

## MacArthur Is Appointed As High School Vice Principal

Austin J. MacArthur was appointed vice principal of Belleville High School by the Board of Education Monday night. He has been a teacher for 12 years, serving all that time in the local school system. He is 36, married, has three children, and is a resident of Clifton.

For the past five months he has been in charge of discipline and had been assisting Acting Principal George T. Lees before Mr. Lees' death last month.

Mr. MacArthur is a graduate of Paterson Central High School, class of 1944. He received his B. A. degree in education at Montclair State College in 1949. He received a master of arts degree in personnel and guidance in 1952. Through additional graduate study he completed 32 credits beyond his masters degree, primarily in administration, in 1957, and he more recently completed 11 additional credits.

During the summer of 1959 he was associated with the Joseph S. Ward Inc., Engineering Co. of Caldwell, where he was in control of a highly important field operation that will eventually lead to the construction of a \$175,000,000 facility. It was his duty to be in close contact with field personnel and in charge of all contractor's employees assigned to the project. In the summer of 1960 he performed the same duties at the proposed Washington Marine Terminal in Philadelphia.

He was associated with the Belleville Recreation Program 1950 to 1956, handling the adult basketball league as senior official. He was audio-visual coordinator for the high school for nine years and was chairman of the audio-visual workshop for two years. He also has coached various sports at the high school. During World War II Mr. MacArthur served in the Navy aboard an aircraft carrier in the European and African zones of the war.

Two members of the Board of Education, Nicholas Juliano and George Brown, abstained from giving approval to MacArthur's appointment.

## Map Page Contest Photo Identified

Mel Lipton of 543 Jerusalem Street was the only contestant in the Times-Newspaper Map Page contest last week who correctly identified by his full name the man encircled in the picture, and brought his identification to our office before the deadline.

The man in the circle was Bernard Shapiro, and the picture was taken in the Shop-Rite supermarket on Washington Avenue. The cooperating merchant for the Map Page picture was Mead-Ford.

This week on the Map Page will be found another picture on which our readers may test their skill and memory. The cooperating businessman is William C.

Smith, the optician with offices at 140 Washington Avenue.

Turn now to the Map Page and try your luck. It's lots of fun trying to make an identification, and if you're correct and first you will win \$5. Be sure to follow the rules.

Identify the person circled in the picture and name the place where the picture was taken.

Please note that the answer must be delivered in person at the office of The Times, 246 Washington Avenue, or by mail. Phone calls will not be accepted.

The prize will be awarded to the one who first submits the correct answer.

(Continued On Page 3)

## McCoy Has Served Town For More Than 21 Years

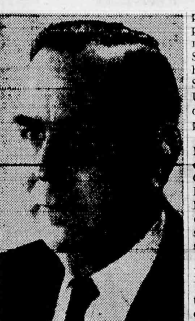

Francis H. McCoy, who is temporarily serving as Belleville Town Manager, having been appointed to that post by the new Town Council July 1, has been an employee of the Town for more than 21 years.

McCoy agreed to serve as Town Manager without additional pay to that which he already receives as Municipal Treasurer and Chairman of Town Council.

The well known Belleville man was first appointed by former Mayor William H. Williams in 1941, as a bookkeeper in the Department of Revenue and Finance, and has advanced through the ranks of Civil Service positions of principal accountant, head accountant and assistant municipal treasurer to his present position.

During his position as treasurer, he has designed and put into operation a completely new accounting system for the Town of Belleville.

Born in Belleville, McCoy is a graduate of St. Peter's Parochial School and Belleville High. He received his B.S. and M.B.A. degrees in accounting from Seton Hall University, South Orange as well as a Certificate in Govern-

FRANCIS H. MCCOY

mental Accounting from Rutgers University, New Brunswick.

He served 3½ years in the Armed Forces during World War II.

McCoy, as a substitute instructor at Seton Hall University, has taught both intermediate and advanced accounting. During the

## Crowds Attend Fourth Of July Celebration

The Belleville Fourth of July Celebration drew a huge crowd which overflowed the Stadium, circled the track and covered much of the field. The evening activities began with flag ceremonies presented by Belleville's Veterans and Auxiliaries. Andrew Verhagen sang magnificently, receiving a grand ovation for his rendition of "The Star Spangled Banner."

The Rev. Benedetto Pascale gave the invocation. Howard Oliver was next introduced, and he, in turn, presented the wonderful ten - act circus. Belleville's youngsters and adults were thrilled by the dazzling array of talent assembled for them. There were dogs and ponies, and clowns and dancers, tumblers, equilibrist, cyclists, and a breathtaking aerial act.

George F. Kiernan, chairman of the program, presented members of the Belleville Colony Club who awarded a plaque to Belleville's Naval Officer Frank Garver who served in the recent recovery of the space capsule. Each of Belleville's newly elected councilmen were then introduced and each spoke briefly.

The principal speaker for the evening was Judge Edward Abramson, whose address was brief but well received.

Then the long day was brought to a close with a fantastically beautiful fireworks display. Except for one child being lost for a few minutes, the entire program, morning, afternoon and evening, went off without a hitch.

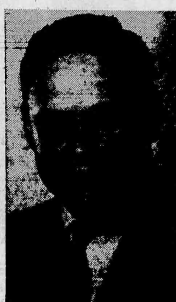

## Bowman Again Has Post In Phone Pioneers

Ralph J. Bowman of Belleville was named Secretary-Treasurer of Orange Council, Telephone Pioneers of America. He is Past Chairman of Orange Council, H. G. McCully Chapter, No. 12.

Members of the organization are all employees of Bell System with more than 21 years' service. Orange Council, which includes Belleville memberships, is one of 16 councils in New Jersey and has 742 members. Total membership of McCully Chapter throughout New Jersey is 7484. There are more than 200,000 members in the United States and Canada.

Mr. Bowman resides at 57 Perry Street and has been with Western Electric Company Installation Department for 37 years. He is a 25-year member of Cosmos Lodge, F. & A.M., of Belleville.

## Cummis Known As Expert In Municipal Law

CLIVE S. CUMMIS

Clive S. Cummis, the attorney who has been hired by the Town Council to prepare an administrative code under which the new Belleville governing body can operate, although he is only 33, has had considerable experience in work of this sort and is known as an expert in the field. He is a member of the law firm of Schiff, Cummis and Kent, 23 Fulton Street, Newark.

Mr. Cummis drafted the administrative code of Jersey City and was principal draftsman of a report of the Governor and Legislature of New Jersey on the effects of the 1960 census on County and municipalities. He was also co-draftsman of the proposed Local Land Use law, the New Jersey County and Municipal Budget law, and the New Jersey County and Municipal Fiscal Affairs law.

The attorney is a member of the bar of New Jersey and Washington, D. C. Supreme Court of the United States. He is a member of the Local Government Association of the American Bar Association and of the Local Government Committee of the New Jersey State Bar Association.

Mr. Cummis is or has been law secretary to Judge Walter Freund, Superior Court of New Jersey Appellate Division; Chief Counsel County and Municipal Law Revision Commission of the State of New Jersey; and associate editor of the New Jersey Law Journal.

The attorney was born in Newark on November 21, 1928 and attended the public schools in Newark. He graduated from Tulane University with an AB degree and from the Law School of the University of Pennsylvania with an LL.B. He received an LL.M. in municipal and public law from the Graduate School of Law, New York University. He married and has two children and resides at 26 Norfolk Avenue, Maplewood.

## Camp Mohican Opens With Big Enrollment

Camp Mohican, the camp-training center of Robert Treat Council, Boy Scouts of America, opened its 59th season with a capacity enrollment. Several Belleville District Troops and their leaders are in attendance and others will be enrolled for a period at the Camp during the coming weeks.

Most of the troops at Camp are under the supervision of their own Scoutmasters or members of the Troop committee. Council maintains a central staff of directors, supervisors, cooks and nurses.

The second Sunday of each two-week period has been designated as "Visitors' Day." However, according to Ernest Arvidson, chairman of the Belleville District, Saturday, July 28, and Sunday, August 5, have been designated as "Open House" and all adults in Scouting and members of their families and friends have been asked to inspect the Camp at this time.

Members of the Belleville District Committee will join the Council's Executive Board at the Camp on July 25.

## Have You Lost Your Dog?

Has someone lost a pet dog? Mr. and Mrs. Robert F. Messer of 60 Preston Street took play on a stray pet last Saturday and gave him shelter, but they already have a dog, cat and bird of their own and will be able to keep him only until this item has a chance to be read.

The dog, they say, is about 7 years old, is white and brown, with a face like a terrier but ears more like a bound. They have reason to believe he comes somewhere from the vicinity of Greylock Parkway.

If the dog is yours, please get in touch with the Messer family.

## Four Donations Already Made To United Appeals

The 1963 United Appeals campaign which does not take place until this fall has already received four contributions. The belleville gifts total \$4,140 more than was donated by the same sources last year.

"This portends great things for our drive," said Woodruff J. English, president of The Welfare Federation, the organization that conducts the annual campaign.

English stated he hoped the upward trend continues, "particularly in view of the fact that Belleville is a new partner community in the drive along with West Hudson towns."

The largest increase was given by the J. I. Kiskis Company. Kiskis added its 1963 donation of \$3,000.00 to commemorate the 75th birthday of its founder Julius I. Kiskis. The state's biggest realty company moved its headquarters operations to Newark in a brand new Broad Street location last year.

English said the Pitney-Bowes Company, Burns Tavern, Inc., and the William Backus Foundation were the other contributors. He remarked that "Pitney-Bowes has traditionally been an early contributor. The Appeals are first-time donors."

The 1963 United Appeals campaign officially starts on September 20th and seeks \$3,000,000. Belleville joined with twelve health and welfare agencies, of which four will be new participants in the 73-agency appeal.

## Guidance Counselor At Belleville High To Add To Skills

Henry L. Miller, guidance counselor at Belleville High School, will add to his job evaluation skills this summer at the Professional Insurance Co.

Mr. Miller will join with other area high school counselors as a fulltime employee from July 9 through August 3. He will spend a few days in each of eight professional divisions, in which new employees are most often placed to observe the skills that are needed and the types of work that offer the best promotional prospects for ambitious youngsters.

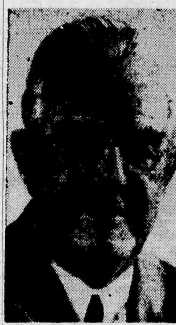

The second Sunday of each two-week period has been designated as "Visitors' Day." However, according to Ernest Arvidson, chairman of the Belleville District, Saturday, July 28, and Sunday, August 5, have been designated as "Open House" and all adults in Scouting and members of their families and friends have been asked to inspect the Camp at this time.

Members of the Belleville District Committee will join the Council's Executive Board at the Camp on July 25.

Camping and coming activities in the Belleville District will be reviewed at the District's Annual Bar-B-Que to be held at Booth Park, Nutley, next Monday evening, July 9.

The District Scout Commissioner, Harry W. Windfield, will present the Council's Membership Roundup Plan.

## New Council To Form Youth Advisory Group

WILLIAM J. ORCHARD

## William J. Orchard Dies, Was Business Executive

William J. Orchard, former general manager of Wallace & Tiernan Co., Inc., of Belleville and a member of the Belleville Rotary Club, died Friday night in Orange Memorial Hospital. He was 73.

Mr. Orchard was also president emeritus of the Belleville Foundation. He was enthusiastic about the organization and was its president for a period of three years. During that time he guided the group in its many philanthropic, including a substantial contribution to the Nurses Home at Clara Maass Memorial Hospital, the sponsoring of a survey by the Regional Planning Association of New York toward the establishment of a Planning Board in Belleville, taking care of the capital expense of Camp Ro-Li sponsored by the local Rotary and Lions Clubs, maintaining a scholarship fund, and financing musical and other cultural programs for community betterment. The Foundation was established some 15 or 20 years ago through donations from men of industry in Belleville.

He was also a former president and director of Wallace & Tiernan Products, secretary and treasurer of Wallace and Tiernan Sales Corp., vice president, treasurer and director of the Novadel-Agencio Corp., and the Industrial Appliance Corp. He retired as general manager of Wallace & Tiernan in 1955 after 40 years of service but continued with the firm in an advisory capacity.

A resident of Maplewood, he was born in Boston and was graduated as a sanitary engineer from the Massachusetts Institute of Technology in 1911. He had formerly served with the Metropolitan Water Board in Boston and with the New Jersey Health Department.

Mr. Orchard was long an Essex County Republican leader and was a delegate to several national GOP conventions. In 1947 he was a member of the delega-

## Town Fathers Meet In Very Warm Meeting Chamber

Belleville's newly elected Town Council approved formation of a Youth Advisory Council of 15 members as one of its first official acts at its first regular meeting Tuesday night. It was a direct follow-up of Mayor Robert M. Laterza's demand at the Council's inauguration session July 1 that the entire resources of the community be mobilized to fight juvenile delinquency and all the evil influences that cause it, including dog peddling.

The committee will be appointed by the Mayor with the advice and consent of the Council. It is expected that the group will grapple realistically with the problems facing the youth of Belleville.

Prior to the meeting, which convened at 9 p.m., 150 persons waited impatiently in 90-degree heat for a full hour in the upstairs meeting chamber of Town Hall while the Council held a caucus session in an air-conditioned room on the main floor. When the Mayor and the other four Council members finally walked upstairs and started the first regular official meeting of the new regime the heat of some of their words raised the temperature in the room even higher. Councilman James H. Golden, for 12 years a critic of the now defunct Commission government and a prime mover in ousting it from office, turned to the audience in a burst of fury against three of his fellow Councilmen over the preparation of Belleville's new administrative code.

"We're going to have shovels down our throats by a 3 to 2 majority on this Council," he said, "a code immoral to the best interests of Belleville but favoring extraneous forces. I can tell you that we on this Council are in for turbulent days and weeks and months. Belleville stands humiliated. Nobody has seen this man (Clive S. Cummis, Newark attorney hired to prepare the code) except McCoy." Golden referred to Francis H. McCoy, serving temporarily as Town Manager. In the minority of two on the Council Golden referred to himself and presumably to G. George Addonizio who sided with Golden on some matters at the inauguration session on July 1.

Mayor Laterza stepped down from the rostrum to answer Golden, asking Addonizio to take the chair. Laterza demanded Golden stop telling the people the Council will vote 3 to 2 until the vote

## Tests Show School Skills Are Above National Norm

Reporting on the quality of Belleville elementary schools for the 1961-62 school year, Dr. Frank M. Durkee, Superintendent of Schools, calls attention to results on the standardized battery of tests, the Iowa Tests of Basic Skills, showing a composite percentile rank of 78 in grade 6 and 76 in grade 8 compared to the national norm of 50.

In grade six, 360 pupils were tested on a school-wide basis. In arithmetic skills, the percentile rank is 85, 35 points above the national norm. In language skills (spelling, capitalization, punctuation, usage), the percentile rank is 86, 36 points above the national norm. In work study skills (maps, graphs, references), the percentile rank is 76, which is 26 points above the national

norm. In language skills, the percentile rank is 84, above the national norm by 34 points. In work study skills the percentile rank is 78; vocabulary, 76; and in reading 71.

Among the various schools, grade 8, the highest percentile rank in reading was 85; in vocabulary, 90; spelling, 90; capitalization, 97; punctuation, 99; usage, 83; maps, 91; graphs, 97; references, 85; arithmetic, 98. In grade six, in eight areas, the highest percentile rank achieved is 90.

"By measuring our results against those throughout the nation we get a better knowledge of the kind of job our schools are doing," commented Dr. Durkee. "The education of the children must always be paramount."

## Belleville's Camp Ro-Li Ready For Season

A busload of children left town last Saturday for Camp Ro-Li, Belleville's own Camp at Glen Wild, Lake, Bloomingdale, N.J. The girl's season is July, the boys take over in August. Above is the new boat and diving dock at the lake. Other activities are cookouts, treasure hunts, movies, nature studies, archery and camp crafts, the latter a new department headed by Mrs. Dot Fague.

This is the main building at Camp Ro-Li. The camp now in its 17th year, is sponsored by the Rotary Club of Belleville and the Belleville Lions Club. Mr. and Mrs. William Sandmeyer are co-directors of the camp. Don Fague heads the sports program, and professional counselors, cook, dietitian and nurse are on the staff. Parents may secure applications from William C. Smith, camp secretary, at 140 Washington Avenue.

# Beautiful Bucolic Belleville

## It Was A Different Life In Century's First Decade

By FREDERICK J. PIXLEE

In this issue we will review the characteristics of life in the first decade of this century. This was not limited to Belleville alone; it was the way we lived in the entire United States. Creature comforts were few, especially in winter. The kitchen range and the parlor stove supplied the heat. No question about being too warm; it was al-

ways too cold. There were few houses with central heating and to live in one that had it was considered a mark of prestige. Most houses were lit with gas, and only a few hardy souls were daring enough to have electricity. A great many people were afraid of the latter because of the numerous fires caused by faulty electric wiring. BX cable was unheard of and the wiring

was the now outlived "tube and pipe." Very little was known or done about overloaded electric lines, and if a fuse blew out the quick and dangerous substitute of a penny in back of the fuse was too often used.

### QUARTER METERS

Gaslights were considered quite the thing in most sections of Belleville and one of the common standbys was the "quarter meter." A silver quarter dollar was inserted in a slot and the gas would burn for a certain length of time. One of the most amusing experiences that the author ever witnessed in which one of these contraptions was involved occurred during a wedding in a private home in Belleville.

The lady soloist had just finished "O Promise Me" and the good parson was just going through one of the most solemn parts of the marriage ceremony. Suddenly the light over his head began to flare and sputter and then go out and down. The minister stopped the ceremony, making strange and questioning glances at the offending fixture.

Knowing my way about the house, I stepped down to the cellar with a quarter handed me by the mother of the bride. Almost immediately all was well again except that the parson continued to give the light fixture many strange glances during the rest of the ceremony.

### MAJORITY WALKED

We did not have automatic heat, electric refrigerators, air conditioners, electric fans, radios, television nor washing machines. The automobile was the plaything of the rich, and even the well-to-do had to forego that pleasure in the winter when the family car was usually put up on blocks. A few people in the more outlying districts of the town had horses and wagons, but the great majority had to walk.

(Concluded Next Week)

## Class Of 1932 Holds Reunion And Dance

Here are members of the Belleville High School graduating class of 1932 at a reunion and dinner dance at the For Hills restaurant. There were 45 members of the class who attended, some traveling here from California, Florida and South Carolina. The next reunion will be held five years hence.

# Track And Field Day Results July Fourth

Robert E. Cook, director of events, Peter Speer, field coordinator, and this year's playground directors successfully conducted the children's events held in the morning of the July 4th celebration.

Activities on the field with Alice Fitzpatrick as director began with the 100 yard dash in which three - legged race, Linda Wisneski and sister Darlene finished first with Jean Tremel and Michele Batino in second place and Diane Skwirut and Janice Orsini, third.

Midjet boys followed with their three - legged race in which Stanley Woodward and Dennis Corbo came in first; William Skidmore and William Natale, second; Joseph Zuccarello and Robert Lovett followed.

Beverly and Audrey Woodward finished first in the junior boys three - legged race. Margaret Kennedy and Rosemarie Scarpelli, JoAnn Skidmore and Marge McCall came in second and third, respectively.

The first place winners of the junior boys three - legged race were William Butler and Majo Gabriele, John Thaller and Wesley Woodward came in second, and George Debrovski and Vinnie Cirelli, third.

The next event on the field was the midjet girls sack race in which Linda Wisneski again placed first. Donna DeLorenzo and Rosemarie Domachic placed second and third, respectively.

Patrick Gilligan was the fastest sack racer in the midjet boys sack race. Steve Tremel came in second while Lance Barkheim er came in third.

In the junior girls sack race Helen Crowley finished in first place, Claire Wittick, second, and Marguerite Kennedy, third.

The junior boys were really moving, especially George Debrovski, first place winner, with Vinnie Cirelli and Joseph Rodriguez, second and third respectively.

The highlight of the field events was the obstacle race. Midjet and juniors both crawled under nets and went through tires. Joy Ross came in first place in the midjet girls division. Linda Wisneski finished second, and Paula Cloutier came in third.

The midjet boys really had a time of it participating in the obstacle race. William Skidmore, Stanley Woodward and Anthony Nocerg came in first, second and third, respectively.

Beverly Woodward led the junior girls in the obstacle race for her second trophy of the day. Mary Ann Marra followed and Joyce Gierba came in third.

The winners of the junior boys obstacle race consisted of Jimmy Cargio, first place; Vinnie Scarpelli, second place; and Fred Cuccolo, third place.

The events on the track were directed by Dorothy Ewing. Races began with the 75 yard dash in which junior girls participated. Claudia Hollweg came in first with Joanne Skidmore and Marge McCall following closely, placing second and third, respectively.

The junior boys ran the 75 yards with Donald Mowry at the lead for his second trophy of the day. Steve Hoffman came in second. Ralph Rizzolo and Mario Gabrielle tied for third. However, Mario was defeated by Ralph in a run-off.

Tom Greco was the first place winner of the high school boys 100 yard dash. He was given tough competition by Donald Mowry and Jim Muller who finished second and third, respectively.

The midjets ran the 50 yard dash. Leading in the girls race was Donna DeLorenzo. Linda Wisneski won her third trophy for finishing second in this race. The third place winner was Betty Hill.

William Skidmore won his second first place trophy by coming in first in the midjet 50 yard dash. Ronald Rizzolo closely followed and Lance Berkheim er came in third.

All girls participated in the fast moving 200 yard relay race. The winners were Kathleen Donachie, Joanne Skidmore, her second trophy; Claudia Hollweg, her second trophy; and Marge McCall, her second trophy.

The boys ran a 440 yard relay in which Jim Muller, Steve Hoffman, Tom Greco (all two-time trophy winners) and Jim Heigherba, proved to be the winners.

# Belleville Loses Close One

Belleville lost a close one to Caldwell at Kiwanis Oval, Caldwell. The highlight of the American Legion game was the superlative pitching performance by George Haas of Caldwell who pitched no hit ball until after two men were out in the last inning. He was touched for a looping single by Little Mike Liliola who spoiled Haas' bid for a no hitter. Liliola's hit was the only Belleville hit of the day.

In pitching the one-hitter, Haas struck out 13 Belleville batters, three times striking out the side. Belleville threatened in the final inning. With two outs Liliola singled, Giannella walked and George Connolly hit a long drive to deep left center field that looked like a sure triple or home run. A great running catch by the Caldwell centerfielder ended the threat and saved the game for Caldwell.

R H E  
Belleville 000 0-0 0-1 4  
Caldwell 100 0-0 2-4 1

Starting and losing pitcher for Belleville was Bob Puccarello, who gave up two hits and one unearned run.

rect answer.

A decision by The Times as to the winner is final and may not be disputed.

Only one person in a family may submit an answer.

The contest deadline is 5 p.m. on the Monday following the publication of the contest picture.

If no identification is made by that time the prize money will be added to the following week's award.

# New Council

(Continued From Page 1)

is actually taken. He said nobody on the Council had yet seen the code.

The Mayor could hardly get his words out because Golden kept interrupting and Addison rapped his gavel several times and called the Councilman out of order.

When Laterza resumed the chair, Councilman Thomas P. Greco charged that Golden, from the outset, had contributed nothing to the new administration.

"You've made up your mind to bring every impediment to this Council," he said. He said Golden had been present at a meeting at which Cummins spoke to the entire Council. None of the Councilmen had seen Cummins since that time, he added.

At Golden's instigation an ordinance was introduced and passed on first reading abolishing the post of assistant Town Attorney.

From the audience Sal Calabro asked that the new Council be given a chance to prove itself but added that under the law a Councilman is subject to dismissal for proven cause. He said he was unalterably opposed to a salary of \$2,900 for Councilmen as proposed by Golden and Addison. He said he had helped bring about the change in government by campaigning house-to-house with the promise that the cost of a Town Manager would be offset by a Council serving without remuneration.

A resolution was passed to ask the Belleville Foundation to conduct a survey of public employees and their duties with a view toward eliminating unnecessary or overlapping positions.

appointment. Brown said the post of principal, also vacant, should be filled before that of vice principal. Juiano objected on the grounds that it had been decided six months ago who would get the appointment. Ernest S. Arvidson, board vice president, also complained about the method of determining the appointment.

# Spotlight On Summer Brides As Many Belleville Young People Walk To Altar

MRS. RUDOLPH WANDRASKO  
Former Francine De Rogatis

## Miss Francine De Rogatis Bride Of A 2c Wandrasko

The marriage of Miss Francine De Rogatis, daughter of Mr. and Mrs. Frank De Rogatis, 120 Washington Avenue, to Mr. and Mrs. Rudolph Wandrasko, 73 Echo Place, East Paterson, Saturday afternoon, June 30.

The Rev. Francis Ignacunas performed the ceremony, which was followed by a reception at the Knights of Columbus Hall.

Escorted by her father, the bride wore a silk organza gown fashioned with square neckline and long sleeves. The bodice and overskirt were scalloped with embroidery, and the Dresden back was caught with white fabric roses and flowed into a chapel train.

A tiara of crystals and seed pearls held her shoulder-length veil, and she carried a bouquet of white orchids.

Maid of honor for her sister was Miss Diane De Rogatis, and

bridesmaids were the bridegroom's sister, Miss Kathleen Wandrasko of East Paterson, Miss Anna Marie Salese, East Orange, and Miss Sandra Pietraski, Garfield.

The honor attendant was gown in light blue silk organza with scoop neckline, cape sleeves and street length skirt having a trapeze back. She wore a rose headpiece and carried a bouquet of deep yellow roses.

The bridesmaids' dresses were similar in style, in heartbeast blue, and their flowers were pale yellow roses.

Joseph Carline of Clifton served as Mr. Wandrasko's best man and ushers were Warren Wandrasko, cousin of the bridegroom, and Raymond Kewinack of Garfield, and Garry Carline, Clifton.

The mother of the bride was

## Mrs. Ugliarolo Amvets Auxiliary State President

MRS. JOHN UGLIAROLO

Mrs. John A. Ugliarolo of 8 Hickory Road, Nutley, was elected president of the Amvets Auxiliary, Department of New Jersey, at the recent state convention held at The Willows in Lakewood. Mrs. Ugliarolo previously held the position of senior vice president of the State Department for two terms, 1960 and 1961.

A member of Belleville Amvets Auxiliary Post 26, Mrs. Ugliarolo has held the following positions on the local level: president, senior vice president, secretary and treasurer. She was recently elected to the latter post for another year, and serves also as hospital chairman.

A former Den Mother and treasurer of Pack 148, Boy Scouts, of Lincoln School, Nutley, she has served also on the troop's refreshment committee. Her son, who will be a senior at Nutley High School in September, is an Eagle Scout.

Her husband, John, still active in Troop 148 affairs, is associated with Park Barber Shop, Nutley. Mrs. Ugliarolo is a bookkeeper-typist for Blonder-Tongue Laboratories, Inc., Newark.

gowned in turquoise silk shantung with turquoise and white accessories and a white orchid corsage. The bridegroom's mother chose a white silk-cotton multi-colored flowered dress with pink accessories and a pink orchid corsage.

MRS. JAMES K. BOTBYL  
Former Esther Zarillo

## Mr., Mrs. James K. Botbyl Honeymoon In Puerto Rico

St. Mary's Church, Nutley, was the setting for the marriage of Miss Esther Zarillo to James K. Botbyl Sunday afternoon, June 10. The Rev. John M. Golding officiated, and the reception was held at Robin Hood Inn, Clifton.

The bride is the daughter of Mr. and Mrs. Anthony Zarillo of 58 Newark Place, Belleville; her husband's parents are Mr. and Mrs. George Botbyl, 319 Passaic Avenue, Nutley.

Escorted by her father, the bride was gown in silk peau de soie fashioned with horseshoe neckline, long sleeves and Alencon lace and seed pearl applique on the fitted bodice and train. A headpiece of lilies of the valley and roses held her triple-tier veil, and she carried orchids, lilies of the valley and phalaenopsis.

Miss Barbara Gennell of Belleville was maid of honor, and Miss Grace Miller and Miss Carolyn Barnett of Belleville and Miss Margo Carlee, Nutley, acted as bridesmaids. They were gown in white organza dresses over light blue taffeta, with petal headpieces, and carried old-fashioned white baskets with blue carnations, snapdragons and white daisies.

John Kiernan, Jr. served as Mr. Botbyl's best man, and ushers were Robert Di Norcia, Michael Vecchio and Charles Cerami, all of Nutley.

The mother of the bride was attired in a willow green silk organza sheath with matching accessories, and the bridegroom's

## Daughter Of Principal In Fashion Career

MARY BRENNAN

Mary Frances Brennan, daughter of Mr. and Mrs. Paul A. Brennan, 5 De Witt Avenue, was graduated from the Laboratory Institute of Merchandising, New York City, on June 1. The commencement exercises were held at the Waldorf Astoria Hotel. She began a career in fashion merchandising on June 4 at Hahne and Company, Newark, as a junior executive.

Miss Brennan participated in work projects at Saks Fifth Avenue and Stern's, New York, and Hahne's.

Mary was graduated from Newton, N.J. High School and Number Three School in Belleville, where her father at the present time is the principal.

A graduate of Belleville High School, the bride is with ITT Federal Laboratories, Clifton. Her husband was graduated from Nutley High School and attended Paterson State College. He is with ITT Laboratories, Nutley.

Mr. and Mrs. Botbyl are residing at 15 Arthur Street, Belleville, after a wedding trip to Puerto Rico.

MRS. MICHAEL J. ROSSI  
Former Angela Galeotafiore

## Teachers' Wedding Precedes Solemn High Nuptial Mass

St. Francis Xavier Church, Newark, was the setting for the marriage of Miss Angela M. Galeotafiore, daughter of Mrs. Michael Galeotafiore of 117 North 15th Street, Bloomfield, and Miss late Mr. Galeotafiore, to Michael Judy Spinto, Bloomfield, and James Rossi, son of Mr. and Miss Anita Vannino, Newark. Mrs. Louis Rossi of 15 Hillon Street, Nutley, on Saturday, June 30.

The Rev. Theodore V. Bonelli, Vice-Chancellor of the Archdiocese of Newark, officiated at the ceremony which preceded a Solemn High Nuptial Mass celebrated by the Rev. Salvatore Malanga of Holy Family Church, Nutley, assisted by the Rev. Vincent J. Livolsi of St. Francis Xavier Church. The church choir sang. The reception followed at the Robert Treat Hotel, Newark.

Other, Dominick Galeotafiore of Newark, the bride had Miss Bridget Vietri of Newark as maid of honor. Bridesmaids were Miss Michael Galeotafiore of 117 North 15th Street, Bloomfield, and Theresa Ferrara, Newark; Miss late Mr. Galeotafiore, to Michael Judy Spinto, Bloomfield, and James Rossi, son of Mr. and Miss Anita Vannino, Newark. Mrs. Louis Rossi of 15 Hillon Street, Nutley, on Saturday, June 30.

The bride wore a gown of white peau de soie trimmed with Alencon lace and seed pearls, fashioned with bell-shaped skirt and cathedral train, held in place by flowers of the same fabric as her gown. Her shoulder-length veil of French tulle fell from a tiara of lilies of the valley. She carried a white orchid and lilies as her bouquet on a prayerbook.

**New "TELSTAR" relays phone calls  
and TV pictures for first time!**  
  
**New Jersey scientists  
play key role in developing  
Bell System's active  
communications satellite**  
The world's first private enterprise communications satellite is now being used for dramatic experiments in relaying telephone calls and television internationally.  
Its name: Telstar. It was launched from Cape Canaveral at Bell System expense by the National Aeronautics and Space Administration.  
The satellite was built at a special Bell Laboratories plant in Hillsdale, New Jersey — underwent testing at Bell Labs in Murray Hill and Whippany — and the signals transmitted via Telstar from the ground station at Andover, Maine were picked up by the huge horn antenna at Bell Labs in Holmdel, New Jersey.  
Telstar amplifies and transmits signals beamed to it from one ground station to another—perhaps an ocean away. The new satellite makes it possible for voices, TV pictures and data messages to leap thousands of miles in a new and exciting way.  
Telstar is a major experimental step toward the world-wide satellite communications system first proposed as a practical venture at Bell Telephone Laboratories. Progress toward such a system would not have reached its present state without continuing research and development by the private communications industry.  
Above all else, Telstar is the latest achievement in an unending Bell System quest—the search for ways to make your telephone service still better, more economical, and more useful.

## We Hope It's True

At the meeting of our Board of Education held Monday night Board Member Nicholas Juliano accused School Superintendent Dr. Frank Durkee of making decisions regarding school personnel "unilaterally."

We hope Mr. Juliano is correct for we would never feel secure if politicians like Mr. Juliano were calling the turn on the selection of key personnel such as a High School Vice-principal.

Juliano for a long time has been running for reelection. His term expires next February.

Juliano originally opposed the appointment of Dr. Durkee to the position made vacant by the untimely death of the late School Superintendent Evan H. Thomas. Mr. Juliano had a worthy colleague in Mr. Ernest Arvidson who also vigorously opposed the promotion of Dr. Durkee, who at the time was Assistant Superintendent of Schools.

Dr. Durkee has been superintendent of the Belleville school system since August of last year. Both Juliano and Arvidson have seized every opportunity they could to harass, obstruct, and otherwise impede the fine work of our outstanding Dr. Durkee, a professional educator held in highest esteem in state educational circles. Juliano and Arvidson have seized every opportunity they could create to interfere with Dr. Durkee's administration of our school system. The latest episode involved Dr. Durkee's recommendation of Austin J. MacArthur to serve as Vice-principal of our high school.

Juliano charged the appointment of MacArthur was decided six months ago by Dr. Durkee. Arvidson was a little stronger. He charged Dr. Durkee with making "dictatorial appointments," and also expressed the thought that Dr. Durkee was "the greatest single cause of low morale in the school system."

We know a couple of people in the school system who are unhappy. One is a school supervisor who is more interested in being a politician than an educator. Another is a principal who wanted the position which Dr. Durkee now holds. These are sour people. The truth is they would serve Belleville better by quitting the school system, thus speedily bringing to an end the low morale about which Mr. Arvidson complains.

When Arvidson and Juliano were elected they both campaigned on a pledge to permit the school superintendent to perform his duties unhampered by obstructionist members of the Board of Education.

Reciting the Grand Jury presentment of 1954 to emphasize his point Juliano, as a candidate, quoted as follows from the report, "The time has come when school board members and those who seek membership must recognize that the most important functions of the school board are the formulation of policies and the judgment of results. Further, they should recognize that their responsibility is not to run the schools, but to see that the schools are well run."

Commenting upon the foregoing quote from the Grand Jury report of 1954 candidate Juliano said, "This issue is of vital concern to every citizen. You can and must prevent a return to dual and divided control if we are to protect the integrity of our school system. You must reject at the polls those who seek to become 'self appointed administrators.'" Our school system would be exposed again to public censure and stigma as it was in 1954 if you allow the personal status seekers to go unchecked." Mr. Juliano are you listening?

Mr. Juliano's behavior as a member of the school board since Dr. Durkee became superintendent is in stark contrast to his pious warning as a candidate for the Board.

As Superintendent of Schools Dr. Durkee has a compelling obligation to engage new teachers, looking forward to the day when they can be moved up on his personnel organization chart. This planning, phasing, and programming should not be limited to a six month program but should cover a number of years. School teachers ask Dr. Durkee to promote from within the ranks whenever possible. How can this be done if he fails to plan years ahead?

Unwittingly Juliano and Arvidson are trying to tell the people of Belleville that in Dr. Durkee we have a school superintendent who refuses to turn over the school system to the politicians. More,

Dr. Durkee refuses to be intimidated by false charges leveled by board members more concerned with the next election than they are in the next generation. Hurrah for Dr. Durkee. He will survive long past the day when Juliano and Arvidson become ex-board members.

## William J. Orchard

William J. Orchard died last week and in his passing Belleville has suffered an irreparable loss.

A cluster of buildings at the corner of Mill and Main Streets stands as a living, perpetual monument to the ability, genius and loyalty of Bill Orchard. The buildings house the Wallace and Tiernan family of companies.

Mr. Orchard came with Wallace and Tiernan in 1915. Soon after Mr. Orchard also became Belleville's number one salesman. Executives of some large corporations now based in Belleville were greatly influenced by Mr. Orchard to settle here. He was one of the organizers of the Belleville Foundation, a unique organization devoted to the welfare of Belleville and its people. Mr. Orchard always made time for good causes.

Enjoying an international reputation in his field, an articulate speaker and much sought after dinner speaker, Mr. Orchard was highly regarded as the clambon of the little fellow.

Mr. Orchard's first love was his family, but following close behind were Wallace and Tiernan, and the Town of Belleville. His most recent successful effort in our community was his sponsorship of our present-day Belleville Chamber of Commerce. Where other efforts to organize a local Chamber withered and died, Orchard's support and continuing interest in this organization insured its success.

Thanks to Bill Orchard our local Chamber of Commerce today is among the most active, most respected groups in New Jersey.

Whoever enjoyed the privilege of Bill Orchard's association lived in the shadow of a great man. Bill Orchard may not be with us anymore but his good deeds will live on forever.

His greatest frustration was the need to be away from the home and family he loved while he was obliged to travel around the country in search of new business for Wallace and Tiernan. However his greatest source of satisfaction came from the knowledge of a job well done.

Warm blood ran through his veins. Bill Orchard loved people. He loved to see them happy. He was inflamed with a burning belief in the dignity of man and all his life he preached the universal gospel of human sympathy.

The philosophy of his personal creed could very well have rested upon a foundation fashioned from a prayer by St. Francis of Assisi:

"Lord, make me an instrument of Thy Peace. Where there is hatred, let me sow love. Where there is injury, pardon. Where there is doubt, faith. Where there is despair, hope. Where there is darkness, light. Where there is sadness, joy.

"O Divine Master, grant that I may not so much seek to be consoled as to console; to be understood, as to understand; to be loved, as to love; for it is in giving that we receive, it is in pardoning that we are pardoned, and it is in dying that we are born to Eternal Life."

In the death of this noble man, Mrs. Orchard loses a dedicated, devoted husband. His children, a compassionate, generous dad, Wallace and Tiernan, one of its greatest benefactors. Belleville, its foremost salesman. And The Times-News loses a trusted friend and advisor.

## Some Chickens!

Nowadays we talk about billions almost as if they were chicken feed. The vast growth of tax collecting and tax spending is largely responsible for that airy attitude.

Next year's federal budget, for instance, will be around \$925 billion. And one commentator has visualized its magnitude in this fashion:

Suppose you were able to authorize your wife to spend \$1,000 per day, ad infinitum. It would take her 277,500 years to spend that \$925 billion!

To come closer to earth, suppose you were a tightwad and put a meager \$1 billion ceiling on her \$1,000 a day spending. It would take 3,000 years for her to run through the bankroll.

If billions seem to be chicken feed, about all one can say is: Some chickens!

## Beck's Column

After a 10 year struggle subscription TV finally went off the air for a trial period of 2 years. There were many opponents. Broadcasters, theater owners and other interests fought it tooth and nail.

If this new medium should prove successful, we may see a general improvement of the programs, since the networks would lose viewers who would be ready to pay a small fee for top notch programs. It is well enough known that chairman Minor of the FCC would like to see a change in program fare by the networks, and there is hardly anybody who does not agree with him, except the networks, of course. Instead of making an effort to provide interesting and educational entertainment, it is so much easier and probably cheaper, certainly much more effortless, to run old movies.

The experiment in Hartford is starting with 300 homes. Specially trained mechanics are going to install the decoders. The operators expect to have between 400 and 500 subscribers by the end of the year. There will be a monthly charge for rental of the decoder of 75 cents. Charges for the programs are expected to run from about \$1. to several dollars, depending on the kind of performance. Fight fans will be able to see the Patterson-Lasion fight from Chicago direct in September. The fare will offer top motion pictures, only recently released, theatrical productions, ballet and adult and children's educational programs.

One can only hope that the experiment will be successful. Undoubtedly there will be many interested followers. The New York Metropolitan area would be a natural, since there are no end of features available right in our backyard. Most people don't trouble to go to New York. Getting in and out and the traffic conditions certainly are no inducement. Perhaps we will be able to see soon from the easy chair all the things we would like to see, but did not, because we did not want to pay the scalper's prices for tickets, just to name one objection. And it would be an awful lot cheaper too.

We service what we sell.

## New Councilmen And Families

Above is Councilman G. George Adonizio and his family as they appeared following the June 12 election. Below is Councilman Vincent Strumolo with his family on the same occasion. Pictures of the three other new Councilmen and their families were printed in The Times-News last

week showing them as they appeared following the July 1 inauguration session. The Adonizio family and the Strumolo family left the inauguration meeting immediately on its completion, and our photographer was unable to catch them in time to register the moment for posterity.

## Tannen Shoe Store Marks Anniversary

Fourteen years ago this month, Lou Tannen opened a shoe store at 141 Washington Avenue, Belleville.

The store originally specialized in national brand-name lines of children's shoes, and was known as "The Jack and Jill Shoe Shop." Its reputation as a first class shoe store grew rapidly as word spread of the new merchant's courteous attention to his customers' needs.

Tannen, who lives in Lovell Court, Nutley, formerly worked for J. Miller Shoes in New York and for many years before that in the shoe department of Yes-ton's Department Store in Jersey City. He also has some 15 years' experience on the road as a shoe salesman.

Shortly after he opened his Belleville store, he changed the name to "Tannen's Shoe Shop" to emphasize that the store also carried a full line of men's and women's national brand footwear of all kinds.

A notable feature of Tannen's that has grown over the years is a special orthopedic department where shoes are supplied to doctor's prescription. Tannen, who married the former Bessie Newman, is a member of the Belleville Chamber of Commerce and National Federation of Independent Business Men of America.

## Phyllis Cupparo Has Part In Workshop Play

The first presentation of the third annual Montclair Summer Theater, Nutley, "Goodbye My Fancy," by Fay Kanin, will be given Thursday, July 12, at 8:30 p.m. in the Memorial Auditorium of Montclair State College, at Valley Road and Normal Avenue, in Upper Montclair. Tickets are available at the box office.

Phyllis Cupparo of Belleville appears as Susan. She and Judy Ferrara of Belleville also participate on the Business Committee.

"Goodbye, My Fancy" is presented under the direction of the following Montclair faculty: Dr. Clyde McElroy, Ralph Faneli, William Ballare, and J. Lloyd Browning, an English and speech teacher at Columbia High School, Maplewood.

## Eisel Completes Transfer To Point Mugu Base

A 2-C Philip G. Eisel has completed his transfer from Davis-Monthan A.F.B., Tucson, Ariz., to Point Mugu Naval Base, Oxnard, Calif.

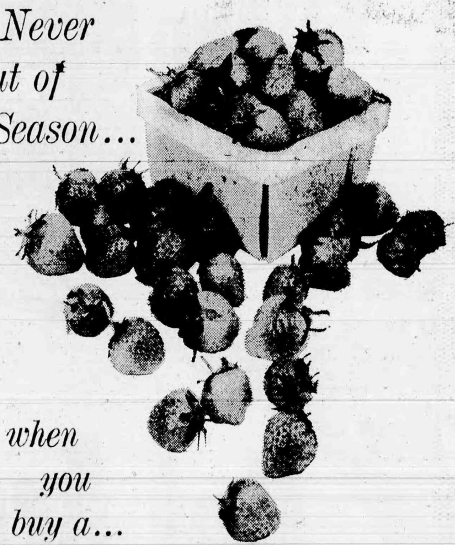

Airman Eisel was attached to the Titan II Missile SATAF, a tenant unit with the Strategic Air Command. He is now stationed with the Air Force Liaison Office at Point Mugu, the Pacific

Missile Range Headquarters.

month-old son Patrick Glenn. Airman Eisel, son of Mr. and Mrs. H. H. Eisel of Belleville Avenue, was accompanied by his wife Joyce, daughter of Mrs. Lorraine Coleman and their four-

many.

## Newark Club Now Open To Belleville Boys

## Clubhouse Is Not Just A Recreation Center

A boys' world of adventure and learning is open to Belleville boys at the Boys' Clubs of Newark.

The Boys' Clubs, a beneficiary agency of the United Appeals of Newark, Irvington, West Hudson and now Belleville, is opening its doors to all Belleville boys ages 7 to 17.

Four Boys' Clubs are located in Newark. The most convenient

for Belleville youngsters is the three-year-old Broadway Club at 422 Broadway in North Newark, shown in the accompanying picture. Both the 13 and 18 buses stop in front of the building.

The building, designed and constructed as a Boys' Club, is one of the outstanding Boys' Club facilities in the nation. Marvelously complete, it contains features

friendly advisors.

Belleville boys can join the Broadway Club or any of the other three clubs by having their parent or guardian fill in an application, paying the small annual dues and passing the free medical examination given by the Club doctor.

The dues schedule at Broadway is \$2.00 per year for boys 7 to 13, \$3.00 for boys 14 to 16 and \$4.00 for boys 17 and older. Dues vary slightly in the other clubs.

The Boys' Club is normally open weekdays whenever school isn't open. Usual summer hours are from 1:00 P.M. to 9:00 P.M.

### BOYS' CLUBS CAMP

Summer camp registration for the Boys' Clubs, Brady Camp in Potteryville, N. J., is still open for Belleville boys ages 8 to 13. July 19 is the deadline for the next two-week camp period beginning July 23 and ending August 4. An August 2 deadline is set for the following two-week camp period, August 6-18. A one-week camp period for boys 14-16 will be held August 20-25. The Brady Camp is located on 100 acres of woodland in Morris and Somerset Counties. This is the 21st consecutive camping season of the Boys' Clubs of Newark.

weekdays and 10:00 A.M. to 4:00 P.M. Saturdays. During the rest of the year when school is open the weekday hours are 3:30 to 9:00 P.M. All Clubs are closed on Sundays.

Facilities in the Broadway Club include a playground, gym, olympic-size swimming pool, archery and rifle range, library, arts and crafts room, woodshop, photo lab and band room.

The swimming department, staffed by a full-time swimming director, is open every day. Learn-to-swim classes, intermediate and advanced classes, life saving instruction and social swims are on the schedule. Special swims for girls, co-ed groups and adults are also held. The physical department, headed

by a full-time athletic director, conducts a complete program of sports and physical fitness activities. Included are basketball, softball and football leagues.

The Club offers a broad educational program centered around the arts and crafts room, the library and woodshop. Qualified instructors offer courses which usually conclude with exhibitions of the boys' works.

The social and recreational department brings the boys together regularly for parties and competitive events. Socials are held regularly on appropriate holidays. Tournaments are held for chess, checkers, table tennis and other games.

A senior lounge is open for older boys. This lounge contains television, radio and the latest magazines as well as games.

During all activities or just when the boy is taking it easy he is in constant contact with trained adults interested in his individual needs, attitudes and ambitions.

The Boys' Clubs of Newark was founded in 1939. Since then the organization has grown from one Club in rented quarters to four well-equipped clubhouses and a summer camp serving thousands of city boys. The three other Clubs, 400 Hawthorne Avenue, Stella Wright Club, 159 Spruce Street, and the West Side Club, 161 Littleton Avenue, all in Newark.

### SURROGATE'S NOTICE

Dated, JUNE 12, 1962  
DECEASED  
Estate of ERMINIO LANDOLFO, deceased.  
Pursuant to the order of DAVID H. WENGER, Surrogate of the County of Essex, this day made on the application of the undersigned, Executors of said deceased, notice is hereby given to the creditors of said deceased to exhibit to the subscribers, under oath or affirmation, their claims and demands against the estate of said deceased within six months from this date, or they will be forever barred from proceeding or recovering the same against the subscribers.

## CARD OF THANKS

**PREITAG**—Deeming it impossible to thank all in person, we hereby take this means of expressing our sincere thanks to all relatives, friends, and neighbors for their comforting words, floral tributes and spiritual bouquets at the funeral of our beloved wife and mother, Mary A. Preitag. Over special thanks to the clergy of St. Mary's Church and to the Belleville Police and Fire Department who were so kind on many emergency occasions. Sincere thanks also to the George Kiernan Home for their help in our trying time of sorrow.

MR. ERNEST PREITAG  
AND FAMILY

**New Circus Highlighting Olympic Park**

Olympic Park began one of its busiest weeks Monday with a new circus, the beginning of the teen-agers' social program at the pool and the start of Red Cross swimming lessons for hundreds of children.

The Irvington park's circus bill includes a polo victim who overcame his handicap so well that he now is one of the world's top acrobats. Cal Claude's therapeutic exercise as a child strengthened his arms till now he accomplishes rare feats while standing on his hands. He is a familiar television performer.

Freddy Valentine's Flying Troupe, a stellar trapeze trio, and Helen Hag's chimpanzees round out the bill at 9 and 9:30 p.m. daily this week.

Weekly talent and beauty contests will be features of the teen-ager program. The swim and water safety classes conducted by the Newark Red Cross began Tuesday morning.

On the New Jersey Turnpike there are a total of 394 possible movements for traffic. The most active one is between Secaucus (No. 17) and the George Washington Bridge interchange (No. 18). It is largely commuter traffic and accounts for 6.6 per cent of all trips. For the full distance on the Turnpike (between interchanges No. 1 and No. 18) only 2.7 per cent of the traffic is involved.

**Safety Council Says 581 Were Killed Last Summer**

\*Five hundred and eighty-one lives were lost in all types of accidents in New Jersey during the three summer months of June, July and August last year. This is reported this week in a bulletin issued by the New Jersey State Safety Council to point out the seriousness of accidents during the carefree summer months usually associated with vacations and recreation.

During that period traffic mishaps were the number one killer, accounting for 209 lives including 41 pedestrians. Home accidents, a close second, took 154 lives. Accidents in public, including recreation, were responsible for 159 deaths and accidents "at work" took 49 lives.

The Council estimates that a total of 72,622 persons suffered various degrees of injuries in all types of accidents during the period and estimated the total economic loss at \$39,042,000. In traffic 22,662 persons were injured in home accidents 17,600 were injured and 19,875 others were injured.

**Flemington Fair Stock Car Race Title At Stake**

Primed for the championship stock car races at the Flemington Fairgrounds Saturday night, riding speedsters who specialize in "clay - track" motor competition will shoot for title points in the seven - event card that also includes rookie racing.

Only clay - surfaced raceway in the Garden State, the Route 62 fairgrounds serves up the most unorthodox brand of fender busting on the east coast and its fame spreading from Maine to Florida, has attracted entries from a tremendous area.

Jerseyans continue to collect the lion's share of the cash purse, especially in the 25-lap, \$2500 sweepstakes that terminates the wild action though "visitors" from Florida and other southern states continue to challenge for supremacy.

**Detainer Filed With Newark P.D. For Smith**

Local police filed a detainer for Herbert A. Smith, 21 of 53 Passaic Avenue, last week with Newark authorities. Smith was arrested in that city on charges of car theft.

Police here have sought Smith since March 17, when a complaint was filed charging him with assault and battery. The alleged assault police said, was on Bruce Bray of 362 Washington Avenue, Belleville.

Following his arraignment in Newark, Smith will face the local complaint.

Driver inattention is the principal violation causing most accidents on the New Jersey Turnpike. In 1961, from August 1, there were 206 cases where drivers were doing everything but paying attention to their driving.

**National Confab For 78th Unit Veterans Slated**

About 1000 veterans of the 78th Infantry Division in World War I and World War II will hold their National Convention at Fort Dix, from Friday noon, July 20 until Sunday at 2 p.m. as guests of the "Proud Riders," second training regiment, in the Sierra Company Bellingham area.

Among the distinguished guests to be present is Major General Edwin P. Parker, wartime commander of the Division in World War II and Major General Beauchamp, Post Commandant.

An elaborate program of rifle contests, softball, unit parties, annual meeting, battle movies of divisional action, election of officers and special events will be climaxed by a Memorial Service in the 78th Division Chapel where stained glass windows stand as commemorative symbols of the great losses sustained by the division in their victorious actions in Europe.

The exhibition titled, "Old Masters of the Bible" is from the St. Michel - Limey salient around Thiaucourt and the Meuse - Argonne Drive - and in World War II from Rothen to Wuppertal, across the Siegfried Line at Lammerdorf, Kesternich, Schwammendael Dam, Schmidt, the Roer River and Cologne Plain drives, the crossing of the Ludendorff bridge at Remagen, and the final drive across the Siegf and up the Autobahn.

Reservations have been received from almost all states in the Union and special organized groups are coming from Rochester, Albany, Manhattan, Long Island, and Binghamton in New York State - Providence, Rhode Island, - Camden, Elizabeth, Jersey City, Union City, Newark, Trenton, Atlantic City, Paterson, Noddy and New Brunswick in New Jersey - Philadelphia, Pa., and Washington, D. C.

**Exhibit of Old Masters At Montclair State**

An exhibition of Old Masters, a selection of paintings from the Cosia Collection will be shown at Montclair State College through August 3. The exhibit will open Monday through Friday from 10:30 a.m. until 12:30 p.m.

The exhibition titled, "Old Masters of the Bible" is from the St. Michel - Limey salient around Thiaucourt and the Meuse - Argonne Drive - and in World War II from Rothen to Wuppertal, across the Siegfried Line at Lammerdorf, Kesternich, Schwammendael Dam, Schmidt, the Roer River and Cologne Plain drives, the crossing of the Ludendorff bridge at Remagen, and the final drive across the Siegf and up the Autobahn.

**State Reports Record Deer Kill For 1961**

The 1962 spring census of the New Jersey deer herd has revealed that the deer season of 1961 accomplished to a large measure the objectives set forth by the Fish and Game Council. The three seasons resulted in a record deer kill of 12,406, of which 5,255 is the season recommended to be killed during a six-day buck hunt, 1,081 by bow and arrow, and 6,070 during a one-day hunter choice season.

Completion of the census has revealed a population of deer in the counties of Hunterdon, Mercer, Morris, Somerset, Sussex and Warren of between 20,140 and 22,170. In the Southern part of the State a population of between 8,255 and 9,745 occurred this spring.

In northern New Jersey 45 per cent of the special January 31 harvest was young fawns of the year, while the southern New Jersey harvest was only 34 per cent fawns, indicating poor fawn survival. Reproductive data also reveals poorer production in the areas where fawn survival was low when compared to other sections of the State where fawns were more numerous in the harvest.

Detailed information on the census and harvest data as well as the proposed code of available from the Division of Fish and Game, Department of Conservation and Economic Development, Trenton 25.

More than 124,000,000 persons were transported on the New Jersey Turnpike in 1961, the equivalent of about 100,000 of the country's population.
