

LATERZA TO WAR ON DOPE PEDDLERS

Golden, Addonizio Want \$2000 Salary; Greco Is Opposed

Laterza, Strumolo Willing To Serve People At No Pay

Councilman James R. Golden made an effort at the organization meeting of the new Town Council Sunday to have the salaries of Councilmen set at \$2,000 annually, but he got support only from Councilman G. George Addonizio.

Mayor Robert M. Laterza said the Council is operating under a new law, and there are very few precedents to which one can refer. He said it would be wise to wait for expert advice before any serious discussion of salaries is made. The Mayor also said salaries for Councilmen might very well depend on how much the new Town Manager will have to be paid.

Golden said, "We're managing a \$60,000,000 corporation. We should have commensurate pay. I'm a bus driver taking home only \$4,700. The duties of a Councilman require him to attend a lot of public affairs and buy a lot of tickets. I'm not going to take food from my family to pay for things like that."

Golden asked those in the audience if they didn't think the Councilmen should be paid \$2,000. One voice said: "Where are you going with that \$2,000?"

Golden asked for a vote on his proposal. It was defeated 3 to 2, the Mayor and Councilmen Thomas P. Greco and Vincent Strumolo voting no.

In a questionnaire circulated by The Times-News prior to the June 12 election, and answered by all candidates who were elected, the question was asked: "As a member of the new Town Council, during your term of office, what compensation do you favor for Councilmen?"

Golden replied: "The Council might establish compensation in varying amounts up to \$2,500 in order to attract the highest type of competent men. However, I feel the dedicated candidate would serve for \$1 a year as a contribution to better government. The politician limited to a very low salary might be encouraged to seek graft. Compensation of Council will probably be determined by temperament and dedication of the membership."

Laterza replied: "Compensation for Councilmen should be \$1 a year so that we can have enough money to pay a good salary to run the new government."

Strumolo answered: "Some of us should serve our town at top level on a volunteer basis. As a Councilman I am willing to work for \$1 a year. For years I have conducted a neighborhood business which has provided me with a comfortable living. I do not need to be on a public payroll. In order to continue my present mode of living, if a majority of the Town Council insist upon the term of office for Councilmen I think a maximum salary should be \$600."

This was Greco's reply: "From \$600 to \$750."

G. George Addonizio replied as follows: "As a member of the new Town Council, during the term of my office, compensation to me would be of secondary importance. I derive my income from my private law practice."

Medical Degree Is Awarded To Michael Buscemi

Michael Frank Buscemi, son of Mr. and Mrs. Salvatore Buscemi of 66 Belmont Avenue, has been awarded the degree of Doctor of Medicine from Georgetown University (1962), and is a graduate of Belleville High School.

Belleville Now Formally In United Appeals

Woodruff J. English, president of the Welfare Federation of Newark, has announced that the agreement to include Belleville in this fall's United Appeals of the greater Newark area has been formalized. The campaign already includes Newark, Irvington and West Hudson.

An additional \$80,000 has been added to the goal in order to meet the needs of the Belleville agencies. The new goal for the campaign will be \$3,080,000. The agencies receiving funds from the former Belleville United Fund are: American Red Cross, Belleville Chapter; Arthritis & Rheumatism Foundation, N. J. Chapter; Boy Scouts of America, Robert Treat Council, Central Valley of Essex & West Hudson; CHR-ILL Service, Inc.; Family Counseling Service of Belleville; Girl Scout Council of Greater Essex County, N. J. Association for Retarded Children, Inc., Essex County; Mental Health Association of Essex County; Sister Elizabeth Kenny Foundation; United Service Organization Fund, Inc.; Visiting Nurse Association.

These agencies formerly supported by the Belleville United Fund, with Federation representatives on July 5 to discuss future budget presentations. Woodruff said that savings in administrative costs will benefit all agencies in the area.

Three members of the Belleville Fund will be appointed to the Board of Trustees of the Welfare Federation of Newark to provide representation from that community. The Belleville United Fund will become the Belleville Community Welfare Council as a part of the Council of Social Agencies of Newark, Irvington and West Hudson.

American Legion Post Delegates Attend Confab

Belleville Post 105 delegates headed by First Vice-Commander Kay attended the sessions of the 32nd Annual Essex County American Legion convention held at the East Orange Post home.

The convention heard a stirring address by William G. McKinley, New Jersey's National Executive Committee. Mr. McKinley spoke on the Legion's programs from a national and state viewpoint. One of the important issues from a Legion standpoint is the rehabilitation of sick and disabled veterans in New Jersey hospitals. The delegates heard a plea for more hospital space to aid in the recovery of New Jersey's war-wounded boys. The American Legion advocates more disabled space at the East Orange Veterans Hospital.

John Garrity of Newark was elected Essex County Commander for the coming year.

Orecchio Receives American Heart Assn. Certificate

The American Heart Association has awarded Frank A. Orecchio, editor and publisher of the Times-News and Belleville Times News with a certificate of Merit.

The award cites Orecchio for his outstanding service in advancing the heart program and stimulating public support in the fight against the diseases of the heart and circulation.

He was signed by J. Scott Bartlett, president of the American Heart Association and Dr. V. D. Matia, president of the Essex County Heart Association.

Mayor Robert M. Laterza Of Belleville

An Editorial

Robert Michael Laterza

Toward the close of the Sunday organization meeting of the new Town Council, Councilman Thomas Greco, in addressing the throng of 200 who turned out to pay homage to the new Councilman said, "The manner in which Mayor Laterza conducted this meeting today is ample evidence that my decision to support him for the mayoralty was absolutely right. I am proud to have had a small voice in his selection."

The crowd thought so too, for newly installed Mayor Robert Michael Laterza, a native boy of Belleville's "Big Tree" section, was a living example of dignity in motion as he presided over the first meeting of our new town government.

Robert Michael Laterza was born 44 years ago in the old, family homestead at the corner of Washington Avenue and King Street, about 200 feet south of the Nutley-Belleville line. A pharmacist by profession, Laterza spent his childhood and young adulthood on the "wrong side of the tracks," where the overwhelming majority of people earned their livelihoods by working with calloused but honest hands.

Laterza knows the needs of people living on limited incomes, for he spent a lifetime among them. In his profession, daily he looks after the needs of our elderly citizens, many of whom are compelled to live out their existence on tight budgets.

So we have a new mayor, who because of his personal exposure to the money problems of our people can be more cognizant of the need for economy at town hall.

Laterza brings to the office of mayor great personal attributes. Impeccably honest, our new mayor is no politician. A young man of great personal integrity, he is as good as his word. His campaign statements were not mere promises calculated to get him votes. Mayor Laterza can be relied upon to fulfill his campaign pledges.

In his inaugural speech Laterza served notice on the gamblers and political fixers, "within and without

Many Find Answer To Map Page Quiz

"Belleville covers an area of how many square miles?" The Times-News office was swamped with answers to that question, which appeared on the Map Page last week. Most of the answers were correct. The area is 3.20 square miles. One person who answered last out the door said, "There is only one correct answer to the question, and that is 3.20 square miles."

The prize, as usual, went to the person who submitted the correct answer first. This was Miss Diana Watson of 26 Essex Street.

This week on the Map Page we are going back to the original plan of asking readers to identify a picture. Turn now to the Map Page and try your luck. It's lots of fun trying to make an identification, and if you're correct and first, it will be worth \$5 to you. Be sure you follow the rules.

Identify the person circled in the picture and name the place where the picture was taken. There is only one correct answer to the question, and when a winner is announced the source for that answer will be revealed. Please note that the answer must be delivered in person at the office of The Times, 226 Washington Avenue, or by mail. Phone calls will not be accepted. The prize will be awarded to the one who first submits the correct answer.

A decision by The Times as to the winner is final and may not be disputed.

Only one person in a family may submit an answer.

Pledge Is Made At Inaugural Of New Government

"Today marks a new day for Belleville. A new form of government, made up of new men and new ideas is taking hold. We are going ahead to fight for the things that are good; we are going ahead to fight against the things that are bad."

Thus spoke Robert M. Laterza to the citizens of Belleville Sunday.

Rotary Club Installs French As President

Harry French, a former Scout executive for the Robert Treat Council, Boy Scouts of America, and presently the executive director of the Belleville Chamber of Commerce, was installed as president of the Rotary Club of Belleville at the For Hills restaurant.

Other officers installed included: Frank M. Durkee, vice president; Ralph E. Lippert, secretary, and John A. B. Greulich, treasurer. The board of directors for 1962-63 are: C. Robert Horsfield, Joseph C. D'Angelo, Bert E. Grimm and F. Douglas Wadsworth.

Following dinner and the installation of officers for the club, a program of entertainment was presented. Everett Smith was the bassist. Performers who were introduced by Dr. Joseph C. D'Angelo were: John Dahlquist, a talented accordionist; Miss Gwen Gaudio, Diana Napoli and her sister, Kalena, Pat Jakway, Mrs. Jack Grundfest, David Green and Miss Ann Angelo. At Large led community singing during dinner.

Democrats Will Arrange Two Special Events

At a meeting of the Belleville Democratic Committee, at the American Legion Hall, Town Chairman Harry J. Sullivan appointed a special committee to arrange for a Labor Day picnic and for a town-wide pre-election rally just prior to the general elections next November.

Serving on the Committee are: Don Siepach, Alan Malack, Mary Senatore, Rita Barsky, Al Conklin, Bernard E. O'Connor, Tony Dominick and Anne Boylan. Mrs. Mildred Visco, of 187 Tappan Avenue was elected district leader for the Second Ward, District 8, to serve out the unexpired term of Miss Carole A. Distasio, who resigned.

Barney O'Connor was appointed by Mr. Sullivan to maintain

Cancer Crusade Donations Are Short Of Goal

Community chairman B. Thomas Aiken reports that Belleville has contributed \$6,673 to the 1962 Essex County Crusade Against Cancer Society. Belleville's goal is \$8,500.

The Essex County Chapter reported that as of June 26, contributions on a county-wide basis had reached \$163,600. Essex County's goal for 1962 is \$200,000. With many communities yet to complete their tally, the Chapter is hopeful that by the closing date of August 31, the goal will be exceeded.

Funds raised in Essex County will be used to carry on the Cancer Society's programs of research, education, and local services to cancer patients. This year's crusade had more than 8,000 volunteers participating.

Full Text of Mayor Laterza's Inaugural Address on July 1

INAUGURATION ADDRESS June 12th, you have turned over the reins of government to a Mayor Robert M. Laterza. Today marks a new day for Belleville. Through your votes of

generation. A new form of government made up of new men and new ideas. We may be new to government, but we are old to Belleville. The heritage of our fathers handed to us will some day be the heritage of our children. God grant we may conduct and continue your confidence of June 12th. In regards to resolutions for jobs of statutory nature, I believe all names presented must clear through the Attorney General.

The corporation of this administration shall be integrity. We are instituting a progressive program for times ahead. What will your attitude be towards this government? Will it be one of acceptance and participation, or one of cynical criticism? We need to exact as much good that can possibly be obtained from the form of government we have chosen. It can not be done alone; it can not be done in one day, but it will be accomplished with the cooperation of all concerned. You can not get good out of anything if you don't look for it.

The image of Belleville has suffered long and will past its own boundary lines, both in politics and civic responsibilities. Some of these adverse pictures of Belleville developed because of the facts. Others were presented to the public in this community and outside of Belleville in statements uttered in the heat of political campaigning. Both of these images will be changed by this administration.

The first will be corrected by a sound administration, one which has promised, and will fulfill, promises that the taxpayers of Belleville, whether property owners or tenants, because all of us pay taxes to operate our government, will receive dollar value for every tax dollar.

I would be in error to promise tax reductions at this time. First, this new administration will be saddled for some time with the contractual obligations of the former city commission.

Second, the people of this town have approved the construction of a new high school and the people also have approved a referendum giving firemen a 42-hour week which may require the appointment of additional men with their accompanying salaries.

Third, we are left with a depleted reserve. All these will be reflected in the tax rate.

To counteract the rise in taxes, we need to promote business and industry. Let us put out the welcome sign for these.

This Council most emphatically pledges to the people, stiff economy in all matters affecting the taxpayers money. There will be no squandering of the people's money to promote personal political machines.

I believe our first civic responsibility should be one of cooperation with this new, and I may say, unique form of government in this state. Plan D under Council-Manager form of government is little known in New Jersey. And when we do make mistakes, we want the people to tell us so, not the politicians with the next election the sole purpose for their attacks.

During the last campaign, it was brought to my attention that a real estate man with a business in Jersey City was thwarted in his efforts to interest prospective buyers to locate in Belleville. The image of Belleville to prospective residents of this town was literally torn down by public statements concerning living conditions in this town. Given wider circumstances, such statements can also stop industry from coming to Belleville.

Such conduct should and must be eliminated if we are to restore our civic pride. Let us think twice before condemning. And if there is something to condemn, let us pick it all of us and correct the situation.

We serve notice to the scum of the underworld, the narcotics peddlers, that we will wage total war against them. All sources of our community will be mobilized to save our youth from a narcotics curse. Let word go forth to every Narcotic peddler: leave our children alone! Stay out of the Town of Belleville, because we will throw the book at any narcotic peddler caught in Belleville. Crime against our children is a crime against Society and it will be dealt with very severely. One narcotic peddler is one too many for Belleville, one narcotic user is also one too many for our town.

This administration, consisting of G. George Addonizio, a lawyer whose capabilities we need and admire and respect; James R. Golden who is our Town Critic will keep things hopping as we have already experienced; Thomas P. Greco, our former Building Inspector, a man worthy of our trust and in whom we will admire and respect his trait of fairness and exactness; Vincent T. Strumoko, a business man, a quiet one, whose opinions are sound, just and forthright; through the various non salaried body serving the people of Belleville and this administration intend to develop a civic program and programs in which all of our citizens will play a role. These programs, and I am sure you must realize, the basic changes and needs of the new government must come first, will be developed as soon as possible. We intend to present to the people of this town and the communities in the entire state a picture of civic pride at work. But again, this boy will take time. Belleville, caught in political strangle-holds for so many years, will have to have time to break the grip. Harmony from the Council and the Town's people will help do this job.

Mosquito Commission Checks Towns Daily In Summer Program

The Essex County Mosquito Examination Commission is continuing its activities on a 24-hour basis.

Every municipality in the county will be checked for mosquitoes daily by mosquito traps strategically located.

Each trap is cleaned out daily

out that.

We are going to fight for things that are good, we will fight against things that are bad. We enter our term of office with our hands and consciences clean and we pledge to you throughout our term of office, they will remain as clean as they are today, so help us God!

Education Unit Announces Scholarships

The Belleville Education Association recently announced that Miss George Mitchell, daughter of Mr. and Mrs. George Mitchell of 149 Academy Street, was the recipient of the 1962-63 freshman scholarship. Miss Mitchell will enter Paterson State College to major in speech in the fall.

Scholarship renewals for 1962-63 were granted to Miss Dawn Barrett, a sophomore attending Paterson State College; Miss Jacqueline Parrillo, a junior attending Paterson State College; and Miss Mary Ann Lavano, a senior at Newark State College at Union.

In 1956 the Belleville Association began a scholarship fund for a Belleville High School graduate who planned to enter the teaching profession. Since its inception several graduates have received aid from this professional association representing Belleville's teachers.

Under the leadership of Michael Rosamilla funds were raised in 1956 to provide for a one-year scholarship to a New Jersey State Teachers College. Miss Frances Machie was the first scholarship winner. She attended Newark State College at Union.

By September, 1962 the Belleville Education Association will have awarded \$2875 to students entering the teaching profession. Funds have been raised through membership contributions, card parties, and contributions from Parent - Teacher Associations. This year contributions have been received from the PTA's of Schools No. 1, No. 5, No. 7, No. 8, No. 9, and the high school.

The first graduate under a Belleville Education Association scholarship, Miss Marie Marinaro, is now teaching in the Belleville school system. She and the other winners have expressed their appreciation to the Association for the help provided by the fund. Six hundred dollars is set aside each year by the association to provide tuition scholarships for four candidates, one for each college year. The scholarships may be renewed yearly if a satisfactory academic record is maintained.

Cerebral Palsy Student Has New Wheel Chair

Kathleen Purcell, 16, of East Orange, student at the Cerebral Palsy School and Treatment Center, Belleville, has a new wheel chair thanks to the efforts of a sorority of other young girls. The Meta Adelpheon Sorority contributed the funds to replace Kathleen's old, wooden, cumbersome chair. Kathleen is the daughter of Mr. and Mrs. Edward M. Purcell of 246 North Clinton Street. Her father is an East Orange police sergeant.

Kathleen's teacher in the center's Belleville Board of Education classes, Mrs. Aurora LaGasse, was instrumental in helping the sorority provide the gift.

MRS. RAYMOND KIMBLE
Former Marie Marinaro

Kimble-Marinaro Nuptials In Saint Peter's Church

Miss Marie Marinaro, daughter of Mr. and Mrs. Anthony Marinaro of 283 William Street, and Raymond R. Kimble, son of Mr. and Mrs. Raymond Kimble, 50 Mt. Prospect Avenue, exchanged vows Saturday afternoon, June 23, in St. Peter's Church.

The ceremony was performed by the Rev. James Heavey, and the reception was held at Robin Hood Inn, Clifton.

Mr. Marinaro gave his daughter in marriage. Her gown of silk organza featured Alencon lace applique reembodyered with sequins and seed pearls on the scoop neckline. Alencon lace applique embellished the Polynesian-draped front and chapel train. A crown of crystals and seed pearls held her fingertip veil and the flowers were white orchids and carnations.

Best man for his nephew was Robert Gilbert of Belleville, and she carried blue and white mums.

The bridesmaids, Miss Frances Esposito and Miss Mary Mianian of Belleville, and Miss Anne Savastano, Nutley, were dressed in lighter shade of blue.

Anthony J. Ameo, Former Nutley Girl, Have Nuptials

MRS. ANTHONY J. AMEO
Former Jeannette Licita

In a late Saturday afternoon ceremony on the bodice and bouffant skirt, matching coat was attached to the waist to form a chapel train. A pearl crown held her elbow length bouffant veil, and she carried baskets of spring flowers.

James V. Ameo, Jr. of Belleville, served as his brother's best man, and ushers were Frank Ameo of Belleville, Anthony Ameo of North Arlington, cousin of the bridegroom; Eugene Macoli, Belleville, and Leonard Miraglia, Lyndhurst, the bride's cousin.

The mother of the bride wore aqua lace over taffeta with silk organza overskirt, and the bridegroom's mother chose aqua silk organza with lace bodice and a lace panel in the draped skirt. They had accessories to match and white orchid corsages.

A graduate of Nutley High School, the bride is employed at National Community Bank of Rutherford. Her husband, a Belleville High School graduate, attends Newark College of Engineering evenings. He served for two years in the U. S. Army, and is presently associated with Public Service, Newark.

Upon their return from a three-week motor trip to Miami Beach, Fla., the couple will reside at 262 Clinton Terrace, Lyndhurst.

\$2,000 Salary? Wow!

Councilmen James Golden and G. George Addonizio believe their services as members of the Town Council entitle them to an annual \$2,000 salary. In the pursuit of that belief Golden introduced a resolution, seconded by Addonizio, establishing \$2,000 as the annual salary for Councilmen. The action took place at the organization meeting of the Town Council held Sunday.

Opposed were Mayor Robert M. Laterza and Vincent T. Strumolo. As a result the resolution was defeated.

Both Laterza and Strumolo campaigned on the basis of serving the community without compensation. Greco campaigned on a pledge to bring economy to Town Hall.

So, for the moment, our taxpayers can breathe easily — that is, until the next meeting of our council — Tuesday, July 10. No doubt another attempt will be made at that time by Golden to seek adoption of a resolution establishing a substantial salary for Councilmen.

The precedents established by this Council will remain with us for a long time to come. Once this new government gets rolling with an administrative code and fills statutory jobs, the call upon the time of Councilmen will be minimal.

For the past eight years Golden, as a town critic, put in more time at town hall than he will ever be asked to apply to his job as Councilman. And as a critic he didn't receive a penny.

Under the Council-Manager form of government responsibility for all city employees and departments rests squarely with the Town Manager. In the circumstances we believe the Laterza-Strumolo-Greco action is well taken.

Our Town Council represents the highest elective office within our community. Our people look to the Councilmen to set the best examples of personal behavior and civic duty.

How can our Councilmen ask our citizens to volunteer for service on non-salaried boards when they ask for themselves \$2,000 for their own time?

Some citizens on non-salaried boards have already devoted more time, effort and energy in the service of our community than some of the new Councilmen will be required to do during their entire term of office.

Take for example the industrious, dedicated members of our Town Planning Board. Some men high in local industry commanding high five-figure salaries in private life, have met night after night in an almost endless quest to develop a Master Plan for the orderly, economic development of our town.

These men receive no compensation except a pleasure and pride that comes to one who has experienced the deep sense of civic duty. Isn't it logical to assume that some of these men might now be asking themselves, "Why continue to serve for free when elected public officials, required to devote less time than we, insist upon receiving high salaries?"

The only way citizens can be induced to sacrifice the companionship of their families, resulting from the requirement of serving on non-salaried boards, is for our elected public officials to set the good example of civic pride and civic duty. To paraphrase President Kennedy, "Ask not what can my town do for me, but what can I do for my town!"

This should be the philosophy of a new Town Councilman determined to show the citizens of our town that the change the people prayed and voted for at Town Hall has really taken hold.

Illegal Acts?

Our new Town Council, acting upon the stubborn insistence of Councilman James Golden, reluctantly approved a resolution at its Sunday organization meeting calling for a 44-hour week for the Department of Public Works. Councilman Thomas Greco made an intelligent inquiry of Acting Town Attorney Thomas D'Avella as to the need for such a resolution. D'Avella replied the resolution was unnecessary.

More to the point, however, is the fact that it is illegal under the Faulkner Act provisions which govern our new form of government.

Chapter 24A, Paragraph 11:24-1 of Title II of the Civil Service Act governing our municipality reads as follows: "The appointing authority in all counties, mun-

icipalities and school districts shall after consultations with the heads of departments and their principal assistants, prepare regulations regarding holidays, hours of work, attendance and annual sick and special leaves of absence with or without pay or with reduced pay for permanent employees in the classified service of such county, municipality or school district."

Paragraph 40:69A-95 of the Faulkner Act reads: "The municipal manager shall be the chief executive and administrative officer of the municipality." Under council-manager form of government general power of appointment is vested in the Town Manager.

Paragraph 40:69A-91 reads: "It is the intention of this article that the municipal council shall act in all matters as a body, and it is contrary to the spirit of this article for the council or any of its members to direct or request the appointment of any person to, or his removal from office, or to interfere in any way with the performance by such officers of their duties."

Under the provisions of Chapter 24A, Para. 11:24-1 of Title II of the Civil Service Act the duty of establishing hours of work for town employees is clearly the Town Manager's. Paragraph 40:69A-95 of the Faulkner Act which controls our form of government forbids the Town Council from interfering "in any way with the performance by such officers (including Town Manager) of their duties."

It appears quite obvious that Golden's resolution to establish work hours for a department of local government is illegal and should have been rejected.

So also was a second resolution which the Council adopted. This resolution, by Council action, makes each member of the Town Council a member of the police department, to serve without pay. The Council has no right to appoint anyone to the police department — with or without pay — the sole authority for such action being vested in the Town Manager by law.

Despite these resolutions Belleville remains a community governed by laws and not by men.

To launch a new government and public careers by passing ripper resolutions illegally stripping department heads of authority and responsibility has much precedence in the old, rejected Commission form of government. But we thought our newly elected Councilmen were elected to office because they opposed the old order.

Written opinions should be obtained by the Council from the Acting Town Attorney, and if he finds the resolutions to be illegal the Council should immediately repeal them.

Harmless as the resolutions may be, their passage establishes a bad precedent. They represent an invasion of the Town Manager's authority.

Thomas P. Greco

It takes a big man to refuse the mayorality of his home community. But such is the measure of Councilman Thomas P. Greco.

Nominated by Councilman James Golden and endorsed by Councilman G. George Addonizio in an unexpected development at Sunday's organization meeting, Greco could have been mayor simply for the asking.

Greco is a member of a very distinguished Belleville family. Many large commercial and business structures in North Jersey have been built by either his father, the late Thomas Greco, or his older brother, Patsy.

For 14 years Tom was Belleville's incorruptible building inspector. No public official ever served Belleville with greater fidelity than Tom.

Greco's reputation for upholding the law preceded his field inspection trips — and pity the dishonest builder who tried to use substandard building materials.

Councilman Greco resigned his town post last November to assume the top management job with a multi-million dollar construction firm.

Although he was the top vote getter at the June 12 election he did not believe that feat of itself demanded he be mayor. His business and family commitments made it necessary for Greco to refuse the high honor of serving his town as mayor.

Greco's support of Bob Laterza comes as no surprise to people that know them. The boys were born in the same "Big Tree" neighborhood. As growing children they played together, they laughed together — and they probably cried together. The long bonds of friendship which found their origin in the unpaved streets and sidewalks of Belleville's "Big Tree" stand the boys in good stead as they come into their maturity, assuming the reins of government as responsible, respectable public officials.

Greco has the distinction of being the only town official ever to refuse the high honor attached to being mayor of our fine town. "Forget the high honors," Tom says, "let us get on with the job of being good councilmen and shoulder to shoulder let us move forward in our efforts to build a better Belleville of which we can all be proud."

Salute To Courage

The organization meeting of the new Town Council Sunday saw one very significant action that augurs well for the future of Belleville. That was the resolution, passed unanimously by all the Council members, that the press be invited as a representative of the people to all meetings of the new body, public or otherwise.

This means, in short, that the new government will always be dealing out in the open. Even a non-public meeting will have newspaper men present to keep a watchful eye on the deliberations.

This was a bold move on the part of the Council. It is one that many public bodies hesitate to take. Yet, it is the most effective means possible of discouraging unwarranted compromise on the parts of individuals. The continuing light of public scrutiny makes it difficult for men to waver. And make no mistake about it — even men of high principles are sometimes tempted to be false to their better selves when subjected to extreme pressure at meetings they know will never be heard of by the public.

Here's a salute to the courage of the new Council! It is making a good start toward giving Belleville government untouchable by compromise or secrecy.

OBITUARIES

Edw. R. Ackerman

Funeral services were held on June 26 at the Masonic Home in Burlington, N.J., for Edw. R. Ackerman, who for many years lived in Belleville, on Cortlandt Street and later on Adelaide Street.

After their parents died, he and his sister, Daisy, bought a home in Bloomfield, N.J., and later moved to Mt. Dora, Florida. About two years ago his sister passed away and he applied for admission in the Masonic Home.

Mr. Ackerman was a member of Harmony Lodge 25, Belleville, and was a Past Grand Master. He had been very active in earlier years in the degree work. In fact, Harmony at one time had one of the best degree teams in the State of New Jersey and put on the First Degree in many cities, some as far away as Philadelphia.

Mr. Ackerman had also been a member of Belleville Lodge 108, F. and A.M., since February, 1950, and was a past member of the Sons of the American Revolution.

Mrs. Carolyn Vogel

Mrs. Carolyn Benz Vogel of 94 Bell Street died June 12 at her home. A native of New York City, she had lived in Belleville for 40 years. She was a member of the Rosary Society of St. Mary's R. C. Church.

Surviving are her husband, William G. Vogel; a son, William J. Vogel; two brothers, Charles Benz and Albert P. Benz, all of Belleville; two sisters, Mrs. Harold Gorman of Nutley and Mrs. Eleanor Gilson of Belleville.

The funeral was June 16 from the Stanton Funeral Home, Nutley, to a solemn requiem mass in St. Mary's Church. Interment was in the Gate of Heaven Cemetery, Hanover, N. J.

Peanut League Gets Under Way For Small Fry

The Recreation Department's Peanut Baseball League has gone into action. It is designed for boys of 8 and 9, and it is conducted on a no-pressure basis. Although the boys play to win, they are not pushed to do so, nor are they ostracized for losing.

Because Peanut League aims at giving the boys good baseball experience, the game is somewhat relaxed. Every boy gets his turn at bat whether he is playing the field or not. Team managers and coaches are free to move about the field during the game to help their players. There are no balls and strikes called but rather, each player gets three good swings at strike-zone balls which are pitched by an adult. The team's pitcher functions as an infielder.

Each team this year will play five league games plus the playoffs. All games will be played at the Recreation House on Jerusalem Street.

Francis H. McCoy

Our new Town Council, in its great wisdom, unanimously voted to appoint Town Treasurer Francis H. McCoy as Acting Town Manager. McCoy agreed to accept the appointment, which carries no additional salary.

McCoy is well equipped to handle the added duties. He came into municipal employment in 1941 when former Mayor William H. Williams appointed McCoy as a bookkeeper in the Department of Revenue and Finance. Through an industrious application of his abundant talents McCoy steadily rose through the Civil Service ranks, holding the positions of Principal Accountant, Head Accountant, Assistant Municipal Treasurer, and for the four past years has held down the top job of Town Treasurer.

During his tenure as Town Treasurer, McCoy has designed and inaugurated a completely new accounting system for Belleville.

Born in Belleville and a product of its school system, the Acting Town Manager received his B.S. and M.B.A. degrees in Accounting from Seton Hall University. Later McCoy graduated from Rutgers University, gaining a Certificate in Governmental Accounting.

McCoy enjoys the public confidence as well as the trust of our new Councilmen. His job of Acting Town Manager is a difficult one for he must see to it that no one rocks the boat while the town Council continues its quest for a permanent, full time, professional town manager.

This may take longer than 30 days. Regardless of his tenure in his new post, we believe the Council acted wisely in selecting McCoy to be temporary boss at Town Hall.

George Brown Is Serving Aboard Tank Landing Ship

Lt. George P. Brown, USN, son of Mr. and Mrs. John T. Brown of 5 Overlook Avenue, is serving aboard the tank landing ship USS Toga County, which returned to her home port at San Diego, Calif., after a cruise to Hawaii.

The ship's principal role during the cruise involved transportation of Army and Marine Corps personnel and equipment between the various islands of the Hawaiian chain. A total of 12 trips were made to transport 3,250 personnel and 5,400 tons of equipment. In addition, nine days were spent training both Marine Corps personnel and ship's company in the embarkation and debarkation of amphibious vehicles.

Oldtimers in the Music business revealed that at one time this show was essentially — for band instruments, sheet music, etc. Now there are 40 many electronic gadgets connected with instruments, that electronics has become a major part of the show.

There doesn't seem to be a guitar player any more without a contact microphone on his instruments. The greatest ambition of every little band of 2 or 3 seems to be an amplifying system. In this man's opinion this is a mistake. Any amplifier, even the best, takes something away from the natural tone of any instrument. First quality amplifiers and microphones are very expensive, completely out of reach of any small band. The result of the use of inexpensive amplifiers and speakers is very poor tone quality, which these people seemingly attempt to camouflage by playing these things far too loud.

One section of the show was devoted to electric and 600. Since we sell the electronic ORGAN organ, we were mainly interested in this part. It is amazing how popular organs have become during the last few years. And electronic organs in the price range from \$50 to 150 — then again it isn't, because just about everybody likes organ music and it is surprising, how quickly and easily one can learn to play little tunes. New teaching methods which are a far cry from the tedious practice sessions and finger exercises required for piano playing, make it very easy to learn to play the organ.

As we have stated in this column many times, electronic will play an ever increasing role in all kinds of amusements.

We service what we sell.

YOU AND YOUR INSURANCE

Exactly What Does An Insurance Agency Do?

Some folks think of us as insurance salesmen. But we believe our primary responsibility is to buy insurance for clients — and to buy it wisely, efficiently and economically, so policyholders will get maximum protection at minimum cost. So many important changes are constantly occurring in insurance that to keep up with all developments is an impossible task for the average businessman or individual.

Our attention is increasingly centered in helping each client recognize the insurable risks that may cause him business or personal financial loss, and to guide him in selecting the kind and amount of insurance he needs.

When he has decided what he wants, we buy it for him, using our knowledge of companies and coverage to assure him sound security, and high quality claim service when losses occur. We also give particular attention to the important matter of economy, making certain each customer gets maximum protection value for every dollar spent.

Beyond these things, we perform many services for our policyholders' interests. We keep accurate records of their coverage, prepare and deliver policies, collect and forward premiums to the insurance companies, check at renewal time for changes in their protection needs, and carry on all the other clerical routine of a complete business.

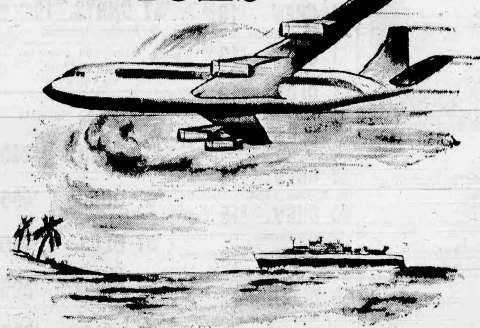

If a claim arises, we again swing into action. We help our client determine his loss and report it properly to the insurance company. We follow up to see that the claim is promptly and fairly handled. Whatever else is necessary to get our policyholder all the benefits he is entitled to, we do.

Insurance buyers who want the most protection for their premium dollars will recognize that these services are vital and indispensable.

If you want quality insurance and quality service when you need it, please call CARL ORECHIO AGENCY, NO. 7-4000 where at 43 Washington Ave., Nutley 10, N. J.

This column will be happy to answer any insurance question. Send it to the above address, The Nutley Sun or The Belleville Times-News to the attention of Carl A. Orechio.

Recollections Of School Three In Early Days Of The Century

By FREDERICK W. PILEE

In this issue, I will try to recall what School No. 3 was like 45 to 50 years ago.

One of the main reasons why this school was built in 1866 was the rapid expansion of the town west of the railroad and Washington Avenue. A terrible accident involving the death of a child struck by a train prompted the town fathers to do this. After more research I will be able to record this accident in more detail in a later issue.

The original school of eight classrooms and an "attic" assembly hall soon proved to be too small and a large addition was built in 1908 and opened in September 1909. I entered school in September 1909 and can remember all the grade school teachers I had and what grade they taught. They were as follows: 1st, Miss Charlotte Hawkins of Troy, N.Y.; 2nd, Miss Ella M. Lane of Penn Yan, N. Y.; 3rd, Miss Nellie J. Boher of Shippensburg, Pa.; 4th, Miss Victoria C. Preston of Danville, N. Y.; 5th, Miss Lena M. Dunlap of Shippensburg, Pa. and still living in Newark, N. J.; 6th, Miss Lena Cooper of Belleville, 1st semester, followed by Miss Jane C. Skidmore of Brooklyn, N. Y.; 7th, John O. Apple of Syracuse, N. Y.; 8th, James C. Seacrist of Bordentown, N.J.; who obtained a commission in the Army at the close of the school season.

VICE PRINCIPAL

Miss Lydia M. Smith was Vice Principal of the school prior to my entry and up until June 1916. She was succeeded by Miss Estelle Hyers of Toms River, N. J.

Of all the teachers, Miss Boher and Miss Dunlap are the two that I remember the best. Miss Boher was beloved by all who knew her and had her for a teacher. Miss Dunlap was a more strict disciplinarian, but she had many admirable qualities.

Miss Dunlap taught at School No. 3 for over fifty years. She was a talented actress in her own right and had the ability to direct exercises and school plays as well. Her pet themes were the Washington's Birthday exercises, and many a boy pupil had Colonial soldier uniforms made by parents of "paper music" under her direction.

The late Harold Karner, of one of the pioneer Greylock families,

This photo, loaned through the courtesy of Mrs. Edna Pabst Hebert, was taken in front of School 3 in June 1917, on the occasion of a Red Cross and Liberty Bond rally. Left to right, top row, Ruth Witel, Charles Watson, Norma Sammis, Neil P. Horne, Helen Bennington, Robert Mutch, Alice Maltbie, Theodore Place, Irene Schaefer, James Metz, Deborah Quass, Robert Lauer, Edna Pabst, Nelson Scott, Middle row; Albert Wilson, Anna Kirwin, Albert Carrigan, Gertrude Sanders, Frank Backus, Margaret

Nourse, Lloyd Kintzing, Gladys Minion, Walter Drake, Jennie Carrough. Bottom row: Esther Walker, Hart Campbell, Annabelle Worthington, Elmer Taylor, Arta Mase (with French Flag), Helen Bird, Miss Liberty, Eleanor Travis (with British Flag), Ruth Tiliou, John Allaire, Dorothy Maynard, Harold Bradshaw, Boy in front: Philip Cece. With the exception of the Misses Arta Mase, Helen Bird, Eleanor Travis and Master Philip Cece, all of those pictured were members of Miss Lena M. Dunlap's sixth grade.

PHOTO REFLECTS SPIRIT

The picture that accompanied this article shows positive evidence of this. The Boy Scouts of America performed very valuable services as messengers for the Home Guard and also as distributors of patriotic literature, Liberty Bond Drives and guards at the Red Cross Penits. The girls were very active in Junior Red Cross and helped roll bandages and knitting sweaters. Only a few of the many boys and girls who performed these services appear in the picture, but it reflects the spirit of the times.

It is regrettable that there is not more evidence of patriotism today. Veterans' organizations are continually reporting vandalism on monuments and in cemeteries after every Memorial Day. I would like to have the opinion of the majority of the younger generation as to the reason for this. I know that the vandals constitute the minority among the teenagers and that 80 per cent are exemplary and desirable citizens. Perhaps they can inform me what is wrong with the rest of them.

In closing, I wish to thank one and all for their reaction to my self-named "corny" column and hope that through the help of the public I will be able to continue.

This is Councilman Thomas P. Greco, who polled the highest number of votes in the June 12 election, shown here with his wife, Florence, his son, Thomas Jr., and his daughter, Janette. Photo by Louis Mancuso.

PORTRAYED WASHINGTON

Joseph Weitzell III had the honor of portraying General Washington for Washington's Birthday exercises in 1914, and Alma Knudsen, now Mrs. Harry Hosking, had the part of Martha Washington. In 1928 I had the pleasure of meeting Mrs. Harry Hosking when she had the part of Colonial dame in a moving picture on the history of Belleville.

I had the part of Captain Josiah Hornblower and briefly as Major

acted the part of General Washington at one time. I had the pleasure of talking to his mother recently. I have a very vivid recollection of his handsome uniform and little sword.

In the fall of 1916 there came a change to School No. 3. The untimely death of Miss Smith was regretted by everyone. A new Vice Principal by the name of Miss Estelle Hyers took her place. George R. Gerard had moved to the High School at Washington Avenue and Holmes Street. The old school never seemed quite the same to me after that.

In April 1917 we entered World War I. There was a wave of patriotism among the children that was greater than ever before and with regret I add the word since.

Jersey Symphony Sets Varied Program

The New Jersey Symphony Orchestra (Rutherford), are scheduled. A program of orchestral show-pieces marking the first appearance in the suburbs with Schermerhorn as the ensemble's musical director, will open the season in late November and early December. Charles Rosen, a young pianist called "technically extraordinary" by critics, will play the Brahms Concerto Number One during January. The east coast debut of Margarete Bence, sensational young American mezzo soprano, will take place at the March concert. During the series subscribers will hear symphonies by Beethoven and Hindemith, overtures by Mozart and Beethoven, Stravinsky's "Firebird Suite," orchestral Wagnerian selections and works by de Falla and Tchaikovsky.

Appetizing Fare At Tri-Town Annual Picnic

In order that members might meet the newly elected officers on a less formal note, Tri-Town Business and Professional Women's Club of Belleville, Bloomfield and Nulley hold its annual picnic Tuesday evening, June 19, at the home of Miss Gwendolyn Scruble, 96 Lindbergh Boulevard, Bloomfield. The 25 members and their guests enjoyed a smorgasbord supper in the garden which was decorated with fancy covered card tables, and string with colorful balloons.

Many members have proven their talents in the kitchen at former picnics, each member having prepared a special dish for the evening. This year was no exception as the culinary skills took on an international flair with dishes from Sweden, Italy and the Ukraine along with plenty of the plain and fancy American dishes.

At a short business meeting, Mrs. Margaret Motta told of her plans for installation of officers at Friar Truck Inn, held on June 26, and plans were discussed for a lunch and fashion show to be sponsored by the membership committee in the fall.

Catholic Sisters To Take Course In San Francisco

The Mount Carmel Guild announced today through Rev. Richard M. McGuinness, coordinator of the Guidis Special Education Program, that three Sisters who teach blind children in the local Catholic School System of the Archdiocese of Newark will take an intensive three week course in orientation and mobility at San Francisco State University this summer in order to help their blind students to travel more independently.

Sister Marguerite Charles, C.S.J., and Sister Thomas Ann, C.S.J., are itinerant teachers attached to the Mount Carmel Guild Special Education Department for the Blind. They travel from one local school to another in which blind children are enrolled to teach braille skills, typing, etc. These blind children receive instruction in all other subjects from the regular classroom teacher and use braille books identical in content with those used by their sighted classmates.

Sister Bernadette Maria S.C.J. is a teacher in St. Joseph's Parish School in Jersey City and for the last two years has coordinated a program of Special Education for 12 blind children enrolled in this school under the resource room plan.

Father McGuinness emphasized the fact that while the Sisters were not expected to become professional mobility teachers (peripatologists), they would nevertheless be able to provide elementary instruction in orientation and mobility skills which would aid to the blind students' ability to travel independently.

Construction Of Route 3 Bridge In Advanced Stage

The New Jersey State Highway Department today advertised for bids July 19 for constructing in Essex County a new approach to the new Route 3 bridge over the Hackensack River.

The bridge, spanning the river between East Rutherford in Hudson County and Secaucus in Hudson County, is in an advanced construction stage. A Highway Department spokesman said.

Bids for constructing the west approach in East Rutherford will be sought in the near future. Target date for completion of the bridge, consisting of the bridge and both approaches, is early next summer.

When the new bridge is opened, it will carry westbound traffic. The existing structure, about 60 feet to the south, will be required to carry one-way eastbound traffic only. Reconditioning of the existing bridge will begin shortly after opening the new bridge and approaches.

Plans for the eastern approach to the new bridge require a new highway to be constructed from Paterson Plank Road to the bridge. Existing Route 3, which curves south from Paterson Plank Road, will be revised to provide four eastbound traffic lanes.

Other features include reconstruction of the Grace Street approach to provide entrance and exit facilities for westbound traffic. A pedestrian bridge is planned to span the westbound highway at 7th Street north.

The spokesman noted that the Department also has plans for improving Route 3 from Paterson Plank Road east to Tomlin Avenue. A public hearing covering this 1.7-mile stretch was held in April to explain proposed plans for widening the highway and revising interchange facilities.

Construction plans for the Secaucus bridge approach project show the new westbound roadway separating from the existing highway about 750 feet west of Paterson Plank Road and providing four bi-directional traffic lanes 12 or 13 feet wide to the bridge. About half way to the bridge, a fifth lane will be added to lead traffic to and from the Grace Street ramps.

About 500 feet north of the bridge the two new one-way ramps will open on a future four-lane road which will extend about a half-mile south under the river bridge to Grace Street.

The Route 3 revision will extend from the present bridge to a point about 1,600 feet east of Paterson Plank Road.

At Seventh Street North, the future pedestrian overpass will be 67 feet long and clear the westbound highway by 14.5 feet. The construction firm awarded the contract will be required to post traffic directors when warning and directional signs, barricades, flares, and traffic cones to alert and guide traffic through the work area.

All bids for the federal-state project, expected to take 15 working days to complete, will be received before the contract is awarded.

Construction Set By State Highway Dept.

The New Jersey State Highway Department today advised Essex County motorists in Caldwell Township that Plymouth St. north of Route 46 will be closed around July 2.

Barriades will block the street at Route 46 and at Hornebeck Road, and will remain in place for about a month while safety improvements are constructed near Route 46. Signs will be posted along the detour to guide two-way traffic along Horseneck Rd., east of Plymouth Street, to Fairfield Avenue, then east or west on Fairfield Avenue to Route 46.

The \$185,000 project calls for constructing justrade turn roads along both sides of Route 46 to bring Clanton Road and Plymouth Street traffic to a single opening in the main highway's center island. A traffic signal there will protect cross-highway traffic movements.

All existing openings in the Route 46 center island will then be closed, including the left-turn slot from eastbound 46 to northbound Plymouth Street.

Clara Maass Volunteer Head Elected Prexy

Miss Marie D'Alessandro, Director of Volunteers at Clara Maass Memorial Hospital, has been elected prexy to a new New Jersey Association of Directors of Volunteers in Hospitals.

Other officers elected are: Vice President—Miss Diane Malgeri, R.N., Columbus Hospital; Treasurer—Mrs. Sue Ackerson, United Hospital; Mrs. Babes Tini; Corresponding Secretary—Mrs. Helen Gordon, Newark Beth Israel Hospital; Recording Secretary—Mrs. Gail Kinnick, Somerset Hospital.

Miss D'Alessandro, formerly Vice President of the Association, succeeds Mrs. Elizabeth Law of Elizabeth General Hospital.

The Association is composed of directors of volunteer programs (paid and unpaid) from a large number of hospitals in the State of New Jersey. The objects of the Association are to exchange and disseminate information concerning departments of volunteer services, to promote growth and recognition of volunteer departments in hospitals, and to develop standards and sound practices for volunteer departments in hospitals.

The New Jersey Association of Directors of Volunteers, which was organized in 1957, was the first of its kind in the country to be organized on a "state-wide basis."

Local Mental Health Drive Termed Success By Chairman

The 1962 fund raising campaign of the Essex County Mental Health Association in Nulley has been a success in all respects. The latest available record number of contributors, figures show that over \$3,100 has and of the 350 volunteers, cap-bearers raised. Compared with previous years, 1962 has been the best look part in the campaign. Average since 1958, and ranks as J. Gold, Nulley chairman the third best in the ten year said.

Fund raising campaigns re- However, the real success of quite organization, right from the general chairman down to the neighborhood bellringers. The individuals who comprised this year's group each contributed Mrs. Anne Steele, residential chairman, who spent many hours of the drive. Because it would be impossible to thank over 350 workers, personally, I should like to use the medium of this newspaper to express my gratitude to each and every member of our organization who worked so hard in the cause of Mental Health.

"I wish also to acknowledge publicly the efforts of certain persons without whom success would have been impossible. Mrs. Sylvia Levinson, special gifts chairman; Mrs. Elise Yorton, who served both in the residential campaign and on the special gifts; and Miss Christine Russo who prepared all of our local publicity," Gold said.

Greco explained that he had not accepted the majority because he had an excellent job in a private industry which took considerable of his time. He said he would be able to devote sufficient time to being a good Councilman and would gladly give his services along lines with which he is thoroughly familiar, such as zoning and building, and the town codes which govern such

WHAT IS A LARYNGOLOGIST?

Answer — A physician who specializes in the treatment of diseases of the nose and throat. When necessary, your family physician will advise you if such special help is needed.

There is an ever present danger that what appears to be a simple sore throat can actually be a dangerous streptococcal infection which may develop into rheumatic fever. Consult your physician quickly if any sore throat symptoms persist.

YOUR DOCTOR CAN PHONE US when you need a medicine. Pick up your prescription if shopping nearby, or we will deliver promptly without extra charge. A great many people trust us with their prescriptions. May we compound yours?
