3,568 against it. Clear, cool weather, perfect for bringing out the voters, is credited with the large turnout of retired persons in School Nine and School Three. It was felt this group, which has no school age children, was a block of "no" voters. School 7, which encompassed voters from the Rutan Estates, had been expected by observers to cast heavy negative votes, because only 25 per cent of the children there attend public schools. The rest are enrolled

SANE Urges Tests Halt, Support Of Pres. Kennedy

"We strongly urge you immediately halt nuclear tests," was the gist of a cablegram sent to Premier Khrushchev by the fourth National Conference of the Committee for a Sane Nuclear Policy.

The SANE conference, held in New York this past weekend was attended by five delegates from the Nutter-Belleville Area SANE Committee: Miss Caroline Pohl, Mrs. Rita Simon, Mrs. Ingrid Frank, all of Belleville; Mrs. Myrna Lamb of Nulley and the Rev. Charles Bonner of Kearny.

At the same time the conference also sent a telegram to President Kennedy which said: "We have today wired Premier Khrushchev urging an immediate end to nuclear tests. Our own government should launch your peace race by immediately stopping tests and challenging the Soviet Union to follow suit. The moral leadership this would give our country means far more than any possible advantage which might be gained from further tests."

As part of its policy statement for the coming year, the conference asked the American people to give overwhelming support to President Kennedy's proposal that the arms race now existing between the Soviet Union and the United States be replaced by a peace race in which our

Elected Legion State Historian

MRS. RUTH MILLER

Mrs. Ruth La Baugh Miller, of Belleville Post No. 108, The American Legion, was elected to the state post of Department Historian at the recent American Legion convention in Wildwood, N.J.

Mrs. Miller of 374 Cedar Hill Avenue is a graduate of Belleville High School and Berkeley School in East Orange.

She was the first Belleville woman to join the United States Marine Corps Reserve in March 1943 and served until October 1945.

As Soon As It Is Possible, Say Board Members

Lally Plans To Await Middle States Decision On Accreditation

Belleville's embattled Board of Education will submit the question of a new high school to another referendum vote "as soon as it is legally possible," a board spokesman declared after the election.

A move to obtain voter approval for a new school was defeated Tuesday for the second time in six years. A similar proposal was rejected in 1955 by 613 votes out of 5,075 cast. The margin this time was 732, with a record turnout of 6,856 going to the polls.

Spokesmen for the Citizens Tax Council, which waged a bitter fight for a "no" vote, were jubilant after the results were known. The council had charged during the late stages of its campaign that the Board of Education had acted "illegally" in its presentation of the school question to the voters. Although two of the three charges were later withdrawn, the Tax Council reinstated them under a different section of the state law governing school operations.

CHARGES 'FALSE'

Dr. Frank M. Durkee, Superintendent of Schools said that although the charges "are false," they tended to create an "air of suspicion over the new school proposal."

"By law, the board cannot re-submit the referendum 30 days before or after a general election. A general election will be held Nov. 7. The board would also be delayed by a statute that requires 40 days' announcement of an election for absentee voters."

However, board president Dominic A. Lally said positive action would take place after the Middle States Association meets Nov. 15. The association has given conditional accreditation to Belleville High School until the end of this year. His colleague, Michael V. Albertine, board vice-president, termed the election result "a sad day for education in Belleville."

Fears that the State Department of Education would react unfavorably to the election when it meets in Trenton next month were expressed by other members. The state group, after a recent investigation of school facilities in Belleville called the high school "substandard and inadequate." The State Department of Education currently subsidizes Belleville's school district to the tune of \$285,000 in this year's budget.

Jacobson and Sosin Receive Appointments To Boards

Dr. B. A. Jacobson and George Sosin were recently appointed to unexpired five year terms on the planning board and the board of adjustment, respectively.

Both replace Dr. Jules L. Swift, who resigned from the two posts when he moved out of town in August.

Dr. Jacobson of 509 Washington Avenue has lived and practiced dentistry in Belleville for 38 years. He is a captain in the police auxiliary and serves as dental examiner on the local draft board.

"I am very pleased at the appointment," he said. "I shall do my best in any way that I can to help the town to be bigger and better." His appointment was made by Mayor Isadore J. Padula.

Dr. Jacobson is a life member of three dental societies. He is past president of Congregation Ahavath Achim and the Progress Club. He is post commander of Younglander Post 275, VFW, past commander of the North Essex Post 145, FJV and a member of American Legion Post 105. He served with the Medical Corps of the 98th Division in France.

He has worked with the Community Service Bureau.

Dr. Jacobson and his wife, Byrd, have two daughters. Mrs. Jesse Chinich and Mrs. Robert Schwartz, both of Livingston, and three grandsons.

Sosin, who lives at 483 DeWitt Avenue, said of his appointment, "I look forward to this position; my first endeavor in civic work." He was appointed by Commissioner Robert C. Gruhin, director of Public Works.

Sosin is sales manager for Bell Container Corp. of East Rutherford. He has been with the company for 15 years.

He is a trustee of the Congregation Ahavath Achim and formerly served terms as vice president and financial secretary. Sosin is an army veteran of World War II.

He and his wife, Frieda, have one daughter, Carol Anne, who is eight and a half.

Risoli Defends His Independent Democratic Tie

Ralph Risoli, Independent Democratic candidate for freeholder, defended this week his decision to run on a platform in opposition to the regular Democratic organization.

"I am aware of the present desire of a majority of the Democrats in Essex County who are seeking good, clean, decent government to rid the county of the (Dennis F.) Carey boss control influence," Carey is Democratic county chairman.

He said the "Carey statement 'I run Essex' which Mr. Carey later amended to 'I mean that'

Staubs Becomes Head Of Local Radio Amateurs

Joseph A. Staubs, 105 Carpenter Street, has been selected to set up an organization of Belleville amateur radio operators prepared to furnish emergency communications in time of disaster, it was announced by Communications Manager F. E. Handy of the American Radio Relay League, national association of radio amateurs.

Staubs assignment, which carries the title of Emergency Coordinator, is to band together members of the amateur radio service in his community to perfect arrangements for emergency radio communication by hams in the event of natural disasters or other emergencies. In addition to use of normal station equipment working from commercial power, amateur stations use self-powered radio transmitters and receiving equipment as needed. Staubs as ARRL Emergency Co-ordinator, will call local meetings of amateurs, establish common operating procedures, and arrange regular drill periods when the hams' personal stations may be mobilized

United Fund Has 20% Of Its Goal After 3 Weeks

Slightly more than 20 per cent of the goal for this year's United Fund has been achieved as the campaign moves into the third week.

The contributions thus far have come primarily from industry, under the leadership of Harry Fox with special gifts under the direction of Thomas Aiken and Douglas Wadsworth, and purveyors of the direction of Robert Horsfield, following in that order. The residential campaign delayed because of the High School referendum, will get under way the end of this week.

Although the total contributions are running a little ahead of last year as of mid October, they are well below what should be on the books at this time, according to the committee. The industry, special gifts, purveyors and merchants divisions represent better than 60 per cent of the total goal.

"Moreover, the Republican candidate for County Freeholder presents our citizens with the opportunity to break Dennis Carey's control over county government which is vital to good

**TAX SALE**

Notice of Sale of Property for Non-Payment of Taxes, Assessments and Other Municipal Liens.

PUBLIC NOTICE IS HEREBY GIVEN that the undersigned, Collector of Taxes of the Town of Belleville, in the County of Essex, will sell at public auction in the Commission chambers in the Town Hall at said town on

**MONDAY, NOVEMBER 13, 1961**

at 10 A.M. the following described lands:

Said lands will be sold to make the amount of municipal liens chargeable against the same as of the first day of July 1961, as covered in the following list together with interest on said amount from the first day of July to the date of sale and costs of sale.

Said lands will be sold to such persons as will purchase the same subject to redemption at the lowest rate of interest, but in no case in excess of eight per centum per annum. The payment for the sale shall be made before the conclusion of the sale, and the property shall be resold.

Any parcel of real property for which there shall be no other purchaser will be sold off and sold to the Town of Belleville at a fee for redemption at eight per centum, and the municipality shall have the same remedies and rights as other purchasers, including the right to bid or foreclose the right to redemption.

The sale is made under an act of the Legislature entitled:

"An act concerning unpaid taxes, assessments and other municipal charges on real property and providing for the collection thereof by the creation and enforcement of liens thereon." N. J. Laws 1959, c. 147, § 1-3 to 3d, § 4(1)(1).

At any time before the sale the undersigned will receive payment of the amount due on any property, with the interest and costs incurred up to the time of payment.

The said lands to be sold are described in accordance with the tax duplicate, including the name of the owner as of the last tax duplicate and the aggregate of taxes and assessments which were a lien thereon on the first day of July 1961, exclusive, however, of the lien for taxes for the year 1961, as is listed below:

**Jaycees Receive State Charter**

The Junior Chamber of Commerce received its charter from Dr. Robert Watson, State Jaycee President on Thursday, Oct. 5.

The local chapter was formed last Spring by "a group of young men in Belleville who were interested in sparking community interest and improvements," according to Fred Burlazzi, president.

A charter Night Banquet was held at Parrillo's with Norman

Gross acting as a master of ceremonies. Pastor Robert L. Siegel of Bethany Lutheran Church gave the invocation.

Dr. Watson besides presenting the charter delivered the main address in which he stressed the need of the state and local organizations to take stands on the social issues facing everyone to-day here and around the world.

Gustave E. Walsack, President of the Newark chapter which presented Fred Burlazzi, with the President's Pin. Burlazzi presented each member with a pin and a copy of the creed. Anthony Della Valle was presented a trophy for outstanding achievement within the local chapter.

Representing the community were Dominic Lally, President of the Board of Education and Arthur Jackson, President of the

(Senior) Chamber of Commerce. Lally extended the greetings of the Board and thanked the Belleville Jaycees for the support they gave to the proposed high school. On behalf of the Cham-

ber of Commerce, Jackson extended greetings to the new service organization.

Burlazzi reminded the group that receiving the charter was only the first step in obtaining a strong and worthwhile chapter.

Gross Named  
To Two Posts

NORMAN C. GROSS

Norman C. Gross was appointed New Jersey sales supervisor for Watts Business Forms division of Alfred Allen Watts & Co., Inc., according to an announcement by Howard J. Martin, director of marketing.

Gross will be responsible for

the supervision of Watts direct sales efforts throughout the state. He joined the company in 1958 as a territory representative.

Recently, he was named state chairman of the Junior Chamber of Congress by Dr. Robert Watson, state president.

He will officiate at all functions, offering the invocations and benedictions. His term of service runs until next June.

He is local director of the Belleville Junior Chamber of Congress and vice president of the Passaic club.

Gross, the son of Mr. and Mrs. Anthony B. Gross, lives at 283 Stephen Street. He is a graduate of Rollins College, Winter Park, Fla. He is currently enrolled at Fairleigh Dickinson University, Rutherford, for a masters degree in management. He is a member of the Garden State chapter of the National Machine Accountants Association. He is an army veteran and served in West Germany.

Dr. Clyde H. Keutzer, new Director of the Garden School, a facility for emotionally disturbed children was recently introduced to the Board of Directors of the Mental Health Association of Essex County, which sponsors the school. Garden School serves children who are too disturbed to attend regular classes. Since December 1960 it has been affiliated with the Belleville Board of Education.

Dr. Keutzer's background includes administration, teaching and work with atypical children. A native of Illinois he was most recently Professor of Education at Yeshiva University in New York. He continues to hold, on a part time basis the position of Supervisor of Creative Therapies at the Clinic for the Retarded, at Flowers-Fifth Avenue Hospital.

Auto Show Proceeds  
For Sight Conservation

Proceeds from the West Essex Lions Club 1962 Auto Show, which closed Saturday at the West Orange Armory, are being contributed to 18 institutions and charities devoted to sight conservation.

Walter Spencer, president, called the show "a tremendous success."

He said the attendance this year was in excess of 35,000. Last year's attendance totaled 28,000.

Shop-Rite Holds  
"Come Sept."  
Essay Contest

On Nov. 8, Shop-Rite Super Markets will award two couples an expense-free vacation at the new Montmartre Hotel in Miami Beach, Fla. The couples will be grand prize winners of the chain's "Come September" contest being held in conjunction with the current New Jersey showing of Universal-International's new motion picture, "Come September."

The Shop-Rite "Come September" contest requires entrants to complete, in 25 words or less, the sentence "I like to Shop-Rite because..."

Twenty-five second prize winners will be the guests of Universal-International for a private screening of "Come September," followed by dinner at Leone's Restaurant in New York. Transistor radios and record albums will be awarded to third and fourth runners-up. Shop-Rite Super Markets has planned a chainwide sale to keynote the contest event.

## Bowling Classes For Blind Open In Newark

The Rev. Richard M. McGuinness, director of the Mount Carmel Guild, Center for The Blind announced today that a series of bowling classes for blind persons will be held this year in the four counties served by the Center. In Essex County, classes will

be held at St. Columba's Alley, 25 Pennsylvania Avenue, Newark, from 2 to 4:30 p.m. the second Sunday of each month. Instructors will teach the blind to bowl by use of special guide rails furnished by the Guild. About 60 blind persons are expected to attend these classes and a tournament will be held in the Spring by those achieving the highest scores. Blind persons interested in joining the classes are asked to contact the Mount Carmel Guild Center For The Blind, at MT 2-1129.

## Home Owners Get Safety Tips

Homeowners and landlords in Belleville were urged to carefully check and clean any heater or heating device that uses gas or could produce gas such as a coal-burning furnace. Edward G. Burdy, Health Officer, said, "Almost every year some family in New Jersey is saddened by the death of a member who accidentally inhaled gas from an improperly functioning

unit that uses gas or a fuel, such as coal, that produces gas. "Twenty-three New Jersey residents lost their lives this way in 1960. In addition to the deaths, many other persons became ill. "With cold weather ahead, every adult should want to know that his heating unit is clean and in good working order. "In addition to assuring that the heating device is clean and in good operating condition, the person in charge of the household should also see that ventilation is maintained where a gas heater is used."

## Tuesday's Real Losers

Various interpretations are being placed upon Tuesday's new school referendum result. The word went out to every citizen in every hamlet in New Jersey that "a new high school lost in Belleville."

In Belleville people are saying "the Better Schools Committee lost," — "the School Board lost," — etc.

The real losers are the children of our community who are compelled to receive their education in a building which the New Jersey Department of Education has found to be "substandard."

Applied to housing, "substandard" means slum conditions. Apparently this fact had little influence with 3568 voters of Belleville for they voted against a new school.

The history of school referendums in New Jersey follows a pattern. Normally new school proposals are voted down by taxpayers two and three times before a sufficient interest is manifested by the stay-at-homes to induce them to visit the polls and insure a "YES" vote.

We are disappointed that 11,000 voters stayed away from the polls. It is difficult for us to believe the 3568 voters who voted against the new school represent the real attitude of a majority of Belleville's 36,000 people.

For our part we continue to support a new school project. If economies must be made in government they should not be made at the expense of our school children. We urge the Better Schools and Parents' Committee to expand its membership — keep its collective sleeves rolled up — and continue the good fight in behalf of the children of our community.

We salute the courage and conviction which motivated Public Safety Director Harry Sullivan to speak out on the subject of a new school. Sullivan favored a "YES" vote because he honestly believed the children of Belleville need a new school. A Belleville native, Sullivan made an 11th hour appeal to the "true civic pride of our citizens."

When there is a choice to be had in the selection of associates in civic enterprises we prefer an honest, straightforward Sullivan to a person or group which admits to the use of false material as a campaign technique.

To the newly organized Belleville Junior Chamber of Commerce—The Belleville Chamber of Commerce, all the Parent-Teacher Associations — we extend our congratulations for the fine work they did in this notoriously unpopular effort to spend taxpayer money for the benefit of the community's children. To these fine organizations of leading citizens we say, "Keep The Faith — Keep Working."

This fight for better education for our children is a continuing one, for we have no alternative. The State of New Jersey demands it — our duty to the community leaves us with no other course.

The hardworking, unsalaried Board of Education will schedule another referendum on the new school. The sooner the better.

A casualty of Tuesday's election was the defeat of the multi-purpose rooms at Schools One and Four. This question went down by a majority of 129 votes. 279 voters who voted on the new high school question failed to cast ballots on the multi-purpose room — a number sufficiently large to have changed the result.

Mayor Brandt says there will be no war over Berlin. Now if only we could be assured that there'll be no war over New York, Keokuk, Pocastello and points west.

## "The Decline And Fall Of A City"

by Robert Wagner

As we peer out across the blue of the great Hudson we see the New York City skyline in all its majesty. And it is well our glimpse is limited to the steeples of skyscrapers which help make New York City famous.

For at the foot of each skyscraper history is in the making. In eight years Mayor Robert Wagner unwittingly has authored the next best seller — "The Decline and Fall of A City."

Our own officials could well sit up and take note of New York City's plight — for it must not happen here.

Gone from New York City's government is the integrity symbolized by the face, figure and life of one of America's leading statesmen of all time — Fiorello LaGuardia. In its place and stead, under Wagner rule, unbelievable headlines disturb our suburban tranquillity with reports of a scandal a day. Common cheats have been located in almost every branch of New York City's jungle government.

And that is not all — imagine the Mayor of a city delivering an outdoor campaign speech — and in his very presence — pickpockets have the audacity to pilfer the pockets of the Mayor's friends. Such is the contempt which hoodlums show for law enforcement in New York City.

The crime and violence on the city streets after dark — the murders, the rapes, the muggings in broad daylight, the awesome traffic snarls, the Wagnerian Three Dollar Parking fee — this is all bad for New York City.

But in a sense it is good for our community. Where in the past our women shopper might venture forth to New York City and spend a day shopping, they now — in increasing numbers — find it safer and saner to do all their shopping right here in town.

New York City should be a distress warning to us — for it can happen here.

There is a sad part about the decline and fall of New York City which has a fundamental impact upon the lives of all Americans — wherever they may live.

Because the UN is located in New York City — because the city is the best known of American cities throughout the world, the free and the Communist, the image of New York City may well be the image projected around the world of the typical American city, its people and its government.

In this sense the crime and violence on New York City streets in broad daylight — the pickpockets contemptuously pilfering their trade in Wagner's presence at the very moment the Mayor of America's "leading city" delivers a re-election campaign talk — the cheats in city government — all of this unsavory business — is heaped upon the shoulders of citizens throughout America, blameless as we may be for New York City's mess.

And in these troubled times of world tension the image which New York City sends abroad of typical Americans at work is not good. Much as we want to shrink from the identity of an average American as projected for us by New York City and as seen through the eyes of overseas friends and foes alike — as prisoners in Alcatraz — we can find no escape.

Perhaps the election of New York State Attorney General Louie Lefkowitz as Mayor of America's largest city might restore some of the luster and integrity which made New York City really great.

Who knows perhaps Wagner's best seller — "The Decline and Fall of A City" — might be followed by another best seller — this one authored by Louie Lefkowitz — "The Rise and Recovery of A City."

aid to schools is conditional upon the receiving district complying with certain minimum requirements. At present Belleville falls out.

Next moves are slated for discussion Monday night at the board's regular meeting. One thing was certain: The board was not admitting defeat.

Durkee, said after the results, "It is clear that some of the voters in Belleville still do not realize how inadequate school facilities are."

He warned: "In the coming weeks and months, they will doubtless learn more about the serious plight of Belleville schools." He said, "I feel sure that when our people thoroughly understand what our boys and girls need, they will meet their responsibilities."

were not aquatic and did not infect the water. Rather they colored it in much the same way sea leaves color water.

### PERFECTLY SAFE

"The water is perfectly safe for drinking and cooking," Leedom said, "only the color is objectionable." It is aeriated, blown through the air by fountains, to insure the removal of any objectionable taste, he added.

He said that although the chemists and engineers of the water division were doing everything they possibly could to clear up the condition, "it won't clear up overnight."

Mayor Padula called for a report on what was being done to improve the situation. He pointed out in his letter that "water that is bought for consumer use is expected to be up to the same standard of purity as other consumer products."

The mayor had not yet received an answer on Tuesday afternoon. However, he said that the phone complaints to his office had stopped this week. "The water in my house is clear now," he added.

According to another official the water in his house was clear except that when it was holed in a porcelain pot it left a fine white ring on the inside.

## Beck's Column

It has been announced that Philco has been taken over by Ford. Thus one of the oldest companies in the electronic field has lost its individual identity.

Philco at one time was the best known maker of radios. Even at the beginning of TV this company was still strong. A few of their early TV sets were troublesome, and they lost ground as a result.

A constant shift in top management did not help the situation. For a few years they came out with extreme styling of some of their models, omitting cabinets completely. This merchandise did not gain public acceptance. Philco is very strong in electronic defense productions. Electronics will be applied more and more in numerous products. You may have heard about the future automobile that will be guided by an electron beam. Ford of course has immediate use of Philco production facilities for their car radios and many other electronic and electrical gadgets for their automobile production. The general opinion in financial circles is that Ford made a very wise move. There are no major changes planned at the present, although there is no doubt that we will see a gradual shift.

Some products which were not profitable may be eliminated and others may be added. In view of the fact that we will experience a color boom for the next few years, it appears that TV will get a strong push.

We service what we sell.

## Risoli

I run the Essex County Democratic organization," was evidence of the system employed to control the destiny of the party in the county.

### TO REPUDIATE MACHINE

Risoli said his ticket presented an opportunity for the Democrats to repudiate the Carey machine. He stressed the importance of this by pointing out that the issue of bossism has been used by the Republican organization in their campaign in Essex County. "This issue of bossism is going to act as an anchor and will most likely cause the defeat of the Democratic candidates unless all of the Democratic candidates for office repudiate Mr. Carey and deny that they are controlled by him."

Further proof of Carey's desire to control the county, said Risoli, was the action of the Democratic controlled Board of Freeholders who have taken control of the jail and in the running for sheriff of Lekoy D'Aloia whom Risoli called "Carey's hand-picked candidate."

"How far does Mr. Carey want to stretch out with his tentacles into Essex County politics?" Risoli questioned. "It is not enough that he now controls the powerful Essex delegation in Trenton on the Board of Freeholders in Essex County, he now attempts to grab the Sheriff's office? Can the people of Essex withstand this onslaught which will put dictatorial control into the hands of one man, a man who so arrogantly states that he 'runs Essex County?'"

Woman's Club Bridge Aids Birth Defects Research

Busy, busy is the byword of the Woman's Club of Belleville, Evening Department. Members are diligently collecting door prizes to be given away at their card party on Thursday, Oct. 26.

Proceeds will benefit the "Research program for discovering internal birth defects quickly in infants and their correction."

Dr. Richard C. Reed, pediatric surgeon at Babies Hospital, New York, said "Many abnormalities such as upside-down stomach, lack of connection between the mouth and stomach and intestinal kinking are curable in the first hours of life before complications set in. They are not recognized early enough, however, by the professional people who first see the newborn."

Observing that symptoms are often "very vague," Dr. Reed said, "We have to educate the people who have the responsibility of newborn nurseries, whether they are pediatricians or nurses."

This much needed research and

Extension Service To Discuss "Washtdays"

"Washtday Magic," designed to help clarify the long list of washing products available and bring the homemaker up-to-date on new products on the market, will be the topic for discussion at forthcoming meetings scheduled by the Essex County Extension Service.

The same meeting will be held in two areas of the county to accommodate homemakers interested. Nov. 1, from 1:30 to 3 p.m. at the Extension Service Workshop, 25 13th Avenue, Newark, and Nov. 2, 1:30 to 3 p.m., at Cedar Grove Synagogue Auditorium, 760 Pompton Avenue, Cedar Grove.

Elks Auxiliary Has Cake Decorating Course

The Ladies Auxiliary of Belleville Elks Lodge 1123 will sponsor a cake decorating course starting the first week in November. The course will consist of eight lessons and will include instruction in planning party menus and making professional looking cakes.

The fundamentals of making perfect icing with the use of cones and tubes, to make edible flowers, borders and swags, will be emphasized. The course will be limited to 20 students. Mrs. William Whitmore, 29 Columbus Avenue, is in general charge.

On Dean's List

Miss Phyllis Barbara Restaino, daughter of Mr. and Mrs. Joseph Restaino of 57 Passaic Avenue, has been named to the Dean's List Newark State College, Union, for her Freshman year.

A graduate of Belleville High School, she is presently a Sophomore at Newark State, majoring in elementary education. She is active in the Art Club and is on the annual dance committee.

Youth Week For Catholics To Start Oct. 29

"YOUTH - UNITY - TRUTH" is the theme for National Catholic Youth Week, to be observed in this area Oct. 29 through Nov. 5, the Rev. Vincent F. Affanoso, Essex County CYO director, announced today.

The annual observance, which has its purpose to spotlight the efforts of Catholic young people and their adult leaders who are engaged in a positive program of spiritual, athletic, cultural and social activities, is being planned throughout the North Jersey area.

Father Affanoso, commenting on the theme, stated that the lack of unity among some nations of the world today and the necessity for truth to reunite the world should make our young people more than ever aware of the need for this unity through truth not only in faraway places but in their own daily lives.

The opening day of the observance, Oct. 29, is the Roman Catholic feast of Christ the King, and it is designated as National Communion Sunday for youth. The vast majority of youth served by Catholic agencies throughout the area will receive Holy Communion and attend a Holy Hour in Sacred Heart Cathedral, Newark, on that day.

Since its inception in 1950, National Catholic Youth Week has grown from a few local observances to a program affecting the United States and its possessions and Catholics stationed in military bases overseas.

Defense of our nation to guarantee our liberties, cost money and requires the personal contribution of every American.

Peace can be had in this world some day but it will not be those who are too cowardly to boldly stand up for their rights.

# Spotlight On Fall Brides As Many Belleville Young People Walk To Altar

MRS. JOHN FISCHER  
Former Barbara Welland

## Mr. And Mrs. John Fischer Have Florida Honeymoon

Miss Barbara Welland, daughter of Mr. and Mrs. Philip Welland of Maspeth, N. Y., and John Fischer, son of Mrs. Joseph Fischer of 81 Holmes Street, Belleville, and the late Mr. Fischer, were united in marriage Saturday afternoon, Oct. 14, in the Church of Transfiguration, Maspeth.

The ceremony was performed by the Rev. Frank Bulvois, and the reception was held at Sparten's Restaurant.

The bride chose a silk organza gown for her wedding, fashioned with Alencon lace applique on the scoop neckline, short sleeves and bodice. The back of the skirt formed a cascade of organza ruffles trimmed with lace and ended in a chapel train.

A crystal crown held her elbow length veil, and she carried a prayer book with roses.

Mrs. Vincent Iannuzzi of Maspeth, the bride's sister, was maid of honor, and bridesmaids included another sister, Miss Anna Welland of Maspeth; Miss Florence Flannery of Newark, the bridegroom's cousin; Miss Millie Cassara of Bronx, N.Y., and Miss Frances Merz of Ridgewood.

Tom Squatrito of North Arlington, the bride's cousin, and Geraldine Hollar of Belleville, cousin of the bridegroom, acted as flower girls.

The bridegroom's cousin, William Hollar of Belleville, was best man, and ushers were Vincent Iannuzzi of Maspeth; Edward Flannery of Bloomfield the bridegroom's cousin; George Herter of Belleville and Edward Vendetti of Kearny.

Mrs. Fischer was graduated from Grover Cleveland High School, and before her marriage

Mrs. Joseph A. Reilly of Nutley, president of the Essex-Montclair District Council, is chairman.

Principal speakers will include the Rev. Hamlet Accorsi, F.S.C.J. who recently returned from Africa, and whose topic will be, "The Lot of Women in Pagan Lands"; and Sister M. Pierre, S.O.M.M., who has spent seven years working with the Society of Catholic Medical Missionaries, and who will speak and show films of mission work. M. R. S. Peter L. Collins will have as her subject the United Nations.

Rt. Rev. Msgr. Thomas H. Powers, pastor of the Montclair church, is moderator of the District. Mrs. Oliver Finan heads the Essex - Suburban District, and Miss Ethel Willie, the Essex-Newark district.

MRS. JOSEPH TEMPALSKY  
Former Beverly Pavlishchak

## Beverly Pavlishchak Bride In Saint Peter's Church

The marriage of Miss Beverly Pavlishchak, daughter of John Pavlishchak of 164 Academy Street, and the late Mrs. Pavlishchak, Jr., son of Mr. and Mrs. Joseph Tempalsky of 116 East Elm Street, Linden, was solemnized in St. Peter's Church Saturday afternoon, Oct. 14, at 5 o'clock.

Officiating was the Rev. James Heavey. The reception was held at Club Linrose.

Escorted by her father the bride wore a gown of Chantilly lace and pleated tulle, fashioned with V-neckline, fitted bodice, long sleeves and chapel train. A crown of seed pearls and crystals held her double tiered veil, and she carried a cascade of white roses with an orchid.

Maid of-honor for her sister was Miss Patricia Pavlishchak of Belleville; bridesmaids were Mrs. Thaddeus Knap of Linden, the bridegroom's sister; Miss Carol Hoko of Wilkes-Barre, Pa., the bride's cousin, and Miss Phyllis Amato of Belleville, and the flower girl was Loretta Delany of Nutley.

The maid of honor wore deep turquoise satin with scoop neckline, short sleeves and floor length skirt. She had a pillow box to match and carried yellow carnations with a turquoise center.

The bridesmaids were similarly attired in pale turquoise satin and their flowers were yellow carnations. The flower girl wore deep turquoise and carried a basket of yellow and turquoise carnations. The bridegroom's mother was attired in a peacock blue or-

### Explains Telegram Sent To Middle States Assn. By Tax Council

Dear Sir:

The article in The Belleville Times of October 5, entitled "Educators' Group Warns Tax Council Again on H. S. School," is a gross misstatement of the facts. I would like to correct the erroneous impression given by this article by repeating the contents of the telegram which I transmitted for the Tax Council to the Middle States Association.

The following information was initially requested: "Will Belleville H. S. continue to be accredited after Dec. 31, 1961? Was special Commission action warranted, dated Jan. 3, 1961 based on inadequate building or inadequate staff? Please explain." The Middle States Association report that high school is above average in quality of staff, teaching, and maintenance, and yet is warned of loss in accreditation. Is it true that you are recommending a new high school building, or can suitable modifications and additions meet the accreditation requirements?

**SECOND TELEGRAM**

The Commission Chairman, R. D. Matthews, did not satisfactorily answer the questions which were posed. Thus, a second telegram was sent requesting that the last question regarding modification or additions be answered. R. D. Matthews' reply stated "If the modifications or additions to Belleville High School are described in detail, I shall be happy to present them to the Commission for its consideration." Thus, for the first time it is known that changes to the present high school will at least be considered.

I would also like to point out that the Middle States Association is a regional accreditation institution primarily for private schools in this area. Admission to college is based on the courses and subject matter which a candidate for admission has completed, and of course his ability. If there is any question concerning this the applicant is requested to take the College Entrance Board Exams.

I trust that you will publish this letter so that anyone who wishes to verify this information will have the opportunity prior to the Oct. 17 referendum.

Very truly yours,  
J. J. INSERRA  
34 Malier Street

**Editor's Note:**

Under Section V, Pages 49 and 50 of the Rutgers University report prepared in December 1959 by a trained staff of professional educators, modifications and additions to the present High School were reviewed and rejected. This is what the trained education experts said, "Additions to Elementary and High Schools and continuation of K-8-4 rejected." "K-8-4 and patchwork K-8-3 rejected." "A new Junior High School rejected." "A new senior high school recommended."

The basic reason given by the Rutgers University study group for rejecting additions to present buildings was its view that the greatest need for additional space requirements existed with regard to the seventh and eighth grades and the high school. In the view

### Need Education For All

To The Editor:

After reading the many views expressed pro and con for new schools, I would like to add mine.

What difference does it make whether our elementary schools are 32 or 67 years old?

Since the children can only learn what they're taught, the important thing is the subject and method of teaching same. Both have been updated since you and I went to school. Result—progress!

The High School has tried also. Many of us remember when the new addition was started and completed—1936. However, since we are a progressive town with the same ideals, we cannot turn a deaf ear to a new cry.

With all the ballyhoo about crowded classrooms, gymnasiums, music rooms, chemo labs, advanced courses, etc., we are forgetting or ignoring two important facts.

**OVERCROWDED**

In times of emergency, the High School Building is too overcrowded, cramped, at a given time, and more important, too overcrowded to make room for an ever increasing number of "Special Class" children.

At No. 4 School, Silver Lake, most of us are not aware of a crowded, cramped, at a given time, and his dedicated teachers. This "Special Class" is a part of our Belleville School System. All Belleville children, retarded or handicapped mentally or physically through no fault of their own are eligible for this class.

These children come from all over town on the school bus which covers every elementary school district.

Since all children are entitled to free education, and these are our children, what place have we prepared for them under our present system?

As it stands now, there is none. It is too crowded.

**NO ROOM?**

May I point out that your child could at any time be because of illness or accident—become eligible for this Special Class. What are you doing to help? Shall we cut off their learning at eighth grade level? Shall we say, "I'm sorry. There just isn't room for you."

Without regard for race, color, or creed, let us plan together for the instruction of all the children in this town.

Vote for the new High School. The children need your help.

MRS. HOWARD BERESFORD  
161 New Street

### Supports High School And Scores Junior High

To The Editor:

I have been following the debate on the new high school proposal conducted through your news columns with much interest. In spite of your injunction to "get the facts" most of the arguments read as though they were obtained from "Fiction or Fact from Sam's Almanac."

The only real fact, agreed to by both sides, is that the present high school fails to meet the needs for today's students. From this premise several logical remedies can be proposed: (1) an annex to the present school could be constructed to take care of the overcrowding and specialized classrooms required; (2) a completely new high school could be built in stages at the present school site (as an addition is being planned); (3) the old school plant is demolished to make room for the next addition) East Orange High, an excellent school, was rebuilt in this manner; or (3) the present school plant could be abandoned and an entirely new high school built at a new site.

**ALTERNATIVE REMEDY**

Had the Board of Education made a study of these alternative remedies, weighing educational, architectural and economical arguments, I am sure a reasonable plan could have been advanced which would have had the approval of most citizens of Belleville. However, someone decided that this was the golden opportunity to get a junior high school. As a result of this a "yes" vote on October 17 is a vote to establish a new junior high school in a 50-year-old inadequate building. Therefore, all those who are opposed to creating an outmoded, expensive, poorly located, delinquency-breeding junior high school system are forced to vote "No" even though they might favor constructing a new high school.

Yours truly,  
JOSEPH A. MASINO  
23 Crestwood Avenue

Dear Sir:

When driving my youngster to school in the mornings, I frequently pick up high school boys and girls from my end of town, and chauffeur them to school. The conversations that I have heard in the back seat of my car have often astounded me—to say nothing of frightening me half to death.

I was shocked, to put it mildly, to hear high school boys discuss the fact that during the fire-drill last week, the building was not emptied in the allotted time. Because of crowded conditions and

the resulting confusion, they just could not leave in an orderly fashion. Their exit, therefore, absorbed more time than is ordinarily allowed for a fire drill.

As a parent, this shocks me beyond expression. Can we not see the writing on the wall? Are we waiting for another blazing inferno, another Chicago holocaust, before we realize the dire necessity for a new High School building?

How long do our children have to put up with crowded classrooms, inadequate facilities, and general indifference on the part of the public? Are not Belleville children first class citizens—worthy of the finest that their towns can provide? Do they not deserve large, well lit classrooms with an atmosphere conducive to learning? Are they not entitled to the newest and finest of equipment so that they can pursue their education in a manner befitting their endeavors?

**TEMPORARY APPROVAL**

It is now a matter of public information that on its recent visit, the New Jersey Board of Education only gave temporary approval to our school program and plan. This approval will last until June, 1962 and then comes the great big question mark! What do we do now? Where do we go from here? Who else needs to threaten us before we, as enlightened citizens, take action?

We are indeed fortunate that students today are increasingly interested in pursuing a higher education. But what college or university will be interested in students from a non-accredited high school? Of what value will their diplomas be when they are by-passed in favor of others from accredited schools?

Whether or not you have children involved in this issue is not of major importance. It is the duty and obligation of every thinking adult in Belleville to answer all these questions by voting for a new High School in our town. At a time when government and industry depends on the brains and talent of educated and highly trained personnel, we can do no less than educate our youth to properly fill these needs.

On Oct. 17, the decision is yours. On your conscience rests the fate of the students of Belleville. This is your responsibility and yours alone. We cannot settle for second best... we dare not settle for mediocrity... we must not settle for indifference. It is vital that you vote in favor of a new High School so that our children can receive the best education possible in the proper surroundings to which they are rightfully entitled.

MRS. MURIEL LEVITT  
Hancox Avenue

**Relates 'Spoonerism'**

Dear Sir:

At a recent Town Hall meeting, the merits of whether the town should have luxury apartments built, or turn the land into a park, solicited a pro-park critic to mouth the following Spoonerism.

"The park could be self liquidating if the families who wish to use it paid as much a year and it wouldn't cost them a nickel!"

This secret formula must be divulged to the Board of Education to build a much needed High School.

**Federal Industries Has New Traffic Manager**

William Paynton has been appointed traffic manager of Federal Industries, a Division of Textron, Inc. in Belleville, according to John W. F. Young, president. Mr. Paynton is taking over the duties of Richard G. Post, who recently was appointed director of sales.

Paynton has been employed at Federal Industries since 1955. He is a graduate of the Academy of Advanced Traffic and a Practitioner before the Interstate Commerce Commission.

### Calls Referendum 'Golden Opportunity'

To The Editor:

I would like to take this opportunity to urge all responsible citizens of Belleville to vote for the new high school on Oct. 17.

This is the most urgent need in Belleville. If you are a homeowner, speak to a real estate man as to what is happening to real estate in Belleville then you will stop worrying about the few dollars a year a new school will cost, and worry about the thousands you will lose in depreciation if Belleville does not get a new school. If you have children, you want them to have every opportunity, not only yours but all children in Belleville; educational opportunity is the best gift you can give a child. If you have not seen the high school in question you still have time to go and see for yourself if the film is factual, don't take the word of self-styled experts who are known for their deviation from the truth.

This is your golden opportunity to do so much for so many for so little money; vote yes for the new high school and the all-purpose rooms for schools No. 1 and No. 4.

# Penalties Help Bellboys Overrun Rough Riders

BY ROGER WARTELL

Taking advantage of a blocked punt, Belleville High's football team defeated West Side last Saturday before a rain-soaked crowd of 700 at Municipal Stadium. Both teams played even most of the way with the difference being the 50 yards of penalties amassed against West Side in the first half. The Bellboys gained 214 yards against the Newarkers total of 193 yards. Anton Pawlawski put on a fantastic exhibition of running for West Side in the first half. He accounted for 137 yards, as he accounted for 137 yards.

# Cadet Leads Winning Team

CADET JOHN H. KING team captain of the Cadet Rifle Club at the U.S. Military Academy, poses with the Minute Man Trophy, awarded the team as the National Collegiate Champions.

Belleville High School Cross Country Team lost to West Orange by the score of 27 to 28 Tuesday of last week. The Bellboys made a gallant try to top West Orange; however, as the score indicates, they just fell short. Robert Babb, just recovering from a foot injury was a doubtful runner, but he surprised all by taking a sixth place for Belleville. Jim Harvey and Jim Debesis, taking the first and second places supported the Belleville threat.

On the Friday of last week Irvington handed Belleville its ninth loss in ten tries by defeating the team 22-33. Howard Jones and Barry Schram with excellent times led the Irvington team to victory. Although Jim Harvey of Belleville took many seconds off his season's best time, he could not catch them. Harvey had to settle for a third place. The three other finishers for Belleville were Jim Debesis, fifth; Robert Babb, sixth; and Andy Provence, ninth.

This week will feature two at home meets with Bloomfield on Tuesday and South Side, Friday. The team will conclude its season with an away meet against Nutley on Oct. 31.

# West Orange Edges Belleville X-Country 28-27

BY ANDY PROVENCE

# Brownie Scouts Plan Playday For Saturday

Brownie Scouts from the Belleville District of the Girl Scout Council of Greater Essex County will hold a playday Saturday, Oct. 21 at Belleville Park for songs, games and nature study. The program will begin at 10 a.m. Each Brownie Troop will entertain with songs, dances, and dramatics. There will be a nature hunt in the afternoon.

# First Aid Tent will be pitched and tended by Senior Girl Scouts of Troop No. 981

under the supervision of their leader, Mrs. A. H. Verhaegh, District Chairman of Belleville. Serving on the committee are: Mrs. A. E. Seidel, chairman, leader of Troop No. 1145; Mrs. E. Naso, leader of Troop No. 959; Mrs. R. F. Ritter, leader of Troop No. 975; Mrs. T. P. Daley, leader of Troop No. 93. In case of rain, the playday will be postponed until Saturday, Oct. 28.

# Belleville JV's Swamp West Side Eleven

BY HOWARD SELIGMAN

James Coomo made the tackle which stopped West Side short and let Belleville retain a shut-out. Fine line play was exhibited by Tom Weaver, Pat Valse, Bob Babb, Rich Benecchi, Ray Chapman, Sibby Sica, Jerry Longo, Pete Rossi, Howard Seligman, and Phil Demco. In the backfield it was Frank Pomanc, John Senesky, and Jerry Lupre displaying great talent.

# sportimes

Belleville High's football game against West Side last weekend displayed some fine plays in the face of adverse conditions. There were only a few fumbles in the entire game on the rainsoaked field. Considering the wet ball this was quite a feat for both teams. The Bellboys defense stood up well and was responsible for one of the TD's. Mike Soupa and Joe McDermott played exceptionally well on the interior line, while Warren Carver turned in a good performance as defensive end. Offensively the line did a stand out job opening up holes by well executed trap blocking off the tackles and guards.

Defensively Belleville was strong. In the first half West Side found it hard to get a drive going, but in the second half West Side had two hard hitting drives, but only one was sustained. It ended on the Bellboy 3-yard line.

### Church Women Plan World Community Day

The Belleville Council of Church Women is making plans to take part in a community worship service in observance of World Community Day Friday, Nov. 3. The service will take place in Montgomery Presbyterian Church at 1:30 o'clock.

The theme of the program will be "Freedom to Know." Members are making school bags and supplying them with the necessary things for a child to take to school and are also collecting used and new clothing for the needy in Latin American countries.

The World community Day of fasting will help women in these countries to teach other women to be better homemakers and more effective Christian citizens.

Hadassah Invites Women To Bowl

Belleville-Nutley Chapter of Hadassah is sponsoring a bowling league for women. Members bowl Tuesday afternoons at Olympic Lanes, Washington Avenue, Belleville, with free baby-sitting service for pre-schoolers and free bowling instruction featured.

Membership is not confined to those in the chapter, any interested woman may join. Mrs. Carl Morgenroth is chairman.

Wednesday — 3:45 p.m. Junior choir practice.

Elks Hold Testimonial Dinner

AT THE DINNER honoring past exalted ruler Edmund Strat: First row, left to right, Joseph Bader, Past President of New Jersey Elks Association; Anthony Caruso, Exalted Ruler of Belleville Elks; Former Assemblyman Leonard D. Ronco. Second row: William Jernek, past Grand Exalted Ruler of Elks and Strat.

A testimonial dinner and dance honoring Past Exalted Ruler Edmund Strat was held Saturday, Sept. 23 at the Elks Lodge, 251 Washington Avenue.  
Toastmaster Leonard Ronco introduced guest speakers William Jernek, Past Grand Exalted Ruler and Joseph Bader, Past State President.  
Past Exalted Ruler Strat was presented with a set of golf irons by Exalted Ruler Anthony Caruso on behalf of the Lodge for "his outstanding work and devotion of time for the good of the order."

William Morse, Past State Vice President, Commissioners George F. Kiernan and Nuncio R. Picco, and town Democratic chairman Ralph Varr were also present.  
The term "armed forces overseas" includes personnel of our armed forces, members of their families and authorized U. S. civilians employed overseas who receive their mail through an APO, New York, N. Y., San Francisco, Calif., or Seattle, Wash., or Fleet Post Office, New York, N. Y., or San Francisco, Calif., or Navy Post Office, c/o Postmaster, Seattle, Wash.  
"Packaging—All articles should be packed in boxes of wood, metal, soft fiberboard, or strong double-faced corrugated fiberboard.  
"All fiberboard boxes should be securely wrapped in heavy paper which materially strengthens the package. Each box should be well tied with strong cord. Unless completely packed and tightly filled, boxes are likely to be crushed. Sufficient cushioning material should be used to prevent any rattling or loosening of articles within the package.  
"A slip showing list of contents and addressee should be enclosed in the parcel.  
"Forms 2966 or 2976—a customs declaration, completed by the sender, are required on parcels to some destinations.  
"Prohibited Articles—In addition to the articles normally prohibited in the mail, matches of all kinds and lighter fluid may not be mailed to overseas military addresses. Cigarettes, other tobacco products, coffee, and various other items are prohibited in parcels addressed to some military Post Offices.  
"Postage—Domestic rates of postage are applicable and postage must be fully prepaid. When fourth-class parcel post rates are applicable, the zone rate from

the Post Office where mailed to the Post Office through which the parcel is addressed will be charged. Airmail articles weighing not in excess of eight ounces are chargeable at the rate of seven cents per ounce; those weighing more than eight ounces are chargeable at the rate of 80 cents a pound.  
"Addressing—Addresses must be legible and complete and should be prepared by typewriter or pen and ink."

**Nov. 1-20 Mail Time For Armed Forces Overseas**  
The following information concerning Christmas mail for members of the armed forces of the United States serving overseas was released this week by the Post Office Department:  
"The period of Nov. 1 to Nov. 20 has been designated for the mailing of Christmas parcels by surface transportation to members of our armed forces overseas. For airmail the period is Dec. 1 to Dec. 10. Greeting cards for the armed forces overseas should be mailed within the periods designated for parcels if they are to have a reasonable expectation of delivery prior to Christmas.

**Army Recalls Paul W. Jones**  
Paul W. Jones, former principal of School Three, has been called back to military duty as a major in the Army Reserves. He is serving with the 301st Logistics Command of New York, stationed at Fort Bragg, Ky.  
Jones, who lives at 518 Prospect Street, Nutley, was associated with the Belleville school system since 1968. He became principal in 1952. In July of this year he was appointed Superintendent of Schools in North Arlington.  
Jones entered the Army in 1942 as an enlisted man and in 1943 was commissioned a second lieutenant. Until 1947 he served in the supervisory branch of the Chemical Corps School at Edgewood, Md. Arsenal. He left the army in 1947 and remained in the active reserve.  
He was reactivated in February, 1951, and served until the following year, when he again was released from service. The North Arlington administrative organization of the school system will be handled during his absence by Miss Helen Hearn, Mrs. Mary Davidson, high school principal, and Daniel J. Degennaro, board secretary.

Mr. and Mrs. Jones have lived in Nutley since 1947. They have four children: Carla and Paula, twins, Sophomores at Nutley High School; Robert, in the Sixth Grade at Spring Garden School, and Thomas, in the Second Grade there.

## The Stork Club

### Theresa Kareivis

A second child, a daughter, Theresa, arrived Sept. 27, in Clara Maass Memorial Hospital to Mr. and Mrs. Boley J. Kareivis of 101 Little Street, S. h. e weighed seven pounds, eight ounces at birth and joins a three-year-old brother, Joseph. The former Miss Anita Raimo, Mrs. Kareivis is the daughter of Mr. and Mrs. Nicholas Raimo of 25 Harrison Street. Mr. Kareivis, son of Mr. and Mrs. John Kareivis of Newark, is employed by Railway Express Co., Newark.

### Joseph Falzarano

Mr. and Mrs. Joseph L. Falzarano of 9 Kimball Street are receiving congratulations on the birth of their first child, a six-pound, seven-ounce son, Joseph, Sept. 15, at Clara Maass Memorial Hospital. Mr. Falzarano, the former Miss Mary Louise Karlson, is the daughter of Mr. and Mrs. Karl E. Karlson of 390 Stephens Street. Mr. Falzarano, son of Mr. and Mrs. Louis Falzarano of Bloomfield, is a draftsman with Worthington Corp., East Orange.

FRANCIS L. DAVIS

Marine Pfc. Francis L. Davis of Mr. and Mrs. Francis E. Davis of 404 Cortland Street was among top leathernecks participating in the Marine Corps Fourth Annual Unit Combat Marksmanship Competition, Sept. 18-22, at Marine Corps Schools, Quantico, Va.

The four-day program, designed to pick the "Corps' Best Rifle Squad," pitted nine fully-equipped 31-man rifle squads from regiments across the nation and Hawaii in a grueling event consisting of an assault on simulated enemy positions, trenching in heavily wooded terrain.

### Veterans' Day Parade Planned

Plans for the "most elaborate and biggest" of the Veterans' Day parades in Belleville are being completed for the November 11 holiday, according to James H. Leary, chairman.

The Belleville Veterans' Council is arranging the parade, which will include seven Drum and Bugle Corps consisting of the Guadalcanal Coastalers.

The parade will leave Greylock Parkway and Washington Avenue at 8 o'clock in the evening.

### United Fund

Less these four groups give generously the campaign will not be successful, said committee members. The 12 agencies making up the United Fund depend upon generous support to do their particular job 365 days a year for the residents and workers of Belleville. The Fund has appealed to residents to give \$1.00 for each of the 12 agencies, which compose the United Fund—"the same as you would if each agency appealed individually at twelve different times, in other words give a minimum of \$12.00—another guideline hour of pay per month."

### Meet Irvington

(Continued From Page 1) few weeks, the Bellboys could be in for trouble. Belleville's pass defense didn't have to worry too much about West Side last week because of the rain, and because the Newarkers usually move on the ground. The Capers though are a passing team and will have the Belleville defense on its toes. The Blue and Gold will make use of their running backfield and will probably pick up yardage around the ends and off tackle. Belleville's offensive line did a great job last week in opening up holes, and if they continue to do so this Saturday, the Bellboys' chances will be enhanced. The passing attack led by Joe Latore could come into the picture if fair weather prevails. Latore hasn't thrown that often this season, but when he has thrown

he has been accurate. The extra point situation, which has now been solved by the kicking of Joe DeGuercio, could be important in a game like this.

### Stauhs

under simulated emergency conditions. His duties also include liaison, planning with the local chapter of the American Red Cross and other relief agencies, as suggested in the working out of the ARRL Emergency Corps has with the national headquarters of the American Red Cross and other relief agencies. Liaison will be established also with local protective services, such as fire and police departments and civil defense communications will receive much attention.

In announcing the appointment Handy said radio amateurs have traditionally had the responsibility of being in constant readiness to offer assistance in time of need with ham-acquired skill, emergency-powered transmitters and a wealth of community spirit. "When select storms disrupt telephone and telegraph service, or floods isolate whole communities," League Communications Manager said, "it is amateur radio that comes to the rescue with operators and self-powered equipment, often as the sole agency able to transmit messages calling on the outside world for aid for the stricken community."

"To be prepared for this function requires not only a highly organized program of preparedness locally," Handy continued, "but hams outside the disaster area must be prepared to act as outlets and relay points for emergency traffic. Planning and organization are necessary in either eventuality and that is the job Stauhs is doing for this area."

### 6,856 Turn Out

(Continued From Page 1)

in parochial schools. Voters turned back the referendum in that area by a vote of 475 to 737. The proposal won handily at schools 1, 8 and 4.

The proposal for additions to school 1 and 4 was defeated by 129 votes—2998 in favor and 3,127 against. Schools 1 and 4 voted for this more strongly than they did for the high school.

Ward Three, voting in schools three and five, is the highest income area of the town. Here both proposals were solidly defeated by a total of 1,248 to 830. Six years ago, in 1955, a similar proposal for a high school was defeated. However, at that time additions were approved for two other elementary schools. School Ten, constructed in 1910, was the last new school built in Belleville.
