

CONDEMNED—20 Valley Street

DEMOLITION PERMIT issued—59 William Street

## The End Is Nearer

Steps are now being taken to assure the demolition of two dilapidated buildings—one, which was condemned by the Town Commission on June 27, the other, for which a demolition permit was issued on Aug. 3.

Action on the first, at 20 Valley Street, is being delayed by ownership rights. Thomas J. D'Avella, town attorney, is preparing a resolution, which would give the town the power to destroy the building rather than wait for the owners to do it. Notices were served to three owners after the building was condemned. The deed is in the name of Mrs. Julia Emorette Parry, who is deceased. Her descendants said she sold her share to the late Madeline Mathews.

The resolution is expected to be considered at the next Commission meeting on Monday, Nov. 13. The first Commission resolution called for demolition of the building, which it called "unfit for human habitation." There are no persons living there.

The building was called an extreme fire hazard by Carl Hunsch, fire chief. From his department's inspection, he had urged "immediate action to condemn the extreme hazard, to prevent fires, loss of

Young people of Grace Baptist Church presented on Nov. 3 a Boy Scout Cerebral under the direction of Scoutmaster Robert Ruden and two one-act plays under the direction of Mrs. Lorena Clark, Youth Director of the church, as their salute to the church's 50th anniversary celebration.

Following the plays, Gray Ryer presented Mrs. Clark with flowers and gifts from the young people in appreciation of her outstanding and dedicated service to youth for over 40 years. She has been a Sunday School teacher at Grace Baptist at 15. Among her many contributions and fields of service, Ryer mentioned that she had organized the Goodwill Guild, Camp Fire Girls, The Adelpi Players and Baptist Youth Fellowship, as well as having served in Girl Scouting and other youth movements in the church. She is now teacher of the Teacher's Training Class.

## United Fund Has Only 25% of Goal

After getting off to a good start, the Belleville United Fund campaign is again lagging far behind, not only as compared with previous years, but also when compared with other communities in Essex County. Only 25 per cent of the goal of \$38,000 has been achieved.

As a result, both the efforts of the campaign workers and the contribution total must be greatly increased in the next couple of weeks if this year's campaign is even to equal last year's when only about 52 per cent of the goal was obtained.

"Just why there should be this apathy in Belleville toward the United Fund is hard to understand," said one spokesman. "Are the residents of Belleville less civic-minded than those of other communities? There must be many who care enough and, therefore, are interested enough

## T.B. Seal Sale Starts This Week Through Mail

Edward G. Burdzy, Belleville Seal Sale Chairman of the Belleville-Nutley Tuberculosis Association, said today that Christmas seals will be received in the mails this week by residents and industries of the two towns. This is the 29th Annual Christmas Seal Sale. He said, and 1,000 appeal letters with seals will be sent out. It is estimated that \$12,000 will be needed to continue the association's services during the coming year.

Burdzy said the funds raised by the Seal Sale are the only means of support of the local association. The money is used to carry on a free program of tuberculosis prevention and control services in the two communities which consists of community X-rays, pitch testing of high school students, X-raying of school personnel, chest clinic, nursing service, etc.

### Claims Vote "Would Have Been Double Without Dennis Carey"

Belleville cast its votes Tuesday for the Democratic ticket—straight down the line. Like Essex, it went Democratic. But unlike Essex, the victory here did not seem to give all Democratic workers evidence that Dennis E. Carey was successfully running the party's county organization.

The town would have been even stronger in the Democratic vote column if it hadn't been for the Carey issue and cries of bossism surrounding him, according to Ralph Vara, Democratic Committee chairman, who has declared himself anti-Carey.

"The vote would have been double without Dennis Carey," he insisted. Democrats under Vara expressed disgust about out-of-town Election Day workers sent from the county level. One member of the group said local leaders were informed only the evening before of the auxiliary work.

## James F. Flynn, Retired Police Captain, Dies

Captain Flynn in 1928

James Francis Flynn, retired Belleville police captain, died at his home, 24 Smith Street, on Nov. 1 after a long illness. He was 87.

Police Headquarters is draped in purple and black in mourning for Mr. Flynn who served on the force for 23 years. The fourth member of the department when he joined it in 1908, he later became the town's first motorcycle policeman and its first captain.

He is remembered by the department as a fine policeman and a humanitarian. In the late 1920's and early 1930's, wanderers often spent the night in the police department. "The captain would always ask if they were hungry and then he'd share his food with them," recalls Chief of Police, George R. Spatz. "He was a crackerjack policeman."

The organization with the high-sounding name and low campaign tactics is at it again.

Again it shows an unrestrained eagerness to engage in character assassination attempts.

Expressing deep indignation, Ellis denied that school officials urged him to criticize the inadequacy of the Belleville High School in his formal address.

In any public acknowledgement of groups and individuals who have made major contributions to the establishment and progress of Clara Maass Hospital it is a privilege to pause for a moment and focus the spotlight of public attention upon the family which has been—and is—the driving force behind this great institution.

# Belleville's JV's Trounce South Side Eleven 13-0

## And Tie Garfield 7-7

By HOWARD SELIGMAN

Belleville High's Football team after going scoreless in three games will hopefully look forward to next week's contest with Kearny. Both Kearny and Belleville have duplicate records of 2-5. The Belleville offense has failed to live up to pre-season expectations. Although the team looks good on paper they have not been able to click in their first few games. Tony Della Terza, Bellboy halfback, has played some excellent football throughout the season. Although the squad has lost their last three games in succession, Della Terza has continued to put in a lot of effort. The return of Richie Luzzi in the lineup didn't help the Bellboys as much as expected although Luzzi played well on both defense and offense. Joe McDermott, Mike Soupa and Al Iacullo have played exceptionally well on the line. Alex, who has been playing an outstanding game on defense, suffered a separated shoulder against South Side, and it looks as if he will be out for the rest of the season.

—R. W.

Eleven's hope for a win. Besides the outstanding offensive play of the Belleville team the defense deserves a great deal of credit for its second shutout of the season. Some of the first players of the game were by Jim Bae, Drew Horvath, Jim Orsini, Lou Pomponio, Ron De Presto, Ray Harmon, and Mike McGroven.

The game featured two fumbles which were instrumental in the Belleville scoring. An interception by Pat Moreno also aided the Bellboy cause, but the actual scoring was done by John Senesky on a 20-yard run, another 20-yard run by halfback Frank Zinna, and a perfect pass play from quarterback Ken Zarro to end Pat Vales; which covered 40 yards and ruined the South Side.

confusing the local association seals with those distributed in each town by an outside tuberculosis organization. # Yackers And Pin Pals Keep Lead

In the Recreation Woman's Monday Night Bowling League, the Yackers with 17 wins and seven losses are still in first place, but the Trailettes with 15 wins and nine losses, (they won three games last Monday night), have climbed into second place. Mary Edward's high average of 149, Connie Martini's high game of 202 and Marilyn Albertson's high series of 308 have not been topped.

This league bowl every Monday night at 6:45 at Branch Brook Lanes.

## Mrs. L. Clark

(Continued From Page 1)

framed many young people to become youth leaders in other communities as well as Belleville, Ryer said.

Mrs. Clark is the daughter-in-law of the late Commissioner W. D. Clark, and the widow of W. Douglas Clark, who was also prominent in youth work throughout Essex County.

The cast members of "Hilly Billy House" by Anne Coulter Martens were: Carolyn Black, Jo Ann Welmer, Arthur Touse, Linda Smith, Walter Beresford, Barbara Hollander, Penny Glenck, Melanie Worthington and Miss Ruth Hogan.

"Saved From The Fate Of Her Sister," a melodrama by Marion Speed McEnderree, was enacted by Mr. and Mrs. Gray Fyer and Jack Hammell, Youth Advisors, Paul Gebrin, Alice Whitney, Donna Betchick, Arthur Johnson, Gordon Clark, and Mrs. Ralph Howell, the pianist.

## Wright End Run

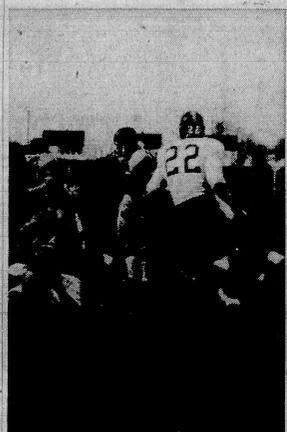

ATTEMPTING TO EVADE the Bellboy tacklers, Lonnie Wright runs around an end. Mike Rega keeps up the chase.

Combining a tremendous running attack and an alert secondary on defense, South Side handed the Belleville High team its third loss in a row without scoring a single point. Lonnie Wright and company defeated the Bellboys 20-0 before a crowd of 2,000 people at Municipal Stadium. Wright, an All-State candidate, played at quarterback most of the game and ran for 79 out of South Side's total of 279 yards gained. He averaged 13 yards per carry and proved to be almost unstoppable at times. The Blue and Gold seemed to be plagued by injuries throughout the whole game and came closest to scoring in the first period when they were halted on the 14 yard line.

South Side's 1st tally came early in the second period following a fumble on Belleville's 41 yard line. The Streaks drove down to the 33 yard line in two plays. From there Reggie Fridy went around left end for the score. Following the kickoff the Bellboys drove to the 29 yard line before a pass from Richie Luzzi was intercepted by Fridy on the 12 yard line.

The Streaks scored their final touchdown with a few minutes remaining in the game. Wright intercepted a pass from Joe La-yard line. From there Reggie Fridy went over for his second score of the day.

# Freshmen Continue Streak By Routing Lyndhurst 27-13

By RAY FERSKO

The freshmen went against a tough Lyndhurst team Saturday and knocked it down 27-13. Of the five games played thus far this was the most important and it turned out to be the best play.

Belleville kicked off and downed Lyndhurst on its own 45. From here on in Lyndhurst was predominant. They kept moving their way down field by pass plays and finally scored a touchdown by a pass from the ten yard line. The conversion was not good.

Lyndhurst kicked off. Belleville ran it up to their own 40 yard line. After having the ball for only one play, a beautiful hole opened and Joe Cervasio sped through and went 60 yards for a touchdown. The extra point was thrown by Sorrentino, and caught by Oese.

In the next quarter Belleville took the ball over on downs and patterned its way downfield where Oese zoomed around the end and went ten yards to the goal line. The extra point was scored by Cervasio on a hand off by Sorrentino. Again in the same quarter Belleville took the ball over, worked its way downfield, Cervasio went 20 yards around the end for Belleville's third touchdown. The extra point, a plunge by Luongo, was not successful.

In the middle of the third quarter Belleville kept hitting hard and driving its way to the goal line. Finally Luongo scored by barreling through the middle and over the goal. The conversion was a flat-pass by Sorrentino to Oese.

Belleville opened the fourth quarter by kicking. Lyndhurst got to midfield and steadily passed to first downs. When they finally got to the 1 yard line, it

took 3 tries before they could get past the tough freshman line for a touchdown. Belleville let the clock run out for the remaining seconds.

A good game was played by John De Filippo and Vasco Sampao the co-captains for the day. Our hard hitting line and fast moving backfield also deserves much credit.

## Roundup Drive Brings Boys 8-18 Into Scouting

"Strengthen America Roundup" being conducted by the 26 Cub Scout packs, Boy Scout troops and Explorer units of the Belleville District of the Robert Treat Council, Boy Scouts of America, is resulting in many new members, according to Ernest Arvidson, District Chairman.

Planned as a response to the increased interest in scouting in the area, the "roundup" has been making it possible for boys and their parents to become familiar with scouting and select a unit to join through special "open houses," trips, hikes and overnight encampments to which boys, who are not yet scouts, are invited.

Leading the Belleville District in new members is Cub Scout Pack 302 under the leadership of Robert Schulz, Cubmaster of Bethany Lutheran Church. Also attracting many new members in the roundup are Troop 302 and Explorers' Post 302, also of Bethany Lutheran Church.

Arvidson said there are still many opportunities for families to visit a scout unit and become familiar with scouting.

**Diabetes Detection Drive Begins Nov. 12**

New Jersey who don't know they have it," Burdzy said. "Since it is estimated that one person in every 100 is suffering from undetected diabetes, we may have many persons right here in our own municipality, who have diabetes and don't know it."

"Untreated diabetes is no joke. It can cause different kinds of damage to the body, including damage to the eyesight. Fortunately, diabetes who are under the regular medical care of a physician can lead essentially normal lives."

"The important thing is to identify persons with diabetes. Participating in the Diabetes Detection Campaign is simple, painless, confidential, and effective. I urge all adult persons in the community to have a test for diabetes. You should see your personal physician to arrange a test."
