## AN EDITORIAL:

### Mr. Sommers, Belleville Is Broke

William Sommers, our new Town Manager, is urging the Town Council to add ten men to the Public Safety Department. These men would be assigned to duties in the Police and Fire Departments.

At this writing a majority of the Town Council is opposed to the employment of any more firemen and policemen. They believe both departments are overstaffed. During the days when the Council was shopping around for a Manager, among the applicants interviewed was our present Town Manager, Mr. William Sommers. At the time Sommers left the impression with some officials that he too believed our Public Safety department was overstaffed.

Has Mr. Sommers' opinion changed since he got on the payroll?

We didn't have to wait for Mr. Sommers to come down the pike and ask our taxpayers to pick up the \$60,000 tab for ten more firemen. Former Commissioner Harry Sullivan made the suggestion on May 7th. And Sullivan was being paid only \$2,250 per year. Sommers receives \$15,000.

If Sommers expects to remain in the employ of Belleville taxpayers he must learn soon that our taxpayers can't afford to pay high taxes. In plain English, Belleville is broke.

The outgoing Commission spent \$40,000 in emergency appropriations which taxpayers will be asked to pay next year. And next year the amortization payments begin for the new high school — another \$300,000 per year.

Three weeks ago we prepared an editorial which never got into print suggesting that our present firemen be invited to double up with our policemen in the prowl cars if it can be proven that more policemen are required. The burden of proof is upon our Town Manager. Mr. Sommers is under compelling obligation to produce proof that Belleville needs nine more policemen (three to fill vacancies) and ten more firemen.

We believe both departments are overstaffed, even when taking into account the 42-hour week for firemen.

The trouble with our fire department appears to be Fire Chief Carl Hundertpfund. In the last three months he is getting to act more like a politician than a fire chief. Hundertpfund attends public meetings of the Council and rants and raves against The Times-News, pleading all along that he needs 22 more men to put into effect the 42 hour work week for firemen.

Belleville has about 27 Call Men associated with the fire department. These men are public spirited citizens who are on call should their services be needed by the fire department. The Call Men add up to a Volunteer Fire Department which supplements the regular paid fire department.

Hundertpfund is known to oppose the Call Men status. He wants a 100 per cent paid department with no volunteers. If Hundertpfund was spending this money that would be one thing — but when he proposes to add full time paid firemen to the department he is proposing to spend taxpayers' money which is already in short supply. If Hundertpfund had his way it would cost Belleville taxpayers an additional \$130,000 to add the firemen the Chief wants.

Hundertpfund should be instructed to propose a 42 hour work week utilizing the existing force. If he can't or won't do it then he ought to resign for the good of the Fire Department.

### Swim Classes By Red Cross Due To Start

Leonard Bade, chairman of Water Safety for Belleville Chapter, American Red Cross, has announced the dates for this season's swim classes.

Girl Beginners through Swimmers at the Montclair Y.M.C.A. will start Saturday, September 29, from 7 to 8 p.m. The fee for the use of the pool will be \$6 for a period of 12 weeks, payable the night of registration.

Classes for Boy Beginners and Intermediates and Boy and Girl Swimmers through Life Saving will start Tuesday, October 2, from 7 to 9 p.m. at the R.C.A. Pool in Harrison. The fee is \$6 for a 12-week period, payable the night of registration.

The Scout Program, which includes both Girl Scouts and Boy Scouts, will start Thursday, October 4, at the R.C.A. Pool in Harrison from 7 to 9 p.m. This will include beginners through life saving, also a course for water safety aides. The fee will be \$5 for a 10-week period, \$6 for a 12-week period for Life Savers and \$3.50 for a 7-week period for Water Safety Aides. Registration for this group will be at the R.C.A. Pool October 4th.

Additional information may be obtained by calling the Belleville Chapter.

### Cantor Axelrod To Officiate At Services

Joseph Shlissel, Ritual Committee Chairman of Congregation Ahavath Achim, Belleville, has announced that Cantor Marvin Axelrod of Brooklyn, has been engaged to officiate for the High Holiday services.

Cantor Axelrod is a graduate of City College of New York, and received a B.R.E. at the Jewish Theological Seminary. He also attended the Hebrew University in Jerusalem. He obtained a Masters Degree from Hunter College. Cantor Axelrod received private voice instruction as well as the Henry Street Settlement.

Cantor Axelrod served previously at synagogues in Huntington, Long Island, and Nanuet, N.Y. Wilfred Yudin is president and Rabbi Victor Cohen is spiritual leader.

### HEART FILM TONIGHT

Essex County Heart Association, Inc., is sponsoring a program of public interest tonight, Thursday, Sept. 27 at 8 p.m. in Veterans Hall, 17 Belleville Avenue. A half hour film will be shown. Information on cause, treatment, cure and prevention of cardiovascular disease will be given. The public is invited. Refreshments will be served by V.F.W. Auxiliary 275.

### Port Authority Moves Miller Up To Lieutenant

ROBERT MILLER

Belleville resident Robert Miller, 43 Wilson Place, was recently promoted from Sergeant to Lieutenant in The Port of New York Authority Police Force. Austin J. Tobin, Port Authority Executive Director, and William A. O'Connor, Superintendent of Police for the bistate agency, participated in the ceremonies held at the Port Authority Building in Manhattan.

Lieutenant Miller, appointed a Port Authority Police Officer in 1948, first served at the Holland Tunnel where he earned the Holland Tunnel Exceptional Service Medal in 1949. Subsequently he was assigned to LaGuardia Airport and the Central Police Pool. He was appointed to the rank of Sergeant in 1956.

A member of the U. S. Marines, Lt. Miller served in the South Pacific in World War II and again in the Korean War. He and his wife, Constance, have two children.

Port Authority policemen are peace officers in both New Jersey and New York. The 1,200-man force is the second largest police unit in New Jersey and the fifth largest in New York State.

### From JFK To RML

*The President  
invites you to attend the  
White House Conference  
on  
Narcotic and Drug Abuse  
to be held on  
September 27 and 28, 1962  
State Department Auditorium  
Washington, D. C.*

Mayor Robert M. Laterza is in Washington, D.C., attending the White House Conference on Narcotic and Drug Abuse. The invitation, which is reproduced above, came direct to the mayor from President Kennedy. Laterza vowed when he assumed office in July that he would keep the drug pushers out of Belleville.

### Practices Of School Board Opposed By Mrs. McCool

Mrs. Norma McCool, member of the Board of Education, continued to oppose current board practices at Monday night's meeting. She voted no on payment of bills and sharply criticized authorization of work for which no competitive prices were obtained.

She said she would not vote to pay bills which she had not had time to scrutinize carefully. When Board President Richard Drake recently and that a delay in having the situation rectified might prove dangerous. He recommended a contract for the work to be awarded to A. P. Muzzio, Inc., of North Arlington.

### Silver Lake Zoning Change Is Approved

The Belleville Town Council agreed Tuesday night to rezone a portion of the Silver Lake area from Industrial to Class C Residential. The location is now predominantly residential and the step was taken to prevent small industries from location on small properties now vacant.

### Moving Ahead

Plenty of interest is being manifested by the many sport lovers of Belleville, especially the Silver Lake section in the amateur boxing show to be held at Friendly House Hall, 21 Frederick Street, Belleville, and sponsored by the Vincent T. Strumolo Association.

Entire proceeds will go to the alling Ernie Ratner who for thirty years was one of the East's outstanding fighters and was nicknamed the "Silver Lake Bumblebee" for his swarming style. Today Ernie is unable to work having been injured on a Town job two years ago.

Chairman Anthony "Speed" DeBenedictis states that ducts are moving at a brisk pace and also has secured the services of Madison Square Garden famous announcer Johnnie Addie to emcee the show, assisted by Jay Macks.

### R. F. Hopkins Is Named For Holiday Seals

RUSSELL F. HOPKINS

Russell F. Hopkins of 120 Rutgers St., Belleville, insurance broker, has been appointed to the 1962 Christmas Seal Committee of the Essex County Tuberculosis League by Paul A. Nalen, chairman of the Christmas Seal campaign.

Hopkins said that plans have been made for a Christmas Seal appeal letter to be mailed to more than 200,000 families and firms in Essex County.

"There were 585 new TB cases reported in Essex County in 1961, an increase of 5 per cent over 1960. Therefore, our need for funds is greater than ever," Hopkins said.

The drive for funds will begin in November and will feature the League's work in chest X-rays, health education in the schools, rehabilitation services for TB patients and medical research.

An estimated 3,000 TB cases in Essex County are still unknown, and the League's job is to help find them, in order to help these victims and to protect all of us from the dangers of this catching disease, Mr. Hopkins commented.

The drive for funds will begin last year in the High School and School 5. Mr. Dufford extended it to other schools this September.

Dr. Frank M. Durkee, superintendent of schools, commented that efficiency in the cleaning and care of the schools has greatly increased since the adoption of the two-shift system for custodians.

### Custodians At Schools Work 2 Shifts

Belleville school custodians now work on two shifts in the larger schools, according to an announcement from the office of Harold Dufford, assistant superintendent for business.

The second shift begins in the afternoon and runs into the night, giving custodians time to clean buildings when students and teachers are not in school.

Having custodians in the schools during the evening hours gives the schools some protection against vandalism, the announcement said. The past vandalism at the various Belleville public schools has wasted as much as \$10,000 annually, especially in broken window glass.

Another advantage of the second shift, it was said, is that it reduces overtime required for custodians to keep schools open for evening activities, such as P.T.A. Scouts, board meetings and the like.

Most of the school systems in Essex County use the two-shift system for custodian service in schools. Having tried this sys-

tem last year in the High School and School 5, Mr. Dufford extended it to other schools this September.

Dr. Frank M. Durkee, superintendent of schools, commented that efficiency in the cleaning and care of the schools has greatly increased since the adoption of the two-shift system for custodians.

### Correct Identification Of Map Page Picture Is Made

Mrs. R. S. Angileri of 129 Liberty Avenue won last week's Map Page Contest when she correctly identified Mrs. Michael Semmeca as the person whose photo was encircled on the Map Page. She was correct also in her identification of the Belleville Travel Service, 246 Washington Avenue, as the establishment in which Mrs. Semmeca was pictured.

Mrs. Angileri has received a \$5 check made payable to the operating merchant of the week, Vee Bee Esso, Franklin Avenue at the corner of Joralemon Street.

Mrs. Angileri has been a Belleville resident for seven years. She works as cashier for the American Finance Co., 228 Washington Avenue. Her husband has been an employee of T. T. Federal Laboratories, Clifton, for 18 years. The couple has two sons, both in Belleville High School, John, 17, and Richard, 15.

Mrs. Angileri passes the Belleville Travel Agency on the way to her own place of employment. In this way, she became re-acquainted with Mrs. Semmeca, as to the winner is final and for both had attended Central

High School, Newark, together. A new contest is now under way. Be sure you follow the rules.

Identify the person circled in the picture by giving his or her full name, and also state the place where the picture was taken.

The answer must be delivered in person to the office of The Times-News, 246 Washington Avenue, or it may be sent through the mail. Telephone entries will not be accepted.

The prize will be awarded to the person who first submits a correct identification of the subject in the picture and the place where the picture was taken.

Only one person in a family may submit an answer.

The contest deadline is noon on Friday of the same week that the Map Page appears. If no correct identification is made by that time the prize will be added to the following week's award.

A decision by The Times-News as to the winner is final and may not be disputed.

### Employees Hold Vacation-Convention

The National Association of Internal Revenue Employees, Newark Area Chapter, held its Second Annual Off-Shore Vacation-Convention at the Marrakesh Hotel, Jamaica, W.I. Arrangements were made by Carmen Orechio, general manager of the Belleville-Nutley Travel Service. The Association is an employee union of Internal Revenue employees. Of the 60 chapters in the country, it is believed the Newark Area Chapter is the only chapter conducting

these off-shore gatherings. Seen left to right, first row, are Mrs. Peter Petrone, Mrs. Alfred Di Simone, of 1 Plenge Drive, Belleville, and Mrs. Joseph Fucello of 52 Crestwood Avenue, Belleville; second row, Peter Petrone, chairman of Arrangements Committee, Mr. Orechio, Sam Hochman, president, Alfred Di Simone, Internal Revenue Agent, Joseph Fucello, and Richard Brownell, former director of Scranton, Pa., Internal Revenue Service office.

# REGISTER AT ONCE FOR ADULT SCHOOL

# Belleville Drops Opener To Strong East Orange Squad

By RAY FERSCO

Belleville lost its first start Saturday against a strong East Orange squad. Belleville kicked off and the Panthers ran the ball up to their own 37. East Orange kept marching down field until they fumbled with 3 minutes and 21 seconds left to the quarter. Richard Luzzi made the recovery and ran 40 yards for a spectacular touchdown. Luzzi also made the conversion. Belleville kicked off again and East Orange made a continual

charge to the Belleville 7. Then with 4th down and 1 to go they were pushed back to the Belleville 11. Marvin Grant of East Orange broke loose and rolled around the left end for a touchdown. They failed to score the extra point. East Orange kicked off and Belleville took the ball on their own 40 yard line. John Sensky ran up the middle for a touchdown. The placement was unsuccessful.

Once more the Bell-Boys kicked, but East Orange couldn't do anything against the strong Blue and Gold defense: they got rid of the ball on the fourth down and Belleville took the ball over, but on the last down kicked it back to the Panthers. The Panthers fumbled and Belleville's Joe Goglia recovered the ball on his own 38-yard line. Belleville made a first down with a pass from Latore to Buyers. After this the going got rough, so Belleville quick kicked on the third down. East Orange kept charging up the field with quick plays run by their fullback Jim Oliver. Finally Quincy Yarbrough was hit with a pass and scored for East Orange making the score 13 all at the end of the half.

## SECOND HALF

East Orange kicked off and Tom Greco ran the ball up to

## CYO Is Taking Entries For Bowling Groups

Entries are now being accepted for the Essex County CYO's intermediate boys and junior girls bowling leagues. A roster of 10 is allowed for each team. An organization meeting will be held on October 8 at 8 p.m. in the CYO Office, 425 Bloomfield Ave., Montclair. This is the deadline for entries.

According to Joseph Lyons, CYO bowling director, games will be rolled on Sunday afternoons from November to March. Teams are limited to teenagers under 18 years.

A county bowling tournament will again climax play in both divisions. Holy Family's girls won the county junior crown last year. St. Anthony's I, Belle, was second in the boys' A league while St. Anthony's II girls were second in the B League.

Vincent Squatrito of St. Anthony's I top the individual scoring in all leagues with a 186 average.

the Belleville 26. Buyers then dropped a pass from Latore and East Orange took the ball over and worked their way down field to score on a fullback drive play by Oliver. The extra point was blocked.

Once again the Panthers kicked off. Luzzi received for Belleville and impressively ran the ball to the East Orange 33. Belleville slowly worked down field but a costly penalty pushed them back 15 yards and the Bell-boys were forced to kick. Oliver ran the ball back for East Orange. Belleville frantically tried to stop the hard hitting East Orange drive but all was in vain for Oliver finally broke loose and smashed through the middle to go charging over the goal for a touchdown. The conversion by Brown was good and it brought East Orange's tally up to 26.

For the last time East Orange kicked off to Belleville and the Bell-boys were driven far back into their own territories. Bob Buyers was hit with a pass from Latore. Three plays later East Orange intercepted another pass intended for Buyers and ran to the Belleville 37. Belleville took the ball over again on their own 48 but another of Latore's long passes to Buyers was intercepted and run up the field. A penalty then moved East Orange back and before anything had time to develop the clock ran out and Belleville had lost by a 26-13 margin.

Although the Bell-boys lost by a decisive score, they showed a definite betterment over last year. Not only did the team show improvement but the attendance was also much better. Any town can give a following to a winning team. But a town that will back their team through the good and bad is showing true community feeling. Let's see the people of Belleville keep up their avid spirit and continue to come out every Saturday and back their team.

## REPRESENTS SCHOOL

Maureen Manning of Belleville, a Senior at Caldwell College, represented her school at the 19th National Congress of the National Federation of Catholic College Students in Chicago.

Miss Manning is the daughter of Mr. and Mrs. Naaman B. Manning of 10 Walnut Street.

## Holy Family Scores Over Jersey City

Holy Family Grammar CYO Football team scored an impressive victory over Holy Rosary of Jersey City in the first game of the season Sunday at the Jersey City High School Field. Holy Family was on the defensive for the entire first half before becoming alive in the second half to win by a score of 14-0.

After the slow first half, Holy Family showed its true playing spirit when Dennis Malloy intercepted a pass and ran to the ten yard line for a 30-yard run. Carl Fisher did the scoring with a plunge drive from the 4 yard line two plays later. Fisher also made the extra point.

The second touchdown was one of the greatest plays in the history of the league when Holy Family was protecting their goal and Joe Test intercepted a pass on the 10 yard line and ran for a 90 yard touchdown. Dennis Malloy made the extra point to give Holy Family a 14-0 score with two minutes remaining in the game.

The strong defensive play by Art Zincola was the saving factor for the Holy Family team. He was in on most of the plays and held the team together to hold Holy Rosary to the two yard line when the first half ended.

Holy Family is coached by Clinton Taylor, a former great athlete of Nutley High. He has shaped the team into a real contender for the County title. This was the first time in five years that Holy Rosary lost an opening game. Romeo Madero is the Athletic Chairman of the CYO activities at Holy Family.

## Tuesday Women's Bowling League Posts Scores

The second week of bowling finds Adam Hats, Terry Drugs and Associated Tree Experts still tied for first place with Bellas Floor Covering.

Ted Peters Stadium Tavern, A. Preston Phoebe Builders and Brookdale Sea Food tied for second.

Clifford Tool Specialties, International Coining and Stamping and Johnston Realty Company tied for third place.

Individual high scorers were Shirley Riley, 179; Muriel Berst, 173; Myra Adams, 169; Ruth Wolff, 168; and Marge Devay, 168.

## Varsity Club To Present Dave Brubeck

The Varsity Club of Seton Hall University will present the Dave Brubeck Quartet in Walsh Memorial Auditorium on Friday evening, October 12 at 8 p.m. for its 13th Annual Jazz Concert.

Appearing with Brubeck will be Joe Morello on the drums, Gene Wright on the bass, and Paul Desmond on the alto sax. Desmond, a frequent poll winner, is featured on all Brubeck discs, and wrote Take Five, a popular jazz hit which has become the best selling jazz single in history.

A member of the executive committee for the Varsity Club is Don Klein of 65 Florence Avenue, Belleville, who is on the varsity baseball team and basketball team.

## Weekly Football Contest Is Now Under Way

A weekly football contest, highlighting interest around several area Essex County High School grid squads, is being launched by Harry's Department Store for Men and Boys. Harry's is located at 879 Franklin Avenue, Newark.

The contest, with three weekly merchandise certificate winners, offers a first prize of \$25; second, \$15; third, \$5. The contest requires no purchase to enter, and can be entered by the official form appearing on the sports pages of this newspaper, or on the forms provided by Harry's at the store.

All entries must be in the possession of Harry's by 11 a.m. each Saturday. Winners will be announced the following Tuesday, and will be posted by Harry's.

The rules are simple and appear in full on the official entry form. "Harry" Berkstein, proprietor of the popular store for men and boys, states that he is endeavoring to add a little more excitement to the area football games with this contest, and stresses that no purchase is necessary to enter the weekly contest.

Each week entrants will be asked to predict the outcome, by scores of Nutley, East Orange, Barringer, Central, Orange, Bloomfield, Belleville, Montclair, Glen Ridge and Seton Hall High Schools.

## Belleville High-Lights

PIGSKIN PARADISE  
By MARLISE JAMES

The first football game of the year by any other name is still the first football game of the year," as that idol of all English 4 students, Shakespeare might say.

Last Saturday was Belleville's first game, and it will long remain a fond memory to all who attended.

How could anyone forget the melodious voices shouting "Pretzels, jelly apples, ice cream!" How could anyone forget the feel of the crisp autumn air on their faces, or the crisp feel of shoe soles in their hands as people gaily scrambled all over the bleachers!

The sound of the cheering crowd must still remain in everyone's ears, especially the sound of the Brooklyn cheer that everyone gave as members of our opponent's student body kept parading back and forth, completely blocking the view of the football game.

All kidding aside, it was a very good game. The football team, under the direction of able captain Joe Latore and the excellent coaching staff, played a game that would make anyone rooting for the team, whether cheerleaders and the newly formed Booster's Club were in there rooting for the team, whether things looked good or bad.

Everyone should be congratulated for showing East Orange we can be good sports, win or lose. With a little bit of luck this Saturday we'll show Bloomfield that we're especially good sports when we WIN.

MONTGOMERY PTA  
HOLDS WELCOME

The Parent-Teacher Association of Montgomery School Two held a "Welcoming Tea" on Tuesday, September 25 to open the 1962-63 school year. The affair was under the direction of Mrs. W. Angela with the assistance of Mrs. V. Della Torre, Mrs. J. Argenziano, Mrs. R. Grigoris and Mrs. J. Coponi.

## High School Will Have Local Kiwanis Key Club

Plans have been finalized to organize a Kiwanis Key Club in the Belleville High School this month, sponsored by the local Kiwanis Club. Students with good character and scholastic records will be interviewed, with a limit of 25 for the first year to be approved by Key Club International.

## New Belleville Team Joins Olympians

The Olympians started their bowling league again this year with a new team added. Rose Reilly Agency of Belleville replaces Beacon Realty of Nutley. Orechia's Agency is in first place after winning two games from Rose Reilly.

Costa's Delicatessen lost two games to Barbore's Chevron. White Oak Pharmacy lost two to The Nutley Sun.

Belleville Travel took two wins from A & P Auto.

To everyone who plans to buy an Imperial, Cadillac or Lincoln this year

If you'd like the best perspective on what your next luxury car can offer, begin with a drive in the new Imperial — first luxury car having its power-train warranted\* for five years or 50,000 miles.

Your Imperial dealer is ready to furnish one of his new models for your comparison.

You'll find Imperial is designed for spaciousness and luxury on the grand scale. Imperial's town-car look is deliberately

restrained — and timeless. But its famous roadability is evidence of very timely advances in high-performance power and the largest automatic-adjusting brake system in any American luxury car.

After you've tested and inspected and compared, we'd like your personal judgment of our major premise: that Imperial's differences afford important motoring qualities not found in either Cadillac or Lincoln.

So accept our friendly challenge, please.

We're confident that driving an Imperial will influence your ideas about what a luxury car should be and should do.

\*Your authorized Imperial Dealer's Warranty against defects in material and workmanship on 1963 cars has been expanded to include parts replacement or repair for 5 years or 50,000 miles, whichever comes first, on the engine, block, head and internal parts, transmission case and internal parts, torque converter, drive shaft, universal joints (excluding dust covers), rear axle and differential, and rear wheel bearings, provided the vehicle has been serviced at reasonable intervals according to the Chrysler Certified Car Care schedule. Excludes approved replacement parts may be used for replacement.

## Beautiful Bucolic Belleville

## Early Steam Engine Built Here Was Not Successful

By FREDERICK J. PIXLEE

One of the least known legends of Belleville was a member of a family whose name is indelibly written on the pages of the history of the United States of America. I refer to Nicholas J. Roosevelt.

This name is not found in any conventional history books but it is mentioned several times in reference books written on the development of transportation in the Colonies and particularly in the development of the steamboat.

One of the early myths about the world famous Clermont of Robert Fulton was that the steam engine propelling that vessel was built in Belleville. If it were true, Belleville would have more claim to fame than it really does have. The engine for the Clermont actually was built in England by the firm of Watt and Bolton and was brought here by a sailing vessel just in time to escape the embargo on British commerce imposed by President Jefferson.

## THE TRUE STORY

The true story was that in 1798 John Stevens built a vessel to be run by steam. It was to be propelled by a stern wheel and the engine was constructed in the plant run by Nicholas J. Roosevelt in Second River, which was the original name for Belleville. Josiah Hornblower designed the engine, which was somewhat similar to the one designed by him to pump water

from the copper mine that was discovered only a short time before on the farm of Abraham Schuyler in North Arlington.

Ask any boy in the Belleville of today if he has ever visited the copper mine and you will receive blank stares of outright incredulity. They do not believe you when you tell them that there is such a place and that we brought specimens of the grey rock streaked with green to the chemistry class in Belleville High School for analysis.

The serious defect in this engine was that it would admit steam on one side of the piston only, not like the Watt engine which admitted steam to both sides of the cylinder. This primitive engine was satisfactory in pumping water, but it would not turn the stern wheel of the steamboat after she was launched. On dry runs out of the water it worked after a fashion.

The name of the vessel was the Pollacca and she was about 120 feet long. If Roosevelt and Hornblower had done more research about the steam engine along the lines followed by James Watt, their names might have gone down in history with John Stevens as the inventors of the steamboat.

## FULTON'S FAME

Robert Fulton's fame is due chiefly to the fact that he invented the first successful steamboat and also due to the powerful backing of Chancellor Livingstone.

The Pollacca was never placed in regular commercial service and further plans for a steamboat by Roosevelt and Hornblower were laid aside. John Stevens, of course, is famous in his own right as the founder of Stevens Institute of Technology.

Nicholas J. Roosevelt did not win much fame in Belleville, but he is remembered as a pioneer who ventured West. In 1812 he went to Pittsburgh and built the steamer New Orleans, which was the first successful steamboat on the Ohio and Mississippi Rivers.

**PLANT TAKEN OVER**  
The plant which he operated in Belleville was later taken over by the Hendricks Brothers, who founded the Belleville Copper Rolling Mills.

High Holmes in his queer book on the history of Belleville, dismisses the story of the first successful steamboat on the Ohio and Mississippi Rivers. My research on the history of the steamboat in America uncovered most of the data outlined above. There is much to be uncovered about the exploits and inventions of Roosevelt and Hornblower.

## VILLAGE FLOURISHED

It must be remembered by all the residents of Belleville that the settlement of Second River was a flourishing village for three decades before Newark was founded in 1666.

Belleville was originally founded by the Dutch who came to New York in 1623 and also es-

tablished the town of Bergen, Acquackanonk and Second River in New Jersey.

Our town's history has been sadly neglected throughout the years and it is high time that it be rejuvenated. The earnest attempts of Allan Crisp, Ben Grimm, Max Schwartz and the Rev. Dr. Long are not to be taken lightly. These men are devoted to the promotional cause of forming a historical society and the townspeople should back them to the limit. I sincerely hope that they can and will revive an interest and pride in our town which in recent years has declined to a great degree.

## Carl Hundertpfund Relates Adventure Of Bygone Years

Frederick J. Pixlee, author of The Times-News series Beautiful Bucolic Belleville, has received an interesting letter from Fire Chief Carl Hundertpfund concerning Mr. Pixlee's article on the large stack that once stood along the river at the foot of Greylock Avenue.

"I am one of the few who climbed to the top of it on the inside," the chief said.

He continues: "I read with great interest your account of the large stack that used to stand along the river at the foot of Greylock Avenue. You mentioned that the rungs went halfway up on one side, then transferred to the other side for the rest of the way. This is not exactly true. The stack was square at the bottom and con-

## Children Raise Money

Children residing on Walnut Street, Belleville, recently held a carnival to raise money for Musical Distrophy. The affair was staged in the rear yard of the home of Bonnie Allen, 48 Walnut Street.

The children had several booths, a wishing well and

games, in addition to hot dogs, cakes, watermelon and candy. The children collected \$13.73 and later sent a check for that amount to M.D.A.A. Those who ran the affair are seen in the above picture, left to right, John Alexander, Joy Brechbill, Bonnie Allen, Billy Fossell and Rita Alexander.

and tried to look around in the dim light and I was just able to see the rung on the opposite side. I stood up on the edge of the plate and inched out, still holding on to the rungs on my side. When I had reached as far as I could there were still about two steps to take before I could reach the other side. I made it okay.

"When I finally reached the top there was a great flutter that almost caused me to lose my grip on the rungs. The flutter was a very large owl which I had disturbed. When I climbed out and looked over, my friends were standing below looking up. I felt that since I had come all this way I would give them a show. I stood up and walked around the edge. It must have looked spectacular from below, but actually the ledge around the top was 18" to 2' wide. I took Potts' hat off and threw it out and it sailed around the stack and flipped crazily down.

"When I reached the ground and we all climbed aboard the

## Belleville Girl Receives Three Honor Awards

Kathleen Fanning, daughter of Mrs. L. Fanning of Parkside Drive, has graduated from Saint Joseph's Hospital School of Nursing.

She was honored with three School of Nursing Awards, General Excellence donated by the Senior Staff of the Hospital, the Helen B. Christman Award for highest grades in Obstetrics and Gynecology and the Patricia Guild Award as the type of student both faculty and students are proud to honor.

## BAN ON POLITICS IS CRITICIZED

The Essex County Veterans Ticket Committee, September 6, from a pre-story, September 6, we find "Tough as Hell," an expression used by your Belleville paper in introducing William A. Sommers, the new town manager.

He starts off with politics, although it is not making mention of the nasty word, which is responsible for him having the position which he now holds. We, the Veterans organization who did select a "veteran's choice" ticket each year for the last twenty years, are a non-partisan veterans' organization, dealing in clean wholesome politics for veterans who fought in the wars to maintain peace on earth and good will to all people. The wars were not political, bullets instead of ballots, and we who were in it would prefer ballots to win our political wars. The unit in Belleville is very much concerned over this latest order, no politics. He stated, "I h i s point I will be very strong about." We ask why?

The Essex County Veterans Ticket Committee, Belleville Unit, will join our county organization on Wednesday night, October 17, at 7:30 p.m. at Biase's Restaurant, Newark, when more than 400 veteran delegates, 30 from Belleville, will represent every municipality in Essex County, and by a secret ballot. After speeches from the floor and a vet's screening report of all candidates, select their "Veteran's Choice" ticket for Essex County. They will all be served a dinner and refreshments and then be asked to go all out to elect the entire vet's slate. We do not use the names of Democratic or Republican or Independent, we call it "Veteran's Choice."

## Beck's Column

Some time ago, after a customer made his selection, he asked as an afterthought, does the set have printed circuits?

There is great confusion regarding hand wiring and so-called "printed circuits," which these days really are not "printed" any more.

If you happen to be a reader of this column for the last few years, we have kept you up to date on the development of this modern construction method. It started unfortunately—almost 9 years ago with a considerable amount of difficulties. Instead of giving it enough time in try-outs and pilot production, several manufacturers plunged and changed from hand wiring to printed boards overnight. Those factories, which continued to hand wire, pounced on these "bugs" and played hand wiring up as so much more desirable, which really is incorrect.

The difficulties with manufactured printed circuit boards were soon eliminated. They were not "printed" anymore. The connections were made with solid copper sheets, solder techniques were improved and the schematic diagrams and values of parts were written right on the boards. The latter feature alone cuts time, in case of the need for service, in half.

Today, a handwired TV set is as obsolete as a model T Ford automobile. There is a well known joke among knowledgeable technicians: If Glenn you have to have dependent on hand wired electronics equipment, he would have landed on the moon instead of coming back to earth.

Manufactured plated (etched) boards of today are far more dependable than hand wiring, easier and cheaper to repair, more precise and uniform in performance, and although they are better than hand wiring, they are cheaper to manufacture. Hand wiring of electronic equipment for mass production will soon be a thing of the past.

We service what we sell.

## Dr. Mattia Is Named To Head Rodino Drive

Rep. Peter W. Rodino Jr. (D., 10th Dist.) announced yesterday the appointment of Dr. V. D. Mattia of 150 Ridge Road, Nutley, as chairman of the "Volunteers for Rodino" group which is active in the Congressman's reelection campaign.

Dr. Mattia, an independent Republican, is vice-president and member of the board of directors of the Hoffman-La Roche pharmaceutical firm in Nutley. In accepting this leading role in Mr. Rodino's campaign, Dr. Mattia said:

"I have long been impressed by Congressman Rodino's responsiveness to the needs of the people. As a physician, I have particularly observed that Congressman Rodino is extremely sensitive to the nation's medical needs. He has studied them, evaluated them and developed practical approaches to the problems."

Dr. Mattia, married and the father of four children, was graduated from Rutgers University in 1944 and obtained his medical degree at New York Medical College in 1950.

During World War 2, he served as a line officer in the U. S. Navy. During the Korean conflict, he returned to active duty in the Navy as a medical officer.

After serving his internship at St. Barnabas Medical Center, Dr. Mattia entered the private practice of medicine but soon accepted the post of director of medical information and associate editor of The Merck Manual at Merck & Co.

He later joined Hoffman-La Roche where he was appointed director of medical information, eventually becoming director of medical research. In 1958, he was named general manager of the Roche laboratory division.

Elected vice-president in 1961, he was named to the board of directors early this year.

Active in community life, Dr.

Edward Simanal

Essex County Chairman

## Juan Toscano Jr. Is Named To Post With Accountants

Juan Toscano, Jr. of 191 Cortlandt Street, Belleville, has been elected Associate Director of Member Attendance of Newark Chapter, National Association of Accountants.

The National Association of Accountants is the world's largest accounting organization with 171 chapters, 17 accounting groups and 32,000 members. It is devoted through research, discussion and exchange of information, to the development of a better understanding of the nature, purpose and uses of accounting as applied to all types of economic endeavor.

Mr. Toscano is a cost accountant with Diamond Alkali Company of Kearny.

Mattia is president of the Essex County Heart Association, past president of the Essex County Society for Crippled Children and Adults and is a member of the board of the Cerebral Palsy Rehabilitation Institute in Orange.

His professional affiliations include the Essex County, New Jersey and American Medical Associations and the Academy of Medicine of New Jersey.

Active in community life, Dr.

## Music Studios Taken Over By Ralph Roselle

Ralph Roselle, lifelong resident of Belleville, director for many years of Roselle Music Studios, has taken over the facilities of the Philharmonic Conservatory of Music at 28 Washington St., Bloomfield Center. Peter De Sero is sales manager. The Conservatory has been completely renovated.

Roselle has been in the music field in this area for more than 25 years, and has written and directed many musical shows for private organizations and schools throughout northern New Jersey. Many of the shows have included school children of all ages and their parents. He has had much success in teaching handicapped children to play various musical instruments such as piano, accordion and guitar, in the belief that music can give the child new interest in life and overcome the child's lack of confidence in himself. It is Roselle's ambition to work further with handicapped children and convince their parents that music is the birthright of all children.

## Mrs. McCool Is Right

At the last meeting of the School Board Mrs. Norma McCool objected to the application of double standards to purchases made for the school system.

It appears that some members of the school board have insisted upon competitive bidding in matters concerning the purchase of printing but the same members are willing to close their eyes to competitive bidding when it comes to other category purchases.

Mrs. McCool doesn't like the double standard. She thinks the rule of competitive bidding should apply without exception. She thinks that some members are carried away with a feeling of vindictiveness toward The Times-News. She may be right.

We share Mrs. McCool's belief that only one standard should prevail. What is good for The Times-News should also apply to other vendors selling to our school system. For the moment it is sufficient for us to make passing mention of the correctness of Mrs. McCool's position. During the coming Board of Education election there will be ample time and space to cover the point in detail—and we think it needs the full treatment.

## The Administrative Code

The new Town Administrative Code has now been introduced as an ordinance and a public hearing scheduled for Tuesday evening, October 9.

The ordinance is published in full elsewhere in this issue of The Times-News, and every citizen should at least glance through it for the purpose of learning the sort of document it is. It is an important piece of legislation, for it provides the basic law under which Belleville will operate.

Town Manager William A. Sommers wanted the code placed on the books of the town in ordinance form as soon as possible in order that he would have an authoritative law under which to function. This desire of Mr. Sommers is readily understandable. He is an energetic young man with things to do and wants the proper legal authority by which to do them.

The citizens of Belleville should understand that the code is a flexible thing. Even after passage following the Oct. 9 hearing, it may soon be found that certain provisions are not practical or may be improved. Indicated changes may then be made without any undue formalities, provided a majority of the Council is in agreement.

And naturally, in the course of time, changes will be necessary just to keep pace with changing conditions. As Clive Cummins, the author of Belleville's code, has already pointed out, the codes he has prepared in other communities need periodic revisions to bring them up to date and in line with current thought and policy. The same will be equally true in Belleville.

## A Senseless Loss Of Life

Last Sunday a chartered plane carrying 78 passengers went down in the Atlantic. The plane's precious load represented Army men and their families en route to a U. S. base in Germany.

Just about a year ago another chartered plane bearing new Army recruits went down in North Carolina.

At latest reports Sunday's tragedy claimed 29 lives.

We are told the Armed Forces are under Congressional order to distribute its transportation business among all airlines including nonscheduled lines.

We don't care who gets the air travel business just as long as our men and women in American uniforms ride in the safest and latest plane available. In our judgment a Super Constellation, the plane involved in Sunday's catastrophe, does not fall in that category.

Manufacturers stopped making Super Cs about five years ago when they were declared obsolete. Today they belong in an antique show — they certainly should not be used to take our boys overseas.

Daily, overhead we hear the constant drone of jet-driven airplanes. This is the type plane which should be used to transport U. S. Defense personnel overseas and not the "Model T" type which went down Sunday with three engines conking out.

Citizens are encouraged to write to our Congressional representatives demanding the use of the best flying equipment for our troops and their families.

Remember the old legend, "nothing is too good for our boys"?

Our Congressional representatives are, Peter W. Rodino Jr., Congressman, 10th Congressional District. His address is House Office Bldg., Washington, D. C.

The two United States Senators are Clifford P. Case and Harrison Williams. They can be reached by addressing a letter to the senators in care of U. S. Senate Office Building, Washington, D. C.

The senseless waste of life which occurred Sunday in the Atlantic a short 500 miles from Ireland must be stopped. Sunday's tragedy involved no one from our community. The next might. Why wait?

## The Physically Handicapped

We have all read or heard the saying "Never underestimate the power of a woman." Perhaps the same might be said about a properly trained handicapped employee who is able to work and who is looking for work.

Why? The handicapped have proved themselves time and time again to be safe, loyal, dependable employees. And, furthermore, surveys made all over the country prove that the handicapped hold more than their own when it comes to on-the-job performance.

As we prepare to observe National Employ the Physically Handicapped Week, October 7-13, 1962, let us remember that there are thousands of qualified handicapped men and women who want to work, who want the opportunity to prove themselves. They want to contribute to society and to their community.

In short, they desire to be on the payroll, not the public assistance roll.

While special emphasis is placed on the hire-the handicapped program during this week proclaimed by the President of the United States, let us also remember that this is a year-round program and not one to be taken out of the files in the fall, dusted off, and publicized for one week or so and forgotten about for the next 51 weeks. It is an on-going program that stresses man's abilities, not disabilities, and for the handicapped, it adds up to independence, not dependence.

## Thwart The Auto Thieves!

A steady rise in automobile thefts suggests that motorists follow specific practices that will make life difficult for car thieves.

1. Never leave your keys in the car, not even for a moment.
2. Never leave your car with the motor running, as so many motorists do while they run into a store. It's illegal.
3. If you must leave your car on the street overnight, try to park it under a street light.
4. Never leave valuables on car seats where they might be seen by passers-by. Lock them in the trunk.

Some people who are leaving their cars to go away for a few days, remove the rotor in the distributor, which is a real delaying tactic to car thieves.

Car theft is typically a youth offense. Of all persons arrested for auto theft in 1961, when 326,206 cars were reported stolen to the Federal Bureau of Investigation, 59 per cent were under 18 years old.

## Back To Normal

The New Jersey Highway Department submits reports to this newspaper almost daily on its road construction and maintenance operations and subsequent effects on traffic. A few days ago came this advice:

"Route 46—South Hackensack and Little Ferry—One-way traffic in each direction from 9 a.m. to 4 p.m. during widening and resurfacing operations. The conditions will remain for about two months."

We gather from this that after the two-month period traffic will revert to its customary confused state of two ways in each direction.

FRANKLINVILLE, N.J., TOWNSHIP SENTINEL: "The Declaration of Independence... easily ranks as one of the most important documents of history. In it, Thomas Jefferson, the author, set forth the inalienable rights of man and the theory that governments are instituted by men, not set up by God, and therefore derive their powers from the consent of the governed."

VISIT OUR FRIENDLY PHARMACY

We don't consider the practice of pharmacy to be like running the average business. Of course we have to make the fair profit needed to operate a good pharmacy, but every time we serve you it affects your health and possibly your future life.

Please come to us as you would to a friend, for every one here is anxious to please you. We promise that we will never let greater profits influence us, but consider your welfare first.

## OBITUARIES

## Clifford McCullough

Clifford G. McCullough of 2 Copper Place died at home Monday, September 24, after a long illness. He was 48.

Mr. McCullough was formerly stationed at Overbrook Hospital, Cedar Grove, as an employee of the Essex County Department of Plants and Structures. He had been on the disability list for two years because of poor health.

He had served in the Army Air Force in World War II. He was a life-long resident of Belleville. He leaves his parents, Mr. and Mrs. Archie R. McCullough of the home address; four sisters, Mrs. Benjamin Painter of Pleasantville, Mrs. Joseph D'Andrea of Belleville, Mrs. John G. Mc Ardle of Lewistown, Pa., and Miss Ruth Ann McCullough, at home, and three brothers, Bernard R. of Payson Lakes, March 3, of Livingston and Wallace J. McCullough of Caldwell.

Services were held Wednesday evening at George Van Tassel's Community Funeral Home, 337 Belleville Avenue, Bloomfield.

## Edward J. Kerins

Edward J. Kerins of 28 Erie Place died Saturday, September 22, at the Veterans Hospital, East Orange. He was 53.

Born in Addison, N. Y., Mr. Kerins had lived in Belleville be-

fore coming to Nutley four years ago. He was a foreman for the Adley Express Company, and a member of the Belleville American Legion.

He leaves his wife, Mrs. Elizabeth Donor Kerins; a son, Michael E. Kerins of 28 Erie Place; and a sister, Mrs. Edward Calton of Jersey City.

Services were held yesterday, September 26, at the Stanton Funeral Home, 661 Franklin Avenue. Interment was at Crest Haven Cemetery, Clifton.

## Boat Course Offered At Adult School

John Dierker, Commander of U. S. Coast-Guard Auxiliary Flotilla 35 of Newark, has announced that his flotilla has scheduled a public instruction course in small boat handling and seamanship. The course will be held at Belleville Adult School, and starts October 2, at 8 p.m.

Classes will be open to all small boat owners and their families. Non-boaters are also invited to attend these courses. They are designed to help the novice boatmen learn the fundamentals of safety and courtesy on the water. The course will consist of one two-hour class each week for eight weeks. A certificate of proficiency will be awarded by

## Officials Of Scout Council To Join Confabs

Belleville Scout committee members, commissioners and Den Mothers will participate in Robert Treat Council's fall term of University of Scouting to be held at Broadway-Jr. High School, Newark, on six consecutive Wednesday evenings starting October 3.

Edwin Gasparini, chairman of Belleville's Leadership Training Committee said basic courses would be provided for all adults and parents in Cub Scouting, Boy Scouting, Exploring, and there would also be a course for members of the District's Staff of Commissioners.

The Council has recruited the training faculty and will provide all visual aids, text books, other

materials, and exhibits for the courses.

All who successfully complete a course will receive a National Council certificate and credit toward a Scout Leaders' Training Award or Key.

Enrollment for the courses should be made through a member of the District Training Committee, commissioners, executive staff member or at the Council's service center, 31 Central Avenue, Newark.

Robert M. Butler, headmaster of the Newark Academy and chairman of the Council's Leadership Training Committee, has announced the appointment of Thomas Ertzberger, Robert Hanger, Sr., Joseph Lava, and Milton J. Gimber as course leaders.

## Professor Takes Advanced Course At Yale

Dorothy Cunningham of 42 Fairway Avenue, Belleville, Assistant Professor of Science at Mont-

clair, is on leave of absence from Montclair State College for the 1962-63 academic year. She received a full University Scholarship from the Graduate School of Yale University and will be taking advanced course work during the coming year in the Department of Physiology of the Yale University School of Medicine.

During the summer she was on the research staff of the John B. Pierce Laboratory in New Haven, a privately endowed research laboratory affiliated with the Department of Physiology, Yale University School of Medicine. The results of that investigation into the thermoregulatory function of man under varying environmental stresses were presented at the fall meeting of the American Physiological Society, at the University of Buffalo.

## Craftsmen's Club Makes Plans For Annual Ladies' Night

Belleville Craftsmen's Club 409 will hold its annual Ladies' Night at 8 p.m. Wednesday, October 3, at Belleville Masonic Temple, 126 Jerusalem Street.

Entertainment for the evening Jersey: Kenneth D. Smith, Past President of the band of Salaam Temple, New Temple, and Robert Bartholomew Clubs.

## SOCIAL AND CLUB NEWS OF COMMUNITY INTEREST

MRS. E. H. McDOWELL, JR.  
Former Rosalie Ann Gialanella

## Miss Gialanella Married To Edward McDowell, Jr.

Miss Rosalie Ann Gialanella, daughter of Mr. and Mrs. Carmine Gialanella of 138 Birchwood Drive, and Edward H. McDowell, Jr., son of Mr. and Mrs. McDowell of 775 Westwood Avenue, River Vale, exchanged vows Sunday afternoon, September 23, in St. Mary's R. C. Church, Nutley. The Rev. Gerard Walsh performed the ceremony, and the reception was held at the Bow and Arrow Manor, West Orange.

Escorted by her father, the bride wore a long-sleeved gown of imported silk peau de soie with a motif of pearls and beads enhancing the bodice and left shoulder, and reappearing on the dome apron and chapel train. A double crystal crown held her bouffant veil of waist-length French illusion, and she carried a bouquet of orchids and stephanotis.

The bride's sister, Miss Donna Maria Gialanella, was maid of honor, and bridesmaids were Miss Judy Di Rienzo and Miss Mary Ann Magnifico of Belleville, Miss Mary Alice Craig of East Orange, Mrs. Ellen Ritchie of Park Ridge, and Miss Judy Ann McDowell, sister of the bridegroom.

The maid of honor wore a gown of peau de soie with scoop neckline, long sleeves and bell skirt, with a matching bow as headpiece. The bridesmaids were similarly attired in apricot peau de soie. All the bridal attendants carried a Fall arrangement of chrysanthemums.

## Stork Club

David E. Wooster, Jr.

Receiving congratulations on the birth of their first child are Mr. and Mrs. David E. Wooster of 151 Union Avenue. A seven-pound, ten-ounce son, David Edward, Jr., was born August 16 at Clara Maass Memorial Hospital. Mrs. Wooster was formerly Mary Jean Allman, daughter of Mr. and Mrs. Edwin H. Allmann of Middletown Township. Mr. Wooster is the son of Mrs. Florence Wooster of 85 Edison Avenue, Nutley. The proud father is a lock seamer for the Allstate Can Corp., Clifton.

Robert Norman Kenny

A second child, an eight-pound son, Robert Norman, arrived August 25 in Mountsinai Hospital, Montclair, to Mr. and Mrs. Norman Kenny of 51 Branch Brook Drive. Robert has a 21-month-old brother, G. Michael. Mrs. Kenny is the former Rose Marie Stango, daughter of Mrs. M. Stango of Newark. The paternal grandparents are Mr. and Mrs. G. A. Kenny of 151 Lakeside Drive, Nutley. The proud father is with the Service Insurance Co., Elizabeth.

## Engaged

MISS JANICE PERNA

The engagement of Miss Janice Perna to Robert Anthony Lombardi, son of Mr. and Mrs. Joseph Lombardi of Jersey City, has been announced by Miss Perna's parents, Mr. and Mrs. Armando Perna of 2 Watessing Avenue.

A graduate of Belleville High School and Lyons Medical Institute, Newark, the bride-elect is a legal secretary in the employ of Gurry and Conlan, Esqs., Newark. Mr. Lombardi, a graduate of St. Peter's Preparatory School and St. Peter's College, Jersey City, is an Urban Renewal Trainee with the Jersey City Redevelopment Agency. He is presently enrolled at Seton Hall University, studying for a Master of Arts degree in Supervision and Administration.

The wedding date has been set for May of 1963.

## Court Gratia 751 To Hold Dessert Bridge

Court Gratia 751, Catholic Daughters of America, will hold its regular business meeting on Monday, October 1, at 8:30 p.m. at the Knights of Columbus Hall, Nutley. Mrs. Fred Scott, Jr. is Grand Regent of the Court and the Rt. Rev. Msgr. James J. Owens, pastor of St. Mary's Church, Nutley, is Chaplain.

The Court is sponsoring a Fall dessert bridge to be held in St. Mary's gym on Monday, October 15, at 8:30 p.m. Mrs. Stanley Kowal is in charge of tickets.

After a two-week stay in the Pocomo, Mr. and Mrs. McDowell will reside at 62 Maybrook Drive, Maywood.

## Future Bride Feted With Many Parties And Showers

Invitations have been issued for the wedding of Miss Ann Marie Cantalupo to Robert Nathan Failla by her parents, Mr. and Mrs. Peter A. Cantalupo of 31 Tremont Avenue. Mr. Failla is the son of Mrs. Eugene T. Mollica of Glenview Road, South Orange, and the late Anthony Failla.

The Rt. Rev. Msgr. James J. Owens, pastor of St. Mary's Church, Nutley will perform the ceremony and celebrate a Solemn High Nuptial Mass at 11 o'clock on Saturday, October 6. The Reverend Gerard W. Walsh and John M. Golding will assist the Monsignor as Deacon and Sub-deacon, respectively. The Apostolic Blessing will be bestowed upon the couple.

Miss Cantalupo was feted at a miscellaneous bridal shower given by her aunt, Mrs. Robert Calabrese of Plenge Drive, at

the Chanticleer, Millburn. A personal shower, hosted by the bridesmaids, all of whom are college friends, was held on September 8 at Rod Keller's West Orange. Hostesses were Miss Gladys Gdula of Westbury, Long Island, Miss Mary Homish of South Orange, Miss Denise Lamoreux of Marlboro, Massachusetts, and Miss Mary-Jane Marta of Highland Park.

Miss Louise Ann Cantalupo, sister and maid of honor of the bride-elect, gave a bridesmaids' luncheon at the Upper Montclair Country Club on September 15. On September 22, the couple were feted at a cocktail-dinner party given in their honor by the future bridegroom's sisters and brothers-in-law, Mr. and Mrs. Anthony C. Albanese and Dr. and Mrs. John T. Comerci.

The bridegroom's parents, Mr. and Mrs. Eugene T. Mollica, will host a rehearsal dinner party at their home in South Orange.

TO HOLD CARD PARTY

The women of Fewsith Memorial Presbyterian Church will hold a card party and fashion show, featuring a showing of hats, on Friday evening, October 5, at 8 o'clock.

MRS. THOMAS J. FALDUT  
Former Angela Polizio

## Polizio-Faldut Nuptials Held In Saint Anthony's

The marriage of Miss Angela Patricia Polizio of 65 Salter Place, daughter of Mrs. Madeleine Guerrier of Bloomfield and Mr. Cosano Polizio, Newark, to Thomas J. Faldut, son of Mr. and Mrs. Thomas Faldut of 5 A Bellevue Court, was solemnized Saturday afternoon, September 22, in St. Anthony's R. C. Church.

The Rev. Joseph L. Affanoso performed the ceremony which was followed by a reception at the Galaxy.

Escorted by her father, the bride wore a long-sleeved gown of white satin with Empire waist, enhanced with seed pearls. A crown of pearls held her pouf veil and she carried a bouquet of white orchids.

A sister of the bride, Mrs. Erma Ventola of Newark, was matron of honor. Bridesmaids were Miss Jane Cuozzo of Belleville, Miss Rosalie Di Nola and Miss Carol Donadio, both of Nutley. Flower girls were two nieces of the bride, Cynthia Esposito of Belleville and Mary Ann De Gise of Newark.

The honor attendant was gown in a sheath of gold satin with overskirt and wore a pill box with tailored bow and pearl cluster. She carried gold chrysanthemums. The bridesmaids were similarly attired in green sheaths and carried yellow chrysanthemums. The flower girls wore gold satin gowns with Empire waist and tailored bows.

MISS KATHLEEN DI CICCIO

Mr. and Mrs. Dominick Di Ciccio of 243 Bloomfield Avenue, Nutley, announce the engagement of their daughter, Kathleen, to Gerald N. Bissell, son of Mr. and Mrs. James V. Bissell of 63 Perry Street, Belleville.

A graduate of Nutley High School, Miss Di Ciccio has received her A. B. from the University of Rochester and is presently a senior at the Seton Hall College of Medicine.

Mr. Bissell, a graduate of Belleville High School, has received his B.S. degree in Business Administration from Fairleigh Dickinson University. He is employed as manager of the Frozen Food Warehouse of Wakefern Food Corp., Elizabeth.

## Tri-Towners To Hold Panel Talk, Auction

The regular monthly dinner meeting of Tri-Town Business and Professional Women's Club of Belleville, Bloomfield and Nutley will be held today, September 27, at the Park Methodist Church in Bloomfield at 6:45 p.m.

There will be a short business meeting followed by a panel discussion, "The Open Door to Leadership." The panel will be made up of civic participation chairman, Mrs. Florence Rutan of Nutley; personal development chairman, Mrs. Lea Rodgers of Bloomfield; and world affairs chairman, Mrs. Harriet Ramsing of Bloomfield. The panel will be moderated by Miss Mildred C. Spatz of Bloomfield.

The evening will close with an old-fashioned auction sponsored by the finance committee, with Miss Marguerite Russell of Bloomfield, finance chairman, acting as auctioneer.

## Kress Reports Savings Banks Meet Challenge

The nation's mutual savings banks are surviving the new competition stemming from changes in Regulation Q permitting commercial banks to raise interest

rates on savings deposits.

John W. Kress, president of the Howard Savings Institution and president of the National Association of Mutual Savings Banks, told the fall meeting of the Savings Banks Association of Massachusetts. Eight months ago when the change went into effect, he said, there was considerable concern about the outlook for savings banks.

"It now appears," he continued, "that the alert and aggressively managed savings banks had little to fear from this development. They met the competition, increased their own rates and more than held their own. During the past seven months, mutual savings banks deposits increased \$1.5 billion, a record high, compared with slightly over \$1 billion during the first seven months of 1961. Preliminary figures for August show that the net deposit gain in regular accounts for all of our savings banks is almost three times that of August 1961."

## Congressman's Son Is Named 'Boy Of Year'

Peter Rodino III, son of Congressman Rodino, who represents the 10th District of New Jersey, has been designated "Boy of the Year" by the Lido Civic Club, for his work in starting the "Little People-to-Little People" program.

The Lido Civic Club, one of the major social-philanthropic clubs in the nation's capital, each year selects one American for an award for his work in serving his nation and community. Previously honored as recipients of the annual award have been such well known national figures as Senator Pastore of Rhode Island, Clare Booth Luce, lady of letters and former Ambassador to Italy and Rocky Marciano, the former heavyweight boxing champion of the world.

In making this year's award, the club cited young Rodino "In recognition of his efforts to serve his country and humanity through his 'Little People-to-Little People' program — a program conceived by him to achieve a lasting peace by promoting better understanding and friendship among the children of the world."

The luxurious Chrysler New Yorker

Presenting: the Crisp, New, Custom Look of

**CHRYSLER '63**

Raise your eyes and take another long look at this beautiful '63 Chrysler.

How would you describe it? America's most prominent fashion leaders, style-setters, and designers said this about the '63 Chrysler: "A stunning concept in restrained elegance!" "Has the custom look of a town car!" "Beautiful simplicity in line and form!"

Inside you'll find a style revolution in the making: gorgeous patterns; loop-pile

carpeting that would grace any living room; wide, comfortable deep-cushioned seats.

Again in '63 you'll find no small-size Chryslers, no jr. editions, to undercut your big-car investment, penalize your pride or reduce your resale value.

All '63 Chryslers are big, beautiful and V-8 powered. All are pleasant price surprises, too. Take a good look at the custom-looking '63 Chrysler . . . then take a big, beautiful step ahead in style.

Now! 5-year/50,000-mile warranty!

Another First for Chrysler! The very highest standards of engineering leadership have resulted in an extended warranty\* on the power-train of 1963 Chryslers.

\*Four authorized Chrysler Dealer's Warranties against defects in material and workmanship on 1963 cars has been expanded to include parts replacement or repair for 5 years or 50,000 miles, whichever comes first, on the engine block, head and internal parts; transmission case, and internal parts; excluding manual clutch linkage assembly, drive shaft, universal joints (excluding dust covers), rear axle and differential, and rear wheel bearings, provided the vehicle has been serviced at reasonable intervals according to the Chrysler Certified Car Care schedule. Factory-approved "non-defect" parts may be used for replacement.

### Rodino Reports On Disarmament

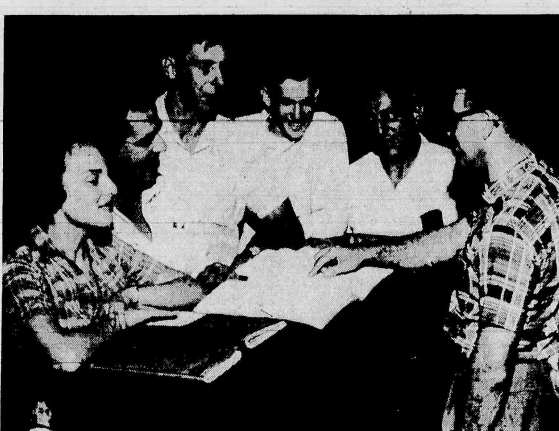

In a statement delivered on the house floor last week, Congressman Peter W. Rodino, Jr. (D-N.J.) hailed the "serious and sincere endeavor" of the United States to reach agreements on meaningful arms control while safeguarding completely the present and future security of our nation.

The New Jersey Congressman, who recently attended the 18-nation disarmament conference in Geneva, cited the two proposals offered as "the most dramatic proof yet of our avowed effort to achieve arms control. And, the Russian reaction to the proposals demonstrates once again that they fear our achievements in the struggle for weapon superiority."

Rodino acknowledged that there were those who asked why negotiate at all? "But, first of all, it is in our national interest to do so. I do not believe that the almost \$54 billion which this Congress has been asked to appropriate for the fiscal year 1963 will give any of us the feeling that we are secure."

As President Kennedy has said, "In a spiraling arms race a Nation's security may well be shrinking even as its arms increase."  
 "Secondly, I believe that negotiations are not only in our national interest, but also are directly in our international interests. As leader of the free world, the United States could not avoid bearing a major share of the responsibility for the Global devastation that would result from a general conflict between ourselves and the Soviet Union."  
 Referring to the prediction made yesterday that the Red Chinese would soon have nuclear

## Rehearse For 'Girl Crazy'

Members of cast gather around piano with John H. Bunnell, director, during a break in rehearsals for New Jersey Bell Choral Society production of "Girl Crazy," the Gershwin musical which will be presented by the telephone company group in Clifton in late October. Left to right are Elaine Fake, Joe Melendes, Herbert Neals, Tim Crossett, Ralph Williams and Bunnell.

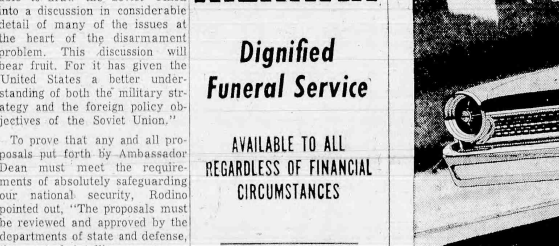

## Two Churches Unite For 'An Adventure In Faith'

An unusual venture in faith and fellowship is in store for the congregations of the Montgomery and Fewsmith Memorial Presbyterian Churches this Saturday and Sunday. Commencing with a Saturday evening covered-dish dinner and program, and continuing through services on Sunday morning and evening, the two churches are joining in "An Adventure In Faith at Work."

The main thrust of the venture will be carried by guest speakers from the Faith at Work group who will tell of their own experiences. In all there will be from 12 to 15 speakers.  
 weapons, the congressman feels "That there is a degree of urgency in our negotiations. Neither west nor east has an unlimited amount of time. The arms race is on the verge of extending itself into outer space. Nations not now possessing them may soon have nuclear weapons. The bigger the nuclear club, the greater the danger of a local conflict escalating into general nuclear war. And the danger of war by accident, miscalculation or failure of communications increases as nuclear weapons fall into the hands of politically less responsible governments." The Newark Democrat admitted that the "ultimate objective of general and complete disarmament in a peaceful world is still out of sight over the horizon. But, I believe that it is important that we continue to negotiate toward this ultimate objective. Moreover, the opportunity provided by the conference for carrying on a continuous debate has also worked to our advantage. Ambassador Dean has been able to draw the Soviet Union into a discussion in considerable detail of many of the issues at the heart of the disarmament problem. This discussion will bear fruit. It has given the United States a better understanding of both the military strategy and the foreign policy objectives of the Soviet Union."  
 To prove that any and all proposals put forth by Ambassador Dean must meet the requirements of absolutely safeguarding our national security, Rodino pointed out, "The proposals must be reviewed and approved by the departments of state and defense, the central intelligence agency, atomic energy commission, plus the disarmament agency and all other interested persons and offices within the executive branch and finally by the President himself. In addition, proper consultation has occurred between legislative and executive branches and appropriate committees of the Congress" that he is "convinced that not only do our proposals protect our national security, but that effectively verified disarmament measures will increase that security."

## Coming Friday-the '63 Fords...

America's liveliest, most care-free cars!

The longest, liveliest, most beautiful line-up of new cars ever presented under one dealer's banner! Four classes of cars... 44 different models built to a new high quality standard... all with amazing new service-saving features that reduce service stops to twice a year or every 6,000 miles... save you time, trouble, money!

The longest, liveliest, most beautiful line-up of new cars ever presented under one dealer's banner! ## De George Says He Favors Amendment On School Prayers

Frank DeGeorge of Belleville, Conservative candidate for Congress in the 10th District, said this week that he favored a Constitutional amendment to permit the continuation of our American tradition of voluntary praying in the public schools.

Mr. DeGeorge said, "It is a fact that most of us favor this custom of opening a school day or assembly with a short voluntary prayer and I am sure that no sensible person really fears that there is any danger that this will lead to the establishment of any state religion in the United States."

## AUCTION TONIGHT

There will be a Chinese Auction at No. 1 School tonight (Thursday) to 9 p.m. Everyone is invited. Admission of \$1 will allow those attending to bid on a variety of worthwhile articles. Refreshments will be served.

## 'Golden Deed' Award Is Established

The New Jersey Association of Real Estate Boards has announced the establishment of a "Golden Deed" award to be presented annually to the individual adjudged to have accomplished the most in one year to create a New Jersey image in the minds of the citizens of the State and the nation.

The 1962 award will be presented December 8 in Atlantic City.

Arthur G. Pulls Jr., president

of NJAREB, said the "Golden Deed" trophy design was chosen because it symbolizes the close relationship between Realtors and the real estate interests and the need for the State's continuous progress and leadership in the economic race in the nation.

Clinton B. Snyder, of Hoboken, a past president of NJAREB, was appointed by Mr. Pulls as chairman of the awards committee.

"Leaders in business, industry and public life are making great contributions in promoting New Jersey through their own achievements," Pulls said. "These contributions should be recognized."

## GENERAL ELECTRIC New 1962 Mobile Maid DISHWASHER

**NEEDS NO INSTALLATION!  
ROLLS ON WHEELS!  
WASHES, DRIES SERVICE for 12!**

*Now at  
Lowest  
Price Ever!*

**\$139<sup>95</sup>**  
Ask for the New  
SP-102

**Gets Dishes Sparkling Clean Without  
Hand Rinsing or Scraping! Giant  
Capacity! Exclusive Flushaway Drain!**

Yes, this popular dishwasher with "Power Scrub", washes, rinses, dries—even liquefies food particles and flushes them down the wonderful Flushaway Drain . . . and there are no screens to clean! It takes a big grimy NEBA service for 12, and in minutes, makes them sparkling clean, sanitized. Bulky pots, too—cleans them like new.

## GENERAL ELECTRIC 1962 SPACEMAKER

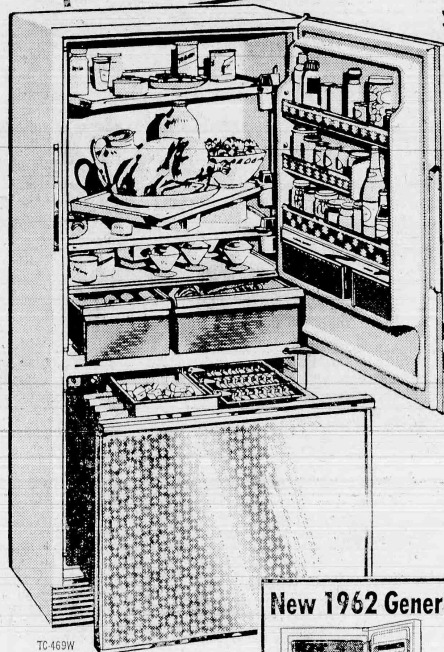

**18.8**

Cu. Ft.\*  
**Refrigerator-  
Freezer**

fits in the space of a **10**

yet provides 8.8 cu. ft.  
more storage space!

New! G-E's THIN WALL INSULATION is twice as efficient as ordinary insulation, so requires only half the thickness. This—plus gain in interior capacity—plus other G-E improvements—results in 88% more storage space in same size cabinet.

### NO DEFROST in FREEZER or REFRIGERATOR

- Exclusive Roll-Out Freezer brings everything out front. More usable space than in any comparable model.
- 3 Adjustable, Removable Swing-Out Shelves plus Swing Out Egg Tray & Butter Conditioner.
