

42-Hour Week Would Add 22 Men To Fire Department

To put into effect a 42-hour week, which firemen are seeking, it would be necessary to add 22 men to the department, according to Theodore Del Grosso, chairman of the 42-hour committee. Additional men would cost the town \$135,093 for the first year, coming to 22 points on the tax rate, he said.

There are 69 men in the fire department now, working a 56-hour week. Saturday, they began a door-to-door campaign for signatures to get their request on the May 8 ballot.

Del Grosso said the additional 22 men would insure the town a "Class B" insurance rating, instead of "Class C." Adding fewer men would not keep the door open for the "B" rating, he said.

He broke down the \$135,093 cost as follows:

Twenty-two new firemen would receive \$5,206 a year, or a total of \$114,400. The addition of 22 men would mean the promotion of three captains for an additional \$2,475. One of the captains would be made a deputy chief at a cost of \$348. Blue Cross for the new men would come to \$4,120 and the town's share of pensions would come to \$13,750, making the total \$135,093.

ADDED PROTECTION

"The addition of new men not only puts the 42-hour week into

effect, it also gives the town additional protection in case of a major disaster," Del Grosso said. "Every fireman is actually on duty 24 hours a day and naturally responds—even when off duty—whenever there is a large fire."

"Naturally the more men in reserve, the greater protection the town will receive," he said.

More In The Running

The number of Council candidates reached 18 early this week when four more persons took out petitions for the May election.

Thomas F. McCool of 195 Fairway Avenue said he would run for councilman-at-large. McCool's wife, Norma, was elected to the Board of Education last month.

John Bass of 93 Rutan Road, president of the Rutan Estates Homeowners' Association, took out a petition for a Ward Two seat.

Dominick S. Touch of 608 Jorammon Street took a petition for Ward Two also.

Christie F. Albanese of 53 Fredrick Street is in the running for councilman for Ward One.

Voters will elect three councilmen at large and one from each of two wards.

Calabro Resigns As Head Of Citizens Tax Council

Salvatore R. Calabro, who has headed the Citizens Tax Council for the past three years, resigning and revitalizing it, he asked that the council elect a new president or select a temporary president at the first opportunity.

His decision to leave the post is a sudden one. "I have been wishing they would replace me since after the change in gov-

ernment campaign," he said. Calabro led the group in its fight to bring a council form of government to Belleville, replacing the commission form. The referendum won last year, and the new government goes into effect this summer.

In his position as president, Calabro said he was being pressured to run for the council. Members urged him and said they would draft him. "I do not intend to run," vowed Calabro.

HEAVY RESPONSIBILITIES

The heavy responsibilities of the presidency of the organization have been taking time away from other duties, Calabro said.

"My first book was delayed by a full year," he pointed out.

"Reliability Principles and Practices," Calabro's book, was published in January of this year. It is already being translated into several languages and has been adopted as text in many universities.

Calabro, director of product assurance for International Electric Corp. in Paramus, has begun a second book. In addition, he has accepted speaking engage-

Rod & Gun Club May Be Formed

The Recreation Department is trying to create interest in a Belleville Rod and Gun Club. According to the Parks and Public Works director, George E. Kiernan, there is already a group of young men who have asked for the formation of such a club.

A meeting of all those who have indicated their interest has been planned for Tuesday, March 13 at 8 p.m. at the Recreation House. All young men in

Space Age Appeals To All Ages

"EVERYTHING IS GO" — Barry Dunleavy, center, and Joseph Arminio, kneeling, peer out of their space helmets before the John H. Glenn Rocketship blasts

From Kindergarten . . .

After Lt. Colonel John H. Glenn Jr.'s spaceflight, the kindergarten class of School Ten launched into an empty space rocketship of its own. The ship is known as the John Glenn Rocketship in honor of our first orbital astronaut.

The children became excited about Glenn's flight into space and decided they would like to work on a rocket too.

The countdown started as the boys built a rocketship under the supervision of Mrs. Maria Tobie and a supervisory staff of kindergarten girls. The girls decorated the rocket with pictures of what they thought the Friendship 7 Rocket and Glenn looked like. Space helmets, earphones, and a microphone helped to make the rocketship more authentic.

As Glenn Orbits Earth

The day Lt. Colonel John H. Glenn Jr. made history by orbiting the earth in Friendship 7, John Hnatow, 21 Ogden Road, a member of the Retired Men's Club of Belleville, decided he'd do something in honor of the important occasion. As a result, in the window of Civil Defense Headquarters, 200 Washington Avenue, is a five foot animated rocket display.

The tower, launching pad, revolving radar, helicopter hovering overhead, and miniature astronaut encased in the capsule revolving at the top, are all in motion.

The entire display was conceived and built during the three hours and fifty-six minutes of Glenn's flight through space.

Hnatow is known in Belleville for his hobby displays. He won one of the top awards in Kresge Newark's Hobby Show, with an animated Christmas display.

Aim Is Shelter From Fallout, Says CD Director

"The primary object of Civil Defense Planning is recourse to adequate shelter from fallout radiation," Ludwig R. Pesa, Belleville Civil Defense Director, last week emphasized this point to two separate audiences.

The Clara Maass Memorial Women's Auxiliary, a volunteer group associated with the hospital, and the P.T.A. of School One heard Pesa outline a shelter program already under way in Belleville, which is backed by Federal participation.

Albin H. Oberg, executive director of Clara Maass, together with Emil Horak, assistant executive director, promised full cooperation with the local Civil Defense organization.

The program at the hospital was arranged by Mrs. Joseph Blumert, auxiliary president. It included the showing of the Bell Telephone Company's film "Seconds For Survival." The film made such an impression on those who saw it, that student nurses at the hospital requested

State Eyes Budget Work Sheets Of '62 After Golden Letter

Registration Deadline Today For Primary

Tonight is the last night to register for the primary election on Tuesday, April 17. The office of the Town Clerk will be open from 8:30 a.m. until 4 p.m. and tonight from 7 to 9 for registration and transfer of voters.

If you have not already permanently registered to vote or have changed your address you must see the Town Clerk today if you intend to vote in the primary.

Your clock this afternoon is the deadline for filing county committee petitions.

Budget Hearing Tuesday

A public hearing on the 1962 town budget will be held Tuesday night, March 13, at 8 o'clock in the Commission Chambers.

Objections To Land Use Plan Receive Further Study From Planning Board

Planning Board members are conducting a renewed investigation of criticisms against the land use plan aired at a public hearing Feb. 15.

At a meeting last Thursday night, the board reviewed all comments and discussed reactions to the proposed plan. "We will study these views and try to come to some conclusions at our next meeting on March 15," said Ralph Visco, chairman.

It is probable that the board will hold additional public hearings on the plan, Visco said. "Surely if the board decides to make any changes we would have another hearing," he added.

The land use plan proposed by the Planning Board is the first section of a Master Plan for Belleville. Reactions to the plan showed disagreement with the board's goal to convert the Valley section to an industrial park.

Other arguments at the public hearing centered around plans for a Washington Avenue shopping center and for Silver Lake-Soho apartment development.

VALLEY PROTESTS
The largest group of objectors were Negroes living in the Valley who protested that their homes would be taken from them if the area were reserved only for industries. "It is most unfortunate and peculiar that most planning boards concentrate their efforts in areas where minority groups live," Theodore M. Wells of 13 Quinlan Street said at the hearing.

Visco emphasized at the public hearing that the Planning Board was presenting only a guide for development of Belleville over the next 20 years, not a law that would immediately affect Belleville residents. He said, however, that the land use plan would be the basis of a recommendation for a zoning ordinance, which the board would present to the commissioners within the next six months.

Rotary Club Elects Officers

Belleville Rotary Club has elected officers for a year term, which will begin July 1. Harry T. French, executive secretary of the Chamber of Commerce and mutual fund representative of Owens & Co., was elected Rotary president.

Elected vice president was Dr. Frank M. Durkee, superintendent of schools. He will be in charge of programs. Named secretary was Ralph Lippert, plant manager of Andrew Jergens Co. and treasurer, John A. B. Greulich of Gear Manufacturing Co.

Elected to the board of directors were F. Douglas Wadsworth, funeral director; Dr. Joseph D'Angelo, physician; C. Robert Horsfield, Bell Telephone Co.; and Ben E. Grimm, library director.

Planning Begins For April Cherry Blossom Queen

The third annual Belleville Cherry Blossom Queen Festival being planned by the Merchants of Washington Avenue, Inc. Frank Megaro, chairman for the third time, promises this festival will be "the biggest thing ever in Belleville."

Festivities will be the last week in April, culminating with the crowning of the Cherry Blossom Queen on April 29. Applications for the queen contest are being accepted from all over the state. Last year, entries were limited to Essex County; the year before, from Belleville alone.

"We are really getting this thing moving," Megaro says. Weekly meetings have been held at Megaro's house at 35 Cleveland Street. Invitations were sent this week to Belleville

Local Government Director Considers Public Works Sheets "Reasonably Complete" After Initial Investigation

After preliminary study of work sheets used to prepare the 1962 Belleville Public Works budget, George C. Skillman, state director of local government, said yesterday, "they appear to be reasonably complete as far as I have been able to examine them."

Skillman said work sheets of the other four commission departments "in substance meet the requirements of the State."

The State called for the work sheets last week after James R. Golden, town critic, wrote to Skillman that he had been denied a copy of the Public Works budget breakdown.

In a letter from Skillman sent to the town commission, the director demanded that all sheets be made available to any citizen requesting them. He set a last Thursday, March 1 as the deadline by which Golden had to be given the work sheets. If the sheets were not given, Skillman said a public hearing would be held in Trenton on the incident.

GOLDEN GETS COPIES

Francis H. McCoy, town treasurer, brought copies of the Public Works work sheets to Golden last Thursday afternoon. Golden had received copies of the budget breakdown from the other four departments after requesting them from the commissioners.

"Only Commissioner (Robert C.) Grubbin denied them to me," said Golden at last week's commission meeting. Grubbin heads the Public Works department.

Skillman said yesterday his department would continue examination of the Public Works budget. He did not expect the examination to delay his approval of the town budget. "At this time, I don't see why it should," he said.

In order for the commission to adopt the budget at next Tuesday's public hearing, the town must receive Skillman's approval by that day. If his approval is delayed the hearing can be held, although final adoption must await State approval, McCoy said.

MONEY UNTIL APRIL

Money is available to run the town until the end of March, according to McCoy. A temporary budget passed early this year allows for expenditures during the first three months of the year, he said.

Skillman said he would report the result of his examination to Golden. Golden wrote to Skillman when he received the work sheets last week asking the director to examine the sheets for "inaccuracies" which Golden said existed in them.

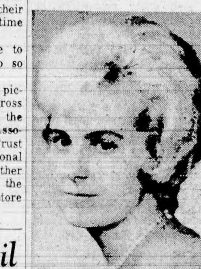

"COPIES OF COPIES"

According to Golden, the sheets were "not in balance." He also noted they were not "true copies," but instead were "copies of copies."

McCoy said the sheets given to Golden were copies of a photostat made from a photo of the original breakdown.

Semi-Finalist Seeks Title Of Miss H. S.

BARBARA J. BAILEY

A Belleville High School Senior has been selected semi-finalist in the Miss High School of New Jersey Pageant. Barbara J. Bailey will compete for the New Jersey title on Sunday afternoon, March 11 at 5 at the Hotel Robert Treat, Newark.

The 17-year-old is the daughter of Mr. and Mrs. Theodore J. Bailey of 1 Continental Avenue. An honor student, Barbara is a drum major and finds time to enjoy bowling, swimming and dancing. She studied music and has won two piano citations.

For the past two years she has been a runner-up in the Cherry Blossom Queen Contest.

After graduation Barbara plans to attend college and major in nursing. And after the state Miss High School contest she hopes to represent New Jersey in the Miss High School of America national finals.

Saturday's Scout-O-Rama In Honor Of Girl Scouts' 50th Anniversary

Girl Scouts of Belleville will present a Scout-O-Rama this Saturday, March 10 from 2 to 8 p.m. at Belleville High School.

The town is invited to share the scouts' celebration of the 50th anniversary of Girl Scouting in the U.S.A. Among the attractions will be the lighting of 50 candles on a huge birthday cake to mark the occasion.

Troops will show what they have learned by displaying their many skills. Booths will be set up to present different facets of the scout program. Skills, folk dances and songs also will be performed.

\$10 Map Page Prize For Knowing Neighbor

Frederick R. Cucola of 99 Newark Avenue won a double map page prize of \$10 for recognizing Miss Dolores Granese, the map page personality. "She is a neighbor of ours," Cucola said. "And we buy at her father's food store."

Cucola, a truck driver, is a veteran of the Marine Corps. He met his wife, Muriel, when he was stationed for a year in Australia while he was in service. The couple have a daughter, Doreen, 3, and a son, Frederick.

42-Hour Week

(Continued From Page 1)

Del Grosso added that throughout the campaign firemen would be completely frank with residents, not hiding costs, but at the same time asking them not to take out any gripes on high city costs on the firemen who are still working "antiquated" hour-schedules.

GOOD RESPONSE

The firemen have received an enthusiastic initial response to their 42-hour request, according to Del Grosso.

"The kind and generous response of the public has exceeded our highest expectations," Del Grosso said. "Many residents were unaware of the fact that we presently have a schedule which calls for 56 hours a week."

Del Grosso cited the following, which he called typical of the responses given firemen when they began their door-to-door quest for signatures to place their petition on the ballot for the May 8th election:

A housewife said to fireman Harry Danbara: "I certainly think that 42 hours is a reasonable request."

Another resident said to fireman Jerry Jewell: "We never realized that firemen worked those hours and we feel that you are certainly entitled to a work week similar to that of the average working man. At 42 hours you'll still have more hours than the average."

OFFERS HELP

A salesman told Jewell: "I will take you around myself to meet some of my neighbors so they can sign the petition for you."

Fireman William Baumgartner declared that one man said he found it hard to believe firemen were actually working 56 hours a week.

Fireman William Sim declared he received heavy support from a union man who chided firemen for waiting so long to improve their working conditions.

"I'm a strong union man," the resident pointed out, "and I don't want to see anybody work more than 40 hours a week—no more 42."

Del Grosso said firemen were "deeply moved" by the expression of sympathy they received during the first four days they sought petitions. Firemen started Saturday to seek signatures.

EXCELLENT RECORD

"Many pointed out to us that firemen in Belleville have an excellent record for heroism and for getting the job done," Del Grosso said. "Some pointed to individual instances where firemen had responded to blazes in their areas or in the area of their friends."

Del Grosso declared that despite the welcome of the citizens it was still necessary to point out that firemen could not be granted the 42-hour week without some sacrifices on the part of all of the community.

Turn to the map page in today's issue and note the feature picture.

One of the persons in the photo is singled out with a circle. Readers are invited to identify this person and the spot where the picture was taken. The first one to do so—by mail or in person at the office of The Times—will receive an award of \$5. Please note: Identification of the person and place must be made by coming to the office of The

Times, 246 Washington Avenue, or by mail. Phone calls will not be accepted.

It is important in playing this fascinating game of identification to note these simple rules: 1) the winner must tell us who the person is whose photo is circled and where picture was taken. 2) Entries in the contest must be made in person or by mail. NOT by phone. 3) the prize will be awarded to the one who submits the first correct identification; 4) all decisions by The Times are final; only one entry per family is permitted; 5) contest deadline is 5 p.m. Monday. Failure to follow contest rules in all respects is cause for disqualification.

If no one identifies the circled photo and the place where picture was taken, the prize money will be added to the following week's award.

Each week The Times staff photographer will take a similar picture somewhere in Belleville. Each week the picture will appear on the map page and test your ingenuity—and your power of observation. It can be lots of fun. Get started now. Work fast. Be the first to come to our office with the right answers! Remember, being first means being the winner.

Earlier in the week, Pesa and his assistant, W. G. Hunt, together with James D. Maurer, executive director of Essex County Civil Defense visited the Cerebral Palsy Center here and outlined a procedure for handling cerebral Palsy patients in the event of a Nuclear Alert warning. The center has a large underground basement of exceptionally solid construction, which qualified it as a nearly perfect shelter area. George Isenberg, President of the center, offered the use of these shelter facilities in the interests of the community program. Also at the center conference were Miss Edna, executive director of the center, Mrs. Shirley Henderson, the administrative coordinator and Miss Phyllis Burgess, clinic coordinator.

State

On advice of Mayor Isadore J. Padula, several members of the office staff typed a copy from the secondary photostat, McCoy said.

"Commissioner Gruhin never sent me an actual copy of his work sheets," McCoy explained. "All I had was a photostat made from a copy Huey Welsh lent to me on Feb. 20." Hugh W. Welsh

is in the Public Works department.

McCoy said the Public Works Bureau was not in accordance with the budget submitted earlier. "We knew it was not in balance with that budget," he said.

Golden's letter to Skillman, protesting "inaccuracies" in the budget, states:

"Pursuant to your request of Feb. 21st, that I advise you concerning my receipt of the breakdown worksheets of the local Public Works department, please be advised that Comm. Gruhin remained adamant in not presenting me with the sought after worksheets, however, the Mayor's finance department did submit to me a typed copy of a photostat made from a photostat of the treasurer by Mr. Hugh Welch on Feb. 20, 1962.

"Mr. McCoy informed me it took five clerks of his department and his assistant treasurer nearly all day to get off this copy to me. He requested a receipt from me acknowledging I had received this type of copy.

"Of course, it appears ridiculous that the taxpayers of this town should have to be burdened to the extent of paying for the time consumed and lost by the skilled help in putting together a copy of Comm. Gruhin's budget breakdown which, surely, he has copies of, but, patently is too perverse and obtuse to make available as required by your instructions. It could be estimated that this nonsense has today alone cost over \$500.00 needlessly.

"NOT IN BALANCE"

"In acknowledging receipt of the copies submitted by Mr. McCoy, it will be noted that the following reservations were incorporated: The worksheets are not in balance and are not true copies nor reproductions of the original worksheets, but rather copies of photostats of other photostats of the Dept. of Public Works. Also that,

"Request is made of the Director of Local Government to peruse for inaccuracies and an explanation of such loose and unbusinesslike policies by the Public Works Director.

"Mr. Skillman, I wish to thank you for your kind consideration and helpful assistance in this matter. My greatest regret is that much of Belleville's town administration practices lack the proficient efficiency and systematic smoothness of operation that characterizes the well run department you head.

"Respectfully yours,
James R. Golden."

Louis Giordano Ends Unit Training Course

Army National Guard Pvt. Louis Giordano, 24, son of Mr. and Mrs. Fred Giordano, 197 Garden Avenue, completed a month of basic unit armor training under the Reserve Forces Act program at The Armor Training Center, Fort Knox, Ky., Feb. 17.

During this training Giordano participated in section and platoon level tactical problems and applied skills learned in his previous eight weeks of armor training, including the ability to drive the Army's medium tank and fire the 90-millimeter tank gun.

He is a 1956 graduate of Belleville High School and a 1961 graduate of Newark College of Engineering. Before going on active duty he was employed by General Cable Corp., in Bayonne.

John Joyce Participates In "Long Thrust II"

Army Specialist Four John Joyce, 19, son of Mr. and Mrs. Thomas F. Joyce, 476 Joralemon Street, participated in Exercise Long Thrust II, a month-long field training exercise in Germany, which ended Feb. 12.

During the exercise more than 6,000 troops from the 4th Infantry Division, which is regularly located at Fort Lewis, Wash., were flown to Europe in one of the Army's largest peacetime deployments overseas. Units regularly stationed in Germany provided 17,000 combat and support

troops for the exercise which was designed to provide the participating units with long range mobility training and to test their combat readiness.

Specialist Joyce, who is a medical specialist in the 5th Evacuation Hospital, in Idar-Oberstein, Germany, entered the Army in May 1960, and completed basic training at Fort Dix.

He attended Belleville High School.

James Keefe Named Distinguished Graduate

First Lieutenant James Keefe, who is married to the former Jean Corbett of 129 Adelaide Street, has been awarded his United States Air Force navigator wings after completing navigator training at James Connally AFB, Tex.

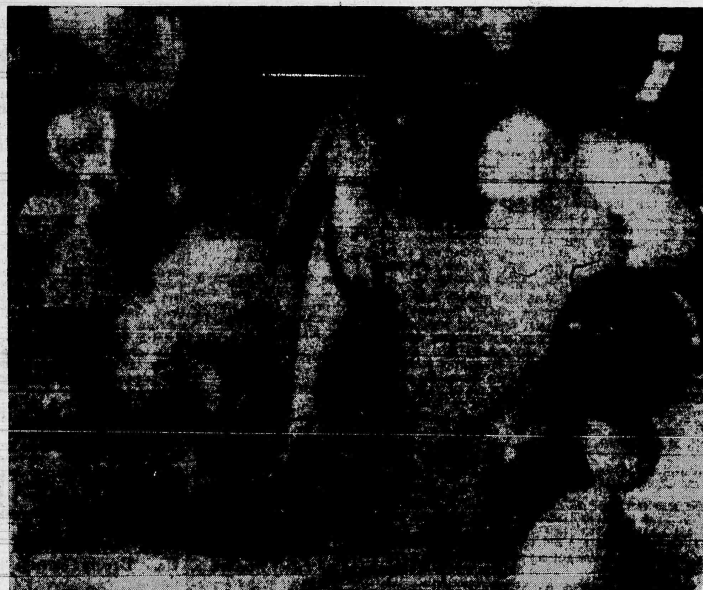

Lt. Keefe has been named distinguished graduate of his class. He received radar and celestial navigation training in Air Force T-29 "Flying Classroom" aircraft. He will be assigned to Mather AFB, Calif., for advanced training as a navigator-bombardier.

The lieutenant, who entered the service in 1957, is a graduate of Weequahic High School in Newark. He received a B.A. degree from Rutgers University where he was a member of Tau Delta Phi fraternity. He is the son of Mr. and Mrs. John J. Keefe of 573 Hawthorne Avenue, Newark.

Lt. and Mrs. Keefe have a son, Timothy.

Mr. and Mrs. Donald Davis On Wedding Trip To Europe

Miss Ann Jennifer Davies, daughter of Mr. and Mrs. S. F. Davies of Chatham, Kent, England, and Donald L. Davis, son of Mr. and Mrs. Lucien P. Davis of 279 Little Street, Belleville, exchanged vows Saturday afternoon, March 3, in St. James Episcopal Church, Upper Montclair. The pastor, the Rev. O. F. Judd, performed the ceremony, and the children's choir sang, with R. E. Hayton at the organ. A reception was held at the home of the bridegroom's parents.

Girl Scouts Hold Vesper Service

The Belleville Girl Scouts, District N of the Girl Scout Council of Greater Essex County will hold a Vesper Service from 4 to 5 p.m. at Montgomery Presbyterian Church on Girl Scout Sunday, March 11, sponsored by the Belleville Council of Churches.

At the organ console will be Mrs. Paul Lewis, church organist. The invocation will be given by the Rev. Frank C. Shannon, pastor of the Wesley Methodist Church.

A two part message will be given, "Honoring the Past" by the Rev. G. L. Van Leuven, pastor of Fewsouth Presbyterian Church, and "Serving the Future" by the Rev. Frederick Long, pastor of Christ Episcopal Church. The benediction will be given by the Rev. Arthur W. Stevens, pastor of the Montgomery Presbyterian Church. In closing the Scouts will sing "Peace of the River."

A committee including Mrs. Edward Rochau, Neighborhood Chairman and member of the Montgomery Church, Rev. Arthur W. Stevens, pastor, and William A.H. Verhagen, District Chairman, worked out the plan of service.

Escorted by her brother-in-law, Joseph Pomarico of Roosevelt, L.I., the bride was gown in pure silk and Chantilly lace, fashioned with Sabrina neckline, long sleeves and bodice appliqued with sequins and pearls. The bustle back bouffant skirt featured roses at the waistline and terminated in a chapel train, and the children's choir sang, with R. E. Hayton at the organ. A reception was held at the home of the bridegroom's parents.

Mrs. Pomarico was her sister's matron of honor. She was gown in deep rose-red silk taffeta with three quarter length sleeves and bell-shaped skirt. She had a white pillbox hat with veil and carried a prayer book with white carnations.

Ronald A. Krauss of Englewood served as Mr. Davis' best man, and ushers were Richard Hehmer of Brooklyn Heights, N.Y., and Roger Hansen of Brooklyn.

The bridegroom's mother was attired in Victoria green taffeta with bone accessories and a white orchid corsage.

A graduate of Ft. Pitt College, Chatham, Kent, England, Mrs. Davis was before her marriage a stewardess with Pan American Airlines. Mr. Davis was a graduate from Belleville High School and Newark College of Engineering. He is a sales engineer with Westinghouse Electric Corp., Newark.

The newlyweds have left for a month's honeymoon in Europe where they plan to visit the bride's family in England and then Denmark, Germany and Switzerland. They will reside at 81 Chester Place, Englewood, after April 1.

42 Hour Work Week

The 69 members of our fire department are currently engaged in soliciting signatures to a petition calling for a reduction in their work week from 56 hours to 42 hours. 1766 signatures are required for the question to appear on the May 8th ballot.

We believe the men are entitled to a 42 hour week. We believe they should not be required to conduct a political campaign to obtain that which they have every right to expect responsible elected public officials to decide as part of their solemn duty.

Soliciting votes for a referendum represents politics. Such an activity may very well compromise our fire department members. This is bad for the men—it is bad for Belleville.

The personnel problems of the Public Safety Department should be resolved in the same manner as those of the other four municipal departments — by the elected Commissioners. To sit idly by and permit public safety department personnel to inject politics into their work is a form of evasion of duty on the part of our Town Commission.

We believe the 42 hour week can be obtained without adding any additional men to the department. This suggestion undoubtedly will beget a stream of protests from Public Safety Department brass. To prove the feasibility of this observation we suggest Public Safety Director Harry Sullivan select a three-man citizens' committee headed by Salvatore Calabro to study the possibility of reorganizing the Fire Department to permit a reduction of the work week without adding any more men to the department. For the two other committee posts we recommend James Golden and Thomas Greco.

Richard H. Drake

It is to the credit of School Board members Mrs. Norma McCool, Dr. Frank DiRuggiero and Arthur Pico that they cast their votes for Richard H. Drake for Presidency of our School Board.

Mr. Drake has proven by his service on the board, where the chips are down, that he can rise above factionalism on the School Board. The same cannot be said of the man he defeated for the post, Nicholas S. Juliano who was nominated by Board Member Ernest Arvidson.

For the children of Belleville we are happy over the selection of Drake.

As presiding officer we are confident Drake will bring decorum and stability to the office. Fortunately for Belleville public school children and parents Drake is devoid of any political orientation. A person of strong character Drake can be relied upon to lend his support to maintain

the office of School Superintendent free from political interference.

The selection of Drake, to head our school board for the next year continues our forward march in the community's never-ending but painful efforts to upgrade our school system.

With Drake as Board President, School Superintendent Dr. Frank Durkee will have an able partner who will stand with him in his ceaseless quest to provide adequate educational facilities and programs for our 5500 Belleville public school children.

Planning Board Makes Sense

We are pleased to note that our Planning Board is giving serious consideration to the sponsorship of further public meetings.

We believe the public interest requires more meetings. Nothing is to be gained by leaving (or creating) the impression with our people that an arbitrary master plan is submitted for rejection or approval.

We believe the plan is basically sound, and with some modifications, represents an instrument which will guarantee for Belleville a bright future — and assure a significant drop in the tax burden.

However, common sense must prevail. No effort or expense should be spared to educate our taxpayers to the meaning of the proposed changes. Since every taxpayer has a vital interest in the results of the Planning Board's work a copy of the Master Plan together with an explanation of the zone changes should be placed into their hands.

Too much of Belleville's future depends upon the adoption of a master plan to permit mistakes in public relations on the part of our Planning Board.

Ignorance begets fear. The basic master plan is so sound that we believe an overwhelming majority of taxpayers would give unrestrained support to the document, once they understood it.

At this juncture in the Planning Board's work, the responsibility for public education of the plan falls upon the shoulders of the unsalaried Planning Board members.

To the extent The Times - News can assist the Planning Board to get its message across to the public our news columns remain open to its members for press releases.

Thanks Voters For Providing Better Education

Dear Sir:
Now that the dust has begun to settle on the new high school issue, and before the clamor of our councilmanic election begins may I convey the following message to those who took affirmative action in the two referendums:

"If it were possible, I would like to thank each of you personally for your service to the cause of better educational facilities in Belleville."

"Since it is not, may I simply say that Belleville's children, for many generations to come, will be the beneficiaries of our combined efforts in their behalf."

"Furthermore, I am convinced that when our townspeople friend and foe alike, are able to visit the new high school in the fall of '63 and see our improved facilities in use they will realize the wisdom, courage and foresight of the educators, the Board of Education and the civic leaders who worked so hard to make it become a reality."

"Thanks again, and may we all continue to 'pull together for a Better Belleville.'"
Sincerely,
ALLAN H. CRISP

Officer Named For Thompson Material Corp.

James D. Fenton of Syracuse, has been named executive vice president of Thompson Materials Corporation of Belleville, New York City, Syracuse and Buffalo.

Fenton's appointment was announced by Malcolm Baldrige, president of The Eastern Company, following a meeting of Eastern's Board of Directors in Natick, Mass. Thompson Materials is a subsidiary of The Eastern Company.

Baldrige also announced the Board's election of Carl W. Weber of Syracuse and Russell G. McMillen of Newburgh, N.Y., as vice presidents of The Eastern Company.

Weber and Fenton had been associated with the Frazer & Jones Division of Eastern, Solway, N. Y., near Syracuse, manufacturer of Rodemetal, a composite highway expansion joints distributed by Thompson Materials. Weber was managing director and Fenton his assistant.

Both Frazer & Jones and Thompson Materials are included in Weber's administrative responsibility as a vice president of Eastern.

Harold O. Thompson is president of Thompson Materials Corporation. Vice presidents are Bernadette Mackey and Robert Slaughter.

Thompson Materials is the Northeast's largest independent distributor of highway and heavy building supplies. It was acquired by The Eastern Company in 1961.

Once a year we have a sale, the annual Magnavox factory authorized clearance sale. It is well known that this is the only time during the year that a Magnavox product can be bought at a reduced price.
In connection with the Magnavox sale we also offer some of the other products and brands of merchandise which we carry, at reduced prices. Mostly they are demonstration and floor models, discontinued TV or Hi-Fi sets and also some radios.
In addition, we have some left-over speakers from the days when we sold component parts. All this merchandise is greatly marked down to clear it out.
There are also some chord organs which we are selling out. We are not going to carry this merchandise any more and we would like to clear our floor of the remaining pieces. The prices for these chord organs have been cut drastically and should find ready buyers.
Most pieces are one of a kind. Everything carries our usual guarantee. We offer time payments for all purchases up to 18 months and invite charge accounts without time payment charges up to 90 days.
Our ad in a different section of this newspaper lists clear out time payments for all purchases up to 18 months and invite charge accounts without time payment charges up to 90 days.
You are many more. We suggest you come in and look around if you find an item which you are interested in, you will find the price to your liking during this sale.

Seniors at Belleville High School welcomed their classmate Marion Ross back to school Monday after a 4 1/2 month absence caused by illness. Marion, 17, is the daughter of Mr. and Mrs. George Ross of 71 Jefferson Street. She was a member of the Future Teachers Club at the high school and in her sophomore year was named to the Student Council.

Thomas Colatella of 279 Fairway Avenue, attended the Prudential Athletic Association's annual board of governors dinner Wednesday evening, Feb. 21, at the Military Park Hotel. Guest speaker was Genevieve Real, executive vice-president of the Prudential.

Archie Freedman, of 16 Carolan Road is a drummer with the band "The American," starring Ray Bolger. The play is currently touring out in Philadelphia and Freedman's wife, Dee, and daughter, Jayme, left Feb. 12 to spend a long weekend with him. There, Freedman was previously with Patti Page and before his present engagement was in the play, "Say Away."

The scout troop at School 7, The Ladies Auxiliary of the Troop 301, held its annual Blue Peter W. Rodino Association meet and Gold dinner Feb. 21, at the last night at the Robert Treat Hotel, Newark. Mrs. Peter Aron, of 1500 Morris Avenue, was the guest of honor at a stork shower by her mother, Mrs. Peter Aron, of 1500 Morris Avenue. The 7th and 8th grades of School 10 enjoyed their monthly canteen Friday evening, Feb. 16.

Bob Kimble, former Belleville, now living in Wayne, was given a surprise party by family and friends from both Belleville and Wayne, Friday, Feb. 23. Bob ran a dancing school in Belleville until seven years ago.

Mrs. Gerald Patterson, of 12 Bernice Road is having a musical rehearsal for the musical review, "What a Blast!" to be presented by Nutley Lodge F. & A.M. and Eastern Star, March 9 and 10 at Franklin School, Nutley. This is the 25th such show the Nutley Lodge and Chapter has given.

The School 7 founders day program, which was to be given Feb. 19 but which was postponed until Feb. 26, was an enjoyable affair. One of the performers was Mrs. Beverly Hicks, of 1 Rutan Road. She gave a Charleston number complete with flapper costume.

Connie Bibilio, 136 Delevan Avenue, enjoyed a weekend of skiing at the Pocono Manor Inn, Pocono Mountains.

Mrs. Tremel of Smallwood Avenue was given a stork shower by friends, at the home of Mrs. DiRuggiero of Van Riper Place on Feb. 8.

Mrs. Donald Caruso, was guest of honor at a stork shower by her mother, Mrs. Peter Aron, of 1500 Morris Avenue. The 7th and 8th grades of School 10 enjoyed their monthly canteen Friday evening, Feb. 16.

Sandra Forlenza Studying Dental Hygiene At FDU

Miss Sandra Forlenza is in the sophomore class of dental hygiene at Fairleigh Dickinson University, Teaneck, the only School of Dental Hygiene in the State.

At the recent annual February capping ceremony at the Teaneck campus, Miss Forlenza was one of 22 students receiving their quarter-stripes of velvet in violet, the color which denotes the dental hygienist. At graduation in June they will receive a maroon stripe which designates the school, and the full violet stripe.

Miss Forlenza, daughter of Mr. and Mrs. Felix J. Forlenza, 55 New Street, is a 1960 graduate of Belleville High School, where she was a cheerleader and a member of the Leaders' Club. She is also cheerleader at Fairleigh Dickinson.

Miss Forlenza will receive her Associate in Arts degree in Dental Hygiene in June.

Elwood To Have Saturday Morning Show

The 4 that goes around acting like a V-8...Tempest!

Used to be that people swore by V-8's and V-8's alone. And then along came Tempest's spunky 4 to steal their thunder. The hottest version* of this 4 (168 hp) puts out more horsepower than any other production 4 in the world. More torque, too. And every version, standard 110 hp on up, is smooth and silent and effortless. About the only thing Tempest doesn't share with the big boys is its appetite for gasoline and spare parts. Try a drive in a Tempest 4 soon, hear? You might as well save while you're swinging!

SPORTS . . . of the . . . TIMES

FOR THE FUTURE

Belleville's Little League will in the near future slowly dissolve. After speaking to the President of the American League, I've learned Belleville does not have its own Little League ball park and this year fewer Little Leaguers signed up to play than last year. Lack of enthusiasm, seemed to have been brought on by lack of facilities. The town always gives the Little League a section of the bog to play in but the only thing they do for them is line the field when they line the high school's diamond. The Little League must patch up the field and also cut the grass. Another disgrace — last week only 23 adults turned out for the beginning of the season. Approximately 190 boys will be playing Little League baseball this year and there aren't enough adults to help train these youngsters.

I personally think the people of Belleville should hang their heads in shame, and incidentally, Nutley has three Little League ball parks and Livingston four.

THE UNHEARD OF SPORT

The sport few people of this town show interest in is rowing. With Belleville having access to the Passaic River which in turn offers true facilities for rowing, but first let me start from the beginning.

Almost everyone is born with a desire to be on the water. As soon as we are able to walk, and discover a puddle, we head straight for it. As we get older the local pond offers a greater scope than the puddle. At the pond instead of pushing little boats we find a sizable piece of material on the surface and get on. As we develop in life we lose the fascination for water, which is instinctive. When we enter High School there is a sport called crew, which calls upon the youngster whose instinct is the strongest to be upon the water.

Belleville High School has had this sport for a number of years, and can say, along with Nutley High School, that it was the first public school in the State of New Jersey to have crew as a varsity sport. Crew is the only sport in our school system that can be rated number one in the United States through National competition. This May 25-26 at Philadelphia, Pa. the National Schoolboy Rowing Championship will be held and high schools from the entire country will compete.

For a student who wishes to row, he must make up his mind to give all his attention to the sport for much practice, with the aid of an alert brain and sound constitution, is needed to become proficient.

Every year the turnout for crew is 60 to 70 students. No one is rejected from the team. Everyone is given a chance to do his best. Coach Stanley Scher feels that if each boy gives more than he receives the chances of Belleville's rowing team should be enhanced, for rowing is a jealous master with a dislike of second stringers.

For a number of years Belleville and Nutley have shared the same boat house, which will be demolished

Brownies Share Games, Books

Brownie Scout Troops 960 and 1117 shared books and games recently with children at Clara Maass Memorial Hospital's pediatric ward. The two Brownie Scout Troops have been collecting books and games for some time as a community service project, one of the facets of the Girl Scout program.

Through the program girls are trained to share with others in less fortunate conditions some of their blessings and joys, according with the first thing they learn as they join a Brownie Scout troop, the Brownie Promise, "I promise to do my best to love God and my country, to help other people every day, especially those at home."

Preparing and repairing books and games to make them look like new, was the second part of the project. A few girls were elected by each Troop as a representative group and with their leaders, Mrs. D. Naso and Mrs. Manuel Costa, proceeded to Clara Maass Hospital on a Monday afternoon. There the group was greeted by Miss A. M. Pugh, who took them to the threshold of the pediatric ward (the children were not allowed inside because all were under 12 years of age). A nurse and one of the children accepted the gifts from the young Brownies.

Members of Troop 960 are: Arlene Leidmann, Cynthia Harper, Ellen Fritz, Gail Current, Joanne Lopez, Judith Bennett, Karen De Angelis, Linda Welch, Nancy Baumgartner, Sharon Hovey, Sharon McAllister, Shirley Shires and Suzanne Samone. Mrs. Naso is leader.

Members of Troop 1117 are: Joanne Bedford, Celia Bellin, Gail Susan Boxer, Nancy Evers, Patsy Giammo, Beverly Giammo, Mamiela Costa, Joanne Graziano, Barbara Hollander, Roxanne Knott, Kimberly Long, Laurie Long, Lynda Long, Doris Marano, Judy McClure, Jan Muller, Gail Tuchman, Joanne Angelides, Donna Jean Bell, Linda Billik, Mary Lynn Janice, Suzanne Lioia, Cynthia Lockwood, Mary Candace Moore, Kathleen Marie Natale, Polly Takash, Helen Florence Young and Corinne Smith. Mrs. G. Gora is assistant leader for both Troops, and Brownie Troop 1117, is under the leadership of Mrs. Costa.

Post 105 Sets Sports Night

Films of the 1961 World Series will be shown at Belleville Post 105, The American Legion, post home at 621 Washington Avenue this Saturday evening, March 10 at 8 o'clock.

The films, in color, are of the Cincinnati Redlegs and the New York Yankees games. In addition, highlights of the New York Giants football season will be shown. One of the Giant stars is expected to attend.

Admission: Sports Night was inaugurated last year to benefit American Legion baseball in Belleville. All proceeds will go to this year's baseball expenses.

Track Practice To Begin

By ROGER WARTLEL

Belleville High's track team will begin practice next week for what is hoped to be a highly successful 1962 campaign. The Bellboys will attempt to bring back a winning record, an accomplishment that has evaded the cindermen the past two years.

On paper, the Belleville squad looks relatively strong. Head coach Tom Testa will have seven returning lettermen and a big group of boys to work with. But how well the team's record will turn out, depends solely on every individual on the squad. Unless the Bellboys improve and patch up some of their weak events, they will find themselves in the same situation as last year.

Returning this year in the 100 and 220 yard dashes will be two

lettermen, Tom Greco and Stan Tomaszewski. Greco, a sophomore, showed a lot of speed as a freshman last year, and could be a top runner in the county in a year or two. Tomaszewski, whose better event is the 220, will also be a top point getter for the Bellboys.

John Visco will be another lettermen who is coming back this year. Visco ran the quarter mile last year, and will be improving on his 56.0 time this coming season. Aside from Visco the 440 yard dash is a weak event, one where depth will have to be added.

CONSISTENT RUNNER

This same situation is also found in the half mile with Jim Debesis, Belleville's only consistent runner. In the mile run, the Bellboys will have a top run-

ner in Jim Harvey, one who will probably break the school record in this event. Backing him up will be Craig Lukowiak and Richie Ziegler.

The hurdles will find Bob McGowan, Chris LaPara, and Gus Brown returning. How well these two events will turn out depends on finding a good high hurdler besides these three low hurdlers. In the high jump the Bellboys could have one of their strongest events. Bob Byers and Jim Harvey have both cleared 5'3" and Gus Brown has jumped over 5'6" during the pre-season indoor practice. If these boys continue to improve, the Blue and Gold can depend on points in this event.

The pole vault is another event which would be very strong for the cindermen. Lettermen Jim Eisenhard and Al Lemberger will be returning and should provide a one-two punch if they take up from where they left off last season.

WEIGHT EVENTS

The weight events, shotput and discus, could be Belleville's big-

gest weakness. Although there aren't any lettermen in these events, there are a few boys who will be trying hard to fill up the gaps. Vin Sorrentino and Roger Wartell will be returning in the shotput and Ralph Eckel will be coming back in the broad jump this year to provide Belleville with points in this event. Brown, who jumped over 20 feet last year, should be the one to watch for in the various regional meets.

The pole vault is another event which would be very strong for the cindermen. Lettermen Jim Eisenhard and Al Lemberger will be returning and should provide a one-two punch if they take up from where they left off last season.

Did you know that the face of New Jersey is changing?

An exciting, dramatic episode in the growth of New Jersey is happening all around you! As blighted and run down areas are torn down in many communities, new skylines are being put in their place. There's construction everywhere, and a lot of it is part of far reaching, well planned urban renewal projects.

By eliminating blighted areas and building new, modern housing, industrial plants, commercial centers and civic facilities, urban renewal is transforming more than forty New Jersey communities into bright, new places to live and work — places with a solid, secure future.

These urban renewal programs are helping to make a stronger, better New Jersey. Public Service is pleased to offer its support of these efforts by advertising in national magazines and newspapers, to attract the interest of potential investors and sponsors of New Jersey urban renewal. It's another way we have chosen to publicly recognize our faith in the future of this great state.

OBITUARIES

Rest Eternal Grant Unto Them, Oh Lord,
and Let Light Perpetual Shine Upon Them.

Mrs. Anderson Graham

Mrs. Annie Graham of 356 Little Street, wife of Anderson Graham, died at home on Monday, Feb. 26 after a long illness. She was 80.

The Rev. George L. Van Leuven, pastor of Fewsmith Memorial Presbyterian Church, officiated at funeral services on Wednesday, Feb. 28 from Wadsworth Funeral Home. Interment was in Arlington Cemetery.

Mrs. Graham was born in Edinburgh, Scotland. She came to this country in 1928 and settled in Jersey City. For the last 10 years she lived in Belleville.

She was a member of the Daughters of Scotia, Bluebell Lodge 6, Jersey City.

In addition to her husband, she is survived by two daughters, Mrs. Thomas Patterson and Miss Winifred Graham, and a son, John A., all of Belleville, and one grandson.

Mrs. Dominick Mancino

A Solemn High Mass of Requiem was offered for Mrs. Margaret Verdini Mancino in Our Lady of Mt. Carmel Church on Thursday, March 1. Mrs. Mancino died in Clara Maass Memorial Hospital on Monday, Feb. 26 after a brief illness. She was buried in Holy Cross Cemetery.

Mrs. Mancino, 63, was born in Newark and resided there for 40 years before coming to Belleville. She lived at 76 Broad Street here.

She was employed by a Newark clothing manufacturer for many years. She retired last year after working for ten years for Phoenix Closet Accessories, Newark.

She is survived by her husband, Harry Hood, a brother, Carmen Verdini of Livingston, and a niece, Mrs. Stanley Chippinelli of the Belleville address, whom Mrs. Hood reared.

Funeral arrangements were made by Bibbo Funeral Home.

Mrs. Harry Hood

Mrs. Agnes Brown Hood of 90 Rossmore Place, widow of Harry Hood, died suddenly on Sunday, Feb. 25 at Clara Maass Memorial Hospital. She was 76.

A Solemn High Mass of Requiem was offered in St. Peter's Church on Wednesday, Feb. 28. Interment was in Immaculate Conception Cemetery.

Mrs. Hood was born in Belleville and resided here until moving to California several years ago. She recently returned to make her home in Belleville again.

She was a member of the Rosary Society of St. Peter's Church. Kiernan Funeral Home was in charge of funeral arrangements.

Jacob Paganelli

Jacob Paganelli of 31 Dawson Street died suddenly at home on Saturday, March 3. He was 70.

A Solemn High Mass of Requiem was offered on Tuesday, March 6 at St. Peter's Church, Conception Cemetery.

Mr. Paganelli was born in Lucania, Italy. He came to the United States in 1912, settling in Rahway. He lived in Newark for a short time before moving to Belleville.

Five years ago he retired after more than 25 years' employment with Pittsburgh Plate Glass Co. He enjoyed gardening at his

Belleville home and at his house in Sussex County.

Mr. Paganelli is survived by his widow, Mrs. Angelina Carmissi Paganelli; four daughters, Mrs. Frank Milano of Belleville, Mrs. Arthur Barnes of Bordentown, Mrs. Edward Christie of Livingston and Miss Florence Paganelli, at home; three sons, Henry and George of Belleville and Joseph of Colonia, 18 grandchildren and five great-grandchildren.

Funeral arrangements were made by Kiernan Funeral Home.

Andrew K. Buist

Funeral services were held Saturday, March 3 for Andrew K. Buist of 388 Washington Avenue who died suddenly on Thursday, March 1 at home. The Rev. George L. Van Leuven, pastor of Fewsmith Memorial Presbyterian Church, officiated at the services from Wadsworth Funeral Home. Interment was in Hollywood Cemetery.

Mr. Buist, 79, was born in this country when he was about 25. He resided in Kearny and Newark before moving to Belleville a half century ago. Mr. Buist was a member of the Scottish Clan.

A horticulture expert he had been associated with Stump and Walter and Forbes Seed Co. After retiring when he was 70 he

spent a few years working as a watchman for Couse Laboratories, Newark.

He is survived by his widow, Mrs. Mary Danks Buist; four daughters, Mrs. Frederick Hall of Rahway, Mrs. Norman Cole of Cedar Grove, Mrs. George Wheeler of Denville and Mrs. Wheeler Scheer of Parsippany; three sons, Andrew of Jacksonville, Fla., Edward of Clifton and William of Belleville; 20 grandchildren and six great-grandchildren.

Mrs. Nicola Franz

Mrs. Josephine Duca Franz of 28 Naples Avenue, the widow of Nicola Franz, died after a brief illness on Sunday, March 4 at the home of her daughter Mrs. Andrew Di Miceli of Belleville.

A Solemn High Mass of Requiem was offered in St. Anthony's Church this morning, March 8, at St. Anthony's Church.

Mrs. Franz was born in Italy 77 years ago. She came to this country and settled in Philadelphia in 1913. She lived in Long Island for a short time before coming to Belleville about 45 years ago.

In addition to Mrs. Di Miceli, Mrs. Franz leaves two other daughters, Mrs. Joseph Ferraro of Hanover and Miss Concetta Franz of Belleville; two sons, David of Bloomfield and

Peter of Belleville; a sister, Mrs. Rosa Gatto of North Caldwell; four grandchildren and two great-grandchildren.

Mrs. Rocco Petrozzi

Mrs. Marianna Di Pasquale Petrozzi of 11 Brook Street died in Columbus Hospital on Friday, March 2 after a long illness. She was 79.

On Tuesday, March 6 a Solemn High Mass of Requiem was offered in St. Anthony's Church. Interment was in St. John's Cemetery.

Mrs. Petrozzi was born in Foggia, Italy. She came to the United States and to Newark in 1912. For the last 20 years she lived in Belleville.

She leaves her husband, Rocco Petrozzi; a son, Ralph of Newark; three daughters, Mrs. San-lino De Croce of Parsippany, Mrs. James La Salle of Orange and Mrs. Salvatore Mondo of Islip; a brother, Louis Di Pasquale, and ten grandchildren.

Funeral arrangements were made by Megaro Memorial Home.

JACK TOMASULO

(Continued From Page 7)

when Route 21 comes through. Nutley is expected to get a new boat house and Belleville will move in with them. Coach Scher and the Nutley coach feel that with both teams working side by side they will accomplish more. There is one person whom I should mention for doing an outstanding job with Belleville and Nutley in this sport. Bill Bennett coached both teams for many years with great success.

Last year Belleville High School was nosed out in the New Jersey School boy regatta by Hun School from Princeton. The other schools entered in the regatta were Shrewsbury, Red Bank, and Nutley High School.

I doubt that I am sticking myself out on a limb by saying that Belleville High School should nose out Hun School this year and be a strong contender at the National Rowing Championships at Philadelphia.

PHYSICAL FITNESS PROGRAM

On March 12, at School 7, the P.T.A. will see a Physical Fitness demonstration given by the students of Belleville High School. The program will consist of the school wrestling team and tumbling club, girls gymnastics and precision marching.

BASKETBALL

To correct an error in the records—David Hatch was leading scorer for the Bellboy Cagers and Bob Byers was second. Hatch led with a 13.5 average; Byers had a 12.5.

ANOTHER GLADIATOR'S FIGHT CARD SET FOR FRIDAY, MARCH 9

Angelo Pucci, the fight promoter at Gladiator's Arena in Totowa, has arranged to have an outstanding array of talent available for the Gladiator fight card which is scheduled for tomorrow evening.

Pucci, who along with the capable Duva brothers who serve as the matchmakers, has presented some tremendous talent in his bi-weekly boxing programs and Friday's bouts are no exception.

The feature attraction brings together Johnny Torres, who recently bowed to Emile Griffith and Stephen Redi, a local prizefighter, a recent loser to Tony De Marco on split decision. The semi-finals pair two outstanding heavyweight prospects, Willie Jacobs and Sylvester Banks.

In the other semi-final contest, Tom McKeever a Paterson lad, will trade punches with Don Davey, a promising lad from Belleville's Silver Lake. Davey is managed by Frank Corsi and Johnny Nelson, two former boxers also from Silver Lake who were spirited performers in their day.

There are three other bouts featuring Ronnie Ruggero vs. Tom Blackburn in a middleweight encounter, Charles Jordan vs. Sugar Ryan, also middleweights, and the initial contest will bring together Bobby Gilmore and Mike Moran two featherweights really on the rise.

The first bout is scheduled to get underway at 8:30 p.m. and the 15 minute ride to the arena on Rt. No. 46 will be rewarding as well as entertaining.

Ex-Champ Discusses Fight Card

Carmen Basilio, retired former welter-weight champion of the world, at left in day, evening, March 9, at Gladiator's picture above, discusses in a comradely Arena, Totowa, where Pucci is fight promoter with Nutleyite Angelo Pucci, the moter.

Your Income Tax

That little "greeting card" you may have received from U. S. Internal Revenue Service — the one with the tiny holes punched in it—safeguard it. Use it as your Federal income tax return. You will save the government—and hence yourself—money in that you will be speeding up your refund that might be due.

Chris L. Gross, Director of Internal Revenue for the Newark District, issued this appeal to those taxpayers who recently have received in the mail a "pre-punched" card Form 1040-A for this year's return. When the taxpayer files his return using the pre-punched card, Internal Revenue can process the return mechanically.

If the taxpayer fails to use the pre-punched card and makes his return on another blank which is not pre-punched, IRS must spend additional time and money on the job of hand-punching the name and address again, and thus delay your refund check.

It's costly and time-consuming work and it has to be done each year for several million taxpayers who have lost, destroyed or mutilated the pre-punched

cards sent them. Mr. Gross also had a suggestion for early filers who want to receive their refunds as quickly as possible. It is to make sure you don't omit any essential information in making out your return, such as your signature (and that of your spouse if it is a joint return), your Form W-2 reporting your tax withholding and your new address, if you have moved.

LEGIBLE WAITING OR PRINTING NEEDED

Legible printing of taxpayers' names and addresses on the top lines of 1961 individual Federal income tax returns will assist the taxpayers and the Internal Revenue Service. "A carefully printed or type-written identification of the person or persons filing will make it immediately possible for the Internal Revenue Service to credit the return and any accompanying payment to the right source," District Director Gross said.

It also will help speed refunds to those whose returns call for refund checks, he added. "When taxpayers move, particularly during or near the filing period," he said, "they should make sure the Postmaster gets

their forwarding address especially if they are expecting refunds. Better yet, send your new and old address to the Internal Revenue Service District Director where you file your return. The taxpayer who has printed and signed legibly knows his return will be properly processed; the IRS, in turn, can do that processing with greater speed and accuracy, Mr. Gross stressed.

EXEMPTIONS—DEPENDENT CHILDREN

Taxpayers are entitled to only one \$600 exemption for each dependent child on their Federal income tax return for 1961. District Director Gross said a taxpayer may claim an exemption for each child (including a stepchild, a legally adopted child or a child placed in his home for legal adoption by an authorized agency) who is under 19 years of age or a full-time student.
