## Golden Charges Mayor Concealed Clerk Appointment

Mayor Isadore J. Padula was accused at Tuesday night's commission meeting of re-appointing the town clerk without proper public notification. James R. Golden, self-appointed town prosecutor, insisted the appointment had not been mentioned at the meeting of Dec. 2, 1961, although it was included in the minutes of that meeting.

The four commissioners unanimously agreed with the mayor that the appointment was read, along with all resolutions considered that night.

"We will make it out of the minutes and introduce it again so that Mr. Golden can be satisfied," suggested the mayor, Commissioner Robert C. Gruhn said.

Golden insisted the subject had not been discussed and therefore could not be incorporated in the minutes of the meeting.

## American Legion Commander Here For County Meeting

Murrell N. Woolman, Mount Holly, Department Commander of the American Legion, Department of New Jersey, with members of his staff, will make an official visitation to Essex County today meeting with officers and members of the county's 41st Legion Post at the home of Belleville Post 105, 621 Washington Avenue at 8 p.m.

The Legion Commander for 1961-62, a Navy veteran of World War II, has an outstanding record of service with the organization. Joining Mount Holly Post 11 in 1945, he served as its commander.

MURRELL N. WOOLMAN

Commander Woolman will address the county Legionnaires on numerous state and national programs of the Legion, including the current membership campaign being conducted throughout the state.

Henry Stefanielli of Bloomfield, Essex County Commander of the American Legion, will preside at the meeting here.

## Laterza, Caracciola To Run For Ward Two Council Seat

Two residents of Ward Two post, a registered pharmacist, have taken out petitions for council seats in the May election.

Robert M. Laterza of 56 Reservoir Place was the first to say he would vie for Second Ward.

## Baby Sitter Is Week's Map Page Personality

Miss Hilton Goodman of 47 Floyd Street had three reasons why it was easy for her to identify last week's map page personality. The young woman in the circle was Miss Janet She Cohen who often babysits for the three Goodman children.

Miss Cohen, a student at Upstate College, was pictured in De Will Savings and Loan. "It was really a coincidence that I was there, because I was in there the morning I made the identification," Mrs. Goodman said.

\*Elected to the Board of Education.

GEORGE H. BROWN

Only 5,176 Belleville voters—29 per cent of the 17,691 registered—turned out Tuesday to elect three members of the Board of Education. Top vote getter was George H. Brown who polled 1,587. Dr. Frank Di Ruggiero, elected to his third term, was second with ten votes less, 1,577. The only woman candidate, Mrs. Norma McCool, was put on the board with 1,275 votes.

The new board will have an organizational meeting Monday night at 8 o'clock.

The current expense portion of the budget passed easily Tuesday with 1,326 votes for and 961 against the proposal. The capital outlay section was passed 1,121 to 504.

Dominic A. Lally, former Board of Education president, trailed Mrs. McCool by 46 votes to come in fourth. The third incumbent seeking re-election was Michael V. Albertine, whose total

DR. FRANK DI RUGGIERO

of 1,103 votes put him seventh in line.

The others, in order of votes polled: Calvin F. Peck, 1,198; Paul F. Bernhardt, 1,154; Albertine, 1,103; Paul Francisco, 1,094; John B. Di Rienzo, 1,085; Ralph M. Risoli, 892; Edward L. Walcott, 837; Thaddeus (Ted) Del Guercio, 829; Albert Guglicelli Jr., 106.

### NO TICKETS

Voters ignored ticket classification and states to elect a split trio. Brown was backed by the ABC and Mrs. McCool by the Citizens' Tax Council. Dr. Di Ruggiero ran as an independent.

Both budget questions were defeated in Schools Seven and Four. The two areas had voted twice to defeat the high school building program. Their vote Tuesday was seen as general discontent about the building program.

Ruler Estates, voting in School

MRS. NORMA MC COOL

Seven, had been against the building program. In that section, Francisco was top man with 303 votes. Mrs. McCool polled 294 and Bernhardt, 247. The three had the support of the tax council, which had strongly opposed building a new high school. Del Guercio was third in this section, which is his home.

Risoli led the candidates in School Four with 329 votes. He had strongly voiced his disagreement with the building program.

## Knuppel Attends State Course

Herman D. Knuppel of the guidance department of Belleville High School is participating in a special regional guidance course sponsored by the New Jersey State Department of Labor in cooperation with the School of Education, Rutgers University.

The course, conducted by Franklin Connolly of the State Department of Labor is designed to review training, guidance and placement problems of students who do not plan to go to college. It includes lectures by outstanding state leaders and visits to North Jersey industries to study their labor needs and problems.

## Three Named To Aid Local Heart Drive

Joseph B. Grosch, Belleville Heart Month Chairman, has announced completion of the final stages of organizing the Heart Drive in Belleville.

Three vice chairmen have been appointed: Ernest Arvidson of 178 Floyd Street for the Second Ward; William Chapman of 2 Belmont Street for the Third Ward and Mrs. Robert Laterza of 56 Reservoir Place for the Fourth Ward.

The campaign to combat diseases of the heart and blood vessels got under way last week and will continue until Feb. 25, which is Heart Sunday.

### HEALTH PROBLEM

"Diseases of the heart and circulation are responsible for over 50 per cent of all deaths and therefore it seems quite clear that they comprise our foremost health problem," said Grosch.

"It is equally obvious that the

## Old Business For New Board: Naming School 9 Principal

JOSEPH B. GROSCH

The new Board of Education faces one holdover proposal from the old board—the appointment of a principal for School Nine. The proposal appeared on three agendas only to be blocked by a four-member majority led by Ernest S. Arvidson, board member. A vote was never taken on the Superintendent of Schools' recommendation for the post.

Joseph B. Grosch, a teacher for 12 years, had been recommended. Board members were unanimous in their praise for him, insisting other reasons prompted them to postpone the voting. Those who joined Arvidson in blocking action were Michael V. Albertine, Arthur M. Pico and Nicholas S. Juliano.

The four voted to adjourn a

## Public Hearing On Changes Proposed By Master Plan

A public hearing will be held tonight at 7:30 in Town Hall on the proposed land use section of a master plan recently completed by the Belleville Planning Board.

Members of the Planning Board will be present, along with Joseph De Chiara of Urban Planning Associates, board consultant. Charles Boyce, senior consultant, is also expected.

This plan, which designates proposed uses for various sections of town over the next 20 years, would serve as a guide in directing the overall development of Belleville, according to the board.

The land use plan is the first section of a master plan, which also includes plans for traffic circulation, community facilities and a central business district.

One-family homes are seen in the general area between Union and Washington Avenue and in the area north of Greylock Parkway to the Nucleus line. Two-family homes are envisioned in the section north of Belleville Avenue between Union and Garden Avenues and in the area between the northern end of the Essex County golf course and Joramelon Street.

One-family homes are seen in

the western and northern part of town, which the plan said is the most recently developed area.

The plan emphasizes renewal and slum clearance.

According to the Planning Board, the master plan is to be considered a flexible proposal based upon a study of today's conditions and trends and their relation to the past. The specific proposals should be continuously restudied and revised, since changing conditions affect the structure of the community, said the board.

The board stressed, however, that the objectives and policies upon which the plan is based should be considered more permanent and representative of the general philosophy underlying the thinking of the board toward the future development of the town.

## Local Red Cross To Conduct Drive For More Funds

Because the Red Cross will receive less than 50 per cent of its budget from the 1962 United Fund Drive, the Board of Directors of the Belleville Chapter, American Red Cross has voted to withdraw from the United Fund Drive for 1963. The board said it "regretted the necessity for this action but can see no other way."

A "Balance of Need" Campaign will be conducted during March, 1962 in order to finance the necessary local services. It has been announced.

The recent increase in the size of the Armed Forces has meant a mounting demand upon the Red Cross for many types of assistance. These needs cannot be met unless more local funds are available, a spokesman said.

Requests for First Aid and Water Safety training are increasing. The sick and injured in our hospitals look to the Red Cross volunteers for relaxation and happiness. Blood needs are mounting in this area, it was pointed out.

"Red Cross must increase its services. It cannot curtail. If it does, the people of Belleville will suffer," said a spokesman.

## Collector Heads Matchbook Cover Club

R. WESLEY SCHNEEGAS

R. Wesley Schneegas, local attendance officer for the Board of Education, has been elected president of the Empire Matchbook Collectors Club. Schneegas, who has over 30,000 different matchbook covers, began his collection in 1950 when he decided, "I wanted a hobby."

He joined the Empire club in New York that year as its 51st member. Membership in the organization now totals almost 200.

The basement of the Schneegas home at 170 Union Avenue has a lineup of filing cabinets holding the collection. Schneegas has 50 albums holding match covers.

The covers include all categories.

## Senior Citizens Are Winners In Hobby Show

Six Belleville residents are among the prize winners at the 13th Senior Citizens' Hobby Show at Kresge-Newark, co-sponsored by the Soroptimist Club of Newark and the Council of Social Agencies of Newark, Irvington and West Hudson.

Miss Alexandra K. Bloom of 15 Dow Street, won two second place ribbons for her entries of a crocheted rug and a place mat. Second and third place ribbons were awarded to Peter J. Street of 19 King Place for his entries of a hammered metal mirror frame and an exhibit of wood inlay work.

Second prizes were awarded to Mrs. Alice M. Huguley of 191 Holmes Street, for an original oil painting on velvet and to John H. Hnatow of 21 Ogden Road, for his entry of a mechanical Christmas display.

Third prizes were given to Miss Ella J. Papritz, 191 Holmes Street, for her display of hand-made aprons and to Mrs. Millie McKiernan of 283 William Street who submitted a hand crocheted stole and do.

The show, which is open to persons over 60 years of age, is

## Town Budget Shows 20 Point Increase; Tax Rate Is \$8.85

Belleville's commissioners introduced a 1962 budget Tuesday night that raises the tax rate 20 points. The budget showed reduced operating expenses, but school costs and county taxes accounted for the increased rate.

The increase brings the unofficial 1962 rate to \$8.85 per \$100 property valuation.

The overall levy on the town's taxpayers this year will be \$5,450,710. This is an increase of \$49,481 over last year's levy of \$5,500,192.

The municipal budget actually decreased by 14 points, but school costs rose 8 points and Belleville's share of the county budget rose 26 points.

DEPARTMENT COSTS

Departmental operating costs dropped to \$1,968,248 — a decrease of \$127,118. Basically the drop was managed by an increase of surplus funds.

An additional current surplus of \$25,000 plus \$125,000 in water surplus was applied to reduce the '62 budget. Commissioners have also anticipated collecting an additional one per cent more in taxes, which would add \$34,645 to the reserve for uncollected tax liabilities.

Tax rates went down \$815, 117 because of the abolition of the personal tax and the senior citizen \$800 tax exemption.

A public hearing on the budget will be held on Tuesday, March 13 at 8 p.m. in Commission Chambers, Town Hall.

Two traffic ordinances were passed on first reading Tuesday night by the Board of Commissioners. The first would make Wallace Street from Harrison Street to Brighton Avenue one way, for eastbound traffic only. The second proposal would exclude trucks from Harvard Place that had a combined weight and carrying load of four tons.

Public hearings on the proposals will be held Tuesday, Feb. 27 at 8 p.m.

## Schiattarella Wins 2 Golden Gloves Bouts

KEN SCHIATTARELLA

Ken Schiattarella, 147 pounder, won two out of three fights in the New Jersey Golden Gloves. The Belleville who came through with two decisions, has shown an impressive left hook and a right cross that registers frequently.

He is being handled by Frank Schenck, George Weiner and Tex Gonzalez of Belleville. Gonzalez is an ex amateur champ and a pro favorite.

Schiattarella, a 17-year-old Belleville High School junior, won Golden Gloves bouts with Tony Marchese of Cliffwood and Enogh Perry of Trenton. He lost to Sylvester Mattox of Newark. Schiattarella boxed for the Newark PAL.

He is now training for A.A.U. competition.

Schiattarella is the son of Mr. and Mrs. Gilbert S. Schiattarella at 42 Reservoir Place.

## Major Lawson Attending Army Course In Kansas

Major Harold B. Lawson, Army Chaplain of 13 Tons Avenue is attending the 16-week associate course at the Army Command and General Staff College, Fort Leavenworth, Kan. The course is scheduled to end May 4.

Major Lawson is a member of the 26th class to be enrolled in the course. The class, consisting of 410 U. S. Army officers and 33 officers from 16 allied nations, was addressed by Maj. Gen. Harold K. Johnson, college commandant and post commander, at opening day exercises on Jan. 5.

The college, the Army's senior tactical school, was established in 1881 as the School of Application of Infantry and Cavalry. The associate course was established in 1947 and is designed to prepare selected officers from all components of the Army for duty as commanders and general staff officers. The class includes 75 Army Reserve and Army National Guard officers on temporary active duty. The attendance of these civilian component officers is indicative of the Army's effort to train and maintain "One Army."

The major is a 1934 graduate of Central High School, Newark, and a 1941 graduate of Bloomfield College.

## Slick Chicks Survive Tough Pin Competition

In spite of real tough competition, the Slick Chicks are still the number one team in the Recreation Women's Wednesday Night Bowling League. Their record is 43 wins and 23 losses.

The Pin Pals, with 40 1/2 wins, 23 1/2 losses, are 2 1/4 games back. The highs in this league remain the same. No one has topped Elaine Pandorf's high game of 245 and high series 543, or Dolores Yanick's average of 149. 37. Elaine rolls with the Pin Pals. Dolores with the Slick Chicks.

## Clubwomen Have Drive For Nylons To Aid Hospital

Miss Viola Weislogel, community affairs chairman, and Mrs. James J. Dunn, co-chairman, of the Evening Department of the Woman's Club of Belleville, have announced a townwide "Nylons for Greystone" drive.

Clean, washed nylon stockings may be deposited in containers located at: DeWitt Savings & Loan Association, 463 Washington Avenue; Fidelity Union Trust Company, 144 Washington Avenue; and Peoples National Bank & Trust Co. of Belleville, 237 Washington Avenue.

The Greystone Park Association, a voluntary organization, converts these nylons into funds needed for the purchase and maintenance of television sets, record players, musical instruments, etc. for patients at the hospital. Another project, paid for by nylon drives, and recently completed by the Association, was a model kitchen, which aids in preparing patients about to be released to re-enter their homes and community life.

Several cartons of nylons have already been collected by the children of Schools 3 and 5.

## Father and Son Night At School No. Four

## Gerald T. Keenan Weds In Pompton Plains Church

The marriage of Miss Dorothy E. Lamb, daughter of Mr. and Mrs. Thomas J. Lamb of Pompton Plains, to Gerald Thomas Keenan, son of Lawrence E. Keenan of 508 Washington Avenue, Belleville, and the late Mrs. Keenan, was solemnized Saturday afternoon, Jan. 20, at Holy Spirit Church, Pompton Plains. The reception followed at Nestor's, Singa.

Escorted by her father, the bride wore a princess style gown of French peau de sole fashioned with scoop neckline and bouffant skirt trimmed with lace applique and ending in a chapel train.

A crown of seed pearls held her fingertip veil, and she carried white orchids on a prayer book.

Miss Patricia Lamb was her sister's maid of honor, and bridesmaids were another sister, Miss Marianne Lamb of Pompton Plains and Miss Patricia Andrews and Miss Juan Diaz of Singa.

They were gowned in red velvet street length dresses with three quarter length sleeves and bell shaped skirts. They had white fur headpieces and carried red roses on white fur muffs.

Raymond Keen was best man and ushers included Lawrence Keenan, Jr. of Morrisstown, and Raymond Van Esselstine and Thomas Reid of Belleville.

The mother of the bride was gowned in a peacock blue chiffon dress with matching accessories and a corsage of white orchids.

Mrs. Keenan is an executive secretary with U.T. Federal Laboratories, Clifton. Her husband served two years in the U. S. Army, stationed in Berlin, Germany, and is presently a Junior at Fairleigh Dickinson University, Rutherford.

The couple spent their honeymoon in Bermuda, and are making their home at the Belleville address.

## Slate Antique Show At Union Jr. College

The Citizens Advisory Landscaping Committee of Union Junior College, Cranford, will conduct an antique show in the college's Nomahegan Building April 24, 25 and 26. Mrs. Thomas Roy, Jones of Westfield is chairman.

It will be the first annual antique show to be sponsored by the committee and the second fund-raising effort. A sale of personal treasures in November at the Barn of Dr. and Mrs. Jones in Westfield raised nearly \$2,000.

The show will benefit the college's landscaping fund and will help to finance the David G. Taglies, Jr., Memorial Wildlife Sanctuary to be established at the Cranford campus.

Miss Rita Carol Barsky, daughter of Mr. and Mrs. Morton J. Barsky of 87 Hornblower Avenue, and Sgt. Anthony Amato, Jr., son of Mr. and Mrs. Anthony Amato, also of Belleville, were united in marriage in a ceremony preceding a Nuptial Mass Saturday morning, Jan. 6, in St. Peter's Church.

The ceremony was performed by the Rev. Francis Ignacunas and the reception followed at The Fountain, Belleville.

Mr. Barsky gave his daughter in marriage. She wore a gown of pure silk trimmed with Chantilly lace and embroidered with pearls and crystals. A fingertip veil was attached to a crown of pearls and crystals and she carried white orchids on a missal.

Miss Mary Ellen Lynch of East Meadow, L. I., was her cousin's maid of honor, and bridesmaids were Miss Barbara Tillberg of Kearny and Miss Toni Schleifer and Miss Phyllis Amato of Belleville.

The honor attendant wore a floor length gown of Kelly green velvet and satin and a crystal tiara with matching veil. She carried rust and yellow chrysanthemums.

## Induct Richard Derrig Into College Alumni

## National Recognition

In the Feb. 1 issue of The Times there appeared an editorial entitled "The Turbulent Speed of Federal Government," which chided the government in Washington for taking so long to fill important offices and for keeping capable officials dangling in the limbo of uncertainty by continuing them in "acting" status for indefinite periods. The case in point was the then Acting Director of the Newark District of the Internal Revenue Service, Kenneth O. Hook. He has since been replaced by Chris Gross, formerly of Camden, and Mr. Hook has been promoted to Philadelphia, one of the largest IRS districts in the country.

Speaking in the House of Representatives the day the editorial was printed, Congressman Frank C. Smers Jr. of Tenafly, who represents the Ninth Congressional District (parts of Bergen and Hudson Counties) in the House, read the comments of The Times into the Congressional Record.

The Hook promotion is appropriate recognition of the good work of a dedicated, career, public employee.

In Chris Gross, the Newark IRS District gets a worthy replacement for Kenneth Hook. Gross is also a career Treasury employee. Counting up through the ranks, in 1955 Gross caught the eye of the then U. S. Deputy Internal Revenue Commissioner, Gordon Delk, who personally selected Gross for the difficult assignment of reshaping a rundown district office.

Delk's faith in Gross paid off well for Uncle Sam, for the Camden District Internal Revenue office today is among the most efficient in the system.

To Kenneth Hook go our best wishes in the bigger task which awaits him in Philadelphia.

For Mr. Gross the North Jersey "welcome mat" is rolled out once again to a deserving career employee. He inherits an office which has gained national acclaim under the direction of the late Joseph P. J. Mayer.

Both Hook and Gross were given IRS executive opportunities only after former U. S. Deputy Internal Revenue Commissioner O. Gordon Delk, (himself a career Federal employee), removed the Internal Revenue department from the influence of the politically important.

From the beginning of Delk's tenure to the end of the Eisenhower years the merit system became a fact of everyday life in the U. S. Internal Revenue Service.

It is refreshing to note the present Democrat administration intends to carry on—and expand upon—the fine policies and programs initiated by Delk in 1953. Such a policy can only benefit our taxpayers, IRS employees, and the Kennedy Administration.

## Belleville's Most Important Document

The TIMES-NEWS issue of February 1st—page one—contained a new Town Zoning Map as recommended by the Belleville Planning Board.

It is a document which has taken two years to prepare. The Planning Board does not claim perfection in its product. It is subject to review and modification.

A public hearing on the proposed Master Plan is scheduled for this evening, Thursday, February 15th, 7:30 p.m. at Town Hall.

It behooves every taxpayer to take an interest in the proposed zoning provisions. If adopted, a NEW BELLEVILLE will come into being. The basic recommendations provide the opportunity for lower taxes. More ratables will be a consequence. Abandonment of two schools is very probable.

The public hearing is tonight. If you value your rights as a citizen—if you believe the local tax burden is too heavy—if you want public officials to value your opinion—the place and time for you to sound off is—TONIGHT, THURSDAY, FEBRUARY 15th, 7:30 p.m. at TOWN HALL.

## The GOP Need

Recently at a meeting of the trustees of the Essex County Clean Government Republican Club, the faction headed by Club President Frank Bate failed to re-nominate William F. Yeomans, Newark's west ward G.O.P. leader.

The same nominating committee however, nominated for reelection to the Board of Trustees a displaced politician who at times has been known to be a Trenton lobbyist.

He is Lester Mahr, former GOP chairman of Newark's old 16th ward. Eight years ago Mahr moved to East Orange, his present residence. Any influence Mahr may have had with the voters of Newark's old 16th ward has since vanished. Certainly in East Orange he is unknown—which is just as well—for East Orange in recent years hasn't done too well by the G.O.P.

The action of the Bates faction is mystifying. On the one hand it ousts from party councils an alive, active, leader of 90 Republican county committee men and women. On the other, the Bates group insists upon seating an individual who was more prominent as a lobbyist than he was as a GOP leader.

Does the Bates faction believe it upgrades the GOP image when it insists upon retaining a known lobbyist as a policy maker? If the GOP wants to win in the future—at best a tough assignment—it better go in for a "sight-raising" as well as a "face-lifting."

## Upgrading Local Government

Means of strengthening and revitalizing the role of hometown government in the American political pattern are being tried and sought throughout the nation.

In a period of gigantic mergers as industries seek strength through union to meet multiplying problems of the times, municipal governments have stood virtually still. New Jersey has 568 municipalities. This represents a net increase of one in the past decade. Of the total, 175 municipalities occupy two or less square miles of land area.

The problem is acute in older cities trapped within boundary lines fixed before the age of the automobile and mobile populations. They are being strangled in the financial vice of increasing costs and movement of their taxpaying resources to the suburbs. The suburbs, too, face a multiplicity of financial problems in providing the services to which their citizens became accustomed as city dwellers.

Short of consolidation of their areas and resources through merger of annexation, an increasing number of municipalities are seeking efficiency by getting together with their neighbors to share instead of duplicate mutually needed services.

Adjoining municipalities frequently find they can share police patrol, fire protection, garbage collection and disposal and other services on a beneficial basis. Water and sewer lines often can be extended into adjoining municipalities or new facilities can be jointly shared. A central library within easy reach of neighboring municipalities is found more economical and adequate to area needs than several poorly stocked libraries. Regional school facilities are available in many areas.

Extension of such constructive moves as well as more far-reaching changes to upgrade the calibre, efficiency and productivity of local government are being sought through studies of various governmental agencies, regional planning movements and other cooperative groups, reports the New Jersey Taxpayers Association.

## Scouting and the Family

Since 1910, more than 34 million Americans have been identified with the Boy Scouts of America, whose 52nd anniversary has just been observed.

There is scarcely an American family that has not felt its influence.

In many families there have been three generations active in its work.

Even as Scouting strengthens family life in America, this year's Boy Scout Week observance focused on the contribution families make to Scouting and the American way of life.

In the younger boy program—Cub Scouting—parents participate with their sons. Mothers serve as den mothers or helpers in other ways, and fathers become den dads and Cub Pack Committeemen.

In Boy Scouting and the older boy program of Exploring, parents show their interest by their participation in Scouting functions. It has become tradition in Scouting for mothers to wear miniature pins of their sons' ranks.

Scout leaders feel that, because of the active participation of parents in Scouting's programs, a profound impression is being made on the home life of millions of Americans. Families brought together by Scouting are said to be stronger families. Certainly stronger families mean a stronger America.

We join in saluting Scouting for the role it plays in the families of all of the Cub Scouts, Boy Scouts and Explorers of Robert Treat Council, and congratulate these families in our area. They are the kind of families that are building the kind of character in young people that is America's true strength.

## Maise Named Roche Security Program Head

CHARLES G. MAISE

Charles G. Maise of 18 Forest St., who for the past 20 years has been director of personnel at Hoffmann-La Roche Inc. in Nutley, has been named to the new post of director of the Roche security program, devoting his entire time to the various employee benefit plans which have gained recognition for the company as a leader in this phase of industry relations.

Maise joined Roche as director of personnel in 1941. Prior to that time he was personnel manager of the Packard Motor Car Company in New York for eight years and employment manager for Raritan Arsenal for five years.

A veteran of World War I he served the government in several capacities, as examiner of for the U. S. Civil Service Commission and as a wage and hour inspector for the U. S. Department of Labor. He has also been an instructor in the government-owned Production Supervision Training Program, conducted by Rutgers State University.

Maise is president of the Board of Trustees of Wesley Methodist Church and is past president of the Belleville Family Service Organization. He belongs to the Belleville Masonic Lodge. He is a member also of the New Jersey State Chamber of Commerce, the New Jersey Manufacturers' Association Unemployment Compensation Committee, the Employee Health and Benefit Committee of the National Association of Manufacturers, the North Jersey Pharmaceutical Personnel Group and the Society for the Advancement of Management.

He is a director of the Broadway Mutual Savings and Loan Association in Newark and a member of the Nutley Rotary Club.

Hoffmann-La Roche first announced a life insurance-retirement benefit and accident and sickness plan in 1933. This plan has been amended repeatedly in keeping with the evolution of industry thinking. In 1945 the company announced a hospital expense insurance program which included provision for reimbursement against ordinary medical bills of employees who were unable to continue at work. Today the Roche plan for extended hospital and medical care includes major medical insurance which retiring employees can continue.

Maise and his wife, Ethel, have two children, their daughter, Audrey, and her husband, the Rev. William Alan King, and two daughters, live in West Monroe, La. Their son, C. Richard, is a petroleum engineer with the Arabian American Oil Co. He and his wife live in Abqaiq, Saudi Arabia.

## Kidde And Co. Names European Manager

The appointment of John L. Kidde as Director-European Products has been announced by Walter Kidde and Company, Inc., Belleville.

Kidde will be responsible for European sales of the company's products in the aerospace field as well as electronic, fire safety and intrusion detection equipment. With headquarters in Paris, he will work closely with Walter Kidde Co., Ltd., England and Walter Kidde Co., GmbH, Germany, the company's manufacturing subsidiaries in Europe, as well as its licensed manufacturer in Italy.

Kidde and John Hall, vice president of the company's International Division, are now on an extensive inspection tour of all manufacturing facilities in Europe and also plan visits to major marketing areas including France, Switzerland, The Netherlands, Belgium and Sweden.

Previously, Kidde was chief financial officer of Walter Kidde, S. A., with headquarters in Rio de Janeiro, Brazil.

## Beck's Column

Gradually more and more tubes are being replaced by transistors. While these tiny new devices in the beginning were used almost exclusively in connection with battery operated radio sets or other electronic devices, we now find ever increasing applications using house current as the source of energy.

Transistors need a lot less energy than tubes, that is the main reason why they are so well suited in connection with batteries. They also are very small and do not generate heat. House current is cheap, so are tubes. A few watts more or less does not mean much in the use of a radio set for instance. Transistors are more expensive than tubes as yet. No doubt as more and more transistors are used and better production methods will be found, the prices for transistors will become lower. They are such simple devices, that it won't be surprising if some day a transistor will cost as little as a dime.

Wherever transistors presently are used in radios and other devices using house current, the product usually is higher in price, heat can not be tolerated or physical size is of the essence. At this time, apparently a radio using tubes which sells for \$15, can not be made at the same price by the use of transistors, it would cost considerably more.

It is claimed that transistors will last indefinitely. Well—we have seen plenty bad ones, but perhaps as the art progresses the industry will come up with an indestructible transistor, which would eliminate many service headaches.

We service what we sell.

# Height Helps South Side Take Bellboys

## Jeffers And Murnock Hold High Titles In League Race

AT THE FOUL LINE—Bob Byers is about to sink a jump shot. South Side's Daryl Diggs attempts to block.

By ROGER WARTTELL

Belleville High's basketball squad was overpowered by South Side last Friday 66-54. The Bellboys stayed close during the first half, but couldn't cope with the Streaks' height advantage in the second half.

Lonnie Wright kept the visitors ahead in the first two quarters with ten points, while Al Lebo maintained the lead with ten more in the latter part of the contest. Dave Hatch led both teams in scoring with 17 points.

South Side opened the game by taking a 4-0 advantage, and held on to a four point lead at 10-6 with three minutes gone in the first quarter. Belleville then ran a streak of six points to take the lead. The Streaks came

back quickly and regained the lead 14-11. South Side continued to maintain its advantage and led at the quarter 17-15.

In the second period South Side and Belleville played even ball and at the end of the half the visitors led 33-30.

In the third quarter the Streaks, led by Dave Crockett and Lonnie Wright, increased their lead to seven points, 47-40. The Bellboys battled back to within four points at 47-43 but Lebo's six points put South Side ahead again.

**IN FINAL MINUTES**  
Belleville closed the gap to five points early in the last period, but with minutes left the Streaks jumped into a 61-50 advantage and closed out the Bellboys.

## Fourteen Finalists Remain Out Of 142 Competitors In Intramural Wrestling

By WALTER ORTH

After the wrestling season climaxed at B.H.S., the school took on wrestling intramurals, which was successful in its debut last year. This year it is flourishing more vigorously.

Competition started Feb. 3 with 142 boys coming out. The boys were split into seven weight classes and wrestled on a single elimination basis. In other words, they had to win every match or be eliminated from the running.

After these matches, the quarter final took place with single eliminations cutting the number of competitors.

Semifinals were held last Friday, Feb. 10 and now 34 boys are left from the original 142 to battle it out for the championship titles of the seven weight classes.

Time periods were shorter than the standard six-minute periods with three 2-minute periods. The boys wrestled four minutes with the first period lasting two minutes and the remaining periods one minute apiece.

Finals will be conducted in the six minute fashion.

Stan Scher, Belleville wrestling coach officiates at all matches. He is assisted by wrestling team members.

These wrestling intramurals are a great contribution to the life of the high school and contribute to physical fitness. This sport gives many boys who lack size or ability the chance to participate in competition and to show to their friends just what they can do. If they show up well

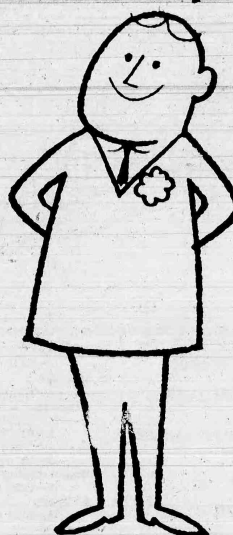

in intramurals, they will probably be given an invitation to try out for the wrestling team next winter.

Scher is watching the intramurals with the hopes of finding new material. The high school staff would also like to extend its invitation to all those who have an interest in this sport to watch the wrestling finals tomorrow at 3:30 p.m. in the boys gym at the Washington Avenue entrance.

**IN MEMORIAM**

BIONE In loving memory of our husband, father and grandfather, PASQUALE, who passed away February 16, 1961.

A year has past, that God took you so you could rest.

We think of you every day. Our love surrounds the house in which you dwelled.

The place you worked, the streets you feet have known. With more of tenderness than we can tell.

And prayers we have said for you alone.

If you are lonely, know that we are near.

If you are sad, our faith will comfort you.

The things you valued, we shall hold most dear.

He who was loved, need never walk alone.

So rest in peace, your work on earth is ended.

Bereaved Wife, children and grandchildren.

## St. Mary's Teams To Help St. Peter's Raise M-O-D Funds

The C.Y.O. of St. Peter's  
Church, Belleville, will hold its  
annual basketball games for the  
benefit of the March of Dimes  
Sunday, Feb. 18, at St. Peter's  
gym.

Harry Conway, athletic direc-  
tor, has announced there would  
be three games played. St. Peter's  
C.Y.O. will play St. Mary's  
C.Y.O. of Nutley. First game will  
start at 7 p.m. and will be be-  
tween the junior boys. At 8 p.m.  
the girls teams will play and at  
9 p.m. the intermediate boys  
teams will play.

A trophy will be presented to  
the team winning the intermedi-  
ate game. In order to retain per-  
manent possession, a team must  
win it two out of three games.

## CLOSE GAMES

This season St. Peter's has de-  
feated St. Mary's twice by close  
margins and St. Peter's now is  
tied with Sacred Heart, Bloom-  
field, for leadership of the New-  
ark League.

Conway mentioned that St. Peter's  
has contributed \$125.54 in the  
past 16 years to the March of  
Dimes. This has come from the  
basketball benefit games and  
other sources.

Admission to the games will  
be two dinner f. c. C.Y.O. mem-  
bers and grammar school chil-  
dren and four dimes for adults.  
Tickets may be obtained from  
any of the players or at the door.

the more common types of in-  
come which must be reported,"  
Mr. Gross said, "taxpayers are  
reminded that interest on sav-  
ings bonds and Series 'U' U.S.  
Savings Bonds, tips and simi-  
lar gratuities, most dividends  
and profits on sales of real or  
personal property, are taxable  
income."

"Taxpayers who fail to report  
taxable income are liable to be  
called to account for it," he said.  
They may be subject not only  
to the tax, but also to interest  
and penalties."

## KEEP GOOD RECORDS

Taxpayers who kept good fi-  
nancial records last year should  
have no trouble preparing their  
1961 Federal income tax return.  
District Director Gross stressed  
today.

Complete records are espe-  
cially important, Mr. Gross said,  
to taxpayers who elect to itemize  
deductions in filing.

Accurate expense records also  
are essential if a taxpayer's re-  
turn is selected for audit, he said.

All records should be retained  
for as long as they may become  
material in the administration of  
any Internal Revenue law, he  
said. Another advantage, Mr.  
Gross declared, is that taxpay-  
ers with good records can com-  
plete and mail their Federal tax  
returns as soon as they receive  
their W-2 withholding tax certi-  
ficates, thus eliminating last-  
minute searches for such papers  
as the filing deadline draws near.

## SELECTING THE RIGHT FORM

The two tax forms provided  
for individuals in filing their 1961  
Federal income tax returns were  
explained today by Mr. Gross.

Mr. Gross said the following  
requirements are furnished to aid  
taxpayers in selecting the form  
that best suits their needs:

Form 1040A — This is the easi-  
est form if taxpayers are eligible  
to use it. One of the special fea-  
tures is that if their income is  
less than \$5,000, they can choose  
to have the Internal Revenue  
Service figure the tax. They may  
use this form if:

1. Their gross income was less  
than \$10,000; and  
2. It consisted of wages re-  
ported on withholding statements  
(Forms W-2) and not more than  
\$200 total of other wages, inter-  
est, and dividends; and

3. They wish to take the stand-  
ard deduction (10 per cent of  
their income) instead of itemizing  
deductions.

Form 1040 — This regular form  
must be itemized to one  
page, with accompanying sched-  
ules, and may be used by any  
individual (except a non-resident  
alien) regardless of the source  
or amount of his income.

"If you have any other ques-  
tions about your Federal income  
tax return, telephone your local  
Internal Revenue office East Or-  
ange," he advised.

Camp Ro-Li will open for its  
17th consecutive year of opera-  
tion on Saturday, June 20. Start-  
ing on that date and continuing  
until July 28, Camp Ro-Li will  
be open to any girl between the  
ages of 8 and 13. Enrollments are  
accepted for a two-week period  
only. The boys season starts on  
July 30 and lasts until Aug. 27.

A professional camping staff is  
now being selected.

## Hasbro Enterprises To Have Self-Service Dry Cleaning

Automatic self-service dry cleaning comes to Belleville on Tuesday, Feb. 20 when a new coin-operated dry cleaning service will be introduced at 542 Washington Avenue. A grand opening celebration will offer free dry cleaning all day Tuesday on a first-come, first-served basis.

Sixteen coin-operated dry cleaners have been installed with 20 automatic washers and eight large clothes dryers.

Housewives will be able to do both laundry and dry cleaning on visit to the new Norga "Village." The dry cleaning unit will clean everything from a man's suit to a girl's party dress, as well as all kinds of drapes and couch covers. It is designed to clean a full load of garments (three or four men's suits or eight dresses) in approximately 45 minutes.

One of the assets of the machine is that it allows built-in wrinkle-free cleaning with only a touch-up with a steam iron needed at most, according to the owners, Richard and Edward Hassan.

### HASBRO ENTERPRISES

The Hassan brothers are opening their new business under the name of Hasbro Enterprises. Hasbro is a combination of Hassan and brothers.

For the past 17 years they have operated Hassan Brothers at 163 Belleville Avenue, an air-conditioned business. The two men are refrigeration and power plant engineers.

The brothers came from Moberly, Mo., 34 years ago. Bernard and his wife, Mary, have six children. Edward and his wife, Frances, have six children also.

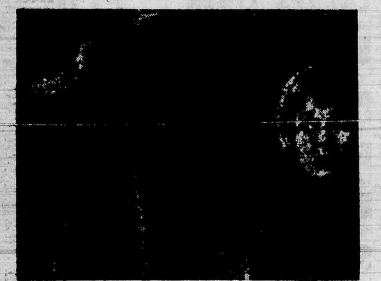

(Continued From Page 6) Gruber, of Delevan Avenue, seventh grader at Number 10 school, entertained a group of friends at a party last Saturday night.

Other than birthday parties, Mr. and Mrs. Frank R. Giordano of 17 Berkeley Avenue gave a party for Dr. Frank Di Ruggiero Feb. 2. . . . Donna La Placa, six-year-old daughter of Mr. and Mrs. Joseph La Placa, 15 Steven Road, gave her first piano recital at the home of her teacher, Miss Napolietto, of Fairway Avenue.

Mr. and Mrs. Gerrit Johannes, 40 Honiss Street, were blessed recently with a baby son whom they named Bruce. This family came here recently from Holland. . . . Congratulations in advance to Mr. and Mrs. Herman De Jonge, who will be celebrating their 11th anniversary on the 17th.

Congratulations also, but in a different sense, to Harold Mamay and Waller Orth, Belleville High School Seniors. Harold was appointed first alternate to the U. S. Air Force Academy by Congressman Peter W. Rodino and Walter was appointed ninth alternate to the same school.

## 'Roman Spring' Stars Vivien Leigh

Starring as a fading American actress searching for romance in Rome, Vivien Leigh cautiously eyes Jeremy Spencer, as the sinister Young Man who follows her through the streets, in this scene from "The Roman Spring of Mrs. Stone," now at the Elwood Theatre, Newark. On the same program, Tuesday Weld and Richard Beymer in "Bachelor Flat."

We thank you for the election of a Balanced Representation.
